- x) On the voting page, you will see Resolution Description and against the same the option 'FOR/ AGAINST/ABSTAIN' for voting. Enter the number of shares (which represents number of votes) under 'FOR/AGAINST/ABSTAIN' or alternatively you may partially enter any number in 'FOR' and partially in 'AGAINST', but the total number in 'FOR/AGAINST' taken together should not exceed your total shareholding. If the shareholder does not want to cast, select 'ABSTAIN'.
- xi) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- xii) Once you 'CONFIRM' your vote on the resolution, you will not be allowed to modify your vote.
- xiii) Corporate/Institutional Members (corporate / Fls/Flls/Trust/ Mutual Funds/Banks, etc) are required to send scan (PDF format) of the relevant Board resolution to the Scrutinizer through e-mail to mkoyalkar@gmail.com with copy to evoting@karvy.com. The file/scanned image of the Board Resolution should be in the naming format "Corporate Name_ Event no."
- xiv) The Members attending the meeting should note that those who are entitled to vote but have not exercised their right to vote through e-voting, may vote at the AGM through physical ballot for all the business specified in the accompanying Notice. The Members who have exercised their right to vote by e-voting may attend the AGM but shall not vote at the AGM. If a member casts vote by both modes, then voting done through e-voting shall prevail and the Ballot form shall be treated as invalid.
- xv) The Scrutinizer shall within a period not exceeding three working days from the conclusion of the e-voting period unblock the votes in the presence of at least two witnesses not in the employment of the Company and make a Scrutinizer's Report of the votes cast in favour or against, if any, forthwith to the Chairman of the Company.
- xvi) The results shall be declared on or after the AGM of the Company. The results along with the Scrutinizer's Report shall be placed on the Company's website www.ramkyinfrastructure.com.

EXPLANATORY STATEMENT

[Pursuant to Section 102 of the Companies Act, 2013]

Item No 4

Members may note that for the purposes of preparation of the Scheme for the Strategic Debt Restructuring [SDR], at the time of initial restructuring, the joint lender forum must have incorporated terms and conditions attached to the agreement for restructure of loan agreed by the Company, a clause providing an option to convert the entire loan including unpaid interest or part thereof into shares in the Company in the event the Company is not able to achieve the viability milestone and adhere to critical conditions as stipulated in the restructuring package. Since the said clause was not forming part of the earlier SDR scheme approved by the Board of Directors at its earlier meeting held on 13 February 2016, the Joint lender forum has sent the revised Master Restructuring Agreement containing the SDR Scheme for the approval of the Board of Directors and the Shareholders of the Company, by way of a Special Resolution, which will then be placed for the approval of the Lenders.

In this connection, the Board of Directors have at its meeting held on 30th May, 2016, had approved the amendment to the Original Master Restructure Agreement by way of an inclusion of the clause enabling option to convert the outstanding principle including interest or part thereof into shares in the Company in the event the Company is not able to achieve the viability milestones or adhere to the critical conditions as stipulated.

Approval of shareholders is also required for incorporating the said amendment in the Original Master Restructure Agreement and for this purpose, approval of the Shareholders by way of Special Resolution is required to be passed.

The Directors commend the resolution(s) set out at item No. 4 for your approval as Special Resolution(s).

None of the Directors, Manager, Key Managerial Personnel, and their relatives, of the Company is interested or concerned in the said resolution except to the extent of their respective shareholding in the Company.

Item No 5:

The Board of Directors of the Company on the recommendation of the

Audit Committee approved the appointment and remuneration of Mr. R Srinivasa Rao, (Membership Number: 6329, Practising Cost Accountant, to conduct the audit of the cost records of the Company for the financial year ended March 31, 2017. In terms of the provisions of Section 148(3) of the Companies Act, 2013 read with Rule 14(a) (ii) of The Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditor is to be ratified by the Members of the Company. Accordingly, the Members are requested to ratify the remuneration payable to the Cost Auditor for the financial year 2016-17 and that of the previous year as set out in the Resolution for the aforesaid services to be rendered by them.

The Board of Directors recommends the Ordinary Resolution set out at Item No. 7 of the Notice for approval by the Members.

The Board commends the resolution for the approval of the members of the Company.

None of the Directors, Key Managerial Personnel of the Company and their respective relatives, are in any way concerned or interested financially or otherwise, in the said Resolution

FORM NO. MR-3
SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED March 31, 2016

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members
Ramky Infrastructure Limited
Ramky Grandiose, 15th Floor
Sy No 136/2 & 4, Gachibowli
Hyderabad, Telangana-500032

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. RAMKY INFRASTRUCTURE LIMITED, (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has during the audit period covering the financial year ended on March 31, 2016, ("Audit Period") complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2016 according to the provisions of:

- (i) The Companies Act, 2013 (the "Act") and the rules made there under and other applicable provisions of the Companies Act, 1956 which are still in force;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed under that Act;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under
(Not applicable during the year under review)
- (v) Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- (vi) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
- (vii) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulation, 2009;
(Not applicable during the year under review)
- (viii) The Securities and Exchange Board of India (Share Based Employee Benefits Regulations), 2014
(Not applicable during the year under review)
- (ix) Other laws applicable to the Company as per the representations made by the Management.

I have also examined compliance with the applicable clauses of the following:

- Secretarial Standard-1 and Secretarial Standard-2, with respect to Board and General Meetings respectively, issued by The Institute of Company Secretaries of India and
- SEBI (Listing Obligations and Disclosure Requirements), 2015

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that:

1. *As on March, 2016, undisputed statutory dues with respect to Employee Provident Fund, Employee State Insurance and Employee Gratuity have not been regularly deposited with the appropriate authorities and there have been delays in number of cases, which was advised to the management to get regularized.*

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors.

The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all Directors to schedule the Board Meetings, Agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decisions are carried out unanimously and are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

Green Initiative for Paperless Communications

The Ministry of Corporate Affairs ("MCA") has taken a "Green Initiative in Corporate Governance" by allowing paperless compliances by Companies through electronic mode. In accordance with the recent circular bearing no.17/2011 and 18/2011 dated April 21, 2011 and April 29, 2011 issued by the Ministry of Corporate Affairs, Companies can now send various notices/documents to their shareholders through electronic mode to the registered e-mail addresses of the shareholders. This is a golden opportunity for every shareholder of the Company to contribute to the Corporate Social Responsibility initiative of the Company.

This move by the Ministry is a welcome move, since it will benefit the society at large through reduction in paper consumption and contribution towards a greener environment. Additionally, it will avoid loss in postal transit, save time, energy and costs.

Pursuant to the said circular, the company has forwarded e-mail communication on June 13, 2011 to all share holders whose email id were registered in the Depository records that the company intends to use the said e-mail id to send various Notices/ Correspondences etc .

By Understanding the underlying theme of the above circulars, to support this green initiative of the Government in full measure, the company is sending the documents like notice convening general meetings, financial statements, directors reports, auditor's report etc to the email address registered with the depositories by the share holders holding shares in electronic form and for shareholders holding shares in physical form, the physical copy to the address registered with the Registrar and Share transfer Agents of the Company.

In this regard, we request shareholders who have not registered their email addresses, so far to register their email addresses, in respect of electronic holding with depository through their concerned depository participants and Members who hold shares in physical form are requested to send the required details to the Registrar and Share Transfer Agent, M/s. Karvy Computershare Private Limited at Karvy Selenium, Tower B, Plot No 31 & 32, Gachibowli Financial District, Nanakramguda, Hyderabad - 500032.

Management Discussion and Analysis Report

INFRASTRUCTURE INDUSTRY - AN OVERVIEW & OUTLOOK

Infrastructure sector is a key driver for the Indian economy. The sector is highly responsible for propelling India's overall development and enjoys intense focus from Government for initiating policies that would ensure time-bound creation of world class infrastructure in the country. Mr Nitin Gadkari, Minister of Road Transport and Highways, and Shipping, has announced the government's target of Rs 25 trillion (US\$ 376.53 billion) investment in infrastructure over a period of three years, which will include Rs 8 trillion (US\$ 120.49 billion) for developing 27 industrial clusters and an additional Rs 5 trillion (US\$ 75.30 billion) for road, railway and port connectivity projects.

Infrastructure sector includes power, bridges, dams, roads and urban infrastructure development.

Investments

India is witnessing significant interest from international investors in the infrastructure space.

Many Spanish companies are keen on collaborating with India on infrastructure, high speed trains, renewable energy and developing smart cities.

The Government of India has unveiled plans to invest US\$ 137 billion in its rail network over the next five years, heralding Prime Minister Narendra Modi's aggressive approach to building infrastructure needed to unlock faster economic growth.

The Government of India has announced highway projects worth US\$ 93 billion, which include government flagship National Highways Building Project (NHDP) with total investment of US\$ 45 billion over next three years.

Government Initiatives

The Government of India is taking every possible initiative to boost the infrastructure sector.

Some of the steps taken in the recent past are being discussed hereafter.

