— YEARS OF — POWERING INCLUSION

India's capital markets are witnessing a transformative era – a momentous change driven by technological advancements, regulatory reforms and the growing participation of retail investors. At the heart of this evolution lies a vision of a dynamic securities market where investors are confident and self-reliant, enabling them to make informed decisions. This is the market for the well-equipped **Atmanirbhar Investor!**

For 25 years, Central Depository Services (India) Limited (CDSL) has proudly played a pivotal role in enhancing the efficiency and accessibility of India's capital market. In the process, we have focused on educating investors and making their financial journey seamless. We have worked relentlessly to achieve three key aspirations: sustaining investor interest, maintaining market integrity and increasing investor awareness. By facilitating the dematerialisation of securities, streamlining the settlement process, and consistently building awareness, we have enabled investors to benefit from increased transparency, lower transaction costs, and faster, more secure settlements.

By placing technology at the core of our operations, we have improved the ease and security of services for investors, leading to increased participation. Our digital solutions facilitate hassle-free transactions for investors. Innovations like our eCAS in 23 languages, the newly launched multilingual chatbot—CDSL Buddy, eAccount opening, eDIS, eNomination, and eAGM, among many others, are all efforts towards integrating technology and trust.

As we celebrate 25 years of educating, enabling, and empowering **Atmanirbhar Investors**, we also celebrate 25 years of powering inclusion in India's capital markets. CDSL's ethos is deeply rooted in the belief that an informed investor is an empowered investor. We remain committed to this mission, driving forward with the same passion and dedication that have underscored our journey this far.

CDSL at a Glance

A Trusted Market Enabler

For the past 25 years, we have ensured the ease, transparency, and integrity of India's capital markets through our cutting-edge depository services. By enabling faster trade settlements, we have boosted investor trust, minimised counterparty risks, and enhanced market liquidity. Our secure, efficient, and convenient platform has democratised market access, encouraging participation and empowering diverse investors with real-time information about their holdings and transactions. Our comprehensive services cater to all market participants, including Depository Participants (DPs), investors, issuers, AMCs, RTAs, clearing corporations and Exchanges.

A Journey of Growth and Triumph

We began our journey on February 8, 1999, with the singular aim of providing convenient, dependable, and secure depository services to investors. Having begun with just 30 employees, a handful of demat accounts and a few issuers, we have grown into an unshakeable force today, becoming the first and the only listed depository in the Asia-Pacific region. We continue to be driven by our commitment to excellence, innovation and customer satisfaction.

Vision

Dematerialisation and digitisation of all key assets built on a robust platform for their safe, secure and convenient custody and transfer for empowering a self-sufficient investor environment

Mission

It is our primary mission to not only provide traditional depository services but continue to work to widen the spectrum for market participants and provide secured custody and transfers of all dematerialised assets. We are committed to support and ensure efficiency of markets to enable safe holding and transactions of all dematerialised securities in the Indian capital markets. We encourage an efficient secured environment and continue to be the leaders in digital transformation for depositories. We are the Depository driven by sophisticated technology and the urge to provide digital solutions at every step. To ensure that we continue to provide digital

solutions and to ensure that the Indian capital market participants pursue accelerated revenue and business growth, CDSL will continue to offer comprehensive Depository services and **be the one stop digital solution** for every stakeholder.

The investor wealth creation and management is due for a digital upgrade. Unprecedented times like these can act as a nudge to promote the self-reliant investor. We, at CDSL, strive to empower our investors to move to self-sufficient and self-empowered wealth management model and be the 'Atmanirbhar Investor' through our various digital services such as Myeasi mobile App, e-CAS, e-DIS, Online Account Opening, etc.

CDSL and the Capital Market Ecosystem

The Market Catalyst

Since 1999, our infrastructure and services have played a crucial role in modernising and developing the Indian capital markets, making them more accessible, transparent, and efficient for all stakeholders. The dematerialisation of securities has made transactions safe and effortless, reducing effective transaction costs. Our seamless, tech-enabled services have deepened the investment culture and extended it to the furthest corners of India, facilitating greater retail participation and the financialisation of savings.

The CDSL Advantage

Dematerialisation

Our core function is to provide for the dematerialisation of securities, which means converting physical securities into electronic form. This process has significantly reduced the risks associated with physical certificates, such as loss, theft and forgery, making transactions more secure and efficient, thus increasing investor trust.

Advantage

Safe and secure electronic transactions

Efficient Settlement

We provide electronic book-entry settlement services, enabling faster and more efficient settlement of trades in the securities market. This contributes to reducing transaction costs and mitigating risks associated with delayed settlement.

Advantage

Reduced transaction costs, risk mitigation

Increased Investor Participation

By providing a secure and convenient platform for holding and transferring securities electronically, we have helped increase investor participation in the capital markets. Individual investors, institutional investors and foreign investors find it easier to trade and invest in securities through demat accounts serviced by CDSL.

Advantage

Security, convenience, transparency leading to investor confidence

Accessibility

We have extended our services to various parts of India, including remote areas, thereby increasing accessibility to capital market investments. This has contributed to broader financial inclusion and empowerment of retail investors.

Advantage

Financial inclusion and empowered retail investors

Corporate Governance

We play a crucial role in improving corporate governance practices by providing electronic platforms for corporate actions, such as rights issues and bonus offerings. This fosters transparency and efficiency in corporate actions, benefitting both companies and investors.

Advantage

Greater accountability, transparency, compliance

Risk Management

We implement robust risk management practices to safeguard the interests of investors and market participants. Stringent compliance norms and technological advancements help mitigate risks associated with securities transactions and custodial services.

Advantage

Protection of investor interests, risk mitigation

Chairperson's Message

Prioritising Building Trust

Balkrishna V Chaubal
Chairperson

Dear Shareholders,

I address you with a deep sense of accomplishment and humility. CDSL was incorporated in February 1999 and here we are in 2024, celebrating 25 years of unparalleled service to investors.

Over the past quarter of a century, the Indian economy, and along with it, the capital markets have undergone phenomenal transformation. And I am proud that CDSL has played a significant role in heralding this change. Looking back, I am filled with immense gratitude for the trust placed in us by our stakeholders that has fuelled our success. I am confident that we will continue to empower the investors and help them create wealth while also aid capital formation in the country.

Viksit Bharat

As a nation, we aspire to develop a prosperous India, supported by inclusive socioeconomic change, sustainable economic development, world-class infrastructure and technological innovation. The key objective of Viksit Bharat is to enable every citizen to participate in the economy by fostering an environment that promotes human development while also encouraging innovation, investment and advances in economic growth.

The robust growth of the Indian economy would not have been possible without a vibrant democracy, its demographic dividend and its diversity. India is now the fourth-largest economy in the world and on the

path towards becoming a 5 trillion-dollar economy by FY 2027-28. The latest estimates of the National Statistical Office pegs India's growth rate at 8.2% in FY 2023-24.

India's capital market is the fourth-largest in the world in terms of market capitalisation. Its economic progress has led to emergence of growing aspirational middle class with higher risk appetite. Our efforts towards expanding financial inclusion and improving digitalisation has enhanced the ease of trading for investors in semi-urban and rural areas. All these factors together have resulted in greater investor participation in capital markets. Further, during the coming years, with the penetration of internet in rural areas, the adoption of cutting-edge technologies and increasing investor awareness will lead to greater participation in capital markets. We also strongly believe that with steady economic growth and consequently robust market performance, inflows into the capital markets are expected to rise.

Technology for Trust and Empowerment

"Technology is not just a tool. It is a means to empower people to accomplish great things," said Neil Armstrong. For the past 25 years, we have endeavoured to assimilate emerging technological advances with the objective of enabling secure and efficient delivery of our products and services to investors. Now investors can transact on digital platforms with ease and efficiency, with a few clicks. We have continued to introduce innovative digital solutions and we will continue to work on enhancing technological capabilities to further empower investors.

Enabled by our latest technological infrastructure, we have achieved the milestone of more than 11.56 Crore demat accounts on our books in FY 2023-24, a growth of almost 10 Crore accounts in 5 years. This achievement stands testimony to our service excellence and technological capability. Through our digital initiatives like eAGM and eDIS, etc., we empower investors to access the market from the comfort of their homes.

Chairperson's Message

Creating Trust

By enhancing digital access, we have created 'digital trust' with the use of a comprehensive and reliable suite of APIs (Application Programming Interface) that securely and seamlessly process data between the Depository Participants (DPs) and CDSL. We have also developed robust risk management infrastructure and practices. Our visionary report, 'Reimagine Digital Trust in Indian Markets' highlights this trust building and the importance of risk management.

During our 25th anniversary year, we have introduced two unique multilingual initiatives, viz. 'Apka CAS – Apki Zubaani' and the 'CDSL Buddy Sahayta 24*7' chatbot, which offer relevant information to investors in a language of their choice. We have also taken our 2,000+ investor awareness programme to another dimension during the 25th anniversary year through our Neev campaign, which seeks to spread financial literacy across 25 Indian cities from Kashmir to Kanyakumari, and to touch the lives of diverse communities, including soldiers and people in rural areas.

Upholding Best Practices

Trust building is further ensured through our steadfast endeavour to follow the highest levels of integrity, compliance, and accountability and through resolution of investor grievances in a time-bound manner. In addition to upholding best practices in governance, our Board ensures streamlining practices and processes that promote strict legal compliance with the guidelines and directions of the regulators. Our Board also focuses on formulation and execution of strategy for the overall sustainable growth of CDSL.

Building Social Equity

At CDSL, we value the contribution of all our stakeholders, including customers, value chain partners, and employees in building a sustainable organisation. Employee well-being is close to our heart, and we encourage a culture of open communication for building a positive and engaging work environment. As a responsible corporate citizen, we actively engage through corporate social responsibility (CSR) grants in socially relevant projects across key areas such as education, healthcare, environmental sustainability and community development. Our health and education initiatives have improved health outcomes for women and children in rural areas and have also improved literacy. We also plan to devote our resources and expertise towards research on enhancing cyber security. We also stand committed to practise corporate conventions and guidelines on climate change and environmental sustainability within the environmental, social, and governance (ESG) framework.

In Gratitude

On this occasion of our 25th anniversary, I sincerely thank all our stakeholders for their valuable contribution, trust and support, which have powered our growth over the years. I hope you will continue to accompany us in our future journey. As always, we will continue to hold India and investor interests at the heart of our endeavours, leading to a brighter and a more Viksit Bharat.

Jai Hind!

MD & CEO's Message

Delivering on Promises

Nehal Vora
MD & CEO

Dear Shareholders,

As CDSL completes 25 years of service, I am filled with immense gratitude and a profound sense of pride in our achievements. It is an honour to present CDSL's Annual Report for FY 2023-24, showcasing its triumphant journey over the years.

At the outset, I would like to express my heartfelt gratitude to each one of you for staying by our side on this momentous journey. Together, we have contributed to harnessing the true potential of Indian capital markets, and making it a glowing example of innovation and inclusion. However, for us here at CDSL, what we have achieved so far only serves to tell us how much more is still left to do.

Achieving New Milestones

Since its inception, CDSL has been a cornerstone of India's capital market ecosystem, contributing significantly to the nation's growth story. As India continues to thrive as one of the world's fastest-growing economies, our mission is to foster a technology-driven, knowledge-based economy where everyone can contribute and partake in India's prosperity.

A standout achievement this year was the unprecedented growth in the number of demat accounts. In the fourth quarter alone, we facilitated the opening of 1.09 Crore new demat accounts, the highest ever in a single quarter. This surge increased our total to over 3.26 Crore accounts for the fiscal year. **To put this in perspective, what took us 22 years to achieve has now been accomplished in just one year, highlighting the extraordinary acceleration of our growth, reflecting the growth of the entire ecosystem and the growth of Indian capital markets.**

This surge brings our total number of demat accounts to 11.56 Crore in FY 2023-24. Our market share in new account openings has also grown remarkably, from 81%

in FY 2022-23 to 88% this fiscal year, further cementing our position as the largest depository in India.

Over the past 25 years, we have consistently enhanced our services to ensure they are secure, efficient, and meet the evolving needs of our stakeholders. Our strategic focus on advanced technology and the highest standards of security and service has been key to reaching these new milestones.

Driving Financial Inclusion through Technology Enablement

Delivering on our promises means putting our customers at the heart of everything we do. Our investors, who come from diverse backgrounds and sections of society, reflect our commitment to technological enablement, and a dedication to innovation and excellence for a more inclusive growth. We believe that the 'power of inclusion', is the true power to drive growth and prosperity. As Mahatma Gandhi once said, "The best way to find yourself is to lose yourself in the service of others." This philosophy guides us in our mission to create an inclusive financial ecosystem where everyone has the opportunity to participate and benefit.

By embracing inclusivity, we empower individuals from all walks of life to take part in India's growth story, ensuring that no one is left behind.

88%

Market share in new demat accounts opened in FY 2023-24

We are proud to be present in most of the pin codes across India, driving both social and financial inclusion through our extensive ecosystem. At the core of this effort is one fundamental value – to educate, enable and empower every citizen to be an Atmanirbhar Investor (self-sufficient investor)!

Investor empowerment is a critical component of our approach to financial inclusion. Our goal is to empower Atmanirbhar Investors through comprehensive education and technology-driven initiatives. By integrating actionable knowledge and practical tools into our programmes, we empower investors to make informed decisions independently.

Our digital services such as e-Voting, e-AGM, eDIS, and eMargin Pledge continue to empower investors, enhancing convenience while ensuring security, and thus driving further trust and inclusivity.

MD & CEO's Message

As I reflect on the past year, I am filled with a sense of purpose and deeply humbled to be given a chance to serve the Indian securities market fraternity towards fostering the growth exponent. As part of our 25-year celebrations, we launched two pathbreaking multilingual projects to bridge the language divide for our investors. 'Apka CAS – Apki Zubaani' enables investors to download and view their electronic consolidated account statements in 23 different languages, while 'CDSL Buddy Sahayta 24*7,' our multilingual chatbot, offers round-the-clock assistance in four languages on our website. These unique services were launched by the Hon'ble SEBI Chairperson, Smt. Madhabi Puri Buch. This special moment underscored our intent and commitment to powering inclusion and our dedication to enhancing accessibility and support for all investors in our journey to make them Atmanirbhar Investors (self-sufficient investors).

Reimagine: CDSL's Capital Market Cyber Security Symposium

As part of our 25-year celebration, in October 2023, we hosted CDSL's Cyber Security Symposium – Reimagine Digital Trust in Capital Markets.

Stakeholders in the Indian capital markets came together at the Symposium to discuss current challenges and explore emerging trends and technologies to safeguard India's digital ecosystem.

The Symposium was a resounding success, offering a rich learning experience for all participants who gained valuable insights from top experts. This event reinforced our commitment to advancing digital trust and security within India's financial landscape.

In conjunction with the Symposium, we launched a Thought Leadership report that encapsulated the findings of our comprehensive study on digital trust and cybersecurity in capital markets. This document serves as a testament to our ongoing efforts to build a secure and trustworthy financial ecosystem for all stakeholders.

Acting on Our Social Responsibility

Our commitment to corporate social responsibility (CSR) is a cornerstone of our ethos, reflecting our deep gratitude to India, which has enriched us immeasurably. **As part of our 25th anniversary celebrations, we undertook a comprehensive initiative to touch all the 28 states and 8 union territories of India through meaningful CSR endeavours — a first for CDSL.**

These initiatives were not just about meeting obligations; these were our heartfelt way of giving back and making a meaningful impact towards our social responsibility as a corporate citizen of Bharat.

We engaged in initiatives aimed at enhancing important attributes of a modern society, viz. enhancing education, promoting healthcare, supporting environmental sustainability, and empowering marginalised communities.

Whether it was partnering with local NGOs, conducting awareness campaigns, or initiating community development projects, our goal remained consistent: to contribute positively to the social fabric of India.

We also want to focus on a specialised initiatives for women investors – with our revised reduced transaction charges and a further discount for women investors – our initiatives are in line for all investors to get a fair chance to turn their intentions into investments.

In addition to fulfilling our CSR obligations, securities market awareness holds a special place in our hearts. Beyond regulatory requirements and our Investor Protection Fund (IPF) commitments, we initiated 'Neev' – a financial literacy campaign as a core of our 25th anniversary celebrations. This initiative was our way of expressing gratitude to the nation by empowering and educating investors across 25 cities.

Through 'Neev,' we conducted extensive financial literacy programmes, reaching out to diverse segments of society. From engaging with women municipal workers in Shantiniketan to collaborating with prestigious institutions like IIM Ahmedabad and IIM Visakhapatnam, our efforts aimed to equip individuals with essential financial knowledge. We also extended our outreach to defence personnel, including large number of officers working at the border areas in armed forces and the paramilitary forces, providing insights and awareness into securities markets.

Investor awareness remains a pillar of our commitment to inclusive growth and empowerment. It is our way of saying thank you to the investors and stakeholders who have placed their trust in us, while also ensuring that more individuals can participate actively and confidently in India's economic journey through the process of investor empowerment on the path of they becoming Atmanirbhar Investors (Self-sufficient investors).

Financial Performance

Our financial achievements this year reflect our strategic focus and commitment to excellence. In the fourth quarter of the fiscal 2024, our net profit doubled to ₹ 129 Crore, up from ₹ 63 Crore in the same quarter last year. Our income surged by an impressive 86% to ₹ 267 Crore. For the entire financial year, we have reported a net profit of ₹ 420 Crore, reporting a 52% Y-o-Y increase.

I am happy to report that our Board of Directors (BoD) have approved a final dividend of ₹ 19 per equity share for FY 2023-24 (subject to the approval of shareholders), which is the highest ever in the history of our Company. Additionally, a special dividend of ₹ 3 per equity share has been recommended, bringing the total dividend payout to ₹ 22 per equity shares, subject to the shareholder approval.

Silver Jubilation

As we progress from our silver jubilee towards a century of excellence, I want to underline that building trust is the cornerstone of our ethos. This entails leveraging technology to empower every investor, ensuring secure access to our platforms, and providing effective financial education and tools that transcend language barriers.

Our remarkable growth would not have been possible without the different market components acting in sync. While regulators provided the framework, other Market infrastructure institutions played their crucial roles and investors have stayed invested in the securities market, we have endeavoured to ensure safe, secure and smooth operations. The biggest catalyst in our journey has been the resolute trust placed in CDSL by investors, both individual and institutional.

It is reassuring for me that these efforts have been recognised at national and international levels – as we won the **‘Central Security Depository of the Year’** by Asset Servicing Times, **The Global and Innovative Leadership Award** in the ‘Digital & Market Leadership’

category from Global Custodian, and **‘Business Transformation’ Award** from Tech Circle for excellence in digital transformation.

I am profoundly grateful for the opportunity to contribute to building on CDSL’s strong foundations. Our success has been driven by an outstanding team whose dedication and hard work is legendary. It has been an absolute privilege to lead such a dynamic team, and I am deeply grateful for their unwavering support and commitment.

I would also like to express my heartfelt gratitude for the unstinting support, mentorship and care provided by our extremely competent Board of Directors.

The trust and confidence reposed by all the stakeholders will guide us as we continue to dream and goad ourselves to deliver on our aspiration of powering inclusion responsibly and contributing to India’s overall growth by continuing to play our small part. As we move forward, we aspire to be committed in empowering a more inclusive, secure and prosperous financial ecosystem for all.

Thank you for being an integral part of our journey. Together, we will achieve even greater heights.

Jai Hind!

For BOs/Investors

Our earliest services, **easi** and **easiest**, introduced way back in 2002 and 2004 respectively, are still the best friends of the Atmanirbhar Investor, and have been revamped time and again to remain contemporary and relevant. We have added to our bouquet the Myeasi app and SMART message services. On our silver jubilee year, we further strengthened our offerings by introducing a revolutionary upgrade in investor eCAS. Investors can choose their preferred language, of the 23 language choices offered, in which they want to receive their eCAS in.

For BOs/Investors

Electronic Access to Securities Information

easi allows Beneficiary Owners (BOs), or investors, the liberty to monitor their CDSL Demat account online, at a place and time of their choosing. It also provides details of corporate announcements for ISINs held in their account as well as 25 additional ISINs.

Benefits

- » View, download, and print details of your current holdings and/or transactions
- » Access your Electronic Consolidated Account Statement (e-CAS) in any of 23 languages
- » Use a single login ID for multiple demat accounts, with the choice of editing profile and much more

easi can be accessed here:

<https://web.cdslindia.com/myeasitoken/home/login>

easi & Execution of Secure Transactions

easiest allows BOs to submit debit instructions online, thus obviating the need of visiting their DP offices to submit instruction slips.

Benefits

- » Upload/set up online transactions without the need to provide a Delivery Instructions Slip (DIS) to the DPs for transactions done; this digital process saves time and operational costs and enables quick reconciliation, minimising shortage losses
- » BOs can create a pledge on their own for availing of loan against shares

easiest can be accessed here:

<https://www.cdslindia.com/Footer/Easiest.html>

SMS Alerts Related to Transactions

SMART, an SMS alert facility, enables BOs registered for this facility to receive SMS alerts in case of any debits or credits related to corporate actions or any change in demographic details in their accounts.

Benefits

- » This SMS service is a risk mitigation measure that allows monitoring one's own demat account
- » One can activate the SMART facility by approaching one's DP

SMART can be accessed here:

<https://www.cdslindia.com/Footer/Smart.html>

Electronic Consolidated Account Statement

eCAS provides the investor consolidated statement of transactions and holdings held in both depositories' demat account(s) as well as in units of mutual funds (MFs) held in Statement of Account (SOA) form.

