SECTION III: RISK FACTORS

RISK FACTORS

Any investment in equity securities involves a high degree of risk. Investor should carefully consider all the information in this Red Herring Prospectus, including the risks and uncertainties described below, before making an investment in our Equity Shares. To obtain a more complete understanding, you should read this section together with Sections titled, ***Our Business,*** *and* ***Management's Discussion and Analysis of Financial Condition and Results of Operations*** *beginning on page no. 151 and 282 respectively, as well as the other financial and statistical information contained in this Red Herring Prospectus.*

Any of the following risks, as well as the other risks and uncertainties discussed in this Red Herring Prospectus, could have an adverse effect on our business, financial condition, results of operations and prospects and could cause the trading price of our Equity Shares to decline, which could result in the loss of all or a part of your investment. The risks and uncertainties described in this section are not the only risks that we may face. Additional risks and uncertainties not known to us or that we currently believe to be immaterial may also have an adverse effect on our business, results of operations, financial condition and prospects.

This Red Herring Prospectus contains forward-looking statements that involve risks and uncertainties. Our actual results could differ materially from those anticipated in these forward-looking statements because of certain factors, including the considerations described below and elsewhere in this Red Herring Prospectus.

The financial and other related implications of risks concerned, wherever quantifiable, have been disclosed in the risk factors mentioned below. However, there are certain risk factors where the effect is not quantifiable and hence has not been disclosed in such risk factors. You should not invest in this Issue unless you are prepared to accept the risk of losing all or part of your investment, and you should consult your tax, financial and legal advisors about the consequences to you of an investment in the Equity Shares.

The financial information in this section is, unless otherwise stated, derived from our Restated Financial Statements prepared in accordance with Indian AS, as per the requirements of the Companies Act, 2013, and SEBI (ICDR) Regulations.

The Risk factors have been determined on the basis of their materiality. The following factors have been considered for determining the materiality.
f
1. *Some risks may not be material individually but may be material when considered collectively.*
2. *Some risks may have material impact qualitatively instead of quantitatively.*
3. *Some risks may not be material at present but may have a material impact in the future.*

INTERNAL RISK FACTORS

A. Business Related Risks

1. Our Company, Directors, Promoters and Group Companies are parties to certain legal proceedings. Any adverse decision in such proceedings may have a material adverse effect on our business, results of operations and financial condition.

For further details, please refer chapter ***"Outstanding Litigation and Material Development"*** beginning from page no. 291 of this Red Herring Prospectus. Further, in addition to that, there could be other litigations & claims filed against the Company, Directors & Promoters which the Company may not be aware of as on the date of this Red Herring Prospectus.

There can be no assurance that these litigations will be decided in favour of our Company, Directors, Promoters and Group Companies, respectively, and consequently it may divert the attention of our management and Promoter and waste our corporate resources and we may incur significant expenses in such proceedings and may have to make provisions in our financial statements, which could increase our expenses and liabilities. If such claims are determined against us, there could be a material adverse effect on our reputation, business, financial condition and results of operations. For the details of the cases please refer the chapter titled ***"Outstanding Litigations and Material Developments"*** on page 291 of this Red Herring Prospectus.

2. Risk of Low-Capacity Utilization Levels and Potential Underutilization of Expanded Manufacturing Facilities, Which May Adversely Impact Our Operational Efficiency, Profitability, and Return on Investment

Our capacity utilization has been low in recent years and may continue in the near future. Despite this, we are expanding our manufacturing capacity, which could lead to underutilization, increased fixed costs, and reduced operational efficiency, potentially affecting profitability and return on investment.

In FY 2022–23, we operated on a single shift and sourced solar panels from external suppliers to fulfil certain orders. In FY 2023–24, although turnover substantially increased, we faced lower capacity utilization due to the need for advanced Mono PERC modules, which were procured externally, impacting in-house production.

The demand for solar modules has significantly grown, and the Company expects continued expansion. The proposed manufacturing expansion will diversify our product portfolio and increase sales to government departments and contractors. Recently, we have secured Letters of Intent for supply of 50 MW of Mono PERC modules. Additionally, we plan to expand into solar EPC projects and enhance our sales to private customers through our dealer network, mitigating the risk of underutilization as market demand grows.

3. ***Potential Adverse Impact on Business Operations Due to Obsolescence of Existing Manufacturing Facility and Risks Associated with Relocation and Commissioning of New Manufacturing Unit with New Machinery.***

Our Company had established a manufacturing facility at Plot No. 237, HSIIDC Industrial Estate, Alipur, Barwala, Panchkula, Haryana in the year 2017 for the production of Polycrystalline Photovoltaic (PV) Modules with an annual manufacturing capacity of 40 MW. The facility operated successfully until August 2024.

However, pursuant to the MNRE Office Memorandum dated March 10, 2023 and May 10, 2023, the minimum module efficiency criteria were revised for Solar PV Modules to be eligible for participation in government tenders, although the ongoing projects to be commissioned by March 31, 2024 were exempted from the requirement of procuring Solar PV Modules Approved List of Modules Manufacturers (ALMM) and ALMM Order was held in abeyance for FY 2023-24. This regulatory change resulted in a market-wide shift in demand from Polycrystalline PV Modules to Monocrystalline (Mono-PERC) PV Modules for multiple Government Projects, thereby impacting the commercial viability of our existing Polycrystalline line. Consequently, the facility became obsolete and was no longer suitable for continued operations.

In view of the above, the Company has transitioned its manufacturing operations to a new facility located at Plot No. 3 & 4, Rakba No. 249, Near Aryakulam International School, Assandh – Kohand Road, Munak, Karnal, Haryana – 132040, where new machinery suitable for the production of Monocrystalline (Mono-PERC) PV Modules has been installed.

While this transition is expected to enhance our production efficiency and increase overall capacity, it poses certain short-term risks, including potential delays in achieving optimal operational efficiency, unforeseen technical issues with new equipment, and potential disruptions during the stabilization phase. There may also be challenges related to workforce retraining, regulatory compliance, and logistical adjustments due to the location change. Any such issues could adversely affect the Company's production schedule, cost structure, and overall profitability in the short term.

4. ***Adverse changes in government policies, industry standards, or regulatory requirements governing our products have impacted our past operations and may adversely affect our future business prospects and financial performance.***

Our business is subject to various regulatory requirements and technical standards prescribed by the Ministry of New and Renewable Energy ("MNRE") and other government authorities. Any change in such regulations or standards governing solar photovoltaic ("PV") modules or related components may have a material impact on our business operations, product offerings, and financial performance.

In the past, our Company had established a manufacturing facility at Plot No. 237, HSIIDC Industrial Estate, Alipur, Barwala, Panchkula, Haryana, in 2017, for the production of Polycrystalline Photovoltaic (PV) Modules with an annual capacity of 40 MW. The facility operated successfully until August 2024. However, pursuant to the MNRE Office Memorandum dated March 10, 2023 and May 10, 2023, the minimum module efficiency criteria were revised for Solar PV Modules to be eligible for participation in government tenders, although the ongoing projects to be commissioned by March 31, 2024 were exempted from the requirement of procuring Solar PV Modules Approved List of Modules Manufacturers (ALMM) and ALMM Order was held in abeyance for FY 2023-24. This regulatory change resulted in a market-wide shift in demand from Polycrystalline PV Modules to Monocrystalline (Mono-PERC) PV Modules for multiple Government Projects, thereby impacting the commercial viability of our existing Polycrystalline line.

Such regulatory revisions required us to reconsider our manufacturing focus, upgrade production technology, and realign our product portfolio to comply with the updated technical standards. Future changes in MNRE guidelines or other applicable regulations relating to solar manufacturing, module efficiency, or technology adoption may similarly affect our business model, product competitiveness, or financial results.

Any delay in adapting to new standards or inability to comply with revised regulations could result in a decline in market demand for our products, underutilization of existing facilities, and adverse effects on our business operations, profitability, and financial condition.

5. ***Our Restated Financial Statements are Prepared and Signed by the Peer Review Chartered Accountant who is not Statutory Auditors of our Company.***

The Restated Financial Statements have been provided by Peer- Reviewed Chartered Accountant M/s Himanshu Mohta & Associates who is not Statutory Auditor of our Company. The Restated Financial Statements of our Company for the financial years ended March 31 2026, March 31 2025 and March 31, 2024 has been provided by a Peer Reviewed Chartered Accountant who is not Statutory Auditor of our Company.

6. ***We have not taken any steps to order the machinery/equipment required for the Expansion and upgradation of the manufacturing facility. In the event of any delay in placing the orders, or in the event the vendors are not able to provide the equipment/machinery in a timely manner, or at all, the same may result in time and cost over-runs.***

Our company intends to utilize a portion i.e amount of Rs. 1298.30 lakhs out of the Net Proceeds for funding capital expenditure requirements for the purchase of equipment/machinery for the Expansion and upgradation of the manufacturing facility. While we have procured quotations from various vendors in relation to the capital expenditure to support our expanding operations, we have not placed any firm orders for any of them. For details in respect of the foregoing, please see ***"Objects of the Issue"*** on page 92. Such quotations are valid for a certain period of time and may be subject to revisions, and other commercial and technical factors. We cannot assure that we will be able to undertake such capital expenditure at the cost provided by such quotations or that there will not be cost escalations over and above the contingencies proposed to be funded out of the Net Proceeds. Further, the actual amount and timing of our future capital requirements may differ from our estimates as a result of, among other things, unforeseen delays or cost overruns, unanticipated expenses, regulatory changes, engineering design changes and technological changes. There can be no assurance that we will complete any proposed expansion or upgradation in a timely manner.

7. ***Our Company is dependent on a few customers for sales. Loss of any of these large customers may affect our revenues and profitability.***

Our business is dependent on a few customers and the loss of, or a significant reduction in orders by such customers could adversely affect our business. Revenues from any of our particular customers may vary significantly from reporting period to reporting period, depending on the nature of ongoing orders and the implementation schedule for such orders. The efficiency of the sales and marketing network is critical to the success of our Company.

Our success lies in the strength of our relationship with the customers who have been associated with our Company. However, such concentration of our business on a few customers may adversely affect us if we do not achieve our expected margins or suffer losses on one or more of these customer contracts. Significant revenue from a few customers increases the potential volatility of our results and exposure to individual contract risks with such customers, which may have an adverse effect on our results of operations. There can be no assurance that our significant customers in the past will continue to place similar orders with us in the future. A significant decrease in business from any such key customer, whether due to circumstances specific to such customer or adverse market conditions affecting the industry or the economic environment generally, such as the COVID-19 pandemic, may materially and adversely affect our business, results of operations and financial condition.

At present, we derive most of our revenues from the orders received from the limited or prime customers. The following is the breakup of the top one, top five and top ten customers of our Company for the financial year ended on March 31, 2026, March 31, 2025 and March 31, 2024 as per restated financials:

₹ in lakhs

Particulars	March 31, 2026		March 31, 2025		March 31, 2024	
	Amount	In %	Amount	In %	Amount	In %
Top Customers						
Top 1 Customer	8,517.40	50.00%	12,128.02	85.15%	12,238.52	88.48%
Top 5 Customers	16,955.92	99.54%	14,234.23	99.93%	13,803.29	99.79%
Top 10 Customers	17,034.32	100.00%	14,251.72	100.06%*	13,830.26	99.99%

** As of March 31, 2025, the company had a total of 11 customers. The top 10 customers accounted for 100.06% of total revenue, as the 10th and 11th customers recorded negative contributions of ₹(5.91) lakhs and ₹(7.97) lakhs due to credit note, representing (0.04)% and (0.06)% respectively.*

Further, New & Renewable Energy Department, Haryana, and HAREDA have been our major and repeated customers since FY 2021-22 and revenues from HAREDA constituted approximately 50.00%, 85.15%, and 88.48% of the total revenue for the financial years ended March 31, 2026, March 31, 2025, March 31, 2024, respectively.

8. ***We highly depend on our major raw materials and a few key suppliers who help us procure the same. Our Company has not entered into long-term agreements with its suppliers for the supply of raw materials. In the event we are unable to procure adequate amounts of raw materials, at competitive prices our business, results of operations and financial condition may be adversely affected.***

Our top 10 suppliers contribute majority of our supplies. We cannot assure that we will be able to get the same quantum and quality of supplies, or any supplies at all, and the loss of supplies from one or more of them may adversely affect our purchases of stock and ultimately our revenue and results of operations. However, the composition and amount of purchase from these suppliers might change as we continue seeking new suppliers for our product for better quality and price in the normal course of business. Though we believe that we will not face substantial challenges in maintaining our business relationship with them or finding new suppliers, there can be no assurance that we will be able to maintain long-term relationships with such suppliers or find new suppliers in time. The following are the details of contribution of the top one, top five and top ten suppliers of our Company for the financial year ended on March 31, 2026, March 31, 2025 and March 31, 2024 as per restatement financials:

₹ in lakhs

Particulars	March 31, 2026		March 31, 2025		March 31, 2024	
	Amount	In%	Amount	In %	Amount	In %
Top Suppliers						
Top 1 Supplier	3,652.96	29.02%	3,110.92	36.91%	7,641.13	56.00%
Top 5 Suppliers	11,351.82	90.20%	7,531.40	89.36%	12,418.33	91.01%
Top 10 Suppliers	12,334.52	98.00%	8,297.93	98.46%	12,979.49	95.12%

There have been no adverse instances in the past relating to unavailability of raw materials or disruption of supplies from key suppliers which have materially affected our business operations.

9. ***The majority of our state- wise revenues from operations for the last 3 years are dependent mainly on Haryana. Any adverse developments affecting our operations in these states could have an adverse impact on our revenue and results of operations.***

Our domestic sales are majorly dependent on Haryana i.e., 52.81%, 86.15%, and 88.93%, of our revenues for the financial year ended March 31, 2026, 2025 and 2024 respectively.

₹ in lakhs

State	March 31, 2026		March 31, 2025		March 31, 2024	
	Amount	% of total Revenue	Amount	% of total Revenue	Amount	% of total Revenue
Haryana	8,995.82	52.81	12,270.60	86.15	12,300.72	88.93

Such concentration of revenue in Haryana may have an adverse effect. Further, drastic change in Taxes and other levies imposed by State Government of Haryana as well as other financial policies and regulations, political and deregulation policies, if changed, could harm business and economic conditions. However, the composition and revenue generated from various states might change as we continue to add new customers in the different parts of India.

10. ***Our business operations may face less sales in unfavourable solar weather conditions could have a material adverse effect on our business, financial condition and results of operations.***

In the solar industry, the demand for Solar PV Modules in the market is often hampered by unfavourable weather conditions. These conditions result in reduced demand for Solar PV Modules from customers, consequently impacting our business and financial status adversely. customers may postpone or scale back their Solar PV Modules purchase plans. This dependency on weather patterns highlights a vulnerability within our business model, as our revenue and sales are directly tied to the availability of solar-friendly weather. To mitigate these challenges, we continuously assess and strategize to diversify our offerings or implement measures that reduce our dependency on specific weather conditions, ensuring a more resilient and stable financial position.

11. ***We have certain contingent liabilities, which, if materialized, may affect our financial condition and results of operations.***

A summary of our contingent liabilities, as indicated in our Restated Financial Statements is as follows:

₹ in lakhs

Particulars	March 31, 2026	March 31, 2025	March 31, 2024
other money for which the company is contingently liable*	2,918.32	1,569.18	918.05

** The amount represents bank guarantees issued by various banks on behalf of the Company in the normal course of business. These guarantees are provided to customers/government authorities/other parties as required under contracts and regulatory obligations.*

For further Information, see, ***"Restated Financials Statements"*** on page no. 223 on the Red Herring Prospectus.

12. ***The outstanding orders in our order book may be delayed, modified or cancelled which may have an adverse impact on our business, results of operations and cash flows.***

We have a substantial order book for the current financial year 2026-27, our Company's pending order book is 14,021.69 Lakhs as on July 31, 2026. We cannot guarantee that the income anticipated in our order book will be realized on time, or at all. Any cancellations or scope adjustments, which may occur from time to time, could reduce the amount of our order book and the income and profits that we ultimately earn from the contracts. Any delay, cancellation or payment default could have a material adverse effect on our business, results of operations and cash flows.

13. ***The reduction, modification or elimination of government and economic incentives may reduce the economic benefits of our existing renewable energy projects and our opportunities to develop or acquire new renewable energy projects.***

The development and profitability of renewable energy projects in the locations in which we operate are dependent on policy and regulatory frameworks that support such developments. Changes in policies could lead to a significant reduction in or a discontinuation of the support for renewable energy projects in such locations.

Without such support, renewable energy projects might not be commercially viable in such locations. The imposition of extra duties being levied on sources of energy that cause carbon dioxide pollution for the purpose of reducing greenhouse gas emissions has indirectly supported the expansion of power generated from renewable energy and, in turn, renewable energy projects in general. If such direct and indirect government support for renewable energy (in particular, solar and wind power) is terminated or reduced, it would make producing electricity from solar and wind power projects less competitive and reduce demand for new renewable energy projects.

In addition, the projects in which government entities participate may be subject to delays, extensive internal processes, policy changes, changes due to local, national and international political pressures and changes in governmental or external budgetary allocation and insufficiency of funds. Since government entities are the clients for such projects, these projects are directly and significantly dependent on their support. Any withdrawal of support or adverse changes in their policies may lead to the agreements being renegotiated and could also adversely affect the financing, capital expenditure, revenues, development or operations relating to the projects.

14. ***There has been an instance of non-compliance for failure to open a separate bank account for the receipt of share application money in compliance with Section 42 of the Companies Act, 2013. Due to such lapse, the Company may be held liable to penal actions by the regulatory authorities under the Companies Act which may have impact on our financial position***.

In order to meet our capital requirements, our Company has raised funds through the issuance of equity shares to existing shareholders by way of preferential allotment through private placement under Section 42 of the Companies Act, 2013. However, in connection with two such allotments ("Allotment-1" and "Allotment-2"), there have been instances of non-compliance with certain statutory requirements under the said section.

In both Allotment-1 and Allotment-2, the subscription monies were credited to the current account of the Company instead of a separate bank account as mandated under Section 42 of the Companies Act, 2013. Furthermore, in Allotment-2, it was observed that the Company utilized the funds received prior to the completion of the allotment process, which constitutes a contravention of Section 42(6) of the Companies Act, 2013. This section expressly prohibits the utilization of subscription money received for securities until the allotment is duly completed.

Our Company has voluntarily filed an application for adjudication before the Registrar of Companies, Delhi and Haryana under Section 454 of the Companies Act, 2013 vide Form GNL-1 bearing SRN N29379815 dated April 2, 2025. The said application has been taken on record, and the last hearing in the matter was conducted on June 11, 2026. The adjudication proceedings are currently pending and the final order is waited.

There can be no assurance that the adjudicating authority will not impose monetary penalties or take any other action against our Company and/or its officers in default. Any adverse order, imposition of penalties, regulatory action, or observations by statutory authorities may adversely affect our reputation, financial condition, cash flows and results of operations.

15. ***With the proceeds of the IPO, the Company intends to further expand and upgrade its facility to 160 MW by acquiring additional machinery with an installed capacity of 100 MW; we cannot assure you that the proposed expansion of the manufacturing facility will become operational as scheduled or at all, or operate as efficiently as planned. If we are unable to commission our new facility in a timely manner or without cost overruns, it may adversely affect our business, results of operations and financial condition.***

We plan to utilize a portion of the proceeds from this Issue to further expand and upgrade our manufacturing facility to 160 MW by acquiring additional machinery with an installed capacity of 100 MW at our manufacturing facility situated at Plot No. 3 & 4, Rakba No. 249, Near Aryakulam International School, Assandh–Kohand Road, Munak, Karnal, Haryana – 132040, at a total estimated cost of ₹1,298.30 lakhs. This expansion will require significant capital expenditure, procurement of specialised equipment, engagement of contractors and skilled personnel, and receipt of various regulatory and environmental approvals.

