MANAGEMENT DISCUSSION AND ANALYSIS REPORT

ECONOMY

The Financial Year 2021-22 was fairly a year of recovery from the adverse impacts of COVID-19 pandemic. The Indian economy successfully faced the challenges posed by the second and third waves of the pandemic, thanks to successful implementation of vaccination program, untiring services of the front line warriors, fiscal and monetary policies, stimulus measures of Reserve Bank of India, central and state governments which gave a much-needed cushion for the stability of the economy. According to the second advance estimates of India's Gross Domestic Product (GDP) published by the National Statistical Office for the financial year 2021-22, GDP growth in the first and second quarter was 20.1% and 8.4% respectively. In the third quarter, the GDP growth slowed down to 5.4%. In the fourth quarter, India witnessed third wave of infection but remained largely unaffected owing to vaccination of large proportion of population. India's GDP growth in Financial Year 2021-22 is estimated at 8.9%, compared to a contraction of 7.3% in Financial Year 2020-21. The Index of Industrial Production grew 11.3% against an 8.4% contraction in Financial Year 2020-21. The consumer and business confidence was resilient with improvement in general economic situation, household incomes, and spending. The economic recovery continued its positive momentum throughout the festive season. The mobility indicators viz. collections from GST, toll and e-way bill generators had demonstrated recovery to pre-pandemic levels since February, 2022. The Economic Survey 2021-22 stated that the total consumption is estimated to have increased by 7.0% in Financial Year 2021-22 with Government consumption contributing the larger pie. Private consumption, on the other hand, is also expected to have improved significantly to its pre-pandemic output levels. The macro-economic indicators suggest that the Indian economy is well on its way to achieve its pre pandemic growth levels in the current Financial Year 2023.

As a part of rehabilitation measure to reduce the stress caused by COVID-19 pandemic, the government has extended the Emergency Credit Line Guarantee Scheme till March 31, 2023 to provide credit support to small and micro organizations with expansion of guarantee cover by Rs. 50,000 crores to total cover of Rs. 5 lakh crores. It also provisioned additional credit of Rs. 2 lakh crores for Micro and Small Enterprises to be facilitated under the Credit Guarantee Trust for Micro and Small Enterprises. It further accelerated the MSME performance with an outlay of Rs.6,000 crores over five years.

The headline CPI inflation edged up to 6.0 per cent in January 2022 and 6.1 per cent in February, 2022 breaching the upper tolerance threshold. Pick-up in food inflation contributed the most in headline inflation. The geopolitical crisis of Russia-Ukraine war, which started in the last week of February 2022, is casting uncertainty over the global economy, with increased volatility in crude prices and inflationary trends across commodities. The consequential financial sanctions and political pressure from the war are causing unpredictable and undesired implications on the global financial system and our economy due to rising crude oil and other commodity prices leading to higher inflation.

INDUSTRY STRUCTURE AND DEVELOPMENTS

Over the past few years, Non-Banking Financial Companies (NBFCs) have played a prominent role in the Indian financial system. They provide financial inclusion to the underserved section of the society that does not have easy access to credit. NBFCs have revolutionized the Indian lending system and have efficiently leveraged digitization to drive efficiency and provide customers with a quick and convenient financing experience. The plethora of services include vehicle financing, MSME financing, home financing, microfinance and other retail segments. The Government has consistently worked on the governance measures to strengthen the systemic importance of the NBFCs. As of January 31, 2022 there were approximately 9,495 NBFCs registered with Reserve Bank of India (RBI), of which 49 deposit accepting NBFCs.

The pandemic impacted the NBFCs operations, leading to decline in disbursements across the sectors. However, the support and focus of the Government through various liquidity measures such as repo rate cut, targeted long-term repo operations, special liquidity scheme and partial credit guarantee scheme, kept the sector afloat. The total credit outstanding from the NBFCs for Financial Year 2020-21 stood at Rs.23.75 trillion and is expected to grow by 6-7% in the Financial Year 2021-22. This growth was mainly led by growth in the housing, auto, gold and other retail segments which stood resilient even in the previous fiscal year. While the disbursement and AUM trends improved in the second and third quarters of Financial Year 2021-22, the trend is expected to continue in Q4 of Financial Year 2021-22 due to the limited impact of the third wave of the pandemic. The disbursement growth would have to remain healthier for a sustained AUM growth. Besides, bank credit growth to the NBFC sector improved significantly to 14.6% in February 2022 from 7% a year ago.

