Mumbai – 400 051

Dear Sir,

Sub: Submission of Annual Report 2018-19

Scrip Code: 532904/ SUPREMEINFRA

Pursuant to the Regulation 34 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, we enclose herewith the Annual Report 2018-19 duly adopted at the 36th Annual General Meeting of the Company held on December 30, 2019 at 11.30 a.m. at Athena Banquet Hall, 8th Floor, B-Wing, Supreme Business Park, Hiranandani, Powai, Mumbai – 400 076 along with Statement on Impact of Audit Qualifications.

We request you to take the same on record and oblige.

Thanking you,

Yours faithfully,

FOR SUPREME INFRASTRUCTURE INDIA LIMITED

(VIJAY JOSHI)
COMPANY SECRETARY

MANAGEMENT DISCUSSION & ANALYSIS

GLOBAL ECONOMY OVERVIEW

Gross Domestic Product (GDP) growth remained steady at 3.1% (YoY) in 2018, same as 2017 when calculated at market exchange rates. GDP growth accelerated in most of the global economies in both 2017 and 2018. Growth in developed economies expanded at a steady pace of 2.2% (YoY) in 2017 and 2018. The world economy is projected to grow at 3% (YoY) in 2019 and 2020, marginally down from 3.1% (YoY) in 2018, according to the "World Economic Situation and Prospects by United Nations (UN)". Short-term risks for this growth projection include escalation in U.S.-China trade disputes negotiations, financial stress and volatility, and geopolitical tensions in several regions. These risks compound underlying structural vulnerabilities of a longer-term nature. There was a significant rise in trade tensions among the world's largest economies during 2018. Efforts by the US to increase import tariffs sparked retaliations and counter-retaliations. Although stimulus measures and direct subsidies were able to offset much of the direct negative impacts on China and in the US so far, global trade growth saw a drop in its momentum. This continued episode of heightened tensions among the world's largest economies for additional tariffs indeed pose a considerable risk to the global trade outlook for 2019. However, world industrial production and merchandise trade volumes has been slowing since the beginning of 2018, especially in trade-intensive capital and intermediate goods sectors. The weakness in the global economy has been most stark in the manufacturing and export sectors. Eurozone industrial production is down to 2.5% (YoY) in March 2019 since its peak in December 2017.

INDIAN ECONOMY OVERVIEW

India is expected to remain the world's fastest growing major economy in 2019 and 2020, with the economy projected to grow at the rate of 7.5% (YoY) during FY 2019-20 and CY FY 2020-21, as per the World Bank's April edition of the 'South Asia Economic Focus, Exports Wanted'. The RBI projected its FY 2019-20 GDP growth to be at 7.2% (YoY), with the fiscal deficit pegged at 3.4% of GDP. The RBI expects the

economic growth to be in the range of 6.8-7.1% in the first half of FY 2019-20, and in the range of 7.3-7.4% in the second half of FY 2019-20 with "risks evenly balanced".

Investment is growing steadily, driven by the gradual increase in capacity utilization, large infrastructure programmes and recent structural reforms which are supporting investors' confidence, in particular the new Insolvency and Bankruptcy Code and public bank recapitalization. Investment, which makes 30% of GDP, remains robust as indicated by most forward-looking indicators. IIP for infra goods has maintained traction and iron & steel domestic consumption has been rising. Some of the key incentives which are expected to spur demand include Pradhan Mantri Kisan Samman Nidhi which provides direct income support of Rs. 6,000/ year, outlay for MNREGA and National Rural Livelihood Mission and measures to increase disposable income of middle income group. A gradual improvement in domestic consumption in FY 2019-20 is expected led by new products, income support schemes and softening fuel prices spurring urban demand. Strong personal loan growth amidst tax measures announced in the Interim Budget FY 2019-20 is also expected to support consumption. Similarly, uptick in rural demand is expected due to improvement in farm realization as food prices are expected to recover, expectation of normal monsoon and the government's increased focus on employment and income generation schemes for rural sector. The rebound in exports in FY 2018-19 was supported by a weaker rupee and an easier-to-comply-with Goods and Services Tax. Corporate investment is expected to remain vigorous, supported by recent structural reforms and better infrastructure, in particular the road construction programme and the power sector reforms. Private consumption remained strong, especially in rural areas due to good monsoon and steady government spending related to rural roads, housing and employment programmes. Higher crude oil prices and the rupee depreciation may put pressure on domestic demand, inflation, current account deficit and public finances. In addition to initiatives like, 'Make in India', 'Housing for All', 'Digital India' government has also introduced 'Sagarmala' and 'Bharat Mala' initiatives, which is expected to boost the domestic growth of the country.

INDIA'S INFRASTRUCTURE SECTOR OVERVIEW

The Government of India has taken major steps to empower the economic accreditations of the country and make it one of the powerful economies in the world. It is striving to move steadily to reduce structural and political bottlenecks, attract higher investment and improve the overall economic performance.

Infrastructure is the backbone of our economy and society at large, ranging from the roads, rails to electricity that lights or heats our homes to the water we drink by investing in core infrastructure businesses that deliver essential services throughout the economic cycle. The Government of India is extremely keen on developing the infrastructure sector in the country. This is clearly evident through several initiatives announced for this sector as part of the Budget 2019-20. Infrastructure has become the priority segment in the Union Budget.

Roads & Transportation Sector

India has the second largest road network in the world, constituting over a total of 5.6 million km in length. Over 65% of all goods in the country are transported via roads, while 90% of the total passenger traffic uses road network to commute on a day to day basis.

The government's ambitious infrastructure development plan aims to provide significant opportunities for investors and market players to help change the sector and partner India's socio-economic progress.

India has surpassed its own capacities by extending its capabilities beyond the national boundaries via road connectivity. The transportation sector has been highly responsible for propelling India's overall development. The Government of India has intensified its focus on this sector by initiating policies that would ensure time-bound creation of world class infrastructure in the country at a breakneck pace.

MANAGEMENT DISCUSSION & ANALYSIS

India's total road length includes National Highways (NHs), Expressways, State Highways (SHs), district roads, PWD roads, and project roads.

The network can be sub-divided into three categories for a total length of 5,600,000 km:

- State Highways - They form 3% of the total roads in India totalling a length of 176,166 km.
- National Highways - They form merely 2% of the total roads in India envisaging a total length of 115,530 km.
- District and Rural Roads - They form 95% of the total roads in India envisaging a total length of 5,326,166 km.

The NHAI has a bid pipeline of ~Rs700bn comprising of roughly equal number of projects on EPC basis and HAM basis. While most of these projects have been in the bid pipeline since the start of 2019 the NHAI is yet to conclude awarding them due to delays in financial closures of previously awarded projects, code of conduct during elections and delays in achieving conditions precedent. Road developers now expect these projects to be awarded starting H2 - 2019 and gain momentum in H2-2020.

The NHAI is targeting to award 3000 km of highway projects on BOT (toll) basis in FY20. The Ministry of Road Transport and Highways (MORTH) has identified these projects as being bankable based on their current traffic counts and growth potential. The NHAI has also held discussions with developers and other stake holders for changes required in the concession

agreement for toll projects in order to make them more palatable. Despite this, the participants felt that awarding such a large quantum of projects on BOT basis appears difficult given the challenges of limited number of bidders for such projects and aversion in the banking system for financing such projects. Under the Bharatmala Pariyojana, about 35,000 km of roads will be developed in Phase-I at an estimated cost of Rs. 5,35,000 cr. The Government is planning to introduce toll system on 'pay as you use' basis.

Housing Sector

Under the "Housing For All by 2022" programme, the Government envisages pucca houses with water connections, toilet facilities, and 24x7 electricity. Under the Pradhan Mantri Awaas Yojana (PMAY), the Government intends to construct 22mn affordable houses by spending Rs. 3 trillion by 2022. Under this ambitious plan, 12mn units are proposed to be built in urban entailing a cost of Rs. 1.86 trillion and 10 mn units are proposed to be built in rural entailing a cost of Rs. 1.27 trillion.

Rural housing

The Government plans to spend Rs. 3.5 trillion to build 30mn houses under the National Gramin Awaas Mission (NGAM) for the homeless by 2022 in rural areas.

Urban housing

The Central Government has a plan to roll out the following schemes for development:

- Redevelopment of slums with the

participation of private helped by a central grant of Rs. 1Lakh per beneficiary. State governments can use this grant as viability gap funding for any slum redevelopment scheme.

- An interest subsidy of 6.5% on housing loans up to tenure of 15 years to EWS and LIG beneficiaries will be provided for loan amounts up to Rs. 6 Lakh.
- Central assistance of Rs. 1.50Lakh per beneficiary to promote housing stock for urban poor with the involvement of private/public sectors.
- Subsidy for beneficiary-led individual construction or enhancement, Central assistance of Rs. 1.50 Lakh each to eligible urban poor beneficiaries to help them build own houses or undertake improvements to existing ones.

Smart Cities Project

Smart Cities Mission referred to as Smart City Mission is an urban renewal and retrofitting program by the Government of India with the mission to develop 100 cities across the country making them citizen friendly and sustainable.

Smart Cities Mission envisions developing an area within 100 cities in the country as model areas based on an area development plan, which is expected to have a spill-over effect on other parts of the city and nearby cities and towns. Cities will be selected based on the Smart Cities challenge, where cities will compete in a countrywide competition to obtain the benefits from this mission. As of January 2018, 99 cities have been selected to be upgraded as part of the Smart Cities Mission after they defeated other cities in the challenges.

MANAGEMENT DISCUSSION & ANALYSIS

Power Sector

Indian power sector is undergoing a significant change that has redefined the industry outlook. Sustained economic growth continues to drive electricity demand in India. The Government of India's focus on attaining 'Power for all' has accelerated capacity addition in the country. At the same time, the competitive intensity is increasing at both the market and supply sides (fuel, logistics, finances, and manpower). Total installed capacity of power stations in India stood at 356.82 Gigawatt (GW) as of May 2019.

Some initiatives by the Government of India to boost the Indian power sector:

1. Ujwal Discoms Assurance Yojana (UDAY) to encourage operational and financial turnaround of State-owned Power Distribution Companies (DISCOMS), with an aim to reduce Aggregate Technical & Commercial (AT&C) losses to 15 per cent y FY19.
2. The Ministry of New and Renewable Energy set solar power tariff caps at Rs. 2.50 (US\$ 0.04) and Rs. 2.68 (US\$ 0.04) unit for developers using domestic and imported solar cells and modules, respectively.
3. National Policy on Biofuels, the expected benefits of this policy are cleaner environment, employment generation, reduced import dependency, boost to infrastructural investment in rural areas and additional income to farmers.

The Government of India has released its roadmap to achieve 175 GW capacity in renewable energy by 2022, which includes 100 GW of solar power and 60 GW of wind power. The Union Government of India is preparing a 'rent a roof' policy for supporting its target of generating 40 gigawatts (GW) of power through solar rooftop projects by 2022. Coal-based power generation capacity in India, which currently stands at 191.09 (As of May 2019) GW is expected to reach 330-441 GW by 2040. India could become the world's first country to use LEDs for all lighting needs by 2019, thereby saving Rs. 40,000 crore (US\$ 6.23 billion) on an annual basis. All the states and union territories of India are on board to fulfil the Government of India's vision of ensuring 24x7 affordable and quality power for all by

March 2019, as per the Ministry of Power and New & Renewable Energy, Government of India.

WATER INFRASTRUCTURE SEGMENT

India occupies 2 percent of the world's land area, represents 16 percent of the world population and 15 percent of livestock, whereas it has only 4 percent of the water resources of the world. Water demand in next few years till 2025 is expected to grow by over 20 percent, fuelled primarily by the industrial requirements which have been projected to double from 23.2 trillion litres at present, to 47 trillion litres. Domestic demand is expected to grow by 40 percent from 41 to 55 trillion litres, while irrigation will require 14 percent more to 592 trillion litres up from 517 trillion litres being used currently. The standing subcommittee of Ministry of Water Resources has estimated that the water demand will escalate from 813 billion cubic meters (bcm) in 2010 to 1,093 bcm in 2025 to further 1,447 bcm by the year 2050.

The Central Government has recently integrated the Ministry of Water Resources, River Development and Ganga Rejuvenation with the Ministry of Drinking Water and Sanitation leading to formation of the Jal Shakti Ministry. This initiative seeks to consolidate efforts towards water conservation with delivery of water for drinking and sanitation with a target to have access to piped water supply for all households by 2024. The Government also plans to work closely with states on this programme to integrate projects with the irrigation coverage being targeted by them.

Major water projects being undertaken by the Government are:

1. Namami Gange Programme focuses on cleaning the Ganga
2. Atal Mission for Rejuvenation and Urban Transformation (AMRUT)
3. National Water Quality Sub Mission on Arsenic and Fluoride to provide safe drinking water to about 28,000 affected habitations in the country by March 2021 with an outlay of Rs. billion.
4. 'Har Ghar Jal' (water in every household) is another scheme with a mission to

provide piped drinking water supply to all households by 2030.

RAILWAY SEGMENT

The Indian Railways is among the world's largest rail networks. The Indian Railways route length network is spread over 115,000 km, with 12,617 passenger trains and 7,421 freight trains each day from 7,349 stations plying 23 million travellers and 3 million tonnes (MT) of freight daily. India's railway network is recognised as one of the largest railway systems in the world under single management.

The Government of India has focused on investing on railway infrastructure by making investor-friendly policies. It has moved quickly to enable Foreign Direct Investment (FDI) in railways to improve infrastructure for freight and high-speed trains. At present, several domestic and foreign companies are also looking to invest in Indian rail projects.

The Indian Railway network is growing at a healthy rate. In the next five years, the Indian railway market will be the third largest, accounting for 10 per cent of the global market. Indian Railways, which is one of the country's biggest employers, can generate one million jobs, according to Union Minister for Railways and Coal. Indian Railways is targeting to increase its freight traffic to 3.3 billion tonnes by 2030. It is projected that freight traffic via the Dedicated Freight Corridors will increase at a CAGR of 5.4 per cent to 182 MT in 2021-22.

BUSINESS OVERVIEW

Supreme Infrastructure India Limited (SIIL) is a public limited company with its head office near IIT Powai, Mumbai. Being promoted by Mr. Bhawanishankar Sharma, SIIL has gradually attained its trademark of being a diversified infrastructure EPC player with an imminent presence across numerous industries. The company undertakes high-scale projects across roads, bridges, railways, power, buildings, irrigation and sewerage. The company has a sturdy presence in the roads BOT segment, where it has undertaken 11 projects, out of which 6 projects are operational and 3 projects are under construction.

MANAGEMENT DISCUSSION & ANALYSIS

Financial Overview - Standalone

- Total Revenues from Operations decreased by 40% to 57,972.52 Lakhs on a YoY basis as compared to Rs. 98,029.92 Lakhs in FY 2018.
- EBITDA decreased by 57% to (112678.7) on a YoY basis as compared to Rs. (47,571.82) Lakhs in FY 2018(Including Other Income).
- Loss increased to (110,854.98) Lakhs from Rs. (50,012.21) lakhs in FY 2018.

Opportunities

The Infrastructure sector in India is traversing through one of its most interesting phases today. If we look at our growth pattern over the past few years, we will realize how important it is for a country to have a strong infrastructure to enable growth and development. It's imperative that the nation prepares itself for the future and the next anticipated growth curve.

Infrastructure projects, such as urban public transport systems like metros, expressways, superior quality highways, flyovers, and world class airports will enable us achieve the next trajectory with higher GDP growth.

There is a huge opportunity for other allied sectors to participate in the infrastructure sector's growth across India. A huge gap in demand and supply of power, additionally plagued by the losses in transmission and distribution provides an opportunity to augment this requirement.

Opportunities in water and environmental engineering are immense. Investment of Rs. 2.3 trillion (\$55 billion) is proposed for water resource management in the eleventh five year plan. Moreover, India's water market is one of the largest in the world, with approximately one-third of the total estimated value dedicated for water provisioning, one-third for municipal water treatment, and the remaining one-third for industrial water treatment. The overall annual growth rate is 15-20 percent, with the drinking water and industrial segments growing even more rapidly. India's urban water demand is expected to double and its industrial demand triple by 2025. The PPP model will be crucial to accelerate growth and increase output and efficiencies in this sector. In addition to this,

we also need more foreign collaborations so that we can replicate models that have worked elsewhere in the world after suitable customization to Indian conditions. Also, integrated solutions are the need of the hour. We need to ensure the clients engage with one single partner for construction, operation, maintenance, and management to ensure ownership. Important steps to accelerate infrastructure growth in our country are initiatives such as public-private-partnership, a long term contractual partnership between private and public sector agencies, specifically financing, designing, implementing, and operating infrastructure facilities.

India boasts of having one of the largest road networks in the world, spanning over a total of 5.6 million km. The country uses roadways to transport 64.5 per cent of goods and 90 per cent of the total passenger traffic prefers to use road networks for commuting. The Government of India plans to increase the length of national highways from the current record of 122,432 km to 200,000 km. During FY18-19, the Government of India allocated Rs. 71,000 cr (US\$ 10.97 billion) for the development of national highways across the country, signifying a rising budget allocation for the road sector. The value of the total roads and bridges infrastructure in India is estimated to expand at a CAGR of 13.6 per cent.

The Government has given a massive boost to infrastructure by allocating Rs. 5.97 lakh crore (US\$ 92.2 billion) for infrastructure. There is a growing participation of the private sector through Public-Private Partnership (PPP). The Government of India plans to invest Rs. 1.45 lakh cr (US\$ 22.40 billion) towards road infrastructure in North-East region. Between FY09 and FY19, the budget outlay for road transport and highways increased at a robust CAGR of 20.91 per cent. In FY17-18, national highways of 9,829 km in length were constructed with 20 per cent growth from 8,231 in FY16-17.

Budget 2019 for Infrastructure Sector

- Set up Credit Guarantee Enhancement Corporation to deepen corporate bonds in infra (allow tri-party repo market in corporate bonds with AA rated bonds as collateral, make trading platforms more user friendly). This will

deepen long term bonds market and allow transfer of FII/ FPI investment in debt securities issued by IDF/ NBFCs to domestic investors.

- ECBs will be raised in a meaningful way to fund infra sector investments, as India's sovereign external debt to GDP at less than 5% is among the lowest in the world.
- Government capex up by 10% YoY. Taking into consideration the contribution from PPP this could go up further.
- Bulk of the increase in capital outlay is towards Railways (up 16%), Rural (Urban + Rural, up 13%), and Defence (up 7%).
- NHAI capex to rise by 21%. Coal and steel capex to rise 15% YoY. Higher capex on hydropower and renewables.
- Make in India push. Invitation to global companies for mega industry investments in semiconductor, solar PV cells, Li-ion storage batteries, EV charging, laptops, etc; income tax relief on such investments.
- Import duty on CRGO (Cold Rolled Grain Oriented steel) reduced from 5% to 2.5%; cost benefit for transformer companies.

On the whole, the country is expected to see a lot of activity in the infrastructure sector in the near future.

Concerns

- Credit availability: The private sector is reliant on commercial banks in a bid to raise debts for Public Private Participation (PPP) projects. But with commercial banks constrained by sectoral exposure limits and leveraging for large Indian infrastructure companies, it has become difficult to finance the PPP projects. It is seen in the recent years that credit availability has become one of the most significant threats. The sector has witnessed a curbed financing from banks and other institutions. Mostly, the banks have exhausted

MANAGEMENT DISCUSSION & ANALYSIS

their lending limit to companies and in some cases, the parent companies as well. Therefore, attempting to find viable funds has become increasingly difficult. In order to tame the situation, Hybrid Annuity Model (HAM) was introduced with a vision to revitalise and bring order to the sector. But even this method shows a bleak remedy as most of the awarded HAM projects are currently battling for funding and financial closure.

- Business environment changes: Domestically, the business environment remained unfavourable for PPP players. The Government has transferred the mode of delivery from PPP to EPC projects. As per this move, the Company has also ventured into the EPC sector. Since the introduction of GST, the regulation is closely monitored and adhered to as it can have both an ascending and descending consequences for the sector. Other policies put in place, such as, strict control on mining activities and a ban placed on the use of river sand in many states has the possibility to affect the design of Company's existing projects. Such regulations are expected to be followed by others which might affect the company.
- Market competition: With the Government enthusiastic on promoting EPC contracts, such markets poses a bigger threat to the Company's business. The Company has ventured into the EPC sector and is setting a target to bid for large & complex EPC projects. It is also looking to develop an in-house enterprise such as a construction contractor in a mid-size segment. The Company is also on the lookout for BOT Toll and Annuity projects bid out by the Government. However, market players have become more cautious due to financial limitations, which have led to more reasonable

bids. Many projects that were put out for bids on HAM/BOT Toll & Annuity has failed to attract bidders since most of them were in the form of re-bidding. This was due to non-receipt of bids tendered in the prior bidding process or on the account of termination of concessions granted.

- Dispute resolution and claims settlement: Recently, a minor improvement is witnessed in the claims settlement. However, the pace continues to be slow and tedious. Closure of arbitration and accrual of claims is significant in restoring concessionaire trust and ensuring timely completion. The pathway is set to initiate an independent regulator for the road sector so that this issue is addressed comprehensively.

Risk Management

The Company identifies that evaluation and effective management of their risks is crucial for keeping its performance steady and delivering adequate value to its shareholders. The Company keeps assessing risks at regular intervals and takes measures to mitigate the same.

Internal Controls

The Company has sufficient and commensurate internal control systems to match the size and the sector it is in. The Company has well-defined and clearly laid out policies, processes and systems. These are strictly and regularly monitored by the top management and any digression or discrepancy is immediately flagged off and corrected. All requisite regulations, rules and laws of the land are strictly followed. The Company has a sound system for financial reporting and well-defined management reporting systems. These are supported by Management Information System (MIS) that regularly checks, monitors and controls all operational expenditure against budgeted

allocations. The Company also has a regular internal audit process that is monitored and reviewed by the Audit Committee.

Human Resources

The Company believes that satisfied, highly-motivated and loyal employees are the base of any competitive and growing organization. Therefore, it strives to build a highly skilled and qualified workforce, supported by a safe and healthy work atmosphere. The Company has built a work culture based on sincerity, hard work and a pursuit for perfection. It holds regular training sessions to upgrade the skills and the knowledge base of its employees. Moreover, the company ensures that it recognizes and rewards exceptional performance by its employees' time and again. As on 31st March 2019, the Company had over 252 employees.

Cautionary Statement

This document contains statements about expected future events, financial and operating results of Supreme Infrastructure India Limited, which are forward-looking. By their nature, forward looking statements require the Company to make assumptions and are subject to inherent risks and uncertainties. There is significant risk that the assumptions, predictions and other forward-looking statements will not prove to be accurate. Readers are cautioned not to place undue reliance on forward-looking statements as a number of factors could cause assumptions, actual future results and events to differ materially from those expressed in the forward-looking statements. Accordingly, this document is subject to the disclaimer and qualified in its entirety by the assumptions, qualifications and risk factors referred to in the management's discussion and analysis of the Supreme Infrastructure India Limited Annual Report, 2018-19.

DIRECTORS' REPORT

To
The Members of
SUPREME INFRASTRUCTURE INDIA LIMITED

Your Directors have pleasure in presenting their 36th Annual Report and the Audited Statement of Accounts for the year ended 31st March, 2019.

1. HIGHLIGHTS/ PERFORMANCE OF THE COMPANY

₹ in Crores

Sr. No.	Particulars	As at 31 March 2019	As at 31 March 2018
1	Income from operation	555.63	904.04
	Other income	24.09	76.25
	Total Income	579.72	980.29
2	Profit before Interest, Depreciation & Tax	49.92	188.93
	Less: Interest/ Finance Charges	438.15	361.35
	Depreciation	21.03	21.90
3	Profit / (Loss) before Exceptional Item and Tax	(409.26)	(194.32)
	Exceptional Item	696.48	259.49
	Less: Provision for Tax/ (Credit)		
	Current Tax	2.79	46.31
	Deferred Tax	0	0
	Tax adjustment for earlier years	0	0
4	Profit / (Loss) After Tax	(1108.54)	(500.12)

OPERATION AND PERFORMANCE REVIEW

During the year under review, the Company's income from operations and margins were under stress as compared to the previous year. Total Income during the year was Rs. 579.72 Crores as compared to Rs. 980.29 Crores. in the previous year. The Net loss after Tax was Rs. 1108.54 Crores as compared to 500.12 Crores loss in the previous year.

No Material changes and commitments have occurred after the close of the financial year till the date of this report, which may materially affect the financial position of the Company.

2. DIVIDEND

In view of the losses incurred and stressed financial resources, your Directors do not recommend any dividend on Equity Shares and Preference Shares for the year under review. Consequently, no amount is transferred to reserves for the year ended 31st March, 2019.

3. TRANSFER OF UNPAID / UNCLAIMED AMOUNTS TO INVESTOR EDUCATION AND PROTECTION FUND (IEPF)

During the year under review, the Company has credited Rs. 33,795 to the Investor Education and Protection Fund (IEPF) pursuant to Section 125 of the Companies Act, 2013 read with the Investor Education and Protection Fund (awareness and protection of investors) Amendment Rules, 2014.

4. FINANCE

During the year under review, the Company's Financials were under severe stress on account of several factors like delay in execution of projects, delay in execution of BOT Projects, cost over runs on delayed projects, high interest cost vis-a-vis volume of the Company's operation, stressed working capital finance and similar factors peculiar to the infrastructure sector.

RESOLUTION PLAN

During the under review, the proposed S4A Scheme in respect of restructuring of debts of the Company had to be abandoned in view of the RBI Circular dated 12th February, 2018 regarding "Resolution of Stressed Assets- Revised Framework". Hence, it was decided to work in terms of the above referred new RBI circular. A revised Resolution Plan was prepared which was sanctioned and signed by the majority of the lenders on 29th March 2019. However, in the matter of Dharani Sugars and Chemicals Ltd. Vs. Union of India & Others, it was held by the Hon. Supreme Court that the RBI circular dated February 12, 2018 on Resolution of Stressed Assets as 'ultra vires and has no effect in law'. Hence, all actions taken under the RBI circular dated February 12, 2018 on Resolution of Stressed Assets were made redundant. Consequently, the proposed Resolution Plan made in terms of RBI circular dated February 12, 2018 fell off.

DIRECTORS' REPORT

After the Supreme Court Judgement referred above, the Reserve Bank of India issued a fresh circular dated 7th June, 2019 on 'Prudential Framework for Resolution of Stressed Assets'. The Company is in the process of working on the resolution plan in accordance with the new RBI circular dated 7th June, 2019.

5. CREDIT RATING

Your Company had been assigned "IND D" by India Ratings & Research Pvt. Ltd. for the long term facilities, cash credit facilities and non fund based limits of the Company.

6. CONSOLIDATED FINANCIAL STATEMENTS

The said policy is available on the Company's website. A statement containing the salient features of the financial statements of the subsidiary companies is attached to the financial statements in Form AOC-1.

SUBSIDIARY COMPANIES

The Company's two Subsidiary Companies viz. Supreme Infrastructure BOT Private Limited and Supreme Infrastructure BOT Holdings Private Limited undertake various BOT projects along with its holding Company. The BOT projects are housed in the Special Purpose Vehicle Company ('SPV Company') incorporated for the purpose.

1. SUPREME INFRASTRUCTURE BOT PRIVATE LIMITED (SIBPL)

As per the Audited financials for year ended 31st March, 2019, SIBPL registered a total income of Rs. 179.37 Lakhs as against Rs. 49.19 Lakhs in the previous year. SIBPL has the following operative subsidiary companies:

i. SUPREME MANOR WADA BHIWANDI INFRASTRUCTURE PRIVATE LIMITED (SMBIPL)

Incorporated as SPV Company for execution of the Project of 'widening of Manor- Wada (24.25 Kms) and Wada Bhiwandi Road (40.07 Kms) on SH-34 and SH-35 respectively in the State of Maharashtra and to convert it into a 4 lane highway on BOT basis'. The total length of the project aggregates to 64.32 Kms. The Concession period of the project is 28 years and 6 months from the date of work order. EPC work is executed by the Supreme Infrastructure India Ltd. The Company commenced tolling operations for this project on 4th March, 2013. The Company is also in the process of executing additional bypass road from SH-35 at Vishwabharati Phata-Bhinar-Vadpa Junction (KM 0/000 to 7/900 (Total Length - 7.90 km) Dist. Thane, Maharashtra on BOT (Toll) basis. Once completed, the bypass road would attract more road traffic for the main road project. Income from toll collection for the year ended 31st March, 2019 was Rs. 3,980.06 Lakhs as compared to Rs. 4315.40 Lakhs in the previous year.

