CONSERVATION OF ENERGY AND TECHNOLOGY ABSORPTION

A) Conservation of energy:

(i) The steps taken or impact on conservation of energy:

The Company is taking all possible measures to conserve energy. The company has upgraded Automatic Power Factor Controller to improve the Power Factor. The company has upgraded to Standard Drives in Sand Plant for better energy efficiency. The employees are educated and made aware to save power. The Company is using LED lights/lamps in place of filament bulbs/tubes/sodium/mercury lights.

The company uses Natural Light during day with transparent sheets and Natural Ventilators to save power.

(ii) The steps taken by the Company for utilising alternate sources of energy:

The Company installed LPG Based continuous Core Oven in place of Electric Core Ovens (Box Type) which is more efficient

iii) The capital investment on energy conservation equipments:

The company replaced Monotrac Induction Furnace to Dual Track Furnace which is more efficient & power consumption per ton is low

(B) Technology absorption:

(i) The efforts made towards technology absorption:

The management keeps itself abreast of the adaptation and innovation technological advancements in the industry and ensures continued and sustained efforts towards absorption as well as development of the same to meet business needs and objectives.

The Company has in-house development centre, wherein all the tooling required are designed and manufactured.

The company is also engaged in design and development of machine tools for captive use, where in old technology is replaced with modern

Hydraulics/CNC/PLC controlled system for lesser power consumption and higher productivity.

The company is going extensively on machine made core from conventional handmade.

The company uses Screw Compressor instead of Conventional Reciprocating compressor which are more efficient.

(ii) The benefits derived like product improvement, cost reduction, product development or import substitution:

The technological absorption has resulted in improvement, cost reduction, product development, improvement in services, import substitution, etc. making company's products more competitive in the market. However, the benefits derived from the technological advancements are not quantifiable.

Machining stocks from the castings reduced to improve the cycle time to save energy and productivity improvement.

(iii) In case of imported technology (imported during the last three years reckoned from the beginning of the financial year)

The company has not absorbed any imported technology.

(a) the details of technology imported:	Not applicable
(b) the year of import:	Not applicable
(c) whether the technology been fully absorbed:	Not applicable
(d) if not fully absorbed, areas where absorption has not taken place, and the reasons thereof:	Not applicable

(iv) Expenditure incurred on Research and Development

The Company has not carried out any specific research and development activities during the year. As such expenditures on Research & Development cannot be quantified.

Independent Auditor's Report

To

The Members of Pritika Engineering Components Private Limited

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of **Pritika Engineering Components Private Limited** ("the Company"), which comprise the Balance Sheet as at 31st March 2019, the Statement of Profit and Loss and Cash Flow Statement and statement of Changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as 'Ind AS financial statements').

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matter stated in Section 134(5) of the Companies Act 2013 ("the Act") with respect to preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance and cash flows and changes in equity of the Company in accordance with the Accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design procedures that are appropriate in the circumstances, an audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2019, and its Loss and its cash flows and changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- 1) As required by the Companies (Auditor's Report) Order 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the **Annexure 1**, a statement on the matters specified in the paragraph 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c) The Balance Sheet, Statement of Profit and Loss, Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e) On the basis of written representations received from the directors as on 31st March 2019, and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2019, from being appointed as a director in terms of section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "**Annexure 2**"; and
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company does not have any pending litigations, which would impact its financial position.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There are no items, which are required to be transferred to the Investor Education and Protection Fund by the Company.

(Annexure referred to in our report of even date to the members of Pritika Engineering Components Private Limited, on the Ind AS Financial Statements for the year ended 31st March 2019).

