Mumbai- 400001
BSE Scrip Code: 533014

Dear Sir/Madam,

Sub: Submission of 22nd Annual Report of the Company for the Financial Year 2025-26.

Pursuant to Regulation 34 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, we hereby submit the soft copy of the 22nd Annual Report of the Company for the financial year 2025-26.

The Annual Report 2025-26 is being sent to the e-mail IDs of those shareholders who have registered the same with RTA/Company/Depository Participant.

A letter containing the web-link, including the exact path, where complete details of the Annual Report 2025-26 are available is also being sent to those shareholders who have not registered their e-mail IDs either with RTA/Company/Depository Participant.

A copy of the said Annual Report is also being available on the Company's website at www.sicagen.com.

The above information may kindly be taken on record.

Thanking You,

**Yours Sincerely,
For Sicagen India Limited**

NOTICE TO SHAREHOLDERS

NOTICE is hereby given that the 22nd Annual General Meeting (AGM) of the shareholders of Sicagen India Limited (the "Company") will be held on Thursday, the 17th September 2026 at 03.30 p.m. (IST) through "Video Conferencing" (VC)/"Other Audio Visual Means" (OAVM) to transact the following businesses:

ORDINARY BUSINESS

1. To receive, consider and adopt the Standalone and Consolidated Financial Statements of the Company for the year ended 31st March 2026 and the Reports of the Board of Directors and Auditors thereon.
2. To declare equity dividend for the year 2025-26.
3. To appoint a director in the place of Mr. Ashwin C Muthiah (DIN 00255679) who retires by rotation and being eligible, offers himself for re-election.
4. To appoint a director in the place of Mr. R. Chandrasekar (DIN 06374821) who retires by rotation and being eligible, offers himself for re-election.

NOTES:

1. The Ministry of Corporate Affairs (MCA) vide their General Circular No. 03/2025 dated 22nd September 2025 has permitted companies to convene Annual General Meeting, Extraordinary General Meetings and passing of Resolutions through Postal Ballot by E-Voting. The forthcoming AGM will also be held through Video Conferencing (VC) or other audio-visual means (OAVM).
2. Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 (the Act), annexed to the Notice which may also be deemed as the disclosure under Regulation 36 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 in respect of Item No. 5.
3. The Register of Members and Share Transfer Books of the Company will remain closed between 11th September 2026 and 17th September 2026 (both days inclusive). The 10th September 2026 shall be the cut-off date/Record date for the purpose of ascertaining the eligible shareholders for payment of equity dividend.

SPECIAL BUSINESS

5. **Ratification of the remuneration payable to Cost Auditor for the year 2026-27.**

To consider and if thought fit to pass with or without modification, the following resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of Section 148 and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Audit and Auditors) Rules 2014, M/s. J. Karthikeyan & Associates, Cost Accountants, Chennai appointed as the Cost Auditor of the Company by the Board of Directors, for the conduct of the audit of the cost records of the Company for the financial year 2026-27 at a remuneration of Rs.90,000/- (Rupees Ninety Thousand Only) per annum excluding applicable taxes, travelling and other out-of-pocket expenses incurred by him in connection with the aforesaid audit be and is hereby approved and ratified".

By order of the Board
For Sicagen India Limited

Date: 10th August 2026
Place: Chennai

Ankita Jain
Company Secretary

4. Members are hereby informed that the Company has appointed M/s. Cameo Corporate Services Ltd., Unit: Sicagen, "Subramanian Building", 5th Floor, No.1, Club House Road, Chennai-600002, Tel: 044-28460390, Fax: 044-28460129, e-mail address: investor@cameoindia.com/cameo@cameoindia.com as its Registrar and Share Transfer Agent (RTA). The shareholders are therefore requested to take note of the same and send all documents, correspondences, queries on any matter to RTA at the above-mentioned address.
5. As per SEBI guidelines, submission of self-attested PAN copy of transferee/legal heir including joint holders if any is mandatory for registration of transfer/transmission/transposition of shares. Hence the respective transferee(s)/legal heir(s) are requested to attach their self-attested PAN copy to the Company/RTA while lodging the documents for registration.
6. Members those who hold share(s) in physical form are requested to notify immediately any change in

Sicagen India Limited

their address to the Company/RTA and those who hold share(s) in demat form to the concerned Depository Participants.

7. Pursuant to SEBI's Circulars dated 03-11-2021, 14-12-2021, 16-03-2024, 10-06-2024 and 06-02-2026 it shall be mandatory for all the holders of physical securities to furnish PAN, Nomination, contact details, bank account details and specimen signatures to the RTA. For this purpose, SEBI has prescribed Form ISR-1, 2 and 3 which are available on the websites of the Company and the RTA. In this connection SEBI has stipulated that dividend if any on such shares would be paid only in electronic mode with effect from 01-04-2024, and only an intimation would be sent to the shareholders who have not complied with the requirement. In this connection individual notices have been sent to the shareholders to submit the documents in the prescribed forms. It is requested that the specified documents/information are furnished early to avoid the above consequences.
8. Members are informed that pursuant to Section 125(2) of the Companies Act 2013, the amount of equity dividend pertaining to the year 2018-19, remaining unclaimed/unpaid will become due for transfer to the Investor Education and Protection Fund (IEPF) established by the Central Government on expiry of 7 years. The last date for transfer the unclaimed dividend amount pertaining to the said financial year 2018-19 is 5th October, 2026. Since no claim shall lie against the Company after transfer of said dividend to IEPF, the members who have not claimed their dividend so far are requested to approach the Company/RTA for claiming the same as early as possible but before 18th September, 2026.
9. Members are informed that the Company is in the process of transferring the equity shares of shareholders who have not claimed any dividend declared by the Company for the past 7 (seven) consecutive years as per the provisions of Section 124(6) read with the IEPF (Accounting, Audit, Transfer and Refund) Amendment Rules, 2017. Hence, the members, who have not claimed any dividend for the period of 7 (Seven) consecutive years are requested to approach either the Company or its RTA for claiming the same as early as possible but before 18th September, 2026.
10. The Company's equity shares are listed with Bombay Stock Exchange Ltd. (BSE) and the listing fees for the year 2026-27 have been paid to BSE.
11. The particulars of Director(s) seeking appointment/re-appointment at this AGM and their Directorship/Committee Membership/Chairmanship in other Companies as required under the provisions of SEBI (LODR) Regulations, Companies Act & its rules etc., are separately given in the notice.

12. Dispatch of Annual Report 2025-26 and Notice of the 22nd AGM

- a. Electronic copy of the Annual Report for the year 2025-26 and the Notice of the 22nd AGM are being sent to the Members whose E-mail IDs are registered with the Company and for persons holding shares in demat form as per the information provided by the Depositories. Printed copies will be provided to those who have made a specific request in writing to the Company or RTA.
- b. Annual Report and the Notice of the AGM are available on the Company's website viz., www.sicagen.com. The AGM Notice is also disseminated on the website of CDSL (the agency for providing the remote e-Voting facility and e-Voting system during the AGM) www.evotingindia.com.

CDSL E-Voting System for e-Voting and joining Virtual meetings.

13. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circular No. 03/2025 dated 22nd September 2025, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the 22nd AGM. For this purpose, the Company has appointed Central Depository Services (India) Ltd. (CDSL) for facilitating voting through electronic means. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
14. The Members can join the AGM in Video Conferencing mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC will be made available to at least 1000 members on first come first served basis. This will not include large shareholders (shareholders holding 2% or more shareholding), promoters, institutional investors, directors, key managerial personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
15. The attendance of the members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.

16. Pursuant to MCA Circulars, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
17. M/s. KRA & Associates, Practicing Company Secretaries, have been appointed as the Scrutinizer, to scrutinize the e-voting process in a fair and transparent manner.
18. The results declared along with the report of the Scrutinizer shall be placed on the website of the Company at www.sicagen.com and on the website of CDSL immediately after the declaration of result by the Chairman or any Director/official of the Company authorized by him. The results shall also be immediately forwarded to the Stock Exchange at www.bseindia.com.

THE INTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- (i) The voting period begins at 09:00 a.m. on Saturday, 12th September 2026 and ends on Wednesday, 16th September 2026 at 05:00 p.m. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on Thursday, 10th September 2026 (Cut-off date) may cast their votes electronically. The E-voting module shall be disabled by CDSL after 05:00 p.m. on 16th September 2026.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/ retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/websites of Depositories/Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1: Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method **for e-Voting for Individual shareholders holding securities in Demat mode CDSL/NSDL** is given below:

Sicagen India Limited

Type of Shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL Depository	1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Option will be made available to reach e-Voting page without any further authentication. The users to login to Easi/Easiest are requested to visit CDSL website www.cdslindia.com and click on login icon & My Easi New (Token) Tab. 2) After successful login the Easi / Easiest user will be able to see the e-Voting option for eligible companies where the e-voting is in progress as per the information provided by Company. On clicking the e-voting option, the user will be able to see e-Voting page of the e-Voting service provider for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting. Additionally, there is also links provided to access the system of all e-Voting Service Providers, so that the user can visit the e-Voting service providers' website directly. 3) If the user is not registered for Easi/Easiest, option to register is available at CDSL website www.cdslindia.com and click on login & My Easi New (Token) Tab and then click on registration option. 4) Alternatively, the user can directly access e-Voting page by providing Demat Account Number and PAN No. from e-Voting link available on www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the Demat Account. After successful authentication, user will be able to see the e-Voting option where the e-voting is in progress and also able to directly access the system of all e-Voting Service Providers.
Individual Shareholders holding securities in Demat mode with NSDL Depository	1) If you are already registered for NSDL IDEAS facility, please visit the e-Services website of NSDL. Open web browser by typing the following URL: https://eservices.nsdl.com either on a Personal Computer or on a mobile. Once the home page of e-Services is launched, click on the "Beneficial Owner" icon under "Login" which is available under 'IDEAS' section. A new screen will open. You will have to enter your User ID and Password. After successful authentication, you will be able to see e-Voting services. Click on "Access to e-Voting" under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider name and you will be re-directed to e-Voting service provider website for casting your vote during the remote e-Voting period. 2) If the user is not registered for IDEAS e-Services, option to register is available at https://eservices.nsdl.com. Select "Register Online for IDEAS "Portal or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp 3) Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or on a mobile. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section. A new screen will open. You will have to enter your User ID (i.e. your sixteen digit demat account number hold with NSDL), Password/OTP and a Verification Code as shown on the screen. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period. 4) For OTP based login you can click on https://eservices.nsdl.com/SecureWeb/evoting/evotinglogin.jsp. You will have to enter your 8-digit DP ID, 8-digit Client Id, PAN No., Verification code and generate OTP. Enter the OTP received on registered email id/mobile number and click on login. After successful authentication, you will be redirected to NSDL Depository site wherein you can see e-Voting page. Click on company name or e-Voting service provider name and you will be re-directed to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.
Individual Shareholders (holding securities in demat mode) login through their Depository Participants	You can also login using the login credentials of your demat account through your Depository Participant registered with NSDL/CDSL for e-Voting facility. After Successful login, you will be able to see e-Voting option. Once you click on e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-Voting feature. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period.

Important Note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. CDSL and NSDL.

Login type	Helpdesk details
Individual Shareholders holding securities in Demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at toll free no. 1800 21 09911
Individual Shareholders holding securities in Demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.com or call at : 022 - 4886 7000 and 022 - 2499 7000

Step 2: Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

(v) Login method for remote e-Voting for Physical shareholders and shareholders other than individual holding in Demat form.

- 1) The shareholders should log on to the e-voting website www.evotingindia.com.
- 2) Click on "Shareholders" module.
- 3) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- 4) Next enter the Image Verification as displayed and Click on Login.
- 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
- 6) If you are a first-time user follow the steps given below:

	For Physical Shareholders and other than Individual Shareholders holding shares in Demat
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend bank details (OR) Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login. If both the details are not recorded with the depository or Company, please enter the member id / folio number in the Dividend Bank details field.

Sicagen India Limited

- (vi) After entering these details appropriately, click on "SUBMIT" tab.
- (vii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (viii) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (ix) Click on the EVSN for the relevant "Sicagen India Limited" on which you choose to vote.
- (x) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xi) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xii) After selecting the resolution, you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xiii) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xiv) You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.
- (xv) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xvi) There is also an optional provision to upload board resolution/power of attorney if any uploaded, which will be made available to scrutinizer for verification.
- (xvii) **Additional Facility for Non - Individual Shareholders and Custodians -For Remote Voting only.**
 - Non-Individual shareholders (i.e. other than Individuals, HUF, NRIs etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the "Corporates" module.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com
 - After receiving the login details a Compliance User should be created using the admin login and password. The compliance User would be able to link the account(s) for which they wish to vote on.
 - The list of accounts linked in the login will be mapped automatically & can be delink in case of any wrong mapping.
 - It is Mandatory that, a scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
 - Alternatively Non-Individual shareholders are required mandatory to send the relevant Board Resolution/Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer at gkrkggram@yahoo.in and to the Company at companysecretary@sicagen.com, if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutinizer to verify the same.

INSTRUCTIONS FOR SHAREHOLDERS ATTENDING THE AGM THROUGH VIDEO CONFERENCING (VC) & E-VOTING DURING MEETING ARE AS UNDER:

1. The procedure for attending meeting & e-Voting on the day of the AGM is same as the instructions mentioned above for e-voting.
2. The link for VC/OAVM to attend meeting will be available where the EVSN of Company will be displayed after successful login as per the instructions mentioned above for e-voting.
3. Shareholders who have voted through Remote e-Voting will be eligible to attend the meeting. However, they will not be eligible to vote at the AGM.
4. Shareholders are encouraged to join the Meeting through Laptops/IPads for better experience.
5. Further shareholders will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
6. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to Fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.

7. Shareholders who would like to speak at the AGM may register themselves as a speaker shareholder through RTA's web portal using the link <http://investors.cameoindia.com>. 3. **For Individual Demat shareholders** - Please update your email ID & mobile no. with your respective Depository Participant (DP) which is mandatory

while e-Voting & joining virtual meetings through Depository.

If you have any queries or issues regarding e-Voting from the CDSL e-Voting System, you can write an email to helpdesk.evoting@cdslindia.com or contact at toll free no. 1800 21 09911.

All grievances connected with the facility for voting by electronic means may be addressed to Mr. Rakesh Dalvi, AVP, (CDSL) Central Depository Services (India) Limited, A Wing, 25th Floor, Marathon Futurex, Mafatlal Mill Compounds, N.M. Joshi Marg, Lower Parel (East), Mumbai-400013 or send an email to helpdesk.evoting@cdslindia.com or contact at toll free no. 1800 21 09911.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

The following is the Explanatory Statement as per Section 102 of the Companies Act 2013, which sets out all material facts relating to the special business mentioned in the accompanying Notice for convening the Annual General Meeting (AGM) of the Company:

Item No. 5

In accordance with the provisions of Section 148 of the Companies Act, 2013 (the Act) and the Companies (Audit and Auditors) Rules, 2014 (the Rules), the Company is required to appoint a Cost auditor to audit the cost records of Company. On the recommendation of the Audit Committee at its meeting held on 13th May 2026, the Board has approved the appointment of M/s. J. Karthikeyan & Associates, Cost Accountants, Chennai as the Cost Auditor of the Company for the financial year 2026-27 at a remuneration of Rs. 90,000/- (Rupees Ninety Thousand Only) exclusive of applicable taxes and reimbursement of all out-of-pocket expenses incurred, if any, in connection with the cost audit. The appointment of Cost auditor and the remuneration payable to him, are required to be ratified by the shareholders of the Company, in accordance with the provisions of the Act and Rule 14 of the Rules. Accordingly, the Directors recommend the Resolution as set out in the item no. 5 of the Notice for the approval of shareholders.

None of the Directors, Key Managerial Personnel and their relatives in any way are concerned or interested in this resolution set out at Item No. 5 of the Notice.

By order of the Board
For Sicagen India Limited

Date: 10th August 2026

DISCLOSURES UNDER THE COMPANIES ACT, 2013

Pursuant to Section 134 of the Companies Act, 2013 read with the Companies (Accounts) Rules, 2014, the Company has complied with requirements and the details of which are disclosed hereunder.

1. Annual Return

As per Section 92(3) of the Companies act, 2013, Annual return of the Company is disclosed on Company's website under the web-link: <https://www.sicagen.com/investors/annual-return/>

2. Number of Board Meetings

The Board of Directors met 5 (Five) times in the year 2025-26. The details of the Board meetings and the attendance of the Directors are given in the Corporate Governance Report.

