DISCLAIMER

Certain statements in this presentation contain forward-looking information about Multi Commodity Exchange of India Limited and its subsidiary companies, including their business operations, strategy and expected financial performance and condition. Forward-looking statements include statements that are predictive in nature, depend upon or refer to future events or conditions, or concern future financial performance (including revenues, earnings or growth rates), possible future plans and action of the company. Forward-looking statements are based on current expectations and understanding about future events.

They are inherently subject to, risks, uncertainties, and assumptions, etc. about the Company, economic factors and the industry in general. The Company's actual performance and events could materially differ from those expressed or implied by forward-looking statements made by the company due to, but not limited to, important factors such as general economic, political and market factors in India and internationally, competition, technological change, and changes in the government regulations.

The material mentioned in this presentation is general background information about the Company's activities current at the date of the presentation. It is information given in summary form and does not purport to be complete, is subject to change without notice and its accuracy is not guaranteed. This presentation (including any information contained herein and any information, whether or not in writing, supplied in connection herewith) is strictly confidential.

- Commenced operations on November 10, 2003
- As proposed in the Union Budget 2015, FMC (the erstwhile regulator of commodity markets) and SEBI were formally merged on September 28th, 2015. As a result, SEBI commenced regulating the commodity derivatives market under Securities Contracts Regulation Act (SCRA) 1956 with effect from 28th September, 2015 and the Forward Contracts Regulation Act (FCRA) 1952 got repealed with effect from 29th September, 2015. The Act also provides that all recognised associations under FCRA shall be deemed to be recognised stock exchanges under the SCRA.
- The Exchange offers:
 - online trading, and clearing and settlement of commodity futures transactions
 - a platform for price discovery and price risk management
 - neutral, secure and transparent trade mechanisms
 - scalable technology framework

* - MCXCCL has not commenced operations,. Its current paid-up capital is Rs. 6 crore.

^ - Shareholder approved voluntary winding up of the SME by passing a special resolution on March 18, 2015. Official liquidator has been appointed, and the process of liquidation is underway. Its paid-up capital is Rs.10 Lakhs.

- Holding under different schemes

KEY MILESTONES

* - Source: Derived from Futures Industry Association's Annual Volume Survey, March 2013

- The growth of the overall economy in India is expected to drive the underlying demand for commodities. The increase in physical market volumes may increase the hedging requirements of industry players, which influences derivative trading volumes.
- Commodity derivative volumes are generally a multiple of the underlying physical commodity volumes. In India, the volumes traded on commodity futures exchanges is very low as compared to the size of the physical market for the commodity. Thus, the potential for commodity derivatives is huge.

Commodity	Futures Multiplier Year 2014 (Global Benchmark Exchanges)	Futures Multiplier During Year 2014 (MCX)
Gold	59.0	5.0
Silver	148.0	34.0
Copper	90.0	13.0
CPO	12.0	1.0
Cotton	44.0	0.7
<i>Futures Multiplier refers to number of times future market's volume is in comparison with the physical market size.</i>		

- Better market integrity as SEBI has power to raid, search, impose penal fines and take criminal action
- ‘Dabba’ Trade which according to AC Nielsen report was 3 times of the regulated commodity markets in 2013 (pre CTT) could get curbed
- Products like indices, options, weather derivatives and intangibles may be launched in future
- Institutions like FIIs, Banks, Mutual Funds may be allowed to enter commodity futures market going forward
- Enables commodity exchanges to launch complementary products such as currency derivatives
- Expected decrease in cost of compliance
- Fungibility of client margins

- Dealing with delivery-based commodities & quality issues
- Delivery and settlement processes among the commodity & stock exchanges differ significantly
- Escalating competition : The merger also allows equity exchanges to launch commodities
- Curbs on algorithmic trading : SEBI is mooting restrictions on algorithmic trading in order to curb market manipulation
- Registration and transaction cost: SEBI to charge a registration and turnover fee to commodity brokers and bring transaction cost charged by commodity brokers at par with equity markets.
- Regulation of Warehouses: Regulatory & Infrastructure related issues
- Regulation of Spot and Forward Trading
- The central government imposed a CTT of 0.01% on non-agricultural commodity futures transactions, which has
 - increased hedging cost
 - reduced liquidity

As a result of the high impact cost, many large corporates are hedging more than 90% of their needs on international exchanges; jobbers and day traders have stopped trading on these exchanges; trading on illegal platforms has increased manifold

