message from...

...the
chairman

Dear shareholders,

The ability to adapt is the key to success in today's time which is marked with uncertainty and volatility. A lot is happening in SRF which will change the size, shape and complexion of its businesses in the years to come. We are expanding our footprint overseas. Within a couple of years, a sizeable portion of our revenue will come from outside India. Also, with majority of the investments going into the Chemicals and the Packaging films, the company's dependence on the Technical Textiles Business will come down gradually, although growth will continue in select areas of technical textiles.

[The major growth initiative is our Chemical Complex, which is coming up at Dahej in Gujarat. Today I am happy to announce that we are close to realising our dream.](#)

Three new units namely the Flexible Multi-Purpose Plant, the Intermediate Speciality Plant and the Multi-Purpose Chemical Plant, are in the process of being commissioned and many more are in the conceptualisation phase. You will appreciate that developing a green field chemical complex of such scale and complexity is a major task. I take this opportunity to thank my colleagues involved in the project for their active engagement, continued commitment and enthusiastic co-operation.

[In many ways, the new chemical complex will set a new direction for SRF.](#) To begin with, this will help us add a variety of fluorochemicals and fluorospecialties in our product basket, which we sincerely believe are the growth drivers for SRF. While the addition of new products will surely change the contours of your company's product offerings, for our scientists, this will also be a big leap forward as they add to their capabilities to develop a wider variety of products on a large scale. More importantly, the success of the new plants will stamp our authority as one of the select global players with a proven R&D capability especially in the area of fluorine chemistry.

[In line with our focus on de-risking our business, we are setting up two green field overseas plants for packaging films.](#)

While our BOPET film plant is coming up in Thailand, our plant in South Africa will mark our maiden entry into BOPP films. This will also help us expand our portfolio geographically for packaging films. Both these plants are scheduled to be commissioned during 2013-14. In addition, the new Coated Fabric plant is getting ramped up and will help the Technical Textiles Business reduce its dependence in Nylon Tyre Cord.

Prospects notwithstanding, the challenges are enormous. The year gone by was certainly one of the most difficult periods for the business in general. The situation, however, does not seem to be any different now. While the global economy continues to be tottering on the brink of yet another slowdown, India is struggling with a variety of economic woes with the burgeoning current account and fiscal deficit, rupee depreciation, rising input costs, double-digit inflation and high interest rates. As expected the growth of the Indian economy declined from 8.4% in 2010-11 to 6.9% during 2011-12. This was primarily due to deceleration in industrial growth, which plunged to a level of 2.8% in 2011-12 on the heels of 8.2% growth recorded during the previous year.

Managing operations in a turbulent environment is certainly a challenging task. Though in absolute terms our net profit after tax declined by 20% on YoY basis, it's a credit to our team that your company managed to post a net profit of Rs 387 crore in 2011-12 even during such difficult times.

[At SRF, we truly believe that the purpose of an organisation is not merely to earn profits but to share prosperity with the community at large.](#) As always, we launched a number of new initiatives in collaboration with other organisations such

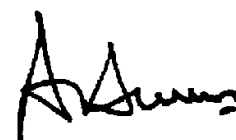

as IBM and Schneider to provide quality education to the underprivileged children of the Mewat region in Haryana. Building on our Natural Resource Management (NRM) programme, we reached out to a large number of families in our effort to enhance the livelihood of the poor people of the dry and arid region around our chemical plant at Bhiwadi in Rajasthan.

In recognition of its contribution towards sustainable development, your organisation received the prestigious *CII ITC Sustainability Award* for the 4th year in a row - SRF received the recognition for *Significant Achievement* in the Independent Category. [Your organisation also received a rare international recognition by figuring in the Forbes Best under a Billion List for its overall performance.](#) SRF was one of the 35 Indian companies to have made it to the list.

We are proud to have a team of dedicated people who are committed to working towards the progress of the company. We remain committed to achieving sustainable growth of your company through total excellence and working towards returning value to our shareholders. We are also committed to provide help to the society so that we continue to earn the respect of all our stakeholders both in good and bad times.

I would like to take this opportunity to thank all the shareholders for reposing trust in the SRF management and our Board of Directors for their constant support and guidance. Together, we will take the company to new heights in future.

With kind regards,

ARUN BHARAT RAM

Less: Provision For Taxation including Deferred Tax Charge	178.48	194.04
Profit After Taxation (PAT)	387.38	483.44
Add: Profit Brought Forward	931.56	627.14
Surplus available for appropriation	1318.94	1110.58

Appropriation

(Rs crore)

	2011-12	2010-11
Interim dividend on Equity Shares	81.23	84.71
Corporate Tax on Dividend	13.18	14.06
Amount transferred to General Reserve	40.00	50.00
Amount transferred to Debenture Redemption Reserve	75.00	30.25
Amount transferred to Special Economic Zone Re-investment Allowance Reserve	5.50	-
Profit carried to Balance Sheet	1104.03	931.56
Total	1318.94	1110.58

Equity Dividend

During the year, your Company has paid two interim dividends each of Rs 7 per share aggregating to Rs 14 per share, amounting to Rs 94.41 crore (inclusive of tax of Rs 13.18 crore). The Board of Directors of the Company has not recommended any final dividend.

Operations Review

Net sales of the Company grew by 17.64 per cent from Rs 2986.06 crore in 2010-11 to Rs 3512.73 crore in 2011-12. Due to combined factors of higher input costs, higher energy costs and adverse demand-supply situation Profit before interest, depreciation and tax (PBITD) including 'other income' decreased from Rs 905.98 crore in 2010-11 to Rs 829.62 crore in 2011-12.

Profit before tax (PBT) decreased by 16.48 per cent from Rs 677.48 crore in 2010-11 to Rs 565.86 crore in 2011-12. After accounting for the provision for taxation of Rs 178.48 crore, which

includes deferred tax charge and provision relating to earlier years, profit after tax (PAT) fell by 19.87 per cent from Rs 483.44 crore in 2010-11 to Rs 387.38 crore in 2011-12.

Directors

Mr Subodh Bhargava and Mr Piyush G Mankad are retiring by rotation at the ensuing Annual General Meeting but do not seek re-appointment due to their personal commitments. The Board of Directors has placed on record its appreciation for the valuable contribution made by Mr Bhargava and Mr Mankad during their tenure as directors of the company.

The Board has subject to approval of the Members in General Meeting, re-appointed Mr K Ravichandra, Director (Safety & Environment) for a further period of three years, whose term of appointment will expire on September 30, 2012.

Mr L Lakshman, Mr Tejpreet Singh Chopra and Mr Vellayan Subbiah were co-opted as Additional Directors during the year. Their term of office as Additional Directors is expiring at the ensuing Annual General Meeting and being eligible offer themselves to be appointed as regular Directors of the Company.

Brief resumes of the Directors offering themselves for re-appointment are furnished in the explanatory statement to the notice of the ensuing Annual General Meeting.

Directors' Responsibility Statement

Pursuant to the requirements of Section 217(2AA) of the Companies Act, 1956, it is hereby confirmed:

- (i) that in the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- (ii) that the Directors have selected such accounting policies and applied them consistently and made judgements and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit or loss of the Company for the period under review;
- (iii) that the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities; and

- (iv) that the Directors have prepared the annual accounts for the year ended 31st March 2012 on a 'going concern' basis.

The Company is controlled by Arun Bharat Ram Group ("Promoter Group") being a group as defined under the erstwhile Monopolies and Restrictive Trade Practices Act, 1969. The Promoter Group consists of various individuals and corporate bodies who are in a position to and who jointly exercise control over the Company.

A list of these individuals and corporate entities is as follows: a) Mr Arun Bharat Ram; b) Mr Ashish Bharat Ram; c) Mr Kartikeya Bharat Ram; d) Mrs Shiela Bharat Ram; e) Mrs Manju Bharat Ram; f) Mrs Vasvi Bharat Ram; g) Mrs Radhika Bharat Ram; h) KAMA Holdings Ltd.; i) KAMA Realty (Delhi) Ltd.; j) Srishti Westend Greens Farms Private Limited; k) Karm Farms Private Limited; l) Karmav Holdings Private Limited; m) Skylark Investments & Trading Private Limited; n) Shri Educare Limited.; and o) Shri Educare Maldives Private Limited.

Buy-back of Shares

The Board of Directors at its meeting held on 26.2.2011 announced buy-back of fully paid up equity shares for an amount not exceeding Rs 90 crore at a maximum price of Rs 380 per share from the open market through stock exchanges. The buyback of equity shares as announced was successfully completed and was closed on 15.2.2012.

Pursuant to the buyback, Company has bought back 30,83,080 fully paid up equity shares of Rs 10 each from open market at an average price of Rs 291.89 per share absorbing an amount of Rs 89.99 crore (approx.)

Listing of Equity Shares

SRF's equity shares are listed at the Bombay Stock Exchange Ltd. and the National Stock Exchange of India Ltd.

Corporate Governance

Certificate of the auditors of your Company regarding compliance of the conditions of corporate governance as stipulated in Clause 49 of the Listing Agreement with the stock exchanges is attached to the report as "Annexure – 1".

In compliance with the requirements of Clause 49(V), a certificate from Managing Director and the President & Chief Financial Officer was placed before the Board.

All Board members and Corporate Leadership Team (CLT) have affirmed compliance with the Code of Conduct for Board and Senior Management Personnel. A declaration to this effect duly signed by the Managing Director is enclosed as a part of the Corporate Governance Report. A copy of the Code is also placed at the website of the Company (www.srf.com)

Consolidated Financial Statement

In accordance with the accounting standard (AS-21), your Directors are pleased to attach the consolidated financial statements, which form part of the Annual Report and Accounts.

Accounts and Audit

The auditors, M/s Deloitte Haskins & Sells retire at the conclusion of the 41st Annual General Meeting and being eligible, offer themselves for re-appointment. The observations of the auditors are explained wherever necessary in appropriate notes to the accounts.

Cost Audit

Pursuant to the various circulars issued by Ministry of Corporate Affairs, the Company is required to maintain cost records for all the products being manufactured by it and get the same audited by a cost auditor.

Mr Harkesh Tara, Cost Accountant, has been appointed to conduct cost audit of the accounts maintained by the Company for the financial year 2012-13 in respect of the products manufactured by Technical Textiles Business and Engineering Plastics Business.

Mr Sanjay Gupta & Associates, Cost Accountant, has been appointed to conduct cost audit of the accounts maintained by the Company for the financial year 2012-13 in respect of the products manufactured by Chemicals Business and Packaging Films Business of the Company.

The Cost Audit report for audit of 'nylon' products for the year 2010-11 conducted by Mr Harkesh Tara, Cost Accountant (M. No. M-17321), has been filed with the Ministry of Corporate Affairs on the due date.

Internal Control System

The Company's internal control system includes audit and verification of compliance with defined policies and procedures by Internal Audit Function. The internal auditors independently evaluate the adequacy of internal controls and audit the sample of the transactions in value terms. Independence of the audit is ensured by the direct reporting of internal audit function to the Audit Committee of the Board.

Date: May 1, 2012
Place: Gurgaon

Fixed Deposits

Your Company discontinued accepting/renewing fixed deposits since 14 August 2004. Deposits accepted from Public which have matured and are unclaimed are being reflected under "Unclaimed fixed deposits (including interest)" in Current Liabilities & Provisions (Schedule 8 to the annual accounts).

Personnel

As required by the provisions of Section 217(2A) of the Companies Act, 1956 read with Companies (Particulars of Employees), Rules, 1975, as amended, the names and other particulars of employees are set out in the "Annexure - 2" to the Directors' Report.

Conservation of Energy, Technology Absorption, Foreign Exchange Earnings & Outgo

The details as required under the Companies (Disclosure of Particulars in Report of Board of Directors) Rules, 1988 are given as "Annexure - 3" to the Directors' report.

Industrial Relations

The Company continued to generally maintain harmonious and cordial relations with its workers in all its businesses.

Acknowledgements

Your Directors acknowledge with gratitude the co-operation and assistance received from various agencies of the Central Government and the Governments of Madhya Pradesh, Rajasthan, Tamil Nadu, Gujarat and Uttarakhand, financial institutions and banks. Your Directors thank the shareholders for their continued support. Your Directors also place on record their appreciation of the contribution made by employees at all levels.

For and on Behalf of the Board
Arun Bharat Ram
Chairman

Annexure 1: Auditors' Certificate on Corporate Governance

To the members of SRF Limited

We have examined the compliance of conditions of Corporate Governance by SRF Limited, for the year ended March 31, 2012, as stipulated in Clause 49 of the Listing Agreement(s) of the said Company with stock exchange(s).

The compliance of conditions of corporate governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above-mentioned Listing Agreement(s).

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Annexure 3: Annexure to Director's Report (Pursuant to Section 217(1)(e) of the Companies Act, 1956)

A. Conservation of Energy – Measures taken:

1. Technical Textiles Business, Gwalior

- Saved 76800 kwh/month by installing 1 No centrifugal compressor of capacity 5400 Nm³/hr in place of 3 No's reciprocating compressors
- Saved 27576 Kwh/month in lighting by replacing energy inefficient T-8 tube lights with T-5 tube light.
- Saved 27000 Kwh/month with installation of energy efficient motors (20 no.) in textile.

