MANAGEMENT DISCUSSION AND ANALYSIS

Industry Structure & Developments

Packaging

Indian plastics industry is set to buck the global trend of sluggish growth by emerging as one of the fastest growing markets with 12 percent growth rate this year. By 2020, plastics consumption of the country is expected to increase from the current 12 million metric tonnes per annum (MMTPA) to 20 MMTPA. The key beverage market will be driven by growth in bottled water and a shift toward metal screw caps and plastic stoppers for wine bottles.

Government initiatives such as Make in India, Skill India, Digital India, Swachh Bharat Abhiyan, etc are opening up opportunities for even more accelerated growth in this industry. Plastics industry would also contribute in a big way in the success of all such programs. For example, take the Digital India program. Plastics are one of the major component required in the electronic gadgets, which are mostly imported at present in the country.

Annual estimates and forecasts are provided for the period 2017 through 2022. Also, a six-year historic analysis is provided for these markets. The global market for Plastic Closure is expected to reach about 14.07 billion USD by 2022 from 12.05 billion USD in 2017, registering a Compounded Annual Growth Rate (CAGR) of 3.55% during the analysis period, 2017-2022.

Real Estate Market

2016-17 is the witness of impact of demonetization on various sectors and the real estate sector is one of the major area of demonetization. Due to which investment in real estate sector goes down a lot. So, that the development of commercial complex by Company's related Company AMD Estates & Developers Private Limited at Sector 114, Gurgaon, Haryana is progressing slow.

Segment-wise or product-wise performance

Your Company manufactures Crown Caps which are mainly used as metallic closures for various edible items packed in glass bottles e.g. Carbonated Soft Drinks, Fruit Juices, Milk products, Beer etc. The use of glass bottles has been seen steady or little bit de-growth whereby the use of Returnable Glass Bottle (RGB) has been seen in reducing trends. So, the crown volumes have little got down by 0.96% this year comparing to last year. Your company remained one of the dominant players in the crown caps market.

The plastic closure market has been continuously getting its momentum due to increased usage of PET Bottles. The sales of Closures were almost flat during the year against last year.

During the year under review, some of our customers have started their own Pre form manufacturing set up due to which the demand of Pre form were down during the year. However, Job work in perform has been increased marginally. Overall the perform sales was down against the last year.

Outlook, Opportunities & Threats, Risk and Concerns

The beauty of our country lies in its democracy and the tremendous opportunities that it brings. Your Company has a very clear vision and strategic plan to capture the latest happenings and trends in the industry and align with them to gain maximum advantage from it. This is, perhaps, the reason why Manjushree continues to grow by leaps and bounds year after year and maintain its market leadership.

The Company's graph of industry mix is now well balanced and focused around including Healthcare Pharmaceuticals and Personal Care business. On one hand where democracy brings opportunities, it also induces fiercely heavy competition, and your Company is not exclusion of it. The very unstable economy brings huge amount of foreign exchange fluctuation and volatility in Raw Material Prices, which are capable of eroding away the major stack of profits of the Company. Add to this is the extreme misery of having un-skilled manpower. These threats are being carefully examined and solutions are being derived thereof. Centralized operations, implementation of ERP systems and training and development of personnel are being continuously undertaken to make sure that your company stays ahead of the curve and is able to wade of such threats.

Financial Performance

During the year under review your Company registered total revenue of Rs.15,294.83 Lakhs as compared to previous year's revenue of Rs.17,159.86 Lakhs with a nominal de-growth of 1865.03 Lakhs over the previous year. The Net Profit is at Rs.23.42 Lakhs as compared to Rs. 268.93 Lakhs in the previous year, a decrease of 91.29% from previous year. The volume in PET Performs (including job work) was rise up by 8% against last year. The sales in Crowns goes down by 24% against last year. The Closures have down at 7.97% than last year.

Adequacy of Internal Control Systems

The Company has adequate internal control system commensurate with the size of the company. The Company has appointed M/s B. L. Khandelwal & Co., Chartered Accountants, New Delhi, as the Internal Auditor of the Company to carry out the internal audit at regular intervals. The internal audit reports along with action taken reports thereon are reviewed by the Audit Committee.

Material Development in Terms of Human Resources / Industrial Relations front, including number of people employed

Human Resources are considered to be a form of capital and wealth of the Company. The growth of the Company and improvement in the systems has been sustained by the active involvement of the employees with the Management. It has been the focus of the management to improve and expand the contribution of its human resources towards attainment of organizational goals and values. The technical expertise of the Management has been shared with the employees at the works, which keeps them motivated to meet and surpass the set targets. The company employed 281 numbers of on Roll employees during the year.

Cautionary Statement

Statement in the Management Discussion & Analysis, describing the Company's objectives, projections and estimates are forward looking statements and progressive within the meaning of applicable laws and regulations.

Actual results may vary from those expressed or implied, depending upon the economic conditions, Government policies and other incidental factors.

Auditor's Certificate on Corporate Governance

To
The Members,
AMD INDUSTRIES LIMITED
18, Pusa Road, 1st Floor,
Karol Bagh, New Delhi- 110 005.

