During the year 2018-19, we have faced various financial challenges and passed through yet another learning curve to look ahead for a brighter future. It was very evident that the year was one of those that introduced the era of rapidly changing and challenging business environment in the Country.

Yet the Company has sustained and stayed its ground. In the financial year 2018-19, the Indian economy witnessed a growth of 7.2 per cent which is a little higher than the previous year's growth figures of 6.7 per cent growth. The increase is with the improved performance of the agriculture and manufacturing sectors. Your Company continues to face the paucity of working capital which has affected the operations leading to decline in turnover. Nevertheless your Company is confident that during the coming years, the working capital situation will improve resulting in increased revenue from operations.

During the year under review, your Company has tried to mitigate various risks and challenges through its core competencies, inherent strengths in design, engineering, development, quality systems and processes. Your Company has been taking all the possible steps to optimise the various costs and treading towards a strong order book position and enhancing the brand value. Your Company has adopted the various best practices to optimise the costs. Your Company is in the process of reducing its debts and infusion of working capital through monetization of noncore assets of the Company.

The future of your Company looks promising as the Government of India has schemes like FAME 2 (Faster Adoption and Manufacture of (Hybrid and) Electric Vehicles) which will create huge demand for the Company's products. The Company is all set to explore its experience and expertise by taking benefit of the various initiatives and incentives of the Government of India.

I express my sincere thanks to all the shareholders, lenders, banks, financial institutions, customers, dealers, vendors and all other stake holders for all their support extended. My sincere thanks to all the employees of the Company for their continued hard work and whole hearted support extended during these trying times.

Vijay R. Kirloskar

**INDEPENDENT AUDITORS' REPORT ON THE ABRIDGED FINANCIAL STATEMENTS TO THE
MEMBERS OF KIRLOSKAR ELECTRIC COMPANY LIMITED, BENGALURU****Report on the Abridged Standalone Ind AS financial statements**

The accompanying abridged Standalone Ind AS financial statements of Kirloskar Electric Company Limited ("the Company"), which comprise the abridged Balance Sheet as at March 31, 2019, the abridged Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended and a summary of significant accounting policies and related notes, are derived from the audited Standalone Ind AS financial statements of Kirloskar Electric Company Limited ("the Company") as at and for the year ended March 31, 2019. We expressed a qualified audit opinion on those financial statements in our report dated May 29, 2019.

The abridged Standalone Ind AS financial statements do not contain all the disclosures required by the Indian Accounting Standards referred to in section 133 of the Companies Act, 2013 ("the Act"), read with relevant rules thereunder and accounting principles generally accepted in India. Reading the abridged Standalone Ind AS financial statements, therefore, is not a substitute for reading the audited Standalone Ind AS financial statements of the Company.

Management's Responsibility for the abridged Standalone Financial Statements

Management is responsible for the preparation of a summary of the audited Standalone Ind AS financial statements in accordance with 136(1) read with Rule 10 of Companies (Accounts) Rules, 2014 and are based on the audited Standalone Ind AS financial statements for the year ended March 31, 2019, which is prepared in accordance with Indian Accounting Standards referred to in Section 133 of the Act, read with relevant rules thereunder and accounting principles generally accepted in India.

Auditor's Responsibility

Our responsibility is to express an opinion on the abridged Standalone Ind AS financial statements based on our procedures, which were conducted in accordance with Standard on Auditing (SA) 810, "Engagements to Report on Summary Financial Statements" issued by the Institute of Chartered Accountants of India.

Basis for Qualified Opinion

Attention of the Members is invited to note 16 to the abridged Standalone Ind AS financial statements regarding the amounts due to the Company from certain subsidiaries towards part consideration receivable on sale/assignment of certain immovable properties, receivables, interest charged and expenses reimbursed. We have relied on the management's representations that it is confident of realization of amounts due to the said subsidiaries aggregating to ₹ 14,898.79 lakhs (₹ 14,562.40 lakhs as at March 31, 2018) against which provision is recognized for an amount of ₹ 2,970.77 lakhs. Pending disposals/realization of assets by the subsidiaries, shortfall in realization of the amount outstanding (net of provision), if any, could not be ascertained.

