## DIRECTOR'S REPORT TO THE MEMBERS

Dear Shareholders,

We are presenting the **67th Annual Report** of the Company along with the Standalone Audited Statement of Accounts for the year ended on **31st March, 2021**. The financial results for the year are given below.

### SUMMARISED FINANCIAL RESULTS:

*Rs. in Lakh*

Particulars	Year ended 31st March, 2021	Year ended 31st March, 2020
Sales & Other Income	42.88	49.54
Profit before Interest, Depreciation & Exceptional Items	(4.10)	(10.91)
Interest	(9.06)	(9.11)
Depreciation	(1.46)	(1.63)
Exceptional Items	0.00	0.00
Profit / (Loss) before Tax	(15.52)	(12.54)
Provision for Tax	(0.08)	-
Deferred Tax	-	(0.10)
MAT Tax Credit Availed	-	0.00
Profit after Tax	(15.60)	(12.65)
Add : Balance Brought forward from previous year	(480.18)	(467.53)
Appropriations

Tax on distributed preference dividend	0.00	0.00
Sales Tax Paid for Earlier Year	0.00	0.00
Balance carried to Balance Sheet	(495.77)	(480.18)

**Net Profit/ Loss after Tax for last five financial years.**

**REVIEW OF OPERATIONS & PROSPECTS :**

Your Company has recorded a loss of Rs. 15.60 Lakh during the year. The company's turnover during the year has nil because of discontinuance of production since July, 2011. In spite of this the company could achieve this growth because of continuous effort in other area of business. However, looking to the present scenario, your directors could not foresee a glimpse of bright future. Your directors are putting their full efforts to bring the company in a sustainable position in this competitive market through all possible measures. Your directors bring new projects in the area of agriculture business and Construction Company to boost the turnover and profit of the company in the future scenario. The required approvals to start the new projects are still pending from the various departments, whereas your directors are waiting for approvals to start the new projects. We set hope that once we get the approvals from the department the new projects shall be started accordingly.

Your Company is making all out endeavor to rise to the market expectations to protect and achieve enhanced value for all its stakeholders i.e. shareholders, employees, consumers and society in general.

**DIVIDEND:**

Your directors regret their inability to recommend any dividend to equity shareholders for the year 2020-21.

**TRANSFER OF UNCLAIMED DIVIDEND TO INVESTOR EDUCATION AND PROTECTION FUND :**

Since there was no unpaid/unclaimed Dividend declared and paid in previous year, the provisions of Section 125 of the Companies Act, 2013 is not applicable to the Company.

**SHARE CAPITAL :**

The Company's paid-up equity share capital as on March 31, 2021 was Rs. 1092 lakhs.

**DIRECTORS & KMP :**

Independent Directors of Company have submitted a declaration that each of them meets the criteria of independence as provided in section 149(6) of the Act and there has been no change in the circumstances which may affect their status as independent director during the year.

In the opinion of the Board, all the Independent Directors are well experienced business leaders. Their vast experience shall greatly benefit the Company. Further, they possess integrity and relevant proficiency which will bring tremendous value to the Board and to the Company.

Director Ms. Santosh Choradia (DIN: 08471379) retire by rotation and, being eligible, offer herself for re appointment.

Mr. Rahul Rungta, Company Secretary cum Compliance Officer has resigned from the company w.e.f. 14<sup>th</sup> April, 2021 and in place of which Mr. Abhishek Lohia has been appointed as Company Secretary cum Compliance Officer of the Company w.e.f. 15<sup>th</sup> May, 2021.

Further, Mr. Tanmoy Mondal (DIN: 06391885), Managing Director cum CEO has resigned from the company w.e.f. 10<sup>th</sup> May, 2021 and in place of which Mr. Ramesh Chandra Daga (DIN: 00080751) has been appointed as an Additional Managing Director cum CEO of the Company w.e.f. 11<sup>th</sup> May, 2021.

## **ANNUAL EVALUATION OF BOARD PERFORMANCE AND PERFORMANCE OF ITS COMMITTEES AND OF INDIVIDUAL DIRECTORS :**

Pursuant to the provisions of the Companies Act, 2013 and SEBI Regulations, the Board has carried out the annual performance evaluation of its own performance, of the Directors individually, as well as the evaluation of the working of its Audit Committee, Nomination & Remuneration Committee and other Committees of the Board. At the meeting of the Board, all the relevant factors that are material for evaluating the performance of individual Directors, the Board and its various Committees, were discussed in detail. The performance evaluation of the independent Directors was carried out by the entire Board. The performance evaluation of the Chairman and non-independent Directors was also carried out by the Independent Directors at their separate meeting. The Directors expressed their satisfaction with the evaluation process.

## **COMMITTEES OF THE BOARD :**

Currently, the Board has three committees: the Audit Committee, the Nomination and Remuneration Committee and the Stakeholders Relationship Committee. During the year 5 (Five) Audit Committee Meetings, 5 (Five) Nomination & Remuneration Committee Meetings and 3 (Three) Stakeholders' Relationship Committee Meetings were convened and held. The details of which are given in the Corporate Governance Report. The intervening gap between the Meetings was within the period prescribed under the Companies Act, 2013.

## **NOMINATION & REMUNERATION POLICY :**

The Board has, on the recommendation of the Nomination & Remuneration Committee framed a policy for selection and appointment of Directors, Senior Management and their remuneration. The Remuneration Policy is stated in the Corporate Governance Report.

## **NO. OF BOARD MEETINGS :**

A calendar of Meetings is prepared and circulated in advance to the Directors. During the year 11 (Eleven) Board Meetings were convened and held. The details of which are given in the Corporate Governance Report. The intervening gap between the Meetings was within the period prescribed under the Companies Act, 2013.

## **VIGIL MECHANISM / WHISTLE BLOWER POLICY :**

The Company has a vigil mechanism to deal with instance of fraud and mismanagement, if any. In staying true to our values of Strength, Performance and Passion and in line with our vision of being one of the most respected companies in India, the Company is committed to the high standards of Corporate Governance and stakeholder responsibility.

