Subject: Corrigendum to the Annual Report for FY 2024-25 and Notice of 14th Annual General Meeting.

Respected Sir/ Madam,

This is to inform you that, in reference to our earlier communication dated 8th September, 2025, wherein the Company submitted its Annual Report for the financial year 2024-25, along with the Notice for the 14th Annual General Meeting ("AGM") scheduled to be held on Tuesday, 30th September, 2025 at 2:00 P.M. (IST) via Video Conferencing / Other Audio-Visual Means (VC/OAVM), It has come to attention that certain figures presented in the Management Discussion and Analysis Report (MDAR) section of the Annual Report required minor editorial updates for greater alignment and accuracy.

Desco Infratech Limited is submitting a revised Annual Report for the financial year 2024-25. We wish to clarify that the changes made in the Management Discussion and Analysis Report (MDAR) are purely editorial in nature and do not affect the audited financial statements for the year ended 31st March, 2025.

This corrigendum should be read in conjunction with the original Annual Report submitted on 8th September, 2025. We remain committed to transparency and accuracy in all our disclosures, and appreciate the continued trust of our stakeholders.

The revised report has also been uploaded on the Company's website at: <https://descoinfra.co.in>.

We request you to kindly take the above on record.

Thank You!

Yours faithfully,

For DESCO INFRATECH LIMITED
(Formerly known as Desco Infratech Private Limited)

Corporate Overview – Desco Infratech Limited

Founded in 2011 and headquartered in Surat, Gujarat, Desco Infratech Limited has grown into one of India's most trusted names in the infrastructure and energy services sector. What began as *Desco Infratech Private Limited* has, over the years, transformed into a diversified infrastructure company, today serving as a key enabler in the City Gas Distribution (CGD), Water Infrastructure, Renewable Energy, and Power Distribution domains. In July 2024, the company transitioned into a public limited entity, paving the way for its listing on the BSE SME Platform in April 2025, which was met with overwhelming investor confidence and emerged as the highest-bid IPO of Q4 FY25.

Legacy & Experience

With an accumulative industry experience of more than 34 years under the guidance of our Chairman & Managing Director, Mr. Pankaj Pruthi Desai, Desco has consistently delivered projects of scale and importance across India. Our strong foundation, coupled with a legacy of timely execution, safety, and quality delivery, has helped us become one of the oldest and most reliable players in the City Gas Distribution sector.

Our journey has been marked by strategic expansion across 18+ clients, including major Public Sector Undertakings (PSUs). This growing portfolio is a testament to our ability to not only deliver complex projects but also to build long-standing relationships based on trust and performance.

Strong Industry Contribution & Reputation

Over the years, Desco has earned a reputation for being a dependable partner in building India's energy and utility backbone. From laying MDPE and steel pipelines for natural gas to executing high-quality EPC contracts in water and renewable energy projects, our contribution spans multiple sectors of national importance.

We were recognised by Industry Outlook Magazine in 2023 as one of the Top 10 Service Providers for the Oil & Gas Sector, a validation of our leadership in safety, compliance, and execution. Further, awards from clients like Adani Total Gas Limited and GAIL Gas Limited stand as testimony to our adherence to operational excellence, HSE standards, and timely delivery.

Diversification & New Ventures

While CGD remains the backbone of our operations, Desco has strategically diversified into new growth areas:

- ➤ Renewable Energy – execution of projects such as the Adani Green Energy Hybrid Park in Gujarat, showcasing our alignment with India's clean energy transition.
- ➤ Water Infrastructure – participation in flagship initiatives like the Jal Jeevan Mission in Jhabua, Madhya Pradesh, including HDPE piping, overhead tanks, and open-well construction.
- ➤ Power Distribution – expanding into installation of LT/HT power systems and related distribution networks.

This cross-sector diversification ensures that Desco remains resilient to market cycles and well-positioned to capture opportunities in India's infrastructure growth story.

Market Recognition & Listing Achievement

One of the most significant milestones in our journey has been our listing on the BSE SME Platform in April 2025. The IPO witnessed one of the highest subscription levels of Q4 FY25, highlighting the confidence that investors place in our business model and growth trajectory. This listing not only enhanced our financial strength but also provided us the visibility and credibility to bid for larger projects—2 to 3 times bigger than before.

Additionally, Desco has been nominated for India's 5,000 Best MSME Awards for excellence in quality, further validating our market standing and operational standards.

Operational Scale & Order Book Strength

Today, Desco commands an order book exceeding Rs. 330 crores, comprising Rs. 307.13 crores in EPC contracts and Rs. 26.38 crores in O&M projects, with an average execution cycle of 18–24 months. With a healthy conversion ratio of 30–40%, this pipeline reflects robust demand and offers strong revenue visibility for the future.

Recent financial achievements underscore our operational momentum— Rs. 22.63 crores sales in H1 FY25 and Rs. 23.31 crores in Q1 FY25 alone, surpassing half-yearly sales in a single quarter. This demonstrates strong market demand, efficient project execution, and the company's ability to scale rapidly.

Commitment to Quality & Sustainability

Desco operates under the guiding principles of safety, health, and environment (SHE) compliance. As an ISO 9001:2015 certified company, we maintain stringent quality standards through daily tool-box talks, regular audits, and systematic compliance. Our commitment to sustainability is reflected not only in our participation in clean energy and water infrastructure projects but also in our continuous investment in workforce welfare and skill development.

Vision for the Future

At Desco Infratech, we envision a future where infrastructure meets sustainability and progress aligns with community welfare. With innovation, efficiency, and safety at the core of our operations, we are committed to building projects that fuel economic growth while enabling national priorities such as energy access, renewable adoption, and water security.

As we continue to expand, we remain dedicated to being a partner of choice for governments, industries, and communities—delivering infrastructure that powers communities, empowers industries, and fuels the nation's growth.

DESCO INFRA TECH LIMITED – BUSINESS SEGMENTS

Desco Infratech Limited operates as a diversified infrastructure company, with a balanced portfolio across energy, utilities, and sustainable infrastructure projects. With expertise built over more than a decade and supported by a leadership team with over 34 years of industry experience, Desco's business is structured into multiple verticals that address some of the most critical infrastructure needs of India.

Our projects span across 18+ clients including major PSUs, reflecting our PAN-India presence and industry trust. Each business segment is supported by our proven track record of safety, quality, and timely execution.

City Gas Distribution (CGD) Projects

City Gas Distribution has been at the heart of Desco's journey since inception. With India's rapid push towards a cleaner energy future, Desco has emerged as a key partner for leading CGD companies and PSUs in executing projects that bring natural gas to millions of households, businesses, and industries.

Our CGD expertise includes:

1

Piped Natural Gas (PNG) connectivity for residential, commercial, and industrial users, including last-mile connectivity jobs.

2

Laying of MDPE and steel pipelines with associated works for safe and efficient gas distribution.

3

Leak detection, pressure testing, and O&M (Operations & Maintenance) services to ensure reliability and safety of gas networks.

4

GI piping solutions and provision of third-party manpower supply to support client operations.

Beyond PSUs, Desco maintains deep, multi-year partnerships with private and joint-venture energy leaders including Adani Total Gas Limited, Adani Renewables, Torrent Power, Torrent Gas, Gujarat Gas, IRM Energy, Think Gas, Bhagyanagar Gas Limited (BGL), IndianOil–Adani Gas Pvt. Ltd. (IOAG), KSPPL (a BPCL–IOCL JV), Luthra Group, AMNEX, Haryana City Gas (HCG), Aavantika Gas Limited (AGL), and Selan Exploration Technology Limited. Delivering complex projects for these clients across CGD networks, pipelines, renewables, and O&M has expanded our geographic reach and reinforced our execution credentials. Our uncompromising adherence to Health, Safety & Environment (HSE) protocols—reflected in repeated partner commendations and awards—underpins reliable, compliant delivery on every project.

Water Infrastructure Projects

Recognising the national priority of clean and reliable water supply, Desco has diversified into Water Infrastructure, contributing to flagship government missions such as Jal Jeevan Mission.

Key capabilities include:

1

Construction of overhead tanks, sump wells, and open wells, designed to ensure long-term reliability.

2

HDPE and DI pipeline laying, executed with precision and compliance to industry standards.

3

Effluent chamber construction and related works to support wastewater management.

In 2024, Desco secured a major water infrastructure project in Jhabua, Madhya Pradesh, under the Jal Jeevan Mission, which included HDPE piping, overhead tanks, and well construction—demonstrating our ability to contribute meaningfully to community-centric projects.

Renewable Energy Projects

With the global shift towards clean energy, Desco has strategically strengthened its presence in Renewable Energy, particularly in solar infrastructure.

Our expertise includes:

1

Erection of solar module structures, ensuring precise alignment and durability.

2

RCC pile foundations and commissioning of solar units, enabling large-scale deployment of renewable assets.

A landmark project was our participation in the Gujarat Hybrid Renewable Energy Park with Adani Green Energy Six Limited in 2024, one of the largest renewable energy developments in India. This diversification underscores our alignment with India's clean energy transition and sustainability goals.

