1. The percentage increase in the median remuneration of employees in the financial year was: N.A.

2. The number of permanent employees on the rolls of Company: 5

3. Average percentile increases already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:

- Average increase in remuneration of employees excluding KMPs: N.A.
- Average increase in remuneration of KMPs: 4.35%

The increase in managerial remuneration is in accordance with the terms of appointment and applicable provisions of the Companies Act, 2013. There were no exceptional circumstances affecting the managerial remuneration.

4. It is affirmed that the remuneration paid is as per the Remuneration Policy for Directors, Key Managerial Personnel and other employees, adopted by the Company.

The Company's workforce comprises personnel engaged based on the nature, scope and quantum of work undertaken. The number of employees considered for the current financial year is lower than the previous financial year, with 5 employees as compared to 11 employees in the previous financial year. The change in the number and composition of employees during the year and the nature of work-based engagements does not provide a uniform basis for meaningful comparison of employee remuneration or computation of an average percentage increase in remuneration.

The increase in managerial remuneration is in accordance with the terms of appointment and applicable provisions of the Companies Act, 2013. There were no exceptional circumstances affecting the managerial remuneration.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE AND DEVELOPMENTS

1. Contribution to GDP and employment

- As of January 2026, India's gold and diamond trade contributed 7% to India's Gross Domestic Product (GDP).
- The sector contributes nearly Rs. 2.6 lakh crore (US\$ 29.42 billion) to the country's manufacturing output and generates skilled and semi-skilled employment for over 50 lakh individuals.

2. Diamond's processing and exports

- In FY26 (April-March), the overall gross exports of gems and jewellery stood at Rs. 244827.26 crores (US\$ 27.72 billion.)
- In FY26, the overall gross exports of cut and polished diamonds stood at Rs. 107,461.34 crore (US\$ 12.16 billion), compared with Rs. 112,414.32 crore (US\$ 13.29 billion) in the previous year.

3. Market Size

- India's Gems & Jewellery market size as of January 2026 stood at Rs. 7,31,255 crores (US\$ 85 billion) and is likely to expand to Rs. 11,18,390 crores (US\$ 130 billion) by 2030.

4. Robust growth in exports

- The Government of India is aiming at US\$ 100 billion in jewellery export in the next few years (until 2027), up from US\$ 35 billion in 2020.
- India's gem and jewellery exports have remained broadly stable during April-March at Rs. 244827.26 crores (US\$ 27.72 billion).
- In FY26, the overall gross exports of gems and jewellery stood at Rs. 244,827.26 crore (US\$ 27.72 billion), compared with Rs. 242,559.39 crore (US\$ 28.67 billion) in the previous year.

5. Imports Trends

- In FY26 In FY26 (April-March), overall gross imports of Gems & Jewellery stood at (Rs. 2,02,120.40 crore (US\$ 22.84 billion).
- Non-petroleum, non-gems & jewellery (gold, silver & precious metals) imports in March 2026 were Rs. 3,70,027.13 crore (US\$ 41.87 billion) compared to Rs. 3,21,245.13 crore (US\$ 37.99 billion) in March 2025.

ADVANTAGE INDIA

1 Growing Demand

- In April 2026, inflows into Gold ETFs increased by 34% month-on-month to Rs. 3,040 crore (US\$ 343.98 million) from Rs. 2,265 crore (US\$ 256.29 million) in March, reflecting continued investor preference for gold-backed investment products. During the same period, Silver ETFs recorded net outflows of Rs. 126 crore (US\$ 14.26 million), marking the third consecutive month of outflows.

- According to the World Gold Council, the AUM of Indian gold ETFs increased from US\$ 7.2 billion in April 2025 to US\$ 18.4 billion in May 2026, while physical gold holdings rose from 65.3 tonnes to 116.7 tonnes, indicating strong growth in investor demand for gold-backed ETFs.