- " The Reserve Bank of India (RBI) has allowed companies in the infrastructure sector to raise External Commercial Borrowings (ECB) with a minimum maturity of five years and with an individual limit of US\$ 750 million for borrowing under the automatic route.
- " The Securities and Exchange Board of India (SEBI) has allowed Foreign Portfolio Investors (FPI) to invest in units of real estate investment trusts (REITs), infrastructure investment trusts (InvITs), category III alternative investment funds (AIFs), and also permitted them to acquire corporate bonds under default.
- " The Government of Japan, through Japan International Cooperation Agency (JICA), has committed to provide a soft loan of JPY 19,064 billion (US\$ 161.2 million) to Government of India at an interest rate of 0.3 per cent per annum for the project of pollution abatement of Mula-Mutha river in Pune, Maharashtra under the National River Conservation Plan.
- " Government of India plans to use the new hybrid-annuity model for allocating contracts under the Public Private Partnership (PPP) projects in highways, Namami Gange and Railway Projects, which will help overcome the challenges faced by private developers in the Build-Operate-Transfer (BOT) Toll and BOT-Annuity models.
- " Budgetary allocation for Roads and Railways in the Union Budget 2016 has been increased to Rs 218,000 crore (US\$ 31.98 billion) with an aim to boost the private investment cycle.
- " The Ministry of Road Transport and Highways plans to build five more greenfield expressways across the country, which are expected to reduce travel time and propel economic growth.

- " The Union Ministry of Urban Development has approved an investment of Rs 495 crore (US\$ 72 million) under the Atal Mission for Rejuvenation and Urban Transformation (AMRUT) for FY 2015-16 which will be used for water supply, sewerage networks and septage management, storm water drains, urban transport and provision of green spaces in 13 cities spread over six states.
- " Prime Minister of India Mr Narendra Modi indicated that the government has rolled out stuck projects worth Rs 4 lakh crore (US\$ 58.69 billion) in the past six months (ending November 2015), while stating that infrastructure development is the government's top priority in order to improve economic growth.
- " The Union Cabinet has approved several reforms such as allowing National Highways Authority of India (NHAI) to extend the concession period for current incomplete projects in build-operate-transfer (BOT) mode.
- " Government of India plans to launch the National Infrastructure Investment Fund (NIIF) with an initial corpus of at least Rs 40,000 crore (US\$ 5.87 billion).
- " The Ministry of Urban Development has approved an investment of Rs 19,170 crore (US\$ 2.81 billion) for improving basic urban infrastructure in 474 cities in 18 states and Union Territories (UTs) under Atal Mission for Urban Rejuvenation and Transformation (AMRUT) for 2015-16.
- " Department of Industrial Policy and Promotion (DIPP) has set up an online monitoring system for on-going projects under the Industrial Infrastructure Up gradation Scheme (IIUS).
- " The Ministry of Urban Development has decided to allow the use of construction & demolition waste up to 20 per cent in construction of load bearing items and up to 100 per cent for non-load bearing purposes. This provision is expected to significantly help in reuse of such waste, in line with ongoing efforts under Swachh Bharat Mission (SBM).
- " The central government has approved amendments to 'The National Waterways Bill, 2015' which will provide for enacting a central legislation to declare 106 additional inland waterways, as the national waterways.
- " The Government of India plans to award 100 highway projects under the public-private partnership (PPP) mode in 2016, with expectations that recent amendments in regulations would revive investor sentiments in PPP projects in the infrastructure sector.
- " The Reserve Bank of India (RBI) has notified 100 per cent foreign direct investment (FDI) under automatic route in the construction development sector. The new limit came into effect in December 2014.
- " The Government of India has relaxed rules for FDI in the construction sector by reducing minimum built-up area as well as capital requirement. It has also liberalised the exit norms. In fact, the Cabinet has also approved the proposal to amend the FDI policy.
- " In the Budget 2015-16, the capital outlays for roads, and railways have been increased by Rs 140.3 billion (US\$ 2.05 billion) and Rs 100.5 billion (US\$ 1.47 billion) respectively.
- " Mr Nitin Gadkari, Union Minister of Road Transport & Highways and Shipping, has launched various online platforms such as ePACE (project appraisals portal), INFRACON (portal for infrastructure consultancy firms and personnel) and INAM PRO (web-based application for infrastructure and material providers), while also inviting stakeholders in the infrastructure sector to consciously use global best practices in road construction sector.
- " The Securities and Exchange Board of India (SEBI) has announced

norms for public issue of units of infrastructure investment trusts (InvITs) in order to facilitate infrastructure developers raise capital from public investors.

RISKS AND CONCERNS:

Risk is a multi-facet concept. In the context of construction industry, it could be the likelihood of the occurrence of a definite event/factor or combination of events/factors which occur during the whole process of construction to the detriment of the project a lack of predictability about structure outcome or consequences in a decision or planning situation, the uncertainty associated with estimates of outcomes - there is a chance that results could be better than expected as well as worse than expected etc. In addition to the different definitions of risk, there are various ways for categorizing risk for different purposes too. Some categorize risks in construction projects broadly into external risks and internal risks while others classify risk in more detailed categories of political risk, financial risk, market risk, intellectual property risk, social risk, safety risk, etc. The typology of the risks seems to depend mainly upon whether the project is local (domestic) or international. The internal risks are relevant to all projects irrespec-

tive of whether they are local or international. International projects tend to be subjected to the external risk such as unawareness of the social conditions, economic and political scenarios, unknown and new procedural formalities, regulatory framework and governing authority, etc. Risk is inherent and difficult to deal with, and this requires a proper management framework both of theoretical and practical meanings. Significant improvement to construction project management performance may be achieved from adopting the process of risk assessment. The types of exposure to risk that an organization is faced with are wide-ranging and vary from one organization to another. These exposures could be the risk of business failure, the risk of project financial losses, the occurrences of major construction accidents, default of business associates and dispute and organization risks. It is desirable to understand and identify the risks as early as possible, so that suitable strategy can be implemented to retain particular risks or to transfer them to minimize any likely negative aspect they may have. The risk management process begins with the initial identification of the relevant and potential risks associated with the construction project. It is of considerable importance since the process of risk analysis and response management may only be performed on identified potential risks. Risk analysis and evaluation is the intermediate process between risk identification and management. It incorporates uncertainty in a quantitative and qualitative manner to evaluate the potential impact of risk. The evaluation should generally concentrate on risks with high probabilities, high financial consequences or combinations thereof which yield a substantial financial impact.

Once the risks of a project have been identified and analyzed, an appropriate method of treating risk must be adopted. Within a framework of risk management, contractors also should decide how to handle or treat each risk and formulate suitable risk treatment strategies or mitigation measures. These mitigation measures are generally based on the nature and potential consequences of the risk. The main objective is to remove as much as possible the potential impact and to increase the level of control of risk. More the control of one mitigation measure on one risk, the more effective the measure of risk the process of risk management does not aim to remove completely all risks from a project. Its objective is to develop an organized framework to assist decision makers to manage the risks, especially the critical ones, effectively and efficiently.

Risks can be viewed as business, technical, or operational. A technical risk is the inability to build the product that will satisfy requirements. An operational risk is the inability of the customer to work with core team members. Risks are either acceptable or unacceptable. An acceptable risk is one that negatively affects a task on the non-critical path. An unacceptable risk is one that negatively affects the critical path. Risks are either short or long term. A short-term risk has an immediate impact, such as changing the requirements for a deliverable. A long-term risk has an impact sometime in the distant future, such as releasing a product without adequate testing. Risks are viewed as either manageable or unmanageable. A manageable risk is one you can live with, such as a minor requirement change. An unmanageable risk is impossible to accommodate, such as a huge turnover of core team members. Risk factors for this study are classified into eight categories namely.

- Construction Risk
- Design Risk
- Environmental Risk
- Financial Risk
- Management Risk
- Political Risk
- Procurement Risk
- Sub-Contractors Risk
- Technology Risk.

Construction Risk:

- Disputes between labours
- Changing sequences in construction activity
- Non availability of resources
- Revision of design
- Availability of camp for labours
- Change in quantities of work
- In Time work permissions for executing work

- Safety of workers
- Stoppage of work due to Medical outbreak

Design Risk:

- Late changes of design from client side
- Will the level of details of design delivered by the owner affect over all construction time?
- Improper specifications
- Inadequate and incomplete design

Environmental Risk:

- Impact of weather condition on completion of project
- Pollution by construction waste
- Procedure to facilitate construction waste clean-up or disposal

Financial Risk:

- Delay from clients
- Increment for staff benefits
- Unprecedented price in raw materials
- Fluctuations in Estimated finance than expected

Management Risk:

- Documents and process directed as per agreement for mitigation of risk
- Project team discussions on risk
- Use of WBS and project milestones to help identify project risks
- Time for planning
- Loosing of critical staff at crucial point of construction
- Documented process for identifying project risks

Political Risk:

- Pressure from any political party
- Local bodies (political/rowdies) compelling to use their resources
- Union Issue

Procurement Risk:

- Temporary demand of increase in price of materials
- Specialized labour for fixation/Installation
- Is there a chance of procurement team to know the sales chart of client?