Power Distribution Projects

To broaden our presence in India's energy value chain, Desco has entered the Power Distribution sector. This expansion reflects our intent to contribute to India's growing demand for reliable electricity infrastructure.

Our services cover:

- 1 Installation, erection, and commissioning of HT/LT poles, ensuring efficient transmission and distribution 
- 2 Optical Fiber Cable (OFC) and Double-Walled Corrugated (DWC) cable laying, supporting both electricity and smart utility projects. 
- 3 Related electrical works, executed with adherence to quality and safety benchmarks. 

This new vertical strengthens our cross-sector capability and positions us to play a larger role in India's energy access mission.

Additional Fabrication Services

Desco has expanded into fabrication services, leveraging its technical expertise to deliver solutions for both utility and industrial clients.

Our offerings include:

- 1 Utility pipeline fabrication – MS, CS, GI, HDPE, MDPE pipelines tailored for diverse applications. 
- 2 Structural fabrication – including plant sheds, parking sheds, cable trays, and other industrial structures. 

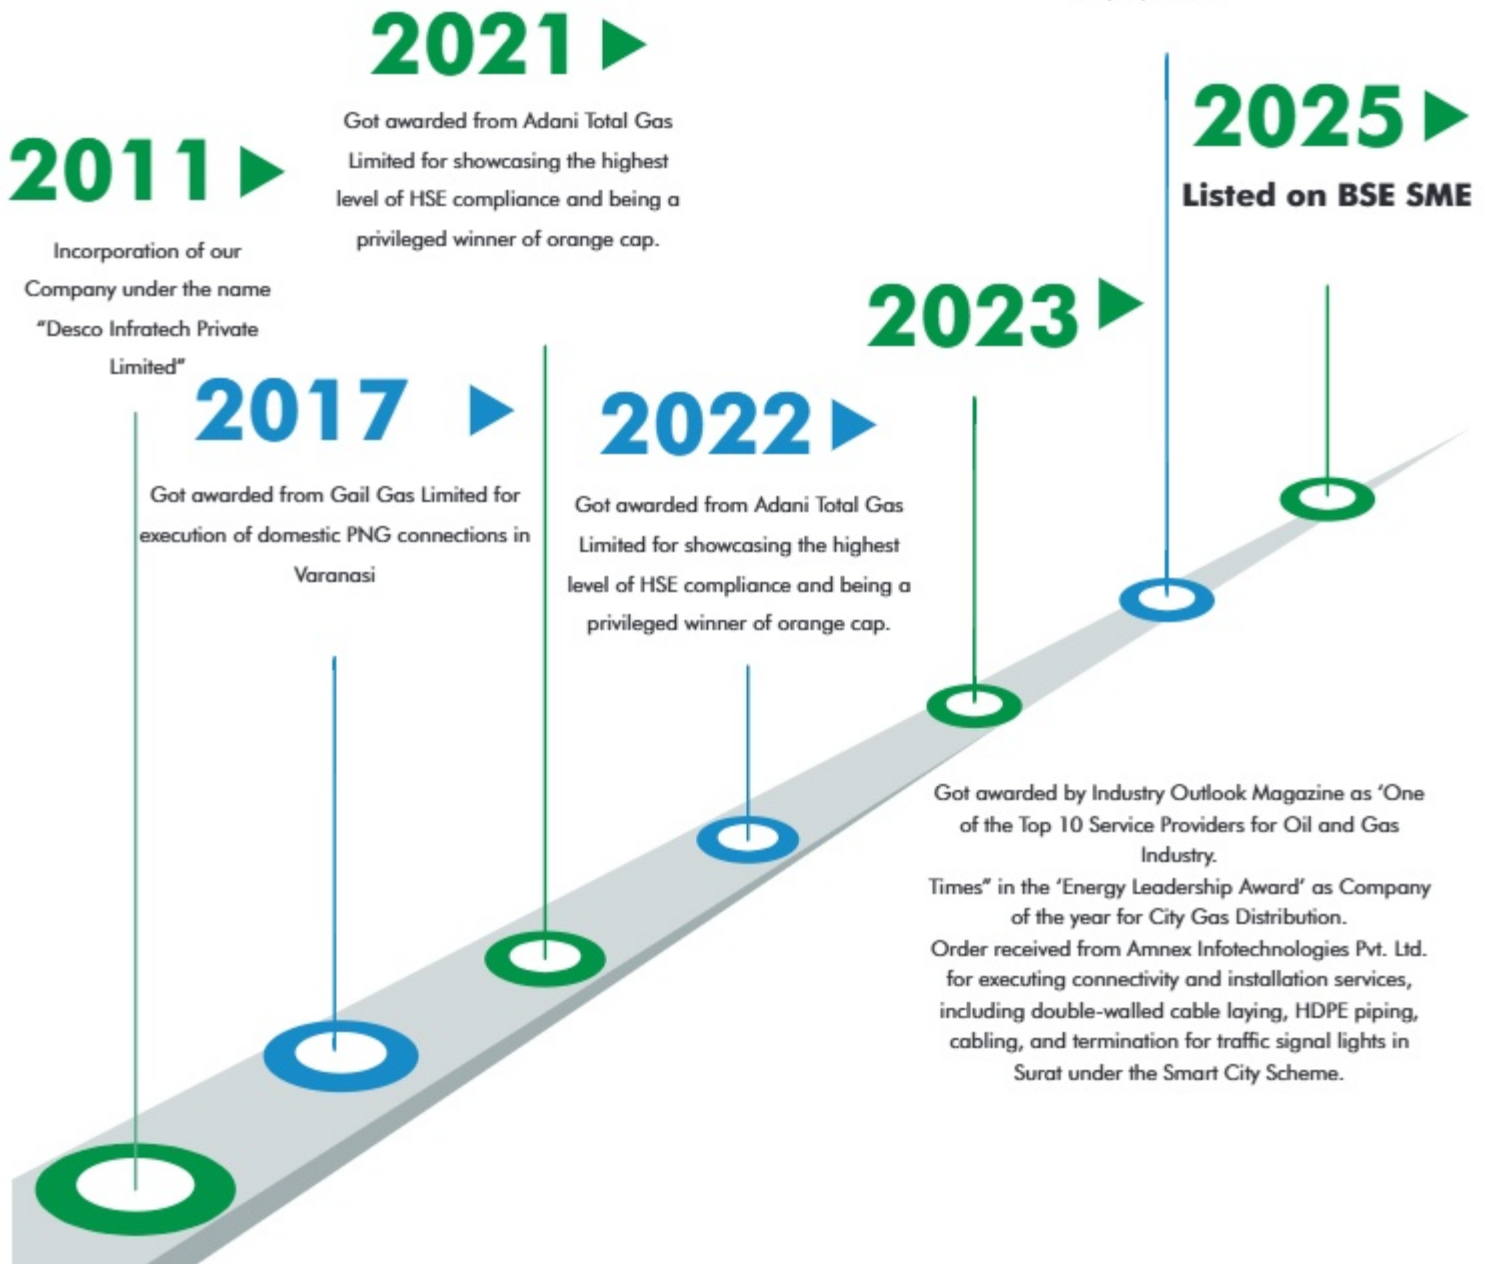

This business segment complements our core infrastructure services and ensures we can provide end-to-end project solutions under a single umbrella.

Competitive Edge Across Segments

What sets Desco apart across these segments is our proven safety systems (daily tool-box talks, audits, and strict compliance), our track record of on-time project completion, and our commitment to sustainability and workforce welfare. This operational discipline, combined with our diversified project portfolio, ensures resilience and consistent growth.

COMPANY MILESTONES

LISTING CEREMONY

On April 1, 2025, Desco Infratech Limited was successfully listed on the Bombay Stock Exchange SME platform—marking a pivotal step in our growth journey. The IPO received an overwhelming response, with an overall subscription of 83.75 times and a listing premium of 6.67%. This milestone enhances our market visibility, strengthens governance, and enables strategic capital deployment toward infrastructure expansion, including a new corporate office in Surat, machinery upgrades, and working capital support. Our listing reflects investor confidence and reinforces our commitment to long-term value creation for all stakeholders.