The vigil mechanism ensures that strict confidentiality is maintained whilst dealing with concerns and also that no discrimination will be meted out to any person for a genuinely raised concern. The Chairman of Audit and Chairman of the Board looks into the complaints raised.

## **AUDITORS :**

Pursuant to the provisions of section 139 of the Act and the rules framed thereafter, M/s. Maroti & Associates, Chartered Accountants (Firm registration Number 322770E), were appointed as statutory auditors of the Company from the conclusion of the 63rd Annual General Meeting (AGM) of the Company held on September 19, 2017 till the conclusion of the 68th Annual General Meeting (AGM) of the Company.

## **AUDITOR'S REPORT**

The Auditor's Report to the Shareholders does not contain any reservation, qualification or adverse remarks.

## **SECRETARIAL AUDIT**

Pursuant to provisions of section 204 of the Companies Act, 2013 and The Companies (Appointment and remuneration of Managerial Personnel) Rules, 2014 the company has appointed Ms. Pooja Bansal, Practicing Company Secretaries (C.P. No. 18524 & Membership Number A50458) to undertake the Secretarial Audit of the Company. The Secretarial Audit Report for the financial year ended 31st March, 2021 is annexed herewith as "Annexure 1" to this report.

## **COST AUDITOR**

Appointment of Cost Auditor pursuant to section 148 of the Companies Act, 2013 is not applicable to the company. Hence Cost Auditor has not been appointed for the financial year 2020-2021.

## **CASH FLOW STATEMENT**

In accordance with the requirement of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Cash Flow statement duly verified by the Auditors is annexed herewith.

## **FINANCE**

Cash and cash equivalents as at March 31, 2021 was Rs. 621.43 lakhs. The Company continues to focus on judicious management of its working capital, receivables and other working capital parameters were kept under strict check through continuous monitoring.

## **MATERIAL CHANGES AND COMMITMENT :**

No material changes and commitments affecting the financial position of the Company occurred between the end of the financial year and the date of this report.

**RISK MANAGEMENT :**

Although the company has long been following the principle of risk minimization as is the norm in every industry, it has now become a compulsion. The Board members were informed about risk assessment and after which the Board formally adopted and implemented the necessary steps for monitoring the risk management plan for the company.

**DEPOSITS**

During the year under reference, the Company has not accepted any deposits from the public and as such, within the meaning of Section 73 and 76 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014.

**LOANS, GURANTEES AND INVESTMENTS**

The provision of section 186 of the Co. Act, 2013 and Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), are not applicable, as the Company has not given any loans or guarantees during the year. The details of investments, if any, made by the Company is given in the notes of the financial statements.

**RELATED PARTY TRANSACTIONS**

All transactions entered into with related parties as defined under the Companies Act, 2013 during the financial year, were in the ordinary course of business and on an arm's length pricing basis and do not attract the provisions of Section 188 of the Companies Act, 2013. There were no materially significant transactions with the related parties during the financial year, which were in conflict with the interest of the Company and hence, enclosing of Form AOC-2 is not required. Suitable disclosure as required by the Accounting Standard (AS18) has been made in the notes to the Financial Statements. The policy is available on the website of the company (<http://www.vegetableindia.com/cc/rpt.pdf>).

**SUBSIDIARY COMPANIES**

The Company does not have any subsidiary, hence the compliance of provisions of section 129(3) of the Companies Act, 2013 are not applicable.

**DIRECTORS'S RESPONSIBILITY STATEMENTS**

The Board of Directors acknowledges the responsibility for ensuring compliance with the provisions of Section 134(3)(c) read with Section 134(5) of the Companies Act, 2013 in the preparation of the annual accounts for the year ended on 31st March, 2021 and state that :

- i) in the preparation of the annual accounts for the year ended 31<sup>st</sup> March, 2021, the applicable accounting standards have been followed along with the proper explanation relating to material departure, if any.
- ii) the directors have selected such accounting policies and applied them consistently and made judgments and estimates that were reasonable and prudent so as to give a true and

fair view of the state of affairs of the Company at the end of the financial year and the profit or loss of the Company for the year under review.

- iii) the directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities.
- iv) the directors have prepared the annual accounts on a going concern basis.
- v) the directors had laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and were operating effectively.
- vi) the directors had devised proper system to ensure compliance with the provisions of all applicable laws and that such system were adequate and operating effectively.

## **POLICY ON DIRECTOR'S APPOINTMENT AND REMUNERATION AND OTHER DETAILS**

The current policy of the Company is to have an appropriate mix of executive and independent directors to maintain independence of the Board, and separate its function of governance and management. The Board has, on the recommendation of the Nomination & Remuneration Committee framed a policy for selection and appointment of Directors, Senior Management and their remuneration. The Company's policy on directors' appointment and remuneration and other matters provided in section 178(3) of the Act has been disclosed in the corporate governance report, which forms part of this report.

## **PARTICULARS OF EMPLOYEES :**

During the period under review, no employee of the Company drew remuneration in excess of the limits specified under the provisions of Section 197(12) of the Companies Act, read with Rules 5(2) and 5(3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and hence no disclosure is required to be made in the Annual Report.

## **CORPORATE GOVERNANCE AND MANAGEMENT DISCUSSION & ANALYSIS REPORT :**

Pursuant to Regulation 34 read with Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 with the Stock Exchange and requirements under the Companies Act, 2013, the Report on Corporate Governance together with Statutory Auditors view and management discussion & analysis report regarding compliance of the SEBI code of Corporate Governance is annexed herewith.

## **PRESERVATION OF DOCUMENTS :**

All the documents as required under the Act, has been properly kept at the registered office of the Company.

## **LISTING WITH STOCK EXCHANGE :**

The Company confirms that it has not defaulted in paying the Annual Listing Fees for the financial year 2020-21 to the Bombay Stock Exchange Limited (BSE) where the shares of the Company are listed.

**FRAUD REPORTING :**

There was no fraud reported by the Auditors of the Company under Section 143(12) of the Companies Act, 2013, to the Audit Committee or the Board of Directors during the year under review.

**SECRETARIAL STANDARDS OF ICSI :**

The Company is in compliance with the relevant provisions of Secretarial Standards on Meetings of the Board of Directors (SS-1) and General Meetings (SS-2) issued by the Institute of Company Secretaries of India and approved by the Central Government and all other Secretarial Standards from time to time.