2. Technical Textiles Business, Manali

- Saved 20460 Kwh/month by replacing 20 HP aerators in Effluent Treatment Plant by the energy efficient Diffused aeration system.
- Saved 26903 Kwh/month replacing Cryogenic nitrogen plant with Pressure Swing Absorption Nitrogen plant.
- Saved 11160 Kwh/month with the conversion of 80 Nos of 250 Watts lights with 80 Watts CFL in MTP & textiles areas.

3. Technical Textiles Business, Gummidipoondi

- Saved 22000 Kwh/month by lighting load optimization in Textile, Polyester Industrial Yarn, Dipping, Coated Fabric shed and periphery areas.
- Saved 20535 Kwh/month through optimized operation of HT compressor in combination with low capacity Reciprocating and LT air compressors
- Saved 154335 Kwh/month through optimized operation of 250 TR Carrier chillers along with 600 TR Trane chillers

4. Technical Textiles Business, Viralmalai

- Saved 7800 Kwh/month in Air Compressors with the introduction of VFD's and pressure transmitter and running air compressor in closed loop systems.
- Saved 8300 Kwh/month in lighting by Installation of light pipe (use of day lighting - sun light) and optimizing plant lighting during day time
- Saved 6000 Kwh/month in twisting section by Installation of cyclic load energy saver and improving on power factor.

5. Technical Textiles Business, Kashipur

- Saved 18650 Kwh/month by using one No 37 Kw pump instead of 2 pumps, and balancing of Cooling Tower Water flow to calendaring & lamination with the use of Orifice Plate/Throttling of valves.

- Saved 64800 Kwh/month with the use of HSD in place of FO, thereby reducing 92 Kw heating loads.

6. Packaging Films Business, Kashipur

- Saved 4,04,950 Kwh/annum by installing Screw type Refrigeration Compressors
- Saved 1,85,500 Kwh/annum by providing FRP (Fiber reinforced plastic) blades and thermostat in fans drive.
- Saved 1,19,160 Kwh by installing variable frequency drive in Crystallizer blower.
- Saved 53,900 Kwh/annum by monitoring Air Handling Unit blower power
- Saved 45,000 Kwh by replacing Furnace Oil by High Speed Diesel in running the Heaters

7. Packaging Films Business, Indore

- Saved 2,64,990 Kwh/annum by focusing on utility consumption during winter season on Chiller/AHU's/Air Compressors
- Saved 96,360 Kwh/annum by turning off 11KW exhaust blower motor of Film Line-2 TDO Section without compromising on quality.
- Saved 90,520 Kwh/annum by providing insulation at Film Line-2 Crystallizer & Dryer
- Saved 60,225 Kwh/annum by providing Energy Saver Panel in lighting circuit of Film Line-2
- Saved 40,150 Kwh/annum by auto controlling of lighting and exhaust fans and replacement of low energy consumption lamps.
- Saved 30,660 Kwh/annum by replacement/modifications of motors
- Rs 1.12 crores received as incentive (from Apr'11-Mar'12) from MPAKVN for maintaining average power factor at 0.985

8. Chemicals Business, Bhiwadi

- Installation of water emulsification system in HOG of HFC plant,
- Installation of solar water heater for canteen,
- Installation of 14 nos. of Variable Frequency Drives in pumps,
- Replacing 4 nos. of CPP cooling tower blades by FRP.

B. Technology Absorption

Research & Development

SRF's Chemicals R&D is actively engaged in development of many new molecules at its Bhiwadi and Chennai R&D centres. It focuses on customer-tailored innovation and all the processes developed by the research team are scale up & industrially validated. The process developed by the research teams have been successfully translated into commercial facility and its resulting products have been supplied to global agrochemical & Pharmaceutical majors. In the current year two more projects based on in-house innovation have been scaled up and commissioning of the projects is underway at the new chemical complex at Dahej. SRF Chemicals' R&D teams are also actively developing many more compounds for the Pharma and agro industry.

The R&D centre of the TTB is located at Manali, Tamil Nadu. It is equipped with state-of-the-art facilities including pilot plants and testing laboratories and is used for development of new products and new processes in the field of technical textiles. Products from these activities have been used by a leading European manufacturer as well as for in-house consumption. Besides, several research projects are in progress with leading Indian and overseas academic and research institutes.

SRF's Engineering Plastics Application Research Centre is located at Manali, Tamil Nadu. It is equipped with application oriented testing centre, material flow studies facility and Pilot plant for developing new products. The New product developing team is continuously developing new products for automotive and electrical Industry and the same are being used by leading Indian and global companies. This has also helped us in promoting our products in international markets and Launch some new polymers. The major Products developed in this centre meet Indian market conditions, our products bring advantage by making vehicles lighter in terms of weight therefore it results saving in fuel consumption and protects our environment.

Expenditure on R&D	2011-12 (Rs lakhs)	2010-11 (Rs lakhs)
Capital	617.68	767.58

Total	2716.62	2613.37
Total R&D expenditure as per cent of turnover	0.77%	0.88%

C. Foreign Exchange Earnings and Outgo

Particulars	2011-12 (Rs lakhs)	2010-11 (Rs lakhs)
Foreign Exchange earnings	122036.95	79285.59
Foreign Exchange outgo	73939.25	76047.89
Net Foreign Exchange earning	48097.70	3237.70

management discussion & analysis

The year 2011-12 was a year of two halves. While the first half was relatively stable, the second half was impacted by the woes of an unstable global economy. We had to deal with rising input costs, falling demand, foreign currency volatility, soaring inflation and high interest rates. The Indian economy after recording a GDP growth of 8.4 per cent during the previous year saw a decline to a level of 6.9 per cent during 2011-12. SRF, on its part, kept working at improving its internal efficiencies and charting its own growth path amidst the global turmoil.

Highlights of SRF's financial performance

- net sales from operations up by 17.64 per cent from Rs 2986.06 crore in 2010-11 to Rs 3512.73 crore in 2011-12
- profit before depreciation, interest (net) and tax down by 9.20 per cent from Rs 905.98 crore in 2010-11 to Rs 829.62 crore in 2011-12
- profit before tax (PBT) down by 16.48 per cent from Rs 677.48 crore in 2010-11 to Rs. 565.86 crore in 2011-12
- profit after tax (PAT) down by 19.87 per cent from 483.44 crore in 2010-11 to Rs 387.88 crore in 2011-12

- earnings per share down by 17.96 per cent from Rs 79.90 in 2010-11 to Rs 65.55 in 2011-12

The Management Discussion and Analysis of your company's financial condition and results of operations contains forward-looking statements regarding future events and future results that are based on the previous year's performance, current expectations, estimates, forecasts, and projections about the industries in which it operates and the beliefs and assumptions of its management.

Businesses

SRF has a portfolio of established businesses in industrial intermediates. It classifies its main businesses as: Technical Textiles Business (TTB), Chemicals & Polymers Business (CPB) and Packaging Films Business (PFB).

Technical Textiles Business

Reflecting 15.21 per cent year on year growth, from Rs. 1445.29 crore in 2010 - 11 to Rs. 1665.19 crore in 2011-12 Technical Textiles Business (TTB) continues to be SRF's largest business

segment, contributing over 47 per cent to the total sales of the Company.

Tyre Cord Reinforcement

The Nylon Tyre Cord Fabrics (NTCF) business segment has been a foundation business for SRF for several decades. In the year gone by whilst the first half of the year saw robust demand in the transportation sector reflecting the healthy growth of the Indian economy, the second half was relatively subdued. Apart from the sluggishness of the economy affecting the transportation sector in the second half of the year, the demand was also affected by the Supreme Court judgment in relation to the Mining Industry, which saw considerable population of the trucks becoming idle for a significant period. The business was also adversely affected on account of significantly higher commodity prices, particularly for chemicals and energy costs, which it was not in a position to pass on fully to its customers.

SRF invested in Polyester Tyre Cord Fabrics (PTCF) a few years back. This segment which caters to the radial tyre segment of passenger cars and light commercial vehicles, is beginning to find its feet both in the domestic and overseas markets.

It is believed that in times to come the foundation being built now could be used as a launching pad.

In addition, the company has initiated development of new products in the Polyester Industrial Yarn space, which would enable it to improve its profitability and widen its portfolio.

Belting Fabric

SRF has been a dominant player with over 60 per cent of the market share in the Belting Fabric segment in India and has a significant global presence, being the second largest manufacturer in the world. This business segment was also adversely affected in the second half of the year on account of the fall in mining activity in the country and freezing of key infrastructure and power projects.

In the overseas markets, the volumes were adversely affected in the last quarter with the slowing down of the world economy.

The company's South African subsidiary, which posted excellent results in the previous year, had a difficult time during the year due to negative demand in the mining sector. This was largely because the

customer industry had put their investments on hold for fear of nationalisation of mines in South Africa.

To offset the fall in demand in the domestic South African market, your company has made inroads into Latin America, a step which would help it to offset the risk in the longer term.

Coated and Laminated Fabrics

The Laminated Fabrics Business has started generating positive cash flows having commenced production in Q4'2009-10 and has established itself well in the signage market. Towards the end of the financial year, it had reached full capacity utilisation and is now considering the expansion of the plant to build a strong position in the coming year.

The new state-of-the-art Coated Fabric line at Gummidipoondi with a capacity of 170 lakh square meter per annum has commenced production. The products have been well accepted by the market. This facility offers a wide range of products including lacquered tarpaulins, fabrics for tensile structures, awnings, auto-canopies, hangar covers etc. In addition, Poly Urethane (PU) Coated Fabrics have also

been introduced for several applications. SRF which offers the widest range of products in this segment is poised to capture a major market share in India and the coming year would see increased efforts to build this segment significantly.

Industrial Yarn Business (IYB)

With the commissioning of the Polyester Industrial Yarn project a few years ago, SRF is able to offer a basket of Industrial yarns (nylon and polyester) for conveyor belts, transmission belts, hoses, ropes, geo-textile applications, fishing nets, stitching threads etc. SRF continues to enjoy a significant market share in the critical segments of the industry.

Outlook

The NTCF segment of Technical Textiles Business, the largest business of SRF, mainly caters to bias tyres for bus and truck segment. The current radialisation in this segment is 18 per cent only. It is estimated that radialisation would touch a level of around 30 per cent by 2013-14 and 50 per cent by 2017-18. It is projected to stabilise thereafter, as has been observed in other developing economies of the world.

With infrastructure & mining sectors expected to grow substantially in the coming years, tyres for 'Off the Road' (OTR) vehicles, which are already witnessing a high growth, are expected to grow in double digits on a sustainable basis for many years. These tyres consume large amount of NTCF per tyre, thus ensuring a reasonable growth rate.

It is, therefore, expected that in absolute quantity terms, the demand for NTCF would grow marginally over the next five years, though the application portfolio would show a shift from buses & trucks to two-wheelers, OTR tyres and tractor tyres.

The passenger car (PC) tyre radialisation in India has reached a mature level now (over 90 per cent), which predominantly uses Polyester Tyre Cord Fabric (PTCF) as carcass for reinforcement. The car industry is expected to grow substantially in the coming years and, therefore, offers an opportunity to SRF to provide PTCF fabrics for radial tyres.

Currently, SRF is the only company in India to produce PTCF and is well positioned to benefit from the opportunity. Leveraging its relationship with the global majors on account of its Nylon business, SRF has made progress in commercialising its products.

In Belting Fabrics, given the expectation of growth in the domestic mining industry and infrastructure, the outlook is positive in India. This augurs well for SRF, which has over 60 per cent share of this business in the domestic market. In addition, with the demand for commodities continuing to grow at a high rate globally, mining is expected to be on a growth path and this would offer opportunities to SRF.

Coated Fabrics and Laminated Fabrics through the investments made and being planned are expected to grow substantially over the next few years to become the second largest segment in SRF's Technical Textiles Business. With changing lifestyles, urbanisation, and massive investments in infrastructure, it is expected that products such as signages, awnings and hangar covers would see a double digit growth. With the increasing usage of tensile structures with fabrics, as evidenced in stadiums, homes and exhibition centres, the high end products are expected to grow in double digits too.

SRF is one of the first large sector companies to foray into this area in a significant way and it is expected that the Company would be able to establish a leadership position in a short time. With state-of-the-art facility, it would also have the option of considering exports, in addition to servicing the domestic markets.

Chemicals & Polymers Business

The manufacturing operations of SRF's Chemicals Business are located at Bhiwadi, in Rajasthan, about 70 kilometres from New Delhi. The business derives its revenue from the sale of fluorine-based refrigerants,

chloromethanes, fast-growing specialty fluorochemicals and engineering plastics. It also includes receipts from the sale of CERs generated by destruction of the greenhouse gas Hydrofluorocarbon-23 (HFC-23) under the Kyoto Protocol.

