2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with the applicable accounting standards, accounting and presentation principles as prescribed in the relevant provisions of the Insurance Act, 1938 (the "Insurance Act"), the Insurance Regulatory and Development Authority Act, 1999 (the "IRDA Act") and IRDA (Preparation of Financial Statements and Auditors' Report of Insurance Companies) Regulations, 2002; orders/directions/circulars issued by the Insurance Regulatory and Development Authority of India ("IRDAI"/"the Authority") to the extent applicable and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

Our conclusion is not modified on the above matter.

Other Matters

5. The actuarial valuation of liabilities for life policies in force is the responsibility of the Company's Appointed Actuary (the "Appointed Actuary") whose services are as extended and approved by IRDAI. The actuarial valuation of these liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at June 30, 2020 has been duly certified by the Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by the IRDAI and the Institute of Actuaries of India in concurrence with the Authority. We have relied upon the Appointed Actuary's certificate in this regard during our review of the valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists, as contained in the statement of unaudited financial results.
6. Due to the COVID-19 pandemic and the lockdown and other restrictions imposed by the Government and local administration, the review processes were carried out based on the remote access to the extent available/feasible and necessary records made available by the management through digital medium.

1. We have reviewed the accompanying statement of unaudited financial results of **SBI Life Insurance Company Limited** ("the Company") for the quarter ended June 30, 2020, ("the Statement"), being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and IRDA Circular reference: IRDAI /F&I / REG/ CIR/ 208 /10/ 2016 dated 25th October 2016. This Statement is the responsibility of the Company's Management and has been approved by its Board of Directors. Our responsibility is to issue a report on this Statement based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with the applicable accounting standards, accounting and presentation principles as prescribed in the relevant provisions of the Insurance Act, 1938 (the "Insurance Act"), the Insurance Regulatory and Development Authority Act, 1999 (the "IRDA Act") and IRDA (Preparation of Financial Statements and Auditors' Report of Insurance Companies) Regulations, 2002; orders/directions/circulars issued by the Insurance Regulatory and Development Authority of India ("IRDAI"/"the Authority") to the extent applicable and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.

Emphasis of Matter

4. We invite attention to Note No. 5 to the statement regarding the uncertainties arising out of the outbreak of COVID-19 pandemic and the assessment made by the management on its business and financials, including valuation of assets, policy liabilities and solvency for the quarter ended June 30, 2020, this assessment and the outcome of the pandemic is as made by the management and is highly dependent on the circumstances as they evolve in the subsequent periods.
Our conclusion is not modified on the above matter.

Other Matters

5. The actuarial valuation of liabilities for life policies in force is the responsibility of the Company's Appointed Actuary (the "Appointed Actuary") whose services are as extended and approved by IRDAI. The actuarial valuation of these liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists as at June 30, 2020 has been duly certified by the Appointed Actuary and in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by the IRDAI and the Institute of Actuaries of India in concurrence with the Authority. We have relied upon the Appointed Actuary's certificate in this regard during our review of the valuation of liabilities for life policies in force and for policies in respect of which premium has been discontinued but liability exists, as contained in the statement of unaudited financial results.
6. Due to the COVID-19 pandemic and the lockdown and other restrictions imposed by the Government and local administration, the review processes were carried out based on the remote access to the extent available/feasible and necessary records made available by the management through digital medium.

1. Mass lapse sensitivity (of 25% or 50%) for ULIP business is applied at the end of surrender penalty period as defined by APS 10, which is taken to be the beginning of 5th policy year for current generation of our ULIP products. 2. VoNB assessment: The Value of New Business is calculated as at the end of the reporting period i.e. as on the valuation date rather than at the point of sale. Accumulation from point of sale up to end of reporting period is done using the respective monthly reference rates. 3. VoNB sensitivity: New Business sensitivities assume that the scenario arises after the point of sale; and consider impacts on both new business liability cash-flows and the asset backing the reserves at the respective month ends. 'Nil' interest rate VoNB sensitivity is applied for annuity products. 4. The sensitivities are being calculated with a lag of one quarter of a year, starting from the Q3FY19 disclosure.