3. Directors' Responsibility Statement

Pursuant to Section 134(5) of the Companies Act, 2013 Board of Directors confirm that:

- (a) in the preparation of the Annual Accounts, the applicable accounting standards have been followed and that no material departures have been made from the same.
- (b) they have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit and loss of the Company for that period.
- (c) they have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and preventing and detecting fraud and other irregularities.
- (d) they have prepared the annual accounts on a going concern basis.
- (e) they have laid down internal financial controls to be followed by the Company and such internal financial controls are adequate and are operating effectively.
- (f) they have devised proper systems to ensure compliance with the provisions of all applicable laws and such systems were adequate and operating effectively.

4. Details in respect of frauds reported by auditors

During the year under review, the Auditors have not reported to the Audit Committee, under Section 143(12) of the Companies Act, 2013, any instances of fraud committed against the Company by its officers or employees, in the Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014.

5. Statement on declaration given by Independent Directors

The Company maintains the requisite number of Independent Directors as required under Section 149(4) of the Companies Act, 2013 and Regulation 17 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015. The Company has received necessary declaration from each independent director under Section 149(7) of the Companies Act, 2013, that he/she meets the criteria of independence laid down in Section 149(6) of the Companies Act, 2013 and Regulation 25 of the Listing Regulations.

6. Remuneration Policy

The Company follows a policy on remuneration of Directors, Key Managerial Personnel and Senior Management employees including criteria for determining qualification, positive attributes and independence of Directors. The following is the Remuneration Policy for both Executive and Non-Executive Directors which is also available on Company's website at: <https://www.sicagen.com/investors/policies/>

(i). For Executive Directors

The remuneration of the Whole Time Directors shall comprise of a fixed component and a performance linked pay, as may be recommended by the Nomination and Remuneration Committee and subsequently approved by the Board of Directors and Members. Performance Linked Pay shall be payable based on the performance of the individual and the Company during the year. Remuneration trend in the industry and in the region, academic background, qualifications, experience and contribution of the individual are to be considered in fixing the remuneration. These Directors are not eligible to receive sitting fees for attending the meetings of the Board and Committees.

(ii). For Non-Executive Directors

The Non-Executive Directors will be paid sitting fees for attending the Board and Committee

Meetings as per the stipulations in the Act, and the Articles of Association of the Company and as recommended by the Nomination and Remuneration Committee. Different scales of sitting fee may be fixed for each category of the directors and type of meeting. However, the fees payable to the Independent Directors and Woman Directors shall not be lower than the fee payable to other categories of directors. In addition to this, the travel and other expenses incurred for attending the meetings are to be met by the Company. Subject to the provisions of the Act and the Articles of Association, the Company in General Meeting may, by special resolution, sanction and pay to the Directors remuneration not exceeding 1% of the net profits of the Company computed in accordance with the relevant provisions of the Act. The Company shall have no other pecuniary relationship or transactions with any Non-Executive Directors.

7. Explanation of Board on qualification of Statutory Auditors & Secretarial Auditor, if any

The Auditors' Report for the financial year 2025-26 does not contain any qualification, reservation or adverse remark. The Report is enclosed with the financial statements in this Annual Report.

As required by the Listing Regulations, the Practicing Company Secretary's certificate on Corporate Governance for the financial year 2025-26 is enclosed as Annexure to this Annual report. The certificate does not contain any qualification, reservation or adverse remark.

The Secretarial Auditors' Report for the financial year 2025-26 does not contain any qualification, reservation or adverse remark. The Secretarial Auditors' Report is enclosed as Annexure to this Annual report.

8. Particulars of loans, guarantees or investments given or made by the Company

During the year under review, Company has not given any loan, guarantee or provided any security and made any investments in excess of the limits prescribed under Section 186 of the Companies Act, 2013. The information relating to investments, loans, etc., form part of the notes to the financial statements provided in this Annual Report.

9. Related Party Transactions

The related party transactions entered into with related parties during the year under review were in the ordinary course of business and at arm's

length basis and in compliance with the applicable provisions of the Companies Act, 2013 and SEBI (LODR) Regulations, 2015. There were no materially significant related party transactions made by the company with promoters, directors or key managerial personnel etc., which may have potential conflict with the interest of the company at large. Since there are no transactions that are not in arms' length basis and material in nature, disclosure under AOC-2 does not arise.

10. Amount transferred or proposed to be transferred to any reserves

The Company has not transferred or proposed to transfer any amount to any reserves as there is no necessity to transfer such amount as required under the Companies Act, 2013.

11. Material changes and commitments, if any, affecting the financial position of the Company

There are no material changes and commitments affecting the financial position of the Company between the end of the financial year 31st March 2026 and the date of this report.

12. Transfer of unclaimed dividend/shares to the IEPF account

As required under the provisions of Section 124 and other applicable provisions of Companies Act, 2013, and the rules and amendments made thereunder, the Company is required to transfer the dividends that remain unpaid/unclaimed for a period of 7 (seven) consecutive years or more to Investor Education and Protection Fund (IEPF) and also all the equity shares in respect of which dividends remain unclaimed/unpaid for a period of seven consecutive years or more to IEPF account administered by the Central Government. During the year, the Company has transferred the unclaimed dividend amount of Rs.6,81,881.40/- pertaining to the financial year 2017-18 to IEPF account and 28,388 equity shares belonging to 690 shareholders underlying the unclaimed dividend amount & unclaimed suspense account were processed for transfer to IEPF account. The dividend and shares transferred to the IEPF can be claimed back by the concerned shareholders from the IEPF Authority after complying with the procedure prescribed under the Rules.

As on 31st March 2026, an amount of Rs.4,16,572.40/- is lying in the unclaimed dividend account of the Company pertaining to the financial year 2018-19 and it would be transferred to the IEPF account on or before 05.10.2026. The members who have not claimed their dividends pertaining to the financial year 2018-19, may write to the Company/

Sicagen India Limited

RTA on or before 18.09.2026 for claiming the same before transfer to the IEPF account.

The Company is also in the process of transfer of shares in respect of which dividends remain unclaimed for last 7 years or more to IEPF account. Members may after completing the necessary formalities, claim their unclaimed dividends immediately to avoid transfer of the underlying shares to the IEPF.

Year-wise amounts of unpaid / unclaimed dividends lying in the unpaid accounts up to the year, and the corresponding shares, which are liable to be transferred are available on our website, at <https://www.sicagen.com/investors/unpaid-dividends-share-transfer-to-iepf/>

13. Particulars relating to conservation of energy, technology absorption, foreign exchange earnings and outgo

Particulars required to be disclosed under Section 134 of the Companies Act, 2013 read with the Rule 8(3) of the Companies (Accounts) Rules, 2014 relating to conservation of energy, technology absorption, foreign exchange earnings and outgo are given in Annexure I, which forms part of this Report.

14. Risk Management Policy

Risk Management Policy for identifying and managing risk, at the strategic, operational and tactical level, has been adopted by the Company. Our risk management practices are designed to be responsive to the ever-changing Industry dynamics. At present the Company has not identified any element of risk which may threaten the existence of the Company. However, the Constitution of a Risk Management Committee as per Regulation 21 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 is not applicable to the Company.

15. Corporate Social Responsibility (CSR)

The Company has constituted a CSR Committee of Board of Directors and has adopted a CSR Policy. The same is posted in the Company's website at <https://www.sicagen.com/investors/policies/>

The Company is carrying out its CSR activities through AM Foundation, Not-For-Profit Organisation. A report in prescribed format detailing the CSR expenditure for the year 2025-26 forming part of this report is attached herewith as separate Annexure II.

16. Evaluation of Board

Your Company has a structured framework for evaluation of the Individual Directors, Chairperson,

Board as a whole and its committees. The Independent Directors at their Meeting held on 27.03.2026 evaluated the performance of Non-Independent Directors, Board as a whole, Chairperson and assessed the quality, quantity and timeliness of flow of information between the Company Management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

The Board of Directors at their Meeting held on 24.03.2026 evaluated the performance of all Independent Directors and the Board as a whole and its Committees and assessed the quality, quantity and timeliness of flow of information between the Company Management and the Board through circulation of questionnaires, to assess the performance on select parameters relating to roles, responsibilities and obligations of the Board and functioning of the Committees. The evaluation criteria were based on the participation, contribution and guidance offered and understanding of the areas etc., which are relevant to the Directors in their capacity as Members of the Board/Committees.

17. Directors and Key Managerial Personnel (KMP)

As on the date of the Report, the Board comprises of total 6 Directors including 1 woman Director. Out of 6 Directors, 3 are Independent Directors of whom 1 is woman Director. All the Independent Directors have furnished necessary declaration under Section 149 (7) of the Act and under Regulation 25(8) of the Regulations. As per the said declarations, they meet the criteria of independence as provided in Section 149 (6) of the Act and the Regulations. All of them have confirmed that they have registered themselves with the Indian Institute of Corporate Affairs under Rule 6 of the Companies (Appointment and Qualifications of Directors) Rules, 2014, as amended.

In accordance with provisions of Sec. 152(6) of the Companies Act, 2013 and the Articles of Association of the Company, Mr. Ashwin C Muthiah and Mr. R. Chandrasekar, Directors of the Company retire by rotation at the ensuing Annual General Meeting and being eligible, offers themselves for re-election.

Mr. M. O. Ayyappan ceased to be Chief Financial Officer consequent to his retirement from the services of the Company at the close of business hours on 31.10.2025. Mrs. K. Lalitha was appointed as Chief Financial Officer of the Company w.e.f. 05.11.2025.

Mr. Nandakumar Varma (DIN:09776904) has tendered resignation on 13.05.2026 from the

position of Whole-time Director due to his personal & other commitments. The Board at its meeting held on 13.05.2026 placed on record its appreciation for the valuable services rendered by Mr. Varma during his tenure.

Consequent to the resignation of Mr. Nandakumar Varma from the position of Whole-Time Director, the Board at its meeting held on 13.05.2026 has appointed Mr. Prasanna Joshi (DIN: 11702992) as Whole Time Director for a period of 3 years w.e.f. 14.05.2026 and recommended for shareholders' approval through Postal Ballot.

The company has obtained the shareholder's approval for the appointment of Mr. Prasanna Joshi as Whole-Time Director through Postal Ballot process on 08.07.2026.

18. Composition of Committees

As on 31st March 2026, the Board has 4 Committees namely Audit Committee, Stakeholders Relationship Committee, Nomination and Remuneration Committee and Corporate Social Responsibility Committee. A detailed note on the composition of the Board and its committees is provided in the corporate governance report and also available in Company's website at <https://www.sicagen.com/wp-content/uploads/202605/committee-positions.pdf>

19. Deposits

The Company has not invited or accepted any deposits during the year under review and there are no deposits covered under Chapter V of the Companies Act, 2013 (the Act) during the year 2025-26, the details of which are required to be furnished.

20. Significant and material orders passed by the regulators or courts or tribunals

There are no significant and material orders passed by the regulators or courts or tribunals impacting the going concern status and Company's operations in future.

21. Internal Financial Control

The Company has a proper and adequate internal control system to ensure that all the assets of the Company are safeguarded and protected against any loss that all the transactions are properly authorized and recorded and Information provided to management is reliable and timely. The Company ensures adherence to all statutes. The strong and robust internal control system is in place with appropriate policies and procedures to ensure the achievement of operational and strategic goals,

compliance with policies, rules and regulations, prevention and detection of frauds and errors, accuracy and completeness of accounting records, and economical and efficient use of resources.

The Company has engaged a firm of external consultants for the internal audit function to continuously monitor the effectiveness of internal controls. Audits are conducted on an ongoing basis and all significant deviations are brought to the notice of the Audit Committee. Corrective action is recommended for implementation by the Audit Committee. All these measures do facilitate timely detection of any irregularities and provide early remedial steps. The Audit Committee approves the audit plan assigned to the internal auditors and the audit plan is reviewed annually. Further, the Audit Committee also reviews the quarterly reports submitted by internal auditors critically and all material deviations are seriously viewed.

22. Proceedings under Insolvency and Bankruptcy Code, 2016

No application has been made or any proceedings pending under the Insolvency and Bankruptcy Code, 2016 (31 of 2016) against the Company during the year under review.

23. Vigil Mechanism

Pursuant to the provisions of Section 177 (9) of the Companies Act, 2013 read with the Rule 7 of the Companies (Meetings of Board and its powers) Rules, 2014 and Regulation 22 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, the Company has established a vigil mechanism for its directors and employees to report their grievances or genuine concerns about unethical behaviour, actual or suspected fraud or violation of the Company's code of conduct. In order to prevent fraudulent activities and also to ensure a corruption free work environment, a detailed whistle blower policy has been laid down by the Board. The details of the whistle blower policy are posted on the Company's website <https://www.sicagen.com/investors/policies/>

24. Internal Complaints Committee

The Company has complied with the provisions of the constitution of Internal Complaints Committee to prevent and prohibit any form of Sexual Harassment of Women at workplace and provide redressal for woman employees as required under Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. The Company has not received any complaint of sexual harassment during the year 2025-26.

Sicagen India Limited

25. Compliance with Secretarial Standards

The Company has devised proper systems to ensure compliance with the provisions of all applicable mandatory Secretarial Standards issued by the Institute of Company Secretaries of India (ICSI) and that such systems are adequate and operating effectively.

26. Particulars of Employees

The particulars of employees required under Section 197(12) read with Rule 5 of the Companies (Appointment and remuneration of Managerial Personnel) Rules, 2014 are given in Annexures III & IV, and form part of this Report.

27. Corporate Governance Report

A Report on Corporate Governance as stipulated under Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 forms part of this Annual Report. The requisite certificate from a Practicing Company Secretary confirming compliance with the conditions of Corporate Governance as required under the above Regulation is attached to this Report.

28. Management Discussion & Analysis Report

Management Discussion & Analysis Report for the year under review, as stipulated under Regulation 34(2) of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 is attached along with this report.

29. Auditors

(a) Statutory Auditors

At the 18th Annual General Meeting (AGM), M/s. SRSV & Associates, Chartered Accountants, were re-appointed as statutory auditors of the Company for a further period of 5 years and they will hold office up to the conclusion of the ensuing 23rd AGM.

(b) Secretarial Auditor

At the 21st Annual General Meeting (AGM), M/s. KRA & Associates, Practicing Company Secretaries, Chennai, were appointed as Secretarial Auditors of the Company for the first term of 5 (five) consecutive years w.e.f. 01.04.2025, pursuant to Regulation 24A(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015.

The Secretarial Audit Report issued by Secretarial Auditor for the year ended 31st March 2026 is given in the Annexure V.

(c) Cost Auditor and Cost Audit Report

Pursuant to Section 148 of the Companies Act, 2013 read with the amended rules thereof, the Board of Directors on recommendation of the Audit Committee, has appointed M/s. J. Karthikeyan & Associates, Cost Accountant as Cost Auditor of the Company for the financial year 2026-27 to carry out necessary cost audit in respect of manufacturing activities of the Company pertaining to specialty chemicals, drums manufacturing, governor services and boat building. The Board has recommended the remuneration payable to the above Cost Auditor for ratification of shareholders at the ensuing AGM.

30. Share Capital

The Authorized Share Capital of the Company is Rs.75,00,00,000 divided into 5,00,00,000 equity shares of Rs.10 each and Rs.25,00,00,000 divided into 2,50,00,000 Redeemable Preference Shares of Rs.10 each respectively. The paid-up share capital of the Company as on 31st March 2026 remains unchanged at Rs.39,57,16,840/- consisting of 3,95,71,684 equity shares of Rs.10/-each.

31. Dematerialization of Equity Shares

As at 31st March 2026, 3,90,87,401 equity shares representing 98.78% of the paid-up share capital of the Company have been dematerialized. The shareholders holding shares in physical form are advised to dematerialize their equity shares to avoid the risks associated with holding the share certificates in physical form.

32. Subsidiary, Associates and Joint Venture Companies

Pursuant to Section 136 of the Companies Act, 2013 which has given exemption from attaching the annual reports of subsidiary companies along with the annual report of the Company, the copies of Balance Sheet, Statement of Profit and Loss, Report of Directors & Auditors and other related information for the year ended 31st March 2026 of Wholly Owned Subsidiaries namely South India House Estates & Properties Ltd. and Wilson Cables Private Ltd. are not attached with this annual report. However, the financial statements of the aforesaid subsidiary Companies are available for inspection by any member at the registered office of the Company and also available at the Company's website <http://www.sicagen.com/investors/financials-for-subsidiaries/>

Pursuant to Section 129(3) of the Act read with Rule 5 of the Companies (Accounts) Rules, 2014, a statement containing the salient features of the

financial statements of the aforesaid Subsidiary Companies for the year ended 31st March 2026, forming part of this report is attached herewith as separate Annexure in Form AOC-1. The Company do not have any Associates or Joint Venture Companies.