There can be no assurance that the proposed expansion of the manufacturing facility will become operational as scheduled, or at all, or that it will operate as efficiently as planned. Delays or cost overruns may arise from factors such as changes in market conditions, shortages of raw materials or equipment, delays in delivery of machinery, unanticipated technical issues, or challenges in obtaining requisite approvals and clearances. Any inability to commission our new facility in a timely manner, within budget, or to achieve the anticipated operational efficiencies could materially and adversely affect our business, prospects, results of operations and financial condition.

16. ***We face competition in our business from domestic competitors. Such competition would have an adverse impact on our business and financial performance.***

The industry, in which we are operating, is highly and increasingly competitive and our results of operations and financial condition are sensitive to, and may be materially adversely affected by, competitive pricing and other factors. Competition may result in pricing pressures, reduced profit margins or lost market share or a failure to grow our market share, any of which could substantially harm our business and results of operations. There can be no assurance that we can effectively compete with our competitors in the future, and any such failure to compete effectively may have a material adverse effect on our business, financial condition and results of operations.

17. ***There are certain discrepancies and non-compliances noticed in some of our corporate records relating to forms filed with the Registrar of Companies, taxation authorities and other public authorities.***

Our Company in the past have made delay in filings of some RoC forms as per the stipulated timelines prescribed under the Companies Act, 2013. Our Company has paid requisite late fees for such filings, and no show cause notice in respect of the same has been received by our Company till date. The details of ROC Late Filings are as follows:

It is pertinent to note here that all the forms are approved by ROC. Further, if any such action is initiated by the regulatory authority, then the Company will have to abide by the order of such regulatory authority or pay any penalty that may be imposed by any regulatory authorities in future for non-compliance with provisions of corporate and other law which could impact the financial position of the Company to that extent. To streamline our compliance processes and prevent delays, our company has taken several corrective measures i.e. enhancement of internal monitoring systems, dedicated compliance personnel and engagement of compliance professionals.

18. ***There have been some instances of delayed filing of returns and depositing of statutory dues with regulatory authorities.***

In the past, our Company has, on certain occasions, delayed in filing GST returns, EPF returns, ESIC returns, and deposit of statutory dues. The details of delays are as follows:

However, it cannot be assured, that there will not be such instances in the future or our Company will not commit any further delays or defaults in relation to its reporting requirements, or any penalty or fine will not be imposed by any regulatory authority in respect to the same. The occurrence of such event may cause a material effect on our results of operations and financial position. To streamline our compliance processes and prevent delays, our company has taken several corrective measures i.e. enhancement of internal monitoring systems, dedicated compliance personnel and engagement of compliance professionals.

19. ***Our Company's proposed expansion and modernization plans may be adversely affected if the existing utilities such as power, water, and other infrastructural facilities are not sufficient to meet the increased operational requirements***

Our Company proposes to expand and modernize its manufacturing facility located at Karnal, Haryana, by increasing the installed capacity of Mono PERC Solar PV Modules from 60 MW per annum to 160 MW per annum equipped with latest technology of TopCON Bifacial Solar PV Modules. The expansion will involve the acquisition and installation of additional machinery with an annual capacity of 100 MW at the existing premises.

The successful implementation of our proposed expansion and modernization plans depends, among other factors, on the availability of adequate and uninterrupted utilities such as power supply, water, and other infrastructural facilities. Any inadequacy, delay, or interruption in securing these utilities may adversely affect our ability to install and operate the proposed equipment efficiently. Such shortages could lead to delays in project execution, increased operating costs, or suboptimal utilization of installed capacity, which in turn could have a material adverse effect on our operations, financial performance, and growth prospects.

20. ***We have experienced negative cash flows in the past. Any such negative cash flows in the future could adversely affect our business, results of operations and prospects.***

The following table sets forth our cash flow for the periods indicated:

(In Lakhs)

Particulars	March 31, 2026	March 31, 2025	March 31, 2024
Net cash generated/(used) from operating activities	(207.05)	390.30	(552.46)
Net Cash generated/(used) from investing activities	(299.74)	20.96	(558.62)
Net Cash generated/(used) from financing activities	690.73	142.29	350.28
Net increase/(decrease) in cash and cash equivalents	181.30	559.18	(760.80)

Cash flow of a company is a key indicator to show the extent of cash generated from operations to meet its capital expenditure, pay dividends, repay loans, and make new investments without raising finance from external resources. Such negative cash flows lead to a net decrease in cash and cash equivalents. Any negative cash flow in future could adversely affect our operations and financial conditions and the trading price of our Equity Shares.

21. ***We do not own the premises in which our Registered Office, Manufacturing unit, Branch Office and Warehouses are located and the same are on lease arrangement. Any termination of such lease/license and/or non-renewal thereof and attachment by Property Owner could adversely affect our operations.***

Unless the lease of our premises is renewed, upon termination of the lease, we are required to return the premises office to the Lessor/Licensor. There can be no assurance that the term of the agreements will be renewed on commercially acceptable terms and in the event the Lessor/Licensor terminates or does not renew the agreements, we are required to vacate the said premises where operational activities are carried out. In such a situation, we have to identify and take alternative premises and enter into fresh lease or leave and license agreement at less favourable terms and conditions to shift our registered office and operations. Such a situation could result in time overruns and may adversely affect our operations temporarily. However, we have not faced any such instances of termination or non-renewal of lease/licence agreements in the past for our Registered Office, Manufacturing Unit, Branch Office, or Warehouses that have materially impacted our operations.

22. ***Our Company has availed unsecured loan which are repayable on demand. Any demand from the lenders for repayment of such unsecured loan may affect our financial condition.***

As per our Restated Standalone Audited Financial Statements, our Company has an outstanding balance of unsecured loans amounting to ₹305.00 lakh as on March 31, 2026, which has been availed from one of our Directors. Such unsecured loans are repayable on demand and may be recalled at any time. Any sudden recall of these loans may disrupt our operations and may compel us to seek alternate funding at unviable terms, thereby increasing our financial burden. Further, our Company may not be able to raise requisite funds at short notice, which could result in shortage of funds for our operations. For further details, please refer ***"Financial Statements as Restated"*** beginning on page 223 of this Red Herring Prospectus. Any demand for the repayment of such unsecured loan, may adversely affect our cash flow and financial condition.

23. ***Our company is engaged in assembling of solar water pumping system and beneficiaries receives subsidy from State/Central Government. Any reduction or discontinuation of such subsidy will results in reduction in number of potential consumers.***

We also provide services of assembling of solar water pumping system to beneficiaries for their captive purpose, the Empanelment of the Scheme which was run by MNRE in which beneficiaries are eligible for claiming subsidy directly from State/Central Government. Apart from that if the same scheme discontinued by the government, in future or if there is any reduction or any discontinuance of subsidy from State/Central Government, we may require to charge total cost of project from customers which will ultimately results higher cost to the customer. As a result, number of potential consumers of our services may reduce which will ultimately affect our potential revenue in future to that extent.

24. ***Our business activities are exposed to fluctuations in the prices of raw materials.***

Our Company is dependent on third party suppliers for procuring the raw materials required for manufacturing of our products. We are exposed to fluctuations in the prices of these raw materials as well as its unavailability, particularly as we typically do not enter into any long-term supply agreements with our suppliers for raw materials. Our major requirement is met in the spot market. We may be unable to control the factors affecting the price at which we procure the raw materials for products we get manufactured. We also face the risks associated with compensating for or passing on such increase in our cost of trades on account of such fluctuations in prices to our customers. Upward fluctuations in the prices of traded goods may thereby affect our margins and profitability, resulting in a material adverse effect on our business, financial condition and results of operations. Though we enjoy favourable terms from the suppliers both in prices as well as in supplies, our inability to obtain high quality materials in a timely and cost-effective manner would cause delays in our production/trade cycles and delivery schedules, which may result in the loss of our customers and revenues. However, we have not faced any such adverse past instances of raw material price fluctuations having a material impact on our margins or financial performance.

25. ***The average cost of acquisition of Equity Shares by our promoter is lower than the issue price***

Our Promoters average cost of acquisition of Equity Shares in our Company is lower than the Issue Price of the shares proposed to be offered though this Red Herring Prospectus. For Details regarding average cost of acquisition of Equity Shares by our Promoters in our Company, please refer the table below:

Sl. No.	Name of the Promoter	No. of Equity Shares Held	Avg. Cost of Acquisition (In ₹ per Equity Share)
1	Karthyayini M	81,44,406	0.07
2	Manjeet Singh	35,68,063	2.22
3	Himanshu Dalal	15,81,295	3.48
4	Anita Kumari	14,62,500	-
5	Mehtab Singh	14,62,500	-

26. ***Our Promoter Manjeet Singh plays a key role in our functioning and we heavily rely on his knowledge and experience in operating our business and therefore, it is critical for our business that our promoter remain associated with us.***

We benefit from our relationship with our Promoter Manjeet Singh and our success depends upon the continuing relationship with him, who has been responsible for the growth of our business and is closely involved in the overall strategy, direction and management of our business. He has been actively involved in the day-to-day operations and management. Accordingly, our performance is heavily dependent upon his services. If our Promoter is unable or unwilling to continue in his present position, we may not be able to replace him easily or at all. Our Promoter, has built relations with various customers over the years and other persons who form part of our stakeholders and are connected with us. Discontinuance of his services may impair our ability to implement our strategy, our business, financial condition, results of operations and prospects may be materially and adversely affected.

27. ***We require certain approvals, licenses, registrations and permits for our business and the failure to obtain or renew them in a timely manner may adversely affect our operations.***

Our Company requires certain statutory and regulatory registrations, licenses, permits and approvals for our business. In future, we shall be required to renew such registrations and approvals and obtain new registrations and approvals for any proposed operations, including any expansion of existing operations. While we believe that we will be able to renew or obtain such registrations and approvals, as and when required, there can be no assurance that the relevant authorities will renew or issue any such registrations or approvals in the time frame anticipated by us or at all. Failure to obtain and renew such registrations and approvals with statutory time frame attracts penal provisions. If we are unable to renew, maintain or obtain the required registrations or approvals, it may result in the interruption of our operations and may have a material adverse effect on our revenues, profits and operations and profits.

Further, certain statutory licenses and approvals which we have obtained for the purpose of carrying our business, contain terms and conditions/covenants, which are to be adhered to by our Company. In case our Company defaults in complying with the said terms and conditions/ covenants, we may be subjected to penal provisions and it may also lead to the cancellation of such licenses and approvals, which will adversely affect our business, financial conditions and results of operations.

For further details see Chapter on ***"Government and Other Approvals"*** beginning on page 295 of the Red Herring Prospectus respectively.

28. ***Our Promoters and members of the Promoter Group will continue jointly to retain majority control over our Company even after the Issue which will allow them to determine the outcome of matters submitted to shareholders for approval.***

Post this Issue, our Promoters and Promoter Group will collectively own 70.13% of our post issue equity share capital. As a result, our Promoters, together with the members of the Promoter Group, will continue to exercise a significant degree of influence over the Company and will be able to control the outcome of any proposal that can be approved by a majority shareholder vote, including, the election of members to our Board, in accordance with the Companies Act, 2013 and our Articles of Association. Such a concentration of ownership may also have the effect of delaying, preventing or deterring a change in control of our Company. In addition, our Promoters will continue to have the ability to cause us to take actions that are not in, or may conflict with, our interests or the interests of some or all of our creditors or other shareholders and we cannot assure you that such actions will not have an adverse effect on our future financial performance or the price of our Equity Shares.

29. ***Government may commence assembling the solar water pumps/products and may start providing products at cheaper rates.***

At present, government is providing subsidy on solar water pumps/products to the specific group of end users. In future, if the state/central government comes up with the policy of assembling of solar water pumps and providing solar water pumps/products to customers at cheaper rates than that of us, then in such a situation, we will be not able to compete with the government rates and as results it will effect on our business, results of operations and financial condition.

30. ***Our success will depend on our ability to attract and retain our key managerial personnel and senior managerial personnel, our design and engineering team and other key personnel. Failure to do so may have a material adverse effect on our business, financial condition and results of operations.***

Our success heavily depends upon the continued services of our Key Managerial Personnel and Senior Managerial Personnel along with support of our Promoters. We also depend significantly on our Key Managerial Personnel for executing our day-to-day activities. The loss of any of our Promoters and Key Management Personnel, or failure to recruit suitable or comparable replacements, could have an adverse effect on us. The loss of service of the Promoters and other senior management could seriously impair the ability to continue to manage and expand the business efficiently. If we are unable to retain qualified employees at a reasonable cost, we may be unable to execute our growth strategy. For further details of our Directors and Key Managerial Personnel, please refer to chapter ***"Our Management"*** beginning on page 197.

31. ***Our operations may cause injury to people or property and therefore could subject us to significant disruptions in our business, legal and regulatory actions, costs and liabilities which could materially and adversely affect our business, financial condition and results of operations.***

Our operations require our employees and other workers to work under potentially dangerous circumstances. Our operations could lead to mechanical and electrical failures due to improper installation of components and power cables, accidents or malfunctions at project sites, including malfunctions of port facilities, rail and road connectivity to project sites, corrosion of equipment and weather-related or other risks related to structural integrity post-commissioning. Operation of equipment and machinery can be dangerous and may cause significant personal injury to our employees or other persons, severe damage to and destruction of property, plant and equipment, and contamination of, or damage to, the environment. Such situations could significantly disrupt our operations, subject us to legal and regulatory actions and additional costs and liabilities, which could materially and adversely affect our business, financial condition and results of operations. There have been no past incidents of injury to people, damage to property, or operational disruptions due to accidents or safety-related issues that have materially affected our business operations.

32. ***Our insurance coverage may not be adequate to protect us against certain operating hazards and this may have a material adverse effect on our business.***

We maintain insurance policies such as Burglary (Floater) Policy, Electronic Equipment Insurance Policy, Machinery Breakdown Insurance Policy and Laghu Udyam Suraksha Policy etc. For further information on the ***"Our Business"*** please refer to page 151 of this Red Herring Prospectus. While we believe that we maintain insurance coverage in adequate amounts consistent with size of our business, to address the normal risks associated with the operation of our business, there can be no assurance that any claims made under such policies will be honoured in full, in part, or in a timely manner. Moreover, there can be no assurance that our insurance coverage will be sufficient to cover all potential material losses.

In the event that we suffer loss or damage arising from the absence of adequate insurance, delays in claim settlement, or losses exceeding our coverage limits, we would be required to bear such costs directly. This could have a material adverse effect on our business, results of operations, and financial condition. Although we have not experienced any significant losses in the past, there can be no assurance that similar incidents will not occur in the future. As such, reliance on insurance coverage carries inherent uncertainties, and the occurrence of an uninsured or inadequately insured event could materially impact our business performance.

33. ***Lack of experience of our Promoters, Directors, KMPs with any listed entity may impact the business operations and performance of the Company.***

None of the Promoters, Directors, or Key Managerial Personnel (KMPs) of our Company have prior experience in managing or holding leadership positions in companies listed on any recognized stock exchange. While they possess relevant experience in the unlisted industry space, operating a listed entity entails additional responsibilities, including compliance with ongoing listing requirements, corporate governance standards, and oversight of financial reporting, internal controls, and investor relations. The absence of such prior experience may pose challenges in effectively navigating the regulatory and operational complexities associated with being a publicly listed company. We cannot assure you that our Promoters, Directors, and KMPs will be able to seamlessly adapt to these enhanced obligations, which may impact the Company's ability to maintain robust disclosure controls, internal procedures, and corporate governance standards as mandated under applicable laws and regulations. Consequently, this could adversely affect our operational performance, reputation, and regulatory compliance post-listing."

34. ***The Issue price of our Equity Shares may not be indicative of the market price of our Equity Shares after the Issue and the market price of our Equity Shares may decline below the issue price and you may not be able to sell your Equity Shares at or above the Issue Price.***

The issue price of the equity shares have been based on many factor and may not be indicative of the market price of our Equity Shares after the Issue. For further information please refer the section titled ***"Basis for Issue Price"*** beginning on page 108. The market price of our Equity Shares could be subject to significant fluctuations after the Issue, and may decline below the Issue Price. We cannot assure you that you will be able to sell your Equity Shares at or above the Issue Price.

35. ***If we fail to maintain an effective system of internal controls, we may not be able to successfully manage or accurately report our financial risks.***

Effective internal controls are necessary for us to prepare reliable financial reports and effectively avoid fraud. Moreover, any internal controls that we may implement, or our level of compliance with such controls, may deteriorate over time, due to evolving business conditions. Any dilution or deficiency in our internal control system may expose us to additional risks.

36. ***Our business operations require our company to evolve in accordance with the specific requirements of our customers and emerging industry trends. Any failure to adapt to such requirements or trends may affect our business operations.***

Our future success depends, in part, on our ability to respond to evolving customer requirements and emerging industry standards and practices on a cost-effective and timely basis. Adapting to these changes may require us to make substantial capital investments, which entail technical and business risks as well as significant implementation costs. We cannot assure you that we will be able to successfully adapt our processes to meet evolving customer demand or align with new industry standards. Failure to do so could make our solutions less competitive or necessitate additional capital expenditures to upgrade our facilities.

For example, as the solar industry transitions from polycrystalline to monocrystalline modules and now to TOPCon (Tunnel Oxide Passivated Contact) modules, our business faces significant risks associated with this technological shift. The move towards advanced TOPCon technology presents both opportunities and challenges. If we fail to adapt to these evolving trends and customer demands for higher efficiency and performance, our competitiveness and market position could be adversely affected. Ensuring that we stay ahead in adopting and integrating these innovations is crucial for maintaining operational effectiveness and meeting the growing expectations of our clients.

We are also dependent on the capacity and reliability of the systems supporting our operations. Operational risks, such as trading or operational errors or interruptions of our financial, accounting, trading, compliance and other data processing systems, whether caused by the failure to prevent or mitigate data losses and other security breaches, or other cyber security threats or attacks, fire or other disaster, power or telecommunications failure, could result in a disruption of our business and/or cause reputational damage, and may have a material adverse effect on our business, financial condition and results of operations.

37. ***We may not be able to adequately protect our intellectual property rights which could harm our competitiveness.***

Any improper use or infringement of our intellectual property rights by any party could adversely affect our business, financial condition and results of operations. We cannot assure you that the measures we have taken will be sufficient to prevent any misappropriation of our intellectual properties. While there have been no intellectual property misappropriations or litigations in the last three financial years, we cannot assure you that such instances will not happen in future.

Enforcement of our intellectual property rights could be time consuming and costly. We may not be able to immediately detect and remediate unauthorized use of our intellectual property. In the event that the measures taken by us or the protection afforded by law do not adequately safeguard our intellectual property rights, we could suffer losses in revenue and profit due to competing offerings of services that exploit our intellectual properties. We cannot assure that any of our intellectual property rights will not be challenged by third parties. Adverse rulings in any litigation or proceedings could result in the loss of our proprietary rights and subject us to substantial liabilities, or even disrupt our business operations.

38. ***Any variation in the utilization of the Net Proceeds as disclosed in this Red Herring Prospectus shall be subject to certain compliance requirements, including prior approval of the shareholders of our Company.***

The proceeds received from the Offer for Sale will not form part of the proceeds from the Fresh Issue. We propose to utilize the Net Proceeds towards a) Funding Capital expenditure b) Repayment or prepayment of outstanding borrowings c) meeting the working capital requirement of our Company and d) general corporate purposes. For further details of the proposed objects of the Issue, see ***"Objects of the Issue"*** beginning on page 92 of Red Herring Prospectus. Our funding requirements are based on management estimates and future assumptions and have not been appraised by any bank, financial institution, or other independent agency which may vary from actual requirements. Any underestimation or overestimation of such requirements may impact our liquidity position, operational efficiency, and overall business performance. Inaccurate estimation of working capital needs could result in insufficient funds to meet operational demands or excessive idle funds that could have been better utilized elsewhere. The deployment of the Net Proceeds will be at the discretion of our Board of Directors. However, in accordance with the SEBI ICDR Regulations, the utilization of the Net Proceeds will be monitored by a Monitoring Agency to be appointed for this purpose. Further, we cannot determine with any certainty if we would require the Net Proceeds to meet any other expenditure or fund any exigencies arising out of the competitive environment, business conditions, economic conditions or other factors beyond our control.