Qualified Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph above, the abridged Standalone Ind AS financial statements derived from the audited Standalone Ind AS financial statements of the Company as at and for the year ended March 31, 2019 are a fair summary of those Standalone Ind AS financial statements, in accordance with the Indian Accounting Standards specified under section 133 of the Act, read with relevant rules thereunder and accounting principles generally accepted in India.

Key Audit Matters

Note 17 of the abridged Standalone Ind AS financial statements: The directors have detailed the reasons for preparing these financial statements on a going concern basis, though the Company/Group (consisting of the Company, its subsidiaries

and associate) have incurred losses and their networth (after excluding revaluation reserve) has been eroded. There are certain overdue payments to creditors and banks. The appropriateness of the said basis is subject to the Company adhering to the restructuring plan and infusion of requisite funds. We have been appraised of the restructuring plan including monetization of few non-core assets, projection of increase in turnover and infusion of funds in the near future. We have relied on the representations made by the Company and hence we are of the opinion that there is no existence of material uncertainty that may cast a significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Emphasis of Matter

Attention of the members is invited to note 18 of the abridged Standalone Ind AS financial statements which sets out that the Company has filed Special Leave Petition in respect of demand of resale tax penalty of ₹ 527 lakhs before the Honourable Supreme Court of India. Management has represented to us that it is not probable that there will be an outflow of economic benefits and hence no provision is required to be recognized in this regard. We have relied on this representation. Our opinion is not modified in respect of this matter.

Other Matters:

We did not audit the financial statements/information of one branch, the Kuala Lumpur office of the Company, included in the abridged Standalone Ind AS financial statements of the Company whose financial statements reflect total assets of ₹ 209.90 lakhs as at March 31, 2019 and total revenues of ₹ 1 lakh for the year ended on that date, as considered in the Standalone Ind AS financial statements. The financial statements of the said office have been audited by the branch auditors (M/s Sundar & Associates, Chartered Accountants) whose report has been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of these branches, is based solely on the report of such branch auditors. Our opinion is not modified in respect of this matter.

We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Standalone Ind AS financial statements for the financial year ended March 31, 2019. These matters were addressed in the context of our audit of the Standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. For each matter below, our description of how our audit addressed the matter is provided in that context.

a. Going Concern Assessment – Effect of erosion in net worth of the company

Note 37(20) of the Standalone Ind AS financial statements – The directors have detailed the reasons for preparing these Standalone Ind AS financial statements on a going concern basis, though the Company/Group (consisting of the Company, its subsidiaries and associate) have incurred losses and their networth (after excluding revaluation reserve) has been eroded. There are certain overdue payments to creditors and banks. The appropriateness of the said basis is subject to the Company adhering to the restructuring plan and infusion of requisite funds.

- Our Address on the Key Audit Matter

We have been appraised of the restructuring plan including monetization of few non-core assets, projection of increase in turnover and infusion of funds in the near future. We have relied on the representations made by the Company and hence we are of the opinion that there is no existence of material uncertainty that may cast a significant doubt on the Company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Emphasis of Matter

- a. Attention of the members is invited to note 37(21) of the Standalone Ind AS financial statements which sets out that the Company has filed Special Leave Petition in respect of demand of resale tax penalty of ₹ 527 lakhs before the Honourable Supreme Court of India. Management has represented to us that it is not probable that there will be an outflow of economic benefits and hence no provision is required to be recognized in this regard. We have relied on this representation. Our opinion is not modified in respect of this matter.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report but does not include the Standalone Ind AS financial statements and our auditor's report thereon. Our opinion on the Standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. As described in the Basis for Qualified Opinion section above, we were unable to obtain sufficient appropriate audit evidence regarding the quantification of shortfall in realization of consideration receivable from certain subsidiaries pending disposals/realization of assets by the subsidiaries. Accordingly, we are unable to conclude whether or not the other information in relation to this is materially misstated with respect to this matter.