33. Consolidated Financial Statements

In accordance with Indian Accounting Standard (Ind AS) 110 of Institute of Chartered Accountants of India and Regulation 34(2) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, the consolidated financial statements are prepared by the Company. The audited consolidated financial statements together with auditors' report for the financial year ended 31st March 2026 are attached with this annual report.

Acknowledgement

Your Directors take this opportunity to express their gratitude to Company's Bankers, NBFCs, Customers, Suppliers, Govt. Departments and other business associates for their unstinted support extended to the Company. Your Directors wish to place on record, their appreciation of the efficient and dedicated services rendered by the employees at all levels across the Company. We are sincerely grateful to all the shareholders for their confidence, faith and support in the endeavours of the Company.

Form No. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st March 2026

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To
The Members,
SICAGEN INDIA LIMITED
4TH FLOOR, SPIC HOUSE
No.88, MOUNT ROAD
GUINDY
Chennai-600032

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by SICAGEN INDIA LIMITED (hereinafter called the Company). The Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the company has, during the audit period covering the financial year ended on March 31, 2026 complied with the statutory provisions listed thereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by SICAGEN INDIA LIMITED ("the Company") for the financial year ended on 31/03/2026, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 (SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment.
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Registrars to an issue and Share Transfer Agents) Regulations, 2025 regarding the Companies Act and dealing with client; Not Applicable during the audit period
 - d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; Not Applicable during the audit period
 - e) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; Not Applicable during the audit period
 - f) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; Not Applicable during the audit period;

- g) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; Not Applicable during the audit period and;
- (vi) The other laws as may be applicable specifically to the company:
 - (a) Air (Prevention and Control of Pollution) Act, 1981
 - (b) Water (Prevention and Control of Pollution) Act, 1974
 - (c) Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016
 - (d) Contract Labour (Regulation & Abolition) Act, 1970

We have also examined compliance with the applicable clauses of the following:

- (i) The company has generally complied with Secretarial Standard-1 on Board Meetings and Secretarial Standard-2 on General Meetings, issued by the Institute of Company Secretaries of India.
- (ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015; and amendments made thereunder ("Listing Regulations")

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, and other laws etc. mentioned above.

We further report that:

1. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
2. Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
3. Majority decisions were carried through while the dissenting members' views are captured and recorded as part of the minutes.
4. There are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines such as Factories Act, 1948, Customs Act, 1962, Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and other labour laws to the extent applicable to the company.
5. We further report that, during the audit period,
 - a. AMI Holdings Private Limited (Promoter Group) has acquired total number of 1,70,000 equity shares pertaining to 0.43% of the total paid up share capital of the company.
 - b. Twinshield Consultants Private Limited (Promoter Group) has acquired total number of 1,22,000 equity shares pertaining to 0.30% of the total paid up share capital of the company.
 - c. The company acquired a 0.80% equity share of Southern Petrochemicals Industries Corporation Limited from its wholly owned subsidiary company South India House Estates and Properties Limited.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT 2025-26

Economic Scenario

India remained one of the world's fastest-growing major economies, with real GDP growth estimated at around 7.4% in FY 2025-26, driven mainly by strong domestic demand, stable macroeconomic fundamentals, improving financial support, expanding infrastructure development and increasing digitalization. Private consumption strengthened and reached 61.5% of GDP, the highest level in over a decade, supported by lower inflation, stable employment and improved rural demand. Inflation remained relatively low compared to previous years, helping improve household purchasing power and supporting economic stability. The Government at centre continued reducing the fiscal deficit while maintaining high capital expenditure on infrastructure, balancing growth with fiscal discipline. Significant investments continued in roads, railways, ports, logistics and digital infrastructure to improve connectivity and boost long-term productivity. India's growth outlook remains structurally strong over the medium to long term, supported by domestic demand, continued structural reforms and a stable macroeconomic environment. Over the medium term, resilient domestic growth drivers are likely to sustain economic momentum even amid evolving global demand conditions.

Government initiatives such as the Production Linked Incentive (PLI) Scheme, the Make in India initiative, the Digital India programme, and policy support for semiconductor manufacturing have strengthened industrial growth and encouraged fresh investments across key sectors. Despite strong growth, external risks remained from global geopolitical tensions, trade disruptions, volatile oil prices and uncertainty in the global economy. The policy makers continued to monitor the above external risks while pursuing the long-term vision of Viksit Bharat 2047. During the FY 2025-26, Manufacturing and construction sector in India recorded growth of around 7%. Investment momentum remained robust, with gross fixed capital formation rising by 7.8% in FY 2025-26 and consistently accounting for around 30% of GDP over the past three years.

During the year, India received sovereign credit rating upgrades from major international rating agencies, including S&P Global Ratings, Morningstar DBRS and Rating & Investment Information (R&I), reflecting confidence in the country's strong macroeconomic fundamentals and fiscal management. Fiscal policy is expected to play a pivotal role in advancing the vision of Viksit Bharat. This may involve an increase in the share of capital expenditure by the government, with a strategic reorientation towards advanced technology sectors such as artificial intelligence, semiconductors, space, robotics, digital infrastructure and defense. Such expansion is likely

to be supported through improved tax compliance and revenue buoyancy rather than through major structural tax reforms.

Industry outlook and opportunities

The outlook for building materials division is highly positive due to rapid urbanization, infrastructure development, growth in residential and commercial construction, technological advancements and expansion of industrial and logistics facilities. Large-scale investments in roads, railways, bridges, metros and airports are increasing the demand for construction materials. Rising demand for affordable housing, smart cities, industrial corridors and transportation projects continues to create significant opportunities for traders and distributors. Government initiatives such as PM Gati Shakti, Pradhan Mantri Awas Yojana, Smart Cities Mission and continued investment in highways, railways, airports, and renewable energy projects are expected to sustain demand for construction materials over the coming years. Our focus on efficient supply chain management, customer service and sustainable products will be well positioned to capitalize on the expanding construction market. Overall economic growth, availability of liquidity and sustained efforts to improve our performance and efficiency has resulted in volume growth of construction materials in particular.

Industries such as manufacturing, pharmaceuticals, food processing, automotive, and chemicals are adopting automated control systems to improve productivity and efficiency. The future of the power and control systems industry in India is highly promising. Demand for the supply and servicing of mechanical governors and actuators continues across heavy engineering industries, Indian railways, boiler plants etc. Growth in industrial automation, renewable energy, smart infrastructure and digital manufacturing is expected to drive sustained demand for control systems. Companies that focus on innovation, energy-efficient solutions, quality standards and digital technologies are well-positioned to capitalize on the expanding market.

The outlook for industrial packaging materials such as mild steel and HDPE barrels remains positive, mainly supported by growth in chemicals, oil & lubricants, pharmaceuticals, fruit pulps, petroleum products and exports. Manufacturers that focus on quality, cost efficiency, and compliance with industry standards can benefit from the increasing demand for durable industrial packaging products. This sector offers promising opportunities for both small and medium enterprises as well as large scale manufacturers. India is becoming a major producer of chemicals, creating a strong market for MS barrels used in storage and transportation.

Sicagen India Limited

India has strong potential to become a global hub for specialty chemicals production due to a combination of economic, industrial, and policy factors. Production of both organic and inorganic chemicals in India continues to grow, supported by strong domestic demand and expanding manufacturing capacity. Rapid growth in industries such as pharmaceuticals, agrochemicals, textiles, construction, food & breweries and personal care is driving demand for specialty chemicals. India is already a significant exporter of dyes, pigments, agrochemicals and pharmaceutical intermediates, with increasing demand from various countries. The specialty chemicals sector has significant growth potential due to rising domestic demand, export opportunities, favourable government policies and global supply chain diversification. With continued investment in technology, sustainability, and infrastructure, India is well placed to become one of the world's leading producers and exporters of specialty chemicals.

Operational and Financial Performance

Standalone Performance

During the year 2025-26, the Company has achieved operating and financial results with a turnover of Rs. 52,822 Lakhs and a Profit before tax of Rs. 1,738 Lakhs when compared to Rs. 54,603 Lakhs and Rs. 2,002 Lakhs respectively in 2024-25. The decline in PBT by 15% is due to increase in raw material cost, rate and taxes and other administrative expenditure. The Management takes various cost control measures to reduce the expenditure wherever possible.

Division wise operation performance

Building Materials division has posted a total revenue of Rs. 39,928 Lakhs and a profit before tax of Rs. 271 Lakhs in the FY 2025-26 as against Rs. 43,744 Lakhs and Rs. 202 Lakhs respectively in previous FY 2024-25. Even though the revenue declined during the year, the profitability was increased by 34% due to various cost control measures and initiatives to improve operational efficiency. During Q4, steel prices increased due to the West Asia conflict, resulting in an improvement in contribution margins.

The performance of Power & Control Systems division was remarkable with an achievement in increase of turnover by 6% to Rs. 5,126 Lakhs in FY 2025-26 as compared to Rs. 4,835 Lakhs in the previous FY 2024-25. The profit before tax was increased by 5% to Rs. 1,012 Lakhs in FY 2025-26 when compared to Rs. 956 Lakhs in the previous FY 2024-25.

The performance of the Industrial Packaging Division was impacted during the year due to an increase in raw material costs and other operational expenses. Consequently, the Profit Before Tax (PBT) from the drums business declined by approximately 7% compared to the previous year. The Division also faced challenges during the last quarter owing to volatility in the procurement prices of mild steel (MS) plates. However, the management

took timely and appropriate measures to mitigate these challenges and maintain operational stability. The division posted total revenue of Rs. 4,125 Lakhs this year as compared to Rs. 3,986 Lakhs in 2024-25. The profit before tax of this division for the FY 2025-26 was Rs. 608 Lakhs as compared to Rs. 655 Lakhs in previous FY 2024-25.

Industrial packaging division has started setting up of new industrial unit adjacent to existing plant producing 210 litres HDPE barrels with an initial installed capacity of 2.10 Lakhs barrels per annum at revised capex of Rs.14.50 Crores investment to capture the plastic barrels market. The division is expected to commence the commercial production of HDPE barrels in FY 2026-27.

During the year, the operational performance of Speciality Chemicals division was also impressive by posting a total revenue of Rs. 1,531 Lakhs and profit before tax of Rs. 350 Lakhs in FY 2025-26 as compared to Rs. 1,105 Lakhs and Rs. 300 Lakhs respectively in previous FY 2024-25. The revenue was increased by 38% and PBT by 16% due to increase in volume of sales. This division is also looking at various options to improve the business and generate more revenue.

The Company has also recorded a turnover of Rs. 1,455 lakhs with a profit before tax of Rs. 35 Lakhs from other trading activities in FY 2025-26.

Key Financial Ratios

Details of significant changes in key financial ratios (Change in 25% or more) as compared to the immediately previous financial years.

Particulars	Change	Remarks
Trade Payables Turnover Ratio	61%	Increase in cost of materials

Consolidated Performance

During the year under review, the Company, together with its two wholly owned subsidiaries, recorded consolidated revenue from operations of Rs. 98,215 Lakhs for the FY 2025-26, as against Rs. 89,994 Lakhs in the previous FY 2024-25. Profit Before Tax (PBT) stood at Rs. 2,414 Lakhs, compared with Rs. 2,418 Lakhs in the FY 2024-25.

Human Resources Development

The Company remains committed to effectively managing its workforce to enhance employee satisfaction, improve operational efficiency and achieve sustainable growth and long-term success. Guided by a vision of safety, inclusivity, empowerment and continuous learning, the Company focuses on nurturing technically competent, digitally proficient and ethically driven professionals who are aligned with its long-term strategic objectives.

During the year, the Human Resources team, in line with the new Labour Codes, revised and introduced the HR Rules and Policy Manual 2025-26 to strengthen the

Company's people practices and ensure employee well-being, safety, health, capability development, quality of work life and equitable benefits across all employee categories.

With a diverse workforce across its operations and leadership, the Company's employees continue to drive technical excellence, operational resilience and long-term sustainable growth. As on 31st March 2026, the Company had 276 permanent employees, including 29 women employees, across various functions and levels.

Internal Control System & Adequacy

The Company's internal control systems are commensurate with the nature of its business. Existence of adequate internal control systems designed to provide reasonable assurance on the effectiveness and efficiency of operations, reliable financial controls and strict compliance with all applicable laws, rules and regulations and ensuring adherence to corporate policies. Periodical audit is being conducted by the Internal Auditors and their reports are placed before the Audit Committee of the Board. Audit involves performing procedures to obtain audit evidence about the adequacy of the internal control systems. The Audit Committee reviews internal audit reports, operational, financial systems and processes and risk management policies etc., followed by the Company and advise appropriate decisions.

As part of our corporate governance practices and in line with the management's policy, the Board of Directors of the Company decided to periodically rotate internal audit assignments so as to ensure the continued independence and fresh perspectives. Accordingly, the appointment of new Internal Auditors was taken place at the Board

meeting held on 13th May 2026. M/s. Venkatesh & Co., Chartered Accountants, Chennai were appointed as new Internal Auditors of the Company for the financial year 2026-27.

Risk and Concerns

Despite strong growth prospects, the company faces several challenges such as fluctuating prices of steel, and other raw materials, increase in transportation and logistics costs, intense market competition, supply chain disruptions and credit risk from customers. The Company has delegated the responsibility to operational heads to oversee the risk management process, risk identification, effective analysis of the risk implementation of mitigation and monitoring plan and risk reporting to the management. The general nature of trading business is highly competitive with thin margin of profits. The Company is facing the risk of optimum utilization of resources, which otherwise will result in accumulation of unutilized stocks affecting the performance and fund flow.

Cautionary Statement

Statements in the Management Discussion and Analysis Report describing the Company's structure, challenges, outlook, financials and HR policies may be "forward looking statements" within the meaning of applicable securities law and regulations. Actual results may differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand and supply and price situations in the domestic and overseas market in which the company operates, changes in the Government, laws, rules, regulations and other statutes and other incidental factors.

(j) Dematerialization of Shares & Liquidity

The Company has availed depository services from National Securities Depository Ltd. (NSDL) & Central Depository Services (India) Ltd. (CDSL) for dematerialization of shares. The shareholders may kindly note the Company's ISIN: INE176J01011 allotted by NSDL & CDSL. Since trading in equity shares of the Company shall be permitted only in dematerialized form, the shareholders who are holding shares in physical form, are advised to dematerialize their shares to avoid the risks associated with holding the share certificates in physical form.

The shareholders may also kindly note that as directed by SEBI, the Company/RTA has sent periodic reminders to the shareholders, who are holding the shares in physical form and who have not claimed their share certificates from the Company so far, to retrieve their share certificates.

3,90,87,401 equity shares representing 98.78% of the paid-up share capital of the Company stood dematerialized as on 31st March 2026. Trading in equity shares of the Company is permitted only in dematerialized form. The shares are traded regularly on BSE.

(k) The Company has not issued any convertible instruments.

(l) Commodity price risk or Foreign Exchange Risk and Hedging activities

The Commodity price risk is not applicable to the Company as our raw materials are not covered in the commodity production inputs.

(m) Plant Locations

Speciality Chemicals : Spic Nagar, Tuticorin
Drums Manufacturing : Minjur, Chennai

Plant location of Subsidiary Company

Cable Manufacturing: Wilson Cables Private Ltd., Jurong Industrial Estate, Singapore

CORPORATE GOVERNANCE CERTIFICATE

To:

The Members of
SICAGEN INDIA LIMITED
4TH FLOOR, SPIC HOUSE
NO.88, MOUNT ROAD
GUINDY, CHENNAI-600032

We have examined the compliance of conditions of Corporate Governance by **SICAGEN INDIA LIMITED (CIN: L74900TN2004PLC053467) ('the Company')**, for the year ended March 31, 2026 as stipulated under Regulations 17 to 27, clause (b) to (i) regulation 46 and paras C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination has been limited to a review of the procedures and implementation thereof, as adopted by the Company for ensuring compliance with the conditions of the Corporate Governance as stipulated in the said Regulations. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of my information and according to the explanations given to us and based on the representations made by the Directors and the Management and considering the relaxation granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the year ended on 31st March 2026.

