Dear Sir/Madam,

Subject: Annual Report – 2026 & Notice of 30th Annual General Meeting

With reference to the captioned subject, we inform that 30th Annual General Meeting (“AGM”) of the Company shall be held on Monday, August 24, 2026 at 11:00 a.m. through Video Conferencing (“VC”)/Other Audio-Visual Means (“OAVM”), in accordance with the applicable circulars issued by the Ministry of Corporate Affairs and the Securities and Exchange Board of India.

Pursuant to Regulation 34 of SEBI (Listing Obligations and Disclosure Requirements) 2015, We enclose herewith Annual Report for the FY 2025-26 and the Notice of 30th AGM. The said reports are being sent to the shareholders through e-mail and have been uploaded on the “investor relations” section of the website of the Company at: <https://www.astraltd.com/investors/report-accounts/>.

The “**cut-off date**” for determining eligibility of shareholders for remote e-voting/e-voting at AGM and for attending AGM is fixed as August 17, 2026. The remote e-voting period shall commence from August 21, 2026 (9:00 a.m.) and end on August 23, 2026 (5:00 p.m.). The detailed instruction with regard to the remote e-voting/e-voting at AGM and procedure for attending AGM is provided in the Notice of AGM.

Kindly take the same on your record.

Thanking you,

Yours faithfully,
For Astral Limited

Growth with Discipline

Over the years, we have grown responsibly by consistently expanding our manufacturing network, diversifying our portfolio, deepening our distribution reach, and building brands that customers trust. The careful thought behind these decisions and their disciplined execution have well positioned our business for the future.

FY26 marks an important stage in this evolution. The disciplined investments we have made across manufacturing, product development, distribution, and brand-building are now translating into stronger market positions and new avenues of growth. While our established businesses continue to reinforce Astral's leadership, newer categories are rapidly gaining scale, contributing to a highly balanced and resilient portfolio.

This year also reflects a broader ambition. Through Vision 2050, Astral is building capabilities that extend beyond our traditional strengths, creating an integrated building materials platform for the evolving needs of construction, infrastructure, and water management. Targeted investments in advanced manufacturing, specialised products, and backward integration are driving competitive advancement while preparing the business for the opportunities of the decades ahead.

Our footprint continues to expand, guided by this same measured approach. Improved operational performance in the United Kingdom, growing capabilities in the United States, and the establishment of operations in the UAE demonstrate a highly calculated strategy for building an international business. Across domestic markets, impactful consumer campaigns, stronger brand investments, and deeper rural penetration have enhanced our visibility and reinforced customer confidence across our entire portfolio.

The journey forward is governed by the exact principles that have shaped Astral from the beginning: careful execution, disciplined investment, and a willingness to innovate with purpose. These principles ensure we grow consistently, adapt confidently, and create lasting value for all our stakeholders.

ABOUT THE COMPANY

Building for What's Next

Astral Limited, founded in 1996 as a piping solutions business in Indian markets, has expanded beyond its original business, building capabilities across multiple categories that touch every stage of construction and infrastructure lifecycle from pipes and fittings, the company's portfolio has grown to include water tanks, adhesive and sealants, construction chemicals, paints, bathware, specialised valves and infrastructure solutions.

Astral manages 21 manufacturing units located in India, the United Kingdom, and the United States, with a total production capacity of 5.97 lakh metric tonnes per year. Over the years, Astral has invested in expanding and decentralising its manufacturing footprint, enabling greater operational efficiency, faster servicing of regional markets and improved supply chain resilience.

Astral's products reach customers through one of the most extensive distribution networks in the industry, comprising over 3,990 distributors and more than 2.7 lakh dealers across the country. This strong market presence is complemented by a growing international footprint, with the products reaching customers in more than 40 countries.

Vision

To be a global leader in the building materials industry, known for our innovative products, sustainable practices, and commitment to customer satisfaction.

Mission

To provide high-quality, innovative building materials that enhance the quality of life for our customers, while ensuring sustainable growth and value creation for our stakeholders.

Values

INNOVATION: Continuously pushing the boundaries of technology and design to deliver cutting-edge products.

QUALITY: Upholding the highest standards of quality in every product we manufacture.

SUSTAINABILITY: Committed to sustainable practices that protect the environment and benefit the community.

INTEGRITY: Conducting business with the utmost integrity and transparency.

CUSTOMER FOCUS: Prioritising the needs and satisfaction of our customers in every decision we make.

PRODUCT PORTFOLIO

Building Portfolio for Growth

Astral’s diversified product portfolio is designed to address the evolving requirements of modern construction, infrastructure and urban development. From water management and piping systems to adhesives, construction chemicals, paints and bathware, the company’s offerings deliver performance, durability and reliability across residential, commercial, industrial and infrastructure applications.

Astral continues to drive innovation and customer centric product development while expanding its portfolio with specialised and value-added solutions that address emerging industry needs.

Pipes and Fittings

Astral offers one of India's most comprehensive ranges of plastic piping solutions, catering to plumbing, drainage, agriculture, industrial infrastructure and fire protection applications. The portfolio combines advanced technologies, superior material performance and application specific solutions.

- Plumbing Pipes & Fittings
- Sewerage & Drainage Pipes & fittings
- Agriculture Pipes & Fittings
- Cable Protection System
- Industrial Piping System
- Fire Protection System
- Urban Infrastructure Solutions
- Thermostatic Ball Valves
- Cable Protection Systems
- Column Pipes
- Conduit Pipe
- Ancilliary Products
- OPVC Pipes
- Silencio Low-noise Drainage System
- DrainPro Drainage Solutions
- PEX Composite Piping System

Water Tanks

Astral's water tanks provide safe, hygienic, and durable water storage solutions for residential, commercial and Industrial applications. Incorporating advanced features and certified standards, our tanks reflect a commitment to quality and innovation in every detail. Our water tanks come in 4 Layers and 3 Layers with capacities ranging from 500 liters to 10,000 liters.

- Roto Moulding Water Tanks - 4 layers, 3 Layers and 2 Layers
- Blow Moulded Water Tanks
- Loft Water Tanks
- Water Tank with Anti-Viral Copper Shield - 4 Layers and 3 Layers

Adhesives and Sealants

Astral offers an extensive portfolio of adhesives and sealants for construction, maintenance, woodworking, and industrial use. Our solutions are recognised for their consistent quality, robust performance, and reliability across a wide range of applications.

- Epoxy Adhesives and Putty
- PVA Adhesives
- Rubber Adhesives
- Industrial Adhesives
- Instant Adhesives (Cyanoacrylate)
- Anaerobic Adhesives
- Solvent Cements
- Silicone, Acrylic and Hybrid Sealants
- Electrical Tapes
- PTFE (Teflon) Tapes
- Speciality Tapes

Construction Chemicals

Astral's construction chemicals are formulated to support advanced waterproofing, tiling, and grouting needs. These solutions are intended to enhance the strength, durability, and longevity of construction projects.

- Waterproofing Chemicals
- Tile Adhesives and Tile Grouts
- Repair and Rehabilitation products
- Surface Protection Solutions
- Construction Additives

Bathware

Astral Bathware presents a selection of products that blend functionality with contemporary design. Manufactured at state-of-the-art facilities, our range is crafted to meet the evolving needs of modern bathrooms.

- Faucets
- Sanitaryware
- Cisterns
- Showers
- Bathroom Accessories
- Premium Bath Collections

Paints

Astral Paints offers a broad range

- Interior Emulsion
- Exterior Emulsion
- Distempers
- Enamels
- Undercoats (Primer and Wall Putty)
- Industrial and Decorative

Infrastructure Products

Astral offers a comprehensive range of infrastructure products including drainage, cable protection and PT duct systems that deliver dependable performance supporting the evolving needs of modern infrastructure projects.

- Drainage Solutions
- Cable Protection Systems
- PT Duct Systems
- Utility Infrastructure Products

Specialised Valves

Astral manufactures precision-engineered valves designed for industrial, plumbing and specialised fluid-management applications.

- Compact True Union Ball Valve
- Single Union Ball Valve
- Industrial Ball Valve
- Special Application Valves

Specialised Fittings & Other products

Astral Limited has enhanced its presence in the specialised fittings segment through the acquisition of Al-Aziz Plastics Private Limited. This addition brings advanced expertise and manufacturing capabilities, allowing Astral to address a broader range of infrastructure and utility requirements with greater precision and reliability. Further our Electrofusion range of products has earned the prestigious DVGW certification from Germany for Gas and Water applications

- Electrofusion fittings
- Integrated clamp saddles
- Mechanical clamp saddles
- Multiport clamp saddles
- Compression fittings
- PPR pipe fittings
- Integrated composite strap-on saddles
- Utility Network Fittings
- uPVC ball valves
- Water Meter Enclosures
- Flow Control Valves
- Electrical Casing capping Accessories
- Electrical Switch Boards
- uPVC Conduit Fittingsn
- Sprinklers and Filters for Irrigation

INFRASTRUCTURE

The Foundation of Our Growth

As Astral continues to expand beyond its traditional businesses, investments in manufacturing infrastructure and distribution capabilities become of utmost importance. By bringing production closer to key markets and deepening reach across India and international markets, the company is creating stronger, more agile and future ready operating network.

FROM THE CHAIRMAN'S DESK

Transformation in Motion

Dear Shareholders,

As we complete two decades as a listed company, we look back and reflect on how far we have come and the future that we are building. From a ₹ 50 crore enterprise focused on a single product category, Astral has today evolved into a diversified company with presence across pipes, fittings, adhesives, construction chemicals, bathware, paints, water storage solutions and specialised infrastructure products. This transformation has been guided by a commitment to innovation, customer centricity and long-term value creation.

FY 26 was an important year in this journey. It was a year when investments made over the past several years in manufacturing, product development, brand building and distribution expansion started translating into stronger market position, deeper customer engagement and more diversified growth profiles and we have gained market share across most product categories.

Building for the Future: Vision 2050

At Astral, we have always believed that sustainable growth requires the ability to anticipate change. This philosophy forms the basis of our Vision 2050 framework, which

seeks to position the company at the centre of India's evolving water management and building infrastructure ecosystem.

While plumbing remains a core strength, our ambitions extend beyond conventional piping solutions. We are building capabilities across water transportation, drainage, rainwater management,

GROWTH WITH DISCIPLINE

wastewater systems and specialised infrastructure applications. A significant step in this direction has been our growing focus on advanced polymer technologies and specialised applications. The integration of Al-Aziz has further enhanced our capabilities in specialised fittings and polyolefin-based solutions, opening new opportunities across utility, infrastructure and industrial applications.

Progress Across Businesses

FY 26 witnessed encouraging progress across Astral's diversified portfolio.

Our plumbing business continued reinforcing its market leadership through product innovation, manufacturing expansion and growing adoption of specialised solutions across residential, commercial and infrastructure applications. Products such as our Power Drain surface drainage systems are now being deployed in landmark projects, including the Narendra Modi stadium and the Dharamshala stadium.

Astral continued to strengthen its Fire Pro portfolio during FY26, supported by growing acceptance of UL/FM-approved fire sprinkler piping systems. This business recorded a significant increase in sales during the year, reflecting increasing adoption of certified fire protection solutions across commercial applications. We also continued to expand our premium drainage portfolio through Silencio, our low-noise drainage system designed for modern buildings. During the year, we expanded the product range and continued to position Silencio as a differentiated solution within our value-added plumbing portfolio.

The adhesive business continued to deepen its market presence through product innovation, distribution network expansion and focused brand building initiatives. During the year, Bondtite entered a new phase of growth through nationwide consumer campaigns involving Ranbir Kapoor helping enhance brand visibility and engagement across key

GROWTH WITH DISCIPLINE

markets. We also put in efforts to improve rural penetration. Today, our network reaches over 13,000 towns across India, with a clear roadmap to reach 20,000 towns in the next few years. The recently launched New Bharat initiative is helping accelerate rural market development and creating new growth opportunities across emerging consumption centres.

The paints business also continued to make steady gains through portfolio enhancements, market expansion and distribution development. Building on the strength of both Astral Paints and Gem Paints, we continue laying foundation for sustainable long-term growth. We have entered into 6 states and shortly we are planning to add more states, with an aim of eventually becoming a Pan-India company.

Our international adhesive business also demonstrated encouraging progress during the year. In the United Kingdom, focused restructuring efforts, improved operational discipline and the integration of advanced hybrid sealant technology acquired from Switzerland have helped improve business performance and profitability. In the United States, we continue to leverage our manufacturing presence and product capabilities to serve niche industrial and specialised application. We established local office in the UAE, to further enhance Astral's global footprint in plumbing and adhesive business.

Bathware emerged as one of our most promising growth platforms during the year. We expanded our distribution footprint through the addition of 80 new distributors. The introduction of three new premium product ranges led to 25%+ channel partner growth. Growing traction across both retail and project segments has resulted in a project pipeline increasing very fast, reinforcing our confidence in the long-term potential of this business.

Across businesses, our focus remains on delivering solutions to serve the customer better. Whether through advanced drainage systems, fire protection solutions, waterproofing technologies or

specialised building materials, we seek to address customer challenges through innovation, performance and reliability. This approach enables us to build deeper customer relationships as we build on our position in higher value segments

Sustainability as Growth Imperative

Sustainability is becoming an integral part of how we operate, innovate and grow. We recognise that long term value creation must be aligned with responsible environmental stewardship and efficient resource utilisation. During FY 26, we expanded our renewable energy initiatives, generating 7 MW from solar and wind energy sources and increased our renewable energy usage by 39%. We advanced our digital ESG transformation journey to enhance data collection, monitoring and reporting capabilities. Our commitment to sustainable product innovation was further reinforced through GRIHA certification for products including Aquasafe, Silencio, Aquarius, Drain Pro and Drainmaster. We will continue to invest in solutions that contribute to more efficient, sustainable and resilient built environments while creating long term value for stakeholders. **Our ESG score has improved to 60 from 48 during the current year against industry average of 34.**

Building Long-term Strategic Advantage

One of the most significant initiatives underway is the development of our captive CPVC resin manufacturing project through Nexelon Chem. Astral will be the only CPVC pipe manufacturer in India to produce its own resin. The captive 40,000 MT will reduce import dependence, currency exposure, and is expected to improve volumes and margins on CPVC pipes and fittings from FY28. This project represents a strategic step towards greater self-reliance, supply chain resilience and long-term value creation.

Similarly, investments in product authentication technologies, advanced manufacturing

capabilities and specialised product platforms are helping create durable competitive advantages that extend beyond traditional market boundaries.

Our integrated business model remains another important differentiator. By leveraging common distribution ecosystem across multiple product categories, Astral is able to create meaningful synergies, deepen customer engagement and expand its share of wallet across construction value chain. This ability to scale new business through an established platform will continue to be a key driver of growth in the years ahead.

Looking Ahead

India's long term growth outlook remains compelling. Urbanisation, infrastructure development, housing demand, industrial expansion, and rising aspirations continue to create significant opportunities across building materials sector. Supported by a trusted brand, expanding product portfolio, robust manufacturing footprint, distribution network and team of 9,500 dedicated employees, Astral is well positioned to capitalise on these opportunities through investing in innovation, strengthening our market presence, advancing sustainability and creating enduring value for all stakeholders.

On behalf of the Board, I would like to thank our employees, customers, distributors, dealers, business partners and shareholders for their continued trust and support. Together, we will continue building beyond boundaries and shaping the future of India's building materials industry.

Warm regards,

Sandeep Engineer
CHAIRMAN &
MANAGING DIRECTOR

MANAGING DIRECTOR

MESSAGE FROM WHOLE TIME DIRECTOR AND CHIEF FINANCIAL OFFICER

Growth Anchored in Discipline

Dear Shareholders,

FY 26 was a year of opportunity as well as volatility. It showed the resilience of Astral’s business model and the power of its financial foundations. The operating environment was characterised by significant fluctuations in raw material prices, evolving channel dynamics and continued global uncertainties. Against this backdrop, Astral remained focused on disciplined execution, prudent capital allocation and sustainable value creation.

During the financial year ending March 31, 2026, Astral achieved a historic consolidated revenue milestone of ₹65,686 million, representing 12.6% Year-on-Year growth over the previous fiscal. Consolidated EBITDA expanded to ₹11,092 million, marking a 12.4% YoY acceleration. Profit Before Tax (PBT) before exceptional items climbed to ₹ 7532 million, while consolidated Profit After Tax (PAT) stood at ₹5347 million. Cash profits rose to ₹8,263 million. These results, achieved in a challenging pricing environment for the most part of the year, are a testimony to Astral’s disciplined execution.

Navigating Volatility

The plastics industry experienced considerable volatility during FY 26, particularly in PVC and CPVC resin prices. The industry witnessed prolonged periods of weak realisations during the initial part of the year, followed by sharp recovery in raw material prices in the later months.

Astral delivered robust growth across all key businesses in such challenging environment. The plumbing segment remained the primary contributor with revenue of ₹ 46,787 million and EBITDA of ₹ 9,166 million. The business continued to gain market share, supported by product innovation, manufacturing expansion and a strong distribution network.

Hiranand Savlani
WHOLE TIME DIRECTOR &
CHIEF FINANCIAL OFFICER

Plumbing Business

46,787
Revenue (₹ IN MN)
11.5% Y-o-Y Growth

9,166
EBITDA (₹ IN MN)
15.7% Y-o-Y Growth

6,701
PBT (₹ IN MN)
11.3% Y-o-Y Growth

The paints and adhesive portfolio also delivered encouraging results, with revenue increasing 15.5% to ₹18,899 million. While investments continued across brand building, distribution expansion and category development, these businesses strengthened their market presence and improved their long-term growth prospects.

Adhesives Business

18,899
Revenue (₹ IN MN)
15.5% Y-o-Y Growth

1,926
EBITDA (₹ IN MN)
1.1% Y-o-Y Growth

A broad product portfolio and multiple growth engines have enhanced company resilience while reducing dependence on any single category or market cycle.

Investments Bearing Fruit

Over the last few years, Astral has undertaken significant investments to build capacity, increase regional presence and create future growth opportunities, FY 26 saw many of these investments move from development phase to active value creation. The commencement of kanpur facility continued ramp up of Hyderabad and the expansion of decentralised manufacturing capabilities have improved supply chain efficiency,

enhanced customer service levels and reduced logistical complexities. At the same time, investments in product innovation, manufacturing technology and category expansion continue to create stronger foundation for long term growth.

We also continued to invest in product innovation, technology adoption and category expansion, strengthening our ability to address evolving customer requirements across the building materials ecosystem.

Capital Allocation and Risk Management

At Astral, risk management is an integral part of business. In an environment characterised by commodity price fluctuations, supply chain disruptions and evolving market conditions, our focus remains on preserving operational flexibility while safeguarding long term value creation. The company's diversified portfolio, broad manufacturing footprint and extensive distribution network help mitigate concentration risk and enhance resilience across business cycles. Our decentralised manufacturing strategy has further improved supply chain agility while reducing dependence on individual geographies and logistics corridors.

Equally important is our disciplined approach to capital allocation. Every major investment is evaluated through a long-term lens, balancing growth potential with financial prudence and risk adjusted returns. By adopting this approach Astral has managed to maintain a strong balance sheet and preserve financial flexibility.

Building Long-term Competitive Advantage

One of the most important strategic initiatives currently

underway is our investment in Nexelon Chem, which will enable Astral to manufacture captive CPVC resin. This project will improve supply chain resilience through backward integration while improving cost competitiveness.

During FY26, the Company also maintained a strong focus on working capital efficiency, ensuring that growth was supported by healthy cash generation and disciplined resource deployment. Our receivable days improved and working capital cycle days improved from 37 days to 24 days.

As we move forward, our focus will remain on profitable growth, disciplined capital allocation, prudent risk management and the efficient execution of strategic investments. We believe these priorities will continue to enhance our competitive position and create sustainable value for all stakeholders.

I would like to thank our shareholders, customers, channel partners, lenders, employees and all stakeholders for their continued trust and support. Their confidence remains integral to Astral's continued success.

Hiranand Savlani
WHOLE TIME DIRECTOR &
CHIEF FINANCIAL OFFICER

KEY PERFORMANCE INDICATORS

Navigating Market Challenges with Resilience

FY 26 reflected Astral’s ability to execute in a dynamic operating environment. With a diversified portfolio, strong distribution network and continued investments in capacity and innovation, the company delivered steady growth while building the foundation of future expansion. As newer businesses continue to scale and core categories maintain momentum, Astral remains well positioned to create long-term value.

Note: EPS adjusted for FY 2022 due to issue of Bonus shares.

BUSINESS MODEL

Our Value Creation Canvas

STRENGTHS

Competitive Advantages that Set Us Apart

01

DIVERSIFIED GROWTH PLATFORM

Astral has successfully transformed itself from a pipe and fittings company into a diversified enterprise spanning nine product categories. This evolution has created multiple growth engines across plumbing, water management, construction chemicals, adhesives, paints and bathware. The breadth of the portfolio reduced dependence on any single market segment while creating opportunities to participate across entire construction lifecycle.

02

PIONEERING SPIRIT AND INNOVATION

Innovation has been defining element in Astral's growth journey since inception. During the year, the company further expanded its portfolio through specialised solutions across plumbing, drainage, fire protection and infrastructure applications. Products such as Silencio low-noise drainage systems, Fire-pro fire protection piping solutions, OPVC piping systems and advanced drainage technologies continued to gain market acceptance. The company also expanded its presence across specialised fittings, water management and construction chemicals reflecting its ability to identify emerging opportunities and convert them into scalable growth platforms.

03

MANUFACTURING EXCELLENCE

Astral's manufacturing strategy is built around a network of 21 facilities across India, the United Kingdom, and the United States. with an installed capacity of approximately 5.97 lakh metric tonnes per annum. By locating the production units near key demand centers, Astral has reduced logistics complexity and enhanced supply-chain reliability. Recent expansions in Hyderabad and Kanpur, along with continued development of regional facilities have improved service responsiveness and supply chain resilience while reducing logistics cost. This distributed model enables Astral to remain closer to customers while supporting scalable growth across multiple product categories.

04

EXTENSIVE DISTRIBUTION NETWORK

Astral's products are available through a network of over 2.7 lakh dealers and more than 3,990 distributors across India, as well as in more than 40 export markets. This vast channel ecosystem ensures timely product availability and end-to-end service. By leveraging strong partner relationships and scalable logistics, Astral delivers a seamless experience for customers in both core and emerging regions.

05

STRONG BRAND EQUITY

Astral has built strong brand equity by producing innovative quality products as well as investing in advertising, promotion and brand building activities. In FY 26, the company enhanced brand visibility through the association with Ranbir Kapoor for Bondtite, association of bathware brands with blockbuster Dhurandhar and some other targeted campaigns that helped deepen customer connect and channel engagement. These investments are helping Astral gain acceptance in newer categories such as paints, bathware and construction chemicals. The brand equity remains a key enabler of growth across the company's diversified product portfolio.

06

EXECUTION EXCELLENCE

Astral's ability to identify opportunities, scale new categories and integrate acquisitions has been a key driver of its growth. Whether through the successful expansion of adhesives, the integration of Gem Paints and Al-Aziz, or acquisition of stake in Nexelon Chem or the development of new manufacturing facilities, the company has consistently demonstrated disciplined execution and an ability to translate strategic intent into business outcomes.

07

FINANCIAL STRENGTH

A strong balance sheet, disciplined capital allocation and healthy cash generation provide Astral with the flexibility to invest in growth opportunities while maintaining financial resilience through business cycles.

08

COMMITMENT TO SUSTAINABILITY

In FY26, Astral advanced its environmental, social and governance agenda through renewable energy installations and the adoption of energy-efficiency measures that reduced overall carbon intensity. Community-focused initiatives under the Astral Foundation further demonstrate the Company's dedication to social stewardship and responsible corporate citizenship.

STRATEGIC PRIORITIES

Building the Next Phase of Growth

Astral is focused on a set of strategic priorities as it embarks on the next phase of growth. Through targeted investments and disciplined execution, Astral is building a stronger, future ready organisation.

SCALING EMERGING BUSINESSES

Astral continues to work at accelerating the growth of its newer business verticals, including paints, bathware and construction materials. During the year, the company expanded its paint business distribution footprint across western and southern markets. It launched new products in the bathware segment, expanding project participation and increasing dealer engagement. Astral aims to work at making these businesses increasingly meaningful contributors to the company's long-term growth profile.

01

02

EXPANDING GLOBAL OPPORTUNITIES

Astral continues to strengthen its international presence by leveraging its manufacturing footprint across India, the United Kingdom and the United States, while exporting to more than 40 countries. During FY 26, the company reported strong growth in export volumes. Astral also opened an office at UAE. The company is also participating in many international prestigious shows like ISSH Frankfurt, big five Dubai, Big Five Saudi, Big Five South Africa. The improving performance of overseas operations, coupled with growing acceptance of Astral's products across global markets, positions the company to diversify revenue streams and build stronger international business over long-term.

03

EXPANDING PRODUCT PORTFOLIO AND DRIVING INNOVATION

The Company remains focused on increasing the contribution of differentiated and value-added solutions across its portfolio. Continued investments in products such as OPVC pipes, FirePro systems, Silencio drainage solutions, specialised fittings and infrastructure applications reflect Astral's strategy of addressing evolving customer requirements while strengthening its presence in premium segments.

MANUFACTURING AND DISTRIBUTION

Astral's strategy included concentrating on decentralised manufacturing and increasing its distribution reach in more and more towns. Astral will be the first company to start PVC manufacturing in India through a captive 40,000 MT plant reducing import dependence, and currency exposure. This plant is expected to improve volumes and margins on CPVC pipes and fittings from FY28. Astral continues to expand its distribution footprint across India, with presence in over 20,000 towns through a network of more than 3990 distributors and more than 2.7 lakh dealers. This extensive reach enhances product availability and customer service.

06

05

FOSTERING SUSTAINABILITY AND CORPORATE RESPONSIBILITY

Astral continues to embed sustainability into its growth strategy through focused initiatives across environmental stewardship, operational efficiency and community development. During the year, electricity generated from renewable sources increased 39% supported by 7MW clean energy initiative including solar and wind power installations. The Company also advanced its digital ESG transformation programmes to enhance data collection, monitoring and reporting capabilities. Reflecting its commitment to sustainable construction, several products, including Aquasafe, Silencio, Aquarius, Drain Pro and Drainmaster, received GRIHA Green Building certification. Astral further strengthened its operational excellence framework through the implementation of ISO 9001:2015 Quality Management Systems at its Cuttack and Hyderabad manufacturing facilities. Our ESG score has improved to 60 from 48 during the current year against industry average of 34.

NURTURING TALENT AND FOSTERING EXCELLENCE

Astral recognises its workforce as the cornerstone of sustainable success, with over 9,500 employees contributing to operational excellence across diverse functions and geographies. The Company's comprehensive human resource strategy emphasises structured training programmes, leadership development, and performance enhancement initiatives that support individual growth whilst advancing organisational objectives. In FY26, Astral intensified employee development whilst implementing streamlined procedures across manufacturing facilities to enhance operational efficiency. Through structured development pathways, Astral fosters high-performance culture that attracts and retains exceptional talent.

04

MARKETING COMMUNICATION

Making Every Presence Count

Astral continued to elevate its brand presence through a combination of strategic partnerships, high impact campaigns, trade engagement initiatives and customer outreach programmes. Increased investments in advertising and promotion activities across businesses have helped the company deepen consumer engagement and build channel relationships further enabling it to grow faster than the industry.

Plumbing Business

Astral pipes built its market leadership through combination of sports partnership, cinema integrations and industry engagement initiatives.

Movie Branding Initiatives

A key initiative this year was the association of Astral pipes with blockbuster film Dhurandhar through the campaign “ Majboot hoon, isiliye bharosemand hoon”, which reinforced Astral’s core values of strength, durability and reliability. The campaign showcased key product solutions including CPVC Pro, Silencio and underground drainage systems, helping translate technical performance into a compelling consumer narrative.

IPL Sponsorships

Astral further cemented its nationwide visibility through IPL association with leading franchises including Chennai Super Kings, Gujarat Titans and Mumbai Indians, enabling the brand to engage with millions of cricket enthusiasts across the globe.

Exhibition Participation

The division prioritized experiential marketing by occupying prominent display positions at premier national and international trade exhibitions including Big – 5 Dubai, IPC – Kolkata, Plumbex Delhi and Design Democracy Hyderabad. These events provided a showcase for innovations, facilitated business networking, and reinforced the brand’s position as an industry leader.

MARKETING COMMUNICATION (CONTD.)

Adhesives

Within the adhesives vertical, Astral adopted a robust marketing approach that engaged audiences across both urban and rural India.

Ranbir Kapoor as Brand Ambassador for Bondtite

Astral launched nationwide “Lakdi ka Chumbak” campaign for Bondtite featuring Ranbir Kapoor as the brand ambassador. The campaign was designed to enhance Bondtite’s positioning within India’s woodworking and carpentry segment by communicating the brand’s superior bonding capabilities through a memorable and culturally resonant proposition. The campaign ran on television, digital mediums, outdoor and also through trade activation enhancing visibility among consumers, carpenters, contractors and dealers.

Other

Other advertising and promotion activities included extensive point of sale initiatives, influencer engagement programmes and trade outreach activities

Bathware

Astral Bathware continued to build awareness and consumer trust through focused branding and market development initiatives.

Movie Branding

Mirroring the corporate-wide cinema push, the vertical launched the “Dhurandhar: When Performance Meets Style” campaign. The messaging cleverly mapped the balance of design elegance and heavy-duty engineering in Astral’s premium washbasins and smart toilets to the slick aesthetics and rigorous performance of the movie.

Astral Bathware took its product portfolio closer to consumers by showcasing its premium bathroom solutions across PVR INOX cinemas. The initiative highlighted the brand’s contemporary designs and product innovation, creating an engaging platform to build awareness and strengthen consumer connect beyond traditional points of sale.

Additionally, multi-city campaigns across outdoor, print and digital media highlighted the brand’s design-led product portfolio, quality standards and after-sales service capabilities. Through continued engagement with architects, designers, dealers and project stakeholders, the brand strengthened its presence across both retail and institutional markets.

Paints

Astral Paints continued to expand its market presence through a combination of regional marketing initiatives, dealer engagement programmes and trade outreach activities.

The business leveraged exhibitions, dealer meets and product showcases to strengthen visibility across key growth markets while reinforcing its quality proposition among customers and channel partners.

As the paints business continued to scale, focused brand-building initiatives supported market penetration and strengthened relationships across the distribution ecosystem.

RISK MANAGEMENT

Managing Risks, Enabling Growth

In a rapidly transforming environment, we maintain rigorous vigilance in identifying, assessing, and systematically addressing key risks. This disciplined approach preserves stakeholder interests and supports enduring business resilience. Our comprehensive framework positions us to respond strategically, advancing both continuity and managed expansion.

RISK MANAGEMENT FRAMEWORK

Risk	Mitigation Measures
Intensifying Market Competition	- Improve product differentiation through innovation and value-added solutions. - Expand distribution reach, deepen customer engagement and build brand equity across categories. - Focus on operational efficiency and cost optimisation to maintain competitiveness.
Raw Material Price Volatility	- Cultivate strategic sourcing relationships, diversify sourcing channels and maintain long-term supplier agreements. - Leverage backward integration and improve inventory planning for critical materials. - Actively monitor market shifts and implement timely price interventions.
Supply Chain Disruptions	- Maintain a diversified supplier base across geographies. - Enhance supply chain visibility and risk monitoring mechanism. - Maintain strategic inventory reserves and strengthen local sourcing capabilities wherever feasible.
Technology and Innovation Risk	- Invest in focused research and development with an emphasis on emerging technologies. - Establish collaborations with industry specialists and academic partners. - Systematically upgrade processes and manufacturing capabilities.
Environmental and Social Responsibility	- Integrate sustainability considerations into operations, manufacturing and product development. - Lead with proactive community engagement and responsible corporate initiatives. - Adhere rigorously to environmental standards and industry norms.
Talent Acquisition and Retention	- Cultivate high performance and inclusive work environment. - Invest in employee development, leadership pipelines and capability building initiatives. - Maintain competitive compensation and benefits structure. - Develop structured training and career growth programmes. Cultivate an inclusive and supportive organisational culture.
Capacity Expansion and Project Execution Risk	- Adopt structured project management and governance processes for new facilities and capacity additions. - Monitor project milestones closely to ensure timely execution, cost discipline and operational readiness.
Product Quality and Safety	- Maintain stringent quality management systems, testing protocols and certification standards. - Conduct periodic audits and continuously strengthen quality assurance process across manufacturing facilities.
Intellectual Property Protection	- Undertake comprehensive due diligence prior to product development. - Implement stringent intellectual property safeguards and regular monitoring. - Ensure all rights, licenses, and agreements are meticulously in order.
Cybersecurity and Data Privacy	- Establish and maintain advanced cybersecurity infrastructure, monitoring systems and incident response capabilities. - Conduct regular security audits, employee awareness programmes and data protection reviews. - Deliver regular employee training on data protection and privacy protocols.
Regulatory and Compliance Risk	- Maintain robust compliance frameworks and governance mechanisms. - Continuously monitor regulatory developments and implement timely corrective actions to ensure adherence to applicable laws, standards and industry requirements.

CORPORATE SOCIAL RESPONSIBILITY

Committed to Creating Lasting Impact

At Astral, we believe that meaningful progress extends beyond business performance to creating a positive and enduring impact on society. Through the Astral Foundation, we continue to invest in initiatives that strengthen communities, improve access to education and healthcare, conserve natural ecosystems and protect wildlife.

Guided by the principles of inclusivity, sustainability and responsible citizenship, our CSR programmes are designed to create long-term value while addressing the evolving needs of the communities we serve.

CSR Highlights

₹ 11 Crore +
Invested in CSR Initiatives

1,30,000+
Lives Positively Impacted

4,000+
Saplings Planted in High-altitude Regions

5,000+
Trees Planted on International Day

Focus Areas

-  Education
-  Wildlife Conservation
-  Health
-  Community Welfare
-  Environment

EDUCATION

Empowering Young Minds through Inclusive Learning

Astral Foundation believes that education is a powerful catalyst for long-term social progress. The foundations efforts encompass initiatives that enhance educational infrastructure, improve access to digital learning and promote inclusive education through which children and young adults can realise their full potential.

SHIKSHA SARTHI PROJECT

Astral Foundation, in collaboration with the office of District Education Officers, Ahmedabad City, govt of Gujarat, has initiated the Sarathi Project in 300 schools across Ahmedabad city. This initiative focuses on training male and female teachers as counsellors, helping them identify and address key mental health and safety concerns among students.

With the support of Namaste Life Healthcare Foundation, students are educated on health, safety, nutrition , awareness on drug and alcohol, gils safety and wellness. The introduction of the Samvedana Box offers students a confidential way to seek help and support, fostering a safer and healthier environment for their development.

EMPOWERING TRIBAL CHILDREN IN KANHA

In partnership with the Earth Focus Foundation, Astral Foundation supports educational opportunities for tribal children in the Kanha region of Madhya Pradesh. Through Anand Ghars, English language and library programmes, the initiative strengthens foundational literacy and numeracy while providing safe, engaging spaces where children can learn through local culture, science and creative activities.

3,000+ Children
Reached through community-based education initiatives

SARATHI PROJECT (EDUCATION)

Astral Foundation, in collaboration with the Ahmedabad District Education Department and Namaste Life Healthcare Foundation, launched the Sarathi Project across government schools to strengthen student well-being. By training teachers as counsellors, delivering health and wellness education, and introducing the confidential Samvedana Box, the initiative promotes a safer, more supportive school environment for children.

200 Schools
Covered across Ahmedabad district

WILDLIFE CONSERVATION

Protecting India's Biodiversity

Astral Foundation is committed to conserving biodiversity ecosystems through collaborative initiatives that support wildlife protection, habitat conservation and sustainable resource management. Working alongside conservation organisations and Forest Departments, the Foundation contributes to projects that protect endangered species, improve forest infrastructure and promote harmonious coexistence between wildlife and local communities.

CONSERVATION ACTIONS FOR THE ENDANGERED CARACAL

Astral Foundation, in partnership with the Global Tiger Forum and the Madhya Pradesh Forest Department, supports scientific conservation of the endangered caracal across the Gandhi Sagar landscape. Through camera-trap monitoring, ecological surveys and biodiversity documentation, the initiative contributes to evidence-based habitat conservation for one of India's rarest wild cats.

GHARIYAL ECOLOGY PROJECT

Astral Foundation supports the Ghariyal Ecology Project in partnership with the Madras Crocodile Bank Trust and State Forest Departments to conserve the critically endangered gharial. The initiative combines ecological monitoring, habitat assessment and field research with investments in conservation infrastructure, enabling scientists and frontline teams to strengthen long-term protection of river ecosystems.

25+
Radio-tagged gharials monitored across 400+ km of river habitat

LEOPARD ECOLOGICAL PROJECT

Through continued support for the Ecology of Sugarcane Leopard project in South Gujarat, Astral Foundation contributes to scientific research on leopard behaviour in agricultural landscapes. The initiative generates critical ecological insights that help reduce human-wildlife conflict while promoting long-term coexistence between local communities and wildlife.

CORPORATE SOCIAL RESPONSIBILITY (CONTD.)

SNAKE & MONITOR LIZARD CONSERVATION

Astral Foundation's Snake & Monitor Lizard Conservation initiative promotes scientific awareness and capacity building to reduce human–reptile conflict. Implemented with the Eco Rescuers Foundation and the Rajasthan Forest Department, the programme trains forest personnel, rescuers and local communities in species identification, safe rescue practices and snakebite first aid, fostering safer coexistence between people and reptiles.

BUDGERIGHAR ENCLOSURE AT SUNDARVAN

Astral Foundation developed the Budgerighar Enclosure at Sundarvan to strengthen urban biodiversity conservation and environmental education. The project established a modern aviary with climate-responsive infrastructure, nesting facilities and naturalistic landscaping, creating an engaging space for bird conservation and public awareness.

DUDHWA CAPACITY BUILDING

In collaboration with the Dudhwa Tiger Conservation Foundation and the Uttar Pradesh Forest Department, this initiative strengthens the capabilities of frontline forest personnel through sustainable infrastructure, renewable energy solutions and community engagement, supporting long-term wildlife conservation across the Dudhwa Tiger Reserve.

HEALTH

Advancing Accessible Healthcare

Astral Foundation is committed to improving access to preventive and primary healthcare for underserved communities through targeted interventions that address critical healthcare needs across all age groups. Working in partnership with healthcare institutions and government agencies, the Foundation continues to strengthen healthcare accessibility, promote early diagnosis and improve health outcomes in rural and economically disadvantaged communities.

AROGYAM PROJECT

Project Aarogyam is a preventive healthcare, water, and sanitation initiative. A central feature of this project is the deployment of Mobile Medical Van that travel to remote rural villages and industrial GIDC zones where rural community needs.

These mobile units provide essential primary healthcare, complete vaccination drives, and antenatal care (ANC) check-ups for pregnant mothers. Additionally, Project Aarogyam organizing specialized health camps like oral health screenings and dental treatment

COMMUNITY WELFARE
Empowering Communities

Astral Foundation is committed to improving the quality of life of vulnerable and underserved communities through initiatives that promote dignity, safety, inclusion and self-reliance. It addresses local needs through targeted interventions that improve community infrastructure while fostering sustainable social development.

PROJECT KAUSHALYA

Project Kaushalya promotes economic independence by providing vocational training and skill development opportunities for underprivileged youth and women. Through programmes designed to enhance employability and self-reliance, the initiative supports sustainable livelihood creation across rural and semi-urban communities.

PROJECT DISHA

Project Disha supports differently abled individuals through specialised therapy, vocational training and counselling services. Implemented in collaboration with the District Social Defence Office, Ahmedabad, the initiative strengthens healthcare access while promoting inclusion, dignity and greater independence for persons with special needs.

SANJIVANI PROJECT

On the occasion of World Disability Day, Astral Foundation, in partnership with the Blind People's Association, organised an assistive device distribution programme in Dholka under the Sanjivani Project. The initiative benefited 28 persons with disabilities from neighbouring villages by providing mobility aids and livelihood support, including wheelchairs, tricycles, crutches, vision kits, MR kits, sewing machines and shop cabins. By enhancing mobility, accessibility and opportunities for self-reliance, the project reflects Astral Foundation's commitment to fostering a more inclusive and empowering society.

SAVE GIRL SAVE TREE

Astral Foundation's 'Daughters of Piplantri' campaign has touched many hearts and inspired countless people across the nation. Continuing this noble mission, we decided last year to adopt a Keliya vasna village near Ahmedabad to support both the cause of saving the girl child and protecting our environment. committed to planting 111 trees for every girl child born there. we have planted 12,000 trees in the village under this initiative. With the support of the villagers, we have not only planted these trees but also have started to nurture them together. This initiative has brought about a positive impact by supporting the importance of saving girl children while also contributing to a greener environment.

ENVIRONMENTAL STEWARDSHIP

Astral Foundation is committed to conserving natural resources and promoting sustainable development through initiatives that protect ecosystems, restore green cover and encourage responsible environmental practices. From afforestation and biodiversity conservation to plastic waste recycling and climate resilience, the Foundation works with communities and institutions to create lasting environmental impact.

ASTRAL OXYGEN PARK

Astral Foundation, in collaboration with the Ahmedabad Municipal Corporation (AMC), has developed Astral Oxygen Park in Sola, Ahmedabad, to create an accessible urban green space that promotes environmental sustainability and community well-being. Developed using the Miyawaki method, the park features native tree species, children's play areas, walking tracks and butterfly-friendly habitats. Sustainable elements such as solar-powered lighting, rainwater harvesting, composting systems and benches made from recycled plastic further reinforce the Foundation's commitment to biodiversity conservation, resource efficiency and greener urban living.

