Commenting on the company's performance, Sreekanth Nadella, Managing Director and CEO, KFin Technologies Limited said, "It's been an incredible year for KFinTech. Our focus on strong execution continues to deliver all round performance in terms of strong growth in revenue, profitability, and cashflows across our diversified business model. Our businesses in India and Southeast Asia continues to demonstrate strong momentum with new client wins and market share gains. We are excited to have orchestrated our transformational and the largest acquisition of Ascent Fund Services having multi-jurisdiction presence, diversified set of clients, well-experienced team, and strong growth. By combining Ascent's client acquisition capabilities with KFinTech's technological expertise and our strategic partnership with BlackRock's Aladdin Provider Network, we are well-positioned to drive growth and market leadership and create long-term value for all stakeholders."

Acquisition of Ascent Fund Services

KFin Technologies Ltd to acquire Ascent Fund Services (Singapore) Pte. Ltd

Ascent Overview

- Founded in 2019, Ascent Fund Services (Singapore) Pte. Ltd. (Ascent) is an independent full-suite global fund administrator, servicing alternative investment funds across 18 countries, with strong domain expertise backed by an experienced management team.
- With FY24¹ and 6MFY25¹ revenue of US\$ 13.3 million (32% y/y growth) and US\$8.5 million (40% y/y growth) respectively, the Company services ~US\$ 24 billion assets under administration across ~576 funds.

Transaction Details

- KFin Technologies Limited has entered into definitive agreements with Ascent Fund Services (Singapore) Pte. Ltd., to acquire immediate controlling stake of 51% with a defined path to 100% ownership over the next five years.
 - Immediate Investment – Acquisition of 51% stake in the Company through primary capital infusion of US\$ 5.0 million and secondary purchase of US\$ 29.7 million at an Enterprise Value of US\$ 63 million.
 - Post the immediate investment, KFinTech and the three Ascent co-founders will be the shareholders of Ascent with KFinTech becoming the sole promoter with board control.
 - Subsequent Investment – Residual 49% stake will be acquired over the next 5 years in 3 equal tranches of 16.33% each after the end of FY28¹, FY29¹, FY30¹ respectively. The purchase consideration for these tranches is linked to achievement of EBITDA for the corresponding fiscal year.

Transaction Funding

- Immediate investment of US\$ 34.7 million by KFinTech, to be funded through internal accruals.
- Subsequent investments is expected to be funded through internal accruals.
- The transaction will not impact the dividend payout ratio of KFinTech.

Transaction Timeline

- Transaction is expected to close in 3-4 months (July-August'25), post requisite approvals from respective regulators.

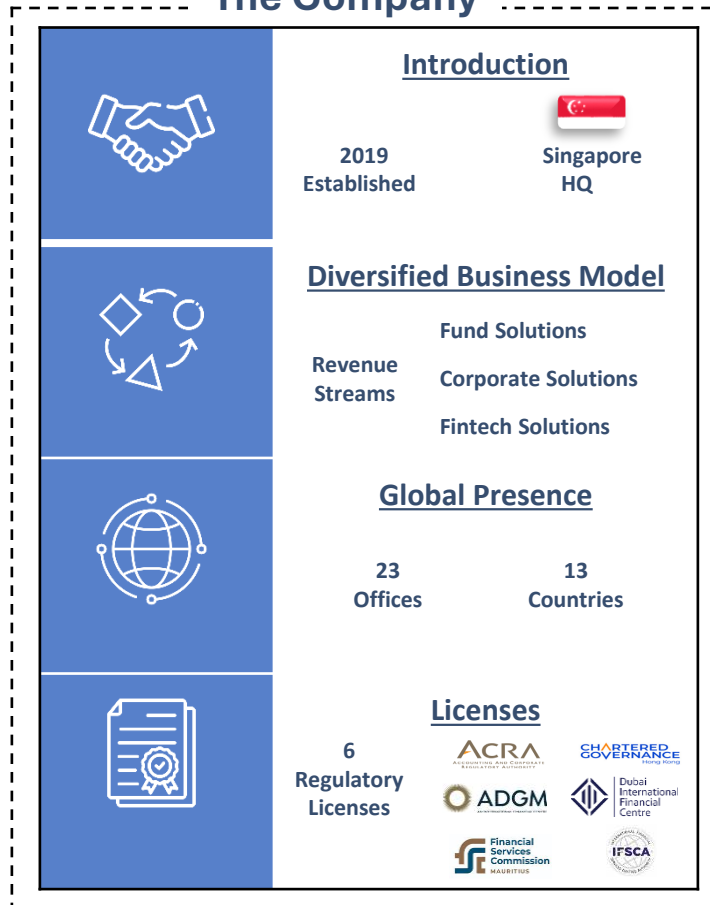

¹Ascent Fund Services follows August-July financial year.

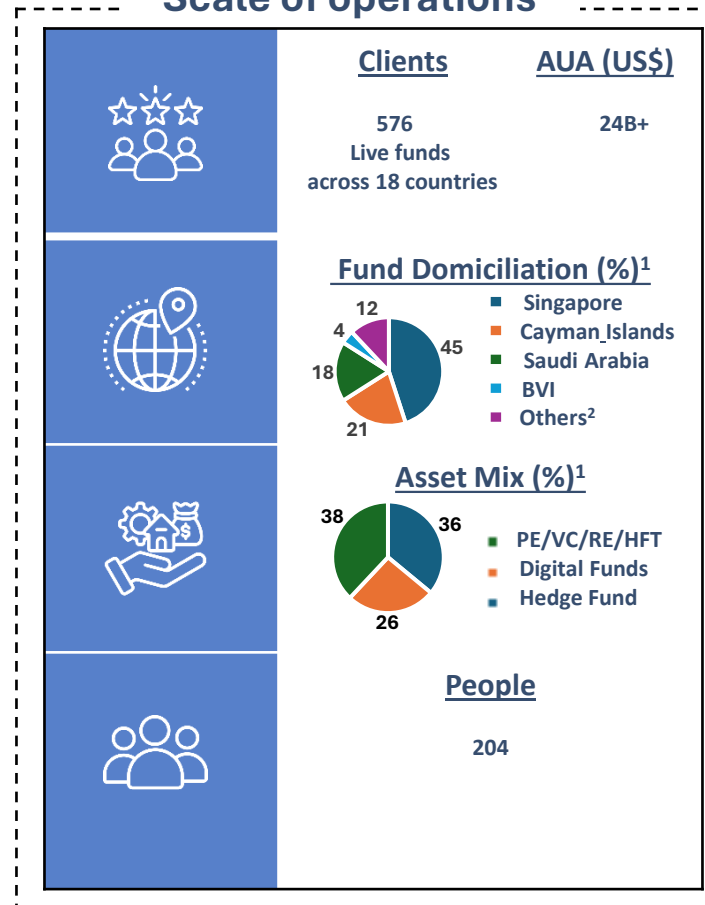

Ascent | At a glance

A Singapore-headquartered, technology driven global fund administrator with strong growth and high recurring revenue, widespread international footprints with diverse clientele across investment strategies