Based on the audit procedures performed for the purpose of reporting a true and fair view on the Ind AS financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- (i) a) The company has maintained proper records showing full particulars, including the quantitative details and situation of fixed assets on the basis of information available.
- b) The company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In accordance with this programme certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the company and the nature of its assets.
- c) According to the information and explanations given to us and based on our examination of the records of the company, the title deeds of immovable properties are held in the name of the company.
- (ii) The management/banks and stock auditors have physically verified the inventories during the reasonable intervals. In our opinion and according to information and explanations given to us the frequency of physical verification is reasonable. The discrepancies noticed on physical verification of inventory were not material and have been adequately dealt within the books of accounts. As the items of the stock are technical in nature and being the chartered accountant by profession, we are not technocrat and due inadequate time, we are unable to get it cross verified. However, no adverse information is available to us during our audit.
- (iii) The company had not granted any loans, secured or unsecured, to the companies, firms or other parties listed in the register maintained under Section 189 of the Companies Act, 2013. Consequently, the provisions of clauses iii(a) and iii(b) of the order are not applicable to the Company.
- (iv) That company had not granted any loan or given any guarantee with respect to section 185 and 186 of company act 2013.
- (v) In our opinion, and according to the information and explanation given to us, the company has not accepted any deposit; hence, clause (v) is not applicable to the company. Accordingly the directives issued by the Reserve Bank of India and the provisions of Section 73 to 76 or any other relevant provisions of the companies Act and rules framed there under are not applicable.
- (v) The company is not required to maintain the cost records pursuant to the Rules made by the Central Government for the maintenance of cost records under sub section (1) of section 148 of the Companies Act 2013.

- (vii) a) According to the information and explanations given to us and on the basis of our examination of the records of the company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including provident fund, employee's state insurance, income-tax, sales tax, value added tax, duty of customs, duty of excise, service tax, cess and other material statutory dues have been regularly deposited during the year by the company with the appropriate authorities. As explained to us and on the basis of examination of record, no arrear of statutory dues for the period more than six months from the date they become payable at the end of financial year.
- b) According to the information and explanations given to us, there is no amounts payable in respect of Income Tax, Wealth Tax, Service Tax, Sales Tax, Value Added Tax, Customs Duty and Excise Duty which have not been deposited on account of any dispute.
- (viii) In our opinion and according to the information and explanations given by the management, the company had not defaulted in repayment of loans or borrowings to the banks or financial institutions or debenture holders except some late payments. Moreover the company did not have any outstanding debentures. Accordingly, the paragraph 3(viii) of the order is not applicable.
- (ix) The company did not raise any money by way of initial public offer or further public offer (including debt instruments). Regarding the term loans, company had applied the term loan for the purpose for which it have been raised, other than temporary deployment pending litigation.
- (x) To the best of our knowledge & belief and according to the information and explanations given to us, no material fraud by the company or on the company by its officers or employees has been noticed or reported during the year.
- (xi) That the company had provided the managerial remuneration in accordance with the provisions of section 197 read with schedule V of the Companies Act, 2013.
- (xii) In our opinion and information and explanation given to us, the company is not a Nidhi company. Accordingly, paragraph 3(xii) of the order is not applicable.
- (xiii) According to information & explanations given to us and based on our examination of the records of the company, transactions with the related parties are in compliance with sections 188 of the Act 2013 where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanations given to us and based on our examination of records of the company, during the year, the company had made preferential allotment of equity shares for conversion of Loan into equity. In respect to same, in our opinion, the company has complied with the requirements of the section 42 of the Act read with Section 62(1)(C) and rules made there under.
- (xv) According to the information and explanations given to us and based on our examination of records of the company, the company has not entered into the non - cash transaction with the directors or persons connected with him, accordingly the paragraph 3(xv) of the order is not applicable.

- (xvi) The company is not required to be registered under section 45-IA of Reserve bank of India Act 1934.

TO INDEPENDENT AUDITORS' REPORT

(Annexure referred to in our report of even date to the members of Pritika Engineering Components Private Limited, on the Ind AS Financial Statements for the year ended 31st March 2019).

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Pritika Engineering Components Private Limited** ("the Company") as of 31st March 2019 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company and the components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company and the components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India(ICAI).

1 GENERAL INFORMATION

Pritika Engineering Components Private Limited (" the Company ") a private company domiciled in India was incorporated on 20.02.2018 with in objective of manufacturing of tractor and automobile components .The company is having works at Village Simbli , Phagwara - Hoshiarpur Road , Tehsil & District Hoshiarpur , Punjab-146001. The Company is wholly owned subsidiary of Pritika Auto Industries Limited .The financial statements were approved for issue by the board of directors on May 21,2019.

Note No. 2 : SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of Preparation of Financial Statements

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) (Amendment) Rules, 2016.

2.2 The Company has prepared the balancesheet by recognising all assets and liabilities whose recognition is required by Ind AS , not recognising assets or liabilities which are not permitted by Ind AS .

2.3 Summary of Significant Accounting Policies

2.3.1 Current versus non - Current classification

All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria set out in the schedule III to the Companies Act , 2013 . Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents , the Company has determined its operating cycle as twelve months for the purpose of current-non current classification of assets and liabilities.

2.3.2 Property, Plant and Equipment (PPE)

PPE are initially recognised at cost. The initial cost of PPE comprises its purchase price, including non-refundable duties and taxes net of any trade discounts and rebates. The cost of PPE includes interest on borrowings (borrowing cost) directly attributable to acquisition, construction or production of qualifying assets subsequent to initial recognition, PPE are stated at cost less accumulated depreciation (other than freehold land, which are stated at cost) and impairment losses, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation is recognised so as to write off the cost of assets (other than freehold land and capital work in progress) less their residual values over the useful lives, using the straight- line method ("SLM"). Management believes based on a technical evaluation (which is based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.) that the revised useful lives of the assets reflect the periods over which these assets are expected to be used, which are as follows:

Asset Useful live

Buildings including factory buildings	30 years
General Plant and Machinery	15 years
Furniture and Fixtures	10 years
Office Equipment	5 years
Vehicles	8 years

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

2.3.3 Intangible assets

Intangible assets are measured on initial recognition at cost and subsequently are carried at cost less accumulated amortisation and accumulated impairment losses, if any. An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses on derecognition are determined by comparing proceeds with carrying amount. These are included in profit or loss.

2.3.4 Capital work-in-progress and intangible assets under development

Capital work-in-progress/intangible assets under development are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost.

2.3.5 Non-derivative financial instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

2.3.6 Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Cash flow statement

Cash flows are reported using the indirect method, whereby net profit/ (loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated.

2.3.7 Financial Assets

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

2.3.8 Impairment

PPE and intangible assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the Statement of Profit and Loss.

2.3.9 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment, net of taxes or duties collected on behalf of the government.

2.3.10 Employee benefit expenses

Employee benefits consist of contribution to provident fund, superannuation fund, gratuity fund and compensated absences. Liability on account of contribution to gratuity and earned leave has not been provided during the year.

NOTES TO THE FINANCIAL STATEMENTS AS AT MARCH 31, 2019

2.3.11 Borrowing cost

Borrowing costs are interest and ancillary costs incurred in connection with the arrangement of borrowings. General and specific borrowing costs attributable to acquisition and construction of any qualifying asset (one that takes a substantial period of time to get ready for its designated use or sale) are capitalised until such time as the assets are substantially ready for their intended use or sale, and included as part of the cost of that asset. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. All the other borrowing costs are recognised in the Statement of Profit and Loss within Finance costs of the period in which they are incurred.

2.3.12 Income tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in Statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current tax

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with the provisions of the Income Tax Act, 1961.

Current tax assets and current tax liabilities are off set when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

2.3.13 Accounting of provisions, contingent liabilities and contingent assets

Provisions are recognized, when there is a present legal or constructive obligation as a result of past events, where it is probable that there will be outflow of resources to settle the obligation and when a reliable estimate of the amount of the obligation can be made. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows. Where the effect is material, the provision is discounted to net present value using an appropriate current market-based pre-tax discount rate and the unwinding of the discount is included in finance costs.

Contingent liabilities are recognised only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for. Contingent assets are not disclosed in the financial statements unless an inflow of economic benefits is probable.

2.3.14 Earnings per share (EPS)

Basic EPS is computed by dividing the profit or loss attributable to the equity shareholders of the Company by the weighted average number of Ordinary shares outstanding during the year. Diluted EPS is computed by adjusting the profit or loss attributable to the ordinary equity shareholders and the weighted average number of ordinary equity shares, for the effects of all dilutive potential Ordinary shares.

Total	234,494,047	111,859,724	234,494,047	111,859,724

There are no assets and liabilities which have been carried at fair value through the profit and loss account.

There are no assets and liabilities which have been carried at fair value through the other comprehensive

The management assessed that cash and cash equivalents, trade receivables, trade payables, and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

34 Capital Management

The Company manages its capital to ensure that entities in the Company will be able to continue as a going concern while maximising the return to stakeholders through the optimisation of the capital deployment.

The Company determines the amount of capital required on the basis of annual operating plans and long-term product and other strategic investment plans. The funding requirement are met through equity and long-term/ short-term borrowings.

The Company monitors the capital structure on the basis of total debt to equity ratio and maturity of the overall debt portfolio of the Company.
