26. OTHER DISCLOSURES

a) VOLUNTARILY DELISTING OF THE COMPANY FROM THE NATIONAL STOCK EXCHANGE OF INDIA LIMITED

The Company was listed on both the Stock exchanges having nationwide terminals viz. Bombay Stock Exchange Limited & National Stock Exchange of India Limited. Further, it was observed that there has been a decrease in the overall trade volume in the shares of the Company in the last one year. Looking at the decrement in trade volumes and the heavy cost being incurred by the Company, the Board of Directors in its meeting held on 24th May, 2019 decided to get its equity shares delisted voluntarily from National Stock Exchange of India Limited.

The Company has complied with the provisions of Securities and Exchange Board of India Act, 1992, the Securities Contract (Regulation) Act, 1956 (including the rules issued thereunder), the Securities and Exchange Board of India (Delisting of Equity Shares), Regulations, 2009 ("SEBI Delisting Regulations"), the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations"), listing agreement entered with the National Stock Exchange of India Limited ("NSE"), subject to such permissions, sanctions and approvals as may be required from appropriate authorities, to delist equity shares of the Company from National Stock Exchange of India Limited. As on the date of approval of Director's Report, the NSE has not approved delisting of Equity Shares of the Company.

b) CHANGE IN REGISTERED OFFICE OF COMPANY FROM MUMBAI TO BANGALORE EFFECTIVE FROM 22ND NOVEMBER, 2018:

The Company has shifted its Registered Office from Maharashtra (Mumbai) to Karnataka (Bangaluru) and accordingly had sought an approval of members of the Company through the Special Resolution by way of Postal Ballot circulated to the members of the Company on 20th February, 2017. The members approved the special resolution on 22nd March, 2017 being the last date for receipt of approval and the Company had declared results of Postal Ballot on 24th March, 2017. Further, the Declaration of Result of Postal Ballot is also available on the website of Bombay Stock Exchange: <https://www.bseindia.com/xml-data/corpfiling/CorpAttachment/2017/3/2badf2b2-c397-49b6-a4aa-8ad69c35794b.pdf>

The company had filed an Application in form INC - 23 on 30th May, 2017 to the Office of Regional Director for approval to shift the Registered Office from One State to another, pursuant to Special Resolution passed by the Company. Thereafter the Regional Director vide its order dated 22nd November, 2018 approved the application for shifting of Registered office of the Company from Office No. 404, 4th Floor, Western Edge-I, Western Express Highway, Magathane, Borivali (East) Mumbai, Maharashtra – 400066 to E-LAND APPAREL LTD #16/2B, Sri Vinayaka Indl Estate, Singasandra, Near Dakshin Honda Showroom, Hosur Road, Bangalore - 560 068.

27. APPRECIATION / ACKNOWLEDGEMENT

Your Directors wish to place on record their appreciation and express their gratitude for the contribution made by the employees at all levels but for whose hard work, and support, your Company's achievements would not have been possible. ANNEXURE – IV TO DIRECTOR’S REPORT

CORPORATE GOVERNANCE REPORT

The Directors present the Company’s Report on Corporate Governance for the year ended March 31, 2019, in terms of Regulations 17 to 27, clauses (b) to (i) of Regulation 46 (2) and Para C, D and E of Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as follows together with the Auditors Certificate annexed as Exhibit - A to this report, on compliance with the conditions of Corporate Governance laid down for the year ended 31st March, 2019.

1. PHILOSOPHY ON CORPORATE GOVERNANCE

Corporate Governance essentially is the system by which Companies are directed and controlled by the management in the best interest of the stakeholders and others. In other words, it involves a set of relationships between a Company’s management, its Board, its shareholders and other stakeholders. Corporate governance also provides the structure through which the objectives of the company are set, and the means of attaining those objectives and monitoring performance are determined. It is the way of life, rather than mere legal compulsion. It furthers investor’s confidence and commitment to the Company.

Principle Characteristics of Corporate Governance are:-

- A. Transparency
- B. Independence
- C. Accountability
- D. Responsibility
- E. Fairness
- F. Social Responsibility

The policies and guidelines of Corporate Governance have been implemented in all facets of your Company’s operations to build up an environment of trust and confidence amongst the stakeholders of the Company.

E-Land believes in professional management of its business which ensures that decision making powers vested in executive management are used to meet stakeholders’ aspiration and social expectations. It also ensures total transparency and complete accountability.

The Company believes that good Corporate Governance is a continuous process and strives to improve the Corporate Governance practices to meet shareholder’s expectations.

The Company has a strong legacy of fair, transparent and ethical governance practices. The Company has adopted a Code of Conduct for its employees including the Managing Director and the Executive Directors to become competent with changing cultural and regulatory norms across the multiple jurisdictions in which the Company conducts its business. In addition, the Company has adopted a Code of Conduct for its non-executive directors which includes Code of Conduct for Independent Directors which suitably incorporates the duties of independent directors as laid down in the Companies Act, 2013 (“Act”). These codes are available on the Company’s website. The Company’s corporate governance philosophy has been further strengthened through the Code of Conduct for Prevention of Insider Trading (“Insider Trading Code”).