FIRE PREVENTION AWARENESS

Conducted in partnership with the Panna Forest Department, this initiative strengthens community preparedness ahead of the forest fire season. Through awareness workshops and practical training, local communities learn about fire prevention, early detection and appropriate response measures, contributing to improved forest protection.

PROJECT PARYAVARAN

Project Paryavaran is Astral Foundation's flagship environmental initiative focused on afforestation, urban greening and sustainable resource management. Alongside large-scale tree plantation drives, the initiative develops Miyawaki-based Oxygen Parks and integrates water conservation, composting, solar energy and rainwater harvesting to create resilient green ecosystems.

2.43 lakh+ trees
Planted and nurtured

PLASTIC MUKT PARYAVARA

As part of our support for the "Plastic MukT Gandhinagar" initiative by Gandhinagar Municipal Corporation, Astral Foundation has provided public benches made from recycled waste plastic to various school, societies and Gandhinagar Vasahati Mandal.

This initiative involves awareness and collecting recyclable waste plastic from citizens, school children and provide return gifts (public benches, writing pads, pots, games, etc) made from recycled plastic for widespread use in the city.

The main goal of this project is to raise awareness about plastic pollution and promote plastic recycling, thereby reducing the efforts required for waste plastic management and mitigating plastic pollution. Till now 6205 beneficiary get benefits of recycled gift and more than 6-ton plastic waste collected for recycle

88+
Benches created from recycled plastic

MD&A

Management Discussion and Analysis

GLOBAL ECONOMY

The global economy grew at a stable 3.3% in 2025 amidst another year of complex geopolitical and trade environment. Advanced economies grew 1.8% with United States recording strong 2.8% growth driven by resilient domestic demand and continued investments in AI and digital technologies. The euro area expanded by 0.8%, reflecting weaker industrial activity and cautious consumer spending.

Emerging markets grew by 4.3% supported by domestic consumption, infrastructure investments, and favourable demographic trends. India continued to be the fastest growing large economy.

The World Economic Outlook projects the world economy to grow 3.1% in 2026. However, the outlook reflects heightened uncertainty arising from trade tensions, evolving tariff regimes, and geopolitical developments, including the escalation of conflict in the Middle East, that has renewed concerns around energy prices, shipping routes and global inflation.

(Source - IMF, WEO April 2026)

INDIAN ECONOMY

According to the National Statistical Institute, the Indian economy grew 7.7% in FY 26, higher than the 7.1% growth registered last fiscal. Growth remained broad based despite an increasingly uncertain global environment, supported by strong domestic demand, sustained public expenditure spending, improving private investment activity and recovery in rural consumption.

Economic activity was supported by robust performance across key sectors. Construction remained one of the strongest contributors to growth, supported by sustained infrastructure spending, housing activity and urban development projects. Manufacturing growth improved from 8.9% in FY 25 to 9.4% in FY 26, reflecting improved capacity utilisation, domestic demand and ongoing investment in production capabilities. Agriculture, forestry and fishery 4.6% while financial, real estate and professional services expanded 7.2%, underlining the continued strength of India's service economy.

High frequency indicators continued to reflect underlying resilience of the economy. Gross GST collections increased 8.3% to reach over ₹ 22.27 lakh crore.

The Reserve Bank of India predicts the Indian economy to grow by 6.6% for FY27. While global trade tensions, escalation of conflict in the middle East and likely El Nino impact on monsoon might create near term uncertainties, India's structural growth drivers, including rapid urbanisation rising household incomes, infrastructure development, manufacturing expansion and increasing formalisation of the economy are expected to support sustained long-term growth.

MD&A (CONTD.)

INDIAN PLASTIC PIPES INDUSTRY

The Indian plastic pipe industry has evolved from being a supplier of basic plumbing and irrigation products into a critical enabler of the country’s water, sanitation, housing and infrastructure ecosystem. Plastic piping systems today play an integral role across potable water distribution, sewage management, irrigation, industrial applications, drainage and fire protection networks.

The industry continues to benefit from increasing replacement of conventional materials such as galvanised iron, concrete and metal-based systems with advanced polymer solutions that offer superior durability, corrosion resistance, lower lifecycle costs and ease of installation. Simultaneously, rising quality standards, stricter BIS compliance requirements and increasing customer preference for branded products have accelerated the shift from unorganised to organized manufacturers.

According to industry estimates the Indian plastic pipe market size reached 3.08 Million Tons in 2025 and is projected to reach 5.62 Million Tons by 2034, exhibiting a CAGR of 6.59% during the forecast period 2026-2034. The industry's growth is increasingly being shaped by large scale investments in water infrastructure, urbanisation and housing development.

FY26 Performance and Trends

FY 26 was characterised by strong underlying demand across housing, infrastructure, and water management applications, despite significant volatility in raw material markets during the year.

Demand was supported by continued execution of government programmes focused on water access, sanitation, and housing. As of June 2026, over 15.8 crore rural households had been provided tap-water connections under the Jal Jeevan Mission, compared to approximately 3.2 crore households at the launch of the programme in 2019. The Union Budget FY26 further reinforced this momentum with an allocation of ₹67,000 crore towards the Jal Jeevan Mission and ₹70,000+ crore towards Pradhan Mantri Awas Yojana.

The operating environment witnessed two distinct phases during the year. For much of FY 26, industry participants operated in a low-price PVC environment following an extended period of global oversupply and weak feedstock pricing. However, during the latter part of the year, geopolitical tensions in the Middle East, supply chain disruptions and changes in the global trade flows led to sharp increase in PVC resin prices, triggering widespread channel restocking and improving realisations across the industry.

At the same time, organised manufacturers continued to gain market share as their stronger balance sheets, wider distribution reach and superior inventory management capabilities enabled them to navigate raw material volatility more effectively than smaller regional players.

Growth Drivers and Structural Tailwinds

The long-term structural outlook of the Indian plastic pipe industry continues to be supported by multiple structural growth drivers.

Water Infrastructure and Urbanisation

India’s growing focus on water security, wastewater management and urban infrastructure remains one of the largest demand catalyst for the industry. Government programmes such as the Jal Jeevan Mission, AMRUT 2.0, PM Awas Yojana, PM Krishi Sinchai Yojana continue to expand country’s water and sanitation infrastructure.

Scheme	FY27 Allocation	Scheme Details
Jal Jeevan Mission (JJM)	₹ 67,670 Crore	Rural water supply, distribution networks, plumbing demand
Pradhan Mantri Krishi Sinchai Yojana (PMKSY)	₹ 6,587 Crore	Irrigation pipes and agricultural water infrastructure
Ministry of Jal Shakti (Total)	₹94,808 Crore	Overall water infrastructure ecosystem
Central Capital Expenditure	₹12.2 Lakh Crore	Infrastructure-led demand across construction and utilities

The Indian housing market is witnessing gradual shift towards premium and mid-premium residential developments. This trend is driving higher adoption of value-added products such as CPVC plumbing systems, acoustic drainage solutions, fire protection piping systems and advanced water management technologies.

India continues to depend on imports for a significant portion of its PVC and CPVC resin requirements. However, substantial investments in domestic resin manufacturing and backward integration projects are underway across the industry. These investments are expected to improve supply security, reduce import dependence and support long-term margin stability and will reduce working capital requirement.

Outlook

The outlook for Indian plastic pipe industry remains favourable, supported by sustained investments in water infrastructure, housing and urban development. Industry volumes are expected to grow by 7.5%-8% with organised players likely to outperform on the back of stronger brands, wider distribution networks and certified product portfolios. The next phase of growth is expected to be driven by increasing penetration of specialised and value-added categories such as CPVC, HDPE, PEX, fire protection systems and advanced drainage solutions. India's focus on water infrastructure, urban development and housing quality continues to intensify, organised manufacturers with strong brands, broad product portfolios and integrated manufacturing capabilities are expected to be key beneficiaries of the sector's long-term growth trajectory.

INDIAN ADHESIVES AND SEALANTS INDUSTRY

The Indian adhesives and sealant industry serves as a facilitator across construction, consumer goods and industrial manufacturing landscapes. The industry covers applications such as woodworking, flexible packaging, footwear, tile grouts, epoxy systems, construction chemical products and specialised engineering bonding in automotive assembly and electronics.

According to the IMARC group, the domestic adhesive market stands at USD 2.55 bn in 2025 and is expected to reach USD 4.51 billion by 2034.

FY26 Performance

The industry delivered a healthy growth during FY 26, supported by strong demand from construction, infrastructure, packaging and manufacturing end markets. While volatility in crude oil linked raw materials and chemical intermediaries influenced input costs during the parts of the year, underlying demand remained strong across most segments.

MD&A (CONTD.)

Demand Drivers

Construction and infrastructure emerged as key growth drivers. Increased activity across housing, urban infrastructure, transportation networks and industrial projects supported demand for waterproofing solutions, tile adhesives, repair mortars, grouts and construction sealants. As construction quality continues to improve, the use of specialised construction chemicals is becoming increasingly mainstream across residential and commercial projects.

Packaging is expected to benefit from continued expansion of organised retail, e-commerce, quick commerce and flexible packaging. Demand for hot melt adhesives, pressure sensitive adhesives and laminating solution remains robust.

India's strong momentum in manufacturing including automotive, appliances, electronics and engineered products is creating incremental demand for industrial adhesives and specialised bonding solutions.

The industry is gradually moving to specialised and technology driven formulations including water based adhesives, polyurethane systems, hybrid sealants and low-VOC products are gaining prominence due to evolving environmental standards and customer preferences. These categories typically offer higher performance characteristics and improved profitability relative to conventional products.

Outlook

Indian adhesives and sealants market is expected to register volume growth of ~8-10% in FY27, driven by construction activity, renovation demand, and growing rural consumption. The next phase of industry growth is expected to be led by waterproofing systems, tile-fixing solutions, repair and rehabilitation products, industrial bonding technologies and sustainable formulations. Organised players with strong brands, technical capabilities, diversified product portfolios and extensive distribution networks are expected to be key beneficiaries of these trends. The UK adhesives market is expected to remain under macroeconomic pressure, though early signs of stabilisation and now it is visible also however export opportunities across the Middle East, Africa, and Europe remain strong.

INDIAN PAINTS INDUSTRY

The Indian paints industry remains one of the fastest-growing segments within the country's building materials and specialty chemicals landscape. The industry has steadily evolved beyond traditional decorative paints to include waterproofing solutions, protective coatings, and specialised surface technologies, supported by urbanisation, infrastructure development, and rising demand for premium products.

According to IBEF, the Indian paints and coatings industry was valued at approximately ₹93,000 crore in 2025 and is projected to reach ₹1.46 lakh crore by 2030. Decorative paints account for nearly three-fourths of industry demand, while industrial coatings cater to sectors such as automotive, infrastructure, engineering, and manufacturing.

FY26 Performance

FY26 witnessed a gradual improvement in demand conditions, especially in the latter half of the year, following a relatively subdued first half. The operating environment remained highly competitive as both established players and new entrants intensified investments in channel expansion, dealer incentives and brand-building initiatives. While industry pricing power remained constrained despite stable demand and favourable input costs, Astral continued to outperform the broader industry through its strong brand equity, extensive distribution network, product innovation and execution capabilities. The Company delivered healthy growth, strengthened its market position and continued to gain market share across key categories despite the challenging competitive landscape.

Market conditions improved in the second half of the year, supported by housing completions, festive demand, and stronger rural consumption, driving volume growth in decorative paints, particularly across Tier II and Tier III markets. Continued premiumisation and expansion of organised distribution also supported demand recovery. However, lower realisations and downtrading within product categories weighed on revenue growth, with the decorative segment experiencing limited pricing power throughout the year.

Industrial coatings remained relatively resilient, supported by healthy demand from the automotive, infrastructure, engineering, and capital goods sectors. Sustained activity across manufacturing and public infrastructure projects enabled mid-single-digit growth in segments such as protective and powder coatings, despite the challenging pricing environment.

Growth Drivers

India's construction sector grew by 8.4% in FY 26. The expanding housing stock remains one of the prime growth drivers for the paints industry. The infrastructure build up also generates demand for protective coatings, waterproofing systems and specialised industrial applications.

Consumer preferences for premium and differentiated products are expected to increase demand for emulsions, textured finishes, waterproof coatings and specialised surface solutions, growing market for higher value product categories.

As building standards evolve and awareness of preventive maintenance increases, demand for waterproofing systems and surface protection products is growing faster than traditional paint categories, expanding the industry's addressable market.

Outlook

While competitive intensity remains elevated, the sector's structural growth drivers remain firmly intact. The next phase of industry growth is likely to be characterised by deeper penetration into tier II and tier III cities, greater adoption of specialised and sustainable products and increasing convergence between decorative coatings, waterproofing solutions and construction chemicals.

INDIAN SANITARYWARE AND BATHWARE INDUSTRY

The Indian sanitaryware and bathware industry has significantly evolved over the last decade, moving beyond basic utility products towards premium, design-led and water efficient solutions. Rising urbanisation, increasing homeownership, growing disposable incomes and changing consumer aspirations continue to support long-term demand.

Market size: The India bath fittings market size is expected to increase from USD 11.49 billion in 2025 to USD 12.36 billion in 2026 and reach USD 17.97 billion by 2031, growing at a CAGR of 7.8% over 2026-2031.

FY26 Performance

FY26 marked a year of recovery for the industry after witnessing subdued demand for FY 25. While retail demand remained relatively cautious during the first half of the year, demand from residential developments, commercial real estate and hospitality projects provided support to the industry volumes. Market conditions improved considerably during the second half as housing completions accelerated and demand from premium and mid premium residential projects emerged.

MD&A (CONTD.)

Government initiatives aimed at improving urban housing infrastructure, including the continued implementation of PMAY-U 2.0, supported the broader housing ecosystem and helped sustain demand across sanitaryware and bath fittings categories.

Growth Drivers

Along with rising urbanisation and subsequent increase in housing and premiumisation of lifestyle, water efficiency and sustainability awareness is another growth factor. This is leading to trends like adoption of water efficient products such as dual flush systems, low flow faucets, aerators and sensor-based fittings. Green building standards and sustainability initiatives are expected to further support demand for resource efficient bathroom solutions in the years ahead.

Investments in hotels, hospitals, educational institutions, airports and commercial developments continue to create significant demand for sanitaryware and bath fittings. Growing infrastructure investments and urban development projects are expected to provide additional opportunities for organised industry participants.

Outlook

The outlook for the Indian sanitaryware and bath industry remains favourable. The industry is also expected to benefit from increasing replacement demand as consumers upgrade existing bathrooms with modern, aesthetically designed and technologically advanced products. As consumer preferences continue to evolve towards premium, design-led and sustainable solutions, organised players with strong brands, integrated product portfolios and extensive distribution networks are expected to be well positioned to capture future growth opportunities.

ABOUT THE COMPANY

Established in 1996, Astral Limited has evolved from a pioneering pipes and plumbing solutions company into one of India's leading building materials enterprises. Over nearly three decades, the company has consistently expanded its product portfolio, manufacturing footprint and distribution reach, building a diversified platform that serves the evolving needs of residential, commercial, industrial and infrastructure markets.

Today, Astral operates across nine high-growth business categories consisting of pipes and fittings, water tanks, bathware, specialised valves, infrastructure solutions, specialised fittings, adhesives and sealants, paints and construction chemicals. This diversified portfolio enables the company to offer comprehensive solutions across the building material value chain while reducing dependence on any one product category.

Astral operates 21 manufacturing units across India, the United Kingdom, and the United States, supported by a total production capacity of approximately 5,97,089 metric tonnes per annum. The company strengthened its production capabilities during the year through the commissioning of Kanpur facility and continued progress on its upcoming Khambhat manufacturing unit.

Astral's market reach is enabled by a robust distribution network comprising over 2.7 lakh dealers and more than 3,900 distributors, ensuring product availability across urban and rural markets alike. The company also maintains a growing presence in export markets, supplying to over 40 countries worldwide.

Innovation remains central to Astral's growth philosophy. Over the years, the company has consistently expanded into adjacent categories through product development, strategic acquisitions and portfolio diversification. Recent initiatives include the launch of new plumbing and industrial piping solutions, expansion of the bathware portfolio, strengthening of adhesive business through entry into modern trade and DIY solutions along with continued scale up of Astral Paints and construction chemicals.

Astral's strong brands, extensive distribution capabilities, manufacturing excellence and customer-centric approach have helped it build leadership positions across multiple categories. Supported by a workforce of more than 9,500 employees, the Company continues to focus on sustainable growth, operational excellence and long-term value creation for all stakeholders.

PERFORMANCE REVIEW

 Pipes and fittings segment The industry demand for this segment remained mixed amid continued polymer price volatility and a cautious constructive environment. Despite these challenges, Astral delivered healthy volume growth of 11.5% supported by product innovation, network expansion and capacity augmentation. The commissioning of facilities in Hyderabad and Kanpur improved regional servicing capabilities, while value added products across plumbing, drainage, fire protection and infrastructure applications continued to gain traction. Astral also expanded its export footprint, serving 40 countries and reporting strong growth in export volumes during the year. OUTLOOK Astral expects the demand to be supported by continued investments in housing, water infrastructure and urban development. The company expects polymer prices to remain elevated after a year of sharp volatility. The company's expanding manufacturing footprint, growing export presence and increasing contribution from premium products such as OPVC, PEX, FirePro and specialised drainage system position it well to capture emerging opportunities across both domestic and international markets.	 Adhesives and sealants business The adhesives and sealants business registered another year of healthy growth of 12.6%, driven by deeper market penetration, portfolio expansion and continued investments in brand building. Astral enhanced its presence across construction chemicals, waterproofing and specialised adhesives, while advancing backward integration initiatives and expanding its reach through modern trade and digital channels. International operations also showed resilience, with UK business returning to profitability and US business delivering encouraging growth. Further, Astral has also started office in Dubai. This will also add growth trajectory in export market. OUTLOOK This business is expected to benefit from increasing demand for construction chemicals, waterproofing solutions and specialised industrial adhesives. Ongoing investment in capacity, product development and distribution expansion are expected to strengthen market reach and operational efficiencies. Astral also sees significant long term potential from backward integration initiatives and growing participation in export markets.
 Paints Business Astral expanded its distribution footprint across western India while consolidating its presence in the southern markets. The company invested in channel development, branding and product positioning and delivered healthy growth of 23.0% and creating a stronger platform for future growth and improved operation performance. OUTLOOK With the initial phase of market development largely established, the company's focus is now on accelerating distribution expansion, improving product mix and enhancing operational efficiencies. Astral remains focused on building a scalable paints platform through disciplined market expansion, improving product mix and continued investments in brand visibility and dealer engagement.	 Bathware Business The bathware business maintained strong momentum, supported by growing brand acceptance, an expanding distribution network and increasing participation in residential and commercial projects. The company broadened its premium product portfolio and strengthened its product pipeline, while leveraging Astral's established ecosystem to deepen market penetration. The segment continued to demonstrate encouraging growth of 27.3% and remains an important component of Astral's long-term building materials strategy. OUTLOOK The Company expects the bathware business to benefit from rising premiumisation, increasing adoption of branded products and growing demand for integrated bathroom solutions. Continued investments in product innovation, dealer development and project engagement are expected to support scale-up and improve profitability over the medium term.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Astral has established a comprehensive internal control framework designed to ensure the orderly conduct of its business, safeguard its assets, and maintain the integrity of its financial reporting. These controls extend across all functions of the Company and are structured to promote operational efficiency, ensure reliable accounting and financial information, and support compliance with applicable legal and regulatory requirements.

The internal control environment is continually reviewed and enhanced to reflect evolving business requirements and industry standards. Internal audit processes are conducted independently and regularly, with oversight from the Internal Auditor, and findings are reviewed by the Audit Committee of the Board. The Committee monitors the implementation of recommendations and ensures that corrective actions are taken in a timely manner.

Independent statutory auditors have, as part of their audit procedures, confirmed the adequacy of internal financial controls over reporting. This structured and evolving system of internal controls reflects Astral's continued commitment to transparency, good governance, and the long-term confidence of all stakeholders.

HUMAN RESOURCES

Astral recognises that its people are central to its success and continues to invest in building a strong, capable, and engaged workforce. The Company's human resource strategy is focused on creating a work environment that encourages performance, growth, and professional development across all levels of the organisation.

As on March 31, 2026 Astral's workforce stood at over 9500 employees, including contract personnel, deployed across multiple locations and business verticals. This diverse and dedicated team continues to be a key driver of operational performance and innovation across the Company's businesses.

Astral places strong emphasis on employee learning and development, leadership building, and workforce well-being. Structured training programmes, skill enhancement initiatives, and performance-linked development pathways are integral to the HR approach. The Company also maintains robust HR policies that align with its core values and are designed to promote fairness, inclusivity, and professional growth. Going forward, Astral remains committed to strengthening its talent base and fostering a culture of accountability, collaboration, and continuous learning—recognising that sustained organisational success is built on the strength and commitment of its people.

CAUTIONARY STATEMENT

This Management Discussion and Analysis contains forward-looking statements that reflect the Company's current expectations regarding future events, business performance, and financial results. These statements are based on certain assumptions and are subject to a range of known and unknown risks and uncertainties.

Words such as “will”, “should”, “aim”, “believe”, “anticipate”, “intend”, “estimate” and other similar expressions are intended to identify such forward-looking statements. Actual results may differ materially from those expressed or implied due to a variety of factors including changes in market conditions, regulatory developments, economic conditions, and business performance.

The Company undertakes no obligation to update any forward-looking statements, whether as a result of new information, future events, or otherwise. Readers are advised not to place undue reliance on these statements and to refer to the Company's audited financial statements and disclosures for a more comprehensive understanding of the risks and opportunities that may affect performance.

2. DIVIDEND

During the year under review, the Board of Directors declared and paid Interim Dividend of ₹ 1.50/- (150%) per equity share. Further your directors have recommended a Final Dividend of ₹ 2.50/- (250%) per equity share for the financial year ended March 31, 2026 subject to approval of shareholders in the ensuing Annual General Meeting. With the above, the total dividend for the year under review would be ₹ 4.00/- (400%) per equity share. Interim Dividend Paid for the FY 2025-2026 along with the Final Dividend, if approved in the ensuing Annual General Meeting shall be about ₹ 1,074 million.

The dividend recommended is in accordance with the Company's policy on dividend distribution. The said policy is available on the website of the Company as can be accessed at https://www.astraltd.com/wp-content/uploads/2023/01/1668401922_policy_on_dividend_distribution.pdf.

3. TRANSFER TO RESERVES

No amount is proposed to be transferred to the reserves during the year under review.

4. CONSOLIDATED FINANCIAL AND OPERATIONAL PERFORMANCE

- Consolidated Revenue from Operations has increased by 12.62% from ₹ 58,324 million to ₹ 65,686 million.
- Consolidated EBITDA has increased by 12.36% from ₹ 9,872 million to ₹ 11,092 million.
- Consolidated Profit Before Tax (before exceptional items) has increased by 7.22% from ₹ 7,025 million to ₹ 7,532 million.
- Consolidated Profit After Tax has increased by 3.04% from ₹ 5,189 million to ₹ 5,347 million.

5. OPERATIONAL PERFORMANCE AND CAPITAL EXPENDITURE

- During the year under review, your Company has increased its installed capacity of plumbing business by 9.34% from 3,81,957 MT to 4,17,645 MT and Sales Volume has increased from 2,27,090 MT to 2,63,026 MT.
- During the year under review, your Company has incurred capital expenditure to the tune of ₹ 3,284 million towards plant & machineries, factory building and other capital expenditure.

6. ACQUISITIONS AND INCREASE IN SHAREHOLDING IN SUBSIDIARIES

During the financial year ended March 31, 2026, the Company undertook strategic acquisitions and increased its ownership in certain subsidiaries with a view to strengthening its business portfolio, enhancing operational efficiencies, and creating long-term value for stakeholders.

The Board of Directors of the company on April 17, 2025, approved the acquisition of 100% equity shares of Al-Aziz

Plastics Private Limited, which is expected to strengthen the Company's presence in the plastic pipes and fittings segment through product portfolio diversification and additional manufacturing capacities. Further, on August 11, 2025, the Board of Directors of the Company approved the acquisition of 80% equity shares of Nexelon Chem Private Limited. This acquisition marks a strategic backward integration initiative, enabling the Company to manufacture CPVC resin, a key raw material used in its operations, thereby supporting cost optimization, supply chain efficiency, and margin enhancement.

During the year under review, the Board of Directors, at its meetings held on September 4, 2025 and September 10, 2025, approved the acquisition of the remaining 5% equity stake in Seal It Services Limited, UK and 20% equity stake in Astral Chemie Limited (formerly known as Astral Coatings Private Limited), respectively. Pursuant to these acquisitions, both entities became wholly owned subsidiaries of the Company.

These acquisitions and investments are aligned with the Company's long-term growth strategy and are expected to enhance business synergies, strengthen market positioning, improve operational integration, and contribute to sustainable value creation for all stakeholders.

7. SUBSIDIARY/JOINT VENTURE COMPANIES

As at March 31, 2026, your Company has 5 (Five) direct subsidiaries namely Seal It Services Limited (UK), Astral Foundation, Astral Chemie Limited (formerly known as Astral Coatings Private Limited), Al-Aziz Plastics Private Limited and Nexelon Chem Private Limited and 2 (Two) step down subsidiaries namely Seal It Services Inc. (USA) and SISL (Bond It) Ireland Limited (Ireland) and 1 (One) joint venture company namely Astral Pipes Limited (Kenya).

The Company does not have any change in Associate or Joint Venture at the end of the year.

The highlights of performance of subsidiaries of your Company have been discussed and disclosed under the Management Discussion and Analysis section of the Annual Report. The statement containing salient features of the financial statement of each subsidiary/joint venture company including contribution of each subsidiary/joint venture company to the overall performance of the company and in terms of the revenue and profit in the prescribed format Form AOC-1 as per Companies (Accounts) Rules, 2014 is attached to the financial statements of the Company.

In accordance with Section 136 of the Companies Act, 2013, the audited financial statements, including consolidated financial statements and audited accounts of each of the subsidiary are available on <https://www.astraltd.com/wp-content/uploads/2026/07/Subsidiary-Financial-Statements-FY-25-26.pdf>. These documents will also be available for inspection during working hours at the registered office of your Company at Ahmedabad, Gujarat. Any member interested in obtaining such document may write to the Company Secretary and the same shall be furnished on request.

The Company has formulated policy for determining "Material Subsidiaries". The said policy can be accessed at <https://www.astraltd.com/wp-content/uploads/2022/12/Material-Subsidiary-Policy.pdf>.

8. CHANGES IN SHARE CAPITAL

Authorised Capital

The Authorised Capital of the Company is ₹ 50,00,00,000 divided into 50,00,00,000 Equity Shares of ₹ 1 each.

Issued, Subscribed and Paid-up Capital

During the year under review, the issued, subscribed and paid-up equity share capital of the Company increased from ₹ 26,86,34,727/- comprising of 26,86,34,727 equity shares of ₹ 1 each to ₹ 26,86,50,163/- comprising of 26,86,50,163 equity shares of ₹ 1 each due to allotment of 15,436 equity shares of ₹ 1 each upon exercise of stock options vested under Astral Employee Stock Option Scheme 2015.

Except as mentioned above, the Company had neither issued any other shares or instruments convertible into equity shares of the Company or with differential voting rights nor has it granted any sweat equity.

9. CONSOLIDATED FINANCIAL STATEMENTS

The Consolidated Financial Statements of your Company prepared in accordance with the provisions of the Companies Act, 2013, Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015 ("SEBI Listing Regulations") and applicable Accounting Standards issued by the Institute of Chartered Accountants of India form part of this Annual Report.

10. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Management Discussion and Analysis Report prepared pursuant to part B of Schedule V read with Regulation 34(3) of SEBI Listing Regulations forms part of this Annual Report.

11. CORPORATE GOVERNANCE

Corporate Governance Report prepared pursuant to Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 forms part of this Annual Report.

A Separate report on Corporate Governance along with Certificate from Mrs. Monica Kanuga (FCS: 3868, CP Number: 2125) Practicing Company Secretary, on Compliance with conditions of Corporate Governance as per Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 is provided as a part of this Annual report.

12. SECRETARIAL STANDARDS

During the year under review, The Company has complied with all applicable Secretarial Standards issued by the Institute of Company Secretaries of India and approved by the Central Government.

13. VIGIL MECHANISM

Your Company promotes ethical behavior in all its business activities and has put in place a mechanism for reporting illegal or unethical behavior. The Company has a Vigil mechanism and Whistle blower policy under which the employees are free to report violations of applicable laws and regulations and the Code of Conduct. Employees may also report to the Chairman of the Audit Committee. During the year under review, no employee was denied access to the Audit Committee. Whistle blower policy of the Company has been uploaded on the website of the Company and can be accessed at <https://www.astraltd.com/wp-content/uploads/2022/12/Vigil-Mechanism-Whistle-Blower-Policy-March-2026.pdf>

14. CODE OF PRACTICES AND PROCEDURES FOR FAIR DISCLOSURE OF UNPUBLISHED PRICE SENSITIVE INFORMATION

Pursuant the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, the Company has adopted (1) "Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information" ("Fair Disclosure Code") incorporating a policy for determination of "Legitimate Purposes" as per Regulation 8 and Schedule A to the said regulations and (2) "Code of Conduct to Regulate, Monitor and Report Trading by Designated Persons" as per Regulation 9 and Schedule B to the said regulations.

15. BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORTING

Business Responsibility and Sustainability Report prepared pursuant to Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 forms part of the Annual Report.

16. INSURANCE

Your Company's manufacturing facilities, properties, equipment and stocks are adequately insured against all major risks. The Company has also taken Directors' and Officers' Liability Insurance Policy to provide coverage against the liabilities arising on them.

17. PUBLIC DEPOSITS

Your Company has not accepted any Public Deposits as defined under Section 73 of the Companies Act, 2013 and rules framed there under.

18. STATE OF COMPANY AFFAIRS

During the financial year 2025-26, Astral Limited continued to strengthen its position as one of India's leading manufacturers of building materials and plumbing solutions. The Company maintained its leadership in the CPVC and PVC piping systems segment while further expanding its presence across adhesives, sealants, paints, water storage solutions, faucets, sanitaryware and allied building material products. The Company's extensive distribution network, strong brand equity, continuous focus on innovation and customer-centric approach enabled it to strengthen its market presence across domestic and international markets.

The Company remains focused on innovation-led growth and continues to invest in research and development to deliver technologically advanced, high-quality and sustainable products. Its dedicated R&D initiatives support new product development, process improvements, quality enhancement, import substitution and cost optimization across business segments. The Company's emphasis on innovation enables it to address evolving customer requirements, strengthen its competitive advantage and create differentiated offerings across its product portfolio.

With a diversified product portfolio, strong distribution reach, continuous investments in capacity expansion, research and development, innovation and strategic acquisitions, the Company remains well positioned to capitalize on opportunities arising from growth in the housing, infrastructure and construction sectors. Astral continues to focus on sustainable growth, operational excellence and long-term value creation for all its stakeholders.

19. MATERIAL CHANGES AND COMMITMENT AFFECTING FINANCIAL POSITION OF THE COMPANY

There have been no material changes or commitments that have affected the financial position of the Company between March 31, 2026 and the date of this Report.

20. PARTICULARS OF LOANS, GUARANTEES OR INVESTMENT

Details of Loans, Guarantees and Investments covered under the provisions of Section 186 of the Companies Act, 2013 are given in the notes to the Financial Statements.

21. CORPORATE SOCIAL RESPONSIBILITY

In accordance with the provisions of Section 135 of the Companies Act, 2013 and the rules made thereunder, your Company has constituted Corporate Social Responsibility Committee of Directors. The role of the Committee is to formulate annual action plan in pursuance of CSR policy and review CSR activities of the Company periodically and recommend to the Board amount of expenditure to be spent on CSR annually. CSR policy of the Company, inter alia, provides for CSR vision of the Company including proposed CSR activities and its implementation, monitoring and reporting framework.

Projects approved by the board are disclosed on the website of the company <https://www.astraltd.com/wp-content/uploads/2022/12/CSR-Policy.pdf>

During the year under review, your Company has spent ₹ 137.88 million i.e., 2% of average net profit of last three financial years on CSR activities as per applicable statutory provisions.

Annual Report on CSR activities carried out by the Company during FY 2025-26 is enclosed as **Annexure – A** to this report.

22. DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to the requirements under Section 134(3)(c) of the Companies Act, 2013, with respect to Directors' Responsibility Statement, your Directors hereby confirm the following:

- In the preparation of the annual accounts for the financial year ended March 31, 2026, the applicable accounting standards have been followed;
- The directors have selected such accounting policies and applied consistently and made judgements and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit and loss of the Company for that period;
- The directors have taken proper and sufficient care towards the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- The directors have prepared the annual accounts on a going concern basis;
- The directors have laid down internal financial controls, which are adequate and operating effectively;
- The directors have devised proper systems to ensure compliance with the provisions of all applicable laws and such systems are adequate and operating effectively.

23. AUDITORS

Statutory Auditor

SRBC & CO. LLP, Chartered Accountants, (Firm Registration number 324982E/E-300003) were appointed for the second term as Statutory Auditors of the Company at the AGM held on August 29, 2022, to hold office from the conclusion of 26th AGM till the conclusion of the 31st AGM to be held in the year 2027.

The notes on financial statement referred to in the Auditors' Report are self-explanatory and do not call for any further comments. The Auditors' Report does not contain any qualification, reservation, adverse remark or disclaimer.

Cost Auditors

Pursuant to Section 148 of the Companies Act, 2013 read with the Companies (Cost Records and Audit) Rules, 2014, (including any statutory modifications and re-enactments thereof), your Company has maintained cost records as specified by the Central Government under subsection (1) of section 148 of the Act. Your directors have, on the

recommendation of the Audit Committee, appointed M/s. V. H. Savaliya & Associates, Cost Accountants to audit the cost accounts of your Company for the financial year 2026-27. As required under the Companies Act, 2013, the remuneration payable to the cost auditor is required to be placed before the members in a general meeting for their ratification. Accordingly, a resolution seeking members' ratification for the remuneration payable to M/s V. H. Savaliya & Associates is included in the Notice convening the ensuing Annual General Meeting.

The Cost accounts and records as required to be maintained under Section 148(1) of the Act are duly made and maintained by the Company.

Secretarial Audit

Pursuant to the provisions of Regulation 24A of the SEBI Listing Regulations and Section 204 of the Act, read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, based on the recommendation of the Audit Committee and the Board of Directors, Members of the Company at the Annual General Meeting held on August 25, 2025, approved the appointment of Mrs. Monica Kanuga, Company Secretary in Practice (FCS No. 3868, Certificate of Practice No. 2125), as the Secretarial Auditor of the Company for a term of five (5) consecutive years, commencing from April 1, 2025 until March 31, 2030.

Secretarial Audit Report for FY 2025-26 is enclosed as **Annexure – B1** to this report.

Pursuant to the provisions of the Companies Act, 2013, Astral Chemie Limited (Formerly Known as Astral Coatings Private Limited), a subsidiary of the Company, has undertaken Secretarial Audit for the financial year ended March 31, 2026. While Astral Chemie Limited (Formerly Known as Astral Coatings Private Limited) is not a material subsidiary of the Company within the meaning of the SEBI Listing Regulations, as amended, the Board has voluntarily included the Secretarial Audit Report of the subsidiary in this Annual Report as a measure of enhanced transparency and in furtherance of the Company's commitment to high standards of corporate governance and compliance across its group entities. The Secretarial Audit Report of Astral Chemie Limited (Formerly known as Astral Coatings Private Limited) forms part of this Report as **Annexure – B2**.

The Secretarial Audit Report of your Company and Astral Chemie Limited (Formerly known as Astral Coatings Private Limited) does not contain any qualification, reservation or adverse remark.

24. RISK MANAGEMENT AND INTERNAL FINANCIAL CONTROL

The Risk Management Policy of your Company provides for the proactive identification and prioritization of risks based on the scanning of the external environment and continuous monitoring of internal risk factors. Your Company has an Internal Financial Control System commensurate with the size, scale and complexity of its operations. Your Company has adopted proper system of Internal Control and Risk Management to ensure that all assets are safeguarded and protected against loss from unauthorized use or disposition and that the transactions are authorized, recorded and reported quickly.

25. SIGNIFICANT AND MATERIAL ORDERS

There are no significant and material orders passed by any regulator or court or tribunal impacting the going concern status and your Company's operations in future.

26. BOARD PERFORMANCE EVALUATION

The Board carried out an annual performance evaluation of its own performance and that of its committees and independent directors as per the formal mechanism for such evaluation adopted by the Board. The performance evaluation of the Chairman, the Non-Independent Directors and the Board as a whole was carried out by the Independent Directors in a Separate Meeting held on February 5, 2026. The exercise of performance evaluation was carried out through a structured evaluation process covering various criteria as recommended by the Nomination and Remuneration Committee. Based on the evaluation, the Board and its Committees were found to be effective, proactive and contributing positively towards achievement of the Company's objectives.

27. RELATED PARTY TRANSACTIONS

Pursuant to the provisions of Section 188 of Companies Act, 2013. All the related party transactions entered into during the financial year under review were in ordinary course of business and on an arm's length basis. There were no materially significant transactions with related parties during the financial year which were in conflict with the interest of the Company. Accordingly, information in form AOC-2 is not annexed.

All Related Party Transactions are placed before the Audit Committee and the Board for approval. Prior omnibus approval of the Audit Committee is obtained for the transactions which are of a foreseen and repetitive nature. The transactions entered into pursuant to the omnibus approval so granted are placed before the Audit Committee and the Board of Directors for their review and approval on a quarterly basis.

The policy on Related Party Transactions as approved by the Board is uploaded on the Company's website and the same can be accessed at <https://www.astraltd.com/wp-content/uploads/2022/12/Related-Party-Transactions-Policy.pdf> The details of the transactions with Related Party are provided in the accompanying financial statements.

28. BOARD MEETINGS

The Board of Directors met 8 (Eight) times during the year under review. The details of Board Meetings and the attendance of the Directors are provided in the Corporate Governance Report.

29. BOARD OF DIRECTORS

Appointment, Re-Appointment and Resignation of Directors during FY 2025-26

During the year under review, pursuant to the recommendation of the Nomination and Remuneration Committee and in compliance with the applicable provisions of the Companies Act, 2013 and the SEBI Listing Regulations, the Board of Directors, at its meeting held on May 21, 2025, approved the re-appointment of

Mr. Girish Joshi as Whole-time Director for a further term of four years with effect from April 1, 2026. The Board also approved the appointment of Mr. Rajendra Mariwala and Mrs. Tanvi Rangwala as Independent Directors for a term of five consecutive years with effect from July 15, 2025. The Members of the Company approved the aforesaid re-appointment and appointments at the last Annual General Meeting. The Company has received the requisite declarations from the Independent Directors confirming their independence in terms of the Companies Act, 2013 and the SEBI Listing Regulations.

During the year under review, pursuant to Section 152 of the Companies Act, 2013 and the Articles of Association of the Company, Mr. Hiranand Savlani, is liable to retire by rotation at the ensuing Annual General Meeting and being eligible, offers himself for re-appointment.

Mrs. Kaushal Nakrani (DIN: 08405226), Independent Director of the Company, tendered her resignation from the Board and consequently ceased to be an Independent Director of the Company with effect from September 16, 2025. The Board places on record its sincere appreciation for the valuable guidance, support, and significant contributions made by Mrs. Nakrani during her association with the Company.

Independent Director Declaration

Your Company has received necessary declaration from each independent director under the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and Section 149(7) of the Companies Act, 2013 that they meet the criteria of independence laid down in Section 149(6) of the Companies Act, 2013. The Independent Directors of the Company have confirmed that they have enrolled themselves in the Independent Directors' Databank maintained with the Indian Institute of Corporate Affairs ('IICA') in terms of Section 150 of the Act read with Rule 6 of the Companies (Appointment & Qualification of Directors) Rules, 2014.

Declaration for non-disqualification

All the directors of the Company have confirmed that they are not disqualified from being appointed as directors in terms of Section 164 of the Companies Act, 2013.

30. CHANGES IN KEY MANAGERIAL PERSONNEL

During the year under review, there was no change in Key Managerial Personnel.

31. POLICY ON APPOINTMENT AND REMUNERATION OF DIRECTORS

The Board of Directors has, on the recommendation of the Nomination and Remuneration Committee, framed a policy for selection and appointment of Directors, Key Managerial Personnel and Senior Management and their remuneration. Salient features of Nomination and Remuneration Policy have been disclosed in Corporate Governance Report. The same is available on the website of the company at https://www.astraltd.com/wp-content/uploads/2023/01/1668401393_nomination_and_remuneration_policy.pdf

32. COMMITTEES OF BOARD

With the objective of strengthening governance standards and to comply with the applicable statutory provisions, the Board has constituted various committees. Details of such Committees constituted by the Board are given in the Corporate Governance Report, which forms part of this Annual Report.

33. REPORTING OF FRAUD

During the year under review, the Statutory Auditors, Cost Auditors and Secretarial Auditors have not reported any instances of frauds committed in the Company by its officers or employees, to the Audit Committee under Section 143(12) of the Act details of which needs to be mentioned in this Report.

34. DISCLOSURES AS PER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION, AND REDRESSAL) ACT, 2013

Your Company has zero tolerance towards sexual harassment at the workplace and has adopted a policy on prevention, prohibition and redressal of sexual harassment at workplace in line with the provisions of The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and the Rules thereunder. As required under law, an Internal Complaints Committee has been constituted for reporting and conducting inquiry into the complaints made by the victim on the harassments at the work place. During the year under review, there were no cases filed pursuant to The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

35. ANNUAL RETURN

Pursuant to Section 92(3) read with Section 134(3)(a) of the Act, the Annual Return as on March 31, 2026 is available on the Company's website at <https://www.astraltd.com/wp-content/uploads/2026/07/doc12043620260706112004.pdf>.