Responsibility of Management and Those Charged with Governance for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements/ information of one branch, the Kaula Lampur Office of the company, included in the Standalone Ind AS financial statements of the company whose financial statements/financial information reflect total assets of ₹ 209.90 lakhs as at March 31, 2019 and the total revenue of ₹ 1 lakhs for the year ended on that date, as considered in the Standalone Ind AS financial statements. The financial statements/information of this branch has been audited by the branch auditors (M/s Sundar & Associates, Chartered Accountants) whose reports have been furnished to us, and our opinion in so far as it relates to the amounts and disclosures included in respect of branches, is based solely on the report of such branch auditors. Our report is not qualified in respect of this matter.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

(c) Sensitivity Analysis:

Significant Actuarial Assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and employee turnover. The sensitivity analysis below, has been determined based on possible effect of changes of an assumption occurring at end of the reporting period, while holding all other assumptions constant.

Particulars	As at March 31, 2019		As at March 31, 2018	
	Decrease	Increase	Decrease	Increase
Change in discounting rate (delta effect of +/- 0.5%)	59.18	(55.89)	60.25	(56.94)
Change in rate of salary increase (delta effect of +/- 0.5%)	(56.49)	59.29	(57.62)	60.43
Change in rate of plan assets (delta effect of +/- 0.5%)	(2.40)	2.27	(2.97)	2.83

These plans typically expose the Company to actuarial risks such as: investment risk, interest risk, longevity risk and salary risk.

Investment risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Interest risk: A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan assets.

Longevity risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk: The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

NOTES TO ABRIDGED FINANCIAL STATEMENTS

12 Note 37 (15) of the financial statements:**Financial risk management objectives and policies:**

The entity's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the entity's operations to support its operations. The entity's principal financial assets include trade and other receivables, rental and bank deposits and cash and cash equivalents that are derived directly from its operations.

The entity is exposed to market risk/credit and liquidity risks. The entity's senior management oversee the management of these risks. The board reviews their activities. No significant derivative activities have been undertaken so far.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include deposits, FVTOCI investments and derivative financial instruments.

The sensitivity analysis in the following sections relate to the positions as at March 31, 2019 and March 31, 2018:

The analyses exclude the impact of movements in market variables on: the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities of foreign operations.

The following assumption has been made in calculating sensitivity analysis.

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2019 and March 31, 2018 including the effect of hedge accounting.

i. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company's exposure to the risk of changes in foreign exchange rates relates primarily to the some of the vendor payments and customer receivables.

The foreign currency exposures that have not been hedged by any derivative instrument or otherwise as on Mar 31, 2019 are as under:

* Excludes receivable of Euro 11.62 lakhs from Lloyd Dynamowerke GmbH & Co KG, as the same has been assigned to KELBUZZ Trading Private Limited, a wholly owned subsidiary

NOTES TO ABRIDGED FINANCIAL STATEMENTS

Foreign currency sensitivity:

Every 1% strengthening in the exchange rate between the Indian rupee and the respective currencies for the above mentioned financial assets/liabilities for the years ended March 31, 2019 and March 31, 2018 would decrease the Company's loss and increase the Company's equity by approximately ₹ 17.74 Lakhs and ₹ 3.76 Lakhs respectively. A 1% weakening of the Indian rupee and the respective currencies would lead to an equal but opposite effect. In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

13 Note 37 (16) of the financial statements:

INDEPENDENT AUDITORS' REPORT

To the Members of

KIRLOSKAR ELECTRIC COMPANY LIMITED, BENGALURU

Report on the Audit of the Consolidated Financial Statements**Qualified Opinion**

We have audited the accompanying Consolidated Ind AS financial statements of **KIRLOSKAR ELECTRIC COMPANY LIMITED** ("the Holding Company"), its subsidiaries and associate (collectively referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2019, and the Consolidated Statement of Profit and Loss, including Other Comprehensive Income, Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the year then ended, and Notes to the Consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries and associate, except for the effects of the matter described in the Basis for Qualified Opinion paragraph below, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the Consolidated state of affairs of the Group as at March 31, 2019, and its Consolidated loss including other comprehensive income, its Consolidated cash flows and the Consolidated changes in equity for the year ended on that date.