Sub-Contractors Risk

- Chances of sub-contractor walk out
- Delay in work execution of sub-contractor
- Revision of price

Technology Risk

- Knowledge on equipment's
- Service for damaged equipment's
- Loss of data or software/hardware of computer

The construction companies need to include risk as an integral part of their project management. Decision making such as risk assessment in construction projects is very important in the construction management. The identification and assessment of project risk are the critical procedures for projecting success.

INTERNAL CONTROL SYSTEMS

The Company has an internal control system, which provides protection to all its assets against loss from unauthorised use and for correct reporting of transactions. The internal control systems are further supplemented by internal audit carried out by an independent firm of Chartered Accountants and periodical review by the management. The company has put in place Proper controls, which are reviewed at regular intervals to ensure that transactions are properly authorized & correctly reported and assets are safeguarded. The Audit Committee of the Board addresses issues raised by both the Internal and Statutory Auditors. The internal control systems are implemented to safeguard the Company's assets from loss or damage. To keep constant check on cost structure and to provide adequate financial and accounting controls and implement accounting standards

HUMAN RESOURCES DEVELOPMENT:

Human Resource Department has been partnering with the business in portraying the image of the organization. Revisiting HR basics and team building is the need of the day. Restructuring of the team and its modus operandi

Despite economic turmoil and uncertain Industrial Scenario, refurbished HR Strategies adopted by our organization created buzz in the industry and well

received by our employees. We have put faith in our resources and they are reciprocating with the same zeal through enhanced productivity.

All resources effectively adopted Job enlargement and enrichment, making it a lean and swift organization. We take pride in saying Ramky Infrastructure Limited is an Equal Opportunity Employer.

The Company continues to invest in talent development through a well-established academic interface programme, providing internships, inducting leadership pipeline through campus recruitments, in-house classroom-based training and OJTs.

Workforce well-being remained a priority and we continues to invest in various initiatives starting from comprehensive health insurance for its employees, life insurance and other standard associated welfare activities in the industry.

HR compliance is approached from both reactive and proactive standpoints. HR continues to track the changes in employment and labour laws in the country for statutory compliance. Reactive compliance efforts focus on preventing, limiting or mitigating the risks and liabilities. Proactive compliance initiatives are considering measures such as changes in policies and procedures as well as changes in the legal environment for mitigating future risks, and enhancing the compliance awareness of our leaders.

To inculcate the spirit of camaraderie, various events were conducted regularly where in employees & their families had an opportunity to understand the finer aspects of competition, recognitions and teamwork.

Open house meetings, skip level meetings and group interactions, enhanced the alignment in the Company, accelerating the thrust and drive to reach farther than others.

FORWARD LOOKING STATEMENTS

This communication contains statements that constitute 'forward looking statements' including, without limitation, statements relating to the implementation of strategic initiatives and other statements relating to our future business developments and economic performance.

While these forward looking statements represent the management's judgments and future expectations concerning the development of our business, a number of risks, uncertainties and other important factors could cause actual developments and results to differ materially from our expectations.

These factors include, but are not limited to general market, macro-economic, governmental and regulatory trends, movements in currency exchange and interest rates, competitive pressures, technological developments, changes in the financial conditions of third parties dealing with us, legislative developments and other key factors that could adversely affect our business and financial performance.

Ramky Infra undertakes no obligation to publicly revise any forward looking statements to reflect future events or circumstances.

Independent Auditors' Report

The Members of
RAMKY INFRASTRUCTURE LIMITED

We have audited the accompanying Standalone financial statements of **RAMKY INFRASTRUCTURE LIMITED** ("the Company") which comprise the Balance Sheet as at March 31, 2016, the Statement of Profit and Loss, Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information for the year then ended.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these Standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone financial statements.

Basis for Qualified Opinion

We refer to Note 31 of the standalone financial statements with regard to recognition of deferred tax assets on unabsorbed depreciation, business losses and other timing differences, amounting to ₹ 396.02 Crore incurred by the Company. Based on unexecuted orders on hand, the Management is confident that sufficient future taxable income will be available against which such deferred tax assets will be realized. However, in our opinion, in absence of virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which the deferred tax assets can be realized, such recognition is not consistent with the principles enunciated under Accounting Standard 22, "Accounting for Taxes on Income" (AS 22). Had the aforesaid deferred tax assets not been recognised, profit after tax for the period ended would have been lower by ₹ 396.02 Crore.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the basis for qualified opinion paragraph above, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its Profit and its Cash Flows for the year ended on that date.

Emphasis of Matters

Attention is invited to

- a. Note 32 to the standalone financial statements in respect of existence of material uncertainties over the realisability of certain construction work in progress, trade receivables and loans and advances aggregating to ₹ 508.49 Crore, which are subject matters of arbitration proceedings/negotiations with the customers and contractors due to foreclosure of contracts and other disputes. The management of the Company, keeping in view the status of negotiations and the outcome of arbitration proceedings and the basis of which steps to recover these amounts are currently in process, is confident of recovering the aforesaid dues. In view of pending billing of project WIP/slow progress/termination of these projects, and lack of other alternate audit evidence to corroborate management's assessment of recoverability of these balances, we are unable to comment on the extent to which these balances are recoverable.
- b. Note 33 to the standalone financial statements in respect of recognition of a claim of ₹ 225.04 Crore during the year and related trade receivable and other current assets aggregating to ₹ 225.04 Crore as at March 31, 2016, on account of cost overrun and additional quantities executed in respect of an EPC contract with its subsidiary concessionaire. The claim of the concessionaire company is assessed by the lenders independent engineer and the concessionaire is in the process of availing additional funding/refinance from the lenders.

- c. "ANNEXURE A" TO THE INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 1 under the heading 'Report on Other Legal & Regulatory Requirement' of our report of even date to the financial statements of the Company for the year ended March 31, 2016:

- I (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Fixed Assets were physically verified during the year by the management in accordance with a regular program of verification which, in our opinion, is reasonable having regard to the size of the company and nature of its assets. According to the information and explanation given to us, the discrepancies noticed on such verification were not material and have been properly dealt with the books of account.
- (c) According to the information and explanation given to us, the title deeds of the immovable properties are held in the name of the company.
- II According to the information and explanation given to us, the management has conducted physical verification of inventory at reasonable intervals during the year. The discrepancies noticed on verification between physical stocks and book records were not material and have been properly dealt with in the books of account.
- III The Company has granted unsecured loans to 7 companies (out of which loans granted to 2 companies are interest free) covered in the register maintained under section 189 of the Act, in respect of such loans;
 - (a) In our opinion, the terms and conditions of the loans granted by the company are not prejudicial to the company's interest except for in the case of interest free unsecured loan granted to 2 parties, aggregating to ₹ 76.25 Crore as at March 31, 2016, having regard to the cost of funds to the company, are prejudicial to the interest of the company.
 - (b) The receipt of principal amount and interest, wherever stipulated is regular other than an amount disclosed in(c) below. Further, in case of interest free loan granted to 2 parties where the schedule of repayment of the principal and payment of interest has not been stipulated, hence, we are unable to comment as to whether repayments are regular.
 - (c) In case of loans carrying interest, there is an overdue interest amounting to ₹ 6.06 Crore for more than 90 days. As per the information and explanation given to us by the management, the company has made reasonable steps to recover overdue interest portion. Further, in case of interest free unsecured loans granted to 2 parties, as the schedule of repayment has not been stipulated, we are unable to comment whether any amount is overdue and whether any steps for recovery of the principal is required.
- IV According to information and explanation given to us and based on the legal opinion obtained by the company that the company being a company is engaged in the business of providing infrastructure facilities in terms of Section 186, the company has comply with the provisions of section 185 and 186 of the Companies Act, 2013, in respect of grant of loans, making investments and providing guarantees and security as applicable.
- V According to the information and explanation given to us, the Company has not accepted any deposits within the meaning of Section 73 to 76 of the act, and the rules framed there under to the extent notified.
- VI We have broadly reviewed the cost records maintained by the company pursuant to the rules made by the Central government under section 148(1) of the companies act, 2013 and are of the opinion that prime facie prescribed accounts and records have been made and maintained. We have, however, not made detailed examination of the records with a view to determining whether they are accurate or complete.
- VII (a) According to information and explanations given to us and records of the Company examined by us, amounts deducted/ accrued in the books of accounts in respect of Undisputed

statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Sales tax, Service Tax, Value added Tax, Cess and any other material statutory dues as applicable have been actually/regularly deposited with the appropriate authorities and there have been delays in number of cases. As explained to us, the company did not have any dues on the account of excise duty and customs duty. Further, no undisputed amounts payable in respect of these statutory dues were outstanding as at March 31, 2016 for a period of more than six months from the date they become payable except for the sales tax, value added tax and service tax as set out in Appendix-I.