During the first half of 2011-12, the Chemicals Business posted record performance with YoY sales growing by 94 per cent and EBITD by 147 per cent. However, during the second half, performance was relatively muted, closing the year with an overall YoY sales growth of 70 per cent and EBITD of 107 per cent. The business faced challenges from a slowdown in the pharmaceutical sector and startup of additional capacities in chloromethanes, which affected margins.

Your Fluorospecialties Business continued to grow in line with strong market demand with sales growth of 48 per cent and EBITD growth of 66 per cent in FY 2011-12. During the year, the business continued to extend its strategic tie-ups with global agro & pharma majors whilst meeting their product specification through technological innovation in the existing product portfolio.

Refrigerants

Refrigerants are primarily used as a cooling medium in the air-conditioning and refrigeration industry. SRF continues to be one of the larger and more credible players in the industry globally. It is the domestic market leader with about 40 per cent share. Exports of the business are spread across 60 countries worldwide, and account for over 60 per cent of the volumes produced.

SRF's portfolio of refrigerants includes hydrochlorofluorocarbon-22 (HCFC-22), the new-generation refrigerant hydrofluorocarbon-134a (HFC-134a), and the refrigerant blend R404a. Your company is proactively addressing the expected phase-out of HCFCs from 2013 onwards under the Montreal Protocol by investing in an HFC-134a/125 plant in Dahej, Gujarat.

The market for refrigerants is estimated to grow at about 10-15 per cent per annum. The outlook for refrigerant market augurs well for SRF which continues to be the

market leader in a fast-growing, challenging and competitive landscape populated by global majors.

Chloromethanes

SRF's main products in the chloromethanes business are methylene chloride and chloroform. While chloroform is internally consumed for manufacturing HCFC-22, methylene chloride is sold primarily in the domestic market.

In 2011-12, the chloromethanes segment made a significant contribution to the business' profitability, despite substantial fresh domestic production capacity. While the additional capacity is expected to substitute imports in the medium to long-term, it has resulted in dropping profitability during the second half of 2011-12, and cast a shadow over 2012-13 as well. A soft pharmaceutical industry (end-user for methylene chloride) was not in a position to pick up the additional quantities, putting pressure on margins. We are happy to share that despite these competitive pressures, the chloromethanes business has successfully remained profitable, and hopes to remain so through 2012-13 as well. Strong relationships with customers, high product quality, efficient production, and short delivery lead times continue to be key differentiators vis-à-vis imports.

Fluorospecialties

Building on its presence in the fluorine chemistry industry for almost two decades, your Company had entered the space of specialty fluorine chemistry in 2003-04. The focus has been to leverage the Company's expertise to produce intermediates and advanced intermediates, which are used to manufacture Active Pharmaceutical Ingredients (APIs) and agrochemicals by its customers. Fluorine-based specialty chemicals are finding increasing usage in the fields of agrochemicals, pharmaceuticals and performance products.

To take on the process development for new molecules at the scale necessary to support the business' growth plans, the strength of R&D and process engineering

have been significantly augmented, in terms of people, infrastructure and management. Today, a number of projects are in various stages of construction. The business is closely engaged with buyers for most of these products.

Engineering Plastics

Engineering Plastics, a group of polymers comprising polyamides (N6 & N66), poly butylenethalate (PBT) and poly carbonates (PC) continues to build its volume and share. Except for the four-wheel segment all other segments showed robust growth. The margins, however, remained under pressure due to a competitive market situation and exchange rate impact.

SRF had started a dedicated product development centre last year which helped it complete some key product development projects and complete its product range. The business continued to enhance its skills in R&D and new product development, thereby reducing the cost of processing and developing high end grades. The Company's development Centre also received recognition by the Department of Scientific and Industrial Research (DSIR) during the year.

Outlook

The Chemicals Business has been on the growth path over the past few years mainly driven by strong commodity upswing and R&D led innovations in specialty products. The commodity business mainly consisting of refrigerants has sustained its domestic market leadership while fluorospecialty business expanded its overseas presence by adding more volumes to existing customer base. Going forward the focus on new generation refrigerants along with a bouquet of specialty products driven by leading edge in-house R&D technology will continue.

During 2012-13, the business is expected to derive value from new products manufactured at its Dahej facility. In addition, the investment in a new R-134a/125 plant in Dahej will come up at the end of 2013-14.

The upcoming plant will be backward integrated with a global size HF plant to meet the production need.

In Fluorospecialties, the business is expected to improve its profitability from commercialisation of a range of speciality products coming out of Dahej. There is a sizable market available for these products and the business is continuing to build on its reputation and credibility with the global agrochemical and pharmaceutical majors. These niche product offerings are expected to establish the Fluorospecialty business as a key value driver for the future growth of the Chemicals Business.

Packaging Films Business

In financial year 2011-12, the market demand-supply was far worse than what the industry had forecast in the beginning of the year. The shrinking of domestic market by around 30 per cent due to a ban on plastic laminates in Gutka packaging, coupled with start-up of many new capacities, both in India and abroad, resulted in an oversupply situation. This led to crashing of prices resulting in significant erosion in margins and business profitability. Overall, the business EBIT fell from Rs 347.60 crore in 2010-11 to Rs 16 crore.

To hedge against this volatility we increased our exports sales by around 18 per cent and ventured into value-added product variants. We also won the prestigious EPCES Export Award for Best non SSI SEZ unit for Plastic Products for the 5th consecutive year. Operationally, all the plants operated well, with the Indore plant setting global benchmarks both in production and line speed whilst Kashipur enhanced its capability as a swing plant. On the growth front, work on the two international projects at Thailand and South Africa started. Both the units are scheduled to be commissioned during 2013-14.

Outlook

We expect the global demand for polyester films to continue growing at around 6 per cent. However, this will not be sufficient to make up for the disproportionate capacity additions in China and India which have created an oversupply situation. We expect this situation to continue in 2012-13 leading to continued pressure on margins. Low margins would discourage new investments, which should balance the demand supply situation from 2013-2014.

We believe that in the coming year, companies with low cost and global reach will have advantage over the competition. Thus, SRF's strategy for the year will be to focus on increasing exports, enhance product offerings to include value added products and to work towards timely and cost effective global expansions. Although we witness cyclicity in this business, we believe that the long term prospects are encouraging.

Research & Development

SRF's Chemicals R&D is actively engaged in development of many new molecules at its Bhiwadi and Chennai R&D centres. This has been the lifeline for the growth of the Chemicals Business.

SRF filed 8 new process patents as intellectual property of the company during 2011-12 taking the total number of patents to 20 so far. In a major development, the company commenced commercial production of organic compounds on electrochemistry platform. The pilot plant at Bhiwadi was used to generate data to scale up laboratory process to the commercial level of 9 different products. The pilot plant is also producing adequate quantities for trial batches at our customers' end. Based on processes developed in-house, three commercial plants will be operational at the company's new site at Dahej in Gujarat by the first quarter of 2012-13. The Projects-R&D team also organised the first International Indian Symposium on Fluorine Chemistry in New Delhi which was attended by scientists and engineers from 13 different countries.

The R&D centre of TTB is located at Manali, Tamil Nadu. It is equipped with state-of-the-art facilities including pilot plants and testing laboratories and is used for development of new products and new processes in the field of technical textiles. Products from these activities have been used by a leading European manufacturer as well as for in-house consumption. Besides, several research projects are in progress with leading Indian and overseas academic and research institutes.

EP business had enhanced its R&D capabilities during 2010-11 by building a dedicated product development centre in Chennai. This helped the company develop a large number of new products. Many of such new products developed in-house got commercialised and are being used in critical applications in the automotive and electrical segment. Many more products are in trial stage with customers.

Total Quality Management

Over the years the SRF's Management Way has diligently worked towards internalising fact-based problem solving methods to remove wastes, reduce lead time, improve operational efficiencies and enhance customer satisfaction.

Our improvement journey has not been limited to manufacturing operations alone. In the last year, the company launched a new

programme for offices titled “TOPS- Transforming Offices through Problem Solving”, aimed at improving process efficiencies in transactional processes, better visual management and improved customer experience. Nearly 100 per cent people across levels participated in these and other improvement initiatives.

Our employee teams at the grassroots levels participated in national level conventions and won a total of 67 accolades last year. The SRF problem solving programme continues to be very successful, with over 600 certified people, and projects that delivered bottom-line savings in a year when businesses faced significant cost pressures.

Our ability to synthesize new products is being bolstered by strengthening product development with higher order analytical abilities. Together with improvements in scaling up and project management, the company is poised to start up new plants in domestic and international locations that meet customers’ exact requirements of quality at competitive costs.

Information Technology

We believe in sweating our technology investments. However this year a lot of these technologies were reaching obsolescence and thus warranted a re-assessment considering the newer technologies available. In this regard we replaced 30 servers in our data centre with 3 high end servers deploying the latest server and storage virtualisation technology; thus laying the foundation for our growth giving us high scalability.

We upgraded our intranet employee solution SPARSH to the latest platform and utilised the new features to simplify usage and IT-enable more support processes. Our Business Intelligence solution based on Qlikview technology was also upgraded to the latest version and published it on a common web interface.

Our communication applications like email and unified communications are also being upgraded to the latest version. A detailed exercise was undertaken along with reputed consultants to finalise the infrastructure applications architecture and roadmap for the next 5 years. The new solutions are being implemented in the first quarter of 2012-13. This will lead to a much higher level of

productivity while bringing employees closer through internal social media integration.

Through the reimplementation of the upgraded Oracle in Version R12, we will not only integrate our global group companies to provide us with consolidated financials from the system, but also add new modules of Oracle for our domestic businesses to further improve our operational efficiencies.

Human Resources

The year 2011-12 witnessed SRF’s Human Resources function contributing in a significant manner as a true strategic partner to the organisation. Some of the important initiatives that were undertaken during the year included revamping of the Performance Management System, overhauling of the entire People Development System and creating a mechanism for providing better growth opportunities to the employees. These projects are currently under implementation.

During the year, we took initial steps towards the institutionalisation of organisational values by conducting enrolment workshops for leadership teams across the organisation. The next steps include reaching out to every individual in the organisation to ensure consistent employee experience in the times to come.

HR systems and policies were devised for SRF’s upcoming operations at Thailand and South Africa in the Packaging Films Business. Added support is being continuously provided to the existing international locations of SRF.

Work continued on other initiatives of strategic importance, including IT enablement of HR processes for the non-management staff and identification of successors for the critical roles. The attrition figures for Officers in the last year stood at 15 per cent, which was in line with the industry average.

Community Partnerships

SRF remains committed to conduct its business in a responsible manner. The company through its social wing, the SRF Foundation, undertook several new community development initiatives during the year to make a positive difference in the lives of people living in its community. Continuing with its unique public private partnership model, the Foundation partnered with other corporates, government bodies, NGOs, employee volunteers and the community at large to successfully implement its projects and create impact in the fields of education, health, natural resource management and affirmative action.

The Foundation continues to carry on the legacy of providing quality education to both privileged and underprivileged children. The Foundation has adopted 40 government schools in the Nuh Block of Mewat District of Haryana, close to National Capital Region of Delhi. The Foundation also manages three pioneering educational institutions namely the Lady Shri Ram College (LSR) for Women

in Delhi, The Shri Ram Schools (two in Gurgaon and one in Delhi) and SRF Vidyalaya in Chennai. Some of the key community development initiatives undertaken by SRF are;

Education

In November 2011, SRF launched an 11-month free of cost residential learning programme called *Udaan* to help out-of-school girls aged 11 to 14 complete primary level schooling. In another initiative called *Project Shiksha* the Chemicals Business adopted 4 government primary schools in Bhiwadi, supporting 660 students. The 4 schools recently underwent a *BALA* (Building as Learning Aid) makeover, in which the schools' physical environment was adopted as a learning aid.

The IBM *Kidsmart* programme launched in 18 *Mewat Rural Education Programme* (MREP) schools serves the educational needs of 400 students aged 3 to 8. Additionally, 7 IBM *Kidsmart* Centres were set up in primary schools in Bhiwadi in December 2011.

SRF Foundation signed an MoU with Schneider Electric India for a partnership in electrical and mechanical trades to impart training to young men aged 18 to 30 from all the 19 villages, to improve their chances of getting better jobs.

Natural Resources Management (NRM)

In its 6th year of implementation the NRM Project has so far benefitted 4212 families in 34 project villages. In 2011-2012, under the NRM project 25 earthen check dams (Paals) were constructed for groundwater harvestation, 205 Ha of waste land was levelled and put for agricultural use and 38,700 fruit and fodder trees were planted, with 70 to 80 per cent survival rate. The project benefitted 471 new families during the year.

Health

Various health camps ranging from medical awareness, diabetes camp, eye check-up, blood donation, etc, were conducted in several production sites such as Dahej, Gummidipoondi, Manali, Viralimalai, Indore and other plant locations. HIV/AIDS Awareness events and HIV Testing were also held in all production sites.

Affirmative Action

Being one of the signatories of CII's Code of Conduct on Affirmative Actions, SRF presented scholarships to SC/ST students in two of its production sites – Manali and Bhiwadi. Vocational training was also conducted to help the disadvantaged gain employment. Tailoring classes were held in SRF's plants at Gwalior and Gummidipoondi, helping women gain employment. To promote entrepreneurship, SRF gave photocopying service contract to members from the SC/ST community.

