Commenting on the results and performance, Mr. Santosh Raveshia, Managing Director, DOMS Industries Limited said:

“We are pleased to report a resilient performance in FY 2025, achieved amidst a backdrop of macroeconomic uncertainty and evolving market dynamics. Our continued focus on execution and operational discipline has helped us deliver an encouraging revenue growth of nearly 25%. This growth was supported by steady performance across our core categories, the launch of new products, and the smooth integration of Uniclax. In recognition of this performance, the Board has recommended a dividend of ₹ 3.15 per share (31.5%), subject to shareholder approval.

As we remain committed to our long-term vision, we continue to invest in expanding our product portfolio, scaling our capacities, and strengthening our market presence. The Board-approved acquisition of a 51% stake in Super Treads Private Limited - a Siliguri-based paper stationery company - aligns well with this strategy. It will enhance our production capabilities in the paper stationery segment and improve our ability to serve the growing demand in East India.

Looking ahead, while we remain watchful of external uncertainties, we are optimistic about a gradual recovery in domestic demand. In FY 2026, we aim to maintain our double-digit growth trajectory, underpinned by planned capacity enhancements in scholastic stationery, office supplies, and paper stationery. With our 44-acre land parcel construction underway in full swing, with anticipated possession of first building by Q3 FY26, and beginning of commercial production slated for Q4 FY26, we're poised to sustain our growth momentum leveraging the expanded capacities. Building on a focused growth strategy and strong business fundamentals, we will continue to drive value creation through prudent, profitable initiatives that position us well for the future.”