HARYANA CAPFIN LIMITED

INDEPENDENT AUDITORS' REPORT

To,

The Members of Haryana Capfin Limited

Report on the Audit of the Financial Statements

We have audited the accompanying Ind AS financial statements of **Haryana Capfin Limited ('the Company')**, which comprises the Balance Sheet as at 31st March 2022, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2022, and Profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing ("SA's") specified under Section 143(10) of the Companies Act 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Financial Statements and Auditor's Report thereon

The Company's management and Board of directors are responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from materials misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going

concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of Internal Financial Control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit report we report that:

- (e) On the basis of the written representations received from the directors as on 31st March 2022 taken on record by the Board of Directors, we report that none of the directors is disqualified as on 31st March 2022 from being appointed as a director in terms of section 164(2) of the Act;
- (f) With respect to the adequacy of the Internal Financial Controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure-B**”;
- (g) With respect to the matter to be included in the Auditors' Report in accordance with the requirements of section 197(16), as amended:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.
 - iii. There were no amounts, which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31st Mar, 2022.
 - iv.
 - (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in the manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b) The management has represented that, to the best of its knowledge and belief, no funds has been received by the Company from any person(s) or entity (ies), including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries, and
 - c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representation under sub-clause (a) and (b) contain any material misstatement.
 - v. The company has not declared and paid dividend during the financial year. Hence compliance too section 123 of the Companies Act, 2013 is not applicable.

Annexure - “A” to the Independent Auditors’ Report

With reference to the Annexure A referred to in the Independent Auditors’ Report to the members of the Company on the financial statements for the year ended 31st March 2022, we report the following:

- 1) In respect of the Company’s Property, Plant & Equipment:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant & Equipment and relevant details of right-of-use assets.
 - (b) The Company has a program of verification to cover all the items of Property, Plant & Equipment in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant & Equipment were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and based on our examination of the records of the Company, the title deeds of immovable properties included in the Property, Plant & Equipment are held in the name of the Company.
 - (d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made there under.
- 2)
 - a) The Company does not have inventories as on 31st March 2022, hence reporting under clause 3(ii)(a) of the order is not applicable.

- (b) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared Willful Defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion, and according to the information and explanations given to us, the term loans have been applied, on an overall basis, for the purposes for which they were obtained.
- (d) According to the information and explanations given to us, the Company has not raised funds for short term basis and utilized for long term purposes.
- (e) According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.
- 10) (a) The Company has not raised any money by way of initial public offer and through debt instruments by way of further public offer during the year. Accordingly, the reporting under Clause 3(x) (a) of the Order is not applicable to the Company.
- (b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under Clause 3(x) (b) of the Order is not applicable to the Company.
- 11) (a) According to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- (b) According to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, the reporting under Clause 3(xi)(b) of the Order is not applicable to the Company.
- (c) According to the information and explanations given to us, the Company has not received whistle-blower complaints during the year, which have been considered by us for any bearing on our audit and reporting. Accordingly, the reporting under Clause 3(xi)(c) of the Order is not applicable to the Company.
- 12) As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under Clause 3(xii) of the Order is not applicable to the Company.
- 13) Based upon the audit procedures performed and according to the information and explanations given to us, all transactions with the related parties are in compliance with Sections 177 and 188 of the Act, where applicable, and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.

- 17) The Company has not incurred any cash losses in the financial year or in the immediately preceding financial year.
- 18) There has been no resignation of the statutory auditors during the year and accordingly the reporting under Clause 3(xviii) of the Order is not applicable to the Company.
- 19) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- 20) The provision of Sec 135 of the Companies Act, 2013 is not applicable to the Company. Accordingly, the reporting under Clause 3(xx) of the Order is not applicable to the Company.
- 21) The reporting under Clause 3(xxi) of the Order is not applicable in respect of audit of financial statements. Accordingly, no comment in respect of the said clause has been included in this report.

Annexure - “B” to the Independent Auditors’ Report

(Refer to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ sections of our report of even date)
Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to the financial statements of **Haryana Capfin Limited** (“the Company”) as of 31st March 2022 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by

HARYANA CAPFIN LIMITED

ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to the financial statements and such internal financial controls with reference to the financial statements were operating effectively as at 31st March 2020, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

HARYANA CAPFIN LIMITED

NOTES TO THE FINANCIAL STATEMENTS

1) Background

Haryana Capfin Limited ('the Company') is registered as Non-Banking Financial Company (NBFC) as defined under Section 45-1A of the Reserve Bank of India Act, 1934 (RBI). The Company is primarily a holding company, holding investment in its subsidiaries, associates and other group companies. The Company's subsidiaries and associates are engaged in a wide array of business in the financial service sector.

