# CHAIRMAN'S MESSAGE

**SUNIL  
RAMSINGHNAI**  
INDEPENDENT DIRECTOR AND  
CHAIRMAN OF THE BOARD

***Dear Stakeholders,***

On behalf of the Board of Directors of Flexituff Ventures International Limited, I am pleased and honoured to present the Annual Report for the Financial Year 2024-25 of your company. It is with great pride and gratitude that I reflect upon the achievements, challenges, and progress we have made together as a company.

Flexituff has always been committed to excellence, innovation, and sustainable growth. Despite the uncertainties and disruptions that marked this period, we remained resilient and adaptive, leveraging our strengths to navigate the changing landscape. The transformation in economic and business environment is bound to change the way we operate and create wealth for our shareholders. Holding on to our strengths and building new ones, our team of employees is resolutely focused on achieving immediate target of regaining growth.

On the brighter side, having registered the highest GDP growth rate among major economies, India has proved its strong position as against other major economies. Even if the global headwinds are posing short term threats, India with its strong macroeconomic fundamentals is poised to sustain in the long term. Policies like the production linked incentives, Make in India as well as the government's thrust on infrastructure expansion will produce a strong multiplier effect on jobs and higher productivity, all of which will boost the economy.

## ***Your Company's Financial Performance:***

During the year under review, the Company's performance was quite not satisfactory in comparison to previous year. Total revenue on a standalone basis for the FY 2024-25 stands at Rs. 4601.64 Millions in comparison of previous year which was Rs. 6064.31 Millions. The Company's net worth mark an increases of Rs. 2464.85 Million in Financial Year 2024-25 on Standalone basis.

The Company is facing financial challenges in the current scenario despite this; Company is making its best possible efforts to overcome the challenges with a positive note.

## ***Employee Engagement and Development:***

Our employees are the backbone of our organization, and their dedication and expertise have been instrumental in our success. We prioritize their well-being, growth, and development, providing a nurturing and inclusive work environment that fosters innovation and collaboration. We have continued to invest in training and development programs, ensuring that our team members stay ahead in a rapidly evolving marketplace. Our employees' resilience, adaptability, and commitment have been pivotal in overcoming challenges and achieving our objectives.

As we look to the future, we remain optimistic about the opportunities and challenges that lie ahead. We are cognizant of the rapidly evolving business landscape and will continue to adapt and innovate to meet the needs of our customers. Our strategic roadmap encompasses new market expansions, digital transformations, and further investments in research and development. By leveraging our core competencies and exploring emerging technologies, we are poised to capture new growth avenues and create long-term value for our stakeholder.

In conclusion I am confident of our growth potential and business opportunities that each of our segments exhibit. As the domestic and international operating environment improves gradually I am optimistic of a healthy performance. This is possible due to our investments in world-class infrastructure, competent resources, superior R&D capabilities and a strong adherence to safety protocols which is a cornerstone of our sustainability endeavours. I am also confident of creating sustained value for all our stakeholders as we progressively step into FY 2024-25.

On this note, would like to express my sincere gratitude to all our stakeholders including shareholders, bankers and for their unwavering support, our valued vendors for their trust and partnership, and our dedicated employees for their exceptional contributions. Together, we will continue to chart a path of success and shape a brighter future for Flexituff Ventures International Limited.

***Stay Safe and Healthy!!***

**With Regards,  
Sunil Ramsinghnai**

### INDUSTRY STRUCTURE & DEVELOPMENT

#### ECONOMIC REVIEW

##### WORLD ECONOMIC CONDITIONS

Early signs in 2025 that the world economy could achieve a soft landing—with inflation easing and growth remaining steady—have faded. Persistent inflationary pressures and renewed financial sector turmoil have dampened optimism.

According to the International Monetary Fund (IMF), global GDP growth is projected at 3.0% in 2025, rising slightly to 3.1% in 2026, but still below the pre-pandemic average of 3.8%.

Advanced economies are expected to grow at a subdued pace of 1.8%, reflecting tight monetary conditions and fiscal constraints.

The global flexible intermediate bulk container market size reached USD 5.7 Billion in 2024. Looking forward, the analyst expects the market to reach USD 8.5 Billion by 2033, exhibiting a CAGR of 4.31% during 2025 to 2033.

The global flexible intermediate bulk container (FIBC) market is projected to reach USD 6.4 billion by 2026, growing at a compound annual growth rate (CAGR) of 5.9% over the forecast period, according to Grand View Research, Inc.

This growth is driven by:

- Expansion of food and pharmaceutical industries worldwide, which require safe, hygienic, and efficient bulk packaging solutions.
- Increasing demand for lightweight packaging, aimed at reducing transportation costs and improving handling efficiency.
- Global trade and logistics growth, especially in

emerging markets, boosting the need for scalable and recyclable packaging formats.

FIBCs are increasingly favored for their durability, reusability, and cost-effectiveness, making them essential in sectors such as agriculture, chemicals, construction, and industrial manufacturing.

### INDUSTRY OVERVIEW

The analyst monitoring the Global "FIBC (Flexible Intermediate Bulk Container) Market" reported that the market was valued at USD 7.2 billion in 2024 and is projected to reach USD 7.4 billion by 2025, growing at a CAGR of 4.5% during the forecast period. The increasing use of FIBCs across industries such as chemicals, food & beverages, pharmaceuticals, agriculture, and construction continues to drive market growth globally. The FIBC market remains highly fragmented with the presence of several international and regional vendors who offer products for end-users in the chemical, food, and other industries. Although the high demand for FIBCs from the construction industry will offer immense growth opportunities, the high availability of substitutes will challenge the growth of the market participants.

The growth of the construction industry is one of the critical reasons expected to boost flexible intermediate bulk container market growth. Flexible intermediate bulk containers save storage space and ensure optimum utilization of trucks, which will help them gain more prominence in the construction industry. The cost savings associated with these containers will drive flexible intermediate bulk container market growth.

Peculiarly, a Technical textile as a segment is directly proportional to the stage of industrialization and economic growth of any country. Developing countries undergoing large scale industrialization fuel the demand for technical textile products. The usage may range from infrastructure, agriculture, health, defence, automobiles, aerospace, sports, protective clothing, packaging, etc.,. With transformation of the Indian economy post liberalization in the early 1990s, the demand and consumption of technical textiles products in India has been consistently increasing. The growth of technical textiles has also helped growth and innovation of conventional textile products, owing to significant value addition across the textile value chain. All major players in India have started developing technical textiles products as they provide better margins in comparison to conventional textiles.

As of 2025, the global technical textiles market is valued at approximately USD 230.9 Billion, and is projected to reach USD 241.5 Billion by 2035, growing at a CAGR of 6.2%. In comparison, the Indian technical textiles market has

reached an estimated value of USD 29 Billion (₹2,41,000 Crores) in FY 2024–25, marking a significant rise from ₹1,22,943 Crores (USD 18.89 Billion) in 2019–20.

India's technical textiles segment now accounts for over 10% of global consumption, up from 8.7% in 2019–20, reflecting the country's growing influence in the global market. Within India's broader textile industry, which was valued at ₹7,11,409 Crores in 2019–20, technical textiles have expanded their share from 17% to an estimated 34% in 2024–25, driven by rising demand in sectors such as healthcare, infrastructure, agriculture, and mobility.

Government initiatives such as the National Technical Textiles Mission (NTTM), PLI Scheme, and PM MITRA Parks, along with increased Basic Customs Duty (BCD) on imports and tax incentives for textile machinery, have played a pivotal role in accelerating domestic production and innovation. Emerging technologies like smart textiles, biodegradable yarns, and energy-harvesting fabrics are reshaping the industry, positioning India as a global hub for high-performance and sustainable textile solutions.

As of FY 2024–25, the share of technical textiles in India's overall textile industry has risen to an estimated 28%, up from 17% in 2019–20, reflecting a strong shift toward functional and high-performance textile applications. This growth is driven by rising demand across industries such as automotive, agriculture, healthcare, and infrastructure.

Among the twelve recognized segments, the following are projected to grow at CAGR rates exceeding 10%, making them the fastest-expanding categories in the Indian market:

- Oekotech (environmental protection textiles)
- Protech (personal protection textiles)
- Mobiltech (automotive textiles)
- Geotech (geosynthetics for civil engineering)
- Indutech (industrial textiles)
- Agrotech (agricultural textiles)
- Buildtech (construction textiles)

In contrast, Packtech, which has historically dominated the domestic technical textiles market, is expected to experience a moderated rate of growth, as demand shifts toward more specialized and value-added segments.

The future trajectory of these forecasts is closely linked to the success of the National Technical Textiles Mission (NTTM), launched in 2020 with an outlay of ₹1,480 Crores.

The extent and nature of market response to these interventions—particularly in areas such as innovation, education, and export promotion—will play a decisive role in shaping India's leadership in the global technical textiles landscape.

As of 2025, the share of technical textiles in India's overall textile value chain remains around 13%, underscoring the

sector's untapped potential. With strong linkages to high-growth industries such as automotive, healthcare, infrastructure, and agriculture, technical textiles in India have demonstrated robust momentum, growing at an estimated CAGR of 18% during the period 2018–25.

Technical textile industry in India is import dependent. Many products like specialty fibers /yarns, medical implants, protective textiles, webbings for seat belts, etc. are mostly imported. However, technical textiles sector has registered impressive growth in the recent years. In order to capitalize on the growth potential, technical textiles ecosystem in India needs to grow significantly with focus on research and innovation in high growth sectors such as Mobiltech, Buildtech, Indutech, Meditech, etc., to ensure sustainable growth, the sector needs to adopt global best practices and attract FDIs (100 per cent FDI is allowed under automatic route) and JVs with global technical textiles companies.

Government-led initiatives such as the National Technical Textiles Mission (NTTM), PLI Scheme, and PM MITRA Parks have created a strong foundation for domestic capability building. Moving forward, the sector's sustainable growth will depend on coordinated efforts across industry, academia, and policy to reduce import dependency and position India as a global leader in advanced technical textiles.

## COMPANY OVERVIEW

Flexituff Ventures International Limited ("FVIL") is a multi-product, multi-market and multi-location enterprise. Having evolved from a leading global FIBC major to a foremost Indian Geo-synthetics solution provider, Flexituff – through its niche products also serves the domain needs of retail, agro, pharma and infrastructure sectors. With multiple manufacturing plants across India, exports to over 60 countries, and a workforce of more than 5,000 people, Flexituff has truly come of age as a global Indian multinational company.

FVIL is a trusted name in the manufacturing of Flexible Intermediate Bulk Container (FIBC), geo textiles, reverse printed BOPP (Biaxial oriented polypropylene) woven bags, and NPC drippers. Economies of scale, the edge of attitude, 100% integration under one roof, global footprints for more than 25 years of being in the industry are the key pointers for excellent reputation in domestic as well as international market.

## BUSINESS OVERVIEW

The Company's net turnover for FY 2024–25 declined compared to FY 2023–24, reflecting the absence of revenue contribution from the sold FIBC segment, which previously accounted for a significant portion of total sales.

The Company has been incurring net losses since FY 2018–19, primarily due to substantial receivables stuck with government departments, which led to delays in

bond repayments and a subsequent downgrade in credit ratings. These financial constraints have resulted in a severe working capital shortage, forcing the Company to procure raw materials at elevated prices on credit from traders.

In response, the Company has actively explored strategic options to improve liquidity and operational efficiency, including:

- Injection of working capital
- Long-term funding arrangements
- Cost rationalization measures
- Asset monetization and restructuring initiatives

Despite these challenges and the broader economic uncertainty, the Company's performance in FY 2024-25 was deemed satisfactory, reflecting resilience and prudent management under difficult conditions.

## PRODUCT INTRODUCTION

### FIBC

- **Four Loop Bags**

Flexituff offers a wide range of Standard Corner Loops and Cross Corner Loops FIBCs for bulk packaging from 500- 2000 Kgs.

- **Single/ Two Loop Bags**

Also called as Fertilizer bags, they are one of the popular offering of Flexituff. It is manufactured in a way that the fabric of the bag is used as a 'lifting loop'. The total production capacity of Flexituff for Single Loop Bag is close to 4 Million bags per year. What makes them unique is that they are made out of a single layer circular fabric, coated/ uncoated or with an option of PE liner as per customer's requirements. These bags are mainly used for packaging Fertilizer, Fish feed, Seed and Cement.

Flexituff is the only Indian Company to offer Single loop bags with suspended liner made on World renowned Gunter® sealing machine.

- **Builder Bags/ Tunnel Lift Bags**

Builder Bags are used for high volume usage. Flexituff holds a patent for Tunnel Lift™ bags. They are made especially for the Building and Construction Industries and are used for filling sand, construction waste or aggregates.

- **Specialized Bags: Type C + D**

Flexituff has evolved two specialized and protective bulk bag packaging that nullify damaging accidents due to static electricity- Type C (conductive) & D (dissipative) Bags employing patented Crohmiq technology.

Flexituff is the only Indian manufacturer holding Texene, USA's license and rights to produce type D

Crohmiq fabric and bags.

- **Specialized Bags: Baffle Bags**

Also called as Form Stable bags or Q bags, they maintain their square shape which allows optimum use of space during warehousing and transportation.

- **UN Bags**

Flexituff UN bags are certified by IIP (Indian Institute of Packaging) that issues a UN certificate based on testing parameters as prescribed in the IMDG code. A UN FIBC is subjected to rigorous tests to make sure that each of them is safe, functional, and up to rigorous international standards. The company has been delivering such bags over a decade with full expertise and full adherence to specified norms.

- **Ventilated Bags**

Flexituff's ventilated bags are made of flat Sulzer Polypropylene Woven Fabric specifically designed to permit the required air flow through the fabric into the bag to keep them from getting either too hot, too wet and to prevent mould ingress on the crop/log itself. Ventilated bags are commonly used for packing, storage and transportation of potato, onion and firewood logs.

- **FIBC with Special Liners**

At Flexituff, Liners are being manufactured and stored in a state-of-the-art Clean Room environment (ISO 14644-1 class 7). Besides Standard Tubular liner, the company provides the following Specialized Liners: Form-fit liners, Baffle Liner, Aluminum Liner, Nylon Liner, EVOH Liner, PP Liner, Liquid Liner, Valve Liner and Conductive Liner. Liners can be attached to the bag in various options like Tabbed Liner, Glued Liner or Flanged Liner.

### BOPP WOVEN BAG

BOPP Woven Bags represent an advanced concept of bulk packaging from 5-50 Kgs that adds value to a brand's personality. Decades of packaging experience empowers Flexituff to offer customized bags to meet the needs of different customers and applications.

Being a vertically integrated company, highest precision and quality are ensured at Flexituff, from the raw materials used to the finished product. Deep experience in manual stitching efficiencies enable the company to ramp up capacities and address customer needs of any quantity, anytime, anywhere.

### NON Woven Retail

- **Non Woven Floor Covering Carpets**

Non Woven Carpets are manufactured by a different process compared to Tufting and Weaving. Non-Woven Carpets are made from Polypropylene fibers

or Polyester fibers. The fibers are formed into a web by Needle Punching and then chemically bonded to form the carpet. Flexituff also manufactures Non-Woven Carpets with Jute Backing for higher dimensional strength.

These are available in latex backed form for direct usage.

- Plain Non-Woven Carpet
- Non-Woven Carpet with Scrim
- Random Velour Non-Woven Carpet

- **Synthetic Leather Substrate**

Flexituff has the best of equipment for good density, high tear strength Nonwoven Fabric. Polyester Needle Punched nonwoven Fabric is the base material of synthetic leather. It imparts good dimensional stability and has high temperature resistance (180-210°C).