STRATEGIC MILESTONES

CHAIRMAN'S MESSAGE

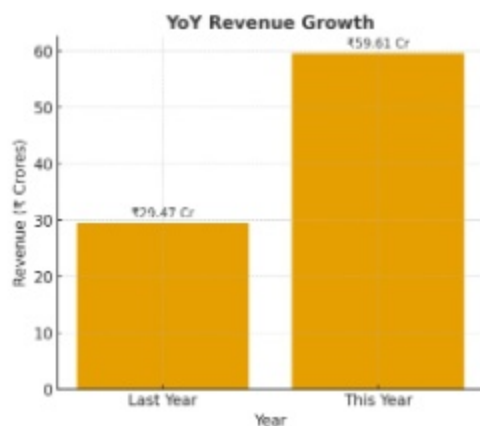

**towards shareholders –
Mr. Pankaj Pruthi Desai**

Dear Shareholders,

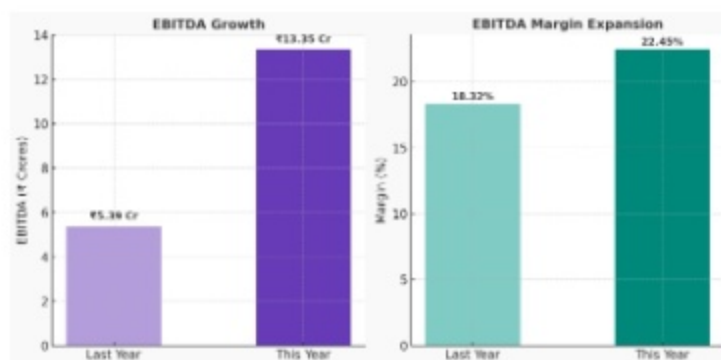

It is with immense gratitude and humility that I present to you this Chairman's Message at a defining juncture in our company's journey. The successful listing of Desco Infratech Limited on the BSE SME Platform in April 2025 marked not only a financial milestone but also a significant validation of the trust reposed in us by investors, customers, and stakeholders. The overwhelming response we received from the market has further strengthened our resolve to build enduring value, scale new heights, and reaffirm our mission of creating sustainable infrastructure for India's growth.

PERFORMANCE HIGHLIGHTS OF FY25

The year FY25 was transformative for Desco. We delivered strong financial and operational results, reflecting both the resilience of our business model and the dedication of our team.

Revenue grew by 102.25% YoY, reaching Rs. 59.61 crores, supported by robust project execution across multiple verticals.

EBITDA increased by 147.82% to Rs. 13.35 crores, with margins expanding by 413 bps to 22.45%, demonstrating efficient cost management and operational excellence.

Profit After Tax (PAT) surged 172.69% to Rs. 9.06 crores, with margins improving by 393 bps to 15.19%.

Our Net Worth increased from Rs.12.11 crores in FY24 to Rs. 58.87 crores in FY25, reflecting strong capitalisation post-IPO.

Debt-to-equity improved to 0.19, strengthening our balance sheet and enabling prudent growth.

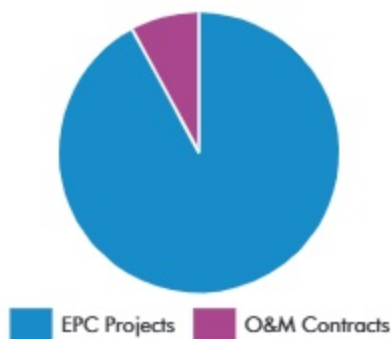

These numbers underline our consistent focus on financial discipline, execution efficiency, and value creation.

ESTABLISHED LEGACY & EXPERIENCE

Since our inception in 2011 in Surat, Gujarat, Desco has emerged as one of the most trusted names in India's infrastructure landscape. Over the last 14 years, we have steadily built capabilities across City Gas Distribution (CGD), Water Infrastructure, Renewable Energy, and Power Distribution projects. Backed by an accumulative 34 years of industry experience of our leadership, we have created a track record of on-time, safe, and sustainable project execution.

From MDPE & steel pipeline laying to commissioning solar and power projects, we have consistently expanded our footprint across multiple regions of India. With more than 18+ clients, including major PSUs, Desco has positioned itself as a dependable partner in building India's energy and utilities backbone.

STRONG ORDER BOOK & BUSINESS VISIBILITY

As of FY25, our order book stands at more than Rs. 330 crores, comprising Rs. 307.13 crores in EPC projects and Rs. 26.38 crores in O&M contracts. This strong order book provides us with 18–24 months of revenue visibility and a healthy conversion ratio of 30–40%, ensuring continuity of growth.

This robust pipeline reflects the trust placed in us by our clients and positions us strongly to scale further in the years ahead.

OPERATIONAL MILESTONES & ACHIEVEMENTS

The past decade has been marked by several recognitions and milestones:

2023

Honoured by Industry Outlook as one of the Top 10 Service Providers for the Oil & Gas Sector, and recipient of the Energy Leadership Award for "Company of the Year" in CGD. Secured Smart City projects in Surat through Annex Infotechnologies.

2017

Awarded by GAIL Gas Limited for execution of domestic PNG connections in Varanasi.

2025

Successfully listed on BSE SME Platform, emerging as the highest-bid IPO of Q4.

2021 & 2022

Recognised by Adani Total Gas Limited for showcasing the highest standards of HSE compliance.

2024

Awarded projects by Adani Green Energy Six Limited (Gujarat Hybrid Renewable Energy Park) and PHED Jal Jeevan Mission in Jhabua (MP). Nominated for India's 5,000 Best MSME Awards for quality excellence.

In addition, our sales momentum in FY25 has been remarkable. We recorded Rs. 22.63 crores in H1 FY25 and Rs. 23.31 crores in Q1 FY25 alone, surpassing the previous half-year sales in just one quarter—clear testimony to robust demand, efficient execution, and strong operational momentum.

DIVERSIFICATION & FUTURE-FOCUSED GROWTH

While CGD remains our core strength, Desco has strategically diversified into renewable energy, water infrastructure, and power distribution, aligning with India's national priorities of clean energy and sustainable development.

We are proud of our involvement in projects that support not only industrial growth but also community well-being, including Jal Jeevan Mission projects, solar power expansions, and hybrid renewable energy parks. Looking ahead, we plan to further broaden our portfolio, tapping opportunities in smart infrastructure, utility digitalisation, and large-scale renewable projects.

RECOGNITION & MARKET STANDING

The recognition we have earned—whether through industry awards, safety excellence, or market appreciation—validates our strengths. Being recognised as one of the Top 10 Service Providers for the Oil & Gas Sector (2023) and achieving one of the most subscribed IPOs of Q4 FY25 are milestones that place Desco among the emerging leaders in the infrastructure sector.

OUR COMMITMENT AHEAD

As we chart the next phase of our growth, we remain deeply committed to:

- ▶ Delivering high-quality infrastructure with safety, sustainability, and efficiency.
- ▶ Embracing innovation and technology adoption to improve execution.
- ▶ Strengthening our workforce capabilities and welfare, as our people remain the driving force behind every achievement.
- ▶ Ensuring value creation for investors and stakeholders, aligned with national priorities.

With continued investor support, industry trust, and the dedication of our team, I am confident that Desco Infratech is poised to scale greater heights, delivering infrastructure that powers communities, enables national growth, and fuels the future.

With Gratitude,
Pankaj Pruthi Desai

MANAGEMENT DISCUSSION & ANALYSIS (MDA)

THE INDIAN ECONOMY

FY 2024-25 marked another year of robust performance for the Indian economy, despite being a period of heightened uncertainty in global markets. With a real GDP growth of 6.4%, India reaffirmed its position as the world's fastest-growing major economy, surpassing China and Indonesia. Although this growth was lower than the 8.2% recorded in FY 2023-24, it reflected the economy's resilience, ability to withstand global shocks, and continued domestic consumption momentum.

In absolute terms, the country's GDP at constant prices increased to Rs. 184.9 lakh crore, compared to Rs. 173.8 lakh crore in the previous year. The growth was broad-based, driven by several key sectors:

- ▶ Construction emerged as a major driver, expanding by 8.6%, supported by the government's sustained infrastructure push and buoyant housing activity.
- ▶ Services grew by 7.2%, benefiting from continued growth in financial services, IT-enabled services, and hospitality.
- ▶ Agriculture, after a subdued year, rebounded with a 3.8% rise, aided by favorable monsoon conditions and improved productivity in allied sectors.
- ▶ Manufacturing moderated to 4.5% after two years of strong double-digit growth, reflecting global demand challenges.

Lower inflation, averaging 4.9% between April–December 2024, provided additional support to consumption and investment sentiment. Importantly, India's performance came at a time when developed economies grappled with stagnation and emerging markets faced currency pressures.

While structural strengths have supported India's trajectory, challenges persist. Rising unemployment, rural distress, and uneven income distribution remain key concerns. Nevertheless, the Union Budget reinforced long-term reforms, emphasizing capital expenditure, housing for all, renewable energy adoption, and MSME development. Rising GST and direct tax collections reflected strong compliance and buoyant economic activity.

ECONOMIC OUTLOOK FOR FY 2025-26

Looking ahead, FY 2025-26 is expected to be a year of steady but moderated growth. Both the Reserve Bank of India (RBI) and international agencies such as Fitch Ratings project GDP growth in the range of 6.3%–6.5%. This projection reflects cautious optimism—acknowledging global uncertainties but underscoring confidence in India's fundamentals.

Key drivers for the coming year include:

- Resilient domestic demand, supported by a growing middle class, urbanization, and rising infrastructure investments.
- Healthy agricultural output expected to continue with policy support and favorable climate.
- Government-led capital expenditure in logistics, energy, and housing, which will further boost private sector investment.
- Accommodative monetary policy by RBI, ensuring liquidity for priority sectors.