36. EMPLOYEES STOCK OPTION SCHEME

The Company has implemented Employee Stock Option Scheme ('ESOS') viz. Astral Employee Stock Option Scheme 2015 (Astral ESOS 2015) pursuant to the resolutions passed by the Company through postal ballot dated October 21, 2025. Subsequently, which was further amended vide shareholders resolution passed in 24th Annual General Meeting held on August 21, 2020. During the year under review, the Company has allotted 15,436 equity shares against the exercise of ESOPs granted and vested to the eligible employees under Astral ESOS 2015. The allotted shares have also been listed on BSE Limited (BSE) and National Stock Exchange of India Limited (NSE).

There is no material change in Astral ESOS 2015 during the year under review and the Scheme is in compliance with Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021. The certificate of Secretarial Auditor regarding implementation of Scheme shall be made available for inspection of members

in electronic mode at AGM. The disclosures as required under Regulation 14 of the said regulations is available on the Company's website at: <https://www.astraltd.com/wp-content/uploads/2022/12/ESOS-SEBI-Disclosure-2.pdf>.

37. PARTICULARS OF EMPLOYEES

The information containing details of employees as required under Section 197 of the Act read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 is provided in **Annexure - C** attached to this report.

The information required under Rules 5(2) and 5(3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, forms part of this Annual Report. Having regard to the provisions of Section 134 and Section 136 of the Companies Act, 2013, the Reports and Accounts are being sent to the Members excluding such information. However, the said information is available for inspection by the Members at the Registered Office of the company during business hours on working days of the Company up to the date of ensuing AGM. Any shareholder interested in obtaining a copy of such statement may write to the Company Secretary at the Registered Office of the Company or e-mail to co@astraltd.com.

38. MATERNITY BENEFIT ACT, 1961

The Company has complied with the provisions of the Maternity Benefit Act, 1961, including amendments and rules framed thereunder, to the extent applicable.

39. DISCLOSURE WITH RESPECT TO CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

The particulars under Section 134(3)(m) of the Companies Act, 2013 with respect to conservation of energy, technology absorption and foreign exchange earnings and outgo, pursuant to the Companies (Accounts) Rules, 2014 are provided in the **Annexure - D** to the Report.

40. OTHER DISCLOSURES

The Board of Directors state that no disclosure or reporting is required in respect of the following matters, as there were no transactions or applicability pertaining to these matters during the year under review:

- i) Issue of equity shares with differential rights as to dividend, voting or otherwise.
- ii) Scheme of provision of money for the purchase of its own shares by employees or by trustees for the benefit of employees.
- iii) Payment of remuneration or commission from any of its subsidiary companies to the Managing Director of the Company.
- iv) Change in the nature of business of the Company.
- v) Issue of debentures/bonds/warrants/any other convertible securities.
- vi) Details of any application filed for corporate insolvency under Corporate Insolvency Resolution Process under the Insolvency and Bankruptcy Code, 2016.
- vii) Instance of one-time settlement with any Bank or Financial Institution.
- viii) Statement of deviation or variation in connection with preferential issue.

41. ACKNOWLEDGMENT

Your Company has maintained healthy, cordial and harmonious industrial relations at all levels. The enthusiasm and unstinted efforts of the employees have enabled your Company to remain at the forefront of the industry. Your directors place on record their sincere appreciation for significant contributions made by the employees through their dedication, hard work and commitment towards the success and growth of your Company. Your directors take this opportunity to place on record their sense of gratitude to the Banks, Financial Institutions, Central and State Government Departments, their Local Authorities and other agencies working with the Company for their guidance and support.

FORM NO. MR - 3

Secretarial Audit Report

For the Financial Year Ended 31st March, 2026

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Astral Limited
"Astral House"
207/1, B/h. Rajpath Club,
Off S.G. Highway,
Ahmedabad - 380059.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Astral Limited (hereinafter called the "Company") (CIN: L25200GJ1996PLC029134). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has generally, during the audit period covering the financial year ended on 31st March, 2026, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other returns filed and other records maintained by the Company for the financial year ended on 31st March, 2026 according to the provisions of:

1. The Companies Act, 2013 (the Act) and the rules made thereunder;
2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
3. The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018 and the Regulations and Bye-laws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External commercial Borrowings;

5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):

- a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- d. The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2011;
- e. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

6. No specific laws are applicable to the industry in which the Company operates. The same has also been confirmed by the Management.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by the Institute of Company Secretaries of India.
- (ii) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has generally complied with the provisions of the Act, Rules Regulations, Guidelines, Standards, etc. mentioned above.

During the period under review, provisions of the following regulations were not applicable to the Company:

- (i) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;

- (ii) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021;
- (iii) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for

seeking and obtaining further information and clarifications on the agenda items before the meetings and for meaningful participation at the meeting.

All decisions at the meeting of the Board of Directors/ Committees of the Board were taken unanimously as recorded in the minutes of the meetings and no dissenting views have been recorded.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period there was no other event/action having major bearing on the Company's Affairs.

To,
The Members,
Astral Limited
"Astral House", 207/1, B/h. Rajpath Club,
Off S.G. Highway, Ahmedabad – 380059.

My report of even date is to be read along with this letter:

1. Management's Responsibility

Management is responsible for the maintenance of the Secretarial records and for the preparation and filing of forms, returns, documents for compliances and to ensure that they are free from material non compliance, whether due to fraud or error.

2. Secretarial Auditor's Responsibility

Secretarial Audit is a process of verification of records and documents on sample or test basis. My responsibility is to express an opinion on the secretarial compliances of certain laws by the Company on the basis of my audit. The audit practices and processes have been followed as deemed appropriate to provide reasonable assurance about the correctness of the records and the confirmation of compliance. My audit process has involved verification of records and dependence on Management representation and my opinion is based thereupon.

3. Conduct of Company's Affairs

The Secretarial Audit Report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.

FORM NO. MR - 3

Secretarial Audit Report

For the Financial Year Ended 31st March, 2026

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
Astral Chemie Limited
"Astral House"
207/1, B/h. Rajpath Club,
Off S.G. Highway,
Ahmedabad - 380059

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Astral Chemie Limited** (hereinafter called the "Company") (CIN: U24222GJ2022PLC151610) (Formerly known as Astral Coatings Private Limited, before that Gem Paints Private Limited and incorporated as Esha Paints Private Limited). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has generally, during the audit period covering the financial year ended on 31st March, 2026, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other returns filed and other records maintained by the Company for the financial year ended on 31st March, 2026 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) No specific laws are applicable to the industry in which the Company operates. The same has also been confirmed by the Management.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by the Institute of Company Secretaries of India.

During the period under review the Company has generally complied with the provisions of the Act, Rules Regulations, Guidelines, Standards, etc. mentioned above.

During the period under review, provisions of the following regulations were not applicable to the Company:

- (i) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018 and the Regulations and Bye-laws framed thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External commercial Borrowings;
- (iv) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
- (v) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021;
- (vi) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018.
- (vii) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- (viii) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- (ix) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- (x) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
- (xi) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (xii) Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time.

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the

composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meetings and for meaningful participation at the meeting.

Annexure-C To Directors' Report

PARTICULARS OF EMPLOYEES

(Pursuant Section 197(12) of the Companies Act, 2013 read with rule 5(1) of the (Companies Appointment and Remuneration of Managerial Personnel) Rules, 2014,)

- The percentage increase in remuneration of each Director, Chief Financial Officer and Company Secretary during the Financial Year 2025-26 and ratio of the remuneration of each Director to the median remuneration of the employees of the Company for the Financial Year 2025-26:

Sr. No.	Name of Directors/Key Managerial Personnel	% Increase in remuneration in FY 2025-26	Ratio of remuneration of each Director to median of remuneration of employees
1	Mr. Sandeep Engineer Chairman & Managing Director	12	352
2	Mrs. Jagruti Engineer Whole Time Director	21	43
3	Mr. Girish Joshi Whole Time Director	27	4
4	Mr. Kairav Engineer Whole Time Director	20	44
5	Mr. Hiranand Savlani Whole Time Director & Chief Financial Officer	13	145
6	*Mr. Chintankumar Patel Company Secretary	-	-

* Mr. Chintankumar Patel was appointed as Company Secretary and Compliance Officer w.e.f. November 7, 2024. Since the remuneration is only for part of the FY 2024-25, percentage increase in remuneration is not comparable and hence not stated.

Remuneration includes basic salary, allowances, commission/bonus and perquisites and excludes the value of share exercised under ESOP Scheme.

Note: Since the Independent Directors received no remuneration except sitting fee (if any) for attending Board/ Committee meetings, the required details are not applicable.

- In the Financial Year, there was Increase of 7% in the median remuneration of employees.
- There were 4,899 permanent employees on the rolls of Company as on March 31, 2026.
- The average increase in the remuneration of employees other than the managerial personnel during the financial year was 8%, whereas the increase in managerial remuneration during the same financial year was 14%. The increase in managerial remuneration was in line with the Company's Remuneration Policy and was based on factors such as enhanced responsibilities, individual performance and the overall performance of the Company. There were no exceptional circumstances for the increase in managerial remuneration during the financial year.
- It is hereby affirmed that the remuneration paid is as per the Remuneration Policy of the Company.

Annexure-D To Directors' Report

5. DISCLOSURES

(a) Disclosure on materially significant related party transactions:

There were some related party transactions during the Financial Year 2025-26 and the same do not have potential conflict with the interest of the Company at large. The details of related party transactions as per Indian Accounting Standard – 24 are included in the notes to the accounts. Disclosure with regard to loans and advances to firms/companies in which directors are interested have been made in the notes to accounts.

(b) Details of non-compliance with regard to capital market:

There is no non-compliance by the Company on any matter related to the capital markets during the last three years. Similarly, there are no penalties, strictures imposed by the Stock Exchanges, SEBI or any statutory authority on any matter related to capital market.

(c) Disclosure of accounting treatment:

There is no deviation in following the treatments prescribed in any Accounting Standard in preparation of financial statements for the year 2025-26.

(d) Board disclosures – Risk Management:

The Board members of the Company are regularly appraised about the risk assessment and minimization procedures adopted by the Company. The Audit Committee of the Board is also regularly informed about the business risks and the steps taken to mitigate the same. The implementation of the risk assessment and minimization procedures is an ongoing process and the Board members are periodically informed of the status.

(e) Familiarization Program of Independent Directors:

The Board familiarization program comprises of the following:

- Induction program for new Independent Directors;
- Presentation on business and functional issues;
- Updating of business, branding, corporate governance, regulatory developments and investor relations matters.

All new Independent Directors are taken through a detailed induction and familiarization program when they join the Board of your Company. The induction program is an exhaustive one that covers the history and culture of your company, background of the Company and its growth over the decades, various milestones in the Company's existence since its incorporation, the present structure and an overview of the businesses and functions.

Independent Directors are familiarized with their roles, rights and responsibilities in the Company as well as with the nature of industry and business model of the Company by providing various presentations at Board/Committee meetings from time to time. These presentations provide a good understanding of the business to the Independent Directors which covers various functions of the Company and also an opportunity for the Board to interact with the next level of management. There are opportunities for Independent Directors to interact amongst themselves.

Apart from the above, the Directors are also given an update on the environmental and social impact of the business, branding, corporate governance, regulatory developments and investor relations matters.

The details of the Familiarization programmes can be accessed on the web link https://www.astraltd.com/wp-content/uploads/2026/03/Familiarisation-Programme-of-Independent-Directors_DJSI-Updated.pdf

(f) Details of compliance with mandatory requirements and adoption of non-mandatory requirements of SEBI Listing Regulations:

The Company has complied with all the mandatory requirements as mandated under SEBI Listing Regulation. A Certificate from the Practicing Company Secretary regarding Compliance of Corporate Governance Report to this effect has been included in this Report.

(g) Whistle Blower Policy:

The Company promotes ethical behavior in all its business activities and has put in place a mechanism for reporting illegal or unethical behavior. The Company has a Vigil mechanism and Whistle Blower Policy under which the employees are free to report violations of applicable laws and regulations and the Code of Conduct. Employees may also report to the Chairman of the Audit Committee. During the year under review, no employee was denied access to the Audit Committee. Whistle Blower Policy of the Company has been uploaded on the website of the Company and can be accessed at <https://www.astraltd.com/wp-content/uploads/2025/01/Whistle-Blower-Policy.pdf>.

(h) Policy on “Material” Subsidiary:

The Company has Board approved policy on determining Material Subsidiary which can be accessed at <https://www.astraltd.com/wp-content/uploads/2022/12/Material-Subsidiary-Policy.pdf>.

(i) Disclosure of commodity price risks and commodity hedging activities:

Details with respect to commodity price risk and commodity hedging activities are mentioned on “Risk Mitigation” section of Annual Report.

(j) Certification from Company Secretary in practice:

Mrs. Monica Kanuga, Practicing Company Secretary, has issued a certificate required under the Listing Regulations, confirming that none of the directors on Board of the Company has been debarred or disqualified from being appointed or continuing as director of the Company by the SEBI/Ministry of Corporate Affairs or any such statutory authority. The certificate is enclosed with this report.

(k) Policy on Related Party Transactions:

The Company has Board approved policy on determining Related Party Transactions which can be accessed at <https://www.astraltd.com/wp-content/uploads/2022/12/Related-Party-Transactions-Policy.pdf>. The Board had accepted all recommendations of various Committees of the Board, which were mandatorily required to be taken during the period under review.

(l) Total fees for all services paid by the Company and its subsidiaries, on a consolidated basis, to the statutory auditors and all entities in the network firm/network entity of which the statutory auditor is a part:

Non – Mandatory requirements

The Non – mandatory requirements have been adopted to the extent and in the manner as stated under the appropriate headings detailed below:

Reporting of Internal Auditor

The Internal Auditors of the Company regularly report their findings of the internal Audit to the Audit Committee Members.

(h) Transfer to Investor Education and Protection Fund (IEPF):

In terms of the Section 124 of the Companies Act, 2013, the amount that remained unclaimed for a period of seven years is required to be transferred to the Investor Education and Protection Fund (IEPF) administered by the Central Government.

During the year under review, the unclaimed dividend amount of ₹ 23,988/- for the year 2017-18 (Final) & and ₹17,992/- for the year 2018-19 (Interim) was transferred to the IEPF established by the Central Government under applicable provisions of the Companies Act.

In terms of Section 124(6) of the Act read with Investor Education and Protection Fund Authority (Accounting, Auditing, Transfer and Refund) Rules, 2016, the Company has transferred the shares in respect of which the dividend has not been claimed for a period of seven years or more to the demat account of IEPF Authority. The Company had communicated to all the concerned shareholders individually, whose shares were liable to be transferred to IEPF. The Company had also given newspaper advertisements, before such transfer in favour of IEPF. The Company had also uploaded the details of such shareholders and shares transferred to IEPF on the website of the Company at <https://www.astraltd.com/investors/>. The Shareholders may note that both the unclaimed dividend and corresponding shares transferred to the IEPF Authority including all benefits accruing on such shares, if any, can be claimed back by them from IEPF Authority after following the procedure (i.e., an application in E-form No. IEPF-5) prescribed in the Rules. Shareholders may refer Rule 7 of the said Rules for Refund of shares/ dividend etc.

(i) Share Transfer System:

The Shares of Company are compulsorily traded in dematerialized form. The request for dematerialization of shares are also processed by the R&T agent within stipulated period and uploaded with the concerned Depositories. In terms of SEBI Listing Regulation, no transfer of shares in physical form can be lodged by the shareholders.

(j) Distribution of Shareholding:

The distribution of Shareholding of the Company as on March 31, 2026 is as follows:

No. of Equity Shares Held	No. of Shareholders	% of Total shareholders	No. of Shares	% of Total Capital
Upto 5,000	2,64,298	99.63	1,51,17,079	5.63
5,001-10,000	356	0.13	25,50,536	0.95
10,001-20,000	236	0.09	32,43,363	1.21
20,001-30,000	64	0.02	15,52,181	0.57
30,001-40,000	34	0.01	11,91,767	0.44
40,001-50,000	41	0.02	18,72,734	0.70
50,001-1,00,000	102	0.04	71,97,893	2.68
1,00,001 and above	154	0.06	23,59,24,610	87.82
Total	2,65,285	100.00	26,86,50,163	100.00

(k) Shareholding Pattern:

The Shareholding Pattern of the Company as on March 31, 2026 is as follows:

Category	No of Shares	% of Total Capital

Compliance Certificate on Corporate Governance

The Members of
Astral Limited
Astral House,
207/1, B/h Rajpath Club,
Off S.G. Highway,
Ahmedabad, 380059

I have examined the Corporate Governance Report prepared by **Astral Limited** (hereinafter the “Company”), under Para E of Schedule V read with Regulation 34(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulation, 2015, as amended (“the Listing Regulations”) with respect to Corporate Governance for the financial year ended March 31, 2026 for annual submission to the Stock exchange and to be sent to shareholders of the company.

The preparation of the Corporate Governance Report is the responsibility of the Management of the Company including the preparation and maintenance of all relevant supporting records and documents. My examination was limited to a review of procedures adopted by the Company and implementation thereof to ensure the compliance of conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

Based on the procedures performed by me, according to the information and explanations given to me and to the best of my knowledge, I am of the opinion that the Company has complied with the conditions of Corporate Governance as specified in the Listing Regulations, as applicable for the financial year ended March 31, 2026.

I further state that this Certificate is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the

Rajpath Club, Off S.G. Highway, Ahmedabad – 380059, Gujarat, India (hereinafter referred to as "the Company"), produced before me by the Company for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para C Sub Clause 10(i) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In my opinion and to the best of my information and according to the verifications (including Directors Identification Number (DIN) status at the portal www.mca.gov.in) as considered necessary and explanations furnished to me by the Company and its officers, I hereby certify that none of the Directors on the Board of the Company as stated below for the Financial year ending on 31st March, 2026 have been debarred or disqualified from being appointed or continuing as Directors of companies by the Securities and Exchange Board of India, Ministry of Corporate Affairs, or any such other Statutory Authority.

Sr. No.	Name of Director	DIN	Date of Appointment in Company
1.	Mr. Sandeep Engineer	00067112	25.03.1996
2.	Mrs. Jagruti Engineer	00067276	25.03.1996
3.	Mr. Viral Jhaveri	08277568	24.10.2019
4.	Mr. C K Gopal	08434324	11.02.2020
5.	Mr. Girish Joshi	09222943	01.07.2021
6.	Mr. Chetas Desai	01968778	07.02.2023
7.	Mr. Dhinal Shah	00022042	07.02.2023
8.	Mr. Hiranand Savlani	07023661	01.07.2023
9.	Mr. Kairav Engineer	03383621	01.07.2023
10.	Mrs. Tanvi Rangwala	07964348	15.07.2025
11.	Mr. Rajendra Mariwala	00007246	15.07.2025

Ensuring the eligibility for the appointment/continuity of every Director on the Board is the responsibility of the management of the Company. My responsibility is to express an opinion on these based on my verification. This certificate is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the company.

Business Responsibility & Sustainability Reporting

SECTION A: GENERAL DISCLOSURES

I. Details of the listed entity

Sr. No.	Particulars	Response
1	Corporate Identity Number (CIN) of the Listed Entity	L25200GJ1996PLC029134
2	Name of the Listed Entity	Astral Limited
3	Year of incorporation	25/03/1996
4	Registered office address	Astral House, 207/1, B/h Rajpath Club, off. S. G. Highway, Ahmedabad, Gujarat, 380059
5	Corporate address	Astral House, 207/1, B/h Rajpath Club, off. S. G. Highway, Ahmedabad, Gujarat, 380059
6	E-mail	co@astralltd.com
7	Telephone	079-66212000
8	Website	www.astralltd.com
9	Financial year for which reporting is being done	FY 2025-26
10	Name of the Stock Exchange(s) where shares are listed	- BSE Limited - National Stock Exchange of India Limited
11	Paid-up Capital	26,86,50,163
12	Name and contact details (telephone, email address) of the person who may be contacted in case of any queries on the BRSR report	Mr. Chintankumar Patel Company Secretary 079-66212000 co@astralltd.com
13	Reporting boundary - Are the disclosures under this report made on a standalone basis (i.e. only for the entity) or on a consolidated basis (i.e. for the entity and all the entities which form a part of its consolidated financial statements, taken together).	The disclosures made under this report are on a standalone basis. The environmental KPIs disclosed under Principle 6 cover data from our 18 manufacturing plants, which represent the most significant operational footprint of our business. Data pertaining to 15 office locations is excluded from the current reporting boundary.
14	Name of assessment or assurance provider	M/s Hetal J Shah & Co.
15	Type of assessment or assurance obtained	Reasonable Assurance on BRSR Core

II. Products/services

16. Details of business activities (accounting for 90% of the turnover):

Sr. No.	Description of Main Activity	Description of Business Activity	% of Turnover of the entity
1	Manufacturing Activity	Manufacturing of Pipes, Fittings, Adhesives etc.	98

17. Products/Services sold by the entity (accounting for 90% of the entity's Turnover):

Sr. No.	Product/Service	NIC Code	% of total Turnover contributed
1	Plastic pipes and fittings	222	79
2	Adhesives	202	21

III. Operations

18. Number of locations where plants and/or operations/offices of the entity are situated:

Location	Number of plants	Number of offices	Total
National	18	15	33
International	NA	1	1

19. Markets served by the entity:**a. Number of locations**

Locations	Number
National (No. of States)	28 States and 8 Union Territories
International (No. of Countries)	40

b. What is the contribution of exports as a percentage of the total turnover of the entity? 2%**c. A brief on types of customers**

Astral's customer consists of distribution networks, infrastructure companies, the Agri industry, and professionals such as plumbers, masons, developers, contractors and carpenters who rely on company's products. Astral's product portfolio includes plumbing supplies, farming essentials, durable sewage systems, cable-protection solutions, industrial piping, and conduits, complemented by the adhesive market. By combining infrastructure with technology, Astral meets diverse requirements within the building materials sector.

IV. Employees**20. Details at the end of Financial Year:****a. Employees and workers (including differently abled):**

Sr. No.	Particulars	Total (A)	Male		Female	
			No. (B)	% (B/A)	No. (C)	% (C/A)
EMPLOYEES						
1.	Permanent (D)	4,611	4,461	96.75	150	3.25
2.	Other than Permanent (E)	270	248	91.85	22	8.15
3.	Total employees (D + E)	4,881	4,709	96.48	172	3.52
WORKERS						
4.	Permanent (F)	288	288	100.00	0	0.00
5.	Other than Permanent (G)	6,047	6,038	99.85	9	0.15
6.	Total workers (F + G)	6,335	6,326	99.86	9	0.14

Note: Total employee and workers count is as the end of reporting period.

b. Differently abled Employees and workers:

Sr. No.	Particulars	Total (A)	Male		Female	
			No. (B)	% (B/A)	No. (C)	% (C/A)
DIFFERENTLY ABLED EMPLOYEES						
1.	Permanent (D)	19	19	100	0	0
2.	Other than Permanent (E)	0	0	0	0	0
3.	Total employees (D + E)	19	19	100	0	0
DIFFERENTLY ABLED WORKERS						
4.	Permanent (F)	0	0	0	0	0
5.	Other than Permanent (G)	0	0	0	0	0
6.	Total workers (F + G)	0	0	0	0	0

21. Participation/Inclusion/Representation of women:

	Total (A)	No. and percentage of Females	
		(B)	% (B/A)
Board of Directors	11*	2	18
Key Management Personnel	1	0	0

* Five Key Managerial Personnel are part of Board of Directors.

22. Turnover rate for permanent employees and workers (Disclose trends for the past 3 years):

Category	FY 2025-26 (Turnover rate %)			FY 2024-25 (Turnover rate %)			FY 2023-24 (Turnover rate %)		
	Male	Female	Total	Male	Female	Total	Male	Female	Total
Permanent Employees	29	28	29	29	22	28	24	27	25

Shareholders	Yes Investors Contact - Astral Group	2	Nil	-	5	1	The pending complaint got resolved on 3 rd April 2025
Employees and workers	Yes Investors Contact - Astral Group	Nil	Nil	-	Nil	Nil	-
Customers	Yes Investors Contact - Astral Group	Nil	Nil	-	Nil	Nil	-
Value Chain Partners	Yes Investors Contact - Astral Group	Nil	Nil	-	Nil	Nil	-
Other (please specify)	Yes Investors Contact - Astral Group	-	-	-	-	-	-

Stakeholders can reach out for any grievances through the contact mentioned on company's website: [Investors Contact - Astral Group](#)

26. Overview of the entity's material responsible business conduct issues.

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format.

Sr. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1	Energy Management	Risk & Opportunity	Failing to implement effective energy management increases environmental impact and elevates operational costs. By optimising energy usage across manufacturing processes, Astral can significantly reduce expenses while strengthening its brand reputation for sustainability and efficiency.	Implement energy-efficient technologies, optimise processes, and invest in renewable energy sources.	Positive: Cost savings, incentives. Negative: Initial investment costs.
2	Opportunities in Clean Tech	Opportunity	Meeting the growing demand for eco friendly products requires the development of cleaner technologies and increased investment in sustainable R&D, enabling the reduction of emissions and waste across operations.	-	Positive: Market growth, competitive advantage

26. Overview of the entity's material responsible business conduct issues. (Contd.)

Sr. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
3	Water and effluent management	Risk & Opportunity	Addressing regulatory compliance, and community impact through potential solutions like water recycling and reuse.	Invest in water-efficient technologies, implement water management systems, and engage in water stewardship programs.	Positive: Cost savings, compliance. Negative: Investment costs.
4	Climate change and emissions management	Risk & Opportunity	Climate change and related regulations may disrupt raw material availability, impacting the supply chain; addressing this includes setting carbon footprint reduction targets and exploring opportunities for carbon credits.	Adopt emission reduction strategies, set targets, and participate in carbon trading schemes.	Positive: Compliance, carbon credits. Negative: Compliance costs.
5	Biodiversity	Risk	Operations may impact local ecosystems, with potential regulatory and community relations implications.	Implement biodiversity conservation programs, reduce habitat disruption, and collaborate with environmental organisations.	Negative: Compliance and remediation costs.
6	Product stewardship	Opportunity	Meeting the demand for responsible products through sustainable design, improved recyclability, and transparent lifecycle management can boost brand image and customer loyalty.	-	Positive: Brand value, customer loyalty.
7	Occupational health and safety	Risk	Workplace accidents can lead to legal liabilities, employee downtime, and reputation damage.	Strengthen safety protocols, provide regular training, and invest in safer equipment	Negative: Non-compliance costs. Positive: Reduced downtime.
8	Customer relationship management	Opportunity	Strong relationships can lead to repeat business and referrals; customer feedback can drive innovation. Invest in CRM systems, improve customer service, and engage in active listening and response strategies.	-	Positive: Increased sales, customer retention
9	Community development	Opportunity	Engaging in community projects, supporting local initiatives, and ensuring transparent communication can strengthen community relations, enhance reputation, and foster a supportive business environment.	-	Positive: Reputation, operational support.
10	Diversity, equity and inclusion	Opportunity	A diverse workforce enhances decision-making, innovation, and reflects social responsibility; implement DEI policies, provide training, and foster an inclusive culture.	-	Positive: Innovation, employee satisfaction.

26. Overview of the entity's material responsible business conduct issues. (Contd.)

Sr. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
11	Stakeholder engagement	Opportunity	Engaging stakeholders through regular communication and involvement in decision-making enhances business decisions and risk management.	-	Positive: Risk management, decision-making
12	Talent management	Opportunity	Attracting and retaining talent is essential for driving growth and innovation. This requires offering competitive benefits, creating clear career development opportunities, and fostering a positive and engaging work environment.	-	Positive: Employee performance, innovation.
13	Corporate governance	Risk & Opportunity	Good governance can lead to trust and investment; poor governance can lead to legal issues and loss of confidence.	Implement best practices, ensure transparency, and maintain ethical standards.	Positive: Trust, investment. Negative: Legal costs, loss of confidence.
14	Economic performance	Opportunity	Strong economic performance attracts investors and drives growth; prioritise operational efficiency, market expansion, and effective financial management.	-	Positive: Investment, growth potential
15	Risk management	Risk	Inadequate risk management can lead to financial losses and operational disruptions.	Develop a comprehensive risk management framework and conduct regular assessments.	Negative: Financial losses, operational disruptions.
16	Brand and reputation	Opportunity	A strong brand enables premium pricing and builds lasting customer loyalty, whereas reputational damage can significantly impact business performance. To safeguard brand equity, it is essential to maintain high quality standards, prioritize CSR initiatives, and manage public relations proactively and effectively.	-	Positive: Premium pricing, loyalty.
17	Cybersecurity and data privacy	Risk	Data breaches can lead to legal penalties, and loss of customer trust.	Invest in robust cybersecurity measures, regular audits, and employee training	Negative: Breach costs, penalties.

SECTION B: MANAGEMENT AND PROCESS DISCLOSURES

This section is aimed at helping businesses demonstrate the structures, policies and processes put in place towards adopting the NGRBC Principles and Core Elements.

Disclosure Questions		P1	P2	P3	P4	P5	P6	P7	P8	P9
Policy and management processes										
1.	a. Whether your entity's policy/policies cover each principle and its core elements of the NGRBCs. (Yes/No) b. Has the policy been approved by the Board? (Yes/No) c. Web Link of the Policies, if available					Yes				
										Supplier Code of Conduct Employee Code of Conduct Policy on Anti-Corruption & Bribery Human Rights Policy Climate Action Policy Astral ESG Policy Biodiversity Policy Board Diversity Policy Stakeholder Engagement Policy Health, Safety and Environment Policy Whistle Blower Policy Energy Management Policy Water Management Policy Information Security Policy
2.	Whether the entity has translated the policy into procedures. (Yes/No)					Yes				
3.	Do the enlisted policies extend to your value chain partners? (Yes/No)	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes
4.	Name of the national and international codes/certifications/labels/standards (e.g., Forest Stewardship Council, Fairtrade, Rainforest Alliance, Trustea) standards (e.g., SA 8000, OHSAS, ISO, BIS) adopted by your entity and mapped to each principle.	Astral Limited is committed to attaining a wide range of accreditations that align with established quality and environmental standards. The company has already secured several key certifications and continues to explore additional opportunities to strengthen its compliance and credibility in the future. All the acquired certifications collectively encompass the nine principles. Some of the certifications obtained include Quality Management System Certification for ISO 9001:2015, Environmental Management System Certification for ISO 14001:2018, and Occupational Health and Safety Management System Certification for ISO 45001:2018. Astral has also received ISO 27001:2013 certification for information Security Management system. Furthermore, Astral has received BIS Certification for various product types at different plants, complying with a wide range of standards as follows: IS:4985, IS:7834, IS:10124 (PT-2), IS:9537 (PT-3), IS:3419, IS:12818, IS:13592, IS:14735, IS:15778, IS:17546, IS:16088, IS:16534, IS:14182, IS:12701, IS:16098 (PT-2), IS:13488, IS:15265, IS:16205 (PT- 24), IS:9271, IS:15328, and IS:16098 (PT-1)								
5.	Specific commitments, goals and targets set by the entity with defined timelines, if any.	Astral has formulated the following goals and targets on the group level: ENVIRONMENT - Achieve ISO 14001:2015 across all business or operational locations Energy Management - Attain 100% electricity usage from renewable sources by 2040								

12. If answer to question (1) above is “No” i.e. not all Principles are covered by a policy, reasons to be stated:

Disclosure Questions	P1	P2	P3	P4	P5	P6	P7	P8	P9
The entity does not consider the Principles material to its business (Yes/No)									
The entity is not at a stage where it is in a position to formulate and implement the policies on specified principles (Yes/No)									
The entity does not have the financial or/human and technical resources available for the task (Yes/No)									
It is planned to be done in the next financial year (Yes/No)									
Any other reason (please specify)									

Not Applicable.

SECTION C: PRINCIPLE-WISE PERFORMANCE DISCLOSURE

This section is aimed at helping entities demonstrate their performance in integrating the Principles and Core Elements with key processes and decisions. The information sought is categorized as “Essential” and “Leadership”. While the essential indicators are expected to be disclosed by every entity that is mandated to file this report, the leadership indicators may be voluntarily disclosed by entities which aspire to progress to a higher level in their quest to be socially, environmentally and ethically responsible.

PRINCIPLE 1: Businesses should conduct and govern themselves with integrity, and in a manner that is Ethical, Transparent and Accountable.**Essential Indicators****1. Percentage coverage by training and awareness programmes on any of the Principles during the financial year:**

Segment	Total number of training and awareness programmes held	Topics/principles covered under the training and its impact	% age of persons in respective category covered by the awareness
Board of Directors	4	- Business performance and operations. - Compliance status and regulatory updates. - Risk, governance, and ESG performance.	100%
Key Managerial Personnel	4	Changes in regulations and law applicable to the Company to ensure full Compliance.	100%
Employees other than BoD and KMPs	820	A comprehensive training program was rolled out this year, covering safety, compliance, technical, behavioral, and leadership domains. Key focus areas included safety practices, legal and ethical compliance, technical upskilling, operational excellence, and leadership development resulting in improved safety, efficiency, and employee engagement across the organisation.	85%

1. Percentage coverage by training and awareness programmes on any of the Principles during the financial year: (Contd.)

Segment	Total number of training and awareness programmes held	Topics/principles covered under the training and its impact	% age of persons in respective category covered by the awareness
Workers	291	During the year, comprehensive training programs for workers focused on Technical & Process Excellence, Behavioral Skills, Compliance, Safety, and Human Rights Awareness. Key sessions included SOP adherence, 5S, Kaizen, teamwork, time management, Code of Conduct, POSH, and anti-bribery awareness. Safety modules covered PPE usage, first aid, fire drills, and wellness practices, while human rights sessions emphasised dignity, equality, and grievance redressal. These initiatives collectively enhanced operational efficiency, safety culture, ethical awareness, and workforce engagement.	81%

2. Details of fines/penalties/punishment/award/compounding fees/settlement amount paid in proceedings (by the entity or by directors/KMPs) with regulators/law enforcement agencies/judicial institutions, in the financial year, in the following format (Note: the entity shall make disclosures on the basis of materiality as specified in Regulation 30 of SEBI (Listing Obligations and Disclosure Obligations) Regulations, 2015 and as disclosed on the entity's website):

a. Monetary

	NGRBC Principle	Name of the regulatory/enforcement agencies/judicial institutions	Amount (In INR)	Brief of the Case	Has an appeal been preferred? (Yes/No)
Penalty/Fine	Nil	Nil	Nil	-	NA
Settlement	Nil	Nil	Nil	-	NA
Compounding fee	Nil	Nil	Nil	-	NA

b. Non-Monetary

	NGRBC Principle	Name of the regulatory/enforcement agencies/judicial institutions	Brief of the Case	Has an appeal been preferred? (Yes/No)
Imprisonment	Nil	Nil	-	NA
Punishment	Nil	Nil	-	NA

3. Of the instances disclosed in Question 2 above, details of the Appeal/Revision preferred in cases where monetary or non-monetary action has been appealed.

Case Details	Name of the regulatory/enforcement agencies/judicial institutions
Not Applicable.	

4. Does the entity have an anti-corruption or anti-bribery policy? If yes, provide details in brief and if available, provide a web-link to the policy.

Yes, Astral has implemented a Policy on Anti-Corruption and Bribery to uphold the highest ethical and business standards in its operations. The policy establishes robust risk assessment procedures and internal control mechanisms by mandating ethical conduct, transparency in all business dealings, and a strict prohibition of bribery, corruption, misappropriation of funds, political contributions, embezzlement, and lobbying for personal or organisational gain, with violations subject to investigation and disciplinary action by a designated steering committee. It also provides a clear mechanism to deal with complaints related to bribery or corruption, ensuring that reported or identified concerns are addressed through structured inquiry and appropriate corrective measures, reflecting a zero-tolerance approach. Further, Astral ensures comprehensive coverage of anti-corruption

training, requiring all employees to undergo mandatory training during onboarding, supported by periodic refresher programmes to reinforce awareness, compliance, and ethical behaviour across the organisation.

Weblink of policy - [Policy on Anti-Corruption & Bribery](#)

5. Number of Directors/KMPs/employees/workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery/corruption:

	FY 2025-26	FY 2024-25
Directors	0	0
KMPs	0	0
Employees	0	0
Workers	0	0

6. Details of complaints with regard to conflict of interest:

	FY 2025-26		FY 2024-25	
	Number	Remark	Number	Remark
Number of complaints received in relation to issues of Conflict of Interest of the Directors	0	-	0	-
Number of complaints received in relation to issues of Conflict of Interest of the KMPs	0	-	0	-

7. Provide details of any corrective action taken or underway on issues related to fines/penalties/ action taken by regulators/law enforcement agencies/judicial institutions, on cases of corruption and conflicts of interest.

Not Applicable.

8. Number of days of accounts payables ((Accounts payable *365)/Cost of goods/services procured) in the following format:

	FY 2025-26	FY 2024-25
Number of days of accounts payables	90.67	86.98

9. Open-ness of business

Provide details of concentration of purchases and sales with trading houses, dealers, and related parties along-with loans and advances & investments, with related parties, in the following format:

Parameter	Metrics	FY 2025-26	FY 2024-25
Concentration of Purchases	a. Purchases from trading houses as % of total purchases	17.53%	23.97%
	b. Number of trading houses where purchases are made from	200	201
	c. Purchases from top 10 trading houses as % of total purchases from trading houses	51.03%	68.47%
Concentration of Sales	a. Sales to dealers/distributors as % of total sales	93.76%	95.92%
	b. Number of dealers/distributors to whom sales are made	3,990	3,610
	c. Sales to top 10 dealers/distributors as % of total sales to dealers/distributors	14.53%	15.11%
Share of RPTs in	a. Purchases (Purchases with related parties/Total Purchases)	0.03%	0.03%
	b. Sales (Sales to related parties/Total Sales)	0.05%	0.04%
	c. Loans & advances (Loans & advances given to related parties/Total loans & advances)*	99.38%	98.54%
	d. Investments (Investments in related parties/Total Investments made)*	100%	100%

* Related Party Transaction include Transaction with Subsidiaries of Astral Limited.

Leadership Indicators

1. Awareness programmes conducted for value chain partners on any of the Principles during the financial year:

Total number of awareness programmes held	Topics/principles covered under the training	%age of value chain partners covered (by value of business done with such partners) under the awareness programmes
---	--	--

Astral is enforcing the Supplier Code of Conduct to enhance supplier awareness around sustainability, compliance and human rights. However, Astral is looking forward to organising awareness programmes for its value chain partners in the upcoming years.

2. Does the entity have processes in place to avoid/manage conflict of interests involving members of the Board? (Yes/No) If Yes, provide details of the same.

Yes, the Company has established robust processes within its Code of Conduct to prevent conflicts of interest among Board members. As part of these governance practices, Board members are required to provide annual declarations confirming that no conflicts of interest exist or disclosing any potential concerns. This ensures transparency, accountability, and alignment with the Company's ethical standards.

Weblink: https://www.astraltd.com/wp-content/uploads/2024/06/01.-Employee-Code-of-Conduct-Policy_Astral-Limited.pdf

PRINCIPLE 2 Businesses should provide goods and services in a manner that is sustainable and safe

Essential Indicators

1. Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.

	FY 2025-26	FY 2024-25	Details of improvement in environmental & social impacts
R&D	0%	0%	Replacing conventional lighting with energy efficient LED fixtures is expected to substantially lower electricity consumption and Scope 2 emissions across locations including Kanpur, Dholka, Santej, Hyderabad, and the Head Office. In addition, the installation of percolation wells at Kanpur, Dholka, and Astral House is expected to improve the local water table through rainwater harvesting. Enhanced lighting conditions are also likely to improve visibility, safety, and employee comfort, contributing to an overall better working environment.
Capex	1%	0.90%	

2. a. Does the entity have procedures in place for sustainable sourcing? (Yes/No)

Yes, Astral Limited requires all its suppliers to adhere to the Supplier Code of Conduct, which outlines expectations for responsible and sustainable business practices. This includes providing a safe and healthy working environment, complying with all applicable labor and human rights regulations, and adopting operational policies that emphasise environmental protection and occupational health and safety. Through these requirements, Astral Limited promotes ethical behavior across its supply chain and strengthens its commitment to sustainable sourcing practices.

b. If yes, what percentage of inputs were sourced sustainably?

54.76%

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.

Considering the long lifespan and extensive global use of Astral's products, often spanning several decades it is not feasible to retrieve these materials at the end of their life cycle for repurposing, recycling, or safe disposal. However, wherever possible, Astral has implemented responsible recycling and waste-management practices within its operations. The Company undertakes Gate-to-Gate Life Cycle Assessments (LCA) for products such as Silencio, Drain Pro Pipes, and CPVC Pipes to better understand and minimise environmental impacts. E-waste generated during operations is routed exclusively through authorised recyclers, and hazardous waste is managed in strict accordance with the Hazardous Waste (Management, Handling, and Transboundary Movement) Rules, 2016. Additionally, Astral is duly registered under Extended Producer Responsibility (EPR) on the Central Pollution Control Board (CPCB) portal, reaffirming its commitment to responsible management and recycling of plastic packaging materials.

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes/No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.

Yes, EPR is applicable to Astral's activities. Astral's EPR registration number is 2023030606544811142, issued on 10.03.2023. It is ensured that all the data and waste collection strategies comply with the EPR plan submitted to the Central Pollution Control Board (CPCB).

Leadership Indicators

1. Has the entity conducted Life Cycle Perspective/Assessments (LCA) for any of its products (for manufacturing industry) or for its services (for service industry)? If yes, provide details in the following format?