- (b) According to the information and explanations given to us and records of the Company examined by us, Particulars of dues outstanding in respect of sales tax, service tax and value added tax which have not been deposited on account of any dispute are given in Appendix-II to this report.
- VIII In our opinion and according to the information and explanations given to us, the Company has defaulted in the repayment of certain dues to financial institutions and banks. The details of such delay are set out in Appendix III to the Reports. Further, as stated in note 41 of the financial statements, the lenders banks, consequent to approval of Debt restricting under Joint lender forum, have restructured the repayment of principal and interest thereon as mentioned in Appendix III and waived the default or penal interest charged by them up to the date of restructuring. There are no loans or borrowings payable to the Government and debenture holders.
- IX According to the information and explanations given to us, the company has not raised moneys by way of initial public offer or further public offer (including debt instruments). Term loans have been applied by the Company during the year for the purposes for which they were obtained.
- X According to the information and explanations given to us, no fraud by the Company or on the company by its officers or employees has been noticed or reported during the year.
- XI According to the information and explanations given to us, no managerial remuneration has been paid or provided by the Company during the year. Accordingly, the provisions of Para 3 (xi) of the Order are not applicable to the Company and hence not commented upon.
- XII In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Therefore, the provisions of Para 3 (xii) of the Order are not applicable to the Company.
- XIII In our opinion and according to the information and explanation given to us, all transactions with the related parties are in compliance with section 177 and 188 of the Companies Act, 2013 where applicable and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.
- XIV According to the information and explanations given to us, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, the provisions of clause 3 (xiv) of the Order are not applicable to the Company.
- XV According to the information and explanations given to us, the company has not entered into any non-cash transactions with directors or persons connected with them. Accordingly, the provisions of Para 3 (xv) of the Order are not applicable to the Company and hence not commented upon.
- XVI In our opinion, the company is not required to be registered under section 45 IA of the Reserve Bank of India Act, 1934.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF RAMKY INFRASTRUCTURE LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of RAMKY INFRASTRUCTURE LIMITED ("the Company") as on March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being

made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2016:

The Company did not have appropriate internal controls over (a) assessment of virtual certainty of sufficient future income to set off the deferred tax assessment recognized on accumulated losses. (b) Timely estimate review of balance costs to complete in respect of work projects, which could potentially result into inaccurate estimation of foreseeable losses on works contracts (c) The Company did not have appropriate internal controls over review, supervision and follow up of projects receivables for realisation, which could potentially result into non recovery of such projects receivables.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

Qualified Opinion

In our opinion, except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has in all material respect maintained adequate internal financial controls over financial reporting as on March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India and were operating effectively as on March 31, 2016.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2016 standalone financial statements of the Company, and these material weaknesses have not affected our opinion on the standalone financial statements of the Company in respect of these matters.

Notes to financial statements

1. Company Overview

Ramky Infrastructure Limited ("the Company") is an integrated construction, infrastructure development and management company headquartered in Hyderabad, India. The Company, is diversified in a range of construction and infrastructure projects in various sectors such as water and waste water, transportation, irrigation, industrial construction and parks (including SEZs), power transmission and distribution, and residential, commercial and retail property. A majority of the development projects of the Company are based on Public-Private Partnerships (PPP) and are operated by separate Special Purpose Vehicles (SPV) promoted by the Company, joint venture partners and respective Governments.

2. Significant accounting policies

2.1 Basis of preparation of financial statements

The financial statements are prepared under historical cost convention in accordance with the generally accepted accounting principles in India ("Indian GAAP") and comply in all material respects with the Accounting Standards specified under Section 133 of the Companies Act 2013 ("the Act"), read with Rule 7 of the Companies (Accounts) Rules, 2014 and other pronouncements of the Institute of Chartered Accountants of India ("ICAI"). The accounting policies applied by the Company are consistent with those used in the previous year, unless otherwise stated.

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company in accordance with the guidance as set out in the Schedule III to the Companies Act, 2013.

Operating cycle for the business activities of the Company covers the duration of the specific project/contract/project line/service including defect liability period, wherever applicable and extends up to the realizations of receivables (including retention money) within the agreed credit period normally applicable to the respective project.

2.2 Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the balances of assets and liabilities and disclosures relating to contingent liabilities as at the reporting date of the financial statements and amounts of income and expenses during the period of account. Examples of such estimates include contract costs expected to be incurred to complete construction contracts, provision for doubtful debts, provision for foreseeable losses, income taxes and future obligations under employee retirement benefit plans. Contingencies are recorded when it is probable that a liability will be incurred, and the amount can be reasonably estimated. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

2.3 Inventories

- (i) Inventories are carried at the lower of cost and net realisable value.
- (ii) Cost of inventories comprises of all costs of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. The method of

determination of cost is as follows:

- (a) **Materials and supplies:** on a weighted average method.
- (b) **Contract work-in-progress:** Work-in-progress for projects under execution as at balance sheet date are valued at cost less provision, if any, for estimated losses. The costs of projects in respect of which revenue is recognized under the Company's revenue recognition policies but have not been billed are adjusted for the proportionate profit recognised. The cost comprises of expenditure incurred in relation to execution of the project. Provision for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on current estimates.

2.4 Cash flow statement

Cash flows are reported using the indirect method, whereby net profit/(loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating, investing and financing activities of the company are segregated.

2.5 Cash and cash equivalents

Cash and cash equivalents comprise cash and cash on deposit with banks. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

2.6 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured.

Revenue from long term construction contracts is recognised on the percentage of completion method as mentioned in Accounting Standard (AS) 7 "Construction contracts" notified by the Companies Accounting Standards Rules, 2006. Percentage of completion is determined on the basis of physical proportion of work completed and measured at the balance sheet date as compared to the overall work to be performed on the projects as in the opinion of the management, this method measures the work performed reliably. However, profit is not recognised unless there is reasonable progress on the contract. Where the probable total cost of a contract is expected to exceed the corresponding contract revenue, such expected loss is provided for.

Dividend income is recognised when the unconditional right to receive the payment is established. Interest income is recognised on the time proportionate method taking into account the amount outstanding and the rate applicable.

2.7 Fixed assets and depreciation

Fixed assets are carried at cost of acquisition or construction less accumulated depreciation. The cost of fixed assets includes purchase price, non-refundable taxes, duties, freight and other incidental expenses related to the acquisition or installation of the respective assets. Borrowing costs directly attributable to acquisition or construction of those fixed assets which necessarily take a substantial

period of time to get ready for their intended use are capitalised.

Depreciation on fixed assets is provided based on the useful life of the assets as estimated by the management which coincides with rates prescribed in Schedule II to the Companies Act, 2013 except the following which are depreciated based on useful life determined by the Company.

Name of the asset	Estimated useful life
Shuttering materials	5 years
Pump sets	5 years
Vibrators and needles	5 years

2.8 Foreign exchange transactions

Foreign currency transactions are recorded using the exchange rates prevailing on the date of the respective transactions. Exchange differences arising on foreign currency transactions settled during the year are recognised in the statement of profit and loss.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date, not covered by forward exchange contracts, are translated at year-end rates. The resultant exchange differences are recognised in the statement of profit and loss. Non-monetary assets are recorded at the rates prevailing on the date of the transaction.

2.9 Derivative instruments and hedge accounting

The Company uses foreign exchange forward contracts to mitigate its risk of changes in foreign currency exchange rates and does not use them for trading or speculative purposes.

The premium or discount on foreign exchange forward contracts is amortized as income or expense over the life of the contract. The exchange difference is calculated and recorded in accordance with AS-11 (revised). The exchange difference on such a forward exchange contract is calculated as the difference of the foreign currency amount of the contract translated at the exchange rate at the reporting date, or the settlement date where the transaction is settled during the reporting period and the corresponding foreign currency amount translated at the later of the date of inception of the forward exchange contract and the last reporting date. Such exchange differences are recognised in the statement of profit and loss in the reporting period in which the exchange rates change.

2.10 Government Grants

Government grants are recognised only when it is reasonably certain that the related entity will comply with the attached conditions and the ultimate collection is not in doubt.

Where the government grants are of the nature of promoter's contribution and no repayment is ordinarily expected in respect thereof, the grants are treated as capital reserve which can be neither distributed as dividend nor considered as deferred income.

Where the government grants relates to specific fixed assets are treated as deferred government grants, which is recognised in the statement of profit and loss in proportion to the depreciation charge over the useful life of the related asset.

2.11 Investments

Long-term investments are carried at cost less any other than temporary diminution in value, determined separately for each individual investment.

Current investments are carried at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investment.

2.12 Employee benefits

Contributions payable to the recognised provident fund, which is a defined contribution scheme, are charged to the statement of profit and loss on accrual basis. Contributions to superannuation fund, which is a defined contribution scheme, are made at pre-determined rates to the Life Insurance Corporation of India on a monthly basis. Employee gratuity and long term compensated absences, which are defined benefit schemes, are accrued based on actuarial valuation at the balance sheet date, carried out by an independent actuary and are charged to the statement of profit and loss. All actuarial gains and losses arising during the year are recognised in the statement of profit and loss.