- **Interlining For Apparel**

Polyester Non Woven Needle Punched Fabric from 80 to 500 Gsm. It is produced in the following categories:

- Needle punched polyester fabric
- Needle punched with calendared
- Needle punched and chemical coated for stiffness, water repellent and fire proof.

- **Non Woven Filter Fabrics**

Polyester Non Woven Needle Punched Filter Cloth is produced for making Non-Woven Filter Bags which are used in various industries to trap dust particles. Our polyester fabric is strong, abrasion resistance and has resistance to common acids, solvents and oxidizing agents.

## GEOSYNTHETICS

- 3 World-class Manufacturing facilities in India
- Over 1000 Geo textile Bag Stitching Machines.
- Over 240 Looms with latest technology
- Customized 261,000 – 450,000 Bags/ Day (from raw material stage to finishing)
- 0.1 mm to 12 mm various stitch thickness in Bags.
- Warehouses in Kolkata, Siliguri, Guwahati, Jorhat, Kanpur, Delhi, Mumbai and Indore many prestigious orders for various Government & private clients with a tight deadline offering huge advantage to the clients by deploying modern customized machines to offer solution.
- Fully equipped Material Testing Laboratory in factory.
- Adherence to ASTM and ISO standards applicable in Geosynthetics Industry.
- State-of-the-art UV Testing Machine.
- Specialised Stitching Services (free of cost) to the clients.
- ISO 9001 Quality Management Systems, CE mark, DGS&D registered & international accreditations.

- Completed a prestigious order for supply of Nonwoven Geotextile Bags for Bihar Government with a tight deadline.

- Latest innovative & economical geosynthetic solution- Geosynthetics Gravity Reinforced Wall (GRW).

## SEGMENTAL REVIEW

### FIBC BUSINESS

A flexible intermediate bulk container (FIBC), bulkbag, or big bag, is an industrial container made of flexible fabric that is designed for flowable products, such as sand, fertilizer, and granules of plastic. They are mainly used for the purpose of protection, storage, handling and transportation of goods in a large quantity from the manufacturing facilities to distributions hubs.

FIBC are made from woven polypropylene or polypropylene fabric of different weights and strength. FIBCs are available in a wide variety and are suitable for numerous applications in the chemical, pharmaceutical, and food industries. The FIBC market is characterized by innovative offerings and customizations according to customer specifications.

It is made of strong, poly propylene, flexible fabric and can hold upto 2 tons of material. They are manufactured with either one, two or four loops for efficient handling purposes. Also, there are several specialized product-types of FIBC's such as flame-retardant, pallet-free, baffle-bags, UV resistant & conductive.

According to various global FIBC market research reports, the Flexible Intermediate Bulk Container (FIBC) market remains highly fragmented, with numerous regional and international players competing across price, quality, and customization.

The market structure is expected to evolve if consolidation occurs or if certain vendors exit, which could significantly impact competition and pricing dynamics.

According to the various Global FIBC Market Research Reports, The flexible intermediate bulk container market is highly fragmented. The market growth is expected to change if the market structure changes due to industry consolidation or if some vendors exit the market. The analysts now estimate the market to grow at a CAGR of 5.11% from 2025 to 2034. During this forecast period, the market is projected to show an accelerating growth of USD 1,576.82 million, driven by rising demand in sectors such as chemicals, agriculture, pharmaceuticals, and construction.

Despite earlier projections of higher growth, the market continues to expand steadily, supported by: Increasing demand for bulk packaging solutions, Growth in international trade and logistics, Rising emphasis on sustainable and recyclable packaging and Expansion of infrastructure and food processing sectors.

However, the industry faces ongoing challenges including volatility in raw material prices, especially polypropylene, environmental regulations affecting plastic-based packaging and supply chain disruptions.

Going forward, Asia-Pacific remains the fastest-growing region, with India playing a key role in driving demand and innovation in FIBC manufacturing.

- **Opportunities and Outlook**

Flexituff is among the few FIBC manufacturing companies across the world who are perpetually focusing on its products quality, durability, designing and satisfying end user requirement aptly. Nearly 65% of Company's FIBC product portfolio comprises of high-end bags for food, chemical and pharma industries and thus commands premium realisations in the export market. The Company is likely to benefit from the growth opportunities in the top three regions—America, Europe and Asia Pacific. Moreover, it's well-placed to address the growing demand in the domestic market.

- **Risks and concerns**

Operating margin remains susceptible to fluctuations in the prices of key input i.e. polymer, which move in tandem with crude oil prices. Also, we are subjected to foreign currency exchange rate fluctuations which could have impact on results of operations. However, this is hedged passing the increase and decrease in the polymer price to customers.

The FIBC industry is fragmented because of low entry barrier as capital and technology requirements are limited, gestation period is small, and raw materials are easily available. This restricts substantial scale up in operations and exerts pricing pressure. Also, this industry being highly labour intensive the retention of workers has been high priority for the Company. Attrition of workers may affect the production and also involves cost and time in inducting and training of new appointees. Several other global as well as Indian economic and political factors that are beyond our control may affect the business of the Company.

## GEOSYNTHETICS BUSINESS

Geo-synthetic is synthetic products which are used to stabilize terrain, and are polymeric products used to solve civil engineering problems. It includes products including geogrids, geotextiles, geomembranes, Geo-nets, Geo-synthetic clay liners, Geo-cells, Geo-composites, and Geo-foam.

Geo-synthetic products uses durable polymers such as high-density polyethylene (HDPE), polypropylene (PP), and polyester. They are produced from petrochemical based plastics that remain unaffected by bacteria or fungi

and are non-biodegradable.

Geo-synthetic help reinforce soil, distribute loads, prevent soil erosion, and control water pressure. They are used in civil construction and environmental applications such as landfills and filtrations. Geo-synthetic serve as cost-effective alternatives in civil and coastal engineering, construction industries, and environmental applications. It has applications in road construction, railway stabilization, water management, waste management, mining and soil reinforcement and erosion control.

Geo-synthetic materials perform many functions such as filtration, reinforcement, separation, drainage, protection, and barrier. These products retain their properties when exposed to harsh environmental conditions. They showcase physical properties such as strength, stiffness, and durability.

The applications of geosynthetics have increased because of their significant properties of easy accessibility, low thickness, less use of airspace, lightweight, and tremendous robustness. There is a broad range of Geo-synthetic materials in the global geosynthetics market due to the standards set by organizations such as Geo-synthetic Institute, American Society for Testing and Materials, and International Organization for Standardization.

The rise of land scarcity, growth in awareness about seismic hazards, and stringent environmental regulations are the key factors driving the growth of the global geosynthetics market worldwide.

Flexituff's Geo-synthetics business is making its presence and receiving appreciation in the market. With its vast product portfolio consist of woven and belt non-woven geo-textiles, sand-filler geo mattresses, GRW (Geo-Synthetics-Gravity Reinforced Walls) chains, mega bags and de-watering tubes, the Company has earned reputation in the domestic as well as international markets in a short span of time. In FY 2024-25, the geosynthetics business continued to be a significant contributor, accounting for nearly 14.69% of the company's total revenues. This segment is expected to grow further, driven by robust demand across infrastructure, environmental, and construction sectors.

- **Opportunities and Outlook**

The global geotextiles market size is expected to reach USD 11.3 billion by 2027, according to this report registering a CAGR of 11.9% over the forecast period. Increasing adoption of geotextiles in road construction and infrastructure development activities is expected to drive the market growth over the forecast period.

In emerging countries such as India and China, there is an absence of a standardized manufacturing process, resulting in lower quality products with differentiated standards. However, increasing focus

on exports to international markets by local producers is expected to compel them to adopt advanced manufacturing techniques.

One of the major factors driving the growth of the market is the increasing demand from the infrastructure sector in Asia-Pacific, mainly in China, India, and ASEAN countries.

Indian Economy is poised for great development. Geo-synthetics would be the key pillar in realizing the growth. Life extension benefits and durability featuring geosynthetics wooed Indian government to promote the segment by incentivizing their usage. The Indian government's current focus on upgrading infrastructure and increased importance of environmental issues will be the biggest growth drivers for Indian geosynthetics market.

Flexituff is also foreseeing from the benefits from the incremental spending on infrastructure across geographies. The Company is well-equipped to capitalise on this multi-year and multi-market opportunities by having established itself as a Research and Development (R&D) oriented Company emphasizing on creating awareness of the new technology among end users.

- **Risks and Concerns**

The volatile prices of raw material due to fluctuations in prices of crude oil and gas along with its availability, increased labor costs and potential labor shortages are hindering the growth of the geosynthetics market. Especially, demand for the naphtha due to its pricing has affected which is a key material as intermediate. The price-sensitive regions are restraining growth of the geosynthetics market.

By and large, the government demand drives the geosynthetics market. Budgetary constraints or change in the political parties at the helm may pose a risk to the growth of the sector.

Flexituff has been increasing its presence across geographies to deal with such risks effectively and has been developing unique products at competitive costs. As a contractor, it is enabling to demonstrate the benefits of geo textiles in various government/non-government projects, thereby creating awareness among contractors as well as governments.

## REVERSE-PRINTED BOPP WOVEN BAGS BUSINESS

Biaxial Oriented Polypropylene (BOPP) is poly film that can be stretched in both directions, owing to which it offers premium durability. This poly film is printed & laminated onto woven polypropylene fabric and converted into a bag. Environmental hazards related to PE

(polyethylene) & high cost of jute bags have spurred the adoption of polypropylene woven bags and sacks as comparatively sustainable alternative. Rapid inroads flagged by retail industry in FMCG (fast-moving consumer goods) sector has resulted in increasing retail outlets that is likely to bode well for expansion of BOPP woven bags and sacks market.

Polypropylene Woven Bags & Sacks have become popular due to their inertness towards moisture, chemical & exceptional resistance towards rotting, fungus attack as they are nontoxic, perforation for breathability, UV protection and anti-skid printing, 100% recyclability, light weight and are more advantageous than conventional bags. Polypropylene Woven Bags and sacks laminated with LDPE/PP liner have wider applications. Moreover, BOPP bags perform extremely well with paper bag filling equipment. The popularity of BOPP bags is rising in the market as they are cost effective and 100% recyclable, which makes them environment friendly. BOPP bags offer high aesthetic value that adds an extra promotional feature to the products packaged in them. These bags can be stacked easily and have high tensile strength and barrier properties. BOPP bags primarily find applications in the packaging of cereal & pulses, pet food, grass seed, animal nutrition, fertilizers, etc.

Flexituff is known worldwide for its stylish and highly durable multicolored BOPP Woven bags. These special PP bags and reverse printed BOPP bags are used in packaging of agro and industrial products, pet food, retail industry and chemicals, etc. It has an installed production capacity of 100 million bags a year, from small orders to extra-large ones & represents an advanced concept of bulk packaging from 5-50 kg's that adds value to a brand's personality. Reverse-printed BOPP woven bags contributed close to 9.04% of revenues in FY 2024-25.

- **Opportunities and outlook**

Developing consumer market & growth of middle class is fueling the domestic demand of reverse printed woven BOPP bags. Rapid inroads flagged by retail industry in FMCG (fast-moving consumer goods) sector has resulted in increasing retail outlets that is likely to bode well for expansion of polypropylene woven bags and sacks market. Flexituff is well-equipped to leverage market opportunities and drive higher revenue from its geosynthetics division.

Internationally, anti-dumping duty on Vietnam & Chinese origin of reverse printed woven BOPP bags is opening new doors for the Indian producers. Also, demand in USA for reverse printed BOPP bags is extremely good.

- **Risk and threats**

Since this division of reverse-printed BOPP woven bags is also using Polypropylene as raw material,

hence price fluctuations is major risk and threatening factor impacting Company's performance as well as revenue margins.

## INTERNAL CONTROL SYSTEMS AND ADEQUACY

The Company has established a robust Internal Risk Management Policy and maintains an adequate Internal Control System aligned with the size, scale, and complexity of its operations. The Risk Management Committee plays a pivotal role in defining the Company's risk appetite by identifying, categorizing, and evaluating key risks that may impact performance. It also assesses the Company's preparedness to address these risks and recommends appropriate mitigation strategies.

The primary objective of the Risk Management Policy is to proactively assess and manage significant risk exposures, ensuring that management actions are timely and effective in mitigating potential impacts. The Company conducts regular reviews of various risk categories, including regulatory, financial, operational, environmental, and other business-related risks.

The Internal Control System is designed to ensure compliance with statutory and regulatory requirements, with mechanisms in place to monitor, review, and take corrective actions as necessary. These controls support the Company's commitment to governance, transparency, and sustainable growth.

	9.	Any other financial item(s) (as felt appropriate by the management)	Refer Material Uncertainty with respect to Going Concern Paragraph in the Auditors Report.	
II.	Audit Qualification (each audit qualification separately)			
	a.	<b>Audit Qualifications</b>  i. The Company has carrying deferred tax asset (net) of ₹ 5,288.24 lakhs on its carried forward accumulated losses (including unabsorbed depreciation) and other temporary differences. In accordance with Ind AS 12 on Income Taxes, a deferred tax asset shall be recognised only to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and unused tax losses can be utilised. Due to the material uncertainty on account of financial and operational difficulties as stated in Note 3 to the Statement, we are unable to comment on the recoverability of deferred tax asset and consequential impact, if any, on the Statement).  ii. The Company's Cash Generating Unit ("CGU") viz. Kashipur cluster, has a carrying value of ₹ 23,606.53 lakhs as at 31 March 2025 comprising of tangible and intangible assets. The Company has performed an impairment assessment of the CGU as required under Ind AS 36 - Impairment of Assets. 	b.	<b>Type of Audit Qualification:</b> Qualified Opinion		
	c.	<b>Frequency of qualification:</b>  The qualification mentioned above in II (a) (i) and (ii) is repetitive and continuing since Limited Review for the quarter and nine months ended December 31, 2019 till 31 <sup>st</sup> March 2024 and for the year ended 31 <sup>st</sup> March, 2025.		
	d.	<b>For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views:</b>  Management views for qualification mentioned in II (a) (i) above:  The Company is carrying deferred tax asset (net) of ₹5,288.24 lakhs as on March 31, 2025. Management is reasonably certain that the Company will earn sufficient taxable profit in future to utilise the Deferred Tax Asset and MAT credit within the time limit prescribed under the Income Tax Act, 1961. Accordingly no adjustment is currently considered necessary by the management to the amount of deferred tax assets.		

e.	<p><b>For Audit Qualification(s) where the impact is not quantified by the auditor:</b></p> <p>Management views for qualification mentioned in II (a) (ii) above is explained below:</p> <p><b>(i)</b> Management's estimation on the impact of audit qualification:</p> <p>According to Management's estimates and assumptions on the projections for Kashipur CGU; the present value of the future cash flows expected to be derived from Kashipur CGU is higher than its carrying value as on March 31, 2025. Thus, in the view of Management, there is no requirement for accounting any impairment loss.</p> <p><b>(ii)</b> If management is unable to estimate the impact, reasons for the same: Not Applicable</p> <p><b>(iii)</b> Auditors' Comments on (i) or (ii) above:</p> <p>The Company's Cash Generating Unit ("CGU") viz. Kashipur cluster, has a carrying value of ₹ 23,606.53 lakhs as at 31 March 2025 comprising of tangible and intangible assets. The Company has performed an impairment assessment of the CGU as required under Ind AS 36 - Impairment of Assets. The Company is undergoing financial difficulties as stated in Note 2 to the Statement and there is significant uncertainty as cited in Note 3 to the Statement in respect of the Company's plan to monetize its assets, secure funding from the bankers / investors, restructure its liabilities and normalize its operations. We are unable to comment on the appropriateness of the assumptions for the projections used in the impairment assessment and consequential impairment provision, if any, to be made in the Statement with regard to the CGU.</p>

**FORM NO. MR-3**

**SECRETARIAL AUDIT REPORT**

**[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]**

**FOR THE FINANCIAL YEAR ENDED 31<sup>st</sup> MARCH, 2025**

To,  
The Members,  
**Flexituff Ventures International Limited**  
**(CIN: L25202MP1993PLC034616)**  
6<sup>th</sup> Floor Treasure Island 11 South Tukoganj,  
MG road, Indore-(M.P.), India, 452001.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Flexituff Ventures International Limited** having **CIN: L25202MP1993PLC034616** (hereinafter called '**The Company**'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on **31<sup>st</sup> March 2025**, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company on testing basis for the financial year ended on 31<sup>st</sup> March, 2025, according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') viz.:
  - (a) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - (b) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - (c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
  - (d) SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018
- vi. Other laws applicable specifically to the Company (as given in '**Annexure-I**' to the Report).