NIC Code	Name of Product/Service	% of total Turnover contributed	Boundary for which the Life Cycle Perspective/Assessment was conducted	Whether conducted by independent external agency (Yes/No)	Results communicated in public domain (Yes/No) If yes, provide the web-link.
22209	Silencio	-	Gate to Gate	Yes	No
22209	DRAIN PRO Pipes	-	Gate to Gate	Yes	No
22209	CPVC Pipes	-	Gate to Gate	Yes	No

2. Percentage of recycled or reused input material to total material (by value) used in production (for manufacturing industry) or providing services (for service industry).

Indicate input material	Recycled or re-used input material to total material	
	FY 2025-26	FY 2024-25
Raw Materials	2.10%	2.08%

PRINCIPLE 3: Businesses should respect and promote the well-being of all employees, including those in their value chains

Essential Indicators

1. a. Details of measures for the well-being of employees:

Category	Total (A)	% of employees covered by									
		Health insurance		Accident insurance		Maternity benefits		Paternity Benefits		Day Care facilities	
		Number (B)	% (B/A)	Number (C)	% (C/A)	Number (D)	% (D/A)	Number (E)	% (E/A)	Number (F)	% (F/A)
Permanent employees											
Male	4,461	4,461	100	4,461	100	0	0	4,461	100	0	0
Female	150	150	100	150	100	150	100	0	0	0	0
Total	4,611	4,611	100	4,611	100	150	3.25	4,461	100	0	0
Other than Permanent employees											
Male	248	248	100	248	100	0	0	0	0	0	0
Female	22	22	100	22	100	22	100	0	0	0	0
Total	270	270	100	270	100	22	8.15	0	0	0	0

b. Details of measures for the well-being of workers:

Category	Total (A)	% of workers covered by									
		Health insurance		Accident insurance		Maternity benefits		Paternity Benefits		Day Care facilities	
		Number (B)	% (B/A)	Number (C)	% (C/A)	Number (D)	% (D/A)	Number (E)	% (E/A)	Number (F)	% (F/A)
Permanent workers											
Male	288	288	100	288	100	0	0	288	100	0	0
Female	0	0	0	0	0	0	0	0	0	0	0
Total	288	288	100	288	100	0	0	288	100	0	0
Other than Permanent workers											
Male	6,038	6,038	100	6,038	100	0	0	0	0	0	0
Female	9	9	100	9	100	0	0	0	0	0	0
Total	6,047	6,047	100	6,047	100	0	0	0	0	0	0

Note: Other than permanent workers are covered under ESIC provisions.

c. Spending on measures towards well-being of employees and workers (including permanent and other than permanent) in the following format:

	FY 2025-26	FY 2024-25
Cost incurred on well-being measures as a % of total revenue of the company	0.01%	0.01%

2. Details of retirement benefits, for Current FY and Previous Financial Year.

Benefits	FY 2025-26			FY 2024-25		
	No. of employees covered as a % of total employees	No. of workers covered as a % of total workers	Deducted and deposited with the authority (Y/N/N.A.)	No. of employees covered as a % of total employees	No. of workers covered as a % of total workers	Deducted and deposited with the authority (Y/N/N.A.)
PF	99.12	100	Yes	99	100	Yes
Gratuity	100	100	Yes	100	100	Yes
ESI	6.33	100	Yes	6	100	Yes

3. Accessibility of workplaces

Are the premises/offices of the entity accessible to differently abled employees and workers, as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard.

Yes, Astral has provided suitable access for differently-abled employees, establishing an inclusive workplace environment. These accommodations allow all individuals to work effectively and contribute equally to the organisation's success, showcasing Astral's dedication to workplace diversity and inclusivity.

4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy.

Yes, Astral is an equal opportunity employer, and the policy is available on the company website. Astral's Employee Code of Conduct can be found on official webpage: https://www.astraltd.com/wp-content/uploads/2024/06/01.-Employee-Code-of-Conduct-Policy_Astral-Limited.pdf

5. Return to work and Retention rates of permanent employees and workers that took parental leave.

Gender	Permanent employees		Permanent workers	
	Return to work rate	Retention rate	Return to work rate	Retention rate
Male	100%	100%	100%	100%
Female	100%	100%	0%	0%
Total	100%	100%	100%	100%

Note: No permanent female workers availed paternal leave during the reporting period.

6. Is there a mechanism available to receive and redress grievances for the following categories of employees and worker? If yes, give details of the mechanism in brief.

	Yes/No (If Yes, then give details of the mechanism in brief)
Permanent Workers	The Safety Committee and the Grievance Redressal Committee are responsible for addressing grievances at the Plant level and through the HR department in accordance with the statutory requirements.
Other than Permanent Workers	Workers engaged through contractors have the opportunity to address their grievances through their respective contractors.
Permanent Employees	Employees have the option to raise their concerns through their direct supervisor, the Grievance Redressal Committee, or the Human Resources department. In case of grievances, employees can follow the below escalation process: 1 st level: The reported grievance is addressed by the Department Head or HR Representative within 7 days. 2 nd level: If the employee is not satisfied with the resolution at the 1 st level, they can escalate the issue to the Function Head or a Senior HR Representative, who will address it within 7 days. 3 rd level: If the grievance remains unresolved at the 2 nd level, the employee can further escalate it to the Steering Committee, which will resolve the issue within 15 days. Employees can reach out via email, phone, or in-person meeting, but are required to submit a written grievance for actions to be taken. All proceedings will be documented as a case resolution record. In case of delay in resolution, the matter can be escalated to the next level. The decision of the Steering Committee is final and binding. Additionally, specific concerns can also be addressed through the Whistleblower Policy and the POSH (Prevention of Sexual Harassment) committee.
Other than Permanent Employees	

7. Membership of employees and worker in association(s) or Unions recognised by the listed entity:

Category	FY 2025-26			FY 2024-25		
	Total employees/workers in respective category (A)	No. of employees/workers in respective category, who are part of association(s) or Union (B)	% (B/A)	Total employees/workers in respective category (C)	No. of employees/workers in respective category, who are part of association(s) or Union (D)	% (D/C)
Total Permanent Employees	4,611	0	0	4,346	0	0
Male	4,461	0	0	4,193	0	0
Female	150	0	0	153	0	0
Total Permanent Workers	288	0	0	303	0	0
Male	288	0	0	303	0	0
Female	0	0	0	0	0	0

8. Details of training given to employees and workers:

Category	FY 2025-26					FY 2024-25				
	Total (A)	On Health and Safety Measures		On Skills upgradation		Total (D)	On Health and Safety Measures		On Skills upgradation	
		No. (B)	% (B/A)	No. (C)	% (C/A)		No. (E)	% (E/D)	No. (F)	% (F/D)
Employees										
Male	4,709	3,810	81	4,200	89	4,395	3,518	80	3,968	90
Female	172	128	74	134	78	1,69	128	76	134	79

Female	0	0	0	0	0	0
Total	288	288	100	303	303	100

Note: Only permanent employees and permanent workers are considered for performance and career development review. Assessment is done once a year in April.

10. Health and safety management system:

a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/No). If yes, the coverage such system?

Yes.

Astral Limited strives for excellence in health, safety, and environmental protection through the continuous enhancement of its Environmental Management System (EMS) and Occupational Health and Safety Management System (OH&SMS). The company is committed to providing a safe and healthy work environment, preventing work-related injuries and accidents, and effectively managing significant environmental aspects and OH&SMS hazards.

Its objectives include ensuring legal compliance, improving processes, upgrading equipment and facilities to support safe and environmentally friendly operations, preventing pollution, conserving resources and energy, and reducing accidents. The company also implements management programs to improve environmental performance and occupational health and safety outcomes.

The Company also has an in-house doctor stationed at the Head Office (HO) who attends to the medical needs of employees and workers. The doctor also visits plants as needed to provide medical support and assistance.

In addition, Astral Limited focuses on training employees and contract workers, strengthening its Emergency Response Team through certified training as part of its emergency

preparedness initiatives, and conducting regular mock drills. Employee participation is encouraged to support policy implementation and achievement of organisational goals. Periodic audits and management reviews are conducted to ensure the continual improvement and effectiveness of the EMS and OH&SMS.

Astral has implemented an integrated management system in compliance with ISO 9001, ISO 14001, and ISO 45001 standards. The ISO 9001 coverage spans across 16 locations: Head Office, Santej, Santej Adhesive, Dholka, Hosur, Ghiloth, Sangli, Aurangabad, Sitarganj, Cuttack, Guwahati, Jamnagar, Hyderabad, Dahej, Rania & Sompura. On the other hand, ISO 14001 & ISO 45001 cover 8 locations: Head Office, Santej, Dholka, Hosur, Ghiloth, Sangli, Cuttack & Sompura. Astral aims to expand this coverage in the coming years.

b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

Astral has successfully implemented Hazard Identification and Risk Assessment (HIRA), HAZOP & QRA Study to promote a comprehensive approach in identifying hazards, assessing risks, implementing controls, ensuring compliance, and driving continuous improvement. The tools utilised for identifying and evaluating work-related hazards include Process Hazards Analysis through HIRA, employee engagement via the Safety Committee, Internal and External Safety Audit. Regular safety training sessions are conducted, along with the introduction of an audiovisual induction module for visitors. Standard Operating Procedures (SOPs) and a work permit system have been established to promote safe working practices. Unsafe acts and conditions are identified through routine

safety inspections, and appropriate Corrective and Preventive Actions (CAPA) are implemented accordingly. Additionally, mechanisms for reporting near misses, comprehensive activity checklists, and regular audits and compliance assessments are in place to support continuous improvement in workplace safety. Safety Committee meetings oversee and monitor work-related hazards and near-misses. Moreover, regular toolbox talks on the shop floor, theme-based trainings, safety inductions, provision of Personal Protective Equipment (PPE) for each operation, and motivational activities with rewards are conducted consistently. This diligent approach has cultivated a safety-centric culture, resulting in reduced accidents, enhanced protection for personnel and assets, and improved operational efficiency.

c. Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks. (Y/N)

Yes.

d. Do the employees/worker of the entity have access to non-occupational medical and healthcare services? (Yes/No)

Yes.

11. Details of safety related incidents, in the following format:

Safety Incident/Number	Category	FY 2025-26	FY 2024-25
Lost Time Injury Frequency Rate (LTIFR) (per one million-person hours worked)	Employees	0	0
	Workers	0.1051	0.0581
Total recordable work-related injuries	Employees	0	0
	Workers	2	1
No. of fatalities	Employees	0	0
	Workers	0	0
High consequence work-related injury or ill-health (excluding fatalities)	Employees	0	0
	Workers	2	1

Note: Recordable injuries reported are the high-consequence work-related injuries mentioned in the table.

12. Describe the measures taken by the entity to ensure a safe and healthy workplace.

Astral implements a multitude of measures to promote a safe and healthy working environment for all employees, including visitors. Astral has taken following key action points:

- **Supply of Essential Personal Protective Equipment (PPE):** Astral provides provisions to protect employees and workers from potential hazard according to standard.
- **Implementation of a Comprehensive Fire Hydrant System:** A robust fire hydrant system, Sprinkler system, foam trolley, Foam and Water Monitors and various type of Fire Extinguisher, has been installed to effectively combat fire hazards.
- **Emergency Assembly Area Establishment:** A designated emergency gathering area allows for safe congregation during emergencies and displayed route signages with Emergency Evacuation Plan.
- **Utility Accessibility:** Ensuring easy access to utilities such as drinking water and sanitary facilities promotes a hygienic working environment.
- **Reinforced Physical Security:** Strategically positioned CCTV cameras improve premises' surveillance and physical security.
- **Established Guidelines for Health and Safety Procedures:** Clearly defined and effectively communicated health and safety-related Standard Operating Procedures (SOPs) strengthen compliance with safety protocols among employees and contractors.
- **Regular Trainings and Simulations on Health and Safety:** Astral conducts regular health and safety training, mock drills, and certified training sessions on specific subjects such as firefighting, first aid, emergency response, etc., at all locations to ensure readiness for emergencies.
- **Medical Facilities:** Access to a plant-side ambulance room or an on-site health center with paramedical staff is provided. Blood donation and vaccination camps are organised at various locations. Additionally, there is a partnership with nearby hospitals to manage any medical emergencies.
- **Implementation of Safety Consciousness Initiatives:** Astral engages in safety week celebrations and award distributions to motivate employees and contract workers to uphold a safe environment. Near-Miss Reporting Stations have been implemented for easy access and efficient reporting. Audio Visual EHS Training module prepared and access given in ELMS system to all. Road Safety Awareness season conducted for all.

These measures highlight Astral's commitment to prioritising the safety and well-being of everyone associated with the organisation.

13. Number of Complaints on the following made by employees and workers:

	FY 2025-26			FY 2024-25		
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks
Working Conditions	0	0	-	0	0	-
Health & Safety	0	0	-	0	0	-

14. Assessments for the year:

	% Of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Health and safety practices	100%
Working Conditions	100%

Note: Astral assesses all plants for their health and safety practices, as well as prevailing working conditions.

15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks/concerns arising from assessments of health & safety practices and working conditions.

Astral implements corrective actions that include conducting standard procedure-aligned accident investigations to identify preventive and corrective measures aimed at preventing reoccurrences. These actions also involve regularly reviewing and updating the Hazard Identification and Risk Assessment (HIRA) process to minimise significant risks and providing relevant training to enhance awareness and understanding among employees.

Leadership Indicators**1. Does the entity extend any life insurance or any compensatory package in the event of death of (A) Employees (Y/N) (B) Workers (Y/N).**

A. Yes.

B. Yes.

Note: The compensation package has been expanded to cover all permanent employees and workers who are on the company's payroll.

2. Provide the measures undertaken by the entity to ensure that statutory dues have been deducted and deposited by the value chain partners.

The company emphasises regulatory compliance and ensures that all statutory obligations are deducted and deposited by its value chain partners. Before entering into any partnership with a vendor or business partner, the company conducts a comprehensive assessment of their compliance status, which includes reviewing relevant licenses and registrations.

3. Does the entity provide transition assistance programs to facilitate continued employability and the management of career endings resulting from retirement or termination of employment? (Yes/No)

Yes, Astral provides transition assistance programs to support employees in navigating the conclusion of their careers due to retirement or termination. Depending on management's discretion, individuals may be considered for advisory roles. Furthermore, employees are entitled to gratuity or severance pay, which is determined by their tenure of service with the company.

4. Details on assessment of value chain partners:

	% of value chain partners (by value of business done with such partners) that were assessed
Health and safety practices	Nil
Working Conditions	Nil

5. Provide details of any corrective actions taken or underway to address significant risks/concerns arising from assessments of health and safety practices and working conditions of value chain partners.

Currently, Astral does not evaluate the value chain partners based on their health and safety practices and working conditions. However, the company plans to introduce an assessment process to scrutinise partners in these areas. This initiative will enable Astral to pinpoint and mitigate any potential risks or concerns associated with health and safety practices and working conditions throughout the value chain.

PRINCIPLE 4: Businesses should respect the interests of and be responsive to all its stakeholders

Essential Indicators

1. Describe the processes for identifying key stakeholder groups of the entity.

Astral adopts a holistic and structured approach to stakeholder engagement, taking into account past feedback, evolving expectations, and the dynamics of its relationships. This approach extends beyond directly engaged stakeholders to include those who indirectly influence the Company's operations, decisions, and outcomes. Astral recognises the critical role of both internal stakeholders such as employees and external stakeholders, including investors, suppliers, customers, contractors, regulators, and the broader community.

Each stakeholder group contributes to the business in distinct yet interconnected ways, from offering financial support and operational collaboration to shaping strategic priorities. By acknowledging the complexity and interdependence within this stakeholder ecosystem, the Company reinforces its commitment to transparent communication, mutually beneficial partnerships, and long term sustainable value creation.

2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group.

Stakeholder group	Whether identified as Vulnerable & Marginalized Group (Yes/No)	Channels of communication (Emails, SMS, Newspapers, Pamphlets, Advertisement, Community meetings, Notices Board, Website)	Frequency of engagement (Annually/ Half yearly/ Quarterly/ others)- Please specify	Purpose and scope of engagement including key topics and concerns raised during such engagements
Customers	No	Website, Advertisement SMS, Digital Media, Customer survey Marketing initiatives, Customer service helpline, One to one interactions and meetings	Annual and Demand-based	Customer engagement entails forging relationships, comprehending requirements, and addressing issues related to product quality, service experiences, pricing, and overall customer satisfaction. By actively receiving and considering feedback, companies can boost customer loyalty, spur innovation, and enhance success by providing personalised solutions and nurturing enduring relationships.
Employees and Workers	No	Internal newsletters, Personalised, Learning and development programmes, Notice board, Reward and recognition, Leadership Meet, Employee engagement surveys, Digital engagement, Induction programmes, HR Helpdesk, Exit Interview	Ongoing and Demand-based	Employee engagement strives to foster a conducive work atmosphere where employees are driven, have a sense of empowerment, and resonate with organisational objectives. Important considerations involve career progression, balancing personal and professional lives, remuneration, recognition, communication, and organisational culture. By prioritizing these aspects, organisations can elevate performance levels, lower attrition rates, and successfully reach strategic goals by leveraging a highly engaged and dedicated workforce.

2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group. (Contd.)

Stakeholder group	Whether identified as Vulnerable & Marginalized Group (Yes/No)	Channels of communication (Emails, SMS, Newspapers, Pamphlets, Advertisement, Community meetings, Notices Board, Website)	Frequency of engagement (Annually/ Half yearly/ Quarterly/ others)- Please specify	Purpose and scope of engagement including key topics and concerns raised during such engagements
Investors & Shareholders	No	Investor presentations, Earnings Call, Investor conferences, AGM, Frequent interactions through virtual calls, One-to-One Meetings, Communication Of Financial Results	Annual, Half yearly, Quarterly and Demand-based	Investor engagement emphasises clear communication, updating investors about the company's performance, and debating crucial subjects such as financial outcomes, strategic plans, governance, and growth potential. By assuaging investor apprehensions and building trust through transparent communication, companies can consolidate relationships, elevate credibility, and lead to sustained shareholder value.
Suppliers and Vendors	No	Supplier Meeting, Suppliers audit, Forums and seminars, Collaboration with vendors, Contract negotiation, Site Visits and Inspection, Vendor Quality Assessment, Vendor Performance Assessment	Annual, Half-yearly and Demand-based	Engagement with suppliers and vendors centers on nurturing strong partnerships, driving innovation, and promoting ethical conduct. Crucial aspects encompass quality standards, pricing, delivery timelines, sustainability, and compliance. Addressing issues such as payment conditions and product quality through effective dialogue leads to resilient supply chains and creates enduring value for all involved parties.
Communities and NGOs	No	Employee voluntary activities, Field visits, Community meetings, Website, Pamphlets, Newspaper, CSR activity	Annual, Half yearly, Ongoing and Demand-based	Supporting vulnerable communities via healthcare, education, environmental preservation, skill enhancement, and infrastructure initiatives reflects a company's dedication to community engagement and sustainable influence. These endeavours uplift the disadvantaged, cultivate well-being, and effect enduring, positive transformations within the community.
Government and regulatory bodies	No	Email, Letter, Website	Annual or Demand-based	By engaging proactively with government stakeholders, businesses can impact policies, mold regulations, and promote a collaborative environment for reciprocal advantages. Important issues include prompt tax payments, filing of returns, and aiding in assessments. By proactively engaging with regulators, Astral can foster trust, mitigate risks, and promote ethical business practices, which include the submission of quarterly and annual financials, and regulatory forms. Such synergy aids in bolstering industry stability and sustainability.

Leadership Indicators

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

Stakeholder feedback plays a crucial role in shaping the Company's strategic planning and decision making processes, particularly on economic, environmental, and social topics. Engagement with stakeholders is facilitated through designated departmental heads, who interact directly with relevant stakeholder groups within their operational domains. These leaders collect, review, and consolidate stakeholder perspectives especially employee viewpoints on significant issues and submit their assessments for the consideration and final approval of the Chief Human Resources Officer (CHRO). The CHRO, who is vested with decision making authority delegated by the Board, collaborates closely with the Board to ensure that stakeholder insights are appropriately integrated into strategic directions and organisational priorities. This structured process ensures seamless communication, effective consultation, and consistent alignment between stakeholder expectations and Board level decisions.

2. Whether stakeholder consultation is used to support the identification and management of environmental, and social topics (Yes/No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.

Yes, stakeholder engagement is vital for understanding their needs effectively. The company utilises a range of communication methods, including virtual meetings, face-to-face discussions, and social media, to provide diverse avenues for consultation.

3. Provide details of instances of engagement with, and actions taken to, address the concerns of vulnerable/marginalized stakeholder groups.

The Company places strong emphasis on Corporate Social Responsibility (CSR) and integrates it as a key component of its overall business objectives, recognising its responsibility to contribute positively to society. In accordance with statutory requirements, the Company has established the Astral Foundation, which serves as the dedicated vehicle for its CSR initiatives. The Foundation collaborates with various partner organisations to drive impactful programs across Health, Education, Environment, and Wildlife Conservation. Through these focused efforts, the Company reinforces its steadfast commitment to improving community well being and fostering sustainable development.

PRINCIPLE 5: Businesses should respect and promote human rights

Essential Indicators

1. Employees and workers who have been provided training on human rights issues and policy(ies) of the entity, in the following format:

Category	FY 2025-26			FY 2024-25		
	Total (A)	No. of employees/ workers covered (B)	% (B/A)	Total (C)	No. of employees/ workers covered (D)	% (D/C)
Employees						
Permanent	4,611	2,812	61	4,346	2,816	65

Female	9	9	100	0	0	10	10	100	0	0

3. Details of remuneration/salary/wages

a. Median remuneration/wages:

Gender	Male		Female	
	Number	Median remuneration/salary/wages of respective category	Number	Median remuneration/salary/wages of respective category
Board of Directors* (Executive Directors)	4	4,56,05,724	1	2,10,07,188
Key Managerial Personnel**	1	19,94,001	-	-
Employees other than BoD and KMP	4,456	5,04,000	148	5,63,148
Workers	288	2,39,928	-	-

*Since Independent Directors received no remuneration except sitting fee (if any) for attending Board/Committee meetings, the required details are not applicable.

**Mr. Chintankumar Patel is considered as a Key Managerial Personnel (KMP) w.e.f. November 7, 2024. KMPs who are part of the Board of Directors have been excluded.

Median remuneration is calculated considering the actual payment made to the number of employees who have received remuneration during the entire reporting period (1st April 2025 to 31st March 2026).

b. Gross wages paid to females as % of total wages paid by the entity, in the following format:

	FY 2025-26	FY 2024-25
Gross wages paid to females as % of total wages	2.54%	3.68%

4. Do you have a focal point (Individual/Committee) responsible for addressing human rights impacts or issues caused or contributed to by the business? (Yes/No)

Yes, Astral has designated HR and compliance teams to handle human rights-related concerns and ensure issues are reviewed and addressed appropriately.

5. Describe the internal mechanisms in place to redress grievances related to human rights issues.

In the event of a complaint, employees are encouraged to raise concerns with the Steering Committee or their Department Head through email, telephone, or in person communication. To formally initiate the resolution process, a written grievance must be submitted to the designated officer. The officials responsible for grievance handling are required to document all proceedings and maintain these records throughout the resolution process. The outcome must be communicated to the employee within a

defined timeframe; if this timeline is not met, the employee has the right to escalate the matter to a higher level of management. Once the Steering Committee reviews and closes the case, its decision is deemed final and binding. Additionally, an Internal Complaints Committee (ICC) has been constituted to address grievances related to the Prevention of Sexual Harassment (POSH) in accordance with statutory requirements.

6. Number of Complaints on the following made by employees and workers:

Category	FY 2025-26			FY 2024-25		
	Filed during the year	Pending resolution at the end of the year	Remarks	Filed during the year	Pending resolution at the end of the year	Remarks
Sexual Harassment	0	0	-	0	0	-
Discrimination at workplace	0	0	-	0	0	-
Child Labour	0	0	-	0	0	-
Forced Labour/ Involuntary Labour	0	0	-	0	0	-
Wages	0	0	-	0	0	-
Other human rights related issues	0	0	-	0	0	-

7. Complaints filed under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, in the following format:

	FY 2025-26	FY 2024-25
Total Complaints reported under Sexual Harassment on of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (POSH)	0	0
Complaints on POSH as a % of female employees/workers	0	0
Complaints on POSH upheld	0	0

8. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.

Astral has created clear guidelines to prevent all sorts of discrimination or harassment and to protect those who report such instances. These guidelines include the whistle-blower policy and initiatives to protect women from harassment. Grievance Redressal Committee, Steering Committee, and Whistle Blower Committee handle these matters with utmost confidentiality. Individuals who handle or process such complaints and breach internal confidentiality rules will face disciplinary repercussions. Furthermore, Whistle-blower policy offers necessary protections for all individuals who report misdemeanours and for all parties involved.

9. Do human rights requirements form part of your business agreements and contracts? (Yes/No)

Yes.

10. Assessments for the year:

	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Sexual Harassment	100%
Discrimination at workplace	100%
Child Labour	100%
Forced Labour/Involuntary Labour	100%
Wages	100%
Others – please specify	-

Note: Astral assesses all plants for conditions of human rights at workplace.

11. Provide details of any corrective actions taken or underway to address significant risks/concerns arising from the assessments at Question 10 above.

Astral continuously ensures that only persons who are 18 years and over are employed, employees only work voluntarily beyond normal working hours, and that employees are paid without any gender bias and equality is maintained.

Leadership Indicators

1. Details of a business process being modified/introduced as a result of addressing human rights grievances/complaints.

Not Applicable.

2. Details of the scope and coverage of any Human rights due-diligence conducted.

Astral remains diligent in implementing its Human Rights Policy and consistently works to sensitise its workforce on the importance of respecting and upholding human rights within the workplace. Through awareness initiatives and employee engagement, the Company reinforces its commitment to fostering a fair, safe, and inclusive environment.

However, Astral has not yet undertaken a formal human rights due diligence process.

3. Is the premise/office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016?

Yes, the office of the company is accessible to differently abled visitors.

4. Assessments for the year:

	% of value chain partners (by value of business done with such partners) that were assessed
Sexual Harassment	Nil
Discrimination at workplace	Nil
Child Labour	Nil
Forced Labour/Involuntary Labour	Nil
Wages	Nil
Others – please specify	Nil

5. Provide details of any corrective actions taken or underway to address significant risks/concerns arising from the assessments at Question 4 above.

Astral is proactively implementing its Supplier Code of Conduct to raise awareness among suppliers about the importance of upholding human rights in the workplace. Through this initiative, the Company aims to promote responsible practices across its supply chain. However, as no formal human rights assessments have been carried out so far, no corrective actions have been required at this stage.

PRINCIPLE 6: Businesses should respect and make efforts to protect and restore the environment

Essential Indicators

1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:

Parameter	FY 2025-26	FY 2024-25
From renewable sources (GJ)		
Total electricity consumption (A)	1,19,241.22	85,738.90
Total fuel consumption (B)	0	0
Energy consumption through other sources (C)	0	0
Total energy consumed from renewable sources (A+B+C)	1,19,241.22	85,738.90
From non-renewable sources (GJ)		
Total electricity consumption (D)	4,88,362.51	4,37,815.18
Total fuel consumption (E)	78,573.56	64,832.67
Energy consumption through other sources (F)	0	0
Total energy consumed from non-renewable sources (D+E+F)	5,66,936.07	5,02,647.84
Total energy consumed (A+B+C+D+E+F)	6,86,177.29	5,88,386.75
Energy intensity per rupee of turnover (Total energy consumed/Revenue from Operations) (GJ/₹ crore)	116.14	111.10

1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format: (Contd.)

Parameter	FY 2025-26	FY 2024-25
Energy intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP)* (Total energy consumed/Revenue from operations adjusted for PPP) (GJ/\$)	0.000236	0.000230
Energy intensity in terms of physical Output (GJ/MT)	2.35	2.36
Energy intensity (optional) – the relevant metric may be selected by the entity	-	-

*PPP conversation rate 2026 – 20.34, PPP conversation rate 2025 – 20.66 (Source: International Monetary Fund-Implied PPP conversion rate – India)
<https://www.imf.org/external/datamapper/PPPEX@WEO/OEMDC/IND>

The increase in energy consumption is primarily attributable to the addition of the Ghiloth and Kanpur facilities during FY 2025-26. Additionally, the Hyderabad plant was only partially operational in the previous year and operated at full capacity during the current year, resulting in higher consumption. Furthermore, multiple dry runs were conducted across different plants, resulting in increased consumption.

Note: Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes, independent assurance has been carried out by M/s Hetal J Shah & Co.

2. Does the entity have any sites/facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.

Astral Limited does not have sites/facilities identified as designated consumers under the Performance, Achieve and Trade (PAT) Scheme of the Government of India.

3. Provide details of the following disclosures related to water, in the following format:

Parameter	FY 2025-26	FY 2024-25
Water withdrawal by source (in kilolitres)		
(i) Surface water	0	0.00
(ii) Groundwater	114,817.94	1,00,891.06
(iii) Third party water	49,294.32	31,253.53
(iv) Seawater/desalinated water	0	0.00
(v) Others	0	0.00
Total volume of water withdrawal (in kilolitres) (i + ii + iii + iv + v)	164,112.26	1,32,144.59
Total volume of water consumption (in kilolitres) *	164,112.26	1,32,144.59
Water intensity per rupee of turnover (Total water consumption/Revenue from Operations) (KL/₹ crore)	27.78	24.95
Water intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP)* (Total water consumption/Revenue from operations adjusted for PPP) (KL/\$)	0.0000565	0.0000516
Water intensity in terms of physical (KL/MT)	0.56	0.53
Water intensity (optional) –the relevant metric may be selected by the entity	-	-

* The increase in water consumption is primarily attributable to the addition of the Ghiloth and Kanpur facilities during FY 2025-26. Additionally, the Hyderabad plant was only partially operational in the previous year and operated at full capacity during the current year, resulting in higher water consumption.

Furthermore, multiple dry runs were conducted across different plants, resulting in increased consumption.

**PPP conversation rate 2026 – 20.34, PPP conversation rate 2025 – 20.66 (Source: International Monetary Fund-Implied PPP conversion rate – India)
<https://www.imf.org/external/datamapper/PPPEX@WEO/OEMDC/IND>

Note: Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes, independent assurance has been carried out by M/s Hetal J Shah & Co.

4. Provide the following details related to water discharged:

Parameter	FY 2025-26	FY 2024-25
Water discharge by destination and level of treatment (in kilolitres)		
(i) To Surface water	0	0
- No treatment	0	0
- With treatment – please specify level of treatment	0	0
(ii) To Groundwater	0	0
- No treatment	0	0
- With treatment – please specify level of treatment	0	0
(iii) To Seawater	0	0
- No treatment	0	0
- With treatment – please specify level of treatment	0	0
(iv) Sent to third-parties	0	0
- No treatment	0	0
- With treatment – please specify level of treatment	0	0
(v) Others	0	0
- No treatment	0	0
- With treatment – please specify level of treatment	0	0
Total water discharged (in kilolitres)	0	0

Note: Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes, independent assurance has been carried out by M/s Hetal J Shah & Co.

5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.

Yes, Astral has implemented 'Zero Liquid Discharge' across its operational locations through appropriate reuse of Effluent Treatment Plant (ETP) and Sewerage Treatment Plant (STP) as per the regulatory requirements.

6. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

Parameter	Please specify unit	FY 2025-26	FY 2024-25
NOx	tons	3.08	1.11
SOx	tons	1.07	0.48
Particulate matter (PM)	tons	2.85	1.33
Persistent organic pollutants (POP)	tons	0	0
Volatile organic compounds (VOC)	tons	0	0
Hazardous air pollutants (HAP)	tons	0	0
Others – please Specify - Fluoride	-	-	-

The increase in air emissions is primarily attributable to higher operating hours at the Rania facility and the addition of the Kanpur, Hyderabad, Jamnagar and Ghiloth facilities.

Note: Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

No, independent assessment/evaluation/assurance has been carried out by an external agency.

7. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:

Parameter	Please specify unit	FY 2025-26	FY 2024-25
Total Scope 1 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	4,874.62	4,059.31
Total Scope 2 emissions (Break-up of the GHG into CO ₂ , CH ₄ , N ₂ O, HFCs, PFCs, SF ₆ , NF ₃ , if available)	Metric tonnes of CO ₂ equivalent	96,315.94	88,414.34
Total Scope 1 and Scope 2 emission intensity per rupee of turnover (Total Scope 1 and Scope 2 GHG emissions/Revenue from Operations)	tCO ₂ e/₹ crore	17.13	17.46
Total Scope 1 and Scope 2 emission intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP)* (Total Scope 1 and Scope 2 GHG emissions/Revenue from operations adjusted for PPP)	tCO ₂ e/\$	0.0000348	0.0000361
Total Scope 1 and Scope 2 emission intensity in terms of physical output	tCO ₂ e/MT	0.35	0.37
Total Scope 1 and Scope 2 emission intensity (optional) – the relevant metric may be selected by the entity	-	-	-

*PPP conversion rate 2026 – 20.34, PPP conversion rate 2025 – 20.66 (Source: International Monetary Fund-Implied PPP conversion rate – India) <https://www.imf.org/external/datamapper/PPPEX@WEO/OEMDC/IND>

The increase in Scope 1 and Scope 2 Emissions is primarily attributable to the addition of the Ghiloth and Kanpur facilities during FY 2025-26. Additionally, the Hyderabad plant was only partially operational in the previous year and operated at full capacity during the current year, resulting in higher emissions. Furthermore, multiple dry runs were conducted across different plants, resulting in increased emissions.

Note: Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes, independent assurance has been carried out by M/s Hetal J Shah & Co.

8. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.

Yes, Astral has embarked on a project with CII titled “Sustainable Workspaces and Indian Business Environment”. This project aims to (1) measure the impacts of sustainable design and practices on various social and economic aspects in a workplace (2) craft a matrix that translates these impacts into a comprehensive score for individual workplaces to use for self-assessment (3) pinpoint benchmarks that define performance indicators for individual workplaces. Moreover, Astral has constructed a green building that serves as one of its offices in Dholka, Gujarat, and is exploring opportunities to replicate this at other sites. Our facility in Dholka is a multi-purpose green building housing our corporate offices and our valves manufacturing operations. Our Silencio manufacturing process has been awarded a GREENCO Gold certification, demonstrating our dedication to reducing GHG emissions. Our CPVC PRO, SILENCIO, and DRAINPRO products have earned GREENPRO Certification, with additional GRIHA certification for CPVC PRO. We have also LEED Green Building Certification for Silencio manufacturing building.

9. Provide details related to waste management by the entity, in the following format:

Parameter	FY 2025-26	FY 2024-25
Total Waste generated (in metric tonnes)		
Plastic waste (A)	1,563.82	1,306.63
E-waste (B)	-	-
Bio-medical waste (C)	-	-
Construction and demolition waste (D)*	307.55	1,884.79
Battery waste (E)#	16.65	-
Radioactive waste (F)	-	-
Other Hazardous waste. Please specify, if any. (G)	719.09	566.13
Other Non-hazardous waste generated (H). Please specify, if any. (Break-up by composition i.e. by materials relevant to the sector)	2,599.58	2,662.46
Total (A+B + C + D + E + F + G + H)	5,206.68	6,420.01

9. Provide details related to waste management by the entity, in the following format: (Contd.)

Parameter	FY 2025-26	FY 2024-25
Waste intensity per rupee of turnover (Total waste generated/Revenue from Operations) (MT/₹ crore)	0.88	1.21
Waste intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP)** (Total waste generated/Revenue from operations adjusted for PPP) (MT/\$)	0.00000179	0.00000250
Waste intensity in terms of physical output (MT/MT)	0.0178	0.0257
Waste intensity (optional) – the relevant metric may be selected by the entity		
For each category of waste generated, total waste recovered through recycling, re-using or other recovery operations (in metric tonnes)^		
Category of waste		
(i) Recycled***	5,071.48	6,261.93
(ii) Re-used	-	-
(iii) Other recovery operations	-	-
Total	5,071.48	6,261.93
For each category of waste generated, total waste disposed by nature of disposal method (in metric tonnes)		
Category of waste		
(i) Incineration	41.15	54.69
(ii) Landfilling	93.86	55.51
(iii) Other disposal operations	-	-
Total	135.01	110.20

* FY 2024-25 included major construction and expansion activities at Santej, Dholka and Hosur facilities. As these activities were substantially completed during FY 2025-26, the generation of construction and demolition waste decreased in the current year.

**PPP conversion rate 2026 – 20.34, PPP conversion rate 2025 – 20.66 (Source: International Monetary Fund-Implied PPP conversion rate – India) <https://www.imf.org/external/datamapper/PPPEX@WEO/OEMDC/IND>

***During FY 2025-26, Astral initiated the diversion of non-hazardous waste to third-party vendors for recycling, resulting in an increase in the quantity of waste recycled.

#The battery waste generated is returned to the battery manufacturer under a buy-back mechanism.

^Certain waste streams previously reported under "other disposal operations" have been reclassified as "recycled" based on updated information on their final treatment. Hence, FY 2024-25 values have been restated.

Note: Indicate if any independent assessment/evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes, independent assurance has been carried out by M/s Hetal J Shah & Co.

10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.

Astral follows a stringent waste management strategy that involves segregating waste into hazardous and non-hazardous categories, which are then appropriately disposed of or recycled in compliance with Hazardous Waste Management regulations by authorised vendors. Furthermore, the company ensures that its manufacturing process does not involve any toxic chemicals, emphasising commitment to environmentally friendly practices and sustainability.

11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals/clearances are required, please specify details in the following format:

Not Applicable.

12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

Name and brief details of project	EIA Notification No.	Date	Whether conducted by independent external agency (Yes/No)	Results communicated in public domain (Yes/No)	Relevant Web link
Not Applicable.					

13. Is the entity compliant with the applicable environmental law/regulations/guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:

Yes. Astral Limited was compliant with the applicable environmental law/regulations/guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder.

Sr. No.	Specify the law/regulation/guidelines which was not complied with	Provide details of the non-compliance	Any fines/penalties/action taken by regulatory agencies such as pollution control boards or by courts	Corrective action taken, if any
Not Applicable.				

Leadership Indicators

1. With respect to the ecologically sensitive areas reported at Question 11 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities.

Not applicable.

2. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions/effluent discharge/waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:

Sr. No.	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative
1	Reduction of Energy Consumption in Conveying Pump	The initiative focused on reducing energy consumption and maintenance costs by replacing the existing conveying pump with energy-efficient equipment. It also optimised material handling, leading to improved operational efficiency.	Achieved energy savings, reduced maintenance cost.
2	Improvement by Application of Energy Saving Heaters	The initiative addressed frequent heater replacements by introducing insulated, energy-saving heaters. This helped improve efficiency while reducing energy usage and operational interruptions.	Achieved energy savings, reduced maintenance costs, and minimised breakdown time.
3	Conversion of Assembled Fittings into Single Piece Molded Fittings	The initiative replaced assembled fittings with single-piece molded fittings to reduce product weight and material usage. New molds were developed based on sales data to streamline production and improve efficiency.	Achieved raw material conservation, reduced manpower and time along with quick test results.
4	Smart PO Panel	A Smart PO Panel was installed for the chilling plant after evaluating performance data and benchmarking different panel configurations. The selected panel was identified as the most suitable option to improve the energy efficiency of the chilling plant operations.	The initiative has resulted in an energy saving of approximately 7,200 kWh per month.

3. Does the entity have a business continuity and disaster management plan? Give details in 100 words/web link.

Yes, Astral has a Business Continuity Plan in place. Astral keeps a disaster recovery site operational to secure the resilience and availability of all vital business applications. We remain dedicated to preserving operational continuity and minimising any potential interruptions to our services. Furthermore, Astral has an On-site emergency Plan laying down the emergency procedures to follow during the onset of a natural disaster.

4. Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard.

Astral is actively enforcing the Supplier Code of Conduct to enhance supplier awareness about the environmental impacts of business.

5. Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts.

Astral is actively enforcing the Supplier Code of Conduct to enhance supplier awareness about the environmental impacts of business. However, no such assessments have been carried out.

6. How many Green Credits have been generated or procured:

a. By the listed entity

b. By the top ten (in terms of value of purchases and sales, respectively) value chain partners"

None.

PRINCIPLE 7: Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent

Essential Indicators

1. a. Number of affiliations with trade and industry chambers/associations.

Five.

b. List the top 10 trade and industry chambers/associations (determined based on the total members of such body) the entity is a member of/affiliated to.

Sr. No.	Name of the trade and industry chambers/associations	Reach of trade and industry chambers/associations
1	Gujarat Chamber of Commerce and Industry	State
2	Confederation of Indian Industry	National
3	Federation of Indian Export Organisation	National
4	Indian Plumbing Association	National
5	Federation of Indian Chambers of Commerce & Industry	National

2. Provide details of corrective action taken or underway on any issues related to anti-competitive conduct by the entity, based on adverse orders from regulatory authorities.

Name of authority	Brief of the case	Corrective action taken
Not applicable as no such conflicts have occurred.		

Leadership Indicators

1. Details of public policy positions advocated by the entity:

Sr. No.	Public policy advocated	Method resorted for such advocacy	Whether information available in public domain? (Yes/No)	Frequency of Review by Board (Annually/Half yearly/Quarterly/ Others – please specify)	Web Link, if available
---------	-------------------------	-----------------------------------	--	--	------------------------

The company has not participated in public policy advocacy yet.

PRINCIPLE 8: Businesses should promote inclusive growth and equitable development**Essential Indicators**

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.

Name and brief details of project	SIA Notification No.	Date of notification	Whether conducted by independent external agency (Yes/No)	Results communicated in public domain	Relevant Web link
-----------------------------------	----------------------	----------------------	---	---------------------------------------	-------------------

Not Applicable.

2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity, in the following format:

Sr. No.	Name of Project for which R&R is ongoing	State	District	No. of Project Affected Families (PAFs)	% of PAFs covered by R&R	Amounts paid to PAFs in the FY (In INR)
---------	--	-------	----------	---	--------------------------	---

Not Applicable.