The Company is in compliance with the requirements of the guidelines on Corporate Governance stipulated under the regulation 17 to 27 read with Schedule V and clauses (b) to (i) of sub-regulation (2) of regulation 46 of SEBI Listing Regulations, as applicable, with regard to corporate governance.

2. BOARD OF DIRECTORS:

a) COMPOSITION OF THE BOARD OF DIRECTORS AS ON 31ST MARCH, 2019:

j) List Of Skills/Expertise/Competencies Required To Function The Business Effectively:

Too many businesses fail because translating passion into a successful business model is a difficult task.

Developing a small business into a successful enterprise demands more than passion. Unfortunately, facts speak for themselves. Over half of new businesses fail mainly because the entrepreneur is unable to translate their passion into practical business skills. Success demands more than hard work, resilience, and expertise in your field. In order to succeed, you need to understand and to become proficient in a set of fundamental business skills. Following are the essential skills that you are required to run the business of the Company:

Financial Management Skill:

Being able to effectively manage your finances is critical. You will need to be able to forecast your cash flow and sales, as well as, monitor your profit and loss. Having sound financial management skills will help you to run your business profitably and protect your financial investment.

Marketing, Sales and Customer Service Skill:

It is important to be able to promote your products or services effectively. Providing good customer service and having a marketing strategy in place will help you to generate sales.

Communication and Negotiation Skill:

Communication and negotiation with your suppliers, potential investors, customers and employees is very important to have. Having effective written and verbal communication skills will help you to build good working relationships. Every communication should reflect the image you are trying to project.

Management Skill:

These means offering other people opportunities to do work, even if you think it will benefit your own clout or resume to do it yourself. Delegation is an important part of time and resource management. If you take everything on yourself, chances are your work in key areas will suffer. Someone that excels in business will be able to manage their own workload by appropriately directing the appropriate colleagues and subordinates for the best tasks.

Strategic Planning Skill:

Strategic planning is a very important business activity. Strategic planning is a process of defining your company's strategy or direction and making decisions on allocations of resources of capital and people. The key is to know how to project your company's future performance, within a three-to-five year framework or more, supported by your well-defined business plan.

In compliance with Sections 108, 110 and other applicable provisions of the Act, read with related Rules, the Company provides electronic voting facility to all its Members, to enable them to cast their votes electronically. The Company dispatches the postal ballot notices and forms along with postage pre-paid business reply envelopes to its Members whose names appear in the Register of Members/the List of beneficiaries as on a cut-off date. The Postal Ballot Notice is sent to members in electronic form to the email addresses registered with their depository participants (in case of electronic shareholding)/the Company's Registrar and Transfer Agents (in case of physical shareholding). The Company also publishes a notice in the newspaper declaring the details of completion of dispatch and other requirements as mandated under the Act and the applicable Rules. The Company engages the services of Big share Private Limited for the purpose of providing e-voting facility to all its Members. The Members have the option to vote either by physical ballot or by e-voting. Voting rights are reckoned on the paid-up value of shares registered in names of Members as on the cutoff date. Members desiring to exercise their votes by physical postal ballot forms are requested to return the forms duly completed and signed, to the Scrutinizer on or before the end of the voting period. Members desiring to exercise their votes by electronic mode are requested to vote before close of business hours on the last day of e-voting. The Scrutinizer submits his/her report to the Chairman, after the completion of scrutiny and the consolidated results of the voting by postal ballot are then announced by the Chairman or Director authorized by the Board. The results are also displayed on the website of the Company, www.elandapparel.com besides being communicated to both the Stock Exchanges on 1st April, 2019 and the Registrar and Transfer Agent.

MANAGEMENT DISCUSSION & ANALYSIS

OVERVIEW OF THE ECONOMY

GLOBAL ECONOMY

In 2019, the cyclical upswing underway since mid-2018 continued to strengthen and the global economy witnessed a pickup in growth. According to the International Monetary Fund (IMF), the year reported the broadest synchronized global growth surge since 2010. The advanced economies witnessed expansion owing to increased investments and manufacturing output. Similarly, key emerging markets and developing economies, including Brazil, China and India, posted strong upward momentum.

Emerging and developed markets of Asia maintained their steady progress at 6.4 % during 2018-19. However, it's important to note that India's economy expanded at 7.1 % in 2018 vis a vis 6.7 % in 2017, whereas China's growth deteriorated from 6.9 % in 2017 to 6.6 % in 2018 (Source: IMF). Sub-Saharan Africa's economy also sustained steady rise of 3 % during the year.