We state that such compliance is neither an assurance as to future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Sicagen India Limited

Annual Report 2025-26

Standalone Financial Statements

INDEPENDENT AUDITOR'S REPORT
To the Members of SICAGEN INDIA LIMITED
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of SICAGEN INDIA LIMITED ("the Company"), which comprises the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Loss), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of material accounting policies and other explanatory information ("the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sicagen India Limited

Revenue Recognition (IND AS 115) Recognition of revenue is complex due to several types of customer contracts across divisions. The application of the new standard on recognition of revenue involves significant judgment and estimates made by the management which includes; ● Identification of performance obligations contained in contracts. ● Determination of the most appropriate method for recognition of revenue relating to the identified performance obligations. ● Assessment of transaction price & ● Allocation of the assessed price to the individual performance obligations.	Audit Procedure Audit procedure involved review of the Company's IND AS 115 implementation process and key judgments made by management, evaluation of customer contracts in light of IND AS 115 on sample basis and comparison of the same with management's evaluation and assessment of design and operating effectiveness of internal controls relating to revenue recognition. Based on the procedures performed, it is concluded that management's judgments with respect to recognition and measurement of revenue in light of IND AS 115 is appropriate.
Existence and impairment of Trade Receivables Trade Receivables are significant to the Company's financial statements. The Collectability of trade receivables is a key element of the Company's working capital management, which is managed on an ongoing basis by its management. Due to the nature of the Business and the requirements of customers, various contract terms are in place which impacts the timing of revenue recognition. In calculating the Expected Credit Loss as per Ind AS 109 - "Financial Instruments", the Company has also considered the estimation of probable future customer default. Given the magnitude and judgment involved in the impairment assessment of trade receivables, we have identified this as a key audit matter.	Audit Procedure We performed audit procedures on existence of trade receivables, which included substantive testing of revenue transactions, obtaining trade receivable external confirmations and testing the subsequent payments received. Assessing the impact of trade receivables requires judgment and we evaluated management's assumptions in determining the provision for impairment of trade receivables, by analyzing the ageing of receivables, assessing significant overdue individual trade receivables and specific local risks, combined with the legal documentations, where applicable. We tested the timing of revenue and trade receivables recognition based on the terms agreed with the customers. We also reviewed, on a sample basis, terms of the contract with the customers, invoices raised, etc., as a part of our audit procedures. Legal cases have been filed in the case of some debtors and we have analyzed the Company's chances of succeeding in the litigation. The Company has provided Management Representation that the overdue receivables are collectible and the provision made as per ECL model is sufficient to cover the unrecoverable amount if any. Furthermore, we assessed the appropriateness of the disclosures made in Note 7 & Note 46 to the financial statements. Our procedures did not identify any material exceptions.

Inventory Management judgment is required to establish the carrying value of inventory particularly in relation to determining the appropriate level of provisions in relation to obsolete and Surplus items. In view of being a Trading concern this has been identified as a Key Audit Matter.	Audit Procedure Physical Verification of Inventory was conducted by the management and with respect to the Net Realizable value of Inventory, the Company has provided Management Representations that there is no significant impact as all contracts are based on fixed prices. Audit procedures include testing the inventory provisions, we assessed the management control and estimation of inventory provisions and their appropriateness. Future salability of inventory was assessed based on past track records. Based on the audit procedure performed, no material discrepancies were identified.
Contingent Liability On assessment of Provisions for taxation, litigations and claims as at March 31, 2026, the Company had a provision in respect of possible or actual taxation disputes, litigation and claims to the tune of Rs. 2141 lakhs. (Note 42) These provisions are estimated using a significant degree of management judgment in interpreting the various relevant rules, regulations and practices and in considering precedents in various forums.	Audit Procedure The Audit addressed this Key Audit Matter by; - Assessing the adequacy of tax Provisions by reviewing correspondence with tax Authorities. - Discussing significant litigations and claims with the Company's Internal Legal Counsel. - Reviewing previous judgments made by relevant tax Authorities and opinions given by Company's advisors & - Assessing the reliability of the past estimates of the management. Our Audit Procedures did not identify any material exceptions.
IND AS 116 – Leases Ind AS 116 introduces a new lease accounting model, wherein lessees are required to recognize a right-of-use (ROU) asset and a lease liability arising from a lease on the Balance Sheet. The lease liabilities are initially measured by discounting future lease payments during the lease term as per the contract/ arrangement. Adoption of the standard involves significant judgements and estimates including, determination of the discount rates and the lease term.	Audit Procedure Our audit procedures on adoption of Ind AS 116 include; - Assessed and tested new processes and controls in respect of the lease accounting standard (Ind AS 116). - Assessed the Company's evaluation on the identification of leases based on the contractual agreements and our knowledge of the business. - Evaluated the reasonableness of the discount rates applied in determining the lease liabilities. On a statistical sample, we performed the following procedures; - assessed the key terms and conditions of each lease with the underlying lease contracts; and - evaluated computation of lease liabilities and challenged the key estimates such as, discount rates and the lease term. - Assessed and tested the presentation and disclosures relating to Ind AS 116 including, disclosures.
Inter Corporate Deposits The Company has provided inter-corporate deposits to EDAC Engineering Ltd on various dates between FY 21-22 and FY 22-23 amounting to ₹24 crores, out of which EDAC Engineering Ltd repaid ₹3.15 crores, towards the principal amount during FY 2024-25. During FY 25-26, further repayments amounting to ₹3.35 crores have been received, and the outstanding principal as at March 31, 2026 stands at ₹17.50 crores. Interest is charged at the rate of 9.5%. More than 90% of the total interest for FY 2021-22, 2022-23, 2023-24, 2024-25 and 2025-26 is still due. Total interest receivable as on Mar 31, 2026 is ₹5.88 crores	Audit Procedure The Audit addressed this Key Audit Matter by; - Evaluated the terms of repayment. - Verified the amount given at different intervals for its existence. - Verified the Tax deduction certificates. - Verified the receipts subsequent to the balance sheet date and tax deduction certificate.

Sicagen India Limited

Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report but does not include the Standalone Financial Statements and our report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act, read with the rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards Amendment Rules, 2016). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management

either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to

the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (here in after referred to as the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and

according to the information and explanations given to us, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable

2. As required by Section 143(3) of the Companies Act, 2013, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except that the Company does not have server physically located in India for the daily back up of books of account maintained in electronic mode. (Refer Note 45(p)) to the Standalone Financial Statements).
- (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive loss), Statement of Changes in the Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
- (d) In our opinion, the aforesaid Standalone Financial Statements comply with the IND AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on March 31, 2026 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best

Sicagen India Limited

of our information and according to the explanations given to us.

- i. i. The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements as referred to in Note.42 to the Standalone Financial Statements;
- ii. The Company did not have any long-term contracts including derivative contracts as at March 31, 2026;
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iv. (a) Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(is), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. (Refer Note 45 (e)).
- (b) Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. (Refer Note 45(h)) and

- (c) Based on the audit procedures adopted by us, nothing has come to our notice that has caused us to believe that the representations made by the Management under sub clause (a) and (b) above, contain any material misstatement.

- v. As stated in Note 47 to the Standalone Financial Statements:
 - (a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.
 - (b) The Board of Directors of the Company have proposed final dividend for the year, which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with Section 123 of the Act, as applicable.
- vi. Based on our examination which included test checks, the Company, in respect of financial year commencing on April 01, 2023, has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. (Refer Note 45(p)) to the Standalone Financial Statements.)

Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Annexure A to Independent Auditors' Report

The Annexure referred to in our Independent Auditor's Report to the members of **SICAGEN INDIA LIMITED** on the Standalone Financial Statements for the year ended March 31, 2026.

- (i) In respect of the Property, Plant & Equipment:
- a. (A) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant & Equipment and relevant details of right-of-use assets and investment property.
 - (B) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company has maintained proper records showing full particulars, including quantitative details and situation of Intangible Assets.
 - b. The Company has a regular program of physical verification of its Property, Plant & Equipment, right-of use assets and investment property by which assets are verified in a phased periodical manner designed to cover all the items over a period of three years. In accordance with this program, certain Property, Plant & Equipment, right-of use assets and investment property were verified during the year and no discrepancies were noticed on such verification. In our opinion this periodicity of physical verification is reasonable having regard to the size of the Company and nature of its assets
 - c. According to the information and explanations given to us, and on the basis of our examination of the records of the Company, the title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company.
 - d. The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Accordingly, clause 3(i)(d) of the Order is not applicable.
 - e. Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) (formerly the Benami Transactions (Prohibition) Act, 1988 (45 of 1988)) and Rules made thereunder, and therefore the question of our commenting on whether the Company has appropriately disclosed the details in its financial statements does not arise.
- (ii) a. The physical verification of inventory has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by the Management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
- b. According to the records of the Company and information and explanations given to us, the Company has been sanctioned working capital limits in excess of Rs. Five crores, in aggregate from banks or financial institutions on the basis of security of current assets during the year. The quarterly returns or statements filed by the Company with the banks or financial institutions are in agreement with the unaudited books of accounts of the Company. (Also refer Note No: 45(k))
- (iii) a. In our opinion and according to the explanations given to us, during the year the Company has made investments, provided loans or provided advances in the nature of loans, or stood guarantee, or provided security to any other entities as detailed below:

Sicagen India Limited

(A) To Subsidiaries

Name of the Entity	Type (Loan/advance/ guarantee/ security)	Aggregate Amount (₹ in lakhs)	Balance outstanding at Balance sheet date (₹ in lakhs)
South India House Estates & Properties Ltd.	Loan	Nil	2,403

(B) To others not mentioned under (A) :

Name of the Parties	Type (Loan/advance /guarantee /security)	Aggregate Amount (₹ in lakhs)	Balance outstanding at Balance sheet date (₹ in lakhs)
EDAC Engineering Ltd.	ICD	Nil	1,750

- b. In our opinion and according to the explanations given to us, the investments made and the terms and conditions of the grant of all loans and advances in the nature of loans are not prejudicial to the Company's interest.
- c. In our opinion and according to the explanations given to us in respect of loans and advances in the nature of loans given to entities as detailed in clause iii (a) (B) above, the schedule of repayment of principal and payment of interest has been stipulated and the repayment of principal and interest is irregular.
- d. In our opinion and according to the explanations given to us, in respect of loans and advances in the nature of loans, amounts are overdue for a period of more than 90 days.

No. of Cases	Principal Amount Overdue	Interest Overdue	Total Overdue	Remarks
1	Nil	₹588 lakhs	₹588 lakhs	Interest receivable net of TDS

- e. In our opinion and according to the explanations given to us, loans or advance in the nature of loans granted which has fallen due during the year, has been renewed or extended or fresh loans have been granted to settle the overdue of existing loans given to the same parties, as mentioned below-

Name of the parties	Aggregate amount of overdues of existing loans renewed or extended or settled by fresh loans (₹ in lakhs)	Percentage of the aggregate to the total loans or advances in the nature of loans granted during the year
EDAC Engineering Ltd.	1,750	100%

- f. In our opinion and according to the explanations given to us, the Company has granted loans or advances in the nature of loans given to entities as detailed in clause iii (a)(A) are either repayable on demand or without specifying any terms or period of repayment.

(₹ in Lakhs)

	All Parties	Promoters	Related Parties
Aggregate amount of loans/ advances in nature of loans - Repayable on demand (A)	Nil	Nil	Nil
- Agreement does not specify any terms or period of repayment (B)	2403		2403
Total (A+B)	2403		2403
Percentage of loans/ advances in the nature of loans to the total loans	58%		58%

- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act 2013 in respect of loans, investments, guarantees and security.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits from the public within the meaning of Sections 73 to 76 or any other relevant provisions of the Act and rules framed thereunder, and hence reporting under clause (v) of the Order is not applicable.
- vi. In our opinion and according to the information and explanations given to us, the Central Government has prescribed the maintenance of cost records under Section 148(1) of the Companies Act, 2013 for the products/services manufactured/rendered by the Company. We have reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. In respect of statutory dues:
 - a. According to the records of the Company and information and explanations given to us, the Company is generally regular in depositing undisputed statutory dues including Goods and Service tax, provident fund, employees' state insurance, income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues with the appropriate authorities. There are no undisputed statutory dues outstanding for more than six months.
 - b. As at March 31, 2026, according to the records of the Company, the following are the particulars of the statutory dues referred in sub-clause (a) which have not been deposited on account of dispute:

S. No	Period	Nature of Dues	Not Paid (₹ in Lakhs)	Forum where Pending
1	AY 2009-10	Income Tax	200	High Court
2	AY 2011-12	Income Tax	1699	High Court
3	AY 2015-16	Income Tax	39	CIT(A)
4	AY 2023-24	Income Tax	14	DCACIT
5	AY 2024-25	Income Tax	10	DCACIT
6	AY 2018-19	Goods & Service Tax	2	Commissioner (Appeals - II), Mumbai
7	AY 2022-23	Goods & Service Tax	21	Deputy Commissioner of Appeals (ST)(GST)TN
8	AY 2017-23	Goods & Service Tax	156	The High Court of Karnataka, Bengaluru
9	AY 2017-18	Income Tax	Nil	High Court

- viii. According to the information and explanations given to us and on the basis of records of the Company examined by us, in our opinion, the Company has no transactions that has not been recorded in the books of account and no unrecorded income was disclosed or surrendered as income during the year in the Tax assessments under the Income Tax, 1961. Accordingly, clause 3(viii) of the Order is not applicable.
- ix.
 - a. Based on our audit procedures and according to the information and explanations given to us by the management, we are of the opinion that the Company has not defaulted in repayment of loans or borrowings to any lenders.
 - b. According to the records of the Company and information and explanations given to us, the Company is not declared as Wilful Defaulter by any bank or financial institution or Government or any Government Authority.
 - c. According to the records of the Company and information and explanations given to us, the Company has not taken any term loans during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause ix(c) of the Order is not applicable (Also refer Note 20).
 - d. According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

Sicagen India Limited

- e. According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- f. In our opinion the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Accordingly, clause 3 ix(f) of the Order is not applicable.
- x. (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Accordingly, the reporting under clause 3(x)(a) of the Order is not applicable to the Company.
(b) The Company has not made any preferential allotment or private placement of shares or fully or partially or optionally convertible debentures during the year. Accordingly, the reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. a) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
b) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, a report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 was not required to be filed with the Central Government. Accordingly, reporting under clause 3(xi)(b) of the Order is not applicable to the Company.
c) During the course of our examination of the books and records of the Company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, and as represented to us by the management, no whistle-blower complaints have been received during the year by the Company. Accordingly, reporting under clause 3(xi)(c) of the Order is not applicable to the Company.
- xii. In our opinion, the Company is not a Nidhi Company. Accordingly, clauses 3 xii (a), xii(b) and xii(c) of the Order are not applicable.
- xiii. In our opinion and according to the information and explanation given to us, all transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and the details have been disclosed in the Standalone Financial Statements, as required by the applicable accounting standards.
- xiv. (a) In our opinion and according to the information and explanation given to us, the Company has an internal audit system commensurate with the size and nature of its business.
(b) The reports of the Internal Auditors for the period under audit received by us till the date of our report were considered by us.
- xv. In our opinion and according to the information and explanations given to us, the Company has not entered into any non - cash transactions with directors or persons connected with the Directors. Accordingly, clause 3(xv) of the Order is not applicable.
- xvi. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clause 3(xvi)(a) of the Order is not applicable to the Company.
(b) The Company has not conducted non-banking financial activities or housing finance activities during the year. Accordingly, reporting under clause 3(xvi)(b) of the Order is not applicable to the Company.
(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, reporting under clause 3(xvi)(c) of the Order is not applicable to the Company.
(d) Based on the information and explanation provided by the Management of the Company, the Group does not have any CICs, which are part of the Group. We have not, however, separately evaluated whether the information provided by the Management is accurate and complete. Accordingly, reporting under clause 3(xvi)(d) of the Order is not applicable to the Company.

- xvii. The Company has not incurred cash losses in the financial year and in the immediately preceding financial year. Accordingly, clause 3(xvii) of the Order is not applicable.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly reporting under clause 3(xviii) of the Order is not applicable.
- xix. According to the information and explanations given to us and on the basis of the financial ratios (Also refer Note 45(r) to the Standalone Financial Statements), ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date will get discharged by the Company as and when they fall due.
- xx. (a) In our opinion, there are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
- (b) In respect of ongoing projects, the Company has transferred unspent Corporate Social Responsibility (CSR) amount as at the end of the previous financial year, to a Special account within a period of 30 days from the end of the said financial year in compliance with the provision of section 135(6) of the Act. (Refer Note No. 45(q) to the Standalone Financial Statements).
- xxi. The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of Standalone Financial Statements. Accordingly, no comment in respect of the said clause has been included in this report.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 (f) under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditor's Report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause(i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SICAGEN INDIA LIMITED** ("the Company") as of March 31, 2026 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Sicagen India Limited

1. Material Accounting Policies

1.1 Brief description of the Company

Sicagen India Limited (the Company) is a public limited company, incorporated and domiciled in India whose shares are publicly traded. The registered office is located at SPIC House, Guindy, Chennai - 600032, Tamil Nadu, India. The Company together with its subsidiaries and associates (collectively referred to as the "Group") operate in a diversified operating segments such as trading of Building materials, Steel Fabrication, Sales & Servicing Power & controls systems, manufacturing of MS barrels and manufacture of water treatment chemicals. The subsidiary Companies are into manufacture of Cables, and property development.