2.13 Borrowing costs

Borrowing costs directly attributable to the acquisition/construction of the qualifying asset are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

2.14 Leases

Leases where the lessor effectively retains substantially all the risks and rewards of ownership of the leased asset are classified as operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

2.15 Earnings per share

The basic and diluted earnings per share are computed by dividing the net profit attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year.

2.16 Taxation

Income tax expense comprises current tax, deferred tax and Minimum Alternative Tax. The current charge for income taxes is calculated in accordance with the relevant tax regulations applicable to the Company.

Deferred tax

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the year. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantially enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual

certainty of realization of such assets. Deferred tax assets are reviewed at each balance sheet date and is written-down or written up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realized.

Minimum Alternate Tax (MAT) Credit entitlement

Minimum Alternative Tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as current tax in the statement of profit and loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

2.17 Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of amortised historical cost.

2.18 Accounting for interest in joint ventures

In respect of work sharing joint venture arrangements revenues, expenses, assets, liabilities and contingent liabilities are accounted for in the Company's books to the extent work is executed by the Company.

In respect of jointly controlled entities, the share of profits or losses is accounted as and when dividend/share of profit or loss is declared by the entities.

2.19 Provisions and contingent liabilities

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

As at March 31, 2016, the Company has recognized deferred tax asset aggregating to ₹ 396.02 Crore including an amount of (₹13.07) crore recognized during the year on account of timing differences on unabsorbed depreciation, business losses and other timing differences incurred by the Company during the year. Based on unexecuted orders on hand, which in the opinion of the management does meet the criteria of establishing the virtual certainty of sufficient future taxable income for realisation of deferred tax assets as enunciated in Accounting Standard 22 "Accounting for Taxes on Income" (AS 22). (refer note 14).
32. As at March 31 2016, certain Trade Receivable, retention money, withheld money, security deposit, non-moving inventory/ work in progress and various loans & advances aggregating to ₹ 508.49 Crore are outstanding which are subject matters of arbitration procedures/negotiations with the customers and contractors due to foreclosure of contracts and other disputes. The management of the Company is in continuous engagement/ negotiation with the respective contractee / clients to recover such amounts, in opinion of the management such receivables are good and no material adjustments would be required against this in future.
33. During the year, the Company has recognized a claim of ₹ 225.04 Crore on account of cost overrun and additional quantities executed in respect of a contract. The Company has revised EPC contract entered into with the concessionaire in respect of such overrun and additional quantities. The claim is assessed by the lenders' independent engineer and the concessionaire is in the process of availing additional funding/refinance from the lenders and to comply with such other conditions precedent to no objection given by the employer.
34. During the year the Company has recognized insurance claim Income aggregating to ₹ 62.94 Crore to the extent measured reliably and accounted/ charged off related additional costs incurred towards damage by floods in respect of insurance claim lodged by concessionaire of the Project, a subsidiary Company due to flood on Company's road project, at Srinagar in Jammu and Kashmir. The management of the company does not expect any material adjustment in this respect in future.
35. Liabilities no longer required written back
 - a. During the year the management has written back liabilities no longer required aggregating to ₹ 164.95 Crore which were outstanding for a long period of time and being carried by the management as a measure of prudence. Such written back liabilities include trade payables, security deposits, retention money and withheld moneys which were outstanding against the projects related work could not be certified by the contractee/customer. The management is confident that the no material adjustment will be required in future.
 - b. During the year the Company has entered into a settlement agreement with one of the lender which has resulted into write back of loan liability aggregating to ₹ 58.59 Crore over and above the settlement amount. This has been disclosed as exception items.

**Interest free loan.

- 41.** The Company has executed the final debt restructuring under Joint lender forum/other definitive documents on June 12, 2015 with the majority of participating lenders banks, consequent to approval from Joint lender forum. In accordance with the debt restructuring scheme, the lenders have waived the obligation of the Company to pay any liquidated damages, default or penal interest /interest/further interest charged by the Lenders in excess of the concessional rates approved under debt restructuring scheme with effect from October 1, 2014 (the "cut-off date", the "COD").

Pursuant to debt restructuring scheme, from COD the interest on the restructured debts has been recomputed and provided at the effective interest rates as per the debt restructuring scheme on the balances of lender banks as appearing in the books of account. Accordingly, the interest payable to these banks has been recalculated in accordance with the debt restructuring scheme. The Company has accounted for debt restructuring scheme (reclassifications and interest calculations) in the books for the year ended March 31, 2016 as follows:

- The rate of interest has been changed/ revised and reduced to State Bank of India (SBI) base rate plus 100 Basis points (currently effective rate is 11% per annum with effect from the COD). Further, a sum of ₹ 27.69 crore, which represents reduction in interest for the period from the COD to the date of giving effect of debt restructuring scheme by the respective banks as adjusted for the interest payments made during the period to the lenders, has been recorded as exceptional item.
- The interest due and accrued with effect from the COD to March 31, 2016 on cash credit facilities and up to September 30, 2016 on other term borrowings shall be funded and converted into Funded Interest Term Loan (FITL), accordingly till March 31, 2016, ₹ 167.58 crore has been converted into FITL. Further, the lenders shall have the option to convert 25% of FITL into equity in March 2016 but the same has not been exercised by the Lenders. Further the State Bank of India (SBI) has approved the waiver of conversion of FITL into equity subject to certain conditions and the company is in process of complying with such conditions.

Further debt restructuring scheme envisage:

Cash credit/LC/BG;

- First pari-passu charge on entire (both present and future) current assets and non-current assets of the company.
- Second pari-passu charge on unencumbered (both present and future) Fixed assets of the company.

Term Loans, Priority debt, FITL and WCTL;

- First pari-passu charge on unencumbered (both present and future) Fixed assets of the company.
- Second pari-passu charge on entire (both present and future) current assets and non-current assets of the company.

Promoter contribution:

Promoter contribution and additional funds bought by them should be higher of 25 % of lenders sacrifice or 2% of restructured debt which is ₹ 53.96 crore. Additional promoter contribution should be brought from the net proceeds of the five major operating subsidiaries.

Independent Auditors' Report

The Members of

RAMKY INFRASTRUCTURE LIMITED

1. Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of RAMKY INFRASTRUCTURE LIMITED (hereinafter referred to as "the Holding Company" or "the Company"), its subsidiaries (Holding Company and its subsidiaries together referred to as "the group"), its associates and jointly control entities which comprising the consolidated Balance sheet as at March 31, 2016, the consolidated Statement of profit and loss and the consolidated cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information for the year then ended.

2. Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group its associates and jointly controlled entities, in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). The Holding Company's Board of Directors, and the respective Board of Directors/management of the subsidiaries included in the Group, and of its associates and jointly controlled entities are responsible for the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. Further, in terms with the provisions of the Act, the respective Board of Directors of the Holding Company and its subsidiaries, associates and jointly controlled entities, which are incorporated in India are responsible for maintenance of adequate accounting records; safeguarding the assets; preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

3. Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the

audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated financial statements.

4. Basis for Qualified Opinion

We refer to Note 35 of the consolidated financial statements with regard to recognition of deferred tax assets on unabsorbed depreciation, business losses and other timing differences, amounting to ₹ 396.02 Crore, incurred by the Company. Based on unexecuted orders on hand, the Management is confident that sufficient future taxable income will be available against which such deferred tax assets will be realised. However, in our opinion, in absence of virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which the deferred tax assets can be realized, such recognition is not consistent with the principles enunciated under Accounting Standard 22, "Accounting for Taxes on Income" (AS 22). Had the aforesaid deferred tax assets not been recognised, profit after tax for the year ended would have been lower by ₹ 396.02 Crore.

5. Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the paragraph 1 of the Basis for Qualified Opinion paragraph above, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the group, its associates and jointly controlled entity as at March 31, 2016 and of their consolidated profit and their consolidated cash flows for the year ended on that date.