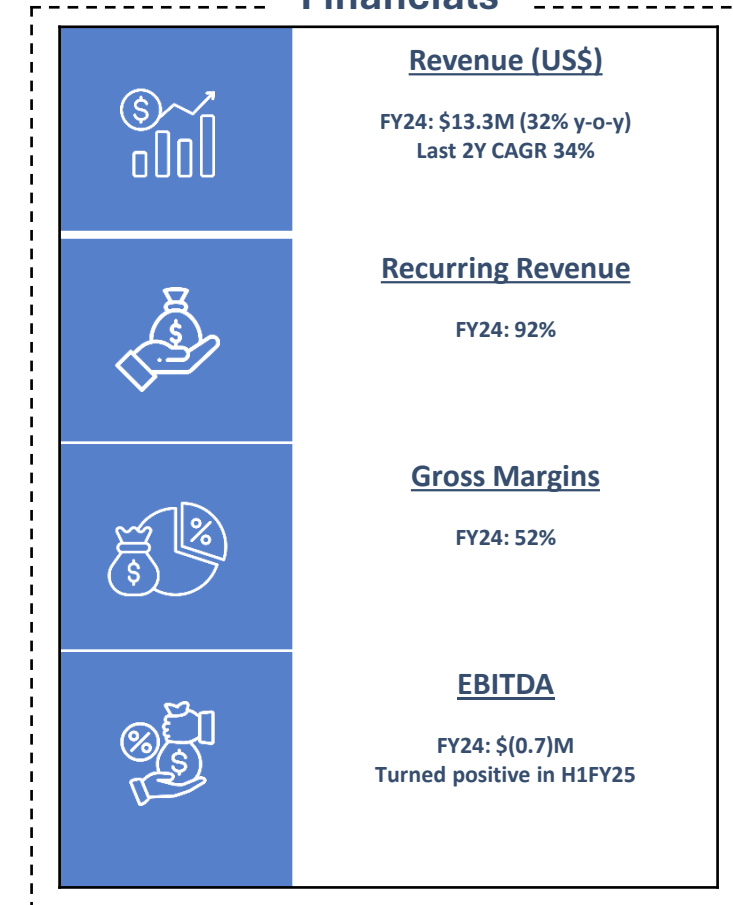

The Company

Scale of operations

Financials

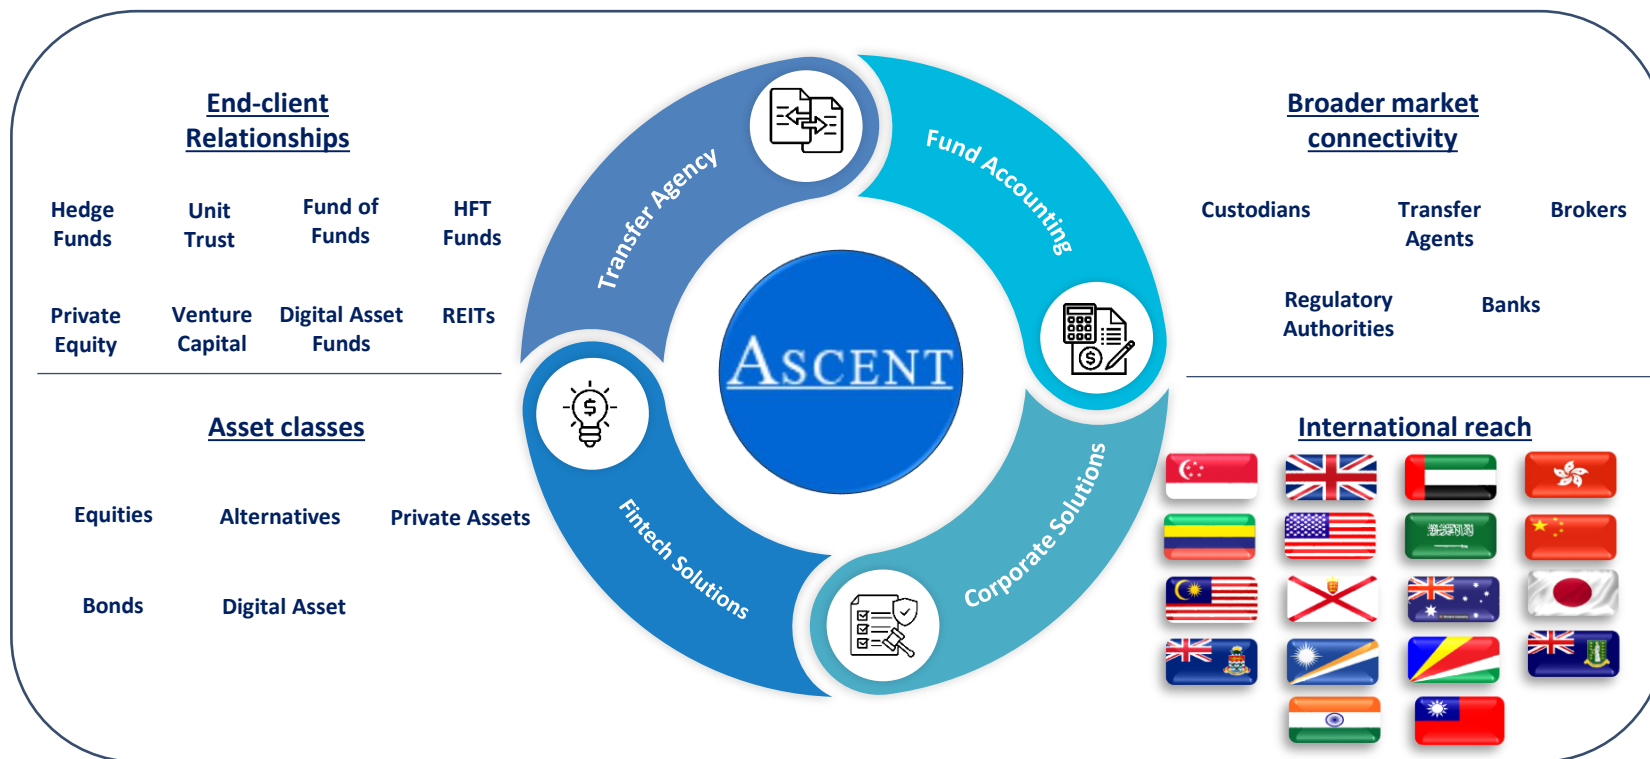

¹% based on FY24 # of Funds; ²Others include India (4%), Australia (3%), Hongkong (2%), Jersey (1%), & UAE, US, Seychelles, Marshall Islands (2% collectively)

Ascent | Introduction

Founded in 2019, Ascent is one of the fastest-growing independent fund administrators headquartered in Singapore specialising in offering customised solutions tailored to the asset manager's needs

What issues
Does Ascent solve
for its clients?