Benefits

- » eCAS enables receiving faster updates compared to physical statements on the registered email id of the investor
- » Offers a consolidated view of investments in demat accounts and in MFs

eCAS can be accessed here :

<https://www.cdslindia.com/cas/logincas.aspx>

Our Services

Electronic Voting

e-Voting allows shareholders to login and register their votes on company resolutions. The system processes and records votes automatically, which facilitates faster processing of voting results.

Benefits

- » Facilitates electronic voting on resolutions of companies in a fair and transparent manner for all classes of shareholders
- » Enables the BO to vote at a convenient time and place, thus improving voter participation and enhancing corporate governance

e-Voting can be accessed here:

<https://www.evotingindia.com/homepage.jsp>

Virtual Annual General Meeting

CDSL's eAGM platform enables shareholders to attend live streaming of Annual General Meetings (AGMs) of companies, making them available in real-time through their secure e-Voting logins.

Benefits

- » Wider participation of shareholders from different locations without travel

App Services for BOs

Myeasi mobile app

Myeasi mobile app is designed with adaptive technology such that it fits in all smartphones/tab screen size. Investors can login to the app using their easi/easiest log-in credentials. CDSL's Myeasi app can be downloaded by Android and iOS-based mobile devices.

Benefits

- » All the benefits of easi are available at the fingertips of the investor

For Depository Participants (DPs)

Our services to DPs, such as eDIS, Margin pledge mechanism, etc. enhance the experience and security of market participants, building trust and enabling ease of operations.

APIs

Application Programming Interfaces (APIs) for DPs

DPs act as our agents and offer depository services to the BO of the securities. The APIs ensure seamless processing of data between DPs and CDSL.

Offerings

- » BO Account Opening and Modification
- » eDIS
- » eMargin pledge
- » eMargin repledge
- » Early Payin API
- » Transaction upload
- » eLAS (online Loan Against Shares)
- » e-Voting
- » Destat API

APIs can be accessed here:

<https://www.cdslindia.com/DP/APIs.html>

Electronic Delivery Instruction Slip

This facility allows a demat account holder to make an electronic debit request in a secured manner using an API provided to DPs.

Benefits

- » Using eDIS, an investor can sell shares even without submitting Power of Attorney (POA)
- » Obviates the need to provide a physical DIS to the DP, making the entire transaction very convenient and transparent

eDIS can be accessed here:

<https://www.cdslindia.com/Footer/Edis.html>

Electronic Margin Pledge

This is an API interface provided to DPs, using which an investor can setup an online margin pledge/margin funding request to avail margin benefits.

Benefits

- » The interface incorporates a verifiable mechanism for the client to confirm the pledge and provides a facility to invoke the pledge.
- » Enhances the security of the margin pledge and re-pledge mechanism.

Online Account Opening

The Online Account Opening (OLAO) application is a complete solution for making KRA entry, generating CKYC files, generating DP files, and generating Unique Client Code (UCC) files of customers and sharing them with the intermediary.

Benefits

- » Cost-effective for opening investor accounts and maintaining records
- » Reduces the chance of entering incorrect information
- » Reduces the time taken to open an account, enabling new investors to start trading immediately

eAccountOpening can be accessed here:

<https://www.cvlindia.com/Olao/Olao>

Our Services

For Corporates

From making it easy for corporates to ensure compliance through electronic foreign investment monitoring and e-disclosures, our facilities for online voting, virtual AGM and e-notices makes it easy for companies to communicate with their shareholders, cut down on costs and thus be more sustainable.

Electronic Foreign Investment Monitoring

Through this service, we oversee and monitor the foreign investment limits in listed Indian companies. The facility tracks and manages the aggregate limits for investments made by Foreign Portfolio Investors (FPIs) and Non-Resident Indians (NRIs), as well as the sectoral cap of listed companies.

Benefits:

- » Regulatory requirement being fulfilled
- » Investors can view information related to aggregate limits for investments by FPIs and NRIs before making their own investment decisions

eFIM can be accessed here:
<https://www.cdslindia.com/Publications/FIMonitoring.aspx>

Electronic System Driven Disclosures

System Driven Disclosures (SDD) relate to trading in equity shares and equity derivative instruments. SDD applies to members of the promoter group, designated persons, promoters, and Directors of the company.

Benefits

- » System-driven compliance under SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 and SEBI (Prohibition of Insider Trading) Regulations, 2015

eSDD can be accessed here:
<https://issuercentre.cdslindia.com/Issuer/IssuerCorner>

Electronic Voting

Our eVoting is an online platform that enables the shareholders to vote on issuer/company resolutions.

Benefits

- » The system processes and records vote automatically, which facilitates faster processing of voting results
- » Improves transparency and corporate governance standards
- » Reduces administrative costs
- » Increases shareholder participation in shareholder meetings

eVoting for companies can be accessed here:
<https://www.evotingindia.com/homepage.jsp>

eAGM

Virtual Annual General Meeting

CDSL's eAGM platform enables video conferencing and live streaming of AGMs of companies.

Benefits

- » Facilitates wider participation at AGMs by shareholders and saves cost for the company

enotices

Electronic Notices

CDSL provides an email facility through which corporates can electronically send documents to their shareholders.

Benefits

- » Promotes the 'green initiative' in corporate governance, as undertaken by the Ministry of Corporate Affairs (MCA)
- » Saves cost of postage and delivery charges

Our Services

Environmental, Social and Governance

A Commitment to Sustainable Progress

We are committed to driving positive environmental, social, and governance (ESG) practices. We actively integrate ESG principles into our decision-making as a responsible corporation.

Our ESG Mission

To address the pressing concerns of our stakeholders such as climate change, green offerings, and promoting health, well-being, equity, diversity, and inclusion.

Environment Initiatives

Through close monitoring of water, paper, and electricity consumption, we promote responsible resource use and implement initiatives to minimise waste generation. We continuously strive for a smaller environmental footprint.

Green-Tech

Our e-services facilitate paperless account opening and other processes and help environment by saving paper.

Plastic Waste

We created awareness amongst the staff to reduce usage of plastic pre-packaged water bottles. We handed over the existing empty plastic bottles to Bisleri International Pvt. Ltd. for recycling.

Green Environment

Extensively placed indoor plants across the office premises to provide a green environment to the employees. CDSL distributed potted plants as gifts for employees and dignitaries during events and functions to promote green awareness.

Energy Efficiency

We redesigned our office premises to optimise natural light across workspaces and promoting the reduced use of electricity.

Empowering the Protectors

Through our Neev@25 events, specially curated to mark our silver jubilee, we took financial literacy programmes to the farthest corners of India. Our mission was to reach financial education to people residing and serving in the border districts, such as the police or army jawans, and to college and university students across the country.

CDSL Neev, one of our flagship initiatives, is a pan-India campaign aimed at spreading financial literacy and creating awareness about the opportunities presented by the capital markets, particularly in Tier II and III towns. These sessions equip individuals from diverse backgrounds with a deeper understanding of the Indian capital markets and wealth management, empowering them to take control of their financial future and make sound investment decisions.

Our webinars serve as a platform for spreading knowledge about the market and addressing common concerns or questions that new investors may have. By providing these

educational resources, we strive to build a solid foundation for individuals venturing into the financial markets and support them in their journey towards financial success.

We foster financial empowerment, equipping attendees with the knowledge and tools essential for making prudent investment decisions. At the core of these initiatives is our resolute commitment to empower the Atmanirbhar Investor and a self-reliant India.

This year, our Neev initiative reached the length and breadth of India, stretching from Tamil Nadu to Rajasthan and from Assam to Gujarat.

Governance

Providing Guidance and Direction

We firmly believe that robust governance has been the cornerstone of our success as a trusted market infrastructure player. Our commitment to best-in-class practices has ensured transparency, accountability, and responsible decision-making across all levels of the organisation. This has, in turn, helped us to build trust among our stakeholders.

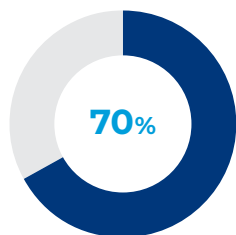

Governance Framework

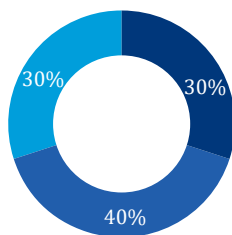

Board Diversity

CDSL promotes Board diversity by including members from diverse backgrounds, experience, and perspectives. Our Board of Directors (BoD) comprises of 70% Independent/Public Interest Directors, which exceeds the requirements set by the SEBI Listing Obligations and Disclosure Requirements Regulations, 2015. This commitment ensures a balanced and unbiased decision-making process within the organisation. We have policies and procedures to ensure smooth and ethical conduct of business.

Policies that Ensure Ethical Business Conduct

Conflict of Interest

To ensure the avoidance of conflicts of interest, we maintain a strict policy of not utilising the RTA services of our subsidiary CVL. By adopting this practice, we safeguard against any potential conflicts that may arise.

Shareholder Complaints

We place great emphasis on open communication and stakeholder engagement. To address shareholder concerns effectively, we have established robust procedures to track and resolve complaints promptly.

Gender Inclusive Environment

While recruitment at CDSL is based on meritocracy, we nurture a gender-inclusive workplace environment. By promoting diversity and inclusivity (D&I), we aim to create a supportive and equitable workplace that harnesses the full potential of all our employees.

Anti-Bribery and Anti-Corruption Policy

We have implemented a comprehensive Anti-Bribery and Anti-Corruption Policy that guide employees and stakeholders to ensure that all business activities are conducted with the utmost integrity. The policy outlines our commitment towards ethical conduct and zero tolerance for corrupt practices.

Business Responsibility and Sustainability Report

As part of our commitment to sustainability, CDSL publishes a comprehensive Business Responsibility and Sustainability Report (BRSR). This report provides stakeholders with detailed information about our ESG initiatives, including our environmental stewardship, social impact, and corporate governance practices.

Code of Conduct

We have implemented a Code of Conduct that sets out the principles and values that govern our employees' behaviour. This Code ensures honest and prudent conduct and provides best practices and disclosure guidelines.

Stakeholder Engagement

We recognise the importance of engaging with stakeholders, including employees, investors, communities, and regulators. By actively listening to their concerns and expectations, we gain valuable insights that form our strategies and decision-making processes, and build strong relationships while aligning our actions with stakeholder interests.

Transparency and Disclosures

Transparency is a fundamental principle of our corporate governance

practices. We believe in disclosing relevant information to stakeholders, including financial statements, governance structure, material changes, and policies. Through transparent reporting, we aim to provide stakeholders with a comprehensive understanding of our operations, enabling informed decision-making.

Compliance

At CDSL, we ensure compliance with applicable laws and regulations. We employ a Compliance Management Software to streamline compliance management, which enables effective monitoring and ensures adherence to regulatory requirements.

Performance Evaluation

We conduct regular internal and external evaluations of our Directors, Chairperson, Governing Board and statutory committees. These evaluations assess individual and collective performance, providing valuable feedback that enables continuous improvement. By upholding rigorous performance standards, we strive to maintain the highest levels of governance effectiveness.

Corporate Social Responsibility

Empowering Thriving Communities

We channelise our CSR initiatives to enriching lives and creating opportunities for our communities that enable them to bring change to their lives. We focus on promoting health and education, women's empowerment, support for children and the elderly and environmental sustainability. These initiatives create a positive ripple effect, contributing to societal well-being.

Healthcare Initiatives

Reaching Healthcare to Remote Corners

In collaboration with Smile Foundation, we have deployed a fleet of fully equipped mobile healthcare units in the challenging terrains of Jaisalmer and Ladakh. These units reach essential medical services to the last mile population with assistance from skilled medical professionals dedicated to serving marginalised communities.

The aim is to reduce out-of-pocket expenses by providing outpatient services, encourage healthy habits, improve the quality of healthcare, and ensure pregnant and lactating mothers get medical attention when they need it.

Environmental Initiatives

Restoring Biodiversity

In collaboration with SankalpTaru Foundation, we organised a tree plantation programme along with geo-tagging in various regions of India, including Kutch, Pune and Hyderabad, contributing to environmental preservation. Additionally, we supported the Barren Community Land Transformation (BCLT) programme, through which we transformed barren lands held by panchayats or government departments into thriving, biodiverse forests over a period of three years. This project in the border areas of Kutch has positively impacted both communities and wildlife in the area.

Research Initiatives

Strengthening Cyber Security for MSMEs

We supported Project Vajra, initiated by IIT Bombay. The initiative aims at empowering micro, small, and medium enterprises (MSMEs) with limited financial resources to defend against cyberattacks. Vajra pushes the envelope of innovation in high-tech domains like cyber security. Its ability lies in gathering fine-grained contextual information in real time to detect malicious activities.

Vajra has been released for use

Protecting against Financial Fraud and Wrongdoing

We collaborated with Rashtriya Raksha University (RRU), Gandhinagar, to introduce a programme centred on the prevention of victimisation from forgeries and financial frauds. This initiative aims to enhance awareness and equip law enforcement agencies, Central Armed Police Forces (CAPFs), defence personnel, and the public with essential knowledge to effectively protect their finances.

TAX RELATED INFORMATION

8. Pursuant to the Finance Act, 2020, Dividend Income will be taxable in the hands of the Shareholders w.e.f. April 01, 2020 and the Company is required to deduct Tax at Source ("**TDS**") from Dividend paid to the Members at prescribed rates in the Income Tax Act, 1961 ("**the IT Act**"). In general, to enable compliance with TDS requirements, Members are requested to complete and/or update their Residential Status, Permanent Account Number ("**PAN**"), Category as per the IT Act with their Depository Participants ("**DPS**") or in case shares are held in physical form, with the Company, by sending documents through e-mail to rnt.helpdesk@linkintime.co.in by August 02, 2024. Additionally, the Shareholders are also requested to refer para 10 below and provide necessary declaration/information on the following link: <https://liiplweb.linkintime.co.in/formsreg/submission-of-form-15g-15h.html>
9. The rate of TDS as per the IT Act, would depend upon the status of the recipient and is explained herein below:

i. Resident Shareholders:

In case of resident Shareholders, Section 194 of the IT Act provides mandate for withholding tax @10% on Dividend Income. In absence of PAN, invalid PAN or PAN-Aadhaar not being linked (applicable from July 01, onwards) or person being categorised as specified person (to be verified from the Government enabled utility) TDS rate of 20% will apply.

Resident Shareholders, being an individual, whose total dividend income in a financial year exceeds ₹ 5,000 and who wish to receive Dividend without deduction of tax at source may submit a declaration in Form No. 15G/ Form No. 15H. Template of Form No. 15G/15H can also be downloaded from the website of the Company.

Shareholders are requested to note that while submission of original form is mandatory, they may submit the said documents on the following link: <https://liiplweb.linkintime.co.in/formsreg/submission-of-form-15g-15h.html>

Nil/lower tax shall be deducted on the Dividend payable to following resident Shareholders on submission of self declaration as listed below:

1. Insurance Companies: Declaration by Shareholder qualifying as Insurer as per Section 2(7A) of the Insurance Act, 1938 along with self-attested copy of PAN card;
2. Mutual Funds: Declaration by Mutual Fund Shareholder eligible for exemption under Section 10(23D) of the IT Act along with self-attested copy of registration documents and PAN card;

3. Alternative Investment Fund (AIF) established in India: Declaration that the Shareholder is eligible for exemption under Section 10(23FBA) of the IT Act and they are established as Category I or Category II AIF under the SEBI regulations, along with copy of self attested registration documents and PAN card;
4. New Pension System Trust: Declaration along with self-attested copy of documentary evidence supporting the exemption and self attested copy of PAN card;
5. Other Shareholders: Declaration along with self attested copy of documentary evidence supporting the exemption and self-attested copy of PAN card;
6. Shareholders who have provided a valid certificate issued under Section 197 of the IT Act for lower/nil rate of deduction or an exemption certificate issued by the Income Tax authorities along with Declaration.

ii. Non-resident Shareholders:

In case of non-resident Shareholders other than foreign companies and firms, the IT Act provides mandate for withholding tax at the rate of 20% plus applicable surcharge and health and education cess of 4% on dividend income making effective rate of TDS as under:

Particulars	Surcharge Rate	Effective TDS rate
Dividend Income not exceeding ₹ 50,00,000	Nil	20.80%
Dividend Income exceeds ₹ 50,00,000 but does not exceed ₹ 1,00,00,000	10%	22.88%
Dividend Income exceeding ₹ 1,00,00,000	15%	23.92%

In case of Shareholders, being foreign companies, the IT Act provides mandate for withholding tax at the rate of 20% plus applicable surcharge and health & education cess of 4% on Dividend Income making effective rate of TDS as under:

Particulars	Surcharge Rate	Effective TDS rate
Dividend Income not exceeding ₹ 1,00,00,000	Nil	20.80%
Dividend Income exceeds ₹ 1,00,00,000 but does not exceed ₹ 10,00,00,000	2%	21.22%
Dividend Income exceeding ₹ 10,00,00,000	5%	21.84%

In case of Shareholders, being foreign firms/LLP, the IT Act provides mandate for withholding tax at the rate of 20% plus applicable surcharge and health & education cess of 4% on Dividend Income making effective rate of TDS as under:

Particulars	Surcharge Rate	Effective TDS rate
Dividend Income not exceeding ₹ 1,00,00,000	Nil	20.80%
Dividend Income exceeds ₹ 1,00,00,000	12%	23.30%

In respect of non-resident Shareholders (including foreign companies), the TDS rates mentioned above will be further subject to any benefits available under the Double Taxation Avoidance Agreement (“DTAA”) read with Multilateral Instrument (“MLI”) provisions, if any, between India and the country in which the non-resident is considered resident in terms of such DTAA read with MLI.

In order to claim benefit under DTAA, the non-resident Shareholders would be required to submit the following documents on or before August 02, 2024:

- Tax Residency Certificate (“TRC”) issued by the Tax/Government authority of the country in which the Non-Resident Shareholder is a resident of (valid for the FY 2023-24);

- Declaration from Shareholders stating the following [template available on the website of the Company]:
 - That the Shareholder did not at any time during the relevant year have a permanent establishment in India;
 - That the Shareholder is the beneficial owner of the Dividend;
 - That the construct and affairs of the Shareholder is not arranged with the main or principal purpose of obtaining any tax benefits, directly or indirectly, under the Tax Treaty;
 - That the arrangement of the Shareholder is not covered under impermissible avoidance arrangement.
- Permanent Account Number – In absence of PAN, Shareholder is required to provide the following details:
 - Contact Address:
 - E-mail Address:
 - Contact Number:
 - Tax identification number:

Application of beneficial DTAA rate shall depend upon the completeness and satisfactory review of the documents submitted by the non-resident Shareholders. The Company will apply its sole discretion and is not obligated to apply the beneficial DTAA rates for tax deduction on Dividend payable to Shareholders.

Please note:

1. Shareholders holding shares under multiple accounts under different status/category (e.g. resident and non-resident) and single PAN, may note that, higher of the tax as applicable to the status in which shares held under a PAN will be considered on their entire holding in different accounts.
2. For Shareholders who are identified as “Specified Persons” under Section 206AB of the IT Act, higher tax rate as applicable would be deducted if:
 - a) Shareholder has not filed the return of income for the assessment year relevant to the previous year immediately before the previous year in which tax is required to be deducted/collected. Previous year for FY 2024-25 would be FY 2023-24.
 - b) Aggregate of tax deducted at source and tax collected at source is Rupees Fifty Thousand or more in the said previous year.

For the purpose of TDS, Company will verify the status (i.e., Specified Person or not) from the Government enabled online facility and deduct TDS accordingly.

It may be further noted that, in case the tax on said Dividend is deducted at a higher rate in the absence of receipt of the aforementioned details/documents from you or on application of provisions of Section 206AB of the IT Act, there would still be an option available with you to file the return of income and claim an appropriate refund, if eligible.

No claim shall lie against the Company for such taxes deducted.

In the event of any Income Tax demand (including interest, penalty, etc.) arising from any misrepresentation, inaccuracy or omission of information provided/to be provided by the Shareholder(s), such Shareholder(s) will be responsible to indemnify the Company and also provide the Company with all information/documents and co-operation in any appellate proceedings.

Disclaimer: This communication shall not be treated as an advice from the Company. Shareholders should obtain the tax advice related to their tax matters from a tax professional.

10. Declaration under Rule 37BA of Income Tax Rules, 1962:

In terms of Rule 37BA of the Income Tax Rules, 1962, if Dividend Income on which tax has been deducted at source is assessable in the hands of a person other than the deductee, then such deductee should file declaration

with Company in the manner prescribed in the Rules. The draft format of the declaration is attached herewith.

Kindly note that below-mentioned declaration for giving credit of taxes deducted to the beneficial owner should be made on or before August 02, 2024. Requests received after August 02, 2024 will not be entertained and Tax on dividend would be deducted in the name of deductee.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013.

The following statement sets out all material facts relating to Special Business as mentioned in the accompanying Notice:

Item No. 4

The existing Authorised Share Capital of the Company is ₹ 1,50,00,00,000/- (Rupees One Hundred and Fifty Crores Only) divided into 15,00,00,000 (Fifteen Crores) Equity Shares of ₹ 10/- (Rupees Ten Only) each.

In order to broaden the existing capital structure of the Company and to enable the Company to issue Bonus Shares, the Board of Directors of the Company at its Meeting held on July 02, 2024, proposed to increase the Authorised Share Capital of the Company from ₹ 1,50,00,00,000/- (Rupees One Hundred and Fifty Crores Only) divided into 15,00,00,000 (Fifteen Crores) Equity Shares of ₹ 10/- (Rupees Ten Only) each to ₹ 3,00,00,00,000/- (Rupees Three Hundred Crores Only) divided into 30,00,00,000 (Thirty Crores) Equity Shares of ₹ 10/- (Rupees Ten Only) each ranking *pari passu* in all respect with the existing Equity Shares of the Company and accordingly alter the Authorised Share Capital in *Clause V* of the Memorandum of Association of the Company.