Challenges remain, particularly around external trade risks due to tariff barriers, ongoing geopolitical conflicts, and high dependence on global crude oil prices. Moreover, the need to create employment opportunities at scale and to deepen manufacturing competitiveness will be crucial for sustaining growth momentum.

Overall, India is expected to remain a standout performer globally, with growth supported by its domestic demand-led model and policy stability.

INDUSTRY OUTLOOK

ECONOMIC OUTLOOK FOR FY 2025-26

The Indian City Gas Distribution sector is on the cusp of exponential growth. Valued at approximately Rs. 96,050 Crores in 2025, the market is projected to nearly double to Rs. 1,77,650 Crores by 2030, reflecting a CAGR of 12–13%.

96,050 Cr

 2025 baseline reflecting robust infrastructure deployment

1,77,650 Cr
Projected Marketed Value
 2030 target representing near-doubling of sector value

12-13%
Compound Annual Growth
 Sustained CAGR indicating exceptional expansion trajectory

This rapid expansion is supported by:

POLICY SUPPORT

The government aims to raise the share of natural gas in the primary energy mix from the current ~6–7% to 15% by 2030.

INFRASTRUCTURE EXPANSION

Over 5,665 CNG stations and more than 11 million PNG connections are already operational as of March 2023, with network expansion licensed across 88% of India's landmass.

DEMAND GROWTH

Both industrial clusters and transport are expected to drive demand. Rising adoption of CNG vehicles and industry preference for cleaner fuels are pivotal factors.

IEA Consumption Projections

The International Energy Agency projects India's natural gas consumption to rise nearly 60% by 2030, with City Gas Distribution contributing significantly to this growth trajectory.

The International Energy Agency (IEA) projects India's natural gas consumption to rise nearly 60% by 2030, to about 103 bcm per year, with CGD contributing significantly.

NETWORK COVERAGE ACHIEVEMENT

The Petroleum and Natural Gas Regulatory Board (PNGRB) has now expanded the CGD network to 784 districts across 34 states and UTs, covering nearly the entire mainland under 307 Geographical Areas (Gas).

PNGRB has set a 2034 Minimum Work Programme (MWP) target of:

Eleven states and UTs—including Assam, Tripura, Tamil Nadu, Puducherry, Karnataka, Madhya Pradesh, Bihar, Rajasthan, Punjab, Uttar Pradesh, and West Bengal—have either notified or are drafting state CGD policies. Collectively, these regions account for 55% of India's population and 60% of households, with sub-targets of 7.85 crore PNG connections and 10,131 CNG stations by 2034.

Population Coverage
Across eleven states with CGD policies

Household Reach
Of India's total household base

Progress in FY 2024–25 was significant: 21 lakh new PNG connections were added, national gas sales rose 11%, CNG vehicle registrations surged by 25% (from 58.61 lakh in March 2023 to 81.95 lakh in March 2025), and 1,206 new CNG stations were commissioned nationwide

This large-scale expansion is central to India's ambition of becoming a gas-based economy, with PNGRB's ongoing engagement with state governments aimed at harmonizing VAT on gas, rationalizing tariffs, and streamlining approval processes. For Desco, this provides a long-term growth runway as it aligns its business model with these national priorities.

For Desco, this growth trajectory translates into substantial opportunities in expanding PNG (piped natural gas) networks and CNG station infrastructure, enabling the Company to deepen its role in India's clean energy transition.

POWER TRANSMISSION

The power transmission sector is undergoing a transformational shift, driven by the twin objectives of capacity expansion and grid modernization. In FY 2024-25 alone, India commissioned 8,830 circuit kilometers of new transmission lines, almost twice the previous year's additions.

The sector's outlook is underpinned by significant capital commitments. The Government has earmarked investments of nearly Rs. 9.15 lakh crore (~USD 107 billion) by 2032 to build transmission infrastructure that can integrate large-scale renewable energy capacity. This forms nearly 15% of the total energy infrastructure pipeline for the country.

Simultaneously, the emergence of smart grids and digitalized transmission systems is reshaping the industry. Valued at Rs. 74.8 Crores in 2024, the smart grid segment is expected to grow steadily at 5% CAGR, supported by automation, AI/ML-driven monitoring, and initiatives like the National Smart Grid Mission. Efforts such as creating a digital energy grid on the lines of India's UPI model are expected to cut distribution costs by 25% while enhancing transparency.

With peak power demand touching 250 GW in FY 2024-25, the need for advanced, reliable transmission networks has never been higher. Desco is strategically positioned to capture this opportunity by scaling its transmission infrastructure services and embracing smart technology solutions.

GOVERNMENT INITIATIVES

India's energy transition is being strongly shaped by government initiatives. The country is expected to account for 43% of Asia's new trunk and transmission pipeline projects between 2024 and 2028, adding nearly 29,800 km of pipelines. The national pipeline grid is targeted to expand to 34,500 km by March 2025, from 22,335 km in January 2023.

Building on its earlier targets, PNGRB has now officially expanded its CGD licensing to cover 784 districts nationwide, ensuring near-universal access. With the 2034 targets of 12.63 crore PNG connections and 18,336 CNG stations, the national pipeline grid is set to expand rapidly, strengthening the "One Nation, One Grid" vision.

In addition, PNGRB's Unified Tariff regime has been rolled out, based on the principle of "One Nation, One Grid, One Tariff", creating three distance-based tariff zones to rationalize costs and improve affordability. The regulator is also in consultations with states to potentially bring natural gas under the GST

framework, which would further accelerate adoption.

Significant investments—estimated at Rs. 5695 Crores over the next 5–6 years—are planned for exploration and infrastructure, with a special focus on the North-Eastern states, Jammu & Kashmir, and Ladakh. The PNGRB's Unified Tariff regime ("One Nation, One Grid, One Tariff") aims to rationalize costs and promote natural gas adoption across geographies. Discussions are also underway to bring natural gas under the GST framework, a move that could accelerate adoption and strengthen India's commitment to its Net Zero 2070 goals.

COMPANY OVERVIEW

Founded in 2011, Desco Infratech Limited (DESCO) has emerged as a dynamic player in the infrastructure sector, with expertise spanning City Gas Distribution, power transmission, renewable-linked infrastructure, and water distribution systems.

The Company achieved a significant milestone in FY 2025 by listing on the BSE SME Platform (Scrip Code: 544387). Today, Desco has a presence across major states including Gujarat, Uttar Pradesh, Maharashtra, Punjab, Haryana, Madhya Pradesh, Rajasthan, Tamil Nadu, Karnataka, and Delhi.

With a strong order book of nearly Rs. 330 crore, Desco is delivering projects for marquee clients including BPCL, IOCL, HPCL, Adani Total Gas, and GAIL Gas Limited. Its EPC-led model (90% EPC and 10% O&M contracts) ensures visibility for sustained revenue growth. Importantly, the Company has scaled up its bidding capability to handle projects of Rs. 50 crore and above, compared to much smaller orders in earlier years.

Operationally, FY 2024-25 marked substantial progress, with pipeline commissioning up by 82%, PNG conversions rising 64%, and network-ready connections increasing 72% year-on-year. These achievements reflect not only Desco's execution capabilities but also its ability to align with India's expanding energy needs.

Under the leadership of Mr. Pankaj Pruthi Desai, an entrepreneur with over 34 years of industry experience, Desco has built a culture of efficiency, quality, and safety. Supported by a new-generation leadership team, the Company is now focused on geographic expansion, portfolio diversification, and digital transformation.

OUR CLIENTS

SWOT ANALYSIS

The dynamic and competitive nature of the infrastructure sector necessitates a clear understanding of Desco's strengths, weaknesses, opportunities, and threats. The Company continuously reviews its internal capabilities and external environment to align strategy with emerging opportunities while mitigating risks.

Strengths

Desco's core strength lies in its execution excellence. Over the past decade, the Company has delivered complex pipeline networks, CGD systems, and power transmission projects across multiple geographies, consistently meeting stringent timelines, quality benchmarks, and safety standards. This has enabled Desco to build enduring relationships with leading clients, including Adani Total Gas, GAIL Gas, BPCL, IOCL, and HPCL.

Another key strength is its debt-free balance sheet, which provides Desco with the financial flexibility to take on large projects without the burden of interest costs. The Company also maintains a robust order book of Rs. 270 crore, offering visibility over the next 18–24 months and reducing revenue volatility. Recognition through awards such as the Adani Samarthan Award for safety excellence further underscores Desco's reputation for operational reliability.

Weaknesses

Despite its achievements, Desco remains heavily dependent on the EPC business model, which contributes nearly 90% of revenues. This makes its revenue streams sensitive to the timing and scale of project awards. Additionally, while the Company has expanded into multiple states, a significant proportion of revenue is concentrated in Gujarat and Uttar Pradesh, exposing it to regional risks. Compared to larger infrastructure peers, Desco also remains a relatively small-scale player, with limited international presence to date.