**CORPORATE SOCIAL RESPONSIBILITY (CSR) COMMITTEE**

According to the provision of Sec. 135 of the Companies Act 2013, companies having a net worth of Rs. 500 crore or more, or turnover of Rs. 1000 crore or more or a net profit of Rs. 5 crore or more during any financial year are required to constitute CSR (Corporate Social Responsibility) Committee. However, your Company does not fall in the above said criteria and hence not required to constitute the said Committee.

**HEALTH, SAFETY AND ENVIRONMENT PROTECTION:**

The Company has complied with all the applicable environmental law and labour laws. The Company has been complying with the relevant laws and has been taking all necessary measures to protect the environment and maximize worker protection and safety.

**BUSINESS RESPONSIBILITY REPORT :**

The SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015 mandates inclusion of Business Responsibility Report (BRR) as part of the Annual Report for top hundred listed entities based on market capitalization. We do not fall in the top hundred listed entities and hence not provided the BRR as part of our Annual Report.

**SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS OR TRIBUNALS**

There are no significant and material orders passed by the regulators or courts or tribunals which impact the going concern status and Company's operations in future.

**CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS & OUTGO**

The information of Conservation of Energy as required under section 134(3)(m) of the Companies Act, 2013, read with the Companies (Accounts), Rules 2014 along with details of technology absorption and foreign exchange earnings & outgo are given by way of Annexure-2 to Director's Report.

## POLICIES

We seek to promote and follow the highest level of ethical standards in all our business transactions guided by our value system. The SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 mandated the formulation of certain policies for all listed companies. All our corporate governance policies are available on the website of the Company. The policies are reviewed periodically by the board and updated based on need and new compliance requirement.

## INTERNAL FINANCIAL CONTROL AND ITS ADEQUACY :

The board has adopted policies and procedures for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial disclosures.

## ARCHIVAL POLICY

The policy deals with the retention and archival of corporate records of Vegetable Products Ltd. The policy is available on the website of the company : <http://www.vegetableindia.com/investor.html> .

## PREVENTION OF INSIDER TRADING

The Company has adopted a Code of Conduct for Prevention of Insider Trading with a view to regulate trading in securities by the Directors and designated employees of the Company. The Code requires pre-clearance for dealing in the Company's shares and prohibits the purchase or sale of Company shares by the Directors and the designated employees while in possession of unpublished price sensitive information in relation to the Company and during the period when the Trading Window is closed. The Board is responsible for implementation of the Code.

All Board Directors and the designated employees have confirmed compliance with the Code.

## ANNUAL RETURN

Pursuant to the provisions of Section 92(3) read with Section 134(3) (a) of the Companies Act, 2013, the Annual Return as on March 31, 2021 is available at the website of the Company [www.vegetableindia.com](http://www.vegetableindia.com)

## DISCLOSURE UNDER SEXUAL HARASSMENT OF WOMEN AT WORKPLACE

As required by the Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013, the Company has formulated and implemented a policy on prevention of sexual harassment at the workplace with a mechanism of lodging complaints. Besides, redressal is placed on the intranet for the benefit of employees.

Your Company is committed to provide and promote safe, healthy and congenial atmosphere irrespective of gender, caste, creed or social class of the employees. During the year under

review, no complaints were reported to the Board and no cases have been files under the Act as the Company is keeping the working environment healthy.

## COVID-19 IMPACT ON THE COMPANY

As Members are aware, since March 2020, the Country/World has been seeing the impact due to COVID-19 pandemic. With a significant increase in number of cases in early 2020, the Government has been taking various measures including a national lockdown for three months to contain the virus which in turn affected economic activity in the Country. Your Company has taken various measures to monitor and mitigate the effects of COVID-19, such as safety and health measures for employees (e.g. social distancing, personal hygiene, work from home) and securing the supply of materials that are essential for production process and virtual technology in testing, commissioning, etc. to ensure business continuity.

The Second wave of COVID-19 has hit the country like tsunami and has badly affected the human life, medical facilities and economy of the Country. The situation became grave in April 2021 resulting lockdown by many states governments in India. The sudden spike of COVID cases pushed the Indian Economy into a technical recession due to deadly pandemic wave. Employee safety remained the Company's priority

## ACKNOWLEDGEMENT

Your Directors like to place on record their appreciation for the unstinted support and assistance received by the Company from the Central and State Governments and its Bankers.

The Directors also gratefully acknowledge all stakeholders of the Company viz. customers, members, dealers, vendors, banks and other business partners for the excellent support received from them during the year. The Directors place on record their sincere appreciation to all employees of the Company for their unstinted commitment and continued contribution to the Company's well being.

**SECRETARIAL AUDIT REPORT**

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,  
The Members  
**VEGETABLE PRODUCTS LTD**  
**CIN: L01122WB1953PLC021090**  
Subol Dutt Building, 13, Brabourne Road, Mezzanine Floor  
Kolkata - 700001

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **VEGETABLE PRODUCTS LTD** (hereinafter referred as 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31 March 2021 ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31 March 2021, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999, and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):

- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
  - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 – **No events / actions occurred during the Audit Period in pursuance of this regulation;**
  - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 – **No events / actions occurred during the Audit Period in pursuance of this regulation;**
  - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 – **No events / actions occurred during the Audit Period in pursuance of this regulation;**
  - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
  - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 – **No events / actions occurred during the Audit Period in pursuance of this regulation;**
  - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 – **No events / actions occurred during the Audit Period in pursuance of this regulation;** and
  - (i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015; and
- (vi) Other specifically applicable laws to the Company.

I report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis, the Company has complied with all the laws applicable specifically to the Company.

I have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India.

I have relied on the representation made by the Company and its Officers for systems and mechanism formed by the Company for compliances under other applicable Acts, Laws and Regulations to the Company.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that:

- The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors including Woman Director. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.
- Adequate notice is given to all directors for the Board Meetings, including Committees thereof, along with agenda and detailed notes on agenda at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting by the directors.
- All decisions at Board Meetings and Committee Meetings are carried out unanimously and recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that the compliance by the Company of applicable financial laws such as direct and indirect tax laws and maintenance of financial records and books of accounts have not been reviewed in this audit since the same have been subject to review by the statutory financial auditors, tax auditors and other designated professionals.