6. Emphasis of Matters

1. Attention to Note 36 to the consolidated financial statements in connection with the existence of material uncertainties over the realisability of certain construction work in progress, trade receivables and loans and advances aggregating to ₹ 508.49 Crore, which are subject matters of arbitration proceedings/

- negotiations with the customers and contractors due to foreclosure of contracts and other disputes. The management of the Company, keeping in view the status of negotiations and the outcome of arbitration proceedings and the basis of which steps to recover these amounts are currently in process, is confident of recovering the aforesaid dues. In view of pending billing of project WIP/slow progress/termination of these projects, and lack of other alternate audit evidence to corroborate management's assessment of recoverability of these balances, we are unable to comment on the extent to which these balances are recoverable.
2. Attention to Note 37 consolidated financial statements in respect of recognition of a claims of ₹ 225.04 Crore (after elimination of during the year and related trade receivable and other current assets aggregating to ₹ 225.04 Crore as at March 31, 2016, on account of cost overrun and additional quantities executed in respect of a EPC contract of the Holding Company with a related party (Concessionaire)). The claim of the concessionaire Company is assessed by the lenders independent engineer and the concessionaire is in the process of availing additional funding/refinance from the lenders.
 3. Attention to Note 38 consolidated financial statements with regard to insurance claim due to floods on one of the Holding Company's project in Srinagar, Jammu and Kashmir, the company has recognized insurance claim income aggregating to ₹ 62.94 Crore to the extent measured reliably and accounted/charged off related additional costs incurred towards damage by floods.
 4. Attention to Note 39 (a) consolidated financial statements in respect of write back of the 'liabilities no longer required' outstanding for a long period aggregating to ₹ 164.95 Crore. The management of the Holding Company is confident that the liabilities no longer required and no material adjustment will be required.
 5. We refer to Note 32 to the consolidated financial statements in respect of recognition of revenue and receivables of ₹ 597.55 Crore on the basis of adoption of guidance note on service concession arrangements by the group which requires internal evaluation by the management and/or technical evaluation by experts with respect to estimates of the fair value of construction services rendered, future operating and maintenance costs, unit of usage, toll rates, provision for overlay and timings thereof.
 6. Attention is invited note 44(1) (a) and 44(1) (b) to the consolidated financial statements in respect of M/s Ramky Pharma City (India) Limited ("RPCIL"), a subsidiary, whereby the auditors have reported that
 - a. the uncertainty in connection with the charge sheet filed by Central Bureau of Investigation (CBI) and attachment order of the Enforcement Directorate in respect of certain assets of the company. The management believes that it has complied with the provisions of the concession agreement. Accordingly, any consequential financial impact of the said regulatory action will be known only when the matter is resolved.
 - b. in respect of the insurance claim filed by the Company, towards loss caused by HUDHUD cyclone. The consequential financial impact of the said loss will be known only the insurance claim is settled.
 7. Attention is invited to note 44 (2) to 44 (5) and note 44 (7) to 44 (8) to the consolidated financial statements in respect of contract terminated/foreclosed by certain subsidiaries and no business being carried out by a subsidiary and no business in hand which affect the going concern assumption of those companies.
 8. Attention is invited to note 44 (6) of consolidated statement in respect of Srinagar Banihal Expressway Limited, a Subsidiary Company whereby the Statutory Auditors of the said subsidiary have drawn attention
 - a. Company has suffered damages due to floods and recoveries from insurance company are under assessment. However, no material financial impact is expected in the financial statements as these damages are to be borne by the EPC contractor as per EPC agreement.
 - b. There is cost overrun on the project to the extent of ₹ 92.98 Crore during the year.
 9. Attention is invited to Note 44 (10) of consolidated statement in respect of N.A.M. Expressway Limited, a Subsidiary Company whereby the Statutory Auditors of the said subsidiary have drawn attention there is cost overrun on the project to the extent of ₹ 225.04 Crore during the year.
 10. Attention is invited to Note 44 (11) of consolidated statement in respect of Ramky Elsamex Hyderabad Ring Road Limited, a Subsidiary Company whereby the Statutory Auditors of the said subsidiary have drawn attention regarding receivables/retentions of which realization is not in line with terms of concession agreement with HMDA. Management believes that these amounts are recoverable in full. Matter is pending before arbitral tribunal. So, consequential financial impact will be known only when the matter is resolved.
- Our opinion on the consolidated financial statements is not qualified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

7. Other matters

- a. The accompanying consolidated financial statements include total assets of ₹ 3275.16 Crore (net of elimination) as at March 31, 2016, and revenues from operation and net cash outflow of ₹ 549.23 Crore (net of elimination) and ₹ 8.89 Crore (net of elimination) respectively for the year ended on that date, in respect of 19 subsidiaries and 5 jointly controlled entity, which have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF RAMKY INFRASTRUCTURE LIMITED

1. Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2016, we have audited the internal financial controls over financial reporting of RAMKY INFRASTRUCTURE LIMITED (hereinafter referred to as "the Holding Company") and its subsidiary companies, its associate companies and jointly controlled companies, which are companies incorporated in India, as of that date.

2. Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies, its associate companies and jointly controlled companies, which are companies incorporated in India, is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

3. Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our qualified opinion on the IFCoFR

of the Holding Company, its subsidiary companies, associate companies and jointly controlled companies as aforesaid.

4. Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

5. Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

6. Basis for Qualified Opinion

According to the information and explanations given to us and based on our audit and based on the reports of other auditors of subsidiaries, associates and jointly controlled entities incorporated in India, the following material weaknesses have been identified as at March 31, 2016:

The Holding Company did not have appropriate internal controls over (a) assessment of virtual certainty of sufficient future income to set off the deferred tax assessment recognized on accumulated losses. (b) Timely estimate review of balance costs to complete in respect of work projects, which could potentially result into inaccurate estimation of foreseeable losses on works contracts (c) Review, supervision and follow up of projects receivables for realisation, which could potentially result into non recovery of such projects receivables.

7. Qualified Opinion

In our opinion, except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Holding Company, subsidiary companies, associates and jointly controlled entities incorporated in India have in all material respect maintained adequate internal financial controls over financial reporting as on March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in

the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India and were operating effectively as of March 31, 2016.

We have considered the material weaknesses identified and reported above in determining the nature, timing and extent of audit tests applied in our audit of the March 31, 2016 standalone financial statements of the Company, and material weakness described under para 6 (a) of "basis of qualified opinion" has affected our opinion on the standalone financial statements of the Company and we have expressed a qualified opinion in respect of this matter.

8. Disclaimer of Opinion in respect of three subsidiary Companies

The auditors of three subsidiary companies (namely Srinagar Benihal Expressway Limited, N.A.M Expressway Limited & Hospet Chitradurga Tollways Limited) have stated that the respective Companies have not established its internal financial control over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. Because of this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the Company had adequate internal financial controls over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2016. The auditors have further stated that they have considered above disclaimer in determining the nature, timings and extent of audit tests applied in their audit of financial statements of the abovementioned subsidiaries and the disclaimer does not affect their

opinion on the financial statements of these subsidiary Companies.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

9. Other matters

- i. Our aforesaid report under Section 143(3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to 19 subsidiary Companies, 5 jointly controlled entities and 1 associate company, which are incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.
- ii. The Consolidated statements of the company does not include Company's share of profit in respect of one associate in which company has investment aggregating to ` 1.51 Crore as at March 31, 2016. We are unable to comment on the same on our reporting under section 143(3)(e) of the Act in the case of the consolidated financial statement.

Notes to the consolidated financial statements

1. Corporate information

Ramky Infrastructure Limited ("the Holding Company" or "the Company") is an integrated construction, infrastructure development and management company headquartered in Hyderabad, India. The Holding Company, its subsidiaries (collectively referred to as the "Group"), associates and jointly controlled entities are engaged in diversified range of construction and infrastructure projects in various sectors such as water and waste water, transportation, irrigation, industrial construction and parks (including SEZs), power transmission and distribution, and residential, commercial and retail property. A majority of the development projects of the Company are based on Public-Private Partnerships (PPP) and are operated by separate Special Purpose Vehicles (SPV) promoted by the Company, joint venture partners and respective Governments.

2. Basis of preparation of financial statements

The consolidated financial statements of the Company and its subsidiaries (together the 'Group') and jointly controlled entities have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act") / Companies Act, 1956 ("the 1956 Act"), as applicable. The consolidated financial statements have been prepared on accrual basis under the historical cost convention.

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company and as per the guidance as set out in the Schedule III to the Companies Act, 2013.

2.1 Use of estimates

The preparation of the consolidated financial statements in conformity with Indian GAAP requires Management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities on the date of the consolidated financial statements and reported amounts of revenues and expenses for the year. Actual results could differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in the current and future periods.

2.2 Principles of consolidation

The consolidated financial statements relate to the Company and its subsidiary companies, associates and jointly controlled entities. The Consolidated financial statements have been prepared on the following basis:

- The financial statements of the Company and its subsidiaries have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses after eliminating intra-group balances / transactions and resulting unrealised profits in full. Unrealised losses resulting from intra-group transactions have also been eliminated in full as per AS-21 "Consolidated Financial Statements" issued under Companies (Accounting Standards)

Rules, 2014. The amounts shown in respect of reserves comprise the amount of the relevant reserves as per the balance sheet of the parent company and its share in the post-acquisition increase in the relevant reserves of the subsidiaries.