1.2 Statement of compliance

The company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 issued by Ministry of Corporate Affairs in respect of sections 133 read with sub-section (1) of Section 210A of the Companies Act, 1956, (1 of 1956). In addition, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations require a different treatment.

The financials for the year ended March 31, 2026 were authorized and approved for issue by the Board of Directors at their meeting held on 13th May 2026.

1.3 Basis of accounting

The Company maintains accounts on accrual basis following the historical cost convention, except for certain financial instruments that are measured at fair value in accordance with Ind AS. The carrying value of all the items of property, plant and equipment and investment property as on date of transition is considered as the deemed cost.

FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumptions that the market participants would use when pricing the asset or liability, assuming that the

market participants act in the economic best interest.

All assets and liabilities for which fair value is measured and disclosed in the financial statements are categorised within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are unobservable.

For assets and liabilities that are recognised in the Balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period (i.e) based on the lowest level input that is significant to the fair value measurement as a whole.

For the purpose of fair value disclosures, the company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.

Investments

The fair value of investments in equity is determined by reference to their quoted prices at the reporting date. In the absence of the quoted price, the fair value of the equity is measured using valuation techniques.

Trade Receivables

The fair value of trade and other receivables is estimated as the present value of the future cash flows, discounted at the market rate of interest at the reporting date. However, the fair value generally approximates the carrying amount due to the short term nature of such assets and for others difference of carrying amount and fair value is not material for disclosure.

1.4 Use of estimates and judgement

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The

management believes that these estimates and assumptions are reasonable and prudent. However, actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future period. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Significant Estimates and judgments

The areas involving critical estimates or judgments are:

- i) Defined benefit obligation - (Refer Note 40)
- ii) Estimation of useful life of Property, Plant and Equipment - Refer Note 1.9.3
- iii) Estimation and evaluation of provisions and contingencies relating to tax litigations – (Refer Note 42)

1.5 Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The statement of cash flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Amounts in the financial statements are presented in Indian Rupees in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013. Per share data are presented in Indian Rupees to two decimals places.

1.6 Current and non-current classification

Operating cycle for the business activities of the company covers the duration of the specific project/contract/product line/service including the defect liability period wherever applicable and extends up to the realisation of receivables (including retention monies) within the agreed

credit period normally applicable to the respective lines of business.

1.7 Revenue recognition

Revenue is recognised based on nature of activity when consideration can be reasonably measured and recovered with reasonable certainty. Revenue is measured at the fair value of the consideration received or receivable and is reduced for estimated customer returns, rebates and other similar allowances. Ind AS 115, Revenue from Contracts with Customers requires identification of performance obligations for the transfer of goods and services in each contract with customers. Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

Revenue from contracts for sale of products or services

Revenue from contracts with customers for the sale of products is recognised at a point in time when the control of the asset is transferred to the customer which is usually upon shipment or delivery of goods as per the terms of the each contract and where there is no uncertainty as to measurement or collectability of consideration.

Revenue from contracts with customers for the sale of services is recognised when a customer obtains control of the services, which is upon completion of service.

When the Company satisfies a performance obligation by delivering the promised goods or services it creates a contract asset (Receivables) based on the amount of consideration earned by the performance. Where the amount of consideration received from a customer exceeds the amount of revenue recognised this gives rise to a contract liability (referred as deferred revenue).

1.7.1 Other operational revenue

This represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract upon satisfaction of performance obligations.

1.7.2 Other income

- i. Interest income is accrued on a time basis by reference to the principal outstanding and recognised using the effective interest rate

Sicagen India Limited

method. (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

- ii. Dividend income is accounted in the period in which the right to receive the same is established. (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).
- iii. Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

1.8 Exceptional items

An item of income or expense which by its size, type or incidence requires disclosure in order to improve an understanding of the performance of the company is treated as an exceptional item and the same is disclosed in the notes to accounts.

1.9 Property, plant and equipment (PPE)

1.9.1 Tangible Assets

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any.

Subsequent cost are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company.

PPE not ready for the intended use on the date of the Balance Sheet is disclosed as "capital work-in-progress". (Also refer to policies on leases, borrowing costs, impairment of assets and foreign currency transactions infra).

1.9.2 Investment Property

Property that is held for long term rental yields or for capital appreciation or both, and that is not occupied by the group is classified as investment property. Investment Property is measured initially at its cost and including related transaction cost where applicable, borrowing cost. Subsequent expenditure is capitalised to the assets carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the group and the cost of the item is measured reliably.

1.9.3 Depreciation and amortization

Depreciation is recognised using straight line method so as to write off the cost of the assets (other than freehold land and properties under construction) less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined.

S.No.	Category of the Assets	Life
1	Factory Building	30 years
2	Office Building	60 years
3	Plant & Machinery	15 years
4	Electrical Equipments*	10-15 years
5	Computer & Accessories	3 years
6	Office Equipments	5 years
7	Furniture & Fixtures	10 years
8	Motor Car	8 years

*For few assets useful life is determined by technical evaluation.

Depreciation method is reviewed at each financial year end to reflect the expected pattern of consumption of the future economic benefits embodied in the asset.

The estimated useful life and residual values are also reviewed at each financial year end and the effect of any change in the estimates of useful life/residual value is accounted on prospective basis.

Freehold land is not depreciated.

1.9.4 Intangible assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost, less accumulated amortisation and cumulative impairment.

1.9.5 Research and development expenditure on new products

Expenditure on research is expensed under respective heads of account in the period in which it is incurred. Intangible assets are amortised on straight line basis over the estimated useful life. The method of amortisation and useful life are reviewed at the end of each accounting year with the effect of any changes in the estimate being accounted for on a prospective basis.

1.9.6 Impairment of assets

As at the end of each accounting year, the company reviews the carrying amounts of its PPE,

intangible assets and investments in subsidiary, associate and joint venture companies to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the said assets are tested for impairment so as to determine the impairment loss, if any. Goodwill and the intangible assets with indefinite life are tested for impairment each year.

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is determined:

- (i) in the case of an individual asset, at the higher of the net selling price and the value in use;
- (ii) in the case of a cash generating unit (a group of assets that generates are identified with independent cash flows), at the higher of the cash generating unit's net selling price and the value in use.

(The amount of value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of its useful life. For this purpose, the discount rate (pre-tax) is determined based on the weighted average cost of capital of the company suitably adjusted for risks specified to the estimated cash flows of the asset).

For this purpose, a cash generating unit is ascertained as the smallest identifiable group of assets that generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets. If recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, such deficit is recognised immediately in the Statement of Profit and Loss as impairment loss and the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount, so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss is recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

1.10 Employee Benefits

1.10.1 Short term employee benefits

Employee benefits such as salaries, wages, short term compensated absences, expected cost of bonus, ex-gratia and performance-linked rewards falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service.

1.10.2 Post-employment benefits

i) Defined contribution plans: The state governed provident fund scheme, employee state insurance scheme and the company's superannuation scheme are defined contribution plans. The contribution paid/payable under the schemes is recognised during the period in which the employee renders the related service.

ii) Defined benefit plans: The employees' gratuity fund scheme managed by board of trustees established by the company represents the defined benefit plan. The present value of the obligation under defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method. The obligation is measured at the present value of the estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the defined benefit obligations at the Balance Sheet date.

Defined benefit employee costs comprising current service cost, past service cost and gains or losses on settlements are recognised in the Statement of Profit and Loss as employee benefits expense. Interest cost implicit in defined benefit employee cost is recognised in the Statement of Profit and Loss under finance cost.

Gains or losses on settlement of any defined benefit plan are recognised in profit or loss when such settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the company recognises related restructuring costs or termination benefits.

Sicagen India Limited

1.11 Leases

Initial Recognition

Company as a Lessee

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- i. the contract involves the use of an identified asset
- ii. the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- iii. the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised. The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are re-measured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option.

Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the ROU asset arising from the head lease. For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

The following is the summary of practical expedients elected on initial application:

1. Applied a single discount rate to a portfolio of leases of similar assets.
2. Applied the exemption not to recognize ROU assets and liabilities for leases with less than 12 months of lease term on the date of initial application.
3. Applied the practical expedient to grandfather the assessment of which transactions are leases.

1.12 Financial instruments

Financial assets and/or financial liabilities are recognised when the company becomes party to a contract embodying the related financial instruments. All financial assets and financial liabilities are initially measured at transaction values and where such values are different from the fair value, at fair value. Transaction costs that are attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from as the case may be, the fair

value of such assets or liabilities, on initial recognition. In case of interest free or concession loans given to subsidiary companies, the excess of the actual amount of the loan over initial measure at fair value is accounted as an equity investment.

The financial assets and financial liabilities are offset and presented on net basis in the Balance Sheet when there is a current legally enforceable right to set-off the recognised amounts and it is intended to either settle on net basis or to realise the asset and settle the liability simultaneously.

1.12.1 Financial assets

All recognised financial assets are subsequently measured in their entirety at amortised cost or at fair value depending on the classification of the financial assets as follows:

1. Investments in debt instruments – at amortised cost, subject to following conditions:
 - i) The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
 - ii) The contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
2. Investment in equity instruments issued by subsidiary, associates and joint ventures are measured at cost less impairment.
3. Investment in preference shares of associate companies are treated as equity instruments if the same are convertible into equity shares or are redeemable out of the proceeds of equity instruments issued for the purpose of redemption of such investments. Investment in preference shares not meeting the aforesaid conditions are classified as debt instruments at FVTPL.
4. Investments in equity instruments are classified at FVTPL, unless the related instruments are not held for trading and the company irrevocably elects on initial recognition to present subsequent changes in fair value in Other Comprehensive Income. The Company has chosen the option to measure the fair value changes in the equity Instruments through FVTOCI

on initial recognition and all subsequent measurement.

5. For financial assets that are measured at FVTOCI, income by way of interest, dividend and exchange difference (on debt instrument) is recognised in profit or loss and changes in fair value (other than on account of such income) are recognised in Other Comprehensive Income and accumulated in other equity. On disposal of debt instruments measured at FVTOCI, the cumulative gain or loss previously accumulated in other equity is reclassified to profit or loss. In case of equity instruments measured at FVTOCI, such cumulative gain or loss is not reclassified to profit or loss on disposal of investments.
6. The Company measures its investments in equity instruments of subsidiaries, joint ventures and associates at cost in accordance with Ind AS 27.

De recognition

A financial asset is primarily derecognized when:

1. the right to receive cash flows from the asset has expired, or
2. the company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement; and
 - a) the company has transferred substantially all the risks and rewards of the asset, or
 - b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety, the difference between the carrying amount measured at the date of derecognition and the consideration received is recognised in profit or loss.

Impairment of financial assets

A financial asset is regarded as credit impaired when one or more events that may have a detrimental effect on estimated future cash flows of the asset have occurred. The Company applies the expected credit loss model for recognising

Sicagen India Limited

impairment loss on financial assets (i.e. the shortfall between the contractual cash flows that are due and all the cash flows (discounted) that the Company expects to receive).

1.12.2 Financial liabilities

- i) Financial liabilities, including derivatives and embedded derivatives, which are designated for measurement at FVTPL are subsequently measured at fair value. Financial guarantee contracts are subsequently measured at the amount of impairment loss allowance or the amount recognised at inception net of cumulative amortisation, whichever is higher.

All other financial liabilities including loans and borrowings are measured at amortised cost using Effective Interest Rate (EIR) method.

- ii) A financial liability is derecognised when the related obligation expires or is discharged or cancelled.
- iii) The company designates certain hedging instruments, such as derivatives, embedded derivatives and in respect of foreign currency risk, certain non-derivatives, as either fair value hedges or cash flow hedges or hedges of net investments in foreign operations. Hedges of foreign exchange risk on firm commitments are accounted as cash flow hedges.
 - a. Fair value hedges: Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. The fair value adjustment to the carrying amount of the hedged item arising from the hedged risk is amortised to profit or loss from that date.
 - b. Cash flow hedges: In case of transaction related hedges, the effective portion of changes in the

fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income and accumulated in equity as 'hedging reserve'. The gain or loss relating to the ineffective portion is recognised immediately in profit or loss.

Amounts previously recognised in other comprehensive income and accumulated in equity relating to the effective portion, are reclassified to profit or loss in the periods when the hedged item affects profit or loss, in the same head as the hedged item. The effective portion of the hedge is determined at the lower of the cumulative gain or loss on the hedging instrument from inception of the hedge and the cumulative change in the fair value of the hedged item from the inception of the hedge and the remaining gain or loss on the hedging instrument is treated as ineffective portion.

In case of time period related hedges, the forward element and the spot element of a forward contract is separated and only the change in the value of the spot element of the forward contract is designated as the hedging instrument. Similarly, wherever applicable, the foreign currency basis spread is separated from the financial instrument and is excluded from the designation of that financial instrument as the hedging instrument in case of time period related hedges. The changes in the fair value of the forward element of the forward contract or the foreign currency basis spread of the financial instrument is accumulated in a separate component of equity as 'cost of hedging'. The changes in the fair value of such forward element or foreign currency basis spread are reclassified to profit or loss as a reclassification adjustment on a straight line basis over the period of the forward contract or the financial instrument.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the forecast transaction is ultimately recognised in profit or loss.

When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in profit or loss.

1.13 Inventories

Inventories are valued after providing for obsolescence, as under:

- a) Raw materials, components, construction materials, stores, spares and loose tools at lower of weighted average cost or net realisable value. However, these items are considered to be realisable at cost if the finished products in which they will be used, are expected to be sold at or above cost.
- b) Manufacturing work-in-progress at lower of weighted average cost including related overheads or net realisable value. In the case of qualifying assets, cost also includes applicable borrowing costs vide policy relating to borrowing costs.
- c) Finished goods and stock-in-trade (in respect of goods acquired for trading) at lower of weighted average cost or net realisable value. Cost includes related overheads and excise duty paid/payable on such goods.

Assessment of net realisable value is made in each subsequent period and when the circumstances that previously caused inventories to be written-down below cost no longer exist or when there is clear evidence of an increase in net realisable value because of changed economic circumstances, the write-down, if any, in the past period is reversed to the extent of the original amount written-down so that the resultant carrying amount is the lower of the cost and the revised net realisable value.

1.14 Cash and bank balances

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

1.15 Borrowing Costs

Borrowing costs include interest expense calculated using the effective interest method, finance charges in respect of assets acquired on

finance lease and exchange differences arising on foreign currency borrowings to the extent they are regarded as an adjustment to interest costs.

Borrowing costs net of any investment income from the temporary investment of related borrowings, that are attributable to the acquisition, construction or production of a qualifying asset are capitalized / inventoried as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. Borrowings are initially recognised at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction cost) and the redemption amount is recognised in profit or loss over the period of the borrowings, using the effective interest method. Fees paid on the established loan facilities are recognised as transaction cost of the loan, to the extent that it is probable that some or all the facility will be drawn down. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

1.16 Foreign Currencies

Functional and presentation currency

The financial statements are presented in Indian Rupee ('₹') which is also the functional and presentation currency of the Company.

Transactions and balances

Foreign currency transactions are recorded in the functional currency, by applying to the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Foreign currency monetary items are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction. Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

1.17 Accounting and reporting of information for Operating Segments

Operating segments are those components of the business whose operating results are regularly reviewed by the chief operating decision making

Sicagen India Limited

body in the company to make decisions for performance assessment and resource allocation.

The reporting of segment information is the same as provided to the management for the purpose of the performance assessment and resource allocation to the segments.

Segment accounting policies are in line with the accounting policies of the company. In addition, the following specific accounting policies have been followed for segment reporting:

- i) Segment revenue includes sales and other operational revenue directly identifiable with/allocable to the segment including inter segment revenue.
- ii) Expenses that are directly identifiable with/allocable to segments are considered for determining the segment result.
- iii) Most of the centrally incurred costs are allocated to segments mainly on the basis of their respective expected segment revenue estimated at the beginning of the reported period.
- iv) Income which relates to the company as a whole and not allocable to segments is included in "unallocable corporate income".
- v) Segment result includes margins on inter-segment capital jobs, which are reduced in arriving at the profit before tax of the company.
- vi) Segment assets and liabilities include those directly identifiable with the respective segments. Unallocable corporate assets and liabilities represent the assets and liabilities that relate to the company as a whole.
- vii) Segment non-cash expenses forming part of segment expenses includes the fair value of the employee stock options which is accounted as employee compensation cost and is allocated to the segment.
- viii) Segment revenue resulting from transactions with other business segments is accounted on the basis of transfer prices which are either determined to yield a desired margin or agreed on a negotiated basis.