Margin pressures

Automating higher risk manual processes, reducing time to market and decreasing costs

Regulatory complexity

Navigating the intricacies of an increasingly burdensome and complex regulatory landscape

Outsourced automation

Extensive documentation and recordkeeping compliance saving on the client's bandwidth

Efficient technology infrastructure

Solutions for dated & inefficient legacy systems with overlapping in-house & third-party technology

Accuracy & reliability

Accurate, reliable & compliant delivery; removing complexity & cost of dealing with high volume

Ascent | One-stop solution for asset managers, centralizing their fund accounting, corporate services, investor onboarding & other compliance needs

Fund Solutions

offers the full-suite of fund administration solutions including:

- Pre-Launch Support
- NAV Calculations and Portfolio Accounting
- Investor Services
- FATCA & CRS
- Financial Statements Preparation
- Fund Compliances
- Audit Assistance
- US Tax Reporting

Corporate Solutions

offers corporate solutions catering to its clients with domestic fund structures as well as SMEs:

- Corporate Accounting
- Financial Statement Preparation
- XBRL Filing
- Payroll Services
- GST Filing
- Company Incorporation
- Corporate Secretarial
- Registered Office
- Nominee Directorship
- Liquidation

Technology & Analytics Solutions

offers an array of technological solutions including customer onboarding, compliance and transaction monitoring:

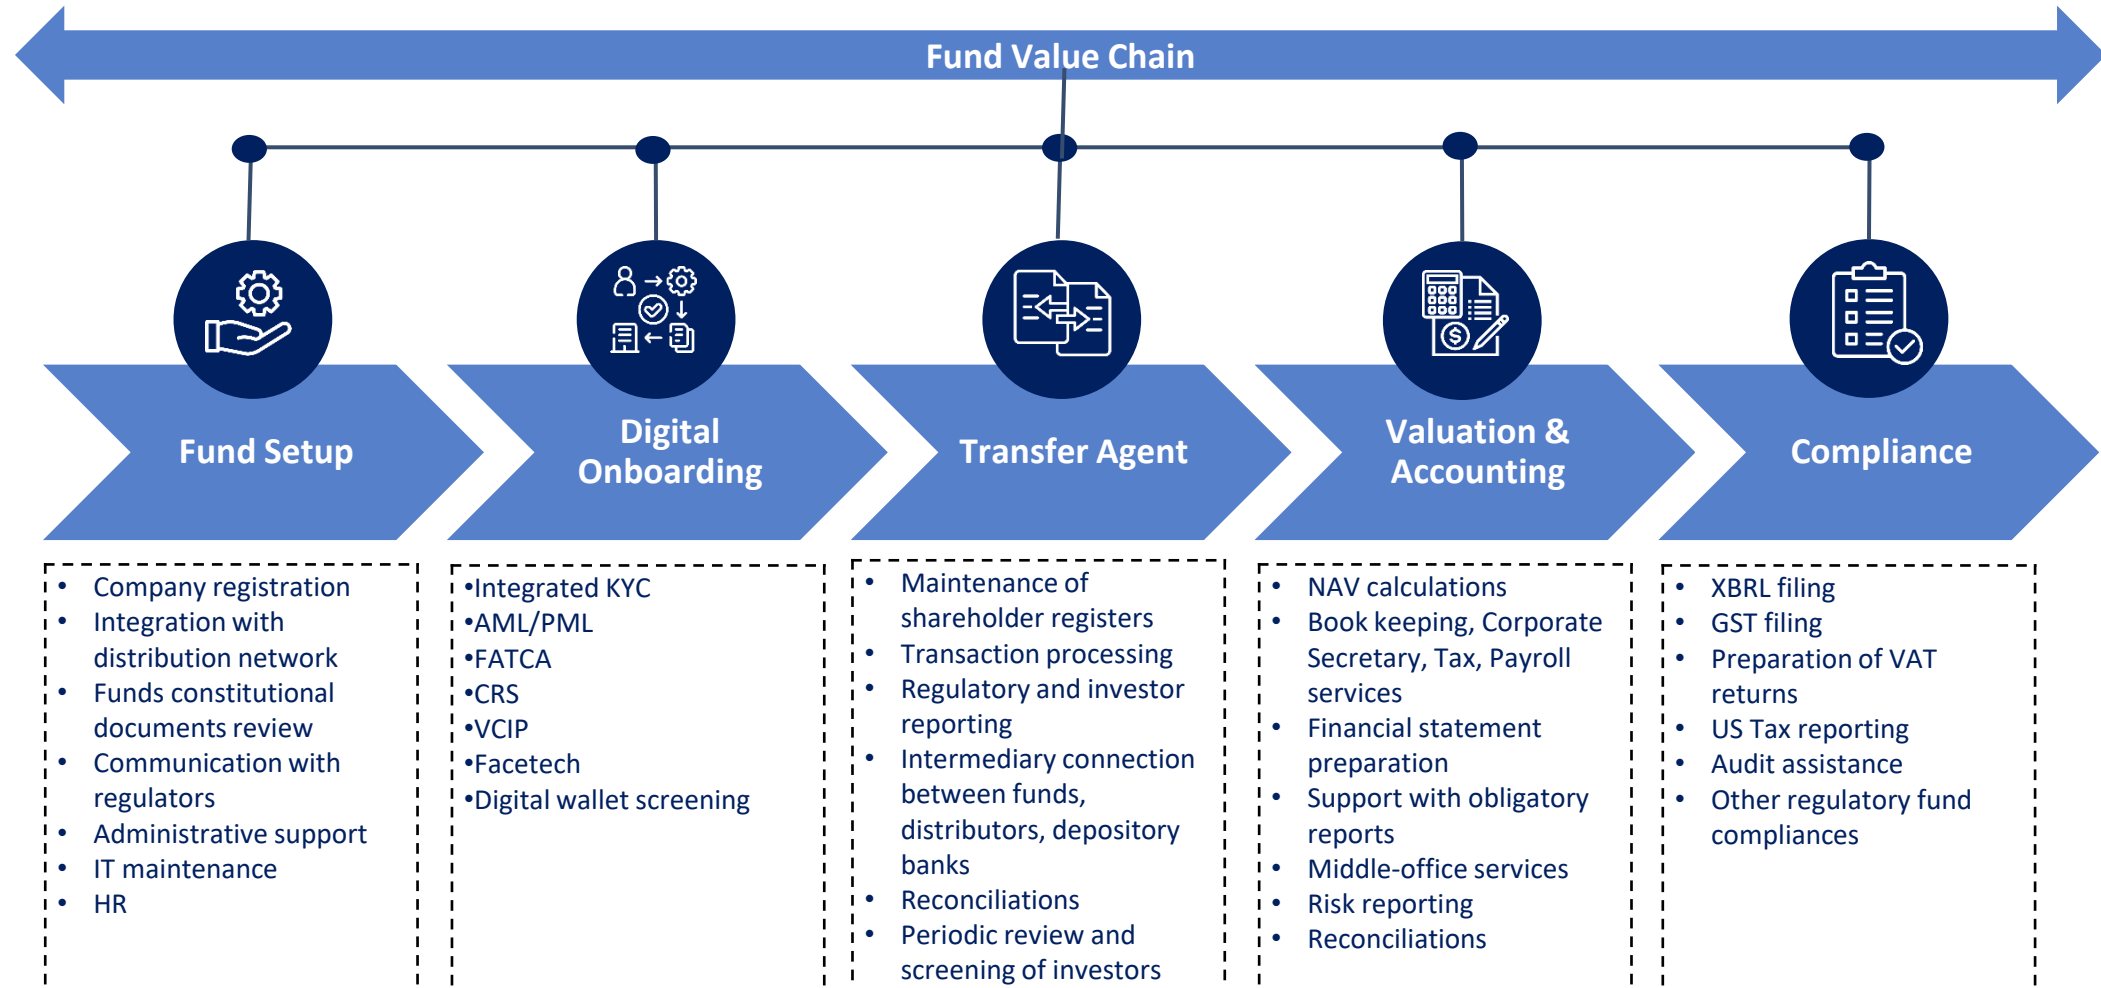

- Digital Onboarding
- EKYC System
- KYW Screening
- Automated Data Analytics
- Data Aggregation
- Data Reconciliation
- Seamless Data Transition
- Digitalized Transaction Monitoring System
- Customized Product
- Managed Services/Tech Support

Ascent | Operates across the investment fund value chain

Strategically positioned to offer a full suite of fund administration services, covering an expanding range of asset classes across the fund value chain

Ascent | Well established on-ground presence across 13 countries to provide regional expertise and direct interaction with clients and respective local regulators backed by requisite licenses

Ascent Fund Services follows August-July financial year.

Ascent | Investment Rationale

Global fund administration is a large market opportunity driven by strong tailwinds in the global alternate and private client sectors, and annuity fee-based sticky contracts. The investment will position KFinTech as a formidable global fund administrator, backed by Ascent's growing global footprints, diverse client credentials, and strong domain expertise, and KFinTech's technical capabilities and strong balance sheet

Growing prominence in global fund administration space

- Global fund administration is a large market opportunity with more than US\$12 billion annual revenue pool¹
- Global asset management industry is growing² at 6.6%, with Middle East and Asia Pacific regions growing² faster at 7.3% and 18.7%, respectively

Multi-region presence with requisite licenses

- Acquisition gives KFinTech immediate and scaled access to global fund administration market across multiple international jurisdictions, as Ascent has clientele presence across 18 countries. In addition, Ascent holds the required licenses / permits to render fund services in major geographies such as Singapore, Hong Kong, Mauritius, UAE (Abu Dhabi & Dubai), and GIFT City (India)

Diversified client base with high proportion of recurring revenue

- Ascent services ~576 funds across 260+ asset managers. Customer contracts are based on recurring annuity fee-based sticky revenue, supported by minimum guaranteed fee threshold. Over 90% of the revenue is recurring in nature

Experienced leadership with strong domain expertise

- Strong pedigree of founding team and senior management with multiple decades of industry experience, deep operational expertise and proven track record of continuous client acquisitions

Transaction structure with high alignment

- Upfront acquisition of majority 51% stake in the Company, with path to acquire residual 49% stake over years 3, 4, and 5 from the immediate investment, with valuation linked to achievement of EBITDA, ensuring strong alignment of continuous value-creation by the existing management team

