In the opinion of the Board, Mr. Arvind Baheti fulfills the conditions for appointment as an Independent Director, as specified in the Act, and Regulation 16(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Mr. Arvind Baheti is independent of the management.

Brief resume of Mr. Arvind Baheti, nature of his expertise in specific functional areas and names of Companies in which he holds directorships and memberships/chairmanships of Board Committees, shareholding and relationships between Directors *inter-se* are provided in Annexure to this Notice.

Copy of the draft letter for appointment of Mr. Arvind Baheti as an Independent Director setting out the terms and conditions are available for inspection by members at the Registered Office of the Company.

This Statement may also be regarded as a disclosure under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Mr. Arvind Baheti, is interested in the Resolution set out at Item No. 4 of the Notice with respect to his appointment. The relatives of Mr. Arvind Baheti, may be deemed to be interested in the Resolution set out at Item No.4 of the Notice, to the extent of their shareholding interest, if any, in the Company.

Save and except the above, none of the other Directors/Key Managerial Personnel of the Company/their relatives are, in any way, concerned or interested financially or otherwise, in this Resolution.

All the documents referred to are open for inspection at the Company's Registered Office at C-4, 'Gillander House', Netaji Subhas Road, Kolkata – 700 001 on all working days, except Saturdays, between 10.00 A.M. to 1.00 P.M. till 29th July, 2018, and will also be available for inspection at the Meeting.

The Board recommends the Ordinary Resolution set out at Item No. 4 of the Notice for approval of the Members.

Item Nos. 5 & 7

The Nomination and Remuneration Committee at its meeting held on 28th March, 2018, did not recommend re-appointment of Mr. D. K. Sharda, who was 70 years of age, as 'Managing Director & CEO' of the Company. The said Committee, instead, recommended that Mr. Mahesh Sodhani and Mr. Manoj Sodhani, be promoted and inducted as Board Members. The Committee was also of the opinion that the position of 'Managing Director' and 'Chief Executive Officer' should be separate.

Thereafter, on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company has appointed Mr. Mahesh Sodhani (DIN: 02100322) as an Additional Director (Whole time) with effect from 1st April, 2018, to hold office till the conclusion of the ensuing 84th Annual General Meeting of the Company.

Subsequent to resignation of Mr. D. K. Sharda as 'Managing Director & CEO' of the Company with effect from close of business hours on 31st March, 2018, and on the recommendation of the Nomination and Remuneration Committee (NRC), at their Meetings held on 28th March, 2018, the Board of Directors of the Company had appointed Mr. Mahesh Sodhani as 'Managing Director', of the Company, for a period of period of 3 (three) years with effect from 1st April, 2018, subject to approval of the Members of the Company.

Accordingly, an Agreement dated 3rd April, 2018, effective from 1st April, 2018, was entered into between the Company and Mr. Mahesh Sodhani, Managing Director of the Company, subject to the approval of the members of the Company.

The Board of Directors of the Company at their meeting held on 29th May, 2018, has varied the terms of appointment of Mr. Mahesh Sodhani, Managing Director, subject to the approval of the members of the Company. The variations primarily deal with retirement of Mr. Sodhani by rotation, as a Director. Accordingly, a supplementary Agreement was entered into between the Company and Mr. Mahesh Sodhani, Managing Director on 30th May, 2018.

Your Company has diversified business activities and is primarily engaged in the businesses of tea, textile and engineering and has manufacturing units in West Bengal, Assam and Punjab. During the last three financial years 2014-2015, 2015-2016 and 2016-2017 the Company has reported Standalone Profit/(Loss) After Tax (PAT) of (₹ 321.10 lakhs), (₹ 2,266.92 lakhs) and (₹1361.84 lakhs) respectively.

The reasons for loss during the financial year ended on 31st March, 2018 and steps taken or proposed to be taken for improvement and increase in productivity has been explained / dealt with in the Directors' Report of the Company for financial year ended on 31st March, 2018.

The Company has a wholly owned direct Foreign Subsidiary at Mauritius by the name Gillanders Holdings (Mauritius) Limited. The Company also has step down Foreign Subsidiary Company viz. Group Developments Limited (GDL), Malawi. GDL has three wholly owned subsidiaries viz., Naming'omba Tea Estates Limited, Mafisi Tea Estates Limited and Group Holdings Limited, all located at Malawi.

Mr. Mahesh Sodhani is associated with the Company since 1st May, 2001. Mr. Sodhani has vast experience in Tea Industry and he also has experience in EPC business. Prior to his promotion and appointment as 'Managing Director' he was designated as President of the Company and was looking after the Tea, MICCO (Engineering) and Property Divisions of the Company. Mr. Sodhani also has expertise in finance, marketing and administration.

Brief resume of Mr. Mahesh Sodhani, nature of his expertise in specific functional areas and names of the Company in which he hold Directorship, shareholding and relationships between Directors *inter se* are provided in the Annexure to this Notice.

Mr. Mahesh Sodhani by his expertise, knowledge and business acumen is managing the overall business of the Company and his appointment would be beneficial for the Company given the paucity of experienced and skilled personnel. During the preceding 3 financial years 2015-2016, 2016-2017 and 2017-2018, Mr. Mahesh Sodhani received remuneration of ₹ 37.33 lakhs, ₹ 41.23 lakhs and ₹ 57.79 lakhs respectively.

The remuneration proposed for Mr. Mahesh Sodhani is commensurate with the industry and size of the Company. Mr. Mahesh Sodhani has no pecuniary relationship directly or indirectly with the Company. However, he is related to Mr. Manoj Sodhani as brothers.

During the financial year 2017-18, your Company has reported Standalone Loss After Tax of ₹ 1,063.51 lakhs and have taken steps for improvement in the operations of the Company, which is expected to increase the productivity and profits of the Company.

The terms and conditions of the Agreements entered into by the Company with Mr. Mahesh Sodhani are set out herein below:

1. DUTIES AND RESPONSIBILITIES:

Mr. Mahesh Sodhani, the 'Managing Director' of the Company shall, subject to the provisions of the Companies Act, 2013, and overall superintendence and control of the Board of Directors of the Company, shall perform such duties and exercise such powers, as have been or may, from time to time, be entrusted to, or conferred on him, by the Board of Directors of the Company.

2. REMUNERATION:

- I.
 - a) Basic Salary Rs.2,00,000/- per month for the period 1st April, 2018 to 31st March, 2019 and thereafter an increase of not exceeding 25 per cent every year with effect from 1st April, 2019, subject to recommendation of the Nomination and Remuneration Committee and approval of the Board of Directors.
 - b) Special Allowance Rs.3,16,350 per month for the period 1st April, 2018 to 31st March, 2019 and thereafter an increase of not exceeding 25 per cent every year with effect from 1st April, 2019, subject to recommendation of the Nomination and Remuneration Committee and approval of the Board of Directors.
This allowance however, will not be taken into account for calculation of benefits such as Provident Fund, Gratuity, Superannuation and Leave Encashment.
- II. PERQUISITES: Apart from Salary, Mr. Mahesh Sodhani will also be entitled to the perquisites classified into the following three parts viz., Part A, B and C.

PART – A

- i) Housing: The Company shall provide rent free furnished accommodation with free electricity. In case, no accommodation is provided by the Company, to the Managing Director shall be entitled to House Rent Allowance limited to 25% of his basic salary.
- ii) Medical Reimbursement and Leave Travel Concession: The Managing Director shall be reimbursed to the extent of 10% of his basic salary towards expenses incurred for self and family for Medical Expenses and Leave Travel, anywhere in India.
- iii) Fees of Clubs: Upto a maximum of two Clubs. This will not include any admission or life membership fees.
- iv) Personal Accident Insurance/ Mediclaim Insurance: Personal Accident Insurance policy / Mediclaim Insurance policy in accordance with the scheme applicable to senior employees of the Company.

PART – B

- i) Company's contribution to National Pension Scheme as per Rules of the Company.
- ii) Company's contribution to Provident Fund as per Rules of the Company.
- iii) Gratuity on retirement at the rate of one half month's salary for each completed year of service subject to the ceiling as provided in law.
- iv) Encashment of leave: Encashment of leave as per Rules of the Company.

PART – C

- i) Use of car for Company's business.
- ii) Subject to the overall ceiling on remuneration, the Managing Director may be given other allowances, benefits and perquisites, as may be decided by the Board of Directors, from time to time. However, the overall amount of perquisites shall not exceed an amount equal to the annual Basic Salary. In computing the monetary ceilings on perquisites, Company's contribution to Provident Fund, Pension Fund and Gratuity shall not be taken into account.

MINIMUM REMUNERATION:

In the event of absence or inadequacy of profits during the period of service of Mr. Mahesh Sodhani, as Managing Director of the Company, he shall be entitled to the same Salary and Perquisites as stated hereinabove.

The remaining provisions of the Agreements set out the mutual rights and obligations of the parties thereto and other administrative details.

As per the requirement of Schedule V, the relevant information are set out at one or more places in the documents forming part of the Annual Report and the aforesaid paragraphs should be taken as information that are required to be provided under Schedule V Part II of the Companies Act, 2013 dealing with 'Minimum Remuneration'.

The Board of Directors is of the opinion that the above remuneration being paid / payable to Mr. Mahesh Sodhani, as Managing Director of the Company, is commensurate with his duties and responsibilities. The Board considers that his association as Managing Director will be beneficial to and in the interest of the Company.

Save and except Mr. Mahesh Sodhani and his relatives, including Mr. Manoj Sodhani, to the extent of their shareholding interest, if any, in the Company, none of the other Directors/Key Managerial Personnel of the Company/their relatives are, in any way, concerned or interested financially or otherwise, in the resolution set out at Item Nos. 5 & 7 of the Notice.

All the documents referred to in the said Resolution are open for inspection at the Company's Registered Office at C-4, 'Gillander House', Netaji Subhas Road, Kolkata – 700 001 on all working days, except Saturdays, between 10.00 A.M. to 1.00 P.M. till 29th July, 2018, and will also be available for inspection at the Meeting.

The Board recommends the Ordinary Resolution and the Special Resolution as set out at Item Nos. 5 & 7 respectively of the Notice for approval of the Members.

Item Nos. 6 & 8

The Nomination and Remuneration Committee at its meeting held on 28th March, 2018 did not recommend re-appointment of Mr. D. K. Sharda, who was 70 years of age, as 'Managing Director & CEO' of the Company. The said Committee, instead, recommended that Mr. Mahesh Sodhani and Mr. Manoj Sodhani, be promoted and inducted as Board Members. The Committee was also of the opinion that the position of 'Managing Director' and 'Chief Executive Officer' should be separate.

Thereafter, on the recommendation of the Nomination and Remuneration Committee, the Board of Directors of the Company has appointed Mr. Manoj Sodhani (DIN: 02267180) as an Additional Director (Whole time) with effect from 1st April, 2018 to hold office till the conclusion of the ensuing 84th Annual General Meeting of the Company.

FINANCIAL PERFORMANCE AND REVIEW OF OPERATIONS

During the financial year ended on 31st March, 2018, your Company has reported a standalone EBITDA of ₹ 5,187.75 lakhs against ₹ 3,154.89 lakhs during the previous year. Total Standalone Income from Operations has decreased to ₹ 62,678.96 lakhs as against ₹ 65,065.99 lakhs in the Previous Year. Operational matters have been discussed under 'Management Discussion and Analysis,' detailed in appropriate part of this Report.

DIVIDEND

In view of inadequacy of profits for the financial year ended on 31st March, 2018, your Directors have not recommended any dividend for the year.

INVESTMENT IN GILLANDERS MAURITIUS

During the year, the Company has invested an amount of USD 4,00,000 (United States Four Lakhs dollars only) by subscribing to 4,00,000 numbers of fully paid up equity shares of USD 1 each, at par, of Gillanders Holdings (Mauritius) Limited, a Wholly Owned Foreign Subsidiary.

VOLUNTARY DELISTING OF EQUITY (ORDINARY) SHARES FROM THE CALCUTTA STOCK EXCHANGE LIMITED

The Company had applied for Voluntary Delisting of the Equity (Ordinary) Shares of the Company from The Calcutta Stock Exchange Limited in compliance with Regulation 6(a) of the SEBI (Delisting of Equity Shares) Regulations, 2009. The Calcutta Stock Exchange Limited vide their letter Ref No. CSE/LD/14143/2018 dated 8th March, 2018 has confirmed the Voluntary Delisting of the Equity (Ordinary) Shares of the Company with effect from 9th March, 2018.

MANAGEMENT DISCUSSION AND ANALYSIS

Management's Discussion and Analysis Report for the year under review, as stipulated under Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI Listing Regulations') is presented in a separate section forming part of the Annual Report. The industry structure, development, performance, opportunities, threats, outlook, risk and concerns, internal control systems and its adequacy, financial performance with respect to operational performance and material developments in human resource and industrial relations have been discussed in the paragraphs to follow.

Textile Division

During the year under review the production was 16364 MT. The year was marked with one of the biggest reform in indirect taxes - The Goods and Service Tax (GST), which was implemented with effect from 1st July 2017. The unorganized sector, which forms a significant portion of your company's customer base, faced challenges in adapting to the new regime due to their unpreparedness and its complexity. However efforts were made to simplify and make the system user friendly with series of amendments.

The inverted duty structure of 18% in case of Synthetic and blended yarn, as against 5% on fabric, resulted in huge input credit getting blocked with fabric manufacturers who resorted to drastic production cuts and large scale protests. The duty structure was partially corrected by reducing the GST rates on synthetic and blended yarn to 12% in October, which gave some relief to the industry.

Apparel export during the year showed negative growth primarily on account of reduction in duty drawback/ duty refund and secondly due to inordinate delay in refund of GST to the exporters resulting in huge blockage of their working capital.