1. Risk Management Norms

- Redefined the applicable margin & Mode of Calculations
 - Extreme Loss Margins (ELM) has been introduced
- Defined Eligible collaterals & Liquid Assets
 - Prescribed minimum haircuts
 - Segment wise capping
 - Minimum cash or equivalent has been fixed at 50 per cent of liquid assets
- Risk Reduction Mode (RRM) has been introduced when member utilises 90 per cent of margin

2. Membership Norms

- Traders and business houses can also register as members of commodity exchanges
- The networth requirement of Rs 1 crore & 50 Lacs as Deposit
- Annual regulatory charge of Rs. 50,000 and one-time registration fee of Rs. 25,000

- Conducting awareness, capacity building and stakeholder programmes

Category	H1 - FY2015-2016	FY2014-2015	FY2013-2014
Hedgers/ Industrial Associations / Farmers	71	116	106
Retail Investors	138	249	84
Total	209	365	190

- Educational programmes for broad basing the commodity market ecosystem
- Releasing “Dos and Don’ts” advertisements to enlighten market participants on the merits of trading on regulated commodity futures exchanges
- Releasing “Benefits of Hedging in India” advertisements across various reputed publications to educate the physical markets on the importance of using MCX for commodity price risk management
- Engaging with print and electronic media, coupled with evidence-based policy advocacy to create awareness and sensitise policymakers on various issues affecting the market
- Empowering market participants with relevant information through monthly newsletter (MCX CommNews) and commodity market review (Commodity Connect)
- MoU with IamSMEofIndia and Banasthali University, Rajasthan to promote skill development, knowledge, research and financial literacy in the commodity space through various educational initiatives

GROWTH OF INDIAN COMMODITIES MARKET IN TERMS OF VALUE OF FUTURES TRADED (INR TN)

MCX: MARKET SHARE IN KEY SEGMENTS FOR H1 FY15-16

OPERATIONAL HIGHLIGHTS

- Average daily turnover (ADT) in Q2 FY2016: INR 22,462.00 crore; Market Share of 84.13%*
(Corresponding Quarter Q2 FY2015 ADT INR. 19,248.46 crore; Market Share of 82.06%*)
- Average daily turnover (ADT) in H1 FY2016: INR 21,849.00 crore; Market Share of 82.44%*
(Corresponding H1 FY2015 ADT INR. 18,968.27 crore; Market Share of 81.55%*)
- No. of traded contracts in H1 FY 2016 went up to 108 million from 60 million year-on-year
- Extensive reach: 1731 members having 49,553 Authorised Persons, 4,75,519 terminals (including CTCL), over 1811 cities/towns across India
- Trading hours (IST): 10:00 hours to 23.30 hours/ 23.55 hours Day light timing (winter)

AVERAGE DAILY VOLUME - single side (INR Crore)

VOLUME OF CONTRACTS (Lots in MN)

- Well designed platform that ensures security, reliability flexibility and functionality
- Scalable architecture
 - Capable of handling increase in volumes with the introduction of new instruments like options and indices and participation of Financial Institutions post the FMC-SEBI merger
- Handling capacity of 40 million transactions (orders and trades put together) in a day, which is well above the current requirement (Highest capacity handled by the platform so far in a day is 20 million orders and 3.6 million trades)
- Accessible through trader work stations or computer-to-computer link using multiple media of connectivity including:
 - Nationwide Private Network with Point of Presence
 - VSATs, VPN, leased lines and internet
- Real-time data replication to Disaster Recovery (DR) site at New Delhi
 - Upgrading DR site to conduct smooth trading from the site if warranted
- Implementing near on-line site

- Intrusion detection and prevention system
- 15 approved clearing banks and 26 exchange-designated warehouses help manage the daily mark-to-market settlement at the in-house clearing house, and support physical delivery
- Online real-time risk monitoring system and mechanisms track members' financial strength, margin utilisation and mark-to-market losses against deposits made by them to MCX
- Preponing the pay-in time to 9:30 AM from 11:00 AM thereby mitigating the risk of the time gap of the opening of trading session and the pay-in time
- System automatically generates alerts and takes pre-decided actions
- Adequacy of Settlement Guarantee Fund and Investor (Client) Protection Fund is monitored regularly based on FMC guidelines
 - SGF corpus as on September 30, 2015 was Rs. 269.97 crore ((Provisional) cash component of Rs. 192.06 crore and non cash component of Rs. 77.91 crore)
 - IPF corpus of about Rs. 90.07 crore (Provisional) as on September 30, 2015

EXPERIENCED BOARD OF DIRECTORS

SATYANANDA MISHRA, IAS (Retd.)

