FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2017.

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
THE MEMBERS,
REFEX INDUSTRIES LIMITED,
(CIN: L45200TN2002PLC049601),
NO. 20 MOOKER NALLAMUTHU STREET,
CHENNAI-600001

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. **REFEX INDUSTRIES LIMITED** (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the M/s. **REFEX INDUSTRIES LIMITED**'s books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2017, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter: The members are requested to read this report along with my letter of even date placed as Annexure 1 to this report

I have examined the books, papers, minute books, forms and returns filed and other records maintained by **M/s. REFEX INDUSTRIES LIMITED ("the Company")** for the financial year ended on **31st MARCH, 2017** according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Structure and Development

Your company was incorporated on 13th September 2002 and is an ISO 9001:2015 and ISO 14001:2015 Company. It is primarily engaged in the Business of refilling Non- Ozone depleting refrigerant gases popularly known as Hydro Fluoro Carbon or HFC's, which are used in Automobile Air-Conditioners, Room Air Conditioners and Refrigerating Equipment.

Since November 2011 the Company also entered business relating to Generation and Distribution of Solar Power by running a solar power plant at Balmer District, Rajasthan.

During the year the actual production of the refrigerant gases accounted for 295 MTs as against the installed capacity 900 MT. The sale of products in term of quantity recorded at 257.56 MTs The current facility is a 900 Mt Capacity refilling with Single shift.

The income earned by the company arising out of solar power generation and distribution during 2016-17 is Rs.53.98 Lakhs as Loss.

OPPORTUNITIES

The Company is engaged in the Business of Hydro Fluoro Carbon (HFCs) which is replacement of the Ozone depleting CFC which is already banned in India and HCFC that are to be banned in a phased manner from 2020 onwards as per the implementation schedule of the Montreal protocol by the developing countries. This phase had already started in 2012 in parts and a complete ban will come in by 2020. The phase out of HCFC gives immense potential to your Company to gain additional market share from domestic manufacturers. The Company's products are placed as a premium brand in the industry and command a premium over the other brands. The Co.'s refrigerant business has grown from Rs.15.69 Lakhs in 2015-16 to Rs.732.42 Lakhs in 2016-17. It resulted in the increase of market share of your Company. Your Company is now primarily focusing on after markets and retail. Also planning to reach OEMs, besides also getting Enquiries from Govt. Sectors.

The margins are better and the demand is increasing in these markets sharply.

Under changing Geo-political scenario, Indian products attract renowned interest from overseas customers, taking this into account your company is working on export of refrigerant gas.

With increasing power shortage in the country due to growing gap between demand and supply status, the opportunities relating to non-conventional energy sources, such as solar energy, is bound to increase in the years to come and the company would be in a position to convert this opportunity to its advantage.

Your Company is working with various science and technical institutions to introduce new refrigerants which have Zero Global Warming Potential (GWP) to work towards a more CO₂ free world. Your Company will have an early mover advantage to launch new refrigerants in the market. Your Company is also working on adding additional Solar Power Plants and is keenly looking for opportunities to build more Solar Power Plants.

THREATS

The Company is largely dependent on foreign countries for the supply of raw materials and hence the shortage in the availability of raw materials coupled with adverse foreign exchange will affect the cost structure and bottom line of the company. HFCs are having GWP potential and is being now phased out in developed countries. India will also have to work towards the phase put in the next 20-25 years. Year 2016-17 has seen a lot of fluctuations in Forex and hence the risk of higher cost is there. One of the primary products R134a faces Anti-Dumping duties from China and other countries, which will be a major drawback for your Company. Solar Power is driven by Government policies and also any change in Tariff or policy will affect the business plan.

The instability in global economy is also bound to affect the company in both business activities.

Due to the recent implementation of GST (Goods & Service Tax), Company's sales declined, but we are optimistic that the sales will grow in the days to come.

COMPETITIVE STRENGTH

The company is working with various institutions on developing refrigerants which have Zero GWP potential. Various research agencies and scientist have approached your company to commercialize some products. Your company is evaluating the same. The after markets for HFC is increasing with increase in sale of cars and refrigerants.

"Being setup first re-filling facility in the country a decade back among non-manufacturers, Brand **REFEX** is a prominent brand in the Refrigerant Industry and commands a premium over other brands. The end users like Mechanics and Installers have preferred Refex products over other products. Innovative packing and continuous product and service development has placed the brand in the top in the country.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

Refex's stringent internal control systems and procedure is well defined and commensurate with the size and nature of the Business to provide reasonable assurance that all assets are safeguarded; transactions are authorized and reported properly. All applicable statutes, code of conduct and corporate policies are duly complied with. The internal Audit Division reviews the adequacy and efficiency of the internal controls. The scope of the audit activity is guided by the Annual Audit Committee of the Board. The Audit Committee reviews the reports of the Internal Auditors and provides guidance.

HUMAN RESOURCE DEVELOPMENT

Refex believe that human resources represent the primary assets. Team Refex works as a family and your Company is taking various steps for training of its staff and workers. Various Personality Development programmes are organized from time to nurture the Team to a more prosperous Company. The company strives to provide a few empowered, merit based and continuously learning workplace which go a long way in enriching competence and accelerating corporate growth.