In accordance with the Companies Act, 2013 and the SEBI ICDR Regulations, we cannot undertake any variation in the utilization of the Net Proceeds as disclosed in this Red Herring Prospectus without obtaining the approval of shareholders of our Company through a special resolution. In the event of any such circumstances that require us to vary the disclosed utilization of the Net Proceeds, we may not be able to obtain the approval of the shareholders of our Company in a timely manner, or at all. Any delay or inability in obtaining such approval of the shareholders of our Company may adversely affect our business or operations. Further, our company has appointed a Monitoring Agency for monitoring the utilisation of Issue Proceeds in accordance with Regulation 262 of the SEBI ICDR Regulations, and the Monitoring Agency will submit its report to us in accordance with the SEBI ICDR Regulations. We may have to reconsider our estimates or business plans due to changes in underlying factors, some of which are beyond our control, such as changes in project cost, and other financial and operational factors.

In addition, our Promoters would be required to provide an exit opportunity to the shareholders of our Company who do not agree with our proposal to modify the objects of the Issue, at a price and manner as prescribed by SEBI. Additionally, the requirement to provide an exit opportunity to such dissenting shareholders of our Company may deter our Promoters from agreeing to the variation of the proposed utilization of the Net Proceeds, even if such variation is in the interest of our Company. Further, we cannot assure you that the Promoters will have adequate resources at their disposal at all times to enable them to provide an exit opportunity. In light of these factors, we may not be able to vary the objects of the Issue to use any unutilized proceeds of the Issue, if any, even if such variation is in the interest of our Company. This may restrict our Company's ability to respond to any change in our business or financial condition, if any, which may adversely affect our business and the results of operations.

39. ***Cyber security risks, breaches and/or malfunction of any of our systems could disrupt our operations and could materially and adversely affect our business, financial condition and results of operations.***

We rely on our information technology systems for our operations and their reliability and functionality is critical to our business success. Our growing dependence on our IT infrastructure, applications and data has caused us to have a vested interest in its reliability and functionality which can be affected by a number of factors, including, but not limited to, the increasing complexity of the IT systems, frequent change and short life span due to technological advancements and data security. If our IT systems malfunction or experience extended periods of downtime, we may not be able to run our operations safely or efficiently. We are subject to cyber security risks and may incur costs to minimize those risks. Cyber security breaches, such as unauthorized access, accidents, employee errors or malfeasance, computer viruses, computer hackings or other disruptions could compromise the security of our data and infrastructure, thereby exposing such information to unauthorized access by third parties. Techniques used to obtain unauthorized access to, or to sabotage, systems change frequently and generally are not recognized until launched against a target. We may be required to deploy significant capital and other resources to remedy, protect against or alleviate these and related problems, and we may not be able to remedy these problems promptly, or at all. Any security breaches that occur could disrupt our operations, increase our security costs, or expose us to potential losses due to data corruption or information leakage, which could have a material adverse effect on our business, financial condition and results of operations.

Further, any damage or system failure that causes interruptions or delays in the input, retrieval or transmission of data could disrupt our normal operations and possibly interfere with our ability to undertake projects pursuant to the requirements of our contracts. Should such an interruption or delay occur, we can neither assure you that it will not result in the loss of data or information that is important to our business nor that we will be able to restore our

operational capacity within a sufficiently adequate timeframe to avoid disruptions to our business. If our systems malfunction or experience extended periods of downtime, we will not be able to run our operations safely or efficiently. We may suffer losses in revenue, reputation, volume of business, and our business, financial condition and results of operation may be materially and adversely affected.

40. Our lenders have charge over our movable and immovable properties in respect of the finance availed by us.

We have secured outstanding debt of ₹ 5,110.71 Lakhs as on March 31, 2026 and we have secured our lenders by creating charge over our movable and immovable properties. In the event we default in repayment of the loans availed by us and any interest thereof, our properties may be forfeited by lenders. It may have a material adverse effect on the business, cash flows and financial condition of our company. For further information on the financing and loan agreements along with the total amounts outstanding, please refer to section titled ***"Financial Statements as Restated"*** on page 223 of this Red Herring Prospectus.

41. Any future issuance of Equity Shares may dilute your shareholdings, and sale of the Equity Shares by our major shareholders may adversely affect the trading price of our Equity Shares.

Any future equity issuances by our Company may lead to the dilution of investors' shareholdings in our Company. In addition, any sale of substantial Equity Shares in the public market after the completion of this Issue, including by our major shareholders, or the perception that such sales could occur, could adversely affect the market price of the Equity Shares and could significantly impair our future ability to raise capital through offerings of the Equity Shares. We cannot predict what effect, if any, market sales of the Equity Shares held by the major shareholders of our Company or the availability of these Equity Shares for future sale will have on the market price of our Equity Shares.

42. We will not receive any proceeds from the Offer for Sale portion

The Offer includes an offer for sale of 7,14,000 Equity Shares by the Promoter Selling Shareholder. The proceeds from the Offer for Sale will be paid to the Selling Shareholder and we will not receive any such proceeds. The proceeds from the Offer for Sale will be transferred to each of the Selling Shareholder, in proportion to its respective portion of the Offered Shares transferred by each of them in the Offer for Sale (after deducting applicable Offer-related expenses and taxes) and will not result in any creation of value for us or in respect of your investment in our Company.

43. Failure to successfully implement our business strategies may materially and adversely affect our business, prospects, financial condition and results of operations.

We aim to implement our business strategies to ensure future business growth, which may be subject to various risks and uncertainties, including but not limited to the following:

- Improve our Domestic Presence
- Continue to invest in and improve our integrated business model
- Customer Satisfaction

Implementation of our strategies may be subject to few risks and uncertainties including the ones mentioned above, some of which are beyond our control. There can be no assurance that we will be able to execute our growth strategy on time and within the estimated costs, or that we will meet the expectations of our clients. In order to manage growth effectively, we must implement and improve operational systems, procedures and controls on a timely basis, which, as we grow and diversify, we may not be able to implement, manage or execute efficiently and in a timely manner or at all, which could result in delays, increased costs and diminished quality and may adversely affect our results of operations and our reputation. Any failure or delay in the implementation of any of our strategies may have a material adverse effect on our business, prospects, financial condition and results of operations.

44. We have not declared any dividends in the last three Financial Year and we cannot assure you that we will be able to pay dividends on our Equity Shares in the future.

We have not declared dividends on our Equity Shares for the period from April 1, 2024 until the date of this Red Herring Prospectus, as well as in the last three financial years. Our ability to pay dividends in the future will depend upon our future results of operations, financial condition, cash flows, sufficient profitability, working capital requirements and capital expenditure requirements and other factors considered relevant by our directors and shareholders. Our ability to pay dividends may also be restricted under certain financing arrangements that we may enter into. We cannot assure you that we will be able to pay dividends on the Equity Shares at any point in the future. For further details information, see ***"Dividend Policy"*** on page 222.

B. Issue Related Risks

45. In the event there is any delay in the completion of the Issue, there would be a corresponding delay in the completion of the objects of this Issue which would in turn affect our revenues and results of operations.

The funds that we receive would be utilized for the Objects of the Issue as has been stated in the Chapter ***"Objects of the Issue"*** on page 92 of this Red Herring Prospectus. The proposed schedule of implementation of the objects of the Issue is based on our management's estimates. If the schedule of implementation is delayed for any other reason whatsoever, including any delay in the completion of the Issue, we may have to revise our business, development and working capital plans resulting in unprecedented financial mismatch and this may adversely affect our revenues and results of operations.

46. There is no guarantee that our Equity Shares will be listed on the Emerge Platform of National Stock Exchange of India Limited in a timely manner or at all.

In accordance with Indian law and practice, permission for listing and trading of our Equity Shares will not be granted until after certain actions have been completed in relation to this Issue and until Allotment of Equity Shares pursuant to this Issue. In accordance with current regulations and circulars issued of SEBI, our Equity Shares are required to be listed on the Emerge Platform of National Stock Exchange of India Limited within such time as mandated under UPI Circulars, subject to any change in the prescribed timeline in this regard. However, we cannot assure you that the trading in our Equity Shares will commence in a timely manner or at all. Any failure or delay in obtaining final listing and trading approvals may restrict your ability to dispose of your Equity Shares.

47. The Issue Price of our Equity Shares may not be indicative of the market price of our Equity Shares after the Issue.

The Issue price is based on numerous factors and may not be indicative of the market price for our Equity Shares after the Issue. The market price of our Equity Shares could be subject to significant fluctuations after the Issue, and may decline below the Issue Price. There can be no assurance that you will be able to resell your Shares at or above the Issue Price. Among the factors that could affect our Share price are: variations in the rate of growth of our financial indicators, such as earnings per share, net profit and income; changes in income or earnings estimates or publication of research reports by analysts; speculation in the press or investment community; general market conditions; and domestic and international economic, legal and regulatory factors unrelated to our performance.

48. After this Issue, the price of our Equity Shares may be volatile, or an active trading market for our Equity Shares may not be sustained.

Prior to this Issue, there has been no public market for our Equity Shares, and an active trading market may not develop or be sustained upon the completion of this Issue. The initial public offering price of the Equity Shares offered hereby was determined through our negotiations with the LM and may not be indicative of the market price of the Equity Shares after this Issue. The market price of our Equity Shares after this Issue will be subject to significant fluctuations in response to, among other factors:

- variations in our operating results and the performance of our business;
- regulatory developments in our target markets affecting us, our customers, or our competitors;
- changes in financial estimates by securities research analysts;
- addition or loss of executive officers or key employees;
- loss of one or more significant customers;
- the performance of the Indian and global economy;
- significant developments in India's economic liberalization and deregulation policies, and the fiscal regime;
- volatility in the Indian and global securities markets;
- performance of our competitors and perception in the Indian market about investment in our industry; and
- adverse media reports, if any, on our Company, or the industry.

Many of these factors are beyond our control. There has been recent volatility in the Indian stock markets and our share price could fluctuate significantly as a result of such volatility in the future. There can be no assurance that an active trading market for our Equity Shares will develop or be sustained after this Issue, or that the price at which our Equity Shares are initially offered will correspond to the prices at which they will trade in the market subsequent to this Issue.

49. *The investors will not be able to sell immediately on an Indian stock exchange any of the Equity Shares they purchase in the Issue.*

We have applied to National Stock Exchange of India Limited to use its name as the Stock Exchange in this offer document for listing our shares on the EMERGE Platform of National Stock Exchange of India Limited. In accordance with Indian law and practice, permission for listing and trading of the Equity Shares issued pursuant to the Offer will not be granted until after the Equity Shares have been issued and allotted. Approval for listing and trading will require all relevant documents authorizing the issuing of Equity Shares to be submitted. There could be a delay in listing the Equity Shares on the EMERGE Platform of National Stock Exchange of India Limited. Any delay in obtaining the approval would restrict your ability to dispose of your Equity Shares.

50. *There are restrictions on daily movements in the price of the Equity Shares, which may adversely affect a shareholder's ability to sell, or the price at which it can sell, Equity Shares at a particular point in time.*

Once listed, we would be subject to circuit breakers imposed by stock exchange, which does not allow transactions beyond specified increases or decreases in the price of the Equity Shares. This circuit breaker operates independently of the index-based market-wide circuit breakers generally imposed by SEBI on Indian stock exchanges. The percentage limit on circuit breakers is set by the stock exchanges based on the historical volatility in the price and trading volume of the Equity Shares. This circuit breaker limits the upward and downward movements in the price of the Equity Shares. As a result of this circuit breaker, no assurance may be given regarding your ability to sell your Equity Shares or the price at which you may be able to sell your Equity Shares at any particular time.

51. *Any future issuance of Equity Shares may dilute the investors' shareholdings or sales of our Equity Shares by our Promoters or Promoter Group may adversely affect the trading price of our Equity Shares.*

Any future equity issuances by us or sales of our Equity Shares by our Promoters or Promoter Group may adversely affect the trading price of our Equity Shares and our Company's ability to raise capital through an issue of securities. In addition, any perception by potential investors that such issuances or sales might occur could also affect the trading price of our Equity Shares. Additionally, the disposal, pledge or encumbrance of our Equity Shares by any of our Company's major shareholders, or the perception that such transactions may occur may affect the trading price of our Equity Shares. No assurance may be given that our Company will not issue Equity Shares or that such shareholders will not dispose of, pledge or encumber their Equity Shares in the future.

52. *Our ability to pay dividends in the future will depend on our earnings, financial condition, working capital requirements, capital expenditures and restrictive covenants of our financing arrangements.*

We have never declared or paid any cash dividends in the past three years. Our ability to pay dividends in the future will depend on our earnings, financial condition, cash flow, working capital requirements, capital expenditure and restrictive covenants of our financing arrangements. Any future determination as to the declaration and payment of dividends will be at the discretion of our Board and in accordance with the dividend distribution policy adopted by our Board and will depend on factors that our Board deems relevant, including among others, our future earnings, financial condition, cash requirements, business prospects and any other financing arrangements. We cannot assure you that we will be able to pay dividends in the future. Please refer to the chapter titled ***"Dividend Policy"*** beginning on page 222 of this Red Herring Prospectus.

53. *You may be subject to Indian taxes arising out of capital gains on sale of Equity Shares.*

Under the current Indian Income Tax provisions, all transactions of purchase and sales of securities on Indian stock exchanges are subject to levy of securities transaction tax (STT) which will be collected by respective stock exchange on which the securities are transacted. Accordingly, the Indian Income Tax Act has special capital gains tax provisions for all transactions of purchase and sale of equity shares carried out on the Indian Stock Exchanges. Under the current Indian Income Tax provisions, unless specifically exempted, capital gains arising from the sale of equity shares in an Indian company are generally taxable in India.

54. *None of the bidders can withdraw or lower the size of their bids at any stage*

In terms of the SEBI (ICDR) Regulations, Applicants in this Issue are not allowed to withdraw or lower the size of their bids in terms of quantity of equity shares or bid amount at any stage. The Allotment in this Issue and the credit of such Equity Shares to the Applicant's demat account with its depository participant shall be completed within such period as prescribed under the applicable laws. There is no assurance, however, that material adverse changes

in the international or national monetary, financial, political or economic conditions or other events in the nature of force majeure, material adverse changes in our business, results of operation or financial condition, or other events affecting the Applicant's decision to invest in the Equity Shares, would not arise between the Issue Closing Date and the date of Allotment in this Issue. Occurrence of any such events after the Issue Closing Date could also impact the market price of our Equity Shares. The Applicants shall not have the right to withdraw their applications in the event of any such occurrence. We cannot assure you that the market price of the Equity Shares will not decline below the Issue Price. To the extent the market price for the Equity Shares declines below the Issue Price after the Issue Closing Date, the shareholder will be required to purchase Equity Shares at a price that will be higher than the actual market price of the Equity Shares at that time. Should that occur, the shareholder will suffer an immediate unrealized loss as a result. We may complete the Allotment even if such events may limit the Applicants' ability to sell our Equity Shares after this Issue or cause the trading price of our Equity Shares to decline.

55. The investors may be restricted in their ability to exercise pre-emptive rights under Indian law and may be adversely affected by future dilution of their ownership position.

Under the Companies Act, 2013, a Company incorporated in India must offer its holders of shares pre-emptive rights to subscribe and pay for a proportionate number of shares to maintain their existing ownership percentages before the issuance of any new shares, unless the pre-emptive rights have been waived by the adoption of a special resolution by holders of three-fourths of the shares which are voted on the resolution. However, if the law of the jurisdiction the investors are in does not permit them to exercise their pre-emptive rights without us filing an offering document or registration statement with the applicable authority in the jurisdiction they are in, they will not be able to exercise their pre-emptive rights unless we make such a filing. If we elect not to make such a filing, the new securities may be issued to a custodian, who may sell the securities for the investors' benefit. The value such custodian would receive upon the sale of such securities if any, and the related transaction costs cannot be predicted. To the extent that the investors' are unable to exercise pre-emptive rights granted in respect of the Equity Shares, their proportional interest in us would be reduced.

56. Rights of shareholders under Indian law may be more limited than under the laws of other jurisdictions.

The Companies Act and related regulations, the Articles of Association, and the Listing Agreements to be entered into with the Stock Exchange govern the corporate affairs of the Company. The Legal principles relating to these matters and the validity of corporate procedures, directors' fiduciary duties and liabilities, and shareholders' rights may differ from those that would apply to a company in another jurisdiction. Shareholders' rights under Indian law may not be as extensive as shareholders' rights under the laws of other countries or jurisdictions. Investors may have more difficulty in asserting their rights as a shareholder than as a shareholder of a corporation in another jurisdiction.

57. Our Equity Shares are quoted in Indian Rupees in India, and therefore investors may be subject to potential losses arising out of exchange rate risk on the Indian Rupee and risks associated with the conversion of Indian Rupee proceeds into foreign currency.

Investors are subject to currency fluctuation risk and convertibility risk since the Equity Shares are quoted in Indian Rupees on the Indian stock exchanges on which they are listed. Dividends on the Equity Shares will also be paid in Indian Rupees. The volatility of the Indian Rupee against the U.S. dollar and other currencies subjects investors who convert funds into Indian Rupees to purchase our Equity Shares to currency fluctuation risks.

EXTERNAL RISK FACTORS

58. The COVID-19 pandemic, or any future pandemic or widespread public health emergency, could materially and adversely impact our business, financial condition, cash flows and results of operations.

In late 2019, COVID-19 emerged and by March 11, 2020 was declared a global pandemic by The World Health Organization. Governments and municipalities around the world instituted measures in an effort to control the spread of COVID-19, including quarantines, shelter-in-place orders, school closings, travel restrictions, lock down of cities and closure of non-essential businesses. By the end of March, the macroeconomic impacts became significant, exhibited by, among other things, a rise in unemployment and market volatility. The outbreak of COVID-19 in many countries, including India, the United Kingdom and the United States, has significantly and adversely impacted economic activity and has contributed to significant volatility and negative pressure in financial markets, and it is possible that the outbreak of COVID-19 will cause a prolonged global economic crisis, recession or depression, despite monetary and fiscal interventions by governments and central banks globally. On March 24,

2020, the Government of India ordered a national lockdown in response to the spread of COVID-19. Although some governments are beginning to ease or lift these restrictions, the impacts from the severe disruptions caused by the effective shutdown of large segments of the global economy remain unknown and no prediction can be made of when any of the restrictions currently in place will be relaxed or expire, or whether or when further restrictions will be announced.

The outbreak, or threatened outbreak, of any severe communicable disease (particularly COVID-19) could materially adversely affect overall business sentiment and environment, particularly if such outbreak is inadequately controlled. The spread of any severe communicable disease may also adversely affect the operations of our clients and service providers, which could adversely affect our business, financial condition and results of operations. The outbreak of COVID-19 has resulted in authorities implementing several measures such as travel bans and restrictions, quarantines, shelter in place orders, and shutdowns. These measures have impacted and may further impact our workforce and operations, the operations of our clients, and those of our respective service providers. There is currently substantial medical uncertainty regarding COVID-19. A rapid increase in severe cases and deaths where measures taken by governments fail or are lifted prematurely, may cause significant economic disruption in India and in the rest of the world. The scope, duration and frequency of such measures and the adverse effects of COVID-19 remain uncertain and could be severe. If any of our employees were suspected of contracting COVID-19 or any other epidemic disease, this could require us to quarantine some or all of these employees or disinfect the facilities used for our operations. In addition, our revenue and profitability could be impacted to the extent that a natural disaster, health epidemic or other outbreak harms the Indian and global economy in general.