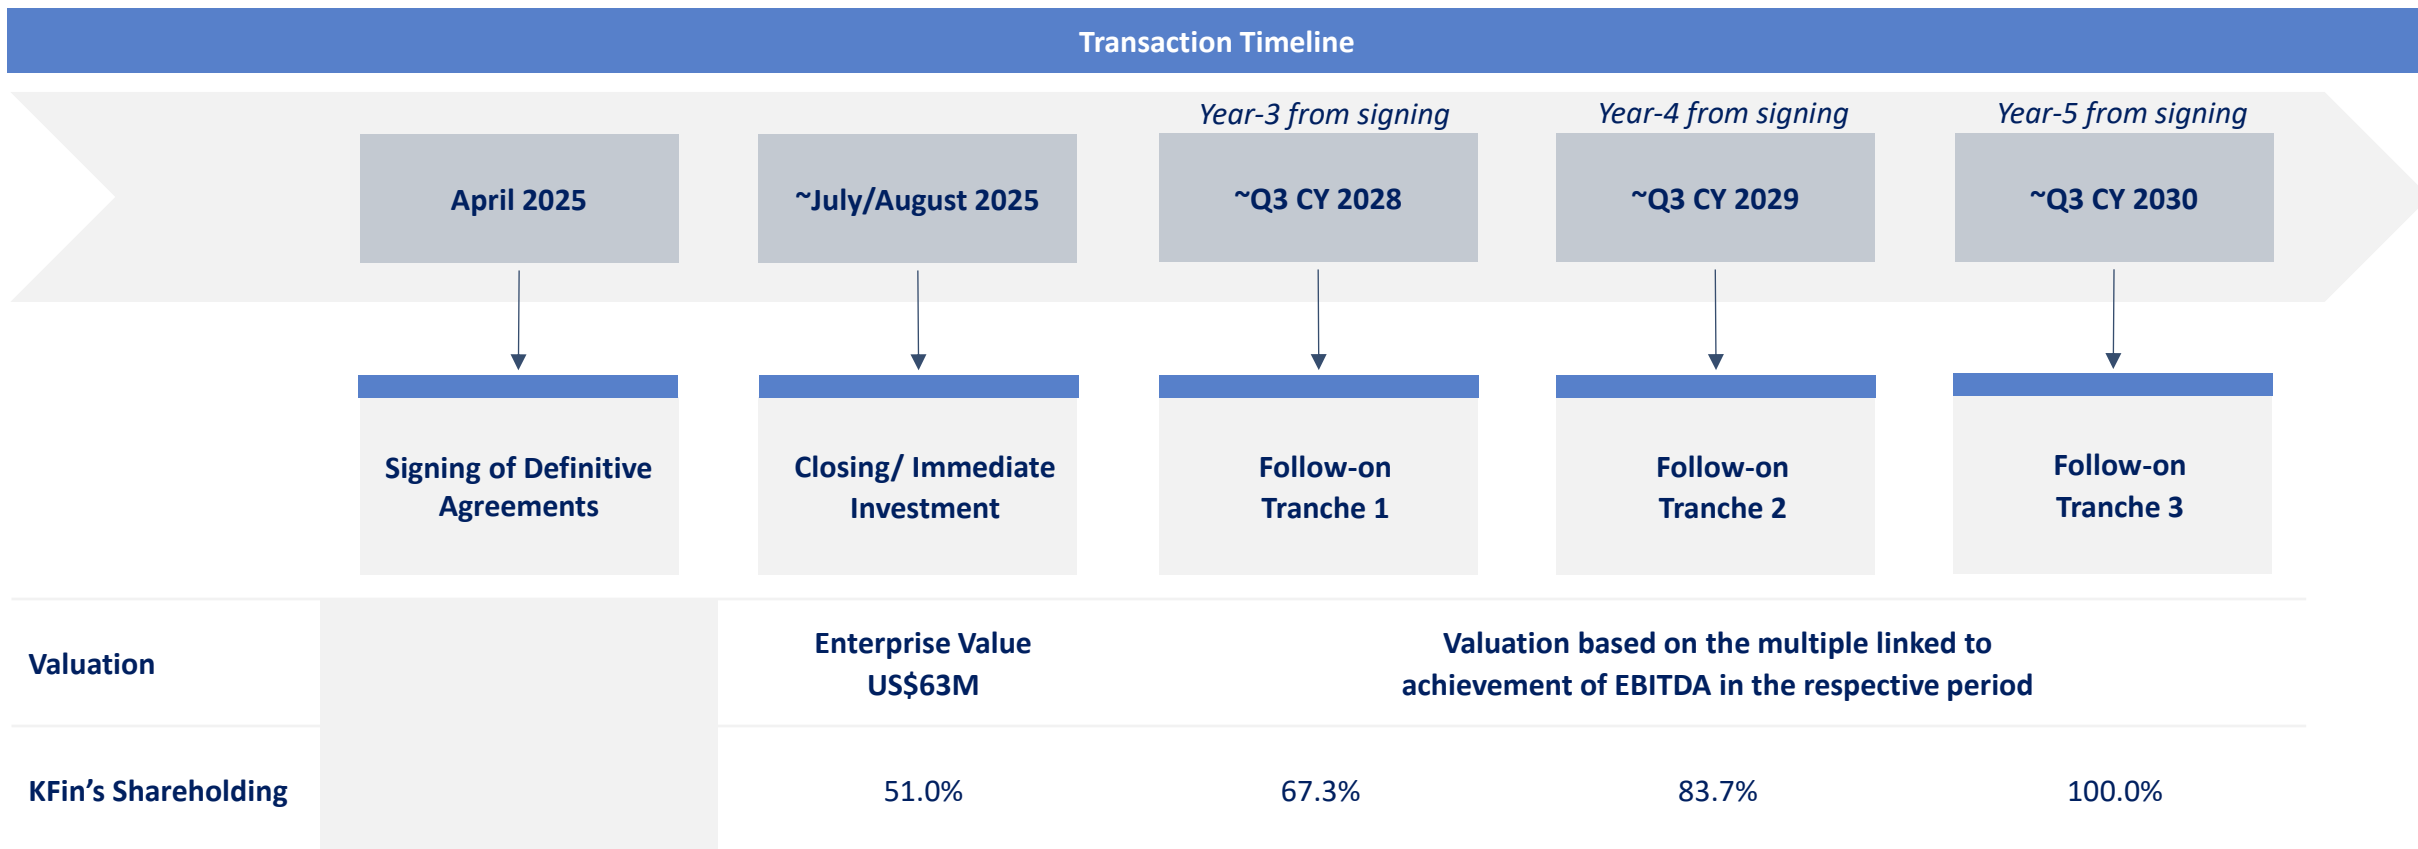

Significant potential for revenue and cost synergies

- Expansion into large markets of US and Europe on the back of strong balance sheet
- Potential to leverage Ascent's international presence and domain expertise and KFinTech's technological ability to cross-sell / up-sell value-added-solutions
- Benefitting from operating leverage and operational efficiency using India and Malaysia as a Centre of Excellence

KFintech + Ascent | Among the very few global fund administrators to offer tailor-made solutions to asset managers using proprietary platforms

KFintech <> Ascent | Deal Construct and Timeline

KFintech had cash and cash equivalents of ₹ 659.6 crores as on 31st Mar'25. Total immediate payout will be approximately ₹ 300 crores

Independent Auditor's Report

To the Board of Directors of KFin Technologies Limited

Report on the audit of the Consolidated Annual Financial Results

Opinion

We have audited the accompanying consolidated annual financial results of KFin Technologies Limited (hereinafter referred to as the "Holding Company") its employee welfare trust and its subsidiaries (Holding Company, its employee welfare trust and its subsidiaries together referred to as "the Group"), its associate and its joint venture for the year ended 31 March 2025, attached herewith, being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated annual financial results:

a. include the annual financial results of the following entities:

S. No.	Name of the component	Country	Relationship
1	KFin Technologies (Bahrain) W.L.L.	Bahrain	Subsidiary
2	KFin Technologies (Malaysia) SDN. BHD.	Malaysia	Subsidiary

14th Floor, Central B Wing and North C Wing, Nesco IT Park 4, Nesco Center,
Western Express Highway, Goregaon (East), Mumbai - 400063

Independent Auditor's Report (Continued)
KFin Technologies Limited

12	MFC Technologies Private Limited	India	Joint Venture
----	----------------------------------	-------	---------------

- b. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- c. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards, and other accounting principles generally accepted in India, of consolidated net profit and other comprehensive loss and other financial information of the Group for the year ended 31 March 2025.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Results* section of our report. We are independent of the Group, its associate and its joint venture in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us along with the consideration of reports of the other auditors referred to in sub paragraph no.(a) of the "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated annual financial results.