I further report that as per the explanations given to me and the representation made by the Management and relied upon by me, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period, there was no other event/action having major bearing on the Company's affairs.

- a) Time to time Suggestions has been taken from leading consultants for proper utilization and efficient management of steam generation for reduction of energy cost and accordingly they have been implemented wherever possible.
- b) The above measures will restrict the energy cost of per ton of production in future in spite of increase in power cost.
- c) Total energy consumption and energy consumption per unit of production:

a)	POWER & FUEL CONSUMPTION :		
		01.04.2020-31.03.2021	01.04.2019-31.03.2020
1	<b>ELECTRICITY(Purchased)</b>		
	Total (KWH)	8689.44	8270.48
	Total Amount (Rs)	1,40,682.00	1,33,899.00
	Rate per Unit (Rs.)	16.19	16.19
2	<b>D.G.SET</b>		
	Quantity (Ltrs)	0.00	0.00
	Total Amount (Rs)	0.00	0.00
	Average Rate (Rs)	0.00	0.00
3	<b>COAL</b>		
	Quantity (M/T)	0.00	0.00
	Total Cost (Rs)	0.00	0.00
	Average Rate (Rs)	0.00	0.00
b)	<b>CONSUMPTION PER UNIT OF PRODUCTION:</b>		
	Electricity per M.T. of Production	0.00	0.00
	Diesel per M.T. of Production	0.00	0.00
	Coal per M.T. of Production	0.00	0.00

### **B) TECHNOLOGY ABSORPTION**

The manufacturing unit has been closed since July, 2011 hence there are no steps taken for technology absorption and development. The Company has not taken any steps in specific areas of R&D.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

This report covers the operations and financial performance of the Company for the year ended 31st March, 2021 and forms a part of Board Report.

### OVERALL REVIEW :

The company's production has been discontinued with effect from the financial year 2011. However, due to non clearance by the pollution control Board the company could not restart its production. The production or operation procedure includes the use of boilers running on coal consumption which is objectionable to the Municipality & Pollution Control Board. There are various reasons behind decline in production. Even after due effort of the management to sustain in the industry it was not viable to continue with the same business line and the management has to take strong strategic decisions.

The company's business turnover during the year has nil because of discontinuance of production since July, 2011. In spite of this the company could achieve this growth because of continuous effort in other area of business. However, looking to the present scenario, your directors could not foresee a glimpse of bright future. Your directors are putting their full efforts to bring the company in a sustainable position in this competitive market through all possible measures. Your directors bring new projects in the area of agriculture business and construction company to boost the turnover and profit of the company in the future scenario.

In this situation, the management have no way but to shift the existing unit to a new remote suitable area and to diversify the existing unit into a new concept of developing and promoting the area for the fulfillment of demand of the locality and in this regard the Board at its meeting held on **22nd January, 2015** approved the proposed project viz; **"Responce City"** for building Housing Complex on the Land of the company. The Housing Complex may consists of Residential & Commercial buildings, Amusement Park, Play Ground, Hospital or Nursing Home and School etc. The company may with or without JV complete the project. The company may engage itself into Real Estate Business activity.

### INDUSTRY STRUCTURE AND DEVELOPMENTS :

The Indian economy stress, as the rupee depreciates sharply. Price pressure due to high inflation, fuel cost, a weakening rupee and rising input prices remained major concern for manufacturers. Low household consumption of Vanaspati Products in India due to health conscious, change in pattern of food culture, changing life style, introduction of new models and increasing consumer awareness give tough challenges to the industries to adopt new technologies. A large number of consumer brand loyalty were increasingly affecting the industry. We did observe that commodity companies especially in the edible oils sector were losing money. Vanaspati also has been reeling from health related issues within the consumer domain.

Reserve Bank of India's policy seems to be heading towards creation of a stable, low inflation regime. The Reserve Bank of India (RBI) has started to lower the interest rates as well as increase the liquidity in the economy by taking various initiatives. The RBI has indicated that further monetary actions will be conditioned by incoming data especially on the easing of supply

constraints, pass through of rate cuts into lending rates and improved availability of key inputs such as power, land, mineral and infrastructure. Additionally, impact of US interest rates on global capital flows will determine the pace of interest rate cuts. Post the regime change in India's federal Government, there have been firm signals of development agenda and pushing of reforms required to revitalize the economy. The Government has taken measures to revive the economy by modifying FDI policies for various industries, pushing hard for infrastructure spending and towards creating smart cities. Reforms to create flexibility in labour markets, safety net for the unorganized sector and passing of GST to create a common market will go a long way to take the growth momentum to a different level.

In 2017, the cyclical upswing underway since mid-2016 continued to strengthen and the global economy witnessed a pickup in growth. According to the International Monetary Fund (IMF), the year reported the broadest synchronized global growth surge since 2010. The advanced economies witnessed expansion owing to increased investments and manufacturing output. Similarly, key emerging markets and developing economies, including Brazil, China and India, posted strong upward momentum.

Given stronger than expected economic activity in 2017, the IMF has revised its growth forecast for the United States from 2.3% to 2.7% in 2019 and from 1.9% to 2.5% in 2020. Stronger domestic demand in the United States is projected to increase imports. In Europe too, economic activity in 2019 and 2020 is projected to remain stronger than anticipated. Moreover, the advanced economies in Asia are expected to deliver stronger growth, while the emerging and developing ones are expected to grow at around 6.5% over 2019-2020, broadly the same pace as in 2018.

India's economy picked up some pace in FY 2019-20 and the gross domestic product growth was better than FY 2018-19. The structural reform of The Goods and Services Tax (GST) within a year of demonetization is expected to provide a boost to the economic growth and investments in the long run.

