### Management Discussion and Analysis Report

Your Company's good performance in Financial Year 2020-21 resulted in a Profit after Tax of ₹ 50.28 crores. This higher profit was on account of increased operating profits.

The onset of Covid - 19 in Q1 of last year, resulted in a drastic drop in sales in the first quarter. As the virus spread to all parts of the country, operations were affected and sales levels dropped by more than 50% compared to the year before. While, the lockdown measures brought into control the spread of the virus, it also disrupted the movement of vehicles and people. This affected our business.

However, after July 2020, relaxation of restrictions allowed businesses to come back. In Q3 and Q4 of last year, pent up demand generated higher sales in spare parts. Due to the earlier disruption to the components industry, dealers' stocks were low and this helped us catch up with the previous year's sales.

We had concentrated on cost control in the year under review, without affecting our employees pay. Most of our employees, above 45 years of age have been vaccinated and we plan to vaccinate employees below 45 years in the next two-three months.

Coming back to the market outlook for the year 2021-22, the farm sector has been doing well, given the higher production and higher support prices. Pent up demand for passenger cars may lead to higher sales from July onwards, when we expect restrictions on movement of vehicles to be relaxed. This should revive the spare parts market in Q3 and Q4.

## INDIA MOTOR PARTS & ACCESSORIES LIMITED

Hopefully the measures put in by the Government on vaccination and other measures, which, if people follow strictly, could help us avoid a third wave. However, our sales in the current year, exceeding last year's appears unlikely.

During the year under review and in the coming year, the company will be making strategic investments in some companies, from whom, the Company sources important lines of spare parts.

### **Subsidiary:**

The functioning of our subsidiary CAPL Motor Parts Private Ltd located in Ahmedabad was also affected by COVID-19. The Company recorded a turnover of ₹ 13.79 Crores during the year under review as against ₹ 14.82 Crores achieved during the year ended 31st March 2020. The accounts of CAPL has been consolidated in the preparation of our consolidated financial statements.

### **Dividend:**

The Board has recommended a Dividend of ₹ 10/- Per share (100%) on the paid up capital of ₹ 12.48 crores for the year 2020-21 which shall be paid subject to approval of the shareholders at the ensuing Annual General Meeting.

### **Internal Control Systems**

The Company has an established and adequate Internal Control System covering all areas of operations commensurate with the size of the business. The Internal Audit Department monitors and evaluates the efficacy and adequacy of the internal control systems of the Company. Senior Management and Audit Committee regularly review the internal audit findings as well as the effectiveness of the internal control measures.

### **IT systems**

The application software and database are hosted on a "cloud" environment with sufficient firewalls, thereby ensuring 100% availability of data access from remote locations with sufficient safeguards built-in. This has helped and is helping the Company to carry out its regular business without interruption even during the lockdown phases during COVID -19. The MIS reports are also available instantly to the Functional Heads for review.

### **Consolidated Financial Statements**

In accordance with the provisions of the Companies Act 2013, the Consolidated Financial Statements, drawn up in accordance with the applicable Accounting Standards, form part of the Annual Report.

A statement containing the salient features of the financial statement of the Subsidiaries and Associate Companies in Form AOC – 1 is provided in Annexure "A" forming part of this report.

## REMUNERATION POLICY

India Motor Parts & Accessories Limited (hereinafter referred to as ‘the Company’) has, since inception, formulated performance based remuneration structures for its employees at all levels, so as to provide ample opportunity for inclusive growth, supported with adequate learning. Accordingly, the remuneration structure is based on the qualification and skill levels at the time of joining the organisation and reviewed on a yearly basis by way of an assessment of their actual performance, through a “Performance Appraisal System”.

The components forming part of the compensation structure for each grade are designed to reward performance as well as cost of living adjustments and location based allowances.

Section 178(2), (3) and (4) of the Companies Act, 2013 read with the applicable rules thereto and Regulation 19 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 provide that the Nomination and Remuneration Committee (NRC) shall identify persons who are qualified to become Directors and shall also recommend to the Board a policy, relating to the remuneration for Directors, Key Managerial Personnel, Senior Management and other employees.

Accordingly, on the basis of the recommendation of the NRC the Company has adopted the following Remuneration Policy which ensures that :

- a) the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors having the quality required to run the company successfully and is comparable to the compensation structure prevailing in other similar business enterprises.
- b) relationship between remuneration and performance is clear and meets appropriate performance benchmarks; and
- c) remuneration to working directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the company and its goals

The following policy shall be hereinafter referred to as “**Remuneration Policy of India Motor Parts & Accessories Limited**”.