I have also examined compliances with the applicable clause of the following:

- i. Secretarial Standards-1 pertaining to Board Meetings and Secretarial Standards-2 pertaining to General Meetings issued by the Institute of Company Secretaries of India were applicable during the year.
- ii. The SEBI (Listing Obligation and Disclosure Requirements) Regulation, 2015 entered by the Company with Stock Exchange.

I report that during the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

1. The following provisions, regulations and guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') were not applicable to the Company during the financial year under report:

- a) The Securities and Exchange Board of India (Employees Stock Option Scheme and Employee Stock Purchase

Scheme) Guidelines, 1999;

b) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;

c) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 and

d) The Securities and Exchange Board of India (Buy back of Securities) Regulations, 1998.

I further report that based on the information, representation and reports provided by the Company, its Board of Directors, its designated Officers, and authorized representatives during the conduct of audit and also review on quarterly compliance report submitted by the department heads and taken on record by the Board of Directors of the Company, in my opinion, adequate systems and processes and control mechanism exist in the Company to monitor and ensure compliance with applicable Laws, Rules and Regulations and happening of events etc. to the Company.

I further report that the compliances of applicable financial, cost and tax laws has not been reviewed in this audit since the same have been subject to review by statutory financial auditor and other designated professionals.

I further report that the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice, agenda and detailed notes on agenda of Board Meetings were sent to all directors and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

I, further report that there are adequate systems and processes in the company commensurate with the size and operations of the company.

## CORPORATE GOVERNANCE REPORT

Report on Corporate Governance pursuant to Schedule V(c) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred as "Listing Regulations").

### 1. COMPANY'S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE

Flexituff Ventures International Limited ("**Flexituff**" or the "**Company**") is committed to maintain the standards of Corporate Governance and abide by the obligations as set out by the Securities & Exchange Board of India (SEBI) and the Company's Code of Conduct.

The Company places great emphasis on rights of the stakeholders, timely dissemination of information to stock exchanges and investors, abiding by the provisions of the applicable laws and such other guidelines as may be issued from time to time, empowerment and integrity of its employees, safety of the employees, transparency in the decision-making process and accountability to all stakeholders.

SEBI and Ministry of Corporate Affairs (MCA) has brought up a slew of changes this year including additional Corporate Governance norms bearing significant impact on the manner in which the Company navigates the market conduct framework. These norms provide for strict disclosures and protection of investor rights and aimed at all four aspects of Corporate Governance – fairness, transparency, responsibility and accountability.

The Company has devised an effective whistle blower mechanism enabling stakeholders, including individual employees to freely communicate their concerns about illegal or unethical practices. Also, the Company has devised a framework to avoid insider trading and abusive self-dealing.

Our Corporate Governance policy is based on the principles, being:

- Simple and transparent corporate structure.
- Principle of freedom to the executive management within the given framework to ensure that the powers vested in the executive management are exercised with due care and responsibility.
- Careful construction and continual evaluation of Corporate Governance framework to foster long-term value and sustainable growth.
- Corporate Governance framework of the Company also specifies the distribution of the roles and responsibilities among different participants, such as Board of Directors, Committees of the Board, Business & Finance Heads and other associates and spells out rules and procedures for making decisions

on corporate affairs. The Board has established Six Committees to discharge its responsibilities in an effective manner.

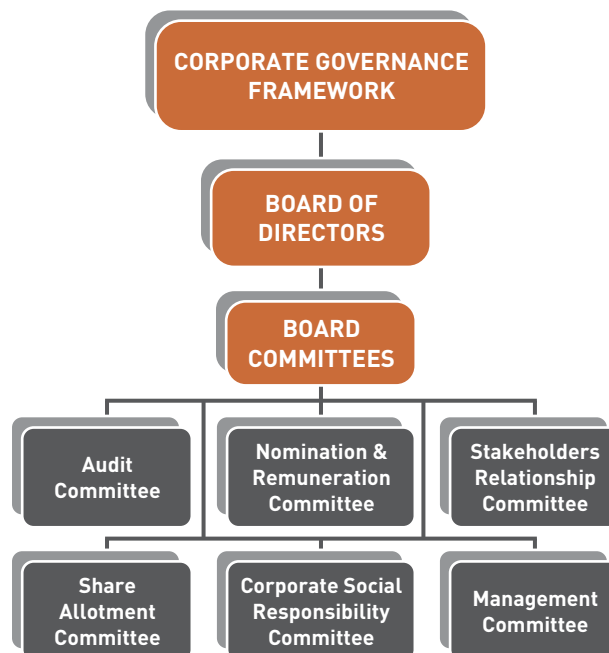

- It also provides a mechanism through which Company's objectives are set, the means to achieve these objectives are defined out and the process of monitoring performance is delineate.

Company has set guidelines in the form of Code of Conduct for members of the Board and Senior Management Personnel to enhance ethical and transparent process in managing the affairs of the Company and to sustain the trust and confidence shown in the Management by the shareholders of the Company. Company also ensures timely disclosures to various authorities, as and when required.

Chairman of the Company also plays a vital role in ensuring good Corporate Governance. Chairman takes the responsibility of the Board, ensures that the Company focuses on key tasks, engages the Board in assessing & improving its performance, ensures proper information for the Board as well as ensures that the Board is effective in its task of setting and implementing the Company's direction and strategy.

The Audit Committee critically evaluates the Internal Audit Reports, Risk Management Reports & ensures compliance of various laws applicable on the Company through Compliance Reports from various departments.

## INDEPENDENT AUDITOR'S REPORT

To the Members of Flexituff Ventures International Limited

### Report on the Audit of the Standalone Financial Statements

#### Qualified Opinion

1. We have audited the accompanying standalone financial statements of **Flexituff Ventures International Limited** ('the Company'), which comprise the Balance Sheet as at 31 March 2025, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended and notes to the financial statements including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis of Qualified Opinion section of our report, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

#### Basis of Qualified Opinion

3. We draw attention to the following matters:
  - (a). The Company has recognized deferred tax asset (net) of ₹528.82 million on its carried forward accumulated losses (including unabsorbed depreciation) and other temporary differences. In accordance with Ind AS 12 on Income Taxes, a deferred tax asset shall be recognised only to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and unused tax losses can be utilised. Due to the material uncertainty on account of financial and operational difficulties as stated in Note 41 to the standalone financial statements, we are unable to comment on the recoverability of deferred tax asset and consequential impact, if any, on the Statement.
  - (b). The Company's Cash Generating Unit ("CGU") viz. Kashipur cluster, has a carrying value of ₹2,360.65

million as at 31 March 2025 comprising of tangible and intangible assets. The Company has performed an impairment assessment of the CGU as required under Ind AS 36 – Impairment of Assets. The Company is undergoing financial difficulties as stated in Note 56 to the standalone financial statements. We are unable to comment on the appropriateness of the assumptions for the projections used in the impairment assessment and consequential impairment provision, if any, to be made in the standalone financial statements with regard to the CGU.

4. We conducted our audit in accordance with the Standards on Auditing (SA's) and other pronouncements issued by the Institute of Chartered Accountants of India ('ICAI') specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

#### Material Uncertainty Related to Going Concern

5. We draw attention to Note 56 to the Statement, which states that the Company is facing operational and financial difficulties as at 31 March 2025 indicating several factors that a material uncertainty exists which casts doubt on the Company's ability to continue as a going concern. The Statement has been prepared on a going concern basis based on management's assessment of the Company's future prospects

Our opinion on the standalone financial statements is not modified in respect of this matter.

#### Emphasis of Matters

6. We draw attention to
  - (a). The Company has entered into one time settlement arrangement with IFCL LTD and FCCBs with TPG Growth II SF Pte. Ltd. and International Finance Corporation (IFC) and booked gain on one time

settlement of ₹1,658.51 million during the year ended 31 March 2025 on the payment of principle of FCCBs. (Refer note 55 to the Statement)

- (b). The Company had executed Business Transfer Agreement (BTA) with Flexituff Technology International Limited (FTIL) on 28 August 2023 for sale of Flexible Intermediate Bulk Container (FIBC) business of Pithampur units of the Company. The sale is completed on 30 April 2024 via slump sale for a lump sum consideration.

As per BTA sale consideration was ₹3,190.60 million considering transfer of bank limits of ₹839.50 million to (FTIL). However, consortium banks have sanctioned fresh limits to FTIL to the extent amount restructured and appropriated that amount disbursed for reduction of banks limits of the Company. By virtue of modus operandi adopted by banks, sale consideration as well as net assets transferred increased by ₹839.50 million.

The cost of acquisition of FIBC business comprises of net book value of assets and liabilities of FIBC business of Pithampur units as at 30 April 2024 amounting to ₹254.07 million.

The total profit on sale of business to the Company is ₹3,776.02 million (Refer note 57 to the Statement).

- (c). Due to implementation of restructuring of bank debt, finance cost of ₹113.65 million which is being shown in prior period expense on account of change in interest rate during year ended 31 March, 2025 (Refer note 60 to the Statement).

Our opinion on the standalone financial statements is not modified in respect of these matters.

### Key Audit Matters

7. Except for the matter described in the Basis for Qualified Opinion section, Material Uncertainty Related to Going Concern section and Emphasis of Matters section, we have determined that there are no other key audit matters to communicate in our report.

### Information other than the Standalone Financial Statements and Auditor's Report thereon

8. The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the

other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

9. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
10. In preparing the standalone financial statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
11. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### Auditor's Responsibilities for the Audit of the Standalone Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the standalone financial statements

as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

13. As part of an audit in accordance with SA's issued by ICAI, specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
  - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation;

14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on Other Legal and Regulatory Requirements

16. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
17. As required by section 143(3) of the Act, based on our audit we report that:
  - a). We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements except as mentioned in the para ii(b) of Annexure I of this report;
  - b). Except for the effects of the matters described in the Basis of Qualified Opinion section above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c). The Balance sheet and the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account of the Company;
  - d). Except for the effects of the matters described in the Basis of Qualified Opinion section above, in our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act;
  - e). The matter described in Material Uncertainty Related to Going Concern section of our report, in our opinion, may have an adverse effect on the

functioning of the Company.

- f). On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of section 164(2) of the Act;
- g). The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion above; and
- h). With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure II".
- i). With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
  - i The Company has disclosed the impact of pending litigations on its financial position as at 31 March 2025 in its standalone financial statements – Refer Note 43 to the standalone financial statements;
  - ii The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2025;
  - iii There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company;
  - iv a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person or entity, including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
  - b. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other

persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v The Company has neither declared nor paid any dividends during the year ended 31 March 2025.
- vi Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the respective software.

Further, where audit trail (edit log) facility was enabled, we did not come across any instance of the audit trail feature being tampered with during the course of our audit and the audit trail has been preserved by the Company as per the statutory requirements for record retention.

18. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:
  - a). According to information and explanations given to us, the Company has not paid or provided for any managerial remuneration during the year. Hence, reporting under section 197(16) of the Act is not applicable.

## ANNEXURE-I TO THE INDEPENDENT AUDITOR'S REPORT

**[Referred to in paragraph 16 under 'Report on Other Legal and Regulatory Requirements' section in our report of even date, to the members of Flexituff Ventures International Limited for the year ended 31 March 2025]**

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i In respect of the Company's property, plant and equipment and intangible assets:
  - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
  - (B) The company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment in a phased manner. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations provided to us and on the basis of our examination of the records of the Company we report that the title deeds in respect of immovable properties are held in the name of the Company. In respect of immovable properties, taken on lease and disclosed as right-of-use assets in the standalone financial statements, the lease agreements are in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment or intangible assets or both during the year.
- (e) According to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the

Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

- ii (a) The inventory (excluding stocks with third parties) has been physically verified by the management during the year. In respect of inventory lying with third parties, these have substantially been confirmed by them. In our opinion, the frequency, coverage and procedure of such verification is reasonable and coverage as followed by management were appropriate. According to information and explanations given to us and on the basis of our examination of the records of the Company, no material discrepancies were noticed on verification between the physical stocks and the book records.
- (b) The company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. However, the Company has not provided us with the quarterly returns or statements filed by the Company to the banks or financial institutions. Accordingly, in the absence of required information we are unable to comment on whether the quarterly returns or statements filed by the company with such banks or financial institutions are in agreement with the books of account of the Company or not.
- iii According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has provided guarantee, made investment and granted loans, secured or unsecured to companies, limited liability partnership and other parties in respect of which the requisite information is as below. According to information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not provided any security nor granted any advances in the nature of loans, to companies, firms, Limited Liability Partnerships or any other parties.
- (a) Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has provided guarantee, made investment loans to companies, firms, limited liability Partnerships or any other parties during the year.

The details as under:

(Amount in ₹ million)

Particulars	Guarantee	Investment	Loans
Aggregate amount provided/ made/ granted during the year			
- Subsidiaries	Nil	Nil	0.08
- Others	Nil	Nil	Nil
Balance outstanding as at balance sheet date in respect of above cases			
- Subsidiaries	Nil	0.39	274.28
- Others	20.11	5.77	Nil

- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion the terms and conditions of the grant of loans provided during the year are, prima facie, not prejudicial to the interest of the Company
- (c) In case of the loans, schedule of repayment of principal and payment of interest have not been stipulated as the loans are repayable on demand. In the absence of stipulation of repayment terms we are unable to comment on the regularity of repayment of principal and payment of interest.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, schedule of repayment of principal and payment of interest have not been stipulated. Hence, the reporting under clause 3(iii) (d) of the Order is not applicable to the Company.
- (e) According to the information explanation provided to us, the loan granted has not fallen due during the year. Hence, the reporting under clause 3(iii) (e) of the Order is not applicable to the Company.
- (f) According to the information explanation provided to us, the Company has granted loans repayable on demand. The details of the same are as follows:

(Amount in ₹ million)

Particulars	All Parties	Promoters	Related Parties
Aggregate amount of loans/advances in nature of loans			
Repayable on demand (A)	274.28	Nil	274.28

Total (A+B)	274.28	Nil	274.28
Percentage of loans/advances in nature of loans to the total loans	100%	Nil	100%

- iv According to the information and explanations given to us and on the basis of our examination of records of the Company, the company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 ("the Act") with respect of investments made and loans, guarantees provided by the Company. The Company has not provided any security in connection with a loan to any other body corporate or person and accordingly, compliance under Sections 185 and 186 of the Act in respect of providing securities is not applicable to the Company.
- v According to information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not accepted any deposit or amounts which are deemed to be deposits. Hence the reporting under clause 3(v) of the order is not applicable.
- vi The maintenance of the cost records has been specified by the Central Government under subsection (1) of section 148 of the Act for the company. We have broadly reviewed such records and are of the opinion that prima-facie, the prescribed records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii (a) In our opinion, and according to the information and explanations given to us and based on our examination of the books of the Company, the Company is generally regular in depositing undisputed statutory dues including, provident fund, employee's state insurance, Goods and Service Tax, income-tax, and any other material statutory dues to the appropriate authorities.