2 Increasing Investment

- Zeropearl VC led a US\$ 0.65 million (Rs. 5.5 crore) pre-seed round in ONYA (Dec 2025 period), funding offline retail expansion and growth in India's fast-growing lab-grown diamond jewellery segment.
- BlueStone invested US\$ 2.83 million (Rs. 25 crore) in lab-grown diamond brand Ethera in Feb 2026, supporting store expansion, omnichannel growth, and scaling India's emerging lab-grown jewellery segment.
- Global institutions including Citigroup and Société Générale invested US\$ 19.30 million (Rs. 170.6 crore) in PNGS Reva (Feb 2026 IPO anchor round), backing expansion of its diamond jewellery business in India.
- Cumulative FDI inflows in diamond and gold ornaments in India stood at Rs. 9,962.78 crore (US\$ 1.55 billion) between April 2000-March 2026.

3 Policy Support

- India allows 100% FDI under the automatic route in the gems and jewellers sector, including gold and diamond processing and trading, subject to applicable regulatory conditions.
- India has 10 special economic zones (SEZ) for gems & jewellery. These zones have more than 500 manufacturing units, which contribute 30% to the country's total exports. The revised SEZ Act is also expected to boost gems and jewellery exports.
- In May 2026, India and the UAE reaffirmed their commitment to strengthen their economic partnership and expand bilateral trade to US\$ 200 billion by 2032 under the India-UAE CEPA, with gems and jewellery remaining one of the key sectors driving bilateral trade.
- Australia will eliminate tariffs on 100% of Indian exports from January 1, 2026, significantly boosting sectors like gems and jewellery under ECTA.
- The India-UK Free Trade Agreement is expected to more than double India's gems and jewellery exports to the UK, reaching Rs. 21,183 crores (US\$ 2.5 billion) by 2027.

4 Attractive Opportunities

- India's gold demand is projected to remain in the range of 600–700 tonnes in 2026, with rising investment demand offsetting weaker jewellery consumption due to elevated gold prices

GROWTH DRIVERS OF GEMS & JEWELLERY SECTOR IN INDIA

1 Population demographics

- By 2036, India's middle class and affluent consumers will account for 93% of all spending, up from 80% in 2026, driving consumption, innovation, and influence.
- India holds 3.7% of global HNIs with over 85,000 individuals worth above Rs. 85 crore (US\$ 10 million) in 2025.

2 Rising gold demand

- Rapidly increasing middleclass population has lead to increase in the demand of gold

- India's gold demand is projected to remain in the range of 600–700 tonnes in 2026, with rising investment demand offsetting weaker jewellery consumption due to elevated gold prices.

3 Government Initiatives

- Gold Monetisation Scheme to reduce the country's reliance on gold imports to meet the domestic demand
- Proposed jewellery park allocated: 25 acres land in Navi Mumbai and 25,000 sq. ft land in West Bengal
- Proposed policy to help increase the gold supply from local refineries to 80% in the next few years from current 40%

GOVERNMENT INITIATIVES AND REGULATORY FRAMEWORK

1 Gems and jewellery industry related to duties and taxes

- In September 2025, the Government kept the Goods and Services Tax (GST) rate for the jewellery sector unchanged at 3%, and industry noted that broader GST reforms and cuts in other rates would indirectly support demand for gems and jewellery.

2 FDI Policy

- The Government has permitted 100% FDI in the sector under the automatic route, wherein the foreign investor or the Indian company do not require any prior approval from the Reserve Bank or Government of India.

3 Demonetisation

- The demonetisation move is encouraging people to use plastic money and debit/ credit cards for buying jewellery. This is good for the industry in the long run and will create more transparency.
- The Government would notify a new limit for reporting about transactions in gold and other precious metals and stones to authorities to avoid the parking of black money in bullion.

4 Gold Spot Exchange

- The government's announcement on establishing gold spot exchange could help in India's participation in determining gold price in the international market

5 BIS Hallmarking Scheme

- Gold jewellery in India carries a BIS hallmark, including the BIS logo, purity in carat, and a unique HUID number along with jeweller identification, ensuring authenticity, traceability, and quality assurance for consumers.