Textile value chain, particularly after spinning, has traditionally been dominated by the unorganized sector with minimal applicability and incidence of indirect taxes. After the implementation of GST the entire value chain in the unorganized textile sector witnessed huge disruption, which adversely affected their performance during the year.

The increase in crude oil prices from the last quarter resulted in increase in prices of all types of synthetic fibers, which could not be fully passed on to the upstream chain due to adverse market conditions.

Cotton crop during the crop year 2017-18 is estimated to be 365 lakh bales, which would be lower than the original projection due to crop damage.

As reported last year, your division is gradually increasing its business of fancy and value added yarn and is finding good response from the market. With continuous focus in increasing the business of value added and fancy yarn we expect to see improved performance in the current year.

Tea Division

The global tea production in 2017 was higher compared to 2016 with major increase in production in India, Sri Lanka and Malawi, whereas, major losers were Kenya and Bangladesh. India produced 1321 Million kgs, a growth of 54 million kgs, compared to the previous year i.e. 2016. This was primarily due to increase in production in West Bengal and South India, whereas, Assam was almost at par with previous year. Average price realization of India in auction centres was at par compared to last year. However, the price for bulk tea has increased by around ₹ 4 per kg, compared to previous year, which reflects the goodwill and premium your product enjoys in the market. During the year under review, this division reported a production of 97.92 million kgs, which is marginally lower, compared to last year, due to adverse weather conditions in Assam and lower sourcing of outside green leaf.

During the year under review, the performance of the packet Tea segment was stable and the division is hopeful for improved performance in coming year.

The Directors are pleased to inform you that export by the division, during the year under review, has improved significantly when compared with previous year. The division has penetrated into new potential markets, and has also strengthened its presence in the existing markets. It is expected to continue its growth trend in the coming year.

As already reported, due to migration of workers, which has resulted in shortage of labour, the division continued to increase mechanization of its operations viz., introduction of tractor mounted spraying, pruning etc, and is exploring for further mechanization.

All eight factories are certified under ISO 22000-2005 and have Trust Tea certification.

Prospects of increase in wages and other input cost are major challenges that the tea industry may face. However, your Directors are confident of overcoming them with more high-value products, increase in volume of export and packet, improving quality of CTC, thereby, expecting an improved performance in coming year.

Engineering (MICCO) Division

MICCO is primarily an established contractor in almost all the steel plants of India, doing both EPC and Job contracting work. In the year under review, there had been a limited number of enquiries from major clients in the Steel sector. However, few projects for revamping and upgradation are expected in the coming year.

The performance of your Division has improved when compared to the previous year due to various steps taken viz., rationalization of cost, value engineering etc. It is the foremost EPC contractor in the area of Gasholder and your division has won the prestigious contract to build the 80,000m³ gasholder for Jindal Steel & Power Limited in the year under review.

The proficiency in execution of building, revamping and upgradation of Blast Furnace by your Company is widely acclaimed in Steel sector. In coming years, projects for Blast Furnace upgradation are expected from Steel Plants.

Steel Industry is expected to improve in near future and we expect that most of the steel plants, will take up their expansion and upgradation plan. We are a preferred contractor in steel sector, and hence, anticipate increase in enquiries/orders for Gasholders, Blast Furnace, Mills, Piping & Equipment erection work. This division is expected to do better in the coming year.

Property Division

This Division has reported revenue of ₹ 746.31 lakhs, which is marginally higher compared to previous year. Continuous efforts are being made to increase the occupancy of 'Gillander House'. The property market has not shown any significant signs of recovery during the current year. It has also been observed that huge property banks with all modern amenities are lying idle and this division will face severe competition in the coming year. Your directors are hopeful that the division will maintain its performance during the ensuing year. As already reported, this division religiously follows fire safety policy and conducts fire safety drills at regular intervals.

Internal Financial Control Systems and their adequacy

Your Company has adequate Internal Financial Control Systems in all areas of operation. Your Board has adopted policies and procedures for ensuring the orderly and efficient conduct of its businesses, including adherence to the Company's policies, safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial disclosures. Internal Audits are conducted by Independent firms of Chartered Accountants and the reports are discussed with the operational heads by the CFO and Managing Director & CEO of the Company, and thereafter, placed before the Meetings of the Audit Committee of the Board of Directors. Representatives of the Statutory Auditors, Cost Auditors and Internal Auditors are also invited at the Meetings of the Audit Committee, as and when required. Corrective measures suggested at the Audit Committee Meetings are duly implemented.

The Audit Committee of the Board also reviews the adequacy of Internal Financial Control Systems at regular intervals.

Human Resources and Industrial Relations

The Company has laid down the process for attracting, retaining and recognizing talent as it acknowledges the importance of good Human Resources. Company has cordial relation with employees and there is mutual respect and admiration for each other. The Directors wish to record their appreciation for the co-operation received from all employees. Industrial relation was good.

Caution Statement

Management Discussion and Analysis Report contains forward-looking statements, which are based on certain assumptions and expectations of future events. The Company's actual results and performance may differ from those projected due to unforeseen circumstances viz., political, economic, etc., over which the Company does not have any control. The Company assumes no responsibility to publicly amend, modify or revise any such statements on the basis of subsequent developments, information or events. Readers are advised to apply their diligence and independent judgment.

CONSOLIDATED FINANCIAL STATEMENTS

Consolidated financial statements for the financial year ended on 31st March, 2018, prepared as per the provisions of the Companies Act, 2013 (hereinafter referred to as 'the Act'), Rules framed therein and the applicable Accounting Standards are provided in the Annual Report.

SUBSIDIARY / ASSOCIATE COMPANIES

Gillanders Holdings (Mauritius) Limited, Mauritius, the Direct Foreign Subsidiary, reported a profit before tax of ₹ 66.24 lakhs, against ₹ 95.01 lakhs, during the previous year. No significant operational activities have been undertaken by the said Subsidiary during the year under review.

For the financial year ended on 31st March, 2018, Group Developments Limited, Malawi (GDL), a step down Foreign Subsidiary, has reported a profit of ₹ 702.00 lakhs, against a reported loss of ₹ 305.07 lakhs for the previous year.

GDL has three wholly owned Subsidiaries located at Malawi viz., Naming'omba Tea Estates Limited, Mafisi Tea Estates Limited and Group Holdings Limited. GDL and its wholly owned Subsidiaries are engaged in growing and processing of Tea, Macadamia and other crops.

Tea production of GDL for the year under review was 2.40 Million kgs, compared to last year's production of 2.07 million kgs. The Tea price realization during the period was also higher than the previous year.

During the year, Macadamia (N I H) production of GDL was 1.87 million kgs against last year's production of 1.31 million kgs.

During the year under review, your Company did not have any associate / joint venture. A separate section on the performance and financial position of the Subsidiaries in Form AOC-1 is part of the Annual Report and is annexed to the Report.

FIXED DEPOSITS

The Company is eligible to invite, accept or renew deposits under the provisions of the Act and the Rules framed therein.

As on 31st March, 2018 an amount of ₹ 4,651.04 lakhs was outstanding as fixed deposits received from the public and Shareholders of your Company. Matured fixed deposits amounting to ₹ 3.64 lakhs remained unclaimed and outstanding as on 31st March, 2018.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF GILLANDERS ARBUTHNOT AND COMPANY LIMITED

REPORT ON THE STANDALONE INDIAN ACCOUNTING STANDARDS (IND AS) FINANCIAL STATEMENTS

1. We have audited the accompanying standalone Ind AS financial statements of **GILLANDERS ARBUTHNOT AND COMPANY LIMITED ('the Company')**, which comprise the Balance Sheet as at 31 March 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE IND AS FINANCIAL STATEMENTS

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting Standard) Rules, 2015 (as amended) under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

3. Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit. We have taken into account the provisions of the Act and the rules made thereunder, including the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit of the Standalone Ind AS financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Standalone Ind AS financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Standalone Ind AS financial statements.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS financial statements.

OPINION

6. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2018 and its loss (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

OTHER MATTER

7. We did not audit the financial statements/ information of two units included in the standalone Ind AS financial statements of the Company whose financial statements reflect total assets of ₹ 35,466.05 lakhs as at 31st March, 2018 and total revenues of ₹ 22,316.77 lakhs for the year ended on that date, as considered in the standalone financial statements. The financial statements/information of these units have been audited by the branch auditors whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of these units, is based solely on the report of such branch auditors.

Our opinion is not modified in respect of this matter.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

8. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure 'A' a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.

ANNEXURE-A TO THE INDEPENDENT AUDITOR'S REPORT

The Annexure referred to in our Independent Auditor's Report to the members of the Company on the Standalone Ind AS financial statements for the year ended 31st March 2018, we report that:

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
 - (b) As per the information and explanations given to us, physical verification of property, plant and equipment have been carried out in terms of the phased program of verification of its property, plant and equipment adopted by the Company and no material discrepancies were noticed on such verification. In our opinion, the frequency of verification is reasonable having regard to size of the Company and nature of its business.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- ii. As per the information and explanations given to us, the inventories have been physically verified at reasonable intervals during the year by the management or by a firm of Chartered Accountants on behalf of the Management and no material discrepancies between book stock and physical stock have been found.
- iii. The Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnership or other parties listed in the register maintained under Section 189 of the Companies Act, 2013. Accordingly the provisions of paragraph 3(iii), 3(iii)(a) to 3(iii)(c) of the said Order are not applicable.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act, in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- v. According to information and explanations given to us, the company has complied with the directives issued by Reserve Bank Of India, and the provisions of Section 73 to 76 or any other relevant provisions of the Act and the Rules framed there under with respect to deposits (from public). According to the information and explanation's given to us no order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal on the Company in respect of the aforesaid deposits.
- vi. We have broadly reviewed the cost records maintained by the Company in respect of its products (Engineering, Tea and Textile) pursuant to the rules prescribed by the Central Government of India under section 148 (1) of the Companies Act 2013 and are of the opinion that, prima facie, the prescribed records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company is generally regular in depositing undisputed statutory dues including provident fund, employee's state insurance, income tax, sales tax, service tax, duty of customs, duty of excise, value added tax, goods and services tax, cess and other statutory dues, as applicable, with the appropriate authorities.
 There are no arrears in respect of the aforesaid dues as at 31st March 2018 for a period of more than six months from the date they became payable.
 - (b) According to the information and explanation given to us, the dues of Income tax, sales tax, Service tax duty of customs, duty of excise and value added tax which have not been deposited by the company on account of any dispute and the forum where the dispute is pending as on 31st March, 2018 are as under:-

ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. We have audited the internal financial controls over financial reporting of **GILLANDERS ARBUTHNOT AND COMPANY LIMITED ("the Company")** as of 31st March 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:
 - (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

- (c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

OTHER MATTERS

9. Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting of the company, in so far as it relates to the branches not audited by us, is based on the corresponding reports of the said branch auditors. Our opinion is not modified in respect of this matter.

CASH FLOW STATEMENT for the year ended 31st March 2018 (Contd.)

Notes :

- a) The above Cash Flow Statement has been prepared under the "Indirect Method" as set out in the Indian Accounting Standard 7 on 'Cash Flow Statements'.
- b) Cash and Cash Equivalents includes ₹ 767.93 lakhs (Previous Year ₹ 1,985.86 lakhs) available for restricted use (Refer Note - 15). The restrictions are mainly on account of cash and bank balances held as margin money deposit against bank guarantees, under lien and unclaimed dividends.
- c) The amendment to Ind AS 7 Cash Flow Statements requires the entities to provide disclosures that enables users of financial statements to evaluate changes in liabilities arising from financial activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of the reconciliation between the opening and the closing balances in the Balance Sheet for liabilities arising from financial activities, to meet the disclosure requirement. The amendment has become effective from 1st April 2017 and the required disclosure is made below. There is no other impact on the financial statements due to the amendment.

Notes to the Standalone Financial Statements for the year ended 31st March 2018

1. CORPORATE AND GENERAL INFORMATION

Gillanders Arbuthnot and Company Limited (GACL) was incorporated as a Limited Company in India under the Companies Act in the year 1935 having its registered office at Kolkata. It became part of well-known Kothari Group of Companies in the late sixties. The Company primarily deals in manufacture and sale of tea, manufacture and sale of yarn and fabric made out of Cotton and Man Made Fibres, Manufacture and sale of Steel Structural , Pipes and Equipment and designing, supplying , erectioning and commissioning of projects on turnkey basis , and letting out of property on Rent.

2. BASIS OF PREPARATION

2.1. Statement of Compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as prescribed by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ("the Act"), read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended), other relevant provisions of the Act and other accounting principles generally accepted in India.

The financial statements for all periods up to and including the year ended 31st March, 2017, were prepared in accordance with Generally Accepted Accounting Principles (GAAP) in India, which includes the accounting standards prescribed under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014 and other provisions of the Act (collectively referred to as "Indian GAAP"). These financial statements for the year ended 31st March, 2018 are the first Ind AS Financial Statements with comparatives, prepared under Ind AS. The Company has consistently applied the accounting policies used in the preparation of its opening Ind AS Balance Sheet at 1st April, 2016 throughout all periods presented, as if these policies had always been in effect and are covered by Ind AS 101 "First Time Adoption of Indian Accounting Standards".

An explanation of how the transition to Ind AS has affected the previously reported financial position, financial performance and cash flows of the Company is provided in Note No. 48. Certain of the Company's Ind-AS accounting policies used in the opening Balance Sheet differed from its Indian GAAP policies applied as at 31st March, 2016 and accordingly the adjustments were made to restate the opening balances as per Ind-AS. The resulting adjustment arising from events and transactions before the date of transition to Ind-AS were recognized directly through retained earnings as at 1st April, 2016 as required by Ind- AS 101. The financial statements of the Company for the year ended 31st March, 2018 has been approved by the Board of Directors in their meeting held on 30th May, 2018.