1.18 Taxes on income

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income tax Act 1961, and based

on the expected outcome of assessments/appeals.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date.

Deferred tax liabilities are generally recognised for all taxable temporary differences including the temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets are generally recognised for all taxable temporary differences to the extent that is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head "capital gains" are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the company expects, at the end of reporting period, to recover or settle the carrying amount of its assets and liabilities.

Transaction or event which is recognised outside profit or loss, either in other comprehensive income or in equity, is recorded along with the tax as applicable.

1.19 Provisions, contingent liabilities and contingent assets

Provisions are recognised only when:

- a) the company has a present obligation (legal or constructive) as a result of a past event;
- b) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- c) a reliable estimate can be made of the amount of the obligation.

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Where the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

Warranties

Provisions for expected cost of warranty obligations under legislation governing sale of goods are recognised on the date of sale of the relevant products at the Management's best estimate of the expenditure required to settle the obligation which takes into account the empirical data on the nature, frequency and average cost of warranty claims and regarding possible future incidences.

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Contingent liability is disclosed in case of:

- a) a present obligation arising from past events, when it is not probable that an

outflow of resources will be required to settle the obligation; and

- b) a present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are disclosed where an inflow of economic benefits is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date.

1.20 Commitments

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- a) estimated amount of contracts remaining to be executed on capital account and not provided for;
- b) uncalled liability on shares and other investments partly paid;
- c) funding related commitment to subsidiary, associate and joint venture companies; and
- d) other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Other commitments related to sales/ procurements made in the normal course of business are not disclosed to avoid excessive details.

1.21 Non-current assets held for sale

Non-current assets and disposal groups are classified as held for sale if their carrying amount is intended to be recovered principally through a sale (rather than through continuing use) when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset (or disposal group) and the sale is highly probable and is expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets and disposal groups classified as held for sale are measured at lower of their carrying amount and fair value less costs to sell.

1.22 Statement of Cash Flows

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method, adjusting the net profit for the effects of:

Sicagen India Limited

- i. changes during the period in inventories and operating receivables and payables transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, deferred taxes, unrealised foreign currency gains and losses, and undistributed profits of associates; and
- iii. all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

1.23 Key sources of estimation

The preparation of financial statements in conformity with Ind AS requires that the management of the company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates include useful lives of property, plant and equipment, Intangible assets,

allowance for doubtful debts/advances, future obligations in respect of retirement benefit plans, expected cost of completion of contracts, provision for rectification costs, fair value measurement etc. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.

1.24 Related Party Transaction

Terms and conditions of transactions with the related parties

- (1) Transactions with the related parties are made on normal commercial terms and conditions and at market rates.
- (2) The Company is seconding its personnel to Subsidiary Companies as per the terms and conditions agreed between the Companies. The cost incurred by the group towards superannuation and employee benefits are recovered from these Companies.
- (3) Outstanding balances (other than loan) of Subsidiaries and Associate at the year - end, are unsecured and interest free.

This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

Sensitivity analysis is performed by varying a single parameter while keeping all the other parameters unchanged. Sensitivity analysis fails to focus on the interrelationship between underlying parameters. Hence, the results may vary if two or more variables are changed simultaneously.

The method used does not indicate anything about the likelihood of change in any parameter and the extent of the change if any.

The Expected Contribution for the next year to Defined Benefit Plans (Gratuity- Funded) is ₹ 31.70 lakhs.

The Weighted Average Duration (gratuity) as at the Valuation date is 3.25 years.

The Weighted Average Duration (leave benefits) as at valuation date is 3.58 years.

Note on New Labour Codes

On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has assessed and disclosed the incremental impact of these changes on the basis of legal opinion obtained and the best information available, consistent with the guidance provided by the Institute of Chartered Accountants of India. Considering the materiality and regulatory-driven, non-recurring nature of this impact, the Company has presented such incremental impact as "Statutory impact of new Labour Codes" under "Exceptional Items" in the standalone statement of profit and loss for the period ended March 31, 2026. The incremental impact consisting of gratuity of ₹ 29 lakhs and long-term compensated absences of ₹ 2 lakhs primarily arises due to change in wage definition. The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.

Notes:

- The Company has identified Business Segment as the Primary Segment and Geographic Segment as the Secondary Segment disclosure.
- The Company's Primary segment identified as business segment based on nature of products, returns and Internal Business Reporting System as per Ind AS 108
- The Business Segments identified are Trading and Manufacturing.
- The Geographical Segment considered for disclosure are India and Rest of the World. All sales facilities are located in India. Geographical segments are based on the location of the customer who is invoiced or in relation to which the revenue is otherwise recognised.
- Segmental assets include all operating assets used by the respective segment and principally consists of operating cash, debtors, inventories and fixed assets.

44 DISCLOSURE OF FAIR VALUE MEASUREMENT

44.1 The fair values of financial assets and liabilities are determined at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. Fair value of cash and short-term deposits, trade and other short-term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to their short term maturities of these instruments.

The carrying value and fair value of financial instruments by category as at 31st March, 2026 & 31st March 2025 are as follows : (₹ In Lakhs)

Particulars	As at 31st March 2026		As at 31st March 2025	
	Amortised Cost	FVOCI	Amortised Cost	FVOCI
Financial Assets				
Investments				
- Equity Instruments	1	5441	1	5373
- Preference Shares	1180		1180

Valuation techniques used to determine the fair value

Level 1 : Quoted (Unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Sicagen India Limited

45 ADDITIONAL REGULATORY INFORMATION

- (a) The Title deeds of the immovable properties (including investment property, other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) are held in the name of the Company.

46. Financial risk management

The treasury function provides services to the business, co-ordinates access to domestic financial markets, monitors and manages the financial risks relating to the operations through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

The Company's principal financial liabilities comprise loans and borrowings in domestic currency, trade payables and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations resulting in a financial loss to the Company. Credit risk arises principally from trade receivables, loans & advances, cash & cash equivalents and deposits with banks and financial institutions.

Trade receivables

The Company's customer profile include public sector enterprises, state owned companies and large private corporates. Accordingly, the Company's customer credit risk is moderate. The Company's average project execution cycle is around 12 months.

General payment terms include mobilisation advance, monthly progress payments with a credit period ranging from 45 to 90 days and certain retention money to be released at the end of the project. In some cases retentions are substituted with bank/corporate guarantees. The Company has a detailed review mechanism of overdue customer receivables at various levels within organisation to ensure proper attention and focus for realisation.

Sicagen India Limited

Loans and advances

Cash and cash equivalents and deposits with banks

The Company has banking operations with highly rated banks including scheduled banks which are owned by Government of India and Private Sector Banks. The risk of default with government controlled entities is considered to be insignificant.

Provision for expected credit losses

Loss Allowance is measured using the expected credit loss model on assets where the probability of default is high and the counter party's capacity to meet the obligations is not strong using the expected credit loss model. The Company has assets where the counter- parties have sufficient capacity to meet the obligation and where the risk of default is very low. Assets are written off when there is no reasonable expectation of recovery, such as debtor declaring bankruptcy or failing to engage in a repayment plan with the Company.

Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

- (i) The Company is making provisions on trade receivables based on Expected Credit Loss (ECL) model.

The reconciliation of ECL is as follows: (₹ in Lakhs)

Particulars	31.03.2026	31.03.2025
Opening Balance	709	539
Loss Allowance based on ECL created	200	200
ECL Provision Adjusted - M/s Oren Hydro Carbons P Ltd	-	(30)
Closing Balance (as per Note 7)	909	709

- (ii) Trade receivable written off during the year but still enforceable for recovery amounts to NIL (previous year: NIL).

- (a) Category-wise classification for applicable financial assets:

- I. Measured at amortised cost: (₹ in Lakhs)

Particulars	31.03.2026	31.03.2025

Cash and cash equivalents	9	35
Bank Balance Other than Cash Equivalents	5809	6006
Loans	1750	2085
Other Financial Assets - Current	588	521

- II. Measured at fair value through Other Comprehensive Income (FVTOCI):

Investment in Equity Instruments (Quoted) (₹ in Lakhs)

Particulars	31.03.2026	31.03.2025
Investment in Equity Instruments	5441	5373

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company manages liquidity risk through cash credit limits and undrawn borrowing facilities by continuously monitoring forecast and actual cash flows.

The Company's treasury department is responsible for managing the short term and long term liquidity requirements of the Company. Typically the Company ensures that it has sufficient cash on demand to meet expected operational expenses for a period of 60 days, including the servicing of financial obligations, this excludes the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters.

Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

	(₹ in Lakhs)	
Particulars	31.03.2026	31.03.2025
Working Capital Facility	683	852
Channel Financing Facility	4986	4829
Total	5669	5681

Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Interest rate risk

The Company's exposure to changes in interest rates relates primarily to the Company's outstanding floating rate debt. While most of the Company's outstanding debt in local currency is on fixed rate basis and hence not subject to interest rate risk.

47. (a) The final dividend proposed in the previous year, declared and paid by the company during the year is in accordance with Section 123 of the Act, as applicable.
- (b) The Board of Director of the Company have proposed final dividend for the year, which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with Section 123 of the Act, as applicable.
48. Previous year's figures have been regrouped and rearranged wherever necessary.

Consolidated Financial Statements

Sicagen India Limited

INDEPENDENT AUDITOR'S REPORT

To the Members of SICAGEN INDIA LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of SICAGEN INDIA LIMITED ("the Holding Company") and its subsidiaries (collectively referred to as "the Company" or "the Group"), comprising of the Consolidated Balance Sheet as at March 31, 2026, the Consolidated Statement of Profit and Loss (including Other Comprehensive Loss), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year ended on that date and a summary of the material accounting policies and other explanatory information ("the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31, 2026, the consolidated profit, consolidated total comprehensive Income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by ICAI, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Holding Company

Revenue Recognition (IND AS 115) Recognition of revenue is complex due to several types of customer contracts across divisions. The application of the new standard on recognition of revenue involves significant judgment and estimates made by the management which includes; ● Identification of performance obligations contained in contracts. ● Determination of the most appropriate method for recognition of revenue relating to the identified performance obligations. ● Assessment of transaction price and ● Allocation of the assessed price to the individual performance obligations.	Audit Procedure Audit procedure involved review of the Company's IND AS 115 implementation process and key judgments made by management, evaluation of customer contracts in light of IND AS 115 on sample basis and comparison of the same with management's evaluation and assessment of design and operating effectiveness of internal controls relating to revenue recognition. Based on the procedures performed, it is concluded that management's judgments with respect to recognition and measurement of revenue in light of IND AS 115 is appropriate.
Existence and impairment of Trade Receivables Trade Receivables are significant to the Company's financial statements. The Collectability of trade receivables is a key element of the Company's working capital management, which is managed on an ongoing basis by its management. Due to the nature of the Business and the requirements of customers, various contract terms are in place which impacts the timing of revenue recognition. In calculating the Expected Credit Loss as per Ind AS 109 – "Financial Instruments", the Company has also considered the estimation of probable future customer default. Given the magnitude and judgment involved in the impairment assessment of trade receivables, we have identified this as a key audit matter.	Audit Procedure We performed audit procedures on existence of trade receivables, which included substantive testing of revenue transactions, obtaining trade receivable external confirmations and testing the subsequent payments received. Assessing the impact of trade receivables requires judgment and we evaluated management's assumptions in determining the provision for impairment of trade receivables, by analyzing the ageing of receivables, assessing significant overdue individual trade receivables and specific local risks, combined with the legal documentations, where applicable. We tested the timing of revenue and trade receivables recognition based on the terms agreed with the customers. We also reviewed, on a sample basis, terms of the contract with the customers, invoices raised, etc., as a part of our audit procedures. Legal cases have been filed in the case of some debtors and we have analyzed the Company's chances of succeeding in the litigation. Furthermore, we assessed the appropriateness of the disclosures made in Note 7 & 46 to the financial statements. Our procedures did not identify any material exceptions.

Sicagen India Limited

Inventory Management judgment is required to establish the carrying value of inventory particularly in relation to determining the appropriate level of provisions in relation to obsolete and Surplus items. In view of being a Trading concern this has been identified as a Key Audit Matter.	Audit Procedure Physical Verification of Inventory was conducted by the management and with respect to the Net Realizable value of Inventory, the Company has provided Management Representations that there is no significant impact as all contracts are based on fixed prices. Audit procedures include testing the inventory provisions, we assessed the management control and estimation of inventory provisions and their appropriateness. Future salability of inventory was assessed based on past track records. Based on the audit procedure performed, no material discrepancies were identified.
Contingent Liability On assessment of Provisions for taxation, litigations and claims as at March 31, 2026 the Company had a provision in respect of possible or actual taxation disputes, litigation and claims to the tune of ₹ 2,141 lakhs. (Note No 46) These provisions are estimated using a significant degree of management judgment in interpreting the various relevant rules, regulations and practices and in considering precedents in various forums.	Audit Procedure The Audit addressed this Key Audit Matter by; - Assessing the adequacy of tax Provisions by reviewing correspondence with tax Authorities. - Discussing significant litigations and claims with the Company's Internal Legal Counsel. - Reviewing previous judgments made by relevant tax Authorities and opinions given by Company's advisors and - Assessing the reliability of the past estimates of the management. Our Audit Procedures did not identify any material exceptions.
IND AS 116 – Leases Ind AS 116 introduces a new lease accounting model, wherein lessees are required to recognize a right-of-use (ROU) asset and a lease liability arising from a lease on the balance sheet. The lease liabilities are initially measured by discounting future lease payments during the lease term as per the contract/ arrangement. Adoption of the standard involves significant judgements and estimates including, determination of the discount rates and the lease term.	Audit Procedure Our audit procedures on adoption of Ind AS 116 include: - Assessed and tested new processes and controls in respect of the lease accounting standard (Ind AS 116). - Assessed the Company's evaluation on the identification of leases based on the contractual agreements and our knowledge of the business; - Evaluated the reasonableness of the discount rates applied in determining the lease liabilities. On a statistical sample, we performed the following procedures: - assessed the key terms and conditions of each lease with the underlying lease contracts; and - evaluated computation of lease liabilities and challenged the key estimates such as, discount rates and the lease term. - Assessed and tested the presentation and disclosures relating to Ind AS 116 including, disclosures.
Inter Corporate Deposits The Company has provided inter-corporate deposits to EDAC Engineering Ltd on various dates between FY 21-22 and FY 22-23 amounting to ₹24 crores, out of which EDAC Engineering Ltd repaid ₹3.15 crores, towards the principal amount during FY 2024-25. During FY 25-26, further repayments amounting to ₹3.35 crores have been received, and the outstanding principal as at March 31, 2026 stands at ₹17.50 crores. Interest is charged at the rate of 9.5%. More than 90% of the total interest for FY 2021-22, 2022-23, 2023-24, 2024-25 and 2025-26 is still due. Total interest receivable as on Mar 31, 2026 is ₹5.88 crores.	Audit Procedure The Audit addressed this Key Audit Matter by: - Evaluated the terms of repayment. - Verified the amount given at different intervals for its existence. - Verified the Tax deduction certificates. - Verified the receipts subsequent to the balance sheet date and tax deduction certificate.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the Consolidated Financial Statements and our report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed and based on the work done/audit report of other auditors, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Financial Statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Subsidiaries in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its Subsidiaries are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included

in the Group and of its Subsidiaries are responsible for assessing the ability of the Group and of its Subsidiaries to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its subsidiaries are responsible for overseeing the financial reporting process of the Group and of its subsidiaries.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and,

Sicagen India Limited

based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its subsidiaries to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its subsidiaries to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical

requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements of one foreign subsidiary whose Financial Statements reflect Group's share of total assets of ₹30,151 lakhs as at March 31, 2026, Group's share of total revenue of ₹45,472 lakhs and Group's share of total net profit after tax of Rs. 544 lakhs for the year ended March 31, 2026, and net cash inflows of ₹1851 lakhs for the year ended March 31, 2026, as considered in the Consolidated Financial Statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in so far as it relates to the aforesaid subsidiaries are based solely on the reports of such other auditors.