Pursuant to the provisions of Section 13, 61, 64 and Rules made thereunder and other applicable provisions, if any, of the Companies Act, 2013 read with the Rules made thereunder, an increase in the Authorised Share Capital and alteration *Clause V* of Memorandum of Association of the Company requires the approval of the Members.

Accordingly, approval of the Members of the Company is hereby sought by way of Ordinary Resolution as set out in Item No. 4 in the Notice.

The draft of the altered Memorandum of Association is available for inspection at the Registered Office of the Company on any working day during business hours.

The Board of Directors recommends the above Ordinary Resolution for your approval.

None of the Directors, Manager, Key Managerial Personnel or their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolution set out in Item No. 4 of the Notice save and except to the extent of their respective interest as Shareholders of the Company, as applicable.

Item No. 5

Pursuant to amendments in the SEBI (Depositories and Participants) Regulations, 2018 [D&P Regulations] notified vide Gazette Notification dated February 28, 2023 and applicable w.e.f. August 28, 2023, there was a requirement to alter the Articles of Association of the Company to align with these amendments. The Board of Directors of the Company at its Meeting held on February 03, 2024, had approved the alteration of Articles of Association of the Company.

Additionally, the Board of Directors of the Company at its Meeting held on July 02, 2024, had approved the issuance of Bonus Shares of the Company, which will also require alteration of *Clause 4 (Share Capital)* of the Articles of Association of the Company.

Pursuant to the provisions of Section 14 and other applicable provisions, if any, of the Companies Act, 2013 read with the Rules made thereunder any alteration in the Articles of Association of the Company requires the approval of the Members.

The relevant clauses of AOA which are proposed to be amended are detailed in the Resolution.

Accordingly, approval of the Members of the Company be and is hereby sought by way of Special Resolution as set out in Item No. 5 in the Notice.

The draft of the altered Articles of Association is available for inspection at the Registered Office of the Company on any working day during business hours.

The Board hereby recommends the above Special Resolution for your approval.

None of the Directors, Manager, Key Managerial Personnel or their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolution set out in Item No. 5 of the Notice save and except to the extent of their respective interest as Shareholders of the Company, as applicable.

Item No. 6

In order to commemorate the 25-year silver jubilee celebrations and to further enhance Shareholders' value, the Board of Directors of the Company at its Meeting held on July 02, 2024, after considering the available reserves, subject to the consent of the Shareholders of the Company and all other requisite approvals, permissions and sanctions, had approved and recommended to capitalise to the extent of ₹ 1,04,50,00,000/- (Rupees One Hundred and Four Crores Fifty Lakhs Only) standing to the credit of free reserves including General Reserves and Retained Earnings, for issuance of Bonus Shares in proportion of 1:1 i.e. 1 (One) new fully paid-up Equity Share of ₹ 10/- (Rupees Ten Only) each for every 1 (One) existing fully paid-up Equity Share of ₹ 10/- (Rupees Ten Only) each to the eligible Shareholders of the Company whose names appear in the Register of Shareholders' of the Company/List of Beneficial Owners as received from the National Securities Depository Limited ("NSDL") and Central Depository Services (India) Limited ("CDSL") on the 'Record Date'.

Article 145 of the Articles of Association of the Company authorise the Company to issue Bonus Shares by the capitalisation of free reserves including General Reserves & Retained Earnings by the Board of Directors of the Company.

The issue of Bonus Shares, if approved by the Shareholders, will be made in line with the provisions of Section 63

of the Companies Act, 2013, Listing Regulations or any other statutory provisions for the time being in force and subject to consents and approvals as may be required from the appropriate authorities if any (including any statutory modification(s), re-enactment(s), amendment(s), clarification(s) or substitution(s) thereof for the time being in force).

The new Equity Shares of ₹ 10/- (Rupee Ten Only) each to be issued and allotted as Bonus Shares shall be issued in dematerialised form only and shall be subject to the provisions of the Memorandum and Articles of Association of the Company and shall rank *pari passu* in all respects and carry the same rights as the existing fully paid-up Equity Shares of the Company.

Further, pursuant to Regulation 294(6) of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018, the allotment of shares in Bonus Issue shall be made in dematerialised form only, and thus, in case of Shareholders who hold Equity Shares in dematerialised form, the Bonus Shares shall be credited to the respective beneficiary accounts of the Shareholders with their respective Depository Participant(s) and in the case of Shareholders who hold Equity Shares in physical form, the Bonus Shares shall be transferred to the Suspense Account opened in this regard, within such time as prescribed by law and the relevant authorities, subject to guidelines issued by SEBI in this regard.

In case of fractional shares, if any, arising out of the issue and allotment of the Bonus Shares, it is proposed to authorise the Board of Directors to make suitable arrangements to deal with such fractions for the benefit of the eligible Shareholders, including but not limited to, allotting the total number of new Equity Shares representing such fractions to a person(s) to be appointed by the Board of Directors who would hold them in trust for such Shareholders and shall, as soon as possible, sell such Equity Shares at the prevailing market rate and the net sale proceeds of such Equity Shares, after adjusting the cost and the expense in respect thereof, be distributed among such Shareholders who are entitled to such fractions in the proportion of their respective fractional entitlements.

The Company has not issued any debt securities, nor has it accepted any fixed deposits. Further, the Company has not defaulted, in respect of the payment of statutory dues of the employees such as contribution to provident fund, gratuity and bonus. The Company has no partly paid-up shares. None of the Promoters or Directors of the Company are fugitive economic offender.

The Special Resolution, if passed, will have the effect of allowing the Board of Directors to offer, issue and allot Bonus Shares to those whose names appear in the Register of Shareholders of the Company on the Record Date, as decided by the Board or Management.

Accordingly, approval of the Members of the Company is hereby sought by way of Special Resolution as set out in Item No. 6 in the Notice.

The Board of Directors recommends the above Special Resolution for your approval.

None of the Directors, Manager, Key Managerial Personnel or their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolution set out in Item No. 6 of the Notice except to the extent of their shareholding, if any, in the Company.

Item No. 7

The Company invests the surplus funds in securities such as units of mutual funds, bonds, Government securities and bank fixed deposits etc. in the ordinary course of business within the framework of investment policy approved by the Board.

As per Section 186 of the Act read with the Rules framed thereunder, the Company is required to obtain the prior approval of the Shareholders by way of a Special Resolution to (a) give any loan to any person(s) or other body corporate(s); (b) give any guarantee or provide security in connection with a loan to any person(s) or other body corporate(s); and (c) acquire by way of subscription, purchase or otherwise, securities of any other body corporate exceeding the limit of 60% of its paid up capital and free reserves and securities premium account of the Company or 100% of its free reserves and securities premium account, whichever is more.

The Shareholders had accorded its approval through a Special Resolution at the Annual General Meeting held on August 20, 2018, for investments in excess of the limits set forth in Section 186 of the Companies Act, 2013 and accordingly the approval was taken for investments in securities at any point of time of not exceeding ₹ 1200 Crores.

However, it was thought expedient by the Board in its meeting held on July 02, 2024 that as a measure of achieving greater financial flexibility, the said limits specified under Section 186 required to be increased from ₹ 1,200 Crores (Rupees One Thousand and Two Hundred Crores Only) to ₹ 2,000 Crores (Rupees Two Thousand Crores Only) subject to Shareholders' approval.

The Board of Directors recommends the above Special Resolution for your approval.

None of the Directors, Manager, Key Managerial Personnel or their relatives are, in any way, concerned or interested, financially or otherwise, in the Resolutions set out in Item No. 7 of the Notice except to the extent of their shareholding, if any, in the Company.

Further, a separate statement containing

the salient features of the financial statement of our subsidiary and associate companies in the prescribed format of Form AOC-1 is appended as **Annexure-A** to the Board's Report. The statement also provides details of the performance and financial position of each of the subsidiary and associate companies.

In accordance with Section 136 of the Companies Act, 2013, the audited financial statements including the consolidated financial statements and all other related documents and information of the Company and separate audited accounts in respect of each of the subsidiary companies are available on our website <https://www.cdslindia.com/InvestorRels/AnnualReports.html>. These documents will be available for inspection till the date of AGM during working hours at the registered office of the Company.

C. General Reserves:

The Company has not transferred any amount out of the profits of the year to General Reserves.

D. Dividend:

The Board of Directors of CDSL has recommended final dividend of ₹ 19 per Equity Share and to commemorate the 25-year silver jubilee celebration, a special dividend of ₹ 3 per Equity Share thus totalling the dividend to ₹ 22 per Equity Share of the face value of ₹ 10 each fully paid up for the financial year 2023-24, (Previous year ₹ 16 per Equity Share of the face value of ₹ 10 each), subject to the approval of the Shareholders.

The final dividend including special dividend, if approved, would result in a cash outflow of ₹ 22,990 Lakh and dividend payout ratio at 70.42%. This is the highest dividend paid by your Company in its history.

The dividend recommended is in accordance with the principles and criteria as set out in the Dividend Distribution Policy. The Policy can also be accessed on the Company's website at <https://www.cdslindia.com/InvestorRels/CorporateGovernance.html>

2. Share Capital:

A. Change in Capital Structure:

Authorised Share Capital of your Company is ₹ 150,00,00,000 divided into 15,00,00,000 Equity Shares of ₹ 10 each whereas the Issued and Paid-up Share Capital is ₹ 104,50,00,000 divided into 10,45,00,000 Equity Shares of ₹ 10 each.

B. Proposal of issuance of Bonus Shares

Your Company, in celebration of its 25th anniversary and with the aim to enhance Shareholder value and increase liquidity of shares, proposes to issue Bonus Shares for the first time in the history of CDSL.

The Board, in its meeting convened on July 02, 2024, approved and recommended the issuance of Bonus Shares in the ratio of 1:1 as part of the anniversary celebration. This is subject to Shareholders' approval and is part of the Annual General Meeting notice.

The Company currently has 10,45,00,000 fully-paid-up Equity Shares with a face value of ₹ 10 each. Under the proposal, one Bonus Share will be allotted for every Equity Share held.

Eligible Shareholders as on the record date, to be determined by the Governing Board or Management, will receive the Bonus Shares. These new Bonus Shares will increase the paid-up capital of the Company. This will also not be considered as income in lieu of dividend.

3. Business Performance and Overview: Indian Capital Markets

In the Fiscal Year 2023-24, Indian capital markets witnessed a robust rally, pushing the total market capitalisation beyond USD 4 trillion for the first time. By May 2024, this figure surged to USD 5 trillion, solidifying India's position as the world's 4th largest equity market. The International Monetary Fund (IMF) projects India's growth to remain strong at 6.8% for FY 2024-25.

Recent performance highlights of the Indian capital markets include a 20% growth in 2023 and a significant 28.6% increase now in FY 2024. Impressively, the market has shown positive growth in 8 out of the last 9 calendar years, with the latest trillion added within just six months.

This growth is mirrored in the surge of demat accounts, which recorded a remarkable 32% year-on-year increase. Digitisation initiatives have played a crucial role in expanding access to stock markets and depository services, benefiting individuals from across the nation – including Tier 2 and Tier 3 cities, who are now actively participating in financial markets due to ease of doing business.

To sustain this momentum in the depository business, your Company remains committed to enhancing operational efficiency, upgrading technology infrastructure, improving service quality, and placing increased emphasis on investor education through investor awareness initiatives thus underscoring our theme of educating new investors, enabling them with tools to access and overall empowering them to be an Atmanirbhar Niveshak or a self-sufficient investor.

Operational Performance:

A. Depository Participants and Service Centers:

As on March 31, 2024, 580 Depository Participants held valid registration certificates of Securities and Exchange Board of India (SEBI) as compared to 588 valid SEBI registrations as on March 31, 2023. Further, investors have access to 17,487 DP service centers spread across India.

B. Beneficial Owner Accounts:

During the year under review, 3.26 Crore net Beneficial Owner (BO) accounts were added, taking the total number of such accounts to 11.56 Crore as on March 31, 2024, making us the first depository to cross the 11 Crore demat accounts milestone.

The comparative figures of net BO accounts as on March 31, 2023, and March 31, 2024, are given in the following table:

Year ended March 31, 2024	Year ended March 31, 2023	Increase over the previous year's cumulative figure

4. Initiatives Towards Enabling and Empowerment of Investors:

Several key developments were implemented during FY 2023-24 that enabled in sustaining the growth trajectory.

Key Developments:

A. Introduction of T+0 Rolling Settlement Cycle:

A beta version of the T+0 rolling settlement cycle was introduced by SEBI on an optional basis alongside the existing T+1 settlement cycle in the Equity Cash Markets, effective March 2024. This was a significant step towards enhancing market efficiency, reducing risk, and aligning with global best practices. Globally, the move towards shorter settlement cycles is gaining traction.

The global trend towards faster settlement cycles encourages the importance of India's proactive measures in advancing its financial market infrastructure, positioning our country at the forefront of global market developments.

B. Application Programme Interface (API):

CDSL has developed few more APIs viz. Early Pay-in Transactions, Margin Repledge and Destatementisation, etc. for its Depository Participants (DPs), which assist the DPs in automating their processes and back-office operations.

APIs for Account Opening, eDIS, Common Transaction Upload (which includes off-market, on-market, early pay-in & inter depository transactions), Pledge/Unpledge/Confiscation transactions, Margin Pledge & Margin Funding Transactions were already being used by large number of DPs. This has led to ease in operations of all the CDSL DPs and the market participants.

C. Consolidated Account Statement (CAS)

-Inclusion of NPS details in CAS:

Till recently, the CAS provided investors with a consolidated statement of transactions and holdings held in both depositories' demat accounts and units of mutual funds held in Statement of Account (SOA) form. Following directives from SEBI and Pension Fund Regulatory and Development Authority (PFRDA), NPS transactions were included in CAS/eCAS. This integration allowed Central Recordkeeping Agencies (CRAs) to work with depositories to provide NPS Subscribers the option to include NPS transactions in CAS.

Now, a consolidated account statement (CAS) including NPS is sent to investors for all three CRAs. This initiative eliminates the need for separate statements for various investments by consolidating the information into a single statement. This consolidation simplifies tracking investments and provides timely information to investors.

-Multilingual eCAS

CDSL has introduced a Multilingual Electronic Consolidated Account Statement (e-CAS) to enhance investor experience and accessibility. This initiative aims to cater to the diverse linguistic needs of investors across India, promoting inclusivity and better understanding of financial statements. The Multilingual e-CAS is available in multiple Indian languages. This allows investors to receive their account statements in their preferred regional language, making it easier to understand and manage their investments.

By providing account statements in various languages, CDSL aims to bridge the communication

gap for investors who are more comfortable with languages other than English or Hindi. This move is especially beneficial for retail investors. The multilingual feature is part of CDSL's broader effort to make the investment process more user-friendly and transparent. It helps in demystifying financial jargon and complex transaction details for non-English speaking investors. Investor can choose from any of the 23 regional languages.

The introduction of the Multilingual e-CAS by CDSL marks a significant step towards making the Indian capital market more inclusive and investor friendly. It reflects CDSL's commitment to leveraging technology and innovation to enhance investor services and broaden market participation.

D. Account Aggregator (AA) Ecosystem – CDSL as FIP

The Account Aggregator system, a recent addition to India's digital infrastructure, is crucial in transforming the financial services sector. CDSL is committed to RBI and SEBI's efforts to enhance transparency, data privacy, and financial inclusion through this framework. Account Aggregator is a type of RBI regulated framework that helps an individual securely and digitally access and share information from one financial institution they have an account with to any other regulated financial institution in the AA network with their consent. Account Aggregator (AA) is the connector between Financial Information User (FIU) and Financial Information Provider (FIP) with a purpose to provide transparent information to users.

CDSL as a FIP, is live with total 14 Account Aggregators and providing the financial information for security types such as Equity, Mutual Funds (MF), Exchange Traded Funds (ETF), Indian Depository Receipts (IDR), Collective Investment Schemes (CIS), Alternative Investment Funds (AIF), Units of Infrastructure Investment Trusts (INVIT) & Units of Real Estate Investment Trusts (REIT).

5. Initiatives on Education & Empowerment of Investors:

A. Investor Awareness/Education Seminars:

CDSL Investor Protection Fund (CDSL IPF) in association with SEBI, Market Infrastructure Institutions (MIIs) and other entities like DPs, educational institutions etc. conducts Investor Awareness Programmes (IAPs) throughout the year, across the country. These programmes are conducted in both online and offline modes, covering current and potential investors across demographics.

During the Fiscal Year 2023-24, CDSL IPF conducted a comprehensive series of 2,345 IAPs in English, Hindi, and 16 other regional languages.

Through these programmes, CDSL IPF effectively engaged with a diverse range of investors and potential investors, covering salaried people, students, self-help groups, the armed forces, professionals and senior citizens. Out of the 2,345 programmes, 374 were conducted exclusively for existing and potential women investors. Overall, we engaged with over 1.45 Lakh investors across the country. These IAPs played a pivotal role in encouraging meaningful interactions and discussions aimed at enriching participants' understanding of Indian capital market dynamics.

Moreover, to further empower investors, a comprehensive booklet titled "Securities Market Understanding from Investor's Perspective" was collaboratively developed by SEBI, CDSL, and other MIIs. This informative resource, available in 13 regional languages, was distributed to investors to enhance their knowledge and serve as a valuable reference guide.

B. Social Media Campaign:

Recognising the evolving trends in media consumption, we strategically utilised social media platforms to engage with a younger demography and enhance investor awareness. At the core of this effort was the 'No Shak Niveshak' campaign, which served as a cornerstone initiative.

Under this campaign, a diverse range of content formats, such as videos, static posts, quizzes, and more, were curated to effectively capture and sustain the audience's interest. This approach aimed to educate and empower investors through engaging and informative content.

In addition to the campaign, our social media channels—Facebook ([@cdslindia](#)), X (formerly Twitter) ([@cdslindia](#)), LinkedIn ([@cdslindia](#)), Koo ([@cdslindia](#)), Instagram ([@cdslindia](#)), and YouTube ([@CDSLIndiaLtd](#))—played a pivotal role. These platforms were utilised to disseminate crucial notifications, including deadlines for nominations and PAN-Aadhaar linking, updates on 6 KYC attributes, voluntary freeze options, and information on upcoming IAPs.

Furthermore, we leveraged WhatsApp and email communications effectively to ensure comprehensive outreach to investors, thereby fostering greater engagement and participation in financial markets. This integrated approach underscored our commitment to leveraging digital platforms for proactive investor education and engagement.

C. Website Resources:

As part of the digital touchpoints for investors, the Company website is a key component, which is being constantly updated to provide relevant and timely information using the latest technology. A milestone initiative was the launch of 'CDSL Buddy', a unique multilingual chatbot, aiming to simplify investors' journeys toward 'Atmanirbharta' or self-sufficiency. By offering support in currently four languages to begin

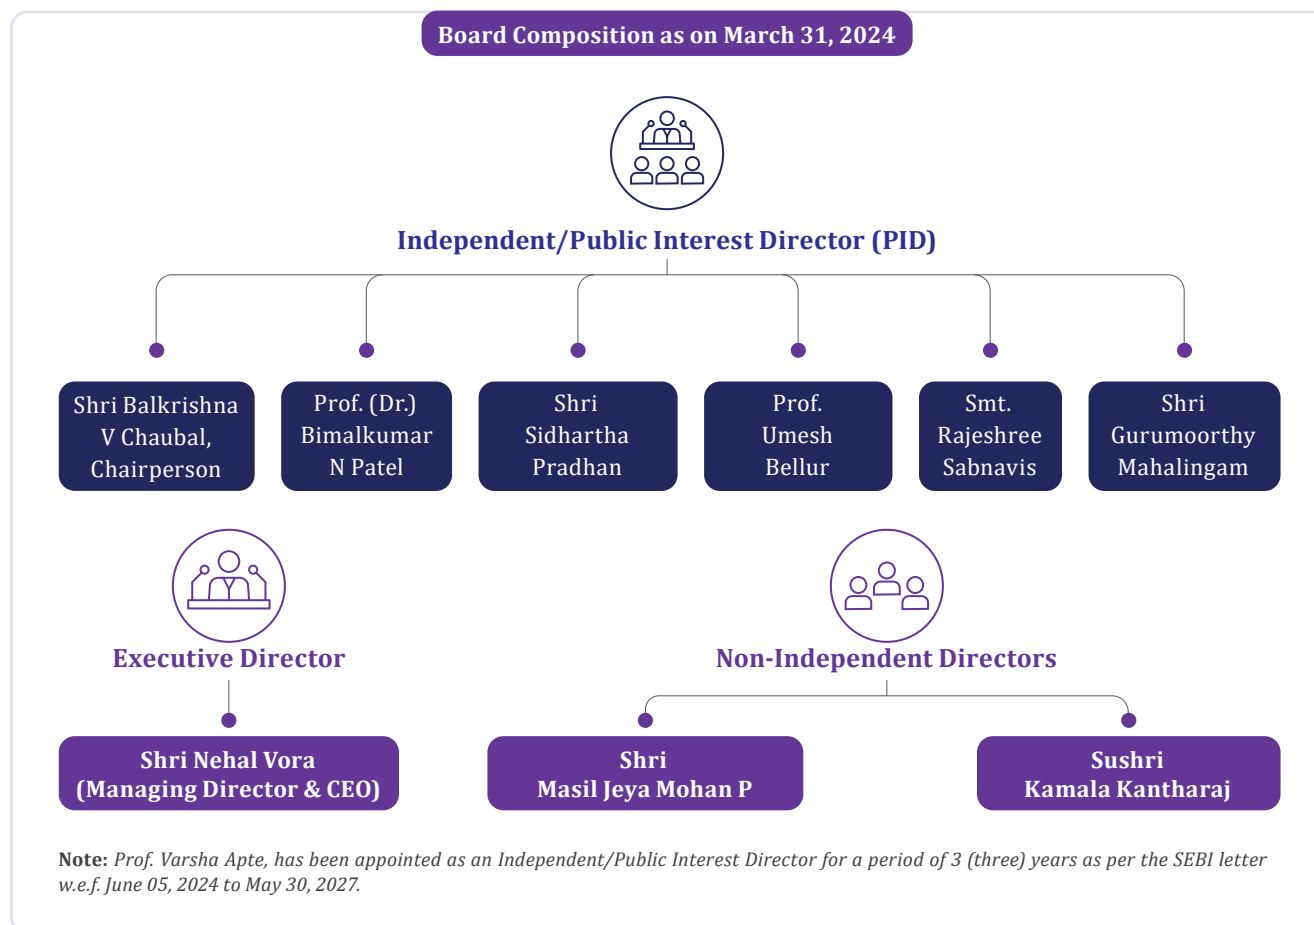

with, the chatbot is a constant companion, providing round-the-clock assistance to investors navigating the nuances of our securities markets.