## I Definitions

- a) “**Remuneration**” means any monetary benefit or its equivalent extended to any person for services rendered by him/her and includes perquisites as defined under the Income-tax Act, 1961.
- b) “**Key Managerial Personnel**” means,
  - i) Managing Director;
  - ii) Whole-time Director;
  - iii) Chief Financial Officer;
  - iv) Company Secretary;
- c) “**Senior Management**”, defined by the Board of Directors and as may be modified from time to time, means All executives in the grade of Vice President and above.
- d) “**Employee**” mean an employee who has been appointed on the rolls of India Motor Parts & Accessories Limited(hereinafter referred to as ‘the Company’)and has been issued an appointment order by the Company.

## **II Board Diversity**

It will be the endeavour of the Company to attract people to the Board of our Company as Directors with varied experience that are appropriate to the business of the Company.

## **III Remuneration Pattern**

The NRC lays down the following remuneration pattern for Non-executive Directors and Independent Directors, Executive Directors, Key Managerial Personnel, Senior Management and other employees under the Remuneration Policy:

1. The remuneration payable to Non-Executive Directors and Independent Directors may consist of:
  - (a) Sitting fees for attending the meetings of the Board and sub-committees of the Board, within the limit prescribed under the Companies Act, 2013;
  - (b) Commission for each financial year, within the limits specified under the Companies Act, 2013, as may be decided by the Board of Directors;
  - (c) Reimbursement of expenses for attending meetings of the Board and sub-committees of the Board.
2. The remuneration payable to Whole-time Directors, who are appointed based on Shareholders' approval, may consist of:
  - (a) Salary, allowances, commission and perquisites;
  - (b) Commission for each financial year, as may be decided by the Board of Directors, based on the recommendations of the NRC;
  - (c) Minimum Remuneration in any financial year, when the Company has no profits or its profits are inadequate, by way of salary, allowances, commission and perquisites not exceeding the limits specified in Part II of Section II of Schedule V to the Companies Act, 2013 or such other limits as may be prescribed by the Government from time to time as minimum remuneration.

The overall remuneration payable to Directors, including Executive Directors, shall be within the limits prescribed under Section 197 of the Companies Act, 2013 read with Schedule V.

3. The remuneration payable to Key Managerial Personnel, Senior Management and other employees of the company may consist of:
  - (a) Salary, allowances, perquisites and variable components reflecting the short and long term performance objectives appropriate to the working of the Company.

## **IV Implementation of the Remuneration Policy**

The remuneration payable to Non-executive Directors and Independent Directors shall be determined by the Board of Directors.

The Remuneration payable to Executive Directors shall be determined by the NRC after taking into account their experience, qualification, and responsibilities.

The Remuneration Policy of the Company, to the extent applicable to Key Managerial Personnel other than Executive Directors, Senior Management and other employees shall be monitored by the Managing Director, who shall take appropriate steps to ensure that the remuneration is commensurate with their experience, qualification, responsibilities, contributions, performance and industry standards.

The NRC shall take suitable steps to issue guidelines, procedures and such other steps as may be considered appropriate from time to time, for effective implementation of the Remuneration Policy.

**1. Opinion**

We have audited the Ind AS standalone financial statements of India Motor Parts & Accessories Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2021, and the statement of Profit and Loss (including Other Comprehensive Income), statement of changes in Equity and statement of Cash Flows for the year then ended, and notes to the Ind AS Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Standalone Financial Statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and Profit and Other Comprehensive Income, changes in Equity and its Cash Flows for the year ended on that date.

**2. Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**3. Emphasis of Matter**

We draw attention to Note No.38 of the Standalone Financial Statements, wherein the Company has disclosed its Assessment of the Covid-19 pandemic. As mentioned therein, the assessment of the Management does not indicate any material effect on the carrying value of its assets and liabilities of the Company on the reporting date or any adverse change in the ability of the Company to continue as a Going Concern. The assessment of the Management is dependent on the circumstances as they evolve considering the uncertainties prevailing in the economic situation.

Our opinion is not modified in respect of this matter.

## INDEPENDENT AUDITORS' REPORT ( Contd.)

### 4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

### 5. Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report and Shareholder's Information, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### 6. Responsibility of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

### **7. Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Ind AS Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Standalone Financial Statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the Ind AS Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- e) Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **8. Report on Other Legal and Regulatory Requirements**

- i) As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" to this report a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- ii) As required by Section 143(3) of the Act, we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss including the statement of Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B” to this report.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act read with schedule V to the Act.