The Consolidated Financial Statements include the audited financial statement of one foreign subsidiary located outside India whose financial statements and other financial information have been prepared in accordance with the accounting principles generally accepted in their respective countries. The Group's management has converted the financial statements of such subsidiary located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Group's management. Our opinion in so far as it relates to the balances and affairs of such subsidiary located outside India is based on the report of other auditors and the conversion adjustments prepared by the Group's management and audited by us.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by section 143(3) of the Act, we report to the extent applicable that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept by the Company so far as it appears from our examination of those books and the report of the other auditors, except that the Holding Company does not have server physically located in India for the daily back up of books of account maintained in electronic mode. (Refer Note. 49(p) to the Consolidated Financial Statements.)
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Loss), Consolidated Statement of Changes in Equity, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
- (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2026 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditors of its subsidiary companies incorporated in India, none of the Directors of the Group companies incorporated in India is disqualified as on March 31, 2026 from being appointed as a Director of that Company in terms of sub-section 2 of Section 164 of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the matter to be included in the Auditors' Report under section 197(16) of the Act as amended:

In our opinion and to the best of our information and according to the explanations given to us and based on the reports of the statutory auditors of such subsidiary companies incorporated in India which are not audited by us, remuneration paid by the Holding Company and its subsidiary companies to its directors during the year is in accordance with the provisions of section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Consolidated Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer Note 46 to the Consolidated Financial Statements.
 - ii) The Group did not have any material foreseeable losses on long term contracts including derivative contracts.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies, incorporated in India.
 - iv) (a) The respective Managements of the Holding Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) other than disclosed in notes to accounts by the Holding Company or any of such subsidiaries to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or

Sicagen India Limited

- any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. (Refer Note. 49(e))
- (b) The respective Managements of the Holding Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively that, to the best of their knowledge and belief, no funds have been received by the Holding Company or any of such subsidiaries from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. (Refer Note. 49(h))
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of the subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditors' notice that has caused us or the other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) contain any material mis-statement.
- v) As stated in Note 51 to the financial statements:
- (a) The final dividend proposed in the previous year, declared and paid by the Holding Company during the year is in accordance with Section 123 of the Act, as applicable.
- (b) The Board of Director of the Holding Company have proposed final dividend for the year, which is subject the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with Section 123 of the Act, as applicable.
- (c) The subsidiaries have not declared or paid any Dividend during the year.
- vi) vi) Based on our examination which included test checks, and that performed by the respective auditors of the subsidiary companies, which are companies incorporated in India, the Holding Company and its subsidiary companies, in respect of financial year commencing on April 01, 2023, has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with. (Refer Note 49(p) to the Consolidated Financial Statements).
- Additionally, the audit trail has been preserved by the Company and its subsidiaries incorporated in India as per the statutory requirements for record retention.

Annexure B to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements of the Company as of and for the year ended March 31, 2026, we have audited the internal financial controls over financial reporting of **SICAGEN INDIA LIMITED** ("the Holding Company"), and its subsidiary companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company, its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ("Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note, issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports and the information and explanation provided by the management is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Consolidated Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, based on the test checks conducted by us, the Holding Company, and its subsidiary companies, which are companies incorporated in India, have, in all material respects, reasonably adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were prima facie operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to these Consolidated Financial Statements of the Holding Company, in so far as it relates to the subsidiary companies, which are companies incorporated in India, is based solely on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of the above matter.

Sicagen India Limited

1 MATERIAL ACCOUNTING POLICIES

1.1 Brief description of the Company

Sicagen (the Company) is a public limited company, incorporated and domiciled in India whose shares are publicly traded. The registered office is located at SPIC House, Guindy, Chennai - 600032, Tamil Nadu, India. The Company together with its subsidiaries and associates (collectively referred to as the "Group") operate in a diversified operating segments such as trading of Building materials, Steel Fabrication, Sales & Servicing Power & controls systems, manufacturing of MS barrels and manufacture of water treatment chemicals. The subsidiary Companies are into manufacture of Cables and property development.

1.2 Basis of preparation

The Company's financial statements have been prepared in accordance with the provisions of the Companies Act, 2013 and the Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 issued by Ministry of Corporate Affairs in respect of sections 133 read with sub-section (1) of Section 210A of the Companies Act, 1956, (1 of 1956). In addition, the guidance notes/ announcements issued by the Institute of Chartered Accountants of India (ICAI) are also applied except where compliance with other statutory promulgations require a different treatment.

The financials for the year ended March 31, 2026 were authorized and approved for issue by the Board of Directors at their meeting held on 13th May 2026.

Principles of Consolidation

The consolidated financial statements incorporate the financial statements of the Parent Company and its subsidiaries. For this purpose, an entity which is, directly or indirectly, controlled by the Parent Company is treated as subsidiary. The Parent Company together with its subsidiaries constitutes the Group. Control exists when the Parent Company, directly or indirectly, has power over the investee, is exposed to variable returns from its involvement with the investee, has the ability to use its power to affect its returns and has power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group and ceases when the Parent Company, directly or indirectly, loses control of the subsidiary. Income and expenses of a subsidiary acquired or disposed

off during the year are included in the consolidated Statement of Profit and Loss from the date the Parent Company, directly or indirectly, gains control until the date when the Parent Company, directly or indirectly, ceases to control the subsidiary.

The consolidated Financial Statements have been prepared in accordance with IND AS 110 "Consolidated Financial Statements" and IND AS 28 Accounting for Investments in Associated companies in the consolidated financial statements.

The consolidated financial statements of the Group combines financial statements of the Parent Company and its subsidiaries line-by-line by adding together the like items of assets, liabilities, income and expenses. All intra-group assets, liabilities, income, expenses, unrealised losses are also eliminated during consolidation unless the transaction provides evidence of an impairment of the transferred asset.

The consolidated Financial Statements have been prepared in accordance with IND AS 110 "Consolidated Financial Statements" and IND AS 28 Accounting for Investments in Associated companies in the consolidated Financial statements.

The consolidated financial statements of Sicagen India limited and its subsidiaries have been prepared in accordance with accounting policies and standards applicable to them in the countries in which they are incorporated as stated in the accounting policies in the respective companies and published separately.

The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements. The accounting policies of subsidiaries have been harmonized to ensure the consistency with the policies adopted by the Parent Company. The consolidated financial statements have been presented to the extent possible, in the same manner as Parent Company's standalone financial statements.

Minority's share in net profit of consolidated subsidiaries for the year is identified and adjusted against the income of the Group in order to arrive at the net income attributable to shareholders of the Company.

The results and financial position of the foreign subsidiary is translated into the reporting currency as follows:

- (i) Assets and liabilities are translated at the closing rate at the date of that balance sheet.
- (ii) Income and expenses are translated at average exchange rates (unless average rate is not reasonable at the rates prevailing on the transaction dates, in such case income and expenses are translated at the rate on the dates of the transactions); and
- (iii) All resulting exchange differences are accumulated in foreign currency translation reserve until the disposal of net investment.

Non-controlling interests (if any) in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet, respectively.

The carrying amounts of equity accounted investments are tested for impairment in accordance with the policy described in note 1.9.6 below.

The subsidiary companies and associates considered in the consolidated financial statements are:

1.2.1 Subsidiary Companies

Sl No	Name of the Company	Country of incorporation	Proportion of ownership voting power %
1	South India House Estates and Properties Limited	India	100%
2	Wilson Cables Pte Limited	Singapore	100%

Associates:

Associates are all entities over which the group has significant influence but not control or joint control. (This is generally the case where the group holds between 20% and 50% of the voting rights). Investments in associates are accounted for using the equity method of accounting after initially being recognised at cost. Under the equity method of accounting, the investments are initially recognised at cost. Unrealised gains on transactions between the group and its associates are eliminated to the extent of the group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity

accounted investees have been changed where necessary to ensure consistency with the policies adopted by the group.

1.3 Use of estimates

The preparation of financial statements requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and notes thereto. The management believes that these estimates and assumptions are reasonable and prudent. Estimates are based on historical experience, where applicable and other assumption that management believes are reasonable under the circumstances. However, actual results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future period.

1.4 Significant Estimates and judgments

The areas involving critical estimates or judgments are:

- i) Defined benefit obligation.
- ii) Estimation of useful life of Property, Plant and Equipment.
- iii) Estimation and evaluation of provisions and contingencies relating to tax litigations.

1.5 Operating cycle for current and non-current classification

Operating cycle for the business activities of the Group covers the duration of the specific sales/project/ contract/ product line/ service including the defect liability period, wherever applicable and extends up to the realisation of receivables (including retention monies) within the agreed credit period normally applicable to the respective lines of business.

1.6 FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value of an asset or a liability is measured using the assumptions that the market participants would use when pricing the asset or liability, assuming that the market participants act in the economic best interest.

All assets and liabilities for which fair value is measured are disclosed in the financial statements are categorised within fair value hierarchy based on the lowest level input that is significant to the fair value measurement as a whole. The fair value hierarchy is described as below:

Sicagen India Limited

Level 1: Unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are directly or indirectly observable.

Level 3: Valuation techniques for which the lowest level inputs that are significant to the fair value measurement are unobservable.

For assets and liabilities that are recognised in the Balance sheet on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation at the end of each reporting period (i.e.) based on the lowest level input that is significant to the fair value measurement as a whole.

For the purpose of fair value disclosures, the company has determined the classes of assets and liabilities based on the nature, characteristics and risks of the assets or liabilities and the level of the fair value hierarchy as explained above.

Investments

The fair value of investments in equity is determined by reference to their quoted prices at the reporting date. In the absence of the quoted price, the fair value of the equity is measured using valuation techniques.

Trade Receivables

The fair value of trade and other receivables is estimated as the present value of the future cash flows, discounted at the market rate of interest at the reporting date. However, the fair value generally approximates the carrying amount due to the short term nature of such assets and for others difference of carrying amount and fair value is not material for disclosure.

1.7 Presentation of financial statements

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The statement of cash flows has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash flows". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of the financial statements along with the other notes required to be disclosed under the notified Accounting Standards and the SEBI

(Listing Obligations and Disclosure Requirements) Regulations, 2015. Amounts in the financial statements are presented in Indian Rupees in lakhs rounded off to two decimal places as permitted by Schedule III to the Companies Act, 2013. Per share data are presented in Indian Rupees to two decimals places.

1.8 Revenue recognition

Revenue is recognised based on nature of activity when consideration can be reasonably measured and recovered with reasonable certainty. Revenue is measured at the fair value of the consideration received or receivable and is reduced for estimated customer returns, rebates and other similar allowances. Ind AS 115, Revenue from Contracts with Customers requires identification of performance obligations for the transfer of goods and services in each contract with customers. Revenue is recognized upon transfer of control of promised products or services to customers in an amount that reflects the consideration we expect to receive in exchange for those products or services.

Revenue from contracts for sale of products or services

Revenue from contracts with customers for the sale of products is recognised at a point in time when the control of the asset is transferred to the customer which is usually upon shipment or delivery of goods as per the terms of the each contract and where there is no uncertainty as to measurement or collectability of consideration.

Revenue from contracts with customers for the sale of services is recognised when a customer obtains control of the services, which is upon completion of service.

When the Company satisfies a performance obligation by delivering the promised goods or services it creates a contract asset (Receivables) based on the amount of consideration earned by the performance. Where the amount of consideration received from a customer exceeds the amount of revenue recognised this gives rise to a contract liability (referred as deferred revenue).

1.8.1 Other operational revenue

This represents income earned from the activities incidental to the business and is recognised when the right to receive the income is established as per the terms of the contract upon satisfaction of performance obligations.

1.8.2 Other income

- i) Interest income is accrued on a time basis by reference to the principal outstanding and recognised using the effective interest rate method. (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).
- ii) Dividend income is accounted in the period in which the right to receive the same is established. (Provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).
- iii) Other items of income are accounted as and when the right to receive such income arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

1.8.3 Exceptional items

An item of income or expense which by its size, type or incidence requires disclosure in order to improve an understanding of the performance of the company is treated as an exceptional item and the same is disclosed in the notes to accounts.

1.9 Property, plant and equipment (PPE)

1.9.1 Tangible Assets

PPE is recognised when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. PPE is stated at original cost net of tax/duty credits availed, if any, less accumulated depreciation and cumulative impairment, if any.

Subsequent cost are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company.

PPE not ready for the intended use on the date of the Balance Sheet is disclosed as "capital work-in-progress".

1.9.2 Investment Property

Property that is held for long term rental yields or for capital appreciation or both, and that is not occupied by the group is classified as investment property. Investment Property is measured initially at its cost and including related transaction cost where applicable, borrowing cost. Subsequent expenditure is capitalised to the assets carrying amount only when it is probable

that future economic benefits associated with the expenditure will flow to the group and the cost of the item is measured reliably.

1.9.3 Depreciation and amortization

Depreciation is recognised using straight line method so as to write off the cost of the assets (other than freehold land and properties under construction) less their residual values over their useful lives specified in Schedule II to the Companies Act, 2013, or in the case of assets where the useful life was determined by technical evaluation, over the useful life so determined.

Sl No	Category of the Assets	Life
1	Factory Building	30 years
2	Office Building	60 years
3	Plant & Machinery	15 years
4	Electrical Equipments*	10-15 years
5	Computer & Accessories	3 years
6	Office Equipments	5 years
7	Furniture & Fixtures	10 years
8	Motor Car	8 years

*For few assets useful life is determined by technical evaluation.

Depreciation method is reviewed at each financial year end to reflect the expected pattern of consumption of the future economic benefits embodied in the asset.

The estimated useful life and residual values are also reviewed at each financial year end and the effect of any change in the estimates of useful life/residual value is accounted on prospective basis.

Freehold land is not depreciated.

1.9.4 Intangible assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Intangible assets are stated at original cost, less accumulated amortisation and cumulative impairment.

1.9.5 Research and development expenditure on new products

Expenditure on research is expensed under respective heads of account in the period in which it is incurred. Intangible assets are amortised on straight line basis over the estimated useful life. The method of amortisation and useful life is reviewed at the end of each accounting year with the effect of any changes in the estimate being accounted for on a prospective basis.

Sicagen India Limited

1.9.6 Impairment of assets

As at the end of each accounting year, the company reviews the carrying amounts of its PPE, intangible assets and investments in subsidiary, associate and joint venture companies to determine whether there is any indication that those assets have suffered an impairment loss. If such indication exists, the said assets are tested for impairment so as to determine the impairment loss, if any. Goodwill and the intangible assets with indefinite life are tested for impairment each year.

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is determined:

- (i) in the case of an individual asset, at the higher of the net selling price and the value in use;
- (ii) In the case of a cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of the cash generating unit's net selling price and the value in use.

(The amount of value in use is determined as the present value of estimated future cash flows from the continuing use of an asset and from its disposal at the end of its useful life. For this purpose, the discount rate (pre-tax) is determined based on the weighted average cost of capital of the company suitably adjusted for risks specified to the estimated cash flows of the asset).

For this purpose, a cash generating unit is ascertained as the smallest identifiable group of assets that generates cash inflows that are largely independent of the cash inflows from other assets or groups of assets. If recoverable amount of an asset (or cash generating unit) is estimated to be less than its carrying amount, such deficit is recognised immediately in the Statement of Profit and Loss as impairment loss and the carrying amount of the asset (or cash generating unit) is reduced to its recoverable amount.

When an impairment loss subsequently reverses, the carrying amount of the asset (or cash generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss is recognised for the asset (or cash generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the Statement of Profit and Loss.

1.10 Employee Benefits

1.10.1 Short term employee benefits

Employee benefits such as salaries, wages, short term compensated absences, expected cost of bonus, ex-gratia and performance-linked rewards falling due wholly within twelve months of rendering the service are classified as short term employee benefits and are expensed in the period in which the employee renders the related service.

1.10.2 Post-employment benefits

- i) Defined contribution plans: The state governed provident fund scheme, employee state insurance scheme and the company's superannuation scheme are defined contribution plans. The contribution paid/payable under the schemes is recognised during the period in which the employee renders the related service.
- ii) Defined benefit plans: The employees' gratuity fund scheme managed by board of trustees established by the company represents the defined benefit plan. The present value of the obligation under defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method. The obligation is measured at the present value of the estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the defined benefit obligations at the Balance Sheet date.

Defined benefit employee costs comprising current service cost, past service cost and gains or losses on settlements are recognised in the Statement of Profit and Loss as employee benefits expense. Interest cost implicit in defined benefit employee cost is recognised in the Statement of Profit and Loss under finance cost.

Gains or losses on settlement of any defined benefit plan are recognised in profit or loss when such settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the company recognises related restructuring costs or termination benefits.

1.11 Leases

Initial Recognition

Company As a Lessee

The Company assesses whether a contract

contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- i. the contract involves the use of an identified asset.
- ii. the Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- iii. the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised. The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of

domicile of these leases. Lease liabilities are re-measured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option.

Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases. When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the ROU asset arising from the head lease. For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

The following is the summary of practical expedients elected on initial application:

1. Applied a single discount rate to a portfolio of leases of similar assets.
2. Applied the exemption not to recognize ROU assets and liabilities for leases with less than 12 months of lease term on the date of initial application.
3. Applied the practical expedient to grandfather the assessment of which transactions are leases.