We have examined the compliance of the conditions of Corporate Governance by **AMD INDUSTRIES LIMITED** ('the Company') for the year ended on March 31, 2017, as stipulated in Regulation 72 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination has been limited to a review of the procedures and implementation thereof adopted by the Company for ensuring compliance with the conditions of the Corporate Governance as stipulated in the said Regulation. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and based on the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulation 72 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We further state that such compliance is neither an assurance as to future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditors' Report

To
the Members of
AMD Industries Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of AMD Industries Limited ("the company"), which comprise the Balance Sheet as at 31st March 2017, the Statement of Profit and Loss, the Cash Flow Statement and a summary of significant accounting policies and other explanatory information for the year then ended.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

Annexure - B to the Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of AMD Industries Limited ('the company') as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Note Particulars

1 Corporate information

The Company is engaged in the Manufacturing of Pet Preform, Pet Bottles, Crown Caps and CSD Closures. The company is also engaged in jobwork operation of preforms. The company is continuously catering to the packaging needs of Beverages and Beer Industry of the country and abroad. The company has also interest in the Real Estates..

2 Significant accounting policies

2.1 Basis of accounting and preparation of financial statements

The financial statements of the Company have been prepared in accordance with Accounting Principles Generally Accepted in India, including the Accounting Standards specified under section 133 of Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

2.3 Inventories

Inventories

(i) Raw Material

At cost or net realizable value (on FIFO basis) whichever is lower (Rejected raw material at cost Less claim received thereon)

ii) Finished Goods

At cost or net realizable value whichever is lower. For arriving at the cost for this purpose the cost includes material cost and manufacturing expenses.

iii) Semi Finished Goods

At cost of input plus apportioned overhead expenses and depreciation.

iv) Job work in Process

At apportioned manufacturing expenses and depreciation.

v) Stores and Spares

At cost or net realizable value (on FIFO basis) whichever is lower.

vi) Scrap

At estimated realizable value.

vii) Real Estates Inventory

At cost plus cost of improvement.

In order to comply with the mandatory requirements of Accounting Standard -2 'Valuation of inventories' prescribed by the Institute of Chartered Accountants of India; The Company has adopted the exclusive method of the excise duty

2.4 Cash and cash equivalents (for purposes of Cash Flow Statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.5 Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

2.6 Depreciation and Amortisation

The depreciation on Plant & Machinery including Moulds installed in Neemrana Unit and Ghaziabad Unit has been provided on 'Multiple Shift Basis'. The depreciation on all assets has been provided on 'straight-line method' based on life assigned to each asset in accordance with Schedule II of the Companies Act, 2013 except for intangible assets which are amortised over a period of five years as prescribed in Accounting Standard 26.

2.7 Revenue recognition

Revenue in respect of sale of products is recognised on delivery, which coincides with the transfer of risk and rewards of ownership. Discounts given / accrued to customers at the time of despatch are considered as trade discounts and netted from sales. Sales is recorded net of Sales Tax/Vat

Job work of Preform Completed and lying in Factories as on 31st March 2017 has been shown as inventory under the head Job Work in Process.

Interest income is recognized on an accrual basis on time proportionate basis, based on interest rates implicit in the transaction

2.8 Other income

Dividend income is recognized on receipt basis.

2.9 Tangible fixed assets

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. Exchange differences arising on restatement / settlement of long-term foreign currency borrowings relating to acquisition of depreciable fixed assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets. Machinery spares which can be used only in connection with an item of fixed asset and whose use is expected to be irregular are capitalised and depreciated over the useful life of the principal item of the relevant assets. Subsequent expenditure relating to fixed assets is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

CENVAT Credit availed on acquisition of fixed assets is reduced from the cost of concerned assets.

Capital work-in-progress:

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

2.10 Intangible assets

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure on an intangible asset after its purchase / completion is recognised as an expense when incurred unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to the asset reliably, in which case such expenditure is added to the cost of the asset.

2.11 Foreign currency transactions

- (i) Foreign currency transactions during the year are recorded at the rate of exchange prevailing on the date of transaction. Foreign currency monetary assets and liabilities are translated into Rupees at the rate of exchange prevailing on the date of Balance Sheet. All Exchange difference are dealt with in the Profit and Loss Account. Foreign Currency monetary items are reported using the closing rate.
- (ii) Where the company has entered into forward exchange contracts, the difference between the forward rate and spot rate at the date of the contract is recognised in the statement of profit and loss over the life of the contract and difference between the spot rate at the date of contract and the exchange rate prevailing on the balance sheet date is recognised as per Accounting Standard (AS)-11 issued by the Institute of Chartered Accountants of India. Any profit or loss arising on cancellation or renewal of the forward exchange contract is recognised as Income or as expenses for the year.

2.12 Government grants, subsidies and export incentives

Export benefits are accounted for in the year of exports based on eligibility and when there is no uncertainty in receiving the same.

2.13 Investments

Long-term investments, are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

2.14 Employee benefits

- (i) Short-term employee benefits are recognised as an expense at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.
- (ii) Defined Benefit Plans:
 - Leave Salary of employees on the basis of actuarial valuation as per AS 15.
 - Gratuity Liability on the basis of actuarial valuation as per AS 15.
- (iii) Defined Contribution Plans:
 - Provident fund and ESI on the basis of actual liability accrued and paid to authorities.

2.15 Borrowing costs

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

2.16 Segment reporting

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive Management in deciding how to allocate resources and in assessing performance.

2.17 Earnings per share

Basic Earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Diluted Earnings per share are not different from basic earnings per share.

2.18 Taxes on income

The Deferred tax expense or benefit is recognised on timing differences being the difference between taxable incomes and accounting incomes that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

2.19 Impairment of assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

2.20 Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.