Basis for Qualified Opinion

Attention of the members is invited to note 37(5) to the Consolidated Ind AS financial statements regarding trade receivables/book debts exceeding two years and considered good by the management estimated at ₹ 2,579 lakhs. The relevant accounts are subject to adjustments, if required after management completes review, reconciliation and identification of doubtful debts. We are unable to express an independent opinion on the extent of shortfall in the recovery of the same.

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements' section of our report. We are independent of the Group in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS financial statements under the provisions of the Companies Act, 2013 and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Consolidated Ind AS financial statements for the financial year ended March 31, 2019. These matters were addressed in the context of our audit of the Consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report. For each matter below, our description of how our audit addressed the matter is provided in that context.

a. Going Concern Assessment – Effect of erosion in net worth of the group

Note 37(19) of the consolidated financial statements – The directors have detailed the reasons for preparing these Consolidated Ind AS financial statements on a going concern basis, though the Group (consisting of the Company, its subsidiaries and associate) have incurred losses and their networth (after excluding revaluation reserve) has been eroded. There are certain overdue payments to creditors and banks. The appropriateness of the said basis is subject to the group adhering to the restructuring plan and infusion of requisite funds.

- Our Address on the Key Audit Matter

We have been appraised of the restructuring plan including monetization of few non-core assets, projection of increase in turnover and infusion of funds in the near future. We have relied on the representations made by the Group and hence we are of the opinion that there is no existence of material uncertainty that may cast a significant doubt on the Group's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

Emphasis of Matter

- a. Attention of the members is invited to note 37(20) of the Consolidated Ind AS financial statements which sets out that the Group has filed Special Leave Petition in respect of demand of resale tax penalty of ₹ 527 lakhs before the Honourable Supreme Court of India. Management has represented to us that it is not probable that there will be an outflow of economic benefits and hence no provision is required to be recognized in this regard. We have relied on this representation. Our opinion is not modified in respect of this matter.

Other Information

The Group's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report but does not include the Consolidated Ind AS financial statements and our auditor's report thereon. Our opinion on the Consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the Consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. As described in the Basis for Qualified Opinion section above, we were unable to obtain sufficient appropriate audit evidence regarding the shortfall in the recoverability of trade receivables/book debts exceeding two years and considered good by the management. Accordingly, we are unable to conclude whether or not the other information in relation to this is materially misstated with respect to this matter.

Responsibility of Management and Those Charged with Governance for Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Ind AS financial statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated changes in equity, consolidated cash flows of the Group including its Associates in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and of its associates for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid. In preparing the Consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. The respective Board of Directors of the companies included in the Group and of its associates are responsible for overseeing the financial reporting process of the Group and of its associates.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

· Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

· Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates to express an opinion on the Consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated financial statements of which we are the independent auditors. For the other entities included in the Consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of 7 subsidiaries included in the Consolidated Ind AS financial statements, whose Ind AS financial statements reflect total assets of ₹ 878 lakhs as at March 31, 2019, total revenues of ₹ 90 lakhs and net cash flows of ₹ (2.25) lakhs for the year ended on that date, as considered in the Consolidated Ind AS financial statements. These Ind AS financial statements have been audited by other auditors whose reports have been furnished to us and our opinion on such Ind AS financial statements as consolidated is based solely on the report of such other auditors.

- b. Unaudited Ind AS financial statements of Kirloskar (Malaysia) Sdn. Bhd., an associate in which share of loss of the Group was ₹ Nil (restricted to the value of the investments) has been considered for preparation of these Consolidated Ind AS financial statements. Unaudited Ind AS financial statements as received from the said associate has been considered for the purpose of preparation of these Consolidated Ind AS financial statements.