- viii In our opinion and according to the information and explanations given to us, there are no transactions relating to previously unrecorded income that has been surrendered or disclosed as income during the year in the tax assessment under the Income Tax Act, 1961.
- ix (a) According to the information and explanations given to us and based on our audit procedures, the Company has not defaulted in the repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year. We further note that the Company had defaulted in repayment obligations in earlier years, which were subsequently regularized through a one-time settlement agreement entered into during the current year.  
 (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.  
 (c) In our opinion and according to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.  
 (d) On an overall examination of the standalone financial statements of the Company, in our opinion, the funds raised on short term basis have not been utilised for long term purposes.  
 (e) According to the information explanation given to us and on an overall examination of the standalone financial statements of the Company, we report that the company has not taken any funds from an any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.  
 (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its securities, joint ventures or associate companies.
- x (a) According to the information and explanations provided to us and based on our examination of the books of accounts and other records, we report that the Company has not raised any money raised by the way of initial public offer or further public offer (including debt instruments) during the year. Hence the reporting under clause 3(x)(a) of the order is not applicable.  
 (b) According to the information and explanation provided to us and based on our examination of the books of accounts and other records, the Company has not made any preferential allotment or private placement of shares or fully, partly or optionally convertible debentures during the year. Hence the reporting under clause 3 (x)(b) of the order is not applicable.
- xi (a) Based on the audit procedures performed by us for the purpose of reporting the true and fair view of the standalone financial statements and as per the information and explanations given to us by the management, we report that we have neither come across any instance of fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the management.  
 (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rule, 2014 with the Central Government during the year and till the date of this report.  
 (c) According to the information and explanations provided to us, no whistle blower complaints have been received during the year and upto the date of this report.
- xii The company is not a Nidhi Company and hence the reporting under clause (xii) the Order is not applicable.
- xiii According to the information and explanations given to us, all transactions entered into by the company with related parties are in compliance with section 177 and 188 of the Act where applicable and the details thereof have been disclosed in the standalone financial statements as required by the applicable Indian accounting standards.
- xiv (a) In our opinion, the company has an internal audit system commensurate with the size and nature of its business.  
 (b) We have considered the internal audit reports for the year under audit, issued to the company, in determining the nature, timing and extent of audit procedures.
- xv As per the information and explanations provided to us, the Company has not entered into any non-cash transactions with directors or persons connected with them and hence the provisions of section 192 of the Act are not applicable to the Company.
- xvi (a) In our opinion and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India, 1934. Hence, the reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.  
 (b) According to the information and explanation given to us by the management, in our opinion, there is no Core Investment Company as part of the Group. Hence, the reporting under clause 3(xvi)(d) of the Order is not

## ANNEXURE-II TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 17(h) under 'Report on Other Legal and Regulatory Requirements' section in our report of even date, to the members of Flexituff Ventures International Limited for the year ended 31 March 2025)

We have audited the internal financial controls over financial reporting of Flexituff Ventures International Limited ("the Company") as of March 31, 2025 in conjunction with our audit of standalone financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls with reference to the standalone financial statements based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial control with reference to the standalone financial statements based on our audit. We conducted audit in accordance with the Guidance Note on Audit of Internal Financial control over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Company's Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Control and, both issued by institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial control over financial reporting was established and maintained end of such controls operate effectively in all material respects.

Our audit involves performing procedure to obtain audit evidence about the adequacy of the internal financial control systems over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system over financial reporting.

### Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the standalone financial statement for external purpose in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the asset of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with the generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's asset that could have a material effect on the standalone financial statements.

### Inherent Limitation of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material statement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subjected to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and search internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the criteria for internal financial control with reference to standalone financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

## MATERIAL ACCOUNTING POLICIES

### 1. GENERAL INFORMATION

"Flexituff Ventures International Limited ("the Company") is engaged in the business of technical textile. Manufacturing units of the Company are located at Pithampur in Madhya Pradesh which was transferred under BTA taken place on 30th April, 2024 and at Kashipur in Uttarakhand. The Company is a public limited company domiciled in India and is incorporated under the provisions of the Companies Act. The Company is listed on the Bombay Stock Exchange (BSE) and National Stock Exchange (NSE). The registered office of the Company is located at 6<sup>th</sup> Floor, Treasure Island 11 South Tukoganj, MG road, Indore, Madhya Pradesh, India-452001

These financial statements were authorised for issue by the Board of Directors on May 30, 2025."

### 2. MATERIAL ACCOUNTING POLICIES

Material accounting policies adopted by the company are as under:

#### 2.1 Basis of Preparation of Financial Statements

##### (a). Statement of Compliance with Ind AS

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III).

Accounting policies have been consistently applied to all the years presented except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

##### (b). Basis of measurement

The financial statements have been prepared on a historical cost convention on accrual basis, except for the following:

- i) certain financial assets and liabilities that is measured at fair value.

- ii) defined benefit plans - plan assets measured at fair value.

##### (c). Current / non current classification

"The Company has ascertained its operating cycle as twelve months for the purpose of Current/ Non-Current classification of its Assets and Liabilities. The Company presents assets and liabilities in the balance sheet based on current/non-current classification."

"An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period."

All other assets are classified as non-current.

"A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period"

All other liabilities are classified as non-current.

##### (d). Use of estimates

The preparation of financial statements in conformity with Ind AS requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying financial statements are based upon the Management's evaluation of the relevant facts and circumstances as at the date of the financial statements. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates, if any, are recognized in the year in which the estimates are revised and in any future years affected. Refer Note 3 for detailed discussion on estimates and judgments.

**(e). Rounding off of amounts**

All amounts disclosed in the financial statements and notes have been rounded off to the nearest million as per the requirement of Schedule III, unless otherwise stated.

**2.2 Property, plant and equipment**

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation and impairment if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to Statement of Profit and Loss during the year in which they are incurred.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'.

**Depreciation methods, estimated useful lives**

The Company depreciates property, plant and equipment over their estimated useful lives using the straight line method. The estimated useful lives of assets are as follows:

Property, plant and equipment	Estimated useful lives
Factory building	30
Leasehold land	over the period of lease term
Office equipment	5
Plant and machinery	15
Electrical Installations	5 to 10
Furniture and fixtures	10
Vehicles	8
Computers	3

Depreciation on addition to property plant and equipment is provided on pro-rata basis from the date of acquisition. Depreciation on sale/deduction from property plant and equipment is provided up to the date preceding the date of sale, deduction as the case may be.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in Statement of Profit and Loss under 'Other Income'.

Depreciation methods, useful lives and residual values are reviewed periodically at each financial year end and adjusted prospectively, as appropriate.

**2.3 Intangible assets**

"Intangible assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation/ depletion and impairment loss, if any. The cost comprises of purchase price, borrowing costs and any cost directly attributable to bringing the asset to its working condition for the intended use.

Expenditure incurred on acquisition of intangible assets which are not ready to use at the reporting date is disclosed under "Intangible assets under development".

**Amortisation method and periods**

"Amortisation is charged on a straight-line basis over the estimated useful lives. The estimated useful lives and amortization method are reviewed at the end of each annual reporting period, with the effect of any changes in the estimate being accounted for on a prospective basis."

The Company amortized intangible assets over their estimated useful lives using the straight line method. The estimated useful lives of intangible assets are as follows:

Intangible assets	Estimated useful life
Development assets	5 years
Computer software	3 years
Patents	5 years

The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at each financial year end.

**2.4 Research and development expenditure**

Research Costs are charged as an expense in the year in which they are incurred and are reflected under the appropriate heads of account.

Development costs that are directly attributable to the design and testing of identifiable and unique assets controlled by the Company are recognised as intangible assets when the following criteria are met:

- it is technically feasible to complete the asset so that it will be available for use

- management intends to complete the asset to use it or sell it
- there is an ability to use or sell the asset
- it can be demonstrated how the asset will generate probable future economic benefits
- adequate technical, financial and other resources to complete the development and to use or sell the asset are available and
- the expenditure attributable to the asset during its development can be reliably measured"

Directly attributable costs that are capitalised as part of the asset include employee cost and appropriate portion of relevant overheads. Capitalised development costs are recorded as intangible assets and amortised from the point at which the asset is available for future use.

Development expenditure that do not meet the above criteria are recognised as expense as incurred. Development costs previously recognised as expense are not recognised as an asset in the subsequent period.

## **2.5 Impairment of non financial assets**

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

For non financial assets, an assessment is made at each reporting period end or whenever triggering event occurs as to whether there is

any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the Company makes an estimation of the recoverable amount.

A previously recognised impairment loss is reversed only if there has been a change in the estimations used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case the carrying amount of the asset is increased to its recoverable amount. That increased amount cannot exceed the carrying amount that would have been determined, net of depreciation, or had no impairment loss been recognised for the asset in prior years.

## **2.6 Foreign currency transactions**

### **(a). Functional and presentation currency**

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency.

### **(b). Transactions and balances**

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. All exchange differences arising on reporting on foreign currency monetary items at rates different from those at which they were initially recorded are recognised in the Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets which are capitalized as cost of assets.

In respect of foreign exchange differences arising on restatement or settlement of long term foreign currency monetary items attributable to depreciable assets, the Company has availed the option available in Ind AS 101 to continue the policy adopted for accounting for exchange differences arising from translation of long-term foreign currency monetary items, wherein foreign exchange differences on account of depreciable asset, are adjusted in the cost of depreciable asset and would be depreciated over the balance life of asset.

Non-monetary items that are measured at historical cost in a foreign currency, are translated using the exchange rate at the date of

the transaction. Non-monetary items that are measured at fair value in a foreign currency, are translated using the exchange rates at the date when the fair value is measured.

## **2.7 Fair value measurement**

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

"Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ▶ In the principal market for the asset or liability, or
- ▶ In the absence of a principal market, in the most advantageous market for the asset or liability accessible to the Company."

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. The Company's management determines the policies and procedures for fair value measurement such as derivative instrument.

"All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ▶ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ▶ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable"

## **2.8 Revenue recognition**

### **Revenue from Sale of Goods and Services**

Revenue from sale of goods is recognised when control of the products being sold is transferred to customers and when there are no longer any unfulfilled obligations. The Performance Obligations in contracts are fulfilled at the time of dispatch, delivery or upon formal customer

acceptance depending on customer terms.

Revenue from irrevocable bill and hold contracts is recognised when the customer has the ability to direct the use of, and obtain substantially all of the remaining benefits from, the product even though the customer has decided not to exercise its right to take physical possession of that product.

Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as goods and services tax, etc. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur.

Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations.

### **Export benefits**

"Duty free imports of raw materials under Advance License for imports as per the Import and Export Policy are matched with the exports made against the said licenses and the net benefit / obligation is accounted by making suitable adjustments in raw material consumption.

The benefit accrued under the Duty Drawback, Focus Market Scheme, Merchandise Exports from India Scheme and other schemes as per the Import and Export Policy in respect of exports made under the said schemes are accounted in the year of export and included under the head 'Other operating revenue'."

### **Interest income**

Interest Income is recognised on a basis of effective interest method as set out in Ind AS 109, Financial Instruments, and where no significant uncertainty as to measurability or collectability exists.

## **2.9 Taxes**

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the year.

### **(a). Current income tax**

Current tax assets and liabilities are measured at the amount expected to be recovered or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the year

end date. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

**(b). Deferred tax**

"Deferred income tax is provided, using the balance sheet approach, on all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in financial statements. Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the year and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority."

Current and deferred tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

**2.10 Leases**

**As a lessee**

"Leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the Company. Contracts may contain both lease and non-lease components. The Company allocates the consideration in the contract to the lease and non-lease components based on their relative stand-alone prices.

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of fixed payments (including in-substance fixed payments), less any lease incentives receivable.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions."

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

"Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement of lease liability
- any lease payments made at or before the commencement date less any lease incentives received
- any initial direct costs, and
- restoration costs.

"Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Company is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life.

Payments associated with short-term leases of equipment and all leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss. Short-term leases are

leases with a lease term of 12 months or less."

### **2.11 Inventories**

Raw materials, stores, consumables, work in progress, traded goods and finished goods are valued at the lower of cost and net realisable value.

Cost of raw materials, stores, consumables and traded goods includes purchase price, (excluding those subsequently recoverable by the Company from the concerned revenue authorities), freight inwards and other expenditure incurred in bringing such inventories to their present location and condition. In determining the cost, weighted average cost method is used.

Cost of work in progress and manufactured finished goods is determined on the weighted average basis and comprises direct material, cost of conversion and other costs incurred in bringing these inventories to their present location and condition.

Provision of obsolescence on inventories is considered on the basis of management's estimate based on demand and market of the inventories. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion and the estimated costs necessary to make the sale.

The comparison of cost and net realizable value is made on item by item basis.

### **2.12 Provisions and contingent liabilities**

"Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date."

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The Company records a provision for decommissioning costs. Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognized as part of the cost of the particular asset. The cash flows

are discounted at a current pre-tax rate that reflects the risks specific to the decommissioning liability. The unwinding of the discount is expensed as incurred and recognized in the statement of profit and loss as a finance cost. The estimated future costs of decommissioning are reviewed annually and adjusted as appropriate. Changes in the estimated future costs or in the discount rate applied are added to or deducted from the cost of the asset.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

### **2.13 Cash and cash equivalents**

"Cash and cash equivalent in the balance sheet comprise cash at banks, cash on hand and short-term deposits net of bank overdraft with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, cash in banks and short-term deposits net of bank overdraft."

### **2.14 Corporate social responsibility (CSR)**

Provisions are recognised for all CSR activities undertaken by the Company for which an obligation has arisen during the year and are recognized in Statement of profit on loss on accrual basis. No provision is made against unspent amount, if any.

### **2.15 Government grants and subsidies**

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the group will comply with all attached conditions. Government grants relating to income are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

### **2.16 Borrowing Costs**

Interest and other borrowing costs attributable to qualifying assets are capitalised. Other interest and borrowing costs are charged to Statement of Profit and Loss.

## **2.17 Financial instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### **(a). Financial assets**

#### **(i). Initial recognition and measurement**

At initial recognition, financial asset is measured at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

#### **(ii). Subsequent measurement**

For purposes of subsequent measurement, financial assets are classified in following categories:

- a) at amortized cost; or
- b) at fair value through other comprehensive income; or
- c) at fair value through profit or loss.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows."

**Amortized cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. Interest income from these financial assets is included in finance income using the effective interest rate method (EIR).

**Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to Statement of Profit and Loss and recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

**Fair value through profit or loss:** Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. Interest income from these financial assets is included in other income.

**Equity instruments:**

Investments in subsidiaries are recognised at cost as per Ind AS 27 less impairment, if any, except where investments accounted for at cost shall be accounted for in accordance with Ind AS 105, Non-current Assets Held for Sale and Discontinued Operations, when they are classified as held for sale.