The outbreak has significantly increased economic uncertainty. It is likely that the current outbreak or continued spread of COVID-19 will cause an economic slowdown and it is possible that it could cause a global recession. The spread of COVID-19 has caused us to modify our business practices (including employee travel, employee work locations, and cancellation of physical participation in meetings, events and conferences), and we may take further actions as may be required by government authorities or that we determine are in the best interests of our employees, customers, partners, and suppliers. There is no certainty that such measures will be sufficient to mitigate the risks posed by the outbreak, and our ability to perform critical functions could be harmed. The extent to which the COVID-19 further impacts our results will depend on future developments, which are highly uncertain and cannot be predicted, including new information which may emerge concerning the severity of the coronavirus and the actions taken globally to contain the coronavirus or treat its impact, among others. Existing insurance coverage may not provide protection for all costs that may arise from all such possible events. The degree to which COVID-19 impacts our results will depend on future developments, which are highly uncertain and cannot be predicted, including, but not limited to, the duration and spread of the outbreak, its severity, the actions taken to contain the outbreak or treat its impact, and how quickly and to what extent normal economic and operating conditions can resume. The above risks can threaten the safe operation of our facilities and cause disruption of operational activities, environmental harm, loss of life, injuries and impact the wellbeing of our people.

Further in case the lockdown is extended, it could result in muted economic growth or give rise to a recessionary economic scenario, in India and globally, which could adversely affect the business, prospects, results of operations and financial condition of our Company. The full extent to which the COVID-19 pandemic, or any future pandemic or widespread public health emergency impacts our business, operations and financial results will depend on numerous evolving factors that we may not be able to accurately predict, including: the scope, severity, and duration of the pandemic; actions taken by governments, business and individuals in response to the pandemic; the effect on customer demand for and ability to pay for our products; the impact on our capital expenditure; disruptions or restrictions on our employees' and suppliers' ability to work and travel; any extended period of remote work arrangements; and strain on our or our customers' business continuity plans, and resultant operational risk.

59. ***A slowdown in economic growth in India could adversely affect our business, results of operations, financial condition and cash flows.***

We are dependent on domestic, regional and global economic and market conditions. Our performance, growth and market price of our Equity Shares are and will be dependent to a large extent on the health of the economy in which we operate. There have been periods of slowdown in the economic growth of India. Demand for our products may be adversely affected by an economic downturn in domestic, regional and global economies. Economic growth in the country in which we operate is affected by various factors including domestic consumption and savings, balance of trade movements, namely export demand and movements in key imports of materials, global economic uncertainty and liquidity crisis, volatility in exchange currency rates, and annual rainfall which affects agricultural production. Consequently, any future slowdown in the Indian economy could harm our business, results of operations, financial condition and cash flows. Also, a change in the government or a change in the economic and deregulation policies could adversely affect economic conditions prevalent in the areas in which we operate in

general and our business in particular and high rates of inflation in India could increase our costs without proportionately increasing our revenues, and as such decrease our operating margin.

60. Changing laws, rules and regulations and legal uncertainties, including adverse application of tax laws, may adversely affect our business and financial performance.

Our business and financial performance could be adversely affected by unfavourable changes in or interpretations of existing, or the promulgation of new laws, rules and regulations applicable to us and our business. Please refer to ***"Key Industry Regulations and Policies"*** on page 180 of this Red Herring Prospectus for details of the laws currently applicable to us.

There can be no assurance that the Government of India may not implement new regulations and policies which will require us to obtain approvals and licenses from the Government of India and other regulatory bodies or impose onerous requirements and conditions on our operations. Our Company will comply with relevant regulations as and when applicable. However, any such changes and the related uncertainties with respect to the applicability, interpretation and implementation of any amendment to, or change to governing laws, regulation or policy in the jurisdictions in which we operate may have a material adverse effect on our business, financial condition and results of operations. In addition, we may have to incur expenditures to comply with the requirements of any new regulations, which may also materially harm our results of operations. Any unfavourable changes to the laws and regulations applicable to us could also subject us to additional liabilities.

GST has been implemented with effect from July 1, 2017 and has replaced the indirect taxes on goods and services such as central excise duty, service tax, central sales tax, state VAT and surcharge being collected by the central and state governments. The GST has led to increase tax incidence and administrative compliance. Any future amendments may affect our overall tax efficiency, and may result in significant additional taxes becoming payable.

Further, the general anti avoidance rules ("GAAR") provisions have been made effective from assessment year 2018-19 onwards, i.e.; financial Year 2017-18 onwards and the same may get triggered once transactions are undertaken to avoid tax. The consequences of the GAAR provisions being applied to an arrangement could result in denial of tax benefit amongst other consequences. In the absence of any precedents on the subject, the application of these provisions is uncertain.

The application of various Indian tax laws, rules and regulations to our business, currently or in the future, is subject to interpretation by the applicable taxation authorities. If such tax laws, rules and regulations are amended, new adverse laws, rules or regulations are adopted or current laws are interpreted adversely to our interests, the results could increase our tax payments (prospectively or retrospectively) and/or subject us to penalties. Further, changes in capital gains tax or tax on capital market transactions or sale of shares could affect investor returns. As a result, any such changes or interpretations could have an adverse effect on our business and financial performance.

61. Inflation in India could have an adverse effect on our profitability and if significant, on our financial condition.

Inflation is typically impacted by factors such as governmental policies, regulations, commodity prices, liquidity and global economic environment. Any change in the government or a change in the economic and deregulation policies could adversely affect the inflation rates. Continued high rates of inflation may increase our costs such as salaries, travel costs and related allowances, which are typically linked to general price levels. There can be no assurance that we will be able to pass on any additional costs to our clients or that our revenue will increase proportionately corresponding to such inflation. Accordingly, high rates of inflation in India could have an adverse effect on our profitability and, if significant, on our financial condition.

62. Terrorist attacks, civil unrests and other acts of violence or war involving India or other countries could adversely affect the financial markets, our business, financial condition and the price of our Equity Shares.

Any major hostilities involving India or other acts of violence, including civil unrest or similar events that are beyond our control, could have a material adverse effect on India's economy and our business. Incidents such as the Mumbai terrorist attacks and other acts of violence may adversely affect the Indian stock markets where our Equity Shares will trade as well the global equity markets generally. Such acts could negatively impact business sentiment as well as trade between countries, which could adversely affect our Company's business and profitability. Additionally, such events could have a material adverse effect on the market for securities of Indian companies, including the Equity Shares.

63. ***Any downgrading of India's debt rating by an independent agency may harm our ability to raise financing.***

Any adverse revisions to India's credit ratings for domestic and international debt by domestic or international rating agencies may adversely affect our ability to raise additional financing and the interest rates and other commercial terms at which such additional financing is available. This could have an adverse effect on our capital expenditure plans, business and financial performance and the price of our Equity Shares.

64. ***We have not prepared, and currently do not intend to prepare, our financial statements in accordance with the International Financial Reporting Standards ("IFRS"). Our transition to IFRS reporting could have a material adverse effect on our reported results of operations or financial condition.***

Public companies in India, including us, may be required to prepare annual and interim financial statements under IFRS in accordance with the roadmap for convergence with IFRS announced by the Ministry of Corporate Affairs, Government of India through a press note dated January 22, 2010 (the "IFRS Convergence Note"). The Ministry of Corporate Affairs by a press release dated February 25, 2011 has notified that 35 Indian Accounting Standards are to be converged with IFRS. The date of implementation of such converged Indian accounting standards has not yet been determined. Our financial condition, results of operations, cash flows or changes in shareholders' equity may appear materially different under IFRS than under Indian GAAP or our adoption of converged Indian Accounting Standards may adversely affect our reported results of operations or financial condition. This may have a material adverse effect on the amount of income recognized during that period and in the corresponding (restated) period in the comparative Fiscal/period.

65. ***Financial difficulty and other problems in certain long-term lending institutions and investment institutions in India could have a negative impact on our business.***

We are exposed to the risks of the Indian financial system which may be affected by the financial difficulties faced by certain Indian financial institutions because the commercial soundness of many financial institutions may be closely related as a result of credit, trading, clearing or other relationships. This risk, which is referred to as "systemic risk," may adversely affect financial intermediaries, such as clearing agencies, banks, securities firms and exchanges with whom we interact on a daily basis. Our transactions with these financial institutions expose us to credit risk in the event of default by the counter party, which can be exacerbated during periods of market illiquidity. As the Indian financial system operates within an emerging market, we face risks of a nature and extent not typically faced in more developed economies, including the risk of deposit runs notwithstanding the existence of a national deposit insurance scheme. The problems faced by individual Indian financial institutions and any instability in or difficulties faced by the Indian financial system generally could create adverse market perception about Indian financial institutions and banks. This in turn could adversely affect our business, financial condition, results of operations and cash flows.

66. ***Foreign investors are subject to foreign investment restrictions under Indian law that limits our ability to attract foreign investors, which may adversely impact the market price of the Equity Shares.***

Under the foreign exchange regulations currently in force in India, transfers of shares between non-residents and residents are freely permitted (subject to certain exceptions) if they comply with the pricing guidelines and reporting requirements specified by the RBI. If the transfer of shares, which are sought to be transferred, is not in compliance with such pricing guidelines or reporting requirements or fall under any of the exceptions referred to above, then the prior approval of the RBI will be required. Additionally, shareholders who seek to convert the Rupee proceeds from a sale of shares in India into foreign currency and repatriate that foreign currency from India will require a no objection/ tax clearance certificate from the income tax authority. There can be no assurance that any approval required from the RBI or any other government agency can be obtained on any particular terms or at all.

67. ***Political instability or changes in the Government could adversely affect economic conditions in India generally and our business in particular.***

Our business, and the market price and liquidity of our Equity Shares, may be affected by interest rates, changes in Government policy, taxation, social and civil unrest and other political, economic or other developments in or affecting India. Elimination or substantial change of policies or the introduction of policies that negatively affect the Company's business could cause its results of operations to suffer. Any significant change in India's economic policies could disrupt business and economic conditions in India generally and the Company's business in particular.

The SEBI ICDR Regulations have permitted the Offer of securities to the public through the Book Building Process, wherein allocation to the public shall be made as per Regulation 253 of the SEBI ICDR Regulations.

The Issue is being made through the Book Building Process wherein not more than 50% of the Net offer shall be available for allocation on a proportionate basis to QIBs, provided that our Company and the Selling Shareholder may, in consultation with the BRLM allocate upto 60% of the QIB Portion to Anchor Investors on a discretionary basis in accordance with the SEBI (ICDR) Regulations (**the "Anchor Investor Portion"),** 40% of the Anchor Investor Portion shall be reserved for (i) 33.33 % for domestic Mutual Funds; and (ii) 6.67% for Life Insurance Companies and Pension Funds and subject to valid Bids being received from the domestic Mutual Funds and Life Insurance Companies and Pension Funds, as applicable. 5% of the QIB Portion shall be available for allocation on a proportionate basis to Mutual Funds only, and the remainder of the QIB Portion shall be available for allocation on a proportionate basis to all QIB Bidders, including Mutual Funds, subject to valid Bids being received at or above the offer Price. Further, not less than 15% of the Net Issue shall be available for allocation on a proportionate basis to Non-Institutional Bidders (of which one third of the Non-Institutional Portion shall be reserved for Bidders with an application size between ₹2,00,000 and up to ₹10,00,000 and two-thirds of the Non-Institutional Portion shall be reserved for Bidders with an application size exceeding ₹10,00,000) and under-subscription in either of these two subcategories of Non-Institutional Portion may be allocated to Bidders in the other subcategory of Non-institutional Portion, subject to valid Bids being received at or above the Offer Price and not less than 35% of the Net offer shall be available for allocation to Individual Bidders, in accordance with the SEBI Regulations, subject to valid Bids being received at or above the offer Price. All potential Bidders may participate in the offer through an ASBA process by providing details of their respective bank account which will be blocked by the SCSBs. All Bidders are mandatorily required to utilize the ASBA process to participate in the offer. Under-subscription if any, in any category, except in the QIB Category, would be allowed to be met with spill over from any other category or a combination of categories at the discretion of our Company and the Selling Shareholder may, in consultation with the BRLM and the Designated Stock Exchange.

All Bidders, except Anchor Investors, are mandatorily required to use the ASBA process for participating in the Offer. In accordance with the SEBI ICDR Regulations, QIBs and Non-Institutional Bidders and Individual Bidders are not allowed to withdraw or lower the size of their Bids (in terms of the quantity of the Equity Shares or the Bid Amount) at any stage. Except for Allocation to Individual Bidders, Non-Institutional Investors, and the Anchor Investors, allocation in the Offer will be on a proportionate basis. Further, Anchor Investors cannot withdraw their Bids after the Anchor Investor Bid/ Offer Period. Allocation to the Anchor Investors will be on a discretionary basis.

Subject to valid Bids being received at or above the Issue Price, allocation to all categories in the Net Issue, shall be made on a proportionate basis, except for Individual Investor where allotment to each Individual Bidders shall not be less than the minimum lot, subject to availability of Equity Shares in Individual Investor, and the remaining available Equity Shares, if any, shall be allotted on a proportionate basis. Under – subscription, if any, in any category, would be allowed to be met with spill – over from any other category or a combination of categories at the discretion of our Company and the Selling Shareholder may, in consultation with the Book Running Book Running Lead Manager and the Stock Exchange. However, under-subscription, if any, in the QIB Portion will not be allowed to be met with spill over from other categories or a combination of categories.

In terms of SEBI Circular No. CIR/CFD/POLICYCELL/11/2015 dated November 10, 2015 and the SEBI (Offer of Capital and Disclosure Requirements) Regulations, 2018, all the investors applying in a public Offer shall use only Application Supported by Blocked Amount (ASBA) process for application providing details of the bank account which will be blocked by the Self Certified Syndicate Banks (SCSBs) for the same. Further, pursuant to SEBI Circular No. SEBI/HO/CFD/DIL2/CIR/P/2018/138 dated November 01, 2018, Individual Investors applying in public Offer may use either Application Supported by Blocked Amount (ASBA) facility for making application or also can use UPI as a

payment mechanism with Application Supported by Blocked Amount for making application. For details in this regards, specific attention is invited to the chapter titled "***Issue Procedure***" beginning on page 330 of the Red Herring Prospectus.

The process of Book Building under the SEBI ICDR Regulations is subject to change from time to time and the investors are advised to make their own judgment about investment through this process prior to making a Bid or application in the Offer. For further details on the method and procedure for Bidding, please see section entitled "***Issue Procedure***"" on page 330 of this Red Herring Prospectus.

For further details on the method and procedure for Bidding, please see section entitled "Issue Procedure" on page 312 of this Red Herring Prospectus. Illustration of the Book Building and Price Discovery Process: Bidders should note that this example is solely for illustrative purposes and is not specific to the Issue. Bidders can bid at any price within the Price Band. For instance, assume a Price Band of ₹20 to ₹ 24 per share, Issue size of 3,000 Equity Shares and receipt of five Bids from Bidders, details of which are shown in the table below. The illustrative book given below shows the demand for the Equity Shares of the Issuer at various prices and is collated from Bids received from various investors.

Bid Quantity	Bid Amount (₹)	Cumulative Quantity	Subscription
500	24	500	16.67%
1000	23	1500	50.00%
1500	22	3000	100.00%
2000	21	5000	166.67%
2500	20	7500	250.00%

The price discovery is a function of demand at various prices. The highest price at which the Issuer is able to Issue the desired number of Equity Shares is the price at which the book cuts off, i.e., ₹ 22.00 in the above example. The Company in consultation with the BRLM, may finalise the Issue Price at or below such Cut-Off Price, i.e., at or below ₹ 22.00. All Bids at or above this Issue Price and cut-off Bids are valid Bids and are considered for allocation in the respective categories.

Steps to be taken by the Bidders for Bidding:

- Check eligibility for making a Bid (see section titled "Issue Procedure" on page 312 of this Red Herring Prospectus);
- Ensure that you have a demat account and the demat account details are correctly mentioned in the Bid cum Application Form;
- Ensure correctness of your PAN, DP ID and Client ID mentioned in the Bid cum Application Form. Based on these parameters, the Registrar to the Issue will obtain the Demographic Details of the Bidders from the Depositories.
- Except for Bids on behalf of the Central or State Government officials, residents of Sikkim and the officials appointed by the courts, who may be exempt from specifying their PAN for transacting in the securities market, for Bids of all values ensure that you have mentioned your PAN allotted under the Income Tax Act in the Bid cum Application Form. The exemption for Central or State Governments and officials appointed by the courts and for investors residing in Sikkim is subject to the Depositary Participant's verification of the veracity of such claims of the investors by collecting sufficient documentary evidence in support of their claims.
- Ensure that the Bid cum Application Form is duly completed as per instructions given in this Red Herring Prospectus and in the Bid cum Application Form;

1. *Our Company in consultation with the Book Running Book Running Lead Manager, may consider participation by Anchor Investors in accordance with the SEBI (ICDR) Regulations. The Anchor Investor Bid/Offer Period shall be one Working Day prior to the Bid/Offer Opening Date in accordance with the SEBI (ICDR) Regulations.*

2. *Our Company in consultation with the Book Running Book Running Lead Manager, consider closing the Bid/Offer Period for QIBs one Working Day prior to the Bid/Offer Closing Date in accordance with the SEBI (ICDR) Regulations.*

3. *The UPI mandate end time and date shall be at 5:00 p.m. on Bid/Offer Closing Day.*

The above timetable is indicative and does not constitute any obligation on our Company, the selling shareholder or the Book Running Book Running Lead Manager. Whilst our Company and the selling shareholder shall ensure that all steps for the completion of the necessary formalities for the listing and the commencement of trading of the Equity Shares on the Stock Exchange are taken within 3 (Three) Working Days of the Bid/Issue Closing Date, the timetable may change due to various factors, such as extension of the Bid/ Issue Period by our Company, revision of the Price Band or any delays in receiving the final listing and trading approval from the Stock Exchange. The Commencement of trading of the Equity Shares will be entirely at the discretion of the Stock Exchange and in accordance with the applicable laws.

Bid Cum Application Forms and any revisions to the same will be accepted only between 10.00 a.m. to 5.00 p.m. (IST) during the Issue Period (except for the Bid/Issue Closing Date). On the Bid/ Issue Closing Date, the Bid Cum Application Forms will be accepted only between 10.00 a.m. to 3.00 p.m. (IST) for individual investor and non-Institutional investor . The time for applying for Individual Applicant on Bid/ Issue Closing Date maybe extended in consultation with the BRLM, RTA and NSE SME taking into account the total number of applications received up to the closure of timings.

Due to the limitation of time available for uploading the Bid Cum Application Forms on the Bid/ Issue Closing Date Bidders are advised to submit their applications one (1) day prior to the Bid/ Issue Closing Date and, in any case, no later than 3.00 p.m. (IST) on the Bid/ Issue Closing Date. Any time mentioned in this Red Herring Prospectus is IST. Bidders are cautioned that, in the event a large number of Bid Cum Application Forms are received on the Bid/Issue Closing Date, as is typically experienced in public Issue, some Bid Cum Application Forms may not get uploaded due to the lack of sufficient time. Such Bid Cum Application Forms that cannot be uploaded will not be considered for allocation under this Issue. Applications will be accepted only on Working Days, i.e., Monday to Friday (excluding any public holidays). Neither our Company nor the BRLM is liable for any failure in uploading the Bid Cum Application Forms due to faults in any software/hardware system or otherwise.

In accordance with SEBI (ICDR) Regulations, QIBs and Non-Institutional Bidders and Individual Bidders are not allowed to withdraw or lower the size of their application (in terms of the quantity of the Equity Shares or the Application amount) at any stage.

In case of discrepancy in the data entered in the electronic book vis-à-vis the data contained in the physical Bid Cum Application Form, for a particular Applicant, the details as per the file received from Stock Exchange may be taken as the final data for the purpose of Allotment. In case of discrepancy in the data entered in the electronic book vis-à-vis the data contained in the physical or electronic Bid Cum Application Form, for a particular ASBA Applicant, the Registrar to the Issue shall ask the relevant SCSBs / RTAs / DPs / stock brokers, as the case may be, for the rectified data.