## **OUTLOOK :**

Your Company continues to implement its strategy to concentrate on its core business activity of manufacturing of edible oil. The company may enjoy the synergy in its core business activity by utilizing its profits earned from the projected business into farming of oil seeds i.e. manufacturing of raw-material and re-start manufacturing of Edible oil with use of new & advanced technological instruments at plant proposed to be shifted to a different location in remote village of West Bengal. Our backward bending strategy will continue to motivate agriculture sector in the Country and support farmers for their sustainability & livelihood. This will bring financial reliance and development of farmers and their family and the locality with betterment to the life. Your company also proposes to continue its trading business activity to generate revenue. We presumed our strategy in the best interest of stakeholders and the company. A success to the presumed strategy may allow us to propose dividend in near future.

## **OPPORTUNITIES AND THREATS :**

The company foresee glimpse of opportunity in the Real Estate as The Government has pushed big ticket reforms to provide housing for the masses with the introduction of their policy viz. 'Housing for All by 2022'. In India, the pace of urbanization has not been able to match its peers globally. Approximately 30% of India's population lives in cities as compared to an average 50% globally and 70% in developing nations and substantial portions of this population lives in illegal,

shanty towns. The Government expects that half of the population would be shifting to urban cities by 2050. Further the government's initiation of SMART CITY concept is also one motivating factor.

According to a report by CREDAI and JLL India, the Indian real estate sector is projected to reach a market size of \$180 billion by 2020, a sharp rise from \$126 billion in 2015. The housing sector's contribution to the Indian GSP is expected to almost double to more than 11% by 2020 up from an estimated 5-6% today. A 2014 study by the National Council of Applied Economic Research indicates that every additional rupee of capital invested in the housing sector adds INR 1.54 to the gross domestic product (GDP) and every INR 1 lakh invested in residential housing creates 2.69 new jobs in the economy. Regulatory reforms, steady demand generated through rapid urbanization, rising household income and the emergence of affordable housing and nuclear housing are expected to be key drivers of growth for the real estate sector.

According to a CLSA report, there is currently no listed developer achieving sales of US\$1bn per annum in India's US\$100bn + residential market. Fragmentation is high, not just a national level, but a city level too. However disruption with demonetization in 2016 and the Real Estate Regulatory Act (RERA) reform in 2017 has triggered accelerated consolidation. Customer preferences also have shifted towards better quality and branded developments. Access to cheaper capital has gained importance as working capital requirements rise. The organized sector should be able to more than double its market share of the residential property market, to near 20% over the next five to seven years.

The CLSA report further compares the Indian and the Chinese real estate market. The top 10 Chinese developers accounted for 20% of residential properties sales in 2016, double the level of 11% in 2008. The top developers have steadily utilized their balance sheet advantages and delivery capabilities to scale-up. In 2016, the top three Chinese developers together sold US\$150bn of properties, accounting for 11% of the market share. As delivery capabilities and balance sheets start to matter more in India, it expects a similar consolidation to unfold in India as well.

The Indian residential real estate sector is at the cusp of a gradual demand revival, aided by affordability at a 15 year high and new buyer friendly regulations that have increased the confidence of property buyers. Improvement in current subdued job creation / income growth outlook could lead to even faster growth. Developers with a scalable business model are better placed to grow market share in a regulatory environment that demands greater accountability and transparency from developers.

Increase in disposable income and spending among people with moderate economic growth, leads to higher propensity to consume. We believe in the years ahead one will see more robust growth and therefore more consumption.

Further, increase in rural market for product with verity of brands, change in consumption pattern and health conscious among consumers are likely to witness growing demand of quality products in the current years. Also Technological improvements on regular basis are needed to satisfy consumers test & preferences. They tend to look for healthy products when it comes to choosing products for consumption. Newer variants of our products will help the company in getting the attention of consumers who look for healthy lifestyle products that may replace & niche demand for our products. This also requires perfect marketing mix to penetrate product in the market.

The industry has always been adversely affected by high volatility in prices of major inputs, deficiency of project management capabilities; slow down in government decision making, delays in approval by Authorities and lack of availability of skilled laborers. Natural calamities like poor weather conditions and manmade disruptions like encroachment, disruption of supply chain etc. continue to be a major constraint in the business growth. The major threat being faced are regulatory changes, interest rates hiked by RBI, high inflation etc. The Company is also facing stiff competition to sustain in the market with several brands Saffola, Dalda Active, Emami Refined Soybean Oil, Sunflower and various. The competition became toughest when customer's brand loyalty is considered.

## RISKS & CONCERNS :

Risks are inherent in every business and their successful mitigation is necessary to protect profitability. In a highly competitive market, the ability to manage diverse risks determines success for a company. Our Strategic focus on Real Estate sector in India exposes the Company to a vast variety of risks. Your Company's growth and profitability are dependent on the consumer's Life style, consumption habits & pattern along Marketing Strategies. The Company is exposed to several market risks like credit risk, liquidity risk and interest rate risk which are major cause of concern to the Company.

## INTERNAL CONTROL SYSTEM & ADEQUACY :

Internal control systems and procedures in the Company commensurate with the size and the nature of Company's business and are regularly reviewed and updated by incorporating changes in regulatory provisions in order to safeguard the assets and to ensure reliability of financial reporting. The Company has adequate system of internal controls to ensure that all the assets are safeguarded and are productive and being replaced or scrape are sold whenever it considered waste. Checks and balances are in place and are reviewed at regular intervals to ensure that transactions are properly authorized and reported correctly.

The internal control is supplemented by an extensive programme of internal audits, review by management, documented policies, guidelines and procedures. The internal control is designed to ensure that financial and other records are reliable for preparing financial information and other data, and for maintaining accountability of assets.

## HUMAN RESOURCES :

The Company continues to give priority to its human assets. The Company provides a fair and equitable work environment to all its employees. The Company is continuously working to create and nurture an atmosphere which is highly motivated and result oriented.

## FINANCIAL PERFORMANCE :

The financial performance of the Company for the year under review is discussed in detail in the Directors Report. Your Company's finance function is responsible for correctness of all financial information, timely reporting of business metrics, ensuring complete financial propriety & control, effective risk management, treasury operations and institutional investor relations. The function is organized along with finance teams for each business unit which work within well defined parameters and policies to ensure flexibility, speed and control at the same time.

