Subject: Annual Report for the Financial Year 2025-26

Dear Sir/Madam,

Pursuant to the provisions of Regulations 30 and 34 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that the 21st Annual General Meeting of the Company will be held on Tuesday, September 29, 2026 at 12:00 P.M. IST through Video Conferencing/ Other Audio Visual Means ("VC/ OAVM"). Please find enclosed copy of the Annual Report for the Financial Year 2025-26, which is being sent through electronic mode to the Members, who have registered their e-mail addresses with the Company/ Registrar and Transfer Agent/ Depositories.

The Annual Report is also made available on the website of the Company at www.steelfiberindia.in.

Kindly take the above disclosure on your record.

Thanking you,

FORWARD LOOKING STATEMENT

This Annual Report contains certain forward-looking statements based on current expectations, assumptions, estimates and projections about the Company and the industry. These forward-looking statements are subject to risks, uncertainties and other factors which could cause actual results to differ materially from those expressed in such statements. Important factors that could cause actual results to differ materially include: changes in domestic and international market conditions, changes in Government regulations, tax laws and other statutes, interest rate and foreign exchange fluctuations, competitive environment in the markets where the Company operates, availability of finance at competitive rates, our ability to successfully implement our strategy, growth and expansion plans, technological changes, macroeconomic developments domestically and globally, and other incidental factors. The Company undertakes no obligation to update any forward-looking statements that may be made from time to time.

CONTENTS

OVERVIEW

From Steel to Performance Materials

India's infrastructure growth is entering a new phase - driven by speed, durability and efficiency. At the core of this transition lies a fundamental shift in construction materials.

01	02	03	04
STEEL WIRE	**ENGINEERED FIBRE**	**STRONGER CONCRETE**	**LONGER ASSET LIFE**
Precision input	Geometry + strength	Crack control	Lifecycle value

STRATEGIC EXPANSION

IPO proceeds are being deployed towards new manufacturing capacity, modernisation of existing operations and stronger export capabilities. Plant IV is central to the next stage of operational scale.

OUR PRIORITIES

- Improve capacity utilisation
- Enhance value-added product mix
- Strengthen technical capabilities
- Expand domestic and export presence

KMCL is positioned at the intersection of this shift.

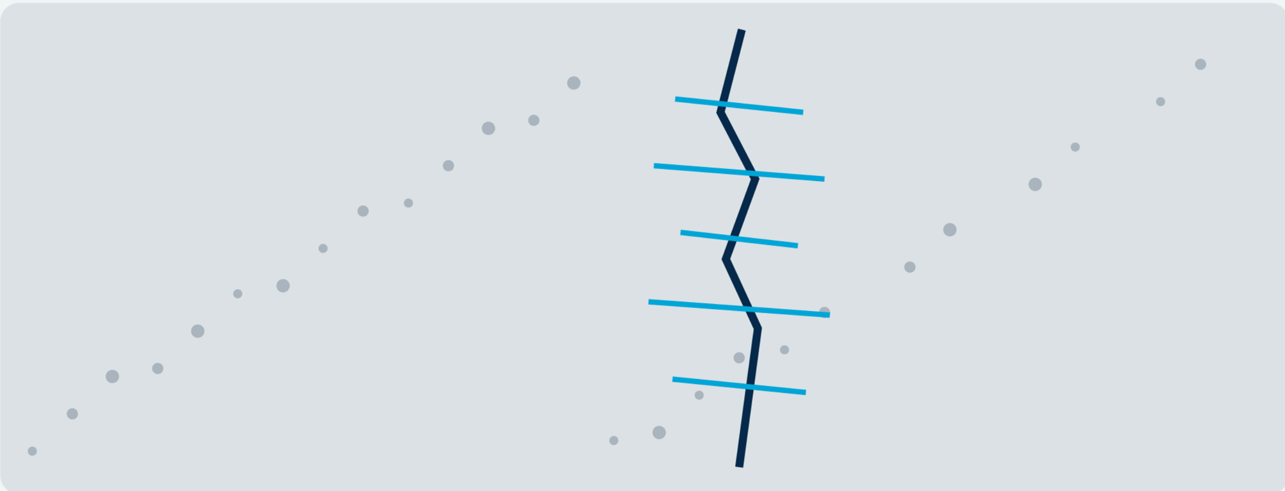
We are building a resilient organisation defined by innovation, reliability, governance and customer-focused performance solutions.

Why steel fibres change concrete performance

Thousands of distributed fibres bridge micro-cracks and help concrete carry residual tensile loads after cracking.

DISTRIBUTED REINFORCEMENT

FIBRE BRIDGING ACROSS A CRACK



CRACK CONTROL

Restrains crack opening

TOUGHNESS

Absorbs post-crack energy

DURABILITY

Supports longer service life

The adoption logic is simple:
better constructability + better performance + better lifecycle economics

OUR POSITIONING

From commodity supplier to engineered solutions provider

KMCL competes through performance, application knowledge, quality consistency and customer-specific engineering.

COMPANY AT A GLANCE

A specialist in engineered reinforcement materials

Kasturi Metal Composite Limited ("KMCL") is a specialized manufacturer of steel fibers and steel wool fibers, catering to applications across infrastructure, industrial flooring, and engineered construction segments. The Company focuses on delivering performance-driven material solutions, with an emphasis on product consistency and quality, application-specific engineering, and cost optimization through performance. KMCL operates at the intersection of materials science and construction engineering, enabling customers to achieve superior structural performance while optimizing lifecycle costs.

MESSAGE FROM THE MANAGING DIRECTOR

"One of the most transformative years in the history of Kasturi Metal Composite Limited."

Dear Shareholders,

It is with great pride and deep sense of purpose that I present to you the Annual Report for the financial year 2025-26 - a year that stands out as one of the most transformative in the history of Kasturi Metal Composite Limited.

As I reflect on the year gone by, I am filled with a deep sense of gratitude, pride, and optimism. Every milestone we achieved during this year was made possible through the collective efforts of our employees, the trust of our customers, the support of our business partners, and the confidence reposed in us by our shareholders.

Milestone Listing on BSE SME Platform

- The financial year 2025-26 was marked by a defining moment - our successful listing on the BSE SME Platform on February 3, 2026. This listing is not just a regulatory milestone; it is a testament to the trust our customers, employees and well-wishers have placed in our organisation over the past two decades. The Initial Public Offering saw a fresh issue of 27,52,000 equity shares of face value Rs. 10 each, strengthening our capital base to support our ambitious expansion plans.