Internal Control Systems and Adequacy

The Company believes that Internal Control is a necessary concomitant of the principle of Governance. It remains committed to ensuring an effective Internal Control environment that provides assurance to the Board of Directors and the management that there is a structured system for:

- business planning and achievement of goals
- evaluating & managing risks
- ensuring reliability of financial and operational reporting
- ensuring legal and regulatory compliance
- protecting company's assets
- prevention and detection of fraud and error
- Validation of IT Security

Interrelated control systems, covering all financial and operating functions, assure fulfillment of these objectives. Significant features of these control systems include:

- *the planning system* that ensures drawing up of challenging goals and formulation of detailed strategies and action plans for achieving these goals
- *the risk assessment system* that accounts for all likely threats to the achievement of the plans, and draws up contingency plans to mitigate them.
- *the review systems* track the progress of the plan and ensure that timely remedial measures are taken, to minimise deviations from the plan.

The Company uses Enterprise Resource Planning (ERP) supported by in-built controls that ensures reliable and timely financial reporting. Well-established & robust internal audit processes, both at the Corporate and the Business Levels, continuously monitor the adequacy and effectiveness of the Internal Controls and status of compliance with

operating systems, internal policies and regulatory requirements. All Internal Audit findings and financial and audit control systems are periodically reviewed by the Audit Committee of the Board of Directors which provides strategic guidance on Internal Controls.

The Company also has a robust & comprehensive framework of Control Self Assessment (CSA) which continuously verifies compliance with laid down policies & procedures and help plug control gaps.

Risk Management

The objective of SRF's risk management framework is to identify emerging challenges that may adversely affect the Company, and manage risks in order to provide reasonable assurance for achieving the company's objectives. The Board of Directors is apprised of the developments in risk management in the Company on a periodic basis.

Strategic Risks

Strategic plans for the Company's businesses take into account likely risks in the industrial environment from competition, changing customer needs, obsolescence and technological changes. Annual plans that are drawn up consider the risks that are likely to impact the Company's objectives in that year, and the counter-measures put in place. All major new project proposals include a view on risks and counter-measures, at the time of evaluation. Appropriate structures have been put in place to proactively monitor and manage risks.

Operational Risks

SRF has a combination of well documented Centrally issued policies & divisionally evolved procedures to manage operational risks. The Company has a well-defined delegation of power and relies on a TQM system of control points, comprehensive budgetary controls and review systems to monitor its operations. In addition, internal audits verify compliance to defined policies and procedures.

Financial Risks

With a diverse business portfolio, SRF is exposed to numerous financial risks. These

primarily emanate from foreign currency exchange risk from exports of its products, imports of raw material and capital goods and servicing of foreign currency debt. The management of opportunities and risks at SRF is an integral part of the corporate governance system, not the task of one particular organisational unit. Key elements of the risk management system are the planning, budgeting, review and reporting and control processes.

SRF follows a conservative foreign exchange risk management policy to minimise or eliminate the risks associated with operating activities. The products used are mainly over-the-counter instruments at market quoted pricing, particularly forward exchange contracts, foreign currency options and interest-rate swaps, which are concluded with banks of repute.

The Company has laid down detailed policy guidelines to deal with all aspects of financial risks viz. liquidity risks, credit risks and market risks.

Information Technology Risks

The company has setup adequate redundancy at the hardware and software levels in the mission critical information systems like the ERP to keep business going in the event of any disruption. As an additional precaution, regular backup of data is taken to prevent any data loss in these critical applications.

Cautionary Statement

Statements in this document relating to future status, events, or circumstances, including but not limited to statements about plans and objectives, are forward-looking statements based on estimates and the anticipated effects of future events on current and developing circumstances. Such statements are subject to numerous risks and uncertainties and are not necessarily predictive of future results. Actual results may differ materially from those anticipated in the forward-looking statements. SRF cannot be held responsible in any way for such statements and undertakes no obligation to publicly update these forward-looking statements to reflect subsequent events or circumstances.

corporate governance report

Philosophy of the Company on Corporate Governance

For SRF Limited (SRF), good corporate governance means adoption of best practices to ensure that the Company operates not only within the regulatory framework, but is also guided by broader business ethics. The adoption of such corporate practices — based on transparency and proper disclosures — ensures accountability of the persons in charge of the Company and brings benefits to investors, customers, creditors, employees and the society at large.

Board of Directors

Composition of the Board

As on 31 March 2012, SRF's Board consisted of 11 Directors, of which four are executives of the Company (including the Chairman, who is an Executive Chairman) and seven are independent. Table 1 gives the details of the Board during the year 2011-12.

Table 1: Composition of the Board of Directors of SRF

Name of Director	Category of Director	No. of other Directorships*	No. of Board-Level Committees where Chairperson or Member	
			Chairperson	Member
Mr Arun Bharat Ram	Executive Chairman, Promoter	6	-	4
Mr Ashish Bharat Ram	Executive, Promoter	5	1	1

Mr Piyush G Mankad	Independent	10	2	8
Mr Tejpreet S Chopra**	Independent	-	-	-
Mr L Lakshman**	Independent	12	4	6
Mr Satish K Kaura	Independent	Resigned w.e.f 05.09.2011		

Mr Arun Bharat Ram is the father of Mr Ashish Bharat Ram and Mr Kartikeya Bharat Ram.

* Directorship in Foreign companies, Indian private limited companies and companies under Section 25 of the Companies Act, 1956 are not included.

** Mr Tejpreet S Chopra and Mr L Lakshman appointed as Additional Director w.e.f 21.09.2011 and 11.11.2011 respectively

Independent Directors on the Board are Non-Executive Directors who:

- Apart from receiving Director's remuneration, do not have any material pecuniary relationships or transactions with the Company, its promoters, its Directors, its senior management or its holding company or its subsidiaries and associates which may affect the independence of the Director
- Are not related to promoters or persons occupying management positions at the Board level or at one level below the Board
- Have not been an executive of the Company in the immediately preceding three financial years
- Are not partner or executive or were not partner or an executive during the preceding three years of any of the following:-

◊ Statutory audit firm or the internal audit firm that is associated with the Company

◊ Legal firm(s) and consulting firm(s) that have a material association with the Company

- Are not material supplier, service provider or customer or lessor or lessee of the Company, which may affect independence of the Director
- Are not a substantial shareholder of the Company i.e. do not own two percent or more of the block of voting shares
- Are not less than 21 years of age.

As mandated by Clause 49 of the Listing Agreement, none of the Directors is a member of more than ten Board level committees nor are they Chairman of more than five committees in which they are members.

Number of Board Meetings

During 2011-12, the Board of Directors met five times on 9 May 2011, 28 July 2011, 21 September 2011, 11 November 2011 and 13 February 2012. The gap between any two Board Meetings did not exceed four months. Table 2 gives the details.

Information Supplied to the Board

The Board has complete access to all information with the Company. Inter-alia, the following information is regularly provided to the Board as a part of the agenda papers well in advance of the Board meetings or is tabled in the course of the Board meeting:

- Annual operating plans and budgets and any update thereof
- Capital budgets and any updates thereof
- Quarterly results for the Company and operating divisions and business segments
- Minutes of the meetings of the audit committee and other committees of the Board
- Information on recruitment and remuneration of senior officers just below the level of Board, including the appointment or removal of Chief Financial Officer and Company Secretary
- Materially important show cause, demand, prosecution notices and penalty notices
- Fatal or serious accidents, dangerous occurrences, any material effluent or pollution problems
- Any material default in financial obligations to and by the Company, or substantial non-payment for goods sold by the Company
- Any issue, which involves possible public or product liability claims of substantial nature, including any judgement or order, which may have passed strictures on the conduct of the Company or taken an adverse view regarding another enterprise that can have negative implications on the Company
- Details of any joint venture or collaboration agreement
- Transactions that involve substantial payment towards goodwill, brand equity or intellectual property
- Significant labour problems and their proposed solutions. Any significant development in human resources/ industrial relations front like signing of wage agreement, implementation of voluntary retirement scheme, etc
- Sale of material nature of investments, subsidiaries, assets, which is not in the normal course of business
- Quarterly details of foreign exchange exposures and the steps taken by management to limit the risks of adverse exchange rate movement, if material
- Non-compliance of any regulatory, statutory nature or listing requirements and shareholders service such as non-payment of dividend, delay in share transfer, etc

The Board periodically reviews compliance reports of all laws applicable to the Company, prepared by the Company as well as steps taken by the Company to rectify instances of non-compliances.

In addition to the above, pursuant to the revised Clause 49, the minutes of the Board meetings of your Company's unlisted subsidiary companies except the foreign subsidiaries and a statement of all significant transactions and arrangements entered into by the unlisted subsidiary companies are also placed before the Board.

Code of Conduct

The Company's Board has laid down a Code of Conduct for all Board members and senior management of the Company. The Code of Conduct is available on the website of the Company, www.srf.com. All Board members and designated senior management personnel have affirmed compliance with the Code of Conduct. A declaration signed by the Managing Director to this effect is enclosed at the end of this report.

Risk Management

The Company has laid down procedures to inform the Board members about the risk assessment and minimisation procedures.

These procedures are being periodically reviewed to ensure that management controls risk through means of a properly defined framework.

Committees of the Board

A) Audit Committee

As on 31 March 2012, the Audit Committee of SRF comprises 4 Directors all of whom are independent. The constitution of the Committee meets the requirements of Section 292A of the Companies Act, 1956, as well as Clause 49 of the Listing Agreement.

During 2011-12, the Audit Committee of SRF met five times 9 May 2011, 28 July 2011, 21 September 2011, 11 November 2011 and 13 February 2012. Table 6 gives the attendance record of Directors who are members of the Audit Committee.

Table 6: Attendance Record of Audit Committee Meetings during 2011-12

Name of Director	Category	Number of Meetings Held Under Tenure	Number of Meetings Attended
Mr M V Subbiah	Independent	5	5
Mr Vinayak Chatterjee	Independent	5	3
Mr S P Agarwala*	Independent	4	4
Mr Subodh Bhargava	Independent	5	5
Mr Piyush G Mankad	Independent	5	3

*Mr S P Agarwala ceased to be member of Audit Committee w.e.f 13.02.2012

All the members of the Audit Committee are financially literate while Mr M V Subbiah, Chairman of the Audit committee, a known industrialist, is an accounting and financial management expert. Mr Anoop K Joshi, Company Secretary, is the Secretary to the Committee.

The terms of reference of the Audit Committee are as per the guidelines set out in the Listing Agreement with the Stock Exchanges read with Section 292A of the Companies Act, 1956. These broadly include approval of annual internal audit plan, review of financial reporting systems, ensuring compliance with regulatory guidelines, discussions on quarterly, half yearly and annual financial results, interaction with statutory, internal and cost auditors, recommendation for appointment and remuneration of statutory auditors and cost auditors.

In addition, the Committee also reviews:

- Management's discussion and analysis of Company's operations,
- Periodical internal audit reports
- Letters of statutory auditors to management on internal control weakness, if any
- Statement of significant related party transactions
- Financial statements, in particular, investments made by the subsidiary companies,
- Risk framework.

B) Remuneration Committee

As on 31 March 2012, SRF's Remuneration Committee comprised three Directors all of whom are independent.

During 2011-12, the Remuneration Committee met on 13 February 2012. Table 7 gives the attendance record of Directors who are members of the Remuneration Committee.

Table 7: Attendance Record of Remuneration Committee Meetings during 2011-12

Name of Director	Category	Number of Meetings Held	Number of Meetings Attended
Mr Vinayak Chatterjee* (Chairman)	Independent	1	1
Mr S P Agarwala	Independent	1	-
Mr Tejpreet S Chopra**	Independent	1	1

*Mr Vinayak Chatterjee designated as Chairman of Remuneration Committee w.e.f 11.11.2011 as Mr Satish K Kaura (Chairman of Remuneration Committee) ceased to be Director by resignation w.e.f 05.09.2011.

**Mr Tejpreet Singh Chopra inducted as member of Remuneration Committee w.e.f 11.11.2011.

The terms of reference of Remuneration Committee are to approve/recommend to the Board the amount of salary, perquisites and commission to be paid to the Directors (within the overall ceiling fixed by the shareholders).

C) Shareholders'/Investors' Grievance Committee

As on 31 March 2012, SRF's Shareholders'/Investors' Grievance Committee comprised five Directors—three executive Directors and two non-executive Directors. The Chairman of the Committee is Mr S P Agarwala, an independent Director.

Mr Anoop K Joshi, Company Secretary, is the Compliance Officer. To expedite the process of transfer, Mr Anoop K. Joshi, Company Secretary has been authorised by the Board to consider and approve the registration of transfer and transmission of shares/debentures upto a limit of 1,000 shares/debentures in any one case.

As on 31 March 2012, no investor complaint was pending with the Registrar and Share Transfer Agent. Table 8 gives data on the shareholder/investor complaints received, and redressed, during the year 2011-12.