WITHDRAWAL OF THE ISSUE

Our Company in consultation with the BRLM, reserve the right not to proceed with the Offer at any time before the Bid/ Issue Opening Date without assigning any reason thereof.

If our Company withdraw the Offer any time after the Issue Opening Date but before the allotment of Equity Shares, a public notice within 2 (two) working days of the Issue Closing Date, providing reasons for not proceeding with the Issue shall be issued by our Company. The notice of withdrawal will be issued in the same newspapers where the pre-issue advertisements have appeared and the Stock Exchange will also be informed promptly. The BRLM, through the Registrar to the Issue, will instruct the SCSBs to unblock the ASBA Accounts within 1 (one) working Day from the day of receipt of such instruction.

If our Company withdraw the Offer after the Bid/ Issue Closing Date and subsequently decides to proceed with an Issue of the Equity Shares, our Company will have to file a fresh Red Herring Prospectus with the stock exchange where the Equity Shares may be proposed to be listed.

Notwithstanding the foregoing, the Issue is subject to obtaining (i) the final listing and trading approval of the Stock Exchange with respect to the Equity Shares issued through the Prospectus, which our Company will apply for only after Allotment;

MM Registration No.	90433

M/s. Anant Securities, registered with National Stock Exchange of India Limited, will act as the market maker and has agreed to receive or deliver the specified securities in the market making process for a period of three years from the date of listing of our Equity Shares or for a period as may be notified in SEBI (ICDR) Regulations as amended from time to time.

The Market Maker shall fulfil the applicable obligations and conditions as specified in the SEBI (ICDR) Regulations, as amended from time to time and the circulars issued by the NSE and SEBI in this matter from time to time.

- *In terms of regulation 261(1) of SEBI ICDR Regulations 2018, the Market Making arrangement through the Market Maker will be in place for a period of three years from the date of listing of our Equity Shares and shall be carried out in accordance with SEBI ICDR Regulations and the circulars issued by the NSE and SEBI regarding this matter from time to time.*

- *In terms of regulation 261(2) of SEBI ICDR Regulations 2018, The market maker or issuer, in consultation with the Book Running Lead Manager(s) may enter into agreements with the nominated investors for receiving or delivering the specified securities in market making, subject to the prior approval of the NSE EMERGE.*

- *In terms of regulation 261(3) of SEBI ICDR Regulations 2018, Following is a summary of the key details pertaining to the Market Making arrangement*

1. The Market Maker "M/s. Anant Securities" shall be required to provide a two-way quote for 75% of the time in a day. The same shall be monitored by the stock exchange. Further, the Market Maker(s) shall inform the exchange in advance for each and every black out period when the quotes are not being offered by the Market Maker(s).

2. The prices quoted by Market Maker shall be in compliance with the Market Maker Spread Requirements and other particulars as specified or as per the requirements of NSE EMERGE and SEBI from time to time.

3. The Market Maker is required to comply with SEBI Circular No. CIR/MRD/DSA/31/2012 dated November 27, 2012 and SEBI ICDR Regulations and relevant Exchange Circulars requirement for Market Makers on SME platform.

4. The minimum depth of the quote shall be Rs.1.00 Lakh. However, the investors with holdings of value less than Rs. 1.00 Lakh shall be allowed to offer their holding to the Market Maker in that scrip provided that he sells his entire holding in that scrip in one lot along with a declaration to the effect to the selling broker.

5. There shall be no exemption/threshold on downside. However, in the event the Market Maker exhausts his inventory through market making process, NSE EMERGE may intimate the same to SEBI after due verification.

6. The Market Maker shall not sell in lots less than the minimum contract size allowed for trading on NSE EMERGE (in this case currently the minimum trading lot size is [●] equity shares; however, the same may be changed by the NSE EMERGE from time to time).

7. The shares of the Company will be traded in Trade for Trade Segment for the first 10 days from commencement of trading (as per SEBI Circular no: CIR/MRD/DP/ 02/2012 dated January 20, 2012) on NSE EMERGE and market maker will remain present as per the guidelines mentioned under NSE EMERGE and SEBI circulars.

8. The Market Maker shall start providing quotes from the day of the listing / the day when designated as the Market Maker for the respective scrip and shall be subject to the guidelines laid down for market making by the NSE EMERGE Limited.

9. There will be special circumstances under which the Market Maker may be allowed to withdraw temporarily/fully from the market – for instance due to system problems, any other problems. All controllable reasons require prior approval from the Exchange, while force-majeure will be applicable for non-controllable reasons. The decision of the Exchange for deciding controllable and non-controllable reasons would be final.

10. In terms of regulation 261(6) of SEBI ICDR Regulations 2018, Market Maker shall not buy the Equity Shares from the Promoters or Persons belonging to promoter group of **Himalayan Solar Limited** or any person who has acquired shares from such promoter or person belonging to promoter group, during the compulsory market making period.

11. In terms of regulation 261(7) of SEBI ICDR Regulations 2018, The Promoters' holding of **Himalayan Solar Limited** shall not be eligible for offering to the Market Maker during the Compulsory Market Making Period. However, the promoters' holding of **Himalayan Solar Limited** which is not locked-in as per the SEBI (ICDR) Regulations, 2018 as amended, can be traded with prior permission of the NSE EMERGE, in the manner specified by SEBI from time to time.

12. The Book Running Lead Manager may be represented on the Board of the Issuer Company in compliance with Regulation 261 (8) of SEBI (ICDR) Regulations, 2018.

13. The Market Maker shall not be responsible to maintain the price of the Equity Shares of the Issuer Company at any particular level and is purely supposed to facilitate liquidity on the counter of **Himalayan Solar Limited** via its 2-way quotes. The price of the Equity Shares shall be determined and be subject to market forces.

14. **Risk containment measures and monitoring for Market Maker**: NSE EMERGE will have all margins which are applicable on the NSE Main Board viz., Mark-to-Market, Value-At-Risk (VAR) Margin, Extreme Loss Margin, Special Margins and Base Minimum Capital etc. NSE can impose any other margins as deemed necessary from time-to-time.

15. **Punitive Action in case of default by Market Maker(s):** NSE EMERGE Exchange will monitor the obligations on a real time basis and punitive action will be initiated for any exceptions and/or non-compliances. Penalties / fines may be imposed by the Exchange on the Market Maker, in case he is not able to provide the desired liquidity in a particular security as per the specified guidelines. These penalties / fines will be set by the Exchange from time to time. The Exchange will impose a penalty on the Market Maker in case they are not present in the market (offering two-way quotes) for at least 75% of the time. The nature of the penalty will be monetary as well as suspension in market making activities / trading membership.

    The Department of Surveillance and Supervision of the Exchange would decide and publish the penalties / fines / suspension for any type of misconduct/ manipulation/ other irregularities by the Market Maker from time to time.

    The Market Maker(s) shall have the right to terminate said arrangement by giving 3 (three) months' notice or on mutually acceptable terms to the Book Running Lead Manager, who shall then be responsible to appoint a replacement Market Maker(s).

    In case of termination of the above-mentioned Market Making agreement prior to the completion of the compulsory Market Making period, it shall be the responsibility of the Book Running Lead Manager to arrange for another Market Maker(s) in replacement during the term of the notice period being served by the Market Maker but prior to the date of releasing the existing Market Maker from its duties in order to ensure compliance with the requirements of regulation 261 of the SEBI (ICDR) Regulations. Further the Company and the Book Running Lead Manager reserve the right to appoint other Market Maker(s) either as a replacement of the current Market Maker or as an additional Market Maker subject to the relevant laws and regulations applicable at that particular point of time.

16. On the first day of the listing, there will be pre-opening session (call auction) and there after the trading will happen as per the equity market hours. The circuits will apply from the first day of the listing on the discovered price during the pre-open call auction.

17. Additionally, the securities of the Company will be placed in SPOS and would remain in Trade for Trade settlement for first 10 days from commencement of trading. The following spread will be applicable on the SME platform.

S. No.	Market Price Slab (in Rs.)	Proposed Spread (in % to sale price)
1.	Up to 50	9
2.	50 to 75	8
3.	75 to 100	6
4.	Above 100	5

18. Pursuant to SEBI Circular number CIR/MRD/DSA/31/2012 dated November 27, 2012, limits on the upper side for market makers during market making process has been made applicable, based on the issue size and as follows:

Issue Size	Buy quote exemption threshold (including mandatory initial inventory of 5% of the issue size)	Re-entry threshold for buy quote (including mandatory initial inventory of 5% of the issue size)
Up to Rs.20 Crore	25%	24%

(iii) Other requirements in respect of lock-in

- **Inscription or recording of non-transferability:**

In terms of Regulation 241 of the SEBI (ICDR) Regulations, 2018, our Company confirms that certificates of Equity Shares which are subject to lock in shall contain the inscription "Non-Transferable" and specify the lock-in period and in case such equity shares are dematerialized, the Company shall ensure that the lock in is recorded by the Depository.

- **Pledge of Locked-in Equity Shares**

Pursuant to Regulation 242 of the SEBI ICDR Regulations, the locked-in Equity Shares held by the Promoter, as specified above, can be pledged with any scheduled commercial banks or public financial institutions or systemically important non-banking finance company or housing finance company as collateral security for loans granted by such scheduled commercial banks or public financial institutions or systemically important non-banking finance company or housing finance company, subject to fulfilment of following conditions:

i. In respect of Equity Shares which are locked in for a period of one year, the pledge of the Equity Shares is one of the terms of the sanction of the loan;

ii. In respect of Equity Shares which are locked in for a period of three years, the loan has been granted by such scheduled commercial bank or public financial institution or systemically important non-banking finance company or housing finance company to our Company or our Subsidiary (ies) for the purpose of financing one or more of the objects of the Issue and the pledge of the Equity Shares is one of the terms of the sanction of the loan.

➢ **Transfer of Locked-in Equity Shares**

In terms of Regulation 243 of the SEBI (ICDR) Regulations, 2018 and subject to provisions of Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 as applicable;

a) The Equity Shares held by our Promoters and locked in as per Regulation 238 of the SEBI (ICDR) Regulations, 2018 may be transferred to another Promoters or any person of the Promoters' Group or to a new promoter(s) or persons in control of our Company, subject to continuation of lock-in for the remaining period with transferee and such transferee shall not be eligible to transfer them till the lock-in period stipulated has expired.

b) The equity shares held by persons other than promoters and locked in as per Regulation 239 of the SEBI (ICDR) Regulations, 2018 may be transferred to any other person (including Promoter and Promoters' Group) holding the equity shares which are locked-in along with the equity shares proposed to be transferred, subject to continuation of lock-in for the remaining period with transferee and such transferee shall not be eligible to transfer them till the lock-in period stipulated has expired.

(iv) Sale/Purchase by Promoter Group and/or by directors of Company which is promoter of our company and/or by the director of our company and their immediate relatives during six months preceding the date of this Red Herring Prospectus:

There is no other Sale/Purchase by Promoter Group and/or by directors of Company which is promoter of our company and/or by the director of our company and their immediate relatives during six months preceding the date of this Red Herring Prospectus except as mentioned in this chapter and Red Herring Prospectus.

(v) Shares held by the Promoter and offered to the public through the Offer for Sale portion of the Issue shall not be subject to any lock-in.

(n) Our Company, its Directors, Promoters or the Book Running Lead Manager have not entered into any buy-back or standby arrangements for the purchase of the Equity Shares of our Company.

(o) Our Company is in compliance with the Companies Act, 2013 with respect to issuance of securities since inception till the date of filing of Red Herring Prospectus except as otherwise mentioned in "Risk Factors" beginning on Page 25 of Red Herring Prospectus, if any.

(p) The Equity Shares issued pursuant to this Issue shall be fully paid-up.

(q) The Book Running Lead Manager and its associates do not hold any Equity Shares in our Company as on the date of filing this Red Herring Prospectus.

(r) There are no options granted or equity shares issued under any scheme of employee stock option or employee stock purchase of issuer, in the preceding three years (separately for each year) and on a cumulative basis for all options or equity shares issued prior to the date of the Red Herring Prospectus.

(s) There are no outstanding warrants, options or rights to convert debentures, loans or other instruments into Equity Shares as on the date of this Red Herring Prospectus.

Other miscellaneous disclosures:

1. None of the Equity Shares of our Company are subject to any pledge as on the date of this Red Herring Prospectus.

2. None of the shareholding of the Promoters & Promoter Group is subject to lock-in as on date of this Red Herring Prospectus.

3. Except as disclosed in the chapter titled ***"Our Management"*** beginning on page 197 of this Red Herring Prospectus, none of our directors or Key Managerial Personnel or Senior Management holds any Equity Shares in our Company.

4. None of our Promoters, Promoter Group, our directors and their relatives has entered into any financing arrangements or financed the purchase of the Equity shares of our Company by any other person during the period of six (6) months immediately preceding the date of filing of the Red Herring Prospectus.

5. We hereby confirm that there will be no further issue of capital whether by the way of issue of bonus shares, preferential allotment, right issue or in any other manner except pursuant to an Employee Stock Option Scheme or a Stock Appreciation Right Scheme during the period commencing from the date of the Red Herring Prospectus until the Equity shares offered have been listed or application money unblocked on account of failure of issue.

6. Our Company undertakes that there shall be only one (1) denomination for the Equity Shares of our Company, unless otherwise permitted by law. Our Company shall comply with such disclosure and accounting norms as specified by SEBI from time to time.

7. Our Company has not issued Equity Shares out of Revaluation Reserves.

8. Our Company shall comply with such disclosures and accounting norms as may be specified by NSE, SEBI and other regulatory authorities from time to time.

9. Our Company has not made any public issue of any kind or class of securities of our Company within the immediately preceding two (2) years prior to filing this Red Herring Prospectus.

10. Our Company has not raised any bridge loan against the proceeds of this issue.

11. Our Company, Directors, Promoters or members of our Promoter Group shall not make any payments, direct or indirect, discounts, commissions, allowances or otherwise under this Issue except as disclosed in this Red Herring Prospectus.

12. Our Company has not revalued its assets since incorporation.

13. An over-subscription to the extent of 10% of the Net Issue can be retained for the purpose of rounding off to the nearest integer during finalizing the allotment, subject to minimum allotment, which is the minimum application size in this Issue. Consequently, the actual allotment may go up by a maximum of 10% of the Net Issue, as a result of which, the post-issue paid up capital after the Issue would also increase by the excess amount of allotment so made. In such an event, the Equity Shares held by the Promoter and subject to three (3) years lock- in shall be suitably increased; so as to ensure that 20% of the post Issue paid-up capital is locked in.

14. Under subscription, if any, in any of the categories, would be allowed to be met with spill-over from any of the other categories or a combination of categories at the discretion of our Company in consultation with the Book Running Lead Manager and Designated Stock Exchange. Such inter-se spill over, if any, would be effected in accordance with applicable laws, rules, regulations and guidelines.

15. In case of over-subscription in all categories the allocation in the issue shall be as per the requirements of SEBI (ICDR) Regulations.

16. The unsubscribed portion in any reserved category (if any) may be added to any other reserved category.

17. The unsubscribed portion if any, after such inter se adjustments among the reserved categories shall be added back to the net offer to the public portion.

18. There are no Equity Shares against which depository receipts have been issued.

19. Other than the Equity Shares, there is no other class of securities issued by our Company.

20. There is no Buyback, stand by, or similar arrangement by our Company/Promoters/Directors/Book Running Lead Manager for purchase of Equity Shares issued / offered through this Red Herring Prospectus.

21. This issue is being made through Book Building method.

22. This Issue is being made in terms of Section IX of the SEBI (ICDR) Regulations 2018, as amended from time to time. The Issue is being made through the Book Building method and hence, as per Regulation 253, sub regulation (1) of SEBI (ICDR) Regulations 2018, the allocation in the net issue to public category shall be made as follow:

(a) not less than thirty-five per cent (35%) to individual investors who applies for minimum application size

(b) not less than fifteen per cent (15%) to non-institutional investors; and

(c) not less than fifty per cent (50%) to qualified institutional buyers, five per cent. (5%) of which shall be allocated to mutual funds.

Provided that the unsubscribed portion in either of the categories specified in clauses (a) or (b) may be allocated to applicants in any other category.

Provided further that in addition to five per cent. allocation available in terms of clause (c), mutual funds shall be eligible for allocation under the balance available for qualified institutional buyers.

23. Our Promoters and members of our Promoter Group will not participate in the Issue.

SECTION VII: PARTICULARS OF THE ISSUE

OBJECT OF THE ISSUE

Initial public offer of up to ***66,04,800*** equity shares of face value of ₹10 each of our Company for cash at a price of ₹ **[●]** per equity share, including a share premium of ₹**[●]** per equity share aggregating to ***₹ [●] lakhs*** ("the issue"), comprising a fresh issue of up to ***58,90,800*** equity shares aggregating to ***₹ [●] lakhs*** by our company (***"Fresh Issue"***) and an offer for sale of up to ***7,14,000*** equity shares by Mrs. Karthyayini M ("the promoter selling shareholder" or "selling shareholder") aggregating to ₹**[●]** lakhs (***"offer for sale"***). Our Company proposes to utilize the funds which are being raised through this Issue towards the below mentioned objects and gain benefits of listing on Stock Exchange.

Offer for Sale:

Our Company will not receive any proceeds of the Offer for Sale by the Selling Shareholder. Selling Shareholder will be entitled to the respective proportion of the proceeds of the Offer for Sale after deducting their portion of the Offer related expenses and relevant taxes thereon. Other than the listing fees all cost, fees and expenses in respect of the Offer will be shared amongst our Company and Selling Shareholder, respectively, in proportion to the proceeds received for the Fresh issue and their respective portion of Offered Shares, as may be applicable, upon the successful completion of the Offer.

The objects of the Issue are:

A. Funding Capital Expenditure towards purchase of additional plant and machinery for expansion and upgradation of existing manufacturing facility
B. Repayment and / or pre-payment, in full or in part, of certain outstanding borrowings availed by our Company
C. To meet the Working Capital Requirements
D. General Corporate Purposes

Our Company believes that listing will enhance our Company's corporate image, brand name and create a public market for its Equity Shares in India. It will also make future financing easier and affordable in case of expansion or diversification of the business. Further, listing attracts interest of institutional investors as well as foreign institutional investors.

The main objects clause of our Memorandum enables our Company to undertake the activities for which funds are being raised in the Issue. The existing activities of our Company are within the objects clause of our Memorandum. The fund requirement and deployment are based on internal management estimates and has not been appraised by any bank or financial institution.

The fund requirement and deployment are based on internal management estimates and have not been appraised by any bank or financial institution. These are based on current conditions and are subject to change in light of changes in internal / external circumstances or costs or other financial conditions, business or strategy, as discussed further below. In case of variations in the actual utilization of funds allocated for the purposes set forth above, increased fund requirements for a particular purpose may be financed by surplus funds, if any, available in respect of the other purposes for which funds are being raised in this Issue. If surplus funds are unavailable, the required financing will be through our internal accruals and/or debt. If the actual utilization towards any of the Objects is lower than the proposed deployment such balance will be used for future growth opportunities including funding existing objects, subject to regulatory approval required under applicable law. In case of delays in raising funds from the Issue, our Company may deploy certain amounts towards any of the abovementioned Objects through a combination of Internal Accruals or Unsecured Loans (Bridge Financing) and in such case the funds raised shall be utilized towards repayment of such Unsecured Loans or recouping of Internal Accruals. However, we confirm that no bridge financing has been availed as on date, which is subject to being repaid from the Issue Proceeds.

Our Company proposes to deploy the entire Net Proceeds towards the aforementioned Objects during Fiscal FY 2026-27 In the event that the estimated utilization of the Net Proceeds in scheduled fiscal year is not completely met, the same shall be utilized in the next fiscal year as may be determined by the Board, in accordance with applicable laws.