The lenders had invoked Strategic Debt Restructuring (SDR) with reference date of 24 November 2016. The joint lender's forum (JLF) of SMBIPL agreed to proceed with the implementation of SDR scheme by invoking pledged equity shares of the promoters in their favour. Pursuant to the invocation of SDR, the lenders have invoked 5,100 equity shares of Rs. 10 each held by its Promoters at par aggregating Rs. 0.51 lakhs on 16 May 2017 representing 51% of the equity share capital of the Company by conversion of outstanding borrowings of an equivalent amount.

ii. PATIALA NABHA INFRA PROJECTS PRIVATE LIMITED

Incorporated as SPV Company for execution of 'Patiala Nabha Malerkotla (PNM) Road Project'. This partially completed project was awarded by Punjab Industrial Development Board (PIDB), taken over from the earlier owner. The Company commenced tolling operations on 24th June, 2012. The concession period is 13 years. The total length of the road is approximately 56 kms. Income from toll collection for the year ended 31st March, 2019 was Rs. 1,022.41 Lakhs as compared to Rs. 1015.20 Lakhs in the previous year.

iii. SUPREME SUYOG FUNICULAR ROPEWAYS PRIVATE LIMITED

Incorporated as SPV Company for execution of the Project for construction of funicular railway system at Haji Malang Gad, Ambarnath in Thane District, Maharashtra

DIRECTORS' REPORT

on Built, Operate and Transfer (BOT) basis. SIBPL is the majority stakeholder in the SPV Company. The project envisages a funicular trolley system for transporting devotees and luggage from the foot of the hill to Haji Malang Durgah and return. The total cost of the project is Rs. 997.30 Million. The concession period is 24 years and 5 months including construction period.

iv. SUPREME VASAI BHIWANDI TOLLWAYS PRIVATE LIMITED (SVBTPL)

SVBTPL was incorporated as SPV Company for execution of 4 laning of Chinchoti-Kaman-Anjurphata to Mankoli road (Major SH No. 4) section from km 00.00 to km 26.425 of the existing road in the state of Maharashtra on Build-Operate-Transfer (BOT) basis. This partially completed project with existing tolling operations was awarded by PWD, Maharashtra, taken over from the earlier owner. The total length of the stretch is 26.425 kms. SIBPL is the majority stakeholder in the SPV Company. The total concession period is 24.3 years. Income from toll collection for the year ended 31st March, 2019 was Rs. 2258.90 Lakhs as compared to Rs. 2718.48 Lakhs in the previous year.

v. KOPARGAON AHMEDNAGAR TOLLWAYS (PHASE I) PRIVATE LIMITED

Public Works Department had awarded the work of construction of four (4) lane of BOT project viz. "Four Lanning of Kopargaon Ahemdnagar Road SH 10 km 78/200 to 120/000(42.60 Kms) and construction of Two Lane Shirdi- Rahata Bypass (23.30 Kms) (Project I). The project has been executed and the tolling collection started during the current year. Income from toll collection for the year ended 31st March, 2019 was Rs. 2663.36 Lakhs as compared to Rs. 1431.34 Lakhs in the previous year.

vi. KOTKAPURA MUKTSAR TOLLWAYS PRIVATE LIMITED(KMTPL)

KMTPL incorporated for execution of "Two laning From km 0+000 to km 29+996 (approximately 30.000 km) on the Kotkapura — Muktsar Road of State Highway No.16 (hereinafter called the "SH -16") in the State of Punjab" on design, build, finance, operate and transfer ("DBFOT") basis. SIBPL is the majority stakeholder in the SPV Company. The concession period is 18 years including construction period. The starting point of the project corridor is Kotkapura. The project has been executed and the tolling collection started during the current year. Income from toll collection for the year ended 31st March, 2019 was Rs. 1049.12 Lakhs as compared to Rs. 628.28 Lakhs in the previous year

2. SUPREME INFRASTRUCTURE BOT HOLDINGS PRIVATE LIMITED (SIBHPL)

SIBHPL was incorporated during the year 2011-12 and is the subsidiary of Supreme Infrastructure India Ltd. 3i India Infrastructure Fund, an investment fund established

by international investor 3i Group plc, has through its affiliates viz. Strategic Road Investments Limited, invested Rs. 2000 Million in SIBHPL. As per the Audited financials of the Company for year ended 31st March, 2019, SIBHPL registered a total income of Rs. 15.31 Lakhs as against 10.20 Lakhs in the previous year. SIBHPL has road BOT portfolio housed in the following subsidiaries companies:

i. Supreme Kopargaon Ahmednagar Tollways Private Limited

This partially completed project was awarded by Maharashtra PWD, taken over from the earlier owner. The Company commenced tolling operations for this project on September 26, 2011. The concession period of the project is up to May 2019. EPC work is executed by Supreme Infrastructure India Ltd. This was the first road BOT project of the Company where toll operations were commenced. Income from toll collection for the year ended 31st March, 2019 was Rs. 2217.91 Lakhs as compared to Rs. 4059.76 Lakhs in the previous year.

ii. Supreme Best Value Kolhapur (Shiroli) Sangli Tollways Pvt. Ltd.

Incorporated as SPV Company for execution of the project of 'construction, operation, maintenance and augmentation of widening of 2-lane undivided carriage way to 4 lanes between Shiroli and Baswankhind, Ankali to Miraj Phata on SH - 3, Miraj Phata to Sangli on SH -75 and strengthening of existing 2 lanes between Baswankhind and Ankali one way via Jainapur and the other way via Jaisingpur (SH -3) on Design, Build, Finance, Operate and Transfer (DBFOT) toll basis' in the State of Maharashtra. The estimated cost of project is Rs. 3840 Million. Total envisaged length for 4 laning is 25.66 Kms. & 2 laning is 26.95 Kms. The concession period of the project is 22 years and 9 months including construction period.

iii. Supreme Ahmednagar Karmala Tembhurni Tollways Pvt. Ltd. (SAKTTPL)

Thus, the disclosure in 'Form AOC-2' is not applicable.

All Related Party Transactions are placed before the Audit Committee as also the Board of Directors for approval. Prior omnibus approval of Audit Committee and the Board of Directors is obtained on an annual basis for the transactions which are foreseen and of repetitive nature. The transactions entered into pursuant to the omnibus approval so granted are audited and a statement giving details of all related party transactions is placed before the Audit Committee and the Board of Directors for their approval on a quarterly basis.

The Company has a Related Party Transactions Policy duly approved by the Board and the same is uploaded on the Company's website. The details of Related Party Transactions

DIRECTORS' REPORT

are given in the notes to the financial statements.

16. AUDITORS

A. STATUTORY AUDITORS AND THEIR REPORT

M/s Walker Chandio & Co LLP, Chartered Accountants would be completing their maximum term of office at the ensuing Annual General Meeting. Hence, they will not be reappointed as auditors. M/s Ramanand & Associates, Chartered Accountants, the Joint Statutory Auditors, holds office upto the date of ensuing Annual General Meeting (AGM). It is proposed to re-appoint M/s. Ramanand & Associates, Chartered Accountants (Firm Registration No. 117776W) as statutory auditors of the Company. The Company has received letter from M/s Ramanand & Associates, Chartered Accountants, to the effect that their appointment, if made, would be within the prescribed limit under Section 141 of the Companies Act, 2013. It is proposed to re-appoint M/s Ramanand & Associates Chartered Accountants, as statutory Auditor to hold the office from the conclusion of the ensuing AGM upto the conclusion of the AGM of the Company to be held in the year 2020. Members are requested to appoint the Statutory Auditors.

B. EXPLANATION TO THE QUALIFICATION IN AUDITORS' REPORT

The Directors submit their explanation to the qualifications made by the Auditors in their report for the year 2018-2019. The relevant Para nos. of the report and reply are as under:

Auditor's Qualification and Management's Reply on standalone financial results:

- (a) As stated in Note 2 to the accompanying standalone financial results, the Company's current financial assets as at 31 March 2019 include trade receivables aggregating ₹ 45,680.90 lakhs (31 March 2018: ₹ 55,396.37 lakhs) in respect of projects which were closed/substantially closed and where the receivables have been outstanding for a substantial period. Management has assessed that no adjustments are required to the carrying value of the aforesaid balances, which is not in accordance with the requirements of Ind AS 109, 'Financial Instruments'. Consequently, in the absence of sufficient appropriate evidence to support the management's contention of recoverability of these balances, we are unable to comment upon the adjustments, if any, that are required to the carrying value of the aforesaid balances, and consequential impact, if any, on the accompanying standalone financial results. Our opinion on the standalone financial results for the year ended 31 March 2018 was also modified in respect of this matter.
- (b) As stated in Note 3 to the accompanying standalone financial results, the Company's non-current borrowings, short-term borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating Nil (31 March 2018: ₹ 9,324.24 lakhs), Nil (31 March 2018: ₹ 294.21 lakhs) and ₹ 11,925.03 lakhs (31

March 2018: ₹ 11,510.27 lakhs), respectively in respect of which confirmations/ statements from the respective lenders have not been received. These borrowings have been classified into current and non-current, basis the original maturity terms stated in the agreements which is not in accordance with the terms of the agreements in the event of defaults in repayment of borrowings. Further, whilst we have been able to perform alternate procedures with respect to certain balances, in the absence of confirmations/statements from the lenders, we are unable to comment on the adjustments, if any, that may be required to the carrying value of these balances on account of changes, if any, to the terms and conditions of the transactions, and consequential impact, on the accompanying standalone financial results. Our opinion on the standalone financial results for the year ended 31 March 2018 was also modified in respect of this matter.

- (c) As stated in Note 5 to the accompanying standalone financial results, the Company's non-current investments as at 31 March 2019 include non-current investments in one of its subsidiary aggregating ₹ 142,556.83 lakhs. The subsidiary has significant accumulated losses and its consolidated net-worth is fully eroded. Further, the subsidiary is facing liquidity constraints due to which it may not be able to realise projections as per the approved business plans. Based on the valuation report of an independent valuer as at 31 March 2019 and other factors described in the aforementioned note, Management has considered such balance as fully recoverable. Management has assessed that no adjustments are required to the carrying value of the aforesaid balances, which is not in accordance with the requirements of Ind AS 109, 'Financial Instruments'. In the absence of sufficient appropriate evidence to support the management's assessment as above and other relevant alternate evidence, we are unable to comment upon adjustments, if any, that may be required to the carrying values of these non-current investments and aforementioned dues and the consequential impact on the accompanying standalone financial results.
- (ii) Auditor's Qualification on the Internal Financial Controls relating to above matters:

In our opinion, according to the information and explanations given to us and based on our audit procedures performed, the following material weaknesses has been identified in the operating effectiveness of the Company's Internal Financial Controls over Financial Reporting as at 31 March 2019:

Matter II(a)(i)(a): The Company's internal financial control in respect of supervisory and review controls over process of determining impairment allowance for trade receivables which are doubtful of recovery were not operating effectively. Absence of detailed assessment conducted by the management for determining the recoverability of trade receivables that remain long outstanding, in our opinion, could result in a potential material misstatement to the carrying value of trade receivables, and consequently, could also impact the

DIRECTOR'S REPORT

loss (financial performance including comprehensive income) after tax.

Matter II(a)(i)(c): The Company's internal financial control in respect of supervisory and review controls over process of determining the carrying value of non-current investments were not operating effectively. Absence of detailed assessment conducted by the management for determining the carrying value of non-current investments, in our opinion, could result in a potential material misstatement to the carrying value of non-current investment, and consequently, could also impact the loss (financial performance including comprehensive income) after tax.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual financial statements or interim financial statements will not be prevented or detected on a timely basis.

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the standalone financial statement of the Company as at and for the year ended 31 March 2019 and the material weakness has affected our opinion on the standalone financial statements of the Company and we have issued a qualified opinion on the standalone financial statements.

Management Reply to the above Auditor's Qualification

- (i) (a) : Trade receivables as at 31 March 2019 include ₹ 45,680.90 lakhs (31 March 2018: ₹ 55,396.37 lakhs), in respect of projects which were closed/substantially closed and which are overdue for a substantial period of time. Based on the contract terms and the ongoing recovery/ arbitration procedures (which are at various stages), Management is reasonably confident of recovering these amounts in full. Accordingly, these amounts have been considered as good and recoverable.
- (i) (b) : Non-current borrowings, short-term borrowings and other current financial liabilities as at 31 March 2019 include balances amounting to ₹ Nil (31 March 2018: ₹ 9,324.24 lakhs), ₹ Nil (31 March 2018: ₹ 294.21 lakhs) and ₹ 11,925.03 lakhs (31 March 2018: ₹ 11,510.27 lakhs), respectively in respect of which confirmations/statements from the respective lenders have not been received. In the absence of confirmations/statements from the lenders, the Company has provided for interest and other penal charges on these borrowings based on the latest communication available from the respective lenders at the interest rate specified in the agreement. The Company's management believes that amount payable on settlement will not exceed the liability provided in books in respect of these borrowings. Accordingly, classification of these borrowings into current and non-current as at 31 March 2019 is

based on the original maturity terms stated in the agreements with the lenders.

- (i) (c) : The Company, as at 31 March 2019, has non-current investments in Supreme Infrastructure BOT Private Limited ('SIBPL'), a subsidiary company, amounting to ₹ 142,556.83 lakhs. SIBPL is having various Build, Operate and Transfer (BOT) SPVs under its fold. While SIBPL has incurred losses during its initial years and has accumulated losses, causing the net worth of the entity to be fully eroded as at 31 March 2019, the underlying projects are expected to achieve adequate profitability on substantial completion of the underlying projects. Further, in case of Supreme Manorwarda Bhiwandi Infrastructure Private Limited ('SMBIPL'), a subsidiary of SIBPL, lenders have referred SMBIPL to NCLT under RBI circular dated 12 February 2018, for which response is awaited from NCLT. Further, commercial operation date (COD) in respect of few subsidiaries of SIBPL has been delayed due to various reasons attributable to the clients primarily due to non-availability of right of way, environmental clearances etc. and in respect of few subsidiaries, the toll receipts is lower as compared to the projected receipts on account of delay in receiving compensation from government for exempted vehicles. Further, there have been delays in repayment of principal and interest in respect of the borrowings and the respective entity is in discussion with their lenders for the restructuring of the loans.

Management is in discussion with the respective lenders, clients for the availability of right of way and other required clearances and is confident of resolving the matter without any loss to the respective SPVs. Therefore, based on certain estimates like future business plans, growth prospects, ongoing discussions with the clients and consortium lenders, the valuation report of the independent valuer and other factors, Management believes that the net-worth of SIBPL does not represent its true market value and the realizable amount of SIBPL is higher than the carrying value of the non-current investments as at 31 March 2019 and due to which these are considered as good and recoverable.

- (ii) Management believes that Company's internal financial controls in respect of assessment of the recoverability of trade receivables and determining the carrying value of non-current investments were operating effectively and there is no material weakness in such controls and procedures.

The Auditor's qualification in respect of Consolidated Financial Statements and Management Response thereof is in line with the above.

Further, the other observations made by the Auditors in their report are self-explanatory and do not call for any further comment. The Notes on financial statement referred to in the Auditors' Report are self-explanatory and do not call for any further comments.

DIRECTORS' REPORT

C. COST AUDITORS

Pursuant to Section 148 of the Companies Act, 2013 read with The Companies (Cost Records and Audit) Amendment Rules, 2014, the cost audit records maintained by the Company in respect of its Infrastructure activity is required to be audited. Your Directors had, on the recommendation of the Audit Committee, appointed M/s. Shashi Ranjan & Associates to audit the cost accounts of the Company for the financial year 2019-20. Accordingly, a Resolution seeking Member's ratification for the appointment and remuneration payable to M/s. Shashi Ranjan & Associates, Cost Auditors is included at the Notice convening the Annual General Meeting.

D. SECRETARIAL AUDITORS

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company has appointed M/s. Nidhi Bajaj & Associates, Company Secretary in Practice to undertake the Secretarial Audit of the Company. The Secretarial Audit Report for the financial year 2018-19 is annexed herewith as 'Annexure III'. The Secretarial Audit Report does not contain any qualification, reservation or adverse remark.

17. BOARD COMMITTEES

The Board of Directors of your Company had already constituted various Committees in compliance with the provisions of the Companies Act, 2013 / SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 viz. Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee and Corporate Social Responsibility Committee.

Details of the role and composition of these Committees, including the number of meetings held during the financial year and attendance at meetings, are provided in the Corporate Governance Section of the Annual Report.

18. VIGIL MECHANISM

The Vigil Mechanism of the Company also incorporates a whistle blower policy in terms of the Listing Regulations. Protected disclosures can be made by a whistle blower through an e-mail, or a letter to the Ombudsperson Task Force or to the Chairman of the Audit Committee.

19. CORPORATE GOVERNANCE

As per Regulation of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 with the Stock Exchanges, a separate section on corporate governance practices followed by the Company, together with a certificate from the Practicing Company Secretary confirming compliance forms an integral part of this Report.

20. MANAGEMENT DISCUSSION AND ANALYSIS

A detailed review of the operations, performance and future outlook of the Company and its business is given in the

Management Discussion and Analysis appearing as Annexure to this Report.

21. COMPLIANCE WITH SECRETARIAL STANDARDS

Pursuant to the approval given on April 10, 2015 by Central Government to the Secretarial Standards specified by the Institute of Company Secretaries of India, the Secretarial Standards on Meetings of the Board of Directors (SS-1) and General Meetings (SS-2) came into effect from July 1, 2015. These secretarial Standards were thereafter revised and made effective from October 1, 2017. The Company is in compliance with the same.

22. REPORTING OF FRAUD

The Auditors of the Company have not reported any instances of fraud committed against the Company by its officers or employees as specified under Section 143(12) of the Act.

23. LISTING

Equity Shares of the Company are listed on the National Stock Exchange of India Limited (NSE) and BSE Limited (BSE). The Company has paid listing fees for the year 2019-2020.

24. ENERGY CONSERVATION, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

The information on conservation of energy, technology absorption and foreign exchange earnings and outgo stipulated under Section 134(3)(m) of the Companies Act, 2013 read with Rule 8 of The Companies (Accounts) Rules, 2014, is given hereunder:

A. CONSERVATION OF ENERGY

The Company's main activity is of construction which does not require any utilities. However, Power is required for (a) running the crushing unit, (b) operating the ready mix concrete plant (c) operating the asphalt plant and (d) at the various project sites for operating the machinery/equipment and lighting. The power requirement of manufacturing units are met from local distribution sources and from generator sets. The power required at the project sites for operating the machinery/equipment and lighting are met from the regular distribution sources and are arranged by the clients who award the contracts. At the project sites where the power supply cannot be arranged, diesel generator sets are used to meet the requirement of power.

The conservation of energy in all possible areas is undertaken as an important means of achieving cost reduction. Savings in electricity, fuel and power consumption receive due attention of the management on a continuous basis.

B. TECHNOLOGY ABSORPTION, ADAPTATION, RESEARCH & DEVELOPMENT AND INNOVATION

The Company has not acquired any technology for its manufacturing division. However, the technology

DIRECTOR'S REPORT

adopted and applied is the latest technology available in the Industry and main thrust has always been put to adapt the latest technology.

In terms of Research and Development, it is the Company's constant endeavor to be more efficient and effective in planning of construction activities for achieving and maintaining the highest standard of quality.

In view of the above, the rules regarding conservation of Energy and Technology Absorption are not applicable to the Company.

C. FOREIGN EXCHANGE EARNINGS AND OUT GO

During the year under review, there was no foreign exchange outgo as also no foreign exchange earnings.

25. EXTRACT OF ANNUAL RETURN

The details forming part of the extract of the Annual Return in form MGT 9 is annexed herewith as 'Annexure V'.

26. EMPLOYEE STOCK OPTION SCHEME

With an objective of participation by the employees in the ownership of the Company through share based compensation scheme/ plan, your company has implemented ESOS Scheme after having obtained the approval of the shareholders at the Annual General Meeting of the Company held on 30th September, 2015. However, no ESOS have been granted during the year under review.

27. GENERAL

Your Directors state that no disclosure or reporting is required in respect of the following items as there were no transactions on these items during the year under review:

- a. Details relating to deposits covered under chapter V of the Act.
- b. Neither the Managing Director nor the Whole-time Director of the Company receives any remuneration or commission from any of its subsidiaries.
- c. No significant or material orders in view of the management were passed by the Regulators or Courts or Tribunals which impact the going concern status and Company's operations in future.

28. ACKNOWLEDGEMENTS

Your Directors wish to place on record their appreciation for their continued support and co-operation by financial institutions, banks, government authorities and other stakeholders. Your Directors place on record their sincere appreciation to all employees of the Company for their unstinted commitment and continued contribution to the Company.

ON BEHALF OF THE BOARD OF DIRECTORS

ANNEXURE I TO DIRECTORS' REPORT

ANNUAL REPORT ON CSR ACTIVITIES

1. A brief outline of the Company's CSR policy, including overview of projects or programs proposed to be undertaken

Supreme Infrastructure India Limited aims to undertake initiatives that create sustainable growth and empower underprivileged sections of society.

OBJECTIVES OF CSR COMMITTEE:

- To pursue a corporate strategy that enables realisation of the twin goals of shareholder value enhancement and societal value creation in a mutually reinforcing and synergistic manner.
- To align and integrate Social Investments / CSR programs with the business value chains of the Company and make them outcome oriented.
- To implement Social Investments / CSR programs primarily in the economic vicinity of the Company's operations with a view to ensuring the long term sustainability of such interventions.
- To contribute to sustainable development in areas of strategic interest through initiatives designed in a manner that addresses the challenges faced by the Indian society especially in rural India.
- To collaborate with communities and institutions to contribute to the national mission of eradicating poverty and hunger, especially in rural areas.
- To encourage the development of human capital of the Nation by expanding human capabilities through skills development, vocational training etc. and by promoting excellence in identified cultural fields.

SCOPE OF THE CSR COMMITTEE:

To incur expenditure on the projects or programs covering the following CSR activities pursuant to schedule VII of the Companies Act, 2013.

- Eradicating extreme hunger and poverty.
- Promotion of education.

- Promoting gender equality and empowering women.
- Reducing child mortality and improving maternal health.
- Combating human immune-deficiency virus, acquired immune-deficiency syndrome, malaria and other diseases.
- Ensuring environmental sustainability.
- Employment enhancing vocational skills.
- Social business projects and
- Contribution to the Prime Minister's National Relief Fund or any other fund set up by the central Government or the state Government for socio-economic development and relief and funds for the welfare of the Scheduled Castes, the scheduled Tribes, other backward classes, minorities and women.

2. THE COMPOSITION OF THE CSR COMMITTEE

The committee of the Directors, titled 'Corporate Social Responsibility Committee', was originally constituted by the Board on 29th May, 2014 and reconstituted on 31.03.2016 with the following members:

Mr. Vikram Sharma, Chairman
Mr. Dakshendra Agarwal, Member
Mrs. Nilima Mansukhani, Member

3. Average net Profit of the Company for last three financial years prior to 2018-19: Rs. (14039.18) Lakhs

4. Prescribed CSR Expenditure (2% of the Amount as in item no. 3 above):

Not Applicable

5. Details of CSR Spent during the financial year:

(a) Total Amount spent for the financial year: Nil

Amount unspent: Nil

(b) Manner in which the amount spent during the financial year is detailed below:

Sr. No.	CSR project or activity identified	Sector in which the project is covered	Projects or Programs	Amount outlay (budget) project of program wise	Amount spent on projects or programs	Cumulative expenditure upto the reporting period
Nil	Nil	Nil	Nil	Nil	Nil	Nil

6. In case the Company has failed to spend the two percent of the average net profit of the last three financial years or any part thereof, the reasons for not spending the amount shall be stated in the Board report:

The adverse scenario in the infrastructure sector also affected the Company and put severe stress on its financials and cash liquidity. Hence, considering the present financial condition, the company has rolled over the expenditure to be incurred in FY 2016-17 and earlier years to next year(s) when the financial position strengthens and stress on liquidity eases.

7. Responsibility statement of the CSR Committee that the implementation and monitoring of CSR Policy is in compliance with CSR objectives and policy of the Company

The Company confirms that the implementation and monitoring of CSR Policy is in compliance with CSR objectives and policy of the Company.

Mr. Vikram Sharma
(Chairman of the CSR Committee & Managing Director)

ANNEXURE II TO DIRECTORS' REPORT

REMUNERATION POLICY OF THE COMPANY

The philosophy for remuneration of directors, Key Managerial Personnel ("KMP") and all other employees of Supreme Infrastructure India Limited ("Company") is based on the commitment of fostering a culture of leadership with trust. The remuneration policy is aligned to this philosophy.

This remuneration policy has been prepared pursuant to the provisions of Section 178(3) of the Companies Act, 2013 ("Act") and Regulation of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. In case of any inconsistency between the provisions of law and this remuneration policy, the provisions of the law shall prevail and the company shall abide by the applicable law. While formulating this policy, the Nomination and Remuneration Committee ("NRC") has considered the factors laid down under Section 178(4) of the Act, which are as under:

- a) the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the company successfully;
- b) relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- c) remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals"

➤ **Remuneration for independent directors and non-independent non- executive directors**

- Independent directors ("ID") and non-independent non-executive directors ("NED") may be paid sitting fees (for attending the meetings of the Board and of committees of which they may be members) and commission within regulatory limits.
- Within the parameters prescribed by law, the payment of sitting fees and commission will be recommended by the NRC and approved by the Board.
- Overall remuneration (sitting fees and commission) should be reasonable and sufficient to attract, retain and motivate directors aligned to the requirements of the company (taking into consideration the challenges faced by the Company and its future growth imperatives).
- Overall remuneration should be reflective of size of the company, complexity of the sector/ industry/ Company's operations and the Company's capacity to pay the remuneration.
- Overall remuneration practices should be consistent with recognised best practices.
- Quantum of sitting fees may be subject to review on a periodic basis, as required.
- The aggregate commission payable to all the NEDs and IDs will be recommended by the NRC to the Board based on company performance, profits, return to investors, shareholder value

creation and any other significant qualitative parameters as may be decided by the Board.

- The NRC will recommend to the Board the quantum of commission for each director
- based upon the outcome of the evaluation process which is driven by various factors including attendance and time spent in the Board and committee meetings, individual contributions at the meetings and contributions made by directors other than in meetings.
- In addition to the sitting fees and commission, the company may pay to any director such fair and reasonable expenditure, as may have been incurred by the director while performing his/ her role as a director of the Company. This could include reasonable expenditure incurred by the director for attending Board/ Board committee meetings and general meetings.

➤ **Remuneration for managing director ("MD")/ executive directors ("ED")/ KMP/ rest of the Executives**

The extent of overall remuneration should be sufficient to attract and retain talented and qualified individuals suitable for every role. Hence remuneration should be-

- Market competitive (market for every role is defined as companies from which the company attracts talent or companies to which the company loses talent)
- Driven by the role played by the individual
- Reflective of size of the company, complexity of the sector/ industry/ company's operations and the company's capacity to pay
- Consistent with recognised best practices and
- Aligned to any regulatory requirements.

In terms of remuneration mix or composition,

- The remuneration mix for the MD/ EDs is as per the contract approved by the shareholders. In case of any change, the same would require the approval of the shareholders.
- Basic/ fixed salary is provided to all employees to ensure that there is a steady income in line with their skills and experience.
- In addition to the basic/ fixed salary, the company provides employees with certain perquisites, allowances and benefits to enable a certain level of lifestyle and to offer scope for savings and tax optimisation, where possible.
- The Company provides retirement benefits as applicable.

Policy implementation

The NRC is responsible for recommending the remuneration policy to the Board. The Board is responsible for approving and overseeing implementation of the remuneration policy.

Bhawanishankar Sharma
Chairman

ANNEXURE III TO DIRECTORS' REPORT

Form No. MR-3 SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED MARCH 31, 2019

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Supreme Infrastructure India Limited
Supreme House, Plot No.94/C,
Opp. I.I.T, Powai,
Mumbai – 400076

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by SUPREME INFRASTRUCTURE INDIA LIMITED (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2019 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2019 according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the Rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the Rules and Regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') to the extent applicable to the Company:-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulation, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;

- c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
- d. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines 1999;
- e. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents), Regulations, 1993 regarding the Companies Act, 2013 and dealing with Client.

We have also examined compliance with the applicable clauses of the following:

- a. Secretarial Standards issued by "The Institute of Company Secretaries of India".
- b. the Uniform Listing Agreement entered into by the Company with BSE Limited and National Stock Exchange of India Limited;

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

During the period under review, provisions of the following regulations were not applicable to the Company :

- a) The Secretarial and Exchange Board of India (Issue and Listing of Debt Securities), Regulations, 2009;
- b) The Secretarial and Exchange Board of India (Delisting of Equity shares) Regulations, 2009
- c) The Secretarial and Exchange Board of India (Buyback of Securities) Regulations, 1998

During the Audit period the Company has complied with the provisions of above mentioned Acts, Rules, Regulations, Guidelines, Standards, etc. as mentioned above subject to following observations:

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. Regulation 18(1)(b) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 provides that Two-third of the members of Audit Committee shall be independent directors.
- During the year under review, Mr. Vikas Sharma, Director resigned from the Board. Except as stated above there was no Change in the Composition of the Board of Directors of the Company during the Audit period

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were usually sent sufficiently in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the

ANNEXURE III TO DIRECTORS' REPORT

Company to monitor and ensure compliance with above referred applicable laws, rules, regulations and guidelines.

We further report that during the audit period, the Company has taken following actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.:

1. During the audit period the shareholders at their Extra-ordinary general meeting held on 24th August, 2018 approved various resolutions as stated in the notice convening EGM dated 24th July, 2018 in due compliance of Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
2. The Company made an application to SEBI under Regulation 113 of ICDR seeking relaxation from the strict provisions of ICDR in respect of issuance of shares to promoters in terms

of the proposed resolution plan. The Company received the approval from SEBI in this regard.

3. The Company increased the authorised Share Capital during the year under review at the Extra-Ordinary General Meeting held on 24th August, 2018.