2.2. Basis of Accounting

The Company maintains accounts on accrual basis following the historical cost convention, except for followings:

- Certain Financial Assets and Liabilities is measured at Fair value/ Amortized cost (Refer Note 49);
- Derivative Financial Instruments measured at fair value;
- Defined Benefit Plans – Plan assets measured at Actuarial Valuation; and
- Biological Assets – At fair value less cost to sell

2.3. Functional and Presentation Currency

The Financial Statements are presented in Indian Rupee (INR), which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates. All financial information presented in INR has been rounded off to the nearest lakhs as per the requirements of Schedule III, unless otherwise stated.

2.4. Use of Estimates and Judgements

The preparation of financial statements in conformity with Ind AS requires judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Revision to accounting estimates are recognized in the period in which the estimates are revised and future periods affected. For details of estimates and judgements used in preparation of financial statements refer Note 3.19.

**Notes to the Standalone Financial Statements for the year ended 31st March 2018 (Contd.)****2.5. Presentation of Financial Statements**

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Division II of Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).

2.6. Operating Cycle for current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act, and Ind AS 1 (Presentation of Financial Statements). The Company has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

An asset is classified as current when it is:

- Expected to be realized or is intended to be sold or consumed in the normal operating cycle; or
- Held primarily for the purpose of trading; or
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

Similarly a liability is current if:

- It is expected to be settled in normal operating cycle; or
- It is held primarily for the purpose of trading; or
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current. Deferred Tax Assets and Liabilities are classified as non-current assets and liabilities respectively.

2.7. Measurement of Fair Values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Notes to the Standalone Financial Statements for the year ended 31st March 2018 (Contd.)

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 — Inputs which are unobservable inputs for the asset or liability.

External valuers are involved for valuation of significant assets and liabilities. Involvement of external valuers is decided by the management of the company considering the requirements of Ind AS and selection criteria include market knowledge, reputation, independence and whether professional standards are maintained.

3. SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies applied in the preparation of the financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the financial statements.

3.1. INVENTORIES

Inventories are valued at the lower of cost and net realizable value (NRV). Cost is measured by including, unless specifically mentioned below, cost of purchase and other costs incurred in bringing the inventories to their present location and condition. NRV is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

- **Raw Materials:** At Cost (at weighted average basis) or Net Realizable Value whichever is lower. Cost of harvested tea leaves, produced from own gardens, is measured at fair value less cost to sell at the point of harvest of tea leaves. .
- **Stores and Spare Parts:** Measured at cost (on weighted average basis) or net realizable value whichever is lower.
- **Stock in Process:** Is valued with material at lower of weighted average cost and market rate and estimated conversion cost.
- **Finished Goods:** Finished goods produced from agricultural produce are valued at lower of cost and the net realizable value. Cost is arrived at by adding the cost of conversion to the fair value of agricultural produce. Other finished goods are measured at cost or NRV whichever is lower.
- **Contract in Progress:** For long term contracts, contract in progress is valued at realizable value/ contractual rate and provision for losses, as may be estimated for completion thereof.
- **Stock in Trade:** Measured at cost (i.e., purchase cost) or net realizable value whichever is lower.
- **Waste/ Scrap:** Waste and Scrap (including tea waste) are valued at estimated realizable value.

3.2. CASH AND CASH EQUIVALENTS

Cash and cash equivalents in the Balance Sheet comprise cash at bank and in hand and short-term deposits with banks that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

3.3. INCOME TAX

Income Tax expenses comprise current tax and deferred tax charge or credit.

Current Tax is measured on the basis of estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961 and other applicable tax laws.

Deferred tax is provided, on all temporary differences at the reporting date between the carrying amount of assets and liabilities for financial reporting purposes and its tax base. Deferred tax assets and liabilities are measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted at the reporting date. Tax relating to items recognized directly in equity or

Notes to the Standalone Financial Statements for the year ended 31st March 2018 (Contd.)

OCI is recognized in equity or OCI and not in the Statement of Profit and Loss. Deferred tax assets include Minimum Alternate Tax (MAT) paid (tax credit) in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability and is considered as an asset if it is probable that future taxable profit will be available against which these tax credit can be utilized.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable.

3.4. PROPERTY, PLANT AND EQUIPMENT

3.4.1. Tangible Assets (Other than Bearer Plants)

3.4.1.1. Recognition and Measurement:

➤ Property, plant and equipment held for use in the production and/or supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost, less any accumulated depreciation and accumulated impairment losses (if any).

➤ Cost of an item of property, plant and equipment acquired comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting any trade discounts and rebates, any directly attributable costs of bringing the assets to its working condition and location for its intended use and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located.

➤ In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of directly attributable overheads, directly attributable borrowing costs incurred in bringing the item to working condition for its intended use, and estimated cost of dismantling and removing the item and restoring the site on which it is located. The costs of testing whether the asset is functioning properly, after deducting the net proceeds from selling items produced while bringing the asset to that location and condition are also added to the cost of self-constructed assets.

➤ If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

➤ Profit or loss arising on the disposal of property, plant and equipment are recognized in the Statement of Profit and Loss in the year of disposal.

3.4.1.2. Subsequent Measurement:

➤ Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.

➤ Major Inspection/ Repairs/ Overhauling expenses are recognized in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any Unamortized part of the previously recognized expenses of similar nature is derecognized.

3.4.1.3. Depreciation:

➤ Depreciation on Property, Plant and Equipment is provided under Straight Line Method at rates determined based on the useful life of the respective assets and their residual value in accordance with Schedule II of the Companies Act, 2013 or as reassessed by the Company based on the technical evaluation.

➤ In respect of the Plant and Machinery other than continuous process plant under Textile Division, useful life of 30 years has been considered on the basis of technical evaluation, which is different from life specified in Schedule II.

Notes to the Standalone Financial Statements for the year ended 31st March 2018 (Contd.)

- In respect of spares for specific machinery, it is depreciated over the remaining useful life of the related machinery as estimated by the management.
- Depreciation on additions / (disposals) during the year is provided on a pro-rata basis i.e., from / (up to) the date on which asset is ready for use / (disposed of).
- Depreciation method, useful life and residual values are reviewed at each financial year-end and adjusted if appropriate.

3.4.1.4. Disposal of Assets

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

3.4.1.5. Capital Work in Progress

Capital work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition of qualifying assets and other expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the commencement of commercial production.

3.4.2. Bearer Plants

3.4.2.1. Recognition and Measurement:

- Bearer Plants, comprising of mature tea bushes and shade trees are stated in the balance sheet at cost, less any accumulated depreciation and accumulated impairment losses (if any).
- Cost of bearer plants includes the cost of uprooting, land development, rehabilitation, planting of Guatemala, planting of shade trees, cost of nursery, drainage, cultivation, fertilizers, agro-chemicals, pruning and infilling etc.

3.4.2.2. Subsequent Measurement:

Costs incurred for infilling including block infilling are generally recognized in the Statement of Profit and Loss unless there is a significant increase in the yield of the sections, in which case such costs are capitalized and depreciated over the remaining useful life of the respective sections.

3.4.2.3. Depreciation:

- Depreciation on bearer plants is recognized so as to write off its cost over useful lives, using the straight-line method.
- Estimated useful life of the bearer plants has been determined to be 50 years. The residual value in case of Bearer Plants has been considered as NIL.
- The estimated useful life, residual value and depreciation method are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

3.4.2.4. Capital Work in Progress

Young tea bushes and shade trees, including the cost incurred for procurement of new seeds and maintenance of nurseries, are carried at cost less any recognized impairment losses under capital work-in-progress. Cost includes the cost of land preparation, new planting and maintenance of newly planted bushes until maturity. On maturity, these costs are classified under bearer plants. Depreciation of bearer plants commence on maturity.

3.5. Intangible Assets

3.5.1. Recognition and Measurement

Software which is not an integral part of related hardware is treated as intangible asset and is stated at cost on initial recognition and subsequently measured at cost less accumulated amortization and accumulated impairment loss, if any.

Notes to the Standalone Financial Statements for the year ended 31st March 2018 (Contd.)

3.5.2. Subsequent Expenditure

Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Company and the cost of the item can be measured reliably. All other expenditure is recognized in the Statement of Profit and Loss.

3.5.3. Amortization

➤ Intangible assets are amortized over a period of five years.

➤ The amortization period and the amortization method are reviewed at least at the end of each financial year. If the expected useful life of the assets is significantly different from previous estimates, the amortization period is changed accordingly.

3.5.4. Intangible Assets under Development

Intangible Assets under development is stated at cost which includes expenses incurred in connection with their development in so far as such expenses relate to the period prior to their getting the assets ready for use.

3.6. LEASES

As a lessee

Leases in which significant portion of risk and rewards of ownership are not transferred to the Company as lease are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight line basis over the period of the leases unless the payments are structured to increase in line with expected general inflation to compensate for the lessors expected inflationary cost increases. Leases where the company assumes substantially all risks and rewards incidental to the ownership of the leased assets are classified as finance leases.

As a lessor

Lease income from operating leases where the Company is a lessor is recognized in income on a straight line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

3.7. REVENUE RECOGNITION

Revenue is recognized to the extent it is probable that the economic benefit will flow to the company and revenue can be reliably measured regardless of when the payment is being received. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment, and excludes taxes and duties collected on behalf of the Government and is reduced for estimated customer returns, rebates and other similar allowances.

3.7.1. Sale of Products:

The Company recognizes revenue when it can be reliably measured, it is probable that future economic benefits will flow to the Company and significant risk and reward incidental to sale of products is transferred to the buyer, usually on delivery of the goods.

3.7.2. Revenue from construction contracts/project related activity and contracts for supply/ commissioning of complex plant and equipment is recognized as follows:

Contract Revenue is recognized by reference to the stage of completion of the contract activity at the reporting date of the financial statements on the basis of percentage of completion method. Percentage of completion is the proportion of cost of work performed to-date, to the total estimated contract costs. Expected loss, if any, on the construction/project related activity is recognized as an expense in the period in which it is foreseen, irrespective of the stage of completion of the contract. While determining the amount of foreseeable loss, all elements of costs and related incidental income not included in contract revenue is taken into consideration. Extra work, claim and variation in contracts to the extent that is probable that they will result in revenue and can be reliably measured by the management is also covered.

Notes to the Standalone Financial Statements for the year ended 31st March 2018 (Contd.)

3.7.3. Rental Income:

Rental income from operating lease is recognized on a straight line basis over the term of the relevant lease unless the payments are structured to increase in line with expected general inflation to compensate for the company's expected inflationary cost increases.

3.7.4. Other Income:

3.7.4.1. Interest Income: For all debt instruments measured either at amortized cost or at fair value through other comprehensive income (FVTOCI), interest income is recorded using the effective interest rate (EIR) through Profit or Loss. EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset.

3.7.4.2. Dividend Income: It is accounted for in the period in which the right to receive the same is established.

3.7.4.3. Other Income: Other items of income are accounted for as and when the right to receive such income arises, it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

3.8. EMPLOYEE BENEFITS

3.8.1. Short Term Benefits

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related services are provided. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period.

3.8.2. Other Long Term Employee Benefits

The liabilities for earned leaves that are not expected to be settled wholly within twelve months are measured as the present value of the expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation. Re-measurements as the result of experience adjustment and changes in actuarial assumptions are recognized in statement of profit and loss immediately.

3.8.3. Post-Employment Benefits

The Company operates the following post-employment schemes:

➤ Defined Contribution Plan

Defined contribution plans such as Provident Fund, Employee State Insurance etc. are charged to the statement of profit and loss as and when incurred. Further for certain employees the monthly contribution for provident fund is made to a trust administered by the company. The interest payable by the trust is notified by the government. The company has an obligation to make good the shortfall, if any. Based on the guidance note on measurement of provident fund liabilities from The Actuarial Society the actuary has provided the valuation of interest guaranteed on Provident Fund.

➤ Defined Benefit Plans

The liability or asset recognized in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The liability recognized for defined benefit plans is the present value of the defined benefit obligation at the reporting date less the fair value of plan assets, together with adjustments for unrecognized actuarial gains or losses and past service costs. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation.

Notes to the Standalone Financial Statements for the year ended 31st March 2018 (Contd.)

Re-measurement of the net defined benefit obligation, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling, are recognized in other comprehensive income. Re-measurement recognized in other comprehensive income will not be reclassified to the statement of profit and loss.

3.9. GOVERNMENT GRANTS

Government grants are recognized at their fair value, where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

The grant relating to the acquisition/ construction of an item of property, plant and equipment is included in non-current liability as deferred income and is credited to statement of profit and loss on the same systematic basis as the respective asset is depreciated over its expected life and is presented in other operating income.

3.10. FOREIGN CURRENCY TRANSACTIONS

➤ Foreign currency (other than the functional currency) transactions are translated into the functional currency using the spot rates of exchanges at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rate of exchanges at the reporting date.

➤ Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities are generally recognized in statement of profit and loss in the year in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those qualifying assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings, the balance is presented in the Statement of Profit and Loss within finance costs.

➤ Non-monetary items are not retranslated at period end and are measured at historical cost (translated using the exchange rate at the transaction date).

3.11. BORROWING COSTS

➤ Borrowing Costs consists of interest and other costs that an entity incurs in connection with the borrowings of funds. Borrowing costs also includes foreign exchange difference to the extent regarded as an adjustment to the borrowing costs.

➤ Borrowing costs directly attributable to the acquisition or construction of a qualifying asset are capitalized as a part of the cost of that asset which necessarily takes a substantial period of time to complete and prepare the asset for its intended use or sale.

➤ Transaction costs in respect of long term borrowing are amortized over the tenure of respective loans using Effective Interest Rate (EIR) method. All other borrowing costs are recognized in the statement of profit and loss in the period in which they are incurred.