The website also provides investors with information pertaining to safe investment practices and upcoming IAPs.

Report On Corporate Governance

In compliance with Regulation 34(3) and Part (C) of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, [**“SEBI Listing Regulations/SEBI LODR Regulations”**], Report on Corporate Governance for the financial year 2023-24 is presented below:

COMPANY'S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE:

At CDSL, our commitment to outstanding Corporate Governance is rooted in core values of transparency, integrity and professionalism. As a Market Infrastructure Institution (MII), we are dedicated to delivering convenient, secure and efficient depository services while strictly adhering to regulatory frameworks. Our strategies are designed to meet regulatory standards, demonstrating our strong commitment to upholding the highest levels of Corporate Governance.

Under the guidance of an esteemed Board of Directors and an experienced Executive Management Team, CDSL embraces the holistic approach that not only enhances our responsibilities but also deepens our relationships with Stakeholders and Regulatory Bodies.

The Corporate Governance philosophy of CDSL has been further strengthened with the adoption of the following codes:

1. Code of Conduct for Governing Board, Directors, Committee Members & Key Management Personnel;
2. Code of Conduct for Directors and Senior Management;
3. Code of Conduct for Prohibition of Insider Trading; and
4. Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information.

Throughout FY 2023-24, we enhanced our governance practices to align closely with statutory requirements, including the Companies Act, 2013, SEBI Listing Regulations and SEBI (Depositories & Participants) Regulations, 2018 [**“SEBI (D&P) Regulations”**] or any amendments thereto.

BOARD COMPOSITION AND CATEGORY OF DIRECTORS:

The Board provides leadership, guidance, oversees the governance framework and discharges all its fiduciary duties for safeguarding the interest of the Company and its Stakeholders. The Board reviews the governance policies and assesses them periodically in the context of current Corporate Governance trends, regulatory changes and recognized best practices. An active, well-informed and independent Board is necessary to ensure the highest standards of Corporate Governance.

As on the date of this report, the Governing Board of the Company consisted of 10 (Ten) Directors comprising of 7 (Seven) Public Interest Directors (including two Women Public Interest Directors), 2 (Two) Non-Independent Directors and 1 (One) Managing Director & Chief Executive Officer. The Chairperson of the Company is Public Interest Director (Non-Executive & Independent Director).

The composition of the Governing Board of the Company represents the optimal mix of professionalism, qualification, knowledge, requisite skill sets, track record, integrity, expertise and diversity of experience as required under the SEBI (D&P) Regulations on the Governing Board of a Depository. The Board along with its Committees undertakes its fiduciary duties keeping in mind the interests of all its Stakeholders and the Corporate Governance philosophy of the Company.

The constitution of the Governing Board of the Company is in compliance with Regulation 24 of the SEBI (D&P) Regulations and Regulation 17 of the SEBI Listing Regulations. Further, all Directors of the Company are “Fit and Proper Person” in terms of Regulation 23 of the SEBI (D&P) Regulations.

SUCCESSION PLANNING

The Nomination and Remuneration Committee works with the Governing Board on the leadership succession plan to ensure orderly succession in appointments to the Board and Senior Management positions. The Company strives to maintain an appropriate balance of skills and experience within the organization and the Governing Board as an endeavor to introduce new perspectives while maintaining experience and continuity. In addition, promoting Senior Management within the organization fuels the ambitions of the talent force to earn future leadership roles.

**Details of attendance of the Directors at the Board Meetings and the last Annual General Meeting are given as under:**

The Company has organized Board and Committee Meetings at regular intervals to discuss and approve Company's business strategy as well as other statutory and general matters. The Board periodically reviews the compliance status with all applicable statutory laws, acts, rules & regulations, Company's policies and steps taken by the Company to rectify the instances of non-compliance, if any.

Each Department establishes the agenda for Board Meeting, in consultation with the Managing Director & Chief Executive Officer (MD & CEO) and the Company Secretary circulates the agenda sufficiently in advance of each Meeting except in case of Unpublished Price Sensitive Information (UPSI) agenda items, after obtaining the prior approval of the Chairperson of the Governing Board as per the SEBI (D&P) Regulations to ensure that the Board Members are apprised of the principal matters to be considered.

The Board meets at least once in a quarter *inter-alia* to review the quarterly financial results and operations of the Company. In addition, the Board also meets when necessary to address specific issues relating to the business. In case of special and urgent business needs, the approval of Board and other Committees are taken by passing resolutions by circulation as permitted under Section 175 of the Companies Act, 2013, which is noted at the subsequent Board and respective Committee Meetings.

The Board/Committee Meetings are pre-scheduled, and a tentative annual calendar of the Board and Committee Meetings is circulated to the Board of Directors well in advance to facilitate them to plan their schedule and to ensure meaningful participation in the Meetings of the Company. The Company Secretary acts as the Secretary to the Board Meetings.

During the year under review, the Board met Thirteen (13) times. The gap between two Board Meetings during this period did not exceed one hundred and twenty (120) days.

The attendance details of each Director for the Board Meetings and Annual General Meeting are given below:

3. Changes in the Risk Management Committee during the year:

During the year, there were no changes in the composition of Risk Management Committee.

F. Independent Directors (Public Interest Directors) Committee:

For the Governing Board of the Company to exercise free and fair judgment in all matters related to the functioning of the Company as well as the Board, it is important for the Independent Directors to have Meetings without the presence of the Executive Management. As prescribed under clause VII of Schedule IV of the Companies Act, 2013 as well Part B of Schedule III of SEBI (D&P) Regulations and Regulation 25 of the SEBI Listing Regulations, the Public Interest Directors ("PIDs") have met thrice separately, on April 27, 2023, October 09, 2023 and March 20, 2024 to exchange their views on critical issues and on the action points laid down by SEBI.

1. Terms of reference of Meeting of Public Interest/Independent Directors:

- help in bringing an independent judgment to bear on the Board's deliberations especially on issues of strategy, performance, Risk Management, resources, key appointments and standards of conduct;
- bring an objective view in the evaluation of the performance of board and management;
- scrutinize the performance of management in meeting agreed goals and objectives and monitor the reporting of performance;
- satisfy themselves on the integrity of financial information and that financial

controls and the systems of Risk Management are robust and defensible;

- safeguard the interests of all stakeholders, particularly the minority shareholders;
- balance the conflicting interest of the stakeholders;
- determine appropriate levels of remuneration of executive directors, key managerial personnel and senior management and have a prime role in appointing and where necessary recommend removal of executive directors, key managerial personnel and senior management;
- moderate and arbitrate in the interest of the company as a whole, in situations of conflict between management and shareholder's interest;
- review the performance of non-independent directors and the board as a whole and its committees;
- review the performance of the Chairperson of the company, considering the views of executive directors and non-executive directors;
- assess the quality, quantity and timeliness of flow of information between the company management and the Board that is necessary for the Board to effectively and reasonably perform their duties;
- Reviewing the status of compliance with SEBI letters/circulars;

- m. Reviewing the functioning of regulatory departments including the adequacy of resources dedicated to regulatory functions, etc.;
 - n. Preparing a report on the working of the committees of which they are member and circulate the same to other PIDs. The consolidated report in this regard shall be submitted to the governing board of the Company.
 - o. Identifying the important issues which may involve conflict of interest for the Company or may have significant impact on the market and report the same to SEBI, from time to time;
 - p. Exchange views on critical issues;
 - q. PIDs should have regular oversight on observations of SEBI's inspections particularly on issues related to-
 - i. Governance standards – Conflict of interest;
 - ii. Technology and Cyber Security issues; and
 - iii. System Audit & Cyber Security Audit observations.
 - r. Technology related issues are important in the MII space and they may be reviewed by PIDs preferably on a quarterly basis;
 - s. PIDs should be proactive in identifying any issues concerning functioning of MII and report the same to SEBI. PIDs should ensure all regulatory communications/ letter from SEBI are placed before board with comments/report of MD and CEO;
 - t. PIDs to ensure that appointments of MD/CEO be held within specified timelines. Identifications of KMPs be closely scrutinized as per the laid down procedure and exceptions should be brought to the notice of SEBI;
 - u. PIDs to independently evaluate investments made by MIIs into unrelated areas;
 - v. PID should take proactive part in deliberations of different committees and steer their functioning;
 - w. PIDs to have a mechanism to have a regular review of regulatory requirements. They may also have a regular interaction with SEBI regarding any clarifications, if required;
 - x. PIDs should evaluate the profitability margins of MIIs. Adequacy of resource allocation (both financial & human) towards regulatory compliances to be ensured. It is observed that the EBITDA margins and PAT margins of MIIs are among the highest in the country; and
 - y. The Governing Board should be well-informed about both the qualitative and quantitative flow of information.

Management Discussion and Analysis

About CDSL

Central Depository Services (India) Limited (CDSL) commenced its business 25 years ago with the goal of providing convenient, dependable, and secured depository services to investors and market participants. As a Market Infrastructure Institution (MII), it forms a crucial part of the capital market ecosystem, serving a diverse range of market participants, from exchanges, clearing corporations, depository participants (DPs), to issuers and investors.

CDSL is regulated by the Securities and Exchange Board of India (SEBI). It is listed on the National Stock Exchange of India Limited (NSE) from June 2017, making it the first and only listed depository in the Asia-Pacific region and the second depository in the world to be listed.

CDSL enables investors to securely hold a wide range of asset classes in dematerialised form, providing access to the Indian capital markets. This includes investments in various securities such as equities, debentures, bonds, Exchange Traded Funds (ETFs), units of mutual funds, units of Alternative Investment Funds (AIFs), Certificates of Deposit (CDs), Commercial Papers (CPs), Government Securities (G-Secs), etc. leveraging cutting-edge technologies and robust security measures. CDSL strives to establish a reliable depository ecosystem for the market participants, thereby enhancing trust in the Indian securities market.

As CDSL celebrates 25 years and continues to grow and enable markets and empower investors, it becomes imperative to delve into a comprehensive analysis of the global market landscape. This includes a thorough review of the economies worldwide and an in-depth assessment of India's performance. Such scrutiny is essential for evaluating the outlook of the Indian capital markets and understanding CDSL's role within this dynamic framework.

Economic Overview

Global Economy

Review

The global economy showed resilience during 2023 despite escalating geopolitical tensions and tight monetary conditions as central banks tried to tame inflation.

According to the World Economic Outlook, July 2024, released by the International Monetary Fund (IMF), global growth stood at 3.3% in 2023. Further, growth for 2024 and 2025 is estimated to stay steady around 3.2% and 3.3% respectively. Further, IMF's World Economic Outlook, April 2024 estimates that median headline inflation is expected to decline from 2.8% at the end of 2024 to 2.4% at the end of 2025. Most of the macroeconomic indicators suggest an improved outlook.

The IMF has projected the world economy to grow at 3.2% in 2024 and at 3.1% in 2025, mainly driven by robust Asian

economies, particularly India and China. The IMF, in its World Economic Outlook, April 2024 has also forecasted global inflation to come down steadily from 6.8% in 2023, to 5.9% in 2024 and 4.5% in 2025.

The United States and several large emerging market and middle-income economies displayed the greatest overperformance. This was mainly driven by higher-than-anticipated consumer spending, despite the slowing improvement in job markets. Households in developed countries also contributed to this trend by using up savings they had built up during the pandemic.

Global Capital Markets

Global capital markets ended the year on a positive note as global inflation started cooling, commodity prices declined and hopes of rates cut across economies went up. The consolidated world market capitalisation in 2023 increased 13% Y-o-Y, with all regions achieving positive returns. The market performance was driven by accelerating inflation in the world, better than expected growth prospects, slide in dollar index, declining commodity prices including declining crude oil prices and increasing expectations of rate cuts. Global equity markets added over \$ 13 Trillion (₹ 1,079 Lakh Crore) to their total market cap. Many indices provided double digit returns with Dow Jones index jumping 13.7% while NASDAQ index returning 43.4%. For CY (Calendar Year) 2023, Indian equity markets delivered about a ~19% return. Subsequently, The MSCI World Index fell by 3.8% in April, marking its first drop in six months, although it rebounded by 4.7% in May, bringing its year-to-date (YTD) gain to 9.2% as of May 24, 2024. Emerging markets outshone developed ones, with Chinese equities benefiting from supportive fiscal measures and Indian equities maintaining a steady growth. The MSCI EM Index rose modestly by 0.3% in April 2024 and added another 3.5% in May (YTD: +5.8%). In the U.S., the 10- year sovereign yield peaked at a six-month high of 4.7% in April 2024 but eased to 4.5% by May, while yields in the UK and Europe also rose significantly during the year. The US markets tested a T+1 settlement cycle in 2024, and on May 28, 2024, the DTCC (the international depository) officially launched T+1 settlement.

In India, T+1 settlement was launched in January 2023. Going a step further, in the financial year 2023-24, India introduced an optional T+0 settlement for select scrips, making it the first country in the world to offer T+0 settlement for both funds and securities.

Indian Economy Review

The Indian economy continued to remain the fastest-growing large economy for yet another year. The National Statistical Office (NSO) has pegged India's GDP growth for FY 2023-24 at 8.2%, above its earlier forecast of 7.6%, on the back of government focus on infrastructure spending and a pick-up in consumption growth.

India's manufacturing sector witnessed strong growth during the year, posting GVA (Gross Value Added) growth rate of 9.9% the year. The professional services sector, that contributes 58% to the economy registered GVA growth of 8.4% during FY 2023-24. Gross fixed capital formation or investment grew by almost 9%. Manufacturing as well as services ended the year on a high note, with the headline Purchasing Managers Index (PMI) soaring to a 16-year high of 59.1 in March 2024. India's service sector PMI recorded its strongest growth in 14 years in March 2024, rising to 61.2 on the back of good consumer demand that provided impetus to business activity. A reading above 50 on the index indicates growth in activity.

Private final consumption expenditure (PFCE) grew at just 3% in FY 2023-24, on muted rural demand. However, the green shoots of recovery for rural consumption are now visible. NIQ (NielsenIQ), a customer intelligence firm pegged growth in rural consumption for the quarter ended March 2024 at 7.6%. Other high frequency indicators like tax collections and bank credit also continue to show robust growth. The GST collections increased 12.4% during the fiscal reaching ₹ 20.18 Lakh Crore. Further, March 2024 witnessed the second highest GST collection ever at ₹ 1.78 Lakh Crore, with a 11.5% Y-o-Y growth. The net direct tax collections rose 17.7% Y-o-Y to ₹ 19.58 Lakh Crore in FY 2023-24 and these are mainly led by collections from domestic transactions. The tax collection in FY 2023-24 demonstrates robust economic activity, increased consumer spending on white goods and beverages, increased tax compliance and implementation. Bank credit grew 16.3% Y-o-Y in March 2024 against 12.5% in March 2023. The robust credit growth despite high interest rates reflects increased consumer and investor confidence in the economy.

India's headline inflation eased to 4.75% in May 2024 from 7.44% in July 2023. However, given the volatility in food prices, the RBI kept the policy rate unchanged at 6.5% in its June Monetary Policy Committee (MPC) meeting while reiterating its 'withdrawal of accommodation' stance.

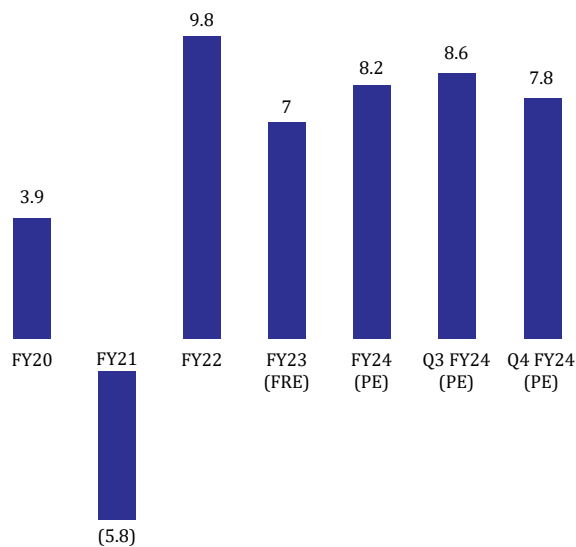

For FY 2023-24, the Central Board of the Reserve Bank of India (RBI) approved the highest-ever dividend, of ₹ 2.11 Lakh Crore to be transferred to the Central government. This can help the government bring down its fiscal deficit by 0.3% of GDP or to increase spending on infrastructure. The government has set the target of containing fiscal deficit at 5.1% for FY 2024-25 and 4.5% for FY 2025-26, in the Interim Budget 2024-25.

Going ahead, revival of agricultural activities on expectations of above normal monsoon, the government's focus on infrastructure spending along with healthy corporate sector, and controlled inflation are poised to be the growth drivers of the Indian economy. According to S&P Global Market

Intelligence, consumer spending in India is expected to grow by 6.9% in FY 2024-25. RBI estimates Indian economy to grow 7.2% in FY 2024-25, slightly higher than the earlier estimate of 7%. With a stable policy environment and continuation of reforms and thrust on capex by the government in its third term, India is expected to sustain the impressive growth trajectory attained post the global pandemic.

India has not only witnessed impressive growth post the pandemic years but the same has also been substantiated by global organisations who have time and again raised their estimates of India's growth. Further, these estimates based on the respective global bodies' assessments of India's macroeconomic situation are in sync with those of RBI.

This suggests a positive and sustainable growth outlook for India including expectations of enhanced growth in major sectors of the economy, healthy growth in the capital markets, companies posting positive results and investor confidence staying high during the upcoming quarters.

Household Savings – The Untapped Potential

Household savings constitute 60% of India's gross national saving and the latest figures reveal that households continue to be the powerhouses driving fixed capital formation. The National Accounts Statistics 2024, released recently by the Ministry of Statistics & Programme Implementation reveals that total household savings stood in trend at ₹ 49,63,214 Crore in 2022-23 against ₹ 47,42,333 in 2021-22 and constitute 18.4% of nominal GDP. Sustainable trend in savings ring in prospects of larger investments.

The gross financial savings of the household have stood at ₹ 29,73,637 Crore in FY 2022-23 from ₹ 26,11,974 Crore in FY 2021-22 and make up 11% of nominal GDP. Though there is a dip in net financial savings of the household to ₹ 14,16,447 Crore in FY 2022-23 (5.3% of nominal GDP) from ₹ 17,12,704 Crore in FY 2021-22 (5.3% of nominal GDP), it is due to rise in diversion of savings to physical assets/real estate and to tangible assets (gold) over financial ones. It only suggests a shift in household preferences, the increase in their risk appetite along with confidence in the economy's growth trajectory and outlook.

Data for FY 2023-24 reveals that 70% of household savings lie in physical assets. Also, out of gross household financial savings, 37% lie in the form of deposits. This underlines the vast untapped potential for capital formation. As MIIs, we believe in taking up the responsibility of financialising our household savings, channelising those towards more productive investments in financial assets. In the process, we would help households improve the quality of their investments and generate greater returns while also contribute in the country's fixed capital formation and in sustaining the growth trajectory.

Indian Equity Market

India's robust economic growth has been mirrored in equity market returns. Along with the economic growth, corporate profit growth, positive global market sentiment and expectations of policy continuity in India have boosted India's capital markets. Indian markets touched the US\$ 5 Trillion market cap figure (₹ 415 Lakh Crore) in May this year. Country wise, the Indian capital market today is the fourth-largest in the world, after the US, China and Japan.

The Indian capital market ended FY 2023-24 on a strong note. The BSE Sensex rose 25% while NIFTY 50 returned nearly

30%. The last fiscal year, with flat returns was different, while the previous two fiscal years had delivered bumper returns. The Nifty 50's five-year CAGR stands at 15% while the same stands at ~14% for BSE Sensex.

Market perceptions generally tend to look at calendar years somewhat more, and from that perspective, India's 20% return in calendar 2023 was the 8th consecutive year of positive returns. Remarkably, the Indian capital market has delivered positive returns in the past 20 out of 25 years.

The positive market sentiment is also reflected in the IPO market.

The Indian IPO market (IPOs, FPOs, and OFS) saw a substantial growth with 107 issues raising ₹ 86,492 Crore in FY 2023-24 as compared to 56 issues raising ₹ 63,275 Crores in FY 2022-23. This marked a significant increase of 37% over FY 2022-23.