ANNEXURE IV DIRECTORS' REPORT

PARTICULARS OF EMPLOYEES PURSUANT TO SECTION 134 (3) (q) OF THE COMPANIES ACT, 2013 READ WITH RULE 5 (1) OF THE COMPANIES (APPOINTMENT AND REMUNERATION OF MANAGERIAL PERSONNEL) RULES, 2014

- The ratio of the remuneration of each Director to the median remuneration of the employees of the company for the financial year

*Bhawanishankar Sharma – NA

*Vikram Sharma – NA

*Vikas Sharma – NA

*Considering the present severe stress on the Company's financials, Mr. Bhawanishankar Sharma, Executive Chairman, Mr. Vikram Sharma, Managing Director gave their consent to waive the fixed managerial remuneration earned by them for the year 2018-19 i.e. from April, 2018 to March, 2019 aggregating to ₹ 96,00,000/- each. The Total Managerial Remuneration waived off by the Executive Directors is Rs. 192 Lakhs for the F.Y. 2018-19.

*During the year under review, Mr. Vikas Sharma resigned as Director of the Company.

- The percentage increase in remuneration of each Director, Chief Financial Officer, Chief Executive Officer, Company Secretary or Manager, if any, in the financial year.

Managing Director & Whole-time Directors

*Bhawanishankar Sharma – (-100%)

*Vikram Sharma – (-100%)

*Vikas Sharma – (-100%)

Note:

* Considering the present severe stress on the Company's financials, Mr. Bhawanishankar Sharma, Executive Chairman, Mr. Vikram Sharma, Managing Director gave their consent to waive the fixed managerial remuneration earned by them for the year 2018-19 i.e. from April, 2018 to March, 2019 aggregating to ₹ 96,00,000/- each. The Total Managerial Remuneration waived off by the Executive Directors is Rs. 192 Lakhs for the F.Y. 2018-19. Consequently, the percentage increase in managerial remuneration is in negative.

** During the year under review, Mr. Vikas Sharma resigned as Director of the Company.

Key Managerial Personnel:

- Mr. Vijay Joshi – Company Secretary – Nil increase in remuneration
 - Mr. Sandeep Khandelwal – Chief Financial Officer – Nil increase in remuneration.
- The percentage increase in the median remuneration of employees in the financial year.
Percentage Increase: 8%
 - The number of permanent employees on rolls of the company.
160 Employees
 - The explanation on the relationship between average increase in remuneration and company performance

The alignment between the performance of the Company and employee relation is built into the design of compensation and reward policy. The salary increases are function of market competitiveness in the relevant sector and affordability. The average increase of 8% in remuneration was to partially offset the average inflation of the year 2017-18. The macro level reduction

in infrastructure activity also adversely affected the company's performance.

- Comparison of the remuneration of key Managerial Personnel against the performance of the company

Aggregate remuneration of key Managerial Personnel (KMP) in FY 2018-19 (Rs. Lakhs)	Rs. 55.22 Lakhs
Revenue (Rs. Lakhs)	Rs. (110,854.98)_ Lakhs
Remuneration of KMPs (as % of revenue)	0.0498_%
Profit before Tax (PBT) (Rs. Crore)	(110,575.66) Lakhs
Remuneration of KMP (as % of PBT)	(0.0499%)

- Variation in the market capitalization of the Company, price earnings ratio as at the closing date of the current financial year and previous financial year and percentage increase over decrease in the market quotations of the shares of the company in comparison to the rate at which the company came out with the last public offer in case listed companies.

- Variation in the market capitalization of the Company
The Market capitalization as on March 31, 2019 was 60.03 Crores (Rs. 136.58 Crore as on March 31, 2018)
- Price Earning Ratio of the Company was negative (431.37) as at March 31, 2019 and negative (194.61) as at March 31, 2018.
- percentage increase over decrease in the market quotations of the shares of the company in comparison to the rate at which the company came out with the last public offer in case listed companies

The Company had come out with initial public offer (IPO) in 2007 at an issue price of Rs. 108 per share including premium of Rs. 98 per share. An amount of Rs. 10,800 invested in the said IPO would be worth of Rs. 2,336 as on March 31, 2019 indicating negative Annual Growth Rate of 6.53%. This is excluding the dividend accrued thereon.

- Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration.

Average salary Increase for KMPs (other than CMD & WTD): Nil

Average salary Increase for non-KMPs : 8%

- The ratio of the remuneration of the highest paid Director to that of the employees who are not Directors but receive remuneration in excess of the highest paid Director during the year – Not Applicable
- Comparison of the each remuneration of the Key Managerial Personnel against the performance of the company.
Same response as in point 6) above.
- The key parameters for any variable component of remuneration availed by the Directors
No Director has received any variable component of remuneration.
- Affirmation that the remuneration is as per the Remuneration policy of the Company.
The remuneration paid to employees is as per the remuneration policy of the Company.

ANNEXURE V DIRECTORS' REPORT

CORPORATE GOVERNANCE REPORT

The Corporate Governance report for Financial Year ("FY") 2018-19, which forms part of Boards' Report, is prepared pursuant to Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"). This report is in compliance with the Listing Regulations.

1. COMPANY'S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE:

Your Company continues to lay great emphasis on the highest standard of corporate governance. The Company has adopted an appropriate Corporate Governance framework to ensure accountability, transparency, timely disclosure and dissemination of price sensitive information, ensuring meticulous compliance with applicable laws and regulations and conducting business in its best ethical manner.

The Board along with its committees undertake its fiduciary and trusteeship responsibilities to all its stakeholders by ensuring transparency, fair play and independence in its decision making. Your Company provides access to the Board of all relevant information and resources to enable it to carry out its role effectively. Your Company is committed to upholding the highest standards of Corporate Governance in its operations and will constantly endeavor to improve on these aspects on an ongoing basis.

2. BOARD OF DIRECTORS:

A. Composition and Category of Directors, attendance of Directors at Board Meetings and Annual General Meeting, number of other Board of Directors or Committees in which a Director is a member or chairperson

The Board of Directors of the Company consists of eminent persons with considerable professional expertise and experience in business and industry, finance, management and legal and provide leadership and guidance to the Company's management. The Directors contribute their diversified knowledge, experience and expertise in respective areas of their specialization for the growth of the Company.

Presently, the Board of Directors of the Company comprises Seven Directors, out of which Five Directors are Non-Executive Directors. The Company has 'Executive Chairman' and there are Four Independent Directors on the Board which represent more than half of the total strength of the Board of Directors of the Company. The Company has received declarations from the Independent Directors confirming that they meet the criteria of independence as prescribed both under Section 149 (6) of the Companies Act, 2013 and under SEBI Listing Regulations. None of the Directors on the Board is a member of more than ten Committees and Chairman of more than five Committees across all companies in which they are Directors as specified in Regulation of SEBI Listing Regulations. B. Board Procedure

The Board meets at least once a quarter and Board Meetings are usually held in Mumbai. The Board Meetings are generally scheduled well in advance and the notice of each Board Meeting is given in writing to each Director. The Company provides the information as set out in Regulation 17 read with Part A of schedule III of the SEBI Listing Regulations to the Board and the Board Committees to the extent applicable. All the items drafted in the Agenda are accompanied by notes giving comprehensive information about the related subject and in certain matters such as financial/ business plans, financial results etc., detailed presentations for the same are made. The Agenda and the relevant notes are circulated well in advance separately to each Director. The members of the Board have complete access to all information of the Company. The Board, if deem necessary and depending upon the urgency and necessity of the matter, takes up any other item of business, which does not form part of the agenda. Urgent matters are also considered and approved by passing resolution through circulation, which are noted at the next Board Meeting. To enable the Board to discharge its responsibilities effectively, the members of the Board are briefed at every Board Meeting on the overall performance of the Company.

In addition to the above, pursuant to Regulation 24 of the SEBI Listing Regulations, the Minutes of the Board Meetings of the Company's Unlisted Subsidiary Companies and a statement of all significant transactions and arrangement entered into by the Unlisted Subsidiary Companies are placed before the Board.

Number of Board Meetings Held and Dates on which held

Attendance of each Director at the Board Meetings and the last Annual General Meeting

During the financial year ended March 31, 2019, Five Board Meetings were held. The gap between two Board Meetings did not exceed four months. The attendance of each Director at Board Meetings and the last Annual General Meeting (AGM) is as under:

Name of the Director	No. of Board Meetings attended	Attendance at last AGM held on 30th September, 2018
Mr. Bhawanishankar Sharma	1	Yes
Mr. Vikram Sharma	4	Yes
* Mr. Vikas Sharma	2	No
Mr. V. P. Singh	5	Yes
Mr. Vinod Agarwala	4	Yes
Mr. Dakshendra Agarwal	1	No
Mr. S.K. Mishra	4	Yes
Mrs. Nilima Mansukhani	5	Yes

* Resigned w.e.f February 2, 2019

Mr. Bhawanishankar Sharma, Executive Chairman is the father of Mr. Vikram Sharma, Managing Director. No other Directors are related to each other. There were no pecuniary relationships or transactions of Non-Executive Directors vis-à-vis the Company other than the payment of sitting fees. No Independent Director or non promoter -Non-Executive Director holds any Equity Share or Convertible instrument in the Company. Further, the Company has not granted any stock option to any of its Non-Executive Directors.

CORPORATE GOVERNANCE REPORT

C. Familiarisation Programme for Board Members:

The familiarisation programme provides information to the Independent Directors and aims to familiarize the independent directors with the Company, their roles responsibilities in the Company, nature of infrastructure sector in which the company operates and the business model of the company by imparting suitable training sessions. Upon their appointment as Independent Directors on the Board, the Independent Directors are made aware of their roles, rights, responsibilities and liabilities. Familiarisation programme forms part of the Board process. The Independent Directors have been updated on the various developments within the Company as well as the macro level developments in the country effecting the infrastructure sector and Company's business plans at the quarterly Board Meetings held during the year F.Y. 2018-19. The details of the familiarisation programme for independent Directors are available on the Company's website at <http://supremeinfra.com/codeofconduct.html>

D. Code of Conduct:

The Company has two separate Code of Conduct for Board of Directors and Senior Management and Code of Conduct for Independent Directors. The Code is applicable to the Board of Directors, Senior Management including Independent Directors to such extent as may be applicable to them depending on their roles and responsibilities. The Codes give guidance and support needed for ethical conduct of business and compliance of law. A copy of the Code have been posted on the Company's website <http://supremeinfra.com/codeofconduct.html> The Code has been circulated to Directors and Management Personnel, and its compliance is affirmed by them annually.

The Board Members and the Senior Management Personnel affirm compliance with the Code of Conduct on an annual basis. The necessary declaration by the MD & CEO as required under Regulation 34(3) read with Schedule V (D) of the Listing Regulations regarding adherence to the Code of Conduct has been obtained for FY 2018-19 and forms part of the Annual Report.

BOARD COMMITTEES

The Board of Directors has constituted Committees of Directors with adequate delegation of powers, to discharge their functions with respect to specific matters of the Company on behalf of the Board of Directors. The Committees are constituted by inclusion of Executive, Non-Executive and Independent Directors as may be required to meet the prescribed requirements, which carry out its function as per their terms of reference. During the F.Y. 2018- 19, one meeting of the Nomination and Remuneration Committee was held on 30th March, 2019.

Sr. No.	Name of the Director	Designation	Category	No. of Meetings attended
1	Mr. Vinod Agarwala	Chairman	Non-Executive Independent Director	-
2	Mr. Dakshendra Agarwal	Member	Non-Executive Director	1
3	Mr. S. K. Mishra	Member	Non-Executive Independent Director	1

CORPORATE GOVERNANCE REPORT

B. Remuneration Policy

The Company's philosophy for remuneration of Directors, KMP and all other employees is based on the commitment of fostering a culture of leadership with trust. The Company has adopted a Policy for remuneration of Directors, KMP and other employees, which is aligned to this philosophy. The principles governing the Company's Remuneration Policy is provided in the Board's Report.

C. Remuneration to Non-Executive Directors

The Non-Executive Directors of the Company are receiving the sitting fees for attending the meeting of the Board of Directors and the Committee Meetings held during the year. Non-Executive Directors are also entitled to receive commission up to one percent on the net profits of the Company in accordance with the provisions of the Companies Act, 2013 as approved by the shareholders at the Annual General Meeting of the Company held 12th September, 2014. However, in view of the losses incurred during the year, no commission is paid to Non-Executive Directors during the year.

The details of the sitting fees and commission to paid/ due to be paid to Non-Executive Directors for the year ended 31st March, 2019 is as follows:

Sr. No.	Name of the Director	Sitting fees ₹	Commission ₹	Total ₹
1	Mr. V.P. Singh	7,90,000	Nil	7,90,000
2	Mr. Vinod Agarwala	6,90,000	Nil	6,90,000
3	Mr. S. K. Mishra	7,40,000	Nil	7,40,000
4	Mrs. Nilima Mansukhani	6,50,000	Nil	6,50,000
5	Mr. Dakshendra Agrawal	1,50,000	Nil	1,50,000
	Total	30,20,000	Nil	30,20,000

D. Remuneration to Executive Directors

The Executive Directors are entitled to fixed remuneration by way of salary of Rs. 5 lakhs per month and perquisites of Rs. 3 Lakhs per month. Other than the above, the Executive Directors are not entitled to any bonuses, pensions, performance linked incentives, severance fees etc. The Company has not issued stock options to any Director. Considering the present business scenario and difficulties being faced by the infrastructure sector, Mr. Bhawanishankar Sharma, Executive Chairman, Mr. Vikram Sharma, Managing Director gave their consent to waive the fixed managerial remuneration earned by them for the year 2018-19 i.e. from April, 2018 to March, 2019 aggregating to ₹ 96,00,000/- each. The Total Managerial Remuneration waived off by the Executive Directors is Rs. 192 Lakhs for the F.Y. 2018-19.

The agreement with the above Executive Directors is for a period of five years with effect from 1st April, 2015 duly approved by the Shareholder at the Annual General Meeting of the Company held on 30th September, 2015. Either party to the

agreement is entitled to terminate the agreement by giving not less than three month notice in writing to the other party.

None of the Directors are entitled to any benefit upon termination of their association with the Company.

E. Performance Evaluation criteria of the Board

Pursuant to the provisions of Section 134 (3) (p), 149(8) and Schedule IV of the Companies Act, 2013 and Regulation 17 of the SEBI Listing Regulations, the policy has been framed with an objective to ensure individual Directors of the Company and the Board as a whole, works efficiently and effectively in achieving their functions, in the interest of the Company and for the benefit of its stakeholders. Accordingly, the policy provides guidance on evaluation of the performance of: (i) individual Directors including the Chairperson (ii) the Board as a whole; and (iii) various committees of the Board, on an annual basis.

The performance evaluation of the Independent Directors was carried out by the entire Board and the Performance Evaluation of the Chairman and Non-Independent Directors was carried out by the Independent Directors.

The criteria for evaluation for each of the above are as follows:

Internal Evaluation of Individual Directors

The individual Director's performance has largely been evaluated based on his/ her level of participation and contribution to the performance of Board/ Committee(s). Furthermore, the skills, knowledge, experience, attendance record, devotion of sufficient time and efficient discharge of responsibilities towards the Company, Board and Committees of which he/ she is a member are considered for evaluation. Additionally, timely disclosure of personal interest, compliance of Code of Conduct and Ethics, Code for Independent Directors etc., are also taken into account.

Chairman's Performance Evaluation

Providing effective leadership, setting effective strategic agenda of the Board, encouraging active engagement by the Board members, establishing effective communication with all stakeholders, etc.

Performance evaluation of the Board as a whole

The performance of the Board of Directors is evaluated on the basis of various criteria which inter-alia, includes providing entrepreneurial leadership to the Company, understanding of the business, strategy and growth, responsibility towards stakeholders, risk management and financial controls, quality of decision making, monitoring performance of management, maintaining high standards of integrity and probity, etc.

Evaluation of the Board Committees

The performance of the Committees are evaluated on the basis of following parameters:

- Mandate and composition
- Effectiveness of the Committees

CORPORATE GOVERNANCE REPORT

- Structure of the Committees and their meetings
- Independence of the Committees from the Board
- Contribution to the decisions of the Board

Disclosures as prescribed under SEBI circular dated May 10, 2018 are given below:

5. STAKEHOLDERS RELATIONSHIP COMMITTEE

The terms of reference of the Stakeholders Relationship Committee is made in accordance with the provisions of Section 178(5) of the Companies Act, 2013 and Regulation 20 of SEBI Listing Regulations. The terms of reference of the committee is to consider, monitor and resolve the grievances of shareholders, debenture holders and other security holders of the Company including complaints related to transfer of shares, non-receipt of annual report and non-receipt of declared dividends.

The composition of the Stakeholders Relationship Committee is as follows:

Name of the Director	Designation	Category
Mr. Vinod Agarwala	Chairman	Non-Executive Independent Director
Mr. Vikram Sharma	Member	Executive Managing Director
Mrs. Nilima Mansukhani	Member	Non-Executive Independent Director

The Committee has powers to approve/authenticate all the Share transfers/transposition/transmission/duplicate shares requests received from the Shareholders. The Committee normally resolves the complaints received from the Investors/Shareholders within 7 days of receipt of the same. The Company Secretary places before the Board the status of various complaints received by the Committee at every Board meeting.

During the F.Y. 2018- 19, one meeting of the Stake Holders Relationship Committee was held on 30th March, 2019.

Complaints from Investors

During the year under review, the Company had received Nil complaints from the investors and there were no investor complaints pending as on 31st March 2019.

Prohibition of Insider Trading

With a view to regulate trading in securities by the directors and designated employees, the Company has adopted a

Code of Conduct for Prohibition of Insider Trading.

Compliance Officer

Mr. Vijay Joshi, Company Secretary of the Company is the Compliance officer of the Company.

Support and role of Company Secretary

The Company Secretary is responsible for convening the Board and Committee meetings, preparation and distribution of Agenda and other documents and recording of the minutes of the meetings. He acts as interface between the Board and the Management and provides required assistance and assurance to the Board and the Management on compliance and grievance aspects.

6. CORPORATE SOCIAL RESPONSIBILITY (CSR) COMMITTEE

The CSR Committee constituted in accordance with Section 135 of the Companies Act, 2013, comprises the following three directors as on 31st March, 2019.

Sr. No.	Name	Position
1	Mr. Vikram Sharma	Chairman
2	Mr. Vinod Agarwala	Member
3	Mrs. Nilima Mansukhani	Member

The role of the CSR Committee is as under:

- Formulate and recommend to the Board, a Corporate Social Responsibility Policy which shall indicate the activities to be undertaken by the Company as specified in Schedule VII of the Companies Act, 2013.
- Recommend the amount of expenditure to be incurred on the activities referred in the CSR policy.
- Monitor the CSR Policy of the Company and its implementation from time to time.
- Such other functions as the Board may deem fit.

During the F.Y. 2018- 19, one meeting of the Corporate Social Responsibility Committee was held on 30th March, 2019.

7. SUBSIDIARY COMPANIES

Regulation 16 (1) (c) of SEBI (Listing Obligation & Disclosure Requirements) Regulations, 2015 defines a "material subsidiary" as subsidiary, whose income or Networth exceeds 20% of the consolidated income or net worth respectively, of the listed holding company and its subsidiaries in the immediately preceding accounting year. In terms of the above definition, the Company did not have any "material subsidiary" during the year under review. The Subsidiaries of the Company function independently, with an adequately empowered Board of Directors and sufficient resources. For more effective governance, the Minutes of Board Meetings of Subsidiaries of the Company are placed before the Board of the Company for its review. The requirements of the Regulations of SEBI Listing Regulations, 2015 with regard to subsidiary companies have been complied with. The Company has formulated a policy for determining material subsidiaries which is disclosed on the Company's website.

CORPORATE GOVERNANCE REPORT

Reconciliation of Share Capital Audit

In keeping with the requirements of the SEBI and stock exchanges, a reconciliation of share capital audit by a practicing Company Secretary is carried out at the end of every quarter to reconcile the total admitted Equity capital with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) and the total issued and listed capital. The said audit confirms that the total issued/ paid-up Equity capital tallies with the total number of Equity shares in physical form and the total number of Dematerialised shares held with NSDL and CDSL.

Dematerialisation of Shares and Liquidity

As of the end of March 31, 2019 shares comprising approximately 100% of the Company's Equity Share Capital have been dematerialized.

Bifurcation of the category of shares in physical and electronic mode as on March 31, 2019 is given below:

Shares held through	No. of shares	Percentage of holding
NSDL	15600374	60.70
CDSL	10097987	39.30
Physical	11	.00
Total	25698372	100.00

Disclosures with respect to Demat Suspense Account/ Unclaimed Suspense Account

As per the provisions of Regulation 39 of SEBI Listing Regulations, the unclaimed shares if any lying in the possession of the Company are required to be dematerialized

CORPORATE GOVERNANCE REPORT

and transferred into a special demat account. The Company is not required to maintain the above account as no Equity Shares of the Company have remained unclaimed. All the Equity Shares of the Company are in Dematerialised form except 11 Equity shares which are in physical form. Hence, the above provisions are not applicable to the Company.

Transfer of Unclaimed Dividend to Investor Education & Protection Fund (IEPF)

Under the Companies Act, 2013, dividends which remain unclaimed for a period of seven years are required to be transferred to the Investor Education & Protection Fund (IEPF) administered by the Central Government.

Dates of declaration of dividends since financial year 2011-12 and the corresponding dates when unclaimed dividends are due to be transferred to the IEPF are given in the table below:

Financial year ended	Date of declaration of dividend	Amount remaining unclaimed as on 31/03/2018 (₹)	Last date for claiming unclaimed dividend amount (before)	Last date for transfer to IEPF
31/03/2012	28/09/2012	23462.75	4/11/2019	3/12/2019
31/03/2013	26/09/2013	39290	2/11/2020	1/12/2020
31/03/2014	12/9/2014	19386.50	18/10/2021	17/11/2021

Members are once again requested to utilize this opportunity and get in touch with the Company's Registrar and Share Transfer Agents Bigshare Services Private Limited at their communication address for encashing the unclaimed dividends standing to the credit of their account. Members are further requested to note that after completion of seven years, no claims shall lie against the said Fund or Company for the amounts of dividend so transferred, nor shall any payment be made in respect of such claims

10. DISCLOSURES

- All related party transactions that were entered into during the financial year were on arm's length basis, in the ordinary course of business and were in compliance with the applicable provisions of the Act and the Listing Regulations. Details of related party transactions entered into by the Company are included in the Notes to Accounts. Material individual transactions with related parties are in the normal course of business and do not have potential conflict with the interests of the Company at large. Transactions with related parties entered into by the Company in the normal course of Business are placed before the Audit Committee. CORPORATE GOVERNANCE REPORT

ANNEXURE B

CERTIFICATE ON COMPLIANCE WITH THE CONDITIONS OF CORPORATE GOVERNANCE UNDER CHAPTER IV OF SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

To

The Members,

Supreme Infrastructure India Limited

1. We have examined the compliance of conditions of Corporate Governance by Supreme Infrastructure India Limited ("the Company"), for the year ended on 31st March, 2019, as stipulated in:
 - Regulation 23(4) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations) and
 - Regulations 17 to 27 {excluding regulation 23(4)} and clauses (b) to (i) of regulation 46(2) and para C, D and E of Schedule V of the Listing Regulations.
2. The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
3. In our opinion and to the best of our information and according to our examination of the relevant records and the explanations given to us and the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulation 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C, D and E of Schedule V of the Listing Regulations of applicability as specified under paragraph 1 above, during the year ended 31st March, 2019.
4. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

ANNEXURE C

CEO/ CFO COMPLIANCE CERTIFICATE

To,

The Board of Directors

Supreme Infrastructure India Limited

1. We have reviewed financial statement and the cash flow statement of Supreme Infrastructure India Limited for the year ended March 31, 2019 and to the best of our knowledge and belief:
 - (i) these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - (ii) these statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
2. There are, to the best of our knowledge and belief, no transactions entered into by the Company during the year which are fraudulent, illegal or violative of the Company's Code of Conduct.
3. We accept responsibility for establishing and maintaining internal controls for financial reporting and we have evaluated the effectiveness of Company's internal control systems pertaining to financial reporting. We have not come across any reportable deficiencies in the design or operation of such internal controls.
4. We have indicated to the Auditors and the Audit Committee:
 - i. that there are no significant changes in internal control over financial reporting during the year;
 - ii. that there are no significant changes in accounting policies during the year; and
 - iii. that there are no instances of significant fraud of which we have become aware.

INDEPENDENT AUDITORS' REPORT

To the Members of Supreme Infrastructure India Limited Report on the Standalone Financial Statements

Qualified Opinion

1. We have audited the accompanying standalone financial statements of Supreme Infrastructure India Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the Basis for Qualified Opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs (financial position) of the Company as at 31 March 2019, and its loss (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

3. As stated in Note 11.3 to the accompanying standalone financial statement, the Company's current financial assets as at 31 March 2019 include trade receivables aggregating ₹ 45,680.90 lakhs (31 March 2018: ₹ 55,396.37 lakhs) in respect of projects which were closed/substantially closed and where the receivables have been outstanding for a substantial period. Management has assessed that no adjustments are required to the carrying value of the aforesaid balances, which is not in accordance with the requirements of Ind AS 109, 'Financial Instruments'. Consequently, in the absence of sufficient appropriate evidence to support the management's contention of recoverability of these balances, we are unable to comment upon the adjustments, if any, that are required to the carrying value of the aforesaid balances, and consequential impact, if any, on the accompanying standalone financial statement. Our opinion on the standalone financial statement for the year ended 31 March 2018 was also modified in respect of this matter.
4. As stated in Note 18.2 to the accompanying standalone financial statements, the Company's non-current borrowings, short-term borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating Nil (31 March 2018: ₹ 9,324.24 lakhs), Nil (31 March 2018: ₹ 294.21 lakhs) and ₹ 11,925.03 lakhs (31 March 2018: ₹ 11,510.27 lakhs), respectively in respect of which confirmations/statements from the respective lenders have not been received. These borrowings have been classified into current and non-current, basis the original maturity terms stated in the agreements which is not in accordance with the terms of the agreements in the event of defaults

in repayment of borrowings. Further, whilst we have been able to perform alternate procedures with respect to certain balances, in the absence of confirmations/statements from the lenders, we are unable to comment on the adjustments, if any, that may be required to the carrying value of these balances on account of changes, if any, to the terms and conditions of the transactions, and consequential impact, on the accompanying standalone financial statements. Our audit opinion on the standalone financial statements for the year ended 31 March 2018 was also modified in respect of this matter.

5. As stated in Note 4.4 to the accompanying standalone financial statements, the Company's non-current investments as at 31 March 2019 include non-current investments in one of its subsidiary aggregating ₹ 142,556.83 lakhs. The subsidiary has significant accumulated losses and its consolidated net-worth is fully eroded. Further, the subsidiary is facing liquidity constraints due to which it may not be able to realise projections as per the approved business plans. Based on the valuation report of an independent valuer as at 31 March 2019 and other factors described in the aforementioned note, Management has considered such balance as fully recoverable. Management has assessed that no adjustments are required to the carrying value of the aforesaid balances, which is not in accordance with the requirements of Ind AS 109, 'Financial Instruments'. In the absence of sufficient appropriate evidence to support the management's assessment as above and other relevant alternate evidence, we are unable to comment upon adjustments, if any, that may be required to the carrying values of these non-current investments and aforementioned dues and the consequential impact on the accompanying standalone financial statements.
6. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Material Uncertainty Related to Going Concern

7. We draw attention to Note 37 to the accompanying standalone financial statements, which indicates that the Company has incurred a net loss of ₹ 110,854.98 lakhs during the year ended 31 March 2019 and, as of that date; the Company's accumulated losses amounts to ₹ 128,589.99 lakhs which have resulted in a full erosion of net worth of the Company and its current liabilities exceeded its current assets by ₹ 232,157.67 lakhs. Further, as disclosed in Note 37 to the said financial statements, there have been delays in repayment of principal and interest in respect of

INDEPENDENT AUDITORS' REPORT

borrowings during the current year. The above factors, along with other matters as set forth in the aforesaid note, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. However, based on ongoing discussion with the lenders for restructuring of the loans, revised business plans, equity infusion by the promoters, and other mitigating factors mentioned in the aforementioned note, Management is of the view that going concern basis of accounting is appropriate.

The above assessment of the Company's ability to continue as going concern is by its nature considered as a key audit matter in accordance with SA 701. In relation to the above key audit matter, our audit work included, but was not limited to, the following procedures:

- i. Obtained an understanding of the management's process for identifying all events or conditions that may cast significant doubt over the company's ability to continue as a going concern and a process to assess the corresponding mitigating factors existing against each such event or condition. Also, obtained an understanding around the methodology adopted by the Company to assess their future business performance including the preparation of a cash flow forecast for the business.
- ii. Evaluated the design and tested the operating effectiveness of key controls around aforesaid identification of events or conditions and mitigating factors, and controls around cash flow projections prepared by the management.
- iii. We obtained from the management, its projected cash flows for the next twelve months basis their future business plans. Reconciled the cash flow forecast to the future business plan of the Company as approved by the Board of Directors

- iv. Assessed the methodology used by the management to estimate the cash flow projections including the appropriateness of the key assumptions in the cash flow projections for next 12 months by considering our understanding of the business, past performance of the Company, external data and market conditions apart from discussing these assumptions with the management and the Audit Committee;
- v. Tested mathematical accuracy of the projections and applied independent sensitivity analysis to the key assumptions mentioned above to determine and ensure that there was sufficient headroom with respect to the estimation uncertainty impact of such assumptions on the calculations
- vi. Assessed that the disclosures made by the management are in accordance with the applicable accounting standards.

