CHAIRMAN'S MESSAGE

Dear members,

It gives me great pleasure to welcome you all to the 75th Annual General Meeting of FACT. This is my maiden address to the esteemed share holders of FACT and I consider this as a great privilege to address this august gathering as Chairman and Managing Director of this great Organisation.

As you may be aware, I assumed charge as Chairman and Managing Director of FACT on 2nd February, 2019. After coming here, I came to know about the glorious history of FACT along with its role in the agriculture revolution in the country and I feel more blessed to be a part of FACT Family.

On this occasion, I am remembering with gratitude the contributions made by great visionaries like late Sree Chithirathirunal Rama Varma, Maharaja of Travancore, late Shri.M.K.K Nair, the first Chairman and Managing Director and other distinguished predecessors who build FACT as a great organisation which pioneered the Green Revolution in South India.

Economic Scenario

India continues to remain the fastest growing major economy in the world in 2018-19 despite a light moderation in its GDP growth from 7.2% in 2017-18 to 6.8% on 2018-19. India maintained its macro economic stability by containing inflation within 4%. India is the seventh largest economy in terms of GDP. The monetary policy of the Reserve Bank of India has played a vital role in economic growth. Reduction in interest rate may boost the aggregate demand and reinvigorate investment activities. The economy is moving towards to becoming a US \$ 5 trillion economy by 2024-25. To achieve this, India needs to sustain a real GDP growth rate of 8%. Being an agrarian economy, the GDP growth would reflect in fertiliser sector also.

Fertiliser Industry

During the financial year 2018-19, production of Nutrient Nitrogen and phosphorous registered a decline of 0.7% and 3.1% respectively as compared to the previous year

Eventhough, the agro climatic conditions were quite good throughout India, the raw material prices and exchange rate variations were not favourable during the year 2018-19. The prices of major raw materials were on the higher side due to global supply constraints. Surge in oil prices and volatility of Indian currency had also affected the performance of fertiliser companies in India.

The raw material prices have now firmed up and this may reflect in the performance of fertiliser companies during the year 2019-20. All India demand forecast for fertiliser products for the year 2019-20 is also encouraging. The Indian fertiliser market is expected to grow at a Compound Annual Growth Rate (CAGR) of 12.3% during the period 2019 to 2024.

The year 2018-19 was the full year of implementation of Direct Benefit Transfer (DBT) in Fertiliser. Now the Government of India is planning implementation of phase II of Direct Benefit Transfer and the industry is gearing up for its implementation.

One of the main issues being faced by Fertiliser industry in India is to maintain liquidity. Banks are not prepared to lend against subsidy receivables and the interest burden on the companies is also mounting.

Performance of FACT

The year 2018-19 was a year of noticeable improvement in the financial results and return of your Company from red to black. I am happy to inform you that after a long period FACT has reported a profit of ₹163.14 crore during the financial year 2018-19. Key financial figures are given below.

	2018-19 (₹ crore)	2017-18 (₹ crore)
Income from Sales	1954.98	1928.67
Other income	456.75	41.63
Total Revenue	2411.73	1970.30
EBIDTA	466.19	209.50
PBT	163.14	(-)129.06

The production performance of the Company was badly affected by the unprecedented flood occurred during August 2018 and the total dependence of imported Ammonia for fertiliser production due to the high cost of Regasified Liquefied Natural Gas (RLNG). High cost of other raw material like Phosphoric acid etc. has also affected the performance of the Company during the year.

A summary of the physical performance is given below.

Production	2018-19 (MT)	2017-18 (MT)
NP 20:20:0:13	634362	661973
Amm Sulphate	141754	180178

Sales	2018-19 (MT)	2017-18 (MT)
NP 20:20:0:13	620552	670710
Ammonium Sulphate	136645	168070

The financial and physical performance of the Company has been elaborated in the Annual Report and therefore I am not intending to repeat the same.

The Notice convening the meeting, the Director's Report and the Audited Annual accounts have been with you for some time and with your permission, I take them as read.

You might have observed that the Statutory Auditors have not made any adverse remarks or qualification in their report for the last six years in succession. Similarly, the Comptroller and Auditor General of India have also offered NIL comment on the accounts of the Company. This is a testimony to the transparency and excellent accounting practice being followed by the Company.

Opportunities and Challenges

For success of every organisation, any adversity should be converted into opportunity. Neither boasting in the past glory nor cursing the adversities is going to take us to any safer shores. We have to be conscious of the hard realities. I firmly believe that the success of any Organisation depends on its ability to convert the adversities into opportunities. With the support and co-operation of each and every one of you, I am sure, FACT can turn around in near future.

Your Company has been taking a number of strategic initiatives for its turnaround, growth and sustenance in long run. The Company is adopting a multi pronged approach to improve all spheres of activities.

Our first priority is to optimise the production of fertilisers and operate all the plants at its optimum level. Ever since I took charge, my priority is in this direction only and the effort is slowly showing results also. All the Fertiliser Plants of FACT is working at its optimum level. The Ammonia Plant which was under shut down for one and a half year has started operations from may 2019.

The trial run of Caprolactam plant, which was in shut down condition for the last 6 years, is progressing as planned. Pollution Control Clearance has been received and the Plant trials are planned in a phased manner.

For uninterrupted production, continuous supply of raw materials at a reasonable price is required. For the first time in the history of FACT tie up for supply of RLNG for the full financial year 2019-20 has been made with Petronet LNG and oil marketing companies. Signing of G to G agreement with Morocco for supply of Phosphoric acid is on an advanced stage. Arrangements had already been framed for supply of sulphur from BPCL Kochi Refineries.

For increasing turnover and profitability, the area of operation of the Company is to be expanded. Import of fertilisers and trading activities should be in an aggressive manner. Towards this end FACT had started import of fertilisers. One shipment of NPK 16:16:16 had reached Tuticorin Port in July 2019. FACT is also planning to expand its marketing territory to North, West and North eastern zones. FACT is also planning to sell its products through other fertiliser companies. MOU had already been signed with Hindustan Insecticides Limited for the sale of FACT fertilisers outside our marketing territory. FACT intends to enhance its marketing operations Pan India.

Dedicated and skilled manpower is the foundation for the success of every organisation. Unfortunately, FACT is facing shortage of experienced manpower, especially in senior levels. A work study was conducted by the Kerala State Productivity Council to assess the requirement of manpower at various levels and based on their report, selection and recruitment to fill critical vacancies and implementation of succession planning is in progress. Company is also giving due importance for Training and Development of its workforces and R&D activities.

The scale of operation of the Company is to be enhanced to justify the available infrastructure facilities. Towards this, FACT has identified Capital projects for enhancing the production facilities and increasing the operational efficiency.

FACT always give top priority to ensure clean air and better living environment to the inhabitants in and around the factory, without any compromise in safety standards. This has been recognised by statutory authorities like Department of Factories and Boilers, State Pollution Control board etc with performance awards.

Any savings in energy cost will improve the bottom line of the company. In this regard, FACT intends to purchase power through open access from Power exchanges. Company is also exploring the possibilities of enhancing the utilisation of low pressure steam by converting it into power.

All these efforts would definitely lead to improvement in the top and bottom line of the Company and the Company expects to generate operating profit from the financial year 2019-20.

I am happy to inform you that all the stakeholders of the company including the Government of India and Government of Kerala is extending all support for the turnaround of FACT and closely monitoring the performance of the Company. The confidence reposed by the shareholders of FACT is reflecting in the upward movement of share price in the stock exchange and the market capitalisation of the company.

Government of India had accorded approval for the sale of 482 acres of land to Government of Kerala and the amount realised from the land monetisation would be used for the expansion and diversification of the Company.

I am failing in my duties if I paint only the rosy picture without mentioning the challenges to be faced for the sustainable operation of the Company in the long run. The biggest challenge is the effective utilisation of the money to be received from monetisation of land and successful commissioning of the new capital projects.

The financial restructuring package submitted by the Company is still under the consideration of the Government of India. Wiping out of the accumulated losses and make the networth of the Company positive is another area of concern.

Corporate Governance

Your Company is committed to confirm to all relevant directives and guidelines of Government and statutory authorities relating to corporate governance. The philosophy of the Company in relation to Corporate Governance is to ensure transparency, disclosure and reporting that conforms to the provisions of Companies Act 2013, SEBI (LODR) Regulations 2015 and all other applicable laws and regulations. The Company is also complying the guidelines issued by Department of Public Enterprises.

Acknowledgement

I hereby place on record my sincere thanks to my colleagues on the Board of Directors for their advice and support, the Officers' Forums, the Trade Unions and all the employees of the Company for their dedicated efforts and unstinted support for overcoming various challenges facing the Company and for their contribution for the revival and sustainable growth of FACT. I must also thank the various departments of Government of India, in particular the Department of Fertilisers for their support and cooperation.

I also express my sincere thanks to all other stake holders like farmers, suppliers, buyers, contractors, banks, shareholders, auditors, dealers and the general public for the trust they have been reposing on us.

Explanatory Statement Under Section 102 of the Companies Act, 2013 in respect of the Special Business to be transacted at the Meeting.

Item No. 5

The Board has approved the appointment of M/s BBS & Associates, Cost Accountants, Kochi, as Cost Auditors to conduct the audit of cost accounts of the Company for the financial year 2019-20 on a remuneration of ₹ 65,000 plus out of pocket expenses (subject to a maximum of ₹10,000/-). As per Rule 14 of Companies (Audit and Auditors) Rules, 2014 read with Section 148(3) of the Companies Act 2013, the remuneration approved by the Board of Directors has to be ratified subsequently by the shareholders. Accordingly the consent of the members is sought through an ordinary resolution for ratification of remuneration payable to the Cost Auditors for the financial year 2019-20.

No Director / Key Managerial Personnel / Relatives of Directors and Key Managerial Personnel is interested in the resolution.

The Board recommends the ordinary resolution set out at Item No. 5 of the Notice for approval of share holders.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

Item No. 6

The Board has approved the proposal to subscribe additional Equity in the FACT-RCF Building Products Limited (FRBL), a joint venture of The Fertilisers and Chemicals Travancore Limited and Rashtriya Chemicals and Fertilisers Limited, to continue the 50:50 Investment.

Since FACT is a sick and loss making Company, as per DPE guidelines, approval of the Government is required for making capital investment. Department of Fertilisers vide letter No 19041/2/2008-FCA-II dated 16th November 2018, had accorded the approval for additional investment of ₹ 29.25 crore to the equity capital of FACT-RCF Building Products Limited (FRBL).

To comply with the provisions of Companies Act, 2013, considering the network of the Company, approval of shareholders is required for additional investment in FACT-RCF Building Products Limited (FRBL).