Emphasis of Matter

We draw attention to Note 4 of the consolidated financial results, where pre-amalgamated Company was the Registrar and Transfer Agent ('RTA') of a past client ("the Client") until 5 April 2021. The Client had a demat account with one of the Depository Participants ("DP") for depositing its shares in escrow for the purposes of its initial public offering ("IPO"). The Holding Company identified that 1,294,489 shares were transferred by the DP (in 2011 and 2020) from the said escrow account of the Client to the DP's own demat account and to Third Party's demat account through an off-market transaction without any authorisation from the Client. The Board of Directors of the Holding Company after considering legal advice transferred 1,294,489 shares to the escrow account of the Client on a 'good faith and no fault' basis, after reducing the amount payable upon redemption, in future, of the Redeemable Preference Shares issued in October 2021, by INR 300 million, pursuant to an indemnity clause mentioned in the agreement for the issuance of such Redeemable Preference Shares. The dividend received on such shares by the Holding Company in the financial year 2021-22 of INR 4.08 million was also transferred to the Client.

The Holding Company has recognised an amount of INR 84.25 million as a provision as of 31 March 2025 in the consolidated financial results related to potential claims by the Client (including dividends on such shares for the earlier periods). Pending the final settlement of terms to be agreed with the Client, the Holding Company has measured the said provision at its best estimate. The Holding Company will initiate proceedings against the concerned parties, including certain minority shareholders, for recovery of the amount paid and payable by the Holding Company in connection with this matter upon completion of final settlement with the Client.

Our opinion is not modified in respect of this matter.

Management's and Board of Directors'/ Trustees' Responsibilities for the Consolidated Annual Financial Results

These consolidated annual financial results have been prepared on the basis of the consolidated annual financial statements.

The Holding Company's Management and the Board of Directors are responsible for the preparation and presentation of these consolidated annual financial results that give a true and fair view of the consolidated net profit/ loss and other comprehensive income and other financial information of the Group including its associate and joint venture in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued

Independent Auditor's Report (Continued)**KFin Technologies Limited**

thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Management and Board of Directors of the companies/entities included in the Group, and of its associate and joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each company/entity and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated annual financial results by the Management and the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated annual financial results, the respective Management and the Board of Directors/ Trustees of the companies/entities included in the Group, and of its associate and joint venture are responsible for assessing the ability of each company/entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors/ Trustees either intends to liquidate the company/entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors/ Trustees of the companies/entities included in the Group, and of its associate and joint venture is responsible for overseeing the financial reporting process of each company/entity.

Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated annual financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management's and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate and joint venture to cease to continue as a going concern.

Independent Auditor's Report (Continued)

KFin Technologies Limited

- Evaluate the overall presentation, structure and content of the consolidated annual financial results, including the disclosures, and whether the consolidated annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial statements of the entities and its associate and joint venture to express an opinion on the consolidated annual financial results. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the consolidated annual financial results of which we are the independent auditors. For the other entities included in the consolidated annual financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in sub paragraph no. (a) of the Other Matters paragraph in this audit report.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated annual financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular No CIR/CFD/CMD1/44/2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

Other Matter

- a. The consolidated annual financial results include the audited financial results of 7 subsidiaries, whose financial statements reflects total assets (before consolidation adjustments) of INR 628 million as at 31 March 2025, total revenue (before consolidation adjustments) of INR 818 million and total net profit after tax (before consolidation adjustments) of 71 million and net cash inflows (before consolidation adjustments) of INR 33 million for the year ended on that date, as considered in the consolidated annual financial results, which have been audited by their respective independent auditors. The independent auditor's reports on financial statements of these entities have been furnished to us by the management.

Our opinion on the consolidated annual financial results, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the reports of such auditors and the procedures performed by us are as stated in paragraph above.

Certain of these subsidiaries are located outside India whose financial statements have been prepared in accordance with accounting principles generally accepted in its country and which have been audited by other auditors under generally accepted auditing standards applicable in its country. The Holding Company's management has converted the financial statements of such subsidiaries located outside India from accounting principles generally accepted in its country to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based on the reports of other auditors and the conversion adjustments prepared by the management of the Holding Company and audited by us.

Our opinion on the consolidated annual financial results is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

- b. The consolidated annual financial results include the results for the quarter ended 31 March 2025 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which

Independent Auditor's Report

To the Board of Directors of KFin Technologies Limited

Report on the audit of the Standalone Annual Financial Results

Opinion

We have audited the accompanying standalone annual financial results of KFin Technologies Limited (hereinafter referred to as the "Company") for the year ended 31 March 2025, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone annual financial results:

- a. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- b. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards, and other accounting principles generally accepted in India, of the net profit and other comprehensive loss and other financial information for the year ended 31 March 2025.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Annual Financial Results* section of our report. We are independent of the Company, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our opinion on the standalone annual financial results.

Emphasis of Matter

We draw attention to Note 4 of the standalone financial results, where pre-amalgamated Company was the Registrar and Transfer Agent ('RTA') of a past client ("the Client") until 5 April 2021. The Client had a demat account with one of the Depository Participants ("DP") for depositing its shares in escrow for the purposes of its initial public offering ("IPO"). The Company identified that 1,294,489 shares were transferred by the DP (in 2011 and 2020) from the said escrow account of the Client to the DP's own demat account and to Third Party's demat account through an off-market transaction without any authorisation from the Client. The Board of Directors of the Company after considering legal advice transferred 1,294,489 shares to the escrow account of the Client on a 'good faith and no fault' basis, after reducing the amount payable upon redemption, in future, of the Redeemable Preference Shares issued in October 2021, by INR 300 million, pursuant to an indemnity clause mentioned in the agreement for the issuance of such Redeemable Preference Shares. The dividend received on such shares by the Company in the financial year 2021-22 of INR 4.08 million was also transferred to the Client.