Chairman, Independent Director, FMC Approved

- Former Information Commissioner, Govt of India
- Handled various assignments in different capacities, Govt of India viz. Secretary, Department of Personnel & Training, Establishment Officer, Principal Secretary, Public Works Department, etc.

DINESH KUMAR MEHROTRA

Independent Director, FMC Nominated

- Former Chairman, Life Insurance Corporation
- Former Convener & Member Secretary of Expert Group Committee formed by the Ministry of Finance, Government of India

G. ANANTHARAMAN, IRS (Retd.)

Independent Director, FMC Approved

- Presently, Special Advisor to the Chairman, Tata Realty & Infrastructure Limited
- Former Chief Commissioner of Income Tax, Mumbai
- Former whole time member of SEBI

- CA with over 24 years of experience primarily in finance, strategy, general management, etc. with organisations such as ICICI Securities, BSE Ltd.

NARENDRA KUMAR AHLAWAT

Senior VP, Market Operations & CCO (Regulatory)

- Ex-CTO - MCX-SX
- Over 27 years of experience in market operations; Development & Technology

RAJENDRA GOGATE

VP, HR & Administration

- Ex-General Manager(Facilities) - TATA Teleservices & Dy. GM - Essar
- Over 32 years of experience in the field of General Administration, Facilities Management.

Launched mini contracts in India

- First Exchange in India to launch mini contracts to cater to needs of small traders and SMEs

Initiated Evening Trading Sessions

- First Exchange in India to initiate evening sessions to synchronise with trading hours of major international markets

Information Dissemination Services

- Provides real-time data-feed on trading prices, trading volume and other information on the commodity futures contracts traded on MCX and on the spot market to financial information service agencies
- Offers training and certification programmes to educate existing and potential market participants about the industry
- Installs tickers for market data dissemination at local *mandis* to enable tracking price of traded commodity futures

Clearing House Services

- Set up MCX CCL, a 100% subsidiary, to act as a separate clearing house and undertake clearing and settlement of trades and provision of counterparty risk guarantee on MCX. As on date, MCX CCL has not commenced operations. Currently, clearing and settlement is done in-house

Developed Real-time Commodity Indices*

- First Commodity Exchange in India to develop real-time commodity futures index: MCXCOMDEX
- Other indices developed:
 - MCXAgri (Agricultural Commodities Index)
 - MCXEnergy (Energy Commodities Index)
 - MCXMetal (Metal Commodities Index)
 - RAINDEXTM - For Mumbai (RAINDEXTMUM), Indore (RAINDEXTMIDR), and Jaipur (RAINDEXTMJAI)

* Currently, Indian commodity derivative exchanges are not allowed to offer Commodity Indices for trading.

GLOBAL ALLIANCES*

**All logos used here are trademarks of respective companies | As on 30 September 2015*

- Facilitate sharing of information across regional global exchanges
- Allow penetration of new markets and increase market presence
- Enhance product offerings

INDIAN ALLIANCES

- Tie-ups with Indian trade bodies and associations, corporate, educational institutions and R&D centres enable it to engage the stakeholders, improve trade practices, create awareness and facilitate overall improvement of the Indian commodity futures market

Notes:

1 These standalone unaudited financial results have been reviewed by the Audit Committee and approved by the Board of Directors of the Company at their meetings held on October 28, 2015.

2 The Statutory Auditors' have carried out a limited review of the standalone results for the quarter and half year ended September 30, 2015.