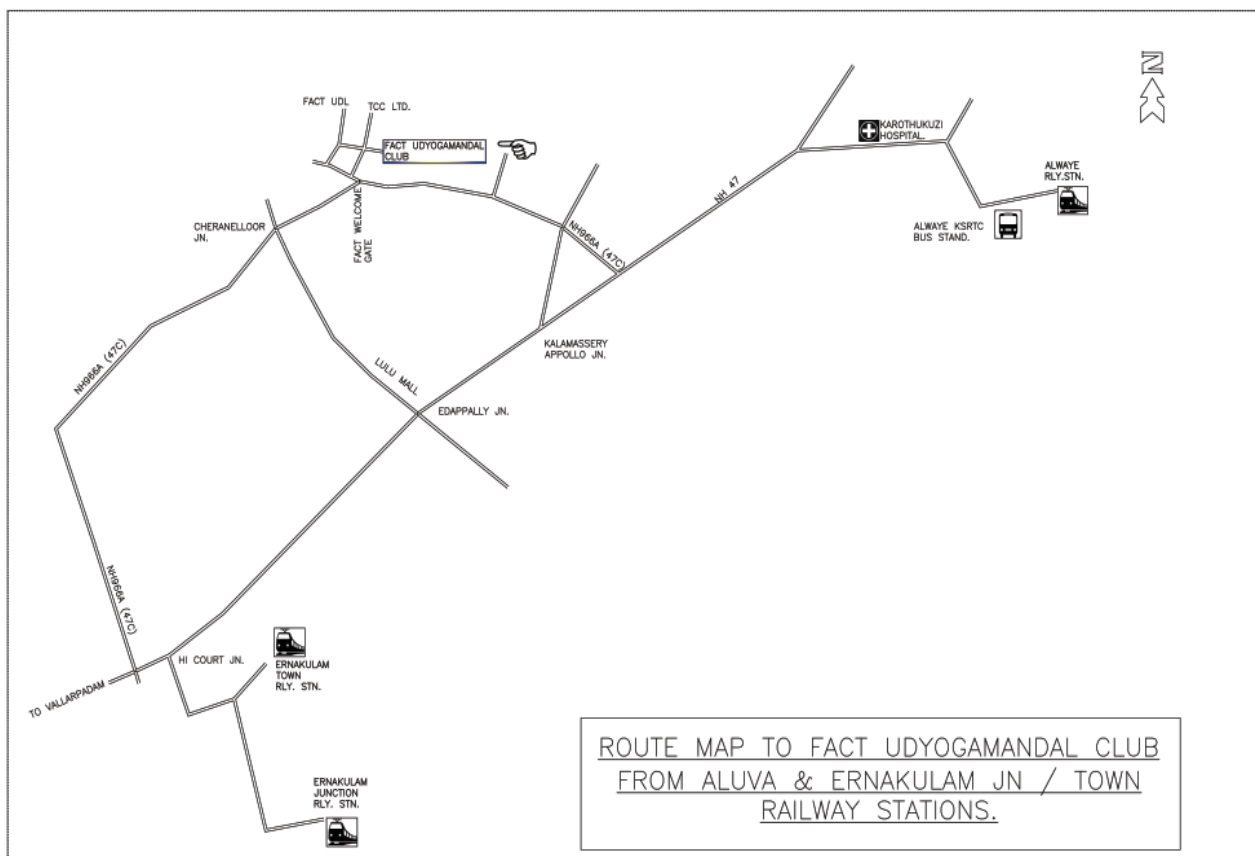

The proposed investment is the conversion of the amount due from FRBL, to the equity of FRBL. FACT had already made investment by way of supply of gypsum and other services to FRBL and considering the financial position of FRBL, a provisions has been created in the books of accounts for the entire amount due from FRBL. Hence, the investment would not in any way affect the financial position of FACT and no financial commitment is involved now in this regard.

The consent of the members is proposed through a special resolution to subscribe additional Equity in the FACT-RCF Building Products Limited (FRBL), a joint venture of FACT and RCF to continue the 50:50 Investment

No Director / Key Managerial Personnel / Relatives of Directors and Key Managerial Personnel is interested in the resolution.

The Board recommends the special resolution set out at Item No. 6 of the Notice for approval of share holders.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

The company was able to maintain the momentum in production and marketing during the financial year 2018-19. The physical performance of the Company during the financial year 2018-19 was affected by the unprecedented flood during August, 2018, forcing stoppage of plants. During the financial year 2018-19, the Ammonia plant was not operated due to high price of RLNG. The production of Fertilisers was maintained with imported Ammonia. This has affected the capacity utilization of the plants due to logistics constraints. The increase in the prices of raw materials and unfavorable exchange rate variations have affected the financial performance of the Company during the financial year 2018-19.

Despite the constraints, Company could finish the year with a reasonably good production and sales performance. On Production front, Factamfos production for the fiscal is 6.34 lakh MT and Ammonium Sulphate 1.42 Lakh MT, as compared to 6.61 Lakh MT and 1.80 lakh MT respectively during the previous year. Annual production of bulk Factamfos at Cochin Division surpassed 5 Lakh tons for the first time after 2009-10.

On marketing front, during the financial year 2018-19, Factamfos sale was 6.20 lakh MT and Ammonium Sulphate sale was 1.36 lakh MT as compared to 6.7 lakh MT and 1.7 lakh MT during the last financial year.

During the year 2018-19 FACT Engineering Works bagged prestigious orders from BPCL- Kochi Refinery, Travancore Titanium Products Ltd and Kerala Minerals and Metals Ltd. worth ₹ 1030.45 lakh.

As part of revival strategy, the Company leveraged 170 acres of lands to BPCL and its proceeds after deducting the outstanding amount due to them was received during the financial year 2018-19.

FACT has finalized an ambitious production and marketing plan for the financial year 2019-20. The Company is planning one million ton production of fertilisers during the financial year 2019-20.

Your Directors are happy to inform you that for the first time in the history of the Company, FACT has tied up for supply of RLNG for the entire financial year 2019-20 at a reasonable rate. The Company has also planned to import and market one lakh ton of Fertilisers. The Company is also planning to restart the Caprolactam Plant in a phased manner.

The production and marketing performance of the Company during the first three months of the financial year 2019-20 is encouraging and the Company expect to end the year 2019-20 with a positive result.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Structure and Development

The Fertilisers And Chemicals Travancore Limited (FACT) was incorporated in 1943. In 1947, FACT started production of Ammonium Sulphate with an installed capacity of 10,000 MT per annum at Udyogamandal, near Cochin. In the year 1960, FACT became a Kerala State PSU and on 15th August, 1962, Government of India became the major shareholder.

From a modest beginning, FACT has grown and diversified into a multi-division/multi-function Organisation with basic interest in manufacture and marketing of Fertilisers and Petrochemicals, Engineering Consultancy and Design and Fabrication and Erection of Industrial Equipments.

FACT's mission is to be a significant player in Fertilisers, Petrochemicals and other business such as Engineering and Technology services.

FACT's objectives are:

- To produce and market Fertilisers & Caprolactam and other products efficiently and economically, besides achieving a reasonable and consistent growth.
- Turnaround of the CPSE by all efforts.
- To effectively manage the assets and resources of the company to ensure a reasonable return on investment
- To focus on cost reduction and technology upgradation in order to become competitive in its line of business.
- To constantly innovate and develop new products and services to satisfy customer requirements.
- To invest in new business lines, where profit can be made on a sustainable basis over the long term.
- To provide services to the farming community by organizing technical training, soil testing and other productivity improvement services in agriculture.

INDEPENDENT AUDITOR'S REPORT

To the Members of the FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying **standalone financial statements of the FERTILISERS AND CHEMICALS TRAVANCORE LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended on that date, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, the profit and total comprehensive income, its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Material uncertainty related to Going Concern

4. We draw attention to Note # 54 of standalone financial statements. The Company has accumulated loss amounting to ₹2,17,077 lakhs (previous year ₹2,34,212 lakhs) with a negative net worth of ₹1,45,771 lakhs (previous year ₹1,63,883 lakhs). However, the Company has reported net profit of ₹16,314 lakhs during the year, though it is net loss in the earlier years. These conditions indicate the existence of material uncertainty which may cast doubt as to the Company's ability to continue as a going concern. However, the standalone financial statements of the Company have been prepared on going concern basis.

Our opinion is not qualified in respect of this matter.

Emphasis of Matter

5. We draw attention to Note # 19.1 of the standalone financial statements regarding variance in interest provision of ₹28,178 lakhs on the Government of India (GoI) loans in the Company's books as at year-end, which is higher as compared to the provisional working of the Department of Fertilisers (DoF), GoI, which is pending for reconciliation and confirmation and consequent adjustments, if any, thereof.

Our opinion is not qualified in respect of this matter.

Key Audit Matters

6. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matters described in the Material Uncertainty related to Going Concern section and Emphasis of Matter section, we have determined the matters described below to be the key audit matters to be communicated in our report.

- a. **Accounting of subsidy income from Government of India under DBT Scheme**

Under Direct Benefit Transfer (DBT) scheme of GoI, the Company is entitled to receive subsidy only upon sale of fertilizer by the dealer to the ultimate beneficiary through Point of Sale (PoS) devices. However, the Company continues to account subsidy as income at the time of sale to dealers as in the earlier scheme, considering the reasonable assurance that the sale will take place and subsidy will be received based on

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

experience. Refer Note #27 to the standalone financial statements.

Auditors' Response

Our principal audit procedures included the following:

- Analysed the scheme framed by the DoF notified through Notification F. No. D(FA)/2016/DBT dated March 17, 2017.
 - Reviewed the agreement with dealers.
 - Performed analytical review procedures on the subsidy claim lodged by the Company from the inception of the DBT scheme and subsidy accounted by the Company.
 - Analysed post Balance Sheet sales through PoS devices in Integrated Fertiliser Management System (iFMS) to assess the sales trend.
 - Verified industry practise for accounting of subsidy income in post-DBT period.
 - Compliance with Ind AS 20 on 'Accounting for Government Grants and Disclosure of Government Assistance'.
- b. **Sale of 170 acres of land to BPCL**

During the year, the Company has sold 170 acres of land to Bharat Petroleum Corporation Limited (BPCL) for ₹42,979 lakhs. The sale is part of the financial re-structuring of the Company considered in a meeting chaired by the Principal Secretary to the Prime Minister besides it is between two Central Public Sector Undertakings. The sale price was mutually agreed based on the value determined by the District Collector. The sale has the approval of the administrative ministry of the Company and no objection of the Government of Kerala. However, value of the said land as per approved valuer of the Company in 2016 was ₹72,100 lakhs resulting in an apparent lower realisation of ₹29,121 lakhs.

Auditors' Response

Our principal audit procedures on the transaction included the following:

- Valuation by the District Collector.
- Administrative approval of the Ministry of Chemicals and Fertilisers for transfer of land and its price.
- Minutes of the meeting held on June 6, 2017 regarding the sale of 170 acres of land to BPCL held under the chairmanship of Secretary (Fertilisers), GoI, attended by Joint Secretary, Ministry of Petroleum and Natural Gas, GoI and representatives of both the Companies.
- Verified sale deed for 151 acres of land (the sale deed for balance land is yet to be received though executed).
- Receipt of entire sale consideration.
- No objection certificate from Government of Kerala for transfer of land to BPCL.
- Memorandum of Understanding between the Companies for sale of 170 acres of land.
- Valuation report of approved valuer in 2016.

c. **Purchase of raw material from single vendor without tender**

The Company has been importing raw materials from a single vendor without inviting tender. During the year, the Company

has purchased Rock Phosphate for ₹16,906 lakhs (previous year ₹6926 lakhs) and Phosphoric Acid for ₹53,692 lakhs (previous year ₹34,175 lakhs). There is no inter-governmental agreement or memorandum of understanding by the Company with the supplier. According to the Company, the party is providing the materials of required quality at the price for the Indian Market and the Company can procure entire quantity only from the present supplier.