Regular presentations of audit reports including significant audit findings and compliance assurance along with the implementation status and resolution timelines is made to the Audit Committee of the Board by the internal auditors. Every quarter, the statutory auditors also make a presentation of the summary of audit issues to the Audit Committee.

#### **CAUTIONARY STATEMENT :**

The above Management Discussion and Analysis contains certain forward looking statements within the meaning of applicable security laws and regulations. These pertain to the Company's future business prospects and business profitability, which are subject to a number of risks and uncertainties and the actual results could materially differ from those in such forward looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties, regarding fluctuations in earnings, our ability to manage growth, competition, economic growth in India, ability to attract and retain highly skilled professionals, time and cost over runs on contracts, government policies and actions with respect to investments, fiscal deficits, regulation etc. In accordance with the Code of Corporate Governance approved by the Securities and Exchange Board of India, shareholders and readers are cautioned that in the case of data and information external to the Company, no representation is made on its accuracy or comprehensiveness though the same are based on sources thought to be reliable. The Company does not undertake to make any announcement in case any of these forward looking statements become materially incorrect in future or update any forward looking statements made from time to time.

Number of pending complaints	NIL

## 5) NOMINATION & REMUNERATION COMMITTEE

The terms of reference of the Nominations & Remuneration Committee are as follows:

1. Make recommendations regarding the composition of the Board, identify independent Directors to be inducted to the Board from time to time and take steps to refresh the composition of the Board from time to time.
2. Provide guidance and direction in developing and implementing the reward philosophy of the Company.
3. Evaluate and approve the appointment and remuneration of senior executives, the Company's remuneration plan, annual salary increase principles and budgets, annual and long term incentive plans of the Company, policies and programs such as succession planning, employment agreements, severance agreements and any other benefits.
4. Review progress on the Company leadership development programs, including for promotion to the Board, employee engagement initiatives and employee surveys.
5. Consider and approve matters relating to normal retirement plans, Voluntary Retirement and Early Separation Schemes for employees of the Company.
6. Establish key performance metrics to measure the performance of the Managing Director and the executive team including the use of financial, non-financial and qualitative measures.
7. Evaluate executive team performance regularly to strengthen the cumulative annual assessment and to provide timely feed-back to the assessed individuals.
8. Developing a view on the human resources capability in the business by periodically engaging with levels below the executive team.
9. Review and recommend to the Board the remuneration and commission to the managing and executive directors and define the principles, guidelines and process for determining the payment of commission to non-executive directors of the Company.

Nomination and Remuneration Committee has presently three Non-Executive Directors and all of them are Independent Directors. During the year under review, Five (5) committee meetings were held on 03.06.2020, 29.07.2020, 15.09.2020, 12.11.2020 and 13.02.2021. The Composition and attendance of the said committee as on 31.03.2021 are given below:

Members	Category	Number of meetings attended
Mr. Arun Chakraborty (upto 03.06.2020)	Chairman	1
Mr. Sudarson Kayori (upto 03.06.2020)	Member	1

**AUDITORS CERTIFICATE ON  
CORPORATE GOVERNANCE**

To,  
The Members of **Vegetable Products Limited**

We have examined the compliance of conditions of Corporate Governance by **Vegetable Products Limited** for the year ended on **31st March, 2021** as stipulated in the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the Compliance of the Corporate Governance. It is neither an Audit nor an opinion on the financial statement of the Company.

In our opinion and into the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate as stipulated in the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We further state that such Compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

## INDEPENDENT AUDITOR'S REPORT

To the Members of

**VEGETABLE PRODUCTS LIMITED**

**REPORT ON THE FINANCIAL STATEMENTS**

### **Opinion**

We have audited the accompanying financial statements of **Vegetable Products Limited** which comprises the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss, Statement of changes in equity and Statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on financial statements.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters.

### **Responsibility of Management for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also

includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required

to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, based on our audit we report that:
  - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.

- d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
- ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

## **Annexure - A to the AUDITOR'S REPORT**

The Annexure referred to in Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31<sup>st</sup> March 2021, we report that:

1. a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.  
b) The Company has a regular programme of physical verification of its Property, Plant and Equipment by which fixed assets are verified in phased manner. In accordance with this programme, Property, Plant and Equipment were verified during the year and no material discrepancies were noticed on such verification. In our opinion, the periodicity of physical verification is reasonable having regards to the size of the company and the nature of the fixed assets.  
c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has certain immovable properties and accordingly the title deeds of the immovable properties are held in the name of the Company.
2. The Company had no inventories during the year, thus, paragraph 3(ii) of the Order is not applicable to the Company.
3. The Company has not granted any loans, secured or unsecured to Companies, Firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013 (the Act'). Accordingly, this clause is not applicable.
4. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans and investments made. The Company has not given any guarantee(s) or provided any security for loan taken by third party.
5. The Company has not accepted any deposits from the public during the year and does not have any unclaimed deposits as at 31<sup>st</sup> March, 2021. Accordingly, the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under are not applicable to the company for the year under audit. Accordingly, this clause is not applicable.
6. The Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act for any of the services rendered by the company. Accordingly, this clause is not applicable.

7. a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of accounts in respect of undisputed statutory dues including income-tax, Goods and Service Tax and other material statutory dues, except Profession Tax, Provident Fund, Employee's State Insurance and Property Tax, have been regularly deposited during the year by the Company with the appropriate authorities as applicable for the year under audit.
- b) According to the information and explanations given to us, undisputed amounts payable in respect of Income Tax, GST and other material statutory dues, outstanding as at 31st March, 2021, for a period of more than six months from the date they became payable are as follows :-
1. Profession Tax - Rs 2,220/-
  2. Property Tax - Rs 31,45,155/-
  3. Excise Duty Payable - Rs 1,122/-
  4. Employee Provident Fund- Rs. 15,783/-
  5. Employee's State Insurance- Rs. 4,276/-
- c) According to the information and explanations given to us, no dues of Income Tax, GST and other material statutory dues, which have not been deposited on account of any dispute are pending.
8. The Company does not have any loans or borrowings from any financial institution, banks, debenture-holders during the year, except a soft loan from West Bengal Government, whose detail is as under:

Particulars	Outstanding Loan Amount inclusive of interest as on 31/03/2020	Period of Default	Remarks
Soft Loan from Government of West Bengal	Rs. 2,69,80,378/-	Since 31-12-2000	There is continuing default in repayment of above loan on the reporting date. The company has disputed the liability against the above loan.

9. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3 (ix) of the Order is not applicable.

10. According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
11. According to the information and explanations give to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
12. In our opinion and according to the information and explanations given to us, the Company is not a nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
13. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
14. According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
15. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
16. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

## **Annexure - B to the AUDITOR'S REPORT**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **VEGETABLE PRODUCTS LIMITED** ("the Company") as of **31<sup>st</sup> March 2021** in conjunction with our audit of the financial statements of the Company for the year ended on that date.

#### **MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **AUDITORS' RESPONSIBILITY**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal

financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained are sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting of the Company.

### **MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal

financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **OPINION**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Note - 1****1. Company Overview**

M/s Vegetable Products Ltd. was established & started working in the year 1953 vide Corporate Identity No. L01122WB1953PLC021090, with manufacturing of vegetable edible oil products under the "PRATAP VANASPATHI" brand name. The Company after experiencing decades of ups & downs and facing tough competitive macro economic environment in the industrial sector of Indian economy today M/s Vegetable Products Ltd. stands as a professionally managed company wherein the overall management is vested in the Board of Directors comprised of qualified and experienced persons. We currently have Six Directors on our Board comprise of one Managing Director and 2 Non Executive Director including one women director and the other 3 are Non-executive Independent Directors. In a country that cooks from the heart, food is more than just nourishment for the body. It is a bond that brings families together and friends closer. At "VPL" we believe it is what upholds the tradition of true Indian hospitality. That's why we offered widest range of edible oils that helps India indulge in its passion for food, without the guilt. We shall be foraying into a wider range of agro products besides edible oils. Our dedication to quality, innovation and the promise of uncompromised health for the people of India shall shot us to top 10 positions in the Indian vegetable edible oil industry, by 2020. As a brand we are bound to meet the consumer's changing requirements. This will make us the most respectful brands in the nation. Any complain from our customers are sincerely looked into and this is the reason behind our products popularity in the state of West Bengal and in other States. For us Quality Control is not a just routine, but is a mission. Our Esteemed Directors have the vision, courage and leadership qualities. His efforts to place the Company in a most modernized unit with upgraded process & latest equipment and machineries will surely bring success to the company.

**2. Significant Accounting Policies :****a. Statement of compliance**

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of the Companies Act, 2013 (the 'Act') and other relevant provisions of the Act.

**b. Basis of preparation**

The financial statements have been prepared under the historical cost convention, on the accrual basis of accounting, with the exception of certain financial assets and financial liabilities that are required to measured at fair values at the end of each reporting period. The accounting policies have been applied consistently over all the periods presented in these financial statements.

**c. Fair value measurement**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 – Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 – Valuation techniques for which the lowest level input that is significant to the fair value measurement is Unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period or each case.

For the purpose of fair value disclosures, the company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarizes accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

- Disclosures for valuation methods, significant estimates and assumptions
- Quantitative disclosures of fair value measurement hierarchy
- Investment in quoted and unquoted equity shares
- Financial instruments

#### **d. Current/ Non-current classification**

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realized within twelve months after the reporting period, or

- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

**e. Use of estimates and critical accounting judgements**

In preparation of the financial statements, the management makes judgments, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and the associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and the underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and future periods affected.

Significant judgments and estimates relating to the carrying values of assets and liabilities include useful lives of property, plant and equipment and intangible assets, impairment of property, plant and equipment, intangible assets and investments, provision for employee benefits and other provisions, recoverability of deferred tax assets, commitments and contingencies.

**f. Property, plant and equipment**

*Recognition and initial measurement*

An item of property, plant and equipment is recognised as an asset if it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. This recognition principle is applied to the costs incurred initially to acquire an item of property, plant and equipment and also to costs incurred subsequently to add to, replace part of, or service it. All other repair and maintenance costs, including regular servicing, are recognised in the statement of profit and loss as incurred. When a replacement occurs, the carrying value of the replaced part is de-recognised. Where an item of property, plant and equipment comprises major components having different useful lives, these components are accounted for as separate items.

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment losses. The cost of an item of property, plant and equipment comprises of its

purchase price including import duties and other non-refundable purchase taxes or levies, directly attributable cost of bringing the asset to its working condition for its intended use and the initial estimate of decommissioning, restoration and similar liabilities, if any. The gain or loss arising on disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of profit and loss.

#### *De-recognition*

An item of property, plant and equipment and any significant part initially recognised is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the income statement when the asset is derecognized.

#### **g. Depreciation of property plant and equipment**

Depreciation or amortisation is provided so as to write off, on a Written down value basis, the cost of property, plant and equipment and other intangible assets, including those held under finance leases to their residual value. These charges are commenced from the dates the assets are available for their intended use and are spread over their estimated useful economic lives as per the useful life prescribed in Schedule II to the Companies Act, 2013, or, as per technical assessment, or, in the case of leased assets, over the lease period, if shorter. The estimated useful lives of assets and residual values are reviewed regularly and, when necessary, revised. No further charge is provided in respect of assets that are fully written down but are still in use.

In case of certain classes of PPE, the Company uses different useful lives than those prescribed in Schedule II to the Act. The useful lives have been assessed based on technical advice, taking into account the nature of the PPE and the estimated usage of the asset on the basis of management's best estimation of obtaining economic benefits from those classes of assets.

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful lives.

The Company reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

#### **h. Impairment of non-financial assets**

At each balance sheet date, the Company reviews the carrying values of its property, plant and equipment and intangible assets to determine whether there is any indication that the carrying value of those assets may not be recoverable through continuing use. If any such indication exists, the recoverable amount of the asset is reviewed in order to determine the extent of impairment loss (if any). Where the asset does not generate cash flows that are

independent from other assets, the Company estimates the recoverable amount of the cash generating unit (CGU) to which the asset belongs.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. An impairment loss is recognised in the statement of profit and loss as and when the carrying value of an asset exceeds its recoverable amount.