INDIAN ECONOMY

India's economy picked up some pace in FY 2018-19 and the gross domestic product growth was better than FY 2017-18. With an improving business ecosystem, stable macroeconomic indicators and a liberal FDI regime, foreign capital inflow has provided impetus to the domestic economy

According to World Bank's Global Economic Prospects report, GDP growth was reported at 6.6% in Q3. For the year 2018-19 latest estimates for GDP growth is 7% compared to growth rate of 7.2% in 2017-18.

ANALYSIS AND REVIEW

INTRODUCTION

India's textiles sector is one of the oldest industries in Indian economy dating back several centuries. Even today, textiles sector is one of the largest contributors to India's exports with approximately 13 per cent of total exports. The textile industry is also labor intensive and is one of the largest employers. The textile industry has two broad segments. First, the unorganized sector consists of handloom, handicrafts and sericulture, which are operated on a small scale and through traditional tools and methods. The second is the organized sector consisting of spinning, apparel and garments segment which apply modern machinery and techniques such as economies of scale.

The Indian textiles industry is extremely varied, with the hand-spun and hand-woven textiles sectors at one end of the spectrum, while the capital intensive sophisticated mills sector at the other end of the spectrum. The decentralized power looms/ hosiery and knitting sector form the largest component of the textiles sector. The close linkage of the textile industry to agriculture (for raw materials such as cotton) and the ancient culture and traditions of the country in terms of textiles make the Indian textiles sector unique in comparison to the industries of other countries. The Indian textile industry has the capacity to produce a wide variety of products suitable to different market segments, both within India and across the world.

MARKET SIZE

With a market size of \$60 BN, market is expected to grow at a CAGR of 4.4% to reach \$67 BN by 2019. Parents tend to look for baby clothing from both disposable and functional aspects. Technavio analysts forecast that the global children's and infant wear market to grow at a CAGR close to 6% during the forecast period 2019-2023, according to their latest market research report.

Where does the Indian Textile Industry Stand now?

A General Impression of the Indian textile industry looking in the past makes one understand that the industry is in a pinch.

Why so? These are the reasons:

Global recession

Less export orders due to reductions in inventories by global retail giants like Wal-Mart

Price of raw materials like cottons and

Infrastructure bottlenecks such as power, particularly in Tamil Nadu.

Also Indian economy started the fiscal year 2018-19 with a shock because the Indian rupee suffered due to crude price shock, and conditions exacerbated as recovery in advanced economies caused faster investment out-flows.

Second half of the year witnessed slower growth in GDP, majorly affected by slowdown in global economic activities, elevated trade tensions, tighter financial conditions and appreciation in exchange rate

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE:

The textile and apparel industry can be broadly divided into two segments - yarn and fibre, and processed fabrics and apparel. The domestic textile industry in India is estimated to reach US\$ 250 billion by 2019 from US\$ 150 billion in November 2017, while cotton production in India is estimated to have reached 37.3 million bales in FY18. Indian technical Textile industry is forecasted to grow at a CAGR of 20 per cent to reach Rs 200,823 Crore (US\$ 29.96 billion) by 2020-21.*

*Between April – May 2018, * - According to Baseline Survey

INDIAN TEXTILE INDUSTRY OPPORTUNITIES:

The fundamental strength of Indian textile industry is its strong production base with wide range of fibers/yarns. These are natural fibers such as cotton, jute, silk and wool and synthetic/man-made fibers like polyester, viscose, nylon and acrylic. In producer-driven value chains, large, usually transnational, manufacturers play the central roles in coordinating production networks. Textile industry is capital- and technology-intensive comparable with automobiles, aircraft, computers, semiconductors and heavy machinery industry. Buyer-driven value chains are those in which large retailers, marketers and branded manufacturers play the pivotal roles in setting up decentralized production networks in a variety of exporting countries, typically located in developing countries. This pattern of trade-led industrialization has become common in labor intensive, consumer-goods industries such as garments, footwear, toys, handicrafts and consumer electronics. Large manufacturers control the producer-driven value chains at the point of production, while marketers and merchandisers exercise the main leverage in buyer-driven value chains at the design and retail stages. Apparel is an ideal industry for examining the dynamics of buyer-driven value chains. The relative ease of setting up clothing companies, coupled with the prevalence of developed-country protectionism in this sector, has led to an unparalleled diversity of garment exporters in the third world. Apparel is an ideal industry for examining the dynamics of buyer-driven value chains. The global apparel market size is expected to reach US \$2.6 trillion in 2025 growing by a projected rate of 4%. The major growth drivers of the global apparel market will be the developing economies, mainly China and India, both growing in double digits. China will become the biggest apparel market adding more than US \$378 bn. in market size by 2025, while India will be the second most attractive apparel market adding around US \$121 bn. by 2025. A large and growing domestic demand coupled with increasing spending power of people in these two countries will result in the combined addition of around US \$500 bn. in the global apparel market size by 2025. The combined apparel market size of China and India i.e. US \$795 bn. is expected to exceed combined market size of EU and USA i.e. US \$775 bn, by 2025. India is one of the fastest growing economies with the GDP growth of 7.2 percent in the last quarter of 2017-18. This growth also boosts the purchasing power and propels the demand for the textile products. India has a share of approximately 5% of the global textile and apparel trade.