3. Describe the mechanisms to receive and redress grievances of the community.

The grievance redressal mechanisms stated in Principle 3 – Question E 6 is applied to redress grievances from the community, including the escalation matrix mentioned.

4. Percentage of input material (inputs to total inputs by value) sourced from suppliers:

	FY 2025-26	FY 2024-25
Directly sourced from MSMEs/small producers	24.65%	23.99%
Directly from within India	79.44%	76.49%

5. Job creation in smaller towns – Disclose wages paid to persons employed (including employees or workers employed on a permanent or non-permanent/on contract basis) in the following locations, as % of total wage cost:

Location	FY 2025-26	FY 2024-25
Rural	17.70%	17.29%
Semi-urban	3.50%	5.82%
Urban	26.03%	24.87%
Metropolitan	52.64%	52.02%

(Place to be categorized as per RBI Classification System - rural/semi-urban/urban/metropolitan)

Note: The calculation has been done based on the Industry Standards on BRSR Core dated 20th December 2024.

Leadership Indicators

1. Provide details of actions taken to mitigate any negative social impacts identified in the Social Impact Assessments (Reference: Question 1 of Essential Indicators above):

Details of negative social impact identified	Corrective action taken
NA	NA

2. Provide the following information on CSR projects undertaken by your entity in designated aspirational districts as identified by government bodies:

Sr. No.	State	Aspirational District	Amount spent (in INR)
1	Maharashtra	Gadchiroli	21,23,348
2	Rajasthan	Bundi	16,23,106
3	Gujarat	Narmada	1,46,616
4	Rajasthan	Sawai Madhopur	34,04,307
5	Rajasthan	Dholpur	2,66,078
6	Rajasthan	Karoli	4,70,000
7	Jammu & Kashmir	Baramulla	50,00,000
8	Rajasthan	Jaisalmer	96,023

3. a) Do you have a preferential procurement policy where you give preference to purchase from suppliers comprising marginalized/vulnerable groups? (Yes/No)

No.

b) From which marginalized/vulnerable groups do you procure?

Not Applicable.

c) What percentage of total procurement (by value) does it constitute?

Not Applicable.

4. Details of the benefits derived and shared from the intellectual properties owned or acquired by your entity (in the current financial year), based on traditional knowledge:

Sr. No.	Intellectual Property based on traditional knowledge	Owned/Acquired (Yes/No)	Benefit shared (Yes/No)	Basis of calculating benefit share
---------	--	-------------------------	-------------------------	------------------------------------

Not Applicable.

5. Details of corrective actions taken or underway, based on any adverse order in intellectual property related disputes wherein usage of traditional knowledge is involved.

Name of authority	Brief of the Case	Corrective action taken
-------------------	-------------------	-------------------------

Not Applicable.

6. Details of beneficiaries of CSR Projects:

Sr. No.	CSR Project	No. of persons benefitted from CSR Projects	% of beneficiaries from vulnerable and marginalized groups
1	Abhaya Project	24,211	100
2	Astral foundation Scholarship Project	37	100
3	Bal Sarthi Project	3,569	100
4	Center of Excellence in nutrition	38,50,000	100
5	Sarthi Project	77,266	100
6	Shiksha Sarthi Project	22,305	100
7	Paryavaran Project	4,479	100
8	Save Girl Save Tree Project	5,600	100
9	Sundarvan Project	1,18,330	50
10	Aarogyam Project	5,667	90
11	Healthy Mother Healthy Baby'	2,474	100
12	Vadil Vandana Project	104	100

PRINCIPLE 9: Businesses should engage with and provide value to their consumers in a responsible manner

Essential Indicators

1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.

Customers are given various options to contact the company's customer service, which include dialing the toll-free number 18002337957, visiting their website to report their issues, or notifying their Distributor, who will then create a Ticket in the Distributor portal. Upon filing a complaint, it is directed to the Customer Care Department and then delegated to the relevant field staff. This staff member contacts the customer to understand the issue comprehensively, followed by an on-site resolution. If required, material samples are taken for quality control laboratory testing, and the test results are shared with the customer. The results then dictate the necessary corrective steps to be enacted.

Moreover, the Adhesive division has a specialised customer care number, 7311103331, and a portal for complaints, inquiries, recommendations, and feedback at wecare.astraladhesives.com. This portal allows any individual to post their comments, which generates a ticket and forwards the request to the department concerned for resolution. Each ticket number corresponds to an escalation matrix, and in case of a delayed response, a direct notification is sent to the Department Head. Similarly for Pipes and Bathware division, we are receiving service calls by SCRM through CRM team on toll free number - 8511781111.

2. Turnover of products and/services as a percentage of turnover from all products/service that carry information about:

	As a percentage to total turnover
Environmental and social parameters relevant to the product	100%
Safe and responsible usage	100%
Recycling and/or safe disposal	100%

3. Number of consumer complaints in respect of the following:

Category	FY 2025-26			FY 2024-25		
	Filed during the year	Pending resolution at the end of the year	Remarks	Filed during the year	Pending resolution at the end of the year	Remarks
Data privacy	Nil	Nil	-	Nil	Nil	-
Advertising	Nil	Nil	-	Nil	Nil	-
Cyber-security	Nil	Nil	-	Nil	Nil	-
Delivery of essential services	Nil	Nil	-	Nil	Nil	-
Restrictive Trade Practices	Nil	Nil	-	Nil	Nil	-
Unfair Trade Practices	Nil	Nil	-	Nil	Nil	-
Other – Quality Control	Nil	Nil	-	Nil	Nil	-

4. Details of instances of product recalls on account of safety issues:

	Number	Reasons for recall
Voluntary recalls	0	NA
Forced recalls	0	NA

5. Does the entity have a framework/policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web-link of the policy.

Yes.

Weblink: [Information Security Policy](#)

6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty/action taken by regulatory authorities on safety of products/services.

Not Applicable.

7. Provide the following information relating to data breaches:

a. Number of instances of data breaches

Nil.

b. Percentage of data breaches involving personally identifiable information of customers

Nil.

c. Impact, if any, of the data breaches

Nil.

Leadership Indicators

1. Channels/platforms where information on products and services of the entity can be accessed (provide web link, if available).

All product-related information can be accessed on the Company's official webpage. As a standard practice, Astral also circulate catalogues to dealers and customers, covering product specifications and usage. Astral also utilises the WhatsApp channel for disseminating information along with the plumber meet. Weblink- <https://www.astraltd.com/>

2. Steps taken to inform and educate consumers about safe and responsible usage of products and/or services.

The company has proactively taken multiple steps to inform and educate consumers about the safe and responsible usage of products. This includes product labelling and sharing material safety data sheets (MSDS). These initiatives aim to educate and engage all value chain partners on a wide range of products, their specifications, and the safe and responsible

use of these products. This enables value chain partners to gain a clear understanding of the products, their intended usage, and potential applications. Additionally, the company circulates catalogues, instruction manuals, video of products and presentation to its dealers and customers when selling products, providing information on product specifications and proper usage.

3. Mechanisms in place to inform consumers of any risk of disruption/discontinuation of essential services.

The Company has a mechanism in place to inform consumers of any risk of disruption/discontinuation of essential services. This can be accessed on the Company's official webpage. Weblink - www.astraltd.com

4. Does the entity display product information on the product over and above what is mandated as per local laws? (Yes/No/Not Applicable) If yes, provide details in brief. Did your entity carry out any survey with regard to consumer satisfaction relating to the major products/services of the entity, significant locations of operation of the entity or the entity as a whole? (Yes/No)

Yes, the products adhere to all relevant laws and applicable regulations. The company provides all necessary information on its product labels and packaging. This includes product specifications, usage instructions, material safety data sheets (MSDS), and any other information required by regulatory authorities. Yes, Astral carries out surveys regarding customer satisfaction through feedback forms. Customers can also raise complaints/provide their feedback through the customer care portal.

INDEPENDENT PRACTITIONER'S REASONABLE ASSURANCE REPORT ON IDENTIFIED SUSTAINABILITY INFORMATION IN ASTRAL LIMITED BRSR

We have undertaken to perform a reasonable assurance engagement for ASTRAL LIMITED in respect of the agreed Sustainability Information listed below (the "Identified Sustainability Information") in accordance with the criteria stated below. This Sustainability Information is as included in the **BRSR** of the Company for the year ended March 31, 2026. This engagement was conducted by a multidisciplinary team including assurance practitioners and engineers.

Identified Sustainability Information

The Identified Sustainability Information for the financial year ended March 31, 2026, is summarized in **Annexure 1** to this report.

Our reasonable assurance engagement was with respect to the financial year ended March 31, 2026, information only and we have not performed any procedures with respect to prior periods or any other elements included in the BRSR report, other than those listed as **BRSR** Core Key Performance Indicators ("KPIs") in **Annexure 1** to this report and, therefore, do not express any opinion thereon.

Criteria

The criteria used by the Company to prepare the Identified Sustainability Information are as follows:

Identified Sustainability Information (ISI) subject to Assurance	Period subject to assurance	Reporting criteria
BRSR Core (refer Annexure 1)	From 1 April 2025 to 31 March 2026	- Regulation 34(2)(f) of the Securities and Exchange Board of India (the "SEBI") (Listing Obligations and Disclosure Requirements), Regulations, 2015 as amended; - Business Responsibility and Sustainability Reporting Requirements for listed entities per Master Circular No. SEBI/HO/CFD/PoD2/CIR/P/0155 dated November 11, 2024 and Industry Standard on Reporting of BRSR Core per SEBI Circular No. SEBI/HO/CFD/CFD-PoD-1/P/CIR/2024/177 dated December 20, 2024.

Management's Responsibilities

The Company's management is responsible for selecting or establishing suitable criteria for preparing the sustainability Information, taking into account applicable laws and regulations, if any, related to reporting on the Sustainability Information, identification of key aspects, engagement with stakeholders, content, preparation and presentation of the Identified Sustainability Information in accordance with the criteria. This responsibility includes design, implementation and maintenance of internal control relevant to the preparation of the BRSR and the measurement of Identified Sustainability Information, which is free from material misstatement, whether due to fraud or error.

Inherent Limitations in Preparing the Identified Sustainability Information

The absence of a significant body of established practice on which to draw to evaluate and measure non-financial information allows for different, but acceptable, measures and measurement techniques and can affect comparability between entities. In addition, Greenhouse Gas ("GHG") quantification is subject to inherent uncertainty because of incomplete scientific knowledge used to determine emissions factors and the values needed to combine emissions of different gases.

Our Independence and Quality Control

We have maintained our independence and confirm that we have met the requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") and have the required competencies and experience to conduct this assurance engagement.

The firm applies Standard on Quality Control (SQC) 1, "Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements", and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards, and applicable legal and regulatory requirements.

Our Responsibility

Our responsibility is to express a reasonable assurance conclusion on the Identified Sustainability Information based on the procedures we have performed and evidence we have obtained.

We conducted our engagement in accordance with the Standard on Sustainability Assurance Engagements ("SSAE") 3000, "Assurance Engagements on Sustainability Information" and the Standard on Assurance Engagements ("SAE") 3410, "Assurance Engagements on Greenhouse Gas Statements", both issued by the Sustainability Reporting Standards Board of the ICAI.

These Standards require that we plan and perform our engagement to obtain reasonable assurance about whether the Identified Sustainability Information is prepared, in all material respects, in accordance with the Criteria. A reasonable assurance engagement involves assessing the risks of material misstatement of the Identified Sustainability Information whether due to fraud or error and responding to the assessed risks as necessary in the circumstances.

The procedures we performed were based on our professional judgment and included inquiries, observation of processes performed, inspection of documents, evaluating the appropriateness of quantification methods and reporting policies, analytical procedures and agreeing or reconciling with underlying records.

Given the circumstances of the engagement, in performing the procedures listed above, we visited plant locations and head office to understand the processes involved in data gathering and verifying documentation ensuring the reported details are in line with the requirements.

Exclusions

Our reasonable assurance scope excludes the following and, therefore, we do not express an opinion on the following:

- Operations of the Company other than the Identified Sustainability Information listed in **Annexure 1** to this report.

- Aspects of the **BRSR** and the data/information (qualitative or quantitative) other than the Identified Sustainability Information.
- Data and information outside the defined reporting period, i.e., the financial year ended March 31, 2026.

The statements that describe expression of opinion, belief, aspiration, expectation, aim or future intentions provided by the Company and testing or assessing any forward-looking assertions and/or data.

Opinion

Based on the procedures we have performed and the evidence we have obtained, the Identified Sustainability Information for the year ended March 31, 2026 (as stated under "Identified Sustainability Information") are prepared in all material respects, in accordance with the criteria.

Restriction on use

Our Reasonable Assurance report has been prepared and addressed to the Board of Directors of Astral Limited at the request of the company solely, to assist company in reporting on Company's sustainability performance and activities. Accordingly, we accept no liability to anyone, other than the company. Our Deliverables should not be used for any other purpose or by any person other than the addressees of our Deliverables. The firm neither accepts nor assumes any duty of care or liability for any other purpose or to any other party to whom our Deliverables are shown or into whose hands it may come without our prior consent in writing.

P1 E8-Number of days of accounts payable	Reasonable
P8 E5-Job creation in smaller towns	Reasonable
P3 E1c-Spending on measures towards well-being of employees and workers – cost incurred as a % of total revenue of the company	Reasonable
P5 E3b-Gross wages paid to females as % of wages paid	Reasonable
P8 E4-Input material sourced from following sources as % of total purchases – Directly sourced from MSMEs/small producers and from within India	Reasonable

Independent Auditor's Report

To the Members of Astral Limited
Report on the Audit of the Standalone Financial Statements

OPINION

We have audited the accompanying standalone financial statements of Astral Limited ("the Company"), which comprise the Balance sheet as at March 31 2026, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended March 31, 2026. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

Key audit matters	How our audit addressed the key audit matter
Impairment assessment of Goodwill (as described in Note 2(x)(iv) of the standalone financial statements)	
The Company's balance sheet includes ₹ 2,036 million of Goodwill as at March 31, 2026.	We performed following procedures, for the same:
In accordance with Ind AS 36, these balances are allocated to Cash Generating Units (CGUs) which are tested annually for impairment using discounted cash-flow models of each CGU's recoverable value compared to the carrying value of the assets. A deficit between the recoverable value and the CGU's net assets would result in impairment. The inputs to the impairment testing model which have the most significant impact on CGU recoverable value include:	- We assessed whether the Company's definition of the CGUs is compliant with the applicable accounting standards. - We evaluated the forecast of future cash flows used by the management in the model to compute the Recoverable value of CGUs. - We compared the forecast of future cash flows to business plan and previous forecasts to the actual results. - We focused our analysis on management assumptions in respect of future sales growth rate and discount rate used to compute the Recoverable value of CGUs.
- Projected revenue growth, operating margins and operating cash-flows; and - Business specific discount rates	

BASIS FOR OPINION

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

KEY AUDIT MATTERS (Contd.)

Key audit matters	How our audit addressed the key audit matter
The annual impairment testing is considered a significant accounting judgement and estimate and a key audit matter because the assumptions on which the tests are based are highly judgmental and are affected by future market and economic conditions which are inherently uncertain, and because of the materiality of the balances to the standalone financial statements	- We recalculated estimates using the management model. - We involved valuation specialists to assist in evaluating the key assumptions and methodologies used by the Company in computing the Recoverable value of CGUs. - We assessed the disclosures made in the standalone financial statements.
Impairment assessment of investments in subsidiaries (as described in Note 2(x)(iii) of the standalone financial statements)	
The Company's investment in Astral Chemie Limited, India (formerly known as Astral Coatings Private Limited), Seal It Services Limited, UK, Al Aziz Plastic Private Limited, India and Nexelon Chem Private Limited, India amounting to ₹ 4,835 million as at March 31, 2026.	We performed following procedures, among others: We evaluated the forecast of future cash flows used by the management in the model to compute the Recoverable amount.
The determination of value in use of the Company's investments in the said subsidiaries is dependent on management's estimates with respect to such entity's performance, future cash flows and making judgment with respect to assumptions used in computing the recoverable amount of investments in those subsidiaries.	- We compared the forecast of future cash flows to business plan and previous forecasts to the actual results. - We focused our analysis on management assumptions in respect of future sales growth rate and discount rate used to compute the Recoverable amount.
Considering the uncertainty involved in forecasting of cash flows and the judgement involved in respect of assumptions used in computing the value in use this audit area is considered a key audit matter.	- We recalculated estimates using the management model. - We involved valuation specialists to assist in evaluating the key assumptions and methodologies used by the Company in computing the recoverable amount.
	We assessed the disclosures made in the standalone financial statements.

OTHER INFORMATION

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF THE MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance

of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements and the operating effectiveness of such controls, refer to our separate Report in “**Annexure 2**” to this report;
 - (g) In our opinion, the managerial remuneration for the year ended March 31, 2026 has been paid/ provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
 - (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 33 to the standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company
- iv. a) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 45 to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The management has represented that, to the best of its knowledge and belief, as disclosed in the note 45 to the standalone financial statements, no funds have been received by the Company from any person or entity, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
 - v. The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with section 123 of the Act to the extent it applies to payment of dividend.
- The interim dividend declared and paid by the Company during the year is in accordance with section 123 of the Act.

As stated in note 46 to the standalone financial statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.

- vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail of prior years has been preserved by the Company as per the statutory requirements for record retention, to the extent it was enabled and recorded.

Annexure 1

Referred to in Paragraph 1 of Report on Other Legal and Regulatory Requirements of our report of even date of Astral Limited for the year ended March 31, 2026

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (a) (B) The Company has maintained proper records showing full particulars of intangibles assets.
- (b) The Company has a regular programme of physical verification of its Property, Plant and Equipment by which all Property, Plant and Equipment are physically verified by the management in the phased manner over period of three years. In accordance with this programme, certain Property, Plant and Equipment were verified during the year and no material discrepancies were noticed on such verification. In our opinion, the periodicity of such physical verification is reasonable having regard to the size of the Company and the nature of its assets.
- (c) The title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favor of the lessee) as disclosed in note 3 of the standalone financial statements are held in the name of the Company except as mentioned as follows. Further, a property, in the nature of freehold land, as indicated below, sale deed/title deed of which is under process of being transferred in the favour of the Company:

Description of Property	Gross carrying value (Amount in million)	Freehold Land - Held in name of /Leasehold Land - Lessee as per Lease Agreement	Whether promoter, director or their relative or employee	Period held - indicate range, where appropriate	Reason for not being held in the name of Company
Freehold Land	290	Telangana State Industrial Infrastructure Corporation (TSIIC	No	Four years and six months	Execution of the sale deed/ title deed is in progress

- (d) The Company has not revalued its Property, Plant and Equipment (including Right of use assets) or intangible assets during the year ended March 31, 2026.
- (e) There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventory has been physically verified by the management during the year except for inventories lying with custom bonded warehouse. In our opinion, the frequency of verification by the management is reasonable and the coverage and procedure for such verification is appropriate. Inventories lying with custom bonded warehouse have been confirmed by them as at March 31, 2026 and discrepancies were not noticed in respect of such confirmations. Discrepancies of 10% or more were not noticed in aggregate for each class of inventory.
- (b) The Company has been sanctioned working capital limits in excess of ₹ five crores in aggregate from banks during the year on the basis of security of current assets of the Company. Based on the records examined by us in the normal course of
- audit of the financial statements, the quarterly returns/statements filed by the Company with such banks and financial institutions are in agreement with the books of accounts of the Company. The Company does not have sanctioned working capital limits in excess of ₹ five crores in aggregate from financial institutions during the year on the basis of security of current assets of the Company.

There are no dues of provident fund, employees' state insurance, cess and other statutory dues which have not been deposited on account of any dispute.

- (viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
- (ix) (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) Term loans were applied for the purpose for which the loans were obtained.
- (d) On an overall examination of the financial statements of the Company, no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries or joint venture. The Company does not have any associates.
- (f) The Company has not raised loans during the year on the pledge of securities held in its subsidiaries or joint venture. Hence, the requirement to report on clause (ix)(f) of the Order is not applicable to the Company. The Company does not have any associates.
- (x) (a) According to the information and explanations given by the management, the Company has not raised any money during the year by way of initial public offer/further public offer/debt instruments and term loans hence, reporting under clause 3(x)(a) is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares/fully or partially or optionally convertible debentures during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) No fraud by the Company or no material fraud on the Company has been noticed or reported during the year.
- (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by cost auditor/secretarial auditor or by us in Form ADT - 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- (xii) The Company is not a nidhi Company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on clause 3(xii)(a) to (c) of the Order is not applicable to the Company.
- (xiii) Transactions with the related parties for the year ended March 31, 2026, are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the standalone financial statements, as required by the applicable accounting standards.
- (xiv) (a) The Company has an internal audit system commensurate with the size and nature of its business.
- (b) The internal audit reports of the Company issued till the date of the audit report, for the period under audit have been considered by us.
- (xv) The Company has not entered into any non-cash transactions with its directors or persons connected with its directors as referred to in section 192 of the Act and hence, the requirement to report on clause (xv) of the Order is not applicable to the Company.
- (xvi) (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the Company. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
- (b) The Company is not engaged in any Non-Banking Financial or Housing Finance activities. Accordingly, the requirement to report on clause (xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(c) of the Order is not applicable to the Company.
- (d) There are no Core Investment Company as part of the Group, hence, the requirement to report on clause 3(xvi)(d) of the Order is not applicable to the Company.
- (xvii) The Company has not incurred cash losses in the current financial year and in the immediately preceding financial year respectively.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.

- (xix) On the basis of the financial ratios disclosed in note 40 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) (a) In respect of other than ongoing projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Companies Act (the Act), in compliance with second proviso to sub section 5 of section 135 of the Act. This matter has been disclosed in note 35 to the financial statements.
- (b) There are no unspent amounts in respect of ongoing projects, that are required to be transferred to a special account in compliance of provision of sub section (6) of section 135 of Companies Act. This matter has been disclosed in note 35 to the financial statements.

Annexure 2

To the Independent Auditor's Report of Even Date on the Standalone Financial Statements of Astral Limited.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of Astral Limited ("the Company") as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to these standalone financial statements, assessing the risk that a material weakness

exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these standalone financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO THESE STANDALONE FINANCIAL STATEMENTS

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO STANDALONE FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes Forming Part of the Standalone Financial Statements

For the year ended March 31, 2026

1. COMPANY OVERVIEW

Astral Limited (the Company) (CIN: L25200GJ1996PLC029134) is a public company domiciled in India and is incorporated under the provision of Companies Act applicable in India. Its shares are listed in two recognized stock exchange in India, BSE Limited and National Stock Exchange of India Limited. The registered office of the company is located at "Astral House", 207/1, B/h. Rajpath Club, Off S. G. Highway, Ahmedabad-380 059, Gujarat, India. The Company was established in 1996, with the aim to manufacture pro-India complete range of piping products for various applications in the country. Astral Limited is equipped with production facilities at Santej, Dholka & Jamnagar (Gujarat), Ghiloth (Rajasthan), Sangli and Aurangabad (Maharashtra), Sitarganj (Uttarakhand), Kanpur (Uttar Pradesh), Hosur (Tamil Nadu), Ramdaspur Cuttack (Odisha), Guwahati (Assam) and Hyderabad (Telangana) to manufacture Plumbing systems, Drainage systems, Agriculture, Industrial, Electrical Conduit Pipes, water tanks and faucets with all kinds of necessary fittings. Adhesive business of the Company is manufacturing various types of Adhesives and Sealants with production facilities at Santej & Dahej (Gujarat) and Rania (Uttar Pradesh).

The financial statements were approved for issue in accordance with a resolution of the board of directors of the Company on May 18, 2026.

2. MATERIAL ACCOUNTING POLICIES

a) Basis of Preparation of Financial Statements

The financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015, and relevant amendment rules issued thereafter read with Section 133 of the Companies Act, 2013, as amended and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III). All accounting policies are consistently applied. The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

These financial statements are prepared under the accrual basis and historical cost measurement except for certain financial instruments (refer accounting policy on financial instruments), which are measured at fair value and equity settled employees stock options plans measured at fair value as at grant date. The financial statements provide comparative information in respect of the previous period. The standalone financial statements are presented in Indian National currency Rupee (₹) which is the functional currency of the Company, and all values are rounded to the nearest million (₹ 000,000), except where otherwise indicated. All amounts individually less than ₹ 0.5 million have been reported as "0".

b) Fair value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either.

- In the principal market for the asset or liabilities; or
- In the absence of a principal market in the most advantageous market for the asset and liabilities.

In estimating the fair value of an asset or liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for share based payment transaction that are within the scope of Ind AS 102 Share-based Payment, leasing transactions that are within the scope of Ind AS 116 Leases, and measurements that have some similarities to fair value but are not fair valued such as net realizable value in Ind AS 2 or value in use in Ind AS 36 Impairment of assets.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- 1) **Level 1:** Quoted (unadjusted) market prices in active markets for identical assets or Liabilities.
- 2) **Level 2:** Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- 3) **Level 3:** Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

c) Use of Estimates

The presentation of the financial statements is in conformity with the Ind AS which requires the management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses and disclosure of contingent liabilities. Such estimates and assumptions are based on management's evaluation of relevant facts and circumstances as on the date of financial statements. The actual outcome may differ from these estimates.

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected.

d) Inventories

Inventories are stated at lower of cost and net realizable value after providing for obsolescence and other losses, where considered necessary. Cost includes cost of purchase and other expenses incurred in bringing the inventories to their present location and condition. Raw materials, Stock in Trade, Stores, Spares, Consumables and Packing materials are valued on weighted average costs.

Finished goods and work in progress includes an appropriate share of production overheads along with the material cost as defined above.

Net realizable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

e) Cash and cash equivalents

Cash and Cash equivalents consists of cash in hand and at bank and all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase. It also includes fixed deposits maintained by the Company with banks, which can be withdrawn by the Company at any point without penalty on the principal.

f) Revenue from contract with customer

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer based on the terms of contract and as per the business practice at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Sale of goods

Revenue from sale of goods is recognised at the point in time when control of the asset is transferred to the customer. In determining the transaction price for the sale of goods, the Company considers the effects of variable consideration, if any.

Variable consideration

If the consideration in a contract includes a variable amount (like discounts, rebates and other scheme benefits), the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

Contract Balances

- Trade receivables**

Trade receivables are initially recognised for revenue from sale of goods. A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

- Advance from customers (Contract liability)**

Advance received from customer before transfer of control of goods to the customer is recognised as contract liability. Contract liabilities are recognised as revenue when the Company performs under the contract (i.e., transfers control of the related goods to the customer).

Interest Income

Interest income from financial assets is recognized when it is probable that the economic benefit will flow to the Company and the amount of income can be measured reliably. Interest income is recorded using the effective interest rate (EIR). Interest income is accrued on a time basis, by reference to the principal outstanding and the interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Insurance claims

Insurance claims are accounted to the extent that there is no uncertainty in receiving the claims.

g) Property, plant and equipment

The cost of an item of property, plant and equipment shall be recognised as an asset if, and only if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Property, Plant and Equipment are stated at cost less accumulated depreciation and impairment losses, if any. Cost of an item of property, plant and equipment comprises its purchase price, including import duties, freight, installation cost, and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use.

Capital work in progress is stated at cost, net of accumulated impairment loss, if any. All the directly attributable expenditure related to construction incurred during the period of construction of a project, till it is commissioned, is accounted as Capital work in progress (CWIP) and are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of profit and loss.

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

On transition to Ind AS (i.e. April 1, 2015), the Company has elected to continue with the carrying value of all Property, plant and equipment measured as per the previous GAAP and use that carrying value as the deemed cost of Property, plant and equipment.

Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on Property, Plant and Equipment other than freehold land and properties under construction are charged based on straight line method on an estimated useful life as prescribed in Schedule II to the Companies Act, 2013 except for i) Assets given under operating lease (i.e. Computerised Colourant Dispenser Machines and Gyro Shakers) where useful life as estimated by management is 5 years.

The estimated useful lives and residual values of the property, plant and equipment are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation on items of property, plant and equipment acquired/disposed off during the year is provided on pro-rata basis with reference to the date of addition/disposal.

h) Intangible assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses, if any. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life is reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

An intangible asset is de-recognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the statement of profit and loss when the asset is de-recognised.

Intangible assets are Amortised over their estimated useful life on a straight-line basis over a period of 5 years except assets like Brand, Distribution Network which is amortised over 7 years since as per the management's assessment that the benefits will be available for that period.

Research costs are expensed as incurred, while development costs are capitalised as an asset only when technical feasibility, intention and ability to complete, future economic benefits, resource availability, and reliable cost measurement can be demonstrated.

On transition to Ind AS (i.e. April 1, 2015), the Company has elected to continue with the carrying value of all Intangible assets as per the previous GAAP and use that carrying value as the deemed cost of the Intangible assets.

i) Leases

The company assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The company recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

a. Right-of-use assets

The company recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

Depreciation on leasehold land is charged over the lease period. Depreciation on all leasehold improvements is provided over the remaining lease period or over the useful lives of the respective property, plant and equipment, whichever is shorter.

b. Lease liabilities

At the commencement date of the lease, the company recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, and amounts expected to be paid under residual value guarantees. Lease payments that do not depend on an index or a rate are recognised as expenses (unless they are incurred to produce inventories) in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

c. Short-term leases and leases of low-value assets

The company applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognised as expense on a straight-line basis over the lease term.

j) Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received, and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is reduced from the carrying amount of the asset.

k) Foreign Currencies

In preparing the financial statements of the Company, the transactions in currencies other than the entity's functional currency are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rate prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction.

Exchange differences arising on monetary items are recognised in the statement of profit and loss in the period in which they arise.

l) Employee Benefits

Employee benefits include provident fund, pension fund, employee state insurance scheme, gratuity fund and compensated absences.

Defined Contribution Plan

The Company's contribution to Provident Fund, ESIC and Pension fund are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined Benefit Plan

For defined benefit plan in the form of gratuity fund, the cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the return on plan assets (excluding net interest), is reflected

immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to in the statement of profit and loss. Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

The Company recognizes the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- 1) Service costs comprising past and current service costs, gains and losses on curtailments and settlements; and
- 2) Net interest expense or income.

The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. The Company recognizes expected cost of short-term employee benefit as an expense, when an employee renders the related service.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the reporting date. Remeasurement gains/losses are immediately taken to the Statement of Profit and Loss and are not deferred. The obligations are presented as current liabilities in the balance sheet if the Company does not have a right to defer the settlement for at least twelve months after the reporting date and vice versa it is presented as non-current liabilities.

Share based payment

Employees of the Company receive remuneration in the form of share-based payments, whereby employees render services as consideration for equity instruments (equity-settled transactions). Equity settled share based payments to employees are measured at the fair value of the equity instruments at the grant date. The fair value determined at the grant date of the equity settled share based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

m) Borrowing costs

Borrowing cost includes interest, amortisation of ancillary costs incurred in connection with arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily takes a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Capitalization of borrowing cost is suspended and charged to statement of profit and loss during the extended period when active development on the qualifying asset is interrupted.

All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred.

n) Earnings per share

Basic earnings per share is computed by dividing the profit/(loss) for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) for the year attributable to equity shareholders by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented.

o) Taxation

Tax expense comprises current tax expense and deferred tax.

Current Tax

The tax currently payable is based on taxable profit for the year. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Company operates and generates taxable income.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Company shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

Deferred tax

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

A deferred tax liability shall be recognised for all taxable temporary differences, except to the extent that the deferred tax liability arises from:

- the initial recognition of goodwill; or
- the initial recognition of an asset or liability in a transaction which:
 - is not a business combination; and
 - at the time of the transaction, affects neither accounting profit nor taxable profit (tax loss) and does not give rise to equal taxable and deductible temporary differences.
- In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss and does not give rise to equal taxable and deductible temporary differences.
- In respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized.

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised, or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Company offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

p) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligations. When a provision is measured using the cash flow estimated to settle the present obligation, its carrying amount is the present obligations of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liability

Contingent liability is a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or

a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability.

The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent Asset

Contingent asset is not recognized in the financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognized.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

q) Investments in subsidiaries and joint venture

Investments in subsidiaries and joint venture are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries and joint venture, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

r) Financial Instruments

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value except trade receivables which is measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the statement of profit and loss.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit and loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in statement of profit and loss.

Financial assets designated at fair value through OCI (equity instruments)

Upon initial recognition, the Company can elect to classify irrevocably its equity investments as equity instruments designated at fair value through OCI when they meet the definition of equity under Ind AS 32 Financial Instruments: Presentation and are not held for trading. The classification is determined on an instrument-by-instrument basis. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL.

Gains and losses on these financial assets are never recycled to profit or loss. Equity instruments designated at fair value through OCI are not subject to impairment assessment.

Financial liabilities

Financial liabilities are subsequently measured at amortised cost using the effective interest method.

The Company has established supplier finance arrangements in the nature of Operational Buyer's credit. The Company evaluates whether financial liabilities covered such arrangements continue to be classified within trade payables, or they need to be classified as a borrowing or as part of other financial liabilities/as a separate line item on the face of the balance sheet. Such evaluation requires exercise of judgment basis specific terms of the arrangement.

The Company classifies financial liabilities covered under supplier finance arrangement within trade payables in the balance sheet only if (i) the obligation represents a liability to pay for goods and services, (ii) is part of the working capital used in its normal operating cycle (iii) The payable has been invoiced and continues to reflect the substance of a trade payable. If one or more of the above criteria are not met, the Company derecognises its original liability toward the supplier and recognise a new liability toward the bank which is classified as "Borrowings".

Cash flows related to liabilities arising from supplier finance arrangements that classified in trade payables and borrowings in the balance sheet are included in operating activities and financing activities in the statement of cash flows respectively, when the Company finally settles the liability. The payment made by the Company to the bank toward interest, if any, is presented as financing cash outflow.

Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments recognised by the Company are measured at the proceeds received net off direct issue cost.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in financial statements if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Derecognition of Financial Assets and Liabilities

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or when the Company transfers the contractual rights to receive the cash flows of the financial asset in which substantially all the risks and rewards of ownership of the financial asset are transferred, or in which the Company neither transfers nor retains substantially all the risks and rewards of ownership of the financial asset and does not retain control of the financial asset.

The Company derecognises a financial liability (or a part of financial liability) when the contractual obligation is discharged, cancelled or expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid is recognised in the Statement of Profit and Loss.

s) Derivative financial instruments

The Company enters into a variety of derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts/options and interest rate swaps.

The use of foreign currency forward contracts/options is governed by the Company's policies approved by the Board of Directors, which provide written principles on the use of such financial derivatives consistent with the Company's risk management strategy. The counter party to the Company's foreign currency forward contracts is generally a bank. The Company does not use derivative financial instruments for speculative purposes.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the statement of profit and loss immediately.

Profit or loss arising on cancellation or renewal of a forward exchange contract is recognised as income or as expense in the period in which such cancellation or renewal occurs.

t) Impairment**Financial assets (other than at fair value)**

The Company assesses at each Balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and/or all trade receivables that do not constitute a financing transaction. For all other

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the lifetime expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

Non-financial assets

Property, plant and Equipment and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its property, plant and equipment and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash generating units, or otherwise they are allocated to the smallest group of cash generating unit for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement profit and loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the statement of profit and loss.

u) Business combinations

The Company determines that it has acquired a business when the acquired set of activities and assets include an input and a substantive process that together significantly contribute to the ability to create outputs. The acquired process is considered substantive if it is critical to the ability to continue producing outputs, and the inputs acquired include an organised workforce with the necessary skills, knowledge, or experience to perform that process or it significantly contributes to the ability to continue producing outputs. Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-

controlling interests in the acquiree. For each business combination, the Company elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed in the periods in which the costs are incurred and the services are received, with the exception of the costs of issuing equity securities that are recognised in accordance with Ind AS 32 and Ind AS 109.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. However, the following assets and liabilities acquired in a business combination are measured at the basis indicated below:

- Deferred tax assets or liabilities, and the liabilities or assets related to employee benefit arrangements are recognised and measured in accordance with Ind AS 12 Income Tax and Ind AS 19 Employee Benefits respectively.
- Potential tax effects of temporary differences and carry forwards of an acquiree that exist at the acquisition date or arise as a result of the acquisition are accounted in accordance with Ind AS 12.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Company's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised in profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods unless (a) the impairment loss was caused by a specific external event of an exceptional nature that is not expected to recur; and (b) subsequent external events have occurred that reverse the effect of that event.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Company reports provisional amounts for the items for which the accounting is incomplete.

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

Those provisional amounts are adjusted through goodwill during the measurement period, or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognized at that date. These adjustments are called as measurement period adjustments. The measurement period does not exceed one year from the acquisition date.

Common control business combination

A business combination involving entities or businesses under common control is a business combination in which all of the combining entities or businesses are ultimately controlled by the same party or parties both before and after the business combination and the control is not transitory and are accounted for using the pooling of interests method as follows:

- The assets and liabilities of the combining entities are reflected at their carrying amounts included in the Company's consolidated financial statements.
- No adjustments are made to reflect fair values, or recognise any new assets and liabilities. Adjustments are only made to harmonise accounting policies.
- The financial information in the financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, where the business combination had occurred after that date, the prior period information is restated only from that date.
- The identity of the reserves are preserved and the reserves of the transferor become reserves of the transferee.
- The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve.

v) Current versus non-current classification

The Company segregates assets and liabilities into current and non-current categories for presentation in the balance sheet after considering its normal operating cycle and other criteria set out in Ind AS 1, "Presentation of Financial Statements". For this purpose, current assets and liabilities include the current portion of non-current assets and liabilities respectively. Deferred tax assets and liabilities are always classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified period up to twelve months as its operating cycle.

w) Dividend

The Company recognises a liability to pay dividend to owners when the distribution is authorised, and the distribution is no longer at the discretion of the Company. A corresponding amount is recognised directly in equity. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders of the Company in case of final dividend and by board of directors of the Company in case of interim dividend.

x) Critical accounting judgements and key sources of estimation uncertainty

The preparation of the financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing as material adjustment to the carrying amounts of assets and liabilities within next financial year.

i. Useful lives of property, plant and equipment and intangible assets

As described in Note 2 (g) and (h), the Company reviews the estimated useful lives and residual values, if any, of property, plant and equipment and intangible assets at the end of each reporting period. The lives are based on historical experience with similar type assets as well as anticipation of technical or commercial obsolescence arising from a upgraded technological improvement. During the current financial year, the management determined that there were no changes to the useful lives and residual values of the property plant and equipment and intangible assets.

ii. Provisions and Contingent Liabilities

Provisions and Contingent Liabilities are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

iii. Impairment of Investment in Subsidiaries and Joint Venture

The investment in subsidiaries and joint venture are tested for impairment in accordance with provisions applicable to impairment of non-financial assets. The determination of recoverable amounts of the Company's investments in subsidiaries and involves significant judgements. Market related information and estimates are used to determine the recoverable amount. Key assumptions on which management has based its determination of recoverable amount includes weighted average cost of capital and estimated operating margins.

iv. Impairment of goodwill

The Company tests whether goodwill has suffered any impairment on an annual basis. For the current and previous financial year, the recoverable amount of the cash generating units (CGUs) was determined based on value-in-use calculations which require the use of assumptions. The calculations use cash flow projections based on financial budgets approved by management covering a five-year period. Cash flows beyond the five-year period are extrapolated using the estimated growth rates.

Goodwill of ₹ 1,844 million (Previous year: 1,844 million) and ₹ 192 million (Previous year: 192 million) have been allocated for impairment testing purpose to the Cash Generating Unit (CGU) viz., Adhesives and Plumbing respectively.

The recoverable amount of all cash generating units (CGUs) has been determined based on value in use calculations. These calculations use cash flow projections based on financial budgets approved by management. Recoverable amounts for these CGUs has been determined based on value in use for which cash flow forecasts of the related CGU and pre tax discount rate ranges from 7%-14% has been applied. The values assigned to the assumption reflect past experience and are consistent with the management's plans for focusing operations in these markets. The management believes that the planned market share growth is reasonably achievable.

An analysis of the sensitivity of the computation to a change in key parameters (operating margin, discount rate and growth rate), based on a reasonable assumption, did not identify any probable scenario in which the recoverable amount of the CGU would decrease below its carrying amount.

v. Defined benefit obligation

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

vi. Discount, Incentives & Rebates

Revenue is measured net of variable consideration such as discounts, incentives, rebates etc. given to the customers on the Company's sales. These discounts, incentives, rebates etc. are given on monthly, quarterly and annual basis based on target achievement by the customers and specific discounts on agreed terms. Estimation is involved during the financial year until the end of reporting year. At reporting year end date, since the targets are already achieved, no significant element of estimation are present and for specific discounts, no material change is expected based on the past experience.

vii. Impairment of financial assets (other than at fair value)

Measurement of impairment of financial assets require use of estimates, which have been explained in the note on financial assets, financial liabilities and equity instruments, under impairment of financial assets (other than at fair value) (Refer note t).

viii. Leases

- Company uses significant judgement in the applicable discount rate. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.
- In determining the lease term, the Company has assessed that its termination rights as a lessee, exercisable after the non-cancellable period, are not substantive due to the potential costs and commercial disadvantages associated with early termination. Accordingly, the termination right is considered to be substantive for the lessor, and the Company has deemed to have an unconditional obligation for the entire lease term on prudence basis. This lease term has been used in the measurement of lease liabilities.

y) New and amended standards

The Company applied for the first-time certain standards and amendments, which are effective for annual periods beginning on or after 1 April 2025. The Company has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

1. Amendments to Ind AS 21-Lack of exchangeability

The Ministry of Corporate Affairs (MCA) notified the Companies (Indian Accounting Standards) Amendment Rules, 2025, which amend Ind AS 21, The Effects of Changes in Foreign Exchange Rates to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows.