Auditors' Response

Our principal audit procedures on the transaction included the following:

- Evaluated the internal controls relating to import of raw materials.
- Verified the purchase documents, receipt of material and consumption thereof on the selected sample.
- Ensured there is no major rejection of material.
- Compared the import price with indigenous price during the previous year in the absence of any indigenous purchase during the year.
- Compared the price in the international market with that of Company's purchase price.
- Import purchase is from a Government owned Company.
- Verified the pattern of purchase in earlier years.
- Company's efforts to enter into a government to government agreement for sourcing the material.
- Brought to the notice of those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the standalone financial statements, the Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

13. We did not audit the financial statements of four areas comprising marketing offices of the Company included in the standalone financial statements of the Company, whose financial statements reflect total fixed assets of ₹105 lakhs (previous year ₹150 lakhs) as at March 31, 2019 and total sales of ₹1,37,953 lakhs (previous year ₹1,37,953 lakhs) for the year ended on that date, as considered in the standalone financial statements. The Company has submitted certain "financial schedules" only which have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the standalone financial statements, in so far as it relates to the amounts and disclosures included in respect of these areas and our report, in so far as it relates to the aforesaid areas, is based solely on the reports of other auditors.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

14. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
15. Based on the verification of books of account of the Company and according to information and explanations given to us, we give in "Annexure B" a report on the directions/ additional sub-directions issued by the Comptroller and Auditor General of India in terms of section 143(5) of the Act.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

16. As required by Section 143(3) of the Act, we report that:
- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - In our opinion, proper books of account as required by law have been kept by the Company, so far as it appears from our examination of those books and returns generally adequate for the purpose of our audit have been received from the units/marketing offices not audited by us.
 - The reports on the accounts of the four areas of the Company audited under Section 143(8) of the Act by other auditors have been given to us and have been appropriately dealt with by us in preparing this report.
 - The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account and with the returns received from four areas not audited by us.
 - In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015.
 - Being a government company, the provisions of sub section (2) of Section 164 of the Companies Act, 2013 is not applicable.
 - With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure C".
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements (Refer Notes #46 to #49)
 - The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company, where applicable.
17. Being a Government Company, the provisions of section 197 of the Act with respect to the matters to be included in the Auditors' Report is not applicable.

Annexure A to the Independent Auditors' Report

(Referred to in paragraph 14 under 'Report on Other Legal and Regulatory Requirements' section of our report)

i. In respect of the Company's fixed assets:

- (a) The Company has maintained generally proper records showing the particulars including quantitative details except situation of fixed assets and impairment losses.
- (b) The fixed assets have been stated to be physically verified by the Management during the year and are not observed by us. However, the physical verification procedure needs to be strengthened. As explained to us, no material discrepancies were noticed on such physical verification.
- (c) In our opinion and according to information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds/ registered sale deeds of immovable properties included in fixed assets, we report that, out of the 1,980 acres of land held by the Company, we have been informed that the original title deeds of immovable properties of 1179 acres of land are submitted to District Court, Ernakulam, pledging 80 acres of land as a security against claim of a contractor (Refer Note number 1.2 to the standalone financial statements), title deeds of 553 acres of land is pledged with Banks as security against credit facilities sanctioned (Refer Note number 22 to the standalone financial statements) and 145 acres of land is under lease (Refer Note number 1.2 to the standalone financial statements). We have not verified the documents in this regard as is not made available for our verification. We have verified the original title deeds of 41 acres of freehold land and are in the name of the Company. Further, title deeds in respect of the following freehold and leasehold immovable properties are not held in the name of the Company.

Particulars	Extent of land (in acres)	Gross Block as at March 31,		Net block as at March 31,	
		2019	2018	2019	2018
		(₹ in lakhs)			
Freehold land	48.49	513*	513*	513*	513*
Leasehold land	14.26	-**	-**	-**	-**

*As provided by Management (Refer Note number 1.3 to the standalone financial statements).

**The Company has executed a deed of indemnity with the Lessor in respect of the property on February 26, 2016, wherein it was agreed that the Company is interested to continue the lease for a

further period of 30 years from April 01, 2014 to March 31, 2044 on execution of fresh lease deed incorporating mutually agreed terms and conditions. However, no fresh deed is executed till date, though the Company continues to occupy the land and pay the lease rentals (Refer Note number 1.2 to the standalone financial statements).

ii. In respect of the Company's inventories:

- (a) The inventories have generally been physically verified by the Management as at year-end. In our opinion, the frequency of verification needs to be improved.
- (b) In our opinion and according to the information and explanations given to us, the procedure of physical verification of inventories followed by the Management is reasonable and adequate in relation to the size of the Company and the nature of its business.
- (c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of inventories. As explained to us, no material discrepancies were noticed on such physical verification except in the case of sulphur, rock phosphate, gypsum and have been properly dealt with in the books of account.

iii. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered under register maintained under section 189 of the Companies Act, 2013 ("the Act"), except the interest free advances in the nature of loans doubtful of recovery, of ₹3,819 lakhs (previous year ₹3803 lakhs) to a joint venture company (Refer Note number 6). Being an interest free advance doubtful of recovery given to a joint venture company, we are unable to comment whether the terms and conditions of the loan is prejudicial to the interest of the Company or not.

iv. According to the information and explanations given to us, there are no loans, investments, guarantees and securities given in respect of which provisions of section 185 and 186 of the Act are applicable including the amount due from the joint venture company.

v. According to the information and explanations given to us, the Company has not accepted any deposits from public. Therefore, the provisions of clause (v) of paragraph 3 of the Order are not applicable to the Company.

vi. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014 prescribed by the Central Government under section 148(1) of the Act and are of the opinion that, prima facie, the prescribed cost records have been made and maintained by the Company. We have, however, not made a detailed examination of the records with a view to determining whether they are accurate or complete.

Annexure C to the Independent Auditors' Report

(Referred to in paragraph 16 (g) under 'Report on Other Legal and Regulatory Requirements' section of our report)

REPORT ON THE INTERNAL FINANCIAL CONTROLS

under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of **FERTILISERS AND CHEMICALS TRAVANCORE LIMITED** ('the Company') as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ('the Act').

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the

reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, reasonably adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting need to be strengthened as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on 'Audit of Internal Financial Controls Over Financial Reporting' issued by the ICAI. However, we are unable to comment on the adequacy of internal financial controls over financial reporting on two out of four marketing areas, in the absence of any specific reporting by the auditors of these areas.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

A Statement of Significant Accounting Policy forming part of Financial Statements for the Year ended 31st March 2019

1. Corporate Information

The Company is a public limited company having registered office located at Eloor, Udyogamandal, Ernakulam 683501, Kerala. Its shares are listed in National Stock Exchange India Limited.

2. Basis for preparation of financial statements

The standalone financial statements of the Company have been prepared in accordance with accounting standards prescribed under Section 133 of the Companies Act, 2013 (the Act), Companies (Indian Accounting Standards) Rules as amended and other relevant provisions of the Act.

The standalone financial statements have been prepared under the historical cost and on accrual basis, except for the following: -

- Certain financial assets and liabilities measured at fair value
- Certain provisions recognized using actuarial valuation techniques
- Non-current assets classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell.

The standalone financial statements are presented in Indian Rupees (₹) and all values are rounded to the nearest lakh (₹00,000), except when otherwise indicated.

3. Significant Accounting Policies

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. Differences between estimates and actuals are recognized in the period in which they materialize.

i) Property, Plant and Equipment

- a) All Property, Plant and Equipment are stated at acquisition cost less accumulated depreciation / amortization and cumulative impairment.
- b) Land purchased/acquired and under the possession of the company are treated as freehold land.
- c) Technical know-how / license fee relating to plant / facilities are capitalized as part of cost of the underlying asset
- d) Income approach is adopted for accounting Government grants related to depreciable Property, Plant and Equipment. Grants utilized for acquisition of depreciable Property, Plant and Equipment are treated as Deferred Government Grants and the same is recognized in the Statement of Profit and Loss on a systematic and rational basis over the useful life of the assets.
- e) Spares costing (Unit value of ₹10 lakh and above), and other components which are required to be replaced at intervals, meeting the recognition criteria, have been classified as Plant and equipment and are depreciated separately based on their specific useful lives.
- f) The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.
- g) Revenue expenses exclusively attributable to projects incurred during construction period are capitalized. However, such expenses in respect of capital facilities being executed along with production / operation simultaneously are charged to revenue.

Financing cost incurred during construction period on loans specifically borrowed and utilized for projects is capitalized upto the date of capitalization.

Financing cost, if any, incurred on general borrowings used for projects is capitalized at the weighted average cost. The amount of such borrowings is determined after setting off the amount of internal accruals, if any.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

Depreciation

Depreciation is charged on Fixed Assets based on the useful life of assets, prescribed under the Schedule II of the Companies Act 2013. The Company has adopted Straight Line method of depreciation for all the categories of assets, acquired on or after 01st April 2014.

Effective from 1st April, 2014, the Company has reassessed the useful life of its existing fixed assets (considering component approach wherever necessary) and has charged depreciation over the remaining useful lives, after retaining residual value, in accordance with the transitional provisions contained in the Schedule II of the Companies Act 2013.

Residual value of 5% has been retained for all the Fixed Assets, which is in line with the provisions of the Schedule II.

Depreciation is charged @ 100% on the assets with acquisition value of less than Rs.5,000/-, the value being immaterial, considering the size and nature of the business of the Company.

Impairment

An asset is treated as impaired when the carrying amount of assets exceeds its recoverable value. Impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. When the recoverable amount of previously impaired assets exceeds its carrying amount, the value of asset is reinstated by reversing the impairment loss considered in prior years limited to lower of its recoverable value or carrying amount at the depreciated historical cost.

Capital Stores

Capital stores are valued at cost. Specific provision is made for likely diminution in value, wherever required.

Exemption Availed Under Ind AS 101

On transition to Ind AS, Company has elected to continue with the carrying value of all its property, plant and equipment existing as at 1st April 2016, measured as per previous GAAP (Indian GAAP) and used that carrying value as the deemed cost of the property, plant and equipment.

ii) Capital Work In Progress

Projects under which Property, Plant and Equipment are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

iii) Investment Property

Investment properties are properties that are held to earn rentals and /or for capital appreciation (including property under construction for such purposes) and not occupied by the Company for its own use.

Investment properties are measured initially at cost, including transaction costs and net of recoverable taxes. The cost includes the cost of replacing parts and borrowing costs if recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognized in profit or loss as incurred.

Exemption availed under Ind AS 101 :- On transition to Ind AS, the Company has elected to continue with the carrying value of its Investment Property existing as at 1st April 2016, measured as per previous GAAP (Indian GAAP) and used that carrying value as the deemed cost of the same.

iv) Intangible Assets

Technical know-how / license fee relating to production process and process design are recognized as intangible assets and amortised on a straight line method over a period of 5 years or life of the underlying plant / facility whichever is earlier.

Expenditure incurred on Research and Development, other than capital account is charged to revenue.

Costs incurred on computer software purchased/developed resulting in future economic benefits, are capitalized as intangible assets and amortized over a period of 5 years.