INDIAN TEXTILE INDUSTRY CHALLENGES (OPPORTUNITIES AND THREATS)

The Indian textile industry is highly fragmented and is being dominated by the unorganized sector and small and medium industries.

Followings are the challenges faced by the Company during year 2018-19:

- Changing government policies at the state and central government levels are posing major challenges to the textile industry.
- Tax structures GST (Goods and Service Tax) make the garments expensive
- Raising interest rates and labour wages and workers' salaries
- Higher level of attrition in the garment industry.
- Limitations of Indian textile industry such as accesses to latest technology.
- Failures to meet global standards in the highly competitive export market
- Challenge faced by Indian Textile Industry with respect to tariff and non-tariff barriers coupled with quota.
- Environmental and social issues like child labor and personal safety norms

CONCLUSION

The Indian textile industry requires support from both the Central and State governments to become competitive in the Global market. The Skill India and Make-in India programs of Central government headed by Prime Minister Sri Narendra Modi is helping the industry in getting required skilled manpower and good market for textile products. It is high time for the textile industry to upgrade their technology and implement ERP to streamline supply chain and enhance customer relations management activities. These measures are enabling the industry in becoming competitive in the global market. The future

for the Indian textile industry looks promising, buoyed by both strong domestic consumption as well as export demand. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the last decade with the entry of several international players like Marks & Spencer, Guess and Next into the Indian market.

The future for the Indian textile industry looks promising, buoyed by both strong domestic consumption as well as export demand. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade with the entry of several international players like Marks & Spencer, Guess and Next into the Indian market. The organized apparel segment is expected to grow at a Compound Annual Growth Rate (CAGR) of more than 13 per cent over a 10-year period. The Union Ministry of Textiles, which has set a target of doubling textile exports in 10 years, plans to enter into bilateral agreements with Africa and Australia along with working on a new textile policy to promote value addition, apart from finalizing guidelines for the revised Textile up gradation Fund Scheme (TUFS).

In view of above, the Company has been trying its best but unable to show progress due to huge cost of production and low demands of apparel manufactured in India.

DISCUSSION OF FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE & INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Discussion of Financial Performance with respect to Operational Performance & Internal Control Systems and their Adequacy has been discussed in Directors Report.

Secretarial Audit Report

For the Financial Year Ended 31st March, 2019

[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

E-Land Apparel Limited

L17110KA1997PLC120558

(Formerly known as Mudra Lifestyle Limited)

16/2B, Sri Vinayaka Indl Estate, Singasandra

Near Dakshin Honda Showroom House Road,

Bangalore – 560 068

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **E-Land Apparel Limited**. (Hereinafter called "The Company"). Secretarial Audit was conducted in a manner that provided to me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the Financial Year ended on 31st March, 2019 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2019 according to the provisions of:

The Companies Act, 2013 (the Act) and the rules made thereunder;

- (i) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder
- (ii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iii) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings [Applicable only to the extent of Foreign Direct Investment and Overseas Direct Investment]
- (iv) (i) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):—
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations 2011;
 - (b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - (c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (d) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client.
- (v) Provisions of the following regulations and guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (SEBI Act) were not applicable to the company during the Financial Year under report:
 - (a) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 (Not applicable to the Company during the Audit Period);
 - (b) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (Not applicable to the Company during the Audit Period);

- (c) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (Not applicable to the Company during the Audit Period); and
- (d) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (Not applicable to the Company during the Audit Period)

I have relied on the representation made by the Company and its Officers for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations to the Company.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards with regard to Meeting of Board of Directors (SS-1) and General Meetings (SS-2) issued by ICSI under the provisions of the Companies Act, 2013;
- (ii) SEBI (LODR) Regulations, 2015 and the Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange of India Limited;
- (iii) Show Cause Notice from IEPF Authority calling for information / Explanation on compliance of provisions under Section 205A/205C/124/125 of Companies Act, 1956/2013 dated 30th August, 2018.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the observations, that :

1. *As per SEBI (LODR) Regulations 2015, it is mandatory to mention conclusion time of meeting in the outcome filed with the stock exchanges but the company has fail to comply the same in meeting held on 12th November, 2018 and 13th February, 2019.*
2. *As per Regulation 20(2) SEBI (LODR) Regulation, 2015 Stakeholders Relationship Committee shall have minimum three members, but during the year there were only two members in the Committee. Later on Mrs. Elizabeth Ravi was nominated as the third member of the Committee in the meeting held on 13th February, 2019.*
3. *During the year under review the Company has filed Form ADT-1 to fill the casual vacancy of the statutory auditor but later on the company has filed revised ADT-1 as previous form filed by the Company has inadvertently selected "No" for casual vacancy caused by the auditor.*
4. *During the period under the review the Company has misstated in Board Report that the amount of Rs.763/- pending in unclaimed dividend account which is already been submitted to Investor Education Protection Fund (IEPF) in previous Financial Year.*

