Q3 FINANCIALS

Gurgaon, 14th February 2013: SRF Limited, a multi-business entity engaged in the manufacture of chemical based industrial intermediates, maintained the upward trend in quarterly profits during the year with a net profit after tax (PAT) of Rs. 89 crore for the third quarter of 2012-13, a 19 per cent increase over the previous quarter's figure of Rs. 75 crore. Sequentially, the second quarter's PAT was itself higher by 240 per cent over the Q1 PAT of Rs. 22 crore.

In spite of the continuing economic slowdown, SRF's revenue declined marginally by 6 per cent, from Rs. 949 crore during October-December 2012 to Rs. 889 crore recorded during the corresponding period last year (CPLY). The profitability of the company too reflected the economic conditions on year-on-year basis with its PAT reducing from Rs. 111 crore to Rs. 89 crore, a decline of 19 per cent during the same period. The unaudited financial results of SRF were taken on record by SRF's Board in a meeting held today.

INTERIM DIVIDEND

The Board today also approved second interim dividend in the current financial year at the rate of 50% amounting to Rs. 5 per share. Earlier in November 2012, the board had approved the first interim dividend at the same rate of Rs. 5 per share.

MD's COMMENTS

Reflecting on the financial performance of the company, **Mr. Ashish Bharat Ram, Managing Director, SRF Limited**, commented: "The business environment both domestically and globally is extremely weak. The demand sentiment remains a major concern area."