We may have to revise our funding requirements and deployment on account of a variety of factors such as our financial conditions, business strategy, and external factors such as market condition, result of changes in commercial or other factors, which may not be within the control of our management. This may entail re-scheduling or revising or increasing or decreasing the fund requirements for a particular purpose from its fund requirements mentioned below, at the discretion of our management subject to compliance of applicable law. In case of any such re-scheduling, it shall be made by compliance of the relevant provisions of the Companies Act, 2013 and other applicable law.

Details breakup of the Use of the Proceeds

A. Funding Capital Expenditure towards purchase of additional plant and machinery for expansion and upgradation of existing manufacturing facility.

Our company, specializes in providing integrated turnkey solar energy solutions offering services including design, manufacturing, supply, installation, and commissioning of wide range of solar products, with a primary focus on Solar Water Pumping Systems.

Our manufacturing facility is located at Plot No. 3 & 4, Khasra No. 249, Khewat No. 980 & 977, Near Aryakulam International School, Assandh–Kohand Road, Munak, Karnal, Haryana–132040, covering an area of approximately 25,000 square feet. The plant is equipped with advanced machinery and has an annual manufacturing capacity of 60 MW Mono PERC Solar PV Modules, which is currently operational. . This 60 MW production line is specifically designed for the manufacturing of advanced Mono-PERC 16BB Solar PV Modules.

Through the IPO proceeds, we intend to expand and modernize this manufacturing unit from 60 MW per annum of Mono PERC Solar PV Modules to 160 MW by acquiring additional machinery with an annual capacity of 100 MW at our existing facility in Karnal. The upgraded facility will feature enhanced technical capabilities, including the manufacturing of up to 20 Busbar Solar PV Panels, expandable up to 25 Busbar, with the latest Glass-to-Glass (G2G) technology, fully automatic bussing, auto glass loading, and auto framing systems, at an estimated cost of up to ₹1,298.30 lakhs. The proposed expansion in the capacity will enable us to scale-up operations to meet anticipated growth in demand in the solar energy sector and enable us to continue deploying our own Brand Solar PV Modules in our projects.

The Company has identified the requisite plant and machinery for the proposed expansion of its manufacturing unit from 60 MW to 160 MW and has obtained quotations from prospective vendors. The machinery and equipment proposed to be installed under this project have been duly assessed, and the total estimated cost for the planned upgradation is up to ₹1,298.30 lakhs.

Other Confirmations:

- We have considered the above quotations for the budgetary estimate purposes and as on date of this Red Herring Prospectus. Our company has not placed any orders or made any payment towards purchase of above plant and machinery. The actual cost of procurement and actual supplier may vary.

- We have not entered into definitive agreements with any of these suppliers and there can be no assurance that the same suppliers would be engaged to eventually supply the equipment or at the same costs.

- We do not intend to purchase any second-hand machinery or equipment. The quantity of plant and machinery to be purchased is based on quotations received from suppliers and estimates of our management. The Management shall have the flexibility to revise such quantities/ estimates (including but not limited to change of the supplier or addition/deletion of any quantity of plant and machinery) at the time of actual placement of the order. Furthermore, if any surplus from the proceeds remains after meeting the total cost of the plant and machinery for the aforesaid purpose, the same will be used for our general corporate purposes, subject to limit of 15% of the amount raised by our Company through this Issue or ₹ 10.00 crores whichever is lower.

- The quotations relied upon by us in arriving at the above cost are valid for a specific period of time and may lapse after the expiry of the said period. Consequent upon which, there could be a possible escalation in the cost of the plant and machinery proposed to be acquired by us at the actual time of purchase, resulting in increase in the cost. Further, cost can be escalated on account of freight expenses and incidental charges. Such cost escalation would be met out of either of surplus portion of net issue proceeds (if any) or our internal accruals.

- The machineries shall be imported from abroad, payment of which will be made by our Company in Indian Rupee. There may be fluctuation in the exchange rate between the Indian Rupee and Foreign Exchange Rates and accordingly such transactions may affect the final funding requirements and deployment of the Net Proceeds. Further, the purchase of machinery and the proposed deployment is subject to final terms and conditions agreed with the supplier including the finalization of price, payment/credit terms, delivery schedule, technology advancement and other market factors prevailing at that time.

- Any additional costs incurred towards applicable taxes, freight charges, installation charges, exchange rate fluctuations, including any contingencies etc. in relation to above object, will be met from internal accruals of our Company.

- Our Company is required to obtain various statutory approvals and permissions for the establishment, operation, and commercial commencement of the 60 MW (existing) and 100 MW (proposed) Solar PV Module Manufacturing Units at Karnal, Haryana. The details of the relevant licenses and approvals are as follows:

B. Repayment and / or pre-payment, in full or in part, of certain outstanding borrowings availed by our Company

Our Company has entered into various financing arrangements from time to time with banks and financial institutions, including borrowings in the form of, inter alia, term loans, cash credit facilities and working capital loans, among others. For further details, see ***"Financial Indebtedness"*** on page 278 of Red Herring Prospectus.

This loan was availed for the purpose of upgrading the production capacity from 40 MW per annum of Polycrystalline Solar PV Modules to 60 MW per annum of advanced 16BB Mono PERC Solar PV Modules, involving the acquisition of automated stringers, laminators, EL testers, and other related production infrastructure.

The repayment of this loan will result in the reduction of interest burden, improvement in the debt-equity ratio, and enhancement of the Company's overall financial flexibility.

The details of the outstanding loans which are proposed for repayment or prepayment, in full or in part from the Net Proceeds are set forth below. The loan facilities are listed below in no particular order of priority.

C. To meet Working Capital Requirements

Our business is working capital intensive. We fund the majority of our working capital requirements in the ordinary course of our business from our internal accruals and financing from banks. As of 31/07/2026, the unexecuted Order Book of our Company was ₹ 14,021.69 lakhs. Moreover, our Company is planning to bid not only for higher number of projects but also for higher value projects. In order to execute the unexecuted order book and to execute higher value projects, the Company would be requiring higher working capital. The Company proposes to utilise a portion of the Net Proceeds from the Issue to fund part of its incremental working capital requirements, arising primarily from its expansion in manufacturing capacity, product mix upgrade, and anticipated increase in sales volumes. As the Company transitions from manufacturing Polycrystalline Modules to higher-efficiency Modules such as 16BB/25BB Mono PERC and G2G TOPCon Bifacial Modules, the working capital intensity is expected to rise.

The infusion of working capital will support the seamless execution of the Company's operational growth strategy, ensure uninterrupted production cycles, and enable timely delivery of high-performance solar PV Modules in both domestic and export markets.

Assumption of Holding Levels

Provided below are details of the holding levels (days) considered.

Particulars	Estimated (In lakhs)		Restated (In lakhs)		
	31/03/2028	31/3/2027	31/3/2026	31/3/2025	31/3/2024
Sundry Debtors Holding period (In Days)	100	100	269	170	107
Inventory Holding Period (In Days)	30	30	7	9	63
Sundry Creditor Holding Period (In Days)	30	30	181	105	137

Justification for Holding Period:

Particular	Details
Trade Receivables	In FY 2024-25, the Debtors Holding Period increased to 170 days from 107 days in FY 2023–24 because in FY 2024–25, the company expanded its operational presence to new regions, securing government contracts in Maharashtra and Punjab in addition to existing markets in Haryana and Rajasthan. As first-time engagements, additional time and efforts were required for integration with new departmental procedures, documentation requirements, initial coordination with their procurement systems and digital platforms. Additionally, in FY 2024-25 and also on account of a change in payment terms by government departments under applicable schemes, requiring a mandatory successful operation for 90 days with complete water discharge data on Remote Monitoring Portals post-installation of solar pumping systems before release of final payments and in many cases 90 operational days for pump are practically achieved in a span of more than 180 days due to seasonal requirements of the crops and weather conditions. The revised payment schedule led to an elongation of the receivables cycle. In FY 2025-26, government departments undertook enhancements and migration of their digital procurement, project monitoring and payment processing platforms, requiring additional procedural compliance and validation by participating vendors. This involved extended execution timelines, milestone-based payment mechanisms, multiple levels of technical verification, inspection and administrative approval, and compliance with project-specific documentation requirements after invoicing and prior to submission of payment claims - increasing the Debtors Holding Period to 269 days. As on March 31, 2026, certain projects had not reached the requisite execution milestones even after successful installation, and were at various stages post-installation such as RMS integration, performance validation, physical inspection and documentation, resulting in delays between invoicing and payment realisation. Looking ahead, the Company expects the Debtors Holding Period to improve significantly to approximately 100 days in FY 2026-27, as operations in Maharashtra and Punjab mature, aided by stabilisation of departmental invoicing, standardisation of documentation requirements, improved project monitoring platforms, faster RMS integration processes, and optimised administrative processes supported by ongoing feedback from vendors. The Company expects to sustain the Debtors Holding Period at around 100 days in FY 2027-28 as well, with continued stabilisation of e-procurement and RMS integration processes across its operating regions.
Inventories	In FY 2023-24, the average Inventory Holding Period stood at 63 days. This was primarily attributable to delays in the installation and commissioning of systems after procurement, on account of geographical and seasonal factors such as heavy rainfall and agricultural activities (including crop harvesting) at the farmers' end during the peak period of project execution cycles, which temporarily deferred project execution timelines. In FY 2024-25, the Company significantly reduced its Inventory Holding Period to 9 days, benefitting from the operational experience gained in prior years and the implementation of improved supply chain management practices. In FY 2025-26, the Inventory Holding Period was further reduced to 7 days, on account of maximum revenue being derived from the manufacturing and supply of Solar Water Pumping systems rather than Solar PV Panels manufacturing. This resulted in faster conversion of inventory into sales and consequently improved operational efficiency. Looking ahead, the Company expects the Inventory Holding Period to normalise to around 30 days in FY 2026-27, on account of a substantial increase in the manufacturing of Solar PV Panels, arising from the restart of manufacturing of Solar PV Modules, in addition to inventory requirements for ongoing EPC projects. The Company expects to sustain the Inventory Holding Period at around 30 days in FY 2027-28 as well, as inventory requirements for Solar PV Panel manufacturing and EPC project execution stabilise.
Trade Payables	During FY 2023–24, the Company negotiated extended credit terms with suppliers, increasing the average Trade Payable Days from 16 in FY 2022–23 to 137 in FY 2023–24. These

Particular	Details
	measures reduced the requirement for additional higher-cost borrowings and optimized cash flow management. To support higher turnover exceeding ₹138.32 crore, materials were procured on extended credit terms. While this approach supported revenue growth, it also incurred higher input costs, moderating the improvement in profitability. During FY 2024-25, the Company renegotiated supplier terms in owing to stronger liquidity and working capital availability due to deployment of the earnings alongside the enhanced working capital facilities, reducing average procurement costs. Unlike FY 2023–24, which saw bulk material purchases on extended but higher-cost credit, FY 2024–25 benefitted from lower-cost procurement on shorter credit period decreasing the average Trade Payable Days from 137 in FY 2023–24 to 105 in FY 2024–25, thus boosting profitability in FY 2024-25. During FY 2025-26, in order to secure market share in new geographies and do maximum supply to compete with existing Competitors of that area, the Company procured the raw material for solar products with longer credit periods, thereby increasing the Creditor Holding Period to around 181 days in FY 2025-26 from 105 days in FY 2024-25. In FY 2026-27 and further, in order to remain price competitive, the Company intends to procure the raw material for solar products at more competitive rates. This will involve negotiating lower purchase prices with suppliers, which may require the Company to accept shorter credit periods or make advance payments, thereby decreasing the Creditor Holding Period to around 30 days. The Company expects to sustain the Creditor Holding Period at around 30 days in FY 2027-28 as well, as procurement on competitive, shorter-credit terms continues.
Cash and Cash Equivalents	The Key items under this head are Cash-in-hand and Bank Balance in current account. The increase in amount of Cash and Cash Equivalent is considered on account of increase in operations and turnover, and such amounts will be required to meet the day-to-day expenses and to take advantage of situations of price fluctuations, etc.
Short Term Loans and Advances and Other Current Assets	The key items under this head are advance to suppliers/employees etc and balance with government authorities etc. Going forward, we are expecting to more advance payment to our suppliers for reservations and getting better margin from them and accordingly its expected to be increased in near future.
Other Current Liabilities and Short-Term Provisions	Other current liabilities include advance from customers, provisions, statutory dues, expenses payable, etc. However, going forward, we do not foresee any major change and expected to get proportionally increased due to increase in operations and turnover.

Working Capital Requirement in FY2024-25:

The Company's working capital requirements increased from ₹2957.77 lakhs in FY 2023–24 to ₹4566.83 lakhs in FY 2024–25. The key factors contributing to this increase were as follows:

1. **Reduction in Trade Payable Days (Sundry Creditor Holding Period or Credit Period from Vendors):**
   - Trade Payable Days or average credit period availed from suppliers decreased significantly from 137 days in FY 2023–24 to 105 days in FY 2024–25.
   - This reduction required the Company to make payments to suppliers sooner, thereby increasing the working capital needed to fund purchases.
   - The decision to accept shorter credit terms was strategic, as it enabled the Company to negotiate better procurement rates, directly improving gross margins.
   - As a result, the Company achieved a substantially higher PAT margin of ~11.13% in FY 2024–25, compared to 3.57% in the previous year.

2. **Increase in Trade Receivable Days (Sundry Debtor Holding Period or Collection Period from Customers):**
   - Trade Receivable Days or average collection period from customers increased from 107 days in FY 2023–24 to 170 days in FY 2024–25.

- This lengthening of the collection cycle further increased the amount of funds tied up in receivables, thereby raising the working capital requirement to sustain operations and revenue levels.
- In FY 2024–25, the company expanded its operational presence to new regions, securing government contracts in Maharashtra, Uttar Pradesh and Chandigarh in addition to existing markets in Haryana and Rajasthan. As first-time engagements, initial coordination with their procurement systems and digital platforms required additional time and effort. Both states are in the process of enhancing their e-procurement and invoicing portals for streamlined documentation and remote processing, with ongoing feedback loops from vendors, which is expected to stabilize in coming months.

3. **Overall Impact on Working Capital Requirement:**
   - Due to the combined effect of reduced credit period from suppliers and extended collection cycle from customers led to the incremental requirement of working capital in FY 2024–25.
   - The increase in working capital has been instrumental in supporting the expanded scale of operations at improved margins, positioning the Company for sustainable growth in other States.

Working Capital Requirement in FY 2025-26

The Company's working capital gap increased further from ₹3,941.90 lakhs in FY 2024-25 to ₹6,510.86 lakhs in FY 2025-26. The key factors contributing to this increase were as follows:

1. **Growth in Revenue:**
   - Revenue from operations increased from ₹14,243.73 lakhs in FY 2024-25 to ₹17,034.32 lakhs in FY 2025-26, a year-on-year growth of approximately 19.6%.
   - This scale-up in operations necessitated additional working capital to finance higher volumes of procurement, inventory, and receivables.

2. **Increase in Trade Payable Days:**
   - Trade Payable Days increased from 105 days in FY 2024-25 to 181 days in FY 2025-26, as the Company procured raw materials on longer credit terms to secure market share and supply volumes in new geographies. While this eased near-term funding pressure on the payables side, it was more than offset by the sharper increase in receivable days below.

3. **Further Increase in Trade Receivable Days:**
   - Trade Receivable Days increased from 170 days in FY 2024-25 to 269 days in FY 2025-26, on account of migration and enhancement of government digital procurement, project monitoring and payment platforms, which involved extended execution timelines, milestone-based payments, and multiple levels of technical and administrative verification prior to release of payment claims.

4. **Overall Impact:**
   - The combined effect of higher revenue volumes and a significantly elongated receivables cycle resulted in a sharp increase in the Company's working capital requirement during FY 2025-26, notwithstanding the partial offset from longer payable days.

Reasons for Increase in Working Capital Requirements in FY 2026-27 and Subsequent Years

The Company anticipates a continued increase in its working capital requirements in FY 2026-27 and FY 2027-28, with the working capital gap projected to rise to ₹10,208.42 lakhs in FY 2026-27 and further to ₹14,005.58 lakhs in FY 2027-28, in view of its strategic expansion and growth plans. The key reasons are as follows:

1. **Planned Geographical Expansion:**
   - The Company intends to expand its operations across additional States in India for the deployment and sale of its Solar PV Modules and other solar products, requiring additional working capital to support increased procurement, logistics, and service coverage.

2. **Projected Increase in Revenue:**
   - Revenue from operations is projected to increase significantly in FY 2026-27 and FY 2027-28, driven by the Company's planned scale-up of operations and geographical expansion. To support this scale of operations, higher working capital will be required to fund increased inventory for the manufacturing unit (with the Inventory Holding Period normalising to around 30 days in both years), longer supply chains and payment

cycles in government projects, and larger receivables from extended market coverage (with the Debtors Holding Period expected to stabilise at around 100 days).

3. **Procurement at More Competitive Pricing:**
   - To remain price competitive and secure market share in new geographies, the Company intends to procure raw materials at more competitive rates, involving negotiation of lower purchase prices that may require shorter credit periods or advance payments (with the Creditor Holding Period reducing to around 30 days), thereby increasing working capital needs.

Hence, the anticipated increase in working capital requirements is directly linked to the Company's strategic business objectives — expanding geographical presence, achieving revenue growth, and maintaining profitability through improved procurement efficiency. These requirements will be funded through a combination of internal accruals, debt financing, and proceeds from the Issue, as applicable.

Means of Finance:

We propose to meet the requirement of funds for the stated objects of the Issue from the IPO Proceeds and internal accruals. Accordingly, Regulation 230(1)(e) of the SEBI ICDR Regulations and Clause 9(C) of Part A of Schedule VI of the SEBI (ICDR) Regulations (which requires firm arrangements of finance through verifiable means for 75% of the stated means of finance, excluding the Issue Proceeds and existing identifiable internal accruals) is not applicable.

The fund requirement and deployment are based on internal management estimates and have not been appraised by any bank or financial institution. These are based on current conditions and are subject to change in light of changes in external circumstances or costs, other financial conditions, business or strategy, as discussed further below. In case of variations in the actual utilization of funds allocated for the purposes set forth above, increased fund requirements for a particular purpose may be financed by surplus funds, if any, available in respect of the other purposes for which funds are being raised in this Issue. If surplus funds are unavailable, the required financing will be through our internal accruals and/or debt. We may have to revise our fund requirements and deployment as a result of changes in commercial and other external factors, which may not be within the control of our management. This may entail re-scheduling, revising or cancelling the fund requirements and increasing or decreasing the fund requirements for a particular purpose from its fund requirements mentioned below, at the discretion of our management. In case of any shortfall or cost overruns, we intend to meet our estimated expenditure from internal accruals and/or debt. In case of any such re-scheduling, it shall be made by compliance of the relevant provisions of the Companies Act, 2013.

Appraisal by Appraising Fund:

None of the Objects have been appraised by any bank or financial institution or any other independent third-party organization. The funding requirements of our Company and the deployment of the proceeds of the Issue are currently based on management estimates. The funding requirements of our Company are dependent on a number of factors which may not be in the control of our management, including variations in interest rate structures, changes in our financial condition and current commercial conditions and are subject to change in light of changes in external circumstances or in our financial condition, business or strategy.

Shortfall of Funds

Any shortfall in meeting the fund requirements will be met by way of internal accruals and or unsecured Loans.

Bridge Financing Facilities

As on the date of this Red Herring Prospectus, we have not raised any bridge loans which are proposed to be repaid from the Net Proceeds. However, we may draw down such amounts, as may be required, from an overdraft arrangement/cash credit facility with our lenders, to finance additional working capital needs until the completion of the Issue.

Interim Use of Proceeds

Pending utilization for the purposes described above, our Company intends to invest the funds in with scheduled commercial banks included in the second schedule of Reserve Bank of India Act, 1934. Our management, in accordance with the policies established by our Board of Directors from time to time, will deploy the Net Proceeds. Further, our Board of Directors hereby undertake that full recovery of the said interim investments shall be made without any sort of delay as and when need arises for utilization of proceeds for the objects of the issue.