Exemption Availed Under Ind AS 101

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets existing as on 1st April 2016 measured as per the previous GAAP (Indian GAAP) and use that value as its deemed cost as of the transition date.

The Company has no intangible assets with infinite useful lives.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

v) Inventory Valuation

Raw materials and stores and spares are valued at or below cost. Cost being ascertained on weighted average method. In cases where there has been a decline in the price of imported and indigenous raw material and it is estimated that cost of finished product will exceed the net realizable value, the materials are written down to net realizable value.

Materials in process are not valued, consistently.

Finished/Trading products are valued at lower of cost or net realizable value in the aggregate, product-wise. Intermediate products are valued at lower of cost or net realizable value derived from finished products and saleable by-product at realizable value. Cost of Finished / semi-finished / intermediate products are determined based on annual average cost excluding interest and Head Office and Administrative Overheads. Cost of finished goods in warehouse includes freight and handling charges.

Materials in transit / under inspection are valued at cost

Gypsum Valuation

The entire quantity of saleable gypsum is valued at the lowest slab of the approved price for the next financial year reduced by the anticipated loading charges and moisture discount or average of the actual price realized during the year, whichever is lower. For assessing the closing stock of gypsum, the saleable quantity is assessed on the basis of technical study as on 30.09.2018 and the year end stock has been derived by considering production, consumption, despatch and sales, till the year end.

vi) Commitments

Capital

Estimated amount of contracts remaining to be executed on capital accounts, above ₹ 5 lakh in each case, are considered for disclosure.

Other Commitments

Disclosure is considered in respect of those non-cancellable contractual commitments (i.e. cancellation of which will result in a penalty disproportionate to the benefits involved) based on the professional judgement of the management which are material and relevant.

vii) Borrowing Cost

Borrowing Costs that are specifically identified to the acquisition or construction of qualifying assets are capitalised as part of such asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to Statement of Profit and Loss.

viii) Investments

All equity investments in scope of Ind- AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company may decide to classify the same as at FVTOCI. The Company makes such election on an instrument-by-instrument basis upon on initial recognition and same is irrevocable. Company is not holding any equity instrument for trading.

Upon classification of equity instruments as at FVTOCI, all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investments. The Company may transfer the cumulative gain or loss within equity.

ix) Revenue Recognition

The revenue is recognised as and when control of goods or services is transferred to the customer at the amount which the Company expects to be entitled to. The Company adopted the 'Input method' as per Ind AS 115 for recognition of revenue.

Subsidy is recognised on sale of fertilisers to dealers. Freight subsidy is recognised on receipt of fertilisers at respective districts. Recoveries made are withdrawn from the claim on the basis of settlement as per the policies in force.

Other income is recognized on an accrual basis

Dividend income is recognized when right to receive dividend is established

Interest income is recognized when no significant uncertainty as to its realization exists.

Scrap, salvaged / waste materials and sweepings are accounted for on realization.

Claims on underwriters, carriers and on Customs and Central Excise, Goods and Service Tax Departments are taken into account on acceptance.

Insurance and other miscellaneous claims are recognized on receipt/ acceptance of claim. Contractual pass through incentives, benefits, etc. are recognized on receipt basis.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

x) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the contract lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease

Operating lease payments are recognized as an expense in the Statement of profit and loss as per lease terms as such payments are structured to increase in line with expected general inflation.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised as revenues as per lease terms since such rentals are structured to increase in line with expected general inflation. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases.

Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

xi) Foreign Currency Transactions:

Receivables and payables in foreign currency as on the reporting date including forward exchange contracts are restated at the rate prevailing at that date.

The premium in respect of forward exchange contracts is recognized in the year of contracts.

Variations arising on account of fluctuations in foreign exchange rates are treated as revenue (gain/loss (-))

xii) Employee Benefits

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employee are recognised as an expense during the period when the employees render the services.

Post Employment Benefits

Defined Contribution Benefits

Contributory Superannuation Scheme with an annual contribution of ₹100 by the Company, aimed to provide superannuation benefits to the employees, has been treated as Defined Contribution Plan.

Defined Benefit Plans

The company's contribution to the Provident Fund is remitted to separate trust established for this purposes based on a fixed percentage of the eligible employees salary and charged to Statement of Profit and Loss. Shortfall, if any, in the fund assets based on the Government specified minimum rate of return will be made good by the company and charged to Statement of Profit and Loss. As a matter of prudence Company provides for certain expenses of the fund such as audit fees & expenses, bank charges etc.

The company operates defined benefit plan for gratuity and leave encashment. The cost of providing such defined benefits is determined using the projected unit credit method of actuarial valuation made at the end of the year and the gratuity fund in respect of regular employees is administered through a fund maintained by insurance company.

Re-measurements, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurements recognized in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- i) service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- ii) net interest expenses or income; and re-measurements

The Company presents the first two components of defined benefit costs in the Statement of profit and loss in the line item 'Employee benefits expense'.

xiii) Grants

Government grants in the nature of promoters' contribution are credited to Capital reserve and treated as part of Shareholders funds. In case of depreciable assets, the cost of the asset is shown at gross value and grant thereon is treated as Capital Grants which are recognized as income in the statement of Profit and Loss over the period and in the proportion in which depreciation is charged.

Revenue grants relating to revenue expenses are deducted from the respective expenses.

In respect of revenue grants released by Government, the treatments in the accounts are considered as per the respective schemes notified by the Government. Other revenue grants relating to revenue expenses are considered as income and credited to statement of Profit and Loss.

xiv) Taxes

Provision for current tax is made in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised using the Balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements. Deferred tax assets are not recognized unless, in the management judgment there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

xv) Goods and Services Tax

Goods and Service Tax credit on eligible materials and services is recognised on receipt of such items at intended locations.

xvi) Segment Reporting

Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis have been included under unallocable corporate expenses.

Investments, advance towards investments and other advances, which are not allocable to segments, are excluded from segment capital employed.

xvii) Contract Operations

In contract operations revenue is recognized on percentage of completion method. The stage of completion is ascertained on the basis of physical evaluation of respective contract activity on the reporting date. Foreseeable losses on contract activities are recognized fully irrespective of the progress of work. The amount of estimated liquidated damages is reduced from revenue.

In the case of Total responsibility jobs/Deposit work/Cost plus contracts, contract revenue is determined by adding the aggregate cost plus fixed percentage fees there on as agreed with the Customer.

xviii) Errors and Omissions of earlier period

Errors and omissions in individual items of Income and Expenditure relating to an earlier periods, exceeding ₹1 Lakh is accounted in the respective period, if possible, or adjusted against opening retained earnings.

xix) Research and Development Expenses

Research and development expenses (other than cost of fixed assets acquired) are charged as an expense in the Statement of Profit And Loss in the year in which they are incurred.

xx) Provisions, Contingent Liabilities and Contingent Assets

Provision is recognised in the accounts when there is a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Show Cause notices issued by various Government Authorities are not considered as Obligation. When the demand notices are raised against such show cause notices and are disputed by the company, these are classified as disputed obligations.

The treatment in respect of disputed obligations, in each case, is as under:

- i) a provision is recognized in respect of present obligations where the outflow of resources is probable
- ii) all other cases are disclosed as contingent liabilities unless the Possibility of outflow of resources is remote.

Contingent assets are neither recognized nor disclosed in the financial statements

xxi) Non-current assets held for sale

Non-current assets, or disposal groups comprising assets and liabilities are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use. Such assets, or disposal groups, are generally measured at the lower of their carrying amount and fair value less costs to sell. Any resultant loss on a disposal group is allocated first to goodwill, and then to remaining assets and liabilities on pro rata basis, except that no loss is allocated to inventories, financial assets, deferred tax assets, employee benefit assets, and biological assets, which continue to be measured in accordance with the Group's other accounting policies. Losses on initial classification as held for sale and subsequent gains and losses on re-measurement are recognized in profit or loss. Once classified as held-for-sale, intangible assets, property, plant and equipment and investment properties are no longer amortized or depreciated.

xxii) Financial Instruments

Financial Assets

Classification

The Company classifies its financial assets in the following measurement categories, those to be measured subsequently at fair value (either through other comprehensive income, or through profit and loss), and those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses arising from fair valuation will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Measurement

Initial recognition

The Company measures a financial asset at its fair value and, in the case of a financial asset not at fair value through profit or loss, at fair value including transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are recognised in profit and loss.

Subsequent Measurement

Subsequent measurement of financial assets depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its financial assets:

Amortized Cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

Fair value through other comprehensive income (FVOCI)

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other income.

Fair value through Profit and Loss(FVTPL)

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit and loss.

Investments in Joint Venture

Investment in Joint venture is recognised at fair value through FVOCI

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition as loans and borrowings, payables, derivatives and financial liabilities at fair value through profit or loss. The Company's financial liability consists of trade and other payables, loans and borrowings, bank overdrafts, financial guarantee contracts and derivative financial instruments.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs, if any.

Subsequent measurement

The subsequent measurement of financial liabilities of the Company depending on their classification is described below:

Loans and borrowings including bank overdrafts

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

This category generally applies to interest-bearing loans and borrowings.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder of the guarantee for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind-AS 109 and the amount recognized less cumulative amortization.

xxiii) Exemption as per Ind AS 101

Company has elected to continue with the carrying value for all of its property, plant and equipment as recognized in the financial statements as at the date of transition measured as per Indian GAAP and use that as its deemed cost as at date of transition to Ind AS. The same is applicable even for Investment property and intangible assets.

Company has also reviewed the necessary adjustments required to be done in accordance with paragraph D21 of the standard (i.e. adjustments arising on account of decommissioning or restoration liabilities) and has accordingly considered the impact of the same wherever applicable.

The Company has designated unquoted equity instruments held at 1st April 2016 as fair value through OCI.

xxiv) Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

xxv) Earnings per share

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed using the weighted average number of equity and dilutive equivalent shares outstanding during the period.

	179,088.75	177,048.75

1. A plan loan of Rs.100000.00 lakh bearing interest @13.50% per annum was released by the Government of India (GOI) on 29th March 2016 to maintain the operations of the company. Accordingly, ₹100000.00 lakh along with the earlier loan and interest outstanding has been converted into a single loan carrying interest @ 13.50% per annum with one year moratorium for payment of interest. As per the letter dated 12.01.2016, of the Ministry of Finance, GOI, sanctioning the loan, the total outstanding liability of the company is ₹183672.00 lakh. The company entered into an agreement with the Department of Fertilizers(DOF), GOI, agreeing to mortgage 408 acres of company's land to secure repayment the entire loan together with interest at the rate of 13.50% per annum on the amount outstanding as on 31.03.2017. The loan amount was reconciled and loan outstanding has been arrived at ₹177048.75 lakh as on 31.03.2017. The loan along with interest is repayable in three or more equated installments within a period of 5 years ending by 2022. As per the terms of the sanction of the loan the entire repayment can be made during the years 2020-21 and/or 2021-22 in three or more equated installments. Accordingly, the entire amount of principal ₹ 177048.75 lakh has been classified under 'Non - Current Liabilities - Financial Liabilities - Borrowings'. The outstanding principal and interest is pending reconciliation and confirmation with the balance of Government of India and consequential adjustment thereon.
2. The Company and M/s.Rashtriya Chemicals & Fertilisers Ltd(RCF) had provided Corporate Guarantee to the lenders of M/s.FACT-RCF Building Products Ltd-the 50:50 joint venture between the Company and RCF. During the year, RCF has settled the entire liability to the bankers, to the extent of ₹5100 lakhs including 50% share of the Company ₹2550 lakhs on the condition that the Company shall treat the amount paid by RCF on behalf of the Company as Inter-Corporate loan with a repayment period of five years. The principal amount payable ₹510 lakhs (Previous year -Nil) during the year 2019-20 has been classified under 'Current Liabilities - Financial Liabilities -Other Financial Liabilities'. The remaining amount has been classified under Non Current Liabilities - Financial Liabilities - Borrowings. Interest rate applicable on the loan for the year 2018-19 is 8.35% p.a.