- h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 30.5(a) to the financial statements.
  - (ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses
  - (iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

## **ANNEXURE - B TO THE AUDITORS' REPORT:**

### **Referred to in Paragraph 8 of Our Report of Even Date**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of India Motor Parts & Accessories Limited ("the Company") as of 31 March 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

## INDIA MOTOR PARTS & ACCESSORIES LIMITED

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## Note A

### NOTES ON ACCOUNTS

#### Significant Accounting Policies

##### Overall considerations

The financial statements have been prepared applying the significant accounting policies and measurement bases summarized below.

##### Corporate Information

India Motor Parts and Accessories Limited ("IMPAL" or "the Company") is a public limited company and its shares are listed in National Stock Exchange. The registered office of the Company is situated at Sundaram Towers, 3rd Floor, No. 46, Whites Road, Royapettah, Chennai 600014.

The Company is engaged in sale and distribution of automobile spare parts.

##### Basis of Preparation

The financial statements of the Company have been prepared in accordance with and in compliance, in all material aspects, with Indian Accounting Standards (Ind AS) as prescribed by Ministry of Corporate Affairs under Companies (Indian Accounting Standards) Rules, 2015, provisions of the Companies Act, 2013, to the extent notified and pronouncements of the Institute of Chartered Accountants of India.

The preparation of the financial statements, in conformity with generally accepted accounting principles, requires the use of estimates and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amounts of revenues and expenses during the period and disclosure of contingent liabilities as at that date. The estimates and assumptions used in these financial statements are based upon the management's evaluation of the relevant facts and circumstances as of the date of the financial statements.

The financial statements have been prepared under accrual basis of accounting as a going concern and on the historical cost convention except for certain financial assets and liabilities (as per the accounting policy below), which have been measured at fair value.

#### 1. Revenue Recognition

Revenue is measured in accordance with Ind AS 115 as applicable at the fair value of the consideration received or receivable and net of returns, trade allowances, rebates, discounts and amounts collected on behalf of third parties. It excludes Goods and Service tax.

##### i. Sale of Products:

Revenue from sale of products is recognized, when the company satisfies performance obligation by transferring promised goods to the customer. Performance obligations are satisfied at the point of time when the customer obtains controls of the asset.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts returns and Goods and Service Tax.

##### ii. Revenue from Services:

Revenue from Services is recognised in the accounting period in which the services are rendered and when invoices are raised.

**NOTES ON ACCOUNTS (Contd.)****iii. Interest and Dividend Income:**

Interest income are recognized using the time proportion method based on the rates implicit in the transaction. Interest income is included in other income in the statement of profit and loss.

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established and it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of dividend can be reliably measured.

**2. Property, plant and equipment**

Free hold land is stated at historical cost. All other items of Property, Plant and Equipment are stated at cost of acquisition/construction less accumulated depreciation/amortization and impairment, if any. Cost includes purchase price, taxes and duties, labour cost. However, cost excludes Goods and Service Tax, to the extent credit of the GST is availed of.

Depreciation and amortization:

1. Depreciation is recognized on straight-line basis, over the useful life of the buildings and other tangible assets as prescribed under Schedule II of the Companies Act, 2013.
2. On tangible fixed assets added / disposed of during the year, depreciation is charged on pro-rata basis from the date of addition / till the date of disposal.

**3. Intangible assets**

Intangible assets acquired are recorded at their acquisition cost and are amortized on straight line basis over its useful life as prescribed under Schedule II of the Companies Act, 2013.

**4. Leases**

Effective April 01, 2019, the company has adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on April 01, 2019 using the modified retrospective approach method without restating comparatives.

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The company assesses the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised.

The company has elected to use the exemptions provided by the standard on lease contracts for which the lease term ends within 12 months as of the date of initial application, and lease contracts for which the underlying asset is of low value.

For short-term/cancellable/low value leases, the company recognizes the lease payments as an expense in the Statement of Profit and Loss.

**5. Impairment**

The Company shall assess at the end of the reporting period whether there exist any indications that an asset may be impaired. If such indication exists, the entity shall estimate the recoverable amount of the asset and treatment shall be given in accordance with Ind AS 36.

**6. Inventories**

Inventories are valued at cost or net realizable value whichever is less in accordance with Ind AS 2. Net realizable value is the estimated selling price in the ordinary course of business. Cost is ascertained on FIFO basis. Obsolescence, slow and non-moving stocks are duly provided for.