6 Gold Monetisation Scheme

- The Gold Monetisation Scheme was launched in November 2015. This scheme enabled individuals, trusts and mutual funds to deposit gold with banks and earn interest on the same in return.

7 Mandatory hallmarking regime

- In December 2020, All India Gem and Jewellery Domestic Council (GJC) welcomed the decision to make hallmarking compulsory from June 2021 in a phased manner; urged the government to examine the key concerns of the industry for smooth implementation of the initiative.
- Hallmarking of gold jewellery is set to begin from June 15, 2021. In view of the COVID-19 pandemic, the government accepted request of stakeholders to provide jewellers some more time to prepare for implementation and resolve issues. Earlier, the date of implementation was June 01, 2021.

8 Prevention of Money Laundering Act (PMLA)

- In December 2020, the Finance Ministry notified that the amendment under Prevention of Money Laundering Act (PMLA), notifying dealers in precious metals and stones, will maintain records of cash transactions worth Rs. 10 lakh (US\$ 13.61 thousand) or more cumulatively with a single customer.

9 Special Group

- In August 2020, the government proposed the formation of a special task force comprising customs and banking officials to address operational, trade, and financing challenges faced by the gems and jewellery sector.

10 EDI (Electronic Data Interchange) Connectivity of Postal Service with Customs in ecommerce Policy

- In December 2020, the Gem and Jewellery Export Promotion Council (GJEPC) urged the government to include in the comprehensive ecommerce policy the EDI connection of postal services with customs, to enable banks to automatically close e-commerce exports against advance credit card payments by foreign purchasers.
- The step would drive for progressive reforms to help the industry fulfil its long-term goal of being the epicentre of global gems & jewellery.

11 Suspension of additional tariff on goods by the US

- In June 2021, the US suspended additional tariffs on six countries, including India, that have imposed or are considering equalisation levy/digital services tax on e-commerce companies for up to six months. This was done to provide additional time to complete the ongoing multilateral negotiations on international taxation at the Organisation for Economic Co-operation and Development (OECD) and G20
- The suspension is likely to provide relief to the COVID-hit gems & jewellery sector in India.

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **Shoora Designs Limited**, which comprise the balance sheet as at **31st March 2026**, and the statement of Profit and Loss, and statement of cash flows for the Year ended **31st March 2026**, and notes to the financial statements, including summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at **31st March 2026**, and its profit/loss, and its cash flows for the Year ended **31st March 2026**.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters and there are no Key Audit Matters to be reported.

Information Other than the financial statements and Auditor's report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the '**Annexure A**' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

“Annexure A” to the Independent Auditors’ Report

Referred to in paragraph 1 under the heading ‘Report on Other Legal & ‘Regulatory Requirements’ of our report of even date to the financial statements of the Company for the Year ended March 31, 2026:

i. Property, Plant, Equipment and intangible Assets:

- a. The Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant, Equipment and intangible Assets;
- b. The Property, Plant, Equipment and intangible Assets are physically verified by the management according to a phased programme, designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the company and nature of its assets. Pursuant to the programme, a portion of the Property, Plant, Equipment and intangible Assets has been physically verified by the management during the year and no material discrepancies have been noticed on such verification.
- c. The title deeds of all the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), as disclosed in Note 8 on Property, plant and equipment and Intangible assets to the financial statements, are held in the name of the Company.
- d. The Company has not revalued its Property, Plant, Equipment and intangible Assets during the year. Accordingly, the reporting under clause 3(i)(d) of the Order is not applicable to the company.
- e. Based on the information and explanations furnished to us, no proceedings have been initiated on or are pending against the Company for holding Benami property under Benami Transactions (Prohibitions) Act, 1988(as amended in 2016) (formerly the Benami Transaction (Prohibition) Act, 1988(45 of 1988) and Rules made thereunder, and therefore the question of our commenting on whether the company has appropriately disclosed the details in its financial statements does not arise.

ii. Inventory:

- a. The physical verification of inventory (excluding stocks with third parties) has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedures of such verification by Management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
- b. The Company has not been sanctioned working capital limits in excess of Rs. 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of Order is not applicable.