Financial Performance

I am pleased to report that KMCL (standalone) delivered a strong financial performance during FY 2025-26:

- Revenue from Operations stood at Rs. 3,188.26 Lakhs, reflecting steady growth over Rs. 3,106.42 Lakhs in the previous year.
- Net Profit After Tax grew substantially to Rs. 396.07 Lakhs, compared to Rs. 165.52 Lakhs in FY 2024-25, registering a remarkable growth of approximately 139%..
- The Company's total assets have grown significantly to Rs. 4,972.91 Lakhs from Rs. 2,888.54 Lakhs, underscoring the robust expansion of our asset base.
- Our Capital Work-in-Progress has grown to Rs. 1,263.92 Lakhs, reflecting our strong commitment to capacity expansion.

Strategic Expansion

During the year, we made significant investments in capacity expansion. The proceeds from our IPO are being strategically deployed towards setting up new manufacturing facilities, modernising our existing plant at MIDC Amravati, and enhancing our export capabilities. We are also deepening our association with Durafloor Concrete Solutions LLP - our valued subsidiary - to offer a wider bouquet of construction solutions to our clients. We believe this step will enhance our ability to serve emerging opportunities across infrastructure, industrial flooring, tunneling, precast construction, and other specialized applications.

At KMCL, we understand that sustainable growth is built on more than machines and infrastructure. It is built on people, relationships, and trust. During the year, we continued to focus on strengthening key pillars of our organization:

- **Product innovation and continuous improvement**
- **Operational excellence and process efficiency**
- **Quality and customer satisfaction**
- **Employee development and workplace safety**
- **Corporate governance and ethical practices**

Market Presence

Our products - including crimped steel fibers, flat steel fibers, glued hooked end fibers, loose fibers and K-series steelwool fibers - continue to find wide acceptance across sectors including tunnel construction, mining, industrial flooring, road and pavement construction, dam construction and pre-cast elements. We are proud to serve both domestic and international clients, including the export markets.

Commitment to Governance

As a listed company, we are committed to the highest standards of Corporate Governance. We have constituted all requisite Board Committees, adopted comprehensive policies and codes in compliance with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the Companies Act, 2013.

MESSAGE FROM THE MANAGING DIRECTOR

Our vision extends beyond increasing production volumes.

We aspire to create lasting value through innovation, reliability, technical excellence, and customer-focused solutions. Every investment we make today is aimed at building a stronger, more resilient organization capable of delivering sustainable growth for years to come.

As we move forward, our priorities remain clear: improving operational efficiencies, enhancing product capabilities, expanding our market presence, and creating meaningful value for all stakeholders. We enter the coming year with renewed confidence, a stronger foundation, and an unwavering commitment to excellence.

On behalf of the Board of Directors, I once again take this opportunity to express my sincere gratitude to all our shareholders, customers, bankers, employees, suppliers and all other stakeholders for their continued trust and support. I look forward to your continued engagement as we embark on the next exciting chapter in KMCL's growth story.

Together, we are building more than a company - we are building a future defined by innovation, resilience, and shared success.

Warm regards,

Samit Surendra Singhai

Executive Summary

The financial year 2025-26 was a transformative period for Kasturi Metal Composite Limited ("Kasturi" or the "Company"). Navigating global macroeconomic headwinds and dynamic domestic growth, the Company successfully executed an Initial Public Offering (IPO) on the BSE SME platform. Concluded in late January 2026 and listed on February 3, 2026, the IPO generated gross proceeds of approximately ₹1,761 Lakhs, strengthening the Company's balance sheet and providing capital for growth.

The industrial manufacturing and construction materials sectors are cyclical and sensitive to macroeconomic indicators, including gross domestic product (GDP) growth, Government infrastructure allocations, interest rates, and global trade policies. The sections below set out the broader environment the Company operated in during FY 2025-26, followed by the industry outlook, opportunities and risks specific to the Company, and a discussion of its financial performance.

Global Economic Landscape

Throughout FY 2025-26, the global economy moved from a period of high inflation and monetary tightening toward a tenuous phase of cautious stabilization. The global manufacturing Purchasing Managers' Index (PMI) hovered near the threshold of contraction for a significant portion of the fiscal year, reflecting an overarching hesitancy in corporate capital expenditure across developed nations. International trade paradigms experienced notable friction and structural realignment. A significant development was the United States' move to raise import tariffs on steel and aluminium, reportedly from 25% to 50%. This added volatility to global commodity markets and pushed emerging-market exporters to diversify their supply chains and export destinations. Core inflation globally showed signs of easing in the latter half of the year.

Indian Economic Resilience and Infrastructure Thrust

India continued to be one of the fastest-growing major economies, supported by resilient domestic consumption, a revival in private capital expenditure, and sustained government investment in infrastructure. Core sectors such as steel, cement, and power generation remained key drivers of this growth. Government programs such as the PM Gati Shakti National Master Plan and continued highway and infrastructure allocations have created sustained demand for high-performance construction materials.

Industry Structure and Developments

For Kasturi Metal Composite Limited, this accommodative domestic environment has created an exceptionally favourable macroeconomic tailwind. The rising tide of urbanization, coupled with escalating infrastructure allocations for complex engineering projects such as underground metro networks, elevated expressways, and heavy industrial corridors, directly translates into an expanding total addressable market for the Company.

The global construction and infrastructure industry is going through a structural shift. As projects become larger and more performance-driven, demand for advanced construction materials is rising, and conventional reinforcement methods are increasingly being supplemented or replaced by more efficient alternatives. Steel Fiber Reinforced Concrete (SFRC) has emerged as a preferred reinforcement technology across infrastructure, industrial, mining, tunneling, precast, and commercial construction.

INDIAN MARKET GROWTH

The Indian steel fiber market is demonstrating an accelerated growth profile, generating an estimated USD 293.2 million in 2024 and projected to reach USD 399.1 million by 2030 (a 6.1% CAGR).

PRODUCT CONFIGURATION

The hooked-end steel fiber segment represents the largest and fastest-growing category within the market, owing to its enhanced mechanical anchorage and improved bonding characteristics within concrete matrices.

While steel fiber technology is already well established in developed economies, adoption in India remains at an early stage. This represents a long-term growth opportunity for manufacturers capable of delivering high-quality, performance-driven products. The industry in India today is characterized by a mix of unorganized, price-driven players and a smaller set of engineered, performance-focused suppliers; Kasturi operates in the latter category.