The total mobilisation in the equity markets amounted to ₹ 1.86 Lakh Crore, with 49% through IPOs, FPOs & OFS, another 42% through QIPs and 9% of INVITs & REITs

Market Participation

Retail

In terms of IPO applications, in comparison to 2022-23, the response of retail investors also increased substantially. The average number of applications from retail investors increased to 13.17 Lakh, in comparison to 5.57 Lakh in FY 2022-23.

Institutional

Historically, Indian market returns stood driven by FII participation. However, the market reliance on FIIs is gradually decreasing. This fiscal, the FII ownership in the Indian market declined to an 11-year low of 17.7%. However, markets continued to perform well as domestic inflows through domestic institutional investors (DIIs) like systematic investment plans of mutual funds and retail flows remained strong. Assets under management (AUM) in the mutual fund industry surged past the monumental ₹ 50 Lakh Crore milestone. Retail investors channelled average monthly inflows of around US\$ 2 Billion (₹ 16,600 Crore) in equities in FY 2023-24. As of March 2024, mutual funds own 8.9% of listed Indian companies in India, while retail investors own 9.5%.

Indian Debt Market

FPI inflow in the debt market remained at a nine year high of ₹ 1.21 Lakh Crore, the highest since FY 2014-15, when they infused ₹ 1.66 Lakh Crore. The announcements by JP Morgan Chase and Bloomberg Index services about inclusion of Indian government bond in their indices marked a significant way forward for Indian debt market. The 10-year G-sec yield has stayed steady at around 7.1% and is expected to have a downward bias.

Depository Industry in India: Overview and Outlook

Market Size

The growth momentum in the Indian capital market during the fiscal year was underscored by a significant rise in the number of demat accounts opened. This surge can be largely attributed to positive market sentiments and the continued simplification of dematerialisation processes and ease of doing business.

As of March 31, 2023, the number of demat accounts in India stood at 11.45 Crore, which escalated to 15.14 Crore by March 2024, marking a robust year-over-year increase of approximately 32%.

Total number of demat accounts added this fiscal year amounted to 3.69 Crore. Of this 3.26 demat accounts have been opened by CDSL alone achieving an 88% market share during the fiscal year.

On an average, nearly 30 Lakh new accounts were added each month throughout the fiscal year, representing the highest annual growth in demat account openings in the history of Indian capital markets.

This surge not only highlights increasing investor participation but also the growing trust, inclusion and innovation along with the security of digital platforms for access and operation of Indian capital markets. The rise in demat accounts signifies a broader trend towards financial inclusion and the democratisation of access to capital markets, aligning with our strategic focus on enhancing investor engagement and market penetration.

More Insights of our Business

The depository industry in India is a duopoly, with CDSL being the leading player. It is currently the largest depository in India in terms of the number of demat accounts opened. **In FY 2023-24, CDSL became the first depository in India to open more than 11 Crore active demat accounts.**

As on March 31, 2024, CDSL held assets worth ₹ 64 Lakh Crore, with over 23,060 issuers associated with it. The depository has in place a robust infrastructure system, with multiple back-up levels and world class information security and cyber security practices.

Market Share

Indian securities market has been expanding impressively across years with a remarkable growth in the number of market participants including the investors. With growing retail participation in Indian equity markets, CDSL has steadily gained market share, which today stands at 76%, up from 48% six years back.

Strong ecosystem with Depository Participants (DPs)

Our extensive network of DPs acts as dedicated points of contact for providing service to our customers. As on March 31, 2024, CDSL has over 580 registered DPs from all over India.

Strategy

At CDSL, we have established a well-defined strategic roadmap to drive growth to stay ahead of the curve and create sustainable value for our stakeholders, while contributing to the development of the Indian securities market. Our strategy is built on three key levers - technological advancement and infrastructure development, market expansion and service diversification.

Technological Advancement and Infrastructure Enhancement

Technology is the backbone of the market infrastructure ecosystem. It is key to maintaining our market leadership. At CDSL, we invest in state-of-the-art systems and tools, to empower our clients transact securely and seamlessly while enhancing our operational efficiency. We also explore emerging technologies to aspire to remain ahead of the curve.

During FY 2023-24, CDSL implemented a host of technology initiatives such as Multilingual Consolidated Account Statement - 'Aapka CAS Aapki Zubaani' and 'CDSL Buddy Sahayta 24*7' chatbot.

Market Expansion: CDSL is focused on increasing its annuity income that will come through expansion of its market presence. CDSL has deployed targeted investor awareness campaigns to reach emerging investor segments focusing on educating, enabling and empowering investors to be an Atmanirbhar Niveshak (self-sufficient investors).

By giving the utmost priority to investor interests, we seek to build long-term relationships with our DPs, other market participants including investors and become their preferred choice in the industry. We have improved our market share in demat accounts from 72% FY 2022-23 to 76% in FY 2023-24.

Service: Focused on our growth objectives, we have been expanding our service portfolio including our e-services that facilitate holding, transfer and trading of securities. The introduction of new offerings, such as the account aggregator model, showcases our ability to respond to market needs. Looking ahead, we plan to expand opportunities in sectors like the commodities repository and the insurance repository.

Internal Financial Control Systems and its Adequacy:

The Company has maintained adequate internal financial controls over financial reporting. These includes policies and procedures:

- a. Pertaining to the maintenance of records that is reasonably detailed, accurately, and fairly reflects the transactions and disposal of the assets of the Company.
- b. Providing reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and that receipts and expenditures of the Company are being made only in accordance with authorisation of management and Directors of the Company.

During the year, such internal controls over financial reporting were tested by management, internal auditors and statutory auditors. No reportable material weakness in design and effectiveness was observed.

Risks, Threats and Challenges

- **Competition in securities depository business:** Although depository business in Indian Capital Markets is a duopoly, our securities depository business operates in a highly competitive environment, constantly vying for DPs, investor accounts, and a diverse range of securities on our depository systems. In January 2021, SEBI released a discussion paper on 'Review of Ownership and Governance norms for facilitating new entrants to

set up Stock Exchange/Depository'. The purpose was to contemplate on the formation of more depositories. While it is still unclear when the regulators will allow the setting up of more such entities, this indicates that CDSL's premier market position may be challenged. The ability to effectively manage our growing DP network and our infrastructure is crucial. Failure in these areas could have adverse implications for our business, financial condition, and overall performance.

- **CDSL Tariff Constraints:** CDSL's tariff charges for DPs as well as Issuers and Registrar and Transfer Agents (RTAs) are approved by SEBI. The Company's operational income is dependent on capital market activities. If the markets remain volatile due to geopolitical crisis, economic factors or health crisis or for any other reason, the Company's market driven revenues could be challenged.
- **Technological change and IT system interruptions:**

Technology is a key driver of innovation and productivity for us. However, it also brings with it some risks and challenges that need to be addressed and managed effectively. Also, we being part of national critical information ecosystem, we may be considered high-value targets for cyber-attacks. One of the most common and serious issues that businesses face is the disruption or malfunction of their IT systems. IT system interruptions can be defined as any events or situations that disrupt the normal functioning or availability of the IT infrastructure, services, or applications that support the business processes and activities. IT system interruptions can vary in their frequency, duration, severity, and scope, depending on the nature and extent

of the underlying causes and the characteristics and complexity of the affected IT systems.

Some of the common causes of IT system interruptions are:

- a) **Cyberattacks:** malicious attempts by hackers, criminals, competitors, or other actors to compromise, damage, or disrupt the IT systems or data of a business, either for financial gain, espionage, sabotage, or ideological motives. Cyberattacks can take various forms, such as phishing, malware, ransomware, denial-of-service, data breaches, or identity theft. Cyberattacks may not only affect availability of services but may also compromise confidentiality & integrity of IT systems and related services.
- b) **Hardware failures:** physical or mechanical breakdowns or malfunctions of the IT equipment or devices, such as servers, routers, switches, storage devices, or computers, that can result from wear and tear, manufacturing defects, power surges, overheating, or environmental factors.
- c) **Software errors:** logical or functional faults or bugs in the IT software or applications, such as operating systems, databases, or web services, that can result from coding mistakes, design flaws, compatibility issues, or configuration errors.
- d) **Human errors:** unintentional or deliberate actions or omissions by the IT staff, users, or third parties, that can result in IT system interruptions, such as misconfiguration, data entry, deletion, or modification, unauthorized access, or physical damage.
- e) **Natural disasters:** extreme or unpredictable events or phenomena, such as earthquakes, floods, fires, storms, or pandemics, that can affect the IT infrastructure, services, or applications, either directly or indirectly, by causing power outages, network failures, or physical damage.

Such incidents can have negative impacts on the business operations, performance, reputation, and profitability, as well as on the customer satisfaction, trust, and loyalty.
- f) **Operational impacts:** delays, disruptions, or failures in the business processes and activities, such as production, distribution, communication, or customer service, that can affect the quality, efficiency, or timeliness of the services delivered by us.
- g) **Financial impacts:** losses, costs, or penalties incurred by the business as a result of IT system interruptions, such as reduced revenues, increased expenses, compensation claims, fines, or lawsuits.

- h) **Reputational impacts:** damage or erosion of the trust, confidence, or loyalty of the customers, partners, suppliers, regulators, or other stakeholders of the business, due to the IT system interruptions, which can affect the brand image, market share, or competitive advantage of the business.
 - i) **Legal and regulatory impacts:** violations or non-compliance of the laws, rules, standards, or contracts that govern the IT systems or data of the business, such as data protection, privacy, security, or quality, which can result in legal actions, sanctions, or audits.
 - j) **Human and social impacts:** harm or distress caused to the employees, customers, or other individuals or groups affected by the IT system interruptions, such as stress, frustration, anxiety, or dissatisfaction, which can affect the morale, motivation, or well-being of the people involved.
- **Shifting consumer preferences:** If there is a significant shift in consumer preferences, with investors and traders diverting their focus away from securities, it could considerably reduce the demand for our services. Consequently, this shift may adversely impact our business, financial condition, and overall performance.
 - **Fraud:** The occurrence of unauthorised transfers of securities or service deficiencies could lead to legal and regulatory repercussions and result in substantial financial and reputational loss.
 - **Data errors:** If the demat account data contains undetected errors, it may have a material adverse effect on our business, financial condition, operations and reputation.
 - **Market trends and economic conditions:** Our business is subject to broad market trends, economic fluctuations, and various external factors beyond our control. Unfavourable changes in these conditions could significantly decrease the demand for our services and harm our business, financial condition, and overall performance.
 - **Insufficient capacity management and cyber security risks:** Inadequate capacity management and system failures pose significant risks to our business operations. As we increasingly rely on technology, the potential for cyber threats and data privacy breaches has also escalated. Addressing these risks is crucial to safeguarding our business interests.
 - **Talent acquisition:** Attracting and retaining talented professionals is essential for the successful implementation of our strategic initiatives. Effective succession planning is crucial, as the loss of key management personnel and the inability to promptly replace them could have adverse consequences for our business.

- **Regulatory compliance:** Operating in a highly regulated industry, we must ensure strict compliance with legal and regulatory obligations. Failure to meet these obligations could lead to fines, legal proceedings, and reputational damage. Also, in a tightly regulated environment, any changes in processes and procedures mandated by regulatory authorities may impact our growth trajectory unless we adjust to these changes while ensuring compliance.

Risk Management

We continue to refine our strategies to manage these dynamic risks and their impact on our Company's business and operations.

Strict internal processes and controls enable the Company to effectively manage the business risks it encounters. The Risk Management Framework of the Company ensures achievement of its strategic and operational objectives. The Framework is supported by risk processes, identification, assessment, response, action, mitigation, and control.

The Board of Directors has constituted a Risk Management Committee (RMC) to frame, monitor and oversee the implementation of Risk Management Framework of the Company. The RMC administers and supervises its functions through the Chief Risk Officer who is part of the management team of CDSL. The Framework is periodically reviewed and monitored by the RMC to improve the standard operating procedures and align them to reflect changes in market condition and business activities. The focus of the RMC is to assess the constantly evolving business environment and to mitigate potential adverse effects on overall performance.

The Company's Risk Management Framework includes Risk Management Policy, which is regularly reviewed to reflect changes in market conditions and business activities, with any new activity or deviation from existing procedures being referred to the RMC. The Company's Risk Management Framework covers various aspects of the business, including operations, technology, regulatory, finance, etc.

The Company also has in place a special contingency insurance policy to cover risks associated with depository operations, which covers the Company and registered DPs against losses.

The Company ensures that its clients comply with applicable regulatory provisions by conducting regular inspections of both DPs and RTAs and provides compliance training across the country for DPs and RTAs. In addition to bi-annual internal audits, the Company has made it mandatory for all registered DPs to appoint independent Chartered Accountant or Company Secretary or Cost Accountant in practice to conduct concurrent audits of risk prone areas. The Company has also made it mandatory for the registered DPs to conduct annual

Cyber & System Audit along with mandatory annual VAPT exercise and submit these reports to the Company within the prescribed timelines.

India is witnessing a digital revolution at an unprecedented scale and digital technology has become a key driver of India's economic growth. While the digital revolution has brought unprecedented convenience and accessibility, it has led to significant dependence on and increased usage of digital technologies. CDSL continues to focus on large scale digital transformation/adoption of technology across its operations. A digital security breach or disruption to digital infrastructure caused by intentional or unintentional actions, such as cyber-attacks, data breaches or human error, could have a serious impact on business.

The Company subjects its networks and systems to security penetration tests on a continuous basis. CDSL invests significant resources to ensure cybersecurity resilience and data protection. Periodically, regulatory as well as independent assessments are carried out to validate and improve resilience to cybersecurity attacks. These encompass technical security controls, secure operational processes, cybersecurity incident monitoring mechanisms, disaster recovery controls and recruitment of trained manpower. CDSL's cybersecurity measures are aligned to the growth and diversification of the Company. Its information security and business continuity management systems have been recertified with ISO 27001 and ISO 22301 standards. CDSL regularly exchanges cybersecurity intelligence with industry peers and government bodies. Cybersecurity awareness training and tests are also conducted regularly.

Human Resources

As part of the recruitment of key resources, the Chief Information Security Officer and Vice President - Admission Cell & Regulatory Compliance Department (RCD) have been appointed during FY 2023-24. Apart from this, a total of 89 employees were hired; 33 employees left or retired, from the Company during the FY 2023-24. There were 335 employees as on March 31, 2024.

Our Secretarial Audit Report for the Financial Year ended March 31, 2024 of even date is to be read along with this letter.

Auditor's responsibility

Based on audit, our responsibility is to express an opinion on the compliance with the applicable laws and maintenance of records by the Company. I conducted the audit in accordance with the auditing standards CSAS 1 to CSAS 4 ("CSAS") prescribed by the Institute of Company Secretaries of India ("ICSI"). These standards require that the auditor complies with statutory and regulatory requirements and plans and performs the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

- 1) Maintenance of Secretarial record is the responsibility of the Management of the Company. My responsibility is to express an opinion on these Secretarial Records based on my audit.
- 2) I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in the Secretarial records. I believe that the processes and practices, I followed provide a reasonable basis for my opinion.
- 3) I have not verified the correctness and appropriateness of financial records and Books of Account of the Company.
- 4) Wherever required, I have obtained the Management representation made by the Company and its Officers for systems and mechanism formed by the Company for compliances of laws, rules and regulations and happening of events etc.
- 5) The compliance of the provisions of Corporate and other applicable Laws, Rules, Regulations, Standards is the responsibility of the Management. My examination was limited to the verification of procedures on test basis.
- 6) The Secretarial Audit report is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

- d) The Securities and Exchange Board of India (Share-Based Employee Benefits and Sweat Equity) Regulations, 2021; **(Not applicable to the Company during the audit period)**
- e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not applicable to the Company during the audit period)**
- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; **(To the extent applicable to the Company)**
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not applicable to the Company during the audit period)**
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **(Not applicable to the Company during the audit period)** and

*The Company being a material subsidiary of the Central Depository Services (India) Limited ("CDSL"), employees of the Company have been categorised as Designated Persons and are covered by the Code of Conduct under the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015, of CDSL.

- (vi) I further report that, based on the representation made by the Company and its Officers, compliance mechanism prevailing in the Company and on examination of the relevant documents and records in pursuance thereof

on test-check basis, the Company has generally complied with the following laws applicable specifically to the Company:

- a) SEBI {KYC (Know your client) Registration Agency} Regulations, 2011.
- b) Securities and Exchange Board of India Act, 1992 & Circulars, Master Circulars and Regulations issued by SEBI and applicable to the Company.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by the Institute of Company Secretaries of India (SS – 1 and SS – 2).
- (ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (To the extent applicable to material subsidiary of the listed entity).

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above;

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at the Board and Committees Meetings are carried out unanimously as recorded in the minutes of the

Meetings of the Board of Directors and Committees of the Board, as the case may be and no dissenting views have been recorded.

I further report that based on the review of the compliance mechanism established by the Company and on the basis of Compliance certificate(s) issued by various departments and taken on record by the Board of Directors at their Meetings, I am of the opinion that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period there were following events/actions reported having major bearing on Company's affairs:

- (i) **Mr. Nayan Mehta** ceased to be a Director of the Company with effect from May 16, 2023.
- (ii) **Dr. Ramabhadran Thirumalai** appointed as a Director of the Company with effect from June 30, 2023, who was earlier appointed as an Additional Director of the Company with effect from August 26, 2022.
- (iii) The Securities and Exchange Board of India ('SEBI') vide its adjudication order dated September 27, 2023 has levied a penalty of ₹ 2,00,000/- (Rupees Two Lakhs only), for the following observations stated during the inspection conducted by SEBI:
 - a) Delay in submission of the System Audit Report for the audit period 2021- 2022.
 - b) Non-segregation between cyber security services and infrastructure of CVL and CDSL.
 - c) Delay in processing of fresh KYCs (about 10 Lakhs) within the turnaround time of two days. This delay was due to precautions required to be taken after the detection of the malware incident at CDSL.

The Company has made the payment of aforesaid penalty as levied by SEBI in the adjudication order as per the directions received by SEBI.

25. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format:

Sr. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk or opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1	Social Responsibility towards Society	O	CDSL through its Corporate Social Responsibility (CSR) programmes endeavours to enrich the lives of the citizens of this country. CDSL believes that a nation progresses when its communities are empowered. Extending this belief to our Corporate Social Initiatives, we remain committed to enriching the lives of the citizens of India. Our vision is to create a world in which everyone can thrive through social, environmental, and economic progress. We reached out to the socially and economically disadvantaged communities in association with 10 CSR partners in FY 2023-24. CDSL focused on health, education, environment, and research to leave a visible impact.	Not Applicable	Positive Implications
2	Financial Literacy/ Investor Awareness	O	As the number of investors entering the Indian capital market is increasing at a steady pace, there is a need to protect the interests of investors. CDSL IPF, through its various investor awareness and education initiatives, endeavours to equip the investors with knowledge and resources to enable them to become self-sufficient investors	Not Applicable	Positive Implications
3	Governance and Compliance	O	Effective compliance can help in building brand trust	Not Applicable	Positive Implications
4	Data Security	R&O	Privacy and data security present a significant risk for CDSL, especially considering the increasing digitisation of financial services and the growth in the number of digital users. As more transactions and sensitive information are being exchanged digitally, the risk of cyber threats and unauthorised access to privileged information becomes increasingly prominent. Any breach in data security could result in severe consequences, including financial loss, reputational damage, legal implications, and loss of trust from stakeholders.	To address the risk of privacy and data security, CDSL can implement several measures: Robust Information Security Infrastructure: CDSL invests in advanced software solutions, firewalls, encryption techniques, and intrusion detection systems to create a secure environment for data storage and transmission. This infrastructure should be regularly updated and tested to ensure its effectiveness against emerging cyber threats. Expert Manpower: CDSL employs a team of skilled professionals with expertise in information security to continuously monitor and respond to potential threats. These experts should be well-versed in the latest security practices, industry standards, and regulations to ensure the implementation of effective security measures. Training and Awareness: Conducting regular training sessions and awareness programmes for employees, clients, and other stakeholders is vital. These initiatives should focus on educating them about best practices for data security, including strong password management, safe browsing habits, and identifying potential phishing attempts or social engineering attacks.	Positive Implications

Leadership Indicators

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

CDSL recognises the importance of engaging with stakeholders regarding economic, environmental, and social matters, valuing their feedback in guiding our operations and decisions. To support this engagement, CDSL has developed a thorough consultation framework. This process includes consistent interactions and communications with stakeholders such as vendors, market participants, and other relevant parties. These engagements offer CDSL crucial insights and perspectives on a variety of issues, allowing the Company to better understand its stakeholders' concerns and expectations.

Furthermore, the Company has established a reporting mechanism to provide feedback from these consultations to the Board. This includes timely reports that summarise the main findings, concerns, and suggestions gathered during the consultations. By sharing this information with the Board, we ensure they remain informed about stakeholders' views on economic, environmental, and social topics.

The Company conducts Investor/Analysts calls from time to time to address the queries/concerns of the investors.

Ultimately, CDSL is committed to fostering an inclusive and transparent consultation process, ensuring effective communication between stakeholders and the Board on issues related to the economy, environment, and society.

2. Whether stakeholder consultation is used to support the identification and management of environmental, and social topics (Yes/No).

Yes

If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.

Enhancing stakeholder value is a continuous endeavour at CDSL. The Company engages regular consultations with a diverse group of stakeholders, including investors, market participants, regulatory bodies, and community representatives. These interactions provide CDSL with essential insights and viewpoints on significant environmental and social matters.