2) Significant Accounting Policies

The significant accounting policies applied by the Company in the preparation of its financial statements are listed below. Such accounting policies have been applied consistently to all the periods presented in these financial statements.

a) Statement of compliance with IND AS:

The Standalone Financial Statements have been prepared in accordance with Indian Accounting Standards (hereinafter referred to as the "Ind-AS") as notified by the Ministry of Corporate Affairs, pursuant to section 133 of the Companies Act 2013 (The Companies (Indian Accounting Standards) Rules, 2015) and comply in all material aspects with their provisions.

Basis of preparation:

The financial statements have been prepared under the historical cost convention with the exception of certain assets and liabilities that are required to be carried at fair values by Ind AS. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

b) Reporting Presentation Currency:

All amounts in the standalone financial statements and notes thereon have been presented in Indian Rupees (INR) (reporting and primarily functional currency of the company).

c) Use of estimates and critical accounting judgments:

In preparation of the financial statements, the Company makes judgments, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.

Due to the nature of the Company's operations, critical accounting estimates and judgements principally relate to the:

d) Recoverability of Trade Receivables

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

e) Provisions and contingent liabilities

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are not recognized in the financial statements. Contingent assets are neither recognised nor disclosed in the financial statements.

f) Property, plant and equipment:

An item of property, plant and equipment is recognised as an asset if it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to the costs incurred initially to acquire an item of property, plant and equipment and also to costs incurred subsequently to add to, replace part of, or service it. All other repair and maintenance costs, including regular servicing, are recognised in the statement of profit and loss as incurred. When a replacement occurs, the carrying value of the replaced part is derecognised. Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items.

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment. Cost includes all direct costs and expenditures incurred to bring the asset to its working condition and location for its intended use. Borrowing costs incurred during the period of construction is capitalised as part of cost of the qualifying assets.

The gain or loss arising on disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of profit and loss.

On transition to Ind-As, the company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at 1st April 2019, measured as per the previous GAAP and use that carrying value as the deemed cost of such property, plant and equipment.

g) Intangible assets:

Intangible assets are capitalized where it is expected to provide future enduring economic benefits. Expenses incurred on up gradation / enhancements are charged off as revenue expenditure unless they bring similar significant additional benefits.

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

h) Depreciation and amortization of property, plant and equipment and intangible assets:

Depreciation commences when the assets are ready for their intended use. Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation on property, plant and equipment has been provided on "Straight Line Method". Depreciation on property, plant and equipment is provided on pro-rata basis based on the useful life as per Schedule II to the Companies Act, 2013. Freehold Land and construction in progress are not depreciated. Leasehold lands are depreciated over the period of lease tenure. The estimated useful lives of assets and residual values are reviewed regularly and, when necessary, revised. The estimated useful lives for the main categories of property, plant and equipment and other intangible assets are:

Estimated useful life of the tangible asset, based on the useful life as per Schedule II to the Companies Act, 2013.

i) Impairment of Assets:

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

Where an impairment loss subsequently reverses, the carrying value of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount so that the increased carrying value does not exceed the carrying value that would have been determined had no impairment loss been recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised in the statement of profit and loss immediately.

j) Leases:

Leases are classified as finance leases whenever the terms of the lease, transfers substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating lease.

k) Finance lease: As a lessee

Assets held under finance leases are initially recognised as Assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation.

Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in Statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalized. A leased asset is depreciated over the useful life of the asset. However, if there is no

reasonable certainty that the Company will obtain ownership by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

As a lessor

When assets are leased out under a finance lease, the present value of minimum lease payments is recognised as a receivable. The difference between the gross receivable and the present value of receivable is recognised as unearned finance income. Lease income is recognised over the term of the lease using the net investment method before tax, which reflects a constant periodic rate of return.

Operating Leases As a lessee

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company, as lessee, are classified as operating leases. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

As a lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

l) Investment in subsidiaries and associates:

Investment in subsidiaries and associates are shown at cost. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is transferred to the Statement of Profit and Loss. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of Profit and Loss.

m) Financial Instruments:

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit and loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability. The transaction costs directly attributable to the acquisition of financial assets and financial liabilities at fair value through profit and loss are immediately recognised in the statement of profit and loss.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

(i) Financial assets

Cash and bank balances

Cash and bank balances consist of:

- (a) Cash and cash equivalents** - which includes cash at bank and in hand, short term deposits and highly liquid investments with an original maturity of three months or less which are readily convertible into known amounts of cash, are subject to an insignificant risk of change in value. These balances with banks are unrestricted for withdrawal and usage.
- (b) Other bank balances** - which includes balances and deposits with banks that are restricted for withdrawal and usage.