Opportunities and Threats

OPPORTUNITIES

Infrastructure development - highways, metro rail, tunnels, bridges, industrial corridors, ports, airports, urban infrastructure.

Industrial flooring - warehousing, logistics parks and manufacturing facilities increasingly prefer SFRC.

Engineered materials adoption - growing awareness among consultants, contractors and developers.

Export markets - Nepal, Bhutan, Dubai and New Zealand today; Middle East, Africa and ASEAN next.

THREATS

Raw material price volatility - addressed through structured pricing mechanisms, procurement planning and supplier relationships.

Competitive pressure - particularly from unorganized players; addressed through product differentiation and quality.

Demand cyclicality - mitigated through a diversified customer base and application segments.

Outlook

The continued shift toward engineered construction materials, combined with India’s infrastructure development agenda, is expected to support sustained growth in the steel fiber industry. As awareness increases among consultants, engineers, and contractors, steel fibers are expected to play a growing role in infrastructure construction. Supported by these industry trends and its expanding manufacturing capacity, the Company remains focused on capturing this opportunity and creating long-term value for stakeholders.

The Company’s successful listing on the BSE SME platform and the infusion of IPO proceeds have strengthened its financial position and provided the resources required to support its next phase of growth. The proceeds are being deployed towards the establishment of a modern manufacturing facility at Amravati, which is expected to enhance production capacity, improve operational efficiency, and enable the Company to participate in larger institutional and government contracts.

Kasturi Metal Composite Limited also serves an established international customer base across multiple geographies, including Nepal, Bhutan, Dubai, and New Zealand. Building on this foundation, the Company intends to expand its presence in select overseas markets such as the Middle East, Africa, and the ASEAN region, thereby broadening its global footprint and diversifying revenue opportunities.

Further, the Company’s diversification into Macro Synthetic Polypropylene Fibers, DELTA Loop End Steel Fibers and Sigma Series Micro Steel Fibers adds strategic depth to its product portfolio. These products are intended for concrete reinforcement applications requiring lightweight, non-corrosive reinforcement and enhanced durability, helping the Company address specialized customer requirements.

Risks and Concerns

Overall, with a strengthened balance sheet, expanding capacity, diversified offerings, and growing domestic and international market opportunities, the Company remains focused on sustainable growth and long-term value creation for all stakeholders.

MANAGEMENT OUTLOOK

"We believe the investments undertaken over the past few years have laid the foundation for the Companys' next stage of growth. Our focus now shifts toward execution, operational leverage, and translating our capabilities into sustainable business performance."

Every manufacturing enterprise confronts systemic risks that require consistent strategic oversight. Kasturi Metal Composite Limited has instituted a robust, multi-tiered risk management framework overseen by the Board of Directors and senior executive leadership to proactively identify, quantify, reduce, or strategically share these market and operational threats.

RISK	MITIGATION
Commodity price and procurement	Exposure to cyclical price volatility in high-carbon steel wire rods and energy, mitigated through dynamic pricing models, escalation clauses in long-term contracts, diversified vendor relationships, and the pricing power of an engineered product portfolio.
Financial and liquidity	Cash flow, interest rate and currency risks are strictly managed. The IPO insulated the Company from liquidity stress, establishing a strong current ratio and a conservative debt-to-equity ratio. Export forex exposure is managed via natural hedging.
Operational and execution	Execution risk on the proposed Unit IV capital expenditure (cost overruns, supply chain delays) is overseen by a dedicated project management team. Existing plants are safeguarded through preventive maintenance schedules and finished goods inventory buffers.
Geopolitical and competitive	Protectionist trade policies, such as US import tariffs on steel, risk redirecting cheap inventory into Asian markets. Countered through premium product differentiation, pan-India distribution and operational cost containment.
Demand	Dependence on infrastructure and construction cycles, mitigated through a diversified customer base and application segments.

Segment-wise or Product-wise Performance

Kasturi Metal Composite Limited has cultivated a formidable economic moat over the past two decades by specializing in industrial reinforcement materials. The Company's strategic product architecture is comprehensively diversified across three primary, high-growth verticals, supported downstream by specialized application services - set out in the product portfolio infographic earlier in this report.

Steel Fibers (concrete reinforcement). As the Company's primary revenue engine, this segment features the 'Duraflex' and 'Durabond' brands, offering loose hook-end, glued hook-end, and flat crimped steel fibers. Distributed directly into concrete to create a robust three-dimensional reinforcement network, these products are heavily utilized in tunnel shotcrete, precast elements, heavy-duty industrial flooring, load-bearing roads, and refractory applications. Segment performance is strongly fueled by India's ongoing infrastructure boom, with the hooked-end configuration standing out as the highest revenue-generating and fastest-growing category.

Steel Wool Fibers. Operating parallel to construction materials, this specialized segment targets high-precision automotive and heavy machinery supply chains. Serving as a critical raw material input for Tier-1 suppliers, these fibers are used in manufacturing friction linings for brake pads and commercial clutches, offering exceptional thermal stability, wear resistance, and consistent friction coefficients under high operating temperatures. Even as the automotive sector transitions toward electric vehicles, the fundamental requirement for reliable friction braking systems ensures sustained volume pull.

Macro Synthetic PP Fibers & specialized trading. To complement its core metallurgical operations, the Company runs an agile trading vertical under the 'Durocrete' brand to defend market share against non-metallic substitution trends. This product line offers civil contractors a Macro Synthetic Polypropylene fiber alternative that is both lighter and entirely corrosion-resistant, capturing niche structural applications where chemical exposure, environmental degradation, or weight limitations are paramount engineering concerns.

Human Resources & Industrial Relations

Downstream integration and synergy. A critical driver of performance across these segments is the Company's forward integration through its subsidiary, Durafloor Concrete Solutions LLP. Instead of operating as a commodity supplier, this entity allows Kasturi to execute tailored, end-to-end concrete flooring solutions directly. By controlling the application process downstream, the Company captures additional margin, ensures optimal application of its proprietary fibers, and interacts directly with architects, developers, and large-scale infrastructure clients.

Executive management views the Company's skilled human capital as the primary catalyst driving its strategic vision, and has fostered an internal culture focused on inclusivity, continuous technical learning, and uncompromising occupational safety. Because operations involve heavy, automated machinery for metallurgical, wire-drawing, and fiber-cutting processes, strict adherence to safety protocols is mandatory; rigorous, continuous safety training programs and environmental health standards are implemented at all plants to maintain a zero-harm workplace.