ANNEXURE 'A' TO THE AUDITORS' REPORT**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the Consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2019, we have audited the internal financial controls over financial reporting of Kirloskar Electric Company Limited ("the Company") and its subsidiary companies which are incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiaries, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company and its subsidiaries incorporated in India, internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to

SEVENTY SECOND ANNUAL REPORT 2018-19

the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies which are incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

Other Matters

Our aforesaid reports under 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting as it related to 6 subsidiary companies, incorporated in India, are based on the corresponding reports of the auditor of such companies incorporated in India.

The consolidated financial statements have been prepared on a historical cost basis, except for the following assets and liabilities which have been measured at fair value or revalued amount:

- Freehold Land classified as Own assets and Leasehold Land classified as Assets taken on Finance Lease
- Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments).

b PRINCIPLES OF CONSOLIDATION

- i) The financial statements of the Company and its subsidiaries have been consolidated on a line by line basis by adding together the book values of like items of assets, liabilities, income and expenditures after eliminating intra group balances and transactions to the extent identified and reconciled in accordance with Indian Accounting Standard (Ind AS) 110 - Consolidated Financial Statements .
- ii) The stepdown subsidiary of the Company, namely Kirsons BV has been classified as an ‘Integral Foreign Operation’. Revenue items denominated in foreign currency have been converted at the average rate prevailing during the year. Non monetary foreign currency assets and liabilities have been accounted at the rate of exchange prevailing on the transaction date. Monetary foreign currency assets and liabilities have been converted at the rates prevailing at the end of the year. Resultant differences have been adjusted in the statement of profit & loss.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

c FUNCTIONAL AND PRESENTATION CURRENCY:

These financial statements are presented in Indian Rupees (₹), which is the Company's functional currency. All financial information is presented in Indian Rupees (₹) rounded to the nearest Lakhs, except share and Earning per share data, unless otherwise stated.

d FAIR VALUE MEASUREMENT

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

e PROPERTY, PLANT AND EQUIPMENT ("PPE"):

(i) Tangible Assets:

Land has been recognized on the revaluation model envisaged in Ind AS 16. Revaluations are carried out at sufficient regularity. Other items of PPE are stated at the cost of acquisition less accumulated depreciation and write down for, impairment if any. Direct costs are capitalized until the assets are ready to be put to use.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other expenses on existing assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, which do not meet the definition of PPE as per Ind AS 16 are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from de-recognition of PPE are measured as the difference between the net disposal proceeds and the carrying amount of PPE and are recognized in the statement of profit and loss when the PPE is derecognized.

(ii) Intangible assets:

Intangible assets acquired separately are measured on initial recognition at cost. Intangible assets comprise computer software held for use. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

In both cases, the company has opted for the exemption provided in Ind AS 101 by treating the book value of PPE (other than land which was revalued on April 01, 2016) and intangible assets as on the transition date (April 01, 2016) as the deemed cost of the relevant assets.

(iii) Depreciation & Amortization:

- a. Depreciation on furniture and fixtures costing above ₹ 5,000/- provided at the residences of the employees has been charged at the rate of 33.33% on the straight-line method irrespective of the month of addition.
- b. Depreciation on assets taken on finance lease is charged over the primary lease period.
- c. Depreciation on PPE (other than Furniture and Fixtures provided to employees and assets taken on finance lease) bought/sold during the year is charged on straight line method as per the useful life in Schedule II of Companies Act 2013 on a monthly basis, depending upon the month of the financial year in which the assets are installed/sold.
- d. The amortization period and the amortization method are reviewed at least at each financial year end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern.

f INVESTMENT PROPERTIES:

- a. Investment properties are properties held for a currently undetermined future use and are valued at cost.
- b. An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the standalone statement of profit and loss in the period in which the property is derecognized.

g NON CURRENT ASSETS HELD FOR SALE:

Non Current Assets held for sale are stated at cost or estimated net realizable value, whichever is lower.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

h INVENTORIES:

- (i) Inventories does not include spare parts ,servicing equipment and stand by equipment which meet definition of PPE as per AS-10 (revised) .
- (ii) Raw materials, stores, spare parts and components are valued at cost on weighted average basis or net realizable value whichever is lower.
- (iii) Work in progress is valued at works cost or net realizable value whichever is lower.
- (iv) Finished goods are valued at works cost or net realizable value whichever is lower.
- (v) Material cost of work in progress and finished goods are computed on weighted average basis.

i REVENUE RECOGNITION:

Ind AS 115 supersedes Ind AS 11 Construction Contracts and Ind AS 18 Revenue and it applies, with limited exceptions, to all revenue arising from contracts with customers. Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer.

Ind AS 115 requires entities to exercise judgment, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard also specifies the accounting for the incremental costs of obtaining a contract and the costs directly related to fulfilling a contract. In addition, the standard requires extensive disclosures.

The Company adopted Ind AS 115 using the modified retrospective method of adoption with the date of initial application of 1 April 2018. Under this method, the standard can be applied either to all contracts at the date of initial application or only to contracts that are not completed at this date. The Company elected to apply the standard to all contracts as at 1 April 2018.

The cumulative effect of initially applying Ind AS 115 is recognised at the date of initial application as an adjustment to the opening balance of retained earnings. Therefore, the comparative information was not restated and continues to be reported under Ind AS 11 and Ind AS 18.

Effective 01 April 2018, the Company has adopted Indian Accounting Standard 115 (Ind AS 115) -'Revenue from contracts with customers' using the cumulative catch-up transition method, applied to contracts that were not completed as on the transition date i.e. 01 April 2018. Accordingly, the comparative amounts of revenue and the corresponding contract assets / liabilities have not been retrospectively adjusted. The effect on adoption of Ind-AS 115 was insignificant.

j EMPLOYEE BENEFITS:

(i) Short term employee benefits:

All short-term employee benefits such as salaries, wages, bonus, special awards and medical benefits which fall within 12 months of the period in which the employee renders related services which entitles them to avail such benefits and non-accumulating compensated absences are recognized on an undiscounted basis and charged to the statement of profit and loss.

(ii) Post employment benefits:

a. Defined contribution plans:

The Company has contributed to provident, pension and superannuation funds which are defined contribution plans. The contributions paid/ payable under the scheme are recognized during the year in which employee renders the related service.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

b. **Defined benefit plans:**

Employees' gratuity is defined benefit plan. The present value of the obligation under such plan is determined based on actuarial valuation using the Projected Unit Credit Method which considers each year of service as giving rise to an additional unit of benefit entitlement and measures each unit separately to build up the final obligation. Actuarial gains and losses are recognized immediately in the other comprehensive income. Obligation is measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to market yields as at the balance sheet date on Government bonds where the currency and terms of the Government bonds are consistent with the currency and estimated terms that matches to the defined benefit obligation. Gratuity to employees is covered under Group Gratuity Life Assurance Scheme of the Life Insurance Corporation of India.

c. **Compensated Absences:**

Compensated Absences: Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year end are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognized in the statement of profit and loss in the year in which they arise.

k FOREIGN CURRENCY TRANSACTIONS:

- (i) Foreign currency transactions are translated into rupees at the exchange rate prevailing on the date of the transaction / rates that approximate the actual rates as at that date.
- (ii) Monetary foreign currency assets and liabilities outstanding as at the year-end are restated at the exchange rates prevailing as at the close of the financial year. All exchange differences are accounted for in the statement of profit and loss.
- (iii) Non monetary items denominated in foreign currency, are valued at the exchange rate prevailing on the date of transaction.
- (iv) Branches are considered as integral foreign operations and have been translated at rates prevailing on the date of transaction/rate that approximates the actual rate as at that date. Branch monetary assets and liabilities outstanding as at year end are restated at the year end rates.

I TAXATION:

Income tax expense is the sum of current tax and deferred tax.