I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Independent Directors and a Woman Director. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes were sent seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that the company had filed an Application in Form INC - 23 on 30th May, 2017 to the Office of Regional Director for approval to shift the Registered Office from One State to another, pursuant to Special Resolution passed by the Company. Thereafter the Regional Director vide its order dated 22nd November, 2018 approved the application for shifting of Registered office of the Company from Office No. 404, 4th Floor, Western Edge-I, Western Express Highway, Magathane, Borivali (East) Mumbai, Maharashtra – 400066 to E-LAND APPAREL LTD #16/2B, Sri Vinayaka Indl Estate, Singasandra, Near Dakshin Honda Showroom, Hosur Road, Bangalore - 560 068.

I further report that the compliance by the Company for the applicable Financial Laws like Direct Taxes, Indirect Taxes and the compliance of the Accounting Standards, quarterly financial results under Regulation 33 of SEBI (LODR) Regulations, 2015 and the annual financial statements, Cost Records has not been reviewed in this audit report, since the same have been

subject to the statutory financial audit/cost audit by other designated professionals. This report is to be read with our letter of even date which is annexed as Exhibit A and forms an integral part of this report.

I further report that during the audit period of the Company, there was no specific events/action having a major bearing on the Company and also laws, rules, regulations, guidelines, standards etc. referred to above.

1.	N.A.	The Board meeting held on 19th August, 2017 for considering the re appointment of Mr. Jung Ho Hong neither has been intimated to the Stock Exchange nor the outcome of the same has been filed with Stock Exchange contrary to the provisions of Reg.30 of the SEBI (LODR) Regulations, 2015.	Intimation to Stock Exchange is not mandatory in case of re appointment of Director liable to retire by rotation. The Company as a matter of good practice shall comply with the same in future.	No adverse comments to offer.
2.	N.A.	As per Secretarial Standards 7.2.2, it is obligatory to mention the time of commencement as well as conclusion of the meeting in the Minutes Book, but the Company has recorded the same. However the outcome of the meetings filed with Stock Exchanges under SEBI (LODR) Regulations, 2015, is duly complied with the requirements of mentioning commencement and conclusion timings of meetings.	The said omission is an inadvertent error and the conclusion time has been captured in all meetings henceforth.	No adverse comments to offer.
3.	N.A.	As per 40(9) of SEBI (LODR) Regulations, 2015, the Company has filed the copy of certificate received from Company Secretary in Practice with BSE on 27th April, 2017 for half year ended 31st March, 2017 but in the documents the date has been mentioned as 27th April, 2016.	The said error is a typographical error and the same shall be avoided in future.	No adverse comments to offer.
4.		As per Regulation 55A of the SEBI (Depository and Participants) Regulations, 1996, the Company has filed the copy of Reconciliation of Share Capital Audit Certificate for the quarter ended 31st March, 2017 at BSE on 25th April, 2017, but in the documents, the date has been mentioned as 25th April, 2016.	The said error is a typographical error and the same shall be avoided in future.	No adverse comments to offer.
5.	N.A.	The Company has accorded consent of members for shifting of registered office from state of Maharashtra to state of Karnataka but Company could not act on the same as winding up petition was filed by one of the Creditors with NCLT. The matter was disposed off as per order passed by NCLT.	The shifting of Registered Office of the Company is completed.	No adverse comments to offer.

INDEPENDENT AUDITOR'S REPORT

To the Members of E-Land Apparel Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **E-Land Apparel Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive loss), the Statement of Cash Flows and the Statement of changes in equity for the year ended on that date, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31st March 2019, and its losses (financial performance including other comprehensive loss), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (Standards on Auditing) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	How our audit addressed the key audit matter
The Company has incurred losses during the current year and in earlier years. Its net worth is eroded and the current liabilities exceed its current assets as at that March 31, 2019. These may create a doubt regarding the Company's ability to continue as a going concern. However, the financial statements have been prepared on a going concern basis in view of the financial support from the holding company and the management's plan to generate cash flows through operations and sale of certain non-core assets which would enable the Company to meet its financial obligations as and when they fall due. We considered this to be a key audit matter because management's assessment is largely dependent on the support obtained from its Holding Company.	Our procedures included the following: • Obtained the management assessment of appropriateness of Going Concern basis of accounting. • Discussed with the management on future business and their plans to liquidate certain assets to ensure availability of liquid funds. • Verified that the holding company has supported the Company in the past when the need arose. • Verified the support letter obtained by the Company from its holding company indicating that holding company will take necessary actions to organize for any shortfall in liquidity in Company that may arise to meet its financial obligations during the period of 12 months from the balance sheet date Based on the above procedures, we noted the management assessment of going concern basis of accounting as appropriate.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive loss, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether has adequate internal financial controls systems in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we may have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged from governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive loss, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses a qualified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) As required by Section 197 (16) of the Act, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under Section 197 read with Schedule V to the Act
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 33 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31st March, 2019.