The Company's human resources are commensurate with the size, nature and operations of the business. Total permanent employee strength on rolls as on 31st March, 2026 stood at 94, and the Company continues to maintain open and cordial employee relations. The Vigil Mechanism plays an important role through which employees and directors can report genuine concerns to management. Industrial relations during the year remained stable and cordial.

94	90	4	Nil
Permanent employees	Male employees	Female employees	POSH complaints

Internal Control Systems and Their Adequacy

The Company maintains a transparent framework of internal financial controls that the Board of Directors asserts are adequate and commensurate with the size, scale, and complexity of its expanding manufacturing operations. Comprehensive Standard Operating Procedures are embedded within procurement, manufacturing, inventory management, and sales lifecycles to safeguard assets, optimize resources, and ensure the accuracy of financial reporting. To independently validate control efficacy and ensure statutory compliance, the Company uses a multi-tiered audit architecture:

INTERNAL AUDIT

M/s. V. S. Jakhotiya & Co. appointed for FY 2026-27 to conduct risk-based process reviews.

STATUTORY AUDIT

NDAA & Associates LLP issued a completely unmodified opinion for the year ended March 31, 2026.

Discussion on Financial Performance

During the financial year 2025-26, the Company recorded steady growth in operations, improved capacity utilization, and effective cost management. Consolidated revenue from operations grew by 12.98% to ₹6,436.86 Lakhs, up from ₹5,697.22 Lakhs in the previous year, supported by higher sales volumes across both core products and associated business operations.

Prudent cost control measures limited total expense growth to just 8.46%. This positive operating leverage expanded the Operating Profit Margin to 10.09%, up from 6.22% in the prior year. Consequently, Profit After Tax surged to ₹396.39 Lakhs, lifting the Basic EPS to ₹4.84. Furthermore, the successful IPO strengthened the balance sheet by increasing net worth, enhancing liquidity, and funding the new Amravati expansion, driving structural improvements across key indicators including the Current Ratio, ROCE, and ROE.

Cautionary Statement

Certain statements contained within this Management Discussion and Analysis constitute forward-looking information intended to outline the Company's future business prospects, strategic objectives, and financial performance. These projections are formulated based on management's current beliefs, estimates, and foundational assumptions. By their nature, forward-looking statements involve complex risks and uncertainties. Consequently, the Company's actual future results, performance, or achievements may differ materially from those expressed or implied by such statements. Variables that could cause material discrepancies include, without limitation, raw material price volatility, cyclical changes in infrastructure spending, amendments to regulatory or taxation frameworks, heightened competitive actions, and overarching macroeconomic or geopolitical volatility. The Company assumes no responsibility - and expressly disclaims any obligation - to update, modify, or revise these forward-looking statements, whether as a result of new information, future events, or otherwise, except to the extent strictly required by prevailing securities laws and regulations. It is essential for stakeholders to exercise caution and consider the inherent uncertainties associated with forward-looking statements when making decisions based on such information.

Strengthening Foundations for Future Growth

FY 2025–26 was a year of strategic investments, capability enhancement, and business transformation for Kasturi Metal Composite Limited. During the year, the Company continued to strengthen its manufacturing infrastructure, expand operational capabilities, and position itself to capitalize on emerging opportunities within the infrastructure and construction sectors.

While the immediate benefits of these initiatives may not be fully reflected in current financial metrics, they are expected to create a strong platform for sustainable growth, improved operational efficiency, and long-term value creation.

STRATEGIC PRIORITIES EXECUTED DURING THE YEAR

Manufacturing Capacity Expansion

The Company continued to make significant progress in the development and strengthening of its manufacturing capabilities through Plant IV. This strategic initiative is expected to enhance production capacity, improve operational flexibility, and support future growth across key application segments.

Product Portfolio Enhancement

KMCL remained focused on increasing the contribution of performance-oriented and value-added products, delivering engineered solutions that provide superior performance, durability, and cost efficiency across infrastructure, industrial, and construction applications.

BUSINESS OVERVIEW & OPERATIONS

INDUSTRY OVERVIEW

A Structural Shift Towards Smarter and Stronger Construction Solutions

The global construction and infrastructure industry is undergoing a significant transformation. As projects become larger, more complex, and performance-oriented, the demand for advanced construction materials is steadily increasing. Traditional reinforcement methods are gradually being complemented and, in many applications, replaced by innovative solutions that offer greater efficiency, durability, and long-term value.

Among these advancements, Steel Fiber Reinforced Concrete (SFRC) has emerged as a preferred reinforcement technology across infrastructure, industrial, mining, tunneling, precast, and commercial construction projects. Steel fibers enhance the structural performance of concrete by improving crack resistance, impact strength, load-bearing capacity, and overall durability.

KEY DRIVERS ACCELERATING STEEL FIBER ADOPTION

Faster Project Execution

Steel fibers simplify reinforcement processes, reducing installation time and enabling faster project completion.

Lower Lifecycle Costs

Improved durability and reduced maintenance requirements help optimize the total cost of ownership over the life of a structure.

Enhanced Structural Performance

Steel fibers improve crack control, fatigue resistance, and overall structural integrity, contributing to longer-lasting infrastructure.

Sustainability and Resource Efficiency

Modern construction increasingly emphasizes efficient use of materials, reduced wastage, and sustainable building practices.

INDIA’S EMERGING GROWTH OPPORTUNITY

India is currently witnessing unprecedented investments in highways, metro rail systems, tunnels, industrial corridors, logistics parks, renewable energy projects, ports, and urban infrastructure. These developments are creating strong demand for innovative construction materials that deliver superior performance while supporting faster execution.

While steel fiber technology has already achieved widespread adoption in several developed economies, its penetration in India remains relatively low. This presents a significant long-term growth opportunity for manufacturers and solution providers

BUSINESS OVERVIEW & OPERATIONS

OUR POSITIONING

From Manufacturing Products to Delivering Performance Solutions

The construction materials industry is increasingly moving beyond conventional product-based procurement towards solution-oriented and performance-driven decision-making. Customers today seek materials that not only meet technical specifications but also contribute to improved project efficiency, durability, sustainability, and long-term value creation. Recognizing this shift, Kasturi Metal Composite Limited has strategically positioned itself as an engineered materials solutions provider rather than a conventional steel fiber manufacturer.