The feedback gathered from these consultations is carefully reviewed and analysed by our team. We assess its relevance and importance, considering how it fits with our strategic objectives and commitments. This valuable information is then integrated into the development and evaluation of our policies and activities related to environmental and social issues.

For example, if stakeholders voice concerns about the environmental or social impacts of our operations, we take these concerns seriously, evaluate them, and look for ways to improve.

This process helps us identify areas that need improvement, incorporate a range of perspectives, and ensure our actions align with stakeholder expectations, promoting a more sustainable future.

3. Provide details of instances of engagement with, and actions taken to, address the concerns of vulnerable/ marginalised stakeholder groups.

CDSL is committed to enriching lives and building a better future through its Corporate and Social Responsibility (CSR) initiatives. We focus on creating positive impacts in the society by contributing to the social causes like promoting education and healthcare, empowering women, and support children/elderly, fostering environmental sustainability and also committed towards research & innovation projects. These initiatives strive to create a positive ripple effect and fosters a bright future.

Healthcare:

Smile Foundation: CDSL, in collaboration with Smile Foundation, has deployed one fully equipped mobile healthcare unit navigating the challenging terrains of Jaisalmer and Ladakh each. These units bring essential medical services to the doorsteps of remote communities, staffed by skilled medical professionals dedicated to addressing the healthcare needs of women, children and individuals in need. The aim is to reduce out-of-pocket expenses by providing outpatient services, encourage healthier behaviours, increase demand for quality healthcare, and ensure safe motherhood for pregnant and lactating mothers.

Medical support provided to ~11,400 beneficiaries from Jaisalmer, Rajasthan and 4,000+ from Ladakh

Lions Charitable Trust: CDSL has collaborated with Lions Charitable Trust to provide a life support Ambulance service, catering to underprivileged below-poverty-line patients on a daily basis. The ambulance has been deployed for medical camps in Mumbai as well as rural areas across Maharashtra.

3,000+ lives have been benefitted from Life Support Ambulance Service

Narayana Hrudayalaya Charitable Trust (NHCT): We collaborated with NHCT to delivering medical support to individuals from marginalised backgrounds across Maharashtra, Karnataka, Haryana, Rajasthan, West Bengal, Assam, Chhattisgarh and Gujarat. These patients are facing life-threatening conditions and life-altering disorders. Through our combined efforts, we provided them with hope and a chance for a better future.

168 patients from marginalised backgrounds were provided with Medical Support

Education:

Educate Girls: Our dedication lies in ensuring that every girl has access to education. In pursuit of this goal, we collaborate with "Educate Girls" to deploy programmes aimed at reaching out-of-school girls in educationally disadvantaged regions of Maharajganj district, Uttar Pradesh. Working alongside Team Balika, their field staff actively identify and engage with girls who have never been enrolled in school or had to interrupt their primary education.

Enrollment, Retention and Learning provided to 8,900+ out-of-school girls.

Rotary Charitable Trust: CDSL has collaborated with Rotary Charitable Trusts to introduce Adult Literacy Programme for Women, targeting the empowerment of illiterate tribal women in Palghar, Maharashtra. This initiative focuses on teaching them functional literacy and digital skills in their native language. Trained educators referred to as "Prerikas", utilise computer-based learning methods to educate these women, equipping them to thrive, with the world and navigate changing circumstances.

Educated ~11,500 non-literate adult women of Palghar, Maharashtra.

AARTH by Rotary: AARTH by Rotary, CDSL's online financial education initiative in partnership with Rotary, delivers comprehensive financial knowledge to learners in the age group of 18-25 years and underprivileged section of the society living in Tier II and Tier III cities. Through our platform, learners can easily access in-depth resources and take free online exams to earn certifications, enhancing their understanding of finance.

100 Webinars/Seminars conducted PAN India

Yuva Unstoppable: CDSL partnered with Yuva Unstoppable to launch a School Transformation Project, utilising modern technology to deliver education through Smart Classrooms with audio-video interactive learning platforms across various region including Maharashtra, Odisha, Uttar Pradesh, Madhya Pradesh, Tamil Nadu, Karnataka, West Bengal, Delhi and Andaman & Nicobar. Yuva Unstoppable ensures that all students comprehend the curriculum while digital technology aids teachers in addressing new challenges and improving their performance.

27 Govt. Schools transformed benefitting 17,000+ under-privileged students.

Environment:

SankalpTaru Foundation: By partnering with the SankalpTaru Foundation, we have participated in an impactful tree plantation initiative, planting saplings across different locations in Kutch, Pune & Hyderabad. Through the visionary Urban Plantation Programme, we are tackling the serious problem of pollution in urban cities by strategically planting native plant species that are prolific oxygen producers in Pune and Hyderabad. Furthermore, through the Barren Community Land Transformation Programme, we are dedicatedly converting barren lands into thriving, biodiverse forests, positively impacting both communities and wildlife in the border areas of Kutch.

5,400+ native trees were planted.

Research Projects:

Indian Institute of Technology (IIT), Bombay: We supported Project Vajra initiated by IIT Bombay, an initiative aimed at empowering micro, small, and medium enterprises (MSMEs) with limited financial resources to defend against cyberattacks. Vajra involves transitioning from a developed version to a production version to enhance cybersecurity defences and mitigate potential damages.

Vajra has been released for use.

Rashtriya Raksha University (RRU), Gandhinagar: We collaborated with Rashtriya Raksha University (RRU) to introduce a programme centred on the Prevention of Victimisation from Forgeries and Financial Frauds. This initiative aims to enhance awareness and equip law enforcement agencies, Central Armed Police Forces (CAPFs), defence personnel, and the public with essential knowledge to effectively protect their finances.

Conducted 8 Awareness Programmes, 4 Workshops and released a Research paper on Gender Dynamics in Reporting Financial Crimes.

Leadership Indicators**1. Channels/platforms where information on products and services of the entity can be accessed (provide web link, if available).**

Channels and platforms where information on the products and services of the Company can be accessed are below mentioned:

**2. Steps taken to inform and educate consumers about safe and responsible usage of products and/or services.**

The Company is committed to educating investors to make an informed decisions regarding Capital Market. During FY 2023-24, CDSL IPF conducted 2,345 Investor Awareness Programmes (IAPs) in English, Hindi and 16 other Indian languages reaching out to more than 1.45 Lakh investors across India.

We utilised social media channels to connect with a younger audience and enhance investor awareness. The 'NoShakNiveshak' campaign served as the focal point of our digital strategy, featuring a variety of content types including quizzes, videos, static posts, and more to offer interesting and informative material.

SEBI, CDSL, and other MIIs have jointly prepared an informative booklet, 'Securities Market Understanding from Investor's Perspective,' in 13 regional languages. It's been distributed to investors for future reference and knowledge.

In addition to IAPs, CDSL utilises various social media platforms like Facebook: @cdslindia, X (formerly known as Twitter): (@cdslindia), LinkedIn (@cdslindia), Koo App (@cdslindia), Instagram: (@cdslindia) and YouTube (@CDSLIndiaLtd) to engage with investors. Posts including pictures, GIFs & videos related to IAPs and CDSL services are regularly uploaded for the benefit of investors.

Furthermore, investors can access valuable information on the 'Investors Corner' section of the CDSL website at <https://www.cdslindia.com/Investors/InvestorCorner.aspx>

3. Mechanisms in place to inform consumers of any risk of disruption/discontinuation of essential services.

E-mail/Website:

Investors can email us at our dedicated Email ID - complaints@cdslindia.com for any queries, complaints or feedback. CDSL has also provided facility to post the complaints through CDSL website. A user friendly format is made available on the website to enable the investors to send their complaints with ease on the 'Post your Grievance' link available on the website (<https://www.cdslindia.com/Footer/grievances.aspx>).

Call centre: Investors can call us from 10.00 am to 6.15 pm (Monday to Friday) on the tollfree number 1800-21-09911.

SCORES/SEBI Letter: The investors can also send their complaints directly to SEBI or upload through dedicated website - www.scores.sebi.gov.in. SEBI also forwards the letters received from the investors by them to CDSL for redressal.

Mechanism for processing of consumer complaints:

The Company has a digital grievance management platform to upload, respond and monitor disposal of customer grievances. All complaints received across various above-mentioned sources are auto uploaded into a Complaint Management Platform which has a rule-based allotment to the Depository Participants and RTA who respond to investors. All complaints are handled by the Investor Grievance Redressal team to ensure a prompt, and an effective resolution. The team takes a decision for the resolution of the complaint. Feedback is also provided to the relevant department to ensure that the same problem does not recur.

Mechanism to respond to consumer complaints:

- The officials of the Investor Grievance Cell, reviews the response/resolution provided by the intermediary and informs the investor accordingly. If the investor is not satisfied with the resolution, they can escalate the matter/ complaint to our Multi-level complaint resolution mechanism available at CDSL.
- The Grievance team monitors the redressal of all complaints and the response provided to the investor. The team also monitors pendency and regularly shares its analysis with the Company. The summary of grievances is reported to Regulatory Oversight Committee and to the Governing Board of the Company.

Independent Auditor's Report

To the Members of
Central Depository Services (India) Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Central Depository Services (India) Limited ("the Company"), which comprise the Balance sheet as at March 31, 2024, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of

the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements for the financial year ended March 31, 2024. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone financial statements.

Key audit matters	How our audit addressed the key audit matter
Valuation of investments and its impairment (as described in Note 4, 5 and 5A of the standalone financial statements)	
Quoted investments and unquoted investments represent the most significant amount on the balance sheet. The total of the aggregating to ₹ 90,478.36 Lakh represent 64% of the total assets of the Company as at March 31, 2024. There is a risk that the fair value of investments is not determined appropriately. Accordingly, the valuation of investments and its impairment is considered as a key audit matter.	Our audit procedures included the following: <ul style="list-style-type: none">Assessed the design and implementation of controls over valuation and existence of investmentsTraced the quantity held from the confirmation obtained independently from Custodian and Fund housesTested the valuation of the quoted and unquoted investments to independent price sourcesAssessed and tested the management procedures for performing impairment analysis of investments, wherever necessary
Information Technology (IT) systems and controls	
The reliability of IT systems plays a key role in the business operations. Since large volume of transaction are processed, the IT controls are required to ensure that systems process data as expected and there are adequate controls in respect of changes made to the IT systems. The IT infrastructure is critical for smooth functioning of the Company's business operations as well as for timely and accurate financial accounting and reporting. Due to the pervasive nature and complexity of the IT environment and large volume of transactions, we have considered IT systems and controls as a key audit matter.	Our audit procedures included the following: <ul style="list-style-type: none">Assessed the information systems used by the Company for IT General Controls (ITGCs) and Application controls;The aspects covered in the IT systems General Control audit were (i) User Access Management (ii) Programme Change Management (iii) Other related ITGCs; - to understand the design and test the operating effectiveness of such controls in the system;Performed test of controls on the IT application controls and IT dependent manual controls in the system;Tested the design and operating effectiveness of compensating controls, where deficiencies were identified and, where necessary, extended the scope of our substantive audit procedures.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone financial statements and our auditor's report thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements for the financial year ended March 31, 2024 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

 - iv.
 - a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b) The management has represented that, to the best of its knowledge and belief, no funds have been received

by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- c) Based on such audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The final dividend paid by the Company during the year in respect of the same declared for the previous year is in accordance with Section 123 of the Act to the extent it applies to payment of dividend.

As stated in note 14.4 to the standalone financial statements, the Board of Directors of the Company has proposed final dividend

(including special dividend) for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend.

- vi. Based on our examination which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software (refer Note 49 to the financial statements). Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2024 OF CENTRAL DEPOSITORY SERVICES (INDIA) LIMITED

Referred to in paragraph 2(f) under the heading "Report on other legal and regulatory requirements" of our report of even date

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of Central Depository Services (India) Limited ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to these standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, as specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to these standalone

financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to these standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to these standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to these standalone financial statements.

Meaning of Internal Financial Controls with reference to these Standalone Financial Statements

A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

2 Material Accounting Policies

2.1 Basis of preparation and presentation

2.1.1 Statement of compliance

The standalone financial statements as at and for the year ended March 31, 2024 have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013, read together with the companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 as amended time to time and the standalone financial statement also complies with presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III).

2.1.2 Basis of measurement

The standalone financial statements have been prepared and presented under the historical cost convention, except for certain items that have been measured at fair values at the end of each reporting period as required by the relevant Ind AS:

- Financial assets and liabilities measured at fair value or amortised cost (refer accounting policy at 2.2.3, 2.2.4 and 2.2.5).
- Employee benefits (Gratuity and Compensated absences) (refer accounting policy at 2.2.11).

2.1.3 Functional and presentation currency

The Standalone financial statements of the Company are presented in Indian rupees, the national currency of India, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates. All financial information presented in Indian rupees has been rounded off to the nearest Lakh up to two decimal except share and per share data in terms of Schedule III unless otherwise stated.

2.1.4 Use of estimates and judgement

- The preparation of standalone financial statements in conformity with Ind AS requires the management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses, disclosure of contingent assets and disclosure of contingent liabilities. Actual results may differ from these estimates.
- Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:
 - Income taxes:** The Company's tax jurisdiction is in India. Significant judgements are involved in determining the provision for income taxes, deferred tax assets and liabilities including the amount expected to be paid or recovered in connection with uncertain tax positions.
 - Employee Benefits:** Defined employee benefit assets/liabilities determined based on the present value of future obligations using assumptions determined by the Company with advice from an independent qualified actuary.
 - Property plant and equipment and Intangible assets:** The charge in respect of periodic depreciation/amortisation is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of the Company's assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The

- lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.
- iv. **Impairment of trade receivables:** The Company estimates the probability of collection of accounts receivable by analysing historical payment patterns, customer status, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required.
 - v. **Fair value measurement of financial instruments:** The Company estimates fair values of the unquoted equity shares using discounted cash flow model. The valuation requires management to make certain assumptions about the model inputs, including forecast cash flows, discount rate, credit risk and volatility, the probabilities of the various estimates within the range can be reasonably assessed and are used in management's estimate of fair value for these unquoted equity investments (Refer note 30).
- b) Revenues are shown net of goods and service tax and applicable discounts and allowances.
 - c) **Trade receivables:** A receivable is recognised if an amount of consideration that is unconditional (i.e. only the passage of time is required before payment of the consideration is due).
 - d) **Contract Liabilities:** A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the Company transfers the related services. Contract liabilities are recognised as revenue when the Company performs under the contract (i.e. transfers control of the related services to the customer).

2.2.2 Investments in subsidiaries and associates

Investments in subsidiaries and associates are measured at cost are tested for impairment at the end of each reporting period. Any impairment loss is recognised in the statement of profit and loss. Dividend income if any from subsidiaries and associates is recognised when its right to receive the dividend is established.

2.2.3 Financial instruments

- a) Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments.
 - b) The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition. All financial instruments are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.
 - c) Purchase or sales of financial assets are recognised on trade date.
 - d) For the purpose of subsequent measurement, financial instruments of the Company are classified in the following categories: financial assets (debt instrument) at amortised cost, financial asset (equity instruments) at Fair value Through Profit
- a) The Company derives revenue primarily from services to corporates and capital market intermediary services. The Company recognises revenue when the significant terms of the arrangement are enforceable, services have been delivered and the collectability is reasonably assured. The method for recognising revenues and costs depends on the nature of the services rendered:
 - i. **Time and service contracts:** Revenues and costs relating to time and service contracts are recognised as the related services are rendered.
 - ii. **Annual fee contracts:** Revenue from annual fee contracts is recognised proportionately over the period of the contract. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognised on a straight-line basis over the specified period or under some other method that better represents the stage of completion.

2.2 Summary of material accounting policies

2.2.1 Revenue

Material Accounting Policies to the Standalone Financial Statements

for the year ended March 31, 2024

- and Loss account ("FVTPL") and financial liabilities at amortised cost or FVTPL.
- e) The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognised from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.
 - f) All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

2.2.4 Financial Assets

a) Financial assets (debt instruments) at amortised cost

- i. A financial asset shall be measured at amortised cost if both of the following conditions are met:
 - the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
 - the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding (SPPI).
- ii. They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortised cost using the effective interest method, less any impairment loss.

- iii. Financial assets measured at amortised cost are represented by investment in interest bearing debt instruments, trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets.
- iv. Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks with original maturity less than 3 months. These can be withdrawn at any time without prior notice or penalty on the principal except for earmarked balances
- v. For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand, book overdraft and are considered part of the Company's cash management system.

b) Equity instruments at FVTPL

All equity instruments are measured at fair value other than investments in subsidiaries and associates. These are classified as FVTPL.

c) Financial assets at FVTPL

FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorisation as at amortised cost or as FVTOCI, is classified as FVTPL. In addition the Company may elect to designate the financial asset, which otherwise meets amortised cost or FVTOCI criteria, as FVTPL if doing so eliminates or significantly reduces a measurement or recognition inconsistency.

d) Earmarked Funds

Earmarked Fund is in respect of variable pay payable to Key Management Personnel('KMP') of the Company, held for specific purposes as per the SEBI (Depositories and Participants) Regulations 2018, variable pay payable to employees other than KMP as per service rules, Security against Bank Guarantees, Amount Unpaid against Dividend, Government Securities, Stamp duty collected and Proceeds received for auction of demat accounts. These amounts are either invested in bank fixed deposits or available in current bank account and the same are earmarked in the Balance Sheet. Investment income earned on these financial instruments is credited to respective liabilities and not credited to the Statement of Profit or Loss except for fixed deposit against Bank Guarantees.

2.2.5 Financial liabilities

Financial liabilities at amortised cost

Financial liabilities at amortised cost represented by trade payables, lease liabilities and other financial liabilities are initially recognised at fair value, and subsequently carried at amortised cost using the effective interest method.

2.2.6 Equity

Ordinary shares: Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are recognised as a deduction from equity, net of any tax effect (if any).

2.2.7 Property, plant and equipment (PPE)

a) Recognition and measurement:

- i. Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. The cost comprises the purchase price and any attributable cost of bringing the assets to its working condition for its intended use.
- ii. Capital work-in-progress is stated at cost, net of accumulated impairment loss, if any.

b) Derecognition of PPE:

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

2.2.8 Intangible assets

- a) Intangible assets are measured at cost as of the date of acquisition less accumulated amortisation and accumulated impairment losses, if any.
- b) Intangible assets consists of computer software.
- c) Intangible assets under development is stated at cost, net of accumulated impairment loss, if any.

2.2.9 Depreciation/Amortisation:

- a) Depreciation/Amortisation has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been

assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Name of Asset	Useful life as per Company's Act, 2013 (Years)	Useful Life as per Company Policy (Years)
Computer software – Subscription License	3	As per license period
Furniture and Fixtures	10	5
Vehicle	8	4

- b) Depreciation/Amortisation methods, useful life and residual values are reviewed at each reporting date, with the effect of any changes in estimate accounted for on a prospective basis.
- c) Amounts paid towards the acquisition of property, plant and equipment outstanding as of each reporting date and the cost of property, plant and equipment not ready for intended use are disclosed under capital work-in-progress. Depreciation is not charged on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use.

2.2.10 Impairment

Financial assets carried at amortised cost

- i. In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables.
- ii. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.
- iii. The Company has used a practical expedient by computing the expected credit loss allowance for trade receivable based on a detailed analysis of trade receivables.
- iv. ECL impairment loss allowance (or reversal) during the year is recognised as expense/income in the Statement of Profit and Loss.

Material Accounting Policies to the Standalone Financial Statements

for the year ended March 31, 2024

- v. Financial assets measured at amortised cost, contractual revenue receivable: ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

2.2.11 Employee benefits

The Company participates in various employee benefit plans. Post-employment benefits are classified as either defined contribution plans or defined benefit plans. Under a defined contribution plan, the Company's only obligation is to pay a fixed amount with no obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits. The related actuarial and investment risks fall on the employee. The expenditure for defined contribution plans is recognised as expense during the period when the employee provides service. Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees. The related actuarial and investment risks fall on the Company. The present value of the defined benefit obligations is calculated using the projected unit credit method.

- i. Short-term employee benefits: Performance linked bonus is provided as and when the same is approved by the Board of Directors.
- ii. Post-employment benefits and other long-term employee benefits are treated as follows:

- **Defined Contribution Plans**

Provident Fund: The Provident fund plan is operated by Regional Provident Fund Commissioner (RPFC) and the contribution thereof are paid/provided for.

Contributions to the defined contribution plans are charged to profit or loss for the respective financial year as and when services are rendered by the employees.

- **Defined Benefits Plans**

Gratuity: In accordance with the Payment of Gratuity Act, 1972, the Company provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Company. Gratuity for employees is covered by Gratuity Scheme with Life Insurance Corporation of India and the contribution thereof is paid/provided for. Provision for gratuity is made on the basis of actuarial valuation on Projected Unit Credit Method as at the end of the year.

Remeasurement gains or losses are recognised in other comprehensive income. Further, the profit or loss does not include an expected return on plan assets. Instead net interest recognised in profit or loss is calculated by applying the discount rate used to measure the defined benefit obligation to the net defined benefit liability or asset. The actual return on the plan assets above or below the discount rate is recognised as part of re-measurement of net defined liability or asset through Other Comprehensive Income.

Remeasurements comprising gains or losses and return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are not reclassified to profit or loss in subsequent periods.

Compensated absences: Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short-term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end. Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as non-current employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of year.