Annexure B to the Auditors' Report

Referred to in Paragraph 1(f) under the heading of "Report on other Legal and Regulatory Requirements" of our report to the members of **E-Land Apparel Limited** of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **E-Land Apparel Limited** ("the Company") as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to financial statements

1 CORPORATE INFORMATION

E-land Apparel Limited ("the Company") is a listed public limited company incorporated in 1997. Its shares are listed on two stock exchanges in India. The Company is primarily engaged in the business of manufacture and sale of garments. The Company caters to both domestic and international markets.

2 BASIS FOR PREPARATION AND PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of preparation and presentation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016, as applicable. The accounting policies are applied consistently to all the periods presented in the financial statements.

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as in value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

Level 3 inputs are unobservable inputs for the asset or liability.

2.2 Summary of significant accounting policies

Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable.

Revenue from the sale of goods is recognised when the goods are delivered and title is passed, i.e., when all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably.

Revenue from services are recognized when services are rendered and related costs are incurred.

Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition. Dividend income is accounted for when the right to receive payment has been established.

Government grant

Government grants are recognised at fair value where there is reasonable assurance that the grant will be received and all the conditions will be complied by the Company.

Government grants relating to income are recognized in profit and loss account in a systematic manner, in order to match them with the corresponding costs.

Government grants related to property, plant and equipment are recognised as deferred income and are recognised in the profit and loss account in a systematic basis, based on the compliance of conditions attached with the grant.

Property, Plant and Equipment

All Property, Plant and Equipment, except Land are carried at cost less accumulated depreciation and impairment losses, if any. The cost of Property, Plant and Equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, other incidental expenses.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in Statement of Profit and Loss.

Depreciable amount for assets is the cost of asset less its estimated residual value. Depreciation on Property, Plant and Equipment is calculated on a straight-line basis using the rates arrived at based on the useful lives estimated by the management. The Company has considered the following useful lives for providing depreciation:

Useful life(in years)

Buildings	30
Plant and equipment	20
Furniture and fixtures	10
Office equipment	5
Vehicles	8
Electric Installations	10
Computers	3

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

In case of Land, the Company has elected to adopt revaluation model as per which it is carried at revalued amount which is equal to its fair value. Revaluations are made at sufficient regularity to ensure that the carrying amount does not differ materially from that which would be determined using fair value at the end of the reporting period. The surplus arising on account of revaluation is recognised in other comprehensive income and accumulated in equity under the heading "Revaluation surplus".

Intangible assets

Acquired Intangible Assets - Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses, if any. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses, if any.

The useful lives of intangible assets that is considered for amortization of intangible assets are as follows:

Intangible Asset	Useful life
Computer Software	3 years

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in Statement of Profit and Loss when the asset is derecognised. For transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets recognised as of April 1, 2016 (Transition date) measured as per the previous GAAP and used that carrying value as its deemed cost as of this date.

Inventories

Inventories are valued at the lower of weighted average cost and the net realizable value. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads. Raw materials and stores and spares are valued at weighted average cost.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Financial Instruments

Financial assets and financial liabilities: Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the instruments. **Initial recognition and measurement:** Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss. **Subsequent measurement:** Financial assets at amortised cost- Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and contractual terms of financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets at fair value through other comprehensive Income- Financial assets are measured at fair value through other comprehensive income if these financial assets are held within business model whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

Financial assets at fair value through profit or loss- Financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or fair value through other comprehensive income on initial recognition. The transaction cost directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in the Statement of Profit and Loss.

Financial liabilities Financial liabilities are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

Equity Instrument An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments recognised by the Company are recognised at the proceeds received net off direct issue cost.

Impairment of financial assets (other than at fair value) The Company assesses at each date of balance sheet, whether a financial asset or a group of financial assets is impaired. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the twelve-month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly, since initial recognition.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in Statement of Profit and Loss if such gain or loss would have otherwise been recognised in Statement of profit and loss on disposal of that financial asset.

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in Statement of Profit and Loss.

Cash and cash equivalents

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Foreign Currency transactions and translations

The functional currency of the Company is Indian Rupee (Rs.). Transactions in foreign currencies are recorded at the

exchange rate prevailing on the date of transaction. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not retranslated.

Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which they arise.

Employee Benefits

Defined Contribution Plan

The Company's contribution to provident fund and employee state insurance scheme are considered as defined contribution plans and are recognised as an expense when employees have rendered service entitling them to the contributions.

Defined Benefit Plan

For defined benefit plans in the form of gratuity fund, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each reporting period. Remeasurement, comprising actuarial gains and losses is recognised in other comprehensive income in the period in which they occur.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of short-term compensated absences is accounted as under : (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and (b) in case of non-accumulating compensated absences, when the absences occur.