Opportunities

The growth outlook for Desco is highly favorable. India's ambition to raise the share of natural gas in the energy mix, coupled with an investment commitment of Rs. 9.15 lakh crore in power transmission infrastructure, provides an unprecedented opportunity for companies like Desco. The Company's ability to bid for larger projects worth Rs. 50 crore and above marks a significant shift in scale, enabling participation in bigger and more lucrative tenders.

Desco's diversification into renewable-linked infrastructure, power cables, and smart city projects broadens its growth runway. Post its IPO, the Company is also better positioned to explore international markets, particularly in the Middle East and Asia, where demand for CGD and transmission infrastructure is rising rapidly.

Threats

The infrastructure industry is inherently exposed to policy, regulatory, and execution risks. Aggressive bidding by competitors could compress margins. Regulatory delays, such as PNGRB approvals or changes in tariff structures, may impact project timelines. Infrastructure projects also face risks related to land acquisition, local clearances, and cost escalations. Finally, macroeconomic shocks—such as commodity price volatility, geopolitical conflicts, or pandemics—could disrupt execution or demand.

RISK MANAGEMENT

Operating in sectors such as city gas distribution and power transmission requires constant vigilance in risk management. Desco has instituted a robust risk management framework, overseen by its Board of Directors, Audit Committee, and Risk Management Committee. This framework proactively identifies, evaluates, and mitigates risks to ensure business continuity and safeguard stakeholder value.

Occupational Health & Safety Risk

Given the technical and hazardous nature of CGD and transmission projects, safety is paramount. Any lapses could lead to accidents, environmental damage, or reputational harm.

Mitigation: Desco conducts regular safety training, emergency drills, and hazard identification workshops. It invests in protective gear, modern equipment, and rigorous inspections to ensure compliance with global safety standards.

Human Resource Risk

The success of projects depends heavily on skilled manpower. Attrition of key personnel or non-compliance with labor standards could impact execution and reputation.

Mitigation: Desco fosters a positive and inclusive work culture, invests in employee training, and ensures adherence to labor laws. It has also introduced leadership development programs to nurture future managers.

Competition Risk

EPC and CGD infrastructure are highly competitive segments with aggressive pricing by multiple players.

Mitigation: Desco leverages its proven execution track record, quality assurance, and client trust to maintain an edge. The Company is selective in bidding, focusing on projects where it has clear technical and financial strengths.

Regulatory & Policy Risk

Approvals from PNGRB, local authorities, and state governments are critical for timely execution. Any delay could impact schedules.

Mitigation: A dedicated compliance team ensures regulatory requirements are monitored and approvals obtained on time. Regular internal audits help track compliance gaps.

Liquidity Risk

Project-based models require high working capital. Payment delays from clients could impact liquidity.

Mitigation: Desco's debt-free position, prudent cash management, and strong client relationships help ensure smooth cash flows.

Data Privacy & Cybersecurity Risk

Increasing digitalization of bidding and project management raises exposure to cyber threats.

Mitigation: The Company has implemented IT audits, employee awareness programs, secure backup systems, and incident response protocols.

FINANCIAL HIGHLIGHTS

REVENUE GROWTH

Desco's revenues grew sharply over the past four years—from Rs. 19.78 crore in FY 2021-22 to Rs. 59.45 crore in FY 2024-25, marking a three-year CAGR of ~44%. The standout year was FY 2024-25, where revenues more than doubled, reflecting the Company's ability to scale execution and capitalize on opportunities in both CGD and power transmission.

44%

Revenue CAGR

Three-year compound annual growth rate demonstrates consistent expansion

3X

Growth Multiple

Revenue tripled from ₹19.78 crore to ₹59.45 crore over four years

EBITDA GROWTH

EBITDA has demonstrated even stronger momentum, rising from ₹1.66 crore in FY 2021-22 to ₹13.34 crore in FY 2024-25—an eight-fold increase, with a CAGR of ~98%. The improvement reflects operational efficiency, better project mix, and scale-driven margin expansion.

NET WORTH EXPANSION

Net Worth CAGR

Exceptional compound annual growth rate over four years

Growth Multiple

Net worth expanded from ₹3.85 crore to ₹58.88 crore

Net worth rose from Rs. 3.85 crore in FY 2021-22 to Rs. 58.88 crore in FY 2024-25, representing a CAGR of over 120%. This growth, combined with a debt-free balance sheet, strengthens the Company's ability to finance larger projects internally.

EARNINGS PER SHARE (EPS)

EPS grew strongly from Rs. 33.20 in FY 2021-22 to a peak of Rs. 124.55 in FY 2023-24. In FY 2024-25, EPS moderated to Rs. 11.80, largely due to the expanded equity base following the IPO. This reflects earnings dilution, not a decline in profitability, and positions the Company with a stronger capital structure for future growth.

MANAGEMENT OUTLOOK

Desco Infratech has firmly established itself as a reliable and fast-growing partner in India's energy and infrastructure transition. With over a decade of expertise, the Company has demonstrated its ability to deliver mission-critical projects for marquee clients across India.

Looking ahead, Desco's strategy is focused on:

Expanding its presence in high-growth CGD markets, aligning with PNGRB's licensing of over 300 geographical areas covering ~70% of India's population.

Scaling operations in power transmission, particularly in renewable integration and smart grid infrastructure.

Exploring international opportunities in Asia and the Middle East, leveraging its credentials post-IPO.

Driving operational efficiency through digital adoption, technology-led solutions, and vendor ecosystem development.

Maintaining financial prudence, ensuring growth remains sustainable on the back of a debt-free balance sheet and strong cash flows.

FUTURE OUTLOOK

Desco's outstanding order book of Rs. 270 crore as on March 31, 2025, provides revenue visibility for the next two years. With enhanced bidding capacity, the Company is now capable of participating in projects 2–3x larger than in previous years.

In the CGD sector, opportunities will continue to grow as India expands its national gas grid, with demand expected to rise across residential, industrial, and transport sectors. In the power transmission sector, large-scale investments and the government's thrust on renewable integration will generate new business opportunities.

Desco also intends to diversify into renewable-linked infrastructure and pursue selective international projects, creating a balanced portfolio of opportunities. By combining execution strength, financial stability, and forward-looking strategy, Desco is confident of sustaining its growth momentum while contributing to India's vision of a cleaner and more efficient energy future.

All documents referred to in the Notice will also be available electronically for inspection without any fee by the Members from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an e-mail to cs@descoinfra.co.in.

22. Members seeking any information with regard to the accounts or any matter to be considered at the AGM, are requested to write to the Company on or before 23/09/2025 to cs@descoinfra.co.in. The same will be replied by the Company suitably.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

i. The voting period begins on 27/09/2025 at 9:00 AM and ends on 29/09/2025 at 5:00 PM. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of 23/09/2025 may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.

ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013:

ITEM NO. 4:

Regularisation of Mr. Yash Gurnani (DIN: 09605466) as Independent Director

The Board of Directors, on the recommendation of the Nomination and Remuneration Committee, appointed Mr. Yash Gurnani (DIN: 09605466) as an Additional Director (Non-Executive Independent Director) with effect from 05/09/2025, in accordance with Section 161 of the Companies Act, 2013. He holds office up to the date of this Annual General Meeting.

The Company has received a notice in writing under Section 160 of the Act from a Member proposing his candidature for appointment as a Director.

Mr. Gurnani has submitted a declaration that he meets the criteria of independence as laid down under Section 149(6) of the Act and Regulation 16(1)(b) of SEBI LODR and is not disqualified from being appointed as a Director in terms of Section 164 of the Act. In the opinion of the Board, he possesses the required integrity, expertise and experience which will add significant value to the Board's deliberations.

Pursuant to Regulation 36(3) of SEBI LODR, a brief profile of Mr. Gurnani, including his expertise, qualifications and other directorships, is annexed to this Notice and is also available on the Company's website.

The Board recommends the appointment and regularization of Mr. Yash Gurnani as an Independent Director for a period of 5 consecutive years, not liable to retire by rotation. Accordingly, the resolution is recommended for approval of Members as an Ordinary Resolution.

None of the Directors, Key Managerial Personnel of the Company, except Mr. Gurnani, are concerned or interested, financially or otherwise, in this resolution.

ITEM NO. 5:

Appointment of Secretarial Auditor

The provisions of Section 204 of the Companies Act, 2013 ("the Act") read with Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, mandate every listed company to annex with its Board's Report a Secretarial Audit Report given by a Company Secretary in practice. The Secretarial Auditor is required to examine and report on the compliance of applicable corporate laws, rules, regulations, secretarial standards and other statutory requirements.

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Desco Infratech Limited** (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2025

- complied with the statutory provisions listed hereunder and
- proper Board-processes and compliance-mechanism in place;

to the extent, in the manner and subject to the reporting made hereinafter.

