**INDEPENDENT AUDITOR'S REPORT**

To the Members of **Trident Techlabs Private Limited**.

**Report on the Financial Statements**

We have audited the accompanying financial statements of Trident Techlabs Private Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the **Companies Act, 2013** ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit statement for the year ended on that date.

**Basis for Opinion**

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

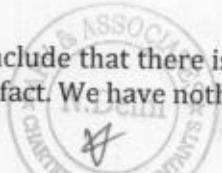

**Information other than the financial statements and auditors' report thereon**

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events

or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in

- Planning the scope of our audit work and in evaluating the results of our work; and
- To evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

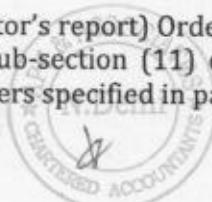

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2022, and its profit, and its cash flows for the year ended on that date.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.

### **Annexure-B to the Independent Auditor's Report**

#### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of **Trident Techlabs Private Limited** ('the Company') as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

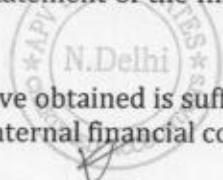

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

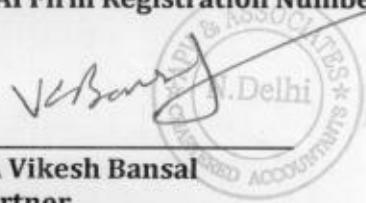

### Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial control over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

## **SIGNIFICANT ACCOUNTING POLICIES & NOTES TO ACCOUNTS**

### **1. Significant Accounting Policies**

#### **i. General Information**

The Company is a private limited company incorporated in India on 09<sup>th</sup> May 2000 and is engaged in the business of trading of software's and consultancy services. The company is selling goods all over India and is also providing power sector consultancy in India. The registered office of the company is situated at New Delhi and company is also having marketing and liaisoning offices in Bangalore, Pune, Hyderabad, Dehradun, Chennai and Kolkata.

#### **ii. Summary of significant Accounting policies**

##### **a. Basis of preparation of financial statements**

These financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India under the historical cost convention on accrual basis. These financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 133 of the Companies Act, 2013 ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act (to the extent notified).

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non-current classification of assets and liabilities.

The financial statements have been "rounded off" to the nearest hundreds considering on the basis of "Total Income" criteria.

##### **b. Use of Estimates**

The preparation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision to the accounting estimates is recognized prospectively in the current and future periods.

##### **c. Fixed Assets**

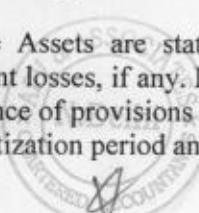

###### **i. Tangible Assets:**

Tangible Assets are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any.

###### **ii. Intangible Assets:**

Intangible Assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortized on straight line method basis over 5 or 10 years in pursuance of provisions of AS-26.

The amortization period and the amortization method are reviewed at least at each financial year end.

#### **d. Borrowing Costs**

General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognized in Statement of Profit and Loss in the period in which they are incurred.

#### **e. Depreciation**

Depreciation on fixed assets has been provided as per the rates specified in Part C of schedule II to the Companies Act, 2013.

Asset	Useful Life	Method of Depreciation
Building	60 Years	Written Down Value
Computer	3 Years	Written Down Value
Office Equipment	5 Years	Written Down Value
Furniture & Fixtures	10 Years	Written Down Value
Motor Vehicles	8 Years	Written Down Value
Intangible Assets	5/10 Years	Straight Line Method
Electrical Installation	10 Years	Written Down Value
Plant & Machinery	15 Years	Written Down Value
Motor Cycles	10 Years	Written Down Value

#### **f. Inventories**

Inventories are stated at lower of cost and net realizable value. Cost is determined using the first-in, first-out (FIFO) method. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

#### **g. Employee Benefits**

Employee benefit includes provident fund, payment of gratuity, encashment of earned leave.

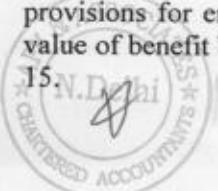

##### **i. Payment of Gratuity**

In accordance with the Payment of Gratuity Act, 1972, the Company provides for gratuity, a defined benefit retirement plan ('the Gratuity Plan') covering eligible employees. The Gratuity Plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and tenure of employment with the company.

