## Commenting on the performance, Arun Kothari, Managing Director, Venus Pipes & Tubes Ltd, said,

"We are proud to report an all-time high quarterly revenue of INR 291.5 crore, marking a 27% year-on-year growth. This achievement reflects not only the robust demand for our products but also our growing presence in international markets — a testament to the dedication and capability of our team.

During the quarter, Welded Pipes recorded robust growth on back of improved demand and we are confident that with our recent product line expansion to include value added tubes will aid this growth further enabling us to cater to industries with highly critical applications. Exports too reached an all-time high of INR 115.6 crore, accounting for 40% of total revenues. This performance underscores our focused efforts in international market development, backed by the deployment of experienced talent and strengthened dealer partnerships.

We also commissioned an additional 1,800 MTPA of seamless pipes/tube capacity, taking our total seamless pipe & tubes capacity to 16,200 MTPA, positioning us well to serve specialized and high-value industries.

With our continued focus on innovation, quality, and operational excellence, we are confident of sustaining our growth momentum in the quarters ahead."