3.12. INTEREST IN SUBSIDIARIES

Investments in subsidiaries are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries, the difference between net disposal proceeds and the carrying amounts are recognized in the statement of profit and loss.

3.13. FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset to one entity and a financial liability or equity instrument to another entity.

3.13.1. Financial Assets

➤ Recognition and Initial Measurement:

All financial assets are initially recognized when the company becomes a party to the contractual provisions of the

Notes to the Standalone Financial Statements for the year ended 31st March 2018 (Contd.)

instruments. A financial asset is initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

➤ **Classification and Subsequent Measurement:**

For purposes of subsequent measurement, financial assets are classified in four categories:

- Measured at Amortized Cost;
- Measured at Fair Value Through Other Comprehensive Income (FVTOCI);
- Measured at Fair Value Through Profit or Loss (FVTPL); and
- Equity Instruments measured at Fair Value Through Other Comprehensive Income (FVTOCI).

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

- Measured at Amortized Cost: A debt instrument is measured at the amortized cost if both the following conditions are met:
 - The asset is held within a business model whose objective is achieved by both collecting contractual cash flows; and
 - The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade receivables, cash and bank balances, loans and other financial assets of the group.

- Measured at FVTOCI: A debt instrument is measured at the FVTOCI if both the following conditions are met:
 - The objective of the business model is achieved by both collecting contractual cash flows and selling the financial assets; and
 - The asset's contractual cash flows represent SPPI.

Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognized in other comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognized in the statement of profit and loss in investment income.

- Measured at FVTPL: FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL. In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.
- Equity Instruments measured at FVTOCI: All equity investments in scope of Ind AS – 109 are measured at fair value. Equity instruments which are, held for trading are classified as at FVTPL. For all other equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. In case the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment.

**Notes to the Standalone Financial Statements for the year ended 31st March 2018 (Contd.)****➤Derecognition:**

The Company derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.

➤Impairment of Financial Assets:

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS – 109 requires expected credit losses to be measured through a loss allowance. The company recognizes impairment loss for trade receivables that do not constitute a financing transaction using expected credit loss model, which involves use of a provision matrix constructed on the basis of historical credit loss experience. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

3.13.2. Financial Liabilities**➤Recognition and Initial Measurement:**

Financial liabilities are classified, at initial recognition, as at fair value through profit or loss, loans and borrowings, payables or as derivatives, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

➤Subsequent Measurement:

Financial liabilities are measured subsequently at amortized cost or FVTPL. A financial liability is classified as FVTPL if it is held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognized in statement of profit and loss. Any gain or loss on derecognition is also recognized in statement of profit and loss.

➤Financial Guarantee Contracts:

Financial guarantee contracts issued by the company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirement of Ind AS- 109 and the amount recognized less cumulative amortization.

➤Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

3.13.3. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

3.13.4. Derivative financial instruments:

The Company enters into derivative financial instruments viz. foreign exchange forward contracts, to manage its exposure to foreign exchange rate risks. The Company does not hold derivative financial instruments for speculative purposes.

Derivatives are initially recognized at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognized in profit or loss immediately.

Notes to the Standalone Financial Statements for the year ended 31st March 2018 (Contd.)

3.14. Earnings Per Share

Basic Earnings per share (EPS) amounts are calculated by dividing the profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit attributable to equity shareholders adjusted for the effects of potential equity shares by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

3.15. Impairment of Non-Financial Assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value being higher of value in use and net selling price. Value in use is computed at net present value of cash flow expected over the balance useful lives of the assets. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows which are largely independent of the cash flows from other assets or group of assets (Cash Generating Units – CGU).

An impairment loss is recognized as an expense in the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in earlier accounting period is reversed if there has been a change in recoverable amount.

3.16. Provisions, Contingent Liabilities and Contingent Assets

3.16.1. Provisions

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost.

3.16.2. Contingent Liabilities

Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefit will be required to settle the obligations or reliable estimate of the amount of the obligations cannot be made. The Company discloses the existence of contingent liabilities in Other Notes to the Financial Statements.

3.16.3. Contingent Assets

Contingent asset usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits. Contingent Assets are not recognized though are disclosed, where an inflow of economic benefits is probable and where the amount can be measured reliably.

3.17. Biological Assets and Agricultural Produce

3.17.1. Biological Assets

Biological assets of the company comprise of un-harvested green tea leaves that are classified as current biological assets.

The Company recognizes biological assets when, and only when, the Company controls the assets as a result of past events, it is probable that future economic benefits associated with such assets will flow to the company and the fair value or cost of the assets can be measured reliably. Expenditure incurred on biological assets is measured on initial recognition and at the end of each reporting period at its fair value less costs to sell. The gain or loss arising from a change in fair value less cost to sell of biological assets is included in Statement of Profit and Loss for the period in which it arises.

**Notes to the Standalone Financial Statements for the year ended 31st March 2018 (Contd.)****3.17.2. Agricultural Produce**

The Company recognizes agricultural produce when, and only when, the Company controls the assets as a result of past events, it is probable that future economic benefits associated with such assets will flow to the Company and the fair value or the cost of the assets can be measured reliably. Agricultural produce harvested from the Company's biological assets are valued at fair value less cost to sell at the point of harvest. A gain or loss arising on initial recognition of agricultural produce at fair value less cost to sell shall be included in Statement of Profit and Loss for the period in which it arises.

The Company's agricultural produce comprises of green leaves plucked from its tea estates.

3.18. Operating Segment

Operating Segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM). The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Board of Directors. Segments are organized based on businesses which have similar economic characteristics as well as exhibit similarities in nature of production processes, the type and class of customer and distribution methods.

Segment revenue arising from third party customers is reported on the same basis as revenue in the financial statements. Inter-segment revenue is reported on the basis of transactions which are primarily market led. Segment results represent profits before finance charges, unallocated corporate expenses and taxes. "Unallocated Corporate Expenses" include revenue and expenses that relate to initiatives/ costs attributable to the enterprise as a whole and are not attributable to individual segments.

3.19. SIGNIFICANT JUDGEMENTS AND KEY SOURCES OF ESTIMATION IN APPLYING ACCOUNTING POLICIES

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances. Information about significant judgements and key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes:

➤ **Recognition of Deferred Tax Assets:** The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits.

➤ **Useful lives of depreciable/ amortizable assets (tangible and intangible):** Management reviews its estimate of the useful lives of depreciable/ amortizable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to actual normal wear and tear that may change the utility of property, plant and equipment.

➤ **Classification of Leases:** The Company enters into leasing arrangements for various assets. The classification of the leasing arrangement as a finance lease or operating lease is based on an assessment of several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to purchase and estimated certainty of exercise of such option, proportion of lease term to the asset's economic life, proportion of present value of minimum lease payments to fair value of leased asset and extent of specialized nature of the leased asset.

➤ **Defined Benefit Obligation (DBO) :** Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, medical cost trends, anticipation of future salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate. However, any changes in these assumptions may have a material impact on the resulting calculations.

➤ **Provisions and Contingencies:** The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgement by management regarding the probability of exposure to potential loss.

Notes to the Standalone Financial Statements for the year ended 31st March 2018 (Contd.)

➤ **Impairment of Financial Assets:** The Company reviews its carrying value of investments carried at amortized cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.

➤ **Allowances for Doubtful Debts:** The Company makes allowances for doubtful debts through appropriate estimations of irrecoverable amount. The identification of doubtful debts requires use of judgment and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

➤ **Fair value measurement of financial Instruments:** When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The input to these models are taken from observable markets where possible, but where this not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

➤ **Fair Value of Biological Assets:** The fair value of Biological Assets is determined based on recent transactions entered into with third parties or available market price.

3.20. Recent accounting pronouncements

The standard issued but not yet effective upto the date of the Company's financial statements is disclosed below the Company intend to adopt this standard when it becomes effective.

3.20.1 Appendix B to Ind AS 21, Foreign currency transactions and advance consideration: On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

3.20.2 In March 2018, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2018, notifying Ind AS 115, 'Revenue from Contracts with Customers'. The amendment is applicable to the Company for the reporting period beginning April 1, 2018. Ind AS 115 replaces existing revenue recognition standards Ind AS 11, Construction Contracts and Ind AS 18, Revenue and revised guidance note of the ICAI on Accounting for Real Estate Transaction for Ind AS entities issued in 2016.

The amendment will come into force from April 1, 2018. The Company is in the process of evaluating the requirement of the amendments as well as the impact of the same.

NOTE 44 - Disclosure pursuant to Indian Accounting Standard - 19 'Employee Benefits' as notified u/s 133 of the Companies Act, 2013**44.1 Defined Contribution Plan:**

The Company makes a contribution for Provident Fund towards defined contribution plans for eligible employees. The amount recognized as an expense for the Defined Contribution Plans are as under:

Particulars	For the year ended 31st March 2018	For the year ended 31st March 2017
Provident Fund	879.00	854.83
Employee State Insurance Scheme	149.98	137.09

44.2 Defined Benefit Plan:

The following are the types of defined benefit plans

a Gratuity Plan

Every employee who has completed five years or more of service is entitled to gratuity on terms not less favourable than the provisions of the Payment of Gratuity Act, 1972. The present value of defined obligation and related current cost are measured using the Projected Unit Credit Method with actuarial valuation being carried out at Balance Sheet date.

b Provident Fund

Provident Fund (other than government administered) as per the provisions of the Employees Provident Funds and Miscellaneous Provisions Act, 1952. In respect of certain employees, Provident Fund contribution is made to Trust Funds administered by the Company towards defined benefit plans. The Company shall make good for deficiency, if any, in the interest rate declared by the trust vis-à-vis statutory rate. Based on the Guidance Note on measurement of Provident Fund liabilities from The Actuarial Society the actuary has provided the valuation of interest guaranteed on Provident Fund. Accordingly, there is no shortfall of interest required to be provided for as at 31st March, 2018 as well as in the previous year.

c Risk Exposure

Through its defined benefit plans, the company is exposed to a number of risks, the most significant of which are detailed below:

ASSET VOLATILITY	The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, will create a deficit. Most of the plan asset investments is in fixed income securities with high grades and in government securities. These are subject to interest rate risk and the fund manages interest rate risk with derivatives to minimise risk to an acceptable level. A portion of the funds are invested in equity securities and in alternative investments which have low correlation with equity securities. The equity securities are expected to earn a return in excess of the discount rate and contribute to the plan deficit. The group has a risk management strategy where the aggregate amount of risk exposure on a portfolio level is maintained at a fixed range. Any deviations from the range are corrected by rebalancing the portfolio. The group intends to maintain the above investment mix in the continuing years.
CHANGES IN BOND YIELDS	A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the plans' bond holdings.
INFLATION RISKS	In the pension plans, the pensions in payment are not linked to inflation, so this is a less material risk.
LIFE EXPECTANCY	The pension and medical plan obligations are to provide benefits for the life of the member, so increases in life expectancy will result in an increase in the plans' liabilities. This is particularly significant where inflationary increases result in higher sensitivity to changes in life expectancy.

Insurer Managed Fund	100%	100%

The Employee's Gratuity Fund Scheme, a defined benefit plan, is administered by Life Insurance Corporation of India (LIC) and SBI Life Insurance Company Ltd. (SBI Life). LIC or SBI Life make payments to vested employees or their nominees upon retirement, death, incapacitation or cessation of employment of an amount based on the respective employee's salary and tenure of employment subject to a maximum limit as prescribed.

i Asset-Liability Matching Strategy

The money contributed by the Company to the Gratuity Fund to finance the liabilities of the plan has to be invested.

Notes to the Standalone Financial Statements for the year ended 31st March 2018 (Contd.)

The Employee's Gratuity Fund Scheme, a defined benefit plan, is administered by the Life Insurance Corporation of India (LIC) and SBI Life Insurance Company Ltd (SBI Life). The Insurance Company in turn manages the funds as per the mandate provided to them by the Trustees. Due to the restrictions in the type of investments that can be held by the fund, it is not possible to explicitly follow an asset liability matching strategy.

There is no compulsion on the part of the Company to fully prefund the liability of the Plan. The Company's philosophy is to fund these benefits based on its own liquidity and the level of under funding of the plan.

j Actuarial Assumptions

(₹ in lakhs)

Particulars	Gratuity	
	2017-18	2016-17
Financial Assumptions		
Discount Rate	7.70%	7.50%
Salary Escalation Rate	3.00%	3.00%
Demographic Assumptions		
Mortality Rate	Indian Assured Lives Mortality (2006-08) Ultimate	Indian Assured Lives Mortality (2006-08) Ultimate
Withdrawal Rate	3.00%	3.00%

k The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

l At 31st March 2018, the weighted average duration of the defined benefit obligation was 6 years (P.Y - 6 years). The distribution of the timing of benefits payment i.e., the maturity analysis of the benefit payments is as follows:

(₹ in lakhs)

Expected benefits payment for the year ending on	Gratuity
31st March 2019	646.37
31st March 2020	190.46
31st March 2021	187.18
31st March 2022	188.01
31st March 2023 to 31st March 2027	214.96
31st March 2024 to 31st March 2028	938.51

m The Company expects to contribute ₹ 255 lakhs (previous year ₹ 451.72 lakhs) to its gratuity liability.

n Sensitivity Analysis

The sensitivity analysis below have been determined based on a method that extrapolates the impact on defined benefit obligation (DBO) as a result of reasonable changes in key assumptions occurring at the end of the reporting period. Reasonably possible changes at the reporting date to one of the relevant actuarial assumptions, holding other assumptions constant, would have affected the defined benefit obligation by the amounts shown below:

(₹ in lakhs)

Particulars	Gratuity	
	2017-18	2016-17
Effect on DBO due to 0.5% increase in Discount Rate	2,413.36	2,181.57
Effect on DBO due to 0.5% decrease in Discount Rate	(2,590.13)	(2,353.55)
Effect on DBO due to 0.5% increase in Salary Escalation Rate	2,592.75	2,355.22
Effect on DBO due to 0.5% decrease in Salary Escalation Rate	(2,410.32)	(2,179.51)

Although the analysis does not take account of the full distribution of cash flows expected under the plan, it does provide an approximation of the sensitivity of the assumptions shown.

