Amrita Gangotra, Former Director Technology of Vodafone & CIO of Bharti Airtel, joins Tanla Solutions' Board as Independent Director

31 July 2019, Hyderabad: Esteemed Telecom Expert, **Amrita Gangotra** is joining **Tanla Solutions'** Board as an Independent Director effective July 31st, 2019.

With 30 years of experience, Ms. Amrita has worked with Telecom, FMCG and IT companies such as Airtel, Vodafone, Nestle, HCL Comnet and Allen Bradley in varied roles across research and IT. Ms. Amrita is a proven force in the space of Telecommunications and IT services.

During her stint with Vodafone, as Opco Director Technology (CTIO), she operated from International locations in Europe and UK, and has worked with path-breaking technologies, such as rolling out the 4G network and prepping for the introduction of 5G network that have transformed the Telecom Industry.

In her decade long tenure as Director IT & CIO with the Bharti group, Ms. Amrita played an important role in launching technology platforms targeted at generating new revenue streams such as cloud, digital media exchange, m-commerce, m-ad etc. and end-to-end automation of customer life cycle management.

Given Ms. Amrita's successful and award-winning experience, extensive knowledge of IT transformation in the Telecom, FMCG and ITES sectors, international exposure and expertise in path-breaking technologies such as 5G for Enterprise, IoT, Artificial Intelligence (AI), Machine Learning (ML) based business process automation, she will be the perfect torchbearer to guide Tanla Solutions on its path towards global expansion and accelerated growth.

About Tanla Solutions:

Tanla started its journey as the new millennium set in with a small group of mobile messaging experts, with base in Hyderabad, India, to create a world-class messaging service.