iii. Loans given by the Company:

The Company has not made investments in, companies, firms, Limited Liability Partnerships, and granted unsecured loans to other parties, during the year. Further the Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties and hence reporting under clause iii(a) to iii(f) is not applicable.

iv. Loans to directors & Investment by the Company:

In our opinion, and according to the information and explanations given to us, the Company has not granted any loans or provided any guarantees or security in respect to any parties covered under the Section 185 of the Act. The company has not given guarantees or provided security requiring compliance under section 185 or 186 of the Act, hence clause IV of the order is not applicable to the company.

v. Deposits

The Company has not accepted any deposit or amounts which are deemed to be deposit. Hence, reporting under clause 3(v) of the Order is not applicable.

vi. Cost records:

Pursuant to the rules made by the Central Government of India, the Company is not required to maintain cost records as specified under Section 148(1) of the Act in respect of its products.

vii. Statutory Dues:

- a. According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of provident fund, employees' state insurance, income tax, goods and services tax and labour welfare fund, though there was no delay in depositing undisputed statutory dues, including sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities.
- b. According to the information and explanation given to us, there have been no statutory dues on account of disputed dues pending during the period.

viii. Unrecorded income

According to the information and explanations given to us and the records of the Company examined by us, there are no transactions in the books of account that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.

ix. Repayment of Loans:

- a. According to the records of the Company examined by us and the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender during the year.
- b. According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared Willful Defaulter by any bank or financial institution or government or any government authority.
- c. According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has applied term loans for the purpose for which the loans were obtained, hence reporting under clause 3(ix) (C) of the order is not applicable.

- 
- d. According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that the Company has not used funds raised on short-term basis for the long-term purposes.
- e. According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- f. According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies.

x. Utilization of IPO & FPO and Private Placement and Preferential issues:

- a. The Company has not raised any money by way of initial public offer (IPO) and through debt instruments by way of further public offer (FPO) during the year.
- b. The Company has not raised money during the year by way of issuing Preferential Issue of warrants and hence reporting under clause 3(x)(b) of the Order is not applicable.

xi. Reporting of Fraud:

- a. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company, noticed or reported during the year, nor have we been informed of any such case by the Management.
- b. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, no report under Section 143(12) of the Act, in Form ADT-4, as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 has been filed with the Central Government. Accordingly, the reporting under Clause 3(xi)(b) of the Order is not applicable to the Company.
- c. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, the Company has not received whistle-blower complaints during the year, which have been considered by us for any bearing on our audit and reporting.

xii. NIDHI Company:

As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the reporting under Clause 3(xii) of the Order is not applicable to the Company.

xiii. Related Party Transaction:

The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of such related party transactions have been disclosed in the financial statements as required under Accounting Standard (AS) 18 "Related Party Disclosures" specified under Section 133 of the Act.

xiv. Internal Audit

- a) In our opinion and according to the information and explanation given to us, the Company has an internal audit system commensurate with the size and nature of its business.
- b) The reports of the Internal Auditor for the period under audit have been considered by us.

xv. Non-Cash Transaction:

The Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the reporting on compliance with the provisions of Section 192 of the Act under Clause 3(xv) of the Order is not applicable to the Company.

xvi. Register under RBI Act, 1934:

The company is not carrying any activities which require registration under section 45-IA of the Reserve Bank of India Act, 1934 and hence the provisions para 3(xvi) (a) to (d) of the Order referred to in Companies (Auditor's Report) Order, 2020 issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act does not apply to the company.

xvii. Cash Losses

The Company has not incurred any cash losses in the current financial year or in the immediately preceding financial year.

xviii. Auditor's resignation

According to the information and explanation given to us, there has been no resignation of the statutory auditors during this period, hence this clause is not applicable.

xix. Financial Position

According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

xx. Corporate Social Responsibility

The Provision of Section 135 of the Companies Act 2013 in relation to Corporate Social Responsibility are not applicable to the Company during the year and hence reporting under this clause is not applicable.