Table 8: Shareholder and Investor Complaints Received and Redressed During 2011-12

Total Complaints Received	Total Complaints Redressed	Pending as on 31 March 2012

Management

Management Discussion and Analysis

This is given as a separate chapter in this Annual Report.

Disclosure Requirements

- Disclosures on materially significant related party transactions are given at note no. 34 in the Notes to the Accounts
- The Company has followed the Accounting Standards notified under Rule 3 of the Companies (Accounting Standards) Rules, 2006 in preparation of its financial statements
- The Company has complied with the regulations issued by SEBI and terms and conditions of Listing Agreement with the Stock Exchanges
- In compliance with the SEBI regulations on prevention of insider trading, the Company has laid down a comprehensive Code of Conduct for its management and staff. The code lays down guidelines, which advises them on procedures to be followed and disclosures to be made, while dealing with the shares of the Company, and cautioning them of the consequences of violations

CEO/CFO Certification

The Certificate in compliance with Clause 49(V) of the Listing Agreement was placed before the Board of Directors.

Shareholders

Reappointment/Appointment of Directors

Mr Tejpreet Singh Chopra, Mr L Lakshman and Mr Vellayan Subbiah will be appointed as Regular Directors at the ensuing Annual General Meeting.

Mr K Ravichandra will be re-appointed as Whole Time Director (Safety & Environment) for a period of 3 years w.e.f. 1st October 2012 at ensuing Annual General Meeting.

Brief resume of these Directors are given in the Notice of the 41st Annual General Meeting.

Means of Communication with Shareholders

Quarterly and annual results of SRF are published in two major national dailies, generally Business Standard (in English) and Jansatta (in Hindi). In addition, these results are posted on the website of the Company, www.srf.com. The website also contains other information regarding SRF available in the public domain.

SRF communicates with its institutional shareholders through analysts briefing and individual discussions between the fund managers and the management team. The presentation, if any, made to analysts and funds managers is posted on the Company's website.

Last three Annual General Body Meetings

The details of the last three AGMs are given in Table 9.

Registrar and Share Transfer Agents

M/s Karvy Computershare Private Limited, Hyderabad are the Registrar and Share Transfer Agent of the Company for handling both electronic and physical shares.

Share Transfer System in Physical Mode

Share certificates sent for transfer are received at the Registered Office/Corporate Office of the Company or the office of Karvy Computershare Private Limited. All valid transfer requests are processed. To expedite the process of share transfer, Mr Anoop K Joshi, Company Secretary has been authorised to consider and approve the registration of transfer and transmission of shares/debentures upto a limit of 1,000 shares/debentures in any one case. For the cases for shares above 1,000, the Shareholders'/ Investors' Grievance Committee meets to approve valid transfer requests. After transfer, the physical shares are sent to the shareholders.

The total number of shares transferred in physical form during the period from 1 April 2011 to 31 March 2012 was 15750.

Depository System

Shareholders can trade in the Company's shares only in electronic form. The process for getting the shares de-materialised is as follows:

- Shareholder submits the shares certificate along with De-materialisation Request Form (DRF) to Depository Participant (DP)
- DP processes the DRF and generates a unique De-materialisation Request No
- DP forwards the DRF and share certificates to the Registrar and Share Transfer Agent (RTA)
- RTA after processing the DRF confirms or rejects the request to Depositories

- If confirmed by the RTA, depositories give the credit to shareholder in his /her account maintained with DP

This process takes approximately 10-15 days from the date of receipt of DRF.

As the trading in the shares of the Company can be done only in the electronic form, it is advisable that the shareholders who have the shares in physical form get their shares dematerialised.

Dematerialisation of Shares as on 31 March 2012

There were 40,247 shareholders holding 55377430 shares in electronic form. This constitutes 96.44 per cent of the total paid-up share capital of the Company.

Distribution of Shareholding as on 31 March 2012[@]

Table 11 gives the distribution of shares according to shareholding class, while Table 12 gives the distribution of shareholding by ownership.

Auditors' Report

TO THE MEMBERS OF SRF LIMITED

1. We have audited the attached Balance Sheet of **SRF LIMITED** ("the Company") as at March 31, 2012, the Statement of Profit and Loss and the Cash Flow Statement of the Company for the year ended on that date, both annexed thereto. These financial statements are the responsibility of the Company's Management. Our responsibility is to express an opinion on these financial statements based on our audit.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and the disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by the Management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. As required by the Companies (Auditor's Report) Order, 2003 (CARO) issued by the Central Government in terms of Section 227(4A) of the Companies Act, 1956, we enclose in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the said Order.
4. Further to our comments in the Annexure referred to in paragraph 3 above, we report as follows:
 - (a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) the Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this report are in agreement with the books of account;
 - (d) in our opinion, the Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this report are in compliance with the Accounting Standards referred to in Section 211(3C) of the Companies Act, 1956;
 - (e) in our opinion and to the best of our information and according to the explanations given to us, the said accounts give the information required by the Companies Act, 1956 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
 - (i) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2012;
 - (ii) in the case of the Statement of Profit and Loss, of the profit of the Company for the year ended on that date; and
 - (iii) in the case of the Cash Flow Statement, of the cash flows of the Company for the year ended on that date.
5. On the basis of the written representations received from the Directors as on March 31, 2012 taken on record by the Board of Directors, none of the Directors is disqualified as on March 31, 2012 from being appointed as a director in terms of Section 274(1)(g) of the Companies Act, 1956.

Annexure to the Auditors' Report

(Referred to in paragraph 3 of our report of even date)

Having regard to the nature of the Company's business / activities / result, paragraphs 4 (x) and (xiii) of Companies (Auditor's Report) Order, 2003 (hereinafter referred to as the Order) are not applicable.

- (i) In respect of its fixed assets:
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of the fixed assets.
 - (b) The fixed assets were physically verified during the year by the Management in accordance with a regular programme of verification which, in our opinion, provides for physical verification of all the fixed assets at reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) The fixed assets disposed off during the year, in our opinion, do not constitute a substantial part of the fixed assets of the Company and such disposal has, in our opinion, not affected the going concern status of the Company.
- (ii) In respect of its inventory:
 - (a) As explained to us, the inventories were physically verified during the year by the Management at reasonable intervals.
 - (b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the Management were reasonable and adequate in relation to the size of the Company and the nature of its business.
 - (c) In our opinion and according to the information and explanations given to us, the Company has maintained proper records of its inventories and no material discrepancies were noticed on physical verification.
- (iii) In respect of loans, secured or unsecured, granted by the Company to companies, firms or other parties covered in the Register under Section 301 of the Companies Act, 1956, according to the information and explanations given to us:
 - (a) The Company has granted an unsecured loan amounting to USD 1.50 million (Rs 693.90 lakhs) to a wholly owned subsidiary during the year. At the year end, the outstanding balance of loan is USD 1.50 million (Rs 763.05 lakhs) and the maximum amount involved during the year is USD 1.50 million (Rs 796.50 lakhs).
 - (b) The rate of interest and other terms and conditions of such loan are, in our opinion, prima-facie, not prejudicial to the interests of the Company.
 - (c) The receipts of principal amounts and interest have been regular/ as per stipulations.
 - (d) There are no overdue amount in respect of loan granted as referred to in paragraph (iii)(a) above and interest thereon.

According to the information and explanations given to us, the Company has not taken any loans, secured or unsecured, from companies, firms or other parties listed in the Register maintained under Section 301 of the Companies Act, 1956.
- (iv) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business with regard to purchases of inventory and fixed assets and the sale of goods and services. During the course of our audit, we have not observed any major weakness in such internal control system.
- (v) According to the information and explanations given to us and having regard to the view taken by the Company that the transactions, which are subjected to the provisions of sub-section (6) of section 299 of the Companies Act, 1956 ("the Act"), are not required to be entered in the register maintained in pursuance of section 301 of the Act, there were no transactions during the year that were required to be entered in this register. Notwithstanding the Company's view regarding the provisions of sub-section (6) of section 299 of the Act in respect of certain transactions, exceeding the value of Rs 5 lakhs entered into during the year with parties listed under the provisions of sub-section (3) of section 301 of the Act, these have been made at prices which are reasonable having regard to prevailing market prices at the relevant time.

- (vi) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 58A and 58AA or any other relevant provisions of the Companies Act, 1956 and the Companies (Acceptance of Deposits) Rules, 1975 with regard to the deposits accepted from the public which have matured and are being reflected under "Unclaimed fixed deposits (including interest)". According to the information and explanations given to us, no order has been passed by the Company Law Board or the National Company Law Tribunal or the Reserve Bank of India or any Court or any other Tribunal on the Company.
- (vii) In our opinion, the internal audit functions carried out during the year by the Company and firms of Chartered Accountants appointed by the Management has been commensurate with the size of the Company and the nature of its business.
- (viii) We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Accounting Records) Rules, 2011 prescribed by the Central Government under clause (d) of sub-section (1) of Section 209 of the Companies Act, 1956 and are of the opinion that prima facie the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (ix) According to the information and explanations given to us in respect of statutory dues:
- (a) The Company has generally been regular in depositing undisputed dues, including Provident Fund, Investor Education and Protection Fund, Employees' State Insurance, Income-tax, Sales Tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty, Works Contract Tax, Cess and other material statutory dues applicable to it with the appropriate authorities. We are informed that there are no undisputed statutory dues that are outstanding at the year-end for a period of more than six months from the date they became payable.
- (b) The details of dues of Income-tax, Wealth Tax, Sales Tax, Service Tax, Excise Duty, Customs Duty and Cess which have not been deposited as on March 31, 2012 on account of disputes are given below:

Name of the statute	Nature of the dues	Forum where dispute is pending	Period to which the amount relates (various years covering the period)	Amount* (Rs lakhs)
Central Excise Laws	Excise Duty	High Court	1996–1997	213.79
		Customs, Excise & Service Tax Appellate Tribunal (CESTAT)	1983–2008	6045.86
		Upto Commissioner (Appeals)	1992–2008	278.57
Service Tax Laws	Service Tax	High Court	2006	2.50
		Customs, Excise & Service Tax Appellate Tribunal (CESTAT)	2005–2010	67.26
		Upto Commissioner (Appeals)	2005–2011	233.87
Customs Laws	Customs Duty	Customs, Excise & Service Tax Appellate Tribunal (CESTAT)	2004–2006	45.43
		Upto Commissioner (Appeals)	1998–2005	29.23
Sales Tax Laws	Sales Tax	High Court	2007–2009	1131.70
		Sales Tax Appellate Tribunal	1987–2008	102.28
		Upto Commissioner (Appeals)	1988–2010	37.74
Others	Electricity Cess	High Court	2007–2008	6.00

* amount as per demand orders including interest and penalty wherever quantified in the Order.

The following matters, which have been excluded from the above table, have been decided in favour of the Company but the department has preferred appeals at higher levels. The details are given below:

Name of the statute	Nature of the dues	Forum where dispute is pending	Period to which the amount relates (various years covering the period)	Amount (Rs lakhs)
Central Excise Laws	Excise Duty	Supreme Court	1994–2001	162.55
		High Court	1994–1999	131.35
		Customs, Excise & Service Tax Appellate Tribunal (CESTAT)	1989–1995	223.61
Service Tax Laws	Service Tax	Customs, Excise & Service Tax Appellate Tribunal (CESTAT)	2005	7.05
Sales Tax Laws	Sales Tax	Rajasthan Tax Board	2001–2002	22.43

- (x) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to banks, financial institutions or debenture holders.
- (xi) As the Company has not granted any loans and advances on the basis of security by way of pledge of shares, debentures and other securities, paragraph 4 (xii) of the Order, is not applicable.
- (xii) As the Company is not dealing or trading in shares, securities, debentures and other investments, paragraph 4 (xiv) of the Order, is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the terms and conditions of the guarantees given by the Company for loans taken by wholly owned subsidiaries from banks are not, prima-facie, prejudicial to the interests of the Company.
- (xiv) In our opinion and according to the information and explanations given to us, the term loans have been applied for the purposes for which they were obtained.
- (xv) In our opinion and according to the information and explanations given to us and on an overall examination of the Balance Sheet, we report that funds raised on short-term basis have not been used during the year for long - term investment.
- (xvi) As the Company has not made any preferential allotment of shares during the year, paragraph 4 (xviii) of the Order is not applicable.
- (xvii) According to the information and explanations given to us, no security has been created for debentures issued during the year since they are unsecured.
- (xviii) Since, the Company has not raised any money by way of public issue during the year, paragraph 4 (xx) of the Order, is not applicable.
- (xix) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

1. Significant Accounting Policies

(i) Accounting Convention

The financial statements are prepared under the historical cost convention, as modified to include the revaluation of certain fixed assets, and have been prepared in accordance with the applicable Accounting Standards and relevant presentational requirements of the Companies Act, 1956.