## NOTES ON ACCOUNTS (Contd.)

### 7. Employee Benefits

#### A) Short Term Employees Benefits:

Short Term Employees Benefits for services rendered by them are recognized during the period when the services are rendered

#### B) Post-employment benefits:

Defined Contribution Plan

##### a) Provident Fund

Contributions are made to the company's Employees Provident Fund Trust in accordance with the fund rules. The interest rate payable by the trust to the beneficiaries every year is notified by the Government.

The Company has an obligation to make good the shortfall, if any, between the return from the investment of the trust and the notified interest rate.

The Company also contributes to government administrated pension fund and to Employees' State Insurance Schemes on behalf of its employees.

##### b) Superannuation

The Company makes fixed contributions as a percentage on salary to the superannuation fund, which is administered by trustees and managed by the Life Insurance Corporation of India (LIC).

Defined Benefit Plan

##### a) Gratuity

The Company makes contribution to gratuity fund, (as per actuarial valuation), which is administered by trustees and managed by the Life Insurance Corporation of India (LIC).

##### b) Leave Encashment

Liability on account of encashment of leave to employees is provided on the basis of actuarial valuation.

### 8. Income Taxes

Tax expense comprises of current and deferred taxes.

Calculation of current tax is based on tax rates in accordance with tax laws that have been enacted or substantively enacted by the end of the reporting period. Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amounts in financial statements.

Deferred taxes pertaining to items recognized in other comprehensive income (OCI) are disclosed under OCI.

### 9. Investments and Other financial assets

Investments are accounted in accordance with Ind AS 109

#### a. Classification

The Company classifies its financial assets in the following categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flow.

**NOTES ON ACCOUNTS (Contd.)****b. Measurement**

At Initial recognition, the Company measures a financial asset at its fair value plus (in the case of a financial asset not a fair value through profit or loss) transaction cost that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

**Debt Instruments:**

Subsequent measurement of debt instruments depends on the company's business model for managing the asset and the cash flow characteristics of the asset. There are two measurement categories into which the Company classifies its debt instruments.

**Amortised Cost:**

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is de-recognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

**Fair Value through profit or loss:**

Assets that do not meet the criteria for amortised cost or Fair Value through Other Comprehensive Income (FVOCI) are measured at Fair Value Through Profit or Loss (FVTPL). A gain or loss on a debt investment that is subsequently measured at FVTPL and is not part of a hedging relationship is recognised in profit or loss and presented in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

**Equity instruments:**

The Company subsequently measures all investments in equity (except of the subsidiaries/associate) at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. These changes are accumulated within the equity till the same is derecognized / disposed off.

Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established.

**Investment in subsidiaries / associates:**

Investment in subsidiaries / associates are measured at cost less provision for impairment, if any.

**c. Impairment of financial assets**

All financial assets are reviewed for impairment at least at each reporting date to identify whether there is any evidence that a financial asset or a group of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets.

For trade receivables, the Company applies the approach permitted by Ind AS 109 Financial Instruments, which requires expected credit losses to be recognised from initial recognition of the receivables.

**d. Derecognition of financial assets**

A financial asset is derecognized when the Company has transferred the rights to receive cash flows from the financial asset.

## NOTES ON ACCOUNTS (Contd.)

### Financial Liabilities

#### i. Classification, subsequent measurement and derecognition of financial liabilities

##### a. Classification

Financial liabilities are classified, at initial recognition, as financial liabilities at amortised cost. The Company's financial liabilities include borrowings, trade and other payables.

#### Subsequent measurement

Financial liabilities are measured subsequently at amortized cost.

#### Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or has expired.

### 10. Provisions and Contingent Liabilities

Provisions are recognized when the company has a present obligation as a result of past events, it is probable, but the outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made out of the amount of obligation.

Contingent liabilities exist when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required or the amount cannot be reliably estimated. Contingent liabilities are appropriately disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

### 11. Cash and cash equivalents and cash flow statement

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value. Cash flows are reported using the indirect method, whereby profit/ (loss) before extraordinary items and tax is appropriately classified for the effects of transactions of non-cash nature and any deferrals or accruals of past or future receipts or payments. In cash flow statement, cash and cash equivalents include cash in hand, balances with banks in current accounts and short term deposits.

### 12. Earnings Per Share:

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

### C. Financial risk management

The Company's business activities are exposed to liquidity risk and credit risk. The Risk management policies have been established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review and reflect the changes in the policy accordingly.

#### a) Management of Liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities. In doing this, management considers both normal and stressed conditions.

The Company regularly monitors the rolling forecasts and the actual cash flows to service the financial liabilities on a day-to-day basis through cash generation from business and by having adequate banking facilities.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance sheet date.