All other equity investments are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value (currently no such choice is made). The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

**Investment in Limited Liability Partnership (LLP):**

Investments in capital of Limited liability partnership (LLP), where the Company has control over these LLP's, are recognised at cost as per Ind AS 27 less impairment, if any.

#### **(iii). Impairment of financial assets**

"The Company assesses on a forward looking basis the expected credit losses(ECL) associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk."

The impairment methodology for each class of financial assets stated above is as follows:

**Trade receivables from customers:** The Company applies the simplified approach to providing for expected credit losses prescribed

by Ind AS 109, which requires the use of the lifetime expected loss provision for all trade receivables.

"Debt investments measured at amortised cost and FVOCI: Debt investments at amortised cost and those at FVOCI where there has been a significant increase in credit risk, lifetime expected credit loss provision method is used and in all other cases, the impairment provision is determined as 12 months expected credit losses.

For recognition of impairment loss on financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in subsequent years, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12 month ECL."

Life time ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12 month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the year end.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider all contractual terms of the financial instrument (including prepayment, extension etc.) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

ECL impairment loss allowance (or reversal) recognized during the year is recognized as income/expense in the statement of profit and loss. In balance sheet ECL for financial assets measured at amortized cost is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

#### (iv). Derecognition of financial assets

"A financial asset is derecognized only when

- a) the rights to receive cash flows from the financial asset is transferred or
- b) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients."

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Where the financial asset is transferred then in that case financial asset is derecognized only if substantially all risks and rewards of ownership of the financial asset is transferred. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

#### (b). Financial liabilities

##### (i). Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss and at amortized cost, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs.

##### (iii). Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

*Financial liabilities at fair value through profit or loss*

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

*Loans and borrowings*

After initial recognition, interest-bearing loans

and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

(iii). **Compound financial instruments**

Compound financial instruments issued by the Company which can be converted into fixed number of equity shares for fixed price at the option of the holders irrespective of changes in the fair value of the instrument are accounted by separately recognising the liability and the equity components. The liability component is initially recognised at the fair value of a comparable liability that does not have an equity conversion option. The equity component is initially recognised at the difference between the fair value of the compound financial instrument as a whole and the fair value of the liability component. The directly attributable transaction costs are allocated to the liability and the equity components in proportion to their initial carrying amounts.

Subsequent to initial recognition, the liability component of the compound financial instrument is measured at amortised cost using the effective interest method. The equity component of a compound financial instrument is not remeasured subsequently."

(iv). **Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss as finance costs.

(c). **Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The

legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

**2.18 Employee benefits**

(a). **Short-term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the year in which the employees render the related service are recognized in respect of employees' services up to the end of the year and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(b). **Other long-term employee benefit obligations**

"Compensated Absences: Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year end are treated as other long term employee benefits. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognized in the statement of profit and loss in the year in which they arise.

Compensated absences can be encashed only on discontinuation of service by employee."

(c). **Post employment obligations**

(i). **Defined contribution plan**

Provident Fund: Contribution towards provident fund is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis which are charged to the Statement of Profit and Loss.

Employee's State Insurance Scheme: Contribution towards employees' state insurance scheme is made to the regulatory authorities, where the Company has no further

obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis which are charged to the Statement of Profit and Loss.

(ii). **Defined benefit plans**

Gratuity: The Company provides for gratuity, a defined benefit plan (the 'Gratuity Plan') covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognized in the other comprehensive income in the year in which they arise.

**2.19 Earnings per share**

"Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's earnings per share is the net profit or loss for the year after deducting preference dividends and any attributable tax thereto for the year. The weighted average number of equity shares outstanding during the year and for all the years presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares."

**2.20 Segment reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker regularly monitors and reviews the operating result of the whole Company as one segment of manufacturing of technical textile. Thus, as defined in Ind AS 108 "Operating Segments", the Company's entire business falls under this one operational segment and hence the necessary information

has already been disclosed in the Balance Sheet and the Statement of Profit and Loss.

**2.21 Contributed equity**

"Equity Shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds."

**2.22 Dividends**

Provision is made for the amount of any dividend declared, being appropriately authorized and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

**2.23 Rounding off amounts**

All amounts disclosed in financial statements and notes have been rounded off to the nearest millions as per requirement of Schedule III of the Act, unless otherwise stated.

### 3. SIGNIFICANT ACCOUNTING JUDGMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future years.

**3.1 Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the year end date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

(a). Taxes

Deferred tax assets are recognized for unused

tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

- (b). Defined benefit plans and other long term benefits (gratuity benefits and compensated absences)

The cost of the defined benefit plans and other long term benefits such as gratuity and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each year end.

The principal assumptions are the discount and salary growth rate. The discount rate is based upon the market yields available on government bonds at the accounting date with a term that matches that of liabilities. Salary increase rate takes into account of inflation, seniority, promotion and other relevant factors on long term basis.

- (c). Useful lives of property, plant and equipment

"The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods."

#### **4. RECENT PRONOUNCEMENTS**

- (a). Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2025, MCA has notified Ind AS 117 - Insurance Contracts and amendments to Ind As 116 - Leases, relating to sale and lease back transactions, applicable from April 1, 2024. The Company has assessed that there is no significant impact on its standalone financial statements.

## 49. FAIR VALUE HIERARCHY

The following is the hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis:

Level 3	31 March 2025	31 March 2024

Trade payables	828.07	1,678.15
Other financial liabilities	737.82	916.29

## 50. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company is exposed to various financial risks. These risks are categorized into market risk, credit risk and liquidity risk. The Company's risk management is coordinated by the Board of Directors and focuses on securing long term and short term cash flows. The Company does not engage in trading of financial assets for speculative purposes.

### (A) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings and derivative financial instruments.

#### (i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

#### Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings. With all other variables held constant, the Company's profit / loss before tax is affected through the impact on floating rate borrowings, as follows:

<b>Exposure to interest risk</b>	<b>Increase/ decrease in basis points</b>	<b>Effect on profit / loss before tax</b>
<b>2025</b>		
INR in Millions	+50	(4.12)
INR in Millions	-50	4.12
<b>2024</b>		
INR in Millions	+50	(18.33)
INR in Millions	-50	18.33

**(ii) Foreign currency risk**

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities (when revenue or expense is denominated in a different currency from the Company's functional currency).

The following table shows foreign currency exposures receivable and payable at the end of the reporting period

**(B) Credit risk**

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk is primarily attributable to the Company's trade and other receivables. The amounts presented in this standalone statement of financial position are net of allowances for doubtful receivables, estimated by management based on prior experience and their assessment of the current economic environment.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

**The ageing analysis for accounts receivables has been considered from the date the invoice falls due:**

<b>Closing provisions</b>	<b>844.61</b>	<b>616.76</b>

**(C) Liquidity risk**

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due. Processes and policies related to such risks are overseen by senior management who monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

#### Qualified Opinion

1. We have audited the consolidated financial statements of **Flexituff Ventures International Limited** (hereinafter referred to as "the Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31 March 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flows and Consolidated Statement of Changes in Equity for the year then ended, and notes to the Consolidated Financial Statements, including summary of the material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of the reports of the other auditors on separate audited financial statements of the subsidiaries referred to in paragraph (a) of "Other Matters" section below, except for the effects of the matter described in the Basis of Qualified Opinion section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act and other accounting principles generally accepted in India, of the state of affairs of the Group as at 31 March, 2025 and its consolidated profit (including other comprehensive income), its consolidated cash flows and consolidated changes in equity for the year ended on that date.

#### Basis of Qualified Opinion

3. We draw attention to the following matters:
  - (a). The Holding Company has recognized deferred tax asset (net) of ₹528.82 million on its carried forward accumulated losses (including unabsorbed depreciation) and other temporary differences. In accordance with Ind AS 12 on Income Taxes, a deferred tax asset shall be recognised only to the extent that it is probable that taxable profit will be available against which the deductible temporary

differences and unused tax losses can be utilised. Due to the material uncertainty on account of financial and operational difficulties as stated in Note 40 to the consolidated financial statements, we are unable to comment on the recoverability of deferred tax asset and consequential impact, if any, on the consolidated financial statements.

- (b). The Holding Company's Cash Generating Unit ("CGU") viz. Kashipur cluster, has a carrying value of ₹2,360.65 million as at 31 March 2025 comprising of tangible and intangible assets. The Holding Company has performed an impairment assessment of the CGU as required under Ind AS 36 – Impairment of Assets. The Holding Company is undergoing financial difficulties as stated in Note 55 to the consolidated financial statements. We are unable to comment on the appropriateness of the assumptions for the projections used in the impairment assessment and consequential impairment provision, if any, to be made in the consolidated financial statements with regard to the CGU.
4. We conducted our audit in accordance with the Standards on Auditing (SA's) and other pronouncements issued by the Institute of Chartered Accountants of India ('ICAI') specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained along with the consideration of report of the other auditors referred to in paragraph (a) of the "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

#### Material Uncertainty Related to Going Concern

5. We draw attention to Note 55 to the Consolidated Financial Statement, which states that the Holding Company is facing operational and financial difficulties as at 31 March 2025 indicating several factors that a material uncertainty exists which casts doubt on the Company's ability to continue as a going concern. The Statement has been prepared on a

going concern basis based on management's assessment of the Company's future prospects.

Our opinion on the consolidated financial statements is not modified in respect of this matter.

#### Emphasis of Matters

6. We draw attention to
  - (a). The Holding Company has entered into one time settlement arrangement with IFCL LTD and FCCBs with TPG Growth II SF Pte. Ltd. and International Finance Corporation (IFC) and booked gain on one time settlement of Rs.1,658.51 million during the year ended 31 March 2025 on the payment of principle of FCCBs. (Refer note 54 to the consolidated financial statements).

- (b). The Holding Company had executed Business Transfer Agreement (BTA) with Flexituff Technology International Limited (FTIL) on 28 August 2023 for sale of Flexible Intermediate Bulk Container (FIBC) business of Pithampur units of the Company. The sale is completed on 30 April 2024 via slump sale for a lump sum consideration.

As per BTA sale consideration was Rs. 3,190.60 million considering transfer of bank limits of Rs 839.50 million to (FTIL). However, consortium banks have sanctioned fresh limits to FTIL to the extent amount restructured and appropriated that amount disbursed for reduction of banks limits of the Company. By virtue of modus operandi adopted by banks, sale consideration as well as net assets transferred increased by Rs. 839.50 million.

The cost of acquisition of FIBC business comprises of net book value of assets and liabilities of FIBC business of Pithampur units as at 30 April 2024 amounting to Rs. 254.07 million.

The total profit on sale of business to the Company is Rs. 3,776.02 million (Refer note 56 to the Statement)

- (c). Due to implementation of restructuring of bank debt, finance cost of ₹ 113.65 million which is being shown in prior period expense by the Holding Company on account of change in interest rate during year ended 31 March, 2025. (Refer note 59 to the Statement)

Our opinion on the consolidated financial statements is not modified in respect of these matters.

#### Key Audit Matters

7. Except for the matter described in the Basis for Qualified Opinion section, Material Uncertainty Related to Going Concern section and Emphasis of Matters section, we have determined that there are no other key audit matters to communicate in our report.

#### Information other than the Consolidated Financial Statements and Auditor's Report thereon

8. The Holding Company's Board of Directors is responsible for the other information. The other information comprises the director's report, corporate governance report and management discussion and analysis report (together referred to as 'Other Information') but does not include the consolidated financial statements and our auditor's report thereon. The Other Information is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the Other Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the Other Information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance of this Other Information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

9. The Holding Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or

error.

10. In preparing the consolidated financial statements, the respective Management and the Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
11. The respective Board of Directors of the companies included in the Group are also responsible for overseeing the Group's financial reporting process.

**Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

12. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
13. As part of an audit in accordance with SA's issued by ICAI, specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls;

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
  - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;
  - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and
  - Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated financial statements. Our responsibilities in this regard are further described in "Other Matters" paragraph in this audit report.
14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
  15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Other Matters**

- a). The consolidated financial statements include the audited financial statements of 11 subsidiaries, whose financial statements reflect Group's share of total assets (before consolidation adjustments) of ₹ 419.74 million as at March 31, 2025, Group's share of total revenue (before consolidation adjustments) of ₹ Nil and Group's share of total net loss after tax (before consolidation adjustments) of ₹ 23.95 million year ended March 31, 2025, as considered in the consolidated financial statements, which have been

audited by their respective independent auditors. The independent auditors' reports on financial statements of these entities have been furnished to us and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the report of such auditors and the procedures performed by us are as stated in paragraph above.

This audited financial statement has been

approved and furnished to us by the Management and our conclusion on the Statement, in so far as it relates to affairs of this associate, is based solely on such audited financial statement.

Our opinion on the consolidated financial statements is not modified in respect of the above matter with respect to the financial statements certified by the Board of Directors.

#### **Report on Other Legal and Regulatory Requirements**

16. As required by clause (xxi) of paragraph 3 and 4 of Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act based on the consideration of the Order reports issued by us and by the respective other auditor as mentioned in paragraph 15 above, of companies included in the consolidated financial statements and covered under the Act we report that there are no qualifications or adverse remarks reported in the respective Order reports of such companies.
17. As required by section 143(3) of the Act, based on our audit we report that:
  - a). We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
  - b). Except for the effects of the matters described in the Basis of Qualified Opinion section above, in our opinion, proper books of account as required by law have been kept by the Group so far as it appears from our examination of those books.
  - c). The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows are in agreement with the books of account of the Group;
  - d). Except for the effects of the matters described in the Basis of Qualified Opinion section above, in our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under section 133 of the Act;
  - e). The matter described in Material Uncertainty Related to Going Concern section of our report, in our opinion, may have an adverse effect on the functioning of the Group;
  - f). On the basis of the written representations received from the directors and taken on record by the Board of Directors and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of section 164(2) of the Act;

- g). The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion above;
- h). With respect to the adequacy of the internal financial controls with reference to consolidated financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure I" which is based on the auditors' reports of the Company and its subsidiary companies incorporated in India;
- i). With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
  - i The Group has disclosed the impact of pending litigations on its financial position as at 31 March 2025 in its consolidated financial statements – Refer Note 42 to the consolidated financial statements;
  - ii The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2025;
  - iii There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Group;
  - iv
    - a. The respective Managements of the Holding Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Group to or in any person or entity, including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Group ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - b. The respective Managements of the Holding Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, has represented that, to the best of its knowledge and belief, no funds have been received by the Group from any person or entity, including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Group shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
    - c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
  - v The Group has neither declared nor paid any dividends during the year ended 31 March 2025.
  - vi Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the respective software.  
Further, where audit trail (edit log) facility was enabled, we did not come across any instance of the audit trail feature being tampered with during the course of our audit and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
- 18. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:
  - a). According to information and explanations given to us, the Company has not paid or provided for any managerial remuneration during the year. Hence, reporting under section 197(16) of the Act is not applicable.

## ANNEXURE-I TO THE INDEPENDENT AUDITOR'S REPORT

**[Referred to in paragraph 17(h) under 'Report on Other Legal and Regulatory Requirements' section in our report of even date, to the members of Flexituff Ventures International Limited for the year ended 31 March 2025]**

We have audited the internal financial controls over financial reporting of Flexituff Ventures International Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group") as of 31 March, 2025 in conjunction with our audit of consolidated financial statements of the Group for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Group's management is responsible for establishing and maintaining internal financial controls with reference to the consolidated financial statements based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Group's internal financial control with reference to the consolidated financial statements based on our audit. We conducted audit in accordance with the Guidance Note on Audit of Internal Financial control over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Group's Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Control and, both issued by institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial control over financial

reporting was established and maintained end of such controls operate effectively in all material respects.