Annexure B” to the Independent Auditor’s Report of even date on the Financial Statements of Shoora Designs Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Shoora Designs Limited** (“the Company”) as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the Year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and

fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

a. BASIS OF PREPARATION

The financial statements have been prepared in accordance with the applicable Accounting Standards notified under Section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts Rules), 2014 under historical cost convention on accrual basis.

All the assets and liabilities have been classified as current or non-current as per Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of activities, the Company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

b. USE OF ESTIMATES

The preparation of the financial statements is in conformity with Indian GAAP (Generally Accepted Accounting Principles) which requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent liabilities as on the date of the financial statements. The estimates and assumptions made and applied in preparing the financial statements are based upon management's best knowledge of current events and actions as on the date of financial statements. However, due to uncertainties attached to the assumptions and estimates made actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in current and future periods.

c. REVENUE RECOGNITION:

(i) Revenue from sale of goods is recognized when significant risk and rewards of ownership of the goods have been passed to the

buyer and it is reasonable to expect ultimate collection. Sale of goods is recognized net of GST and other taxes as the same is

recovered from customers and passed on to the government.

(ii) Interest is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

(iii) Other items of income and expenses are recognized on accrual basis.

(iv) Income from export entitlement is recognized as on accrual basis.

d. FOREIGN CURRENCY TRANSACTIONS.

Initial recognition

Transactions in foreign currency are accounted for at exchange rates prevailing on the date of the transaction.

Measurement of foreign currency monetary items at Balance Sheet date

Foreign currency monetary items (other than derivative contracts) as at Balance Sheet date are at the year-end rates.

Exchange difference

Exchange differences arising on settlement of monetary items are recognized as income or expense in the period in which they arise. Any expense incurred in respect of Forward contracts entered into for the purpose of hedging is charged to the Statement of Profit and loss.

Forward Exchange Contract

The Premium or discount arising at the inception of the Forward Exchange contracts entered into to hedge an existing asset/liability, is amortized as expense or income over the life of the contract. Exchange Differences on such contracts are recognized in the Statement of Profit and Loss in the reporting period in which the exchange rates change. Any Profit or Loss arising on cancellation or renewal of such a forward contract is recognized as income or expense in the period in which such cancellation or renewal is made.

The Foreign currency exposures that have not been hedged by a derivative instrument.

e. INVESTMENTS

Non-Current/ Long-term Investments are stated at cost. Provision is made for diminution in the value of the investments, if, in the opinion of the management, the same is considered to be other than temporary in nature. On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the Statement of Profit and Loss. Current investments are carried at lower of cost and fair value determined on an individual basis. On disposal of an investment,

f. PROPERTY, PLANT AND EQUIPMENT AND INTANGIBLE ASSETS

(i) Tangible Assets

Property, plant and equipment are stated at historical cost less accumulated depreciation, and accumulated impairment loss, if any. Historical cost comprises of the purchase price including duties and non-refundable taxes, borrowing cost if capitalization criteria are met, directly attributable expenses incurred to bring the asset to the location and condition necessary for it to be capable of being operated in the manner intended by management and initial estimate of decommissioning, restoring and similar liabilities.

Subsequent costs related to an item of property, plant and equipment are recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are recognized in statement of profit and loss during the reporting period when they are incurred.

An item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gains or losses arising from de-recognition are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is de-recognized.

g. DEPRECIATION AND AMORTISATION

Depreciation is calculated using the Written Down Value Method over their estimated useful lives.

h. INVENTORIES:

Items of inventories are measured at lower of cost or net realizable value. Cost of inventories comprises of all cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present location and condition. Cost of raw materials, stores and spares, packing material and fuel are determined on weighted average basis. Cost of WIP is determined on absorption costing method. Valuation of FG is cost or NRV, whichever is less

i. IMPAIRMENT OF ASSETS

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

The Company bases its impairment calculation on detailed budgets and forecast calculations which are prepared separately for each of the Company's cash-generating units to which the individual assets are allocated. These budgets and forecast calculations are generally covering a period of five years. For longer periods, a long term growth rate is calculated and applied to project future cash flows after the fifth year.