KMCL operates in the specialized segment of the steel fiber industry, where success is determined not merely by production volumes, but by the ability to deliver measurable performance outcomes for customers. The Company's approach combines manufacturing excellence, technical expertise, application knowledge, and continuous innovation to develop solutions tailored to evolving project requirements.

OUR DIFFERENTIATORS

Performance-Oriented Applications

Products that enhance structural performance, improve durability, and optimize lifecycle costs across infrastructure and industrial applications.

Innovation-Driven Development

Continuous investment in product development, advanced fiber geometries, and manufacturing capabilities.

Customer-Centric Engineering

Close work with customers, consultants, contractors and project stakeholders to provide customized reinforcement solutions.

Quality and Reliability

Consistent product quality, technical support, and dependable delivery underpin long-standing customer relationships.

OUR PHILOSOPHY

"We do not simply supply steel fibers; we help build stronger, more durable, and future-ready infrastructure."

BUSINESS OVERVIEW & OPERATIONS

OUR STRATEGY

Driving Sustainable and Profitable Growth

At Kasturi Metal Composite Limited, growth is not measured solely by increased production or higher revenues. Our focus is on building a resilient, scalable, and value-driven business that creates sustainable returns for all stakeholders.

As the construction and infrastructure industry evolves, KMCL is strategically aligning its capabilities to capitalize on emerging opportunities while strengthening its long-term competitive position. Our growth strategy is built upon five interconnected pillars that guide our decision-making, investments, and execution priorities.

01 Moving Up the Value Chain

The Company is progressively transitioning from supplying conventional products to delivering engineered material solutions that offer superior performance and measurable customer benefits. By focusing on high-performance applications, specialized products, and technical expertise, KMCL aims to increase value creation while strengthening customer relationships and market differentiation.

STRATEGIC FOCUS

Higher value-added portfolio · Performance-driven applications · Enhanced customer engagement · Improved realization and profitability

02 Leveraging Capacity for Operational Excellence

The ongoing expansion of manufacturing capabilities, including Plant IV, represents a significant step in KMCL’s growth journey. Our objective is to maximize the benefits of these investments through improved capacity utilization, operational efficiencies, process optimization, and economies of scale.

STRATEGIC FOCUS

Higher production efficiency · Optimized resource utilization · Improved cost competitiveness · Enhanced operating leverage

03 Driving Innovation and Product Development

Innovation remains a cornerstone of KMCL’s long-term strategy. The Company continues to invest in developing advanced steel fiber solutions that deliver improved structural performance, durability, and cost efficiency. By understanding evolving customer requirements and industry trends, KMCL seeks to remain at the forefront of engineered reinforcement technologies.

STRATEGIC FOCUS

Advanced fiber designs and geometries · Product quality enhancement · Continuous process improvement · Application-specific solutions

BUSINESS OVERVIEW & OPERATIONS

OUR STRATEGY

Building the Foundation for Long-Term Success

04 Expanding Market Reach and Customer Partnerships

India's infrastructure growth story presents significant opportunities across transportation, industrial, commercial, and urban development sectors. KMCL aims to strengthen its presence in existing markets while expanding into new application segments and geographic regions through strong customer partnerships, technical support, and solution-based selling.

STRATEGIC FOCUS

Infrastructure and industrial projects · Warehousing and logistics · Strategic customer relationships · Domestic and export markets

05 Strengthening Execution Capabilities

Sustainable growth requires disciplined execution. The Company continues to focus on strengthening its organizational capabilities, operational discipline, quality systems, governance practices, and human capital development to support future expansion.

STRATEGIC FOCUS

Process standardization · Quality assurance systems · Employee capability development · Governance and compliance excellence

These strategic pillars collectively support KMCL's vision of becoming a leading provider of high-performance material solutions. Through disciplined execution, continuous innovation, and customer-centric thinking, the Company is building a strong foundation for sustainable growth, enhanced profitability, and long-term stakeholder value creation.

Stronger market position	**Improved profitability**	**Greater scalability**	**Enhanced customer value**	**Sustainable long-term growth**

"Our strategy is not only to grow bigger, but to grow stronger, smarter, and more valuable for every stakeholder associated with KMCL."

BUSINESS OVERVIEW & OPERATIONS

CREATING VALUE THROUGH INTEGRATION

What differentiates KMCL is its ability to connect manufacturing expertise with real-world application requirements. By integrating material science, engineering knowledge, and customer collaboration, the Company delivers solutions that extend beyond products and contribute directly to project success. This integrated approach strengthens customer relationships, supports long-term growth, and reinforces KMCL's position as a trusted partner in India's evolving infrastructure and construction ecosystem.

Bigshare i-Vote E-Voting System

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

i. The voting period begins on Saturday, September 26, 2026 at 09:00 A.M and ends on Monday, September 28, 2026 till 05:00 P.M During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off i.e Wednesday, September 23, 2026 may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.

ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020,** under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

iv. In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. REVIEW OF OPERATIONS AND FINANCIAL PERFORMANCE

Kasturi Metal Composite Limited, established in 2005 and is led by industrial veteran Mr. Samit Surendra Singhai, who serves as the Chairman and Managing Director, bringing over two decades of extensive expertise to the sector. The company leverages its deep engineering know-how and advanced manufacturing capabilities to offer premium concrete reinforcement and friction material solutions.

During the financial year 2025-26, the Company demonstrated resilient operational performance and achieved significant growth in profitability on both a standalone and consolidated basis. The focused approach on operational efficiency and cost management has yielded substantial improvements in our bottom line.

Consolidated Financial Performance:

The Company's consolidated operations showcased robust growth, reflecting the strong market position of the group:

- Revenue from Operations: Grew by 13.0% to Rs. 6,436.86 lakhs in FY 2025-26, up from Rs. 5,697.22 lakhs in the previous year.
- Total Income: Reached Rs. 6,530.59 lakhs, registering a growth of 14.1% over the previous year's Rs. 5,721.51 lakhs, supported by a significant increase in other income.
- Operational Efficiency: While total income grew by 14.1%, total expenditure was well-managed, increasing by only 8.5% (from Rs. 5,470.58 lakhs to Rs. 5,933.31 lakhs).
- Profitability: This strong top-line growth combined with disciplined cost control led to a remarkable 138% surge in Profit Before Tax (PBT), which stood at Rs. 597.28 lakhs compared to Rs. 250.94 lakhs in FY 2024-25.
- Net Profit: The Net Profit After Tax (PAT) for the year witnessed a massive jump of 136%, closing at Rs. 396.39 lakhs against Rs. 168.02 lakhs in the preceding year.