3 The Company, along with Financial Technologies (India) Limited (FTIL), an erstwhile anchor investor/promoter of the Company, held equity shares and warrants in Metropolitan Stock Exchange of India Limited (MSEI), (formerly MCX-Stock Exchange). As per the applicable SEBI regulations, MSEI was required to adjust its shareholding pattern so as to bring it within the limits prescribed by the SEBI regulations within the time prescribed, i.e. June 19, 2015. Towards this end, the Company made serious efforts to dispose of the warrants. However, these efforts were significantly hampered by several factors that reduced the marketability of MSEI's warrants, such as consistently reducing market share and net worth which reduced the value and demand for MSEI's shares and warrants. This made it difficult to dispose off the warrants. Since these factors were outside the Company's control, the Company approached SEBI seeking an extension of time to dispose off the warrants. Also, in view of the merger of the SEBI and the FMC, the Company also requested SEBI to consider treating the Company on par with recognized Stock Exchanges so that the Company could hold upto 15% shareholding / warrants in MSEI SEBI, however, did not grant the Company's request. Despite these factors, the Company continued to make vigorous efforts to dispose off the warrants. The Company's efforts, however, were thwarted by MSEI, who announced a rights issue of equity shares on May 29, 2015 at par i.e. at ₹1 per share. Since the rights issue remained open until July 9, 2015, it was virtually impossible to dispose off all the warrants before June 19, 2015. Apprehending that MSEI would cancel the warrants and misappropriate the deposit placed by the Company with MSEI against the warrants, the Company filed a Suit against MSEI before the Hon'ble Bombay High Court seeking an injunction against cancellation of the warrants and appropriation of the deposit. The Company also sought refund of the amount of ₹4,159.18 lakhs, being the amount of deposit presently held by MSEI against the warrants. Vide its interim orders dated July 9, 2015 and July 10, 2015, the Hon'ble High Court restrained MSEI from cancelling and / or extinguishing the warrants or any rights relating thereto, and from dealing in any manner with the remaining deposit of ₹4,159.18 lakhs till further orders. The Hon'ble Court also restrained MSEI from taking any steps in pursuance of any board resolution that MSEI may have passed for cancellation of the warrants. By a further order dated August 3, 2015, the Hon'ble Court has recorded MSEI's statement that MSEI would deposit a sum of ₹2,000 lakhs in Court within a period of four weeks, on a without prejudice basis, to establish its bona fides. The matter was finally heard on October 8, 2015 and the order pronounced on October 13, 2015. The Hon'ble Court, inter alia, has held that although the Company may have been deprived of its rights to trade the warrants for shares or trade the warrants for consideration after June 19, 2015 this does not mean that the extinguishment of the warrants would entail appropriation of the deposit. The Hon'ble Court has also held that the money admittedly belongs to the Company and there is no provision in law or in contract whereby MSEI could appropriate the money towards its own capital reserves. In view of the above, the Hon'ble Court has concluded that it would not be desirable to allow MSEI to retain the deposit pending trial of the Suit. Accordingly, the Hon'ble Court has made the Company's Notice of Motion absolute and directed MSEI to deposit an additional sum of ₹21,59,17,672/- to the credit of the suit account, within a period of eight weeks from the date of the Order. Thus, the total amount deposited by MSEI would be equal to ₹41.59 crore. This amount is to be invested in a fixed deposit with a nationalized bank pending hearing of the Suit. In view of the above Court Orders, the Company has valued the warrants at its face value of ₹1 each and brought down the carrying cost by ₹4,258.89 lakhs. As the Company was only able to sell 148,277,938 warrants to various parties/entities at bids below its carrying cost, a loss of ₹1,348.31 lakhs was incurred on the sale of these warrants. Further, based on the market price determined on a weighted average basis for the sale of warrants by MCX, the equity shares have been brought to the lower of cost and this aforesaid market value. This is as per the Company's Accounting Policy on current investments and accordingly a provision of ₹333.00 lakhs has been made. The aggregate loss, diminution and provision of ₹5,940.20 lakhs on account of the investments in MSEI are exceptional in nature and were accordingly disclosed in the financial results for the quarter ended June 30, 2015. As on September 30, 2015, the Company held 6,65,99,408 equity shares of MSEI (valued at ₹736.80 lakhs at the rate of ₹1.11 per share) and 41,59,17,672 warrants of MSEI (valued at ₹4,159.18 lakhs) and 65,00,000 equity shares of Metropolitan Clearing Corporation of India Limited (Formerly known as MCX-SX Clearing Corporation Limited (valued at ₹650.00 lakhs).

4 In accordance with the FMC circular of March 14, 2014, the Company has conducted stress test for the quarter under review, to determine adequacy of the Settlement Guarantee Fund (SGF). The SGF being adequate, no fresh contributions from the profits have been made during the quarter under review.

5 The Company's business activity falls within a single segment viz. 'Commodity Exchange'.

6 Previous period's/year's figures have been regrouped / reclassified wherever necessary, to conform to current period / year presentation.
