## Gaudium IVF and Women Health Limited Announces Q3 & 9M FY26 Financial Results

**New Delhi, March 19, 2026:** Gaudium IVF and Women Health Limited (“Gaudium IVF” or “the Company”), a leading fertility and women’s healthcare platform in India, on March 18, 2026, announced its unaudited financial results for the quarter and nine months ended December 31, 2025.

The performance reflects the Company’s continued focus on building a scalable, outcome-driven fertility care platform, underpinned by strong clinical fundamentals, disciplined expansion, and demand sustained across key markets. This also marks the Company’s first earnings announcement following its recent listing, signalling the beginning of its next phase of institutional growth.

### Financial Performance

For the **quarter ended December 31, 2025 (Q3 FY26):**

- Revenue from operations stood at **₹2,450.70 lakh**
- Total income was **₹2,461.00 lakh**
- Profit before tax (PBT) was **₹496.31 lakh**
- Net profit stood at **₹363.05 lakh**

For the **nine months ended December 31, 2025 (9M FY26):**

- Revenue from operations stood at **₹7,400.58 lakh**
- Total income was **₹7,435.97 lakh**
- Profit before tax (PBT) was **₹2,174.59 lakh**
- Net profit stood at **₹1,614.90 lakh**

The Company maintained healthy margins during the period, supported by operating leverage and disciplined cost management.

### **Key Business Highlights**

During the period, Gaudium IVF achieved a significant milestone with the successful completion of its Initial Public Offering (IPO), raising approximately **₹16,500.098 lakh**, followed by its listing on the National Stock Exchange of India Limited and BSE Limited on **February 27, 2026**. The listing marks a pivotal step in the Company’s growth journey and strengthens its position as a differentiated, scaled platform in the fertility care segment.

**Commenting on the performance, Dr. Manika Khanna, Chairperson and Managing Director, Gaudium IVF and Women Health Limited, said:**

*“This is not just a quarter of strong performance, it reflects a category that is coming of age, and Gaudium IVF is at the forefront of shaping it. Our listing marks a structural shift, from building a trusted clinical brand to institutionalising a scalable, future-ready healthcare platform. We have been deliberate in how*

*we grow, combining clinical excellence with operational discipline. The opportunity in fertility care in India is significantly underpenetrated, and we see ourselves not just participating in this growth but leading it. Our focus is clear, expand access, deepen outcomes, and build India's most trusted and outcome-driven fertility network."*

Gaudium IVF and Women Health Limited is a leading fertility and women's healthcare platform in India, focused on building a high-quality, outcome-driven network of fertility centres. The Company combines clinical excellence, standardized protocols, and technology-led interventions to deliver consistent patient outcomes at scale, with a clear ambition to shape the future of fertility care in India.

**About Gaudium IVF and Women Health Limited:**

Founded in 2009, Gaudium IVF and Women Health Limited is a leading fertility and women's healthcare provider in India, offering advanced reproductive solutions and holistic care to women and couples. With centers across Delhi, Mumbai, Bangalore, Patna, Ludhiana, and Srinagar, Gaudium IVF provides a comprehensive suite of services, including IVF, ICSI, IUI, fertility preservation, infertility treatments, advanced genetic testing, high-risk pregnancy care, and minimally invasive gynecological procedures—supported by integrated pregnancy care and 24/7 patient services.

Led by its Chairperson and Managing Director, Dr. Manika Khanna who is an internationally trained infertility specialist, Gaudium IVF combines global expertise with state-of-the-art technology and personalized treatment protocols to deliver trusted clinical outcomes. Committed to ethical, accessible, and patient-centric care, Gaudium IVF also drives impact through the Gaudium Foundation, promoting women's health, empowerment, and equality.