Standalone Financial Performance

On a standalone basis, the Company delivered a steady top-line performance alongside exponential profit growth:

- Revenue from Operations: Stood at Rs. 3,188.26 lakhs for the year under review, marking a steady increase of 2.6% against Rs. 3,106.42 lakhs in FY 2024-25.
- Total Income: Increased by 9.5% to Rs. 3,588.98 lakhs, bolstered by a strong contribution from Other Income, which grew from Rs. 171.95 lakhs to Rs. 400.72 lakhs.
- Expenditure Management: Total expenditure remained largely flat, seeing a marginal increase of only 1.9% (from Rs. 3,096.86 lakhs to Rs. 3,156.32 lakhs), showcasing exceptional cost optimization at the standalone level.
- Profitability: The Profit Before Tax (PBT) expanded exponentially by 138% to Rs. 432.66 lakhs, compared to Rs. 181.51 lakhs in the previous fiscal year.
- Net Profit: The Net Profit After Tax (PAT) grew by an impressive 139%, reaching Rs. 396.07 lakhs compared to Rs. 165.52 lakhs in FY 2024-25.

Key Highlights & Management Perspective

The financial year 2025-26 was marked by highly effective cost-containment measures and optimized resource allocation. Because our overall expenditure grew at a significantly slower pace than our total income across both standalone and consolidated levels, the Company successfully translated steady revenue growth into exceptional profit margin expansion. The management remains committed to sustaining this momentum by driving further operational efficiencies and exploring new avenues for revenue generation in the upcoming fiscal year.

b. Nomination and Remuneration Committee:

The Nomination and Remuneration Committee of the Board is responsible for identifying persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, and recommending their appointment and removal to the Board. The Committee formulates the criteria for determining qualifications, positive attributes, and the independence of directors. Furthermore, the Committee recommends and oversees the Company’s policy relating to the remuneration of directors, key managerial personnel, and other employees, ensuring that it is reasonable, sufficient, and aligned with the Company's performance and long-term strategic goals.

During the year under review, the Nomination and remuneration Committee met once on 24th March 2026 and other details of the meetings are given below in the Report:

Name of the Director Attended	Designation	No. of Meeting eligible to Attend	No. of Meeting attended
Mr. Mohit Manoharlal Ganeshani	Chairman	1	1
Mr. Ashish Madanmohan Mundhada	Member	1	1
Mr. Mayur Ashok Zamvar	Member	1	1

In terms of Section 178 of the Companies Act, 2013 and Part D of Schedule II of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has formulated and implemented a comprehensive Nomination and Remuneration Policy.

The policy serves as an operational guideline for the Nomination and Remuneration Committee (NRC) to ascertain qualifications, positive attributes, competencies, and independence for appointing Directors. It further sets out the framework for the appointment, remuneration, removal, and performance evaluation of Directors, Key Managerial Personnel (KMP), Senior Management Personnel, and other employees.

Salient Features of the Policy:

- Remuneration Framework: The remuneration and commission paid to Managing Directors and Whole-time Directors strictly comply with the provisions and overall limits of Schedule V of the Companies Act, 2013.
- Components of Executive Compensation: Remuneration for KMPs and other employees features an objective mix of fixed pay (including monthly salary and statutory contributions like provident fund) and performance-linked incentive pay.
- Non-Executive & Independent Directors: Non-Executive and Independent Directors are compensated via sitting fees for attending Board or Committee meetings, alongside the reimbursement of reasonable expenses incurred during the discharge of their official corporate duties.
- Tenure & Term Limits: Executive Directors or Managing Directors are appointed or re-appointed for a term not exceeding five years at a time. Independent Directors are appointed for a term of up to five consecutive years and are eligible for a maximum of two consecutive terms subject to passing a special resolution.
- Age Eligibility: The maximum age limit is capped at 70 years for Whole-time Directors and 75 years for Independent Directors. Any extension beyond these age thresholds requires shareholder approval via a special resolution.
- Performance Evaluation: The NRC carries out an annual performance evaluation of every Director, KMP, and Senior Management member. The evaluation of the Board as a whole, its individual members, and its working committees is carried out alternately by the Board, the Committee, or an independent external agency.
- Board Diversity: The policy mandates that the NRC ensures the Board maintains a balanced combination of Executive and Non-Executive Directors who possess an appropriate mix of background, experience, and qualifications.

The detailed Nomination and Remuneration Policy has been hosted on the official website of the Company and can be viewed at https://www.steelfiberindia.in/investor-relations/corporate-policies

c. Stakeholders Relationship Committee:

Pursuant to Section 178 of the Companies Act, 2013, the Board duly constituted Stakeholder Relationship Committee to look into the redressal of complaints of investors such as transfer or credit of shares, non-receipt of dividend/notices/annual reports, etc.

During the year under review, the Stakeholders Relationship Committee met once on 24th March 2026 and other details of the meetings are given below in the Report.

INDEPENDENT AUDITORS' REPORT

To the Members of Kasturi Metal Composite Limited (Formerly Known as Kasturi Metal Composite Private Limited)

Report on the Audit of Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **Kasturi Metal Composite Limited (Formerly Known as Kasturi Metal Composite Private Limited)** ('the Holding Company') and **Durafloor Concrete Solutions LLP** its subsidiary (the Holding Company and its subsidiary together referred to as 'the Group') as listed in **Annexure-A**, which comprise the Consolidated Balance Sheet as at March 31, 2026, the Consolidated Statement of Profit and Loss for the year then ended, Consolidated Cash Flow and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the auditor's report on separate financial statements and on the other financial information of the subsidiary, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including Accounting Standards specified under Section 133 of the Act, of the consolidated state of affairs of the Group as at March 31, 2026, their consolidated profit, and their consolidated cash flow for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's management and Board of Directors are responsible for the preparation of other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and based on the audit report of the subsidiary, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of the Management and those charged with governance for the Consolidated Financial Statements

The Holding Company's management and Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated state of affairs (consolidated financial position), consolidated financial performance of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. The respective Board of Directors and governing body of the companies included in the Group are responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated financial statements. The respective Board of Directors of the companies and governing board included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the Management and the Board of Directors and governing body of the entity included in the Group are responsible for assessing the ability concern and using the going concern basis of accounting unless the respective Board of Directors and governing body of companies in the group either intends to liquidate the group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors and governing body of the companies included in the Group is responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143 (3) (i) of the Act, we are also responsible for expressing our opinion on whether the holding company, and its subsidiary company covered under the Act, has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial statements of the entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the entity included in the consolidated financial statements, which have been audited by other auditor, such other auditor remains responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

   iv. (a) The Management of Holding company has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the holding company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the holding company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