1.12 Financial instruments

Financial assets and/or financial liabilities are recognised when the company becomes party to a contract embodying the related financial instruments. All financial assets and financial liabilities are initially measured at transaction values and where such values are different from the fair value, at fair value. Transaction costs that are attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from as the case may be, the fair value of such assets or liabilities, on initial recognition. In case of interest free or concession loans given to subsidiary companies, the excess of the actual amount of the loan over initial measure at fair value is accounted as an equity investment.

The financial assets and financial liabilities are

Sicagen India Limited

offset and presented on net basis in the Balance Sheet when there is a current legally enforceable right to set-off the recognised amounts and it is intended to either settle on net basis or to realise the asset and settle the liability simultaneously.

1.12.1 Financial assets

All recognised financial assets are subsequently measured in their entirety at amortised cost or at fair value depending on the classification of the financial assets as follows:

1. Investments in debt instruments – at amortised cost, subject to following conditions:
 - i) The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
 - ii) The contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- a. Investment in equity instruments issued by subsidiary, associates and joint ventures are measured at cost less impairment.
- b. Investment in preference shares of associate companies are treated as equity instruments if the same are convertible into equity shares or are redeemable out of the proceeds of equity instruments issued for the purpose of redemption of such investments. Investment in preference shares not meeting the aforesaid conditions are classified as debt instruments at FVTPL.
- c. Investments in equity instruments are classified as at FVTPL, unless the related instruments are not held for trading and the company irrevocably elects on initial recognition to present subsequent changes in fair value in Other Comprehensive Income. The Company has chosen the option to measure the fair value changes in the equity Instruments through FVOCI on initial recognition and all subsequent measurement.
- d. For financial assets that are measured at FVTOCI, income by way of interest, dividend and exchange difference (on debt instrument) is recognised in profit or loss and changes in fair value (other than on account of such income) are recognised in Other Comprehensive Income and accumulated in other equity. On disposal

of debt instruments measured at FVTOCI, the cumulative gain or loss previously accumulated in other equity is reclassified to profit or loss. In case of equity instruments measured at FVTOCI, such cumulative gain or loss is not reclassified to profit or loss on disposal of investments.

Derecognition

A financial asset is primarily derecognised when:

1. The right to receive cash flows from the asset has expired, or
2. The company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a pass-through arrangement; and
 - (a) the company has transferred substantially all the risks and rewards of the asset, or
 - (b) the company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

On derecognition of a financial asset in its entirety, the difference between the carrying amount measured at the date of derecognition and the consideration received is recognised in profit or loss.

Impairment of financial assets

The company recognises impairment loss on trade receivables using expected credit loss model, which involves use of a provision matrix constructed on the basis of historical credit loss experience as permitted under Ind AS 109.

1.12.2 Financial liabilities

- i) Financial liabilities, including derivatives and embedded derivatives, which are designated for measurement at FVTPL are subsequently measured at fair value. Financial guarantee contracts are subsequently measured at the amount of impairment loss allowance or the amount recognised at inception net of cumulative amortisation, whichever is higher.

All other financial liabilities including loans and borrowings are measured at amortised cost using Effective Interest Rate (EIR) method.
- ii) A financial liability is derecognised when the related obligation expires or is discharged or cancelled.

- iii) The company designates certain hedging instruments, such as derivatives, embedded derivatives and in respect of foreign currency risk, certain non-derivatives, as either fair value hedges or cash flow hedges or hedges of net investments in foreign operations. Hedges of foreign exchange risk on firm commitments are accounted as cash flow hedges.

- A. Fair value hedges: Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in profit or loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. The fair value adjustment to the carrying amount of the hedged item arising from the hedged risk is amortised to profit or loss from that date.

- B. Cash flow hedges: In case of transaction related hedges, the effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income and accumulated in equity as 'hedging reserve'. The gain or loss relating to the ineffective portion is recognised immediately in profit or loss.

Amounts previously recognised in other comprehensive income and accumulated in equity relating to the effective portion, are reclassified to profit or loss in the periods when the hedged item affects profit or loss, in the same head as the hedged item. The effective portion of the hedge is determined at the lower of the cumulative gain or loss on the hedging instrument from inception of the hedge and the cumulative change in the fair value of the hedged item from the inception of the hedge and the remaining gain or loss on the hedging instrument is treated as ineffective portion.

In case of time period related hedges, the forward element and the spot element of a forward contract is separated and only the change in the value of the spot element of the forward contract is designated as the

hedging instrument. Similarly, wherever applicable, the foreign currency basis spread is separated from the financial instrument and is excluded from the designation of that financial instrument as the hedging instrument in case of time period related hedges. The changes in the fair value of the forward element of the forward contract or the foreign currency basis spread of the financial instrument are accumulated in a separate component of equity as 'cost of hedging'. The changes in the fair value of such forward element or foreign currency basis spread are reclassified to profit or loss as a reclassification adjustment on a straight line basis over the period of the forward contract or the financial instrument.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the forecast transaction is ultimately recognised in profit or loss. When a forecast transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in profit or loss.

1.13 Inventories

Inventories are valued after providing for obsolescence, as under:

- a) Raw materials, components, construction materials, stores, spares and loose tools at lower of weighted average cost or net realisable value. However, these items are considered to be realisable at cost if the finished products in which they will be used, are expected to be sold at or above cost.
- b) Manufacturing work-in-progress at lower of weighted average cost including related overheads or net realisable value. In the case of qualifying assets, cost also includes applicable borrowing costs vide policy relating to borrowing costs.
- c) Finished goods and stock-in-trade (in respect of goods acquired for trading) at lower of weighted average cost or net realisable value. Cost includes related overheads and excise duty paid/payable on such goods.

Sicagen India Limited

Assessment of net realisable value is made in each subsequent period and when the circumstances that previously caused inventories to be written-down below cost no longer exist or when there is clear evidence of an increase in net realisable value because of changed economic circumstances, the write-down, if any, in the past period is reversed to the extent of the original amount written-down so that the resultant carrying amount is the lower of the cost and the revised net realisable value.

1.14 Cash and bank balances

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being subject to more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

The issue expenses of securities which qualify as equity instruments are written off against securities premium account.

1.15 Borrowing Costs

Borrowing costs include interest expense calculated using the effective interest method, finance charges in respect of assets acquired on finance lease and exchange differences arising on foreign currency borrowings to the extent they are regarded as an adjustment to interest costs.

Borrowing costs net of any investment income from the temporary investment of related borrowings, that are attributable to the acquisition, construction or production of a qualifying asset, are capitalised/inventoried as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. Borrowings are initially recognised at fair value, net of transaction cost incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction cost) and the redemption amount is recognised in profit or loss over the period of the borrowings, using the effective interest method. Fees paid on the established loan facilities are recognised as transaction cost of the loan, to the extent that it is probable that some or all the facility will be drawn down. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

1.16 Foreign currencies

Functional and presentation currency

The financial statements are presented in Indian Rupee ('₹') which is also the functional and presentation currency of the Company.

Transactions and balances

Foreign currency transactions are recorded in the functional currency, by applying to the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Foreign currency monetary items are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction. Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

The management believes that the adoption of amendment to Ind AS 21, Foreign currency transactions and advance consideration does not have any significant impact on the standalone financial statements.

1.17 Accounting and reporting of information for Operating Segments

Operating segments are those components of the business whose operating results are regularly reviewed by the chief operating decision making body in the company to make decisions for performance assessment and resource allocation.

The reporting of segment information is the same as provided to the management for the purpose of the performance assessment and resource allocation to the segments.

Segment accounting policies are in line with the accounting policies of the company. In addition, the following specific accounting policies have been followed for segment reporting:

- i) Segment revenue includes sales and other operational revenue directly identifiable with/allocable to the segment including inter segment revenue.
- ii) Expenses that are directly identifiable with/allocable to segments are considered for determining the segment result.
- iii) Most of the centrally incurred costs are allocated to segments mainly on the basis of their respective expected segment revenue estimated at the beginning of the reported period.

- iv) Income which relates to the company as a whole and not allocable to segments is included in “unallocable corporate income”.
- v) Segment result includes margins on inter-segment capital jobs, which are reduced in arriving at the profit before tax of the company.
- vi) Segment assets and liabilities include those directly identifiable with the respective segments. Unallocable corporate assets and liabilities represent the assets and liabilities that relate to the company as a whole.
- vii) Segment non-cash expenses forming part of segment expenses includes the fair value of the employee stock options which is accounted as employee compensation cost and is allocated to the segment.
- viii) Segment revenue resulting from transactions with other business segments is accounted on the basis of transfer prices which are either determined to yield a desired margin or agreed on a negotiated basis.

1.18 Taxes on income

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income tax Act 1961, and based on the expected outcome of assessments/appeals.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the company's financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates and laws enacted or substantively enacted as on the Balance Sheet date. Deferred tax liabilities are generally recognised for all taxable temporary differences including the temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets are generally recognised for all taxable temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that

sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax assets relating to unabsorbed depreciation/business losses/losses under the head “capital gains” are recognised and carried forward to the extent of available taxable temporary differences or where there is convincing other evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the company expects, at the end of reporting period, to recover or settle the carrying amount of its assets and liabilities.

Transaction or event which is recognised outside profit or loss, either in other comprehensive income or in equity, is recorded along with the tax as applicable.

1.19 Provisions, contingent liabilities and contingent assets

Provisions are recognised only when:

- a) the company has a present obligation (legal or constructive) as a result of a past event;
- b) it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- c) a reliable estimate can be made of the amount of the obligation.

Provision is measured using the cash flows estimated to settle the present obligation and when the effect of time value of money is material, the carrying amount of the provision is the present value of those cash flows. Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Contingent liability is disclosed in case of :

- a) a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation; and
- b) a present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are disclosed where an inflow of economic benefits is probable.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date. Where the unavoidable costs of meeting the

Sicagen India Limited

obligations under the contract exceed the economic benefits expected to be received under such contract, the present obligation under the contract is recognised and measured as a provision.

1.20 Commitments

Commitments are future liabilities for contractual expenditure, classified and disclosed as follows:

- a) Estimated amount of contracts remaining to be executed on capital account and not provided for;
- b) uncalled liability on shares and other investments partly paid;
- c) funding related commitment to subsidiary, associate and joint venture companies;
- d) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.

Other commitments related to sales/ procurements made in the normal course of business are not disclosed to avoid excessive details.

1.21 Non-current assets held for sale

Non-current assets and disposal groups are classified as held for sale if their carrying amount is intended to be recovered principally through a sale (rather than through continuing use) when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sale of such asset (or disposal group) and the sale is highly probable and is expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets and disposal groups classified as held for sale are measured at lower of their carrying amount and fair value less costs to sell.

1.22 Statement of Cash Flows

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method, adjusting the net profit for the effects of:

- i. changes during the period in inventories and operating receivables and payables transactions of a non-cash nature;
- ii. non-cash items such as depreciation, provisions, deferred taxes, unrealised

foreign currency gains and losses, and undistributed profits of associates; and

- iii. all other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) shown in the Statement of Cash Flows exclude items which are not available for general use as on the date of Balance Sheet.

1.23 Key sources of estimation

The preparation of financial statements in conformity with Ind AS requires that the management of the company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates include useful lives of property, plant and equipment, Intangible assets, allowance for doubtful debts/ advances, future obligations in respect of retirement benefit plans, expected cost of completion of contracts, provision for rectification costs, fair value measurement etc. Difference, if any, between the actual results and estimates is recognised in the period in which the results are known.

1.24 Related Party Transaction

Terms and conditions of transactions with the related parties

- (1) Transactions with the related parties are made on normal commercial terms and conditions and at market rates.
- (2) The Company is seconding its personnel to Subsidiary Companies as per the terms and conditions agreed between the Companies. The cost incurred by the group towards superannuation and employee benefits are recovered from these Companies.
- (3) Outstanding balances (other than loan) of Subsidiaries and Associate at the year-end, are unsecured and interest free.

This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

- a** Against the above demands, the Company has not paid any amount during the year (₹ NIL in previous year). The above amounts are based on the notices of demand or the assessment orders or notifications by the relevant authorities, as the case may be, and the Company is contesting these claims with the respective authorities. Outflows, if any, arising out of these claims would depend on the outcome of the decisions of the appellate authorities and the Company's rights for future appeals before the Judiciary. No reimbursements are expected.
- b** Guarantees given by the bankers for performance of Contracts and others ₹271.89 Lakhs (₹221.55 Lakhs).

47 DISCLOSURE OF FAIR VALUE MEASUREMENT:

- 47.1** The fair values of financial assets and liabilities are determined at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. Fair value of cash and short-term deposits, trade and other short-term receivables, trade payables, other current liabilities, short term loans from banks and other financial instruments approximate their carrying amounts largely due to their short term maturities of these instruments.

The carrying value and fair value of financial instruments by category as at 31st March, 2026 & 31st March 2025 are as follows :

PARTICULARS	As at 31st March 2026		As at 31st March 2025

Valuation techniques used to determine the fair value

Level 1 : Quoted (Unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : Other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3 : Techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

50. Financial risk management

The treasury function provides services to the business, co-ordinates access to domestic financial markets, monitors and manages the financial risks relating to the operations through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

The Company's principal financial liabilities comprise loans and borrowings in domestic currency, trade payables and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include trade and other receivables.

Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations resulting in a financial loss to the Company. Credit risk arises principally from trade receivables, loans & advances, cash & cash equivalents and deposits with banks and financial institutions.

Trade receivables

The Company's customer profile include public sector enterprises, state owned companies and large private corporates. Accordingly, the Company's customer credit risk is moderate. The Company's average project execution cycle is around 12 months.

General payment terms include mobilisation advance, monthly progress payments with a credit period ranging from 45 to 90 days and certain retention money to be released at the end of the project. In some cases retentions are substituted with bank/corporate guarantees. The Company has a detailed review mechanism of overdue customer receivables at various levels within organisation to ensure proper attention and focus for realisation.

Loans and advances

Cash and cash equivalents and deposits with banks

The Company has banking operations with highly rated banks including scheduled banks which are owned by Government of India and Private Sector Banks. The risk of default with government controlled entities is considered to be insignificant.

Provision for expected credit losses

Loss Allowance is measured using the expected credit loss model on assets where the probability of default is high and the counter party's capacity to meet the obligations is not strong using the expected credit loss model. The Company has assets where the counter - parties have sufficient capacity to meet the obligations and where the risk of default is very low.

Assets are written off when there is no reasonable expectation of recovery, such as debtor declaring bankruptcy or failing to engage in a repayment plan with the Company

Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

- (i) The company is making provisions on trade receivables based on Expected Credit Loss (ECL) model.

The reconciliation of ECL is as follows: (₹ in Lakhs)

Particulars	31.03.2026	31.03.2025
Opening Balance	807	688
Loss Allowance based on ECL	546	274
Adjusted of ECL Loss Allowance	79	(159)

Particulars	31.03.2026	31.03.2025
Investment in Equity Instruments	5442	6701

Sicagen India Limited

Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company manages liquidity risk through cash credit limits and undrawn borrowing facilities by continuously monitoring forecast and actual cash flows.

The Company's treasury department is responsible for managing the short term and long term liquidity requirements of the Company. Typically the Company ensures that it has sufficient cash on demand to meet expected operational expenses for a period of 60 days, including the servicing of financial obligations, this excludes the potential impact of extreme circumstances that cannot reasonably be predicted, such as natural disasters.

Financing arrangements

The Company had access to the following undrawn borrowing facilities at the end of the reporting period:

(₹ in Lakhs)		
Particulars	31.03.2026	31.03.2025
Working Capital Facility	2733	1488
Channel Financing Facility	4986	4829
Term Loan- Current & Non Current	6592	6864
Total	14311	13181

Market risk

Market risk is the risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return.

(1) Foreign currency risk management:

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company undertakes transactions denominated in foreign currencies and thus it is exposed to exchange rate fluctuations. The Company actively manages its currency rate exposures, arising from transactions entered and denominated in foreign currencies, through derivative instruments such as foreign currency forward contracts to mitigate the risks from such exposures. The use of derivative instruments is subject to limits and regular monitoring by the Management.

Interest rate risk

The Company's exposure to changes in interest rates relates primarily to the Company's outstanding floating rate debt. While most of the Company's outstanding debt in local currency is on fixed rate basis and hence not subject to interest rate risk.

51. (a) The final dividend proposed in the previous year, declared and paid by the Holding Company during the year is in accordance with Section 123 of the Act, as applicable.
 - (b) The Board of Director of the Holding Company have proposed final dividend for the year, which is subject the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with Section 123 of the Act, as applicable.
 - (c) The subsidiaries have not declared or paid any Dividend during the year
52. Previous year's figures have been regrouped and rearranged in line with IND AS wherever necessary.