Other Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service are recognised as a liability at the present value of the defined benefit obligation as at the balance sheet date less the fair value of the plan assets out of which the obligations are expected to be settled.

Borrowing Costs

Borrowing costs include: (i) interest expense calculated using the effective interest rate method, (ii) finance charges in respect of finance leases, and (iii) exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are recognised in the Statement of Profit and Loss in the period in which they are incurred.

Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases. Assets held under finance leases are initially capitalised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Rental expense from operating leases is generally recognised on a straight-line basis over the term of the relevant lease. Where the rentals are structured solely to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, such increases are recognised in the year in which such benefits accrue. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred.

Income Taxes

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current and deferred tax for the year

Current and deferred tax are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

Provisions and Contingent Liabilities

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material). These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

Impairment of non-financial assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in profit or loss.

Earnings per share

Basic earnings per share are computed by dividing of profit / loss attributable to equity shareholders of the company by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

Operating Cycle

Based on the nature of products / activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as twelve months for the purpose of classification of its assets and liabilities as current and non-current.

Recent accounting pronouncements

- i) **New accounting pronouncements adopted by the Company during the current financial year Ind AS 115 – Revenue from Contracts with Customers** The standard outlines a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers and supersedes most revenue recognition guidance, including industry-specific guidance applicable for previous periods. The core principle of the new standard is for companies to recognise revenue to depict the transfer of goods or services to customers in amounts that reflect the consideration (that is, payment) to which the Company expects to be entitled to exchange for those goods or services. The new standard also requires entities to give enhanced disclosures about revenue and provide guidance for transactions that were not previously addressed comprehensively (for example, service revenue and contract modifications) and improve guidance for multiple-element arrangements. The Company adopted Ind AS 115 effective from April 1, 2018, with a modified retrospective approach. The figures for the comparative periods are not restated. There is no significant impact on Company's profit after tax as a result of adoption of Ind AS 115. Adoption of the standard has given rise to new financial statement categories in the statement of financial position, being "contract assets" and "contract liabilities." These items arise through advance payment received from customers or advance delivery of goods and services in excess of or ahead of billing at the contract level. In addition, disclosure requirements are extended.
- ii) **Ind AS 21 - The Effect of changes in Foreign Exchange Rates**

The amendment effective April 1 2018, clarifies on the accounting of transaction that include the receipt or payment of advance consideration in a foreign currency. The appendix explains that the date of the transaction, for the purpose of determining rate, is the date of initial recognition of the non-monetary prepayment asset or deferred income liability. If there are multiple payments or receipts in advance, a date of transaction is established for each payment or receipt. There is no impact in the standalone financial statements on adoption of this amendment.

Standards issued but not yet effective

Ind AS 116, Leases: On 30th March 2019, the Ministry of Corporate Affairs (MCA) has notified Ind AS 116 Leases, under Companies (Indian Accounting Standards) Amendment Rules, 2019 which is applicable with effect from 1st April, 2019. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lease accounting model for lessee and requires the lessee to recognize right of use assets and lease liabilities for all leases with a term of more than twelve months, unless the underlying asset is low value in nature. Currently, operating lease expenses are charged to the statement of profit and loss. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17. As per Ind AS 116, the lessee needs to recognise depreciation on rights of use assets and finance costs on lease liabilities in the statement of profit and loss. The lease payments made by the lessee under the lease arrangement will be adjusted against the lease liabilities.

2.4 Approval of financial statements

These financial statements were approved for issuance by the Board of Directors of the Company on May 24, 2019.

3 Use of estimates and judgements

In the application of the Company's accounting policies, which are described in note 2, the directors of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Impairment of investments, Property Plant and Equipment and Intangible Assets

The Company reviews its carrying value of investments, Property, Plant and Equipment and Intangible Assets annually, or more frequently when there is an indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.

Useful lives of property, plant and equipment

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

27. Segment reporting

Disclosure on Operating segments

The Company is engaged in the business of manufacturing and sale of garments. The Chief Operating Decision Maker reviews the operations of the Company as a unit of manufacturing and sale of garments, which is considered to be the only reportable segment by the Management.

Geographical information:

Revenue (revenue from operations) within India and outside India are as follows:

Country	Revenue

28. Employee benefit plans

Defined contribution plans

The Company makes Provident Fund and Employee State Insurance Scheme contributions which are defined contribution plans, for qualifying employees. Under the said schemes, the Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company recognises the amount paid / payable to such funds in the Statement of Profit and Loss. The contributions made by the Company towards these schemes are as follows:

(Rs. in Lakhs)

Particulars	For the year ended March 31, 2019	For the year ended March 31, 2018
Employer's contribution to provident fund	337.01	412.69
Employer's contribution to Employee State Insurance Scheme	158.03	172.30

Defined benefit plans

The Company offers gratuity, a defined employee benefit scheme to its employees. The said plan typically exposes the Company to actuarial risks such as: interest rate risk, longevity risk and salary risk

Interest risk

The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

Longevity risk

This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of a short career employee typically costs less per year as compared to a long service employee.