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011; (Not applicable to the Company during the Audit Period)
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015; (Not applicable to the Company during the Audit Period)
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; (Not applicable to the Company during the Audit Period)
 - e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; (Not applicable to the Company during the Audit Period)
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 (Not applicable to the Company during the Audit Period); and
 - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (Not applicable to the Company during the Audit Period);

We have also examined compliance with the applicable clauses of the following:

- i. Secretarial Standard issued by the Institute of Company Secretaries of India.
- ii. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

During the period under review, the Company has complied with the provisions of the Acts, Rules, Regulations, Guidelines, Standards etc. mentioned hereinabove except

1. *In respect of the Private Placement of 23,209 equity shares approved by the members of the Company at the Extra Ordinary General Meeting held on 20th August, 2024, and the subsequent allotment made at the Board Meeting held on 11th September, 2024, the following non-compliances were observed:*

- *The Company received share application money through banking channel in a separate bank account. However, the said monies were utilized before the*

allotment of shares and filing of Form PAS-3 with the Registrar of Companies, which is not in compliance with Section 42(4) of the Companies Act, 2013.

- *The Company has not complied with the provisions of Rule 14(1) of the Companies (Prospectus and Allotment of Securities) Rules, 2014, inasmuch as the Private Placement Offer Letter in Form PAS-4 was circulated to identified persons after obtaining members' approval by way of Special Resolution, but prior to filing of e-Form MGT-14 with the Registrar of Companies.*

2. Rule 9A(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 requires that, before making any offer of securities, an unlisted public company must ensure that the entire shareholding of its promoters, directors and key managerial personnel is held in dematerialised form. The Company allotted 53,13,452 bonus shares on September 30, 2024 in dematerialised form. However, on the date of allotment, the shares of certain promoters, directors and key managerial personnel were still in the process of being dematerialised.

We further report that

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors, Independent Directors and Women Director. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- Adequate notice was given to all Directors for scheduling the Board Meetings. The agenda and detailed notes on agenda were circulated at least seven days in advance, or at a shorter notice with the consent of the Board, in accordance with the applicable provisions, and
- a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.
- As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

We further report that, based on our review of the compliance framework instituted by the Company and relying upon the compliance certificates issued by various departments, which have been duly placed before and noted by the Board of Directors at their respective meetings, we are of the opinion that the Company has in place adequate systems and processes, commensurate with its size and scale of operations, to effectively monitor and ensure compliance with applicable laws, rules, regulations, and guidelines.

We further report that during the audit period; the Company undertook the following events/actions which have a significant bearing on its affairs:

1. Conversion from a Private Limited Company to an Unlisted Public Company, and consequent change of name from Desco Infratech Private Limited to Desco Infratech Limited, pursuant to approval granted by the Registrar of Companies, CPC, on 26th July, 2024.
2. Alteration of the Main Object Clause of the Memorandum of Association by inserting Clauses 2 to 8 under Clause III(A), approved by members through a Special Resolution at the General Meeting held on 1st June, 2024.

Auditor's Responsibility

Based on audit, our responsibility is to express an opinion on the compliance with the applicable laws and maintenance of records by the Company. We conducted our audit in accordance with the auditing standards CSAS 1 to CSAS 4 ("CSAS") prescribed by the Institute of Company Secretaries of India ("ICSI"). These standards require that the auditor complies with statutory and regulatory requirements and plans and performs the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the CSAS. Our report of even date is to be read along with this letter.

1. Maintenance of secretarial record is the responsibility of the management of the company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices, we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the company and for which we relied on the report of statutory auditor.
4. Where ever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.

5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF
DESCO INFRATECH LIMITED
(Formally Known as DESCO INFRATECH PRIVATE LIMITED)

Report on the Financial Statements

Opinion

We have audited the accompanying Financial Statements of DESCO INFRATECH LIMITED Formally Known as DESCO INFRATECH PRIVATE LIMITED) ("the company"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Profit and Loss and Cash Flow Statements for the period then ended and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information. (hereinafter referred to as "the Financial Statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006 and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and its profit and cash flow for the period ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAS) specified under section 143(10) of the companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context. We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatements of the financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the

basis for our audit opinion on the accompanying financial statements.

Other Information

The company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the company's annual report, management discussion and analysis, Board's report including Annexures to Board's report but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated/inconsistent.

If, based on the work we have performed, we conclude that there is material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Director's Responsibility for the Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the Accounting Standards specified under Section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error

In preparing the Financial Statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the Financial Statements made by management and the Board of Directors.
- Conclude on the appropriateness of management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any

identified misstatements in the Financial Statements.

We communicate with those charged with governance-regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013 we give in the "Annexure-A", a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. (A) As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books except for the matters stated in paragraph 2(C)6 below on reporting under Rule 11(g) of The Companies (Audit and Auditors) Rules, 2014;
 - c. The Balance Sheet, the Statement of Profit and Loss and Cash Flow Statement dealt with by this Report are in agreement with the relevant book of account;
 - d. In our opinion, the aforesaid Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e. On the basis of written representations received from the directors as on 31 March, 2025, taken on record by the Board of Directors, none of the directors are disqualified as on 31st march, 2025, from being appointed as a director in terms of Section 164(2) of the Act; and
 - f. The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(A)b above on reporting under Section 143(3)(b) of

the Act and paragraph 2(C)6 below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

- g. With respect to the adequacy of the internal financial controls over financial reporting of these standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- (B) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the current period is in accordance with the provisions of section 197 of the Act.

The remuneration paid to any director is not in excess of the limits laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197(16) which are required to be commented upon by us.

- (C) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

1. The Company has disclosed the impact of pending litigations as at 31 March, 2025 on its financial position in its Financial Statements- Refer Note No.42 to the Financial Statements.
2. The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.
3. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company, if any.
4.
 - a. The Management has represented that, to the best of its knowledge and belief, to the Financial Statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - b. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall whether,

directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
5. During the year, the Company has not declared or paid any dividend in contravention of the provisions of Section 123 of the Companies Act, 2013.
6. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1 April 2023. Based on our examination which included test checks, except for the instances mentioned below, the Company has used accounting software for maintaining its books of account, which has a feature of recording audit trail (edit log) facility and the same has operated throughout the period for all relevant transactions recorded in the respective software. Further, for the periods where audit trail (edit log) facility was enabled and operated throughout the year for the respective accounting software, we did not come across any instance of the audit trail feature being tampered with.
 - I. The feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes and at application layer for the accounting software used for maintaining the books of account relating to Fixed Assets Register throughout the year.
 - II. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2024, and the company has the system of preservation of audit trail as per the statutory requirements for record retention for the period ended March 31, 2025.

Annexure A to the Independent Auditors Report

(Referred to in paragraph 1 under the heading Report on other legal and regulatory requirements of our report)

Re: DESCO INFRATECH LIMITED (Formerly known as DESCO INFRATECH PRIVATE LIMITED)

The Annexure referred to in Independent Auditors' Report to the members of the Company on the financial statements for the period ended 31st March, 2025 we report that:

In terms of the information and explanations sought by us and given by the company and the books of account and records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- I.
 - a. (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (B) The Company has maintained proper records showing full particulars of Intangible Assets.
 - b. The company has a regular programme of physical verification of its Property, Plant and equipment by which all Property, Plant and Equipment are physically verified by the management in the phased manner over the period of three years. In accordance with this programme, certain Property, Plant and Equipment were verified during the year and no material discrepancies were noticed on such verification. In our opinion, the periodicity of such physical verification is reasonable having regard to the size of the Company and the nature of its assets.
 - c. Based on the examination of the records and according to the information and explanation given to us by the management, we report that during the year under audit the company has not owned any immovable property (other than those that have been taken on lease and lease agreements are duly executed in favour of the company) and hence this clause is not applicable. The company has not revalued any of its Property, Plant and Equipment including intangible assets during the year ended on 31st March, 2025.
 - d. There are no proceedings initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- II.
 - a. The inventory includes, materials relating to work contracts. The management has conducted physical verification of inventory except goods-in-transit at reasonable intervals during the year and the coverage and procedures of physical verification of inventory followed by the management are appropriate in relation to the size of the Company and the nature of its business. No discrepancies of 10% or more were noticed in the aggregate for each class of inventory during the year.

- b. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits of less than ₹5 crores in aggregate, at any point of time during the year, from any bank or financial institution on the basis of security of current asset. Therefore, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company.
- III. During the year the Company has not made any investment in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, LLPs or other parties and hence provisions of clauses 3(iii) (a), (b), (c), (d), (e) and (f) of the Order are not applicable to the Company and hence not commented upon.
- IV. There are no loans, investments, guarantees, and security in respect of which provisions of section 185 and 186 of the Companies Act, 2013 is applicable and accordingly, the requirement to report on clause 3(iv) of the Order with respect to section 185 and 186 of the Companies Act, 2013 is not applicable to the Company.
- V. The company has neither accepted any deposits from the public nor accepted any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Companies Act and the Rules made thereunder, to the extent applicable. Accordingly, the requirement to report on clause 3(v) of the Order is not applicable to the Company.
- VI. The provisions of the Companies (Cost Records and Audit) Rules, 2014 as amended by the Companies (Cost Records and Audit) Amendment Rules, 2016 read with provisions of Sec. 148 sub clause (1) of The Companies Act, 2013 for the maintenance of cost records are not applicable to the company hence the company is not required to maintain cost records and hence not required to get the cost audit done as per provisions of the Companies (Cost Records and Audit) Rules, 2014.
- VII.
 - a. The Company is generally regular in depositing with appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, Income-tax, TDS, TCS, GST, cess and other material statutory dues applicable to it. However, there are delays in depositing the dues in respect of TDS, TCS, GST, Provident funds, ESIC and Labour Welfare Fund contributions during the year. According to the information and explanations given to us and based on our audit procedures performed by us, following are the undisputed amounts payable in respect of these statutory dues which were outstanding, at the year end, for a period of more than six months from the date they became payable. However, the same have been paid before the date of signing of this report.