   (b) The Management of Holding company has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the holding company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the holding company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner

Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) above, contain any material misstatement.

v. The holding company has not declared or paid any dividend during the year.

vi. Based on our examination which included test checks, the Holding Company has used accounting software for maintaining its books of account, which have a feature of recording audit trail (edit log) facility, however the same has been operated throughout the year for all transactions recorded in the software. Further, from April 1, 2025 to 31st March, 2026 where audit trail (edit log) facility was enabled, we did not come across any instances of audit trail feature being tampered with and the audit trail has been preserved by the company as per the statutory requirements for record retention.

h. With respect to the matter to be included in the Auditor's Report under section 197(16):

In our opinion and according to the information and explanations given to us, the remuneration paid by the Holding Company to its Directors during the year is in accordance with the provisions of section 197 of the Act.

2. With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020 ("CARO"/ "the Order") issued by the Central Government in terms of Section 143(11) of the Act, the subsidiary being a limited liability partnership, the Said Order (CARO) is not applicable to such subsidiary. Accordingly reporting under this clause is not applicable to the group.

ANNEXURE B

MEMBERS OF KASTURI METAL COMPOSITE LIMITED (FORMERLY KNOWN AS KASTURI METAL COMPOSITE PRIVATE LIMITED) ON THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2026;

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the 'Act')

In conjunction with our audit of the Consolidated Financial Statements of **Kasturi Metal Composite Limited (formerly known as Kasturi Metal Composite Private Limited)** (hereinafter referred to as the "Holding Company") as at and for the year ended March 31, 2026, we have audited the internal financial controls over financial reporting of the Holding Company as of that date.

Our audit of internal financial controls over financial reporting does not extend to the subsidiary, being a Limited Liability Partnership (LLP), since the reporting requirements under Section 143(3)(i) of the Companies Act, 2013 are applicable only to companies.

Management's Responsibility for Internal Financial Controls

The Holding Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to Consolidated financial statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Holding company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of Holding Company, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these Consolidated Financial Statements and their operating effectiveness.

understanding of internal financial controls over financial reporting with reference to these Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the group's internal financial controls over financial reporting with reference to these Consolidated Financial Statements.

Meaning of internal financial controls over financial reporting with reference to these consolidated financial statements

A company's internal financial control over financial reporting with reference to these Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these Consolidated Financial Statements includes those policies and procedures that:

- pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Consolidated Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, the Holding Company has, in all material respects, adequate internal financial controls over financial reporting with reference to the consolidated financial statements, and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

2 Significant accounting policies & Principle of Consolidation

2.1 Principles of Consolidation

a) The financial statements of the Company and its subsidiary entities are consolidated on a line –by –line item basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intra-group balances and intra –group transactions in accordance with Accounting Standards (AS) 21 – "Consolidated Financial Statements".
b) The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented in the same manner as holding Company's separate financial statements, as far as possible, except as specifically mentioned in the Notes to
A ccounts.
c) Minority Interest's share of net profit of Consolidated Subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
d) Minority Interest's share of net assets of Consolidated Subsidiaries for the year is identified and presented in the consolidated financial statements separate from liabilities and the equity of the Company's shareholders.
e) The difference between the cost of investment in the subsidiaries and the Company's share of net assets at the time of acquisition of share in the subsidiaries is recognized in the financial statement as Goodwill or Capital Reserve as the case may be. Further goodwill is tested for impairement annually.
f) The financial statement of the subsidiaries used into the consolidation are drawn up to the same reporting date as that of the company.

2.2. Basis of accounting and preparation of financial statements

The Consolidated financial statements are prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. These financials statements have been prepared to comply in all material aspects with the accounting standards specified under section 133 of the Companies Act, 2013 read with rule 7 of Company (Accounts)Rules, 2014.

All assets and liabilities are classified into current and non-current as per the company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013.

2.3. Use of estimates

The preparation of the Consolidated financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities and unbilled revenue) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the Consolidated financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

2.4 Revenue Recognition

Revenue from sale of products is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer and there is no uncertainty regarding amount of consideration & collectivity. Sales are net off sales tax and value added tax.
i) Sales
Revenue from sale of goods is recognized on transfer of all significant risks and rewards of ownership to the buyer. Sales are stated net of trade discount, duties, sales tax and GST.
ii) Service
Revenue from services are accrued and accounted for as and when the services are provided and the revenue for the same is certain. Where the income / revenue is contingent or uncertain, recognition for the same is postponed to the extent of significant uncertainty. Unbilled revenue represents amount recognized based on services performed in advance of billing in accordance with contract terms.

ii) Interest
Interestincome except interest on income tax refund is accounted on accrual basis.

2.5 Inventories

Inventories consists of raw materials, packing materials, stock-in-trade and finished goods. Inventories are valued atlower ofcost andnet realisable value. Cost is determined on First-In-First-Out basis.
Cost of raw materials and packing materials includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.
Cost of finished goods includes direct materials, labor and proportion of manufacturing overheads based on the normal operating capacity, wherever applicable. Cost of finished goods further includes other costs incurred in bringing the inventories to their present location and condition.
Cost of stock-in-trade includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition.
Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

2.6 Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand and short-term investments with original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

INDEPENDENT AUDITOR'S REPORT

To the Members of Kasturi Metal Composite Limited (Formerly known as Kasturi Metal Composite Private Limited)

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of **Kasturi Metal Composite Limited (Formerly known as Kasturi Metal Composite Private Limited)** ("the Company"), which comprise the Balance sheet as at 31st March 2026, and the statement of Profit and Loss, and statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Accounting Standards prescribed under section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014 and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are as such no key audit matters to be communicated in our report.

Information other than the Standalone Financial Statements and Auditor's Report thereon (Other Information)

The Company's management and Board of Directors are responsible for the preparation of other information. The other information comprises the information included in the annual report, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and those charged with Governance for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors is also responsible for overseeing the company's financial reporting process.