Where an impairment loss subsequently reverses, the carrying value of the asset (or CGU) is increased to the revised estimate of its recoverable amount so that the increased carrying value does not exceed the carrying value that would have been determined had no impairment loss been recognised for the asset (or CGU) in prior years. A reversal of an impairment loss is recognised in the statement of profit and loss immediately.

#### **i. Financial Instruments**

Financial assets and financial liabilities are recognised when a Company becomes a party to the contractual provisions of the instruments.

##### **Initial Recognition:**

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss and ancillary costs related to borrowings) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in Statement of Profit and Loss.

##### **Classification and Subsequent Measurement: Financial Assets**

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income ("FVOCI") or fair value through profit or loss ("FVTPL") on the basis of following:

- the entity's business model for managing the financial assets and
- the contractual cash flow characteristics of the financial asset.

##### **Amortised Cost**

A financial asset shall be classified and measured at amortised cost if both of the following conditions are met:

- the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### **Fair Value through Other Comprehensive Income**

A financial asset shall be classified and measured at fair value through OCI if both of the following conditions are met:

- the financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### **Fair Value through Profit or Loss**

A financial asset shall be classified and measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through OCI.

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

### **Classification and Subsequent Measurement: Financial liabilities**

Financial liabilities are classified as either financial liabilities at FVTPL or 'other financial liabilities'.

### **Financial Liabilities at FVTPL**

Financial liabilities are classified as at FVTPL when the financial liability is held for trading or are designated upon initial recognition as FVTPL:

Gains or Losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

### **Other Financial Liabilities**

Other financial liabilities (including borrowings and trade and other payables) are subsequently measured at amortised cost using the effective interest method.

The effective interest method is a method of calculating the amortised cost of a financial liability and of allocating interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial liability, or (where appropriate) a shorter period, to the net carrying amount on initial recognition.

### **Impairment of financial assets**

Financial assets, other than those at FVTPL, are assessed for indicators of impairment at the end of each reporting period. The Company recognises a loss allowance for expected credit losses on financial asset. In case of trade receivables, the Company follows the simplified approach permitted by Ind AS 109 – Financial Instruments for recognition of impairment loss allowance. The application of simplified approach does not require the Company to track changes in credit risk. The Company calculates the expected credit losses on trade receivables using a provision matrix on the basis of its historical credit loss experience.

### **Derecognition of financial assets**

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognises its retained interest in the asset and an associated

liability for amounts it may have to pay. If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss if such gain or loss would have otherwise been recognised in profit or loss on disposal of that financial asset.

**j. Employee benefits**

**Short term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefits obligations in the balance sheet.

**Defined contribution plans**

Payments to defined contribution plans are charged as an expense as they fall due. Payments made to state managed retirement benefit schemes are dealt with as payments to defined contribution schemes where the Company's obligations under the schemes are equivalent to those arising in a defined contribution retirement benefit scheme.

**k. Provisions, Contingent liabilities and Contingent assets**

Provisions are recognised when the company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of time value of money and the risks specific to the liability. The increase in the provision due to passage of time is recognised as interest expense.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non -occurrence of one or more uncertain future events not wholly within the control of the Company.

Contingent assets are not recognised in financial statements since this may result in the recognition of income that may never be realised. However, when the realisation of income is virtually certain, then the related asset is not a contingent asset and is recognised.

#### **1. Government grants**

The Company recognizes government grants only when there is reasonable assurance that the conditions attached to them shall be complied with and the grants will be received. Grants related to assets are treated as deferred income and are recognized as other income in the Statement of Profit and Loss on a systematic and rational basis over the useful life of the asset. Grants related to income are recognized on a systematic basis over the periods necessary to match them with the related costs which they are intended to compensate and are deducted from the expense in the Statement of Profit and Loss. Moreover, during the year the did not received any grants from the Government.

#### **m. Income taxes**

Income tax expense represents the sum of the tax currently payable and deferred tax.

##### **Current tax**

Current tax is the amount of tax payable based on the taxable profit for the period as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws in the countries where the Company operates and generates taxable income.

##### **Deferred tax**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

Deferred tax liabilities are recognised for taxable temporary differences associated with investments in subsidiaries and associates, and interests in joint ventures, except where the Company is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future. Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

#### **Current and deferred tax for the year**

Current and deferred tax are recognised in profit or loss, except when they are relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity respectively. Where current tax or deferred tax arises from the initial accounting for a business combination, the tax effect is included in the accounting for the business combination.

#### **n. Revenue**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable net of discounts, taking into account contractually defined terms and excluding taxes or duties collected on behalf of the government.

#### **Sale of goods**

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, usually on delivery of the goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

#### **Interest income**

Interest income is accrued on a time proportion basis, by reference to the principal outstanding and the effective interest rate applicable.

#### **r. Foreign currency transactions**

The financial statements of the Company are presented in Indian rupees (₹), which is the functional currency of the Company and the presentation currency for the financial statements. The Company does not have any Income in foreign currency, hence injunction in regard to foreign currency translation did not reportable as per Ind AS.

#### **s. Borrowing costs**

Borrowings costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the interest costs.

**t. Earnings per share**

Basic earnings per share is computed by dividing the net profit for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares including the treasury shares held by the Company to satisfy the exercise of the share options by the employees.

**u. Trade receivables**

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

**v. Cash and cash equivalents**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with the financial institutions, other short term, highly liquid investments with original maturities of three months or less (except the instruments which are pledged) that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**w. Trade and other payables**

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within the credit period allowed. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. Long term trade payables are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

**x. Segment reporting**

The company does not have any income from revenue from operation and any geographical segments, Hence there are no separate reportable segments as per Ind AS.

Loans	78,63,999	-	-	-	87,52,990	-	-	-
<b>At FVOCI</b>								
Investment in Equity (Unquoted)*	1,90,47,500	-	-	1,90,47,500	1,90,47,500	-	-	1,90,47,500

\* Excludes Financial Assets Measured at Cost (Refer Note 3(a))

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.