The Company has recognised an amount of INR 84.25 million as a provision as of 31 March 2025 in the

Independent Auditor's Report (Continued)**KFin Technologies Limited**

standalone financial statements related to potential claims by the Client (including dividends on such shares for the earlier periods). Pending the final settlement of terms to be agreed with the Client, the Company has measured the said provision at its best estimate. The Company will initiate proceedings against the concerned parties, including certain minority shareholders, for recovery of the amount paid and payable by the Company in connection with this matter upon completion of final settlement with the Client.

Our opinion is not modified in respect of this matter.

Management's and Board of Directors' Responsibilities for the Standalone Annual Financial Results

These standalone annual financial results have been prepared on the basis of the standalone annual financial statements.

The Company's Management and the Board of Directors are responsible for the preparation and presentation of these standalone annual financial results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone annual financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements

Independent Auditor's Report (Continued)
KFin Technologies Limited

in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone annual financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management's and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone annual financial results, including the disclosures, and whether the standalone annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

- a. The standalone annual financial results include the results for the quarter ended 31 March 2025 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

(a) The Group is engaged in following operating segments: Domestic mutual fund investor solutions, Issuer solutions and International and other investor solutions. Based on the "Management approach" as defined in Ind AS 108 - 'Operating Segments', the Chief Operating Decision Maker ('CODM') evaluates the Group's performance and allocates resources based on an analysis of various performance indicators by business segments. During the quarter ended March 31, 2025, pursuant to change in the manner in which CODM monitors the Group's operations and allocate resources, the operating segment 'Global Business Services' has been combined with International and other investor solutions. The accounting principles used in the preparation of the financial results are consistently applied to record revenue and expenditure in individual segments.

(b) Segment result represents the profit before interest and tax earned by each segment without allocation of central administrative costs and other income.

(c) As allowed under Ind AS 108 - "Operating Segments", the segment information disclosed above is based on the consolidated financial results.

KFin Technologies Limited

Notes:

1. The above consolidated financial results of KFin Technologies Limited ("the Parent Company"/ "the Company"), its subsidiaries and its employee welfare trust (the Company, its subsidiaries and its employee welfare trust together referred to as "the Group") and its associate and its joint venture have been prepared in accordance with and comply in all material aspects with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued there under and in terms of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), as amended.

2. The above consolidated financial results have been reviewed and recommended by the Audit Committee at its meeting held on April 28, 2025. The Board of Directors at its meeting held on April 28, 2025 have approved the above results and taken them on record. The statutory auditors have expressed an unmodified audit opinion on these results.

3. The consolidated results for the quarter ended March 31, 2025 are the balancing figures between the audited figures in respect of the full financial year 2024-25 and the published unaudited year to date figures up to the third quarter of the financial year 2024-25, which were subject to limited review.

4. Karvy Computershare Private Limited (KCPL), which got amalgamated into the Parent Company with effect from November 17, 2018, was the Registrar and Transfer Agent (RTA) of a past Client ("the Client") until April 05, 2021. The Client had a demat account ("Escrow Account") with one of the Depository Participants ("DP") for depositing its shares in escrow for the purposes of its initial public offering. The Parent Company identified in the financial year 2020-21 that 794,489 shares were transferred by the DP (500,000 shares in 2011 (which translated into 1,000,000 shares pursuant to a bonus issue undertaken by the Client in 2017) and 294,489 shares in 2020) from the Escrow Account to the DP's own demat account and to a third party's demat account through an off-market transaction without any authorisation from the Client and without knowledge of the Parent Company. The Board of Directors of the Parent Company after considering legal advice purchased 1,294,489 shares and transferred these shares to the Escrow Account of the Client on a 'good faith and no fault' basis, after reducing the amount payable upon redemption, in future, of the Redeemable Preference Shares issued in October 2021, by ₹. 300.00 million. The dividend received on such shares by the Parent Company in the financial year 2021-22 of ₹. 4.08 million was also transferred back to the Client.

Intimation letters were sent to the Client and SEBI on November 15, 2021 informing them of transfer of shares to the Client's Escrow Account and refund of dividend to the Client. Further, the Board of Directors of the Parent Company after considering legal advice, approved payment (based on an estimation of potential losses that may be suffered by the Client) by the Parent Company to the Client, for the purpose of settlement of any potential claims by the Client (including dividends on such shares for earlier periods). The Parent Company will initiate proceedings against the concerned parties, including certain minority shareholders, for recovery of the amount paid and payable by the Parent Company to the Client in connection with this matter upon completion of final settlement with the Client. Considering the assessment of recoverability, the Parent Company has made a provision of ₹. 84.25 million as at March 31, 2025. Pending the final settlement of terms to be agreed with the Client, the Management has measured the provision at its best estimate.

5. During the year ended March 31, 2025, 1,064,288 number of employee stock options were exercised and allotted.

6. At the Parent Company's Board of Directors' meeting held on October 28, 2024, the Board has approved the terms of a joint venture agreement ("JVA") to be entered into by the Parent Company with Computer Age Management Services Limited ("CAMS") with respect to the incorporation of a joint venture company ("JVCo") by the Parent Company and CAMS, for the purposes of owning, developing, maintaining and operating the jointly developed investment management platform and ecosystem named 'MF Central' ("Transaction"). As part of the Transaction, the Board has also approved the proposal for primary equity capital infusion (in one or more tranches) in the JVCo by the Parent Company, up to an aggregate amount equivalent to INR 135 million in connection with the Transaction. Accordingly, the JVCo, by name, MFC Technologies Private Limited has been incorporated w.e.f March 8, 2025.

As of March 31, 2025, the Parent Company is yet to make the capital infusion.

7. On November 21, 2024, subsequent to RBI's in-principle approval to the Parent Company for the initial capital infusion (ODI remittance) of THB 10 million in KFin Technologies (Thailand) Limited, a newly incorporated subsidiary of the Parent Company, the Parent Company has invested an aggregate amount equal to THB 99,99,990 in KFin Technologies (Thailand) Limited.

8. On 16 April 2025, the Parent Company has entered into definitive agreements with Ascent Fund Services (Singapore) Pte. Ltd. (Ascent), to acquire controlling equity stake of 51% with a defined path to 100% ownership over the next five years. Headquartered in Singapore, Ascent is a fast growing full-suite global fund administrator. Presently, the Parent Company will acquire 51% equity stake in the Ascent for a consideration of US\$ 34.68 million comprising of primary capital infusion of US\$ 5.00 million and secondary purchase of US\$ 29.68 million at an enterprise valuation of US\$ 63.00 million. Post this transaction the Parent Company will become the sole promoter of Ascent. Residual 49% stake will be acquired over the next 5 years in 3 equal tranches of 16.33% each after the end of financial year 2027-28, 2028-29, and 2029-30 respectively. The purchase consideration for these tranches is linked to achievement of EBITDA for the corresponding fiscal year. The transaction is subject to customary regulatory approvals.