2.2.12 Provisions

- a) Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.
- b) The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

2.2.13 Investment income

- a) Investment income consists of interest income on funds invested, dividend income and gains on the disposal of financial assets measured at FVTPL and amortised cost.
- b) Interest income on bond is recognised as it accrues in the statement of Profit or Loss, using the effective interest method and interest income on deposits

Material Accounting Policies to the Standalone Financial Statements

for the year ended March 31, 2024

with banks is recognised on a time proportion accrual basis taking into the account the amount outstanding and the rate applicable.

- c) Dividend income is recognised in the Profit or Loss on the date that the Company's right to receive payment is established.

2.2.14 Income tax

Income tax comprises current and deferred tax. Income tax expense is recognised in profit or loss except to the extent it relates to items directly recognised in equity or in other comprehensive income.

i. Current income tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted at the reporting date and applicable for the period. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

ii. Deferred tax

Deferred tax is recognised using the balance sheet approach. Deferred tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in standalone financial statements.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary

differences, and the carry forward of unused tax credits and unused tax losses can be utilised. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (in other comprehensive income). Deferred tax items are recognised in correlation to the underlying transaction in OCI.

The Company recognises interest levied and penalties related to income tax assessments in income tax expenses.

2.2.15 Earnings per share

The Company reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period. There are no instruments which have effect of dilution on the EPS.

2.2.16 Operating Cycle

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Fair value of the Company's financial assets that are measured at fair value on a recurring basis

(₹ in Lakh)

Financial Assets	Fair value as at		Fair Value hierarchy	Valuation technique(s) and key input(s)

Equity Shares (Unquoted)	655.49	492.77	Level 3	Net Asset Method

There were no transfers between Level 1, 2 and 3 during the years.

The management assessed that fair value of cash and bank balances, fixed deposits, trade receivables, and trade payables and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

Notes to Standalone Financial Statements

for the year ended March 31, 2024

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- The fair value of the quoted bonds and mutual fund are based on price quotations at reporting date. The fair value of unquoted instruments and other financial liabilities, as well as other non-current financial liabilities is estimated by discounting future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities.
- The fair values of the unquoted equity shares have been estimated using a discounted cash flow model. The valuation requires the management to make certain assumptions about the model inputs, including forecast cash flows, discount rate, credit risk and volatility, the probabilities of the various estimates within the range can be reasonably assessed and are used in the management's estimate of fair value for these unquoted equity investments.

Disclosure for Level 3

The fair values of the unquoted equity shares have been estimated based on net asset method as per latest financials available.

31. Financial Risk Management

The Company's principal financial liabilities comprise trade and other payables. The main purpose of these financial liabilities is to support its operations. The Company's principal financial assets include trade and other receivables, and cash and short-term deposits that derive directly from its operations.

The Company's activities expose it to a variety of financial risks: credit risk, liquidity risk, market risk (including foreign currency and interest rate risk) and regulatory risk. The Company's primary focus is to foresee the unpredictability of financial markets and seek to minimise potential adverse effects on its financial performance. The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers.

a) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

Notes to Standalone Financial Statements

for the year ended March 31, 2024

i. Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer.

The demographics of the customer, including the default risk of the industry in which the customer operates, also has an influence on credit risk assessment.

An impairment analysis is performed at each reporting date using a provision matrix to measure expected credit losses. The provision rates are based on days past due of various types of customers (i.e. issuers, DP (Depository Participants), RTA (Registrar and Transfer agents), etc). The calculation reflects the probability-weighted outcome, the time value of money and reasonable and supportable information that is available at the reporting date about past events, current conditions and forecasts of future economic conditions. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Company evaluates the concentration of risk with respect to trade receivables as low.

No customer has accounted for more than 10% of the receivables as at March 31, 2024 and revenue for the year ended March 31, 2024.

No customer has accounted for more than 10% of the receivables as at March 31, 2023 and revenue for the year ended March 31, 2023.

ii. Investments

The Company limits its exposure to credit risk by making investment as per the investment policy. Further investment committee of the Company reviews the investment portfolio on monthly basis and recommends or provides suggestions to the management. The Company does not expect any losses from non-performance by these counter-parties, and does not have any significant concentration of exposures to specific industry sectors.

b) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. The management monitors the Company's net liquidity position through forecasts on the basis of expected cash flows.

The details regarding the contractual maturities of financial liabilities as at March 31, 2024 and March 31, 2023 are as below:

Notes to Standalone Financial Statements

for the year ended March 31, 2024

c) Market risk

The Company's business, financial condition and results of operations are highly dependent upon the levels of activity in the capital markets and in particular upon the trading volume on stock exchanges, the number of listed securities, the number of new listings and subsequent issuances and introduction of new services which will ease in doing business in capital markets.

In addition to the above risk, market risk also include following:

i. Foreign Currency risk

The Company's foreign currency risk arises in respect of foreign currency transactions. The Company's foreign currency expenses are insignificant, while a significant portion of its costs are in Indian rupees.

As a result, if the value of the Indian rupee appreciates relative to these foreign currencies, the Company's expenses measured in rupees may decrease. Due to lessor quantum of expenses from foreign currencies, the Company is not much exposed to foreign currency risk.

ii. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term/short-term investment with floating interest rates.

All investments in Debentures and Bonds are at fixed rate of Interest and does not have material interest rate risks. The Company's investments in floating rate are primarily in Fixed Maturity Plans (FMPs) of mutual funds, which do not expose it to significant interest rate risk. The Company's exposure to assets having price risk is as under:-

Particulars	(₹ in Lakh)	
	As at March 31, 2024	As at March 31, 2023
Mutual Fund (other than FMP)	50,096.35	37,809.50

Sensitivity Analysis

The table below summarises the impact of increases/ decreases of the Price on profit for the period. The analysis is based on the assumption that the instrument index has increased/ decreased by 5% with all other variables held constant.

Particulars	(₹ in Lakh)	
	Impact on profit after tax	
	March 31, 2024	March 31, 2023
Increase by 5%	2,504.82	1,890.48
Decrease by 5%	2,504.82	1,890.48

iii. Regulatory Risk

The Company requires various regulatory approvals, registrations and permissions to operate its business, including at a corporate level as well as at the level of each of its components. Some of these approvals are required to be renewed from time to time. The Company's operations are subject to continued review by regulator and these regulations may change from time to time in fast changing capital market environment. The Company's compliance team constantly monitors the compliance with these rules and regulations.

32. Capital Management

The Company's policy is to maintain a strong capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. The Company monitors the return on capital as well as the level of dividends on its equity shares. The Company's objective when managing capital is to maintain an optimal structure so as to maximise shareholder value.

The Company is equity financed which is evident from the capital structure. Further, the Company has always been a net cash Company with cash and bank balances along with investments which are predominantly investments in mutual funds being far in excess of financial liabilities.

Service tax matters	-	77.97
b) Bank Guarantee (Refer note (ii))	80.00	75.00

Notes:

i. Legal Claim:

- Writ petition has been filed by Swojas Energy Foods Limited & Ors. against SEBI, CDSL & Ors. pursuant to Demat accounts of the petitioners being frozen on receipt of instructions received from BSE based on a circular issued by BSE in discussion with SEBI. Petitioners have sought monetary compensation exceeding ₹ 333 Lakh for alleged illegal freezing of demat accounts as the petitioners' allege that SEBI did not delegate any such power to BSE. There have been two hearings, however, there is no further development in the matter.
- The Hon'ble Arbitration Tribunal has passed an award by granting a claim of ₹ 86.03 Lakh to the Claimant and directed CDSL to pay. CDSL has challenged the said award before the Hon'ble Bombay High Court and the same is currently pending.
- Arbitration and Civil Cases pending in the court/ with the authorities amounting to ₹ 842 Lakh, The management believes that the crystallisation of liability on CDSL is remote in these cases.

37. Employee benefits

37.1 Defined benefits plan – Gratuity

Gratuity is administered through Gratuity Scheme with Life Insurance Corporation of India (LIC). The LIC raises demand for annual contribution for gratuity amount based on its own computation without providing entire details as required by the Ind AS 19 “Employee Benefits”. Hence the Company obtains separate actuarial valuation report as required under Ind AS 19 “Employee Benefits” from an independent Actuary. The expected return on plan assets is based on market expectation at the beginning of the year, for the returns over the entire life of the related obligations.

Such plan exposes the Company to actuarial risks such as: investment risk, interest rate risk, demographic risk and salary risk.

Investment risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to market yields at the end of the reporting period on government bond yields; if the return on plan asset is below this rate, it will create a plan deficit. Currently the plan has a relatively balanced investment in equity securities and debt instruments.
Interest rate risk	A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.
Demographic risk	This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, medical cost inflation, discount rate and vesting criteria.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Company has received the Gratuity fund statement from LIC till December 31, 2023. The Company has not received fund statement from LIC till March 31, 2024. Hence, for the purpose of calculation of plan asset as on March 2024 company has prepared fund movement as per the Company's records and rate of return on plan asset is estimated @ 7.25% p.a. as per actuarial report.

37.2 Compensated Absences

The employees of the Company are entitled to compensated absences. The employees can carry forward a portion of the unutilised accumulated compensated absences and utilise it in future periods or receive cash at retirement or termination of employment. The Company records an obligation for compensated absences in the period in which the employee renders the services that increases this entitlement. The Company measures the expected cost of compensated absences as the additional amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the end of the reporting period. The Company recognises accumulated compensated absences based on actuarial valuation. Non-accumulating compensated absences are recognised in the period in which the absences occur. The Company recognises remeasurement gains or losses immediately in the statement of profit and loss.

During the year ended March 31, 2024 an amount recognised as an expense in respect of compensated leave absences is ₹ 316.31 Lakh, (Previous year ended March 31, 2023 is ₹ 217.43 Lakh).

- 39.** SEBI vide its circular no. CIR/MRD/DP/18/2015 dated December 09, 2015 had come up with a concept of Basic Services Demat Accounts (BSDA) with an objective of promoting financial inclusion and expanding the reach of depository services to tier II and tier III towns, recommended that the revenue source of the depositories may be augmented and Depository Participants (DPs) may be incentivised by having a revenue sharing mechanism between depositories and DPs. SEBI circular also prescribes that the annual issuer charges may be increased, and the incremental revenue received by the Depositories be shared suitably with their Depository Participants for promoting the BSDA and opening new accounts in tier II and tier III towns. Further in order to compensate the DPs towards the cost of opening and maintaining Basic Services Demat Accounts, the depositories shall pay an incentive of ₹ 100/- for every new BSDA opened by their participants in other than the top 15 cities specified by SEBI. The incentive shall be provided at the end of the financial year only with respect to the new BSDA opened during the financial year and which displayed at least one credit in the account during the Financial Year.

Pursuant to the Circular, the Company has set aside ₹ 1,361.23 Lakh during the year ended March 31, 2024 (Previous year ended March 31, 2023 is ₹ 967.24 Lakh) being 20% of the incremental revenue received from issuers during the respective years, towards the DP incentive scheme.

Independent Auditor's Report

To the Members of
Central Depository Services (India) Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Central Depository Services (India) Limited (hereinafter referred to as "the Holding Company"), its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its associate comprising of the consolidated Balance sheet as at March 31 2024, the consolidated Statement of Profit and Loss, including other comprehensive income, the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries and associate, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate as at March 31, 2024, their consolidated profit including other comprehensive income, their consolidated cash flows and the consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our

responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group and its associate in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements for the financial year ended March 31, 2024. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the consolidated financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the consolidated financial statements. The results of audit procedures performed by us and by other auditors of components not audited by us, as reported by them in their audit reports furnished to us by the management, including those procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying consolidated financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. The Annual report is expected to be made available to us after the date of this auditor's report.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group including its associate in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group and of its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of their respective

companies and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of their respective companies to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with Governance are also responsible for overseeing the financial reporting process of their respective companies.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the financial year ended March 31, 2024 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements and other financial information, in respect of two subsidiaries, whose financial statements include total assets of ₹ 40,212.29 Lakh as at March 31, 2024, and total revenues of ₹ 19,432.46 Lakh and net cash inflows of ₹ 545.09 Lakh for the year ended on that date. These financial statements and other financial information have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. The consolidated financial statements also include the Group's share of net loss of ₹ 108.31 Lakh for the year ended March 31, 2024, as considered in the consolidated financial statements, in respect of one associate, whose financial statements, other financial information have been audited by other auditors and whose reports have been furnished to us by the Management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and associate, and our report in terms of sub-Sections (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and associate, is based solely on the reports of such other auditors.

Our opinion above on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. Based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of the subsidiary companies and associate company incorporated in India, there are no qualifications or adverse remarks by the respective auditors in the Companies (Auditors Report) Order (CARO) reports of the companies included in the consolidated financial statements. Accordingly, the requirement to report on clause 3(xxi) of the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act is not applicable to the Holding Company.
2.  - (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2024 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors who are appointed under Section 139 of the Act, of its subsidiary companies and associate company, none of the directors of the Group companies and its associate, incorporated in India, is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Holding Company, its subsidiary companies, and associate company, incorporated in India, and the operating effectiveness of such controls, refer to our separate Report in "Annexure 1" to this report;
 - (g) In our opinion and based on the consideration of reports of other statutory auditors of the subsidiaries and associate, the managerial remuneration for the year ended March 31, 2024 has been paid/provided by the Holding Company, its subsidiaries and its associate incorporated in India to their directors in accordance with the provisions of Section 197 read with Schedule V to the Act;
 - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries and associate, as noted in the 'Other matter' paragraph:
 - i. The consolidated financial statements disclose the impact of pending litigations on its consolidated financial position of the Group and its associate in its consolidated financial statements – Refer Note 33 to the consolidated financial statements;
 - ii. The Group and its associate did not have any material foreseeable losses in long-term contracts including derivative contracts, during the year ended March 31, 2024;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, its subsidiaries and its associate, incorporated in India, during the year ended March 31, 2024.
 - iv. a) The respective managements of the Holding Company and its subsidiaries and its associate which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries and associate respectively that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds)

by the Holding Company or any of such subsidiaries and associate to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the respective Holding Company or any of such subsidiaries and associate ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- b) The respective managements of the Holding Company and its subsidiaries and associate which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries and associate respectively that, to the best of its knowledge and belief, no funds have been received by the respective Holding Company or any of such subsidiaries and associate from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries and associate shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of the subsidiaries and associate which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has caused us or the other auditors to believe that

the representations under sub-clause (a) and (b) contain any material misstatement.

- v. The final dividend paid by the Holding Company and one of its subsidiary company incorporated in India during the year in respect of the same declared for the previous year is in accordance with Section 123 of the Act to the extent it applies to payment of dividend.

The respective Board of Directors of the Holding Company and one of its subsidiary, incorporated in India have proposed final dividend (including special dividend from the Holding Company) for the year which is subject to the approval of the members of the respective companies at the respective ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend.

- vi. Based on our examination which included test checks and that performed by the respective auditors of the subsidiaries and associate which are companies incorporated in India whose financial statements have been audited under the Act, and as described in note 47, the Holding Company, subsidiaries and associate have used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of audit, we and respective auditors of the above referred subsidiaries and associate did not come across any instance of audit trail feature being tampered with.

Annexure 1 referred to in paragraph 1(f) under the heading “Report on other legal and regulatory requirements” of our report of even date in respect of consolidated financial statements of Central Depository Services (India) Limited

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of Central Depository Services (India) Limited (hereinafter referred to as the “Holding Company”) as of and for the year ended March 31, 2024, we have audited the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiaries (the Holding Company and its subsidiaries together referred to as “the Group”) and its associate, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the companies included in the Group and its associate, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Group and its associate, which are companies incorporated in India based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both, issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about

whether adequate internal financial controls with reference to consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements.

Meaning of Internal Financial Controls With Reference to Consolidated Financial Statements

A company’s internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls With Reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group and its associate, which are companies incorporated in India, have, maintained in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting

criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements of the Holding Company, in so far as it relates to these two subsidiaries and one associate, which are companies incorporated in India, is based on the corresponding reports of the auditors of these subsidiaries and associate.

Material Accounting Policies to the Consolidated Financial Statements

for the year ended March 31, 2024

1 Company Overview

- 1.1** Central Depository Services (India) Limited ("CDSL") herein after referred to as "the Parent Company or Company" is a limited company incorporated in India. The Parent Company is a Depository registered with Securities and Exchange Board of India ("SEBI") under the provisions of Depositories Act, 1996, and Rules and Regulations framed thereunder. The registered office of the Company is at A-2501, Marathon Futurex, N. M. Joshi Marg, Lower Parel, Mumbai – 400 013. CDSL was set up with the objective of providing convenient, dependable and secure depository services at affordable cost to all market participants. A depository facilitates holding of securities in the electronic form and enables securities transactions to be processed by book entry by a Depository Participant (DP) who acts as an agent of the depository, offers depository services to investors.
- 1.2** The equity shares of the Parent Company are listed on the National Stock Exchange of India Limited.
- 1.3** The consolidated financial statements for the year ended March 31, 2024 were approved for issue by the Parent Company's Board of Directors on May 04, 2024.

2 Material Accounting Policies

2.1 Basis of preparation and presentation

2.1.1 Statement of compliance

The Consolidated financial statements as at and for the year ended March 31, 2024 have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 as amended time to time and the financial statements also comply with presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III).

2.1.2 Basis of measurement

The Consolidated financial statements have been prepared and presented under the historical cost convention, except for certain items that have been measured at fair values at the end of each reporting period as required by the relevant Ind AS:

- Financial assets and liabilities measured at fair value or amortised cost (refer accounting policy at 2.3.2 & 2.3.3).
- Employee benefits (Gratuity and Compensated absences) (refer accounting policy at 2.3.10).

2.2 Basis of Consolidation

2.2.1 The consolidated financial statements incorporate the financial statements of the Parent Company, its subsidiaries and associates (the Group). Control is achieved when the Parent Company:

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns.

2.2.2 The Parent Company reassesses whether or not it controls an investee, if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above.

2.2.3 When the Parent Company has less than a majority of the voting rights of an investee, it has power over the investee when the voting rights are sufficient to give it the practical ability to direct the relevant activities of the investee unilaterally. The Parent Company considers all relevant facts and circumstances in assessing whether or not the Company's voting rights in an investee are sufficient to give it power, including:

- the size of the Parent Company's holding of voting rights relative to the size and dispersion of holdings of the other vote holders;
- potential voting rights held by the Parent Company, other vote holders or other parties;
- rights arising from other contractual arrangements; and
- any additional facts and circumstances that indicate that the Parent Company has, or does not have, the current ability to direct the relevant activities at the time that decisions need to be made, including voting patterns at previous shareholders' meetings.

2.2.4 Consolidation of a subsidiary begins when the Parent Company obtains control over the subsidiary and ceases when the Parent Company loses control of the subsidiary. Specifically, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated statement of profit and loss from the date the Parent Company gains control until the date when the Parent Company ceases to control the subsidiary.

2.2.5 Profit or loss and each component of other comprehensive income are attributed to the owners of the Parent Company and to the non-controlling interests. Total comprehensive income of subsidiaries is attributed to the owners of the Parent Company and

Material Accounting Policies to the Consolidated Financial Statements

for the year ended March 31, 2024

to the non-controlling interests even if this results in the non-controlling interests having a deficit balance.

2.2.6 Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the

consolidated financial statements to ensure conformity with the Group's accounting policies. The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on March 31, 2024.

2.2.7 All intragroup assets and liabilities, equity, income, expenses, and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

2.2.8 The subsidiary and associate companies considered in the consolidated financial statements are:-

Name of Subsidiary/ Associate	Country of Incorporation	Principal Activity	Proportion of Ownership Interest as on March 31, 2024	Proportion of Ownership Interest as on March 31, 2023
CDSL Ventures Limited (CVL)	India	KYC Registration	100.00%	100.00%
CDSL Insurance Repository Limited (CIRL)	India	Holding insurance policies in electronic mode	54.25%	54.25%
- On its own name			51.00%	51.00%
- Through CDSL Ventures Limited.			3.25%	3.25%
CDSL Commodity Repository Limited (CCRL)	India	Commodity Repository	52.00%	52.00%
India International Bullion Holding IFSC Limited (IIBHIL)	India	Finance company undertaking specialized activity - Holding Company for Bullion Project	20.00%	20.00%

2.2.9 A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it:

- Derecognises the assets (including goodwill) and liabilities of the subsidiary
- Derecognises the carrying amount of any non-controlling interests
- Derecognises the cumulative translation differences recorded in equity
- Recognises the fair value of the consideration received
- Recognises the fair value of any investment retained
- Recognises any surplus or deficit in profit or loss
- Recognise that distribution of shares of subsidiary to Group in Group's capacity as owners
- Reclassifies the parent's share of components previously recognised in OCI to profit or loss or transferred directly to retained earnings, if required by other Ind ASs as would be required if the Group had directly disposed of the related assets or liabilities

2.2.10 Non-Controlling interest in the net assets of the consolidated subsidiaries consist of the amount of equity attributable to the minority shareholders at the date on which investments in the subsidiary companies were made and further movements in their share in the equity, subsequent to the dates of investments. Net profit/loss for the year of the subsidiaries attributable to Non-Controlling interest is identified and adjusted against the profit after tax of the Group in order to arrive at the income attributable to shareholders of the Parent Company.

2.2.11 Consolidation procedure:

- Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.

- c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

2.2.12 Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. When necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with the Group's accounting policies. All intra-group assets and liabilities, equity, income, expenses and cash flows relating to transactions between members of the Group are eliminated in full on consolidation.

2.2.13 Functional and presentation currency

The consolidated financial statements of the Group are presented in Indian rupees, the national currency of India, which is the functional currency of the Group and the currency of the primary economic environment in which the Group operates. All financial information presented in Indian rupees has been rounded to the nearest Lakh up to two decimal except share and per share data in terms of Schedule III unless otherwise stated.