48.5 Notes to First Time Adoption

a Fair Valuation and remeasurement of cost at Ind AS cost of Property, Plant and Equipment

The Company has elected to treat fair value as deemed cost for certain items of its property, plant and equipment. Other items of Property, Plant and Equipment have been measured as per Ind AS 16.

b Fair valuation of Investments

- Under the previous GAAP, investments in equity instruments and mutual funds were classified as long-term investments or current investments based on the intended holding period and realisability. Long-term investments were carried at cost less provision for other than temporary decline in the value of such investments. Current investments were carried at lower of cost and fair value. Under Ind AS, these investments are required to be measured at fair value. The resulting fair value changes of these investments (other than unquoted equity instruments designated as at FVOCI) have been recognised in retained earnings as at the date of transition and subsequently in the Statement of Profit and Loss for the year ended 31 March 2017.
- Fair value changes with respect to investments in unquoted equity instruments designated as at FVOCI have been recognised in FVOCI – Equity investments reserve as at the date of transition and subsequently in the other comprehensive income for the year ended 31 March 2017.

c Borrowings

Under Indian GAAP, the Company accounted for long term borrowings measured at transaction value. Under Ind AS, the Company has to recognise the long term borrowings at amortised cost using effective interest.

d Remeasurements of post-employment benefit obligations

Under Ind AS, remeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of Statement of Profit and Loss. Under the previous GAAP, these remeasurements were forming part of the profit or loss for the year.

e Retained Earnings

Retained earnings as at April 1, 2016 has been adjusted consequent to the above Ind AS transition adjustments.

f Other Comprehensive Income

Under Ind AS, all items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the statement of profit and loss as 'other comprehensive income' includes remeasurements of defined benefit plans and fair value gains or (losses) on FVOCI equity instruments and debt instruments. The concept of other comprehensive income did not exist under previous GAAP.

g Deferred Tax

Indian GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under Indian GAAP.

In addition, the various transitional adjustments lead to different temporary differences. According to the accounting policies, the company has to account for such differences. Deferred tax adjustments are recognized in correlation to the underlying transaction either in retained earnings or a separate component of equity.

Notes to the Standalone Financial Statements for the year ended 31st March 2018 (Contd.)

h Re-classifications

The Company has done the following reclassifications as per the requirements of Ind-AS :

- i Assets / liabilities which do not meet the definition of financial asset / financial liability have been reclassified to other asset / liability.
- ii Remeasurement gain/loss on long term employee defined benefit plans are re-classified from statement of profit and loss to OCI.
- iii The Company has re-classified unpaid dividend balance from cash and cash equivalents to other bank balances.
- iv Excise duty on sales was earlier netted off with Sales, has now been presented separately.

i Forward Contracts

Under IND AS mark to market gain/loss on restatement of forward contract as at the reporting date has been recognized in the statement of profit and loss.

j Expected Credit Loss Model

Ind-AS 109 requires to recognize loss allowances on trade receivable and other financial assets of the Company, at an amount equal to the lifetime expected credit loss or the 12 month expected credit loss based on the increase in the credit risk.

k Deferred Revenue

Under India GAAP, grants received from government agencies against specific fixed assets (Property, Plant and Equipment) are adjusted to the cost of the assets. Under IND AS the same has been presented as deferred revenue being amortised in the statement of profit and loss on a systematic basis.

l Recognition of Biological Assets

"Under previous GAAP, biological assets i.e. unplucked leaf on tea bushes has neither been valued nor recognised in the accounts. Under Ind AS, unplucked leaf on tea bushes has been measured at its fair value less cost to sell."

m Valuation of Made Tea Stock

"Under previous GAAP, tea stock has been valued at the lower of cost and net realizable value. Cost of inventories comprise all costs of purchase/production of green leaf, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Under Ind AS, cost of inventories comprise cost of purchase of green leaf, fair value of green leaf at the time of harvest less cost to sell, conversion cost and other costs incurred in bringing the inventories to their present location and condition."

n Preference shares considered as borrowings

Cumulative redeemable preference shares issued by the Company have been classified as borrowings and recognized at amortised cost on transition date as against part of share capital under previous GAAP. The difference on the transition date has been recognized in opening retained earnings net of related deferred taxes. Interest charge at effective interest rate on such borrowings has been recognized as finance cost in subsequent periods as against appropriation of dividend at coupon rate from reserves under the previous GAAP.

o Fair Valuation of Security Deposits

Under the Previous GAAP, interest free lease security deposits (that are refundable in cash on completion of the lease term) were recorded at their transaction value. Under Ind AS, all financial liabilities are required to be recognised at fair value. Accordingly, the Company has fair valued these security deposits under Ind AS. Difference between the fair value and transaction value of the security deposit has been recognised as advance rent.

p Excise Duty

Under previous GAAP, revenue from sale of goods was presented net of excise duty whereas under IND AS the revenue from sale of goods is presented inclusive of excise duty. The excise duty is presented on the face of the Statement of Profit and Loss as part of expenses.

q Ind AS 101 - Exemptions/ Options Applied

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. Exemptions applied by Company are detailed here under:

- (i) The Company has elected to measure certain items of its Property, Plant and Equipment at its fair value and use that fair value as its deemed cost at the date of transition to Ind AS. Other items of Property, Plant and Equipment and Other intangible assets have been measured as per Ind AS 16 and Ind AS 38, respectively.
- (ii) The Company has elected to continue with the carrying value of investment in subsidiaries as recognised in its Indian GAAP financial statement as deemed cost at the transition date, viz., 1st April, 2016.

NOTE 50 - Fair Values

50.1 The management assessed that the fair values of Loan given, cash and cash equivalents, other Bank balances, trade receivables, other financial assets, long term borrowings, trade payables, short term borrowings, and other financial liabilities approximates their carrying amounts.

50.2 The fair value of the financial assets and financial liabilities is included at the amount at which the instruments could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

NOTE 51 - Fair Value Hierarchy

The following are the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortized cost and for which fair value are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels of fair value measurement as prescribed under the Ind AS 113 "Fair Value Measurement". An explanation of each level follows underneath the tables.

**Notes to the Standalone Financial Statements for the year ended 31st March 2018 (Contd.)****Note 52: Financial Risk Management**

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risk and credit risk. The Company's senior management has the overall responsibility for establishing and governing the Company's financial risk management framework. The Company's Audit Committee, is responsible for developing and monitoring the Company's financial risk management policies. The Company's financial risk management policies are established to identify and analyze the risks faced by the Company, to set and monitor appropriate controls.

(A) Credit risk

Credit risk refers to risk that counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, bank balances, loans, investments and other financial assets.

At each reporting date, the Company measures loss allowance for certain class of financial assets based on historical trend, industry practices and the business environment in which the Company operates.

Credit risk arising from investments, derivative financial instruments and balances with banks is limited because the counterparties are banks and recognized financial institutions with high credit worthiness.

(i) Provision for expected credit losses

The Company measures Expected Credit Loss (ECL) for financial instruments based on historical trend, industry practices and the business environment in which the Company operates.

For financial assets, a credit loss is the present value of the difference between:

- (a) the contractual cash flows that are due to an entity under the contract; and
- (b) the cash flows that the entity expects to receive

The Company recognises in profit or loss, the amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date in accordance with Ind AS 109.

In determination of the allowances for credit losses on trade receivables, the Company has used a practical expedience by computing the expected credit losses based on ageing matrix, which has taken into account historical credit loss experience and adjusted for forward looking information.

(ii) The movement of Trade Receivables and Expected Credit Loss are as follows :

(B) Liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company has an established liquidity risk management framework for managing its short term, medium term and long term funding and liquidity management requirements.

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of cash credit facilities agreed with the banks to ensure that there is sufficient cash to meet all its normal operating commitments in a timely and cost effective manner..

The following table shows the maturity analysis of the Company's derivative and non-derivative financial liabilities based on contractually agreed undiscounted cash flows.

(C) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk.

a) Interest rate risk:

Interest rate risk is measured by using cash flow sensitivity for changes in variable interest rate. Any movement in the reference rates could have an impact on the Company's cash flow as well as cost. The management is focused towards reducing the volatility due to interest rates, which is reflected in proportion of variable interest rate borrowing to total borrowing.

**Notes to the Standalone Financial Statements for the year ended 31st March 2018 (Contd.)**

The exposure of the Company's borrowing to interest rate changes at the end of the reporting period are as follows:

(₹ In lakhs)

b) Foreign currency risk:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate due to changes in foreign exchange rates. The Company enters into forward exchange contracts to hedge against its foreign currency exposures relating to the recognized underlying liabilities / assets and firm commitments. The Company's policy is to hedge its exposures other than natural hedge. The Company does not enter into any derivative instruments for trading or speculative purposes.

The Company's Derivative instruments and unhedged foreign currency exposure at the end of the reporting period are as follows:

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF GILLANDERS ARBUTHNOT AND COMPANY LIMITED

REPORT ON THE CONSOLIDATED INDIAN ACCOUNTING STANDARDS (IND AS) FINANCIAL STATEMENTS

1. We have audited the accompanying consolidated Ind AS financial statements of **GILLANDERS ARBUTHNOT AND COMPANY LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiaries (the holding company and its subsidiaries collectively hereinafter referred to as 'the Group') comprising of the Consolidated Balance Sheet as at 31st March 2018, the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Ind AS Financial Statements").

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED IND AS FINANCIAL STATEMENTS

2. The Holding Company's Board of Directors is responsible for preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with the relevant rules issued thereunder. The respective Board of Directors/ Management of the companies included in the Group is responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

AUDITOR'S RESPONSIBILITY

3. Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.
4. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.
5. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditor's in terms of their report referred to in sub-paragraph (7) of the Other Matters paragraph below, other than the financial

statements as certified by the management and referred to sub paragraph (8) of the other matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

OPINION

6. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2018 and their consolidated loss (including other comprehensive income), their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

OTHER MATTERS

7. We did not audit the financial statements in respect of two branches, a subsidiary and a step down foreign subsidiary, whose financial statements taken together reflect total assets of ₹ 46,737.04 lakhs as at 31st March 2018, net assets of ₹ 21,546.79 lakhs, total revenues of ₹ 26,129.81 lakhs and net cash outflow of Rs 15.09 lakhs for the year ended on that date, as considered in the statements. The financial statements have been audited by other auditor whose report has been furnished to us by the management. These Financial Statements have been adjusted for difference in accounting principle to comply with the Ind AS financial Statement by the management of the Company. We have audited these Ind AS conversion adjustments made by the Company's management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the report of the other auditor and the conversion adjustments prepared by the management of the Holding Company and audited by us.
8. Our opinion on the consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

9. As required by Section 143 (3) of the Act, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c. The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated cash flow statement and the consolidated statement of changes in equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements;
 - d. In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act;
 - e. On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2018 taken on record by the Board of Directors of the Holding Company, none of the directors of the Group companies incorporated in India is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f. With respect to the adequacy of the internal financial controls with respect to financial statements of the Group and the operating effectiveness of such controls, refer to our separate Report in Annexure 'A' to this report; and

- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries, as noted in the 'Other matter' paragraph:
- i. The consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Note No. 38 to the consolidated Ind AS financial statements;
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and

ANNEXURE - A TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in paragraph 9(f) with the heading 'Report on Other Legal and Regulatory requirements' section of our report of even date in respect of statutory audit of Gillanders Arbuthnot and Company Limited for the year ended 31st March, 2018)

1. In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31st March 2018, we have audited the internal financial controls over financial reporting of GILLANDERS ARBUTHNOT AND COMPANY LIMITED ("the Holding Company") as of that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

2. The Board of Directors of the Holding Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and

the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the 'Other Matters' paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial control system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

8. In our opinion, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

OTHER MATTERS

9. Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting of the company, in so far as it relates to the branches not audited by us, is based on the corresponding reports of the said branch auditors. Our opinion is not modified in respect of this matter.

CONSOLIDATED CASH FLOW STATEMENT for the year ended 31st March 2018 (Contd.)

Notes :

- The above Cash Flow Statement has been prepared under the "Indirect Method" as set out in the Indian Accounting Standard 7 on 'Cash Flow Statements'.
- Cash and Cash Equivalents includes Rs.767.93 lakhs (Previous Year Rs.649.38 lakhs) available for restricted use (Refer Note - 14). The restrictions are mainly on account of cash and bank balances held as margin money deposit against bank guarantees, under lien and unclaimed dividends.
- The amendment to Ind AS 7 Cash Flow Statements requires the entities to provide disclosures that enables users of financial statements to evaluate changes in liabilities arising from financial activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of the reconciliation between the opening and the closing balances in the Balance Sheet for liabilities arising from financial activities, to meet the disclosure requirement. The amendment has become effective from 1st April 2017 and the required disclosure is made below. There is no other impact on the financial statements due to the amendment.

Notes to the Consolidated Financial Statements for the year ended 31st March 2018

1. CORPORATE AND GENERAL INFORMATION

Gillanders Arbuthnot and Company Limited (GACL) including its subsidiaries collectively referred to as “Group” deals in manufacture and sale of tea, macademia nuts, manufacture and sale of yarn and fabric made out of Cotton and Man Made Fibres, Manufacture and sale of Steel Structural, Pipes and Equipment and designing, supplying, erection and commissioning of projects on turnkey basis, and letting out of property on Rent.