39. Fair Value Hierarchy

The management has assessed that its financial assets and liabilities like cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The following methods and assumptions were used to estimate the fair values for the given below financial assets.

Unquoted Equity Shares of Indian Potash Limited

The fair values of the unquoted equity shares have been estimated using NAV model.

Unquoted Equity Shares of Other Companies:

The fair values of the unquoted equity shares have been estimated using NAV model.

Derivatives not designated as hedges

Foreign exchange forward contracts are valued using valuation techniques, which employs the use of market observable inputs (i.e. based on inputs/statement of position received from banks).

Investment Properties

The value of the investment properties are based on the information available in Government of Kerala fair value notification, market conditions etc.

Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV. Company do not have any such investment.

The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in **Level 2**.

If one or more of the significant inputs is not based on observable market data, the instrument is included in **Level 3**. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in **Level 3**.

41. Financial Risk Management

The company's activities expose it to market risk, liquidity risk and credit risk.

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk in the financial statements

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortized cost.	Aging analysis, Credit Analysis, Post Dated Cheques and Security Deposit.	Diversification of bank deposits, credit limits and Bank Guarantees
Liquidity risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk –foreign exchange	Recognised financial assets and liabilities not denominated in Indian rupee (INR)	Cash Flow Forecasting, Monitoring of Forex Risk Management Policy	Forward Foreign exchange contracts

(A) Credit risk

Credit Risk refers to the risk of default on its obligations resulting in financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to ₹40900.60 lakh and ₹36438.61 lakh as of March 31, 2019 and March 31, 2018, respectively of which ₹40381.82 lakh (previous year ₹36001.67 lakh) due from Government of India relating to subsidy receivable. Trade receivables mainly constitute subsidy receivable from the Government of India and from services rendered. Credit risk is being managed through credit approvals, establishing credit limits and monitoring the creditworthiness of customers to allow credit terms in the normal course of business

(B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

Financing arrangements

The company had access to the following undrawn fund based borrowing facilities at the end of the reporting period:

Particulars	31st March, 2019	31st March, 2018
Expiring within one year (Bank Overdraft/ CC Limit)	32,058.88	34,732.89
Stand by Line of credit	1,250.00	1,250.00

The Bank Overdraft/Cash Credit (CC)/Short term loan (STL) facilities may be drawn at any time and may be called back by the bank at their discretion. The credit facilities of Banks are subject to compliance with sanctioned terms & conditions. The credit facilities have an average maturity of 1 year.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. The Company's activities exposes it's primarily to the financial risk of changes in foreign currency risk. To mitigate the foreign currency risk, the company is entering into forward contracts with Banks.

A General Description of Defined Contribution Plan

Contributory Superannuation Scheme-The scheme is aimed to provide superannuation benefits to the employees. Every year company contributes ₹100 to the fund.

B General Description of Defined Benefit Plan

1 Provident Fund

The Provident Fund contributions are made to Trusts administered by the company. The interest rate payable to the members of the Trust shall not be lower than statutory rate of interest declared by the Central Government under the Employees Provident Funds and Miscellaneous Provisions Act 1952.

During the year an amount of ₹1692.46 lakh (Previous Year ₹1747.02 lakh) has been charged to Statement of Profit & Loss towards contribution by the Company. In terms of the Ind AS 19 issued by the Institute of Chartered Accountants of India, the Provident Fund Trust set up by the company is treated as Defined Benefit Plan since the company has to meet the shortfall in the fund assets , if any.

2 Gratuity and Leave Encashment

The company operates gratuity plan where in every employee is entitled to the benefit equivalent to fifteen days salary last drawn for each completed year of service. The same is payable on death , separation from service or retirement , whichever is earlier. The benefit vests after five years of continuous service. The company has been accounting for provision on account of leave encashment on retirement based on actuarial valuation carried out as at the balance sheet date.

47. During the year, Kerala Value Added Tax assessment for the year 2011-12 was completed with differential tax demand ₹12251.80 lakh (including interest) on the disputed turnover. Against this order, company obtained stay from Hon. High Court of Kerala.

48. The contract for the barge transportation of Ammonia awarded to a private company has been cancelled void ab initio during 2004-05 by the Company. The Contractor claimed ₹178489.75 lakh including interest till 31.03.2013 before the arbitrator. The arbitrator has passed an award during the year 2013-14 in favour of the contractor for ₹17308.04 lakh including interest as on 31.12.2013. As per the award, the mobilisation advance paid by the Company to the contractor along with interest of ₹2798.29 lakh is to be adjusted against the said award. The Company has not accepted the award on legal and factual grounds and has challenged the award before the Hon' District Court which has since stayed the award. During the year, as per the directive of Hon' District Court, the Company has provided 80.50 acres of land as security for the award. Accordingly, the award amount along with interest up to 31.03.2019, amounting to ₹22646.69 lakh without considering the adjustment of mobilisation advance and interest allowed under the arbitral award is not considered as a liability and included under Contingent Liability.

49. In view of the conditions in the directives of the Government of India, while implementing the wage revision for the period 1997 to 2006, the company is not liable to provide for arrears of salary and wages (net of interim relief paid) for the period from 01.01.1997 to 30.06.2001 and perquisites and other allowances for the period from 20.10.2000 to 30.06.2001, in respect of managerial and non managerial employees. Certain retired managerial employees of FACT have moved the Hon.High Court of Kerala and obtained a directive dt 31.3.2016, by which the company has to frame a scheme towards disbursement of the arrears. The company has appealed against the decision. The Board of Directors of the Company at its meeting held on 25-01-2018 decided to refer the matter to Department of Fertilisers, with a request to remove / review the criteria for payment of arrears. The Hon'ble High Court of Kerala vide its order dated 7th February 2019 directed the Secretary to the Ministry to take a decision adverting to the observations of the Court and the request of the Company pursuant to Board resolution dated 25-01-2018 and to issue appropriate order / proceedings permitting the company to honour the commitments under the wage revision order on such terms as it may find fit to impose. The company is yet to receive any directive from the Secretary, Department of Fertilisers in this regard. Pending order from the Ministry the amount involved is not ascertained.

Consequent to the commencement of provisions of Sick Industrial Companies (Special Provisions) Repeal Act, 2003, BIFR has been dissolved and all pending cases before BIFR stand abated. With effect from 1st December, 2016 provisions relating to corporate insolvency, under the Insolvency and Bankruptcy Code, 2016 have been commenced. The National Company Law Tribunal (NCLT) under the Companies Act, 2013 are also established to deal with inter-alia, matters relating to insolvency of companies. The Company is not required to file any case for insolvency resolution under the Insolvency and Bankruptcy Code 2016 before NCLT at present. During the financial year 2015-16, with the objective of carrying on the operations of the company without hindrance, the Government of India has disbursed a plan loan of Rs. 1000 crores on 29/3/2016. This enabled the company to overcome its working capital constraints and improve the operations from the financial year 2016-17. A comprehensive proposal for revival of the company is under the consideration of the Government of India. In addition to this, as apart of financial restructuring, Government of India has accorded approval for sale of 169.689 acres of land to Bharat Petroleum Corporation Ltd. The transaction has already been completed and ₹ 43580.27 lakhs has been realised as consideration. In view of the above, Company does not foresee impairment of its operations as a going concern and hence the accounts are prepared on going concern basis.
55. The standalone financial statements were authorized for issue in accordance with a resolution passed by the Board of Directors on 29.05.2019
56. The financial statements as approved by the Board of Directors are subject to audit by Comptroller and Auditor General of India and final approval by its Shareholders.
57. The figures of the previous year have been re-arranged and regrouped wherever necessary and / or practicable to make them comparable with those of the current year.

INDEPENDENT AUDITOR'S REPORT

To the Members of the FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying **Consolidated Financial Statements of the FERTILISERS AND CHEMICALS TRAVANCORE LIMITED** ("the Company") and its jointly controlled entities (the Company and its jointly controlled entities together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2019, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended on that date, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2019, the consolidated profit, consolidated total comprehensive income, consolidated cash flows and its consolidated changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence

we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Material uncertainty related to Going Concern

4. We draw attention to Note # 54 of consolidated financial statements. The Group has accumulated loss amounting to ₹2,17,077 lakhs (previous year ₹2,34,212 lakhs) with a negative net worth of ₹1,45,771 lakhs (previous year ₹1,63,883 lakhs). However, the Group has reported net profit of ₹16,314 lakhs during the year, though it is net loss in the earlier years. These conditions indicate the existence of material uncertainty which may cast doubt as to the Group's ability to continue as a going concern. However, the Consolidated Financial Statements of the Group have been prepared on going concern basis. Our opinion is not qualified in respect of this matter.

Emphasis of Matter

5.
 - a. We draw attention to Note # 19.1 of the consolidated financial statements regarding variance in interest provision of ₹28,178 lakhs on the Government of India (GoI) loans in the Company's books as at year-end, which is higher as compared to the provisional working of the Department of Fertilisers (DoF), GoI, which is pending for reconciliation and confirmation and consequent adjustments, if any, thereof.
 - b. We draw attention to Note # 43 of the consolidated financial statements. In respect of jointly controlled entities, FACT-RCF Building Products Limited and Kerala Enviro Infrastructure Limited, the financial statements considered for consolidation is unaudited and we have relied on the financial statements furnished by the Management. Our opinion is not qualified in respect of these matters.

Key Audit Matters

6. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matters described in the Material Uncertainty related to Going Concern section and Emphasis of Matter section, we have determined the matters described below to be the key audit matters to be communicated in our report.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

a. Accounting of subsidy income from Government of India under DBT Scheme

Under Direct Benefit Transfer (DBT) scheme of GoI, the Company is entitled to receive subsidy only upon sale of fertilizer by the dealer to the ultimate beneficiary through Point of Sale (PoS) devices. However, the Company continues to account subsidy as income at the time of sale to dealers as in the earlier scheme, considering the reasonable assurance that the sale will take place and subsidy will be received based on experience. Refer Note #27 to the consolidated financial statements.