Our audit involves performing procedure to obtain audit evidence about the adequacy of the internal financial control systems over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting includes obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial control system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A Group's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the consolidated financial statement for external purpose in accordance with generally accepted accounting principles. A Group's internal financial control over financial reporting includes those policies and procedures that (1) pertains to maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the asset of the Group; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with the generally accepted accounting principles, and that receipts and expenditures of the Group are being made only in accordance with authorizations of management and directors of the Group; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the companies asset that could have a material effect on the consolidated financial statements.

### **Inherent Limitation of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material statement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subjected to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the

policies or procedures may deteriorate.

**Opinion**

In our opinion, the Group has, in all material respects, an adequate internal financial controls system over financial reporting and search internal financial controls over financial reporting were operating effectively as at March 31, 2025 based on the criteria for internal financial control with reference to consolidated financial statements established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

**NOTES FORMING PART OF THE CONSOLIDATED  
FINANCIAL STATEMENTS FOR THE YEAR ENDED 31<sup>st</sup>  
MARCH 2025**

(All amounts in ₹ millions, unless otherwise stated)

## MATERIAL ACCOUNTING POLICIES

### 1. GENERAL INFORMATION

The consolidated financial statements comprise financial statements of Flexituff Ventures International Limited (the Holding Company), its subsidiaries (collectively, the Group) for the year ended 31<sup>st</sup> March, 2025.

The Holding Company is engaged in the business of technical textile. Manufacturing units of the Company are located at Pithampur in Madhya Pradesh which was transferred under BTA taken place on 30<sup>th</sup> April, 2024 and at Kashipur in Uttarakhand. The Holding Company is a public limited company domiciled in India and is incorporated under the provisions of the Companies Act. The Holding Company is listed on the Bombay Stock Exchange (BSE) and National Stock Exchange (NSE). The registered office of the Holding Company is located at 6<sup>th</sup> Floor, Treasure Island 11 South Tukoganj, MG road, Indore, Madhya Pradesh, India, 452001.

These consolidated financial statements were authorised for issue by the Board of Directors of the Holding Company on May 30, 2025.

### 2. MATERIAL ACCOUNTING POLICIES

Material accounting policies adopted by the group are as under:

#### 2.1 Basis of Preparation of Consolidated Financial Statements

##### (a). Statement of Compliance with Ind AS

These consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the "Act") read with the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III).

Accounting policies have been consistently applied to all the years presented except where a newly issued accounting standard is initially adopted or a revision to an existing accounting

standard requires a change in the accounting policy hitherto in use.

##### (b). Basis of measurement

The financial statements have been prepared on a historical cost convention on accrual basis, except for the following:

- i) certain financial assets and liabilities (including derivative instruments) that is measured at fair value.
- ii) defined benefit plans - plan assets measured at fair value.

##### (c). Current / non current classification

The Group has ascertained its operating cycle as twelve months for the purpose of Current/ Non-Current classification of its Assets and Liabilities. The Group presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

##### (d). Use of estimates

The preparation of financial statements in conformity with Ind AS requires the Management to make estimate and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amount of revenue and expenses for the year and disclosures of contingent liabilities as at the Balance Sheet date. The estimates and assumptions used in the accompanying consolidated financial statements are based upon the Management's

evaluation of the relevant facts and circumstances as at the date of the consolidated financial statements. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates, if any, are recognized in the year in which the estimates are revised and in any future years affected. Refer Note 3 for detailed discussion on estimates and judgments.

**(e). Rounding off of amounts**

All amounts disclosed in the consolidated financial statements and notes have been rounded off to the nearest million as per the requirement of Schedule III, unless otherwise stated.

**2.2 Principles of consolidation**

The consolidated financial statements relate to the Holding Company and its subsidiary companies (collectively referred herein under as the 'Group'). The consolidated financial statements have been prepared on the following basis:

**(a). Subsidiaries**

Subsidiaries are all entities over which the Group has control. The Group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date when control ceases.

The Group combines the financial statements of the Holding Company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

**(b). Change in ownership interests**

The Group treats transactions with non-controlling interests that do not result in a loss of control as transactions with equity owners of the Group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests or reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity. When the Group ceases to consolidate for an investment because of a loss of control, any retained interest in the entity is remeasured to its fair value with the change in carrying amount recognised in profit and loss. The fair value becomes the initial carrying amount for the purposes of subsequent accounting for the retained interest. In addition, any amounts previously recognised in OCI in respect of that entity are reclassified to profit or loss as if the Group had directly disposed of the related assets and liabilities.

**(c).** The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's separate financial statements in preparing the financial statements to ensure conformity with the Group's accounting policies, wherever necessary and practicable.

**(d).** Two foreign subsidiaries, "Flexiglobal Holding Limited, Cyprus" and "Flexiglobal (UK) Limited, United Kingdom (step-down subsidiary)", have not prepared their financial statements on going concern basis (as considered in these Consolidated Financial Statements) as the same are under liquidation process. The financials of these subsidiaries as considered in these consolidated financial statements are management accounts and are not audited. These subsidiaries are not material to the Group.

**2.3 Property, plant and equipment**

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation and impairment if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Spare parts are recognised when they meet the

definition of property, plant and equipment, otherwise, such items are classified as inventory.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to Statement of Profit and Loss during the year in which they are incurred.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other non-current assets and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'.

#### Depreciation methods, estimated useful lives

the Group depreciates property, plant and equipment over their estimated useful lives using the straight line method. The estimated useful lives of assets are as follows:

Property, plant and equipment	Estimated useful life (in years)
Factory building	30
Leasehold land	over the period of lease term
Office equipment	5
Plant and machinery	15
Electrical Installations	5 to 10
Furniture and fittings	10
Vehicles	8
Computers	3

Depreciation on addition to property plant and equipment is provided on pro-rata basis from the date of acquisition. Depreciation on sale/deduction from property plant and equipment is provided up to the date preceding the date of sale, deduction as the case may be. Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in Statement of Profit and Loss under 'Other Income'.

Depreciation methods, useful lives and residual values are reviewed periodically at each financial year end and adjusted prospectively, as appropriate.

## 2.4 Intangible assets

Intangible assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation/ depletion and impairment loss, if any. The cost comprises of purchase price, borrowing costs and any cost directly attributable to bringing the asset to its working condition for the intended use.

Expenditure incurred on acquisition of intangible assets which are not ready to use at the reporting date is disclosed under "Intangible assets under development".

#### Amortisation method and periods

Amortisation is charged on a straight-line basis over the estimated useful lives. The estimated useful lives and amortization method are reviewed at the end of each annual reporting period, with the effect of any changes in the estimate being accounted for on a prospective basis.

The Group amortized intangible assets over their estimated useful lives using the straight line method. The estimated useful lives of intangible assets are as follows:

Intangible assets	Estimated useful life
Development assets	5 years
Computer software	3 years
Patents	5 years

The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at each financial year end.

## 2.5 Research and development expenditure

Research Costs are charged as an expense in the year in which they are incurred and are reflected under the appropriate heads of account.

Development costs that are directly attributable to the design and testing of identifiable and unique assets controlled by the Group are recognised as intangible assets when the following criteria are met:

- it is technically feasible to complete the asset so that it will be available for use- management intends to complete the asset to use it or sell it
- there is an ability to use or sell the asset
- it can be demonstrated how the asset will generate probable future economic benefits
- adequate technical, financial and other resources to complete the development and to use or sell the asset are available and

- the expenditure attributable to the asset during its development can be reliably measured

Directly attributable costs that are capitalised as part of the asset include employee cost and appropriate portion of relevant overheads. Capitalised development costs are recorded as intangible assets and amortised from the point at which the asset is available for future use.

Development expenditure that do not meet the above criteria are recognised as expense as incurred. Development costs previously recognised as expense are not recognised as an asset in the subsequent period.

## 2.6 Impairment of non financial assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

For non financial assets, an assessment is made at each reporting period end or whenever triggering event occurs as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the Group makes an estimation of the recoverable amount.

A previously recognised impairment loss is reversed only if there has been a change in the estimations used to determine the asset's recoverable amount since the last impairment

loss was recognised. If that is the case the carrying amount of the asset is increased to its recoverable amount. That increased amount cannot exceed the carrying amount that would have been determined, net of depreciation, or had no impairment loss been recognised for the asset in prior years.

## 2.7 Foreign currency transactions

### (a). Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the Group's functional and presentation currency.

### (b). Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. All exchange differences arising on reporting on foreign currency monetary items at rates different from those at which they were initially recorded are recognised in the Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets which are capitalized as cost of assets.

In respect of foreign exchange differences arising on restatement or settlement of long term foreign currency monetary items attributable to depreciable assets, the Group has availed the option available in Ind AS 101 to continue the policy adopted for accounting for exchange differences arising from translation of long-term foreign currency monetary items outstanding, wherein foreign exchange differences on account of depreciable asset, are adjusted in the cost of depreciable asset and would be depreciated over the balance life of asset.

Non-monetary items that are measured at historical cost in a foreign currency, are translated using the exchange rate at the date of the transaction. Nonmonetary items that are measured at fair value in a foreign currency, are translated using the exchange rates at the date when the fair value is measured.

### (c). Translation of foreign operation

The results and financial positions of foreign operations (none of which has the currency of a

hyper inflationary economy) that have functional currency different from the presentation currency are translated into the presentation currency as follows:

- assets and liabilities are translated at the closing rate at the date of that balance sheet
- income and expenses are translated at average exchange rates
- all resulting exchange differences are recognised in other comprehensive income

When a foreign operation is sold, the associated exchange differences are reclassified to profit and loss, as a part of gain or loss on sale.

## 2.8 Fair value measurement

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- ▶ In the principal market for the asset or liability, or
- ▶ In the absence of a principal market, in the most advantageous market for the asset or liability accessible to the Group.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs. the Group's management determines the policies and procedures for fair value measurement such as derivative instrument.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ▶ Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ▶ Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ▶ Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

## 2.9 Revenue recognition

### Revenue from Sale of Goods and Services

Revenue from sale of goods is recognised when control of the products being sold is transferred to customers and when there are no longer any unfulfilled obligations. The Performance Obligations in contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.

Revenue from irrevocable bill and hold contracts is recognised when the customer has the ability to direct the use of, and obtain substantially all of the remaining benefits from, the product even though the customer has decided not to exercise its right to take physical possession of that product.

Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as goods and services tax, etc. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur.

Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations.

Revenue is recognised when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the entity and specific criteria have been met as described below.

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of indirect taxes, trade allowances, rebates and amounts collected on behalf of third parties and is not recognised in instances where there is uncertainty with regard to ultimate collection. In such cases revenue is recognised on reasonable certainty of collection.

In respect of above, the amounts received in advance are reflected in the Balance sheet under "Other Current Liabilities" as "Advance from customer".

### Export benefits

Duty free imports of raw materials under Advance License for imports as per the Import and Export Policy are matched with the exports made against the said licenses and the net benefit / obligation is accounted by making suitable adjustments in raw material consumption.

The benefit accrued under the Duty Drawback, Focus Market Scheme, Merchandise Exports from India Scheme and other schemes as per the Import and Export Policy in respect of exports made under the said schemes are accounted in the year of export and included under the head 'Other operating revenue'.

#### **Fixed price contracts**

Revenues from fixed-price contracts are recognized using the "percentage-of-completion" method. Percentage of completion is determined based on project costs incurred to date as a percentage of total estimated project costs required to complete the project. The cost expended (or input) method has been used to measure progress towards completion as there is a direct relationship between input and productivity. As the financial reporting of these contracts depends on estimates that are assessed continually during the term of these contracts, recognized revenue and profit are subject to revisions as the contract progresses to completion. When estimates indicate that a loss will be incurred, the loss is provided for in the period in which the loss becomes probable.

If the Group does not have a sufficient basis to measure the progress of completion or to estimate the total contract revenues and costs, revenue is recognized only to the extent of contract cost incurred for which recoverability is probable.

When total cost estimates exceed revenues in an arrangement, the estimated losses are recognized in the statement of profit and loss in the period in which such losses become probable based on the current contract estimates.

'Unbilled revenues' represent cost and earnings in excess of billings as at the end of the reporting period.

#### **Interest income**

Interest Income is recognised on a basis of effective interest method as set out in Ind AS 109, Financial Instruments, and where no significant uncertainty as to measurability or collectability exists.

### **2.10 Taxes**

Tax expense for the year, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the year.

#### **(a). Current income tax**

Current tax assets and liabilities are measured at the amount expected to be recovered or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the year end date. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

#### **(b). Deferred tax**

Deferred income tax is provided, using the balance sheet approach, on all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in financial statements. Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the year and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses.

Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority.

Current and deferred tax is recognized in Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Minimum Alternate Tax credit is recognised as deferred tax asset only when and to the extent there is convincing evidence that the Group will

pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Group will pay normal income tax during the specified period.

The Group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Group has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Group.

Deferred income taxes are not provided on the movement of foreign currency translation reserve as the Group does not expect to sell the foreign subsidiaries in the foreseeable future.

## 2.11 Leases

### As a lessee

Leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the Group. Contracts may contain both lease and non-lease components. The Group allocates the consideration in the contract to the lease and non-lease components based on their relative stand-alone prices.

Assets and liabilities arising from a lease are initially measured on a present value basis. Lease liabilities include the net present value of fixed payments (including in-substance fixed payments), less any lease incentives receivable.

Lease payments to be made under reasonably certain extension options are also included in the measurement of the liability. The lease payments are discounted using the interest rate implicit in the lease. If that rate cannot be readily determined, which is generally the case for leases in the company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

Lease payments are allocated between principal and finance cost. The finance cost is charged to profit or loss over the lease period so as to

produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Right-of-use assets are measured at cost comprising the following:

- the amount of the initial measurement of lease liability
- any lease payments made at or before the commencement date less any lease incentives received
- any initial direct costs, and
- restoration costs.

Right-of-use assets are generally depreciated over the shorter of the asset's useful life and the lease term on a straight-line basis. If the Group is reasonably certain to exercise a purchase option, the right-of-use asset is depreciated over the underlying asset's useful life.

Payments associated with short-term leases of equipment and all leases of low-value assets are recognised on a straight-line basis as an expense in profit or loss. Short-term leases are leases with a lease term of 12 months or less.

## 2.12 Inventories

Raw materials, stores, consumables, work in progress, traded goods and finished goods are valued at the lower of cost and net realisable value.

Cost of raw materials, stores, consumables and traded goods includes purchase price, (excluding those subsequently recoverable by the Group from the concerned revenue authorities), freight inwards and other expenditure incurred in bringing such inventories to their present location and condition. In determining the cost, weighted average cost method is used.

Cost of work in progress and manufactured finished goods is determined on the weighted average basis and comprises direct material, cost of conversion and other costs incurred in bringing these inventories to their present location and condition.

Provision of obsolescence on inventories is considered on the basis of management's estimate based on demand and market of the inventories.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion and the estimated costs necessary to make the sale.

The comparison of cost and net realizable value is made on item by item basis.

**2.13 Non-current assets (or disposal groups) held for sale and discontinued operations**

Non-current assets (or disposal groups) are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell, except for assets such as deferred tax assets, assets arising from employee benefits, financial assets and contractual rights under insurance contracts, which are specifically exempt from this requirement.