Financial assets at amortised cost:

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Fair value through other comprehensive income (FVOCI):

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business model whose objective is to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company in respect of equity investments (other than in subsidiaries, associates and joint ventures) which are not held for trading has made an irrevocable election to present in other comprehensive income subsequent changes in the fair value of such equity instruments. Such an election is made by the Company on an instrument by instrument basis at the time of initial recognition of such equity investments.

Fair value through profit or loss:

Financial asset not measured at amortised cost or at fair value through other comprehensive income is carried at fair value through the statement of profit and loss.

Impairment of financial assets:

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost and fair value through other comprehensive income.

For trade receivables, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

De-recognition of financial assets

The Company derecognizes a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for derecognition under Ind AS 109.

(ii) Financial liabilities and equity instruments Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in Statement of Profit and Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial Liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortized cost, using the effective interest rate method where the time value of money is significant. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

De-recognition of financial liabilities:

The Company de-recognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

iii) Offsetting financial instruments

Financial assets and liabilities are being offset and the net amount reported in the Financial Statements when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

iv) Derivative financial instruments:

The Company uses derivative financial instruments i.e. Forward Contracts to hedge its risks associated with foreign exchange fluctuations. These derivative financial instruments are used as risk management tools only and not for speculative purposes. The fair values of these derivative financial instruments are recognized as assets or liabilities at the balance sheet date and gain/loss is recognised in statement of profit and loss unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in Statement of Profit and Loss depends on the nature of the hedge item.

n) Employee benefits:

(i) Short Term Employee Benefits

All employee benefits payable within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages etc. and the expected cost of bonus, exgratia, compensatory leave encashment, incentives are recognized in the period during which the employee renders the related service.

(ii) Post-Employment Benefits

a) Defined contribution plan:

This benefit includes contribution to provident fund and employee's state insurance scheme administered by government. Expenses are recognized in the statement of profit and loss for the year in which the employee has rendered services.

b) Defined Benefit Plan:

The present value of obligation is determined based on actuarial valuation using the projected unit credit method and the retirement benefit obligation (Liabilities) is recognized in the Balance Sheet net of fair value of planned assets. Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. The service cost and net interest on the net defined benefit liability/(asset) is treated as a net expense within employment costs.

o) Inventories:

Units of Mutual Fund are valued at lower of cost (FIFO basis) or net realisable value.

p) Provisions:

Provisions are recognised in the balance sheet when the Company has a present obligation (legal or constructive) as a result of a past event, which is expected to result in an outflow of resources embodying economic benefits which can be reliably estimated. Each provision is based on the best estimate of the expenditure required to settle the present obligation at the balance sheet date. Where the time value of money is material, provisions are measured on a discounted basis.

q) Income taxes:

i) Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

ii) Deferred tax

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purpose at reporting date. Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

iii) Minimum Alternate Tax

Minimum Alternate Tax credit is recognized, as an asset only when and to the extent there is convincing evidence that the group will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance note issued by the Institute of Chartered Accountants of

India, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement under Other Assets. The group reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that group will pay normal Income Tax during the specified period.

Tax expense for the year comprises current and deferred tax.

r) Revenue recognition:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable excluding taxes or duties collected on behalf of the government.

Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Rent Income

Income from operating lease is recognized in the statement of profit & Loss as per contractual rentals unless another systematic basis is more representative of the time pattern in which benefit derived from the leased assets is diminished.

Dividend income

Dividend income from investments is recognised when the shareholder's rights to receive payment have been established.

s) Borrowing costs:

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use. Transaction cost in respect of long-term borrowings are amortised over the tenure of respective loans using effective interest method.

All other borrowing costs are recognised in the statement of profit and loss in the period in which they are incurred. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

t) Contingent Liabilities and Contingent Assets:

A contingent liability is a possible obligation that arises from a past event, with the resolution of the contingency dependent on uncertain future events, or a present obligation where no outflow is probable. Major contingent liabilities are disclosed in the financial statements unless the possibility of an outflow of economic resources is remote. Contingent assets are not recognized in the financial statements but disclosed, where an inflow of economic benefit is probable.

u) Earnings Per Share:

Earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

(i) Amendment to Existing issued Ind AS

The MCA has also carried out amendments of the following accounting standards:

- i. IndAS 21 - The Effects of Changes in Foreign Exchange Rates
- ii. IndAS 40 - Investment Property
- iii. IndAS 12 - Income Taxes
- iv. IndAS 28 - Investments in Associates and Joint Ventures and
- v. IndAS 112 - Disclosure of Interests in Other Entities

Applications of above standards are not expected to have any significant impact on the Company's Financial Statements.