Impairment losses of continuing operations are recognized in the statement of profit and loss.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the asset's or cash-generating unit's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit and loss.

j. RETIREMENT BENEFITS

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company recognizes termination benefit as a liability and an expense when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the termination benefits fall due more than 12 months' after the balance sheet date, they are measured at present value of future cash flows using the discount rate determined by reference to market yields at the balance sheet date on government bonds.

k. BORROWING COST

Borrowing costs are interest, commitment charges and other costs incurred by an enterprise in connection with Short Term/ Long Term borrowing of funds. Borrowing cost directly attributable to acquisition or construction of qualifying assets are capitalized as a part of the cost of the assets, upto the date the asset is ready for its intended use. All other borrowing costs are recognized in the Statement of Profit and Loss in the year in which they are incurred.

I. EARNINGS PER SHARE:

The earnings in ascertaining the Company's EPS comprises the net profit after tax attributable to equity shareholders and includes the post tax effect of any extraordinary items. The number of shares used in computing basic EPS is the weighted average number of shares outstanding during the year.

Diluted earnings per share is computed by dividing the profit/(loss) after tax attributable to Equity Shareholders (including the post tax effect of extra ordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to the dilutive potential equity shares, by the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Potential dilutive equity shares are deemed to be converted as at the beginning of the period, unless they have been issued at a later date. Dilutive potential equity shares are determined independently for each period.

m. TAXATION:

Tax expense for the year comprising current tax & deferred tax are considered in determining the net profit for the year. Provision is made for current tax and based on tax liability computed in accordance with relevant tax laws applicable to the Company. Provision is made for deferred tax for all timing difference arising between taxable incomes & accounting income at currently enacted or substantively enacted tax rates, as the case may be. Deferred tax assets (other than in situation of unabsorbed depreciation and carry forward losses) are recognized only if there is reasonable certainty that they will be realized and are reviewed for the appropriateness of their respective carrying values at each Balance Sheet date. Deferred tax assets, in situation of unabsorbed depreciation and carry forward losses under tax laws are recognized only to the extent that where is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be recognized. Deferred Tax Assets and Deferred Tax Liability are being offset wherever the Company has a legally enforceable right to set off current tax assets against current tax liability and where the Deferred Tax Asset and Deferred Tax Liability relate to Income taxes is levied by the same taxation authority.

n. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS:

(i) Provisions

A provisions is recognized when the Company has a present obligation as a result of past event, if it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation.

(ii) Contingent Liability

Contingent Liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

(ii) Contingent Assets

Contingent Assets are neither recognized nor disclosed in the financial statements.

o. SEGMENT REPORTING

In accordance with the Accounting Standard 17 "segment reporting" as prescribed under Companies (Accounting Standard) Rules, 2006 (as amended), as the company is covered under categories of SMC companies, the said accounting standard is not applicable to it.

p. CASH & CASH EQUIVALENTS

Cash & cash equivalents comprise cash and cash on deposit with banks and corporations. The company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amount of cash to be cash equivalents.

q. LEASES

Leases where the Lessor effectively retains substantially all the risks and benefits of ownership of the Leased Asset, are classified as 'Operating Leases'. Lease rentals with respect to assets taken on 'Operating Lease' are charged to Statement of Profit and Loss on a straight line basis over the lease term.

Leases which effectively transfer to the Company substantially all the risks and benefits incidental to the ownership of the leased item are classified as 'Finance Lease'. Assets acquired on Finance Lease which substantially transfer all the risks and rewards of ownership to the Company are capitalized as assets by the Company at the lower of the fair value and the present value of the minimum lease payment and a liability is created for an equivalent amount. Lease rentals payable is apportioned between the liability and finance charge so as to obtain a constant periodic rate of interest on the outstanding liability for each year.

r. Government Grants

Government grants / subsidies received towards specific fixed assets have been deducted from the gross value of the concerned fixed assets and grant / subsidies received during the year towards revenue expenses have been reduced from respective expenses.