Our opinion is not modified in respect of this matter.

Key Audit Matter

8. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
9. In addition to the matters described in the Basis for Qualified Opinion and Material Uncertainty Related to Going Concern sections, we have determined the matter described below to be the key audit matter to be communicated in our report.

Key audit matter	How our audit addressed the key audit matter
Recognition of contract revenue, margin and contract costs (Refer note 2.1 (xvi) of the standalone financial statements)	
The Group's revenue primarily arises from construction contracts which, by its nature, is complex given the significant judgements involved in the assessment of current and future contractual performance obligations. The Company's revenue primarily arises from construction contracts which, by its nature, is complex given the significant judgements involved in the assessment of current and future contractual performance obligations. Effective 1 April 2018, the Company has adopted Ind AS 115 'Revenue from Contracts with Customers' using the cumulative catch-up transition method. Accordingly, the Company recognizes revenue and margins based on the stage of completion which is determined on the basis of the proportion of value of goods or services transferred as at the Balance Sheet date, relative to the value of goods or services promised under the contract. All the projects of the Company satisfy the criteria for recognition of revenue over time (using the percentage of completion method) since the control	Our audit of the recognition of contract revenue, margin and related receivables and liabilities included, but were not limited to, the following: • Evaluated the appropriateness of the Company's revenue recognition policies; • Assessed the design and implementation of key controls over the recognition of contract revenue and margins, and tested the operating effectiveness of these controls; • For a sample of contracts, tested the appropriateness of amount recognized by evaluating key management judgements inherent in the forecasted contract revenue and costs to complete that drive the accounting under the percentage of completion method, including:

INDEPENDENT AUDITORS' REPORT

of the overall asset (property/ site / project) lies with the customer who directs the Company. Further, the Company has assessed that it does not have any alternate use of these assets. The recognition of contract revenue, contract costs and the resultant profit/loss therefore rely on the estimates in relation to forecast contract revenue and the total cost. These contract estimates are reviewed by the management on a periodic basis. In doing so, the management is required to exercise judgement in its assessment of the valuation of contract variations and claims and liquidated damages as well as the completeness and accuracy of forecast costs to complete and the ability to deliver contracts within contractually determined timelines. The final contract values can potentially be impacted on account of various factors and are expected to result in varied outcomes. Changes in these judgements, and the related estimates as contracts progress can result in material adjustments to revenue and margins. As a result of the above judgments, complexities involved and material impact on the related financial statement elements, this area has been considered a key audit matter in the audit of the standalone financial statements.	- reviewed the contract terms and conditions; - evaluated the identification of performance obligation of the contract - evaluated the appropriateness of management's assessment that performance obligation was satisfied over time and consequent recognition of revenue using percentage of completion method. - tested the existence and valuation of claims and variations within contract costs via inspection of correspondence with customers; - obtained an understanding of the assumptions applied in determining the forecasted revenue and cost to complete; - assessed the ability of the Company to deliver contracts within budgeted timelines and exposures, if any, to liquidated damages for late delivery; and • Assessed that the disclosures made by the management are in accordance with applicable accounting standards
--	---

Information other than the Financial Statements and Auditor's Report thereon

10. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

11. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including

other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

12. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

13. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

14. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from

INDEPENDENT AUDITORS' REPORT

material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

15. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

16. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including

any significant deficiencies in internal control that we identify during our audit.

17. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
18. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

19. The Company has not paid or provided for any managerial remuneration during the year. Accordingly, reporting under section 197(16) of the Act is not applicable.
20. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure 1 a statement on the matters specified in paragraphs 3 and 4 of the Order.
21. Further to our comments in Annexure 1, as required by section 143(3) of the Act, we report that:
- a) we have sought and except for the possible effects of the matters described in the Basis for Qualified Opinion section, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) except for the possible effects of the matters described in the Basis for Qualified Opinion section, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the standalone financial statements dealt with by this report are in agreement with the books of account;
 - d) except for the possible effects of the matters described in the Basis for Qualified Opinion section, in our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act;
 - e) the matters described in paragraphs 3, 4, 5 and 7 under the Basis for Qualified Opinion / Material Uncertainty related to Going Concern section, in our opinion, may have an adverse effect on the functioning of the Company;

INDEPENDENT AUDITORS' REPORT

- f) on the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2019 from being appointed as a director in terms of section 164(2) of the Act;
- g) the qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion section;
- h) we have also audited the internal financial controls over financial reporting (IFCoFR) of the Company as on 31 March 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date and our report dated 17 September 2019 as per Annexure 2 expressed a modified opinion; and
 - i) with respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
- i. the Company, as detailed in Notes 4.4, 11.3, 15.1, 15.4, 18.2, 30(A)(i), 30(A)(iii), 30(A)(iv) and 37 to the standalone financial statements, has disclosed the impact of pending litigations on its financial position as at 31 March 2019;
- ii. except for the possible effects of the matters described in the Basis for Qualified Opinion section, the Company, as detailed in Note 2.1 xvi to the standalone financial statements, has made provision as at 31 March 2019, as required under the applicable law or Ind AS, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
- iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2019;
- iv. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these standalone financial statements. Hence, reporting under this clause is not applicable.

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT

of even date to the members of Supreme Infrastructure India Limited, on the standalone financial statements for the year ended 31 March 2019

All amounts are in Indian Rupees and in Lakhs.

Annexure 1

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment (fixed assets).
- (b) The Company has a regular program of physical verification of its PPE under which fixed assets are verified in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this program, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification.
- (c) The title deeds of all the immovable properties (which are included under the head 'Property, plant and equipment') are held in the name of the Company.
- (ii) In our opinion, the management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies between physical inventory and book records were noticed on physical verification.
- (iii) The Company has granted interest free unsecured loans to three (3) companies covered in the register maintained under Section 189 of the Act; and with respect to the same:
 - (a) in our opinion the terms and conditions of grant of such loans are not, prima facie, prejudicial to the Company's interest.
 - (b) the schedule of repayment of the principal and the payment of the interest has not been stipulated and

hence we are unable to comment as to whether repayments/receipts of the principal amount and the interest are regular;

- (c) in the absence of stipulated schedule of repayment of principal and payment of interest, we are unable to comment as to whether there is any amount which is overdue for more than 90 days and whether reasonable steps have been taken by the Company for recovery of the principal amount and interest.
- (iv) In our opinion, the Company has complied with the provisions of Sections 185 and 186 of the Act, to the extent applicable, in respect of loans, investments, guarantees and security.
- (v) In our opinion, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's products/services and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, goods and service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, have not been regularly deposited to the appropriate authorities and there have been significant delays in a large number of cases. Undisputed amounts payable in respect thereof, which were outstanding at the year-end for a period of more than six months from the date they became payable are as follows:

Statement of arrears of statutory dues outstanding for more than six months:

Name of the statute	Nature of the dues	Amount (in ₹ Lakhs)	Period to which the amount relates	Due Date	Date of Payment
Income Tax Act, 1961	Tax Deducted at Source	2,614.16	April 2015 to August 2018	Various Dates	Not yet Paid
The Employees' Provident Funds and Miscellaneous Provisions Act, 1952	Provident Fund	355.44	April 2016 to August 2018	Various Dates	Not yet Paid
Profession Tax Act, 1975	Profession Tax	6.58	April 2016 to August 2018	Various Dates	Not yet Paid
Employees' State Insurance Act, 1948	Employees' State Insurance Corporation	20.72	April 2016 to August 2018	Various Dates	Not yet Paid
Goods and Service Tax Act, 2017	Goods and Service Tax	1,981.24	July 2017 to August 2018	Various Dates	Not yet Paid
Maharashtra Value Added Tax, 2002	Value Added Tax	144.67	April 2014 to June 2017	Various Dates	Not yet Paid
The Central Excise Act, 1944	Excise Duty	87.24	December 2012 to June 2017	Various Dates	Not yet Paid

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT

of even date to the members of Supreme Infrastructure India Limited, on the standalone financial statements for the year ended 31 March 2019

All amounts are in Indian Rupees and in Lakhs.

- (b) There are no dues in respect of sales-tax, duty of customs and duty of excise that have not been deposited with the appropriate authorities on account of any dispute. The dues outstanding in respect of service tax, value added tax, goods and service tax and income tax on account of any dispute, are as follows:

Statement of Disputed Dues:

Name of the statute	Nature of the dues	Amount (in ₹ Lakhs)	Amount paid under Protst in Lakhs	Period to which the amount relates	Forum where dispute is pending
The Finance Act, 1994	Service tax	7,270.26	-	F.Y. 2008-09 to 2011-12	Custom, Excise and Service Tax Appellate Tribunal
Maharashtra Value Added Tax, 2002	Value Added Tax	1,919.78	-	F.Y. 2014-15 to 2015-16	Assistant commissioner of State Tax.
Goods and Service Tax Act, 2017	Goods and Service Tax	2,797.22	-	F.Y. July 2017 to Oct 2018	Assistant commissioner of State Tax.
Income Tax Act, 1961	Income Tax	7,040.05	-	A.Y. 2007-08 to 2015-16	Income Tax Officer, Commissioner of Income Tax (Appeals), CPC Bengaluru

- (viii) There are no loans or borrowings payable to government and no dues payable to debenture holders. The Company has defaulted in repayment of following dues to the banks and financial institutions during the year, which were paid on or before the Balance Sheet date.

₹ in Lakhs

- (ix) The Company did not raise moneys by way of initial public offer or further public offer (including debt instruments). In our opinion, the term loans were applied for the purposes for which the loans were obtained.
- (x) No fraud by the Company or on the Company by its officers or employees has been noticed or reported during the period covered by our audit.
- (xi) The Company has not paid or provided for any managerial remuneration during the year. Accordingly, the provisions of Clause 3(xi) of the Order are not applicable.
- (xii) In our opinion, the Company is not a Nidhi Company. Accordingly, provisions of clause 3(xii) of the Order are not applicable.
- (xiii) In our opinion all transactions with the related parties are in compliance with Sections 177 and 188 of Act, where applicable, and the requisite details have been disclosed in the standalone financial statements, as required by the applicable Ind AS.
- (xiv) During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures.
- (xv) In our opinion, the Company has not entered into any non-cash transactions with the directors or persons connected with them covered under Section 192 of the Act.
- (xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT

of even date to the members of Supreme Infrastructure India Limited, on the standalone financial statements for the year ended 31 March 2019

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section (3) of Section 143 of the Companies Act, 2013 ('the Act')

1. 1. In conjunction with our audit of the standalone financial statements of Supreme Infrastructure India Limited ("the Company") as at and for the year ended 31 March 2019, we have audited the internal financial controls over financial reporting ("IFCoFR") of the Company as at that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR includes obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified opinion

8. According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the operating effectiveness of the Company's internal financial controls over financial reporting as at 31 March 2019:
 - a. The Company's internal control system towards estimating the value in use of its investment in subsidiary to determine the need to recognize an impairment loss as laid down under Ind AS 36 'Impairment of Assets' were not operating effectively, which could potentially result in a material misstatement in the carrying values of investments and its consequential impact on the earnings, reserves and related disclosures in the standalone financial statements.
 - b. The Company's internal financial controls over financial reporting with respect to the process of assessing doubtful allowance of trade receivables were not operating effectively which could potentially result in a material misstatement in the recognition of doubtful allowance and the resultant carrying value of the trade receivables in the Company's standalone financial statements.
9. A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT

of even date to the members of Supreme Infrastructure India Limited, on the standalone financial statements for the year ended 31 March 2019

annual or interim financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

10. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI, and except for the possible effects of the material weaknesses described

above in the Basis for Qualified Opinion paragraph, the Company's IFCoFR were operating effectively as at 31 March 2019.

11. We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the standalone financial statements of the Company as at and for the year ended 31 March 2019, and these material weaknesses have affected our opinion on the standalone financial statements of the Company and we have issued a qualified opinion on the standalone financial statements.

Nature and purpose of reserves

i. Securities premium reserve

Securities premium reserve is used to record the premium on issue of shares. The reserve will be utilised in accordance with the provisions of the Act.

ii. General reserve

Under the erstwhile Companies Act 1956, a general reserve was created through an annual transfer of net profit at a specified percentage in accordance with applicable regulations. Consequent to the introduction of the Companies Act, 2013, the requirement to mandatorily transfer a specified percentage of net profit to general reserve has been withdrawn.

iii. Retained earnings

Retained earnings represents the profits/losses that the Company has earned / incurred till date including gain / (loss) on fair value of defined benefits plans as adjusted for distributions to owners, transfer to other reserves, etc.

iv. Net gain on fair value of defined benefit plans

The Company has recognised remeasurement gains/ (loss) on defined benefit plans in OCI. These changes are accumulated within the OCI reserve within retained earnings.

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements
for the year ended 31 March 2019

Note 1. Corporate Information

"Supreme Infrastructure India Limited ("the Company") having CIN L74999MH1983PLC029752, is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. The Company is principally engaged in engineering and construction of roads, highways, buildings, bridges etc. The Company also owns and operates Ready Mix Concrete ("RMC") plant, Asphalt plant and Crushing plant. Its shares are listed on two recognised stock exchanges in India - the Bombay Stock Exchange and the National Stock Exchange. The registered office of the Company is located at Supreme House, Plot No. 94/C Pratap Gad, Opp. I.I.T Main Gate, Powai, Mumbai - 400 076, India.

The standalone financial statements ("the financial statements") of the Company for the year ended 31 March 2019 were authorised for issue in accordance with resolution of the Board of Directors on 17th September, 2019."

Note 2.1 Significant Accounting Policies

i Basis of Preparation

"The financial statements of the Company have been prepared to comply in all material respects with the Indian Accounting Standards ("Ind AS") as prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with Companies (Indian Accounting Standards) Rules as amended from time to time.

The financial statements have been prepared under the historical cost convention with the exception of certain financial assets and liabilities which have been measured at fair value, on an accrual basis of accounting.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest lakhs (INR 00,000), except when otherwise indicated."

ii Operating cycle for current and non-current classification:

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company as per the guidance set out in Schedule III to the Act. Operating cycle for the business activities of the Company covers the duration of the project/ contract/ service including the defect liability period, wherever applicable, and extends upto the realisation of receivables (including retention monies) within the credit period normally applicable to the respective project.

iii Accounting Estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

iv Key estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Contract estimates

The Company, being a part of construction industry, prepares budgets in respect of each project to compute project profitability. The two major components of contract estimate are 'claims arising during construction period' (described below) and 'budgeted costs to complete the contract'. While estimating these components various assumptions are considered by the management such as (i) Work will be executed in the manner expected so that the project is completed timely (ii) consumption norms will remain same (iii) Assets will operate at the same level of productivity as determined (iv) Wastage will not exceed the normal % as determined etc. (v) Estimates for contingencies (vi) There will be no change in design and the geological factors will be same as communicated and (vii) Price escalations etc. Due to such complexities involved in the budgeting process, contract estimates are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements
for the year ended 31 March 2019

Recoverability of claims

The Company has claims in respect of cost over-run arising due to client caused delays, suspension of projects, deviation in design and change in scope of work etc., which are at various stages of negotiation/discussion with the clients or under arbitration. The realisability of these claims are estimated based on contractual terms, historical experience with similar claims as well as legal opinion obtained from internal and external experts, wherever necessary. Changes in facts of the case or the legal framework may impact realisability of these claims.

Valuation of investment in/ loans to subsidiaries/ joint ventures

The Company has performed valuation for its investments in equity of subsidiaries / joint ventures for assessing whether there is any impairment in the fair value. When the fair value of investments in subsidiaries cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the discounted cash flow model. Similar assessment is carried out for exposure in the nature of loans and interest receivable thereon. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as expected earnings in future years, liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of these investments.

Deferred tax assets

In assessing the realisability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Company will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

Defined benefit plans

The cost and present value of the gratuity obligation and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

v. Fair value measurement

The Company measures financial instruments, at fair value at each balance sheet date. (Refer Note 33)

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, In the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements
for the year ended 31 March 2019

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

vi. Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any.

Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

vii Intangible Assets

Intangible assets comprise of license fees and implementation cost for software and other application software acquired / developed for in-house use. These assets are stated at cost, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably, less accumulated amortisation and accumulated impairment losses, if any.

viii Depreciation/ Amortisation

Depreciation/ amortisation is provided:

- Depreciation on tangible assets is provided on straight line basis considering the useful lives prescribed in Schedule II to the Act on a pro-rata basis. However, certain class of plant and machinery used in construction projects are depreciated on a straight line basis considering the useful life determined based on the technical evaluation and the management's experience of use of the assets, that is a period of three to ten years, as against the period of nine to twenty years as prescribed in Schedule II to the Act.
- Leasehold land is not amortised as these are in the nature of perpetual lease.
- Computer software and other application software costs are amortized over their estimated useful lives that is over a period of three years.

The useful lives have been determined based on technical evaluation carried out by the management's expert, in order to reflect the actual usage of the assets. The asset's useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period.

The estimated useful lives are as below:

Building : 60 years (Assessed to be in line with Schedule II to the Act)

Plant and equipment: 5 - 12 years (Based on technical evaluation by management's expert)

Office equipment : 5 years (Assessed to be in line with Schedule II to the Act)

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements
for the year ended 31 March 2019

Furniture and fixtures :10 years (Assessed to be in line with Schedule II to the Act)

Vehicles : 6 years (Assessed to be in line with Schedule II to the Act)

Computers : 3 years (Assessed to be in line with Schedule II to the Act)

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount."

ix Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a Financial Assets

Initial Recognition

In the case of financial assets, not recorded at fair value through profit or loss (FVPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

Financial Assets at Amortised Cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

Financial Assets Measured at Fair Value

"Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Financial asset not measured at amortised cost or at fair value through OCI is carried at FVPL.

Interest free intercompany loans

Intercompany loans to subsidiaries/ jointly controlled entities for which settlement is neither planned nor likely to occur in the foreseeable future and in substance is a part of the Company's net investment in those subsidiaries/ jointly controlled entities, are stated at cost less accumulated impairment losses, if any, and forms part of investment in other equity of these entities.

Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements
for the year ended 31 March 2019

is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expense in the Statement of Profit and Loss.

De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

b. Equity Instruments and Financial Liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

Financial Liabilities

1) Initial Recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

2) Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at FVPL

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation. Amortisation is recognised as finance income in the Statement of Profit and Loss.

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements
for the year ended 31 March 2019

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

3) De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

c. Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

x Employee Benefits

a. Defined Contribution Plan

Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further obligations beyond the monthly contributions.

b. Defined Benefit Plan

The Company also provides for gratuity which is a defined benefit plan, the liabilities of which is determined based on valuations, as at the balance sheet date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognised in the OCI, in the period in which they occur. Re-measurement recognised in OCI are not reclassified to the Statement of Profit and Loss in subsequent periods. Past service cost is recognised in the Statement of Profit and Loss in the year of plan amendment or curtailment. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.

c. Leave entitlement and compensated absences

Accumulated leave which is expected to be utilised within next twelve months, is treated as short-term employee benefit. Leave entitlement, other than short term compensated absences, are provided based on a actuarial valuation, similar to that of gratuity benefit. Re-measurement, comprising of actuarial gains and losses, in respect of leave entitlement are recognised in the Statement of Profit and Loss in the period in which they occur.

d. Short-term Benefits

Short-term employee benefits such as salaries, wages, performance incentives etc. are recognised as expenses at the undiscounted amounts in the Statement of Profit and Loss of the period in which the related service is rendered. Expenses on non-accumulating compensated absences is recognised in the period in which the absences occur.

xi Inventories

The stock of construction materials is valued at cost or net realisable value, whichever is lower. Cost is determined on weighted average basis and includes all applicable cost of bringing the goods to their present location and condition. Net realisable value is estimated selling price in ordinary course of business less the estimated cost necessary to make the sale.

xii Cash and Cash Equivalents

Cash and cash equivalents in the Balance Sheet comprises of cash at banks and on hand and short-term deposits with an original maturity of three month or less, which are subject to an insignificant risk of changes in value.

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements
for the year ended 31 March 2019

xiii Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker regularly monitors and reviews the operating result of the whole Company as one segment of "Engineering and Construction". Thus, as defined in Ind AS 108 "Operating Segments", the Company's entire business falls under this one operational segment and hence the necessary information has already been disclosed in the Balance Sheet and the Statement of Profit and Loss.

xiv Borrowing Costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the EIR amortisation is included in finance costs.

Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the Statement of Profit and Loss in the period in which they occur.

xv Foreign Exchange Translation of Foreign Projects and Accounting of Foreign Exchange Transaction

a. Initial Recognition

Foreign currency transactions are initially recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. However, for practical reasons, the Company uses a monthly average rate if the average rate approximate the actual rate at the date of the transactions.

b. Conversion

Monetary assets and liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

c. Treatment of Exchange Difference

Exchange differences arising on settlement/ restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss.

Exchange differences arising on long-term foreign currency monetary items related to acquisition of a fixed asset are capitalised and depreciated over the remaining useful life of the asset.

xvi. Revenue Recognition

The Company derives revenues primarily from providing engineering and construction services.

Effective 1 April 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers" using the cumulative catch-up transition method, applied to contracts that were not completed as of 1 April 2018. In accordance with the cumulative catch-up transition method, the comparatives have not been retrospectively adjusted. On account of adoption of IND AS 115 there is an increase in retained earning on account of reversal of discounting of retention deposit by ₹53.88 lakhs. On account of adoption of Ind AS 115, unbilled work-in-progress (contract asset) as at 31 March 2019 has been considered as non-financial asset and accordingly classified under other current assets.

Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

Revenue from engineering and construction services, where the performance obligations are satisfied over time and where there is no uncertainty as to measurement or collectability of consideration, is recognized as per the percentage-of-completion method. The Company determines the percentage-of-completion on the basis of direct measurements of the value of the goods or services transferred to the customer to date relative to the remaining goods or services promised under the contract. When there is uncertainty as to measurement or ultimate collectability, revenue recognition is postponed until such uncertainty is resolved.

Revenues in excess of invoicing are classified as contract assets (which we refer as unbilled work-in-progress) while invoicing in excess of revenues are classified as contract liabilities (which we refer to as due to customers).

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements
for the year ended 31 March 2019

Advance payments received from contractee for which no services are rendered are presented as 'Advance from contractee'.

Contract modifications are accounted for when additions, deletions or changes are approved either to the contract scope or contract price. The accounting for modifications of contracts involves assessing whether the services added to an existing contract are distinct and whether the pricing is at the standalone selling price. Services added that are not distinct are accounted for on a cumulative catch up basis, while those that are distinct are accounted for prospectively, either as a separate contract, if the additional services are priced at the standalone selling price, or as a termination of the existing contract and creation of a new contract if not priced at the standalone selling price.

The Company presents revenues net of discount and indirect taxes in its Statement of Profit and Loss.

Other Income

a. Interest Income

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and the applicable Effective Interest Rate (EIR).

d. Dividend Income

Dividend is recognised when the right to receive the payment is established, which is generally when shareholders approve the dividend.

c. Other Income

Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

xvii. Interest in Joint Arrangements

As per Ind AS 111 - Joint Arrangements, investment in Joint Arrangement is classified as either Joint Operation or Joint Venture. The classification depends on the contractual rights and obligations of each investor rather than legal structure of the Joint Arrangement. The Company classifies its Joint Arrangements as Joint Operations.

The Company recognises its direct right to assets, liabilities, revenue and expenses of Joint Operations and its share of any jointly held or incurred assets, liabilities, revenues and expenses. These have been incorporated in the financial statements under the appropriate headings.

xviii. Income Tax

Income tax expense comprises of current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

a. Current Income Tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

b. Deferred Income Tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements
for the year ended 31 March 2019

Deferred tax assets include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, to the extent it would be available for set off against future current income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

xix. Leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership over the leased term, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where the lease payments are structured to increase in line with expected general inflation. Assets acquired on finance lease are capitalised at fair value or present value of minimum lease payment at the inception of the lease, whichever is lower.

xx Impairment of Non-Financial Assets

As at each Balance Sheet date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- In case of an individual asset, at the higher of the assets' fair value less cost to sell and value in use; and
- In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of cash generating unit's fair value less cost to sell and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified to the asset. In determining fair value less cost to sell, recent market transaction are taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation.

When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the Statement of Profit and Loss.

xxi. Trade receivables

A receivable is classified as a 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the EIR method, less provision for impairment.

xxii. Trade payables

A payable is classified as a 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method.

xxiii. Earnings Per Share

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements
for the year ended 31 March 2019

also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

xxiv. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

Contingent assets are disclosed where an inflow of economic benefits is probable.

xxv. Exceptional Items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

xxvi. Investments in subsidiaries, joint ventures and associates

Investments in subsidiaries, joint ventures and associates are recognised at cost as per Ind AS 27 except where investments accounted for at cost shall be accounted for in accordance with Ind AS 105, Non-current Assets Held for Sale and Discontinued Operations, when they are classified as held for sale.

xxvii. Share issue expenses

Share issue expenses are charged off against available balance in the Securities premium reserve.

Note 2.2 Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA"), through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified the following new and amendments to Ind AS's which Company has not adopted as they are effective from 1 April 2019.

i) Ind AS - 116 Leases

Ind AS 116 will replace the existing leases standard, Ind AS 17 Leases. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lessee accounting model for lessees. A lessee recognises right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

Ind AS 116 will come into force from 1 April 2019. The Company is evaluating the requirement of the new Ind AS and the impact on the financial statements. The effect on adoption of Ind AS 116 is expected to be insignificant.

ii) Ind AS 12 Income taxes (amendments relating to income tax consequences of dividend and uncertainty over income tax treatments)

"The amendment relating to income tax consequences of dividend clarify that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. The Company does not expect any impact from this pronouncement.

The amendment to Appendix C of Ind AS 12 specifies that the amendment is to be applied to the determination of taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. It outlines the following: (1) the entity has to use judgement, to determine whether each tax

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements for the year ended 31 March 2019

All amounts are in Indian Rupees and in Lakhs.

treatment should be considered separately or whether some can be considered together. The decision should be based on the approach which provides better predictions of the resolution of the uncertainty (2) the entity is to assume that the taxation authority will have full knowledge of all relevant information while examining any amount (3) entity has to consider the probability of the relevant taxation authority accepting the tax treatment and the determination of taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates would depend upon the probability. The Company does not expect any significant impact of the amendment on its financial statements.

iii) Ind AS 23 – Borrowing Costs

The amendment clarifies that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalisation rate on general borrowings. The Company does not expect any impact from this amendment.

iv) Ind AS 103 – Business Combinations and Ind AS 111 – Joint Arrangements

The amendments to Ind AS 103 relating to re-measurement clarify that when an entity obtains control of a business that is a joint operation, it re-measures previously held interests in that business. The amendments to Ind AS 111 clarify that when an entity obtains joint control of a business that is a joint operation, the entity does not re-measure previously held interests in that business. The Company will apply the pronouncement if and when it obtains control / joint control of a business that is a joint operation.

Supreme Infrastructure BOT Holdings Private Limited	95,000	95,000
Kalyan Sangam Infratech Limited	609,375	609,375

Name of the Company	No. of debentures pledged	
	31 March 2019	31 March 2018
Supreme Panvel Indapur Tollways Private Limited	48,020,000	48,020,000
Supreme Infrastructure BOT Private Limited	805,497,117	805,497,117

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements for the year ended 31 March 2019

All amounts are in Indian Rupees and in Lakhs.

Note 4.3 Also, the Company has given a "Non Disposal Undertaking" to the lenders to the extent of 1,899 (31 March 2018: 1,899) equity shares of Supreme Infrastructure BOT Private Limited.

Note 4.4 The Company, as at 31 March 2019, has non-current investments in Supreme Infrastructure BOT Private Limited ('SIBPL'), a subsidiary company, amounting to ₹ 142,556.83 lakhs (31 March 2018 : ₹ 142,556.83 lakhs) . SIBPL is having various Build, Operate and Transfer (BOT) SPVs under its fold. While SIBPL has incurred losses during its initial years and have accumulated losses, causing the net worth of the entity to be fully eroded as at 31 March 2019, the underlying projects are expected to achieve adequate profitability on substantial completion of the underlying projects. Further, in case of Supreme Manorwarda Bhiwandi Infrastructure Private Limited ('SMBIPL'), a subsidiary of SIBPL, lenders have referred SMBIPL to NCLT under RBI circular dated 12 February 2018, for which response is awaited from NCLT. Further, commercial operation date (COD) in respect of few subsidiaries of SIBPL has been delayed due to various reasons attributable to the clients primarily due to non-availability of right of way, environmental clearances etc. and in respect of few subsidiaries, the toll receipts is lower as compared to the projected receipts on account of delay in receiving compensation from government for exempted vehicles. Further, there have been delays in repayment of principal and interest in respect of the borrowings and the respective entity is in discussion with their lenders for the restructuring of the loans. Management is in discussion with the respective lenders, clients for the availability of right of way and other required clearances and is confident of resolving the matter without any loss to the respective SPVs. Therefore, based on certain estimates like future business plans, growth prospects, ongoing discussions with the clients and consortium lenders, the valuation report of the independent valuer and other factors, Management believes that the net-worth of SIBPL does not represent its true market value and the realizable amount of SIBPL is higher than the carrying value of the non-current investments as at 31 March 2019 and due to which these are considered as good and recoverable.