Salary risk

Higher than expected increases in salary will increase the defined benefit obligation

No other post-retirement benefits are provided to these employees.

The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

Financial risk management objectives

The Company's risk management is carried out by Treasury department under policies laid down by the management. The Company's activities expose it to market risk (which includes currency risk, interest rate risk and equity price risk), credit risk and liquidity risk. Treasury department monitors the risk exposures on a periodical basis and reports to the Board of directors on the risks that it monitors and policies implemented to mitigate risk exposures.

Foreign currency risk management

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise.

The carrying amounts of the Company's foreign currency denominated monetary liabilities (Trade payables) and Assets (Trade receivables) at the end of the reporting period are as follows.

(₹ in Lakhs)

Particulars	As at 31st March, 2019		
	USD	Euro	Total
Financial Assets	1,672.79	37.15	1,709.94

Foreign currency sensitivity analysis

The Company is mainly exposed to USD on account of outstanding trade receivables and trade payables.

The following table details the Company's sensitivity to a 5% increase and decrease in INR against the USD. 5% is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% change in foreign currency rates. The amounts given below are the impact on loss and equity where the INR weakens 5% against USD. Positive number indicates decrease in loss / increase in equity whereas negative number indicates increase in loss / decrease in equity. For a 5% strengthening of the INR against USD, there would be equivalent amount of loss as mentioned in the below table.

Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults. Ongoing credit evaluation is performed on the financial condition of accounts receivable. The Company monitors its trade receivables on case to case basis, depending on the ageing of days the receivables are due. Credit risk also arises from cash and cash equivalents, financial instruments and deposits with banks.

Liquidity risk

Liquidity risk is the risk that the company could be unable to meet its short term financial demands. Ultimate responsibility for liquidity risk management rests with the management, which has established an appropriate liquidity risk management framework for the management of the Company's short-term, medium-term and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual short term and long term cash flows, and by matching the maturity profiles of financial assets and liabilities.

Liquidity analysis for non derivative financial liabilities-

The following table details the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The table have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company is required to pay. The contractual maturity is based on the earliest date on which the Company would be required to pay.

32. Leases

The Company has entered into operating lease arrangements for office premises and residential accommodation. The amount of rent expense and rent income are as follows:

(₹ in Lakhs)

Particulars	For the year ended March 31, 2019	For the year ended March 31, 2018
Rent expense	429.27	516.36
Rent Income	20.75	22.09

The future minimum lease rental obligation under non-cancellable operating leases are given below:

(₹ in Lakhs)

Particulars	For the year ended March 31, 2019	For the year ended March 31, 2018
Within one year	336.21	315.52
Later than one year and not later than five year	152.64	748.85
Later than five year	-	-

33. Contingent Liabilities and Capital Commitments

(₹ in Lakhs)

Particulars	As at March 31, 2019	As at March 31, 2018
Works Contract Tax - Pertains to dues along with interest and penalty (Refer Note i)	250.22	250.22
Claims against the Company not acknowledged as debts	16.77	16.77
Income-tax matters under appeal relating to certain disallowances under the Income Tax Act, 1961 (Refer Note i)	140.36	140.36

- (i) The above amount is based on the notice of demand / Assessment Orders by the tax authorities and the Company is contesting these claims. Outflows, if any, arising out of these claims would depend on the outcome of the decisions of the appellate authorities and the Company's rights for future appeals before the judiciary. No reimbursements are expected.
- 34** The Company has incurred losses of 4,151.88 lakhs (before other comprehensive income) for the year ended March 31, 2019 (Previous year 7,842.49 lakhs) and the accumulated losses amounting to 64,388.15 lakhs (Previous year 58,171.23 lakhs) exceeds the paid up capital and reserves as on that date. These conditions indicate the existence of material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern and, therefore it may be unable to realise its assets and discharge its liabilities in the normal course of business. The Management is currently implementing a plan to increase turnover, improve profitability and financial position, sell certain non-core assets and has assessed that it will be able to meet the working capital requirements for the next 12 months based on its cash flow projections. The Holding company has also confirmed financial support to the Company to continue as a going concern. The Company is therefore being viewed as a going concern and the financial statements have been prepared under the going concern assumption.
- 35** In respect of the Company's leasehold land at Doddaballapura, the Company had entered into a lease cum sale agreement with the Karnataka Industrial Areas Development Board (KIADB) wherein the Company has to develop the land, construct building and set up a manufacturing unit of readymade garments and will provide employment opportunities as per the terms mentioned in the agreement. The Company is in the process of complying with the aforesaid conditions.
- 36** In view of the accumulated losses and in accordance with Ind AS 12 - "Income Taxes", the Management believes that there is no reasonable certainty supported by convincing evidence for recognising deferred tax asset on carry forward losses.