(ii) Use of Estimates

The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balance of assets and liabilities, revenues and expenses and disclosures relating to contingent liabilities. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

(iii) Fixed Assets

Fixed assets are stated at cost of acquisition or construction less accumulated depreciation except for certain fixed assets which are revalued and are therefore, stated at their revalued book values. Cost of acquisition or construction is inclusive of freight, duties, taxes, incidental expenses and interest on loans attributable to the acquisition of qualifying assets, up to the date of commissioning of the assets.

The basis for revaluation is current cost of depreciated assets at the time of revaluation. If the revaluation shows an increase in the value of a category of assets, the same is added to the historical value net of any decline in value of any asset of that category; any such decrease is expensed. The decline in value of any individual asset in a category is charged to revenue over the remaining useful life of that asset and corresponding adjustment made on the amount withdrawn from the revaluation reserve.

Consideration is given at each balance sheet date to determine whether there is any indication of impairment of the carrying amount of the Company's fixed assets. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor.

(iv) Depreciation

- (a) Depreciation on fixed assets is provided on straight line method at the rates specified in Schedule XIV of the Companies Act, 1956 or at rates arrived at on the basis of the balance useful lives of the assets based on technical evaluation / revaluation of the related assets, whichever is higher, except in case of the following assets where depreciation is provided at the rates indicated against each assets: -

Vehicles	- 21%
Data Processing Equipment	- 31.67%
Mobile Phones	- 95%

- (b) Depreciation is calculated on a pro rata basis except that, assets costing upto Rs 5,000 each are fully depreciated in the year of purchase.
- (c) On assets sold, discarded, etc. during the year, depreciation is provided upto the date of sale / discard.
- (d) In respect of revalued assets, a transfer is made from the revaluation reserve to the statement of profit and loss for the sum of the differences as below: -
- the difference between the amounts of depreciation on revalued value at rates based on useful life prescribed by valuers and on the historical cost at rates prescribed in Schedule XIV, if the former is higher.
 - where assets are discarded / disposed off, the difference between the written down value as per the revalued value and historical cost.
- (e) No write-off is made in respect of leasehold land as the lease is a perpetual lease.
- (f) Depreciation (amortization) on intangibles is provided on straight line method as follows:
- Trademark and technical knowhow over a period of ten years
 - Software over a period of three years
 - Goodwill over a period of ten years

(v) Foreign Currency Transactions

Transactions in foreign currencies are recorded on initial recognition at the exchange rate prevailing on the date of the transaction.

All monetary items are re-stated at the exchange rate prevailing as at the date of the balance sheet and the loss or gain is taken to the statement of profit and loss as exchange fluctuation.

The Company uses foreign exchange forward and option contracts to hedge its exposure to movements in foreign exchange rates relating to certain firm commitments and highly probable forecast transactions. Effective April 1, 2007, the Company designates such contracts in a cash flow hedge relationship by applying the principles set out in Accounting Standard (AS) – 30 – “Financial Instruments: Recognition and Measurement”.

Forward and option contracts are fair valued at each reporting date. The resultant gain or loss from these contracts that are designated and effective as hedges of future cash flows are recognised directly in Cash Flow Hedge Reserve under Reserves and Surplus, net of applicable deferred income taxes and the ineffective portion is recognised immediately in statement of profit and loss.

Amount accumulated in Cash Flow Hedge Reserve are reclassified to the statement of profit and loss in the same periods during which the forecasted transaction affects the profit and loss.

Hedge Accounting is discontinued when the hedging instrument expires, or is sold or terminated or exercised or no longer qualifies for hedge accounting. Any cumulative gain or loss on the hedging instrument recognised in Cash Flow Hedge Reserve is retained there until the forecasted transaction occurs.

If the forecasted transaction is no longer expected to occur, the net cumulative gain or loss is immediately transferred from the Cash Flow Hedge Reserve to the statement of profit and loss.

Contracts that are not designated as hedges of future cash flows are fair valued at each reporting date and the resultant gain or loss is recognised in the statement of profit and loss.

(vi) Research & Development

Expenditure on research and development of products is included under the natural heads of expenditure in the year in which it is incurred except which relate to development activities whereby research findings are applied to a plan or design for the production of new or substantially improved products and processes. Such costs are capitalized if they can be reliably measured, the product or process is technically and commercially feasible and the Company has sufficient resources to complete the development and to use or sell the asset.

Capital expenditure on research and development includes the cost of materials, direct labour and an appropriate proportion of overheads that are directly attributable to preparing the asset for its intended use and is treated in the same manner as expenditure on other fixed assets and depreciated as per Company policy.

(vii) Inventories

Stores and spares are valued at cost or under. Stock in trade is valued at cost or net realizable value, whichever is lower. The bases of determining the cost for various categories of inventory are as follows:

Stores, spares and raw materials	-	Weighted average rate
Stock in trade		
Process stocks and finished goods	-	Direct cost plus appropriate share of overheads and excise duty, wherever applicable
By products	-	At estimated realizable value

(viii) Investments

Long term investments are valued at cost unless there is a decline in value other than temporary. Current investments are stated at lower of cost or fair value.

(ix) Employee Benefits

Company's contributions paid / payable during the year to provident fund administered through Regional Provident Fund Commissioner, Superannuation Fund and Employees' State Insurance Corporation are recognized in the statement of profit and loss.

Provision for gratuity, compensated absences, provident fund for certain category of employees administered through a recognized provident fund trust and long term retention pay are determined on an actuarial basis at the end of the year and charged to revenue each year.

(x) Provisions and Contingent Liabilities

The Company recognises a provision when there is a present obligation as a result of past events and it is more likely than not that an outflow of resources would be required to settle the obligation and a reliable estimate can be made. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

(xi) Revenue Recognition

Sale of goods is recognised at the point of dispatch of goods to customers. Gross sales are inclusive of excise duty and net of value added tax / sales tax.

Sale of Certified Emission Reductions (CER's) is recognised as income on the delivery of the CER's to the customer's account as evidenced by the receipt of confirmation of execution of delivery instructions.

(xii) Reserves

- Revaluation reserve represents the difference between the revalued amount of the assets and the written down value of the assets on the date of revaluation net of withdrawals therefrom.
- Capital receipts are credited to capital reserve.
- Cash flow hedge reserve represents the gain or loss arising out of adjusting the hedging instruments to mark to market net of applicable deferred income taxes.

(xiii) Taxation

- The income tax liability is provided in accordance with the provisions of the Income tax Act, 1961.
- Deferred tax is recognised, subject to the consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

2. Share Capital

a) Details of share capital

	As at March 31, 2012 (Rs lakhs)	As at March 31, 2011 (Rs lakhs)
Authorised		
12,00,00,000 (Previous Year - 12,00,00,000) Equity shares of Rs 10 each	12000.00	12000.00

2,00,00,000 (Previous Year - 2,00,00,000) Cumulative Preference Shares of Rs 100 each	20000.00	20000.00
	<u>33600.00</u>	<u>33600.00</u>
Issued		
6,14,77,255 (Previous Year - 6,45,60,335) Equity Shares of Rs 10 each	6147.73	6456.03
Subscribed and paid up		
5,74,20,500 (Previous Year - 6,05,03,580) Equity Shares of Rs 10 each fully paid up	5742.05	6050.36
Add: Forfeited shares - Amount originally paid up	101.51	101.51
Add: Share capital suspense*	-	0.54
	<u>5843.56</u>	<u>6152.41</u>

* Share capital suspense represents Nil (Previous Year - 5,408) equity shares which were awaiting allotment to the erstwhile shareholders of Flowmore Polysters Limited (FPL) pending settlement of calls in arrears in respect of their shareholding in FPL, have been transferred to capital reserve during the year.

b) Reconciliation of equity shares

	Number of shares	Value (Rs lakhs)
As at April 1, 2010	60503580	6050.36
Add: Movement during the year	-	-
As at March 31, 2011	60503580	6050.36
Less: Shares bought back during the year	3083080	308.31
As at March 31, 2012	57420500	5742.05

The shares bought back in the current year were cancelled / extinguished during the year.

c) Shareholders holding more than 5% shares in the Company

Name of the shareholder	As at March 31, 2012		As at March 31, 2011	
	(No. of shares)	% of total	(No. of shares)	% of total
KAMA Holdings Limited	28606962	49.82	28491962	47.09

d) The Company has bought back 1,04,64,505 equity shares (Previous Year – 73,97,509 equity shares) in aggregate in the last five financial years.

e) Terms/ rights attached to equity shares

The Company has only one class of equity shares having a par value of Rs 10 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian rupees. The final dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting. The Board may from time to time pay to the members such interim dividends as appear to it to be justified by the profits of the Company.

During the year ended March 31, 2012, the amount of interim dividend recognized as distributions to equity shareholders was Rs 14 per share (Previous Year - Rs 14 per share).

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

a) Claims against the Company not acknowledged as debts:

	As at March 31, 2012 (Rs lakhs)	As at March 31, 2011 (Rs lakhs)
Excise duty, customs duty and service tax* @	5924.08	5865.44
Sales Tax** @	1225.28	925.42
Income Tax	356.82	976.37
Stamp Duty****	2881.55	2881.55
Others ***	474.33	94.43

* Amount deposited Rs 315.92 lakhs (Previous year - Rs 315.92 lakhs)

** Amount deposited Rs 7.16 lakhs (Previous Year - Rs 7.16 lakhs)

*** Amount deposited Rs 8.00 lakhs (Previous Year - Rs 8.00 lakhs)

**** In the matter of acquisition of the Tyrecord Division at Malanpur from Ceat Limited the Collector of Stamps, Bhind (Madhya Pradesh) has by his order dated 07.11.2001 assessed the value of the subject matter of the Deed of Conveyance dated 13.06.1996 at Rs 30300 lakhs and levied a stamp duty of Rs 2372.50 lakhs and imposed a penalty of Rs 509.05 lakhs. The said demand was challenged before the High Court of Madhya Pradesh Bench at Gwalior. The High Court accepted the case of the Company that the subject matter of the Deed of Conveyance dated 13.06.1996 is only the superstructures valued at Rs 2776.18 lakhs and not the entire undertaking valued at Rs 30300.00 lakhs as claimed by the State. Consequently, the High Court of Madhya Pradesh quashed the order and demands issued by the Collector of Stamps, Bhind (Madhya Pradesh) and allowed the writ petition by an order dated 29th November 2004. Against the said order, the State of Madhya Pradesh preferred a Special Leave Petition before the Hon'ble Supreme Court which the State of Madhya Pradesh has withdrawn to enable it to approach the Hon'ble High Court of Madhya Pradesh at Gwalior in view of the change in law in the State of Madhya Pradesh relating to Letters Patent Appeal.

@ As per Business Transfer Agreement with KAMA Holdings Limited, the liabilities of Rs 1793.81 lakhs (Previous Year - Rs 1793.81 lakhs) and Rs 38.00 lakhs (Previous Year - Rs 38.00 lakhs) respectively towards Excise Duty and Sales tax are covered under Representations and Warranties.

All the above matters are subject to legal proceedings in the ordinary course of business. In the opinion of the management, the legal proceedings, when ultimately concluded, will not have a material effect on the results of the operations or financial position of the Company.

- b) Liability on account of Bank Guarantees Rs 1260.26 lakhs (Previous Year – Rs 1137.53 lakhs)
- c) Guarantees given to banks for repayment of financial facilities availed by wholly owned subsidiaries:
- (i) USD 20.00 million (Previous Year – USD 20.00 million). Outstanding amount as at the year-end is USD 20.00 million (Previous Year – USD 20.00 million)
 - (ii) Nil (Previous Year – AED 10.35 million) and Nil (Previous Year – Euro 0.20 million). Outstanding amount as at the year-end is Nil (Previous Year – Nil)
 - (iii) USD 15.00 million (Previous Year – Nil). Outstanding amount as at the year-end is USD 13.00 million (Previous Year – Nil).
 - (iv) USD 16.00 million (Previous Year – Nil). Outstanding amount as at year end is EURO 11.25 million (Previous Year – Nil).
 - (v) EURO 3.50 million (Previous Year – Nil). Outstanding amount as at year end is EURO 3.50 million (Previous Year – Nil)
- d) Guarantees given to banks for repayment of financial facilities availed by others – Rs 250.00 lakhs (Previous Year – Nil). Outstanding amount as at the year-end is Nil (Previous Year – Nil).
- e) The Company has been served with show cause notices regarding certain transactions as to why additional customs / excise duty amounting to Rs 72.24 lakhs (Previous year - Rs 76.04 lakhs) should not be levied. The Company has been advised that the contention of the department is not tenable and hence the show cause notice may not be sustainable.