<b>Payable within one year</b>		
Trade payable	72.54	34.12
Borrowings - Cash Credit	0.00	13.58

**Notes to Statement of Profit and Loss**
**b) Management of Credit risk**

Credit risk is the risk of financial loss to the Company if the other party to the financial assets fails to meet its contractual obligations.

**a) Trade receivables:**

Concentration of credit risk with respect to trade receivables are limited as the customers are reviewed, assessed and monitored regularly on a monthly basis with pre determined credit limits assessed based on their payment capacity. Our historical experience of collecting receivables demonstrates that credit risk is low. Hence, trade receivables are considered to be a single class of financial assets.

**b) Other financial assets:**

The Company has exposure in Cash and cash equivalents and term deposits with banks and others. The Company's maximum exposure to credit risk as at 31st March, 2021 is the carrying value of each class of financial assets as on that date.

**34.** In terms of Clause 4 (i) (b) of the General Instructions for preparation of financial statements as per Schedule III of the Companies Act, 2013, the Financials are rounded off to the nearest crores with decimals thereof for the current financial year. Accordingly, the comparative numbers are also rounded off. Previous year's figures have been regrouped wherever necessary to conform to this year's classification.

**35. Capital Management**

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Company monitors the return on capital as well as the level of dividends on its equity shares. The Company's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value.

The capital structure of the company consists of the following:

**₹ In Crores**

	<b>As at March 31, 2021</b>	<b>As at March 31, 2020</b>
Total equity attributable to the equity shareholders of the company	<b>1432.62</b>	935.21

As a percentage of total capital	<b>0.00</b>	1.43
Total Capital (Borrowings and Equity)	<b>1432.62</b>	948.79

The Company is predominantly equity financed which is evident from the capital structure table. Further, the Company has generally been a net cash surplus Company with cash and bank balances along with investment which is predominantly investment in liquid and short term mutual funds and equity shares.

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF INDIA MOTOR PARTS & ACCESSORIES LIMITED

#### Report on the Audit of the Consolidated Ind AS financial statements

##### 1. Opinion

We have audited the accompanying Consolidated Ind AS financial statements of **India Motor Parts & Accessories Limited** ("the Parent Company"), its subsidiary (together referred to as the "Group") and its associate which comprise the Consolidated Balance Sheet as at March 31, 2021, and the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Statement of changes in Equity and Consolidated Cash Flow statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2021, of consolidated profit and other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year then ended.

##### 2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### 3. Emphasis of Matter

We draw attention to Note No.38 of the Consolidated Ind AS financial statements, wherein the Company has disclosed its Assessment of the Covid-19 pandemic. As mentioned therein, the assessment of the Management does not indicate any material effect on the carrying value of its assets and liabilities of the Company on the reporting date or any adverse change in the ability of the Company to continue as a Going Concern. The assessment of the Management is dependent on the circumstances as they evolve considering the uncertainties prevailing in the economic situation.

Our opinion is not modified in respect of this matter.

##### 4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole,

and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report in respect of India Motor Parts & Accessories Limited.

## **5. Information Other than the Financial Statements and Auditor's Report Thereon**

The Parent Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report and Shareholder's Information etc., but does not include the Consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **6. Responsibilities of Management for the Consolidated Ind AS financial statements**

The Parent Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income and consolidated cash flows of the Group including its Associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Parent Company, as aforesaid.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the Group and of its associate.

**7. Auditor's Responsibilities for the Audit of the Consolidated Ind AS financial statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the Consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f) Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the Consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Ind AS financial statements of which we are the independent auditors. For the other entities included in the Consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits

carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Parent Company and such other entities included in the Consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## 8. Other Matters

We did not audit the financial statements of the subsidiary, whose financial statements reflect total assets of Rs. 9.30 Crores as at 31st March, 2021, total revenues of Rs. 13.92 crores and net cash inflow amounting to Rs. 1.62 crores for the year ended on that date, as considered in the Consolidated Ind AS financial statements. The Consolidated Ind AS financial statements also include the Parent company's share of net profit of Rs. 1.78 crores for the year ended 31st March, 2021, in respect of one associate, whose financial statements have not been audited by us. These financial statements of the subsidiary and associate company have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary and associate, and our report in terms of sub-sections (3) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiary and associate, is based solely on the reports of the other auditors.

Our opinion on the Consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

## 9. Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Ind AS financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.

- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
- d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Parent Company as on 31st March, 2021 taken on record by the Board of Directors of the Parent Company and the reports of the statutory auditors of its subsidiary company and associate company incorporated in India, none of the directors of the Group companies and its associate company incorporated in India is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:  

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Group to its directors during the year is in accordance with the provisions of section 197 of the Act read with schedule V to the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - (i) The Consolidated Financial Statements has disclosed the impact of pending litigations on its financial position in its Consolidated Ind AS financial statements – Refer Note 30.5(a) to the Consolidated Ind AS financial statements.
  - (ii) The Group and its associate did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - (iii) There has been no delay in transferring the amounts required to be transferred to the Investor Education and Protection Fund by the Parent Company, its Subsidiary and its Associate incorporated in India during the year ended 31st March, 2021.

## **“Annexure - A” to the Auditors’ Report**

### **Referred to in Paragraph 9 of Our Report of Even Date**

### **Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies, Act, 2013 (“the Act”)**

In conjunction with our audit of the Consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of India Motor Parts & Accessories Limited (hereinafter referred to as “the Parent Company”) and its subsidiary company, which are companies incorporated in India, as of that date.

### **Management’s Responsibility for Internal Financial Controls**

The respective Board of Directors of the Parent company, its subsidiary companies, its associate companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Parent Company and its subsidiary company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### **Other Matters**

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to one subsidiary company and one associate company which are incorporated in India, is based on the corresponding report of the auditors of such company incorporated in India,

## CONSOLIDATED NOTES ON ACCOUNTS

### Note 1

#### SIGNIFICANT ACCOUNTING POLICIES

##### 1. Overall considerations

The financial statements have been prepared applying the significant accounting policies and measurement bases summarized below.

##### 2. Principles of Consolidation

The Consolidated Financial Statements relate to India Motor Parts and Accessories Limited (Parent company) and the Company's subsidiary (jointly considered as "Group" hereinafter) and the share of profit in its associate. The Consolidated financial Statements have been prepared on the following basis:

###### a) Subsidiary

Subsidiary entity viz., CAPL Motor Parts Private Limited is controlled by the Parent Company. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity.

The financial statement of the Subsidiary is included in the consolidated financial statements from the date on which control is acquired until the date on which control ceases to exist. The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the financial statements of the Parent (IMPAL) and its Subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses. Inter-Group transactions, balances and unrealised gains on transactions between Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the Consolidated Statement of profit and loss, Consolidated statement of changes in equity and balance sheet respectively.

###### b) Associates

The Consolidated Financial Statements include the Share of profit of an Associate company which have been accounted for using equity method as per "Indian Accounting Standard (Ind AS) 28 - Investments in Associates and Joint ventures" in Consolidated Financial Statements. Accordingly, the share of profit of the associate company has been added to the cost of investments.

The difference between the cost of investments in the associate and the share of net assets at the time of acquisition of shares in the associate is identified in the Consolidated Financial statements as Goodwill or Capital Reserve as the case may be.

The financial statements of the Associate and the Subsidiary used in the consolidation are drawn up to the same reporting date as that of the Parent Company i.e. 31st March 2021.

The Consolidated Financial Statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Parent Company's separate financial statements.

Following Entities have been considered in the preparation of the Consolidated Financial Statements:

Name of the Entity	Relationship	Country of Incorporation	% of Holding and Voting power
CAPL Motor Parts Private Limited	Subsidiary	India	90.00%
Transenergy Private Limited	Associate	India	36.45%

**CONSOLIDATED NOTES ON ACCOUNTS (Contd.)**

The group is engaged in sale and distribution of automobile spare parts.

**Non controlling Interest:**

During this Financial year 2020-21, the Parent Company has owned 90% stake in the subsidiary "CAPL Motor Parts Private Limited" in which a group of individuals own 10% stake which is classified as the Non-Controlling Interest.

**Basis of Preparation**

The financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed by Ministry of Corporate Affairs under Companies (Indian Accounting Standards) Rules, 2015, provisions of the Companies Act, 2013, to the extent notified and pronouncements of the Institute of Chartered Accountants of India.

The preparation of the financial statements, in conformity with generally accepted accounting principles, requires the use of estimates and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amounts of revenues and expenses during the period and disclosure of contingent liabilities as at that date. The estimates and assumptions used in these financial statements are based upon the management's evaluation of the relevant facts and circumstances as of the date of the financial statements.

Disclosures under Ind AS are made only in respect of material items.

The financial statements have been prepared under accrual basis of accounting as a going concern and on the historical cost convention except for certain financial assets and liabilities (as per the accounting policy below), which have been measured at fair value.

**Revenue Recognition**

Revenue is measured in accordance with Ind AS 115 as applicable at the fair value of the consideration received or receivable and net of returns, trade allowances, rebates, discounts and amounts collected on behalf of third parties. It excludes Goods and Service tax.