- The consolidated foreign subsidiary has been identified as non integral operations in accordance with the requirements of AS -11 "The Effect of Changes in Foreign Exchange rates" which is effective for the accounting periods commencing on or after 1 April 2004. In accordance with AS -11, the financial statements of such non-integral foreign operations are translated into Indian rupees as follows:
 - ◆ All assets and liabilities, both monetary and non-monetary, are translated using the closing rate.
 - ◆ Revenue items are translated at the respective monthly average rates.
 - ◆ The resulting net exchange difference is credited or debited to a foreign currency translation reserve.
 - ◆ Contingent liabilities are translated at the closing rate.
- Minority interest in the net assets of consolidated subsidiaries consists of: (a) the amount of equity attributable to minorities at the date on which investment in a subsidiary is made; and (b) the minorities' share of movements in equity since the date the parent subsidiary relationship came into existence.
- The Group accounts for investments by the equity method of accounting in accordance with AS-23 "Accounting for Investment in Associates in Consolidated Financial Statements" issued under Companies (Accounting Standards) Rules, 2014 where it is able to exercise significant influence over the operating and financial policies of the investee. Inter company profits and losses have been proportionately eliminated until realised by the investor or investee.
- Interest in jointly controlled entities have been consolidated by using the 'proportionate consolidation' method as per Accounting Standard (AS) 27 - 'Financial Reporting of Interests in Joint Ventures' notified by the Companies (Accounting Standards) Rules, 2014.
- The excess / deficit of cost to the parent company of its investment in the subsidiaries, associates and jointly controlled entities over its portion of equity at the respective dates on which investment in such entities were made is recognised in the financial statements as goodwill / capital reserve. The parent company's portion of equity in such entities is determined on the basis of the book values of assets and liabilities as per the financial statements of such entities as on the date of investment and if not available, the financial statements for the immediately preceding period adjusted for the effects of significant transactions, up to the date of investment.
- The financial statements of the subsidiaries used in the consolidation are drawn up to the same reporting date as that of the Company i.e. 31 March 2016.

- The consolidated financial statements are presented, to the extent possible, in the same format as that adopted by the parent company for its separate financial statements.
- The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances.

2.3 Inventories

- Inventories are carried at the lower of cost and net realisable value.
- Cost of inventories comprises of all costs of purchase, cost of conversion and other costs incurred in bringing the inventories to their present location and condition. The method of determination of cost is as follows:
 - Materials and supplies:** On a weighted average method.
 - Uncertified contract work-in-progress:** At cost.
 - Inventories:** In case of the real estate activity, the inventories comprise of lands, development of lands, plots, houses and flats. It is valued at direct development cost including related incidental expenditure attributable to the said property to bring it to the marketable stage.

2.4 Consolidated Cash flow statement

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information. Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

2.5 Fixed assets and depreciation

Fixed assets are carried at cost of acquisition or construction less accumulated depreciation. The cost of fixed assets includes purchase price, non-refundable taxes, duties, freight and other incidental expenses related to the acquisition or installation of the respective assets. Borrowing costs directly attributable to acquisition or construction of those fixed assets which necessarily take a substantial period of time to get ready for their intended use are capitalised.

Depreciation on fixed assets is provided using the straight-line method at the rates specified in Schedule II to the Companies Act, 2013, except for construction accessories included in plant and equipment which are depreciated at rates given below based on useful life determined by the Management. In the opinion of the Management, the rates specified in Schedule II reflect the economic useful lives of the all other assets. Intangible assets are amortised on straight-line basis over their estimated useful lives not exceeding ten years from the date when the assets is available for use.

Name of the asset	Estimated useful life
Shuttering materials	5 years
Pump sets	5 years
Vibrators and needles	5 years

Depreciation is calculated on a pro-rata basis from/upto the date the assets are purchased/sold. Individual assets costing less than ₹ 5,000 are depreciated in full in the year of acquisition.

2.6 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured.

Revenue from long term construction contracts is recognised on the percentage of completion method as prescribed in Accounting Standard (AS) 7 "Construction contracts" notified by the Companies Accounting Standards Rules, 2014. Percentage of completion is determined on the basis of physical proportion of work completed and measured at the balance sheet date as compared to the overall work to be performed on the projects as in the opinion of the management, this method measures the work performed reliably. However, profit is not recognised unless there is reasonable progress on the contract. Where the probable total cost of a contract is expected to exceed the corresponding contract revenue, such expected loss is provided for.

In case of project related development activities, revenue is recognised by reference to the stage of completion of the development activity as at the balance sheet date as laid down in "Guidance note on Recognition of Revenue by Real Estate Developers" read with Accounting Standard - 7 "Accounting for Construction Contracts". The stage of completion is determined at the proportion cost incurred to date to the total estimated cost of the project.

The Company builds infrastructure facilities (roads) under public-to-private Service Concession Arrangements (SCAs) which it operates and maintains for periods specified in the SCAs. These projects that are in the nature of 'Build Operate and Transfer' (BOT) meet the characteristics of a public-to-private service concession arrangement. The Group recognises and measures revenue in accordance with Accounting Standard (AS) 7 'Construction Contracts' and Accounting Standard (AS) 9 'Revenue Recognition' for the construction or upgrade and operating and maintenance services it performs under the contract or arrangement as prescribed in the Exposure Draft Guidance note on Accounting for Service Concession Arrangements.

The financial asset model applies when the operator has an unconditional right to receive cash or another financial asset from the grantor. The Group has recognised a financial asset to the extent that it has an unconditional contractual right to receive cash or another financial asset from the grantor for the construction and operation and maintenance services. Such financial assets are classified as "Receivables under Service Concession Arrangements". Interest income arising on account of the Receivables under Service Concession Arrangements is recognised in the statement of profit and loss using the effective interest rate method.

The intangible asset model applies where the operator is paid by the users or where the concession grantor has not provided a contractual guarantee in respect of the recoverable amount. The intangible asset corresponds to the right granted by the concession grantor to the operator to charge users of the public service. The Group has recognised an intangible asset to the extent that it has an unconditional contractual right to receive the revenue from toll collections from the users of the public service developed by the group. Such intangible assets are classified as "Concession intangibles" under fixed assets.

Income from other operation and maintenance contracts is recognised on the basis of utilisation of the facility by the clients and is based on the agreements entered into with the clients.

Dividend income is recognised when the unconditional right to receive the income is established. Income from interest on deposits and interest bearing securities is recognised on the time proportionate method taking into account the amount outstanding and the rate applicable.

2.7 Foreign currency transactions

Foreign currency transactions are recorded using the exchange rates prevailing on the date of the respective transactions. Exchange differences arising on foreign currency transactions settled during the year are recognised in the statement of profit and loss.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date, not covered by forward exchange contracts, are translated at year-end rates. The resultant exchange differences are recognised in the statement of profit and loss. Non-monetary assets are recorded at the rates prevailing on the date of the transaction.

2.8 Derivative instruments and hedge accounting

The Group uses foreign exchange forward contracts to mitigate its risk of changes in foreign currency exchange rates and does not use them for trading or speculative purposes.

The premium or discount on foreign exchange forward contracts is amortized as income or expense over the life of the contract. The exchange difference is calculated and recorded in accordance with AS-11 (revised). The exchange difference on such a forward exchange contract is calculated as the difference of the foreign currency amount of the contract translated at the exchange rate at the reporting date, or the settlement date where the transaction is settled during the reporting period and the corresponding foreign currency amount translated at the later of the date of inception of the forward exchange contract and the last reporting date. Such exchange differences are recognised in the statement of profit and loss in the reporting period in which the exchange rates change.

2.9 Government Grants

Government grants are recognised only when it is reasonably certain that the related entity will comply with the attached conditions and the ultimate collection is not in doubt. Where the government grants are of the nature of promoter's contribution and no repayment is ordinarily expected in respect thereof, the grants are treated as capital reserve which can be neither distributed as dividend nor considered as deferred income.

Where the government grants relates to specific fixed assets are treated as deferred government grants, which is recognised in the statement of profit and loss in proportion to the depreciation charge over the useful life of the related asset.

2.10 Investments

Long-term investments are carried at cost less any other-than-temporary diminution in value, determined separately for each individual investment.

Current investments are carried at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investment.

2.11 Employee benefits

Contributions payable to the recognised provident fund, which is a defined contribution scheme, are charged to the statement of profit and loss on accrual basis. Contributions to superannuation fund, which is a defined contribution scheme, are made at pre-determined rates to the Life Insurance Corporation of India on a monthly basis. Employee gratuity and long term compensated absences, which are defined benefit schemes, are accrued based on actuarial valuation at the balance sheet date, carried out by an independent actuary and are charged to statement of profit and loss. All actuarial gains and losses arising during the year are recognised in the statement of profit and loss.

2.12 Borrowing costs

Borrowing costs directly attributable to the acquisition/ construction of the qualifying asset are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

2.13 Segment reporting

The Group's operating businesses are organized and managed separately according to the nature of business and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Group operate.

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs. General corporate income and expense items are not allocated to any business segment.

2.14 Leases

Leases where the lessor effectively retains substantially all the risks and rewards of ownership of the leased asset are classified as operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

2.15 Earnings per share

The basic and diluted earnings per share are computed by dividing the net profit attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year. The Company does not have any potentially dilutive equity shares.

2.16 Taxation

Income tax expense comprises current tax, deferred tax and Minimum Alternative Tax.

Current tax

The current charge for income taxes is calculated in accordance with the relevant tax regulations applicable to the Group.