KFin Technologies Limited

Notes (continued):

9. The statement of audited consolidated financial results include the results of the following:

i) Parent:

a) KFin Technologies Limited

ii) Subsidiaries:

- a) KFin Technologies (Bahrain) W.L.L.
- b) KFin Technologies (Malaysia) SDN. BHD.
- c) KFin Services Private Limited
- d) Hexagram Fintech Private Limited
- e) Hexagram Fintech SDN. BHD.
- f) KFin Global Technologies (IFSC) Limited
- g) WebileApps (India) Private Limited
- h) WebileApps Technology Services Private Limited
- i) KFin Technologies (Thailand) Limited (w.e.f. November 12, 2024)

iii) Associate:

a) Fintech Products and Solutions (India) Private Limited (disposed off w.e.f. July 3, 2024)

iv) Joint venture:

a) MFC Technologies Private Limited (w.e.f March 08, 2025)

v) Controlled trust:

a) KFin Employees Welfare Trust

10. At the Parent Company's Board of Directors' meeting held on April 28, 2025, the Board proposed a dividend of INR 7.50 per share which is subject to the approval of the Parent Company's shareholders.

11. These consolidated financial results along with the audit report of the statutory auditors of the Parent Company are being filed with the National Stock Exchange of India Limited (NSE) and BSE Limited and are also available on the Parent Company's website.

KFin Technologies Limited

Notes:

1. The above standalone financial results of KFin Technologies Limited ("the Company") have been prepared in accordance with and comply in all material aspects with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("the Act") read with relevant rules issued there under and in terms of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), as amended.
2. The above standalone financial results have been audited and recommended by the Audit Committee at its meeting held on April 28, 2025. The Board of Directors at its meeting held on April 28, 2025 have approved the above results and taken them on record. The statutory auditors have expressed an unmodified audit opinion on these results.
3. The standalone results for the quarter ended March 31, 2025 are the balancing figures between the audited figures in respect of the full financial year 2024-25 and the published unaudited year to date figures up to the third quarter of the financial year 2024-25, which were subject to limited review.

4. Karvy Computershare Private Limited (KCPL), which got amalgamated into the Company with effect from November 17, 2018, was the Registrar and Transfer Agent (RTA) of a past Client ("the Client") until April 5, 2021. The Client had a demat account ("Escrow Account") with one of the Depository Participants ("DP") for depositing its shares in escrow for the purposes of its initial public offering. The Company identified in the financial year 2020-21 that 794,489 shares were transferred by the DP (500,000 shares in 2011 (which translated into 1,000,000 shares pursuant to a bonus issue undertaken by the Client in 2017) and 294,489 shares in 2020) from the Escrow Account to the DP's own demat account and to a third party's demat account through an off-market transaction without any authorisation from the Client and without knowledge of the Company. The Board of Directors of the Company after considering legal advice purchased 1,294,489 shares and transferred these shares to the Escrow Account of the Client on a 'good faith and no fault' basis, after reducing the amount payable upon redemption, in future, of the Redeemable Preference Shares issued in October 2021, by ₹. 300.00 million. The dividend received on such shares by the Company in the financial year 2021-22 of ₹. 4.08 million was also transferred back to the Client.

Intimation letters were sent to the Client and SEBI on November 15, 2021 informing them of transfer of shares to the Client's Escrow Account and refund of dividend to the Client. Further, the Board of Directors of the Company after considering legal advice, approved payment (based on an estimation of potential losses that may be suffered by the Client) by the Company to the Client, for the purpose of settlement of any potential claims by the Client (including dividends on such shares for earlier periods). The Company will initiate proceedings against the concerned parties, including certain minority shareholders, for recovery of the amount paid and payable by the Company to the Client in connection with this matter upon completion of final settlement with the Client. Considering the assessment of recoverability, the Company has made a provision of ₹. 84.25 million as at March 31, 2025. Pending the final settlement of terms to be agreed with the Client, the Management has measured the provision at its best estimate.

5. During the year ended March 31, 2025, 1,064,288 number of employee stock options were exercised and allotted.

6. At the Company's Board of Directors' meeting held on October 28, 2024, the Board has approved the terms of a joint venture agreement ("JVA") to be entered into by the Company with Computer Age Management Services Limited ("CAMS") with respect to the incorporation of a joint venture company ("JVCo") by the Company and CAMS, for the purposes of owning, developing, maintaining and operating the jointly developed investment management platform and ecosystem named 'MF Central' ("Transaction"). As part of the Transaction, the Board has also approved the proposal for primary equity capital infusion (in one or more tranches) in the JVCo by the Company, up to an aggregate amount equivalent to INR 135 million in connection with the Transaction. Accordingly, the JVCo, by name, MFC Technologies Private Limited has been incorporated w.e.f March 8, 2025.

As of March 31, 2025, the Company is yet to make the capital infusion.

7. On November 21, 2024, subsequent to RBI's in-principle approval to the Company for the initial capital infusion (ODI remittance) of THB 10 million in KFin Technologies (Thailand) Limited, a newly incorporated subsidiary of the Company, the Company has invested an aggregate amount equal to THB 99,99,990 in KFin Technologies (Thailand) Limited.

8. On April 16, 2025, the Company has entered into definitive agreements with Ascent Fund Services (Singapore) Pte. Ltd., to acquire controlling stake of 51% with a defined path to 100% ownership over the next five years. Presently, the Company will acquire 51% stake in the Ascent through primary capital infusion of US\$ 5.0 million and secondary purchase of US\$ 29.7 million at an Enterprise Value of US\$ 63 million.

Residual 49% stake will be acquired over the next 5 years in 3 equal tranches of 16.33% each after the end of FY28, FY29, FY30 respectively. The purchase consideration for these tranches is linked to achievement of EBITDA for the corresponding fiscal year.

9. At the Company's Board of Directors' meeting held on April 28, 2025, the Board proposed a dividend of INR 7.50 per share which is subject to the approval of the Company's shareholders.

10. These standalone financial results along with the audit report of the statutory auditors of the Company are being filed with the National Stock Exchange of India Limited (NSE) and BSE Limited and are also available on the Company's website.