30. The details of dues of Income Tax, Sales Tax, Wealth Tax, Service Tax, Customs Duty, Excise Duty and Cess which have not been deposited as on March 31, 2012 on account of disputes are given below:

Name of the Statute	Nature of the dues	Forum where Dispute is pending	Period to which the amount relates (various years covering the period)	Amount* (Rs lakhs)
Central Excise Laws	Excise Duty	High Court	1996-1997	213.79
		Customs, Excise & Service Tax Appellate Tribunal (CESTAT)	1983-2008	6045.86
		Upto Commissioner (Appeals)	1992-2008	278.57

35. Earnings Per Share

	Year ended March 31, 2012	Year ended March 31, 2011
Profit after tax (Rs lakhs)	38738.00	48344.21
Weighted average number of equity shares outstanding (Nos.)	59098455	60503580
Basic and diluted earnings per share in rupees (Rs.) (face value – Rs 10 per share)	65.55	79.90

36. Employee Benefits

The Company has classified various benefits provided to employees as under:

i) **Defined contribution plans**

- a) Superannuation fund
- b) Provident fund administered through Regional Provident Fund Commissioner
- c) Employees' State Insurance Corporation

The expenses incurred on account of the above benefits have been included in Note 25 "Employee Benefits Expenses" under the head "Contribution to provident and other funds"

ii) **Defined benefit plans**

- a) Gratuity
- b) Compensated absences – earned leaves
- c) Provident fund for certain category of employees administered through a recognized provident fund trust

In accordance with Accounting Standard (AS) – 15 (Revised 2005), actuarial valuation was obtained from the actuary in respect of the aforesaid defined benefit plans using Projected Unit Credit Method. The details of the same are as follows:-

	Gratuity (Funded)		Compensated Absences – earned leaves (Unfunded)	
	Year ended March 31, 2012	Year ended March 31, 2011	Year ended March 31, 2012	Year ended March 31, 2011
Discount rate (per annum)	8.50%	7.50%	8.50%	7.50%
Future salary increase	7.50%	6.50%	7.50%	6.50%
Expected rate of return on plan assets	8.00%	8.00%	-	-
In service mortality	LIC (1994-96) duly modified	LIC (1994-96) duly modified	LIC (1994-96) duly modified	LIC (1994-96) duly modified
Retirement age	58 years	58 years	58 years	58 years
Withdrawal rates				
- up to 30 years	3.00	3.00	3.00	3.00
- up to 44 years	2.00	2.00	2.00	2.00
- above 44 years	1.00	1.00	1.00	1.00

The Company assesses these assumptions with its projected long-term plans of growth and prevalent industry standards.

* The details of experience adjustments arising on account of plan assets and liabilities as required by paragraph 120(n)(ii) of AS 15 (Revised) on "Employee Benefits" are not available in the valuation report and hence, are not furnished.

The Company's best estimate of the contribution expected to be paid in the next year is Rs 218.51 lakhs (Previous Year – Rs 195.40 lakhs) for gratuity and Rs 208.30 lakhs (Previous Year – Rs 158.24 lakhs) for leave encashment.

Long Term Retention Pay

The Company has a Long Term Retention Pay Plan extending over 3 years. The plan covers employees selected on the basis of their current band and their long term value to the Company. The incentive is payable in three years starting from financial year 2010-11 subject to achievement of certain performance ratings. Based on the management estimate, the Company has accrued Rs 259.39 lakhs (Previous Year – Rs 295.52 lakhs) towards this plan till March 31, 2012.

Superannuation - Defined Contribution Plan where contributions are made to a Trust which in turn contributes to ICICI Prudential Life Insurance Co. Limited

Apart from being covered under the Gratuity Plan described above, the employees of the Company also participate in a defined contribution superannuation plan maintained by the Company. The Company has no further obligations under the plan except making annual contributions based on a specified percentage of each covered employee's salary. From 1st November, 2006, the Company provided an option to the employees to receive the said benefit as cash compensation along with salary in lieu of the superannuation benefit. Thus, no contribution is required to be made for the category of employees who opted to receive the benefit in cash.

Provident Fund - Defined Contribution Plan

In addition to the above benefits, all employees are entitled to Provident Fund benefits as per the law. For certain category of employees the Company administers the benefits through a recognized Provident fund trust. For other employees contributions are made to the regional Provident Fund Commissioners as per law. The Government mandates the annual yield to be provided to the employees on their corpus. For the first category of employees (covered by the Trust), the Company has an obligation to make good the shortfall, if any, between the yield on the investments of the trust and the yield mandated by the Government.

Assets / Liability	March 31, 2012
Closing projected benefit obligation	(4394.63)
Fair value of plan assets	4411.67
Net assets / (liability) recognised in balance sheet	-

	Year ended March 31, 2012
Discount rate (per annum)	8.50%
In service mortality	LIC (1994-96) duly modified
Retirement age	58 years

37. Segment Reporting

A. Business Segments

Based on the guiding principles laid down in Accounting Standard (AS) - 17 "Segment Reporting", the Company's business segments include:

- Technical Textiles Business: includes nylon tyre cord fabric, belting fabric, coated fabric, laminated fabric, polyester tyre cord fabric and industrial yarns and its research and development
- Chemicals and Polymers Business: includes refrigerant gases, chloromethanes, pharmaceuticals, Certified Emissions Reductions & Allied products, Engineering Plastics business and its research and development.
- Packaging Film Business includes Polyester Films.

Segment revenue, Results and Capital Employed include the respective amounts identifiable to each of the segments. Other unallocable expenditure includes expenses incurred on common services provided to the segments, which are not directly identifiable.

In addition to the significant accounting policies applicable to the business segments as set out in note 1 above, the accounting policies in relation to segment accounting are as under: -

a) Segment revenue and expenses

Joint revenue and expenses of segments are allocated amongst them on a reasonable basis. All other segment revenue and expenses are directly attributable to the segments.

b) Segment assets and liabilities

Segment assets include all operating assets used by a segment and consist principally of operating cash, debtors, inventories and fixed assets, net of allowances and provisions, which are reported as direct offsets in the balance sheet. Segment liabilities include all operating liabilities and consist principally of creditors and accrued liabilities and do not include deferred income taxes. While most of the assets / liabilities can be directly attributed to individual segments, the carrying amount of certain assets / liabilities pertaining to two or more segments are allocated to the segments on a reasonable basis.

38. Foreign Currency Exposure

SRF has entered into long term contracts for the transfer / sale of Certified Emission Reductions (CER's) with reputable global buyers. The cash flow from these sales forms the mainstay of SRF's multi-year capital expansion plan, and as such these cash flows need to be both stable and secure. To ensure stability of revenues in foreign currency from the transfer / sale of CER's, the Company has entered into forward contracts with banks to part sell Euros to be earned out of future CER sales.

The details of category-wise quantitative data about derivative instruments as at March 31, 2012 are as under:

Auditors' Report

To The Board of Directors of SRF Limited

1. We have audited the attached Consolidated Balance Sheet of SRF LIMITED ("the Company") and its subsidiaries (the Company and its subsidiaries constitute "the Group") as at March 31, 2012, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement of the Group for the year ended on that date, both annexed thereto. These financial statements are the responsibility of the Company's Management and have been prepared on the basis of the separate financial statements and other information regarding components. Our responsibility is to express an opinion on these Consolidated Financial Statements based on our audit.
2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and the disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by the Management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.
3. We did not audit the financial statements of subsidiaries viz., SRF Overseas Limited, SRF Industries (Thailand) Limited, SRF Industex Belting (Pty) Limited, SRF Flexipak (South Africa) (Pty) Limited, SRF Nitol (Bangladesh) Limited, SRF Transnational Holdings Limited, SRF Properties Limited, SRF Fluor Private Limited, SRF Holiday Home Limited, SRF Global BV, SRF Energy Limited and SRF Fluorochemicals Limited whose financial statements reflect total assets of Rs. 44051.65 lakhs, as at March 31, 2012, total revenues of Rs. 47556.61 lakhs and net cash outflows amounting to Rs. 1553.27 lakhs for the year ended on that date as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us and our opinion in so far as it relates to the amounts included in respect of these subsidiaries is based solely on the reports of the other auditors.
4. We report that the Consolidated Financial Statements have been prepared by the Company in accordance with the requirements of Accounting Standard (AS) - 21 - "Consolidated Financial Statements" as notified under the Companies (Accounting Standards) Rules, 2006.
5. Based on our audit and on consideration of the separate audit reports on the individual financial statements of the Company and the aforesaid subsidiaries and to the best of our information and according to the explanations given to us, in our opinion, the Consolidated Financial Statements give a true and fair view in conformity with the accounting principles generally accepted in India:
 - i. in the case of the Consolidated Balance Sheet, of the state of affairs of the Group as at March 31, 2012;
 - ii. in the case of the Consolidated Statement of Profit and Loss, of the profit of the Group for the year ended on that date; and
 - iii. in the case of the Consolidated Cash Flow Statement, of the cash flows of the Group for the year ended on that date.

Notes Forming Part of The Consolidated Financial Statements for the year ended March 31, 2012

1. Significant Accounting Policies

- (i) The consolidated financial statements have been prepared in accordance with Accounting Standard (AS) 21 "Consolidated Financial Statements" notified under Rule 3 of the Companies (Accounting Standards) Rules, 2006.

a) Principles of consolidation:

The consolidated financial statements relate to SRF Limited ('the Company') and its subsidiary companies. The consolidated financial statements have been prepared on the following basis:

- The financial statements of the Company and its subsidiary companies have been combined on a line by line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra group balances and intra-group transactions resulting in unrealized profit or losses.
- The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as the Company's separate financial statements.
- The excess of cost to the company of its investment in a subsidiary company over the Company's portion of the equity of the subsidiary at the date on which investment in subsidiary is made is recognized in the financial statements as goodwill.
- Minority Interest's share of net assets of consolidated subsidiaries is identified and presented in the consolidated Balance Sheet separate from liabilities and the equity of the Company's shareholders.
- Minority Interest's share of net profit of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.

b) The subsidiaries considered in the preparation of these consolidated financial statements are:

Name of Subsidiary	Country of incorporation	Proportion of ownership as at March 31, 2012	Proportion of ownership as at March 31, 2011
Indian Subsidiaries			
SRF Transnational Holdings Limited	India	100%	100%
SRF Properties Limited	India	100%	100%
SRF Holiday Home Limited	India	100%	100%
SRF Energy Limited	India	100%	100%
SRF Fluorochemicals Limited	India	100%	100%
Foreign Subsidiaries			
SRF Fluor Private Limited	Mauritius	100%	100%
SRF Global BV	Netherlands	100%	100%
SRF Overseas Limited ('SRFO') (100% subsidiary of SRF Global BV)	British Virgin Islands	100%	100%
SRF Industries (Thailand) Limited (Formerly known as SRF Technical Textiles (Thailand) Limited) (100% subsidiary of SRF Global BV)	Thailand	100%	100%
SRF Industex Belting (Pty) Limited (100% subsidiary of SRF Global BV)	Republic of South Africa	100%	100%
SRF Tech Textile BV (100% subsidiary of SRF Global BV)	Netherlands	-	100%
SRF Flexipak (South Africa) (Pty) Limited (100% subsidiary of SRF Global BV)	Republic of South Africa	100%	-
SRF Nitol Bangladesh Limited (80% subsidiary of SRF Global BV)	Bangladesh	80%	-

The Company owns 22.60% (Previous year – 22.60%) in Malanpur Captive Power Limited and the same has not been considered for the purposes of consolidation, since the Company does not exercise significant influence over Malanpur Captive Power Limited.

(ii) Use of Estimates

The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balance of assets and liabilities, revenues and expenses and disclosures relating to contingent liabilities. The management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ from these estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

(iii) Fixed Assets

Fixed assets are stated at cost of acquisition or construction less accumulated depreciation except for certain fixed assets which are revalued and are therefore, stated at their revalued book values. Cost of acquisition or construction is inclusive of freight, duties, taxes, incidental expenses and interest on loans attributable to the acquisition of qualifying assets, up to the date of commissioning of the assets.

The basis for revaluation is current cost of depreciated assets at the time of revaluation. If the revaluation shows an increase in the value of a category of assets, the same is added to the historical value net of any decline in value of any asset of that category; any such decrease is expensed. The decline in value of any individual asset in a category is charged to revenue over the remaining useful life of that asset and corresponding adjustment made on the amount withdrawn from the revaluation reserve.

Consideration is given at each balance sheet date to determine whether there is any indication of impairment of the carrying amount of the Company's fixed assets. If any indication exists, an asset's recoverable amount is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value based on an appropriate discount factor.

(iv) Depreciation

- a. Depreciation on all fixed assets is provided on straight line method at the rates specified in Schedule XIV of the Companies Act, 1956 or at rates arrived at on the basis of the balance useful lives of the assets based on technical evaluation/revaluation of the related assets, whichever is higher, except in case of the following assets where depreciation is provided at the rates indicated against each assets: -

Vehicles	-	21%
Data Processing Equipments	-	31.67%
Mobile Phones	-	95%
- b. Depreciation is calculated on a pro rata basis except that, assets costing upto Rs 5,000 each are fully depreciated in the year of purchase.
- c. On assets sold, discarded, etc. during the year, depreciation is provided upto the date of sale / discard.
- d. In respect of revalued assets, a transfer is made from the revaluation reserve to the statement of profit and loss for the sum of the differences as below: -
 - the difference between the amounts of depreciation on revalued value at rates based on useful life prescribed by valuers and on the historical cost at rates prescribed in Schedule XIV, if the former is higher.
 - where assets are discarded / disposed off, the difference between the write down value as per the revalued value and historical cost.
- e. No write-off is made in respect of leasehold land as the lease is a perpetual lease.
- f. Depreciation (amortisation) on intangibles is provided on straight line method as follows:
 - Trademark and technical knowhow over a period of ten years
 - Software over a period of three years
 - Goodwill, other than goodwill on consolidation, over a period of ten years

(v) Foreign Currency Transactions

Transactions in foreign currencies are recorded on initial recognition at the exchange rate prevailing on the date of the transaction.