The company contributes to the Trident Techlabs Private Limited Employees Group Gratuity Trust (the Trust) of the Life Insurance Corporation of India as at the end of every financial year on lumpsum basis. Trustees administer contributions made to the Trust and contributions are invested in specified investment permitted by the law. The company recognizes the net obligation of the gratuity plan in the balance sheet as per the calculation done by Life Insurance corporation of India.

##### **ii. Encashment of earned leave**

The company is making provisions for encashment of earned leave for those employees who are eligible for such benefits under the Factories Act, 1948. The company is making provisions for encashment of earned leave on actual eligibility and undiscounted present value of benefit basis. No actuarial valuation is made for such liabilities as required by AS-15.

### **iii. Provident Fund**

Eligible employees receive benefits from a provident fund, which is a defined benefit plan. Both the employee and the company make monthly contributions to the provident fund plan equal to a specified percentage of the covered employee's salary. The company contributes a part of the contribution to the government administered pension fund.

### **iv. Employee's State Insurance**

Eligible employees receive benefits under the Employee's State Insurance Scheme, which is a defined benefit plan. Both the eligible employee and the Company make monthly contributions to the ESI Scheme equal to a specified percentage of the covered employee's salary. The company contributes its contribution to the government administered Employee's State Insurance Scheme.

## **h. Revenue Recognition**

### **Sale of goods**

Sales are recognized when the substantial risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract and are recognized net of trade discounts, rebates, sales taxes and excise duties.

### **Sale of services**

Revenue from services is recognized, when services have been performed as per terms of contract, amount can be measured and there is no significant uncertainty as to collection.

### **Other Income**

#### **Interest**

Interest Income on fixed deposit is recognized on time proportion basis.

#### **Other**

Other items of revenue are recognized in accordance with the Accounting Standards (AS-9) issued by the Institute of Chartered Accountants of India. Accordingly, wherever there is uncertainty in the ascertainment/realization of income, the same is not accounted for. However regarding the expenditure, it is recognized even if there is a fair amount of probability of this happening. Deviations if any are disclosed wherever applicable.

## **i. Foreign currency Transaction**

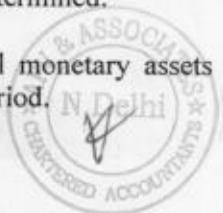

### **Initial Recognition**

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

### **Subsequent Recognition**

As at the reporting date, foreign currency non-monetary items are reported using historical cost denominated in a foreign currency reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

All monetary assets and liabilities in foreign currency are restated at the end of accounting period.

Exchange differences on restatement of short term foreign currency monetary items are transferred to the Statement of Profit and Loss.

**j. Taxes on income**

Provision for current tax is determined on the income for the year chargeable to tax as per the provisions of Income Tax Act, 1961.

Provision for deferred tax is recognized on timing differences arising between the taxable incomes and accounting income for the year and quantified using the tax rates and law enacted or substantially enacted as on the reporting Date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for all timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the same taxable entity and the same taxation authority.

**k. Provisions and Contingent Liabilities**

**Provisions**

Provisions are recognized when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a substantial degree of the estimation of the amount of the obligation.

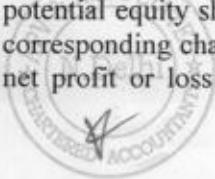

Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

**Contingent Liabilities**

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is termed as a contingent liability.

**l. Earnings Per Share (EPS)**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period after deducting preference dividends and any attributable tax thereto for the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, which have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average

number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

**m. Cash & Cash Equivalents**

In the cash flow statement, cash & cash equivalents include cash in hand, term deposit with banks and other short-term highly liquid investments with original maturities of three months or less.

r. Segment Information as per Accounting Standard -17

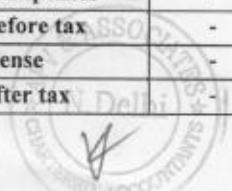

The company is operating in two segment i.e. trading business and consultancy business. Revenue and identifiable operating expense in relation to segments are categorized based on items that are individually identifiable to that segment. Certain expenses, such as depreciation, which form a significant component of total expenses, are not allocable to specific segments as the assets are used interchangeably. The management believes that it is not practical to provide segment disclosures relating to those costs and expenses, and accordingly these expenses are separately disclosed as 'unallocated' and adjusted against the total income of the Company.

Fixed Assets used in the company's business or liabilities contracted have not been identified to any of the reportable segments, as the fixed assets and liabilities are used interchangeably between segments. Accordingly, no disclosure relating to total segment assets and liabilities are made.