Statement of Arrears of statutory dues outstanding for more than Six Months:

| Name of the Statute | Nature of the Dues | Amount (Rs.) | Period to which the amount Relates | Due Date | Date of payment | Remarks, if any |
|----------------------|--------------------|--------------|------------------------------------|------------|-----------------|-----------------|

| Income tax act, 1961 | TDS | 3,844 | Aug-2024 | 07-09-2024 | 28-04-2025 | Nil |

- b. Details of statutory dues referred to in sub-clause (a) above which have not been deposited as on March 31, 2025 on account of disputes are given below:

| Nature of Statute | Nature of Dues | Amount unpaid | Period to which the Amount relates (Financial Year) | Forum where Dispute is pending |
|--------------------------|---|-----------------|---|--|
| Karnataka CGST Act, 2017 | Mismatch in turnover declared in GSTR3B and Form 26As under the Income Tax Act, 1961. | Rs.31.48 Lakhs | 2019-20 | Before Appellate authority |
| Gujarat CGST Act, 2017 | Mismatch in the claim of ITC | Rs. 10.74 Lakhs | 2019-20 | Intimation in DRC-1A is received regarding mismatch in claim of ITC Credit. Reply submitted however hearing is pending before the concerned State Tax Authority. |
| Gujarat CGST Act, 2017 | Mismatch in the claim of ITC | Rs. 8.82 Lakhs | 2019-20 | Pending before Designated Authority under GST Amnesty Scheme. |

VIII. The company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.

IX.

- a. The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- b. The company has not been declared wilful defaulter by any bank or financial institution or government or any other lender.
- c. The company has applied the money obtained by way of term loans during the year for the purposes for which they were obtained.
- d. The company has not utilised funds raised on short-term basis for long term purposes.
- e. The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- f. The company has not raised loans during the year on the pledge of securities held in its subsidiaries, associates or joint ventures.

X.

- a. According to the information and explanations given to us and on the basis of our examination of the records of the Company, during the year, the company has made the Initial Public Offer (IPO) of the equity shares and raised total IPO proceeds of Rs. 3075 Lakhs. The closure date of IPO was 26th March, 2025 and date of allotment was 27th March, 2025. Since the amount of IPO proceeds are received in bank account at the year-end therefore the same has not been utilised for the objects for which the IPO was made till the year end. As on the date of Balance sheet, the IPO proceeds were kept in the designated Escrow Bank Account. However, till the date of this report, the company has partly utilized the money raised by way of Initial public Offer (IPO) for the purpose for which they were raised as per the details given below. Out of the remaining amount, some portion was kept in bank account and the remaining amount was remained invested in Bank FD as on the date of this report as per the following details:

| Nature of Fund raised | Purpose for which funds were raised | Total amount raised | Amount utilised for other purpose | Unutilised balance at the Balance sheet date | Details of Default (reason delay) / | Subsequently rectified and details |
|----------------------------|---|---------------------|-----------------------------------|--|---|--|
| Initial Public Offer (IPO) | Capex for setting up of corporate office at Surat, Capex for purchase of machineries, funding of working capital requirements and general corporate purpose | Rs. 3075 Lakhs | NIL | Rs. 3075 lakhs | Reasons for delay is as explained hereinabove in clause X(a). | Out of unutilised amount Rs. 1843.33 Lakhs were utilised for the purpose for which the amount were raised for IPO till the date of this report. Out of remaining unutilised amount, Rs. 531.68 Lakhs were remained deposited in the bank account of the company and Rs. 700 Lakhs were invested in Bank FD for short term. |

- b. In our opinion and according to the information and explanation given to us, during the year, the Company has made Private Placement of shares and the money raised through Private Placement were applied for the purpose for which those are raised.

XI.

- No fraud by the company or on the company by its officers or employees has been noticed or reported during the course of our audit.
- No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government;
- There are no whistle-blowers complaints received by the company during the year.

- XII. The company is not a Nidhi company. Accordingly, the provisions of clause 3(xii) of the Order are not applicable to the Company and hence not commented upon.

- XIII. Transactions with the related parties are in compliance with Section 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the notes to the financial statements as required by the applicable accounting standards.
- XIV.
- a. The Company has adequate internal audit system commensurate with the size and nature of its business.
 - b. We have considered, the Internal Audit Report for the year under audit, issued by the Internal Auditor during the year and till date, in determining the nature, timing and extent of our audit procedures.
- XV. The Company has not entered into non-cash transactions with directors or persons connected with him hence requirement to report on clause 3(xv) of the Order are not applicable to the company.
- XVI.
- a. The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) are not applicable to the company. Accordingly, the requirement to report on clause (xvi)(a) of the order is not applicable to the company.
 - b. The Company has not conducted any non-Banking Financial or Housing Finance activities without obtaining a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
 - c. The company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(d) of the order is not applicable to the company;
 - d. There is no core investment company as a part of group, hence requirement to report on clause 3(xvi)(d) of the Order is not applicable to the company.
- XVII. The company has not incurred any cash losses in the current financial year and in the immediately preceding financial year.
- XVIII. During the year, there was no resignation of statutory auditor and hence the provisions of this clause is not applicable.
- XIX. On the basis of the financial ratios disclosed in note 43(i), ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

- XX.
- a. In respect of other than on-going projects, there are no unspent amounts that are required to be transferred to a fund specified in Schedule VII of the Companies Act (the Act), in compliance with second proviso to sub section 5 of section 135 of the Act. ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **DESCO INFRATECH LIMITED (Formerly known as DESCO INFRATECH PRIVATE LIMITED)** ("The Company") as of 31st March, 2025 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. However, we are of the opinion that the company can make the Internal Controls on Financial Reporting more adequate and more effective considering the inherent risk and nature and size of the business activities carried out by the company.

NOTES ON ACCOUNTS TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31ST, 2025

1. CORPORATE INFORMATION:

DESCO INFRATECH LIMITED (Formerly Known as Desco Infratech Private Limited) ("the Company") was incorporated on 19/01/2011 as a Private Limited company domiciled in India. The company is primarily engaged in providing infrastructure and maintenance services for City gas Distribution and water supply distribution to various companies along with the O&M services to various companies for these activities on contractual basis. During the year under consideration, the company has been converted into Public Limited Company from Private Limited Company and filed its RHP with BSE for listing its shares on the BSE-SME Platform. The company has been listed on BSE-SME Platform on 1st April, 2025.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

(i) Basis of preparation of Financial Statements:

These Financial Statements of the company have been prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, 2013. The Financial Statements have been prepared under the historical cost convention on accrual basis, except in case of assets for which provision for impairment for certain financial instruments which are measured at fair value.

All amounts included in the Financial Statements are reported in Lakhs and 2 decimals thereof in Indian Rupees except for Number of shares and EPS wherever disclosed in these financial statements.

The Company has maintained and preserved all its books of accounts and records at its Registered Office situated at A-703, Swastik Universal, Besides Valentine Theatre, Dumas Road, Surat-395007, Gujarat, India.

(ii) Presentation and disclosure of Financial Statements:

During the year ending on 31ST March, 2025, the company has presented the financial statements as per Schedule III notified under the Companies Act, 2013. The statement of Cash Flows has been prepared and presented as per requirements of AS 3 "Cash Flow Statements". The disclosure requirements with respect to items in the Balance sheet and Profit & Loss Account, as prescribed in Schedule III of the Act are presented by way of notes forming part of the financial statements. The company has also reclassified the previous figures in accordance with the requirements applicable in the current year.

Accounting policies have been consistently applied from year-on-year basis.

(iii) Use of estimates:

In the application of the Company's accounting policies, management of the Company is required

to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the Financial Statements.

(iv) Property, Plant & Equipment:

Property, Plant & Equipment are carried at cost of acquisition and other applicable costs less accumulated depreciation and accumulated impairment loss, if any. The cost of fixed assets includes cost of acquisition plus, any freight, taxes, duties and other incidental expenses that are directly attributable to bring the assets to their working conditions for their intended use. Borrowing costs directly attributable to the qualifying assets are capitalized as part of the cost. The costs of internally generated assets comprise direct costs attributed to the generation of the assets.

Capital work in progress, if any comprises of the cost of fixed assets that are not yet ready for their intended use at the balance sheet date. Assets held for disposal, if any are stated at the lower of net book value and the estimated net realizable value.

When parts of the items of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment. Subsequent expenditure relating to the property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the company and the cost of the item can be measured reliably.