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

The amendments are effective for annual reporting periods beginning on or after 1 April 2025. When applying the amendments, an entity cannot restate comparative information.

The amendments do not have a material impact on the Company's financial statements.

2. Amendments to Ind AS 1-Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

In August 2025, the MCA notified amendments to paragraphs 69 to 76 of Ind AS 1 to specify the requirements for classifying liabilities as current or non-current. The amendments clarify:

- What is meant by a right to defer settlement.
- That a right to defer must exist at the end of the reporting period.
- That classification is unaffected by the likelihood that an entity will exercise its deferral right.
- That only if an embedded derivative in a convertible liability is itself an equity instrument would the terms of a liability not impact its classification.

In addition, a requirement has been introduced to require disclosure when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments are effective for annual reporting periods beginning on or after 1 April 2025 retrospectively in accordance with Ind AS 8.

The amendments have not had an impact on the classification of Company's liabilities.

3. Amendments to Ind AS 7 and Ind AS 107-Supplier Finance Arrangements

In August 2025, the MCA notified amendments to Ind AS 7 Statement of Cash Flows and Ind AS 107 Financial Instruments: Disclosures to clarify the characteristics of supplier finance arrangements and require additional disclosure of such arrangements. The disclosure requirements in the amendments are intended to assist users of financial statements in understanding the effects of supplier finance arrangements on an entity's liabilities, cash flows and exposure to liquidity risk.

As a result of implementing the amendments, the Company has provided additional disclosures about its supplier finance arrangement. Please refer to Note 19.

4. International Tax Reform—Pillar Two Model Rules – Amendments to Ind AS 12

In August 2025, the MCA notified amendments to Ind AS 12 Income Taxes in response to the OECD's BEPS Pillar Two rules and include:

- A mandatory temporary exception to the recognition and disclosure of deferred taxes arising from the jurisdictional implementation of the Pillar Two model rules; and
- Disclosure requirements for affected entities to help users of the financial statements better understand an entity's exposure to Pillar Two income taxes arising from that legislation, particularly before its effective date.

The mandatory temporary exception – the use of which is required to be disclosed – applies immediately. The remaining disclosure requirements apply for annual reporting periods beginning on or after 1 April 2025, but not for any interim periods ending on or before 31 March 2026.

The amendments had no impact on the Company's financial statements as the Company is not in scope of the Pillar Two model rules.

z) Standards notified but not yet effective

The new and amended standards that are notified by the Ministry of Corporate Affairs (MCA), but not yet effective, up to the date of issuance of the Company's financial statements are disclosed below. The Company will adopt these new and amended standards, when they become effective.

1. Amendments to Ind AS 1-Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

In accordance with Ind AS 1 currently applicable, breach of an immaterial covenant is ignored deciding in current vs. non-current classification of liabilities. Also, in case of breach of a material covenant of a non-current loan on or before the reporting date, the entity can obtain waiver from the lender after the reporting date and continue to classify the loan as non-current liability.

In accordance with changes to Ind AS 1 already notified by the MCA, the above relaxations to classify loan as non-current liability will not be available from FY 2026-27 onward and need to be applied retrospectively. Consequently:

A breach of either material or immaterial covenant will trigger current classification of liability.

To continue classifying loan as non-current liability, entities will need to obtain waiver from the breach on or before the reporting date.

The Company is currently assessing the impact the amendments will have on its standalone financial statements.

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

(₹ In Million)

Particulars	As at March 31, 2026	As at March 31, 2025
Trade receivables from other than related parties	3,346	3,158
Trade receivables from related parties (Note 37)	-	-
Total	3,346	3,158

Notes:

- a. The company offers credit period up to 180 days.
- b. Before accepting any new customer, the Company assesses the potential customer's creditability and defines credit limits for each customer. Such limits are reviewed annually.

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

- c. In determining the allowances for doubtful trade receivables, the Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix.

d. Movement in Expected Credit Loss Allowance

f) Stock options granted under the Employee Stock Options scheme:**1. Details of the Employee stock option plan of the company:**

Astral Limited (the Company) formulated Employees Stock Option Scheme viz. Astral Employee Stock Option Scheme 2015 ("the Scheme") for the benefit of employees of the Company. Shareholders of the Company approved the Scheme by passing special resolution through postal ballot dated October 21, 2015 and was further amended vide shareholders resolution passed in the Annual General Meeting held on August 21, 2020. Under the said Scheme, Nomination and Remuneration Committee is empowered to grant stock options to eligible employees of the Company, up to 243,923 (Post bonus) Minimum vesting period of stock option is one year and exercise period of stock option is one year from the date of vesting.

The Committee granted 16,282 stock options on November 14, 2015, 21,600 stock options on March 30, 2017, 22,400 stock options on November 13, 2017, 7,450 stock options on June 29, 2019, 9,310 stock options on October 24, 2019, 9,310 stock options on August 4, 2020, 12,413 stock options on July 1, 2021, 11,997 stock options on October 8, 2022 and 15,436 stock options on October 18, 2023 totalling 126,198 stock options till date, 5,040 stock options lapsed or are forfeited will be available for future grant to the eligible Employee and 10,746 stock options are issued as bonus shares due to impact of bonus on outstanding option series as on the bonus record date. Each stock option is exercisable into one equity share of face value of ₹ 1/- each.

The following stock based payment arrangement were in existence during the current and previous year:

Option Series	October 18, 2023	October 8, 2022
Grant date	18/10/2023	08/10/2022
Number of shares	15,436	15,996*
Expiry date	17/10/2025	07/10/2024
Exercise price	₹ 22.5	₹ 22.5*
Fair value at grant date	1,919	2,205

*Adjusted pursuant to bonus issue

2. Movement in stock options during the year:

The following is the reconciliation of the stock option outstanding at the beginning and at the end of the year:

Particulars	As at March 31, 2026	As at March 31, 2025
Options Outstanding, beginning of the year	15,436	23,154
Options granted during the year	-	-
Options exercised during the year	15,436	7,718
Option Lapsed/surrendered/forfeited	-	-
Options Outstanding, end of the year of which:	-	15,436
Not Vested	-	15,436
Options available for grant	112,019	112,019

3. Fair value of share options granted:

No stock options granted during the year (fair value of the share options granted during previous financial years ₹ 1,919/- and ₹ 2,205/- respectively for options granted on October 18, 2023 and October 8, 2022). The following assumptions were used for calculation of fair value of grants in accordance with Black Scholes model:

Option Series	October 18, 2023	October 8, 2022
Option grant date	18/10/2023	08/10/2022
Fair value at Grant date	₹ 1,919	₹ 2,205
Exercise Price	₹ 22.5	₹ 22.5*
Expected Volatility	67%	61%
Expected life of Option	2 years	2 years
Dividend Yield	0.73%	0.77%
Risk Free Interest Rate	7.33%	7.31%

*Adjusted pursuant to bonus issue.

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

4. Stock options exercised:

The following stock options were exercised during the current and previous year:

Option series	Number exercised	Avg Share price at exercise date	Exercise date
Granted on October 18, 2023	15,436	1,433	05/11/2025
Granted on October 8, 2022	7,718	1,873	07/11/2024

5. Stock options outstanding at the end of the year:

Weighted average exercise price of the stock options is ₹ 22.5 during the current financial year (₹ 22.5 during previous financial year), and because of no stock options outstanding at the end of the year, weighted average remaining contractual life as at March 31, 2026: NIL days (weighted average remaining contractual life as at March 31, 2025: 201 days (i.e. 0.55 years)).

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

Notes:

- a. In August 2025 and November 2025, the dividend of ₹ 2.25 per share (total dividend ₹ 604 Million) and ₹ 1.5 per share (total dividend ₹ 403 Million) respectively, was paid to holders of fully paid equity shares.
- b. In August 2024 and November 2024, the dividend of ₹ 2.25 per share (total dividend ₹ 604 Million) and ₹ 1.5 per share (total dividend ₹ 403 Million) respectively, was paid to holders of fully paid equity shares.

c. **Nature and Purpose of reserve****Capital reserve**

The company has created capital reserve out of capital subsidies received from state Governments of ₹ 4 million, further Capital Reserve of ₹ 91 million created on amalgamation of erstwhile subsidiaries, Resinova Chemie Limited and Astral Biochem Private Limited, with the Company. It is not available for distribution of dividend to shareholders.

Securities premium

The amount received in excess of face value of the equity shares is recognised in Securities Premium. This reserve is available for utilization in accordance with the provisions of the Companies Act, 2013. In case of equity-settled share based payment transactions, the difference between fair value on grant date and nominal value of share is accounted as securities premium.

General reserve

General reserve is created from time to time by way of transfer of profits from retained earnings for appropriation purposes. General reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income. It can be used for distribution to equity shareholders only in compliance with the Companies Act, 2013, as amended.

Revaluation Reserve

The company has created revaluation reserve out of revaluation of land carried out during the year 2004-05.

Stock Options Outstanding Account

Stock Option Outstanding Account is used to recognise grand date fair value options vested to employees under various equity settled schemes. The fair value of the equity-settled share based payment transactions with employees is recognised in Statement of Profit and Loss with corresponding credit to Stock Options Outstanding Account.

Retained earnings

Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders. It can be used for distribution to equity shareholders only in compliance with the Companies Act, 2013, as amended.

*The Company has assessed that it is only possible, but not probable, that outflow of economic resources will be required.

*Future cash outflows in respect of the above matters are determined only on receipt of judgments/decisions pending at various forums/authorities.

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

34. EMPLOYEE BENEFITS:

Post-employment Benefit

Defined Contribution Plan:

Amount towards Defined Contribution Plan have been recognized under "Contribution to Provident and Other Funds" in Note 27 ₹ 106 Million (Previous Year: ₹ 101 Million).

Defined Benefit Plan:

The Company has defined benefit plans for gratuity to eligible employees, contributions for which are made to insurance service providers who invests the funds as per IRDA guidelines. The details of these defined benefit plans recognised in the financial statements are as under:

General Description of the Plan:

The Company operates a defined benefit plan (the Gratuity Plan) covering eligible employees, which provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employees salary and the tenure of employment.

The defined benefit plans typically expose to the Company to various risk such as:

Interest rate risk:

A fall in the discount rate which is linked to the Government Securities. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary Risk:

The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Investment Risk:

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Asset Liability Matching Risk:

The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Mortality risk:

Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Concentration Risk:

Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very low as insurance companies have to follow stringent regulatory guidelines which mitigate risk.

a) Movement in present value of defined benefit obligation are as follows:

(₹ In Million)

Particulars	Gratuity	
	As at March 31, 2026	As at March 31, 2025
Obligations at the beginning of the year	250	195
Current service cost	52	37
Past service cost	119	-
Interest cost	18	14
(Liability Transferred Out/Divestments)	(2)	-
Actuarial (gain)/loss due to change in financial assumptions	(13)	9
Actuarial (gain)/loss on obligations due to Change in Demographic Assumptions	(4)	-
Actuarial (gain)/loss due to experience adjustments	11	11
Benefits paid	(12)	(16)
Present value of benefit obligation at the end of the year	419	250

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

b) Movement in the fair value of plan assets are as follows:

(₹ In Million)

Particulars	Gratuity	
	As at March 31, 2026	As at March 31, 2025
Plan assets at the beginning of the year, at fair value	244	192
Interest Income	16	14
Return on plan assets excluding interest income	(6)	1
Contributions from the employer	53	53
Benefits paid	(12)	(16)
Fair value of plan assets at the end of the year	295	244

c) The amount included in the balance sheet arising from the entity's obligation in respect of defined benefit plan is as follows:

(₹ In Million)

Particulars	Gratuity	
	As at March 31, 2026	As at March 31, 2025
Present value of benefit obligation at the end of the year	419	250
Less: Fair value of plan assets at the end of the year	295	244
Net liability/(asset) arising from defined benefit obligation	124	6

d) Amount recognised in the Statement of Profit and Loss in respect of the defined benefits plans are as follows:

(₹ In Million)

Particulars	Gratuity	
	Year ended March 31, 2026	Year ended March 31, 2025
Current service cost	52	37
Past service cost	119	-
Net Interest expense	2	0
Components of defined benefit costs recognised in the Statement of Profit and Loss	173	37
Remeasurement on the net defined benefit liability:		
Actuarial (gains)/losses on obligation for the period	(6)	20
Return on plan assets, excluding interest income	6	(1)
Components of defined benefit costs recognised in Other Comprehensive Income	0	19
Total	173	56

e) Investment details of plan assets:

To fund the obligations under the gratuity plan, Contributions are made to Insurance service providers, who invests the funds as per (Insurance Regulatory and Development Authority) IRDA guidelines.

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

f) The defined benefit obligations shall mature after year ended March 31, 2026 as follows:

(₹ In Million)

Particulars	As at March 31, 2026	As at March 31, 2025
1 st Following Year	28	15
2 nd Following Year	28	14
3 rd Following Year	41	16
4 th Following Year	43	14
5 th Following Year	39	17
Sum of Years 6 To 10	178	95
Thereafter	506	402

The average duration of the defined benefit plan obligation at the end of the reporting period is 9 years (March 31, 2025: 11 years).

g) Sensitivity analysis:

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below has been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

(₹ In Million)

Particulars	Gratuity	
	As at March 31, 2026	As at March 31, 2025
Delta effect of +1% change in the rate of Discounting	(31)	(23)
Delta effect of -1% change in the rate of Discounting	36	27
Delta effect of +1% change in the rate of salary Increase	31	26
Delta effect of -1% change in the rate of salary increase	(28)	(22)
Delta effect of +1% change in the rate of employee turnover	(0)	(1)
Delta effect of -1% change in the rate of employee turnover	0	2

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using "Projected Unit Credit" method at the end of the reporting period which is the same as that applied in calculating the defined benefit obligation liability recognised in Balance Sheet.

There were no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

Provision for employees' benefit includes provision for leave encashment ₹ 170 million (as at March 31, 2025: ₹ 94 million).

The Company expects to make a contribution of ₹ 124 Million (as at March 31, 2025: ₹ 6 Million) to the defined benefit plans during the next financial year.

h) The principal assumptions used for the purpose of actuarial valuation were as follows:

Particulars	Gratuity	
	Year ended March 31, 2026	Year ended March 31, 2025
Discount Rate	7.24%	6.83%
Expected return on plan assets	7.24%	6.83%
Annual Increase in Salary Costs	7.00%	7.00%
Rate of Employee turnover	For service 4 years and below 10.00% p.a. For service 5 years and above 6.00% p.a.	For service 4 years and below 7.00% p.a. For service 5 years and above 4.00% p.a.

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

h) The principal assumptions used for the purpose of actuarial valuation were as follows: (Contd.)

Particulars	Gratuity	
	Year ended March 31, 2026	Year ended March 31, 2025
Mortality Tables	Indian Assured Lives Mortality 2012-14 (Urban)	Indian Assured Lives Mortality 2012-14 (Urban)

Future Salary increases are based on long term average salary rise expected considering inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employee market. Future Separation & mortality rates are obtained from relevant data of Life Insurance Corporation of India.

35. EXPENDITURE ON CORPORATE SOCIAL RESPONSIBILITY

Notes:**i. Compensation of key management personnel:**

The remuneration of key management personnel during the year was as follows:

Particulars	Year ended March 31, 2026		Year ended March 31, 2025	
Short term Benefits		289		251

(₹ In Million)

The remuneration of key management personnel is determined by the nomination and remuneration committee. The same is including employer contribution to provident fund and exclusive of employees' stock options, provision for liability in respect of leave earned and gratuity; since the liabilities for gratuity and leave encashment is based on the actuarial valuation for the Company as a whole, the amount pertaining to individual is not ascertainable and therefore not included above.

- ii. The transactions with related parties are made on terms equivalent to those that prevail in arm's length transactions.
- iii. The amounts outstanding are unsecured and will be settled in cash.
- iv. Transactions during the year/previous year are stated without considering impact of fair valuation carried out as per Ind AS.

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

38. FINANCIAL INSTRUMENTS**1. Capital management**

The Company manages its capital to ensure that the Company will be able to continue as going concern while maximising the return to stakeholders through optimisation of debt and equity balance.

The capital structure of the Company consists of net debt (borrowings and lease liabilities as detailed in Note 15 and 39 off set by cash and bank balances) and total equity (excluding revaluation reserve) of the Company.

The risk management committee of the Company reviews the risk capital structure of the company. As part of this review the company considers the cost of capital and the risk associated with each category of funding.

Objectives, policies or processes for managing capital are reviewed regularly to reflect changes in market conditions and the Company's activities during the years ended March 31, 2026 and March 31, 2025.

Gearing ratio

(₹ In Million)

Particulars	As at March 31, 2026	As at March 31, 2025
Debt (note i)	1,005	1,131
Less: Cash and cash equivalents	8,709	5,811
Net debt	-	-
Equity share capital	269	269
Other equity	40,801	35,689
Less: Revaluation reserve	12	12
Total equity excluding revaluation reserve	41,058	35,946
Net debt to equity ratio	-	-

- i. Debt is defined as long-term borrowings (including current maturities of long term borrowings), short-term borrowings and lease liabilities, as described in Note 15 and 39.

2. Category-wise classification of financial instruments

(₹ In Million)

There have been no transfers amount in Level 1, Level 2 and Level 3 during the years ended March 31, 2026 and March 31, 2025.

3. Financial risk management objectives

The Company's financial liabilities comprise mainly of borrowings, trade payables and other financial liabilities. The Company's financial assets comprise mainly of investments, cash and cash equivalents, other balances with banks, loans, trade receivables and other financial assets.

The Company's business activities are exposed to a variety of financial risks, namely market risk, credit risk and liquidity risk.

The Company's senior management has the overall responsibility for establishing and governing the Company's risk management framework who are responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

A. Management of Market Risk

The Company's size and operations result in it being exposed to the following market risks that arise from its use of financial instruments:

- currency risk
- interest rate risk
- commodity risk

i. Currency risk

The Company's activities expose it primarily to the financial risk of changes in foreign currency exchange rates. The Company enters into a variety of derivative financial instruments to manage its exposure to foreign currency risk.

The carrying amounts of the Company's foreign currency dominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

(₹ In Million)

Particulars	As at March 31, 2026	As at March 31, 2025
Liabilities (Foreign currency)		
In US Dollars (USD)	37	37
In Euro (EUR)	4	5

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

i. Currency risk (Contd.)

(₹ In Million)

Particulars	As at March 31, 2026	As at March 31, 2025
In Dirham (AED)	0	0
Assets (Foreign currency)		
In US Dollars (USD)	9	7
In Euro (EUR)	0	0
In Dirham (AED)	-	0
In Swiss France (CHF)	2	1
In Pound (GBP)	3	3

(₹ In Million)

Particulars	As at March 31, 2026	As at March 31, 2025
Liabilities (₹)		
In US Dollars (USD)	3,494	3,123
In Euro (EUR)	386	419
In Dirham (AED)	4	3
Assets (₹)		
In US Dollars (USD)	817	637
In Euro (EUR)	8	4
In Dirham (AED)	0	2
In Swiss France (CHF)	239	134
In Pound (GBP)	355	290

Derivative instruments:

The Company uses foreign currency forward contracts and currency options to hedge its risks associated with foreign currency fluctuations relating to certain firm commitments and forecasted transactions. The use of foreign currency forward contracts is governed by the Company's strategy approved by the Board of Directors, which provide principles on the use of such forward contracts consistent with the Company's Risk Management Policy. The Company does not use forward contracts and Currency Options for speculative purposes.

Outstanding Forward Exchange Contracts entered into by the Company:

Particulars	As at March 31, 2026	As at March 31, 2025
Payable		
Outstanding Forward Exchange Contracts		
In US Dollars		
No. of Contracts	-	8
In US Dollars - (In Million)	-	4
In ₹ - (In Million)	-	366

The line items in the balance sheet that includes the above economic hedges are "other financial assets".

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

Foreign currency sensitivity analysis:

The Company is mainly exposed to the currency: USD, EUR, GBP, CHF and AED.

The following table details, Company's sensitivity to a 5% increase and decrease in the rupee against the relevant foreign currencies. 5% is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. This is mainly attributable to the exposure outstanding not hedged on receivables and payables in the Company at the end of the reporting period. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% change in foreign currency rate. A positive number below indicates an increase in the profit and equity where the rupee strengthens 5% against the relevant currency. For a 5% weakening of the rupee against the relevant currency, there would be a comparable impact on the profit and equity, and the balances below would be negative.

Impact on pre-tax profit or loss and pre-tax equity:

Particulars	(₹ In Million)	
	As at March 31, 2026	As at March 31, 2025
Increase in exchange rate by 5%	(123)	(106)
Decrease in exchange rate by 5%	123	106

The Company, in accordance with its risk management policies and procedures, enters into foreign currency forward contracts to manage its exposure in foreign exchange rate variations. The counter party is generally a bank. These contracts are for a period between one day and three years. The above sensitivity does not include the impact of foreign currency forward contracts and option contracts which largely mitigate the risk.

ii. Interest rate risk

Interest rate risk is the risk that the future cash flow with respect to interest payments on borrowing will fluctuate because of change in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligation with floating interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax and pre-tax equity is affected through the impact on floating rate borrowings, as follows:

Particulars	(₹ In Million)	
	Increase/decrease in basis points	Effect on profit before tax and pre-tax equity (₹ in million)
As at March 31, 2026	100 bps	3
As at March 31, 2025	100 bps	5

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

iii. Commodity Risk

Commodity price risk for the Company is mainly related to fluctuations in raw material prices linked to various external factors, which can affect the revenue, cost and inventories.

Company effectively manages deals with availability of material as well as price volatility through:

1. Widening its sourcing base;
2. Appropriate contracts and commitments; and
3. Well planned procurement & inventory strategy.

Risk management committee of the Company has developed and enacted a risk mitigation strategy regarding commodity price risk and its mitigation.

B. Management of Credit Risk

Credit Risk

The Company is exposed to credit risk, which is the risk that counterparty will default on its contractual obligation resulting in a financial loss to the Company. Credit risk arises majorly from balances with banks, bank deposits, trade receivables, other financial assets, loans and investments excluding equity investments in subsidiaries.

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

Credit Risk Management

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations, and arises principally from the companies receivables from customers. Credit risk arises from the possibility that customers may not be able to settle their obligations as agreed. To manage this risk, the Company periodically assesses the financial reliability of customers, taking into account their financial position, past experience and other factors. The Company manages credit risk through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. Historical trends of impairment of trade receivables do not reflect any significant credit losses.

The carrying amount of financial assets represents the maximum credit exposure being amount of balances with banks, bank deposits, trade receivables, other financial assets, loans and investments excluding equity investments in subsidiaries and joint venture (Refer Note 11, 12, 10, 6 and 5), and these financial assets are of good credit quality including those that are past due.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance Sheet date.

(₹ In Million)

Particulars	Carrying amount	Less than 1 year	1-5 years	More than 5 years	Total
As at March 31, 2026					
Financial liabilities					
Borrowings (Note 15)	622	3	619	-	622
Lease liabilities (Note 39)	383	142	238	3	383
Trade payables (Note 19)	10,593	10,593	-	-	10,593
Other Financial Liabilities (Note 16)	928	895	33	-	928
Total	12,526	11,633	890	3	12,526
As at March 31, 2025					
Financial liabilities					
Borrowings (Note 15)	784	3	781	-	784
Lease liabilities (Note 39)	347	141	206	-	347
Trade payables (Note 19)	7,903	7,903	-	-	7,903
Other Financial Liabilities (Note 16)	957	957	-	-	957
Total	9,991	9,004	987	-	9,991

39. LEASE:**Company as a lessee**

The Company's lease asset classes primarily consist of leases for Property, Plant and Equipment.

The Company has lease contracts for land and buildings used in its operations. The Company's obligations under its leases are secured by the lessor's title to the leased assets. Generally, the Company is restricted from assigning and subleasing the leased assets.

The Company also has certain leases of buildings with lease terms of 12 months or less. The Company applies the 'short-term lease' recognition exemptions for these leases.

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

The carrying amounts of right-of-use assets, lease liabilities along with their movement during the year is as below:

(₹ In Million)

Name of the party	Right of use Assets (Note 3 D)		Lease Liabilities	
	2025-26	2024-25	2025-26	2024-25
Balance at the beginning of the year	718	539	347	190
Add: Addition during the year	497	369	232	333
Less: Depreciation	207	140	-	-
Less: Deductions (net)	3	50	4	50
Add: Interest Expenses	-	-	32	27
Less: Payments	-	-	224	153
Balance at the end of the year	1,005	718	383	347
Current			142	141
Non-Current			241	206

The following are the amounts recognised in the statement of profit or loss:

(₹ In Million)

Particulars	Year ended March 31, 2026	Year ended March 31, 2025
Depreciation on Right of use assets (Note 29)	207	140
Interest expense on lease liabilities (Note 28)	31	27
Expense relating to short-term leases (included in other expenses) (Note 30)	59	101
Total amount recognised in the statement of profit and loss	297	268

40. RATIO ANALYSIS AND ITS ELEMENTS

(₹ In Million)

Ratio	Numerator	Denominator	March 31, 2026	March 31, 2025	% Change	Note
Current Ratio	Current Assets	Current Liabilities	1.78	1.87	(5%)	
Debt-Equity Ratio	Total Debt	Shareholder's Equity	0.02	0.03	(33%)	a
Debt Service Coverage Ratio	Earnings for debt service (1)	Debt service (2)	7.50	18.34	(59%)	b
Return on Equity Ratio	Net Profits after taxes	Average Shareholder's Equity	15.87%	16.85%	(6%)	
Inventory turnover ratio	Cost of goods sold (3)	Average Inventories	3.83	3.75	2%	
Trade Receivables turnover ratio	Revenue from operations	Average Trade Receivable	18.17	18.16	0%	
Trade payables turnover ratio	Purchases of material, services and other expenses	Average Trade Payables	4.03	4.20	(4%)	
Net working capital turnover ratio	Revenue from operations	Working capital (4)	5.88	6.08	(3%)	
Net profit ratio	Profit for the year	Revenue from operations	10.34%	10.69%	(3%)	
Return on Capital employed	Earnings before interest and taxes	Capital Employed (5)	21.71%	22.45%	(3%)	
Return on investment (Quoted)	Income generated from investments	Time weighted average investments	6.37%	7.49%	(15%)	

⁽¹⁾Earnings for debt service = Net profit after taxes + Depreciation + Finance cost + Loss on Sale of Property, Plant and Equipment

⁽²⁾Debt service = Interest & Lease Payments + Principal Repayments

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

⁽³⁾Cost of goods sold = Cost of materials consumed + Purchase of Traded goods + Changes in inventories

⁽⁴⁾Working capital = Current assets – Current liabilities

⁽⁵⁾Capital Employed = Tangible Net Worth + Total Debt + Deferred Tax Liability

Notes:

- a. The decrease in ratio is on account of decrease in long-term borrowings as well as increase in Share Holders' Equity during the year.
- b. The major reason for decrease in debt-service coverage ratio is the increase of finance cost due to increased foreign exchange fluctuation losses during the year.

41. SEGMENT REPORTING:

The company has presented segment information in the Consolidated Financial Statement which is presented in the same financial report. Accordingly, in terms of paragraph 4 of Ind AS 108 – Operating Segments, no disclosure related to segments are presented in this standalone financial statement.

42. INFORMATION RELATING TO JOINT VENTURE:

The Company has 50% ownership interest in joint venture Astral Pipes Limited, incorporated in Kenya. Its proportionate share in the assets, liabilities, income and expenses etc. in the said joint venture is given below:

(₹ In Million)

Particulars	As at December 31, 2025	As at December 31, 2024
Assets	87	82
Liabilities	1	0
Income	-	1
Expenses (including depreciation)	0	1
Contingent Liabilities	-	-
Capital commitments remaining to be executed	-	-

43. EXCEPTIONAL ITEMS

- a. On 21 November 2025, The Government of India has consolidated multiple existing labour legislations into a unified framework comprising four Labour Codes in the Official Gazette, namely the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 collectively referred to as the 'New Labour Codes'. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations and to facilitate implementation.

The Company has assessed the impact of these changes based on information available up to the date of approval of these financial statements. Accordingly, the Company has determined estimated one time increase in provision for employee benefit amounting to ₹ 165 Million. Under Ind AS 19, such changes to employee benefit plans arising from legislative amendments constitute a plan amendment, requiring recognition of past service cost immediately in the Statement of Profit and Loss. Considering the material and regulatory-driven, non-recurring nature of the impact, the resulting increase in obligation has been presented under "Exceptional Items" in the statement of profit and loss for the year ended 31 March 2026.

The Company continues to monitor the finalisation of Central/State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments and account for any future impact as appropriate.

- b. The Company had made provision for expected credit loss on advances given for purchase of non-current investment amounting to ₹ 20 million for the year ended March 31, 2026 which has been charged to the Statement of Profit and Loss under the head "Exceptional Items".

44. TRANSACTIONS WITH STRUCK-OFF COMPANIES

There are no transactions with struck off companies during the year ended March 31, 2026 and March 31, 2025.

45. No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall lend or invest in party identified by or on behalf of the Company

Notes Forming Part of the Standalone Financial Statements for the year ended March 31, 2026 (Contd.)

(Ultimate Beneficiaries). Further, No funds have been received by the Company from any parties (Funding Parties) with the understanding that the Company shall whether, directly or indirectly lend or invest in other persons or entities identified by or on behalf of the Company or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

46. EVENTS AFTER THE REPORTING PERIOD

The Board of Directors, in its meeting held on May 18, 2026, has proposed a final dividend of ₹ 2.50 per equity share for the financial year ended March 31, 2026. The proposal is subject to the approval of shareholders at the Annual General Meeting and if approved would result in a cash outflow of approximately ₹ 672 Million.

Independent Auditor's Report

To the Members of Astral Limited

Report on the Audit of the Consolidated Financial Statements

OPINION

We have audited the accompanying consolidated financial statements of Astral Limited (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its joint venture comprising of the consolidated Balance sheet as at March 31, 2026, the consolidated Statement of Profit and Loss, including other comprehensive income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries and a joint venture, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles

generally accepted in India, of the consolidated state of affairs of the Group and its joint venture as at March 31, 2026, their consolidated profit including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group and a joint venture in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2026. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of audit procedures performed by us and by other auditors of components not audited by us, as reported by them in their audit reports furnished to us by the management, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Key audit matters	How our audit addressed the key audit matter
Impairment assessment of Goodwill (as described in Note 2(y)(iii) of the consolidated financial statements)	
The Group's balance sheet includes Rs 3,156 million of goodwill.	We performed following procedures, for the same:
In accordance with Ind AS 36, these balances are allocated to Cash Generating Units (CGUs) which are tested annually for impairment using discounted cash-flow models of each CGU's recoverable value compared to the carrying value of the assets. A deficit between the recoverable value and the CGU's net assets would result in impairment.	- We assessed whether the Group's definition of the CGUs is compliant with the applicable accounting standards - We evaluated the forecast of future cash flows used by the management in the model to compute the Recoverable value of CGUs. - We compared the forecast of future cash flows to business plan and previous forecasts to the actual results.
The inputs to the impairment testing model which have the most significant impact on CGU recoverable value include:	We focused our analysis on management assumptions in respect of future sales growth rate and discount rate used to compute the Recoverable value of CGUs.
- Projected revenue growth, operating margins and operating cash-flows; and - Business specific discount rates.	

KEY AUDIT MATTERS (Contd.)

Key audit matters	How our audit addressed the key audit matter
During the year ended March 31, 2026, the Company recognised an impairment of Goodwill of Seal It Services Inc, USA amounting to Rs. 41 million, as described in note 44(b) to the consolidated financial statements.	We involved valuation specialists to assist in evaluating the key assumptions and methodologies used by the Holding Company in computing the Recoverable value of CGUs.
The annual impairment testing is considered a significant accounting judgement and estimate and a key audit matter because the assumptions on which the tests are based are highly judgmental and are affected by future market and economic conditions which are inherently uncertain, and because of the materiality of the balances to the Consolidated financial statements.	We assessed the disclosures made in the Consolidated financial statements.

OTHER INFORMATION

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF THE MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group including its joint venture in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group and of its joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of their respective companies and for preventing and detecting frauds and

other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its joint venture are responsible for assessing the ability of their respective companies to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the respective companies or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the companies included in the Group and of its joint venture are also responsible for overseeing the financial reporting process of their respective companies.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its joint venture to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint venture to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its joint venture of which we are the independent auditors, and whose financial information we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2026 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

OTHER MATTERS

- (a) We did not audit the financial statements and other financial information, in respect of Seven subsidiaries, whose financial statements include total assets of Rs. 8,899 million as at March 31, 2026, and total revenues of Rs. 6,644 million and net cash outflows of Rs. 110 million for the year ended on that date. These financial statement and other financial information have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. The consolidated financial statements also include the Group's share of net profit of Rs. 0.43 million for the year ended March 31, 2026, as considered in the consolidated financial statements, in respect of a joint venture, whose financial statements, other financial information have been audited by other auditors and whose reports have been furnished to us by the Management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and a joint venture, and our report in terms of sub-sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and a joint venture, is based solely on the report of such other auditors.

Certain of these subsidiaries and a joint venture are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Holding Company's management has converted the financial statements of such subsidiaries and a joint venture located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted

in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries and a joint venture located outside India is based on the report of other auditors and the conversion adjustments prepared by the management of the Holding Company and audited by us.

Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of the subsidiary companies, incorporated in India and to the extent applicable, as noted in the 'Other Matter' paragraph, there are no qualifications or adverse remarks by the respective auditors in the Companies (Auditors Report) Order (CARO) reports of the subsidiary companies included in the consolidated financial statements. Accordingly, the requirement to report on clause 3(xxii) of the Order is not applicable to the Holding Company.
2. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries and a joint venture, as noted in the 'other matter' paragraph we report, to the extent applicable, that:
 - (a) We/the other auditors whose report we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidation of the financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Consolidated Cash Flow Statement and Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2026 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors who are appointed under Section 139 of the Act, of its subsidiary companies, none of the directors of the Group's companies, incorporated in India, is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiary companies, and the operating effectiveness of such controls, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of such subsidiary companies, incorporated in India and to the extent applicable, as noted in the 'Other Matter' paragraph, refer to our separate Report in "Annexure" to this report;
 - (g) In our opinion and based on the consideration of reports of other statutory auditors of the subsidiaries, incorporated in India and, to the extent applicable, the managerial remuneration for the year ended March 31, 2026 has been paid/provided by the Holding Company, its subsidiaries incorporated in India to their directors in accordance with the provisions of section 197 read with Schedule V to the Act;
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries and a joint venture, as noted in the 'Other matter' paragraph:
 - i. The consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group and a joint venture in its consolidated financial statements – Refer Note 34 to the consolidated financial statements;
 - ii. The Group, and a joint venture did not have any material foreseeable losses in long-term contracts including derivative contracts during the year ended March 31, 2026;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, during the year ended March 31, 2026. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the subsidiaries, incorporated in India during the year ended March 31, 2026.

- iv. a) The respective managements of the Holding Company and its subsidiaries, which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively that, to the best of its knowledge and belief, as disclosed in the note 47 to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the respective Holding Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- b) The respective managements of the Holding Company and its subsidiaries, which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries, respectively that, to the best of its knowledge and belief, as disclosed in the note 47 to the consolidated financial statements, no funds have been received by the respective Holding Company or any of such subsidiaries from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of the subsidiaries, which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
- v) The final dividend paid by the Holding Company during the year in respect of the same declared for the previous year is in accordance with section 123 of the Act to the extent it applies to payment of dividend.
- The interim dividend declared and paid during the year by the Holding Company is in accordance with section 123 of the Act.
- As stated in note 49 to the consolidated financial statements, the Board of Directors of the Holding Company have proposed final dividend for the year which is subject to the approval of the members of the Holding company at the ensuing Annual General Meeting. The dividend declared is in accordance with section 123 of the Act to the extent it applies to declaration of dividend.
- vi) Based on our examination which included test checks and that performed by the respective auditors of the subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, the Holding Company and subsidiaries have used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we and respective auditors of the above referred subsidiaries did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail of prior years has been preserved by the Holding Company and the above referred subsidiaries as per the statutory requirements for record retention, to the extent it was enabled and recorded.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF ASTRAL LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Astral Limited (hereinafter referred to as the "Holding Company") as of and for the year ended March 31, 2026, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), which are companies incorporated in India, as of that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of the companies included in the Group, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Holding Company's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both, issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements,

assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO CONSOLIDATED FINANCIAL STATEMENTS

A company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO CONSOLIDATED FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Group, which are companies incorporated in India, whose financial statements are audited, have, maintained in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

OTHER MATTERS

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements of the Holding Company, in so far as it relates to the three subsidiaries, which are companies incorporated in India, is based on the corresponding reports of the auditors of such subsidiaries, incorporated in India.

Notes Forming Part of the Consolidated Financial Statements

For the year ended March 31, 2026

1. GROUP'S BACKGROUND

The consolidated financial statements comprise financial statements of Astral Limited (CIN: L25200GJ1996PLC029134) ("the Parent" or "the Company" or "Holding Company") and its subsidiaries (collectively, the Group) for the year ended March 31, 2026.

The Parent is a public company domiciled in India and is incorporated under the provision of Companies Act applicable in India. Its shares are listed in two recognized stock exchange in India, BSE Limited and National Stock Exchange of India Limited. The registered office of the company is located at "Astral House", 207/1, B/h. Rajpath Club, Off S. G. Highway, Ahmedabad - 380 059, Gujarat, India. The Company was established in 1996, with the aim to manufacture pro-India complete range of piping products for various applications in the country. Astral Limited is equipped with production facilities at Santej, Dholka & Jamnagar (Gujarat), Ghiloth (Rajasthan), Sangli and Aurangabad (Maharashtra), Sitarganj (Uttarakhand), Kanpur (Uttar Pradesh), Hosur (Tamil Nadu), Ramdasapur Cuttack (Odisha), Guwahati (Assam) and Hyderabad (Telangana) to manufacture Plumbing systems, Drainage systems, Agriculture, Industrial, Electrical Conduit Pipes, water tanks and faucets with all kinds of necessary fittings. Adhesive business of the Company is manufacturing various types of Adhesives and Sealants with production facilities at Santej & Dahej (Gujarat) and Rania (Uttar Pradesh). Further details about the nature of business of the Group are provided in Note 40.

The Consolidated financial statements were approved for issue in accordance with a resolution of the board of directors of the Holding Company on May 18, 2026.

2. MATERIAL ACCOUNTING POLICIES

a) Basis of Preparation of Consolidated Financial Statements

The Consolidated financial statements have been prepared in accordance with Ind AS notified under the Companies (Indian Accounting Standards) Rules, 2015, and relevant amendment rules issued thereafter read with Section 133 of the Companies Act, 2013, as amended and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to consolidated financial statement. All accounting policies are consistently applied. The Group has prepared the financial statements on the basis that it will continue to operate as a going concern.

These consolidated financial statements are prepared under the accrual basis and historical cost measurement, except for certain financial instruments (refer accounting policy on financial instruments), which are measured at fair values and

equity settled employees stock options plans measured at fair value as at grant date. The consolidated financial statements provide comparative information in respect of the previous period. The consolidated financial statements are presented in Indian National Rupee (₹) which is the functional currency of the Holding Company, and all values are rounded to the nearest million (₹ 000,000), except where otherwise indicated. All amounts individually less than ₹ 0.5 million have been reported as "0".

b) Fair value

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique.

The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liabilities; or
- In the absence of a principal market in the most advantageous market for the asset and liabilities.

In estimating the fair value of an asset or liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these Consolidated financial statements is determined on such a basis, except for share based payment transaction that are within the scope of Ind AS 102 Share-based Payment, leasing transactions that are within the scope of Ind AS 116 Leases, and measurements that have some similarities to fair value but are not fair valued such as net realizable value in Ind AS 2 or value in use in Ind AS 36 Impairment of assets.

All assets and liabilities for which fair value is measured or disclosed in the Consolidated financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- 1) **Level 1:** Quoted (unadjusted) market prices in active markets for identical assets or Liabilities.
- 2) **Level 2:** Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- 3) **Level 3:** Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

c) Basis of Consolidation

The consolidated financial statements incorporate the financial statements of the Company and its subsidiaries, being the entities controlled by the Company. Control is achieved when the Company:

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

The Company considers all relevant facts and circumstances in assessing whether or not the Company's voting rights in an investee are sufficient to give it power, including:

- The contractual arrangement with the other vote holders of the investee;
- the size of the Company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- potential voting rights held by the Company, other vote holders or other parties;
- rights arising from other contractual arrangements; and

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income, expenses and any related NCI and other components of equity of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on March 31.

Consolidation procedure:

- Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.

- Eliminate the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.
- Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets), are eliminated in full. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance.

The acquisition of an additional ownership interest in a subsidiary without change of control is accounted for as an equity transaction in accordance with Ind AS 110. Any excess or deficit of fair value of consideration paid over the carrying amount of the non-controlling interests is recognised in equity of the parent in transactions where the non-controlling interests are acquired or sold without loss of control.

d) Business combinations and goodwill

The Group determines that it has acquired a business when the acquired set of activities and assets include an input and a substantive process that together significantly contribute to the ability to create outputs. The acquired process is considered substantive if it is critical to the ability to continue producing outputs, and the inputs acquired include an organised workforce with the necessary skills, knowledge, or experience to perform that process or it significantly contributes to the ability to continue producing outputs.

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed in the periods in which the costs are incurred and the services are received, with the exception of the costs of issuing equity securities that are recognised in accordance with Ind AS 32 and Ind AS 109.