Auditor’s Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also,

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the provisions of ‘The Companies (Auditor’s Report) Order, 2020’ issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (hereinafter referred to as the “Order”), we give in the **“Annexure A”** statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

a)We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b)In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c)The Standalone Balance Sheet, the Standalone Statement of Profit and Loss, and the Standalone Cash Flow Statement dealt with by this Report are in agreement with the books of account.

d)In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

e)On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act;

f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls. Based on the information and explanation given to us and records examined by us, the company has established adequate internal financial control with respect to key areas of financial reporting and the same are operating effectively. Refer “**Annexure B”** to our report.

g)With respect to the other matters to be included in the Auditors’ Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our knowledge and belief and according to the information and explanations given to us:

i. The Company has disclosed the impact, if any, of pending litigations as at March 31, 2026 on its financial position in its standalone financial statements

ii. The Company did not have any long-term contracts including derivative contracts as at March 31, 2026.

iii. There were no amounts which were required to be transferred by the Company to Investor Education and Protection Fund.

iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) above, contain any material misstatement.

v. The company has not declared or paid any dividend during the year.

vi. Based on our examination which included test checks, the company has used accounting software for maintaining its books of account, which have a feature of recording audit trail (edit log) facility, the same has been operated throughout the year for all transactions recorded in the software. Further from April 1, 2025 to 31st March, 2026 where audit trail (edit log) facility was enabled, we did not come across any instances of audit trail feature being tampered with.
Additionally, the audit trail of relevant prior years has been preserved by the company as per the statutory requirements for record retention, to the extent it was enabled and recorded in those respective years.

h)With respect to the matter to be included in the Auditor's Report under section 197(16):

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its Directors during the year is in accordance with the provisions of section 197 of the Act.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT IN THE STANDALONE FINANCIAL STATEMENTS OF KASTURI METAL COMPOSITE LIMITED (FORMERLY KNOWN AS KASTURI METAL COMPOSITE PRIVATE LIMITED)

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

i. In respect of the Company's Property, Plant and Equipment and Intangible Assets:

a.(A) The Company is maintaining proper records showing full particulars, including quantitative details and situation of property, plant and equipment;
(B) The Company is maintaining proper records showing full particulars of intangible assets.

b.The fixed assets are physically verified by the Management according to the phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, a portion of the Fixed Assets has been physically verified by the management during the year. The discrepancies noticed on such verification were not material and have been properly dealt with in the books of accounts. In our opinion, the frequency of verification is reasonable.

c. The title deeds of immovable properties are held in the name of the Company.

d.The Company has not revalued any of its Property, Plant and Equipment or intangible asset during the year.

e.No proceedings have been initiated during the year or are pending against the Company as at March 31, 2026 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.

ii.

a.According to the information and explanations given to us, the management has conducted physical verification of inventory at reasonable intervals and in our opinion the coverage and procedure of verification are appropriate. Discrepancies noticed during physical verification were not material.

b.The Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. We draw attention to footnote (v) to Note 4 in the Standalone Financial Statements for reasons and amounts of difference between statements filed with banks and books of accounts of the company.

iii. During the year, the Company has not made investments in, or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties except corporate guarantee given to subsidiary LLP, in respect of which:

a. The Company has provided corporate guarantee to its subsidiary LLP as per details given below,

Rs. In lakhs

Particulars	**Amount**
Aggregate Amount of Corporate Guarantee given during the year to Subsidiary LLP	725.00

b. In our opinion, and according to the information and explanations given to us, guarantees provided, and terms and conditions of the grant of guarantees provided is, prima facie, not prejudicial to the interest of the Company.

c. The Company has not provided any loans or advances in the nature of loans hence reporting with respect to repayment of principal and regular payment of interest is not applicable.

d. The Company has not provided any loans or advances in the nature of loans hence reporting with respect to overdue amounts and steps taken by the company for the recovery is not applicable.

e. There were no loan granted by the Company which has fallen due during the year and has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.

f. The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii) (f) is not applicable.

iv. In our opinion and according to the information and explanation given to us, during the year the Company has complied with the provisions of Section 185 and 186 of the Act, to the extent applicable.

v. In our opinion, and according to the information and explanations given to us, the Company has not accepted deposits from public or amounts which are deemed deposit, in accordance with the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.

vi. The Central Government of India has not prescribed maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.

vii.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT ON THE STANDALONE FINANCIAL STATEMENTS OF KASTURI METAL COMPOSITE LIMITED (FORMERLY KNOWN AS KASTURI METAL COMPOSITE PRIVATE LIMITED)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to the standalone financial reporting of **Kasturi Metal Composite Limited (Formerly known as Kasturi Metal Composite Private Limited)** ("the Company") as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Responsibility of Management and Those Charged with Governance for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the standalone financial statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to the standalone financial statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company's internal financial control with reference to the standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to the standalone financial statements includes those policies and procedures that;

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to the Standalone Financial Statement

Because of the inherent limitations of internal financial controls with reference to the standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the standalone financial statements to future periods are subject to the risk that the internal financial control may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to the standalone financial statements and such internal financial controls with reference to the standalone financial statements were operating effectively as at March 31, 2026, based on the internal control with reference to the standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

(a) Current tax is the amount of tax payable on the taxable income for the year as determined in accordance withthe provisions of the Income Tax Act, 1961.

(b) Deferred Tax is recognized for timing differences. However, Deferred Tax Asset is recognized on the basis of reasonable / virtual certainty that sufficient future taxable income will be available against which the same can be realized.

2.12 Foreign Currency Transactions

Foreign currency transactions are recorded at the exchange rates prevailing on the date of the transaction. Gains and losses arising out of subsequent fluctuations are accounted for on actual payment or realization. Monetary items denominated in foreign currency as at the Balance Sheet date are converted at the exchange rates prevailing on that date. Exchange differences are recognized in the Statement of Profit and Loss.

2.13 Provisions, Contingent Liabilities and Contingent Assets

A provision is made based on a reliable estimate when it is probable that an outflow of resources embodying economic benefits will be required to settle an obligation. Contingent liabilities, if material are disclosed by way of notes to accounts. Contingent assets are neither recognized nor disclosed in the financial statements.

2.14 Cash & Cash Equivalent

Cash and cash equivalents comprise cash at bank and in hand and short-term investments with original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

2.15Government grants and subsidies

Government grants and subsidies are recognised as per AS-12, when there is reasonable assurance that the Company willcomply with the conditions attached to them and the grants / subsidy will be received. Government grants whose primary condition is that the Company should purchase, construct or otherwise acquire capital assets are presented by deducting them from the carrying value of the assets. Government grant which is not in the nature of capital grant is treated as income and credited to profit & loss account.