INDEPENDENT AUDITOR'S REPORT

To the Members of Refex Industries Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Refex Industries Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss and Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified u/s 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial

control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Management, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Basis for Qualified Opinion:

The Company is not providing for liability for gratuity as per actuarial valuation which is not in accordance of the Accounting Standard on Provision for Gratuity (AS-15) (Refer Note 2(i) forming part of Financial Statements) issued by The Institute of Chartered Accountants of India and the impact of which is unascertainable.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion above, the standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2017 and its profit and its cash flow for the year ended on that date.

Annexure B to the Independent Auditor's Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Reflex Industries Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with Generally Accepted Accounting Principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

REFEX INDUSTRIES LIMITED

Notes forming part of the Financial Statements

1	<p>Corporate Information</p> <p>Refex Industries Limited (formerly Refex Refrigerants Ltd referred as “RRL”) or the Company is engaged in the business of refilling of eco friendly Refrigerant Gases. The Company’s portfolio consists of trading and re filling of Refrigerant Gases.</p> <p>The Company is also into Sale of Electrical Energy based on generation of power and Sale of Solar Accessories.</p> <p>The Company’s registered office is in Chennai, Tamilnadu, India and its Factory is situated in Thirupurur, Kanchipuram District, TamilNadu.</p>
2	<p>Significant Accounting Policies</p>
a	<p>Basis of Accounting and Preparation of Financial Statements</p> <p>The Financial Statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 2013. The Financial Statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.</p>
b	<p>Use of Estimates</p> <p>The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.</p>
c	<p>Inventories</p> <p>Inventories are valued at the lower of cost (on FIFO / weighted average basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty.</p>
d	<p>Depreciation and Amortisation</p> <p>Depreciation has been provided on the Straight Line Method as per the rates prescribed in Schedule II to the Companies Act, 2013.</p>

e	<p>Revenue Recognition</p> <p><u>i) Sale of goods</u> Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales are stated including Excise Duty but excluding sales tax and value added tax.</p> <p><u>ii) Sale of Electrical Energy</u> Sale of electrical energy is recognised on acceptance by Electricity Board of units generated.</p>
f	<p>Other Income Interest income is accounted on accrual basis.</p>
g	<p>Fixed Assets Fixed Assets are stated at Cost, less accumulated depreciation/amortisation. Costs include all expenses incurred to bring the asset to its present location and condition.</p>
h	<p>Investments Long-term investments, are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.</p> <p>Provision for diminution in the value of long term investments is made only if such decline is other than temporary.</p>
i	<p>Employee Benefits Employee benefits include provident fund, gratuity fund and compensated absences.</p> <p><u>Defined Contribution Plans</u> The Company's contribution to provident fund and superannuation fund are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made.</p> <p><u>Defined Benefit Plans</u> For defined benefit plans in the form of gratuity fund, the cost of providing benefits is not ascertainable as the Company is yet to evolve a scheme for the same.</p> <p><u>Short-term Employee Benefits</u> The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under :</p> <p>(a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and</p> <p>(b) in case of non-accumulating compensated absences, when the absences occur.</p>

	<p><u>Long-term Employee Benefits</u></p> <p>The Company does not have a Scheme for Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service.</p>
j	<p>Borrowing Costs</p> <p>Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.</p>
k	<p>Earnings per share</p> <p>Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share, if any, is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date.</p>
l	<p>Taxes on Income</p> <p>Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.</p> <p>Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.</p> <p>Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the</p>

	<p>tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.</p> <p>Current and deferred tax relating to items directly recognised in equity are recognised in equity and not in the Statement of Profit and Loss.</p>
m	<p>Impairment of Assets</p> <p>The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.</p>
n	<p>Provisions and Contingencies</p> <p>A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.</p>
o	<p>Foreign Currency Transactions</p> <p>Foreign currency transactions are recorded on initial recognition in the reporting currency, using the exchange rate at the date of the transaction. At each Balance Sheet date, foreign currency monetary items are reported using the closing rate.</p>

INDEPENDENT AUDITOR'S REPORT
To the Members of Refex Industries Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Refex Industries Limited (hereinafter referred to as "the Holding Company"), its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss and Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to preparation and presentation of these Consolidated financial statements that give a true and fair view of the Consolidated financial position, Consolidated financial performance and Consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these Consolidated financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified u/s 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Consolidated financial statements. The procedures selected depend on the auditor's judgment,

including the assessment of the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Management, as well as evaluating the overall presentation of the Consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph of the other Matters below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated financial statements.

Basis for Qualified Opinion:

The Holding Company is not providing for liability for gratuity as per actuarial valuation which is not in accordance of the Accounting Standard on Provision for Gratuity (AS-15) (Refer Note 2(i) in notes forming part of Financial Statements) issued by The Institute of Chartered Accountants of India and the impact of which is unascertainable.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion above, the aforesaid Consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India.