Gain / loss arising from de-recognition / sale / disposal of fixed assets are measured as the difference between the net disposal / sale proceeds and the carrying amount of the assets and are recognized in the statement of profit or loss when the asset is derecognized / disposed off.

Advances paid towards the acquisition of fixed assets, if any outstanding as of balance sheet date is disclosed under long term loans and advances.

No assets have been revalued during the year.

(v) Intangible Assets:

Intangible assets are stated at the consideration paid for acquisition less accumulated amortization and accumulated impairment losses, if any.

(vi) Borrowing Costs:

Loan processing charges and interest expenses paid to Bank for CC facilities and Term Loans have been charged to revenue account since the same are not attributable to the acquisition of qualifying assets as per the requirements of AS 16.

Borrowing cost primarily includes interest and amortisation of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective asset.

(vii) Depreciation / Amortization:

Depreciation on tangible fixed assets is calculated on the Straight-Line Method (SLM) based on the useful lives and residual values estimated by the management in accordance with Schedule II to the Companies Act, 2013. The identified components are depreciated separately over their useful lives; the remaining components are depreciated over the life of the principal asset.

Intangible assets, if any are amortized on basis of the economic benefits consumed by the company over the projected useful life and if the pattern of economic benefits cannot be identify reliably then the straight-line method is used.

No assets have been revalued during the year.

The company has used the following useful lives to provide depreciation on its tangible assets and intangible assets.

| Type of assets | Useful lives (in years) |
|-----------------------------------|-------------------------|
| Computers | 03 |
| Furniture and fixtures | 10 |
| Motor vehicles and Heavy Vehicles | 08 |
| Vehicles (2 wheelers) | 10 |
| Office Equipments | 05 |
| Plant and Machinery | 15 |

(viii) Impairment of Tangible and Intangible Assets:

As per the estimates made by the management and as per the various assessments made by the management, there were no indicators whether internal or external (as provided in para 8 of AS 28) which has led to the impairment loss to any assets. Since there are no such indicators which suggest that the net value of the assets would fall significantly by passage of time and normal use, the company has not provided for any impairment loss for any assets during the current financial period. The company has chosen the "value in use" technique and as per the measurement of future cash flow, the management is of the opinion that the future cash flow and the terminal value of the assets would not be significantly less than the carrying value and hence no impairment for any assets has been provided for in the financial statements.

No reversal of impairment loss has been recognized in the Profit & loss Account.

Since the company has not carried out the activities in segments, the impairment loss or reversal of the impairment loss has not been provided for the segments.

In the opinion of the Board of Directors and to the best of their knowledge and belief the aggregate value of the current assets, loans and advances on realization in the ordinary course of business, will not be less than the amount at which they are stated in the Balance Sheet.

(ix) Investments:

Investments which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties. If an investment is acquired, or partly acquired, by the issue of shares or other securities, the acquisition cost is the fair value of the securities issued.

Current investments are carried in the Financial Statements at lower of cost and fair value determined in respect of each category of the investments. Long-term investments are carried at cost. However, provision for diminution in value, if any is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, if any, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

(x) Government grants and subsidies:

Grants and subsidies from the government are recognised when there is reasonable assurance that:

- i. The Company will comply with the conditions attached to them, and
- ii. The grant / subsidy will be received.

When the grant or subsidy relates to revenue, it is recognised as income on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs, which they are intended to compensate. Where the grant relates to an asset, it is recognised as deferred income and released to income in equal amounts over the expected useful life of the related asset.

(xi) Inventories:

Inventories are stated at the lower of cost and net realisable value by following First in First Out ('FIFO') method. Cost of Inventories comprises all cost of purchase and other cost incurred in bringing inventories to their present location and condition. Cost in case of work in progress is determined on the basis of the actual expenditure attributable to the said work till the end of the reporting period.

Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

(xii) Revenue recognition:

Revenue comprises sale of services from contracts and interest. Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and that the revenue can be

reliably measured. The Company collects Goods and Services Tax (GST) as applicable on behalf of the government and therefore, this is not economic benefits flowing to the Company hence, this is excluded from revenue.

Revenue from sales of Services:

Revenue from sale of services from contracts are recognised in the statement of profit and loss based on the invoice/ upon completion of work and in respect of work-in-progress at the end of the year, the same has been recognised on proportion of service completed.

Interest Income:

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

(xiii) GST:

GST credit available on purchase of materials, purchase of capital goods and input services is not charged to cost of material, capital goods and services. GST Credit availed is accounted by way of adjustment against GST payable on rendering of services.

(xiv) Retirement and other Employee benefits:

Short term Employee benefits:

Short term benefits including salaries, social security contributions, short term compensated absences, if any (such as paid annual leave) where the absences are expected to occur within twelve months after the end of the period in which the employees render the related service, profit sharing and bonus payable, if any within twelve months after the end of the period in which the employees render the related services and non-monetary benefits (such medical care) for current employees are estimated and measured on an undiscounted basis.

During the year under consideration, the company has paid only salary to its employee and no other short-term benefits are paid to any employee.

Long term employee benefits:

Defined Contribution Plan:

All eligible employees of the company are entitled to receive benefits under the provident fund, a defined contribution plan in which both the employee and the company contribute monthly at a stipulated percentage of the covered employee's salary. Contributions are made to Employees Provident Fund Organization in respect of Provident Fund, Pension Fund and Employees Deposit Linked Insurance Scheme, as applicable at the prescribed rates and are charged to Statement of Profit and Loss at actuals. The company has no liability for future provident fund benefits other than its annual contribution.

Defined Benefit Plan:

The Company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. However, the company has not made any such contributions during the year. The cost of providing benefits under the defined benefit plan is based on an independent actuarial valuation carried out using the projected unit credit method.

Actuarial gain / loss is directly credited / debited to the Profit and loss account.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

(xv) Foreign Exchange Transactions:

The Company has not entered into any Foreign Exchange Transactions during the year under consideration.

The company has not entered into any forward exchange contracts during the year.

(xvi) Taxation:

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss. The amount of current tax actually determined at the time of filing of IT return for the Assessment Year determined the final self-assessment tax liability and accordingly the company has reversed the excess provision of current tax charged to statement of profit and loss in earlier period or made additional provision for current tax not charged to statement of profit & loss, in current reporting period as the case may be.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognised for all taxable timing differences. Deferred tax assets are recognised for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each reporting date, the Company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

Separate and detailed calculation of deferred tax is appended in these notes.

(xvii) Provisions and contingent liabilities, Contingent assets:

A provision is recognised when the Company has a present obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made of the amount of obligation. Provisions are not discounted to their present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These estimates are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Provisions of various expenses are recognized in the financial statements since there exists present obligations as a result of event and the expenses are accrued and incurred during the year.

The opening balance of provisions is used during the year against the payments during the year. The closing balances of provisions are the expenses accrued during the year and provided.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably.

The Company does not recognise a contingent liability but discloses its existence in the Financial Statements unless the possibility of an outflow is remote.

A contingent asset is not recognized in the Financial Statements and hence not disclosed.

(xviii) Earnings / (loss) per share:

Basic earnings / (loss) per share are calculated by dividing the net profit / (loss) for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for any bonus shares issued during the year and also after the balance sheet date but before the date the Financial Statements are approved by the board of directors for the purpose of calculating diluted earnings / (loss) per share. The net profit / (loss) for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

The number of equity shares and potentially dilutive equity shares are adjusted for bonus and right issue as appropriate. The dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been issued at fair value. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date.

(xix) Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the company are segregated.

(xx) Cash and Cash Equivalents:

Cash and cash equivalents for the purpose of these financial statements comprise cash at bank and in hand, cheques on hand and short-term investments with an original maturity of three months or less.

(xxi) Operating leases:As a Lessee:

Finance leases, which effectively transfers to the Entity substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the inception of the lease term at the lower of the fair value of the leased property and present value of minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in the Profit and Loss Account. Lease management fees, legal charges and other initial direct costs of lease are capitalized.

A leased asset is depreciated on a straight-line basis over the useful life of the asset assessed by the management. However, if there is no reasonable certainty that the Entity will obtain the ownership by the end of the lease term, the capitalized asset is depreciated on a straight-line basis over the shorter of the estimated useful life of the asset.

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Profit and Loss Account on a straight-line basis over the lease term.

As a Lessor:

Leases in which the Entity transfers substantially all the risks and benefits of ownership of the asset are classified as finance leases. Assets given under finance lease are recognized as a receivable at an amount equal to the net investment in the lease. After initial recognition, the Entity apportions lease rentals between the principal repayment and interest income so as to achieve a constant periodic rate of return on the net investment outstanding in respect of the finance lease. The interest income is recognized in the Profit and Loss Account. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the Profit and Loss Account.

Leases in which the Entity does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in property, plant and equipment assets. Lease income on an operating lease is recognized in the Profit and Loss Account on a straight-line basis over the lease term. Costs, including depreciation, are recognized as an expense in the Profit and Loss Account. Initial direct costs such as legal costs, brokerage costs, etc. are recognized immediately in the Profit and Loss Account.