**i. Sale of Products:**

Revenue from sale of products is recognized, when the company satisfies performance obligation by transferring promised goods to the customer. Performance obligations are satisfied at the point of time when the customer obtains controls of the asset.

Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts returns and Goods and Service Tax.

**ii. Revenue from Services:**

Revenue from Services is recognised in the accounting period in which the services are rendered and when invoices are raised.

**iii. Interest and Dividend Income:**

Interest income are recognized using the time proportion method based on the rates implicit in the transaction. Interest income is included in other income in the statement of profit and loss.

Dividends are recognised in the Statement of Profit and Loss only when the right to receive payment is established and it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of dividend can be reliably measured.

**3. Property, plant and equipment**

Free hold land is stated at historical cost. All other items of Property, Plant and Equipment are stated at cost of acquisition/construction less accumulated depreciation/amortization and impairment, if any. Cost

## CONSOLIDATED NOTES ON ACCOUNTS (Contd.)

includes purchase price, taxes and duties, labour cost. However, cost excludes Goods and Service Tax, to the extent credit of the GST is availed.

Depreciation and amortization:

1. Depreciation is recognized on straight-line basis, over the useful life of the buildings and other tangible assets as prescribed under Schedule II of the Companies Act, 2013.
2. On tangible fixed assets added / disposed of during the year, depreciation is charged on pro-rata basis from the date of addition / till the date of disposal.

Ind AS Transition

As there is no change in the functional currency as at the date of transition, the Group has elected to adopt the carrying value of Plant, property and equipment under the erstwhile GAAP as the deemed cost for the purpose of transition to Ind AS.

### 4. Intangible assets

Intangible assets acquired are recorded at their acquisition cost and are amortized on straight line basis over its useful life as prescribed under Schedule II of the Companies Act, 2013.

Goodwill on acquisition is included in intangible assets, which is not amortised but tested for impairment annually or more frequently, if circumstances indicate that the same might be impaired.

### 5. Impairment

The group shall assess at the end of the reporting period whether there exist any indications that an asset may be impaired. If such indication exists, the entity shall estimate the recoverable amount of the asset and treatment shall be given in accordance with Ind AS 36.

### 6. Inventories

Inventories are valued at cost or net realizable value whichever is less in accordance with Ind AS 2. Net realizable value is the estimated selling price in the ordinary course of business. Cost is ascertained on FIFO basis. Obsolescence, slow and non-moving stocks are duly provided for.

### 7. Employee Benefits

#### A) Short Term Employees Benefits:

Short Term Employees Benefits for services rendered by them are recognized during the period when the services are rendered.

#### B) Post-employment benefits:

##### Defined Contribution Plan

##### a) Provident Fund

Contributions are made to the group's Employees Provident Fund Trust in accordance with the fund rules. The interest rate payable by the trust to the beneficiaries every year is notified by the Government.

The group has an obligation to make good the shortfall, if any, between the return from the investment of the trust and the notified interest rate.

The group also contributes to government administrated pension fund and to Employees' State Insurance Schemes on behalf of its employees.

##### b) Superannuation

The group makes fixed contributions as a percentage on salary to the superannuation fund, which is administered by trustees and managed by the Life Insurance Corporation of India (LIC).

##### Defined Benefit Plan

##### a) Gratuity

The group makes contribution to gratuity fund, (as per actuarial valuation), which is administered by trustees and managed by the Life Insurance Corporation of India (LIC).

CONSOLIDATED NOTES ON ACCOUNTS (Contd.)

b) Leave Encashment

Liability on account of encashment of leave to employees is provided on the basis of actuarial valuation.

**8. Income Taxes**

Tax expense comprises of current and deferred taxes.

Calculation of current tax is based on tax rates in accordance with tax laws that have been enacted or substantively enacted by the end of the reporting period. Deferred income tax is recognized using the balance sheet approach. Deferred income tax assets and liabilities are recognized for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amounts in financial statements.

Deferred taxes pertaining to items recognised in other comprehensive income (OCI) are disclosed under OCI.

**9. Investments and Other financial assets**

Investments are accounted in accordance with Ind AS 109

a. Classification

The group classifies its financial assets in the following categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flow.

b. Measurement

At Initial recognition, the group measures a financial asset at its fair value plus (in the case of a financial asset not a fair value through profit or loss) transaction cost that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Debt Instruments:

Subsequent measurement of debt instruments depends on the group's business model for managing the asset and the cash flow characteristics of the asset. There are two measurement categories into which the Group classifies its debt instruments.