Current tax:

The current tax is based on taxable profit for the year. Taxable profit differs from 'profit before tax' as reported in the statement of profit and loss due to the effect of items of income or expense that are taxable or deductible in other years and items that are not taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax:

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

m BORROWING COSTS:

Interest and other borrowing costs on specific borrowings relatable to qualifying assets are capitalized up to the date such assets are ready for use / intended to use. Other interest and borrowing costs are charged to the statement of profit and loss.

n PROVISIONS AND CONTINGENT LIABILITIES:

- i) A provision is recognized when an enterprise has a present obligation (legal or constructive) as result of past event and it is probable that an outflow of embodying economic benefits of resources will be required to settle a reliably assessable obligation. Provisions are determined based on best estimate required to settle each obligation at each balance sheet date. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.
- ii) Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting obligations under a contract exceed the economic benefits expected to be received, are recognized when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.
- iii) Provisions for warranty-related costs are recognized when the service provided to the customer. Initial recognition is based on historical experience and the present value of the future estimated obligation. The initial estimate of warranty-related costs is revised annually. The annual unwinding of interest is recognized in the Statement of Profit and Loss.
- iv) A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

o FINANCIAL INSTRUMENTS:

Financial assets and liabilities are recognized when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2019

directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

(i) Cash and Cash Equivalents:

Cash and Cash Equivalents comprise cash and deposit with banks other than for term deposit earmarked for Bank Guarantee. The company considers all highly liquid investments including demand deposits with bank with an original maturity of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

(ii) Financial assets at amortized cost

Financial assets are subsequently measured at amortized cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(iii) Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

p IMPAIRMENT:

(i) Financial Assets:

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognizes lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

(ii) Other Equity Investments:

All other equity instruments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

(iii) Non Financial Assets:

A non financial asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. An impairment loss, if any, is charged to statement of profit and loss, in the year in which an asset is identified as impaired.

2.1 Recent Accounting Pronouncements

Introduction of new Ind AS Standard/Amendments to Ind AS Standards: Through a Notification dated March 30 2019, the Ministry of Corporate Affairs has notified IND AS-116 Leases shall be applicable to the Company from April 01, 2019. IND AS 116 will replace the existing leasing standard, i.e., IND AS 17 and related interpretations. IND AS 116 introduces a single lessee accounting model and requires lessee to recognise the assets and liabilities for all the leases with non-cancellable period of more than twelve months except for low value assets. IND AS 116 substantially carries forward the lessor accounting requirement in IND AS 17.

(c) Sensitivity Analysis:

Significant Actuarial Assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase and employee turnover. The sensitivity analysis below, has been determined based on possible effect of changes of an assumption occurring at end of the reporting period, while holding all other assumptions constant.

(₹ In Lakhs)

Particulars	As at March 31, 2019		As at March 31, 2018	
	Decrease	Increase	Decrease	Increase
Change in discounting rate (delta effect of +/- 0.5%)	59.18	(55.89)	60.25	(56.94)
Change in rate of salary increase (delta effect of +/- 0.5%)	(56.49)	59.29	(57.62)	60.43
Change in rate of plan assets (delta effect of +/- 0.5%)	(2.40)	2.27	(2.97)	2.83

These plans typically expose the Company to actuarial risks such as: investment risk, interest risk, longevity risk and salary risk.

Investment risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds.

Interest risk: A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan assets.

Longevity risk: The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

Salary risk: The present value of the defined plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

11 SEGMENT REPORTING:

The Company has identified the reportable segments as Power generation and distribution, Rotating machine group and others taking into account the nature of products and services, the different risks and returns and the internal reporting systems. 15 Financial risk management objectives and policies:

The entity's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the entity's operations to support its operations. The entity's principal financial assets include trade and other receivables, rental and bank deposits and cash and cash equivalents that are derived directly from its operations.

The entity is exposed to market risk/credit and liquidity risks. The entity's senior management oversee the management of these risks. The board reviews their activities. No significant derivative activities have been undertaken so far.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include deposits, FVTOCI investments and derivative financial instruments.