2.2.14 Use of estimates and judgement

- a) The preparation of consolidated financial statements in conformity with Ind AS requires the management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses, disclosure of contingent assets and disclosure of contingent liabilities. Actual results may differ from these estimates.
- b) Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgements in applying accounting policies that have the most significant effect on the amounts

recognized in the financial statements is included in the following notes:

- i. **Income taxes:** The Group's tax jurisdiction is in India. Significant judgements are involved in determining the provision for income taxes, deferred tax assets and liabilities including the amount expected to be paid or recovered in connection with uncertain tax positions.
- ii. **Minimum Alternate Tax (MAT)** paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that in the separate financial statements of the subsidiary there will be normal income tax payable. Accordingly, MAT is recognised as a deferred tax asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow within permissible time limit under Income Tax Act, 1961 to the extent MAT asset recognised.
- iii. **Employee Benefits:** Defined employee benefit assets/liabilities determined based on the present value of future obligations using assumptions determined by the Group with advice from an independent qualified actuary.
- iv. **Property plant and equipment and Intangible assets:** The charge in respect of periodic depreciation/amortization is derived after determining an estimate of an asset's expected useful life and the expected residual value at the end of its life. The useful lives and residual values of the Group assets are determined by the management at the time the asset is acquired and reviewed periodically, including at each financial year end. The lives are based on historical experience with similar assets as well as anticipation of future events, which may impact their life, such as changes in technology.
- v. **Impairment of trade receivables:** The Group estimates the probability of collection of accounts receivable by analyzing historical payment patterns, customer status, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required

Material Accounting Policies to the Consolidated Financial Statements

for the year ended March 31, 2024

- vi. **Fair value measurement of financial instruments:** The Group estimates fair values of the unquoted equity shares using discounted cash flow model. The valuation requires management to make certain assumptions about the model inputs, including forecast cash flows, discount rate, credit risk and volatility, the probabilities of the various estimates within the range can be reasonably assessed and are used in management's estimate of fair value for these unquoted equity investments (Refer note 29).

2.3 Summary of material accounting policies

2.3.1 Revenue

- a) The Group derives revenue primarily from services to corporates and capital market intermediary services. The Group recognises revenue when the significant terms of the arrangement are enforceable, services have been delivered and the collectability is reasonably assured. The method for recognizing revenues and costs depends on the nature of the services rendered:
 - i. **Time and service contracts:** Revenues and costs relating to time and service contracts are recognised as the related services are rendered.
 - ii. **Annual fee contracts:** Revenue from annual fee contracts is recognised proportionately over the period of the contract. When services are performed through an indefinite number of repetitive acts over a specified period of time, revenue is recognised on a straight-line basis over the specified period or under some other method that better represents the stage of completion.
- b) Revenues are shown net of goods and service tax and applicable discounts and allowances.
- c) **Trade receivable:** A receivable is recognised if an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).
- d) **Contract liabilities:** A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before the Group transfers the related services. Contract liabilities are recognised as revenue when the Company performs under the contract (i.e., transfers control of the related services to the customer).

2.3.2 Financial instruments

- a) Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments.
- b) The classification of financial instruments depends on the objective of the business model for which it is held. Management determines the classification of its financial instruments at initial recognition. All Financial instruments are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.
- c) Purchase or sales of financial assets are recognised on trade date.
- d) For the purpose of subsequent measurement, financial instruments of the Group are classified in the following categories: financial assets (debt instrument) comprising amortised cost, financial asset (equity instruments) at Fair value Through Profit and Loss account ("FVTPL") and financial liabilities at amortised cost or FVTPL.
- e) The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognised from the Group's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.
- f) All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

2.3.3 Financial Assets

a) Financial assets (debt instruments) at amortised cost

- i. A financial asset shall be measured at amortised cost if both of the following conditions are met:
 - the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
 - the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding (SPPI).
- ii. They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value plus transaction costs and subsequently carried at amortized cost using the effective interest method, less any impairment loss.
- iii. Financial assets measured at amortised cost are represented by investment in interest bearing debt instruments, trade receivables, security deposits, cash and cash equivalents, employee and other advances and eligible current and non-current assets.
- iv. Cash and cash equivalents comprise cash on hand and in banks and demand deposits with banks with original maturity less than 3 months which can be withdrawn at any time without prior notice or penalty on the principal.
- v. For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, in banks and demand deposits with banks, net of outstanding bank overdrafts that are repayable on demand, book overdraft and are considered part of the Group's cash management system.

b) Equity instruments at FVTPL

All equity instruments are measured at fair value other than investments in unquoted equity shares including investment in subsidiaries. These are classified as FVTPL.

c) Financial assets at FVTPL

FVTPL is a residual category for financial assets. Any financial asset which does not meet the criteria for categorization as at amortised cost or as FVTOCI, is classified as FVTPL. In addition the Group may elect to designate the financial asset, which otherwise meets amortised cost or FVTOCI criteria, as FVTPL if doing so eliminates or significantly reduces a measurement or recognition inconsistency.

d) Earmarked Funds

Earmarked Fund is in respect of variable pay payable to Key Management Personnel ('KMP') of the Parent Company, held for specific purposes as per the SEBI (Depositories and Participants) Regulations 2018, variable pay payable to employees other than KMP as per service rules, Security against Bank Guarantees, Amount Unpaid against Dividend, Government Securities, Stamp duty collected and Proceeds received for auction of demat accounts. These amounts are either invested in bank fixed deposits or available in current bank account and the same are earmarked in the Balance Sheet. Investment income earned on these financial instruments is credited to respective liabilities and not credited to the Statement of Profit or Loss except for fixed deposit against Bank Guarantees.

2.3.4 Financial liabilities

Financial liabilities at amortised cost

Financial liabilities at amortised cost represented by trade, lease liabilities and other financial liabilities are initially recognized at fair value, and subsequently carried at amortized cost using the effective interest method.

2.3.5 Equity

Ordinary shares: Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are recognised as a deduction from equity, net of any tax effect (if any).

2.3.6 Property, plant and equipment (PPE)

a) Recognition and measurement:

- i. Property, plant and equipment are measured at cost less accumulated depreciation and impairment losses, if any. The cost comprises the purchase price and any attributable cost of bringing the assets to its working condition for its intended use.
- ii. Capital work-in-progress is stated at cost, net of accumulated impairment loss, if any.

Material Accounting Policies to the Consolidated Financial Statements

for the year ended March 31, 2024

b) Derecognition of PPE:

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

2.3.7 Intangible assets

- Intangible assets are measured at cost as of the date of acquisition less accumulated amortization and accumulated impairment losses, if any.
- Intangible assets consist of computer software.
- Intangible assets under development is stated at cost, net of accumulated impairment loss, if any.

2.3.8 Depreciation/Amortisation:

- Depreciation/Amortisation has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Name of Asset	Useful life as per Companies Act, 2013 (Years)	Useful Life as per Group Policy (Years)
Computer software – Subscription License	3	As per license period
Furniture and Fixtures	10	5
Vehicle	8	4

- Depreciation/Amortisation methods, useful life and residual values are reviewed at each reporting date, with the effect of any changes in estimate accounted for on a prospective basis.
- Amounts paid towards the acquisition of property, plant and equipment outstanding as of each reporting date and the cost of property, plant and equipment not ready for intended use are disclosed under capital work- in-progress. Depreciation is not charged on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use.

2.3.9 Impairment

Financial assets carried at amortised cost

- In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss. The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables.
- The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.
- The Group has used a practical expedient by computing the expected credit loss allowance for trade receivable based on a detailed analysis of trade receivables.
- ECL impairment loss allowance (or reversal) recognised during the year is recognised as expense/income in the Statement of Profit and Loss.
- Financial assets measured at amortised cost, contractual revenue receivable: ECL is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria, the Group does not reduce impairment allowance from the gross carrying amount.

2.3.10 Employee benefits

The Group participates in various employee benefit plans. Post-employment benefits are classified as either defined contribution plans or defined benefit plans. Under a defined contribution plan, the Group's only obligation is to pay a fixed amount with no obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits. The related actuarial and investment risks fall on the employee. The expenditure for defined contribution plans is recognized as expense during the period when the employee provides service. Under a defined benefit plan, it is the Group's obligation to provide agreed benefits to the employees. The related actuarial and investment risks fall on the Group. The present value of the defined benefit obligations is calculated using the projected unit credit method.

- Short-term employee benefits: Performance linked bonus is provided as and when the same is approved by the Board of Directors.
- Post-employment benefits and other long-term employee benefits are treated as follows:

Material Accounting Policies to the Consolidated Financial Statements

for the year ended March 31, 2024

- **Defined Contribution Plans**

Provident Fund: The Provident fund plan is operated by Regional Provident Fund Commissioner (RPFC) and the contribution thereof are paid/provided for.

Contributions to the defined contribution plans are charged to profit or loss for the respective financial year as and when services are rendered by the employees.

- **Defined Benefits Plans**

Gratuity: In accordance with the Payment of Gratuity Act, 1972, the Group provides for a lump sum payment to eligible employees, at retirement or termination of employment based on the last drawn salary and years of employment with the Group. Gratuity for employees is covered by Gratuity Scheme with Life Insurance Corporation of India except for CDSL Commodity Repository Limited and the contribution thereof is paid/provided for. Provision for gratuity is made on the basis of actuarial valuation on Projected Unit Credit Method as at the end of the year.

Remeasurement gains or losses are recognised in other comprehensive income. Further, the profit or loss does not include an expected return on plan assets. Instead net interest recognised in profit or loss is calculated by applying the discount rate used to measure the defined benefit obligation to the net defined benefit liability or asset. The actual return on the plan assets above or below the discount rate is recognised as part of re-measurement of net defined liability or asset through Other Comprehensive Income.

Remeasurements comprising gains or losses and return on plan assets (excluding amounts included in net interest on the net defined benefit liability) are not reclassified to profit or loss in subsequent periods.

Compensated absences: Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short-term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end. Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year are treated as non-current employee benefits. The Group's liability is

actuarially determined (using the Projected Unit Credit method) at the end of year.

2.3.11 Provisions

- Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.
- The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

2.3.12 Investment income

- Investment income consists of interest income on funds invested, dividend income and gains on the disposal of financial assets measured at FVTPL and Amortised cost..
- Interest income on bond is recognised as it accrues in the statement of Profit or Loss, using the effective interest method and interest income on deposits with banks is recognised on a time proportion accrual basis taking into the account the amount outstanding and the rate applicable.
- Dividend income is recognised in the Profit or Loss on the date that the Group's right to receive payment is established.

2.3.13 Income tax

- Income tax comprises current and deferred tax. Income tax expense is recognized in profit or loss except to the extent it relates to items directly recognized in equity or in other comprehensive income.

i. Current income tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted at the reporting date and applicable for the period. The Group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognised amounts and where it intends either to settle on a net basis or to realize the asset and settle liability simultaneously.

Material Accounting Policies to the Consolidated Financial Statements

for the year ended March 31, 2024

ii. Deferred tax

Deferred tax is recognised using the balance sheet approach. Deferred tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in consolidated financial statements.

Deferred tax asset are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized. Deferred tax liabilities are recognised for all taxable temporary differences. Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (in other comprehensive income). Deferred tax items are recognised in correlation to the underlying transaction in OCI.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The Group recognises interest levied and penalties related to income tax assessments in income tax expenses.

2.3.14 Earnings per share

- a) The Group reports basic and diluted earnings per share in accordance with Ind AS 33 on Earnings per share. Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period. There are no instruments which have effect of dilution on the EPS.

2.3.15 Operating Cycle

Based on the nature of products/activities of the Group and the normal time between acquisition of assets and their realization in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

Equity Shares (Unquoted)	655.49	492.77	Level 3	Net Asset Method

There were no transfers between Level 1, 2 and 3 during the years.

The management assessed that fair value of cash and bank balances, fixed deposits, trade receivables, and trade payables and other current financial assets and liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

i. The fair value of the quoted bonds and mutual fund are based on price quotations at reporting date. The fair value of unquoted instruments and other financial liabilities, as well as other non-current financial liabilities is estimated by discounting future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities.

ii. The fair values of the unquoted equity shares have been estimated using a discounted cash flow model. The valuation requires the management to make certain assumptions about the model inputs, including forecast cash flows, discount rate, credit risk and volatility, the probabilities of the various estimates within the range can be reasonably assessed and are used in the management's estimate of fair value for these unquoted equity investments.

Disclosure for Level 3

The fair values of the unquoted equity shares have been estimated based on net asset method as per latest financials available.

30. Financial Risk Management

The Group's principal financial liabilities comprise trade and other payables. The main purpose of these financial liabilities is to support its operations. The Group's principal financial assets include trade and other receivables, and cash and short-term deposits that derive directly from its operations.

Notes to Consolidated Financial Statements

for the year ended March 31, 2024

The Group's activities expose it to a variety of financial risks: credit risk, liquidity risk, market risk (including foreign currency and interest rate risk) and regulatory risk. The Group's primary focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Group's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers.

a) Credit risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Group assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

- **Trade and other receivables**

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer.

The demographics of the customer, including the default risk of the industry in which the customer operates, also has an influence on credit risk assessment.

An impairment analysis is performed at each reporting date using a provision matrix to measure expected credit losses. The provision rates are based on days past due of various types of customers (i.e. issuers, DP (Depository Participants), RTA (Registrar and Transfer agents), etc). The calculation reflects the probability-weighted outcome, the time value of money and reasonable and supportable information that is available at the reporting date about past events, current conditions and forecasts of future economic conditions. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. The Group evaluates the concentration of risk with respect to trade receivables as low.

• Investments

The Group limits its exposure to credit risk by making investment as per the investment policy. Further investment committee of the Group reviews the investment portfolio on monthly basis and recommends or provides suggestions to the management. The Group does not expect any losses from non-performance by these counter-parties, and does not have any significant concentration of exposures to specific industry sectors.

b) Liquidity risk

Liquidity risk is the risk that the Group will not be able to meet its financial obligations as they become due. The Group manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

The Group's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. The management monitors the Group's net liquidity position through forecasts on the basis of expected cash flows.

Notes to Consolidated Financial Statements

for the year ended March 31, 2024

c) Market risk

The Group's business, financial condition and results of operations are highly dependent upon the levels of activity in the capital markets and in particular upon the trading volume on stock exchanges, the number of listed securities, the number of new listings and subsequent issuances and introduction of new services which will ease in doing business in capital markets.

In addition to the above risk, market risk also include following:

• Foreign Currency risk

The Group's foreign currency risk arises in respect of foreign currency transactions. The Group's foreign currency expenses is insignificant, while a significant portion of its costs are in Indian rupees.

As a result, if the value of the Indian rupee appreciates relative to these foreign currencies, the Group's expenses measured in rupees may decrease. Due to lesser quantum of expenses from foreign currencies, the Group is not much exposed to foreign currency risk.

• Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long-term/short-term investment with floating interest rates.

All investments in Debentures and Bonds are at fixed rate of Interest and does not have material interest rate risks. The Group's investments in floating rate are primarily in Fixed maturity plans (FMPs) of mutual funds, which do not expose it to significant interest rate risk. The Group's exposure to assets having price risk is as under:-

Notes:

i. Legal Claim:

- Writ petition has been filed by Swojas Energy Foods Limited & Ors. against SEBI, CDSL & Ors. pursuant to Demat accounts of the petitioners being frozen on receipt of instructions received from BSE based on a circular issued by BSE in discussion with SEBI. Petitioners have sought monetary compensation exceeding ₹ 333 Lakh for alleged illegal freezing of demat accounts as the petitioners' allege that SEBI did not delegate any such power to BSE. There have been two hearings, however, there is no further development in the matter.
- The Hon'ble Arbitration Tribunal has passed an award by granting a claim of ₹ 86.03 Lakh to the Claimant and directed CDSL to pay. CDSL has challenged the said award before the Hon'ble Bombay High Court and the same is currently pending.
- Arbitration and Civil Cases pending in the court/ with the authorities amounting to ₹ 842 Lakh, The management believes that the crystallization of liability on CDSL is remote in these cases.

ii. CDSL Ventures Limited

Maharashtra GST department has issued order u/s 73 of CGST Act, 2017 in Form DRC 07 on March 29, 2023 demanding tax liability of ₹ 11.19 Lakh including Interest and penalty. An appeal against the said order has been filed on June 23, 2023.

35. Segment information

The Managing Director and Chief Executive Officer of the Parent Company, has been identified as the Chief Operating Decision Maker (CODM) as defined by Indian Accounting Standard 108 "Operating Segments". The CODM evaluates the Group's performance, allocates resources based on analysis of the various performance indicators of the Group as a single unit.

The Group operates in three operating Segments namely Depository, Data entry and storage and Repository. These are the reportable business segment as per Indian Accounting Standard 108 "Operating Segments". The reportable business segments are in line with the segment wise information which is being presented to the CODM.

The Group has three operating and reporting segment; viz, Depository, Data entry and storage and Repository. Since there is no revenue from external customers and non-current assets outside India, no geographical segments have been identified.

Depository Segment includes providing various services to the investors like dematerialisation, rematerialisation, holding, transfer and pledge of securities in electronic form and providing e-voting services to companies.

Data Entry and Storage segment relates to Centralized record keeping of KYC document of capital market investors.

Notes to Consolidated Financial Statements

for the year ended March 31, 2024

Repository's main objective to provide policyholders/warehouse receipts holder a facility to keep insurance policies/warehouse receipts in electronic form and to undertake changes, modifications and revisions in the policy/receipt with speed and accuracy in order to bring about efficiency, transparency and cost reduction in issuance and maintenance of policies/receipts.

The Group's revenues are entirely attributable to customers in India. All the non-current assets of the Company are located in India.

37. Employee benefits

37.1 Defined benefits plan – Gratuity

Gratuity is administered through Group Gratuity Scheme with Life Insurance Corporation of India except for CDSL Commodity Repository Limited. The LIC raises demand for annual contribution for gratuity amount based on its own computation without providing entire details as required by the Ind AS 19 “Employee Benefits”. Hence the Group obtains separate actuarial valuation report as required under Ind AS 19 “Employee Benefits” from an independent Actuary. The expected return on plan assets is based on market expectation at the beginning of the year, for the returns over the entire life of the related obligations.

Such plan exposes the Group to actuarial risks such as: investment risk, interest rate risk, demographic risk and salary risk.

Investment risk	The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to market yields at the end of the reporting period on government bond yields; if the return on plan asset is below this rate, it will create a plan deficit. Currently the plan has a relatively balanced investment in equity securities and debt instruments.
Interest rate risk	A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's debt investments.
Demographic risk	This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these decrements on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, medical cost inflation, discount rate and vesting criteria.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

Notes to Consolidated Financial Statements

for the year ended March 31, 2024

Group has received the Gratuity fund statement from LIC till December 2023. The Group has not received fund statement from LIC till March 2024. Hence, for the purpose of calculation of plan asset as on March 2024 group has prepared fund movement as per the Group's records and rate of return on plan asset is estimated @ 7.25% p.a. as per actuarial report.

37.2 Compensated Absences

The employees of the Group are entitled to compensated absences. The employees can carry forward a portion of the unutilised accumulated compensated absences and utilise it in future periods or receive cash at retirement or termination of employment. The Group records an obligation for compensated absences in the period in which the employee renders the services that increases this entitlement. The Group measures the expected cost of compensated absences as the additional amount that the Group expects to pay as a result of the unused entitlement that has accumulated at the end of the reporting period. The Group recognizes accumulated compensated absences based on actuarial valuation. Non-accumulating compensated absences are recognized in the period in which the absences occur. The Group recognizes remeasurement gains or losses immediately in the statement of profit and loss.

During the year ended March 31, 2024 an amount recognized as an expense in respect of compensated leave absences is ₹ 390.26 Lakh, (Previous year ended March 31, 2023 is ₹ 267.96 Lakh).

- 38.** As per the rule the Securities and Exchange Board of India (Depositories and Participants) (Amendment) Regulations, 2018 (the "Amended Regulations"), the Parent Company has determined the IPF contribution at 5% of profit from depository operation after making such contribution according to the Amended Regulations. The profit from depository operations has been determined by reducing the other income for the year from the Net profit before exceptional items and tax for the year after making such contribution. The movement of IPF provision is given below:

Table showing movement of IPF provision:

(₹ in Lakh)

- 39.** SEBI vide its circular no. CIR/MRD/DP/18/2015 dated December 09, 2015 had come up with a concept of Basic Services Demat Accounts (BSDA) with an objective of promoting financial inclusion and expanding the reach of depository services to tier II and tier III towns, recommended that the revenue source of the depositories may be augmented and Depository Participants (DPs) may be incentivized by having a revenue sharing mechanism between depositories and DPs. SEBI circular also prescribes that the annual issuer charges may be increased, and the incremental revenue received by the Depositories be shared suitably with their Depository Participants for promoting the BSDA and opening new accounts in tier II and tier III towns. Further in order to compensate the DPs towards the cost of opening and maintaining Basic Services Demat Accounts, the depositories shall pay an incentive of ₹ 100/- for every new BSDA opened by their participants in other than the top 15 cities specified by SEBI. The incentive shall be provided at the end of the financial year only with respect to the new BSDA opened during the financial year and which displayed at least one credit in the account during the Financial Year.

Pursuant to the Circular, the Company has set aside ₹ 1,361.23 Lakh during the year ended March 31, 2024 (₹ 967.24 Lakh during the year ended March 31, 2023) being 20% of the incremental revenue received from issuers during the respective years, towards the DP incentive scheme.