2. BASIS OF PREPARATION

2.1. Statement of Compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (“Ind AS”) as prescribed by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 (“the Act”), read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended), other relevant provisions of the Act and other accounting principles generally accepted in India.

The financial statements for all periods up to and including the year ended 31st March, 2017, were prepared in accordance with Generally Accepted Accounting Principles (GAAP) in India, which includes the accounting standards prescribed under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014 and other provisions of the Act (collectively referred to as “Indian GAAP”). These financial statements for the year ended 31st March, 2018 are the first Ind AS Financial Statements with comparatives, prepared under Ind AS. The Group has consistently applied the accounting policies used in the preparation of its opening Ind AS Balance Sheet at 1st April, 2016 throughout all periods presented, as if these policies had always been in effect and are covered by Ind AS 101 “First Time Adoption of Indian Accounting Standards”.

An explanation of how the transition to Ind AS has affected the previously reported financial position, financial performance and cash flows of the Group is provided in Note 46. Certain of the Group’s Ind-AS accounting policies used in the opening Balance Sheet differed from its Indian GAAP policies applied as at 31st March, 2016 and accordingly the adjustments were made to restate the opening balances as per Ind-AS. The resulting adjustment arising from events and transactions before the date of transition to Ind-AS were recognized directly through retained earnings as at 1st April, 2016 as required by Ind- AS 101. The financial statements of the Group for the year ended 31st March, 2018 has been approved by the Board of Directors in their meeting held on 30th May, 2018.

2.2. Basis of Accounting

The Group maintains accounts on accrual basis following the historical cost convention, except for followings:

- Certain Financial Assets and Liabilities is measured at Fair value/ Amortised cost (refer note 48 regarding financial instruments);
- Derivative Financial Instruments measured at fair value;
- Defined Benefit Plans – Plan assets measured at Actuarial Valuation; and
- Biological Assets – At fair value less cost to sell

2.3. Basis of Consolidation

2.3.1. Subsidiaries

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries (“Group”). Control is achieved when the Parent Company has:

- Power of the investee;
- Is exposed or has rights to variable returns from its involvement with the investee; and
- Has the ability to use its power over the investee to affect its returns.

Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are de-consolidated from the date when control ceases. Profit/ (loss) and Other Comprehensive Income (‘OCI’) of subsidiaries acquired or disposed of during the period are recognised from the effective date of acquisition, or up to the effective date of disposal, as applicable. The financial statements of all entities used for the purpose of consolidation are drawn up to the same reporting date as that of the Parent company, i.e., year ended on 31st March. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

Notes to the Consolidated Financial Statements for the year ended 31st March 2018 (Contd.)

The Group consolidates the financial statements of the parent and its subsidiaries on line by line basis adding together the items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.

Non-controlling interests, presented as part of equity, represent the portion of a subsidiary's statement of profit and loss and net assets that is not held by the Group. Profit/ (loss) and each component of OCI are attributed to the equity holders of the Parent Company and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. The Group attributes total comprehensive income or loss of the subsidiaries between the owners of the parent and the non-controlling interests based on their respective ownership interests.

Enterprises consolidated as subsidiary in accordance with Indian Accounting Standard 110 on Consolidated Financial Statements (CFS)

Group Holdings Ltd. (WOS of GDL)	Malawi	100.00	100.00	100.00	100.00

2.3.2. Business Combinations

The Group applies the acquisition method in accounting for business combinations. The consideration transferred by the Group to obtain control of a subsidiary is calculated as the sum of the fair values of assets transferred on acquisition-date, liabilities incurred and the equity interests issued by the Group, which includes the fair value of any asset or liability arising from a contingent consideration arrangement. Acquisition costs are expensed as incurred. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair values on acquisition date. However, deferred tax asset or liability and any liability or asset relating to employee benefit arrangements arising from a business combination are measured and recognized in accordance with the requirements of Ind AS 12, Income Taxes and Ind AS 19, Employee Benefits, respectively.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognized for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the excess is recognized as Capital Reserve.

Business combinations involving entities or business under common control have been accounted for using the pooling of interest method. The assets and liabilities of the combining entities are reflected at their carrying amounts. No adjustments have been made to reflect fair values, or to recognize any new assets or liabilities except changes made to harmonize the accounting policies.

2.4. Functional and Presentation Currency

The Financial Statements are presented in Indian Rupee (INR), which is the functional currency of the Parent Company and the currency of the primary economic environment in which the Parent Company operates. All financial information presented in INR has been rounded off to the nearest lakhs as per the requirements of Schedule III, unless otherwise stated.

Notes to the Consolidated Financial Statements for the year ended 31st March 2018 (Contd.)

2.5. Use of Estimates and Judgements

The preparation of financial statements in conformity with Ind AS requires judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Revision to accounting estimates are recognized in the period in which the estimates are revised and future periods affected. For details of estimates and judgement used in preparation of Financial statements (refer note 3.18)

2.6. Presentation of Financial Statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Statement of Cash Flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Division II of Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).

2.7. Operating Cycle for current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 "Presentation of Financial Statements". The Group has ascertained its operating cycle as twelve months for the purpose of current and non-current classification of assets and liabilities.

An asset is classified as current when it is:

- Expected to be realized or intended to sold or consumed in normal operating cycle or;
- Held primarily for the purpose of trading or;
- Expected to be realized within twelve months after the reporting period or;
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All the other assets are classified as non-current.

Similarly, a liability is current if:

- It is expected to be settled in normal operating cycle or;
- It is held primarily for the purpose of trading or;
- It is due to be settled within twelve months after the reporting period or;
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Group classifies all other liabilities as non-current. Deferred Tax Assets and Liabilities are classified as non-current assets and liabilities respectively.

2.8. Measurement of Fair Values

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest. A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

**Notes to the Consolidated Financial Statements for the year ended 31st March 2018 (Contd.)**

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities;
- Level 2 — Inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 — Inputs which are unobservable inputs for the asset or liability.

External valuers are involved for valuation of significant assets & liabilities. Involvement of external valuers is decided by the management of the Group considering the requirements of Ind AS and selection criteria include market knowledge, reputation, independence and whether professional standards are maintained.

3. SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies applied in the preparation of the consolidated financial statements are as given below. These accounting policies have been applied consistently to all the periods presented in the financial statements.

3.1. INVENTORIES

Inventories are valued at the lower of cost and net realizable value (NRV). Cost is measured by including, unless specifically mentioned below, cost of purchase and other costs incurred in bringing the inventories to their present location and condition. NRV is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

- **Raw Materials:** At cost (on weighted average basis) or Net Realizable Value whichever is lower. Cost of harvested tea leaves, macademia nuts, produced from own gardens, is measured at fair value less cost to sell at the point of harvest of tea leaves and macademia nuts.
- **Stores and Spare Parts:** Measured at cost (on weighted average basis) or net realizable value whichever is lower.
- **Stock in Process:** Is valued with material at lower of weighted average cost and market rate and estimated conversion cost.
- **Finished Goods:** Finished goods produced from agricultural produce are valued at lower of cost and the net realizable value. Cost is arrived at by adding the cost of conversion to the fair value of agricultural produce. Other finished goods are measured at cost or NRV whichever is lower.
- **Contract in Progress:** For long term contracts, contract in progress is valued at realizable value/ contractual rate and provision for losses, as may be estimated for completion thereof.
- **Stock in Trade:** Measured at cost (i.e., purchase cost) or net realizable value whichever is lower.
- **Waste/ Scrap:** Waste and Scrap (including tea waste) are valued at estimated realizable value.

3.2. CASH AND CASH EQUIVALENTS

Cash and cash equivalents in the Balance Sheet comprise cash at bank and in hand and short-term deposits with banks that are readily convertible into cash which are subject to insignificant risk of changes in value and are held for the purpose of meeting short-term cash commitments.

3.3. INCOME TAX

Income Tax expenses comprise current tax and deferred tax charge or credit.

Current Tax is measured on the basis of estimated taxable income for the current accounting period in accordance with the applicable tax rates and the provisions of the Income-tax Act, 1961 and other applicable tax laws.

Deferred tax is provided, on all temporary differences at the reporting date between the carrying amount of assets and liabilities for financial reporting purposes and its tax base. Deferred tax assets and liabilities are measured at

Notes to the Consolidated Financial Statements for the year ended 31st March 2018 (Contd.)

the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted at the reporting date. Tax relating to items recognized directly in equity or OCI is recognized in equity or OCI and not in the Statement of Profit and Loss. Deferred tax assets include Minimum Alternate Tax (MAT) paid (tax credit) in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability and is considered as an asset if it is probable that future taxable profit will be available against which these tax credit can be utilized.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realized simultaneously.

A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable.

3.4. PROPERTY, PLANT AND EQUIPMENT

3.4.1. Tangible Assets (Other than Bearer Plants)

3.4.1.1. Recognition and Measurement:

- Property, plant and equipment held for use in the production or/and supply of goods or services, or for administrative purposes, are stated in the balance sheet at cost, less any accumulated depreciation and accumulated impairment losses (if any).
- Cost of an item of property, plant and equipment acquired comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting any trade discounts and rebates, any directly attributable costs of bringing the assets to its working condition and location for its intended use and present value of any estimated cost of dismantling and removing the item and restoring the site on which it is located.
- In case of self-constructed assets, cost includes the costs of all materials used in construction, direct labour, allocation of directly attributable overheads, directly attributable borrowing costs incurred in bringing the item to working condition for its intended use, and estimated cost of dismantling and removing the item and restoring the site on which it is located. The costs of testing whether the asset is functioning properly, after deducting the net proceeds from selling items produced while bringing the asset to that location and condition are also added to the cost of self-constructed assets.
- If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.
- Profit or loss arising on the disposal of property, plant and equipment are recognized in the Statement of Profit and Loss in the year of disposal.

3.4.1.2. Subsequent Measurement:

- Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced.
- Major Inspection/ Repairs/ Overhauling expenses are recognized in the carrying amount of the item of property, plant and equipment as a replacement if the recognition criteria are satisfied. Any Unamortized part of the previously recognized expenses of similar nature is derecognized.

3.4.1.3. Depreciation:

- Depreciation on Property, Plant & Equipment is provided under Straight Line Method at rates determined based on the useful life of the respective assets and their residual value in accordance with Schedule II of the Companies Act, 2013 or as reassessed by the Group based on the technical evaluation.
- In respect of the Plant and Machinery other than continuous process plant under Textile Division, useful life of 30 years has been considered on the basis of technical evaluation, which is different from life specified in Schedule II.
- In respect of spares for specific machinery, it is depreciated over the remaining useful life of the related machinery as estimated by the management.

Notes to the Consolidated Financial Statements for the year ended 31st March 2018 (Contd.)

- Depreciation on additions / (disposals) during the year is provided on a pro-rata basis i.e., from / (up to) the date on which asset is ready for use / (disposed of).
- Depreciation method, useful life and residual values are reviewed at each financial year-end and adjusted if appropriate.

3.4.1.4. Disposal of Assets

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between net disposal proceeds and the carrying amount of the asset and is recognized in the statement of profit and loss.

3.4.1.5. Capital Work in Progress

Capital work-in-progress is stated at cost which includes expenses incurred during construction period, interest on amount borrowed for acquisition of qualifying assets and other expenses incurred in connection with project implementation in so far as such expenses relate to the period prior to the commencement of commercial production.

3.4.2. Bearer Plants

3.4.2.1. Recognition and Measurement:

- Bearer Plants, comprising of mature tea bushes are stated in the balance sheet at cost, less any accumulated depreciation and accumulated impairment losses (if any).
- Cost of bearer plants includes the cost of uprooting, land development, rehabilitation, planting of Guatemala, planting of shade trees, cost of nursery, drainage, cultivation, fertilizers, agro-chemicals, pruning and infilling etc.

3.4.2.2. Subsequent Measurement:

Costs incurred for infilling including block infilling are generally recognized in the Statement of Profit and Loss unless there is a significant increase in the yield of the sections, in which case such costs are capitalized and depreciated over the remaining useful life of the respective sections.

3.4.2.3. Depreciation:

- Depreciation on bearer plants is recognized so as to write off its cost over useful lives, using the straight-line method.
- Estimated useful life of the bearer plants has been determined to be 50 years. The residual value in case of Bearer Plants has been considered as NIL.
- The estimated useful life, residual value and depreciation method are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

3.4.2.4. Capital Work in Progress

Young tea bushes and shade trees, including the cost incurred for procurement of new seeds and maintenance of nurseries, are carried at cost less any recognized impairment losses under capital work-in-progress. Cost includes the cost of land preparation, new planting and maintenance of newly planted bushes until maturity. On maturity, these costs are classified under bearer plants. Depreciation of bearer plants commence on maturity.

3.5. Intangible Assets

3.5.1. Recognition and Measurement

Software which is not an integral part of related hardware, is treated as intangible asset and is stated at cost on initial recognition and subsequently measured at cost less accumulated amortization and accumulated impairment loss, if any.

3.5.2. Subsequent Expenditure

Subsequent costs are included in the asset's carrying amount, only when it is probable that future economic benefits associated with the cost incurred will flow to the Group and the cost of the item can be measured reliably. All other expenditure is recognized in the Statement of Profit and Loss.

Notes to the Consolidated Financial Statements for the year ended 31st March 2018 (Contd.)

3.5.3. Amortization

- Intangible assets are amortized over a period of five years.
- The amortization period and the amortization method are reviewed at least at the end of each financial year. If the expected useful life of the assets is significantly different from previous estimates, the amortization period is changed accordingly.

3.5.4. Intangible Assets under Development

Intangible Assets under development is stated at cost which includes expenses incurred in connection with their development in so far as such expenses relate to the period prior to getting the assets ready for use.