Note 5 Loans

11.3 Trade receivables as at 31 March 2019 include ₹ 45,680.90 lakhs (31 March 2018: ₹ 55,396.37 lakhs), in respect of projects which were closed/substantially closed and which are overdue for a substantial period of time. Based on the contract terms and the ongoing recovery/ arbitration procedures (which are at various stages), Management is reasonably confident of recovering these amounts in full. Accordingly, these amounts have been considered as good and recoverable

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements for the year ended 31 March 2019

All amounts are in Indian Rupees and in Lakhs.

11.4 Trade receivables as at 31 March 2019 includes ₹ 7,285.20 lakhs (31 March 2018: ₹ 8,197.35 lakhs) due from private companies in which the Company's director is a director or a member.

11.5 Trade receivables are non-interest bearing and are generally on terms of 30 to 90 days.

11.6 The Company recognises lifetime expected credit losses on trade receivables using a simplified approach by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in provision matrix.

Movement in allowance for credit losses of receivables are as follows :

₹ in Lakhs

	As at 31 March 2019	As at 31 March 2018

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements
for the year ended 31 March 2019

All amounts are in Indian Rupees and in Lakhs.

Note 15.1 In September 2014, the Joint Lenders Forum (JLF) lead by State Bank of India (SBI) had appraised a Corporate Loan to the Company out of which part amount was sanctioned and disbursed by SBI and the balance was to be tied up with other lenders under exclusive security. Pending tie up with the other lenders, the JLF decided to incorporate one-time restructuring under the JLF mode of the entire borrowings of the Company. During the quarter ended 31 March 2016, based on the direction of the Reserve Bank of India (RBI) during its Assets Quality Review, borrowings from SBI were classified as Non-Performing Assets (NPA). Consequent to the classification of borrowings as NPA by SBI, borrowings from other consortium lenders got classified as NPA during the year ended 31 March 2017, however, the lenders have not recalled or initiated recovery proceedings for the existing facilities, at present. Considering, the classification of borrowing as NPA, certain lenders are not accruing interest while providing account statements of the borrowings, whereas the Company, on prudence, has accrued interest expenses at rates specified in the agreement with the respective lenders/ latest available sanction letters received from such lenders. (Also, refer note 37)"

Note 15.2 Contractual loan principal amounting to ₹ 31,992.09 lakhs (31 March 2018: ₹ 17,383.02 lakhs) and the interest amount of ₹ 90,571.55 lakhs (31 March 2018: ₹ 38,441.32 lakhs) respectively is due and outstanding to be paid as at 31 March 2019.

Note 15.3 **Terms of repayment and details of security**

(A) Interest rate and terms of repayment

Restructured rupee term loans (RTL)

RTL carry an interest rate of SBI Base Rate+1% plus interest tax (11% as at 31 March 2019) to be reset after a moratorium period of 2 years. These loans are repayable in 32 structured quarterly instalments commencing 31 December 2016 and ending on 30 September 2024.

Working capital term loan (WCTL)

These loans carry an interest rate of SBI Base Rate+1% plus interest tax (11 % as at 31 March 2019) to be reset after a moratorium period of 2 years. These loans are repayable in 20 structured quarterly instalments commencing 31 December 2016 and ending on 30 September 2021.

Funded interest term loan (FITL-I), (FITL-II) and (FITL-III)

These loans carry an interest rate of SBI Base Rate+1% plus interest tax (10.30 % as at 31 March 2019) to be reset after a moratorium period of 2 years. These loans are repayable in 20 structured quarterly instalments commencing 31 December 2016 and ending on 30 September 2021.

(B) Security created in respect of RTL/WCTL/FITL

I Borrowings from ICICI Bank are secured by the following:

- (i) Exclusive security interest in the form of:
 - Pledge of NIL shares (31 March 2018: 474,829 shares) of the Company

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements
for the year ended 31 March 2019

All amounts are in Indian Rupees and in Lakhs.

Note 15.4 The MJLF Agreement provides a right to the Lenders to get a recompense of their waivers and sacrifices made as part of the loan restructuring arrangement. The recompense payable by the borrowers depends on various factors including improved performance of the borrowers and other conditions. The aggregate present value of the sacrifice made/ to be made by lenders as per the MJLF Agreement is ₹ 16,842 lakhs (31 March 2018: ₹ 16,842.00 lakhs) as at the year end. The same is subject to changes proposed in the resolution plan. (Refer note 37)

Note 15.5 Other rupee term loans from banks:

Loans from other banks carry interest in the range of @ 10.35% to 12.75% per annum and are secured by hypothecation of the assets created out of these loan and personal guarantee of a director of the Company. These loans are repayable over the period of 5-41 years.

Note 15.6 Term loans from others:

Loans from other carries interest @ base rate (18% as at 31 March 2019) minus 2.19 % per annum and are repayable in 35 monthly instalments over the tenure of the loans having various maturity dates. These loans are secured by first charge on the specific equipment financed out of the said loans, pledge of shares held by a promoter director and personal guarantee of the promoter directors.

Note 15.7 Rights, preferences, restrictions and conversion terms attached to preference shares issued by the Company

The Company had, on 13 May 2011, allotted 2,500,000 non cumulative, non convertible, redeemable preference shares of ₹ 10 each at a premium of ₹ 90 per share to BHS Housing Private Limited. The Preference Shares shall be redeemable at any time after the expiry of two years but before the expiry of ten years from the date of allotment at a premium of ₹ 90 per share. These preference shares carry preferential right of dividend at the rate of 1%. The holders of Preference Shares have no rights to receive notices of, attend or vote at general meetings except in certain limited circumstances. On a distribution of assets of the Company, on a winding-up or other return of capital (subject to certain exceptions), the holders of Preference Shares have priority over the holders of equity shares to receive the capital paid up on those shares. "

These preference shares carry preferential right of dividend at the rate of 1%. The holders of Preference Shares have no rights to receive notices of, attend or vote at general meetings except in certain limited circumstances. On a distribution of assets of the Company, on a winding-up or other return of capital (subject to certain exceptions), the holders of Preference Shares have priority over the holders of equity shares to receive the capital paid up on those shares.

	As at 31 March 2019	As at 31 March 2018
I. Secured		
Rupee Loan from Banks		
Cash credit facilities (Repayable on demand)	123,999.36	116,911.52
Term loan from banks (Refer notes 15.5 and 18.2)	1,674.26	2,240.99
	125,673.62	119,152.51
II. Unsecured (Repayable on demand)		
Bank overdraft	15.28	15.28
Loans from		
- related parties (Refer note 34) ^	10,598.72	7,558.96
- others ^	272.05	-
Total current borrowings (I+II)	136,559.67	126,726.75

^ These are interest free loans and repayable on demand.

Note 18.1 Security for cash credit facilities:

Cash credit facilities availed from bankers carries an interest rate of 13% per annum and are secured by hypothecation charge on the current assets of the Company on first pari passu basis with existing and proposed working capital lenders in consortium arrangement. These facilities are further secured by way of certain collaterals, on pari passu basis, provided by the Company including personal guarantee of Company's directors and corporate guarantee of BHS Housing Private Limited and Supreme Housing & Hospitality Private Limited.

The securities towards cash credit facilities also extends to the guarantees given by the banks on behalf of the Company aggregating ₹ 16,043.87 lakhs (31 March 2018: ₹ 24,894.09 lakhs).

Note 18.2 Non-current borrowings, short-term borrowings and other current financial liabilities as at 31 March 2019 include balances amounting to Nil (31 March 2018: ₹ 9,324.24 lakhs), Nil (31 March 2018: ₹ 294.21 lakhs) and ₹ 11,925.03 lakhs (31 March 2018: ₹ 11,510.27 lakhs), respectively in respect of which confirmations/statements from the respective lenders have not been received. In the absence of confirmations/statements from the lenders, the Company has provided for interest and other penal charges on these borrowings based on the latest communication available from the respective lenders at the interest rate specified in the agreement. The Company's management believes that amount payable on settlement will not exceed the liability provided in books in respect of these borrowings. Accordingly, classification of these borrowings into current and non-current as at 31 March 2019 is based on the original maturity terms stated in the agreements with the lenders.

Note 19. Trade payables

₹ in Lakhs

	As at 31 March 2019	As at 31 March 2018
- Total outstanding dues of Micro Enterprises and Small Enterprises (Refer note 19.1)	123.18	122.20
- Total outstanding dues of creditors other than Micro Enterprises and Small Enterprises	11,925.39	14,714.82
Total trade payables	12,048.57	14,837.02

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements
for the year ended 31 March 2019

All amounts are in Indian Rupees and in Lakhs.

Note 29 Earnings per share (EPS) Basic and diluted EPS

₹ in Lakhs

	Year ended 31 March 2019	Year ended 31 March 2018
Profit computation for basic earnings per share of ₹ 10 each		
Net profit/ (loss) as per the Statement of Profit and Loss available for equity shareholders (₹ lakhs)	(110,854.98)	(50,012.21)
Weighted average number of equity shares for EPS computation (Nos.)	25,698,372	25,698,372
EPS - Basic and Diluted EPS (₹)	(431.37)	(194.61)

Note:

Non-cumulative redeemable preference shares and amount pending share allotment do not qualify as potential equity shares outstanding during the periods, based on the present conditions prevalent, and hence have not been considered in the determination of diluted earnings per share.

Note 30 Contingent liabilities and commitments

A. Contingent liabilities

₹ in Lakhs

	As at 31 March 2019	As at 31 March 2018
(i) Claims not acknowledged as debts including cases where petition for winding up has been filed against the Company	725.22	725.22
(ii) Corporate guarantee given to banks on behalf of subsidiaries/ jointly controlled entities	163,815.69	163,815.69
(iii) Indirect tax liability that may arise in respect of matters in appeal	11,987.26	7,270.26

"(iv) Provident Fund:

Based on the judgement by the Honorable Supreme Court dated 28 February 2019, past provident fund liability, is not determinable at present, in view of uncertainty on the applicability of the judgement to the Company with respect to timing and the components of its compensation structure. In absence of further clarification, the Company has been legally advised to await further developments in this matter to reasonably assess the implications on its financial statements, if any."

It is not practicable for the Company to estimate the timings of cash outflows, if any, in respect of the above pending resolution of the respective proceedings. The Company does not expect any reimbursements in respect of the above contingent liabilities except in respect of matter stated in (iv) above. Future cash outflows in respect of the above are determinable only on receipt of judgments / decisions pending with various forums / authorities. The Company does not expect any outflow of economic resources in respect of the above and therefore no provision is made in respect thereof.

B. Commitments

(i) The Company has entered into agreements with various government authorities and semi government corporations to develop roads on Build-Operate-Transfer (BOT) and Public Private Partnership (PPP) basis through certain subsidiary entities and jointly controlled entities. The Company has a commitment to fund the cost of developing the infrastructure through a mix of debt and equity as per the estimated project cost.

(ii) The Company along with its Jointly controlled entity, Supreme Infrastructure BOT Holdings Private Limited, has given an undertaking to the lenders of a Joint venture Company, not to dilute their shareholding below 51% during the tenure of the loan.

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements for the year ended 31 March 2019

All amounts are in Indian Rupees and in Lakhs.

Note 31 Interests in other entities

a) Joint operations (incorporated)

The Company's share of interest in joint ventures is set out below. The principal place of business of all these joint ventures is in India.

Name of the entity	% of ownership interest held by the Company		Name of the ventures' partner	Principal activities
	31 March 2019	31 March 2018		
Supreme Infrastructure BOT Holdings Private Limited	51.00	51.00	Strategic Road Investments Limited	Toll Management
Sanjose Supreme Tollways Development Private Limited*	96.10	96.10	Constructora Sanjose S.A.	Toll Management

* w.e.f 10 August 2018, the Company cease to have significant influence as the company has been referred for liquidation.

i) Classification of joint arrangements

The joint venture agreements in relation to the above mentioned joint ventures require unanimous consent from all the parties for all relevant activities. All co-venturers have direct rights to the assets of the joint venture and are also jointly and severally liable for the liabilities incurred by the joint venture. The Company recognises its direct right to the jointly held assets, liabilities, revenue and expenses. In respect of these contracts, the services rendered to the joint ventures are accounted as income on accrual basis.

ii) Summarised balance sheet

	As at 31 March 2019	As at 31 March 2018
Total assets	108,858.24	121,145.78
Total liabilities	121,827.26	113,768.12

iii) Contingent liability and capital commitment as at reporting date

	As at 31 March 2019	As at 31 March 2018
Capital commitment	-	79,417.88

iv) Summarised statement of profit and loss account

	Year ended 31 March 2019	Year ended 31 March 2018
Revenue	2,233.22	4,877.00
Other income	-	8.02
Total expenses (including taxes)	20,163.19	28,479.47

b) Joint operations on work sharing basis

	73.77	132.82

Note 33 Financial instruments

"The fair value of the financial assets are included at amounts at which the instruments could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value:

(a) Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities,

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements
for the year ended 31 March 2019

All amounts are in Indian Rupees and in Lakhs.

approximate their carrying amounts largely due to the short-term maturities of these instruments

- (b) Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for the expected losses of these receivables."

Sanjose Supreme Tollways Development Private Limited (w.e.f 10 August 2018) (Refer note 2 below)

Note 1: Though the Company's investment in this mentioned entities is below 50% of the total share capital, these entities has been classified as subsidiary. The management has assessed whether or not the Company has control over this entities based on whether the group has practical ability to direct relevant activities unilaterally. In these cases, based on specific shareholders agreement, the management concluded that the Company have practical ability to direct the relevant activities.

Note 2: w.e.f 10 August 2018, the company cease to have significant influence as the company has referred for liquidation.

Note 3: Though the Company's investment in these entities exceed 50% of the total share capital, these entities have been classified as jointly controlled entities. The management has assessed whether or not the Company has control over these entities based on whether the Company has practical ability to direct relevant activities unilaterally. In these cases, based on specific shareholders agreement, the management concluded that the group does not have practical ability to direct the relevant activities unilaterally but has such ability along with the other shareholders.

Note 4: The lenders of the Company had invoked Strategic Debt Restructuring ('SDR') and as a result 51% of equity shares have been transferred to lenders from the promotor group in accordance with the Reserve Bank of India ('RBI') guidelines. This conversion of debt into equity by the lenders is only protective in nature but not participative.

Note 5: Though the Company's share in investment in Rudranee Infrastructure Limited is 40.20% but there is no significant control over the entity by the virtue of agreement hence the same is considered as other related party.

* Provisions made against such receivables

Notes:

- Mr. Bhawanishankar Sharma, Mr. Vikram Sharma and Mr. Vikas Sharma have agreed for waiver of remuneration for the years ended 31 March 2019 and 31 March 2018 in view of the losses incurred by the Company.
- Refer notes 4.2, 4.3, 15.3 and 18.1 for personal guarantee provided by Directors, shares pledged and other security created in respect of borrowing by the Company or the related parties.
- The Company along with its Jointly controlled entity, Supreme Infrastructure BOT Holdings Private Limited, has given an undertaking to the lenders of a Joint venture Company, not to dilute their shareholding below 51% during the tenure of the loan.

Note 35 Financial risk management objectives and policies

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements
for the year ended 31 March 2019

All amounts are in Indian Rupees and in Lakhs.

i) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Major financial instruments affected by market risk includes loans and borrowings.

a. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's total debt obligations with floating interest rates.

Interest rate sensitivity

"The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's loss before tax is affected through the impact on floating rate borrowings, as follows:"

₹ in Lakhs

	31 March 2019	31 March 2018
Increase in basis points	50 basis points	50 basis points
Effect on loss before tax, increase by	1,230.85	1,187.30
Decrease in basis points	50 basis points	50 basis points
Effect on loss before tax, decrease by	1,230.85	1,187.30

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

b. Foreign currency risk

The Company does not have any significant outstanding balances in foreign currency and consequently the Company's exposure to foreign exchange risk is less. Although, the exchange rate between the rupee and foreign currencies has changed substantially in recent years, it has not affected the results of the Company. The Company evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies. Accordingly, the Company does not have any unhedged foreign currency exposures.

c. Equity price risk

"The Company's non-listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Company manages the equity price risk through diversification and by placing limits on individual and total equity instruments. Reports on the equity portfolio are submitted to the Company's senior management on a regular basis. The Company's Board of Directors reviews and approves all equity investment decisions."

ii. Credit risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure of the financial assets are contributed by trade receivables, unbilled work-in-progress, cash and cash equivalents and receivable from group companies.

- Credit risk on trade receivables and unbilled work is limited as the customers of the Company mainly consists of the government promoted entities having a strong credit worthiness. For other customers, the Company uses a provision matrix to compute the expected credit loss allowance for trade receivables and unbilled work-in-progress. The provision matrix takes into account available external and internal credit risk factors such as credit ratings from credit rating agencies, financial condition, ageing of accounts receivable and the Company's historical experience for customers.

The following table gives details in respect of percentage of revenues generated from government promoted agencies and others

₹ in Lakhs

Particulars	31 March 2019 %	31 March 2018 %
Revenue from government promoted agencies	77.83	81.53
Revenue from others	22.17	18.47
	100.00	100.00

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements
for the year ended 31 March 2019

All amounts are in Indian Rupees and in Lakhs.

The following table gives details in respect of contract revenues generated from the top customer and top 5 customers for the year ended:

₹ in Lakhs

Particulars	31 March 2019	31 March 2018
Revenue from top customer	18,233.63	22,775.08
Revenue from top five customers	30,809.00	45,038.26

For the year ended 31 March 2019, One (31 March 2018: One) customer, individually, accounted for more than 10% of the revenue.

The movement of the allowance for lifetime expected credit loss is stated below: ^

₹ in Lakhs

Particulars	31 March 2019	31 March 2018
Balance at the beginning of the year	249.20	180.00
Charge in the statement of profit and loss	419.99	69.20
Release to the statement of profit and loss	-	-
Balance at the end of the year	669.20	249.20

^ Refer note 11.6 for movement in allowance for lifetime expected credit loss on trade receivables.

b Credit risk on cash and cash equivalents is limited as the Company generally invest in deposits with banks and financial institutions with high credit ratings.

iii Liquidity risk

Liquidity is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

The table below provides details regarding the contractual maturities of significant financial liabilities:

₹ in Lakhs

Particulars	On demand	Less than 1 year	1 - 5 years	More than 5 years	Total
As at 31 March 2019					
Borrowings (including interest accrued)	136,559.67	154,331.65	43,990.97	1,859.34	336,741.63
Trade payables	-	12,048.57	-	-	-
Other financial liabilities	-	2,762.71	-	-	2,762.71
Total	136,559.67	169,142.94	43,990.97	1,859.34	339,504.34
As at 31 March 2018					
Borrowings (including interest accrued)	126,726.75	66,091.54	70,612.31	12,471.10	275,901.70
Trade payables	-	14,837.02	-	-	-
Other financial liabilities	-	1,786.01	-	-	1,786.01
Total	126,726.75	82,714.58	70,612.31	12,471.10	277,687.71

Note 36 Capital management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The Company strives to safeguard its ability to continue as a going concern so that they can maximise returns for the shareholders and benefits for other stake holders. The aim to maintain an optimal capital structure and minimise cost of capital.

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the standalone financial statements
for the year ended 31 March 2019

All amounts are in Indian Rupees and in Lakhs.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may return capital to shareholders, issue new shares or adjust the dividend payment to shareholders (if permitted). Consistent with others in the industry, the Company monitors its capital using the gearing ratio which is total debt divided by total capital plus total debts (including interest accrued).

₹ in Lakhs

	As at 31 March 2019	As at 31 March 2018
Total debts	336,741.63	275,901.70
Total equity	(96,075.23)	14,602.59
Total debts to equity ratio (Gearing ratio)	139.92%	94.97%

In the long run, the Company's strategy is to maintain a gearing ratio between 60% to 75%.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the borrowings that define the capital structure requirements. Breaches in meeting the financial covenants would permit the lenders to immediately call loans and borrowings. Subsequent to restructuring of the borrowings as stated in note 15, there have been no communications from the banks in this regard which might have a negative impact on the gearing ratio (Also refer note no 37)

Note 37 On 29 March 2019, framework agreement was signed between the Company and the majority of the lenders pursuant to the sanction of the resolution plan by the lenders under the aegis of the Reserve Bank of India (RBI) circular dated 12 February 2018 and confirmation by the promoters to infuse additional funds, (wherein out of the total estimated debt ₹ 304,520 lakhs existing as at reference date i.e. 31 August 2018 ₹ 100,000 lakhs is to be classified as sustainable debt to be serviced as per the existing terms and conditions and the remainder is to be converted into fully paid up equity shares and cumulative redeemable preference shares). While rest of the lenders were in the process of sanctioning the Resolution Plan, on 2 April 2019, the aforesaid circular has been held ultra vires to existing banking regulations, by the Honourable Supreme Court of India. On 7 June 2019, RBI has issued revised circular for resolution of the stressed assets, basis which the majority lenders have signed the Inter-Creditor agreement (ICA) and are in the process of executing the revised resolution plan.

Further, the Company has incurred a net loss after tax of ₹ 110,854.98 lakhs during the year ended 31 March 2019 and, has also suffered losses from operations during the preceding financial years and of that date, the Company's accumulated losses amounts to ₹ 128,589.99 lakhs and its current liabilities exceeded its current assets by ₹ 232,157.67 lakhs. The Company also has external borrowings from banks and financial institutions, principal and interest repayment of which has been delayed during the current period. Pending execution of the revised resolution plan as discussed above, the aforesaid conditions, indicate existence of material uncertainty that may cast significant doubt on the Company's ability to continue as a going concern due to which the Company may not be able to realise its assets and discharge its liabilities in the normal course of business. However, on expectation of execution and implementation of the aforesaid revised resolution plan, further fund infusion by the promoters and business growth prospects once revised guidelines are issued by the RBI, Management has prepared the financial results on a "Going Concern" basis."

Note 38 The Company is principally engaged in a single business segment viz. "Engineering and Construction". Also, refer note 36(ii) (a) for information on revenue from major customers.

This is a summary of significant accounting policies and other explanatory information referred to in our report of given date

INDEPENDENT AUDITOR'S REPORT

To the Members of Supreme Infrastructure India Limited Report on the consolidated Financial Statements

Qualified Opinion

1. We have audited the accompanying consolidated financial statements of Supreme Infrastructure India Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), its associates and joint ventures, which comprise the Consolidated Balance Sheet as at 31 March 2019, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries, associates and joint ventures, except for the possible effects of the matters described in the Basis for Qualified Opinion section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the consolidated state of affairs (consolidated financial position) of the Group as at 31 March 2019, and its consolidated loss (consolidated financial performance including other comprehensive income), its consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Qualified Opinion

3. a) As stated in Note 13.3 to the accompanying consolidated financial statement, the Holding Company's current financial assets as at 31 March 2019 include trade receivables aggregating ₹ 41,075.63 lakhs (31 March 2018: ₹ 55,396.37 lakhs) in respect of projects which were closed/substantially closed and where the receivables have been outstanding for a substantial period. Management has assessed that no adjustments are required to the carrying value of the aforesaid balances, which is not in accordance with the requirements of Ind AS 109, 'Financial Instruments'. Consequently, in the absence of sufficient appropriate evidence to support the management's contention of recoverability of these balances, we are unable to comment upon the adjustments, if any, that are required to the carrying value of the aforesaid balances, and consequential impact, if any, on the accompanying consolidated financial statement. Our opinion on the consolidated financial statement for the year ended 31 March 2018 was also modified in respect of this matter.
- b) As stated in Note 20.2 to the accompanying consolidated financial statements, the Holding

Company's non-current borrowings, short-term borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating Nil (31 March 2018: ₹ 9,324.24 lakhs), Nil (31 March 2018: ₹ 294.21 lakhs) and ₹ 11,925.03 lakhs (31 March 2018: ₹ 11,510.27 lakhs), respectively in respect of which confirmations/statements from the respective lenders have not been received. These borrowings have been classified into current and non-current, basis the original maturity terms stated in the agreements which is not in accordance with the terms of the agreements in the event of defaults in repayment of borrowings. Further, whilst we have been able to perform alternate procedures with respect to certain balances, in the absence of confirmations from the lenders, we are unable to comment on the adjustments, if any, that may be required to the carrying value of these balances on account of changes, if any, to the terms and conditions of the transactions, and consequential impact, on the accompanying consolidated financial statements. Our opinion on the consolidated financial statements for the year ended 31 March 2018 was also modified in respect of this matter.

- c) As stated in Note 6.4 to the accompanying consolidated financial statements, relating to the Group's carrying value of net assets (capital employed) aggregating ₹ 126,960.70 lakhs and non-controlling interest amounting to ₹ 6,166.45 lakhs as at 31 March 2019 relating to Supreme Infrastructure BOT Private Limited (SIBPL), a subsidiary of the Holding Company This subsidiary is facing liquidity constraints due to which it may not be able to realize projections made as per its approved business plans. Based on the valuation report of an independent valuer as at 31 March 2019 and other factors described in the aforesaid note, Management has considered such balance as fully recoverable. In the absence of sufficient appropriate evidence to support the management's assessment as above and other relevant alternate evidence, we are unable to comment upon adjustments, if any, that may be required to the carrying values of these balances and the consequential impact on the accompanying consolidated financial statements.

We further report that the following qualifications to the audit opinion on the consolidated financial statements of Supreme Infrastructure BOT Private Limited ('SIBPL'), a subsidiary of the Holding Company, issued by an independent firm of Chartered Accountants vide its report dated 7 September 2019 reproduced by us as under:

- i. As stated in Note 20.3 to the accompanying consolidated financial statements, which indicate that Supreme Vasai Bhiwandi Tollways Private Limited, a subsidiary of SIBPL, current maturities of long term borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating ₹ 10,255.23 lakhs and ₹ 3,355.47 lakhs, respectively in respect of which direct confirmations from the respective lenders

INDEPENDENT AUDITOR'S REPORT

have not been received. These borrowings have been classified into current and non-current, basis the original maturity terms stated in the agreements which is not in accordance with the terms of the agreements in the event of defaults in repayment of borrowings. Further, whilst we have been able to perform alternate procedures with respect to certain balances, in the absence of confirmations from the lenders, we are unable to comment on the adjustments, if any, that may be required to the carrying value of these balances on account of changes, if any, to the terms and conditions of the transactions, and consequential impact, on the accompanying consolidated financial statements.

- ii. As stated in Note 20.4 to the accompanying consolidated financial statements, which indicate that Kotkapura Muksar Tollways Private Limited, a subsidiary of the SIBPL, current maturities of non-current borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating ₹ 356.47 lakhs and ₹ 96.23 lakhs, respectively in respect of which direct confirmations from the respective lenders have not been received. These borrowings have been classified into current and non-current, basis the original maturity terms stated in the agreements which is not in accordance with the terms of the agreements in the event of defaults in repayment of borrowings. Further, whilst we have been able to perform alternate procedures with respect to certain balances, in the absence of confirmations from the lenders, we are unable to comment on the adjustments, if any, that may be required to the carrying value of these balances on account of changes, if any, to the terms and conditions of the transactions, and consequential impact, on the accompanying consolidated financial statements.
- iii. As stated in Note 20.5 to the accompanying consolidated financial statements, which indicate that Kopargaon Ahmednagar (Phase 1) Tollways Private Limited, a subsidiary of SIBPL, current maturities of non-current borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating ₹ 404.38 lakhs and ₹ 95.71 lakhs, respectively in respect of which direct confirmations from the respective lenders have not been received. These borrowings have been classified into current and non-current, basis the original maturity terms stated in the agreements which is not in accordance with the terms of the agreements in the event of defaults in repayment of borrowings. Further, whilst we have been able to perform alternate procedures with respect to certain balances, in the absence of confirmations from the lenders, we are unable to comment on the adjustments, if any, that may be required to the carrying value of these balances on account of changes, if any, to the

terms and conditions of the transactions, and consequential impact, on the accompanying consolidated financial statements.

We, further draw attention to the following emphasis of matters on the consolidated financial statements of SIBPL, a subsidiary of the Holding Company, issued by an independent firm of Chartered Accountants vide its report dated 7 September 2019 reproduced by us as under:

We draw attention to Note 5.1 to the accompanying consolidated financial statements with respect to Supreme Suyog Funicular Ropeways Private Limited, a subsidiary of SIBPL, intangible assets under development as at 31 March 2019 aggregating ₹ 12,321.89 lakhs, which is being substantially carry forward from earlier years in respect of cost incurred for construction of Funicular Ropeway under the BOT scheme. Based on the valuation report obtained, legal opinion and other matters as set forth in the aforesaid note, the management believes that no adjustment is required to the carrying value of the aforesaid balance. Our opinion is not modified in respect of this matter.

4. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraphs 17 and 18 of the Other Matters section below, is sufficient and appropriate to provide a basis for our qualified opinion.