Auditors' Response

Our principal audit procedures included the following:

- Analysed the scheme framed by the DoF notified through Notification F. No. D(FA)/2016/DBT dated March 17, 2017.
- Reviewed the agreement with dealers.
- Performed analytical review procedures on the subsidy claim lodged by the Company from the inception of the DBT scheme and subsidy accounted by the Company.
- Analysed post Balance Sheet sales through PoS devices in Integrated Fertiliser Management System (IFMS) to assess the sales trend.
- Verified industry practise for accounting of subsidy income in post-DBT period.
- Compliance with Ind AS 20 on 'Accounting for Government Grants and Disclosure of Government Assistance'.

b. Sale of 170 acres of land to BPCL

During the year, the Company has sold 170 acres of land to Bharat Petroleum Corporation Limited (BPCL) for ₹42,979 lakhs. The sale is part of the financial re-structuring of the Company considered in a meeting chaired by the Principal Secretary to the Prime Minister besides it is between two Central Public Sector Undertakings. The sale price was mutually agreed based on the value determined by the District Collector. The sale has the approval of the administrative ministry of the Company and no objection of the Government of Kerala. However, value of the said land as per approved valuer of the Company in 2016 was ₹72,100 lakhs resulting in an apparent lower realisation of ₹29,121 lakhs.

Auditors' Response

Our principal audit procedures on the transaction included the following:

- Valuation by the District Collector.
- Administrative approval of the Ministry of Chemicals and Fertilisers for transfer of land and its price.
- Minutes of the meeting held on June 6, 2017 regarding the sale of 170 acres of land to BPCL held under the chairmanship of Secretary (Fertilisers), GoI, attended by Joint Secretary, Ministry of Petroleum and Natural Gas, GoI and representatives of both the Companies.
- Verified sale deed for 151 acres of land (the sale deed for balance land is yet to be received though executed).
- Receipt of entire sale consideration.

- No objection certificate from Government of Kerala for transfer of land to BPCL.
- Memorandum of Understanding between the Companies for sale of 170 acres of land.
- Valuation report of approved valuer in 2016.

c. Purchase of raw material from single vendor without tender

The Company has been importing raw materials from a single vendor without inviting tender. During the year, the Company has purchased Rock Phosphate for ₹16,906 lakhs (previous year ₹6926 lakhs) and Phosphoric Acid for ₹53,692 lakhs (previous year ₹34,175 lakhs). There is no inter-governmental agreement or memorandum of understanding by the Company with the supplier. According to the Company, the party is providing the materials of required quality at the price for the Indian Market and the Company can procure entire quantity only from the present supplier.

Auditors' Response

Our principal audit procedures on the transaction included the following:

- Evaluated the internal controls relating to import of raw materials.
- Verified the purchase documents, receipt of material and consumption thereof on the selected sample.
- Ensured there is no major rejection of material.
- Compared the import price with indigenous price during the previous year in the absence of any indigenous purchase during the year.
- Compared the price in the international market with that of the Company's purchase price.
- Import purchase is from a Government owned Company.
- Verified the pattern of purchase in earlier years.
- The Company's efforts to enter into a government to government agreement for sourcing the material.
- Brought to the notice of those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the consolidated financial statements, the respective Management of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.

- Conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
 11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
 12. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

13. We did not audit the financial statements of four areas comprising marketing offices of the Company included in the financial statements of the Company, whose financial statements reflect total fixed assets of ₹105 lakhs (previous year ₹150 lakhs) as at March 31, 2019 and total sales of ₹1,37,953 lakhs (previous year ₹1,37,953 lakhs) for the year ended on that date, as considered in the consolidated financial statements. The Company has submitted certain "financial schedules" only which have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these areas and our report, in so far as it relates to

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

the aforesaid areas, is based solely on the reports of other auditors.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

14. Based on the verification of books of account of the Company and according to information and explanations given to us, we give in "**Annexure A**" a report on the directions/ additional sub-directions issued by the Comptroller and Auditor General of India (C&AG) in terms of section 143(5) of the Act.
15. As required by Section 143(3) of the Act, based on our audit and our comments on separate financial statements of the jointly controlled entities as noted in the Emphasis of Matter paragraph, we report to the extent applicable that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept, so far as it appears from our examination of those books, returns and reports of other auditors.
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of consolidated financial statements.
 - d. In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015.
 - e. Being a government company, the provisions of sub section (2) of Section 164 of the Companies Act, 2013 is not applicable.

- f. With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group. (Refer Notes #46 to #49)
 - ii. Provision has been made in the consolidated financial statements as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group, where applicable.
16. Being a Government Company, the provisions of section 197 of the Act with respect to the matters to be included in the Auditors' Report is not applicable.

Annexure B to the Independent Auditors' Report

(Referred to in paragraph 15 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS

under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013

In conjunction with our audit of the consolidated financial statements of **FERTILISERS AND CHEMICALS TRAVANCORE LIMITED** ('the Company') as at March 31, 2019, we have audited the internal financial controls over financial reporting with reference to the financial statements of the Company and its jointly controlled entities ('the Group') as on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Companies included in the Group are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the policies of respective companies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ('the Act').

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Group based on our audit. We conducted our audit in accordance with 'the Guidance Note' and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Group.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the

reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Group has, in all material respects, reasonably adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting need to be strengthened as at March 31, 2019, based on the internal control over financial reporting criteria established by the respective companies, considering the essential components of internal control stated in 'the Guidance Note' issued by the ICAI. However, we are unable to comment on the adequacy of internal financial controls over financial reporting on the two jointly controlled entities in the Group since their financial statements are unaudited and in the case of two out of four marketing areas, in the absence of any specific reporting by the auditors of these areas.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

A Statement of Significant Accounting Policy forming part of Consolidated Financial Statements for the Year ended 31st March 2019

1. Corporate Information

The Company is a public company domiciled in India and is incorporated under provisions of the Companies Act applicable in India. Its shares are listed on one recognized stock exchanges in India. The registered office of the Company is located at Eloor, Udyogamandal, Ernakulam 683501, Kerala.

2. Basis for preparation of financial statements

The Consolidated financial statements of the Company have been prepared in accordance with accounting standards prescribed under Section 133 of the Companies Act, 2013 (the Act), Companies (Indian Accounting Standards) Rules, 2015 as amended by Companies (Indian Accounting Standards)(Amendment) Rules, 2016 and other relevant provisions of the Act.

The Consolidated financial statements have been prepared under the historical cost and on accrual basis, except for the following: -

- Certain financial assets and liabilities measured at fair value
- Certain provisions recognized using actuarial valuation techniques
- Non-current assets classified as "held for sale" are measured at the lower of their carrying amount and fair value less cost to sell.

The Consolidated financial statements are presented in Indian Rupees (₹) and all values are rounded to the nearest lakh (₹ 00,000), except when otherwise indicated.

The consolidated financial statements relate to the Company [The Fertilisers and Chemicals Travancore Ltd.] and Jointly Controlled Entities FACT RCF Building Products Ltd. (FRBL) and Kerala Enviro Infrastructure Ltd (KEIL)

The accounting policies have been consistently applied by the Company and its Jointly Controlled Entities and are consistent with those used to prepare the opening balance sheet as at the transition date.

The financial statements of the Jointly Controlled Entities used in the consolidation are drawn up to the same reporting date as of the Company i.e. for the year ended 31st March 2018.

Principles of Consolidation:

The financial statements of Jointly Controlled Entities are combined by applying Equity method in accordance with IND AS 28 - "Investment in Associates and Joint Ventures".

The Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate Financial Statements. Differences in accounting policies followed by joint venture entity consolidated have been reviewed and no adjustments have been made, since the impact of these differences is not material.

The following Jointly Controlled Entities are considered in the consolidated financial statements:

Name of the Company	Country of Incorporation	Proportion of Ownership Interest as on 31.03.2019	Date of the entity becoming Joint Venture
FACT -RCF Building Products Ltd.	India	50%	2-May-08
Kerala Enviro Infrastructure Ltd	India	25.66%	4-Mar-15

3. Significant Accounting Policies

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. Differences between estimates and actuals are recognized in the period in which they materialize.

i) Property Plant and Equipment

- All Property, Plant and Equipment are stated at acquisition cost less accumulated depreciation / amortization and cumulative impairment.
- Land purchased/acquired and under the possession of the company are treated as free hold land.
- Technical know-how / license fee relating to plant / facilities are capitalized as part of cost of the underlying asset
- Income approach is adopted for accounting Government grants related to depreciable Property, Plant and Equipment. Grants utilized for acquisition of depreciable Property, Plant and Equipment are treated as Deferred Government Grants and the same is recognized in the Statement of Profit and Loss on a systematic and rational basis over the useful life of the assets.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

- e) Spares costing (Unit value of ₹10 lacs and above), and other components which are required to be replaced at intervals, meeting the recognition criteria have been classified as Plant and equipment and are depreciated separately based on their specific useful lives.
- f) The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.
- g) Revenue expenses exclusively attributable to projects incurred during construction period are capitalized. However, such expenses in respect of capital facilities being executed along with production / operation simultaneously are charged to revenue. Financing cost incurred during construction period on loans specifically borrowed and utilized for projects is capitalized upto the date of capitalization. Financing cost, if any, incurred on general borrowings used for projects is capitalized at the weighted average cost. The amount of such borrowings is determined after setting off the amount of internal accruals, if any.

Depreciation

Depreciation is charged on Fixed Assets based on the useful life of assets, prescribed under the Schedule II of the Companies Act 2013. The Company has adopted Straight Line method of depreciation for all the categories of assets, acquired on or after 01st April 2014.

Effective from 1st April, 2014, the Company has reassessed the useful life of its existing fixed assets (considering component approach wherever necessary) and has charged depreciation over the remaining useful lives, after retaining residual value, in accordance with the transitional provisions contained in the Schedule II of the Companies Act 2013.

Residual value of 5% has been retained for all the Fixed Assets, which is in line with the provisions of the Schedule II.

Depreciation is charged @ 100% on the assets with acquisition value of less than Rs.5,000/-, the value being immaterial, considering the size and nature of the business of the Company.

Impairment

An asset is treated as impaired when the carrying amount of assets exceeds its recoverable value. Impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. When the recoverable amount of previously impaired assets exceeds its carrying amount, the value of asset is reinstated by reversing the impairment loss considered in prior years limited to lower of its recoverable value or carrying amount at the depreciated historical cost.

Capital Stores

Capital stores are valued at cost. Specific provision is made for likely diminution in value, wherever required.

Exemption Availed Under Ind AS 101

On transition to Ind AS, Company has elected to continue with the carrying value of all its property plant and equipment existing as at 1st April 2016, measured as per previous GAAP (Indian GAAP) and used that carrying value as the deemed cost of the property plant and equipment.

ii) Capital Work In Progress

Projects under which Property, Plant and Equipment are not yet ready for their intended use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

iii) Investment Property

Investment properties are properties that are held to earn rentals and /or for capital appreciation (including property under construction for such purposes) and not occupied by the Company for its own use.

Investment properties are measured initially at cost, including transaction costs and net of recoverable taxes. The cost includes the cost of replacing parts and borrowing costs if recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. All other repair and maintenance costs are recognized in profit or loss as incurred.

Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any. Depreciation on Investment property, wherever applicable, is provided on straight line basis as per useful lives prescribed in Schedule II to Companies Act, 2013.

Investment properties are derecognised either when they have been disposed off or when they are being occupied by the Company for its own use or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The

difference between the net disposal proceeds and the carrying amount of the asset is recognised in profit or loss in the period of derecognition.