Amortised Cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is de-recognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method..

Fair Value through profit or loss:

Assets that do not meet the criteria for amortised cost or Fair Value through Other Comprehensive Income (FVOCI) are measured at Fair Value Through Profit or Loss (FVTPL). A gain or loss on a debt investment that is subsequently measured at FVTPL and is not part of a hedging relationship is recognised in profit or loss and presented in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments:

The group subsequently measures all investments in equity (except of the subsidiaries/associate) at fair

## CONSOLIDATED NOTES ON ACCOUNTS (Contd.)

value. Where the group's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Group's right to receive payments is established.

### c. Impairment of financial assets

All financial assets are reviewed for impairment at least at each reporting date to identify whether there is any evidence that a financial asset or a group of financial assets is impaired. Different criteria to determine impairment are applied for each category of financial assets.

For trade receivables, the Group applies the approach permitted by Ind AS 109 Financial Instruments, which requires expected credit losses to be recognised from initial recognition of the receivables.

### d. Derecognition of financial assets

A financial asset is derecognized when the Group has transferred the rights to receive cash flows from the financial asset.

### Financial Liabilities

#### i. Classification, subsequent measurement and derecognition of financial liabilities

##### a. Classification

Financial liabilities are classified, at initial recognition, as financial liabilities at amortised cost. The Group's financial liabilities include borrowings, trade and other payables.

##### b. Subsequent measurement

Financial liabilities are measured subsequently at amortized cost

##### c. Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or has expired.

10. **Provisions and Contingent Liabilities:** Provisions are recognized when the group has a present obligation as a result of past events, it is probable, but the outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made out of the amount of obligation.

Contingent liabilities exist when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company, or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required or the amount cannot be reliably estimated. Contingent liabilities are appropriately disclosed unless the possibility of an outflow of resources embodying economic benefits is remote

11. **Cash and cash equivalents and cash flow statement:** Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value. Cash flows are reported using the indirect method, whereby profit/ (loss) before extraordinary items and tax is appropriately classified for the effects of transactions of non-cash nature and any deferrals or accruals of past or future receipts or payments. In cash flow statement, cash and cash equivalents include cash in hand, balances with banks in current accounts and short term deposits.

12. **Earnings Per Share:** The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted EPS is determined by adjusting the profit or loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

**B. Fair value hierarchy**

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 hierarchy - Includes Financial Instruments measured using quoted prices in the active market.

Level 2 hierarchy - The Fair value of Financial Instruments that are not traded in an active market, is determined using valuation techniques which maximise the use of observable market data.

Level 3 hierarchy - includes Financial Instruments for which one or more of the significant inputs are not based on observable market data. This is applicable for unlisted securities.

### C. Financial risk management

The Company's business activities are exposed to liquidity risk and credit risk. The Risk management policies have been established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review and reflect the changes in the policy accordingly.

#### a) Management of Liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities. In doing this, management considers both normal and stressed conditions.

The Company regularly monitors the rolling forecasts and the actual cash flows to service the financial liabilities on a day-to-day basis through cash generation from business and by having adequate banking facilities.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance sheet date.

	As at March 31, 2021	As at March 31, 2020
<b>Payable within one year</b>		
Trade payable	74.00	35.76
Borrowings - Cash Credit	0.00	13.58

#### b) Management of Credit risk

Credit risk is the risk of financial loss to the Company if the other party to the financial assets fails to meet its contractual obligations.

##### a) Trade receivables:

Concentration of credit risk with respect to trade receivables are limited as the customers are reviewed, assessed and monitored regularly on a monthly basis with pre determined credit limits assessed based on their payment capacity. Our historical experience of collecting receivables demonstrates that credit risk is low. Hence, trade receivables are considered to be a single class of financial assets.

##### b) Other financial assets:

The Company has exposure in Cash and cash equivalents and term deposits with banks and others. The Company's maximum exposure to credit risk as at 31st March, 2021 is the carrying value of each class of financial assets as on that date.

- 34.** In terms of Clause 4 (i) (b) of the General Instructions for preparation of financial statements as per Schedule III of the Companies Act, 2013, the Financials are rounded off to the nearest crores with decimals thereof for the current financial year. Accordingly, the comparative numbers are also rounded off. Previous year's figures have been regrouped wherever necessary to conform to this year's classification.

**35. Capital Management**

The Group policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Company monitors the return on capital as well as the level of dividends on its equity shares. The Company's objective when managing capital is to maintain an optimal structure so as to maximize shareholder value.

## CONSOLIDATED NOTES TO FINANCIAL STATEMENTS (Contd.)