Material Uncertainty Related to Going Concern

5. We draw attention to Note 33 to the accompanying consolidated financial statements, which indicates that the Group has incurred a net loss of ₹ 142,320.73 lakhs during the year ended 31 March 2019 and, as of that date, the Group's accumulated losses amounts to ₹ 251,038.91 lakhs which have resulted in a full erosion of net worth of the Group and its current liabilities exceeded its current assets by ₹ 366,321.32 lakhs. Further, as disclosed in Note 33 to the said financial statements, there have been delays in repayment of principal and interest in respect of borrowings during the current year. The above factors, along with other matters as set forth in the aforesaid note, indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a

INDEPENDENT AUDITOR'S REPORT

going concern. However, based on ongoing discussion with the lenders for restructuring of the loans, revised business plans, equity infusion by the promoters, and other mitigating factors mentioned in the aforementioned note, Management is of the view that going concern basis of accounting is appropriate.

The above assessment of the Group's ability to continue as going concern is by its nature considered as a key audit matter in accordance with SA 701. In relation to the above key audit matter, our audit work included, but was not limited to, the following procedures:

- i. Obtained an understanding of the management's process for identifying all events or conditions that may cast significant doubt over the Group's ability to continue as a going concern and a process to assess the corresponding mitigating factors existing against each such event or condition. Also, obtained an understanding around the methodology adopted by the Group to assess their future business performance including the preparation of a cash flow forecast for the business;
- ii. Evaluated the design and tested the operating effectiveness of key controls around aforesaid identification of events or conditions and mitigating factors, and controls around cash flow projections prepared by the management;
- iii. We obtained from the management, its projected cash flows for the next twelve months basis their future business plans. Reconciled the cash flow forecast to the future business plan of the Group as approved by the Board of Directors;
7. In addition to the matters described in the Basis for Qualified Opinion and Material Uncertainty Related to Going Concern section, we have determined the matter described below to be the key audit matter to be communicated in our report.

- iv. Assessed the methodology used by the management to estimate the cash flow projections including the appropriateness of the key assumptions in the cash flow projections for next 12 months by considering our understanding of the business, past performance of the Group, external data and market conditions apart from discussing these assumptions with the management and the Audit Committee;
- v. Tested mathematical accuracy of the projections and applied independent sensitivity analysis to the key assumptions mentioned above to determine and ensure that there was sufficient headroom with respect to the estimation uncertainty impact of such assumptions on the calculation; and
- vi. Assessed that the disclosures made by the management are in accordance with applicable accounting standards.

Our opinion is not modified in respect of this matter.

Key Audit Matters

6. Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries, associates and joint ventures, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter	How our audit addressed the key audit matter
Recognition of contract revenue, margin and contract costs (Refer note 2.1(xvi) of the consolidated financial statements)	
The Group's revenue primarily arises from construction contracts which, by its nature, is complex given the significant judgements involved in the assessment of current and future contractual performance obligations. Effective 1 April 2018, the Group has adopted Ind AS 115 'Revenue from Contracts with Customers' using the cumulative catch-up transition method. Accordingly, the Group recognizes revenue and margins based on the stage of completion which is determined on the basis of the proportion of value of goods or services transferred as at the Balance Sheet date, relative to the value of goods or services promised under the contract. All the projects of the Group satisfy the criteria for recognition of revenue over time (using the percentage of completion method) since the control of the overall asset (property/ site / project) lies with the customer who directs the Group. Further, the Group has assessed that it does not have any alternate use of these assets.	Our audit of the recognition of contract revenue, margin and related receivables and liabilities included, but were not limited to, the following: • Evaluated the appropriateness of the Group's revenue recognition policies; • Assessed the design and implementation of key controls over the recognition of contract revenue and margins, and tested the operating effectiveness of these controls; • For a sample of contracts, tested the appropriateness of amount recognized by evaluating key management judgements inherent in the forecasted contract revenue and costs to complete that drive the accounting under the percentage of completion method, including:

INDEPENDENT AUDITOR'S REPORT

The recognition of contract revenue, contract costs and the resultant profit/loss therefore rely on the estimates in relation to forecast contract revenue and the total cost. These contract estimates are reviewed by the management on a periodic basis. In doing so, the management is required to exercise judgement in its assessment of the valuation of contract variations and claims and liquidated damages as well as the completeness and accuracy of forecast costs to complete and the ability to deliver contracts within contractually determined timelines. The final contract values can potentially be impacted on account of various factors and are expected to result in varied outcomes. Changes in these judgements, and the related estimates as contracts progress can result in material adjustments to revenue and margins. As a result of the above judgments, complexities involved and material impact on the related financial statement elements, this area has been considered a key audit matter in the audit of the consolidated financial statements.	- reviewed the contract terms and conditions; - evaluated the identification of performance obligation of the contract - evaluated the appropriateness of management's assessment that performance obligation was satisfied over time and consequent recognition of revenue using percentage of completion method. - tested the existence and valuation of claims and variations within contract costs via inspection of correspondence with customers; - obtained an understanding of the assumptions applied in determining the forecasted revenue and cost to complete; - assessed the ability of the Group to deliver contracts within budgeted timelines and exposures, if any, to liquidated damages for late delivery; and • Assessed that the disclosures made by the management are in accordance with applicable accounting standards.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

8. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

9. The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs (consolidated financial

position), consolidated profit or loss (consolidated financial performance including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group including its associates and joint ventures in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. The Holding Company's Board of Directors is also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated Ind AS financial statements. Further, in terms of the provisions of the Act, the respective Board of Directors /management of the companies included in the Group, and its associate companies and joint venture companies covered under the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

10. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and joint venture are responsible for assessing the ability of the Group and of its associates and joint ventures to continue as a going

INDEPENDENT AUDITOR'S REPORT

concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

11. Those Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the Group and of its associates and joint venture.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

13. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group, its associates and joint ventures (covered under the Act) have adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are

required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates and joint ventures to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

17. We did not audit the financial statements of ten (10) subsidiaries, whose financial statements (before eliminating inter-company balances) reflects total assets of ₹ 361,928.40 lakhs and net liabilities of ₹ 50,253.60 lakhs as at 31 March 2019, total revenues (before eliminating inter-company transactions) of ₹ 45,449.62 lakhs and net cash outflows amounting to ₹ 510.38 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matter with respect to our reliance on the work done

INDEPENDENT AUDITOR'S REPORT

by, and the reports of, the other auditors.

18. The consolidated financial statements also include the Group's share of net loss (including other comprehensive income) of ₹ 9,809.57 lakhs for the year ended 31 March 2019, as considered in the consolidated financial statements, in respect of one (1) joint venture company, along with its three (3) subsidiaries, whose financial statements have not been audited by us. The consolidated financial statements of the said joint venture company have been audited by one of the joint auditors, Messrs Walker Chandio & Co LLP, Chartered Accountants, who have expressed an adverse opinion on such financial statements, and whose report has been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the above joint venture company, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid joint ventures, is based solely on the reports of Messrs Walker Chandio & Co LLP. The investment in the said joint venture company has been fully provided for in these consolidated financial statements.

Our opinion on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matter with respect to our reliance on the work done by, and the reports of, one of the joint auditor.

19. We did not audit the financial statements/financial information of one (1) subsidiary whose financial information (before eliminating inter-company balances) reflects total assets of ₹ 1,352.85 lakhs and net liabilities of ₹ 697.03 lakhs as at 31 March 2019, total revenues of Nil (before eliminating inter-company transactions) and net cash inflows amounting to Nil for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss (including other comprehensive income) of Nil for the year ended 31 March 2019, as considered in the consolidated financial statements, in respect of one (1) associate and one (1) joint venture, whose financial information has not been audited by us. These financial statements/financial information is unaudited and have been furnished to us by the management and our opinion on the consolidated financial statements, and matters identified and disclosed under key audit matters section above and our report in terms of sub-section (3) of Section 143 of the Act in so far as it relates to the aforesaid subsidiary, associate and joint venture, are based solely on such unaudited financial statements/financial information. In our opinion and according to the information and explanations given to us by the management, these financial statements/financial information is not material to the Group.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matter with respect to our reliance on the financial statements/financial information certified by the management.

Report on Other Legal and Regulatory Requirements

20. As required by section 197(16) of the Act, based on our audit and on the consideration of the reports of the other auditors, referred to in the paragraphs 17 and 18, on separate financial statements of the subsidiaries and joint ventures, we report that the Holding Company, ten (10) subsidiary companies and four (4) joint venture companies covered under the Act have not paid or provided for any managerial remuneration during the year. Further, as stated in paragraph 19, financial statements of one (1) joint venture company covered under the Act are unaudited and have been furnished to us by the management, and as certified by the management, the provisions of section 197 read with Schedule V to the Act are not applicable to the above joint venture company, since the said company is not a public company as defined under section 2(71) of the Act.
21. As required by Section 143 (3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements and other financial information of the subsidiaries, associates and joint ventures, we report, to the extent applicable, that:
- a) we have sought and except for the possible effects of the matters described in the Basis for Qualified Opinion section, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
 - b) in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors, except for the possible effects of the matters described in paragraph 3 of the Basis for Qualified Opinion section with respect to the financial statements of the Holding Company and SIBPL, a subsidiary of the Holding Company;
 - c) the consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - d) except for the possible effects of the matters described in the Basis for Qualified Opinion section, in our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under section 133 of the Act;
 - e) the matters described in paragraphs 3 and 5 of the Basis for Qualified Opinion and Material Uncertainty related to Going Concern sections in our opinion, may have an adverse effect on the functioning of the Holding Company and SIBPL, a subsidiary of the Holding Company;
 - f) on the basis of the written representations received from the directors of the Holding Company and taken on record by the Board of Directors of the Holding

INDEPENDENT AUDITOR'S REPORT

Company and the reports of the other statutory auditors of its ten (10) subsidiary companies and four (4) joint venture companies covered under the Act, none of the directors of the Group companies and joint venture companies covered under the Act, are disqualified as on 31 March 2019 from being appointed as a director in terms of Section 164(2) of the Act. Further, as stated in paragraph 19, financial statements of one (1) joint venture company covered under the Act are unaudited and have been furnished to us by the management, and as certified by the management, none of the directors of the said joint venture company are disqualified as on 31 March 2019 from being appointed as a director as a director in terms of section 164(2) of the Act.

- g) The qualifications relating to the maintenance of accounts and other matters connected therewith are as stated in paragraphs 3 of the Basis for Qualified Opinion section with respect to the Holding Company and SIBPL, a subsidiary of the Holding Company;
- h) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company, and its subsidiary companies and joint venture companies covered under the Act, and the operating effectiveness of such controls, refer to our separate report in 'Annexure I';
- i) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of

the other auditors on separate financial statements as also the other financial information of the subsidiaries, associates and joint ventures:

- i. Except for the possible effects of the matters described in paragraph 3 of the Basis for Qualified Opinion section, the consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its associates and joint ventures, as detailed in Notes 5.1, 6.4, 13.3, 17.1, 20.2, 20.3, 20.4, 20.5, 32 A (i), 32 A (iii), 32 A (iv), 33 to the consolidated financial statements;
- ii. except for the possible effects of the matters described in the Basis for Qualified Opinion section provision has been made in these consolidated financial statements, as required under the applicable law or Ind AS, for material foreseeable losses, on long-term contracts including derivative contracts if any, as detailed in Note 2.1 (xvi) to the consolidated financial statements
- iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, and its subsidiary companies and joint venture companies covered under the Act during the year ended 31 March 2019;
- iv. the disclosure requirements relating to holdings as well as dealings in specified bank notes were applicable for the period from 8 November 2016 to 30 December 2016, which are not relevant to these consolidated financial statements. Hence, reporting under this clause is not applicable.

ANNEXURE 1

to the Independent Auditor's Report of even date to the members of Supreme Infrastructure India Limited, on the consolidated financial statements for the year ended 31 March 2019

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. 1. In conjunction with our audit of the consolidated financial statements of Supreme Infrastructure India Limited ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), its associates and its joint ventures as at and for the year ended 31 March 2019, we have audited the internal financial controls over financial reporting ("IFCoFR") of the Holding Company, its ten (10) subsidiary companies and its five (5) joint ventures, which are companies covered under the Act, as at that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding Company, its ten (10) subsidiary companies and five (5) joint venture companies, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to the company's policies, the safeguarding of the company's assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the IFCoFR of the Holding Company, its ten (10) subsidiary companies, and five (5) joint venture companies, as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR includes obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the

assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Others Matters paragraph below, is sufficient and appropriate to provide a basis for our qualified opinion on the IFCoFR of the Holding Company, its ten (10) subsidiary companies and its five (5) joint venture companies, as aforesaid.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified opinion

8. According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at 31 March 2019 with respect to the Holding Company, which is company covered under the Act. The possible effects of the following material weaknesses have been assessed as material but not pervasive to these consolidated financial statements:
 - a. The Holding Company's internal control system towards estimating the group's carrying value of net assets in Supreme Infrastructure BOT Private Limited ('SIBPL'), subsidiary of the Holding Company, to determine the need to recognise an impairment loss as laid down under Ind AS 36 'Impairment of Assets' were not operating effectively, which could potentially result in a material misstatement

ANNEXURE 1

to the Independent Auditor's Report of even date to the members of Supreme Infrastructure India Limited, on the consolidated financial statements for the year ended 31 March 2019

in the group's carrying values of net assets, non-controlling interest and its consequential impact on the earnings, reserves and related disclosures in the consolidated financial statements.

- b. The Holding Company's internal financial controls over financial reporting with respect to the process of assessing doubtful allowance of trade receivables were not operating effectively which could potentially result in a material misstatement in the recognition of doubtful allowance and the resultant carrying value of the trade receivables in the consolidated financial statements.
9. A 'material weakness' is a deficiency, or a combination of deficiencies, in IFCoFR, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

10. In our opinion Holding Company, its ten (10) subsidiary companies and five (5) joint venture companies, which are companies covered under the Act, have, in all material respects, adequate internal financial controls over financial reporting as of 31 March 2019, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note issued by the ICAI, and except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, Holding Company, its ten (10) subsidiary companies and five (5) joint venture companies, which are companies covered under the Act, internal financial controls over financial reporting were operating effectively as at 31 March 2019.
11. We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the consolidated financial statements of the Group and its joint venture companies as at and for the year ended 31 March 2019, and these material weaknesses have affected our opinion on the consolidated financial statements of the Group and its joint venture companies and we have issued a qualified opinion on the consolidated financial statements.

Other matters

12. We did not audit the IFCoFR in so far it relates to ten (10) subsidiaries, which are companies covered under the Act, whose financial statements reflect total assets of ₹ 361,928.40 lakhs and net liabilities of ₹ 50,253.60 lakhs as at 31 March 2019 and total revenues of ₹ 45,449.62 lakhs and net cash outflows of ₹ 510.38 lakhs for the year ended on that date. Our report on the adequacy and operating effectiveness of the IFCoFR for the Holding Company, its ten (10) subsidiary companies and five (5) joint venture companies, which are companies covered under the Act, under Section 143(3)(i) of the Act in so far as it relates to the aforesaid subsidiaries, which are companies covered under the Act, is solely based on the corresponding reports of the auditors of such companies.

Our opinion is not modified in respect of this matter with respect to our reliance on the work done by, and the report, of the other auditors.

13. The consolidated financial statements also include the Group's share of net loss (including other comprehensive income) of ₹ 9,809.57 lakhs for the year ended 31 March 2019, in respect of one (1) joint venture company, along with its three (3) subsidiaries, which are companies covered under the Act, whose IFCoFR have not been audited by us. The consolidated IFCoFR in so far it relates to such joint venture company have been audited by one of the joint auditors Messer's Walker Chandiok & Co LLP, Chartered Accountants, who have expressed an adverse opinion on such IFCoFR, and whose report have been furnished to us by the management and our report on the adequacy and operating effectiveness of the IFCoFR for the Holding Company, its ten (10) subsidiary companies and five (5) joint venture companies, as aforesaid, under Section 143(3)(i) of the Act in so far as it relates to the aforesaid joint venture company, is based solely on the reports of Messer's Walker Chandiok & Co LLP.

Our opinion is not modified in respect of this matter with respect to our reliance on the work done by, and the reports of, the joint auditor.

14. We did not audit the IFCoFR in so far as it relates to one (1) joint venture company, which is a company covered under the Act, in respect of which, the Group's share of net profit/(loss) (including other comprehensive income) of ₹ Nil for the year ended 31 March 2019 has been considered in the consolidated financial statements. The IFCoFR of this joint venture company, which is a company covered under the Act, is unaudited and our opinion under Section 143(3)(i) of the Act in so far as it relates to the aforesaid joint venture company, which is a company covered under the Act, is solely based on the corresponding IFCoFR report certified by the management of such company. In our opinion and according to the information and explanations given to us by the management, this financial statements are not material to the Group. Our report on adequacy and operating effectiveness of the IFCoFR of the Group does not include the IFCoFR assessment in respect of the aforesaid company.

Our opinion is not modified in respect of this matter with respect to our reliance on IFCoFR report certified by the management.

CONSOLIDATED STATEMENT OF CHANGE IN EQUITY

for the year ended 31 March 2019

Nature and purpose of reserves

i. Securities premium reserve

Securities premium reserve is used to record the premium on issue of shares. The reserve will be utilised in accordance with the provisions of the Act.

ii. Foreign currency monetary transactions

Exchange differences arising from the translation of net investments in foreign entities, and borrowings and other financial instruments.

iii. Net gain on fair value of defined benefit plans

The Group has recognised remeasurement gains/ (loss) on defined benefit plans in OCI. These changes are accumulated within the OCI reserve within retained earning.

iv. General reserve

Under the erstwhile Companies Act 1956, a general reserve was created through an annual transfer of net profit at a specified percentage in accordance with applicable regulations. Consequent to the introduction of the Companies Act, 2013, the requirement to mandatorily transfer a specified percentage of net profit to general reserve has been withdrawn.

v. Retained earnings

Retained earnings represents the profits/losses that the Group has earned / incurred till date including gain / (loss) on fair value of defined benefits plans as adjusted for distributions to owners, transfer to other reserves etc.

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements
for the year ended 31 March 2019

Note 1 Corporate Information

"Supreme Infrastructure India Limited ("the Company" or "Parent" or "SIL") having CIN L74999MH1983PLC029752 is a public company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on two recognised stock exchanges in India - the Bombay Stock Exchange and the National Stock Exchange. The registered office of the Company is located at Supreme House, Plot No. 94/C Pratap Gad, Opp. I.I.T Main Gate, Powai, Mumbai - 400076, India.

The financial statements comprises the financial statements of the Company and its subsidiaries (the Company and its subsidiaries referred to as the "Group") and its associates and joint arrangements. The Group is principally engaged in the business of providing engineering and construction of roads, highways, buildings, bridges etc. The Group also owns and operates Ready Mix Concrete ("RMC") plant, Asphalt plant and Crushing plant. These consolidated financial statements ("the financial statements") of the Group and its associates and joint arrangements for the year ended 31 March 2019 were authorised for issue in accordance with resolution of the Board of Directors on 17 September 2019."

Note 2.1 Significant Accounting Policy

(i) Basis of Preparation

"The financial statements of the Group have been prepared to comply in all material respects with the Indian Accounting Standards ("Ind AS") notified under the Companies (Accounting Standards) Rules, 2015.

The financial statements have been prepared under the historical cost convention with the exception of certain financial assets and liabilities which have been measured at fair value, on an accrual basis of accounting.

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Group as per the guidance set out in Schedule III to the Act. Operating cycle for the business activities of the Group covers the duration of the project/ contract/ service including the defect liability period, wherever applicable, and extends upto the realisation of receivables (including retention monies) within the credit period normally applicable to the respective project.

In case of certain companies of the Group, operating cycle for the business activities, based on the nature of products and time between the acquisition of assets for processing and their realization in cash or cash equivalents have been ascertained as twelve months for the purpose of current / non-current classification of assets and liabilities.

The Group's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest lakhs (INR 00,000), except when otherwise indicated."

(ii) Principles of Consolidation

The financial statements have been prepared on the following basis:

(a) Subsidiaries

"Subsidiaries are all entities over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date the control ceases.

The acquisition method of accounting is used to account for business combination by the Group.

The Group combines the separate financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, Contingent liability, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary and practicable to ensure consistency with the policies adopted by the Group.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet, respectively.

The Consolidated financial statements have been presented to the extent possible, in the same manner as Parent Company's standalone financial statements."

(b) Associates

Associates are all entities over which the Group has significant influence but no control or joint control. This is generally

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements
for the year ended 31 March 2019

the case where the Group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting, after initially being recognised at cost.

(c) Joint arrangements

"Under Ind AS 111 Joint Arrangements, investments in joint arrangements are classified as either joint operations or joint ventures. The classification depends on the contractual rights and obligations of each investor, rather than the legal structure of the joint arrangement.

Joint operations

The Group recognises its direct right to the assets, liabilities, contingent liabilities, revenues and expenses of joint operations and its share of any jointly held or incurred assets, liabilities, revenues and expenses. These have been incorporated in the financial statements under the appropriate headings.

Joint ventures

Interests in joint ventures are accounted for using the equity method, after initially being recognised at cost in the consolidated balance sheet. "

(d) Equity method

"Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in profit and loss, and the Group's share of other comprehensive income of the investee in other comprehensive income ("OCI"). Dividends received or receivable from associates and joint ventures are recognised as a reduction in the carrying amount of the investment.

When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity.

Unrealised gains on transactions between the Group and its associates and joint ventures are eliminated to the extent of the Group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary and practicable to ensure consistency with the policies adopted by the Group.

The carrying amount of the equity accounted investments are tested for impairment in accordance with the policy described in note (ix)(a)"

(e) Change in ownership interests

"The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the Group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests or reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

When the Group ceases to consolidate or equity account for an investment because of a loss of control, joint control or significant influence, any retained interest in the entity is remeasured to its fair value with the change in carrying amount recognised in profit and loss. The fair value becomes the initial carrying amount for the purposes of subsequent accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognised in OCI in respect of that entity are reclassified to profit or loss as if the Group had directly disposed of the related assets and liabilities.

If the ownership interest in a joint venture or an associate is reduced but joint control or significant influence is retained, only a proportionate share of the amounts previously recognised in OCI are reclassified to profit or loss where appropriate."

The consolidated financial statements include the respective financial statements of the Parent Company, its subsidiaries, its associates and its joint ventures as listed below:

Subsidiaries:

Supreme Infrastructure BOT Private Limited

Supreme Panvel Indapur Tollways Private Limited

Sanjose Supreme Tollways Development Private Limited (till 10 August 2018)

- (f) The financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's separate financial statements in preparing the financial statements to ensure conformity with the Group's accounting policies, wherever necessary and practicable.
- (g) Notes to the financial statements represent notes involving items which are considered material and are accordingly disclosed. Materiality for the purpose is assessed in relation to the information contained in the financial statements. Further, additional statutory information disclosed in separate financial statements of the subsidiary and/or a parent having no bearing on the true and fair view of the financial statements has not been disclosed in these financial statements.

(iii) Accounting Estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Contract estimates

The Group, being a part of construction industry, prepares budgets in respect of each project to compute project profitability. The two major components of contract estimate are 'claims arising during construction period' (described below) and

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements
for the year ended 31 March 2019

'budgeted costs to complete the contract'. While estimating these components various assumptions are considered by the management such as (i) Work will be executed in the manner expected so that the project is completed timely (ii) consumption norms will remain same (iii) Assets will operate at the same level of productivity as determined (iv) Wastage will not exceed the normal % as determined etc. (v) Estimates for contingencies (vi) There will be no change in design and the geological factors will be same as communicated and (vii) price escalations etc. Due to such complexities involved in the budgeting process, contract estimates are highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Recoverability of claims

The Group has claims in respect of cost over-run arising due to client caused delays, suspension of projects, deviation in design and change in scope of work etc., which are at various stages of negotiation/discussion with the clients or under arbitration. The realisability of these claims are estimated based on contractual terms, historical experience with similar claims as well as legal opinion obtained from internal and external experts, wherever necessary. Changes in facts of the case or the legal framework may impact realisability of these claims.

Deferred tax assets

In assessing the realizability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Group will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

Defined benefit plans

The cost and present value of the gratuity obligation and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(iv) Fair value measurement

The Group measures financial instruments, at fair value at each balance sheet date. (Refer Note 35)

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, In the most advantageous market for the asset or liability."

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs. All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements
for the year ended 31 March 2019

(i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Group's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

(v) Property, Plant and Equipment

"Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

Capital work-in-progress represents expenditure incurred in respect of assets under development and not ready for its intended use are carried at cost. Cost includes the cost of replacing part of the plant and equipment and its borrowing for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Group depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred."

(vi) Service Concession Arrangements

The Group recognises an intangible asset arising from a service concession arrangement to the extent it has a right to charge for use of the concession infrastructure. The fair value, at the time of initial recognitions of such an intangible asset received as consideration for providing construction or upgrade services in a service concession arrangement, is regarded to be its cost. Subsequent to initial recognition, the intangible assets is measured at cost, less any accumulated amortisations and accumulated impairment losses.

(vii) Intangible Assets

Intangible assets comprise of license fees and implementation cost for software and other application software acquired / developed for in-house use. These assets are stated at cost, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably, less accumulated amortisation and accumulated impairment losses, if any.

Under the Concession Agreements, where the Group has received the right to charge users of the public service, such rights are recognised and classified as "Intangible Assets (Toll Collection Rights)". Such right is not an unconditional right to receive consideration because the amounts are contingent to the extent that the public uses the service and thus are recognised and classified as intangible assets. Such an intangible asset/intangible asset under development is recognised by the Group at cost (which is the fair value of the consideration received or receivable for the construction services delivered) and is capitalized when the project is complete in all respects and when the companies receives the completion certificate from the authority as specified in the Concession Agreement.

(viii) Depreciation/ Amortisation

Depreciation/ amortisation is provided:

- a) Depreciation on property, plant and equipment is provided on straight line basis considering the useful lives prescribed in Schedule II to the Act on a pro-rata basis. However, certain class of plant and machinery used in construction projects are depreciated on a straight line basis considering the useful life determined based on the technical evaluation and the management's experience of use of the assets, that is a period of three to ten years, as against the period of nine to twenty years as prescribed in Schedule II to the Act.

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements
for the year ended 31 March 2019

- b) Leasehold land is not amortised as these are perpetual lease.
- c) Computer software and other application software costs are amortized over their estimated useful lives that is over a period of three years.
- d) Toll Collection Rights are amortised over the period of concession using revenue based amortisation as prescribed in Ind AS 38. Under this method, the carrying value of the rights is amortised in the proportion of actual toll revenue for the year to projected revenue for the balance toll period, to reflect the pattern in which the assets economic benefits will be consumed. At each balance sheet date, the projected revenue for the balance toll period is reviewed by the management. If there is any change in the projected revenue from previous estimates, the amortisation of toll collection rights is changed prospectively to reflect any changes in the estimates.

"The useful lives have been determined based on technical evaluation carried out by the management's expert, in order to reflect the actual usage of the assets. The asset's useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period. The change in estimated useful lives is a change in an accounting estimate and is applied prospectively.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount."

Impairment of Goodwill

Goodwill is tested for impairment on an annual basis and wherever there is an indication that the recoverable amount of a cash generating unit (CGU) is less than its carrying amount based on a number of factors including operation results, business plans, future cash flows and economic conditions. The recoverable amount of cash generating unit is determined based on higher of value-in-use and fair value less cost to sell.

(ix) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a Financial Assets

Initial Recognition

Financial assets, not recorded at fair value through profit or loss (FVPL), are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

Financial Assets at Amortised Cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

Financial Assets Measured at Fair Value

"Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

In respect of equity investments (other than for investment in subsidiaries and associates) which are not held for trading, the Group has made an irrevocable election to present subsequent changes in the fair value of such instruments in OCI. Such an election is made by the Group on an instrument by instrument basis at the time of transition for existing equity instruments/ initial recognition for new equity instruments.

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements
for the year ended 31 March 2019

Financial asset not measured at amortised cost or at fair value through OCI is carried at FVPL."

Impairment of Financial Assets

"In accordance with Ind AS 109, the Group applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between after contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e. after all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expense in the Statement of Profit and Loss."

De-recognition of Financial Assets

"The Group de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received."

b Equity Instruments and Financial Liabilities

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

Financial Liabilities

1) Initial Recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

2) Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at FVPL

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements
for the year ended 31 March 2019

Loss.

Financial guarantee contracts issued by the Group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation. Amortisation is recognised as finance income in the Statement of Profit and Loss.

Financial liabilities at amortised cost

"After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

Where the Group issues optionally convertible debentures, the fair value of the liability portion of such debentures is determined using a market interest rate for an equivalent non-convertible debenture. This value is recorded as a liability on an amortised cost basis until extinguished on conversion or redemption of the debentures. The remainder of the proceeds is attributable to the equity portion of the instrument. This is recognised and included in shareholders' equity (net of income tax) and are not subsequently re-measured.

Where the terms of a financial liability is re-negotiated and the Group issues equity instruments to a creditor to extinguish all or part of the liability (debt for equity swap), a gain or loss is recognised in the Statement of Profit and Loss; measured as a difference between the carrying amount of the financial liability and the fair value of equity instrument issued."