Deferred tax

Deferred tax charge or credit reflects the tax effects of timing differences between accounting income and taxable income for the year. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantially enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realized in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed at each balance sheet date and is written-down or written up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realised. The break-up of the major components of the deferred tax assets and liabilities as at the balance sheet date have been arrived at after setting off deferred tax assets and liabilities where the Group has a legally enforceable right to set-off assets against liabilities, and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

Minimum Alternate Tax (MAT) Credit entitlement

Minimum Alternative Tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognised as current tax in the statement of profit and loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

2.17 Intangible assets and amortisation

Intangible assets, other than those covered by SCAs, comprise of software. Intangible assets are reported at acquisition cost with

deductions for accumulated amortisation and impairment losses, if any. Intangible assets are amortised over their estimated useful lives on a straight-line basis, commencing from the date the asset is available to the Group for its use.

2.18 Impairment of assets

The Group assesses at each balance sheet date whether there is any indication that an asset (including goodwill) or a group of assets comprising a cash generating unit may be impaired. If any such indication exists, the Group estimates the recoverable amount of the asset. For an asset or group of assets that does not generate largely independent cash inflows, the recoverable amount is determined for the cash-generating unit to which the asset belongs. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost. An impairment loss is reversed only to the extent that the carrying amount of asset does not exceed the net book value that would have been determined; if no impairment loss had been recognised.

2.19 Provisions and contingent liabilities

The Group creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts, i.e. contracts where the expected unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received under it, are recognised when it is probable that an outflow of resources embodying economic benefits will be required to settle a present obligation as a result of an obligating event, based on a reliable estimate of such obligation.

31. Nature and terms of repayment for secured and unsecured borrowings are as follows

1. During the year, the Holding Company has executed the final debt restructuring under Joint lender forum/other definitive documents on June 12, 2015 with the majority of participating lenders banks, consequent to approval from Joint lender forum. In accordance with the debt restructuring scheme, the lenders have waived the obligation of the Company to pay any liquidated damages, default or penal interest / interest/further interest charged by the Lenders in excess of the concessional rates approved under debt restructuring scheme with effect from October 1, 2014 (the "cut-off date", the "COD"). Pursuant to debt restructuring scheme, from COD the interest on the restructured debts has been recomputed and provided at the effective interest rates as per the debt restructuring scheme on the balances of lender banks as appearing in the books of account. Accordingly, the interest payable to these banks has been recalculated in accordance with the debt restructuring scheme. The Company has accounted for debt restructuring scheme (reclassifications and interest calculations) in the books for the year ended March 31, 2016 as follows:

- The rate of interest has been changed/ revised and reduced to State Bank of India (SBI) base rate plus 100 Basis points (currently effective rate is 11% per annum with effect from the COD). Further, a sum of ₹ 27.69 crore, which represents reduction in interest for the period from the COD to the date of giving effect of debt restructuring scheme by the respective banks as adjusted for the interest payments made during the period to the lenders, has been recorded as exceptional item.
- The interest due and accrued with effect from the COD to March 31, 2016 on cash credit facilities and up to September 30, 2016 on other term borrowings shall be funded and converted into Funded Interest Term Loan (FITL), accordingly till March 31, 2016, ₹ 167.58 crore has been converted into FITL. Further, the lenders shall have the option to convert 25% of FITL into equity in March 2016 but the same has not been exercised by the Lenders. Further the State Bank of India (SBI) has approved the waiver of conversion of FITL into equity subject to certain conditions and the company is in process of complying with such conditions.

2. Terms of security:

- Working capital limits (Cash credit/LC/BG) are secured first pari-passu charge on entire (both present and future) current assets and non-current assets of the Company and second pari-passu charge on unencumbered (both present and future) Fixed assets of the Company.
- Term Loan, Short Term Loans, Priority Debt, FITL and WCTL are secured by first pari-passu charge on unencumbered (both present and future) Fixed assets of the company and second pari-passu charge on entire (both present and future) current assets and non-current assets of the company.
- Entire term loans, short terms loans, HP Loans (Axis Bank and ICICI Bank), Priority Debt, FITL, WCTL, fund based and non-fund based working capital limits are further secured by personal guarantee of Promoter (i.e. A Ayodhya Rami Reddy). Further, working capital loans and term loans from State Bank of India (SBI) are further secured by personal guarantee of M Venu Gopal Reddy (Relative of promoter) and personal guarantee of Promoter of the Company (i.e. A Ayodhya Rami Reddy) and corporate guarantee of certain subsidiary companies.

During the previous year the company vide its letter dated July 9, 2014 served the termination notice to Chhattisgarh State Industrial Development Corporation (CSIDC) "the Concessioning Authority" for default of various clauses of the Concession Agreement and requested for reimbursement of various expenses incurred by the company on the project.

Since the company is a project specific company, termination of the project affects the Going Concern of the company. Based on that, the expenditure incurred on the project to the tune of ₹ 1.03 Crore (net of Project development fee receivable from CSIDC of ₹ 1.30 Crore and amount payable to CSIDC towards expenses of ₹ 0.02 Crore) has been written off and is shown under exceptional items in the Statement of Profit and Loss.

5. Ramky Herbal & Medicinal Park (Chhattisgarh) limited

During the previous year the company vide its letter dated July 9, 2014 served the termination notice to Chhattisgarh State Industrial Development Corporation (CSIDC) "the Concessioning Authority" for default of various clauses of the Concession Agreement and requested for reimbursement of various expenses incurred by the company on the project. On October 31, 2014, CSIDC agreed for reimbursement of project development fee of ₹ 0.90 Crore and mentioned that, all other expenses are not reimbursable as they are directly incurred by the Company and not related to CSIDC.

Since the company is a project specific company, termination of the project affects the Going Concern of the company. Based on that, the expenditure incurred on the project to the tune of ₹ 0.48 Crore (net of Project development fee receivable from CSIDC of ₹ 0.90 Crore) has been written off and is shown under exceptional items in the Statement of Profit and Loss.

6. Srinagar banihal express way limited

During the month of September 2014 the project had suffered damages due to floods in Srinagar Region. The damages incurred and the recoveries are being assessed by the Insurance Company. As per the interim survey report, the recoveries will be minimum of ₹ 63 crore and maximum ₹ 120 crore. Pending such final assessment, Insurance company has processed adhoc part claim of ₹ 15 crore, which has been adjusted against material advance given to the EPC Contractor and another claim of ₹ 48 crore which has been adjusted against other advances to EPC contractor. No further adjustment has been made in the financial statement pending such final assessment by the insurance company.

Further as per Schedule -12 of EPC Agreement the acceptance of insurance claim shall be on back to back basis and the liability of the company on the claims shall be limited only upto the claims acknowledged by the insurance company.

The Company had subcontracted the EPC contract for four laning of Srinagar and Banihal section from km 187.000 to 189.350 and from km 220.700 to 286.110 on the Srinagar banihal section of NH1A in state of jammu and Kashmir to subcontractor on back to back basis with the concession agreement at a lumpsum consideration of ₹ 1,175.00 crore. However due to extension of construction period there has been an increase in the development cost of the project. The company and the EPC subcontractor, Ramky Infrastructure limited entered into a supplementary agreement during the year where the company estimated and agreed to reimburse towards cost overrun of the project (since

inspection) an amount of ₹ 190.05 crore to the EPC contractor as approved by the Board of Directors of the company. Further, during the year, the EPC contractor based on actual cost overrun incurred has raised invoice to the extent of ₹ 92.98 crore on the company from the above approved costs towards cost overrun and the same has been accounted in the books of company.

7. Agra EtawahTollways Ltd

During the year 2013-14, the Company vide its letter September 13, 2013 served the termination notice to National Highway Authority of India (NHAI) "the concessioning Authority" mentioning that the condition precedent of Authority about the procurement of vacant & unencumbered Right of Way and also permission of Tree Cutting (Stage- 2 clearance) by MoEF including permission of supreme court in Taj Trapezium Zone (TTZ) covering approximately 55 Km of project length is not available. Later NHAI also vide its letter dated October 7, 2013 served notice of termination mentioning that the Concessionaire has not fulfilled its obligation as per Concession Agreement and also that petition for permission of Hon'able Supreme Court for felling of tree in TTZ was filed timely, but due to non-availability of forest bench of the Hon'able Supreme Court, the hearing could not take place, which is absolutely beyond the control of NHAI, hence opted for mutual termination of Concession Agreement.

NHAI vide its letter dated January 24, 2014 has considered the proposal for mutual termination of Concession Agreement by signing a settlement and close agreement on May 20, 2014, which inter alia provides that the concessionaire shall forgo all its claim, damages, compensations etc. against NHAI due to non-fulfilment of condition precedent so far attributable to NHAI and in reciprocation NHAI agrees not raise/impose any claims/ penalties for the delays attributable to the concessionaire. The notices / Litigations if any issued by either the concessionaire or to the authority against each other shall stand withdrawn.

Since the company is a project specific company, termination of the project affects the going concern of the company.

8. Jabalpur PatanShahpuraTollways limited