- (a) in the case of Balance Sheet, of the state of affairs of the Group as at March 31, 2017;
- (b) in the case of Statement of Profit and Loss, of the profit for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report, to the extent applicable, that:
 - a. We / the other auditors whose reports we have relied upon have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid Consolidated financial statements.
 - b. In our opinion proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and reports of the other auditors.
 - c. The Consolidated Balance Sheet, Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the

books of account maintained for the purpose of preparation of the Consolidated financial statements.

- d. In our opinion, except for the effects of the matter described in the Basis for Qualified opinion paragraph, the aforesaid Consolidated financial statements comply with the Accounting Standards specified under section 133 of the Act, read with relevant rule issued thereunder.;
- e. **“Annexure A” to the Independent Auditors’ Report of even date on the Consolidated
Financial Statements of Reflex Industries Limited
Report on the Internal Financial Controls under Claus (i) of Sub-Section 3 of Section 143 of
the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Reflex Industries Limited (“the Company”) as of March 31, 2017 in conjunction with our audit of the Consolidated financial statements of the Holding Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary Company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with Generally Accepted Accounting Principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary company incorporated in India, have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1	<p>Corporate Information</p> <p>Reflex Industries Limited (formerly Reflex Refrigerants Ltd referred as “RRL”) or the Company is engaged in the business of refilling of eco friendly Refrigerant Gases. The Company’s portfolio consists of trading and re filling of Refrigerant Gases.</p> <p>The Company is also into Sale of Electrical Energy based on generation of power and Sale of Solar Accessories.</p> <p>The Company’s registered office is in Chennai, Tamilnadu, India and its Factory is situated in Thiruporur, Kanchipuram District, TamilNadu.</p>
2	<p>Significant Accounting Policies</p>
a	<p>Basis of Accounting and Preparation of Financial Statements</p> <p>The Financial Statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 2013. The Financial Statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.</p>
b	<p>Use of Estimates</p> <p>The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.</p>
c	<p>Inventories</p> <p>Inventories are valued at the lower of cost (on FIFO / weighted average basis) and the net realisable value after providing for obsolescence and other losses, where considered necessary. Cost includes all charges in bringing the goods to the point of sale, including octroi and other levies, transit insurance and receiving charges. Work-in-progress and finished goods include appropriate proportion of overheads and, where applicable, excise duty.</p>

d	<p>Depreciation and Amortisation</p> <p>Depreciation has been provided on the Straight Line Method as per the rates prescribed in Schedule II to the Companies Act, 2013.</p>
e	<p>Revenue Recognition</p> <p><u>i) Sale of goods</u></p> <p>Sales are recognised, net of returns and trade discounts, on transfer of significant risks and rewards of ownership to the buyer, which generally coincides with the delivery of goods to customers. Sales are stated including Excise Duty but excluding sales tax and value added tax.</p> <p><u>ii) Sale Of Electrical Energy</u></p> <p>Sale of Electrical Energy is recognised on acceptance by Electricity Board of Units generated.</p>
f	<p>Other Income</p> <p>Interest income is accounted on accrual basis.</p>
g	<p>Fixed Assets</p> <p>Fixed Assets are stated at Cost, less accumulated depreciation/amortisation. Costs include all expenses incurred to bring the asset to its present location and condition.</p>
h	<p>Investments</p> <p>Long-term investments, are carried individually at cost less provision for diminution, other than temporary, in the value of such investments. Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties. Provision for diminution in the value of long term investments is made only if such decline is other than temporary.</p>
i	<p>Employee Benefits</p> <p>Employee benefits include provident fund, gratuity fund and compensated absences.</p> <p><u>Defined Contribution Plans</u></p> <p>The Company's contribution to provident fund and superannuation fund are considered as defined contribution plans and are charged as an expense as they fall due based on the amount of contribution required to be made.</p> <p><u>Defined Benefit Plans</u></p> <p>For defined benefit plans in the form of gratuity fund, the cost of providing benefits is not ascertainable as the Company is yet to evolve a scheme for the same.</p> <p><u>Short-term Employee Benefits</u></p> <p>The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include performance incentive and compensated absences</p>

which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under : (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and (b) in case of non-accumulating compensated absences, when the absences occur.

Long-term Employee Benefits

The Company does not have a Scheme for Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related service.

j Borrowing Costs

Borrowing costs include interest, amortisation of ancillary costs incurred and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Costs in connection with the borrowing of funds to the extent not directly related to the acquisition of qualifying assets are charged to the Statement of Profit and Loss over the tenure of the loan. Borrowing costs, allocated to and utilised for qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset upto the date of capitalisation of such asset is added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

k Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share, if any, is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date.

l Taxes on Income

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961. Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing

evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Deferred tax assets are recognised for timing differences of other items only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each Balance Sheet date for their realisability.

Current and deferred tax relating to items directly recognised in equity are recognised in equity and not in the Statement of Profit and Loss.

m Impairment of Assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the Statement of Profit and Loss, except in case of revalued assets.

n Provisions and Contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes.

o Foreign Currency Transactions

Foreign Currency transactions are recorded on initial recognition in the reporting currency, using the exchange rate at the date of the transaction. At the Balance Sheet date, foreign currency monetary items are reported using the closing rate.