An impairment loss is recognised for any initial or subsequent write-down of the asset (or disposal group) to fair value less costs to sell. A gain is recognised for any subsequent increases in fair value less costs to sell of an asset (or disposal group), but not in excess of any cumulative impairment loss previously recognised. A gain or loss not previously recognised by the date of the sale of the non-current asset (or disposal group) is recognised at the date of de-recognition.

Non-current assets (including those that are part of a disposal group) are not depreciated or amortised while they are classified as held for sale. Interest and other expenses attributable to the liabilities of a disposal group classified as held for sale continue to be recognised.

Non-current assets classified as held for sale and the assets of a disposal group classified as held for sale are presented separately from the other assets in the balance sheet. The liabilities of a disposal group classified as held for sale are presented separately from other liabilities in the balance sheet.

A discontinued operation is a component of the entity that has been disposed of or is classified as held for sale.

and that represents a separate major line of business or geographical area of operations, is part of a single coordinated plan to dispose of such a line of business or area of operations, or is a subsidiary acquired exclusively with a view to resale. The results of discontinued operations are presented separately in the statement of profit and loss.

**2.14 Provisions and contingent liabilities**

Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to

settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

The Group records a provision for decommissioning costs. Decommissioning costs are provided at the present value of expected costs to settle the obligation using estimated cash flows and are recognized as part of the cost of the particular asset. The cash flows are discounted at a current pre-tax rate that reflects the risks specific to the decommissioning liability. The unwinding of the discount is expensed as incurred and recognized in the statement of profit and loss as a finance cost. The estimated future costs of decommissioning are reviewed annually and adjusted as appropriate. Changes in the estimated future costs or in the discount rate applied are added to or deducted from the cost of the asset.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

**2.15 Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks, cash on hand and short-term deposits net of bank overdraft with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purposes of the cash flow statement, cash and cash equivalents include cash on hand, cash in banks and short-term deposits net of bank overdraft.

**2.16 Corporate social responsibility (CSR)**

Provisions are recognised for all CSR activity undertaken by the Group for which an obligation has arisen during the year and are recognized in

Statement of profit on loss on accrual basis. No provision is made against unspent amount, if any.

## 2.17 Government grants and subsidies

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the group will comply with all attached conditions. Government grants relating to income are deferred and recognised in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

## 2.18 Borrowing Costs

Interest and other borrowing costs attributable to qualifying assets are capitalised. Other interest and borrowing costs are charged to Statement of Profit and Loss.

## 2.19 Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### (a). Financial assets

#### (i). Initial recognition and measurement

At initial recognition, financial asset is measured at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

#### (ii). Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

- a) at amortized cost; or
- b) at fair value through other comprehensive income; or
- c) at fair value through profit or loss.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Amortized cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. Interest income from these

financial assets is included in finance income using the effective interest rate method (EIR).

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to Statement of Profit and Loss and recognized in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss: Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through profit or loss. Interest income from these financial assets is included in other income.

#### Equity instruments:

All equity investments are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all equity instruments, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value (currently no such choice is made). the Group makes such election on an instrument- by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity.

#### (iii). Impairment of financial assets

The Group assesses on a forward looking basis the expected credit losses(ECL) associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

The impairment methodology for each class of financial assets stated above is as follows:

Trade receivables from customers: the Group applies the simplified approach to providing for expected credit losses prescribed by Ind AS 109, which requires the use of the lifetime expected loss provision for all trade receivables.

Debt investments measured at amortised cost and FVOCI: Debt investments at amortised cost and those at FVOCI where there has been a significant increase in credit risk, lifetime expected credit loss provision method is used and in all other cases, the impairment provision is determined as 12 months expected credit losses.

For recognition of impairment loss on financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If in subsequent years, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognizing impairment loss allowance based on 12 month ECL.

Life time ECLs are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12 month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the year end.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider all contractual terms of the financial instrument (including prepayment, extension etc.) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

ECL impairment loss allowance (or reversal) recognized during the year is recognized as income/expense in the statement of profit and loss. In balance sheet ECL for financial assets measured at amortized cost is presented as an allowance, i.e. as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write off criteria,

the Group does not reduce impairment allowance from the gross carrying amount.

**(iv). Derecognition of financial assets**

A financial asset is derecognized only when

- a) the rights to receive cash flows from the financial asset is transferred or
- b) retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Where the financial asset is transferred then in that case financial asset is derecognized only if substantially all risks and rewards of ownership of the financial asset is transferred. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognized.

**(b). Financial liabilities**

**(i). Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss and at amortized cost, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs.

**(iii). Subsequent measurement**

The measurement of financial liabilities depends on their classification, as described below:

*Financial liabilities at fair value through profit or loss*

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments. Gains or losses on liabilities held for trading are recognized in the Statement of Profit and Loss.

*Loans and borrowings*

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the Statement of Profit and Loss.

**(iii). Compound financial instruments**

Compound financial instruments issued by the Group which can be converted into fixed number of equity shares for fixed price at the option of the holders irrespective of changes in the fair value of the instrument are accounted by separately recognising the liability and the equity components. The liability component is initially recognised at the fair value of a comparable liability that does not have an equity conversion option. The equity component is initially recognised at the difference between the fair value of the compound financial instrument as a whole and the fair value of the liability component. The directly attributable transaction costs are allocated to the liability and the equity components in proportion to their initial carrying amounts.

Subsequent to initial recognition, the liability component of the compound financial instrument is measured at amortised cost using the effective interest method. The equity component of a compound financial instrument is not remeasured subsequently.

**(iv). Derecognition**

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss as finance costs.

**(c). Offsetting financial instruments**

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognized amounts and there is an

intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

**2.20 Derivative financial Instruments**

The Group uses derivative financial instruments, such as forward currency contracts to hedge its foreign currency risks and interest rate risks. Such derivatives are initially recognized at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognized in the statement of profit and loss, under financial income or financial cost in the period when they arise.

**2.21 Employee benefits****(a). Short-term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the year in which the employees render the related service are recognized in respect of employees' services up to the end of the year and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

**(b). Other long-term employee benefit obligations**

**Compensated Absences:** Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end.

Accumulated compensated absences, which are expected to be availed or encashed beyond 12 months from the end of the year end are treated as other long term employee benefits. The Group's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognized in the statement of profit and loss in the year in which they arise. Compensated absences can be encashed only on discontinuation of service by employee.

**(c). Post employment obligations****(i). Defined contribution plan**

Provident Fund: Contribution towards provident fund is made to the regulatory authorities, where the Group has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Group does not carry any further obligations, apart from the contributions made on a monthly basis which are charged to the Statement of Profit and Loss.

Employee's State Insurance Scheme: Contribution towards employees' state insurance scheme is made to the regulatory authorities, where the Group has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Group does not carry any further obligations, apart from the contributions made on a monthly basis which are charged to the Statement of Profit and Loss.

**(ii). Defined benefit plans**

Gratuity: The Group provides for gratuity, a defined benefit plan (the 'Gratuity Plan') covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary. The Group's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/gains are recognized in the other comprehensive income in the year in which they arise.

**2.22 Earnings per share**

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Group's earnings per share is the net profit or loss for the year after deducting preference dividends and any attributable tax thereto for the year. The weighted average number of equity shares outstanding during the year and for all the years presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the

weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

**2.23 Segment reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The chief operating decision maker regularly monitors and reviews the operating result of the whole Group as one segment of manufacturing of technical textile. Thus, as defined in Ind AS 108 "Operating Segments", the Group's entire business falls under this one operational segment and hence the necessary information has already been disclosed in the Balance Sheet and the Statement of Profit and Loss.

**2.24 Contributed equity**

Equity Shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

**2.25 Dividends**

Provision is made for the amount of any dividend declared, being appropriately authorized and no longer at the discretion of the entity, on or before the end of the reporting period but not distributed at the end of the reporting period.

**2.26 Rounding off amounts**

All amounts disclosed in financial statements and notes have been rounded off to the nearest millions as per requirement of Schedule III of the Act, unless otherwise stated.

### 3. SIGNIFICANT ACCOUNTING JUDGMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future years.

**3.1 Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the year end date, that have a significant risk of

causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. the Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

(a). Taxes

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilized. Significant management judgment is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

(b). Defined benefit plans and other long term benefits (gratuity benefits and leave encashment)

The cost of the defined benefit plans and other long term benefits such as gratuity and leave encashment are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each year end.

The principal assumptions are the discount and salary growth rate. The discount rate is based upon the market yields available on government bonds at the accounting date with a term that matches that of liabilities. Salary increase rate takes into account of inflation, seniority, promotion and other relevant factors on long term basis.

(c). Useful lives of property, plant and equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2025, MCA has notified Ind AS 117 - Insurance Contracts and amendments to Ind As 116 – Leases, relating to sale and lease back transactions, applicable from April 1, 2024. The Company has assessed that there is no significant impact on its Consolidated financial statements.

**48. FAIR VALUES OF FINANCIAL ASSETS AND FINANCIAL LIABILITIES**

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The amortized cost using effective interest rate (EIR) of non-current financial assets/liabilities are not significantly different from the carrying amount and therefore the impact of fair value is not considered for above disclosure.

Financial assets that are neither past due nor impaired include cash and cash equivalents, security deposits, term deposits, and other financial assets.

The carrying value and fair value of financial instruments by categories as at 31<sup>st</sup> March 2025 were as follows:

#### 49. FAIR VALUE HIERARCHY

The following is the hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

No financial assets/liabilities have been valued using level 1 fair value measurements.

The following table presents fair value hierarchy of assets and liabilities measured at fair value on a recurring basis:

## 50. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group is exposed to various financial risks. These risks are categorized into market risk, credit risk and liquidity risk. The Groups' risk management is coordinated by the Board of Directors and focuses on securing long term and short term cash flows. The Group does not engage in trading of financial assets for speculative purposes.

### (A) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk include borrowings and derivative financial instruments.

#### (i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Groups' exposure to the risk of changes in market interest rates relates primarily to the Groups' long-term debt obligations with floating interest rates.

The Group manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings.

#### Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings. With all other variables held constant, the Groups' profit before tax is affected through the impact on floating rate borrowings, as follows:

Exposure to interest risk	Increase/ decrease in basis points	Effect on profit before tax
<b>2025</b>		
INR in Millions	+50	(4.12)
INR in Millions	-50	4.12
<b>2024</b>		
INR in Millions	+50	(18.33)
INR in Millions	-50	18.33

#### (ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Groups' exposure to the risk of changes in foreign exchange rates relates primarily to the Groups' operating activities (when revenue or expense is denominated in a different currency from the Groups' functional currency).

The following table shows foreign currency exposures receivable and payable at the end of the reporting period

**(B) Credit risk**

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations. Credit risk is primarily attributable to the Groups' trade and other receivables. The amounts presented in this consolidated statement of financial position are net of allowances for doubtful receivables, estimated by management based on prior experience and their assessment of the current economic environment.

The Group measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

The ageing analysis for accounts receivables has been considered from the date the invoice falls due:		
	31 <sup>st</sup> March 2025	31 <sup>st</sup> March 2024
Not due	198.30	96.67

Add: additional provision made	227.85	162.94
Less: Provision utilised during the year	-	-
<b>Closing provisions</b>	<b>844.61</b>	<b>616.76</b>

**(C) Liquidity risk**

Liquidity risk is the risk that the Group will not be able to meet its financial obligations as they become due. The Group manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due. Processes and policies related to such risks are overseen by senior management who monitors the Groups' net liquidity position through rolling forecasts on the basis of expected cash flows.

The table below summarizes the maturity profile of the Groups' financial liabilities:

## 51. CAPITAL MANAGEMENT

For the purpose of the Groups' capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the Groups' capital management is to maximize the shareholder value and to ensure the Groups' ability to continue as a going concern.

The Group has not distributed any dividend to its shareholders. The Group monitors gearing ratio i.e. total debt in proportion to its overall financing structure, i.e. equity and debt. Total debt comprises of non-current borrowing which represents liability component of Convertible Preference Shares and current borrowing from ultimate Holding Company. The Group manages the capital structure and makes adjustments to it in the light of changes in economic conditions and the risk characteristics of the underlying assets.

		31 <sup>st</sup> March 2025	31 <sup>st</sup> March 2024
Total equity	(i)	147.10	[343.12]

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 <sup>st</sup> March 2025 and 31 <sup>st</sup> March 2024.			

## 52. CORPORATE SOCIAL RESPONSIBILITY

Provisions of section of 135 of Companies Act, 2013 'Corporate Social Responsibility' are not applicable to the group.

- 53.** During the year ended 31 March 2025, the Group lost control over its subsidiary Flexituff Technology International Limited, pursuant to the issuance of Compulsorily Convertible Debentures (CCDs) held by an external investor into equity shares. Although the Group continues to hold 58.31% of the equity share capital of Flexituff Technology International Limited, it no longer has the power to govern the financial and operating policies of the entity due to changes in the governance structure and shareholder agreements.

As a result Group has derecognized the assets, liabilities, and non-controlling interest of Flexituff Technology International Limited from the consolidated financial statements. The retained interest in Flexituff Technology International Limited has been remeasured at fair value on the date of loss of control and is now accounted for as an investment in associate under the equity method in accordance with Ind AS 28.

- 54.** As on March 31, 2024, the Holding Company has defaulted in repaying the principal and interest component of loan instalments amounting to Rs 359.42 millions and Rs. 273.96 millions respectively to IFCI LTD (The interest default cited here is net of TDS (as applicable). Loan of IFCI Ltd has been assigned to Phoenix ARC Private Limited on 19<sup>th</sup> April, 2024 vide confirmation letter dated 22<sup>nd</sup> April, 2024.

As on March 31, 2024, the Holding Company was in default in repaying the principal and interest component for FCCB issued to TPG Growth II SF Pte. Ltd. amounting to Rs 1,875.91 millions and Rs 885.33 millions respectively and also was in default in redemption of FCCB from International Finance Corporation (IFC) amounting to Rs 750.37 millions. Interest accrued and payable to IFC amounts to Rs. 286.37 millions.

As per correspondence with TPG Growth II SF Pte. Ltd. dated 15 February 2024, the Holding Company has entered into a one time settlement of the FCCBs and waiver of interest. Settlement amount was payable on or before 31 March 2024. Time line for payment further extended uptill 30<sup>th</sup> April, 2024 and the Holding Company has paid settlement amount on 30<sup>th</sup> April, 2024.

1. In view of general circular nos. 14/2020 dated April 8, 2020, 17/2020 dated April 13, 2020, 20/2020 dated May 5, 2020, 22/2020 dated June 15, 2020, 33/2020 dated September 28, 2020, 39/2020 dated December 31, 2020, 10/2021 dated June 23, 2021, 20/2021 dated December 08, 2021, 03/2022 dated May 5, 2022, 10/2022 dated December 28, 2022, 09/2023 dated September 25, 2023 and 09/2024 dated September 19, 2024, issued by the Ministry of Corporate Affairs ("MCA") (collectively "MCA Circulars") permitting the

holding of the Annual General Meeting ("AGM") through Video Conferencing ("VC")/Other Audio Visual Means ("OAVM"), without the physical presence of the Members.