Exemption availed under Ind AS 101 :- On transition to Ind AS, the Company has elected to continue with the carrying value of its Investment Property existing as at 1st April 2016, measured as per previous GAAP (Indian GAAP) and used that carrying value as the deemed cost of the same.

iv) Intangible Assets

Technical know-how / license fee relating to production process and process design are recognized as intangible assets and amortised on a straight line method over a period of 5 years or life of the underlying plant / facility whichever is earlier.

Expenditure incurred on Research and Development, other than capital account is charged to revenue.

Costs incurred on computer software purchased/developed resulting in future economic benefits, are capitalized as intangible assets and amortized over a period of 5 years

Exemption Availed Under Ind AS 101

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its intangible assets existing as on 1st April 2016 measured as per the previous GAAP (Indian GAAP) and use that value as its deemed cost as of the transition date.

The Company has no intangible assets with infinite useful lives.

v) Inventory Valuation

Raw materials and stores and spares are valued at or below cost. Cost being ascertained on moving weighted average method. In cases where there has been a decline in the price of imported and indigenous raw material and it is estimated the cost of finished product will exceed the net realizable value, the materials are written down to net realizable value.

Materials in process are not valued, consistently.

Finished/Trading products are valued at lower of cost or net realizable value in the aggregate, product-wise. Intermediate products are valued at lower of cost or net realizable value derived from finished products and saleable by-product at realizable value. Cost of Finished / semi-finished / intermediate products are determined based on annual average cost excluding interest and Head Office and Administrative Overheads. Cost of finished goods in warehouse includes freight and handling charges.

Materials in transit / under inspection are valued at cost.

Gypsum Valuation

The entire quantity of saleable gypsum is valued at the lowest slab of the approved price for the next financial year reduced by the anticipated loading charges and moisture discount or average of the actual price realized during the year, whichever is lower. For assessing the closing stock of gypsum, the saleable quantity is assessed on the basis of technical study as on 30.09.2018 and the year end stock has been derived by considering production, consumption, despatch and sales, till the year end.

vi) Commitments

Capital

Estimated amount of contracts remaining to be executed on capital accounts, above '5 lakhs in each case, are considered for disclosure.

Other Commitments

Disclosure is considered in respect of those non-cancellable contractual commitments (i.e. cancellation of which will result in a penalty disproportionate to the benefits involved) based on the professional judgement of the management which are material and relevant.

vii) Borrowing Cost

Borrowing Costs that are specifically identified to the acquisition or construction of qualifying assets are capitalised as part of such asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to Statement of Profit and Loss.

viii) Investments

All equity investments in scope of Ind- AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at Fair Value through Profit and Loss (FVTPL). For all other equity instruments, the Company may decide to classify the same as at Fair Value through Other Comprehensive Income (FVTOCI). The Company makes such election on an instrument-by-instrument basis upon on initial recognition and same is irrevocable. Company is not holding any equity instrument for trading.

Upon classification of equity instruments as at FVTOCI, all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to Statement of Profit and Loss, even on sale of investments. The Company may transfer the cumulative gain or loss within equity.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

ix) Revenue Recognition

The revenue is recognised as and when control of goods or services is transferred to the customer at the amount which the Company expects to be entitled to. The Company adopted the 'Input method' as per Ind AS 115 for recognition of revenue.

Recognition of subsidy is generally made on the basis of in principle recognition / approval/ settlement of claims by the Government of India as per the policy in force.

Other income is recognized on an accrual basis.

Dividend income is recognized when right to receive dividend is established.

Interest income is recognized when no significant uncertainty as to its realization exists.

Scrap, salvaged / waste materials and sweepings are accounted for on realization.

Claims on underwriters, carriers and on Customs and Central Excise Departments are taken into account on acceptance.

Insurance and other miscellaneous claims are recognized on receipt/ acceptance of claim. Contractual pass through incentives, benefits, etc. are recognized on receipt basis.

x) Leases

The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the contract lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a lessee

A lease is classified at the inception date as a finance lease or an operating lease. A lease that transfers substantially all the risks and rewards incidental to ownership to the Company is classified as a finance lease.

Operating lease payments are recognized as an expense in the Statement of profit and loss as per lease terms as such payments are structured to increase in line with expected general inflation.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised as revenues as per lease terms since such rentals are structured to increase in line with expected general inflation. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases.

Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

xi) Foreign Currency Transactions:

Receivables and payables in foreign currency as on the reporting date including forward exchange contracts are restated at the rate prevailing at that date.

The premium in respect of forward exchange contracts is recognized in the year of contracts.

Variations arising on account of fluctuations in foreign exchange rates are treated as revenue (gain/loss (-)).

xii) Employee Benefits

Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employee are recognised as an expense during the period when the employees render the services.

Post Employment Benefits

Defined Contribution Benefits

Contributory Superannuation Scheme with an annual contribution of ₹100 by the Company, aimed to provide superannuation benefits to the employees, has been treated as Defined Contribution Plan.

Defined Benefit Plans

The company's contribution to the Provident Fund is remitted to separate trust established for this purposes based on a fixed percentage

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

of the eligible employees salary and charged to Statement of Profit and Loss. Shortfall, if any, in the fund assets based on the Government specified minimum rate of return will be made good by the company and charged to Statement of Profit and Loss. As a matter of prudence Company provides for certain expenses of the fund such as audit fees & expenses, bank charges etc.

The company operates defined benefit plan for gratuity and leave encashment. The cost of providing such defined benefits is determined using the projected unit credit method of actuarial valuation made at the end of the year and the gratuity fund in respect of regular employees is administered through a fund maintained by insurance company.

Re-measurements, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurements recognized in other comprehensive income is reflected immediately in retained earnings and is not reclassified to profit or loss. Past service cost is recognized in profit or loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- i) service cost (including current service cost, past service cost, as well as gains and losses on curtailments and settlements);
- ii) net interest expenses or income; and re-measurements

The Company presents the first two components of defined benefit costs in the Statement of profit and loss in the line item 'Employee benefits expense'. Curtailment gains and losses are accounted for as past service costs.

xiii) Grants

Government grants in the nature of promoters' contribution are credited to Capital reserve and treated as part of Shareholders funds. In case of depreciable assets, the cost of the asset is shown at gross value and grant thereon is treated as Capital Grants which are recognized as income in the statement of Profit and Loss over the period and in the proportion in which depreciation is charged.

Revenue grants relating to revenue expenses are deducted from the respective expenses.

In respect of revenue grants released by Government, the treatments in the accounts are considered as per the respective schemes notified by the Government. Other revenue grants relating to revenue expenses are considered as income and credited to statement of Profit and Loss.

xiv) Taxes

Provision for current tax is made in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised using the Balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements. Deferred tax assets are not recognized unless, in the management judgment there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realized.

xv) Goods and Service Tax

Goods and Service Tax credit on eligible materials is recognised on receipt of such materials and services.

xvi) Segment Reporting

Revenue and expenses have been identified to segments on the basis of their relationship to the operating activities of the segment. Revenue and expenses which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis have been included under unallocable corporate expenses.

Investments, advance towards investments and other advances, which are not allocable to segments, are excluded from segment capital employed.

xvii) Contract Operations

In contract operations revenue is recognized on percentage of completion method. The stage of completion is ascertained on the basis of physical evaluation of respective contract activity on the reporting date. Foreseeable losses on contract activities are recognized fully irrespective of the progress of work. The amount of estimated liquidated damages is reduced from revenue.

In the case of Total responsibility jobs/Deposit work/Cost plus contracts, contract revenue is determined by adding the aggregate cost plus fixed percentage fees thereon as agreed with the Customer.

xviii) Errors and Omissions of earlier period

Errors and omissions in individual items of Income and Expenditure relating to an earlier periods, exceeding ₹1 Lakh is accounted in the respective period, if possible, or adjusted against opening retained earnings.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

xix) Research and Development Expenses

Research and development expenses (other than cost of fixed assets acquired) are charged as an expense in the Statement of Profit And Loss in the year in which they are incurred.

xx) Provisions, Contingent Liabilities and Contingent Assets

Provision is recognised in the accounts when there is a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate can be made. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Show Cause notices issued by various Government Authorities are not considered as Obligation. When the demand notices are raised against such show cause notices and are disputed by the company, these are classified as disputed obligations.

The treatment in respect of disputed obligations, in each case, is as under:

- i) a provision is recognized in respect of present obligations where the outflow of resources is probable
- ii) all other cases are disclosed as contingent liabilities unless the Possibility of outflow of resources is remote.

Contingent assets are neither recognized nor disclosed in the financial statements.

xxi) Non-current assets held for sale

Non-current assets, or disposal groups comprising assets and liabilities are classified as held for sale if it is highly probable that they will be recovered primarily through sale rather than through continuing use. Such assets, or disposal groups, are generally measured at the lower of their carrying amount and fair value less costs to sell. Any resultant loss on a disposal group is allocated first to goodwill, and then to remaining assets and liabilities on pro rata basis, except that no loss is allocated to inventories, financial assets, deferred tax assets, employee benefit assets, and biological assets, which continue to be measured in accordance with the Group's other accounting policies. Losses on initial classification as held for sale and subsequent gains and losses on re-measurement are recognized in profit or loss. Once classified as held-for-sale, intangible assets, property, plant and equipment and investment properties are no longer amortized or depreciated.

xxii) Financial Instruments

Financial Assets

Classification

The Company classifies its financial assets in the following measurement categories: those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses arising from fair valuation will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Measurement

Initial recognition

The Company measures a financial asset at its fair value and, in the case of a financial asset not at fair value through profit or loss, at fair value including transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Subsequent Measurement

Subsequent measurement of financial assets depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its financial assets:

Amortized Cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

Fair value through other comprehensive income (FVOCI)

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other income.

Fair value through Profit and Loss(FVTPL)

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit and loss.

Investments in Joint Venture

The results and assets and liabilities of associates or joint ventures are incorporated in the consolidated financial statements using the equity method of accounting, except when the investment, or a portion thereof, is classified as held for sale, in which case it is accounted for in accordance with IND AS 105.

An associate is an entity over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not in control or joint control over those policies.

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The considerations made in determining whether significant influence or joint control are similar to those necessary to determine control over the subsidiaries.

The Company's investments in its associate and joint venture are accounted for using the equity method. Under the equity method, the investment in an associate or a joint venture is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the associate or joint venture since the acquisition date. Goodwill relating to the associate or joint venture is included in the carrying amount of the investment and is not tested for impairment individually.

The statement of profit and loss reflects the Company's share of the results of operations of the associate or joint venture. Any change in OCI of those investees is presented as part of the Company's OCI. In addition, when there has been a change recognised directly in the equity of the associate or joint venture, the Company recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Company and the associate or joint venture are eliminated to the extent of the interest in the associate or joint venture.

If an entity's share of losses of an associate or a joint venture equals or exceeds its interest in the associate or joint venture (which includes any long term interest that, in substance, form part of the Company's net investment in the associate or joint venture), the entity discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Company has incurred legal or constructive obligations or made payments on behalf of the associate or joint venture. If the associate or joint venture subsequently reports profits, the entity resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

The aggregate of the Company's share of profit or loss of an associate and a joint venture is shown on the face of the statement of profit and loss.

The financial statements of the associate or joint venture are prepared for the same reporting period as the Company. When necessary, adjustments are made to bring the accounting policies in line with those of the Company.

