Mumbai, August 7, 2020: Cipla Limited (BSE: 500087, NSE: CIPLA) today announced its unaudited consolidated financial results for quarter ended June 30th, 2020.

Key highlights of the quarter

- **India:** India business grew by 16% YoY with strong growth across the three businesses
- **South Africa:** Overall business continued the strong growth momentum to deliver growth of 17% on a YoY basis in local currency; private business continues to outpace the market
- **US business:** Reported USD 135mn led by Albuterol ramp-up; 14% QoQ growth
- **Quality Focus:** Working with USFDA to comprehensively address observations received in Goa
- **R&D investments** stand at INR 200 crores or 4.6 % of revenue
- Achieved **zero net debt** position led by strong collections and improved EBITDA

Extremely pleased to report our Q1FY21 performance which reflects the inherent strength of our business backed by agile and resilient operations, cost control initiatives and continued delivery on our strategic priorities. During the quarter, our businesses actively re-imagined their operating models to drive strong growth across markets of India, South Africa, US and focused execution on cost optimization helped drive the quarter EBITDA to 24%. We are also at the forefront in combatting COVID-19 through our strategic partnerships and a spectrum of offerings in our portfolio. Through these challenging times, we stood by our commitment of enabling equitable access to promising treatments by launching a toll-free helpline to aid patients in procuring vital drugs across therapies. Our global lung leadership aspirations continued to gain momentum along with limited competition launches in the US.

ABOUT CIPLA LTD

Established in 1935, Cipla is a global pharmaceutical company focused on agile and sustainable growth, complex generics, and deepening portfolio in our home markets of India, South Africa, North America, and key regulated and emerging markets. Our strengths in the respiratory, anti-retroviral, urology, cardiology, anti-infective and CNS segments are well-known. Our 46 manufacturing sites around the world produce 50+ dosage forms and 1,500+ products using cutting-edge technology platforms to cater to our 80+ markets. Cipla is ranked 3rd largest in pharma in India (IQVIA MAT Jun'20), 3rd largest in the pharma private market in South Africa (IQVIA MAT Jun'20), and is among the most dispensed generic players in the U.S. For over eight decades, making a difference to patients has inspired every aspect of Cipla's work. Our paradigm-changing offer of a triple anti-retroviral therapy in HIV/AIDS at less than a dollar a day in Africa in 2001 is widely acknowledged as having contributed to bringing inclusiveness, accessibility and affordability to the centre of the HIV movement. A responsible corporate citizen, Cipla's humanitarian approach to healthcare in pursuit of its purpose of 'Caring for Life' and deep-rooted community links wherever it is present make it a partner of choice to global health bodies, peers and all stakeholders.