At the acquisition date, the identifiable assets acquired, and the liabilities assumed are recognised at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. However, the following assets and liabilities acquired in a business combination are measured at the basis indicated below:

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

- Deferred tax assets or liabilities, and the liabilities or assets related to employee benefit arrangements are recognised and measured in accordance with Ind AS 12 Income Tax and Ind AS 19 Employee Benefits respectively.
- Potential tax effects of temporary differences and carry forwards of an acquiree that exist at the acquisition date or arise as a result of the acquisition are accounted in accordance with Ind AS 12.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. An impairment loss recognised for goodwill is not reversed in subsequent periods.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Group reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted through goodwill during the measurement period, or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognized at that date. These adjustments are called as measurement period adjustments. The measurement period does not exceed one year from the acquisition date.

In case acquisition doesn't constitute a business, the cost of the acquisition is allocated to the individual identifiable assets acquired and liabilities assumed based on their relative fair values at the date of purchase.

e) Investment in Joint Ventures

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decision about the relevant activities require unanimous consent of the parties sharing control.

The results and assets and liabilities of joint venture are incorporated using the equity method of accounting. Under equity method, an investment in a joint venture is initially recognised in the consolidated balance sheet at cost and adjusted thereafter to recognise the Group's share of the profit and loss and other comprehensive income of the joint venture. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the joint venture since the acquisition date. Goodwill relating to the joint venture is included in the carrying amount of the investment and is not tested for impairment separately. When the Group's share of losses of a joint venture exceeds the Group's interest in that joint venture (which includes any long term interest that, in substance, form part of Group's net investment in the joint venture), the Group discontinues recognizing its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the joint venture.

After application of the equity method, the Group determines whether it is necessary to recognise an impairment loss on its investment in its joint venture. At each reporting date, the Group determines whether there is objective evidence that the investment in the joint venture is impaired. If there is such evidence, the Group calculates the amount of impairment as the difference between the recoverable amount of the associate or joint venture and its carrying value, and then recognises the loss within 'Share of profit of a joint venture' in the statement of profit or loss. Any reversal of the impairment loss is recognised in accordance with Ind AS 36 to the extent that the recoverable amount of the investment subsequently increases.

When a Group entity transacts with a joint venture of the Group, profit and losses resulting from the transaction with the joint venture are recognised in the Group's consolidated financial statements only to the extent of interest in joint venture that are not related to the Group.

When necessary, adjustments are made to bring the accounting policies in line with those of the Group. The financial statements of the joint venture used in applying the equity method are prepared as of a date different from that used by the entity, adjustments are made for the effects of significant transactions or events that occur between that date and the date of the entity's financial statements. The difference between the end of the reporting period of the joint venture and that of the Company is of three months. The length of the reporting periods and difference between the ends of the reporting periods are same from period to period.

f) Inventories

Inventories are stated at lower of cost and net realizable value after providing for obsolescence and other losses, where considered necessary. Cost includes cost of purchase and other expenses incurred in bringing the inventories to their present location and condition. Raw materials, Stock in Trade, Stores, Spares, Consumables and Packing materials are valued on weighted average costs.

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

Finished goods and work in progress includes an appropriate share of production overheads along with the material cost as defined above.

Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

g) Cash and cash equivalents

Cash and Cash equivalents consists of cash in hand and at bank and all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase. It also includes fixed deposits maintained by the Group with banks, which can be withdrawn by the Group at any point without penalty on the principal.

h) Revenue from contract with customer

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer based on the terms of contract and as per the business practice at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services.

Sale of goods

Revenue from sale of goods is recognised at the point in time when control of the asset is transferred to the customer. In determining the transaction price for the sale of goods, the Group considers the effects of variable consideration, if any.

Variable consideration

If the consideration in a contract includes a variable amount (like discounts, rebates and other scheme benefits), The Group estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved.

Contract Balance**• Trade receivables**

Trade receivables are initially recognised for revenue from sale of goods. A receivable represents the Group's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

• Advance from customers (Contract liability)

Advance received from customer before transfer of control of goods to the customer is recognised as contract liability. Contract liabilities are recognised as revenue when the Group performs under the contract (i.e., transfers control of the related goods to the customer).

Interest Income

Interest income from financial assets is recognised when it is probable that the economic benefit will flow to the Group and the amount of income can be measured reliably. Interest income is recorded using the effective interest rate (EIR). Interest income is accrued on a time basis, by reference to the principal outstanding and the interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Insurance claims

Insurance claims are accounted to the extent that there is no uncertainty in receiving the claims.

i) Property, plant and equipment

The cost of an item of property, plant and equipment shall be recognised as an asset if, and only if it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably.

Property, Plant and Equipment are stated at cost less accumulated depreciation and impairment losses, if any. Cost of an item of property, plant and equipment comprises its purchase price, including import duties, freight, installation cost, and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use.

Capital work in progress is stated at cost, net of accumulated impairment loss, if any. All the directly attributable expenditure related to construction incurred during the period of construction of a project, till it is commissioned, is accounted as Capital work in progress (CWIP) and are classified to the appropriate categories of property, plant and equipment when completed and ready for intended use.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the consolidated statement of profit and loss.

On transition to Ind AS (i.e. April 1, 2015), the group has elected to continue with the carrying value of all Property, plant and equipment measured as per the previous GAAP and use that carrying value as the deemed cost of Property, plant and equipment.

Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on Property, Plant and Equipment other than freehold land and properties under construction are charged based on straight line method on an estimated useful life as prescribed in Schedule II to the Companies

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

Act, 2013 except for i) Assets given under operating lease (i.e Computerised Colourant Dispenser Machines and Gyro Shakers) where useful life as estimated by management is 5 years. ii) the Property, Plant and Equipment of a foreign subsidiary whose estimated useful lives are as follows, based upon technical assessment made by management based on the internal assessment:

Buildings: 10 - 25 Years

Plant and Equipments: 5 - 10 Years

Furniture and Fixtures: 5 - 8 Years

Vehicles: 5 Years

Computers and Office Equipments: 3 - 5 Years

The estimated useful lives and residual values of the property, plant and equipment are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Depreciation on items of property, plant and equipment acquired/disposed off during the year is provided on pro-rata basis with reference to the date of addition/disposal.

j) Intangible assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses, if any. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life is reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the consolidated statement of profit and loss when the asset is de-recognised.

Intangible assets are amortised over their estimated useful life on a straight-line basis over a period of 5 years except assets like Brand, Distribution Network which is amortised over 7 years since as per the management assessment benefits will be available for that period.

Research costs are expensed as incurred, while development costs are capitalised as an asset only when technical feasibility, intention and ability to complete, future economic benefits, resource availability, and reliable cost measurement can be demonstrated.

On transition to Ind AS (i.e. April 1, 2015), the group has elected to continue with the carrying value of all Intangible assets measured as per the previous GAAP and use that carrying value as the deemed cost of Intangible assets.

k) Leases

The group assesses at contract inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Group as a lessee

The group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

• Right-of-use assets

The group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

Depreciation on leasehold lands is charged over a lease period. Depreciation on all leasehold improvements is provided over the remaining lease period or over the useful lives of the respective property, plant and equipment, whichever is shorter.

• Lease liabilities

At the commencement date of the lease, the group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, and amounts expected to be paid under residual value guarantees. Lease payments are recognised as expenses in the period in which the event or condition that triggers the payment occurs.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

• Short-term leases and leases of low-value assets

The group applies the short-term lease recognition exemption to its short-term leases (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered to be low value. Lease payments on short-term leases and leases of low value assets are recognised as expense on a straight-line basis over the lease term.

Group as a lessor

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms.

l) Government grants

Government grants are recognised where there is reasonable assurance that the grant will be received, and all attached conditions will be complied with. When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is reduced from the carrying amount of the asset.

m) Foreign Currencies

In preparing the consolidated financial statements of the Group, the transactions in currencies other than the respective entity's functional currency are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rate prevailing at that date. Non-monetary items carried at fair value that are denominated in foreign currencies are translated at the rates prevailing at the date when fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction.

Exchange differences arising on monetary items are recognised in the consolidated statement of profit and loss in the period in which they arise.

Translation of Financial Statements of foreign entities/operations

On Consolidation, the assets and liabilities of foreign operations are translated into INR at the rate of exchange prevailing at the reporting date and their statements of Profit and Loss are translated at the average exchange rates for the period. The exchange differences arising on translation for consolidation are recognised in OCI. On disposal of foreign operation, the component of OCI relating to that Particular operation is reclassified in the Consolidated Statement of Profit and Loss.

In case of financial statement of foreign operations are as of a reporting date different than that of the parent, the assets and liabilities of the foreign operation are translated at the exchange rate as of the end of reporting period of the foreign operation. Adjustments are made for significant changes in exchange rates up to the end of the reporting period of the parent.

n) Employee Benefits

Employee benefits include provident fund, pension fund, employee state insurance scheme, gratuity fund and compensated absences.

Defined Contribution Plan

The Group's contribution to provident fund, pension fund and ESIC are considered as defined contribution plans and is charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plans

The Parent company and its Indian Subsidiaries operate a gratuity scheme for employees. The cost of providing benefits is determined using the Projected Unit Credit method, with actuarial valuations being carried out at each balance sheet date. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to in the consolidated statement of profit and loss. Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

The Group recognises the following changes in the net defined benefit obligation as an expense in the consolidated statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and settlements; and
- Net interest expense or income.

The retirement benefit obligation recognised in the Consolidated Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost, as reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to past service cost, plus the present value of available refunds and reductions in future contributions to the schemes.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The group measures the expected cost of such absences as the additional amount that it expects to pay as a

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

result of the unused entitlement that has accumulated at the reporting date. The group recognizes expected cost of short-term employee benefit as an expense, when an employee renders the related service.

The group treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the reporting date. Remeasurement gains/losses are immediately taken to the statement of profit and loss and are not deferred. The obligations are presented as current liabilities in the balance sheet if the Group does not have a right to defer the settlement for at least twelve months after the reporting date and vice versa it is presented as non-current liabilities.

Share based payment

Employees of the Group receive remuneration in the form of share-based payments, whereby employees render services as consideration for equity instruments (equity-settled transactions). Equity settled share-based payments to employees are measured at the fair value of the equity instruments at the grant date. The fair value determined at the grant date of the equity settled share-based payments is expensed on a straight-line basis over the vesting period, based on the Group's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share.

o) Borrowing costs

Borrowing cost includes interest, amortisation of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily takes a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Capitalisation of borrowing cost is suspended and charged to statement of Profit and loss during the extended period when active development of the qualifying asset is interrupted.

All other borrowing costs are recognised in the consolidated statement of profit and loss in the period in which they are incurred.

p) Earnings per share

Basic earnings per share is computed by dividing the profit/(loss) for the year attributable to equity shareholders of parent by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit/(loss) for the year attributable to equity shareholders by the weighted

average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. The dilutive potential equity shares are adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. average market value of the outstanding shares). Dilutive potential equity shares are determined independently for each period presented.

q) Taxation

Tax expense comprises current tax expense and deferred tax.

Current Tax

The tax currently payable is based on taxable profit for the year. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date in the countries where the Group operates and generates taxable income.

Current income tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The group shall reflect the effect of uncertainty for each uncertain tax treatment by using either most likely method or expected value method, depending on which method predicts better resolution of the treatment.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities.

Deferred tax

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

A deferred tax liability shall be recognised for all taxable temporary differences, except to the extent that the deferred tax liability arises from:

- the initial recognition of goodwill; or
- the initial recognition of an asset or liability in a transaction which:
 - is not a business combination; and

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

- at the time of the transaction, affects neither accounting profit nor taxable profit (tax loss) and does not give rise to equal taxable and deductible temporary differences.
- In respect of taxable temporary differences associated with investments in subsidiaries and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

- When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss and does not give rise to equal taxable and deductible temporary differences.
- In respect of deductible temporary differences associated with investments in subsidiaries and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised, or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

The Group offsets deferred tax assets and deferred tax liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on either the same

taxable entity or different taxable entities which intend either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

r) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligations. When a provision is measured using the cash flow estimated to settle the present obligation, its carrying amount is the present obligations of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Contingent liability

Contingent liability is a possible obligation arising from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or a present obligation that arises from past events but is not recognized because it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or the amount of the obligation cannot be measured with sufficient reliability.

The Company does not recognize a contingent liability but discloses its existence in the consolidated financial statements.

Contingent Asset

Contingent asset is not recognised in consolidated financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognized.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

s) Financial Instruments

Financial assets and financial liabilities are recognised when a Group becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value except trade receivables which is measured at transaction price. Transaction costs that are

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the consolidated statement of profit and loss.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets are measured at fair value through profit and loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in consolidated statement of profit and loss.

Financial assets designated at fair value through OCI (equity instruments)

Upon initial recognition, the Group can elect to classify irrevocably its equity investments as equity instruments designated at fair value through OCI when they meet the definition of equity under Ind AS 32 Financial Instruments: Presentation and are not held for trading. The classification is determined on an instrument-by-instrument basis. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL.

Gains and losses on these financial assets are never recycled to profit or loss. Equity instruments designated at fair value through OCI are not subject to impairment assessment.

Financial liabilities

Financial liabilities are subsequently measured at amortised cost using the effective interest method.

The Group has established supplier finance arrangements in the nature of Operational Buyer's credit. The Group evaluates whether financial liabilities covered such arrangements continue to be classified within trade payables, or they need to be classified as a borrowing or as part of other financial liabilities/as a separate line item on the face of the balance sheet. Such evaluation requires exercise of judgment basis specific terms of the arrangement.

The Group classifies financial liabilities covered under supplier finance arrangement within trade payables in the consolidated balance sheet only if (i) the obligation represents a liability to pay for goods and services, (ii) is part of the working

capital used in its normal operating cycle (iii) The payable has been invoiced and continues to reflect the substance of a trade payable. If one or more of the above criteria are not met, the Group derecognises its original liability toward the supplier and recognise a new liability toward the bank which is classified as "Borrowings".

Cash flows related to liabilities arising from supplier finance arrangements that classified in trade payables and borrowings in the balance sheet are included in operating activities and financing activities in the statement of consolidated cash flows respectively, when the Group finally settles the liability. The payment made by the Group to the bank toward interest, if any, is presented as financing cash outflow.

Equity instruments

An equity instrument is a contract that evidences residual interest in the assets of the Group after deducting all of its liabilities. Equity instruments recognised by the Group are measured at the proceeds received net off direct issue cost.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in financial statements if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

Derecognition of Financial Assets and Liabilities

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or when the Group transfers the contractual rights to receive the cash flows of the financial asset in which substantially all the risks and rewards of ownership of the financial asset are transferred, or in which the Group neither transfers nor retains substantially all the risks and rewards of ownership of the financial asset and does not retain control of the financial asset.

The Group derecognises a financial liability (or a part of financial liability) when the contractual obligation is discharged, cancelled or expired. The difference between the carrying amount of the financial liability derecognised and the consideration paid is recognised in the Statement of Profit and Loss.

t) Derivative financial instruments

The Group enters into a variety of derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts/options and interest rate swaps.

The use of foreign currency forward contracts/options is governed by the Group's policies approved by the Board of Directors, which provide written principles on the use of such financial derivatives consistent with the Group's risk management strategy. The counter party to the Group's foreign currency forward contracts is generally a bank. The Group does not use derivative financial instruments for speculative purposes.

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the consolidated statement of profit and loss immediately.

Profit or loss arising on cancellation or renewal of a forward exchange contract is recognised as income or as expense in the period in which such cancellation or renewal occurs.

u) Impairment**Financial assets (other than at fair value)**

The Group assesses at each Balance sheet whether a financial asset or a Group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Group recognises lifetime expected losses for all contract assets and/or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the lifetime expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

Non-financial assets**Property, Plant and Equipment and intangible assets**

At the end of each reporting period, the Group reviews the carrying amounts of its Property, Plant and Equipment and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash generating unit to which the asset belongs. When a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash generating units, or otherwise they are allocated to the smallest Group of cash generating unit for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the consolidated statement profit and loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash generating unit) is increased to the revised estimate of its recoverable amount, but so that

the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the consolidated statement of profit and loss.

For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

v) Current versus non-current classification

The Group segregates assets and liabilities into current and non-current categories for presentation in the balance sheet after considering its normal operating cycle and other criteria set out in Ind AS 1, "Presentation of Financial Statements". For this purpose, current assets and liabilities include the current portion of non-current assets and liabilities respectively. Deferred tax assets and liabilities are always classified as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Group has identified period up to twelve months as its operating cycle.

w) Segment Reporting

Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance. The Group's chief operating decision maker is the Chairman & Managing Director. Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the chief operating decision maker (CODM), in deciding how to allocate resources and assessing performance.

The accounting principles used in the preparation of the financial statements are consistently applied to record revenue and expenditure in individual segments as set out in material accounting policies.

The accounting policies in relation to segment accounting are as under:

• Segment revenue and expenses

Segment revenue is directly attributable to the segment and segment expenses have been allocated to various segments on the basis of specific identification. Segment revenue does not include other income. Segment expenses do not include finance cost, Depreciation and amortization, tax expense and share of loss of joint ventures.

• Segment assets and liabilities.

Assets and liabilities directly attributable or allocable to segments are disclosed under each reportable segment.

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

x) Dividend

The Holding Company recognises a liability to pay dividend to owners of the parent when the distribution is authorised, and the distribution is no longer at the discretion of the Group. A corresponding amount is recognised directly in equity. As per the corporate laws in India, a distribution is authorised when it is approved by the shareholders of parent in case of final dividend and by board of directors of the parent in case of interim dividend.

y) Critical accounting judgements and key sources of estimation uncertainty

The preparation of the consolidated financial statements in conformity with the Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the consolidated financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Key sources of estimation uncertainty

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing as material adjustment to the carrying amounts of assets and liabilities within next financial year.

i. Useful lives of property, plant and equipment and intangible assets

As described in Note 2(i) and Note 2(j), the Group reviews the estimated useful lives and residual values of property, plant and equipment and intangible assets at the end of each reporting period. The lives are based on historical experience with similar type assets as well as anticipation of technical or commercial obsolescence arising from a upgraded technological improvement. During the current financial year, the management determined that there were no changes to the useful lives and residual values of the property, plant and equipment and intangible assets.

ii. Provisions and Contingent Liabilities

Provisions and Contingent Liabilities are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

iii. Impairment of Goodwill

The group tests whether goodwill has suffered any impairment on an annual basis. For the current and previous financial year, the recoverable amount of the cash

generating units (CGUs) was determined based on value-in-use calculations which require the use of assumptions. The calculations use cash flow projections based on financial budgets approved by management covering a five-year period. Cash flows beyond the five-year period are extrapolated using the estimated growth rates.

Goodwill of ₹ 2,946 million (Previous year: 2,954 million) and ₹ 210 million (Previous year: 192 million) have been allocated for impairment testing purpose to the Cash Generating Unit (CGU) viz., 'Paints and Adhesives' and 'Plumbing' Segment, respectively.

The recoverable amount of all cash generating units (CGUs) has been determined based on value in use calculations. These calculations use cash flow projections based on financial budgets approved by management. Recoverable amounts for these CGUs has been determined based on value in use for which cash flow forecasts of the related CGU's using a growth rate based on Group's projection of business and growth of the industry in which the CGU is operating. Pre-tax Discount rate ranging from 7% to 14% has been applied. The values assigned to the assumption reflect past experience and are consistent with the management's plans for focusing operations in these markets. The growth rate does not exceed the long term average growth rate for the respective business in which the CGU operates. The management believes that the planned market share growth is reasonably achievable.

An analysis of the sensitivity of the computation to a change in key parameters (operating margin, discount rate and growth rate), based on a reasonable assumptions, did not identify any probable scenario in which the recoverable amount of the CGU would decrease below its carrying amount.

iv. Defined benefit obligation

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

v. Discount, Incentives & Rebates

Revenue is measured net of variable consideration such as discounts, incentives, rebates etc. given to the customers on the Company's sales. These discounts, incentives, rebates etc. are given on monthly, quarterly and annual basis based on target achievement by the customers and specific discounts on agreed terms. Estimation is involved during the financial year until the end of reporting year. At reporting year end date, since the targets are already achieved, no significant element of estimation are present and for specific discounts, no material change is expected based on the past experience.

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

vi. Impairment of financial assets (other than at fair value)

Measurement of impairment of financial assets require use of estimates, which have been explained in the note on financial assets, financial liabilities and equity instruments, under impairment of financial assets (other than at fair value) (Refer note u).

vii. Business Combinations**• Measurement of fair values**

The valuation techniques used for measuring the fair value of material assets acquired were as follows:

Property, plant and equipment

Sales comparison method under the Market approach and cost technique: The valuation model considers quoted market prices for similar items when they are available, and depreciated replacement cost when appropriate. Depreciated replacement cost reflects adjustments for physical deterioration as well as functional and economic obsolescence. (Note 3)

Intangible assets

Relief-from-royalty method and multi-period excess earnings method: The relief-from-royalty method considers the discounted estimated royalty payments that are expected to be avoided as a result of the patents being owned. The multi-period excess earnings method considers the present value of net cash flows expected to be generated by the customer relationships, by excluding any cash flows related to contributory assets. (Note 3)

viii. Leases

- a. The Group uses significant judgement in the applicable discount rate. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.
- b. In determining the lease term, the Group has assessed that its termination rights as a lessee, exercisable after the non-cancellable period, are not substantive due to the potential costs and commercial disadvantages associated with early termination. Accordingly, the termination right is considered to be substantive for the lessor, and the Group has deemed to have an unconditional obligation for the entire lease term on prudence basis. This lease term has been used in the measurement of lease liabilities.

z) New and amended standards

The Company applied for the first-time certain standards and amendments, which are effective for annual periods beginning on or after April 1, 2025. The Company has not early adopted any standard, interpretation or amendment that has been issued but is not yet effective.

i. Amendments to Ind AS 21 - Lack of exchangeability

The Ministry of Corporate Affairs (MCA) notified the Companies (Indian Accounting Standards) Amendment Rules, 2025, which amend Ind AS 21, The Effects of Changes in Foreign Exchange Rates to specify how an entity should assess whether a currency is exchangeable and how it should determine a spot exchange rate when exchangeability is lacking. The amendments also require disclosure of information that enables users of its financial statements to understand how the currency not being exchangeable into the other currency affects, or is expected to affect, the entity's financial performance, financial position and cash flows.

The amendments are effective for annual reporting periods beginning on or after April 1, 2025. When applying the amendments, an entity cannot restate comparative information.

The amendments do not have a material impact on the Group's financial statements.

ii. Amendments to Ind AS 1 - Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

In August 2025, the MCA notified amendments to paragraphs 69 to 76 of Ind AS 1 to specify the requirements for classifying liabilities as current or non-current. The amendments clarify:

- What is meant by a right to defer settlement.
- That a right to defer must exist at the end of the reporting period.
- That classification is unaffected by the likelihood that an entity will exercise its deferral right.
- That only if an embedded derivative in a convertible liability is itself an equity instrument would the terms of a liability not impact its classification.

In addition, a requirement has been introduced to require disclosure when a liability arising from a loan agreement is classified as non-current and the entity's right to defer settlement is contingent on compliance with future covenants within twelve months.

The amendments are effective for annual reporting periods beginning on or after April 1, 2025 retrospectively in accordance with Ind AS 8.

The amendments have not had an impact on the classification of Group's liabilities.

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

iii. Amendments to Ind AS 7 and Ind AS 107 - Supplier Finance Arrangements

In August 2025, the MCA notified amendments to Ind AS 7 Statement of Cash Flows and Ind AS 107 Financial Instruments: Disclosures to clarify the characteristics of supplier finance arrangements and require additional disclosure of such arrangements. The disclosure requirements in the amendments are intended to assist users of financial statements in understanding the effects of supplier finance arrangements on an entity's liabilities, cash flows and exposure to liquidity risk.

As a result of implementing the amendments, the Group has provided additional disclosures about its supplier finance arrangement. Please refer to **Note 19**.

iv. International Tax Reform-Pillar Two Model Rules – Amendments to Ind AS 12

In August 2025, the MCA notified amendments to Ind AS 12 Income Taxes in response to the OECD's BEPS Pillar Two rules and include:

- A mandatory temporary exception to the recognition and disclosure of deferred taxes arising from the jurisdictional implementation of the Pillar Two model rules; and
- Disclosure requirements for affected entities to help users of the financial statements better understand an entity's exposure to Pillar Two income taxes arising from that legislation, Particularly before its effective date.

The mandatory temporary exception – the use of which is required to be disclosed – applies immediately. The remaining disclosure requirements apply for annual reporting periods beginning on or after April 1, 2025, but not for any interim periods ending on or before March 31, 2026.

The amendments had no impact on the Group's consolidated financial statements as the Group is not in scope of the Pillar Two model rules.

aa) Standards notified but not yet effective

The new and amended standards that are notified by the Ministry of Corporate Affairs (MCA), but not yet effective, up to the date of issuance of the Group's financial statements are disclosed below. The Group will adopt these new and amended standards, when they become effective.

i. Amendments to Ind AS 1 - Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants

In accordance with Ind AS 1 currently applicable, breach of an immaterial covenant is ignored deciding in current vs. non-current classification of liabilities. Also, in case of breach of a material covenant of a non-current loan on or before the reporting date, the entity can obtain waiver from the lender after the reporting date and continue to classify the loan as non-current liability.

In accordance with changes to Ind AS 1 already notified by the MCA, the above relaxations to classify loan as non-current liability will not be available from FY 2026-27 onward and need to be applied retrospectively. Consequently:

- A breach of either material or immaterial covenant will trigger current classification of liability.
- To continue classifying loan as non-current liability, entities will need to obtain waiver from the breach on or before the reporting date.

The Group is currently assessing the impact the amendments will have on its consolidated financial statements.

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

Trade receivables from other than related parties	4,751	4,353
Trade receivables from related parties (Note 36)	-	-
Total	4,751	4,353

Notes:

- a. The Group offers credit period up to 180 days.
- b. Before accepting any new customer, the Group assesses the potential customer's creditability and defines credit limits for each customer. Such Limits are reviewed annually.
- c. In determining the allowances for credit impaired trade receivables, the Group has used simplified approach, a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix.
- d. At March 31, 2026: ₹ 615 million (At March 31, 2025: ₹ 504 million) had been sold to a provider of invoice discounting and debt factoring services. The Group is committed to underwrite any of the debts transferred and therefore continues to recognise the debts sold within trade receivables until the debtors repay default amounts. Since the trade receivables continue to be recognised, the business model of the Group is not affected.

Add: Profit for the year	5,366	5,238
Add: Consequent to business combination (Note 42C and 42D)	(66)	-
Add: Other comprehensive income/(loss) for the year, net of tax	(0)	(18)
Less: Payment of dividend on equity shares (Note a & b)	1,007	1,007
Balance at the end of the year	35,671	31,378
Total	40,310	35,901

Notes:

a. In August 2025 and November 2025, the dividend of ₹ 2.25 per share (total dividend ₹ 604 Million) and ₹ 1.5 per share (total dividend ₹ 403 Million) respectively, was paid to holders of fully paid equity shares.

b. In August 2024 and November 2024, the dividend of ₹ 2.25 per share (total dividend ₹ 604 Million) and ₹ 1.5 per share (total dividend ₹ 403 Million) respectively, was paid to holders of fully paid equity shares.

c. Nature and Purpose of reserve**Capital Reserve**

The Holding Company has created capital reserve out of capital subsidies received from state Governments of ₹ 4 million, further Capital Reserve of ₹ 91 million created on amalgamation of erstwhile subsidiaries, Resinova Chemie Limited and Astral Biochem Private Limited, with the Holding Company. It is not available for distribution of dividend to shareholders.

Securities Premium

The amount received in excess of face value of the equity shares is recognised in Securities Premium. It is available for utilization in accordance with the provisions of the Companies Act, 2013. In case of equity-settled share

based payment transactions, the difference between fair value on grant date and nominal value of share is accounted as securities.

General Reserve

General reserve is created from time to time by way of transfer of profits from retained earnings for appropriation purposes. General reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income. It can be used for distribution to equity shareholders only in compliance with the Companies Act, 2013, as amended.

Revaluation Reserve

The Holding Company has created revaluation reserve out of revaluation of land carried out during the year 2004-05.

Foreign Currency Translation Reserve

Exchange differences arising on translation of the foreign operations are recognised in other comprehensive income as described in accounting policy and accumulated in a separate reserve within equity. The cumulative amount is reclassified to profit or loss when the net investment in foreign subsidiary is disposed-off.

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

Stock Options Outstanding Account

Stock Option Outstanding Account is used to recognise grand date fair value options vested to employees under various equity settled schemes. The fair value of the equity-settled share based payment transactions with employees is recognised in Statement of Profit and Loss with corresponding credit to Stock Options Outstanding Account.

Retained Earnings

Retained earnings are the profits that the Group has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders. It can be used for distribution to equity shareholders only in compliance with the Companies Act, 2013, as amended.

35. EMPLOYEE BENEFITS:

Post-employment Benefit

Defined Contribution Plan:

The Holding Company and its Indian subsidiaries make provident fund contributions to defined contribution benefit plans for eligible employees. Under the scheme the Group is required to contribute a specified percentage of the payroll costs to fund the benefits. The contributions specified under the law are paid to the government authorities.

Amount towards Defined Contribution Plan have been recognised under "Contribution to Provident and Other funds" in Note 28 "Employee Benefits Expense" of ₹ 120 million (Previous Year: ₹ 109 million).

Defined Benefit Plan:

The Holding Company and its Indian subsidiaries have defined benefit plans for gratuity to eligible employees, contributions for which are made to insurance service providers, which invests the funds as per Insurance Regulatory and Development Authority (IRDA) guidelines. The details of these defined benefit plan recognised in the consolidated financial statements are as under:

General Description of the Plan:

The Holding Company and its Indian subsidiaries operates a defined benefit plan (the Gratuity Plan) covering eligible employees, which provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employees salary and the tenure of employment.

The defined benefit plans typically expose to the Holding Company and one of its Indian Subsidiaries to various risk such as;

Interest rate risk:

A fall in the discount rate which is linked to the Government Securities. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

Salary Risk:

The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

Investment Risk:

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

Asset Liability Matching Risk:

The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

Mortality risk:

Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

Concentration Risk:

Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very low as insurance companies have to follow stringent regulatory guidelines which mitigate risk.

a) Movement in present value of defined benefit obligation are as follows:

(₹ In Million)

Particulars	Gratuity	
	As at March 31, 2026	As at March 31, 2025
Obligations at the beginning of the year	292	230
Current service cost	60	40
Past service cost	126	-
Interest cost	20	17
Actuarial (Gains)/Losses on Obligations - Due to Change in Demographic Assumptions	(4)	
Actuarial (gain)/loss - due to change in financial assumptions	(14)	11
Actuarial (gain)/loss- due to experience adjustments	11	14
Benefits paid	(20)	(20)
Present value of benefit obligation at the end of the year	471	292

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

b) Movement in the fair value of plan assets are as follows:

(₹ In Million)

Particulars	Gratuity	
	As at March 31, 2026	As at March 31, 2025
Plan assets at the beginning of the year, at fair value	283	231
Interest Income	18	17
Return on plan assets excluding interest income	(7)	1
Contributions from the employer	53	54
Benefits paid	(20)	(20)
Fair value of plan assets at the end of the year	326	283

c) The amount included in the balance sheet arising from the entities obligation in respect of defined benefit plan is as follows:

(₹ In Million)

Particulars	Gratuity	
	As at March 31, 2026	As at March 31, 2025
Present value of benefit obligation at the end of the year	471	292
Less: Fair value of plan assets at the end of the year	326	283
Net liability/(asset) arising from defined benefit obligation	145	9

d) Amount recognised in the Statement of Profit and Loss in respect of the defined benefits plans are as follows:

(₹ In Million)

Particulars	Gratuity	
	Year ended March 31, 2026	Year ended March 31, 2025
Current service cost	60	40
Past Service Cost	126	
Net Interest expense	2	(0)
Components of defined benefit costs recognised in the Statement of Profit and Loss	188	40
Remeasurement on the net defined benefit liability:		
Actuarial (gains)/losses on obligation for the period	(7)	25
Return on plan assets, excluding interest income	7	(1)
Components of defined benefit costs recognised in Other Comprehensive Income	0	24
Total	188	64

e) Investment details of plan assets:

To fund the obligations under the gratuity plan, Contributions are made to insurance service providers, who invests the funds as per IRDA guidelines.

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

f) The defined benefit obligations shall mature after year ended March 31, 2026 as follows:

(₹ In Million)

Particulars	As at March 31, 2026	As at March 31, 2025
1 st Following Year	38	25
2 nd Following Year	32	18
3 rd Following Year	46	19
4 th Following Year	47	18
5 th Following Year	43	21
Sum of Years 6 To 10	200	111
Thereafter	545	430

The average duration of the defined benefit plan obligation at the end of the reporting period is ranging from 7 to 15 years (As at March 31, 2025: 7 to 12 years).

g) Sensitivity analysis:

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

(₹ In Million)

Particulars	Gratuity	
	As at March 31, 2026	As at March 31, 2025
Delta effect of +1% change in the rate of Discounting	(34)	(25)
Delta effect of -1% change in the rate of Discounting	39	29
Delta effect of +1% change in the rate of salary Increase	35	28
Delta effect of -1% change in the rate of salary increase	(31)	(25)
Delta effect of +1% change in the rate of employee turnover	(1)	(2)
Delta effect of -1% change in the rate of employee turnover	0	2

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using "Projected Unit Credit" method at the end of the reporting period which is the same as that applied in calculating the defined benefit obligation liability recognised in Balance Sheet.

There were no material change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

The Group expects to make a contribution of ₹ 146 million (as at March 31, 2025: ₹ 9 Million) to the defined benefit plans during the next financial year.

Provision for employee's benefit includes provision for leave encashment ₹ 176 million (March 31, 2025: ₹ 101 million) for Holding Company and its Indian Subsidiaries.

h) The principal assumptions used for the purpose of actuarial valuation were as follows:

Particulars	Gratuity	
	Year ended March 31, 2026	Year ended March 31, 2025
Discount Rate	7.06% to 7.40%	6.72% to 7.21%
Expected return on plan assets	7.06% to 7.24%	6.72% to 7.21%
Annual Increase in Salary Costs	7.00%	7.00%
Rate of Employee turnover	For service 4 years and below 10.00% p.a. & For service 5 years and above 4% to 8% p.a.	For service 4 years and below 7.00% p.a. & For service 5 years and above 4% to 8% p.a.

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

h) The principal assumptions used for the purpose of actuarial valuation were as follows: (Contd.)

Particulars	Gratuity	
	Year ended March 31, 2026	Year ended March 31, 2025
Mortality Tables	Indian Assured Lives Mortality 2012-14 (Urban)	Indian Assured Lives Mortality 2012-14 (Urban)

Future Salary increases are based on long term average salary rise expected taking into account inflation, seniority, promotion and other relevant factors such as supply and demand factors in the employee market. Future Separation and mortality rates are obtained from relevant data of Life Insurance Corporation of India.

Defined Contribution Pension Scheme of Foreign Subsidiary:

The foreign subsidiaries of the Group pays fixed contribution into a separate entity and has no further obligations once the contribution has been paid. An amount of ₹ 14 million (Previous Year: ₹ 14 million) is charged to Consolidated Statement of Profit and loss under Contribution to provident and other funds in Note no. 28 "Employee Benefits Expense".

Notes:

i. Compensation of key management personnel:

The remuneration of key management personnel during the year was as follows:

Particulars	Year ended March 31, 2026	
	2025-26	2024-25
Short term Benefits	289	251

ii. The remuneration of key management personnel is determined by the remuneration committee. The same is including employer contribution to provident fund and exclusive of employees' stock options; provision for liability in respect of leave earned and gratuity; since the liabilities for gratuity and leave encashment is based on the actuarial valuation for the Company as a whole, the amount pertaining to individual is not ascertainable and therefore not included above.

iii. The transactions with related parties are made on terms equivalent to those that prevail in arm's length transactions.

iv. The amounts outstanding are unsecured and will be settled in cash.

v. Transactions during the year/previous year are stated without considering impact of fair valuation carried out as per Ind AS.

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

37. SEGMENT REPORTING:

The Group has identified two business segments namely "Plumbing" and "Paints and Adhesives" as reportable segments based on the nature of the products, the risks and returns, the organization structure and the internal financial reporting systems.

Information reported to the CODM for the purpose of resources allocation and assessment of segment performance focuses on the types of goods delivered. No operating segments have been aggregated in arriving at the reportable segments of the Group.

Segment revenue and results

The following is an analysis of the Group's revenue and results from operations by reportable segment.

(₹ In Million)

Segment	Segment revenue		Segment profit	
	Year Ended March 31, 2026	Year Ended March 31, 2025	Year Ended March 31, 2026	Year Ended March 31, 2025
Plumbing	46,787	41,963	6,869	6,126
Paints and Adhesives	18,899	16,361	1,034	1,150
Total	65,686	58,324	7,903	7,276
Add: Un-allocated Income/(Expenses) (net)			273	162
Finance costs			(644)	(413)
Share of profit/(loss) of joint venture			(0)	0
Profit before exceptional items and tax			7,532	7,025

Notes:

1. The above includes:

(₹ In Million)

Particulars	Year ended March 31, 2026	Year ended March 31, 2025
Depreciation and amortisation expense		
Plumbing	1,983	1,633
Paints and Adhesives	933	801
Total	2,916	2,434

2. Segment revenue reported above represents, revenue generated from external customers. There were no inter segment sales in current year as well as in previous year.

Segment Assets and Liabilities

(₹ In Million)

Particulars	As at March 31, 2026	As at March 31, 2025
Segment Assets		
Plumbing	31,770	28,677
Paints and Adhesives	16,759	15,603
Total Segment Assets	48,529	44,280
Unallocated	9,590	6,280
Total Assets	58,119	50,560

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

Segment Assets and Liabilities (Contd.)

(₹ In Million)

Particulars	As at March 31, 2026	As at March 31, 2025
Segment Liabilities		
Plumbing	10,573	7,521
Paints and Adhesives	4,473	3,432
Total Segment Liabilities	15,046	10,953
Unallocated	2,494	2,680
Total Liabilities	17,540	13,633

For the purpose of monitoring segment performance and allocating resources between segments:

- All assets are allocated to reportable segments other than current and deferred tax assets, unclaimed dividend. Cash and cash equivalent and other bank balances of the Holding Company are disclosed as 'Unallocated' Assets as at March 31, 2026 and March 31, 2025.
- All liabilities are allocated to reportable segments other than borrowings, and current and deferred tax liabilities.
- All expenses are allocable to reportable segment other than Corporate Social Responsibility (CSR) expenditure, donations and contributions, payment to auditors, directors sitting fees and foreign exchange fluctuations loss to the extent not relates to operating activities.
- All incomes are allocable to reportable segment other than non-operating income and foreign exchange fluctuations loss to the extent not relates to operating activities.

Geographical Information

The Group operates in two principal geographical areas – India and outside India.

The Group's revenue from continuing operations from external customers by location of operations and information about its non-current assets by location of assets are detailed below.

(₹ In Million)

Particulars	Revenue from external customers		Non-current Assets *	
	Year Ended March 31, 2026	Year Ended March 31, 2025	Year Ended March 31, 2026	Year Ended March 31, 2025
Within India	60,385	53,912	28,852	26,536
Outside India	5,301	4,412	2195	2036
Total	65,686	58,324	31,047	28,572

*Non-current assets exclude those relating to financial assets, tax assets and deferred tax assets.

38. FINANCIAL INSTRUMENTS:

1. Capital management

The Group manages its capital to ensure that the Group will be able to continue as going concern while maximising the return to stakeholders through optimisation of debt and equity balance.

The capital structure of the Group consists of net debt (borrowings and lease liabilities as detailed in notes 17 and 39 off set by cash and bank balances) and total equity (excluding revaluation reserve) of the Group.

The risk management committee of the Holding Company reviews the risk capital structure of the group. As part of this review the group considers the cost of capital and the risk associated with each category of funding.

Objectives, policies or processes for managing capital are reviewed regularly to reflect changes in market conditions and the Group's activities during the years ended March 31, 2026 and March 31, 2025.

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

Gearing ratio

(₹ In Million)

Particulars	As at March 31, 2026	As at March 31, 2025
Debt (note i)	2,503	2,332
Less: Cash and cash equivalents	8,904	6,081
Net debt	-	-
Equity share capital	269	269
Other Equity	40,310	35,901
Non controlling interests	(0)	757
Total	40,579	36,927
Less: Revaluation Reserve	12	12
Total equity excluding revaluation reserve	40,567	36,915
Net debt to equity ratio	-	-

i. Debt is defined as long-term borrowings (including current maturities of long term borrowings), short-term borrowings and lease liabilities as described in notes 17 and 39.

2. Category-wise classification of financial instruments

(₹ In Million)

Particulars	As at March 31, 2026	As at March 31, 2025
Financial assets		
Measured at amortised cost		
a Cash and cash equivalents (Note 13)	8,904	6,081
b Other bank balances (Note 14)	530	2
c Trade receivables (Note 12)	4,751	4,353
e Loans (Note 6)	14	15
f Other Financial Assets (Note 7)	445	427
Measured at fair value through Profit and loss		
a Derivative assets (Note 7)	-	1
Total	14,644	10,879
Financial liabilities		
Measured at amortised cost		
a Borrowings (Note 17)	1,531	1,439
b Trade payables (Note 19)	11,553	8,589
c Other financial liabilities (Note 20)	1,006	1,007
Total	14,090	11,035

For investments in joint venture Refer Note 5.

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

Carrying amounts of current financial assets and liabilities as at the end of the each year presented approximate the fair value because of their current nature. Difference between carrying amounts and fair values of other non current financial assets and liabilities subsequently measured at amortised cost is not significant in each of the year presented.