Monitoring Utilization of Funds

In accordance with Regulation 262 of the SEBI ICDR Regulations, our Company has appointed CRISIL Ratings Limited as monitoring agency ("Monitoring Agency") to monitor the utilisation of the Net Proceeds. Our Company undertakes to place the Net Proceeds in a separate bank account which shall be monitored by the Monitoring Agency for utilisation of the Net Proceeds. Our Company undertakes to place the report(s) of the Monitoring Agency on receipt before the Audit Committee without any delay and in accordance with the applicable laws. Our Company will disclose the utilisation of the Net Proceeds, including interim use under a separate head in its balance sheet for such financial year/periods as required

under the SEBI ICDR Regulations, the SEBI Listing Regulations and any other applicable laws or regulations, specifying the purposes for which the Net Proceeds have been utilised.

Our Company will also, in its balance sheet for the applicable financial year, provide details, if any, in relation to all such Net Proceeds that have not been utilised, if any, of such currently unutilized Net Proceeds.

The reports of the monitoring agency on the utilization of the Net Proceeds shall indicate the deployment of the Net Proceeds under the following heads:

- Funding Capital Expenditure towards purchase of additional plant and machinery for expansion and upgradation of existing manufacturing facility
- Repayment and / or pre-payment, in full or in part, of certain outstanding borrowings availed by our Company
- To meet the Working Capital Requirements

Pursuant to Regulation 32(3) of the SEBI Listing Regulations, our Company shall, on a quarterly basis, disclose to the Audit Committee the uses and applications of the Net Proceeds. On an annual basis, our Company shall prepare a statement of funds utilised for purposes other than those stated in the Red Herring Prospectus and place it before the Audit Committee and make other disclosures as may be required until such time as the Net Proceeds remain unutilized. Such disclosure shall be made only until such time that all the Net Proceeds have been utilized in full. The statutory auditor of our Company will also provide report/ certificate on the utilization of the Net Proceeds to the monitoring agency.

Furthermore, in accordance with Regulation 32(1) of the SEBI Listing Regulations, our Company shall furnish to the Stock Exchanges on a quarterly basis, a statement indicating (i) deviations, if any, in the actual utilization of the proceeds of the Fresh Issue from the Objects; and (ii) details of category wise variations in the actual utilization of the proceeds of the Fresh Issue from the objects of the Fresh Issue as stated above. This information will also be published in newspapers simultaneously with the interim or annual financial results and explanation for such variation (if any) will be included in our directors' report, after placing the same before the Audit Committee.

Variation in Objects

In accordance with Section 13(8) and Section 27 of the Companies Act, 2013, our Company shall not vary the objects of the Initial Public Issue without our Company being authorized to do so by the shareholders by way of a special resolution. Further, pursuant to Regulation 32 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended time to time and applicable, our Company shall on half- yearly basis disclose to the Audit Committee the applications of the proceeds of the Issue. In addition, the notice issued to the Shareholders in relation to the passing of such special resolution shall specify the prescribed details as required under the Companies Act and shall be published in accordance with the Companies Act and rules there under of the jurisdiction where our Registered Office is situated. We refer to the proposed initial public offering of equity shares of the Company ("Offer").

In connection with the Offer, and pursuant to the requirements of Clause 9 (L) of Part A of Schedule VI of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended ("SEBI ICDR Regulations"), we hereby annex a statement of the possible special tax benefits available to the Company and its equity shareholders under the applicable direct and indirect tax laws presently in force in India.

The annexed statement has been prepared on the basis of the provisions of the Income-tax Act, 1961, and corresponding provisions of the Income-tax Act, 2025, to the extent notified and made applicable, applicable indirect tax laws including the Central Goods and Services Tax Act, 2017 ("CGST Act"), the Integrated Goods and Services Tax Act, 2017 ("IGST Act"), applicable State Goods and Services Tax Acts ("SGST Acts"), (collectively the "GST Act"), the Customs Act, 1962, the Customs Tariff Act, 1975 and the rules, regulations, circulars and notifications issued thereunder, each as amended and applicable as on the date of this statement.

Several of the benefits discussed in the enclosed Annexure are dependent upon the Company and/or its shareholders fulfilling the conditions prescribed under the relevant provisions of the applicable tax laws. Accordingly, the ability of the Company or its shareholders to derive such benefits is dependent upon compliance with such conditions.

The following discussion is only intended to provide general information to the investors and does not purport to be a complete analysis of all potential tax consequences relating to the Offer. The benefits discussed herein are neither exhaustive nor conclusive. Investors are advised to consult their own tax advisors with respect to the specific tax consequences applicable to them relating to the acquisition, ownership and disposal of equity shares of the Company.

No assurance is given that:

- the revenue authorities and/or courts will concur with the views expressed herein;
- the stated benefits will continue to be available in future; or
- the Company or its shareholders will be able to fulfil the conditions prescribed for availing such benefits.

This statement is based on the facts, assumptions, representations and information provided by the Company and on our understanding of the business activities and operations of the Company.

We hereby consent to the inclusion of this statement in the Red Herring Prospectus and Prospectus proposed to be filed by the Company in connection with the Offer.

LIMITATIONS

Our views expressed herein are based on the applicable tax laws and interpretations thereof prevailing in India as on the date of this statement, which are subject to change, including by way of retrospective amendment. We do not undertake to update this statement to reflect any changes that may occur after the date hereof.

This statement is intended solely for inclusion in the Offer Documents in relation to the proposed Offer and should not be used, referred to or distributed for any other purpose without our prior written consent.

We also authorise you to deliver a copy of this certificate to SEBI, ROC and the Stock Exchanges or any other regulatory authorities as required by law.

SECTION VIII: ABOUT THE COMPANY AND THE INDUSTRY

INDUSTRY OVERVIEW

GLOBAL ECONOMY OUTLOOK

The global economy is stabilizing, following several years of negative shocks. Global growth is projected to hold steady at 2.6 percent this year, despite flaring geopolitical tensions and high interest rates, before edging up to 2.7 percent in 2025-26 alongside modest expansions of trade and investment. Global inflation is expected to moderate at a slower clip than previously assumed, averaging 3.5 percent this year. Central banks in both advanced economies and emerging market and developing economies (EMDEs) are likely to remain cautious in easing policy. As such, markedly higher interest rates than prior to the pandemic are set to sustain for an extended period. Despite some improvement, the outlook remains subdued. Global growth over the forecast horizon is expected to be nearly half a percentage point below its 2010-19 average, with a slower pace of expansion in economies comprising over 80 percent of the global population. EMDE growth is projected to moderate from 4.2 percent in 2023 to 4 percent in 2024. Amid heightened conflict and violence, prospects remain especially lacklustre in many vulnerable economies—over half of fragile and conflict-affected economies will still be poorer in 2024 than on the eve of the pandemic. Risks have become more balanced but remain tilted to the downside. Escalating geopolitical tensions could lead to volatile commodity prices. In a context of elevated trade policy uncertainty, further trade fragmentation risks additional disruptions to trade networks. More persistent inflation could lead to higher-for-longer interest rates. Other risks include weaker-than anticipated activity in key economies and disasters related to climate change. Against this backdrop, policy makers face daunting challenges. Global efforts are needed to safeguard trade, support green and digital transitions, deliver debt relief, and improve food security. Still-pronounced inflation risks underscore the need for EMDE monetary policies to remain focused on price stability. High debt and elevated debt-servicing costs will require EMDE policy makers to balance sizable investment needs with fiscal sustainability. To meet development goals, policies are needed to raise productivity growth, improve the efficiency of public investment, build human capital, and close gender gaps in the labor market.

Global Prospects

The global economy is stabilizing but the outlook remains subdued—both advanced economies and EMDEs are projected to grow at a slower pace over 2024-26 than in the pre-pandemic decade. Recent upward pressures on global core inflation are anticipated to gradually ease, such that headline inflation converges to levels broadly consistent with central bank targets by 2026. Market expectations for the path of U.S. policy rates have been repeatedly revised higher. Amid elevated borrowing costs, about two-fifths of EMDEs are acutely vulnerable to debt stress. In 2024-25, growth is expected to underperform its 2010-19 average in countries comprising more than 80 percent of global output and population. The multiple shocks of recent years have impeded per capita income catch-up, with almost half of EMDEs losing ground relative to advanced economies over 2020-24.

Global Risks and Policy Challenges

Risks to the outlook are somewhat more balanced but remain skewed to the downside. Pronounced trade policy uncertainty—already at its highest level compared with other years of major elections since 2000—could portend further trade restrictions and weigh on global trade. Advanced economy interest rates are expected to remain well above 2000-19 average levels and could turn out higher still if inflationary pressures persist, substantially slowing global growth. Conflict-related oil supply disruptions could raise oil prices, dampen economic activity, and undermine the disinflation process. EMDE fiscal policy makers confront exacting trade-offs, given elevated borrowing costs and large financing needs. Improving public investment efficiency in EMDEs is crucial, especially given constrained fiscal space. Further trade fragmentation could have adverse global repercussions via declining economic confidence, increasing trade distortions, and related financial market reactions.

To raise productivity growth, advance prosperity, and address persistent longer-term challenges, policies should aim to increase the scale and efficacy of public investment programs, enhance human capital, address climate change, and confront persistent food insecurity. Additionally, targeted policies are needed to better leverage women's economic potential and reduce gender discrimination, as well as to address high youth unemployment rates in many EMDEs.

Global Trade

Global trade in goods and services was nearly flat in 2023 amid goods trade contractions for most of the year. Leading indicators suggest that services trade has stabilized. Global trade in goods and services is projected to expand by 2.5 percent in 2024 and 3.4 percent in 2025 but remain well below the average rates of the two decades preceding the pandemic. In all, global trade growth in 2020-24 is set to register the slowest half decade of growth since the 1990s.

The trade outlook is subject to various downside risks, including weaker-than-anticipated global demand, escalating geopolitical tensions, and further disruptions in maritime transport. Moreover, with elections taking place in many countries this year, heightened trade policy-related uncertainty and the potential for more inward looking policies could weigh on trade prospects and economic activity.

Commodity Markets

Aggregate commodity prices have generally increased in 2024 after declining, on average, last year. Over the forecast period, commodity prices are projected to decline slightly but remain well above 2015-19 levels. Oil prices have remained volatile this year amid a confluence of heightened geopolitical tensions and OPEC+ production cuts. U.S. natural gas liquefaction capacity is set to advance next year, enabling more gas supplies to be diverted to other markets. Robust growth of clean energy investment is expected to continue supporting base metals prices. Food prices are projected to soften in the next two years, aided by growing supplies of grains and edible crops.

Agricultural commodity prices were close to unchanged, in aggregate, in the first quarter. Average prices are set to soften somewhat in 2024-25. Food prices are forecast to dip by 6 percent in 2024 and 4 percent in 2025, mainly reflecting ample supplies for grains as well as oils and meals Volatile weather and increasing trade restrictions or disruptions could nonetheless push prices higher. Despite declining consumer food price inflation, acute food insecurity is estimated to have further worsened last year and doubled globally since 2019. Surging hunger is linked to a combination of still-elevated consumer food prices and proliferating violence and instability in vulnerable areas, notably in parts of the Middle East and Sub-Saharan Africa.

Global Inflation

The pace of decline in core inflation has slowed this year. In major advanced economies, disinflation in consumer goods prices appears to have bottomed out, while inflation in consumer services prices remains elevated. High core inflation in EMDEs was driven by services, including shelter. Global inflation is expected to gradually decelerate toward average inflation targets by 2026, amid softening core inflation.

The slowdown is expected to be driven by softening core inflation, as services demand moderates and wage growth slows, in addition to a modest decline in commodity prices. Surveys of inflation expectations similarly imply gradual global disinflation over the next two years.

Global Financial Developments

Financial market expectations for the path of U.S. policy rates have been repeatedly revised higher. The tightening of global financial conditions through higher interest rates has been dampened, however, by narrowing risk premia, reflected in buoyant equity valuations and tight corporate credit spreads. On net, EMDE central banks have been easing policy since the second half of 2023. EMDE sovereign risk spreads have declined, but they remain elevated among economies with weak credit ratings. In all, nearly 40 percent of EMDEs—home to about one-fifth of the EMDE population—face an elevated likelihood of debt-related stress.

Among weakly rated countries that had market access in the 2010s, a combination of political instability, the pandemic and other external shocks, and financial crises in the 2020s has rendered non-concessional debt prohibitively expensive. Among unrated countries—many of them low-income countries—debt burdens have grown increasingly severe owing to a decade of debt build-up in the 2010s, coupled with anaemic post-pandemic recoveries and rising debt-service costs (World Bank 2023a).

Major economies: Recent developments and outlook

U.S. labor market tightness has been receding, with the level of job openings declining since its mid-2022 peak. Rising labor supply, including that from robust net migration, is expected to continue to support the rebalancing in the U.S. labor market. Euro area consumer spending is expected to edge higher in 2024, partly on the back of continued wage growth. In China, overall investment growth remained tepid in early 2024, with solid infrastructure and manufacturing investment set against continued declines in real estate investment.

Growth is projected to decline further in 2025 to 4.1 percent—0.2 percentage point lower than projected in January owing primarily to a weaker outlook for investment—and 4 percent in 2026, as slowing productivity growth and investment as well as mounting public and private debt weigh on activity. With the population falling for the second consecutive year in 2023, and amid a low and declining fertility rate, demographic headwinds are expected to intensify, dragging potential growth lower.

Recent developments in emerging market and developing economies

Activity in EMDEs generally stabilized in early 2024, with consumer confidence and retail sales firming somewhat. Measures of headline manufacturing and services activity firmed across EMDEs, and leading indicators of new export orders pushed into expansionary territory, in line with an anticipated rebound in global trade.

EMDE growth is projected to edge down from 4.2 percent in 2023 to 4 percent in 2024 and then remain broadly stable over the forecast horizon. Decelerating activity in China is projected to be offset by firming growth in other EMDEs due to improvements in domestic demand and a recovery in trade. However, aggregate EMDE output is projected to remain on a path notably below its pre-pandemic trajectory, indicating sizable long-term scarring from the crises of the past four years. After a sharp slowdown last year, growth in LICs is projected to pick up over the forecast horizon, although to an appreciably lesser degree than previously expected.

Outlook in emerging market and developing economies

While domestic demand growth is expected to moderate in some large EMDEs due to idiosyncratic factors, it is projected to pick up in many other economies. In many EMDEs, trade growth is also expected to firm over the forecast horizon but would still fall short of pre-pandemic averages in some cases. Relatively supportive commodity prices are anticipated to lift growth among commodity exporters. Despite a cyclical upswing in growth in EMDEs excluding China over 2025-26, output is expected to remain noticeably below its pre-pandemic trend, suggesting significant economic scarring.

Aggregate growth in EMDEs is forecast to edge down from 4.2 percent in 2023 to 4 percent in 2024 and remain broadly stable over 2025-26, near estimates of EMDE potential growth for the 2020s. However, these aggregates mask notable differences in regional trends, with the expected pace of growth falling short of the 2010-19 average in EAP, ECA, and South Asia (SAR), but returning close to pre-pandemic averages in other regions over 2025-26, partly owing to still supportive commodity prices. Excluding China, EMDE growth is projected to inch up to a still subdued pace of 3.5 percent this year, before firming to about 3.9 percent in 2025-26, reflecting a cyclical upswing as monetary policy becomes less restrictive and demand from advanced economies gathers pace.

INDIAN ECONOMY OVERVIEW

Introduction

Strong economic growth in the first quarter of FY23 helped India overcome the UK to become the fifth-largest economy after it recovered from the COVID-19 pandemic shock. Nominal GDP or GDP at Current Prices for Q1 2024-25 is estimated at Rs. 77.31 lakh crores (US$ 928.9 billion) with growth rate of 9.7%, compared to the growth of 8.5% for Q1 2023-24. The growth in nominal GDP during 2023-24 is estimated at 9.6% as compared to 14.2% in 2022-23. Strong domestic demand for consumption and investment, along with Government's continued emphasis on capital expenditure are seen as among the key driver of the GDP in the second half of FY24. During the period April-September 2025, India's exports stood at US$ 211.46 billion, with Engineering Goods (26.57%), Petroleum Products (16.51%) and electronic goods (7.39%) being the top three exported commodity. Rising employment and increasing private consumption, supported by rising consumer sentiment, will support GDP growth in the coming months.

Future capital spending of the government in the economy is expected to be supported by factors such as tax buoyancy, the streamlined tax system with low rates, a thorough assessment and rationalisation of the tariff structure, and the digitization of tax filing. In the medium run, increased capital spending on infrastructure and asset-building projects is set to increase growth multipliers. The contact-based services sector has demonstrated promise to boost growth by unleashing the pent-up demand. The sector's success is being captured by a number of HFIs (High-Frequency Indicators) that are performing well, indicating the beginnings of a comeback.

India has emerged as the fastest-growing major economy in the world and is expected to be one of the top three economic powers in the world over the next 10-15 years, backed by its robust democracy and strong partnerships.

India's appeal as a destination for investments has grown stronger and more sustainable because of the current period of global unpredictability and volatility, and the record amounts of money raised by India-focused funds in 2022 are evidence of investor faith in the "Invest in India" narrative.

Market size

Real GDP or GDP at Constant (2011-12) Prices for the period Q1 2024-25 is estimated at Rs. 43.64 lakh crore (US$ 524 billion), against the First Revised Estimates (FRE) of GDP for the year Q1 2023-24 of Rs. 40.91 lakh crore (US$ 491 million). The growth in real GDP during 2023-24 is estimated at 8.2% as compared to 7.0% in 2022-23. There are 113 unicorn startups in India, with a combined valuation of over US$ 350 billion. As many as 14 tech startups are expected to list in 2024 Fintech sector poised to generate the largest number of future unicorns in India. With India presently has the third-largest unicorn base in the world. The government is also focusing on renewable sources by achieving 40% of its energy from non-fossil sources by 2030. India is committed to achieving the country's ambition of Net Zero Emissions by 2070 through a five-pronged strategy, 'Panchamrit'. Moreover, India ranked 3rd in the renewable energy country attractive index.

According to the McKinsey Global Institute, India needs to boost its rate of employment growth and create 90 million non-farm jobs between 2023 to 2030 in order to increase productivity and economic growth. The net employment rate needs to grow by 1.5% per annum from 2023 to 2030 to achieve 8-8.5% GDP growth between same time periods. India's current account deficit (CAD) narrowed to 0.7% of GDP in FY24. The CAD stood at US$ 9.7 billion for the Q1 2024-25 from US$ 8.9 billion in Q1 2023-24 or 1.1% of GDP. This was largely due to decrease in merchandise trade deficit.

Exports fared remarkably well during the pandemic and aided recovery when all other growth engines were losing steam in terms of their contribution to GDP. Going forward, the contribution of merchandise exports may waver as several of India's trade partners witness an economic slowdown. According to Minister of Commerce and Industry, Consumer Affairs, Food and Public Distribution and Textiles Mr. Piyush Goyal, Indian exports are expected to reach US$ 1 trillion by 2030.

Recent Developments

India is primarily a domestic demand-driven economy, with consumption and investments contributing to 70% of the economic activity. With an improvement in the economic scenario and the Indian economy recovering from the Covid-19 pandemic shock, several investments and developments have been made across various sectors of the economy. According to World Bank, India must continue to prioritise lowering inequality while also putting growth-oriented policies into place to boost the economy. In view of this, there have been some developments that have taken place in the recent past. Some of them are mentioned below.

