 - Product base
 - Geographical presence

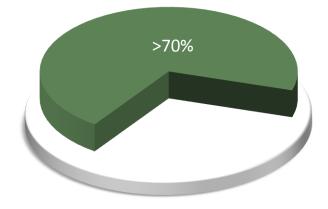

@

...A Leading Branded Speciality Rice Player...

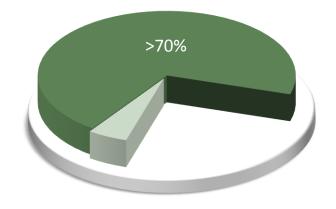

1985-95 Focus on B2B (Private Label)

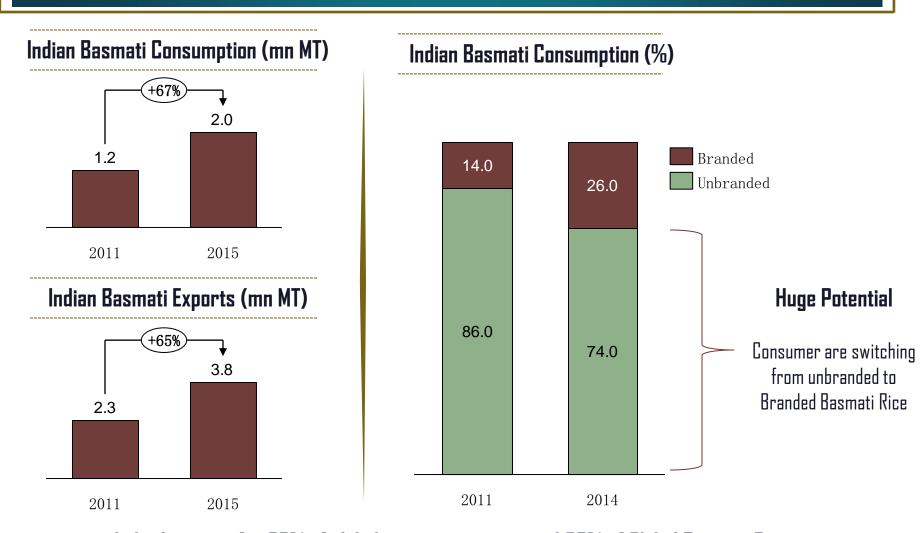

2007-14 Internationalization

NEXT Stage of Growth

... In the Growing Domestic Basmati Rice Industry

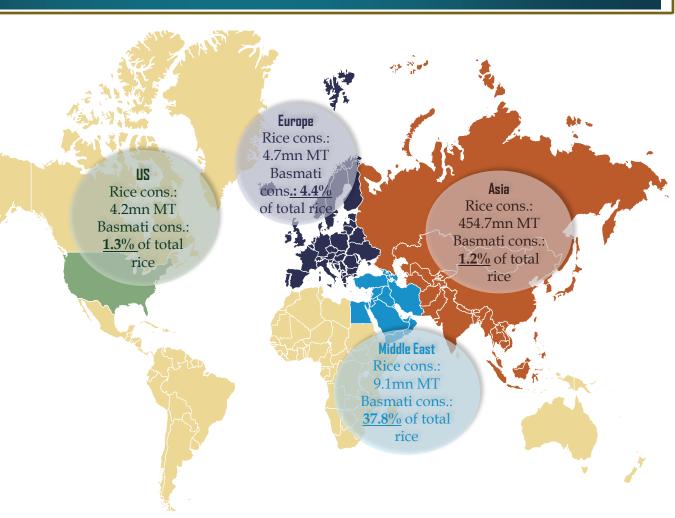

India Accounts for 20% of global rice consumption and 80% of Global Basmati Exports

@

...with a Huge Global Potential

- US and Europe basmati consumption of c.3% is low despite a large Asian population: significant room for growth
- The Middle East remains a large export region for LT Foods, with premium basmati rice widely consumed in the region
- Major growth opportunity in Central-Asia: high rice consumption but as yet low presence of LT Foods'
- Growing acceptance of Indian/Asian cuisine worldwide could also be a growth lever