3.6. LEASES

3.6.1. As a Lessee

Leases in which significant portion of risk and rewards of ownership are not transferred to the Group are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight line basis over the period of the leases unless the payments are structured to increase in line with expected general inflation to compensate for the lessors expected inflationary cost increases. Leases where the group assumes substantially all risks and rewards incidental to the ownership of the leases assets are classified as finance leases.

3.6.2. As a Lessor

Lease income from operating leases where the Group is a lessor is recognized in income on a straight line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

3.7. REVENUE RECOGNITION

Revenue is recognized to the extent it is probable that the economic benefit will flow to the group and revenue can be reliably measured regardless of when the payment is being received. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment, and excludes taxes and duties collected on behalf of the Government and is reduced for estimated customer returns, rebates and other similar allowances.

3.7.1. Sale of Products:

The Group recognizes revenue when it can be reliably measured, it is probable that future economic benefits will flow to the group and significant risk and reward incidental to sale of products is transferred to the buyer, usually on delivery of the goods.

3.7.2. Revenue from construction contracts/project related activity and contracts for supply/ commissioning of complex plant and equipment is recognized as follows:

Contract Revenue is recognized by reference to the stage of completion of the contract activity at the reporting date of the financial statements on the basis of percentage of completion method. Percentage of completion is the proportion of cost of work performed to-date, to the total estimated contract costs. Expected loss, if any, on the construction/project related activity is recognized as an expense in the period in which it is foreseen, irrespective of the stage of completion of the contract. While determining the amount of foreseeable loss, all elements of costs and related incidental income not included in contract revenue is taken into consideration. Extra work, claim and variation in contracts to the extent that is probable that they will result in revenue and can be reliably measured by the management is also covered.

3.7.3. Rental Income:

Rental income from operating lease is recognized on a straight line basis over the term of the relevant lease unless the payments are structured to increase in line with expected general inflation to compensate for the group's expected inflationary cost increases.

**Notes to the Consolidated Financial Statements for the year ended 31st March 2018 (Contd.)****3.7.4. Other Income:**

3.7.4.1. Interest Income: For all debt instruments measured either at amortized cost or at fair value through other comprehensive income (FVTOCI), interest income is recorded using the effective interest rate (EIR) through profit or loss. EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset.

3.7.4.2. Dividend Income: Dividend income is accounted in the period in which the right to receive the same is established.

3.7.4.3. Other Income: Other items of income are accounted as and when the right to receive such income arises it is probable that the economic benefits will flow to the group and the amount of income can be measured reliably.

3.8. EMPLOYEE BENEFITS**3.8.1. Short Term Benefits**

Short term employee benefit obligations are measured on an undiscounted basis and are expensed as the related services are provided. Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within twelve months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period.

3.8.2. Other Long Term Employee Benefits

The liabilities for earned leaves that are not expected to be settled wholly within twelve months are measured as the present value of the expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation. Re-measurements as the result of experience adjustment and changes in actuarial assumptions are recognized in statement of profit and loss immediately.

3.8.3. Post Employment Benefits

The Group operates the following post employment schemes:

➤ **Defined Contribution Plan**

Defined contribution plans such as Provident Fund, Employee State Insurance etc. are charged to the statement of profit and loss as and when incurred. Further for certain employees the monthly contribution for provident fund is made to a trust administered by the group. The interest payable by the trust is notified by the government. The group has an obligation to make good the shortfall, if any. Based on the guidance note on measurement of provident fund liabilities from The Actuarial Society the actuary has provided the valuation of interest guaranteed on Provident Fund.

➤ **Defined Benefit Plans**

The liability or asset recognized in the Balance Sheet in respect of defined benefit plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Group's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods. The defined benefit obligation is calculated annually by Actuaries using the projected unit credit method.

The liability recognized for defined benefit plans is the present value of the defined benefit obligation at the reporting date less the fair value of plan assets, together with adjustments for unrecognized actuarial gains or losses and past service costs. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. The benefits are discounted using the government securities (G-Sec) at the end of the reporting period that have terms approximating to the terms of related obligation.

Remeasurement of the net defined benefit obligation, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling, are recognized in other comprehensive income. Remeasurement recognized in other comprehensive income will not be reclassified to the statement of profit and loss.

Notes to the Consolidated Financial Statements for the year ended 31st March 2018 (Contd.)

3.9. GOVERNMENT GRANTS

Government grants are recognised at their fair value, where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed.

The grant relating to the acquisition/ construction of an item of property, plant and equipment is included in non-current liability as deferred income and is credited to statement of profit and loss on the same systematic basis as the respective assets are depreciated over their expected life and are presented in other operating income.

3.10. FOREIGN CURRENCY TRANSACTIONS

- Foreign currency (other than the functional currency) transactions are translated into the functional currency using the spot rates of exchanges at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rate of exchanges at the reporting date.
- Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities are generally recognized in the statement of profit and loss in the year in which they arise except for exchange differences on foreign currency borrowings relating to assets under construction for future productive use, which are included in the cost of those qualifying assets when they are regarded as an adjustment to interest costs on those foreign currency borrowings, the balance is presented in the statement of profit and loss within finance costs.
- Non-monetary items are not retranslated at period end and are measured at historical cost (translated using the exchange rate at the transaction date).
- On Consolidation, the assets and liabilities of foreign operations are translated into Rs. (Indian Rupees) at the exchange rates prevailing at the reporting date and their statements of profit and loss are translated at exchange rates prevailing at the date of transactions. For practical reasons, the group uses an average rate to translate income and expense items, if the average rate approximates the exchange rates at the date of transactions. The exchange differences arising on translation for consolidation are recognized in Consolidated Statement of Profit and Loss and shown separately in the movement of reserve under foreign currency translation reserve.

3.11. BORROWING COSTS

- Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowings of funds. Borrowing costs also includes foreign exchange difference to the extent regarded as an adjustment to the borrowing costs.
- Borrowing costs directly attributable to the acquisition or construction of a qualifying asset are capitalized as a part of the cost of that asset which necessarily takes a substantial period of time to complete and prepare the asset for its intended use or sale.
- Transaction costs in respect of long term borrowing are amortized over the tenure of respective loans using Effective Interest Rate (EIR) method. All other borrowing costs are recognized in the statement of profit and loss in the period in which they are incurred.

3.12. FINANCIAL INSTRUMENTS

A financial instrument is any contract that gives rise to a financial asset to one entity and a financial liability or equity instrument to another entity.

3.12.1. Financial Assets

➤ Recognition and Initial Measurement:

All financial assets are initially recognized when the group becomes a party to the contractual provisions of the instruments. A financial asset is initially measured at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

➤ Classification and Subsequent Measurement:

For purposes of subsequent measurement, financial assets are classified in four categories:

- Measured at Amortized Cost;

**Notes to the Consolidated Financial Statements for the year ended 31st March 2018 (Contd.)**

- Measured at Fair Value Through Other Comprehensive Income (FVTOCI);
- Measured at Fair Value Through Profit or Loss (FVTPL); and
- Equity Instruments designated at Fair Value Through Other Comprehensive Income (FVTOCI).
Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Group changes its business model for managing financial assets.
- **Measured at Amortized Cost:** A debt instrument is measured at the amortized cost if both the following conditions are met:
 - The asset is held within a business model whose objective is achieved by both collecting contractual cash flows; and
 - The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.
 After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit and loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade receivables, cash and bank balances, loans and other financial assets of the group.
- **Measured at FVTOCI:** A debt instrument is measured at the FVTOCI if both the following conditions are met:
 - The objective of the business model is achieved by both collecting contractual cash flows and selling the financial assets; and
 - The asset's contractual cash flows represent SPPI.
 Debt instruments meeting these criteria are measured initially at fair value plus transaction costs. They are subsequently measured at fair value with any gains or losses arising on remeasurement recognized in other comprehensive income, except for impairment gains or losses and foreign exchange gains or losses. Interest calculated using the effective interest method is recognized in the statement of profit and loss in investment income.
- **Measured at FVTPL:** FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as FVTPL. In addition, the company may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.
- **Equity Instruments designated at FVTOCI:** All equity investments in scope of Ind AS – 109 are measured at fair value. Equity instruments which are, held for trading are classified as at FVTPL. For all other equity instruments, the group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable. In case the group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment.
- **Derecognition:**
The Group derecognizes a financial asset on trade date only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity.
- **Impairment of Financial Assets:**
The Group assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS – 109 requires expected credit losses to be measured through a loss allowance. The group recognizes impairment loss for trade receivables that do not constitute a financing transaction using expected credit loss model, which involves use of a provision matrix constructed on the basis of historical credit loss

Notes to the Consolidated Financial Statements for the year ended 31st March 2018 (Contd.)

experience. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

3.12.2. Financial Liabilities

➤ Recognition and Initial Measurement:

Financial liabilities are classified, at initial recognition, as at fair value through profit or loss, loans and borrowings, payables or as derivatives, as appropriate. All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

➤ Subsequent Measurement:

Financial liabilities are measured subsequently at amortized cost or FVTPL. A financial liability is classified as FVTPL if it is held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in statement of profit and loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest rate method. Interest expense and foreign exchange gains and losses are recognized in profit and loss. Any gain or loss on derecognition is also recognized in the statement of profit and loss.

➤ Financial Guarantee Contracts:

Financial guarantee contracts issued by the group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirement of Ind AS 109 and the amount recognized less cumulative amortization.

➤ Derecognition:

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

3.12.3. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the counterparty.

3.12.4. Derivative financial instruments

The Group enters into derivative financial instruments viz. foreign exchange forward contracts, to manage its exposure to foreign exchange rate risks. The Group does not hold derivative financial instruments for speculative purposes.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately.

3.13. Earnings Per Share

Basic Earnings per share (EPS) amounts are calculated by dividing the profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS amounts are calculated by dividing the profit attributable to equity shareholders adjusted for the effects of potential equity shares by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

3.14. Impairment of Non-Financial Assets

The Group assesses, at each reporting date, whether there is an indication that an asset may be impaired. An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value being higher of value in use and net selling price. Value in use is computed at net present value of cash flow expected over the balance useful lives of the assets. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are

**Notes to the Consolidated Financial Statements for the year ended 31st March 2018 (Contd.)**

separately identifiable cash flows which are largely independent of the cash flows from other assets or group of assets (Cash Generating Units – CGU).

An impairment loss is recognized as an expense in the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in earlier accounting period is reversed if there has been an improvement in recoverable amount.

3.15. Provisions, Contingent Liabilities and Contingent Assets**3.15.1. Provisions**

Provisions are recognized when there is a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost.

3.15.2. Contingent Liabilities

Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefit will be required to settle the obligations or reliable estimate of the amount of the obligations cannot be made. The Group discloses the existence of contingent liabilities in Other Notes to these Consolidated Financial Statements.

3.15.3. Contingent Assets

Contingent assets usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits. Contingent Assets are not recognized though are disclosed, where an inflow of economic benefits is probable and where the amount can be measured reliably.

3.16. Biological Assets and Agricultural Produce**3.16.1. Biological Assets**

Biological assets of the group comprise of un-harvested green tea leaves and Macademia Nuts that are classified as current biological assets.

The Group recognizes biological assets when, and only when, the Group controls the assets as a result of past events, it is probable that future economic benefits associated with such assets will flow to the group and the fair value or cost of the assets can be measured reliably. Expenditure incurred on biological assets is measured on initial recognition and at the end of each reporting period at its fair value less costs to sell. The gain or loss arising from a change in fair value less cost to sell of biological assets is included in Statement of Profit and Loss for the period in which it arises.

3.16.2. Agricultural Produce

The Group recognizes agricultural produce when, and only when, the Group controls the assets as a result of past events, it is probable that future economic benefits associated with such assets will flow to the Group and the fair value or the cost of the assets can be measured reliably. Agricultural produce harvested from the Group's biological assets are valued at fair value less cost to sell at the point of harvest. A gain or loss arising on initial recognition of agricultural produce at fair value less cost to sell shall be included in Statement of Profit & Loss for the period in which it arises.

The Group's agricultural produce comprises of green leaves and macademia nuts plucked from its tea estates.

3.17. Operating Segment

Operating Segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Board of Directors. Segments are organized based on businesses which have similar economic characteristics as well as exhibit similarities in nature of production processes, the type and class of customer and distribution methods.

Notes to the Consolidated Financial Statements for the year ended 31st March 2018 (Contd.)

Segment revenue arising from third party customers is reported on the same basis as revenue in the financial statements. Inter-segment revenue is reported on the basis of transactions which are primarily market led. Segment results represent profits before finance charges, unallocated corporate expenses and taxes. "Unallocated Corporate Expenses" include revenue and expenses that relate to initiatives/ costs attributable to the enterprise as a whole and are not attributable to individual segments.

3.18. SIGNIFICANT JUDGEMENTS AND KEY SOURCES OF ESTIMATION IN APPLYING ACCOUNTING POLICIES

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances. Information about Significant judgements and Key sources of estimation made in applying accounting policies that have the most significant effects on the amounts recognized in the financial statements is included in the following notes:

- **Recognition of Deferred Tax Assets:** The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Group's future taxable income against which the deferred tax assets can be utilized. In addition, significant judgement is required in assessing the impact of any legal or economic limits.
- **Useful lives of depreciable/ amortizable assets (tangible and intangible):** Management reviews its estimate of the useful lives of depreciable/ amortizable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to actual normal wear and tear that may change the utility of plant and equipment.
- **Classification of Leases:** The Group enters into leasing arrangements for various assets. The classification of the leasing arrangement as a finance lease or operating lease is based on an assessment of several factors, including, but not limited to, transfer of ownership of leased asset at end of lease term, lessee's option to purchase and estimated certainty of exercise of such option, proportion of lease term to the asset's economic life, proportion of present value of minimum lease payments to fair value of leased asset and extent of specialized nature of the leased asset.
- **Defined Benefit Obligation (DBO):** Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, medical cost trends, anticipation of future salary increases and the inflation rate. The Group considers that the assumptions used to measure its obligations are appropriate. However, any changes in these assumptions may have a material impact on the resulting calculations.
- **Provisions and Contingencies:** The assessments undertaken in recognizing provisions and contingencies have been made in accordance with Indian Accounting Standards (Ind AS) 37, 'Provisions, Contingent Liabilities and Contingent Assets'. The evaluation of the likelihood of the contingent events is applied best judgement by management regarding the probability of exposure to potential loss.
- **Impairment of Financial Assets:** The Group reviews its carrying value of investments carried at amortized cost annually, or more frequently when there is indication of impairment. If recoverable amount is less than its carrying amount, the impairment loss is accounted for.
- **Allowances for Doubtful Debts:** The Group makes allowances for doubtful debts through appropriate estimations of irrecoverable amount. The identification of doubtful debts requires use of judgment and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.
- **Fair value measurement of financial Instruments:** When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The input to these models are taken from observable markets where possible, but where this not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.
- **Fair Value of Biological Assets:** The fair value of Biological Assets is determined based on recent transactions entered into with third parties or available market price.