3) De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

c. Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

(x) Employee Benefits

a Defined Contribution Plan

Contributions to defined contribution schemes such as provident fund, employees' state insurance and labour welfare fund are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Group has no further obligations beyond the monthly contributions.

b Defined Benefit Plan

The Group also provides for gratuity which is a defined benefit plan, the liabilities of which is determined based on valuations, as at the balance sheet date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognised in the OCI, in the period in which they occur. Re-measurement recognised in OCI are not reclassified to the Statement of Profit and Loss in subsequent periods. Past service cost is recognised in the Statement of Profit and Loss in the year of plan amendment or curtailment. The classification of the Group's obligation into current and non-current is as per the actuarial valuation report.

c Leave entitlement and compensated absences

Accumulated leave which is expected to be utilised within next twelve months, is treated as short-term employee benefit. Leave entitlement, other than short term compensated absences, are provided based on a actuarial valuation,

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements
for the year ended 31 March 2019

similar to that of gratuity benefit. Re-measurement, comprising of actuarial gains and losses, in respect of leave entitlement are recognised in the Statement of Profit and Loss in the period in which they occur.

d Short-term Benefits

Short-term employee benefits such as salaries, wages, performance incentives etc. are recognised as expenses at the undiscounted amounts in the Statement of Profit and Loss of the period in which the related service is rendered. Expenses on non-accumulating compensated absences is recognised in the period in which the absences occur.

(xi) Inventories

The stock of construction materials is valued at cost or net realisable value, whichever is lower. Cost is determined on weighted average basis and includes all applicable cost of bringing the goods to their present location and condition. Net realisable value is estimated selling price in ordinary course of business less the estimated cost necessary to make the sale.

(xii) Cash and Cash Equivalents

Cash and cash equivalents in the Balance Sheet comprises of cash at banks and on hand and short-term deposits with an original maturity of three month or less, which are subject to an insignificant risk of changes in value.

(xiii) Segment Reporting

"Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

Revenue and expenses directly attributable to segments are reported under each reportable segment. Expenses which are not directly identifiable to each reporting segment are allocated on the basis of associated revenue of the segment and manpower efforts. All other expenses which are not attributable or allocable to segments are disclosed as unallocable expenses. Assets and liabilities that are directly attributable or allocable to segments are disclosed under each reportable segment and all other assets and liabilities are disclosed as unallocable. Property, plant and equipment that could be used interchangeably among segments are not allocated to reportable segments."

(xiv) Borrowing Costs

"Borrowing costs consist of interest and other costs that the Group incurs in connection with the borrowing of funds. Also, the EIR amortisation is included in finance costs.

Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the Statement of Profit and Loss in the period in which they occur.

Capitalisation of borrowing costs ceases when substantially all the activities necessary to prepare the asset for its intended use or sale are complete. Capitalisation of borrowing cost is suspended during extended periods in which active development is interrupted unless that period is a necessary part of the process for the construction of the asset."

(xv) Foreign Exchange Translation of Foreign Projects and Accounting of Foreign Exchange Transaction

a Initial Recognition

Foreign currency transactions are initially recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. However, for practical reasons, the Group uses a monthly average rate if the average rate approximate is the actual rate at the date of the transactions.

b Conversion

Monetary assets and liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

c Treatment of Exchange Difference

Exchange differences arising on settlement/ restatement of short-term foreign currency monetary assets and liabilities of the Group are recognised as income or expense in the Statement of Profit and Loss.

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements
for the year ended 31 March 2019

"Exchange differences arising on long-term foreign currency monetary items related to acquisition of a fixed asset are capitalised and depreciated over the remaining useful life of the asset and exchange differences arising on other long-term foreign currency monetary items are accumulated in the "Foreign Currency Monetary Translation Account" and amortised over the remaining life of the concerned monetary item."

d Group companies

"The results and financial position of foreign operations (none of which has the currency of a hyperinflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

1. assets and liabilities are translated at the closing rate at the date of the balance sheet
2. income, expenses and cash flow items are translated at average exchange rates for the respective periods; and
3. All resulting exchange differences are recognised in OCI.

When a subsidiary is disposed off, in full, the relevant amount is transferred to the Statement of Profit and Loss. However, when change in the parent's ownership does not result in loss of control of a subsidiary, such changes are recorded through equity."

On consolidation, exchange differences arising from the translation of any net investment in foreign entities, and borrowings and other financial instrument designated as hedges of such investment, are recognised in OCI. When a foreign operation is sold, the associated exchange differences are reclassified to profit or loss, as part of the gain or loss on sale.

Goodwill and fair value adjustments arising on the acquisition of a foreign operation are treated as assets and liabilities of the foreign operation and translated at the closing exchange rate.

(xvi) Revenue Recognition

a Accounting of Construction Contracts

"Effective 1 April 2018, the Group adopted Ind AS 115 "Revenue from Contracts with Customers" using the cumulative catch-up transition method, applied to contracts that were not completed as of 1 April 2018. In accordance with the cumulative catch-up transition method, the comparatives have not been retrospectively adjusted. On account of adoption of IND AS 115 there is an increase in retained earning on account of reversal of discounting of retention deposit by ₹ 53.88 lakhs. On account of adoption of Ind AS 115, unbilled work-in-progress (contract asset) as at 31 March 2019 has been considered as non-financial asset and accordingly classified under other current assets.

The Group follows the percentage completion method, on the basis of physical measurement of work actually completed at the balance sheet date, taking into account the contractual price and revision thereto by estimating total revenue and total cost till completion of the contract and the profit so determined has been accounted for proportionate to the percentage of the actual work done. Unbilled work for projects under execution as at balance sheet date are valued at cost less provision for estimated losses, if any. The costs of projects in respect of which revenue is recognised under the Group's revenue recognition policies but have not been billed are adjusted for the proportionate profit recognized. The cost comprise of expenditure incurred in relation to execution of the project. "

Revenue is recognised as follows:

- ♦ In case of item rate contracts on the basis of physical measurement of work actually completed, at the Balance Sheet date.
- ♦ In case of Lump sum contracts, revenue is recognised on the completion of milestones as specified in the contract or as identified by the management.

Foreseeable losses are accounted for as and when they are determined except to the extent they are expected to be recovered through claims presented or to be presented to the customer or in arbitration.

Advance payments received from contractee for which no services are rendered are presented as 'Advance from contractee'.

b Accounting of Supply Contracts-Sale of Goods

Revenue from supply contract is recognised when the substantial risk and rewards of ownership is transferred to the buyer, which is generally on dispatch, and the collectability is reasonably measured. Revenue from product sales are

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements
for the year ended 31 March 2019

shown as net of all applicable taxes and discounts.

c Accounting for Claims

Claims are accounted as income in the period of receipt of arbitration award or acceptance by client or evidence of acceptance received.

d Dividend Income

Dividend is recognised when the right to receive the payment is established, which is generally when shareholders approve the dividend.

e Finance and Other Income

Finance income is accrued on a time proportion basis, by reference to the principal outstanding and the applicable EIR. Other income is accounted for on accrual basis. Where the receipt of income is uncertain, it is accounted for on receipt basis.

f Revenue from Rent

Rent is recognised on time proportionate basis.

g Toll Revenue

Income from toll collection are recognised on actual collection of toll revenue. However, in case of monthly coupons, income is recognised proportionate to the utilisation till the date of balance sheet.

h Compensation from Government Authorities

Compensation towards loss of revenue from exempted vehicles, granted by the government (competent) authority, is accrued as other operating revenue in the period for which they are receivable.

(xvii) Income Tax

Income tax comprises of current and deferred income tax. Income tax is recognised as an expense or income in the Statement of Profit and Loss, except to the extent it relates to items directly recognised in equity or in OCI.

a. Current Income Tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the applicable income tax rate for each jurisdiction. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

b Deferred Income Tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

"Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously."

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, to the extent it would be available for set off against future current income tax liability. Accordingly, MAT is recognised as deferred tax assets in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements
for the year ended 31 March 2019

(xviii) Leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership over the leased term, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term except where the lease payments are structured to increase in line with expected general inflation. Assets acquired on finance lease are capitalised at fair value or present value of minimum lease payment at the inception of the lease, whichever is lower.

(xix) Impairment of Non-Financial Assets

As at each Balance Sheet date, the Group assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Group determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- ♦ In case of an individual asset, at the higher of the assets' fair value less cost to sell and value in use; and
- ♦ In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of cash generating unit's fair value less cost to sell and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified to the asset. In determining fair value less cost to sell, recent market transaction are taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation.

When the Group considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the Statement of Profit and Loss.

(xx) Trade receivables

A receivable is classified as a 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the EIR method, less provision for impairment.

(xxi) Trade payables

A payable is classified as a 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Group prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within the normal operating cycle after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method.

(xxii) Earnings Per Share

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements
for the year ended 31 March 2019

(xxiii) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Group has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

Contingent assets are disclosed where an inflow of economic benefits is probable.

(xxiv) Resurfacing expenses

As per the Service Concession Agreements, the Group is obligated to carry out resurfacing of the roads under concession. The Group estimates the likely provision required towards resurfacing and accrues the costs over the period at the end of which resurfacing would be required, in the statement of profit and loss in accordance with Ind AS 37 "Provisions, Contingent Liabilities and Contingent Assets".

(xxv) Exceptional Items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

Note 2.2 Recent accounting pronouncements

1. Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments :

On 30 March 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

The standard permits two possible methods of transition - i) Full retrospective approach – Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight and ii) Retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives.

The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after 1 April 2019. The Group will adopt the standard on 1 April 2019 and has decided to adjust the cumulative effect in equity on the date of initial application i.e. 1 April 2019 without adjusting comparatives.

The effect on adoption of Ind AS 12 Appendix C would be insignificant in the financial statements.

2. Ind AS - 116 Leases-

"Ind AS 116 will replace the existing leases standard , Ind AS 17 Leases. Ind AS 116 sets out the principles for the recognition , measurement , presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lessee accounting model for lessees. A lessee recognises right-of-use asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17 .

Ind AS 116 will come into force from 1 April 2019. The Group is evaluating the requirement of the new Ind AS and the impact on the financial statements. The effect on adoption of Ind AS 116 is expected to be insignificant."

Note 4.1 Impairment testing for goodwill

Goodwill is tested for impairment annually in accordance with the Group's procedure for determining the recoverable amount of such assets. The recoverable amount of the assets/CGU is based on value in use. The value in use is determined based on discounted cash flow projections. The fair value measurement has been categorised as level 3 fair value based on the inputs to the valuation technique used. The cash flow projections include specific estimates for five years and terminal growth rate thereafter. The terminal growth rate has been determined based on management's estimates of the EBITDA margins. Goodwill recognized in accordance with the requirement of Ind AS 103 on acquisition of a subsidiary, Supreme Mega Structure Private Limited was tested for impairment. As there is no promising business prospect which justifies its operational viability, accordingly, entire amount aggregating ₹ 270.42 lakhs recognised as goodwill has been impaired during the year ended 31 March 2019.

Closing as at 31 March 2019	204,574.20

Note 5.1

In respect of Supreme Suyog Funnicular Ropeways Private Limited ("SSFRPL"), Intangible Assets under Development (IAUD) as at 31 March 2019 represents amounts aggregating 12,321.89 lakhs, substantially being carried from earlier years in respect of a project presently under construction. The commercial operation date (COD) of the project was delayed due to various reasons attributable to the client primarily due to nonavailability of right of way, environmental clearances etc. and having regard to the same the Client has already extended the time for completion of project upto 31 December 2018. SSFRPL has now received the requisite right of way, however, considering the substantial delay caused, SSFRPL has applied for further extension of time upto 30 September 2019 for completion of the project, approval for which is presently awaited and the Management is confident of getting the same approved from Client. Considering the contractual tenability and independent valuation, management is confident of realization of the carrying value of the costs incurred without any loss to the SSFRPL and accordingly believes that no adjustments are required to the carrying value of the IAUD as at 31 March 2019.

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements for the year ended 31 March 2019

Note 6.3 The Company has pledged the following shares/ debentures in favour of the lenders as a part of the financing agreements for facilities taken by the Company, subsidiaries, jointly controlled entities and associate as indicated below:

Name of the Company	No. of equity shares pledged	
	31 March 2019	31 March 2018
Rudranee Infrastructure Private Limited	8,462,385	8,462,385
Kalyan Sangam Infratech Limited	390,625	390,625
Supreme Infrastructure BOT Holdings Private Limited	789,999	789,999
	No. of preference shares pledged	
	31 March 2019	31 March 2018
Supreme Infrastructure BOT Holdings Private Limited	95,000	95,000
Kalyan Sangam Infratech Limited	609,375	609,375

Note 6.4 Supreme Infrastructure BOT Private Limited ('SIBPL'), a subsidiary company, is having various Build, Operate and Transfer (BOT) SPVs under its fold. While SIBPL has incurred losses during its initial years and has accumulated losses, causing the net worth of the entity to be fully eroded as at 31 March 2019, the underlying projects are expected to achieve adequate profitability on substantial completion of the underlying projects. Further, commercial operation date (COD) in respect of few subsidiaries of SIBPL has been delayed due to various reasons attributable to the clients primarily due to non-availability of right of way, environmental clearances etc. and in respect of few subsidiaries of SIBPL, the toll receipts is lower as compared to the projected receipts on account of delay in receiving compensation from government for exempted vehicles. Further, there have been delays in repayment of principal and interest in respect of the borrowings and the respective entities is in discussion with their lenders for the restructuring of the loans. Management is in discussion with the respective lenders, clients for the availability of right of way and other required clearances and is confident of resolving the matter without any loss to the respective SPVs. Therefore, based on certain estimates like future business plans, growth prospects, ongoing discussions with the clients and consortium lenders, the valuation report of the independent valuer and other factors, Management believes that the net-worth of SIBPL does not represent its true market value and the realizable amount of SIBPL is higher than the carrying value of its net assets as at 31 March 2019 and due to these, the Group's carrying value of net assets (capital employed) amounting to ₹ 126,960.70 lakhs and non controlling interest amounting to ₹ 6,166.45 lakhs is considered as good and recoverable.

Note 6.5 The Group cease to have significant influence as the company has been referred for liquidation w.e.f 10 August 2018.

Note 7. Loans

Total trade receivables	69,750.88	108,802.89

Note 13.3 Trade receivables as at 31 March 2019 include ₹ 41,075.63 lakhs (31 March 2018: ₹ 55,396.37 lakhs), in respect of projects which were closed/substantially closed and which are overdue for a substantial period of time. Based on the contract terms and the ongoing recovery/ arbitration procedures (which are at various stages), Management is reasonably confident of recovering these amounts in full. Accordingly, these amounts have been considered as good and recoverable

Note 13.4 Trade receivables as at 31 March 2019 includes ₹ 993.35 lakhs (31 March 2018: ₹ 1,995.26 lakhs) due from private companies in which the Company's director is a director or a member.

Note 13.5 Trade receivables are non-interest bearing and are generally on terms of 30 to 90 days.

Note 13.6 The Group recognises lifetime expected credit losses on trade receivables using a simplified approach by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in provision matrix.

Movement in allowance for credit losses of receivables are as follows :

Total borrowings	331,954.04	318,649.86

Note: For security details and terms of repayment, refer notes 17.3 and 17.8 below.

Note 17.1 In September 2014, the Joint Lenders Forum (JLF) lead by State Bank of India (SBI) had appraised a Corporate Loan to the Company out of which part amount was sanctioned and disbursed by SBI and the balance was to be tied up with other lenders under exclusive security. Pending tie up with the other lenders, the JLF decided to incorporate one-time restructuring under the JLF mode of the entire borrowings of the Company. During the year ended 31 March 2016, based on the direction of the Reserve Bank of India (RBI) during its Assets Quality Review, borrowings from SBI were classified as Non-Performing Assets (NPA). Consequent to the classification of borrowings as NPA by SBI, borrowings from other consortium lenders got classified as NPA during the year ended 31 March 2017, however, the lenders have not recalled or initiated recovery proceedings for the existing facilities, at present. Considering, the classification of borrowing as NPA, certain lenders are not accruing interest while providing account statements of the borrowings, whereas the Company, on prudence, has accrued interest expenses at rates specified in the agreement with the respective lenders/ latest available sanction letters received from such lenders. (Also, refer note 33)

Note 17.2 Contractual loan principal amounting to ₹ 68,041.82 lakhs (31 March 2018: ₹ 25,021.74 lakhs) and the interest amount of ₹ 145,201.02 lakhs (31 March 2018: ₹ 74,838.04 lakhs) respectively is due and outstanding to be paid as at 31 March 2019."

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements
for the year ended 31 March 2019

Note 17.3 Terms of repayment and details of security

(A) Interest rate and terms of repayment

Restructured rupee term loans (RTL)

RTL carry an interest rate of SBI Base Rate+1% plus interest tax (11% as at 31 March 2019) to be reset after a moratorium period of 2 years. These loans are repayable in 32 structured quarterly instalments commencing 31 December 2016 and ending on 30 September 2024.

Working capital term loan (WCTL)

These loans carry an interest rate of SBI Base Rate+1% plus interest tax (11 % as at 31 March 2019) to be reset after a moratorium period of 2 years. These loans are repayable in 20 structured quarterly instalments commencing 31 December 2016 and ending on 30 September 2021.

Funded interest term loan (FITL-I), (FITL-II) and (FITL-III)

These loans carry an interest rate of SBI Base Rate+1% plus interest tax (10.30 % as at 31 March 2019) to be reset after a moratorium period of 2 years. These loans are repayable in 20 structured quarterly instalments commencing 31 December 2016 and ending on 30 September 2021.

(B) Security created in respect of RTL/WCTL/FITL

I Borrowings from ICICI Bank are secured by the following:

(i) Exclusive security interest in the form of:

- Pledge of NIL shares (31 March 2018: 474,829 shares) of the Company

Note 17.9 In respect of Supreme Manor Wada Bhiwandi Infrastructure Private Limited ('SMWBIPL') a subsidiary company, consequent to the notification issued by the Government of Maharashtra (GoM) dated 26 May 2015 exempting Light Motor Vehicles from toll collection and another notification issued during the demonetisation period for suspending toll collection on all the vehicles during the period from 9 November 2016 to 2 December 2016, which resulted in substantial shortfall in revenue, and delay in payment due to its lenders. In order to avoid the classification of borrowings as NPA, lenders have invoked Strategic Debt Restructuring (SDR) with reference date of 24 November 2016. Subsequent to year ended 31 March 2017, the bankers have acquired 51% of equity share capital in SMWBIPL. SMWBIPL's has filed claims with the relevant authority for the compensation towards the loss of revenue due to matters stated as above. The management believes that the matter will be resolved amicably with the lenders including regaining majority stake in this subsidiary once the compensation is received.

Note 20.1 Security for cash credit facilities:

Cash credit facilities availed from bankers carries an interest rate of 13% per annum and are secured by hypothecation charge on the current assets of the Group on first pari passu basis with existing and proposed working capital lenders in consortium arrangement. These facilities are further secured by way of certain collaterals, on pari passu basis, provided by the Company including personal guarantee of Company's directors and corporate guarantee of BHS Housing Private Limited and Supreme Housing & Hospitality Private Limited.

The securities towards cash credit facilities also extends to the guarantees given by the banks on behalf of the Company aggregating ₹ 16,844.04 lakhs (31 March 2018: ₹ 24,894.09 lakhs).

Note 20.2 Non-current borrowings, short-term borrowings and other current financial liabilities as at 31 March 2019 include balances amounting to Nil (31 March 2018: ₹ 9,324.24 lakhs), Nil (31 March 2018: ₹ 294.21 lakhs) and ₹ 11,925.03 lakhs (31 March 2018: ₹ 11,510.27 lakhs), respectively in respect of which confirmations/statements from the respective lenders have not been received. In the absence of confirmations/statements from the lenders, the Company has provided for interest and other penal charges on these borrowings based on the latest communication available from the respective lenders at the interest rate specified in the agreement. The Company's management believes that amount payable on settlement will not exceed the liability provided in books in respect of these borrowings. Accordingly, classification of these borrowings into current and non-current as at 31 March 2019 is based on the original maturity terms stated in the agreements with the lenders.

Note 20.3 In case of Supreme Vasai Bhiwandi Tollways Private Limited ("SVBTPL"), a subsidiary company, current Maturities of long term borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating ₹ 10,255.23 lakhs and ₹ 3,355.47 lakhs, respectively in respect of which direct confirmations from the respective lenders have not been received. Further, out of these balance, current maturities of long term borrowings and other current financial liabilities amounting to ₹ 2,277 lakhs and ₹ 267.25 lakhs, respectively, represent loans which were classified as Non-Performing Assets (NPAs) by the lenders. In the absence of confirmations from the lenders, SVBTPL has provided for interest and other penal charges on these borrowings based on the latest communication available from the respective lenders at the interest rate specified in the agreement. Management believes that amount payable on settlement will not exceed the liability provided in books in respect of these borrowings. Further, certain lenders have not recalled or initiated recovery proceedings for the existing facilities at present. Accordingly, classification of these borrowings into current and non-current as at 31 March 2019 is based on the original maturity terms stated in the agreements with the lenders.

Note 20.4 In case of Kotkapura Muktsar Tollways Private Limited ("KMTPL"), a subsidiary company, current maturities of non-current borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating ₹ 356.47 lakhs and ₹ 96.23 lakhs, respectively in respect of which direct confirmations from the respective lenders have not been received. Further, out of these balance, current maturities of non-current borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating to ₹ 356.47 lakhs and ₹ 96.23 lakhs, respectively, represent loans which were classified as Non-Performing Assets (NPAs) by the lenders. In the absence of confirmations from the lenders, KMTPL has provided for interest and other penal charges on these borrowings based on the latest communication available from the respective lenders at the interest rate specified in the agreement. Management believes that amount payable on settlement will not exceed the liability provided in books in respect of these borrowings. Further, certain lenders have not recalled or initiated recovery proceedings for the existing facilities at present. Accordingly, classification of these borrowings into current and

non-current as at 31 March 2019 is based on the original maturity terms stated in the agreements with the lenders.

Note 20.5 Note 20.5 In case of Kopargaon Ahmednagar (Phase 1) Tollways Private Limited ("KATPL"), a subsidiary company, current maturities of non-current borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating ₹ 404.38 lakhs and ₹ 95.71 lakhs, respectively in respect of which direct confirmations from the respective lenders have not been received. Further, out of these balance, current maturities of non-current borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating to ₹ 404.38 lakhs and ₹ 95.71 lakhs, respectively, represent loans which were classified as Non-Performing Assets (NPAs) by the lenders. In the absence of confirmations from the lenders, KATPL has provided for interest and other penal charges on these borrowings based on the latest communication available from the respective lenders at the interest rate specified in the agreement. Management believes that amount payable on settlement will not exceed the liability provided in books in respect of these borrowings. Further, certain lenders have not recalled or initiated recovery proceedings for the existing facilities at present. Accordingly, classification of these borrowings into current and non-current as at 31 March 2019 is based on the original maturity terms stated in the agreements with the lenders.

Note 21 Trade payables

₹ In Lakhs

	As at 31 March 2019	As at 31 March 2018
- Total outstanding dues of Micro Enterprises and Small Enterprises	123.18	122.20

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements for the year ended 31 March 2019

Note 31.1 Non-cumulative redeemable preference shares do not qualify as potential equity shares outstanding during the periods, based on the present conditions prevalent, and hence have not been considered in the determination of diluted earnings per share.

Note 32 Contingent liabilities and commitments

A. Contingent liabilities

₹ in Lakhs

	As at 31 March 2019	As at 31 March 2018
(i) Claims not acknowledged as debts including cases where petition for winding up has been filed against the Group	725.22	725.22
(ii) Corporate guarantee given to banks on behalf of associates/jointly controlled entities	19,400.00	19,400.00
(iii) Service tax liability that may arise in respect of matters in appeal	11,987.26	7,270.26

(iv) Provident Fund:

Based on the judgement by the Honorable Supreme Court dated 28 February 2019, past provident fund liability, is not determinable at present, in view of uncertainty on the applicability of the judgement to the Group with respect to timing and the components of its compensation structure. In absence of further clarification, the Group has been legally advised to await further developments in this matter to reasonably assess the implications on its financial statements, if any.

It is not practicable for the Group to estimate the timings of cash outflows, if any, in respect of the above pending resolution of the respective proceedings. The Group does not expect any reimbursements in respect of the above contingent liabilities except in respect of matter stated in (iv) above. Future cash outflows in respect of the above are determinable only on receipt of judgments / decisions pending with various forums / authorities. The Group does not expect any outflow of economic resources in respect of the above and therefore no provision is made in respect thereof.

B. Commitments

- The Group has entered into agreements with various government authorities and semi government corporations to develop roads on Build-Operate-Transfer (BOT) and Public Private Partnership (PPP) basis through certain subsidiary entities, jointly controlled entities and associate company. The Group has a commitment to fund the cost of developing the infrastructure through a mix of debt and equity as per the estimated project cost.
- The Company along with its jointly controlled entity, Supreme Infrastructure BOT Holdings Private Limited, has given an undertaking to the lenders of Supreme Best Value Kolhapur (Shiroli) Sangli Tollways Private Limited, Supreme Ahmednagar Karmala Tembhurni Tollways Private Limited and Supreme Kopergaon Ahmednagar Tollways Private Limited not to dilute their shareholding below 51% during the tenure of the loan.

Note 33. On 29 March 2019, framework agreement was signed between the Company and the majority of the lenders pursuant to the sanction of the resolution plan by the lenders under the aegis of the Reserve Bank of India (RBI) circular dated 12 February 2018 and confirmation by the promoters to infuse additional funds, (wherein out of the total estimated debt ₹ 304,520 lakhs existing as at reference date i.e. 31 August 2018 ₹ 100,000 lakhs is to be classified as sustainable debt to be serviced as per the existing terms and conditions and the remainder is to be converted into fully paid up equity shares and cumulative redeemable preference shares). While rest of the lenders were in the process of sanctioning the Resolution Plan, on 2 April 2019, the aforesaid circular has been held ultra vires to existing banking regulations, by the Honourable Supreme Court of India. On 7 June 2019, RBI has issued revised circular for resolution of the stressed assets, basis which the majority lenders have signed the Inter-Creditor agreement (ICA) and are in the process of executing the revised resolution plan. Further, the Group has incurred a net loss after tax of ₹ 142,320.73 lakhs during the year ended 31 March 2019 and, has also suffered losses from operations during the preceding financial years and of that date, the Group's accumulated losses amounts to ₹ 251,038.91 lakhs and its current liabilities exceeded its current assets by ₹ 366,321.32 lakhs. The Group also has external borrowings from banks and financial institutions, principal and interest repayment of which has been delayed during the current period. Pending execution of the revised resolution plan as discussed above, the aforesaid conditions, indicate existence of material uncertainty that may cast significant doubt on the Group's ability to continue as a going concern due to which the Group may not be able to realise its assets and discharge its liabilities in the normal course of business. However, on expectation of execution and implementation of the aforesaid revised resolution plan, further fund infusion by the promoters and business growth prospects once revised guidelines are issued by the RBI, Management has prepared the financial results on a "Going Concern" basis."

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements for the year ended 31 March 2019

Note 34. Interests in other entities

a) Joint operations (incorporated)

The Group's share of interest in joint operations as at 31 March 2019 is set out below. The principal place of business of all these joint operations is in India.

Name of the entity	% of ownership interest held by the Group		Name of the ventures' partner	Principal activities
	As at 31 March 2019	As at 31 March 2018		
Supreme Infrastructure BOT Holdings Private Limited	51.00	51.00	Strategic Road Investments Limited	Toll Management
Sanjose Supreme Tollways Development Private Limited	96.10	96.10	Constructora Sanjose S.A.	Toll Management

* w.e.f 10 August 2018, the Group cease to have significant influence as the company has been referred for liquidation

i) Classification of joint arrangements

The joint venture agreements in relation to the above mentioned joint operations require unanimous consent from all the parties for all relevant activities. All co-venturers have direct rights to the assets of the joint venture and are also jointly and severally liable for the liabilities incurred by the joint venture. These joint ventures are therefore classified as a joint operations and the Group recognises its direct right to the jointly held assets, liabilities, revenue and expenses. In respect of these contracts, the services rendered to the joint ventures are accounted as income on accrual basis.

ii) Summarised balance sheet

b) Joint operations on work sharing basis

Contracts executed in joint venture under work sharing arrangement (consortium) is set out below. The principal place of business of all these arrangements is in India and are engaged in construction business.

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements for the year ended 31 March 2019

Name of the Joint Venture	Description of interest	Company's share
Supreme - MBL JV	Lead JV partner	60%
Supreme - BKB - Deco JV	Lead JV partner	60%
Supreme - J Kumar JV	Lead JV partner	60%
Supreme Mahavir JV	Lead JV partner	55%
Petron - Supreme JV	Minority JV partner	45%
Supreme Zanders JV	Lead JV partner	51%
Supreme Brahmaputra JV	Equal JV partner	50%
Supreme Modi JV	Lead JV partner	51%
Supreme Siddhi JV	Equal JV partner	50%

Classification of work executed on sharing basis

Contracts executed in joint venture under work sharing arrangement (consortium) is accounted to the extent work executed by the Group as that of an independent contract.

Note 35. Financial instruments

"The fair value of the financial assets are included at amounts at which the instruments could be exchanged in a current transaction between willing parties other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair value:

(a) Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, approximate their carrying amounts largely due to the short-term maturities of these instruments

(b) Financial instruments with fixed and variable interest rates are evaluated by the Group based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for the expected losses of these receivables."

VSB Infracorp Private Limited

Rudranee Infrastructure Limited (Refer note 4 below)

Sanjose Supreme Tollways Development Private Limited (w.e.f 10 August 2018) (Refer note 1)

Note1: w.e.f 10 August 2018, the Group cease to have significant influence as the company has been referred for liquidation.