(₹ In Million)

Particulars	Fair value	Quoted price in active market (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)
		(Note 2(b))		
As at March 31, 2026				
Financial assets measured at fair value through Profit and loss	-	-	-	-
As at March 31, 2025				
Financial assets measured at fair value through Profit and loss				
a Fair Value of derivative contracts (Note 7)	1	-	-	1

There have been no transfers amount in Level 1, Level 2 and Level 3 during the years ended March 31, 2026 and March 31, 2025.

3. Financial risk management objectives

The Group's financial liabilities comprise mainly of borrowings, trade payables and other financial liabilities. The Group's financial assets comprise mainly of investments, cash and cash equivalents, other balances with banks, loans, trade receivables and other financial assets.

The Group's business activities are exposed to a variety of financial risks, namely market risk, credit risk and liquidity risk.

The Group's senior management has the overall responsibility for establishing and governing the Group's risk management framework, who are responsible for developing and monitoring the Group's risk management policies. The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Parent Company.

A. Management of Market Risk

The Group's size and operations result in it being exposed to the following market risks that arise from its use of financial instruments:

- currency risk;
- interest rate risk;
- commodity risk.

i. Currency risk

The Group's activities expose it primarily to the financial risk of changes in foreign currency exchange rates. The Group enters into a variety of derivative financial instruments to manage its exposure to foreign currency risk.

The carrying amounts of the Group's foreign currency dominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

(₹ In Million)

Particulars	As at March 31, 2026	As at March 31, 2025
Liabilities (Foreign currency)		
In US Dollars (USD)	37	37
In Euro (EUR)	4	6
In Dirham (AED)	0	0
Assets (Foreign currency)		
In US Dollars (USD)	3	3
In Euro (EUR)	1	0
In Dirham (AED)	-	0

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

(₹ In Million)

Particulars	As at March 31, 2026	As at March 31, 2025
Liabilities (INR)		
In US Dollars (USD)	3,526	3,159
In Euro (EUR)	475	552
In Dirham (AED)	4	3
Assets (INR)		
In US Dollars (USD)	271	214
In Euro (EUR)	138	44
In Dirham (AED)	-	2

Derivative instruments:

The Group uses foreign currency forward contracts and currency options to hedge its risks associated with foreign currency fluctuations relating to certain firm commitments and forecasted transactions. The use of foreign currency forward contracts is governed by the Parent Company's strategy approved by the Board of Directors, which provide principles on the use of such forward contracts consistent with the Company's Risk Management Policy. The Group does not use forward contracts and Currency Options for speculative purposes.

Outstanding Forward Contracts entered into by the Group:

Particulars	As at March 31, 2026	As at March 31, 2025
Payable		
Outstanding Forward Exchange Contracts		
In USD		
No. of Contracts	-	8
In US Dollars - (In million)	-	4
In ₹ - (In million)	-	366

The line items in the balance sheet that includes the above economic hedges are "other financial assets" and "other financial liabilities".

Foreign currency sensitivity analysis

The Group is mainly exposed to the currency: USD, EUR, GBP, CHF and AED.

The following table details, Group's sensitivity to a 5% increase and decrease in the rupee against the relevant foreign currencies. 5% is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates. This is mainly attributable to the exposure outstanding not hedged on receivables and payables in the Group at the end of the reporting period. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% change in foreign currency rate. A positive number below indicates an increase in the profit before tax and pre tax equity, where the rupee strengthens 5% against the relevant currency. For a 5% weakening of the rupee against the relevant currency, there would be a comparable impact on the profit and equity, and the balances below would be negative.

Impact on pre-tax profit or loss and pre-tax equity:

(₹ In Million)

Particulars	As at March 31, 2026	As at March 31, 2025
Increase in exchange rate by 5%	(120)	(110)
Decrease in exchange rate by 5%	120	110

The Group, in accordance with its risk management policies and procedures, enters into foreign currency forward contracts to manage its exposure in foreign exchange rate variations. The counter party is generally a bank. These contracts are for a period between one day and three years. The above sensitivity does not include the impact of foreign currency forward contracts and option contracts which largely mitigate the risk.

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

ii. Interest risk

Interest rate risk is the risk that the future cash flow with respect to interest payments on borrowing will fluctuate because of change in market interest rates. The group's exposure to the risk of changes in market interest rates relates primarily to the Group's long-term debt obligation with floating interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Group's profit before tax and pre-tax equity is affected through the impact on floating rate borrowings, as follows:

Particulars	Increase/decrease in basis points	Effect on profit before tax and pre-tax equity (₹ in million)
As at March 31, 2026	100 bps	12
As at March 31, 2025	100 bps	11

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

iii. Commodity Risk

Commodity price risk for the Group is mainly related to fluctuations in raw material prices linked to various external factors, which can affect the revenue, cost and inventories.

Company effectively manages deals with availability of material as well as price volatility through:

1. Widening its sourcing base;
2. Appropriate contracts and commitments; and
3. Well planned procurement & inventory strategy.

Risk management committee of the Holding Company has developed and enacted a risk mitigation strategy regarding commodity Price risk and its mitigation.

B. Management of Credit Risk

Credit Risk

The Company is exposed to credit risk, which is the risk that counterparty will default on its contractual obligation resulting in a financial loss to the Company. Credit risk arises majorly from balances with banks, bank deposits, trade receivables, other financial assets, loans and investments excluding equity investments in subsidiaries.

Credit Risk Management:

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations, and arises principally from the companies receivables from customers. Credit risk arises from the possibility that customers may not be able to settle their obligations as agreed. To manage this risk, the Company

periodically assesses the financial reliability of customers, taking into account their financial position, past experience and other factors. The Company manages credit risk through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. Historical trends of impairment of trade receivables do not reflect any significant credit losses. The carrying amount of financial assets represents the maximum credit exposure being amount of balances with banks, bank deposits, trade receivables, other financial assets, loans (Refer note 13, 14, 12, 7 and 6), and these financial assets are of good credit quality including those that are past due.

C. Management of Liquidity Risk

Liquidity risk is the risk of shortage of fund that the Group will face in meeting its obligations associated with its financial liabilities. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

Ultimate responsibility for liquidity risk management rests with the Board of Directors, which has established an appropriate liquidity risk management framework for the management of the Group's short-term, medium-term and long-term funding and liquidity management requirements. The Group manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

The following table shows the maturity analysis of the Group's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance Sheet date.

(₹ In Million)

Particulars	Carrying amount	Less than 1 year	1-5 years	More than 5 years	Total
As at March 31, 2026					
Financial liabilities					
Borrowings (Note 17)	1,531	703	807	21	1,531
Lease liabilities (Note 39)	972	260	483	229	972

Other financial liabilities (Note 20)	1,007	1,007	-	-	1,007
Total	11,928	10,366	1,313	249	11,928

39. LEASES:**Group as a lessee:**

The Group's lease asset classes primarily consist of leases for Property, Plant and Equipments.

The Group has lease contracts for land, buildings, plants and machinery and vehicles used in its operations. The Group's obligations under its leases are secured by the lessor's title to the leased assets. Generally, the Group is restricted from assigning and subleasing the leased assets.

The Group also has certain leases of buildings with lease terms of 12 months or less. The Group applies the 'short-term lease' recognition exemptions for these leases. There are no low value lease assets.

The carrying amounts of right-of-use assets, lease liabilities along with their movement during the year is as below:

(₹ In Million)

Particulars	Right of use Assets (Refer Note 3(c))		Lease Liabilities	
	2025-26	2024-25	2025-26	2024-25
Balance at the beginning of the year	1391	700	893	230
Add: Additions during the year	604	962	331	907
Add: Effect of Foreign currency Translation on Gross block	81	15	65	14
Less: Depreciation	334	233	-	-
Less: Effect of Foreign currency Translation on accumulated amortization	16	3	-	-
Less: Disposal/adjustment (net)	9	50	11	50
Add: Interest Expenses	-	-	74	66
Less: Payments	-	-	380	274
Balance at the end of the year	1,717	1,391	972	893
Current			259	228
Non-current			713	665

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

The following are the amounts recognised in profit or loss:

(₹ In Million)

Particulars	Year ended March 31, 2026	Year ended March 31, 2025
Amortisation expense of right-of-use assets (Note: 30)	334	233
Interest expense on lease liabilities (Note: 29)	74	66
Expense relating to short-term leases (included in other expenses) (Note: 31)	67	118
Total amount recognised in statement of profit and loss	475	417

Group as a Lessor:

The Indian Subsidiary Company has given Computerised Colour Dispenser machines and Gyro Shakers under operating leases to various dealers and customers. These have been disclosed under 'Plant and Machinery' as 'assets given under operating lease' in note 3 (Property, plant and equipment). The Company enters into 3 years cancellable lease agreements. However the corresponding lease rentals may be receivable for a shorter period or may be waived off/refunded on achievement of certain sales targets by the concerned dealers. The minimum aggregate lease payments to be received in future is considered as Rs. Nil. Accordingly the disclosure of the minimum lease payments receivable at the Balance sheet date is not made.

40. GROUP INFORMATION:

The consolidated financial statements of the Group include subsidiaries listed in the table below:

Name of the Company	Nature of Business	Proportion of Ownership Interest		Country of Incorporation
		As at March 31, 2026	As at March 31, 2025	
Subsidiaries				
Seal It Services Limited	Manufacturing of adhesive solutions	100%	95%	United Kingdom

Astral Chemie Limited, India (Formerly known as Astral Coatings Private Limited)	-	20%
Nixelon Chem Private Limited (w.e.f. October 1, 2025) (Note 42B)	20%	NA

Accumulated balances of non-controlling interest:

(₹ In Million)

Particulars	Year ended March 31, 2026	Year ended March 31, 2025
Seal It Services Limited, UK (including step down subsidiary Seal IT Services Inc., USA & SISL (Bond It) Ireland Limited, Ireland)	-	34
Astral Chemie Limited, India (Formerly known as Astral Coatings Private Limited)	-	723
Nixelon Chem Private Limited	(0)	NA
Total	(0)	757

There are no material Non-Controlling Interest (NCI) balance outstanding as at March 31, 2026.

44. EXCEPTIONAL ITEMS

- (a) On 21 November 2025, The Government of India has consolidated multiple existing labour legislations into a unified framework comprising four Labour Codes in the Official Gazette, namely the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 collectively referred to as the 'New Labour Codes'. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations and to facilitate implementation.

The Group has assessed the impact of these changes based on information available up to the date of approval of these financial statements. Accordingly, the Group has determined estimated one time increase in provision for employee benefit amounting to ₹ 165 Million. Under Ind AS 19, such changes to employee benefit plans arising from legislative amendments constitute a plan amendment, requiring recognition of past service cost immediately in the Statement of Profit and Loss. Considering the material and regulatory-driven, non-recurring nature of the impact, the resulting increase in obligation has been presented under "Exceptional Items" in the Consolidated Statement of Profit and Loss for the year ended 31 March 2026.

The Group continues to monitor the finalisation of Central/State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments and account for any future impact as appropriate.

- (b) During the year, the Group has made impairment of Goodwill of Seal It Services Inc, USA after taking in to account past performance, current changes in economic and market conditions amounting to ₹ 41 million. The impairment has been charged to the Consolidated Statement of Profit and Loss under the head "Exceptional Items"
- (c) The Holding Company had made provision for expected credit loss on advances given for purchase of non-current investment amounting to ₹ 20 million for the year ended March 31, 2026 which has been charged to the Consolidated Statement of Profit and Loss under the head "Exceptional Items".

45. INTEREST IN JOINT VENTURE

The Group has a 50% interest in Astral Pipes Limited, Kenya. The Group's interest in Astral Pipes Limited is accounted for using the equity method in the consolidated financial statements. Its loss after tax is ₹0 million (Previous year: Profit after tax 0 million) and its other comprehensive loss is ₹ Nil (Previous year: ₹ Nil)

Notes Forming part of the Consolidated Financial Statements for the year ended March 31, 2026 (Contd.)

46. TRANSACTIONS WITH STRUCK OFF COMPANIES

Group has not done any transactions with struck off companies during the year ended March 31, 2026 and March 31, 2025.

47. No funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Group to or in any other persons or entities, including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall lend or invest in party identified by or on behalf of the Company (Ultimate Beneficiaries). Further, no funds have been received by the Group from any parties (Funding Parties) with the understanding that the Group shall whether, directly or indirectly lend or invest in other persons

or entities identified by or on behalf of the Group or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

48. The figures for the previous year have been regrouped/ reclassified wherever necessary to confirm with the current year's classification. The impact, if any, of such regrouping is not material to the financial statements.

49. EVENTS AFTER THE REPORTING PERIOD

The Board of Directors of Holding Company, in its meeting held on May 18, 2026, has proposed a final dividend of ₹ 2.5 per equity share for the financial year ended March 31, 2026. The proposal is subject to the approval of shareholders of the Holding Company at the Annual General Meeting and if approved would result in a cash outflow of approximately ₹ 672 million of the Holding Company.

Notice

NOTICE is hereby given that the 30th Annual General Meeting ("AGM") of the Members of Astral Limited will be held on Monday, August 24, 2026, at 11:00 a.m. through Video Conferencing ("VC")/Other Audio-Visual Means ("OAVM") to transact the following businesses:

ORDINARY BUSINESS:

1. To receive, consider and adopt:
 - a. the Audited Standalone Financial Statements of the Company for the financial year ended March 31, 2026, together with the reports of Board of Directors and Auditors thereon; and
 - b. the Audited Consolidated Financial Statements of the Company for the financial year ended March 31, 2026, together with the Report of the Auditors thereon.
2. To confirm Interim Dividend declared by the Board of Directors and to declare Final Dividend on equity shares for the financial year ended on March 31, 2026.
3. To consider re-appointment of Mr. Hiranand Savlani (DIN: 07023661), who retires by rotation and being eligible, offers himself for re-appointment.

SPECIAL BUSINESS:

4. To consider and if thought fit, to pass with or without modification, the following resolution as **Special Resolution**:

"RESOLVED THAT pursuant to the provisions of Sections 196, 197 and 203, read with Schedule V and other applicable provisions, if any, of the Companies Act, 2013 ("Act") and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, including any statutory modification(s) or re-enactment(s) thereof for the time being in force, and subject to the applicable provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulation"), including Regulation 17(1A) thereof, and based on the recommendation of the Nomination and Remuneration Committee and the Board of Directors, Mr. Sandeep Engineer (DIN: 00067112) be and is hereby re-appointed as Managing Director of the Company for a further period of five (5) years commencing from April 1, 2027 till March 31, 2032, notwithstanding that he will attain the age of 70 (seventy) years during the said tenure, on the terms and conditions including remuneration as set out below:

1. Remuneration: ₹ 96,54,515/- (Rupees Ninety-Six Lakhs Fifty-Four Thousand Five Hundred and Fifteen Only) per month for a period from April 1, 2027 to March 31, 2028 including all allowances

and benefits that he is entitled to in accordance with the Company's Rules and Regulations in force from time to time.

2. The Managing Director shall be entitled to an increment at the rate of 15% on cumulative basis w.e.f April 1, 2028 per financial year.
3. The company shall reimburse to the Managing Director all the actual expenses incurred wholly, necessarily and exclusively for and on behalf of the Company and/or incurred in performance of the duties of the Company.

RESOLVED FURTHER THAT the Managing Director shall be entitled to an incentive payment at the rate of 1% (One percent) of Profit Before Tax (PBT) of the Company in addition to the above-mentioned salary, increment and reimbursement of expenses.

RESOLVED FURTHER THAT the re-appointment of Mr. Sandeep Engineer for a further period of 5 (Five) years, even though he would attain the age of 70 years during the tenure of his office.

RESOLVED FURTHER THAT Managing Director shall not be liable to retire by rotation during his tenure as Managing Director, pursuant to the provisions of the Act.

RESOLVED FURTHER THAT Mrs. Jagruti Engineer, Whole Time Director or Mr. Hiranand Savlani, Whole Time Director and Chief Financial Officer or Mr. Chintankumar Patel, Company Secretary of the Company be and are severally hereby authorised to do all such acts, deeds, matters and things and sign agreements, forms, declarations, returns, letters and papers as may be necessary, desirable, expedient to give effect to this resolution."

5. To consider and if thought fit, to pass with or without modification, the following resolution as an **Ordinary Resolution**:

"RESOLVED THAT pursuant to the provisions of Section 148 and other applicable provisions, if any, of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the Members of the Company do hereby ratify the remuneration of ₹ 2,75,000/- plus applicable taxes and reimbursement of out-of-pocket expenses, if any, at actuals, payable to M/s. V. H. Savaliya & Associates, Cost Accountants

(Firm Registration No. 100346), who have been appointed as the Cost Auditors by the Board of Directors of the Company, on the recommendation of the Audit Committee, to conduct the audit of the cost records of the Company for the financial year ending March 31, 2027.

RESOLVED FURTHER THAT Mr. Sandeep Engineer, Managing Director or Mrs. Jagruti Engineer, Whole Time Director or Mr. Hiranand Savlani, Whole Time Director and

Chief Financial Officer or Mr. Chintankumar Patel, Company Secretary of the Company be and is hereby authorized to do all such acts, deeds and things as may be necessary and deemed expedient to put the aforesaid resolutions into effect including but not limited to filing and signing of requisite E-forms with the Registrar of Companies and any other concerned Statutory Authorities.”

Notes:

1. The Ministry of Corporate Affairs ("MCA") vide General Circular No. 14/2020 dated April 8, 2020, General Circular No. 17/2020 dated April 13, 2020, General Circular No. 20/2020 dated May 5, 2020, General Circular No. 02/2022 dated May 5, 2022, General Circular No. 10/2022 dated December 28, 2022, General Circular No. 09/2023 dated September 25, 2023 and General Circular No. 09/2024 dated September 19, 2024 (collectively referred to as the "MCA Circulars") and SEBI Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2024/133 dated October 3, 2024 issued by the Securities and Exchange Board of India ("SEBI") have permitted convening of Annual General Meetings through Video Conferencing ("VC") or Other Audio Visual Means ("OAVM") without the physical presence of the members at a common venue. Accordingly, the 30th Annual General Meeting of the Company will be held through VC/OAVM. The members can attend and participate in the AGM only through VC/OAVM facility. The detailed procedure for participating in the AGM through VC/OAVM is provided in the notes forming part of this Notice.
2. The helpline number regarding any query/assistance for participation in the AGM through VC/OAVM is 1800 21 09911.
3. In compliance with the aforesaid MCA Circulars and SEBI Circular, the Notice of the AGM along with the Annual Report for the Financial Year 2025-26 is being sent only through electronic mode to those Members whose e-mail addresses are registered with the Company/Depositories. Members may note that the Notice of the AGM and the Annual Report for the Financial Year 2025-26 are available on the Company's website at www.astraltd.com. The Notice is also available on the websites of the Stock Exchanges, namely BSE Limited and National Stock Exchange of India Limited, at www.bseindia.com and www.nseindia.com, respectively. Further, the Notice of AGM is available on the website of Central Depository Services (India) Limited (CDSL), the agency engaged for providing remote e-voting and e-voting during the AGM, at www.evotingindia.com.
4. Pursuant to the aforesaid MCA Circulars and SEBI Circular, since the AGM is being held through VC/OAVM, the facility for appointment of proxies by the Members is not available for this AGM. Accordingly, the Proxy Form and Attendance Slip are not annexed to this Notice. However, in terms of the provisions of Section 113 of the Companies Act, 2013, corporate members are entitled to appoint their authorised representatives to attend the AGM through VC/OAVM, participate thereat and cast their votes through remote e-voting or e-voting during the AGM.
5. (i) The relevant details of the Director seeking appointment/re-appointment, pursuant to the provisions of the SEBI Listing Regulations, as amended, and Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India, are annexed to this Notice; and (ii) The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, setting out the material facts concerning the Special Business to be transacted at the AGM and such other information as required under the SEBI Listing Regulations, is annexed hereto and forms part of this Notice.
6. The attendance of the Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
7. Pursuant to the provisions of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, dividends remaining unclaimed or unpaid for a period of seven consecutive years from the date of transfer to the Unpaid Dividend Account of the Company are required to be transferred to the Investor Education and Protection Fund ("IEPF") established by the Central Government. Accordingly, the unclaimed dividend pertaining to the financial year 2018-19 (Final Dividend) is due for transfer to the IEPF in September 2026, the unclaimed amount relating to Financial Year 2018-19 (Bonus Fractional Entitlement) is due for transfer in October 2026, the unclaimed Interim Dividend for Financial Year 2019-20 is due for transfer in November 2026 and the unclaimed Second Interim Dividend for Financial Year 2019-20 is due for transfer in March 2027. Members who have not yet encashed or claimed the aforesaid dividends are requested to approach the Company or its Registrar and Share Transfer Agent ("RTA") for claiming the same. Members may note that no claim shall lie against the Company in respect of the dividend amount once transferred to the IEPF.

The details of unclaimed dividends, sale proceeds of bonus fractional shares and the due dates for transfer of the respective amounts to the IEPF are available on the Investor Relations section of the Company's website at <https://www.astraltd.com/wp-content/uploads/2022/12/Dividend-History.pdf>.
8. The Company has fixed Friday, August 14, 2026 as the 'Record Date' for determining entitlement of members to receive dividend for the financial year 2025-26, if approved at the AGM.

Those Members whose names appear in the Register of Members of the Company or in the records of the Depositories as beneficial owners as on the Record Date shall be entitled to receive the said dividend, subject to deduction of tax at source (TDS), as applicable. The dividend, if approved by the Members at the AGM, shall be paid/dispatched within the prescribed timelines under the Companies Act, 2013.

9. Pursuant to the provisions of the Income-tax Act, 2025, as amended from time to time, dividend income is taxable in the hands of the shareholders and the Company is required to deduct tax at source ("TDS") from dividend payable to shareholders at the prescribed rates. Shareholders are requested to update their Permanent Account Number ("PAN") and other tax-related details with their Depository Participant ("DP"), in case shares are held in dematerialised form, and with the Company/Registrar and Share Transfer Agent ("RTA"), in case shares are held in physical form.

A resident individual shareholder with a valid PAN and who is not liable to pay income tax may submit a declaration in Form No. 15G/15H, as applicable, for non-deduction of tax at source on dividend income. Such declaration may be submitted electronically by e-mail to tds@bigshareonline.com and dividend@astralltd.com on or before Friday, August 14, 2026. Shareholders may note that in cases where a valid PAN is not available or other prescribed requirements are not complied with, tax may be deducted at the higher rates as prescribed under the applicable provisions of the Income-tax Act, 2025.

Non-resident shareholders, including Foreign Institutional Investors ("FIIs") and Foreign Portfolio Investors ("FPIs"), may avail the benefit of lower or nil withholding tax as per the provisions of the applicable Double Taxation Avoidance Agreement ("DTAA") entered into by India with the country of their tax residence, subject to furnishing the prescribed documents, including but not limited to i.e. Tax Residency Certificate ("TRC"); Form 10F; Self-declaration regarding beneficial ownership; Self-declaration regarding the absence of a Permanent Establishment in India; and Such other documents, information or declarations as may be required under the applicable tax laws which may be required to avail the tax treaty benefits. The aforesaid documents may be submitted in PDF/JPG format by e-mail to tds@bigshareonline.com and dividend@astralltd.com on or before Friday, August 14, 2026.

A separate communication providing detailed information and the procedure for submission of documents/declarations for the purpose of deduction of tax at source on dividend income is being sent to the shareholders and is also available on the website of the Company.

10. Shareholders seeking any information or clarification with regard to the financial statements and matters relating to the AGM are requested to send their queries to the Company at least 7 (seven) days before the date of the AGM so as to enable the management to keep the information readily available at the meeting.
11. Members holding shares in physical form are requested to notify promptly any change in their address, bank account details, e-mail address, mobile number, nomination details and other relevant particulars to the Company's Registrar and Share Transfer Agent ("RTA"). Members holding shares in dematerialised form

are requested to notify any change in their address, bank account details, e-mail address, mobile number, nomination details and other relevant particulars to their respective Depository Participant(s) ("DPs"), as such changes will be reflected in the records maintained by the Depositories.

12. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of Contracts or Arrangements in which Directors are interested maintained under Section 189 of the Companies Act, 2013, and all other documents referred to in the Notice shall be available for inspection by the Members in electronic mode. Members seeking to inspect such documents may send an e-mail to the Company at co@astralltd.com up to the date of the AGM.

13. The Members can join the AGM through the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM shall be made available to at least 1,000 Members on a first-come-first-served basis. However, the large shareholders (i.e. shareholders holding 2% or more of the share capital), promoters, institutional investors, directors, key managerial personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders' Relationship Committee, auditors and such other persons as permitted under the applicable laws shall not be subject to the first-come-first-served restriction.

14. Process and manner for members opting for voting through electronic means:

- Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended from time to time) and Regulation 44 of SEBI Listing Regulations (as amended from time to time), and the MCA Circulars, the Company is providing facility of remote e-voting to its members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) as the Authorized e-voting agency for facilitating voting through electronic means. The facility of casting votes by a member using remote e-voting as well as e-voting system on the date of the AGM will be provided by CDSL.
- Members whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the Cut-off date i.e. Monday, August 17, 2026 shall be entitled to avail the facility of remote e-voting or e-voting on the date of the AGM and participating at AGM. Any recipient of the Notice, who has no voting rights as on the Cut-off date, should treat this Notice as intimation only.

- iii. A person who has acquired the shares and has become a member of the Company after the dispatch of the Notice of the AGM and prior to the Cut-off date i.e. Monday, August 17, 2026 shall be entitled to exercise his/her vote either electronically i.e. remote e-voting or e-voting system on the date of the AGM by following the procedure mentioned in this part.
- iv. The remote e-voting will commence on Friday, August 21, 2026 at 9.00 a.m. and will end on Sunday, August 23, 2026 at 5.00 p.m. During this period, the members of the Company holding shares either in physical mode or in Demat mode as on the Cut-off date i.e. Monday, August 17, 2026 may cast their vote electronically. The members will not be able to cast their vote electronically beyond the date and time mentioned above and the remote e-voting module shall be disabled for voting by CDSL thereafter.
- v. Once the vote on a resolution is cast by the member, he/she shall not be allowed to change it subsequently or cast the vote again.
- vi. The voting rights of the members shall be in proportion to their share in the paid-up equity share capital of the Company as on the Cut-off date i.e. Monday, August 17, 2026.
- vii. The Company has appointed Secretarial Auditor Mrs. Monica Kanuga, Practising Company Secretary (Membership No. FCS: 3868; CP No: 2125, to act as the Scrutinizer for conducting the remote e-voting process as well as the e-voting system on the date of the AGM, in a fair and transparent manner.

15. PROCESS FOR THOSE MEMBERS WHOSE EMAIL ARE NOT REGISTERED:

- i. For members holding shares in Physical mode please provide necessary details like Folio No., Name of shareholder by email to co@astraltd.com.
- ii. Members holding shares in Demat mode can get their E-mail ID and mobile number registered by contacting their respective Depository Participant.
- iii. For Individual Demat shareholders – Please update your email id & mobile no. with your respective Depository Participant (DP) which is mandatory while e-Voting & joining virtual meetings through Depository.

16. SHAREHOLDERS INSTRUCTIONS FOR E-VOTING:

- i. The voting period begins on Friday, August 21, 2026 (9:00 a.m.) and ends on Sunday, August 23, 2026 (5:00 p.m.). During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. Monday, August 17, 2026 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, under Regulation 44 of SEBI Listing Regulations, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-Voting service providers (ESPs) providing e- Voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by listed companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email-id in their demat accounts in order to access e-Voting facility.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Pursuant to aforesaid SEBI Circular dated December 9, 2020, login method for e-Voting and joining virtual meetings for individual shareholders holding securities in Demat mode, is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL Depository	1) Users who have opted for CDSL Easi/Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. The users to login to Easi/Easiest are requested to visit cdsi website www.cdslindia.com and click on login icon & My Easi New (Token) Tab. 2) After successful login the Easi/Easiest user will be able to see the e-Voting option for eligible companies where the e-Voting is in progress as per the information provided by company. On clicking the e-Voting option, the user will be able to see e-Voting page of the e-Voting service provider for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. Additionally, there is also links provided to access the system of all e-Voting Service Providers, so that the user can visit the e-Voting service providers' website directly. 3) If the user is not registered for Easi/Easiest, option to register is available at CDSL website www.cdslindia.com and click on login & My Easi New (Token) Tab and then click on registration option. 4) Alternatively, the user can directly access e-Voting page by providing Demat Account Number and PAN No. from a e-Voting link available on www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the Demat Account. After successful authentication, user will be able to see the e-Voting option where the e-Voting is in progress and also able to directly access the system of all e-Voting Service Providers.
Individual Shareholders holding securities in demat mode with NSDL	1) If you are already registered for NSDL IDeAS facility, please visit the e-Services website of NSDL. Open web browser by typing the following URL: https://eservices.nsdl.com either on a Personal Computer or on a mobile. Once the home page of e-Services is launched, click on the "Beneficial Owner" icon under "Login" which is available under 'IDeAS' section. A new screen will open. You will have to enter your User ID and Password. After successful authentication, you will be able to see e-Voting services. Click on "Access to e-Voting" under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider name and you will be re-directed to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. 2) If the user is not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com. Select "Register Online for IDeAS Portal" or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp 3) Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. 4) For OTP based login you can click on https://eservices.nsdl.com/SecureWeb/evoting/evotinglogin.jsp. You will have to enter your 8-digit DP ID, 8-digit Client Id, PAN No., Verification code and generate OTP. Enter the OTP received on registered email id/mobile number and click on login. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider name and you will be re-directed to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.

Type of shareholders	Login Method
Individual Shareholders (holding securities in demat mode) login through their Depository Participants	You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. After successful login, you will be able to see e-Voting option. Once you click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider's website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.

Important note: Members who are unable to retrieve User ID/Password are advised to use Forget User ID and Forget Password option available at above-mentioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. CDSL and NSDL.

Login type	Helpdesk details
Individual Shareholders holding securities in Demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 1800 21 09911
Individual Shareholders holding securities in Demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 022 - 4886 7000 and 022 - 2499 7000

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

v. Login method for e-Voting and joining virtual meetings for Physical shareholders and shareholders other than individual holding in Demat form.

- The shareholders should log on to the e-voting website www.evotingindia.com/
- Click on "Shareholders" module.
- Now Enter your User ID:
 - For CDSL: 16 digits beneficiary ID,

b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,

c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.

4. Next enter the Image Verification as displayed and Click on Login.

5. If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.

6. If you are a first-time user follow the steps given below:

For Physical shareholders and other than individual shareholders holding shares in Demat.

PAN	Enter your 10-digit alpha-numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth	Enter the Dividend Bank details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. If both the details are not recorded with the depository or company, please enter the member id/folio number in the Dividend Bank details fields.

- vi. After entering these details appropriately, click on "SUBMIT" tab.
 - vii. Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
 - viii. For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
 - ix. Click on the EVSN of Astral Limited.
 - x. On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
 - xi. Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
 - xii. After selecting the resolution, you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
 - xiii. Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
 - xiv. You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.
 - xv. If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
 - xvi. There is also an optional provision to upload BR/POA if any uploaded, which will be made available to scrutinizer for verification.
 - xvii. Additional Facility for Non-Individual Shareholders and Custodians – For Remote Voting only.
 - a. Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the "Corporates" Module.
 - b. A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
 - c. After receiving the login details, user would be able to link the account(s) for which they wish to vote on.
 - d. The list of accounts linked in the login will be mapped automatically & can be delink in case of any wrong mapping.
 - e. It is mandatory that, a scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
 - f. Alternatively, Non-Individual shareholders are required to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address co@astralltd.com if voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.
- In case you have any queries or issues regarding e-Voting, you may refer the Frequently Asked Questions ("FAQs") and e-Voting manual available at www.evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com or contact at toll free no. 1800 21 09911 or write to the Company Secretary. Contact details of Company Secretary are as at the top of notice.
- All grievances connected with the facility for voting by electronic means may be addressed to Mr. Rakesh Dalvi, Manager, (CDSL) Central Depository Services (India) Limited, A Wing, 25th Floor, Marathon Future, Mafatlal Mill Compounds, N M Joshi Marg, Lower Parel (East), Mumbai - 400013 or send an email to helpdesk.evoting@cdslindia.com or call on toll free no. 1800 21 09911.

17. THE INSTRUCTIONS FOR SHAREHOLDERS ATTENDING THE AGM THROUGH E-VOTING DURING MEETING ARE AS UNDER:

1. The procedure for attending meeting & e-Voting on the day of the AGM is same as the instructions mentioned above for Remote e-voting.
2. The link for VC/OAVM to attend meeting will be available where the EVSN of Company will be displayed after successful login as per the instructions mentioned above for e-voting.
3. Shareholders who have voted through Remote e-Voting will be eligible to attend the meeting. However, they will not be eligible to vote at the AGM.
4. Shareholders are encouraged to join the Meeting through Laptops/IPads for better experience.
5. Further shareholders will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.

6. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.
7. Shareholders who would like to express their views/ask questions during the meeting may register themselves as a speaker by sending their request in advance at least **7 days prior to meeting** mentioning their name, demat account number/folio number, email id, mobile number at company email id: co@astraltd.com. The shareholders who do not wish to speak during the AGM but have queries may send their queries in advance **7 days prior to meeting** mentioning their name, demat account number/folio number, email id, mobile number at company email ID. These queries will be replied to by the company suitably by email.
8. Those shareholders who have registered themselves as a speaker will only be allowed to express their views/ask questions during the meeting.
9. Only those shareholders, who are present in the AGM through VC/OAVM facility and have not cast their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system available during the AGM.
10. If any Votes are cast by the shareholders through the e-voting available during the AGM and if the same shareholders have not participated in the meeting through VC/OAVM facility, then the votes cast by such

shareholders may be considered invalid as the facility of e-voting during the meeting is available only to the shareholders attending the meeting.

18. The results declared along with the Scrutinizer's Report shall be placed on the Company's website www.astraltd.com and on the website of CDSL i.e. www.cdslindia.com within two working days of conclusion of the 30th Annual General Meeting of the Company and shall also be communicated to the Stock Exchanges where the shares of the Company are listed.

19. INSTRUCTIONS FOR THOSE SHAREHOLDERS WHOSE EMAIL/MOBILE NO. ARE NOT REGISTERED WITH THE COMPANY/DEPOSITORIES:

1. For Physical shareholders - please provide necessary details like Folio No., Name of shareholder, scanned copy of the share certificate (front and back), PAN (self-attested scanned copy of PAN card), AADHAR (self-attested scanned copy of Aadhaar Card) by email to Company/RTA email id.
2. For Demat shareholders - Please update your email id & mobile no. with your respective Depository Participant (DP)
3. For Individual Demat shareholders - Please update your email id & mobile no. with your respective Depository Participant (DP) which is mandatory while e-Voting & joining virtual meetings through Depository.

EXPLANATORY STATEMENT UNDER SECTION 102(1) OF THE COMPANIES ACT, 2013

Item No. 4

Mr. Sandeep Engineer was re-appointed as the Managing Director of the Company by the Members through Postal Ballot for a period of five (5) years commencing from April 1, 2022 and ending on March 31, 2027. As the present term of office is due to expire on March 31, 2027, the Nomination and Remuneration Committee and the Board of Directors, at their respective meetings held on May 18, 2026, after considering his rich experience and significant contribution to the growth of the Company and his continued guidance to the management, approved his re-appointment as Managing Director for a further period of five (5) years commencing from April 1, 2027 and ending on March 31, 2032, subject to the approval of the Members.

Mr. Sandeep Engineer has been associated with the Company since incorporation and has played a pivotal role in strengthening the Company's operations, strategic growth and overall performance. The Board believes that his continued leadership and extensive industry experience will be of immense value in achieving the Company's long-term objectives and creating sustainable value for all stakeholders.

The terms and conditions of his re-appointment are set out in the Resolution at Item No. 4 of the accompanying Notice.

During the proposed tenure of re-appointment, Mr. Sandeep Engineer will attain the age of 70 years. In terms of Section 196(3) of the Companies Act, 2013 read with Schedule V thereto and Regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, continuation of a Managing Director beyond the age of 70 years requires approval of the shareholders by way of a Special Resolution. Accordingly, the approval of the Members is being sought by way of a Special Resolution for his re-appointment and continuation as Managing Director notwithstanding that he will attain the age of 70 years during the tenure of his office.

The Company has witnessed significant growth in turnover, profitability and market presence under the leadership of Mr. Sandeep Engineer. Considering his continued active involvement in strategic decision-making, ongoing expansion initiatives and industry expertise, the Board believes that his continued association beyond the age of 70 years is critical for maintaining business continuity and implementing the Company's long-term growth strategy.

The approval of the Members under this Resolution shall also be treated as approval under the applicable provisions of the SEBI Listing Regulations, including Regulation 17(6) (e), to the extent applicable. The remuneration payable to Mr. Sandeep Engineer shall be subject to the overall limits prescribed under Section 197 and other applicable provisions of the Companies Act, 2013 and the rules made thereunder.

Mr. Sandeep Engineer has furnished his consent to act as Managing Director of the Company. He has also confirmed that he is not disqualified from being appointed or continuing as a Director in terms of Section 164 of the Companies Act, 2013.

The information and disclosures required pursuant to the provisions of the Companies Act, 2013, Secretarial Standard on General Meetings (SS-2) and the SEBI Listing Regulations, including brief profile, nature of expertise, directorships, committee memberships, shareholding and relationship with other Directors and Key Managerial Personnel, are provided in the Annexure forming part of this Notice.

Except Mr. Sandeep Engineer, Mrs. Jagruti Engineer and Mr. Kairav Engineer, being his relatives, and to the extent of their respective shareholding interest, if any, none of the Directors, Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in the Resolution set out at Item No. 4 of the Notice.

The above Explanatory Statement may also be regarded as a disclosure under Section 190 of the Companies Act, 2013 and Secretarial Standard on General Meetings (SS-2).

The Board of Directors recommends the Special Resolution set out at Item No. 4 of the Notice for approval of the Members.

Item No. 5

The Board of Directors of the Company, on the recommendation of the Audit Committee, at its meeting held on May 18, 2026, approved the appointment of M/s. V. H. Savaliya & Associates, Cost Accountants (Firm Registration No. 100346), as Cost Auditors of the Company to conduct the audit of the cost records maintained by the Company for the financial year ending March 31, 2027, at a remuneration of ₹ 2,75,000/- (Rupees Two Lakhs Seventy-Five Thousand Only) plus applicable taxes and reimbursement of out-of-pocket expenses incurred in connection with the audit.

Pursuant to the provisions of Section 148(3) of the Companies Act, 2013 read with Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the remuneration payable

to the Cost Auditors as recommended by the Audit Committee and approved by the Board of Directors is required to be ratified by the Members of the Company.

Accordingly, the Board recommends the remuneration payable to M/s. V. H. Savaliya & Associates, Cost Accountants, for ratification by the Members and seeks their approval by way of an Ordinary Resolution as set out at Item No. 5 of the accompanying Notice.

None of the Directors, Key Managerial Personnel of the Company and/or their relatives are in any way concerned or interested, financially or otherwise, in the Resolution set out at Item No. 5 of the Notice.

The Board of Directors recommends the Ordinary Resolution set out at Item No. 5 of the Notice for approval of the Members.

Age	65	57
Qualification	Chemical Engineer	B. Com, CA, CS, CMA, LLB
Brief Resume/Experience	Mr. Sandeep Engineer is Chairman & Managing Director, Astral Limited. He is a Chemical Engineer graduate from L. D. College of Engineering, Ahmedabad, and an alumnus of Harvard Business School's Owner/President Management programme. He began his professional career as a Project Engineer at Cadila Pharmaceuticals before venturing into manufacturing first in pharmaceutical intermediates, and later in polymer processing. In 1996, he founded Astral, introducing CPVC piping to India for the first time and laying the foundation for what would become one of the country's leading building materials company. Under his leadership, Astral has evolved from a single-product pipes business into a fully integrated building materials group. The company today offers piping solutions and fittings, water storage tanks, adhesives and sealants, construction chemicals, sanitaryware, faucets, and decorative and industrial paints making it a comprehensive solution provider for construction and infrastructure. This expansion has been built through both organic growth and acquisitions, including Seal It Services in the UK, Resinova Chemie, Sarita Water Tanks, and Gem Paints, Al-Aziz Plastics Private Limited and Differentiated & Sustainable Solutions LLP extending Astral's footprint across India as well as the USA and UK. He remains actively involved in shaping the company's long-term strategy, expanding manufacturing capacity, and overseeing governance. Through the Astral Foundation, he leads the company's commitment to sustainability, environmental responsibility, and community development. His vision is to build Astral into a globally recognised leader in building materials.	Mr. Hiranand Savlani is the Whole-Time Director and Chief Financial Officer of Astral Limited. He is a qualified Chartered Accountant, Cost Accountant and Company Secretary. He is also a Law Graduate from Gujarat University and a Commerce Graduate from H. L. College of Commerce, Ahmedabad. He is a Gold Medalist and All India Rank holder in the Chartered Accountancy examination. Mr. Savlani possesses more than 33 years of rich and diverse experience in the areas of finance, taxation, accounts, treasury, mergers & acquisitions, investor relations, corporate governance and strategic business management. He joined Astral Limited in 2003 and has played a pivotal role in the Company's financial and business transformation. During his association with Astral for over two decades, he has significantly contributed to the Company's growth, expansion and value creation. He has successfully led several strategic initiatives including the Company's Initial Public Offering (IPO), Qualified Institutional Placement (QIP), multiple acquisitions and mergers, and implementation of robust financial and compliance systems. Under his financial leadership, Astral has evolved into one of India's leading building materials companies with a diversified product portfolio and a strong balance sheet. As Chief Financial Officer and a member of the Board, Mr. Savlani provides strategic direction in financial planning, risk management, capital allocation, investor relations, regulatory compliance and sustainable growth initiatives. He has also been instrumental in strengthening the Company's Environmental, Social and Governance (ESG) framework and maintaining high standards of corporate governance.