Notes to the Consolidated Financial Statements for the year ended 31st March 2018 (Contd.)

3.19. Recent Accounting Pronouncements

The standard issued but not yet effective up to the date of issuance of the Group's financial Statements is disclosed below. The group intends to adopt this Standard when it becomes effective.

3.19.1. Appendix B to Ind AS 21, Foreign currency transactions and advance consideration: On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

3.19.2. In March 2018, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2018, notifying Ind AS 115, 'Revenue from Contracts with Customers'. Ind AS 115 replaces existing revenue recognition standards Ind AS 11, Construction Contracts and Ind AS 18, Revenue and revised guidance note of the ICAI on Accounting for Real Estate Transaction for Ind AS entities issued in 2016.

The amendments will come into force from April 1, 2018. The Group is in the process of evaluating the requirement of the amendments as well as the impact of the same.

46.4 Impact of Ind AS adoption on the consolidated statements of cash flows for the year ended 31st March 2017

There is no material impact on the statement of cash flows due to transition from IGAAP to Ind AS

46.5 Notes to First Time Adoption

a Fair Valuation and remeasurement of cost at Ind AS cost of Property, Plant and Equipment

The Company has elected to treat fair value as deemed cost for certain items of its property, plant and equipment. Other items of Property, Plant and Equipment have been measured as per Ind AS 16.

b Fair valuation of Investments and reclassification

- i Under the previous GAAP, investments in equity instruments and mutual funds were classified as long-term investments or current investments based on the intended holding period and realisability. Long-term investments were carried at cost less provision for other than temporary decline in the value of such investments. Current investments were carried at lower of cost and fair value. Under Ind AS, these investments are required to be measured at fair value. The resulting fair value changes of these investments (other than unquoted equity instruments designated as at FVOCI) have been recognised in retained earnings as at the date of transition and subsequently in the Statement of Profit and Loss for the year ended 31st March 2017.
- ii Fair value changes with respect to investments in unquoted equity instruments designated as at FVOCI have been recognised in FVOCI – Equity investments reserve as at the date of transition and subsequently in the other comprehensive income for the year ended 31 March 2017.
- iii Investment in Barfani Builders is considered as a Subsidiary under IGAAP. As the said Investment are acquired and disposed off during financial year 2016-17 the same has been considered as an Investment held for sale under IND AS, not considered for consolidation purpose and disclosed as Investment in Equity in fair value through Profit and Loss Account.

c Borrowings

Under Indian GAAP, the Company accounted for long term borrowings measured at transaction value. Under Ind AS, the Company has to recognise the long term borrowings at amortised cost using effective interest.

d Remeasurements of post-employment benefit obligations

Under Ind AS, remeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of Statement of Profit and Loss. Under the previous GAAP, these remeasurements were forming part of the Statement of Profit and Loss for the year.

e Retained Earnings

Retained earnings as at April 1, 2016 has been adjusted consequent to the above Ind AS transition adjustments.

f Other Comprehensive Income

Under Ind AS, all items of income and expense recognised in a period should be included in profit or loss for the period, unless a standard requires or permits otherwise. Items of income and expense that are not recognised in profit or loss but are shown in the statement of profit and loss as 'other comprehensive income' includes remeasurements of defined benefit plans and fair value gains or (losses) on FVOCI equity instruments and debt instruments. The concept of other comprehensive income did not exist under previous GAAP.

g Deferred Tax

Indian GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences which was not required under Indian GAAP.

In addition, the various transitional adjustments lead to different temporary differences. According to the accounting policies, the company has to account for such differences. Deferred tax adjustments are recognized in correlation to the underlying transaction either in retained earnings or a separate component of equity.

Notes to the Consolidated Financial Statements for the year ended 31st March 2018 (Contd.)

h Re-classifications

The Company has done the following reclassifications as per the requirements of Ind-AS :

- i Assets / liabilities which do not meet the definition of financial asset / financial liability have been reclassified to other asset / liability.
- ii Remeasurement gain/loss on long term employee defined benefit plans are re-classified from statement of profit and loss to OCI.
- iii The Company has re-classified unpaid dividend balance from cash and cash equivalents to other bank balances.
- iv Excise duty on sales was earlier netted off with Sales, has now been presented separately.

i Forward Contracts

Under IND AS mark to market gain/loss on restatement of forward contract as at the reporting date has been recognized in the Statement of Profit and Loss.

j Expected Credit Loss Model

Ind-AS 109 requires to recognize loss allowances on trade receivable and other financial assets of the Company, at an amount equal to the lifetime expected credit loss or the 12 month expected credit loss based on the increase in the credit risk.

k Deferred Revenue

Under India GAAP, grants received from government agencies against specific fixed assets (Property, Plant and Equipment) are adjusted to the cost of the assets. Under IND AS the same has been presented as deferred revenue being amortised in the statement of profit and loss on a systematic basis.

l Recognition of Biological Assets

Under previous GAAP, biological assets i.e. unplucked leaf on tea bushes has neither been valued nor recognised in the accounts. Under Ind AS, unplucked leaf on tea bushes has been measured at its fair value less cost to sell.

m Valuation of Made Tea Stock

Under previous GAAP, tea stock has been valued at the lower of cost and net realizable value. Cost of inventories comprise all costs of purchase/production of green leaf, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. Under Ind AS, cost of inventories comprise cost of purchase of green leaf, fair value of green leaf at the time of harvest less cost to sell, conversion cost and other costs incurred in bringing the inventories to their present location and condition.

n Preference shares considered as borrowings

Cumulative redeemable preference shares issued by the Company have been classified as borrowings and recognized at amortised cost on transition date as against part of share capital under previous GAAP. The difference on the transition date has been recognized in opening retained earnings net of related deferred taxes. Interest charge at effective interest rate on such borrowings has been recognized as finance cost in subsequent periods as against appropriation of dividend at coupon rate from reserves under the previous GAAP.

o Fair Valuation of Security Deposits

Under the Previous GAAP, interest free lease security deposits (that are refundable in cash on completion of the lease term) were recorded at their transaction value. Under Ind AS, all financial liabilities are required to be recognised at fair value. Accordingly, the Company has fair valued these security deposits under Ind AS. Difference between the fair value and transaction value of the security deposit has been recognised as advance rent.

p Excise Duty

Under previous GAAP, revenue from sale of goods was presented net of excise duty whereas under IND AS the revenue from sale of goods is presented inclusive of excise duty. The excise duty is presented on the face of the Statement of Profit and Loss as part of expenses.

Notes to the Consolidated Financial Statements for the year ended 31st March 2018 (Contd.)

q Ind AS 101 - Exemptions/ Options Applied

Ind AS 101 allows first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. Exemptions applied by Company are detailed here under:

(i) The Company has applied Ind AS 103 for Business Combinations retrospectively from 31st August 2014 and consequently one of the business combination from 01-09-2014 has been reinstated (Refer Note 46.6).

(ii) The Company has elected to measure certain items of its Property, Plant and Equipment at its fair value and use that fair value as its deemed cost at the date of transition to Ind AS. Other items of Property, Plant and Equipment and Other intangible assets have been measured as per Ind AS 16 and Ind AS 38, respectively.

46.6 Ind AS 101- First-time adoption of Indian Accounting Standards, allows first-time adopters, exemptions from the retrospective application and exemption from application of certain requirements of other Ind AS. The Group has elected to apply Ind AS 103- Business Combinations, retrospectively to past business combination.

The Company made a bargain purchase of GDL and its subsidiaries on 1st September 2014 in which the net amount of the identifiable assets acquired and the liability assumed (measured as per IND AS) exceeded the aggregate of the consideration paid by ₹ 4,175.89 lakhs, which has been recognised as capital reserve on the acquisition date (01/09/2014). 48 Fair Values

- 48.1** The management assessed that the fair values of cash and cash equivalents, trade receivables, trade payables, short term borrowings, and other financial liabilities approximates their carrying amounts.
- 48.2** The fair value of the financial assets and financial liabilities is included at the amount at which the instruments could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

49 Fair Value Hierarchy

The following are the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value and (b) measured at amortized cost and for which fair value are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels of fair value measurement as prescribed under the Ind AS 113 "Fair Value Measurement". An explanation of each level follows underneath the tables.

Note 50: Financial Risk Management

The Group's business activities are exposed to a variety of financial risks, namely liquidity risk, market risk and credit risk. The Group's senior management has the overall responsibility for establishing and governing the Group's financial risk management framework. The Group's Audit Committee, is responsible for developing and monitoring the Group's financial risk management policies. The Group's financial risk management policies are established to identify and analyze the risks faced by the Group, to set and monitor appropriate controls.

(A) Credit risk

Credit risk refers to risk that counterparty will default on its contractual obligations resulting in financial loss to the Group. Credit risk arises primarily from financial assets such as trade receivables, bank balances, loans, investments and other financial assets.

At each reporting date, the Group measures loss allowance for certain class of financial assets based on historical trend, industry practices and the business environment in which the Company operates.

Credit risk arising from investments, derivative financial instruments and balances with banks is limited because the counterparties are banks and recognized financial institutions with high credit worthiness.

(i) Provision for expected credit losses

The Group measures Expected Credit Loss (ECL) for financial instruments based on historical trend, industry practices and the business environment in which the Group operates.

For financial assets, a credit loss is the present value of the difference between:

- the contractual cash flows that are due to an entity under the contract; and
- the cash flows that the entity expects to receive

Notes to the Consolidated Financial Statements for the year ended 31st March 2018 (Contd.)

The Group recognises in profit or loss, the amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date in accordance with Ind AS 109.

In determination of the allowances for credit losses on trade receivables, the Group has used a practical expedience by computing the expected credit losses based on ageing matrix, which has taken into account historical credit loss experience and adjusted for forward looking information.

(ii) The movement of Trade Receivables and Expected Credit Loss are as follows :

(B) Liquidity risk

Liquidity risk is the risk that the Group will face in meeting its obligations associated with its financial liabilities. The Group has an established liquidity risk management framework for managing its short term, medium term and long term funding and liquidity management requirements.

The Group's objective is to maintain a balance between continuity of funding and flexibility through the use of cash credit facilities agreed with the banks to ensure that there is sufficient cash to meet all its normal operating commitments in a timely and cost effective manner.

The following table shows the maturity analysis of the Company's derivative and non-derivative financial liabilities based on contractually agreed undiscounted cash flows.

(C) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk.

a) Interest rate risk:

Interest rate risk is measured by using cash flow sensitivity for changes in variable interest rate. Any movement in the reference rates could have an impact on the Company's cash flow as well as cost. The management is focused towards reducing the volatility due to interest rates, which is reflected in proportion of variable interest rate borrowing to total borrowing.

The exposure of the Group's borrowing to interest rate changes at the end of the reporting period are as follows:

(₹ in lakhs)

Particulars	As at 31 st March 2018	%	As at 31 st March 2017	%	As at 1 st April 2016	%
Variable rate borrowings	31,107.96	73.28%	33,504.43	74.58%	37,442.77	78.32%
Fixed Rate borrowings	11,342.03	26.72%	11,418.69	25.42%	10,367.05	21.68%
Total Borrowings	42,449.99	100.00%	44,923.12	100.00%	47,809.82	100.00%

Working Capital Loan from Banks which are linked with one year fixed Marginal Cost of funds based Lending Rate (MCLR) of respective Banks are considered as Fixed rate borrowings and other borrowings are considered as Variable rate Borrowings.

Sensitivity: A change of 50 bps in interest rates of variable rate borrowings would have following Impact on profit before tax

(₹ in lakhs)

Particulars	For the year 2017-18	For the year 2016-17
50 bps increase would decrease the profit before tax by	(155.54)	(167.52)
50 bps decrease would increase the profit before tax by	155.54	167.52

b) Foreign currency risk:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate due to changes in foreign exchange rates. The Group enters into forward exchange contracts to hedge against its foreign currency exposures relating to the recognized underlying liabilities / assets and firm commitments. The Group's policy is to hedge its exposures other than natural hedge. The Group does not enter into any derivative instruments for trading or speculative purposes.

**Notes to the Consolidated Financial Statements for the year ended 31st March 2018 (Contd.)**

The Group's Derivative instruments and unhedged foreign currency exposure at the end of the reporting period are as follows:

Note: As the Group's exposure to instruments tradable in market is immaterial, hence any movement in market indices will not have material impact on Group's profitability.

NOTE 51 - Capital Management

The Group's objective when managing capital (defined as net debt and equity) is to safeguard the Group's ability to continue as a going concern in order to provide returns to shareholders and benefit for other stakeholders, while protecting and strengthening the Balance Sheet through the appropriate balance of debt and equity funding. The Group manages its capital structure and makes adjustments to it, in light of changes to economic conditions and strategic objectives of the Group.