All monetary items are re-stated at the exchange rate prevailing as at the date of the balance sheet and the loss or gain is taken to the statement of profit and loss as exchange fluctuation.

The Company uses foreign exchange forward and option contracts to hedge its exposure to movements in foreign exchange rates relating to certain firm commitments and highly probable forecast transactions. Effective April 1, 2007, the

Company designates such contracts in a cash flow hedge relationship by applying the principles set out in Accounting Standard (AS) – 30 - “Financial Instruments: Recognition and Measurement”.

Forward and option contracts are fair valued at each reporting date. The resultant gain or loss from these contracts that are designated and effective as hedges of future cash flows are recognised directly in Cash Flow Hedge Reserve under Reserves and Surplus, net of applicable deferred income taxes and the ineffective portion is recognised immediately in statement of profit and loss.

Amount accumulated in Cash Flow Hedge Reserve are reclassified to statement of profit and loss in the same periods during which the forecasted transaction affects the profit and loss.

Hedge Accounting is discontinued when the hedging instrument expires, or is sold or terminated or exercised or no longer qualifies for hedge accounting. Any cumulative gain or loss on the hedging instrument recognised in Cash Flow Hedge Reserve is retained there until the forecasted transaction occurs.

If the forecasted transaction is no longer expected to occur, the net cumulative gain or loss is immediately transferred from the Cash Flow Hedge Reserve to the statement of profit and loss.

Contracts that are not designated as hedges of future cash flows are fair valued at each reporting date and the resultant gain or loss is recognised in the statement of profit and loss.

(vi) Research & Development

Expenditure on research and development of products is included under the natural heads of expenditure in the year in which it is incurred except which relate to development activities whereby research findings are applied to a plan or design for the production of new or substantially improved products and processes. Such costs are capitalised if they can be reliably measured, the product or process is technically and commercially feasible and the Company has sufficient resources to complete the development and to use or sell the asset.

Capital expenditure on research and development includes the cost of materials, direct labour and an appropriate proportion of overheads that are directly attributable to preparing the asset for its intended use and is treated in the same manner as expenditure on other fixed assets and depreciated as per Company policy.

(vii) Inventories

Stores and spares are valued at cost or under. Stock in trade is valued at cost or net realizable value, whichever is lower. The bases of determining the cost for various categories of inventory are as follows:

Stores, spares and raw materials	-	Weighted average rate
Stock in trade		
Process stocks and finished goods	-	Direct cost plus appropriate share of overheads and excise duty, wherever applicable
By products	-	At estimated realisable value

(viii) Investments

Long term investments are valued at cost unless there is a decline in value other than temporary. Current investments are stated at lower of cost or fair value.

(ix) Employee Benefits

Company's contributions paid / payable during the year to provident fund administered through Regional Provident Fund Commissioner, Superannuation Fund and Employees' State Insurance Corporation are recognised in the statement of profit and loss.

Provision for gratuity, compensated absences, provident fund for certain category of employees administered through a recognized provident fund trust and long term retention pay are determined on an actuarial basis at the end of the year and charged to revenue each year.

(x) Provisions and Contingent Liabilities

The Company recognises a provision when there is a present obligation as a result of past events and it is more likely than not that an outflow of resources would be required to settle the obligation and a reliable estimate can be made. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

(xi) Revenue Recognition

Sale of goods is recognised at the point of dispatch of goods to customers. Gross sales are inclusive of excise duty and net of value added tax / sales tax.

Sale of Certified Emission Reductions (CER's) is recognised as income on the delivery of the CER's to the customer's account as evidenced by the receipt of confirmation of execution of delivery instructions.

(xii) Reserves

- Revaluation reserve represents the difference between the revalued amount of the assets and the written down value of the assets on the date of revaluation net of withdrawals there from.
- Capital receipts are credited to Capital reserve.
- Cash flow hedge reserve represents the gain or loss arising out of adjusting the hedging instruments to mark to market net of applicable deferred income taxes.

(xiii) Taxation

- The income tax liability is provided in accordance with the provisions of the Income Tax Act, 1961.
- Deferred tax is recognised, subject to the consideration of prudence, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are recognized on unabsorbed depreciation and carry forward of losses based on virtual certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.

2. Share Capital

The shares bought back in the current year were cancelled/extinguished during the year.

c) **Shareholders holding more than 5% shares in the Company**

Name of the shareholder	As at March 31, 2012		As at March 31, 2011	
	(No. of shares)	% of total	(No. of shares)	% of total
KAMA Holdings Limited	28606962	49.82	28491962	47.09

d) The Company has bought back 1,04,64,505 equity shares (Previous Year – 73,97,509 equity shares) in aggregate in the last five financial years.

e) **Terms/ rights attached to equity shares**

The Company has only one class of equity shares having a par value of Rs 10 per share. Each holder of equity shares is entitled to one vote per share. The Company declares and pays dividends in Indian rupees. The final dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting. The Board may from time to time pay to the members such interim dividends as appear to it to be justified by the profits of the Company.

During the year ended March 31, 2012, the amount of interim dividend recognized as distributions to equity shareholders was Rs 14 per share (Previous Year - Rs 14 per share).

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

29. Contingent Liabilities not Provided For

- a. Claims against the Company not acknowledged as debts:

	As at March 31, 2012 (Rs lakhs)	As at March 31, 2011 (Rs lakhs)
Excise duty, customs duty and service tax* @	5924.08	5865.44
Sales Tax ** @	1225.28	925.42
Income Tax	356.82	976.37
Stamp Duty****	2881.55	2881.55
Others ***	474.33	94.43

* Amount deposited Rs 315.92 lakhs (Previous year - Rs 315.92 lakhs)

** Amount deposited Rs 7.16 lakhs (Previous Year - Rs 7.16 lakhs)

*** Amount deposited Rs 8.00 lakhs (Previous Year - Rs 8.00 lakhs)

**** In the matter of acquisition of the Tyrecord Division at Malanpur from Ceat Limited the Collector of Stamps, Bhind (Madhya Pradesh) has by his order dated 07.11.2001 assessed the value of the subject matter of the Deed of Conveyance dated 13.06.1996 at Rs 30300.00 lakhs and levied a stamp duty of Rs 2372.50 lakhs and imposed a penalty of Rs 509.05 lakhs. The said demand was challenged before the High Court of Madhya Pradesh Bench at Gwalior. The High Court accepted the case of the Company that the subject matter of the Deed of Conveyance dated 13.06.1996 is only the superstructures valued at Rs 2776.18 lakhs and not the entire undertaking valued at Rs 30300.00 lakhs as claimed by the State. Consequently, the High Court of Madhya Pradesh quashed the order and demands issued by the Collector of Stamps, Bhind (Madhya Pradesh) and allowed the writ petition by an order dated 29th November 2004. Against the said order, the State of Madhya Pradesh preferred a Special Leave Petition before the Hon'ble Supreme Court which the State of Madhya Pradesh has withdrawn to enable it to approach the Hon'ble High Court of Madhya Pradesh at Gwalior in view of the change in law in the State of Madhya Pradesh relating to Letters Patent Appeal.

@ As per Business Transfer Agreement with KAMA Holdings Limited, the liabilities of Rs 1793.81 lakhs (Previous Year - Rs 1793.81 lakhs) and Rs 38.00 lakhs (Previous Year - Rs 38.00 lakhs) respectively towards Excise Duty and Sales tax are covered under Representations and Warranties.

All the above matters are subject to legal proceedings in the ordinary course of business. In the opinion of the management, the legal proceedings, when ultimately concluded, will not have a material effect on the results of the operations or financial position of the Company.

- b. Liability on account of Bank Guarantees Rs 1671.23 lakhs (Previous Year - Rs 1504.90 lakhs)
- c. Guarantees given to banks for repayment of financial facilities availed by others - Rs 250.00 lakhs (Previous Year - Nil). Outstanding amount as at the year-end is Nil (Previous Year - Nil).
- d. Liabilities on account of bills discounted, including factoring - Rs 188.16 lakhs (Previous Year - Nil).

The Company has been served with show cause notices regarding certain transactions as to why additional customs / excise duty amounting to Rs 72.24 lakhs (Previous year - Rs 76.04 lakhs) should not be levied. The Company has been advised that the contention of the department is not tenable and hence the show cause notice may not be sustainable.

30. Capital and Other Commitments

The estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) amounts to Rs 32246.49 lakhs (Previous Year - Rs 13273.89 lakhs).

Further, the Company has entered into a contribution agreement to make further investment in 2,00,000 units (previous year - Nil units) of Rs. 100 each aggregating to Rs. 200 Lakhs (previous year - Nil) in Asian Healthcare Fund Investment Trust.

The Company has other commitments, for purchase / sales orders which are issued after considering requirements per operating cycle for purchase / sale of goods and services, employee benefits including union agreements in normal course of business. The Company does not have any other long term commitments or material non-cancellable contractual commitments / contracts, which might have material impact on the financial statements.

31. Managerial Remuneration

(i) (a) Chairman / Managing Director / Deputy Managing Director / Whole time Director

	Year ended March 31, 2012 (Rs lakhs)	Year ended March 31, 2011 (Rs lakhs)
Salary	322.32	274.32
Contribution to Provident and Superannuation Funds	85.86	72.90
Value of Perquisites	150.88	137.52
Commission (Provided)	475.00	475.00
Sub-Total	1034.06	959.74
(b) Non-Executive Directors		
Commission (Provided)	31.44	30.00
Professional Consultancy	9.96	13.43
Directors' Sitting Fees	19.96	15.07
Sub-Total	61.36	58.50
Total	1095.42	1018.24

As there is a global contribution to gratuity fund, the amount applicable to an individual employee is not ascertainable and accordingly, contribution to gratuity fund in respect of directors has not been considered in the above computation. Further, the liability on account of compensated absences in respect of directors has not been considered above, since the provision is based on an actuarial basis for the Company as a whole.

34. Segment Reporting

A. Business segments

Based on the guiding principles laid down in Accounting Standard (AS) - 17 "Segment Reporting", the Company's business segments include:

- Technical Textiles business: includes nylon tyre cord fabric, belting fabric, coated fabric, laminated fabric, polyester tyre cord fabric and industrial yarns and its research and development
- Chemicals and Polymers business: includes refrigerant gases, chloromethanes, pharmaceuticals, Certified Emissions Reductions & Allied products, Engineering Plastics business and its research and development.
- Packaging Film Business includes Polyester Films.

Segment revenue, Results and Capital Employed include the respective amounts identifiable to each of the segments. Other unallocable expenditure includes expenses incurred on common services provided to the segments, which are not directly identifiable.

In addition to the significant accounting policies applicable to the business segments as set out in note 1 above, the accounting policies in relation to segment accounting are as under: -

a) Segment revenue and expenses

Joint revenue and expenses of segments are allocated amongst them on a reasonable basis. All other segment revenue and expenses are directly attributable to the segments.

b) Segment assets and liabilities

Segment assets include all operating assets used by a segment and consist principally of operating cash, debtors, inventories and fixed assets, net of allowances and provisions, which are reported as direct offsets in the balance sheet. Segment liabilities include all operating liabilities and consist principally of creditors and accrued liabilities and do not include deferred income taxes. While most of the assets / liabilities can be directly attributed to individual segments, the carrying amount of certain assets / liabilities pertaining to two or more segments are allocated to the segments on a reasonable basis.

35. Foreign Currency Exposure

SRF has entered into long term contracts for the transfer/sale of Certified Emission Reductions (CER's) with reputable global buyers. The cash flow from these sales forms the mainstay of SRF's multi-year capital expansion plan, and as such these cash flows need to be both stable and secure. To ensure stability of revenues in foreign currency from the transfer / sale of CER's, the Company has entered into forward contracts with banks to part sell Euros to be earned out of future CER sales.

The details of category-wise quantitative data about derivative instruments as at March 31, 2012 are as under:

The financial statements of these foreign subsidiaries have been converted into Indian Rupees on the basis of following exchange rates:

- (i) 1 AED = Rs 13.87
- (ii) 1 USD = Rs 50.87
- (iii) 1 Baht = Rs 1.6525
- (iv) 1 Rand = Rs 6.64
- (v) 1 Taka = Rs 0.6222

38. The Revised Schedule VI has become effective from April 01, 2011 for the preparation of consolidated financial statements. This has significantly impacted the disclosure and presentation made in the consolidated financial statements. Previous year's figures have been regrouped/reclassified, wherever necessary, to correspond with the current year's classification/disclosure.
39. Figures pertaining to subsidiaries have been reclassified wherever considered necessary to bring them in line with the Holding Company's financial statements.