Note2: Though the Group's investment in these entities exceed 50% of the total share capital, these entities have been classified as jointly controlled entities. The management has assessed whether or not the group has control over these entities based on whether the group has practical ability to direct relevant activities unilaterally. In these cases, based on specific shareholders agreement, the management concluded that the group does not have practical ability to direct the relevant activities unilaterally but has such ability along with the other shareholders.

Note 3: The lenders of the respective entity had invoked Strategic Debt Restructuring ('SDR') and as a result 51% of equity shares have been transferred to lenders from the promotor group in accordance with the Reserve Bank of India ('RBI') guidelines. This conversion of debt into equity by the lenders is only protective in nature but not participative.

Note 4: Though the Group's share in investment in Rudranee Infrastructure Limited is 40.20% but there is no significant control over the entity by the virtue of agreement hence the same is considered as other related party.

Note 38 Financial risk management objectives and policies

The Group's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Group's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

i Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk. Major financial instruments affected by market risk includes loans and borrowings.

a. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's total debt obligations with floating interest rates.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Group's loss before tax is affected through the impact on floating rate borrowings, as follows:

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements for the year ended 31 March 2019

₹ In Lakhs

	31 March 2019	31 March 2018
Increase in basis points	50 basis points	50 basis points
Effect on loss before tax, increase by	2,355.45	2,226.88
Decrease in basis points	50 basis points	50 basis points
Effect on loss before tax, decrease by	2,355.45	2,226.88

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

b. Foreign currency risk

The Group does not have any significant outstanding balances in foreign currency and consequently the Group's exposure to foreign exchange risk is less. Although, the exchange rate between the rupee and foreign currencies has changed substantially in recent years, it has not affected the results of the Group. The Group evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies. Accordingly, the Company does not have any unhedged foreign currency exposures.

c. Equity price risk

The Group's non-listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Group manages the equity price risk through diversification and by placing limits on individual and total equity instruments. Reports on the equity portfolio are submitted to the Company's senior management on a regular basis. The Company's Board of Directors reviews and approves all equity investment decisions.

Credit risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure of the financial assets are contributed by trade receivables, unbilled work-in-progress, cash and cash equivalents and receivable from group companies.

a. Equity price risk

Credit risk on trade receivables and unbilled work is limited as the customers of the Group mainly consists of the government promoted entities having a strong credit worthiness. For other customers, the Group uses a provision matrix to compute the expected credit loss allowance for trade receivables and unbilled work. The provision matrix takes into account available external and internal credit risk factors such as credit ratings from credit rating agencies, financial condition, ageing of accounts receivable and the Group's historical experience for customers.

The following table gives details in respect of percentage of revenues generated from government promoted agencies and others.

Particulars	31 March 2019 %	31 March 2018 %
Revenue from government promoted agencies	81.80	76.65
Revenue from others	18.20	23.35
	100.00	100.00

The following table gives details in respect of contract revenues generated from the top customer and top 5 customers for the year ended:

₹ in Lakhs

	31 March 2019	31 March 2018
Revenue from top customer	19,346.09	24,119.96
Revenue from top five customers	31,921.46	46,383.15

For the year ended 31 March 2019, One (31 March 2018: One) customer, individually, accounted for more than 10% of the revenue.

The movement of the allowance for lifetime expected credit loss over the financial asset except trade receivable is stated below: ^

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements for the year ended 31 March 2019

₹ in Lakhs

	31 March 2019	31 March 2018
Balance at the beginning of the year	2,476.60	180.00
Charge in the statement of profit and loss	-	2,296.60
Release to statement of profit and loss	-	-
Balance at the end of the year	2,476.60	2,476.60

^ Refer note 13.6 for movement in allowance for lifetime expected credit loss over trade receivables.

- b Credit risk on cash and cash equivalents is limited as the Group generally invest in deposits with banks and financial institutions with high credit ratings.

iii Liquidity risk

Liquidity is defined as the risk that the Group will not be able to settle or meet its obligations on time or at a reasonable price. The Group's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Group's net liquidity position through rolling forecasts on the basis of expected cash flows.

The table below provides details regarding the contractual maturities of significant financial liabilities:

₹ In Lakhs

Particulars	On demand	Less than 1 year	1 - 5 years	More than 5 years	Total
As at 31 March 2019					
Borrowings (including interest accrued)	139,136.23	269,970.00	192,146.56	17,509.16	618,761.95
Trade payables	-	16,115.87	-	-	16,115.87

Other financial liabilities	-	12,902.87	-	-	12,902.87
	126,726.74	153,587.67	92,090.06	181,002.92	553,407.39

Note 39 Capital management

For the purpose of the Group's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Group. The Group strives to safeguard its ability to continue as a going concern so that they can maximise returns for the shareholders and benefits for other stake holders. The aim to maintain an optimal capital structure and minimise cost of capital.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may return capital to shareholders, issue new shares or adjust the dividend payment to shareholders (if permitted). Consistent with others in the industry, the Group monitors its capital using the gearing ratio which is total debt divided by total equity attributable to owners of the parent plus total debts.

₹ in Lakhs

	As at 31 March 2019	As at 31 March 2018
Total debts	618,761.95	520,717.74
Equity attributable to owners of the parent	(224,916.42)	(81,110.27)
Total debts to equity ratio (Gearing ratio)	157.11%	118.45%

In the long run, the Group's strategy is to maintain a gearing ratio between 60% to 75%.

SUMMARY OF SIGNIFICANT ACCOUNTING

policies and other explanatory information to the consolidated financial statements for the year ended 31 March 2019

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the borrowings that define the capital structure requirements. Breaches in meeting the financial covenants would permit the lenders to immediately call loans and borrowings. Subsequent to restructuring of the borrowings as stated in Note 17, there have been no communications from the banks in this regard which might have a negative impact on the gearing ratio.

Note 40 Disclosure relating to employee benefits as per Ind AS 19 'Employee Benefits'

A Defined benefit obligations - Gratuity (unfunded)

The gratuity plan is governed by the Payment of Gratuity Act, 1972 under which an employee who has completed five years of service is entitled to specific benefits. The level of benefits provided depends on the member's length of service and salary at retirement age.

₹ in Lakhs

	Year ended 31 March 2019	Year ended 31 March 2018
a) Changes in defined benefit obligations		
Present value of obligation as at the beginning of the year	179.30	318.01
Interest cost	14.67	24.70
Current service cost	30.37	60.14
Remeasurements - Net actuarial (gains)/ losses	(123.27)	(226.67)
Benefits paid	-	(11.88)
Past Service Cost	-	15.00

II. Audit Qualification (each audit qualification separately): a. Details of Audit Qualification:		(i) Auditor's Qualification on the financial results (consolidated) (a) As stated in Note 2 to the consolidated financial results, the Holding Company's current financial assets as at 31 March 2019 include trade receivables aggregating ₹ 41,075.63 lakhs (31 March 2018: ₹ 55,396.37 lakhs) in respect of projects which were closed/substantially closed and where the receivables have been outstanding for a substantial period. Management has assessed that no adjustments are required to the carrying value of the aforesaid balances, which is not in accordance with the requirements of Ind AS 109, 'Financial Instruments'. Consequently, in the absence of sufficient appropriate evidence to support the management's contention of recoverability of these balances, we are unable to comment upon the adjustments, if any, that are required to the carrying value of the aforesaid balances, and consequential impact, if any, on the accompanying consolidated financial results. Our opinion on the consolidated financial results for the year ended 31 March 2018 was also modified in respect of this matter. (b) As stated in Note 3(a) to the consolidated financial results, the Holding Company's non-current borrowings, short-term borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating Nil (31 March 2018: ₹ 9,324.24 lakhs), Nil (31 March 2018: ₹ 294.21 lakhs) and ₹ 11,925.03 lakhs (31 March 2018: ₹ 11,510.27 lakhs), respectively in respect of which confirmations/ statements from the respective lenders have not been received. These borrowings have been classified into current and non-current, basis the original maturity terms stated in the agreements which is not in accordance with the terms of the agreements in the event of defaults in repayment of borrowings. Further, whilst we have been able to perform alternate procedures with respect to certain balances, in the absence of confirmations/statements from the lenders, we are unable to comment on the adjustments, if any, that may be required to the carrying value of these balances on account of changes, if any, to the terms and conditions of the transactions, and consequential impact, on the accompanying consolidated financial results. Our opinion on the consolidated financial results for the year ended 31 March 2018 was also modified in respect of this matter. (c) As stated in Note 3(e) to the consolidated financial results, relating to the Group's carrying value of net assets (capital employed) aggregating ₹ 126,960.70 lakhs and non-controlling interest amounting to ₹ 6,166.45 lakhs as at 31 March 2019 relating to Supreme Infrastructure BOT Private Limited, a subsidiary of the Holding Company. This subsidiary is facing liquidity constraints due to which it may not be able to realize projections made as per its approved business plans. Based on the valuation report of an independent valuer as at 31 March 2019 and other factors described in the aforementioned note, Management has considered such balance as fully recoverable. In the absence of sufficient appropriate evidence to support the Management's assessment as above and other relevant alternate evidence, we are unable to comment upon adjustments, if any, that may be required to the carrying values of these balances and the consequential impact on the accompanying consolidated financial results. We further report that the following qualifications to the audit opinion on the consolidated financial statements of Supreme Infrastructure BOT Private Limited ('SIBPL'), subsidiary of the Holding Company issued by an independent firm of Chartered Accountants vide its report dated 7 September 2019 and reproduced by us as under: i. As stated in Note 3(b) to the accompanying consolidated financial results, which indicate that Supreme Vasai Bhiwandi Tollways Private Limited, a subsidiary of SIBPL, current maturities of long term borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating ₹ 10,255.23 lakhs and ₹ 3,355.47 lakhs, respectively in respect of which direct confirmations from the respective lenders have not been received. These borrowings have been classified into current and non-current, basis the original maturity terms stated in the agreements which is not in accordance with the terms of the agreements in the event of defaults in repayment of borrowings. Further, whilst we have been able to perform alternate procedures with respect to certain balances, in the absence of confirmations from the lenders, we are unable to comment on the adjustments, if any, that may be required to the carrying value of these balances on account of changes, if any, to the terms and conditions of the transactions, and consequential impact, on the accompanying consolidated financial results. ii. As stated in Note 3(c) to the accompanying consolidated financial results, which indicate that Kotkapura Muktsar Tollways Private Limited, a subsidiary of the SIBPL, current maturities of non-current borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating ₹ 356.47 lakhs and ₹ 96.23 lakhs, respectively in respect of which direct confirmations from the respective lenders have not been received. These borrowings have been classified into current and non-current, basis the original maturity terms stated in the agreements which is not in accordance with the terms of the agreements in the event of defaults in repayment of borrowings. Further, whilst we have been able to perform alternate procedures with respect to certain balances, in the absence of confirmations from the lenders, we are unable to comment on the adjustments, if any, that may be required to the carrying value of these balances on account of changes, if any, to the terms and conditions of the transactions, and consequential impact, on the accompanying consolidated financial results. iii. As stated in Note 3(d) to the accompanying consolidated financial results, which indicate that Kopergaon Ahmednagar (Phase 1) Tollways Private Limited, a subsidiary of SIBPL, current maturities of non-current borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating ₹ 404.36 lakhs and ₹ 95.71 lakhs respectively in respect of which direct confirmations from the respective lenders have not been received. These borrowings have been classified into current and non-current, basis the original maturity terms stated in the agreements which is not in accordance with the terms of the agreements in the event of defaults in repayment of borrowings. Further, whilst we have been able to perform alternate procedures with respect to certain balances, in the absence of confirmations from the lenders, we are unable to comment on the adjustments, if any, that may be required to the carrying value of these balances on account of changes, if any, to the terms and conditions of the transactions, and consequential impact, on the accompanying consolidated financial results. We, further draw attention to the following emphasis of matters on the consolidated financial statements of SIBPL, subsidiary of the Holding Company issued by an independent firm of Chartered Accountants vide its report dated 7 September 2019 and reproduced by us as under: We draw attention to Note 5 to the accompanying consolidated financial results with respect to Supreme Suyog Funicular Ropeways Private Limited, a subsidiary of SIBPL, intangible assets under development as at 31 March 2019 aggregating ₹ 12,321.89 lakhs, which is being substantially carry forward from earlier years in respect of cost incurred for construction of Funicular Ropeway under the BOT scheme. Based on the valuation report obtained, legal opinion and other matters as set forth in the aforesaid note, Management believes that no adjustment is required to the carrying value of the aforesaid balance. Our opinion is not modified in respect of this matter.

SUPREME INFRASTRUCTURE INDIA LTD.
 (AN ISO-9001/14001/OHSAS-18001 CERTIFIED COMPANY)

(ii) Auditor's Qualification on the Internal Financial Controls relating to above matters:
 In our opinion, according to the information and explanations given to us and based on our audit procedures performed, the following material weaknesses have been identified in the operating effectiveness of the Holding Company's Internal Financial Controls over Financial Reporting, as at 31 March 2019:

Matter II (a) (i) (a): The Holding Company's internal financial controls over financial reporting with respect to the process of assessing impairment of trade receivables were not operating effectively which could potentially result in a material misstatement in the recognition of impairment loss and the related carrying value of the trade receivables in the consolidated financial statements.

Matter II (a) (i) (b): The Holding Company's internal control system towards estimating the carrying value of net assets in Supreme Infrastructure BOT Private Limited, subsidiary of the holding company, in determining the need to recognize an impairment loss as laid down under Ind AS 36, 'Impairment of Assets' were not operating effectively, which could potentially result in a material misstatement to the carrying value of net assets and its consequential impact on the earnings, reserves and related disclosures in the consolidated financial statements.

A material weakness is a deficiency or a combination of deficiencies in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual financial statements or interim financial statements will not be prevented or detected on a timely basis.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the consolidated financial statements of the Group and its joint venture companies, which are companies covered under the Act as at and for the year ended 31 March 2019, and the material weaknesses have affected our opinion on the consolidated financial statements of the Group and its joint venture companies, which are companies covered under the Act and we have issued a qualified opinion on the consolidated financial statements.

b. Type of Audit Qualification:

c. Frequency of qualification:

Qualified Opinion

Qualifications:

Qualification II (a) (i) (a) has been appearing from the year ended 31 March 2015; Qualification II (a) (i) (b) has been appearing from the year ended 31 March 2018 and Qualifications II (a) (i) (c) has been included for the first time during the year 31 March 2019.

d. For Audit Qualifications where the impact is quantified by the auditor, Management's Views:

Not applicable

e. For Audit Qualification(s) where the impact is not quantified by the auditor:

(i) Management's estimation on the impact of audit

Not ascertainable

(ii) If management is unable to estimate the impact, reasons for the same:

II (a) (i) (a): Trade receivables as at 31 March 2019 include ₹ 41,075.63 lakhs (31 March 2018: ₹ 55,396.37 lakhs), in respect of projects which were closed/substantially closed and which are overdue for a substantial period of time. Based on the contract terms and the ongoing recovery/arbitration procedures (which are at various stages), Management is reasonably confident of recovering these amounts in full. Accordingly, these amounts have been considered as good and recoverable.

II (a) (i) (b): Non-current borrowings, short-term borrowings and other current financial liabilities as at 31 March 2019 include balances amounting to Nil (31 March 2018: ₹ 9,324.24 lakhs), Nil (31 March 2018: ₹ 294.21 lakhs) and ₹ 11,925.03 lakhs (31 March 2018: ₹ 11,510.27 lakhs), respectively, in respect of which confirmations/statements from the respective lenders have not been received. In the absence of confirmations/statements from the lenders, the Company has provided for interest and other penal charges on these borrowings based on the latest communication available from the respective lenders at the interest rate specified in the agreement. The Company's management believes that amount payable on settlement will not exceed the liability provided in books in respect of these borrowings. Accordingly, classification of these borrowings into current and non-current as at 31 March 2019 is based on the original maturity terms stated in the agreements with the lenders.

II (a) (i) (c) Supreme Infrastructure BOT Private Limited ("SIBPL"), a subsidiary company, is having various Build, Operate and Transfer (BOT) SPVs under its fold. While SIBPL has incurred losses during its initial years and has accumulated losses, causing the net worth of the entity to be fully eroded as at 31 March 2019, the underlying projects are expected to achieve adequate profitability on substantial completion of the underlying projects. Further, commercial operation date (COD) in respect of few subsidiaries of SIBPL has been delayed due to various reasons attributable to the clients primarily due to non-availability of right of way, environmental clearances etc. and in respect of few subsidiaries of SIBPL, the toll receipts is lower as compared to the projected receipts on account of delay in receiving compensation from government for exempted vehicles. Further, there have been delays in repayment of principal and interest in respect of the borrowings and the respective entities are in discussion with their lenders for the restructuring of the loans. Management is in discussion with the respective lenders, clients for the availability of right of way and other required clearances and is confident of resolving the matter without any loss to the respective SPVs. Therefore, based on certain estimates like future business plans, growth prospects, ongoing discussions with the clients and consortium lenders, the valuation report of the independent valuer and other factors, Management believes that the net-worth of SIBPL does not represent its true market value and the realizable amount of SIBPL is higher than the carrying value of its net assets as at 31 March 2019 and due to these, the Group's carrying value of net assets (capital employed) amounting to ₹ 126,980.70 lakhs and non controlling interest amounting to ₹ 6,166.45 lakhs is considered as good and recoverable.

In case of Supreme Vesai Bhiwandi Tollways Private Limited ("SVBTPL"), a subsidiary company, current maturities of long term borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating ₹ 10,255.23 lakhs and ₹ 3,355.47 lakhs, respectively in respect of which direct confirmations from the respective lenders have not been received. Further, out of these balance, current maturities of long term borrowings and other current financial liabilities amounting to ₹ 2,277 lakhs and ₹ 267.25 lakhs, respectively, represent loans which were classified as Non-Performing Assets (NPAs) by the lenders. In the absence of confirmations from the lenders, SVBTPL has provided for interest and other penal charges on these borrowings based on the latest communication available from the respective lenders at the interest rate specified in the agreement. Management believes that amount payable on settlement will not exceed the liability provided in books in respect of these borrowings. Further, certain lenders have not recalled or initiated recovery proceedings for the existing facilities at present. Accordingly, classification of these borrowings into current and non-current as at 31 March 2019 is based on the original maturity terms stated in the agreements with the lenders.

In case of Kotkapura Muktsar Tollways Private Limited ("KMTPL"), a subsidiary company, current maturities of non-current borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating ₹ 366.47 lakhs and ₹ 96.23 lakhs, respectively in respect of which direct confirmations from the respective lenders have not been received. Further, out of these balance, current maturities of non-current borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating ₹ 366.47 lakhs and ₹ 96.23 lakhs, respectively, represent loans which were classified as Non-Performing Assets (NPAs) by the lenders. In the absence of confirmations from the lenders, KMTPL has provided for interest and other penal charges on these borrowings based on the latest communication available from the respective lenders at the interest rate specified in the agreement. Management believes that amount payable on settlement will not exceed the liability provided in books in respect of these borrowings. Further, certain lenders have not recalled or initiated recovery proceedings for the existing facilities at present. Accordingly, classification of these borrowings into current and non-current as at 31 March 2019 is based on the original maturity terms stated in the agreements with the lenders.

In case of Koptagon Ahmednagar (Phase II) Tollways Private Limited ("KATPL"), a subsidiary company, current maturities of non-current borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating ₹ 404.38 lakhs and ₹ 85.71 lakhs, respectively in respect of which direct confirmations from the respective lenders have not been received. Further, out of these balance, current maturities of non-current borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating ₹ 404.38 lakhs and ₹ 85.71 lakhs, respectively, represent loans which were classified as Non-Performing Assets (NPAs) by the lenders. In the absence of confirmations from the lenders, KATPL has provided for interest and other penal charges on these borrowings based on the latest communication available from the respective lenders at the interest rate specified in the agreement. Management believes that amount payable on settlement will not exceed the liability provided in books in respect of these borrowings. Further, certain lenders have not recalled or initiated recovery proceedings for the existing facilities at present. Accordingly, classification of these borrowings into current and non-current as at 31 March 2019 is based on the original maturity terms stated in the agreements with the lenders.

In respect of Supreme Suvog Funnicular Ropeways Private Limited ("SSFRPL"), Intangible Assets under Development (IAUD) as at 31 March 2019 represents amounts aggregating ₹ 12,321.89 lakhs, substantially being carried from earlier years in respect of a project presently under construction. The commercial operation date (COD) of the project was delayed due to various reasons attributable to the client primarily due to nonavailability of right of way, environmental clearances etc. and having regard to the same, the Client has already extended the time for completion of project upto 31 December 2018. SSFRPL has now received the requisite right of way, however, considering the substantial delay caused, SSFRPL has applied for further extension of time upto 30 September 2019 for completion of the project, approval for which is presently awaited and the Management is confident of getting the same approved from the Client. Considering the contractual tenability and independent valuation, management is confident of realization of the carrying value of the costs incurred without any loss to the SSFRPL and accordingly believes that no adjustments are required to the carrying value of the IAUD as at 31 March 2019.

II (a) (ii) Management believes that Holding Company's internal financial controls in respect of assessment of the recoverability of trade receivables and towards estimating the carrying value of net assets in Supreme Infrastructure BOT Private Limited were operating effectively and there is no material weakness in such controls and procedures.

II Audit Qualification (each audit qualification separately):
a. Details of Audit Qualification:
(i) Auditor's Qualification on the financial results (standalone)

(a) As stated in Note 2 to the accompanying standalone financial results, the Company's current financial assets as at 31 March 2019 include trade receivables aggregating ₹ 45,680.90 lakhs (31 March 2018: ₹ 55,396.37 lakhs) in respect of projects which were closed/substantially closed and where the receivables have been outstanding for a substantial period. Management has assessed that no adjustments are required to the carrying value of the aforesaid balances, which is not in accordance with the requirements of Ind AS 109, 'Financial Instruments'. Consequently, in the absence of sufficient appropriate evidence to support the management's contention of recoverability of these balances, we are unable to comment upon the adjustments, if any, that are required to the carrying value of the aforesaid balances, and consequential impact, if any, on the accompanying standalone financial results. Our opinion on the standalone financial results for the year ended 31 March 2018 was also modified in respect of this matter.

(b) As stated in Note 3 to the accompanying standalone financial results, the Company's non-current borrowings, short-term borrowings and other current financial liabilities as at 31 March 2019 include balances aggregating Nil (31 March 2018: ₹ 9,324.24 lakhs), Nil (31 March 2018: ₹ 294.21 lakhs) and ₹ 11,925.03 lakhs (31 March 2018: ₹ 11,510.27 lakhs), respectively in respect of which confirmations/ statements from the respective lenders have not been received. These borrowings have been classified into current and non-current, basis the original maturity terms stated in the agreements which is not in accordance with the terms of the agreements in the event of defaults in repayment of borrowings. Further, whilst we have been able to perform alternate procedures with respect to certain balances, in the absence of confirmations/statements from the lenders, we are unable to comment on the adjustments, if any, that may be required to the carrying value of these balances on account of changes, if any, to the terms and conditions of the transactions, and consequential impact, on the accompanying standalone financial results. Our opinion on the standalone financial results for the year ended 31 March 2018 was also modified in respect of this matter.

SUPREME INFRASTRUCTURE INDIA LTD.
(AN ISO-9001/14001/OHSAS-18001 CERTIFIED COMPANY)

	(c) As stated in Note 5 to the accompanying standalone financial results, the Company's non-current investments as at 31 March 2019 include non-current investments in one of its subsidiary aggregating ₹ 142,556.83 lakhs. The subsidiary has significant accumulated losses and its consolidated net-worth is fully eroded. Further, the subsidiary is facing liquidity constraints due to which it may not be able to realise projections as per the approved business plans. Based on the valuation report of an independent valuer as at 31 March 2019 and other factors described in the aforementioned note, Management has considered such balance as fully recoverable. Management has assessed that no adjustments are required to the carrying value of the above-said balances, which is not in accordance with the requirements of Ind AS 109, 'Financial Instruments'. In the absence of sufficient appropriate evidence to support the management's assessment as above and other relevant alternate evidence, we are unable to comment upon adjustments, if any, that may be required to the carrying values of these non-current investments and aforementioned dues and the consequential impact on the accompanying standalone financial results.
	(ii) Auditor's Qualification on the Internal Financial Controls relating to above matters: In our opinion, according to the information and explanations given to us and based on our audit procedures performed, the following material weaknesses has been identified in the operating effectiveness of the Company's Internal Financial Controls over Financial Reporting as at 31 March 2019: Matter II(a)(i)(a): The Company's internal financial control in respect of supervisory and review controls over process of determining impairment allowance for trade receivables which are doubtful of recovery were not operating effectively. Absence of detailed assessment conducted by the management for determining the recoverability of trade receivables that remain long outstanding, in our opinion, could result in a potential material misstatement to the carrying value of trade receivables, and consequently, could also impact the loss (financial performance including comprehensive income) after tax. Matter II(a)(i)(c): The Company's internal financial control in respect of supervisory and review controls over process of determining the carrying value of non-current investments were not operating effectively. Absence of detailed assessment conducted by the management for determining the carrying value of non-current investments, in our opinion, could result in a potential material misstatement to the carrying value of non-current investment, and consequently, could also impact the loss (financial performance including comprehensive income) after tax. A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual financial statements or interim financial statements will not be prevented or detected on a timely basis. We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the standalone financial statement of the Company as at and for the year ended 31 March 2019 and the material weakness has effected our opinion on the standalone financial statements of the Company and we have issued a qualified opinion on the standalone financial statements.
b. Type of Audit Qualification :	Qualified Opinion
c. Frequency of qualification:	Qualifications: Qualifications II (a) (i) (a) has been appearing from the year ended 31 March 2015; Qualifications II (a) (i) (b) has been appearing from the year ended 31 March 2018; Qualification II (a) (i) (c) has been included for the first time during the year ended 31 March 2019.
d. For Audit Qualifications where the impact is quantified by the auditor, Management's Views:	Not Applicable
e. For Audit Qualification(s) where the impact is not quantified by the auditor:	
(i) Management's estimation on the impact of audit qualification:	Not ascertainable

(ii) If management is unable to estimate the impact, reasons for the same	II (a) (i) (a) : Trade receivables as at 31 March 2019 include ₹ 45,680.90 lakhs (31 March 2018: ₹ 55,396.37 lakhs), in respect of projects which were closed/substantially closed and which are overdue for a substantial period of time. Based on the contract terms and the ongoing recovery/ arbitration procedures (which are at various stages). Management is reasonably confident of recovering these amounts in full. Accordingly, these amounts have been considered as good and recoverable. II (a) (i) (b) Non-current borrowings, short-term borrowings and other current financial liabilities as at 31 March 2019 include balances amounting to Nil (31 March 2018: ₹ 3,324.24 lakhs), Nil (31 March 2018: ₹ 294.21 lakhs) and ₹ 11,925.02 lakhs (31 March 2018: ₹ 11,510.27 lakhs) respectively in respect of which confirmations/statements from the respective lenders have not been received in the absence of which the Company has provided for interest and other penal charges on these borrowings based on the latest communication available from the respective lenders at the interest rate specified in the agreement. The Company's management believes that amount payable on settlement will not exceed the liability provided in books in respect of these borrowings. Accordingly classification of these borrowings into current and non-current as at 31 March 2019 is based on the original maturity terms stated in the agreements with the lenders. II (a) (i) (c) The Company, as at 31 March 2019, has non-current investments in Supreme Infrastructure BOT Private Limited ('SIBPL'), a subsidiary company, amounting to ₹ 142,556.83 lakhs. SIBPL is having various Build, Operate and Transfer (BOT) SPVs under its fold. While SIBPL has incurred losses during its initial years and has accumulated losses, causing the net worth of the entity to be fully eroded as at 31 March 2019, the underlying projects are expected to achieve adequate profitability on substantial completion of the underlying projects. Further, in case of Supreme Manowarda Bhiwandi Infrastructure Private Limited ('SMBIPL'), a subsidiary of SIBPL, lenders have referred SMBIPL to NCLT under RBI circular dated 12 February 2018, for which response is awaited from NCLT. Further, commercial operation date (COD) in respect of few subsidiaries of SIBPL has been delayed due to various reasons attributable to the clients primarily due to non-availability of right of way, environmental clearances etc. and in respect of few subsidiaries, the toll receipts is lower as compared to the projected receipts on account of delay in receiving compensation from government for exempted vehicles. Further, there have been delays in repayment of principal and interest in respect of the borrowings and the respective entity is in discussion with their lenders for the restructuring of the loans. Management is in discussion with the respective lenders, clients for the availability of right of way and other required clearances and is confident of resolving the matter without any loss to the respective SPVs. Therefore, based on certain estimates like future business plans, growth prospects, ongoing discussions with the clients and consortium lenders, the valuation report of the independent valuer and other factors, Management believes that the net-worth of SIBPL does not represent its true market value and the realizable amount of SIBPL is higher than the carrying value of the non-current investments as at 31 March 2019 and due to which these are considered as good and recoverable. II (a) (ii) Management believes that Company's internal financial controls in respect of assessment of the recoverability of trade receivables and determining the carrying value of non-current investments were operating effectively and there is no material weakness in such controls and procedures.
(iii) Auditors' Comments on (i) or (ii) above:	Included in details of auditor's qualifications stated above