After application of the equity method, the Company determines whether it is necessary to recognise an impairment loss on its investment in its associate or joint venture. At each reporting date, the Company determines whether there is objective evidence that the investment in the associate or joint venture is impaired. If there is such evidence, the Company calculates the amount of impairment as the difference between the recoverable amount of the associate or joint venture and its carrying value, and then recognises the loss as 'Share of profit of an associate and a joint venture' in the statement of profit or loss.

Upon loss of significant influence over the associate or joint control over the joint venture, the Company measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate or joint venture upon loss of significant influence or joint control and the fair value of the retained investment and proceeds from disposal is recognised in profit or loss.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

THE FERTILISERS AND CHEMICALS TRAVANCORE LIMITED

Registered Office : Eloor, Udyogamandal, Kochi, Kerala

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition as loans and borrowings, payables, derivatives and financial liabilities at fair value through profit or loss. The Company's financial liability consists of trade and other payables, loans and borrowings, bank overdrafts, financial guarantee contracts and derivative financial instruments.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs, if any.

Subsequent measurement

The subsequent measurement of financial liabilities of the Company depending on their classification is described below:

Loans and borrowings including bank overdrafts

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

This category generally applies to interest-bearing loans and borrowings.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder of the guarantee for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind-AS 109 and the amount recognized less cumulative amortization.

xxiii) Exemption as per Ind AS 101

Company has elected to continue with the carrying value for all of its property, plant and equipment as recognized in the financial statements as at the date of transition measured as per Indian GAAP and use that as its deemed cost as at date of transition to Ind AS. The same is applicable even for Investment property and intangible assets.

Company has also reviewed the necessary adjustments required to be done in accordance with paragraph D21 of the standard (i.e. adjustments arising on account of decommissioning or restoration liabilities) and has accordingly considered the impact of the same wherever applicable.

The Company has designated unquoted equity instruments held at 1st April 2016 as fair value through OCI.

xxiv) Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

xxv) Earnings per share

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed using the weighted average number of equity and dilutive equivalent shares outstanding during the period.

<p>1. A plan loan of ₹100000.00 lakh bearing interest @13.50% per annum was released by the Government of India (GOI) on 29th March 2016 to maintain the operations of the company. Accordingly, ₹100000.00 lakh along with the earlier loan and interest outstanding has been converted into a single loan carrying interest @ 13.50% per annum with one year moratorium for payment of interest. As per the letter dated 12.01.2016, of the Ministry of Finance, GOI, sanctioning the loan, the total outstanding liability of the company is Rs.183672.00 lakh. The company entered into an agreement with the Department of Fertilizers(DOF), GOI, agreeing to mortgage 408 acres of company's land to secure repayment the entire loan together with interest at the rate of 13.50% per annum on the amount outstanding as on 31.03.2017. The loan amount was reconciled and loan outstanding has been arrived at ₹177048.75 lakh as on 31.03.2017. The loan along with interest is repayable in three or more equated installments within a period of 5 years ending by 2022. As per the terms of the sanction of the loan the entire repayment can be made during the years 2020-21 and/or 2021-22 in three or more equated installments. Accordingly, the entire amount of principal ₹177048.75 lakh has been classified under 'Non – Current Liabilities – Financial Liabilities – Borrowings'. The outstanding principal and interest is pending reconciliation and confirmation with the balance of Government of India and consequential adjustment thereon.</p> <p>2. The Company and M/s.Rashtriya Chemicals & Fertilisers Ltd(RCF) had provided Corporate Guarantee to the lenders of M/s.FACT-RCF Building Products Ltd-the 50:50 joint venture between the Company and RCF. During the year, RCF has settled the entire liability to the bankers, to the extent of ₹5100 lakhs including 50% share of the Company ₹ 2550 lakhs on the condition that the Company shall treat the amount paid by RCF on behalf of the Company as Inter-Corporate loan with a repayment period of five years. The principal amount payable ₹510 lakhs (Previous year -Nil) during the year 2019-20 has been classified under 'Current Liabilities - Financial Liabilities -Other Financial Liabilities'. The remaining amount has been classified under Non Current Liabilities - Financial Liabilities - Borrowings. Interest rate applicable on the loan for the year 2018-19 is 8.35% p.a.</p>

39. Fair Value Hierarchy

The management has assessed that its financial assets and liabilities like cash and cash equivalents, trade receivables, trade payables, bank overdrafts and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The following methods and assumptions were used to estimate the fair values for the given below financial assets.

Unquoted Equity Shares of Indian Potash Limited

The fair values of the unquoted equity shares have been estimated using NAV model.

Unquoted Equity Shares of Other Companies:

The fair values of the unquoted equity shares have been estimated using NAV model.

Derivatives not designated as hedges

Foreign exchange forward contracts are valued using valuation techniques, which employs the use of market observable inputs (i.e. based on inputs/statement of position received from banks).

Investment Properties

The value of the investment properties are based on the information available in Government of Kerala fair value notification, market conditions etc.

Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV. Company do not have any such investment.

The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in **Level 2**.

If one or more of the significant inputs is not based on observable market data, the instrument is included in **Level 3**. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in **Level 3**.

(B) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, treasury maintains flexibility in funding by maintaining availability under committed credit lines. Management monitors rolling forecasts of the company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows.

Financing arrangements

(₹ in Lakh)

The company had access to the following undrawn fund based borrowing facilities at the end of the reporting period:

Particulars	31st March, 2019	31st March, 2018
Expiring within one year (Bank Overdraft/ CC Limit)	32,058.88	34,732.89
Stand by Line of credit	1,250.00	1,250.00

The Bank Overdraft/Cash Credit (CC)/Short term loan (STL) facilities may be drawn at any time and may be called back by the bank at their discretion. The credit facilities of Banks are subject to compliance with sanctioned terms & conditions. The credit facilities have an average maturity of 1 year.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. The Company's activities exposes it's primarily to the financial risk of changes in foreign currency risk. To mitigate the foreign currency risk, the company is entering into forward contracts with Banks.

A General Description of Defined Contribution Plan

Contributory Superannuation Scheme-The scheme is aimed to provide superannuation benefits to the employees. Every year company contributes ₹100 to the fund.

B General Description of Defined Benefit Plan

1 Provident Fund

The Provident Fund contributions are made to Trusts administered by the company. The interest rate payable to the members of the Trust shall not be lower than statutory rate of interest declared by the Central Government under the Employees Provident Funds and Miscellaneous Provisions Act 1952.

During the year an amount of ₹1692.46 lakh (Previous Year ₹1747.02 lakh) has been charged to Statement of Profit & Loss towards contribution by the Company. In terms of the Ind AS 19 issued by the Institute of Chartered Accountants of India, the Provident Fund Trust set up by the company is treated as Defined Benefit Plan since the company has to meet the shortfall in the fund assets, if any.

2 Gratuity and Leave Encashment

The company operates gratuity plan where in every employee is entitled to the benefit equivalent to fifteen days salary last drawn for each completed year of service. The same is payable on death, separation from service or retirement, whichever is earlier. The benefit vests after five years of continuous service. The company has been accounting for provision on account of leave encashment on retirement based on actuarial valuation carried out as at the balance sheet date.

47. During the year, Kerala Value Added Tax assessment for the year 2011-12 was completed with differential tax demand ₹ 12251.80 lakh (including interest) on the disputed turnover. Against this order, company obtained stay from Hon. High Court of Kerala.

48. The contract for the barge transportation of Ammonia awarded to a private company has been cancelled void ab initio during 2004-05 by the Company. The Contractor claimed ₹178489.75 lakh including interest till 31.03.2013 before the arbitrator. The arbitrator has passed an award during the year 2013-14 in favour of the contractor for ₹17308.04 lakh including interest as on 31.12.2013. As per the award, the mobilisation advance paid by the Company to the contractor along with interest of ₹2798.29 lakh is to be adjusted against the said award. The Company has not accepted the award on legal and factual grounds and has challenged the award before the Hon' District Court which has since stayed the award. During the year, as per the directive of Hon' District Court, the Company has provided 80.50 acres of land as security for the award. Accordingly, the award amount along with interest up to 31.03.2019, amounting to ₹22646.69 lakh without considering the adjustment of mobilisation advance and interest allowed under the arbitral award is not considered as a liability and included under Contingent Liability.

49. In view of the conditions in the directives of the Government of India, while implementing the wage revision for the period 1997 to 2006, the company is not liable to provide for arrears of salary and wages (net of interim relief paid) for the period from 01.01.1997 to 30.06.2001 and perquisites and other allowances for the period from 20.10.2000 to 30.06.2001, in respect of managerial and non managerial employees. Certain retired managerial employees of FACT have moved the Hon.High Court of Kerala and obtained a directive dt 31.3.2016, by which the company has to frame a scheme towards disbursement of the arrears. The company has appealed against the decision. The Board of Directors of the Company at its meeting held on 25-01-2018 decided to refer the matter to Department of Fertilisers, with a request to remove / review the criteria for payment of arrears. The Hon'ble High Court of Kerala vide its order dated 7th February 2019 directed the Secretary to the Ministry to take a decision adverting to the observations of the Court and the request of the Company pursuant to Board resolution dated 25-01-2018 and to issue appropriate order / proceedings permitting the company to honour the commitments under the wage revision order on such terms as it may find fit to impose. The company is yet to receive any directive from the Secretary, Department of Fertilisers in this regard. Pending order from the Ministry the amount involved is not ascertained.

54. As the accumulated loss has exceeded the networth as on 31.3.2013, the Company has made a formal reference under Section 15 of the Sick Industrial Companies (Special Provisions) Act, 1985 on adoption of duly audited accounts for the Financial Year 2012-13 in the Annual General Meeting held on 27.12.2013 to Board for Industrial and Financial Reconstruction (BIFR) during February 2014. Consequent to the commencement of provisions of Sick Industrial Companies (Special Provisions) Repeal Act, 2003, BIFR has been dissolved and all pending cases before BIFR stand abated. With effect from 1st December, 2016 provisions relating to corporate insolvency, under the Insolvency and Bankruptcy Code, 2016 have been commenced. The National Company Law Tribunal (NCLT) under the Companies Act, 2013 are also established to deal with inter-alia, matters relating to insolvency of companies. The Company is not required to file any case for insolvency resolution under the Insolvency and Bankruptcy Code 2016 before NCLT at present. During the financial year 2015-16, with the objective of carrying on the operations of the company without hindrance, the Government of India has disbursed a plan loan of Rs. 1000 crores on 29/3/2016. This enabled the company to overcome its working capital constraints and improve the operations from the financial year 2016-17. A comprehensive proposal for revival of the company is under the consideration of the Government of India. In addition to this, as apart of financial restructuring, Government of India has accorded approval for sale of 169.689 acres of land to Bharat Petroleum Corporation Ltd. The transaction has already been completed and ₹43580.27 lakhs has been realised as consideration. In view of the above, Company does not foresee impairment of its operations as a going concern and hence the accounts are prepared on going concern basis.
55. The standalone financial statements were authorized for issue in accordance with a resolution passed by the Board of Directors on 29.05.2019.
56. The financial statements as approved by the Board of Directors are subject to audit by Comptroller and Auditor General of India and final approval by its Shareholders.
57. The figures of the previous year have been re-arranged and regrouped wherever necessary and / or practicable to make them comparable with those of the current year.