The sensitivity analysis in the following sections relate to the positions as at March 31,2019 March 31, 2018 and March 31, 2017

The analysis exclude the impact of movements in market variables on: the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities of foreign operations.

The following assumption has been made in calculating sensitivity analysis.

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31,2019 , March 31, 2018 and March 31, 2017 including the effect of hedge accounting.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

i. Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The company's exposure to the risk of changes in foreign exchange rates relates primarily to some of the vendor payments and customer receivables.

The foreign currency exposures that have not been hedged by any derivative instrument or otherwise as on March 31, 2019 are as under:

Particulars	As at March 31, 2019		As at March 31, 2018	
	FCY	₹ in Lakhs	FCY	₹ in Lakhs
Assets (Receivables)	USD 221,667 EUR 1,289,573 AED 0	1,176.25	USD 397,673 EUR 127,344 AED 2666	879.08
Liabilities (Payables)	USD 2,616,527 EUR 298,852 AED 0 MYR 27,550	2,058.32	USD 561,170 EUR 302,118 AED 75237 MYR 27550	1,323.13

Foreign currency sensitivity:

Every 1% strengthening in the exchange rate between the Indian rupee and the respective currencies for the above mentioned financial assets/liabilities for the years ended March 31, 2019 and March 31, 2018 would decrease the Company's loss and increase the Company's equity by approximately ₹ 8.82 Lakhs and ₹ 4.44 Lakhs respectively. A 1% weakening of the Indian rupee and the respective currencies would lead to an equal but opposite effect. In management's opinion, the sensitivity analysis is unrepresentative of the inherent foreign exchange risk because the exposure at the end of the reporting period does not reflect the exposure during the year.

16 Fair Value Measurement (Ind AS 113):

The Financial Instruments of the Company are initially recorded at fair value and subsequently measured at amortized cost based on the nature and timing of the cash flows.

KG, Germany (LDW), a step down subsidiary of the Company, incurred substantial losses, thereby eroding its net worth and consequent to the actions of local directors of LDW, insolvency administrator was appointed by the court in Germany during the preceding year. The Company has been given to understand that a South Korean company acquired all significant assets, patents, estates, orders and employees of LDW. However, relevant details of the consideration for this transfer and all other relevant information are not available with the Company, in spite of its best efforts. The Company has already filed its claim for an approximate value of Euro 3.52 million in respect of outstanding towards supplies made to LDW including dues of Kirsons B V (immediate holding company of LDW). According to the management, business activities in Kirsons B V have started and the said step down subsidiary will have regular income thereon. Under these circumstances, the Board of Directors represent that there is no permanent diminution to the value of investment in Luxquisite Parkland Private Limited and consequently no provision is required to be recognised in the financial statements.
- 19 The net worth (after excluding revaluation reserve) of the group in terms of the consolidated financial statements as at March 31, 2019 consisting of the Company, its subsidiaries and its associate is eroded. The Company is confident that this funding arrangement will have a positive impact on the net worth of the Company. Accordingly, your directors have prepared these financial results of the Company on the basis that it is a going concern and that no adjustments are considered necessary to the carrying value of assets and liabilities.
- 20 a) The Company also approached the Karnataka Sales tax authorities seeking settlement of the Sales tax penalty of ₹ 362 lakhs, under 'Karasamadhana Scheme 2017'(Scheme) which involves settlement of the matter by payment of 10% of the amount of penalty and withdrawing the appeal before the honorable Supreme Court. However, the same could not be resolved due to certain interpretation issues of the Scheme and demand for certain amount as further tax payment without considering the amounts already paid by the Company. Consequently, the Company filed a writ petition in the honorable High Court of Karnataka challenging the scheme on grounds of discrimination and seeking specific reliefs. The honorable High Court of Karnataka has passed the order on October 01, 2018, that the deposit of Penalty amount made by the Company so far under the interim orders of the honorable High Court of Karnataka and honorable Supreme Court, shall be considered as Deposit made