2. Further, Securities and Exchange Board of India ("SEBI") vide its circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020, circular no. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021, circular no. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022, SEBI/HO/CFD/PoD-2/P/CIR/2023/4 dated January 05, 2023, SEBI/HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated October 07, 2023 and SEBI/HO/CFD/CFD-PoD-2/P/CIR/2024/133 dated October 3, 2024 (collectively "SEBI Circulars"), has provided relaxation from compliance with certain provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**SEBI Listing Regulations**") regarding sending of hard copy of annual report and proxy form in line with aforesaid MCA Circulars. The registered office of the Company shall be deemed to be the venue for the AGM.
3. In compliance with the provisions of the Companies Act, 2013 (the "Act"), SEBI Listing Regulations as amended, MCA Circulars and SEBI Circulars, the AGM of the Company is being held through VC/OAVM which does not require physical presence of members at a common venue on Tuesday, 30<sup>th</sup> September, 2025 at 02:00 P.M. (IST). The proceedings of the 32<sup>nd</sup> AGM of the Company will be deemed to be conducted at the Registered Office of the Company situated at 6<sup>th</sup> Floor Treasure Island 11 South Tukoganj, MG road, Indore Tukoganj, Indore, (M.P.)-452001 which shall be the deemed Venue of the AGM.
4. The Explanatory Statement pursuant to the provisions of Section 102 of the Companies Act, 2013 (the Act), in respect of the Special Business to be transacted at the Meeting under item no. 4 and 5 is annexed hereto and forms part of this Notice. Further the relevant details with respect to item no. 2 to 4 pursuant to Regulation 36 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 are also annexed.
5. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form, Attendance Slip and route map of AGM are not annexed to this Notice.
6. Corporate Members whose Authorized Representatives are intending to attend the Meeting, pursuant to Section 112 and Section 113 of the Companies Act, 2013, through VC/OAVM and to vote on their behalf at the Meeting and through remote e-voting are requested to send a certified copy of the Board Resolution (in PDF/JPG form) authorizing their representative to the Scrutinizer by e-mail at rgc1@yahoo.com with a copy marked to cs@flexituff.com.
7. In pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of State or Body Corporate can attend the AGM through VC/OAVM.
8. Electronic copy of the Notice for the AGM and the Annual Report for the financial year 2024-25 is being sent to all the Members whose e-mail id's are or to be registered upto the date of dispatch of this notice with the Company/Depository Participant(s). A letter containing the web link, along with the exact path to access the complete details of the Annual Report, is being sent to the shareholders who have not registered their e-mail id with the Company's RTA or DP.
9. Dispatching of physical copies of the Financial Statements (including Board's Report, Auditors' Report and other documents required to be attached therewith) has been dispensed with in line with the aforementioned circulars issued by the Ministry of Corporate Affairs and Securities and Exchange Board of India unless the member has specifically requested for hard copy of the Annual Report to the Company at cs@flexituff.com mentioning there Folio No./DP ID and Client Id.
10. Members holding shares in electronic/demat mode and who have not got their e-mail addresses updated with the Depository Participants are requested to update their e-mail address and any changes therein through their Depository Participants. Members holding shares in physical mode are requested to update their e-mail address and mobile number, by sending e-mail quoting their Folio Number along with scanned copy of PAN (self-attested scanned copy) or AADHAR (self-attested scanned copy) to our Registrar and Share Transfer Agent, viz., MUFG Intime India Private Limited (formerly known as Link Intime India Private Limited) at rnt.helpdesk@in.mpms.mufg.com and mark cc to Company: cs@flexituff.com. Also for any queries you may contact on 022-49186270.
11. All shareholder queries or service requests in electronic mode can be raised through MUFG Intime

India Private Limited (formerly known as Link Intime India Private Limited) website, the link for which is [https://web.in.mpms.mufig.com/helpdesk/Service\\_Request.html](https://web.in.mpms.mufig.com/helpdesk/Service_Request.html).

12. SEBI vide its circulars SEBI/HO/OIAE/OIAE\_IAD-1/P/CIR/2023/131 and SEBI/HO/OIAE/OIAE\_IAD-1/P/CIR/2023/135 dated July 31, 2023 and August 04, 2023 respectively has introduced Online Dispute Resolution Portal ("ODR Portal"). Through this ODR portal, the aggrieved party can initiate the mechanism, after exercising the primary options to resolve its issue, directly with the Company and through the SEBI Complaint Redress System (SCORES) platform. The Company has complied with the above circulars and the same are available at the website of the Company i.e. <https://flexituff.com/>.
13. In line with SEBI Circular SEBI/HO/MIRSD/MIRSD-PoD/P/CIR/2025/97 dated July 2, 2025, SEBI has provided a **special window from July 7, 2025, to January 6, 2026, for investors to re-lodge transfer requests for physical shares** that were initially submitted before April 1, 2019, but were rejected or not processed due to document deficiencies. All such re-lodged shares will be transferred only in dematerialized form following the due process. This initiative aims to ease investment processes and protect investor rights.
14. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participant with whom they are having demat accounts. Members holding shares in physical form are requested to submit PAN details to the Company/Registrar.
15. SEBI vide its Master Circular No. SEBI/HO/MIRSD/POD-1/P/CIR/2023/70 dated 17<sup>th</sup> May, 2023 read with SEBI/HO/MIRSD/POD-1/P/CIR/2023/181 dated 17<sup>th</sup> November, 2023, in supersession of earlier Circular(s) issued on the subject, has prescribed common and simplified norms for processing investor's service request by RTAs and norms for furnishing PAN, KYC (contact details, bank details and specimen signature) and nomination details. As per the said Circulars, it is mandatory for the shareholders holding securities in physical form to, inter alia, furnish PAN, KYC, and nomination details.  
  
Accordingly, the Company had sent an intimation letter to all the shareholders holding shares in physical form at their registered address requesting them to comply with the provisions of the aforesaid SEBI Circulars. The forms for updating the aforesaid details are available on the website of the RTA and the Company and the members are advised to register their details with the RTA or DPs, in compliance with the aforesaid SEBI guidelines for smooth processing of their service requests and trading without any hindrance.
16. Members are requested to ensure that the abovementioned KYC details are updated as and when there is a change in order to receive all important shareholder communications and corporate benefits. Members holding shares in electronic mode may update the KYC details with their respective Depository Participants.
17. As per the provisions of Section 72 of the Act and SEBI Circular, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/ she may submit the same in Form ISR-3 or SH-14 as the case may be. The said forms can be downloaded from the website of the Company's Registrar and Transfer Agents, MUFG Intime India Private Limited (formerly known as Link Intime India Private Limited) at [www.in.mpms.mufig.com](http://www.in.mpms.mufig.com). Members are requested to submit the said details to their depository participant in case the shares are held by them in dematerialized form and to MUFG Intime India Private Limited (formerly known as Link Intime India Private Limited) in case the shares are held in physical form.
18. The Register of Directors and Key Managerial Personnel and their shareholding and the Register of Contracts or Arrangements in which the Directors are interested as maintained under Section 170 and Section 189 of the Act, respectively will be available for inspection by the Members at the AGM in pdf mode.
19. The Register of Members and the Share Transfer Books of the Company will remain closed from Wednesday, 24<sup>th</sup> day of September, 2025 to Tuesday, 30<sup>th</sup> day of September, 2025 (both days inclusive).
20. Members are requested to quote their Folio Number / Demat Account Number and contact details such as email address, contact number and complete address in all correspondence with the Company/Company's Registrar.
21. In case of joint holders attending the AGM, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company, as of the cut-off date, will be entitled to vote at the AGM.
22. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the

Company of any change in address or demise of any member as soon as possible. Members are also advised to not leave their Demat account(s) dormant for long. Periodic statements of holdings should be obtained from the concerned Depository Participant and holdings should be verified from time to time.

23. Investor should register with their depository participant for the SMS alert facility. Both Depositories viz. National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) alert investors through SMS of the debits and credits in their demat account.
24. M/s. MUFG Intime India Private Limited (formerly known as Link Intime India Private Limited), RTA of the Company has launched Investor Self-Service Portal called "SWAYAM" which is a secure, user-friendly web-based application that empowers shareholders to effortlessly access information through a dashboard for all companies, in which they hold shares, which are serviced by MUFG Intime India Private Limited (formerly known as Link Intime India Private Limited). This portal can be accessed at <https://swayam.in.mpms.mufig.com>. This portal enables shareholders to obtain an updated status on their electronic holdings across various companies as also to track dividend and other corporate action details. Shareholders can also raise queries/complaints on the same and track them till resolution. Physical holders can also avail of the portal services for folios which are KYC compliant.
25. The Ministry of Corporate Affairs ("MCA") has taken a "Green Initiative in the Corporate Governance" by allowing paperless compliances by Companies and has issued a circular on April 29, 2011 stating that the service of document by a Company can be made through electronic mode and in compliance with the aforesaid MCA Circulars and SEBI Circular dated May 12, 2020. Notice of the AGM is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with the Company/MUFG Intime India Private Limited (formerly known as Link Intime India Private Limited), the Registrar and Share Transfer Agent in case the shares are held by them in physical form.
26. Members who hold shares in dematerialized form are requested to quote Depository Account Number (Client ID No.) for recording of attendance at the meeting.
27. Members holding shares in dematerialized form are requested to intimate all changes pertaining to their bank details such as bank account number, name of the bank and branch details, MICR code and IFSC code, mandates, nominations, power of attorney, change of address, change of name, e-mail address, contact numbers, etc., to their depository participant (DP). Changes intimated to the DP will then be automatically reflected in the Company's records which will help the Company and the Company's Registrars and Transfer Agents, M/s MUFG Intime India Private Limited (formerly known as Link Intime India Private Limited) to provide efficient and better services. Members holding shares in physical form are requested to intimate such changes to Registrar and Share Transfer Agents of the Company i.e. M/s MUFG Intime India Private Limited (formerly known as Link Intime India Private Limited) in prescribed forms. The Company has sent communication to shareholders in this regard.
28. Members who are holding shares in identical names in more than one folios, are requested to write to the Company/Registrar and Share Transfer Agent, to consolidate their holding in one folio.
29. Shareholders who are still holding physical share certificate are advised to dematerialize their shareholding to avail benefit of dematerialization.
30. Members desirous of obtaining any information concerning on the Annual Report, Financial results or any other matters, are requested to send their queries to the Company Secretary via e-mail at [cs@flexituff.com](mailto:cs@flexituff.com) at least seven working days before the date of the AGM so that the required information can be made available at the meeting.
31. Since the AGM will be held through VC / OAVM, the Route Map is not annexed in this Notice.
32. Relevant documents referred to in the accompanying Notice and in the Explanatory Statement are open for inspection by the Members at the registered office of the Company during the office hours on all working days (except Sundays and Public Holidays) up to the date of this AGM.
33. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

34. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.
35. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. #### **THE INSTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:**

**Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

**Step 2:** Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- (i) The voting period begins on 27<sup>th</sup> September, 2025 at 09.00 A.M. IST and ends on 29<sup>th</sup> September, 2025 at 05.00 P.M. IST. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 23<sup>rd</sup> September, 2025 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No.

**SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

**Step 1:** Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders

holding shares in demat mode.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

**EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013 ("ACT")**

**Item 4: To consider and take on record appointment of M/s. Ritesh Gupta & Co. as the Secretarial Auditor of the Company for term of five consecutive financial year starting from FY 2025-26 till the FY 2029-30**

As per the provisions of Section 204 of the Act and Regulation 24A of the SEBI Listing Regulations, the Company is required to undertake Secretarial Audit by a Secretarial Auditor who shall be a Peer Reviewed Company Secretary and as per recent amendment under Regulation 24A of the SEBI Listing Regulations, approval of members of the company required for such appointment or re-appointment of the Secretarial Auditors.

The Board of Director of the company at its meeting held on 14<sup>th</sup> August, 2025, has recommended the appointment of the **M/s Ritesh Gupta & Co, Peer Reviewed Firm of Company Secretaries in Practice (Unique Identification No: P2025MP106200)**, as Secretarial Auditor of the company for the term of five consecutive years commencing from the financial year 2025-26 till the financial year 2029-30 to undertake the secretarial audit of the company and to issue the secretarial audit report and any other services as may be approved by the board for the aforesaid period.

Mr. Ritesh Gupta, (Proprietor) of **M/s Ritesh Gupta & Co, Company Secretaries in Practice (Unique Identification No: P2025MP106200)** has consented to the said appointment and confirmed that their appointment, if made, would be within the limit specified by the Institute of Companies Secretaries of India. Mr. Ritesh Gupta (Proprietor) of **M/s Ritesh Gupta & Co**, has also confirmed that the firm has not incurred any disqualification and is eligible to be appointed as Secretarial Auditor of the Company in terms of Regulation 24A (1A) of SEBI Listing Regulations, provisions of Section 204 of the Companies Act, 2013 read with rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and SEBI circular no. SEBI/HO/CFD/CFD-PoD-2/CIR/P/2024/185 dated 31<sup>st</sup> December 2024.

Your Directors recommend the Resolution at Item No. 4 for approval by the Members by way of Ordinary Resolution.

None of the Directors or Key Managerial Personnel of the Company or their relatives is, in any way, concerned or interested financially or otherwise in the Ordinary Resolution set out at Item No. 4 of the Notice.

**Item 5: To approve the Material Related Party Transactions between the Company and its Associate Company Flexituff Technology International Limited, and in this regard to consider and if thought fit, to pass the following resolution as an Ordinary Resolution**

Flexituff Technology International Limited ("FTIL") is an Associate Company and qualifies as a "Related Party" under Section 2(76) of the Companies Act, 2013 and Regulation 2(1)(zb) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The Company proposes to enter into Related Party Transactions ("RPTs") with FTIL for an aggregate amount not exceeding ₹150 Crores (Rupees One Hundred and Fifty Crores Only), during the period commencing from the conclusion of the 32<sup>nd</sup> Annual General Meeting (AGM) up to the date of the 33<sup>rd</sup> AGM to be held in the year 2026.

These transactions are proposed to be undertaken in the ordinary course of business and on an arm's length basis, based on commercial considerations such as operational synergies, supply chain efficiencies, and alignment with the Company's strategic objectives. The Audit Committee and the Board of Directors have reviewed and approved the proposed RPTs and are of the opinion that they are in the best interest of the Company.

Regulation 23 of the Listing Regulations mandates prior approval of the shareholders of a listed entity by means of an ordinary resolution for all "material" related party transactions ("RPTs") to which the listed entity or its subsidiary are a party, even if such transactions are in the ordinary course of business and at an arm's length basis. For this purpose, related party transaction shall be considered as material if the transaction(s) to be entered into, either individually or taken together with previous transactions during a financial year, exceed(s) Rs. 1,000 crores, or 10% of the annual consolidated turnover as per the last audited financial statements of the listed entity, whichever is lower. Considering that the material threshold for these transactions are exceeding 10% of the annual consolidated turnover of the Company as on 31<sup>st</sup> March, 2025.

Accordingly, approval of the Members is being sought for entering into material RPTs with FTIL to sale or purchase any goods or services from/to FTIL upto an amount not exceeding Rs. 150,00,00,000/- (Rupees One Hundred and Fifty Crores Only)

None of the Directors, Key Managerial Personnel, or their relatives, except those who may be deemed to be interested in FTIL, are concerned or interested in the resolution.

In addition to the aforesaid details, Minimum information for approval of Related Party Transactions, as per the SEBI Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/93 dated 26<sup>th</sup> June, 2025 read with SEBI Master Circular dated 11<sup>th</sup> November, 2024 may also be noted.

The details of transactions as required under Regulation 23(4) of the Listing Regulations read with SEBI Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/93 dated 26<sup>th</sup> June, 2025 and SEBI Master Circular dated 11<sup>th</sup> November, 2024, are as under:
