Chairman & Managing Director Message

Jay Bajrang Mani

Progress for me has never been a dream. It has always been a distant reality and once one milestone is achieved, there is always another one waiting to be crossed. It is with this belief that I started M/s- RBM INFRACON LTD in 1992.

In today's fast-paced world, the industry faces unprecedented challenges. As a trusted service provider, we understand the complexities and unique demands of this sector. Our team of skilled professionals, including mechanical and civil engineers, technicians, project managers, and tradespeople possess the knowledge and experience necessary to tackle the most complex projects.

At RBM Infracon Ltd, we believe in delivering more than just services. We strive to be your strategic partner, providing innovative solutions that not only meet your requirements but exceed your expectations. Whether it's designing and installing mechanical systems, constructing critical infrastructure, or maintaining and optimizing operations, we are dedicated to delivering exceptional results.

Director's Message

Aditya Mani, a 26-year-old luminary, stands as the Whole Time Director of M/s RBM Infracon Limited. Armed with a degree in Mechanical Engineering, his role transcends boundaries. Aditya not only oversees the intricate tapestry of the company's daily operations but extends his gaze to projects on foreign shores. His acumen in B. Tech Mechanical adds a precision-engineered touch to the leadership, ensuring that RBM Infracon thrives both domestically and internationally. Aditya Mani is the driving force steering the company towards global excellence, meticulously navigating the complexities of overseas projects while seamlessly synchronizing with the broader vision of RBM Infracon Limited.