- According to HSBC Flash India PMI report, business activity surged in April to its highest level in about 14 years as well as sustained robust demand. The composite index reached 62.2, indicating continuous expansion since August 2021, alongside positive job growth and decreased input inflation, affirming India's status as the fastest-growing major economy.
- As of October 11, 2024, India's foreign exchange reserves stood at US$ 690.43 billion.
- In 1H 2024, India saw a total of US$ 31.5 billion in PE-VC investments.
- India secured 39th position out of 133 economies in the Global Innovation Index 2024. India rose from 81st position in 2015 to 39th position in 2024. India ranks 3rd position in the global number of scientific publications.
- In September 2024, the gross Goods and Services Tax (GST) stood at highest monthly revenue collection at Rs. 1.73 lakh crore (US$ 20.83 billion).
- Between April 2000–June 2024, cumulative FDI equity inflows to India stood at US$ 1,013.45 billion.
- In August 2024, the overall IIP (Index of Industrial Production) stood at 145.6. The Indices of Industrial Production for the mining, manufacturing and electricity sectors stood at 125.1, 147.1 and 219.3, respectively.
- According to data released by the Ministry of Statistics & Programme Implementation (MoSPI), India's Consumer Price Index (CPI) based retail inflation reached 5.49% (Provisional) for September 2024.
- Foreign Institutional Investors (FII) inflows between April-July (2023-24) were close to Rs. 80,500 crore (US$ 9.67 billion), while Domestic Institutional Investors (DII) sold Rs. 4,500 crore (US$ 540.56 million) in the same period. As per depository data, Foreign Portfolio Investors (FPIs) invested (US$ 13.89 billion) in India during January- (up to 15th July) 2024.
- The wheat procurement during Rabi Marketing Season (RMS) 2024-25 (till May) was estimated to be 266 lakh metric tonnes (LMT) and the rice procured in Kharif Marketing Season (KMS) 2024-25 was 400 LMT.

Government Initiatives

Over the years, the Indian government has introduced many initiatives to strengthen the nation's economy. The Indian government has been effective in developing policies and programmes that are not only beneficial for citizens to improve their financial stability but also for the overall growth of the economy. Over recent decades, India's rapid economic growth has led to a substantial increase in its demand for exports. Besides this, a number of the government's flagship programmes, including Make in India, Start-up India, Digital India, the Smart City Mission, and the Atal Mission for Rejuvenation and Urban Transformation, is aimed at creating immense opportunities in India. In this regard, some of the initiatives taken by the government to improve the economic condition of the country are mentioned below:

- In July 2024, the Ministry of Finance held the Union Budget and announced that for 2024-25, the total receipts other than borrowings and the total expenditure are estimated at Rs. 32.07 lakh crore (US$ 383.93 billion) and Rs. 48.21 lakh crore (US$ 577.16 billion), respectively.

- In February 2024, the Finance Ministry announced the total expenditure in Interim 2024-25 estimated at Rs. 47,65,768 crore (US$ 571.64 billion) of which total capital expenditure is Rs. 11,11,111 crore (US$ 133.27 billion).

- On January 22, 2024, Prime Minister Mr. Narendra Modi announced the 'Pradhan Mantri Suryodaya Yojana'. Under this scheme, 1 crore households will receive rooftop solar installations.

- On September 17, 2023, Prime Minister Mr. Narendra Modi launched the Central Sector Scheme PM-VISHWAKARMA in New Delhi. The new scheme aims to provide recognition and comprehensive support to traditional artisans & craftsmen who work with their hands and basic tools. This initiative is designed to enhance the quality, scale, and reach of their products, as well as to integrate them with MSME value chains.

- On August 6, 2023, Amrit Bharat Station Scheme was launched to transform and revitalize 1309 railway stations across the nation. This scheme envisages development of stations on a continuous basis with a long-term vision.

- To enhance India's manufacturing capabilities by increasing investment and production in the sector, the government of India has introduced the Production Linked Incentive Scheme (PLI) for Pharmaceuticals.

- Prime Minister's Development Initiative for North-East Region (PM-DevINE) was announced in the Union Budget 2022-23 with a financial outlay of Rs. 1,500 crore (US$ 182.35 million).

- Prime Minister Mr Narendra Modi has inaugurated a new food security scheme for providing free food grains to Antyodaya Ann Yojna (AAY) & Primary Household (PHH) beneficiaries, called Pradhan Mantri Garib Kalyan Ann Yojana (PMGKAY) from January 1, 2023.

- The Amrit Bharat Station scheme for Indian Railways envisages the development of stations on a continuous basis with a long-term vision, formulated on December 29, 2022, by the Ministry of Railways.

- On October 7, 2022, the Department for Promotion of Industry, and Internal Trade (DPIIT) launched Credit Guarantee Scheme for Start-ups (CGSS) aiming to provide credit guarantees up to a specified limit by start-ups, facilitated by Scheduled Commercial Banks, Non-Banking Financial Companies and Securities and Exchange Board of India (SEBI) registered Alternative Investment Funds (AIFs).

- Telecom Technology Development Fund (TTDF) Scheme was launched in October 2022 by the Universal Service Obligation Fund (USOF), a body under the Department of Telecommunications. The objective is to fund R&D in rural-specific communication technology applications and form synergies among academia, start-ups, research institutes, and the industry to build and develop the telecom ecosystem.

- Home & Cooperation Minister Mr. Amit Shah laid the foundation stone and performed Bhoomi Pujan of Tanot Mandir Complex Project under Border Tourism Development Programme in Jaisalmer in September 2022.
- In August 2022, Mr. Narendra Singh Tomar, Minister of Agriculture and Farmers Welfare inaugurated four new facilities at the Central Arid Zone Research Institute (CAZRI), which has been rendering excellent services for more than 60 years under the Indian Council of Agricultural Research (ICAR).

- In August 2022, a Special Food Processing Fund of Rs. 2,000 crore (US$ 242.72 million) was set up with National Bank for Agriculture and Rural Development (NABARD) to provide affordable credit for investments in setting up Mega Food Parks (MFP) as well as processing units in the MFPs.

- In July 2022, Deendayal Port Authority (DPA) announced plans to develop two Mega Cargo Handling Terminals on a Build-Operate-Transfer (BOT) basis under Public-Private Partnership (PPP) Mode at an estimated cost of Rs. 5,963 crore (US$ 747.64 million).

- In July 2022, the Union Cabinet chaired by Prime Minister Mr. Narendra Modi, approved the signing of the Memorandum of Understanding (MoU) between India & Maldives. This MoU will provide a platform to tap the benefits of information technology for court digitization and can be a potential growth area for IT companies and start-ups in both countries.

- India and Namibia entered a Memorandum of Understanding (MoU) on wildlife conservation and sustainable biodiversity utilization on July 20, 2022, for establishing the cheetah into the historical range in India.

- In July 2022, the Reserve Bank of India (RBI) approved international trade settlements in Indian rupees (Rs.) to promote the growth of global trade with emphasis on exports from India and to support the increasing interest of the global trading community.

- The Agnipath Scheme aims to develop a young and skilled armed force backed by an advanced warfare technology scheme by providing youth with an opportunity to serve Indian Army for a 4-year period. It is introduced by the Government of India on June 14, 2022.

- In June 2022, Prime Minister Mr. Narendra Modi inaugurated and laid the foundation stone of development projects worth Rs. 21,000 crore (US$ 2.63 billion) at Gujarat Gaurav Abhiyan at Vadodara.

- Mr. Rajnath Singh, Minister of Defence, launched 75 newly developed Artificial Intelligence (AI) products/technologies during the first-ever 'AI in Defence' (AIDef) symposium and exhibition organized by the Ministry of Defence in New Delhi on July 11, 2022.

- In June 2022, Prime Minister Mr. Narendra Modi laid the foundation stone of 1,406 projects worth more than Rs. 80,000 crore (US$ 10.01 billion) at the ground-breaking ceremony of the UP Investors Summit in Lucknow. The Projects encompass diverse sectors like Agriculture and Allied industries, IT and Electronics, MSME, Manufacturing, Renewable Energy, Pharma, Tourism, Defence & Aerospace, and Handloom & Textiles.

- The Indian Institute of Spices Research (IISR) under the Indian Council for Agricultural Research (ICAR) inked a Memorandum of Understanding (MoU) with Lysterra LLC, a Russia-based company for the commercialization of bio capsule, an encapsulation technology for bio-fertilization on June 30, 2022.

- As of April 2022, India signed 13 Free Trade Agreements (FTAs) with its trading partners including major trade agreements like the India-UAE Comprehensive Partnership Agreement (CEPA) and the India-Australia Economic Cooperation and Trade Agreement (IndAus ECTA).

- 'Mission Shakti' was applicable with effect from April 1, 2022, aimed at strengthening interventions for women's safety, security, and empowerment.

- The Union Budget of 2022-23 was presented on February 1, 2022, by the Minister for Finance & Corporate Affairs, Ms. Nirmala Sitharaman. The budget had four priorities PM GatiShakti, Inclusive Development, Productivity Enhancement and Investment, and Financing of Investments. In the Union Budget 2022-23, effective capital expenditure is expected to increase by 27% at Rs. 10.68 trillion (US$ 142.93 billion) to boost the economy. This will be 4.1% of the total Gross Domestic Production (GDP).

- Strengthening of Pharmaceutical Industry (SPI) was launched in March 2022 by the Ministry of Chemicals & Fertilisers to provide credit linked capital and interest subsidy for Technology Upgradation of MSME units in pharmaceutical sector, as well as support of up to Rs. 20 crore (US$ 2.4 million) each for common facilities including Research centre, testing labs and ETPs (Effluent Treatment Plant) in Pharma Clusters, to enhance the role of MSMEs.

- Under PM GatiShakti Master Plan, the National Highway Network will develop 25,000 km of new highways network, which will be worth Rs. 20,000 crore (US$ 2.67 billion). In 2022-23. Increased government expenditure is expected to attract private investments, with a production-linked incentive scheme providing excellent opportunities. Consistently proactive, graded, and measured policy support is anticipated to boost the Indian economy.

- In February 2022, The Ministry of Social Justice & Empowerment launched the Scheme for Economic Empowerment of Denotified/Nomadic/SemiNomadic tribal communities (DNTs) (SEED) to provide basic facilities like good quality coaching, and health insurance. livelihoods initiative at a community level and financial assistance for the construction of houses.

- In February 2022, Minister for Finance and Corporate Affairs Ms. Nirmala Sitharaman said that productivity linked incentive (PLI) schemes would be extended to 14 sectors to achieve the mission of Aatmanirbhar Bharat and create 60 lakh jobs with an additional production capacity of Rs. 30 trillion (US$ 401.49 billion) in the next five years.

- In the Union Budget of 2022-23, the government announced funding for the production-linked incentive (PLI) scheme for domestic solar cells and module manufacturing of Rs. 24,000 crore (US$ 3.21 billion).

- In the Union Budget of 2022-23, the government announced a production-linked incentive (PLI) scheme for Bulk Drugs which was an investment of Rs. 2,500 crore (US$ 334.60 million).

- In the Union Budget of 2022, Minister for Finance & Corporate Affairs Ms. Nirmala Sitharaman announced that a scheme for design-led manufacturing in 5G would be launched as part of the PLI scheme.

- In September 2021, Union Cabinet approved major reforms in the telecom sector, which are expected to boost employment, growth, competition, and consumer interests. Key reforms include rationalization of adjusted gross revenue, rationalization of bank guarantees (BGs), and encouragement of spectrum sharing.

- In the Union Budget of 2022-23, the government has allocated Rs. 44,720 crore (US$ 5.98 billion) to Bharat Sanchar Nigam Limited (BSNL) for capital investments in the 4G spectrum.

- Minister for Finance & Corporate Affairs Ms. Nirmala Sitharaman allocated Rs. 650 crore (US$ 86.69 million) for the Deep Ocean mission that seeks to explore vast marine living and non-living resources. Department of Space (DoS) has got Rs. 13,700 crore (US$ 1.83 billion) in 2022-23 for several key space missions like Gaganyaan, Chandrayaan-3, and Aditya L-1 (sun).

- In May 2021, the government approved the production-linked incentive (PLI) scheme for manufacturing advanced chemistry cell (ACC) batteries at an estimated outlay of Rs. 18,100 crore (US$ 2.44 billion); this move is expected to attract domestic and foreign investments worth Rs. 45,000 crore (US$ 6.07 billion).

- Minister for Finance & Corporate Affairs Ms. Nirmala Sitharaman announced in the Union Budget of 2022-23 that the Reserve Bank of India (RBI) would issue Digital Rupee using blockchain and other technologies.

- In the Union Budget of 2022-23, Railway got an investment of Rs. 2.38 trillion (US$ 31.88 billion) and over 400 new high-speed trains were announced. The concept of "One Station, One Product" was also introduced.

- To boost competitiveness, Budget 2022-23 has announced reforming the 16-year-old Special Economic Zone (SEZ) act.

- In June 2021, the RBI (Reserve Bank of India) announced that the investment limit for FPI (foreign portfolio investors) in the State Development Loans (SDLs) and government securities (G-secs) would persist unaffected at 2% and 6%, respectively, in FY22.

- In November 2020, the Government of India announced Rs. 2.65 trillion (US$ 36 billion) stimulus package to generate job opportunities and provide liquidity support to various sectors such as tourism, aviation, construction, and housing. Also, India's cabinet approved the production-linked incentives (PLI) scheme to provide ~Rs. 2 trillion (US$ 27 billion) over five years to create jobs and boost production in the country.

- Numerous foreign companies are setting up their facilities in India on account of various Government initiatives like Make in India and Digital India. Prime Minister of India Mr. Narendra Modi launched the Make in India initiative with an aim to boost the country's manufacturing sector and increase the purchasing power of the average Indian consumer, which would further drive demand and spur development, thus benefiting investors. The Government of India, under its Make in India initiative, is trying to boost the contribution made by the manufacturing sector with an aim to take it to 25% of the GDP from the current 17%. Besides, the government has also come up with the Digital India initiative, which focuses on three core components: the creation of digital infrastructure, delivering services digitally, and increasing digital literacy.

- On January 29, 2022, the National Asset Reconstruction Company Ltd (NARCL) will acquire bad loans worth up to Rs. 50,000 crore (US$ 6.69 billion) about 15 accounts by March 31, 2022. India Debt Resolution Co. Ltd (IDRCL) will control the resolution process. This will clean up India's financial system, help fuel liquidity, and boost the Indian economy.

- National Bank for Financing Infrastructure and Development (NaBFID) is a bank that will provide non-recourse infrastructure financing and is expected to support projects from the first quarter of FY23; it is expected to raise Rs. 4 trillion (US$ 53.58 billion) in the next three years.

- By November 1, 2021, India, and the United Kingdom hope to begin negotiations on a free trade agreement. The proposed FTA between these two countries is likely to unlock business opportunities and generate jobs. Both sides have renewed their commitment to boost trade in a manner that benefits all.

- In August 2021, Prime Minister Mr. Narendra Modi announced an initiative to start a national mission to reach the US$ 400 billion merchandise export target by FY22.

- In August 2021, Prime Minister Mr. Narendra Modi launched a digital payment solution, e-RUPI, a contactless and cashless instrument for digital payments.

- In April 2021, Dr. Ahmed Abdul Rahman AlBanna, Ambassador of the UAE to India and Founding Patron of IFIICC, stated that trilateral trade between India, the UAE and Israel is expected to reach US$ 110 billion by 2030.

- India is expected to attract investment of around US$ 100 billion in developing the oil and gas infrastructure during 2019-23.

- The Government of India is expected to increase public health spending to 2.5% of the GDP by 2025.

Road Ahead

In the second quarter of FY24, the growth momentum of the first quarter was sustained, and high-frequency indicators (HFIs) performed well in July and August of 2023. India's comparatively strong position in the external sector reflects the country's positive outlook for economic growth and rising employment rates. India ranked 5th in foreign direct investment inflows among the developed and developing nations listed for the first quarter of 2022.

India's economic story during the first half of the current financial year highlighted the unwavering support the government gave to its capital expenditure, which, in 2023-24, stood 37.4% higher than the same period last year. In the budget of 2024-25, capital expenditure took lead by steeply increasing the capital expenditure outlay by 17.1 % to Rs.11 lakh crore (US$ 133.51 billion) over Rs. 9.48 lakh crore (US$ 113.91 billion) in 2023-24. Stronger revenue generation because of improved tax compliance, increased profitability of the company, and increasing economic activity also contributed to rising capital spending levels.

Since India's resilient growth despite the global pandemic, India's exports climbed at the second-highest rate with a year-over-year (YoY) growth of 8.39% in merchandise exports and a 29.82% growth in service exports till April 2023. With a reduction in port congestion, supply networks are being restored. The CPI-C inflation reduction from June 2022 already reflects the impact. In September 2023 (Provisional), CPI-C inflation was 5.02%, down from 7.01% in June 2022. With a proactive set of administrative actions by the government, flexible monetary policy, and a softening of global commodity prices and supply-chain bottlenecks, inflationary pressures in India look to be on the decline overall.

GLOBAL MARKET OUTLOOK FOR SOLAR POWER

Introduction

In 2023, the world grid-connected 447 GW of new solar capacity, which, once again, dominated the newly added global power generation capacity. Solar PV accounted for 78% out of 576 GW of new renewable capacity added last year. Solar's share of new renewable capacity increased considerably, up 12 percentage points from the 66% contributed in 2022 and 22 percentage point more than the 56% in 2021. This new record confirms solar's role as an established and still rising leader of the global energy transition, installing over three times more capacity than all other renewable technologies combined.

Net renewable Power Generating Capacity 2022-23

The 447 GW of new solar capacity broke any previous record and far exceeded any solar analyst's expectations, marking an extraordinary 87% growth rate (see Fig. 2). This compares to 2022's addition of 239 GW and 46% year-on-year growth.

Annual Solar PV Installed Capacity

Solar's exceptional success over the last decade, driven by significant cost reductions, policy support and pressures from the energy crisis, is now driving the transition to a new clean energy economy. According to the International Energy Agency (IEA), clean energy added around 320 billion USD to the world economy in 2023, representing 10% of global GDP growth and corresponding to the GDP of a country like the Czech Republic.1 Looking at the clean energy manufacturing sector in particular, supportive frameworks and policies across different regions have enabled significant investment growth. In 2023, 200 billion USD was invested in the clean energy manufacturing sector globally, 40% of which (80 billion USD) went to solar PV manufacturing, and over 90% of this was invested in China. Also the Inflation Reduction Act (IRA) in the US, the Green Deal's Fit for 55 package and the Net Zero Industry Act (NZIA) in the EU, or the Production Linked Incentive (PLI) in India have enabled investment growth, or will do so when implemented.2 The strong investment activity in the clean tech sector can be understood in the context of the recovery from the COVID-19 pandemic, and the responses to the global energy crisis – immediately and regarding longterm geostrategic considerations – which provided a major boost to global investments in renewables, EVs, and batteries. Out of an estimated 3 trillion USD invested in the energy sector in 2023, 63%, or 1.9 trillion USD, went to clean energy investments, according to the IEA.3 Specifically the power sector shows an increasing trend towards renewable power investments, led by the solar sector. In 2023, investments in solar PV have surpassed all other generation technologies combined, according to the IEA (see Fig 9). However, this level of investment needs to increase considerably to align with a 1.5°C trajectory. Annual investments in renewable power generation must reach 1.3 trillion USD by 2030, according to the Global Renewable Alliance (GRA), the International Renewable Energy Agency (IRENA), and COP28.

Global Annual Investment in Solar PV and Other Generation Technologies 2021-2024

The surge in installed solar capacity can be attributed to several key factors. Firstly, a significant increase in global PV manufacturing capacities greatly improved the availability of Solar PV Modules following the supply chain issues experienced during the pandemic. This capacity expansion resulted in overcapacities and severe price drops for system components over the course of 2023, with modules' values falling by around 50%.

In addition, the effects of the 2022 global energy crisis continued to stimulate demand across various regions. Governments, individuals, and businesses turned to solar power as a reliable and cost-effective solution to high energy prices, while accelerated electrification of the heat and transport sectors also gained much more attention. Many orders from 2021 and 2022 were finally installed in 2023, thanks to the increased availability of products and installers at more affordable prices.

While the scale of 2023's growth was unprecedented, it needs to be highlighted that most of this global market expansion was driven by and in China. The world's largest solar product supplier and market for years, China broke any previous record by adding an incredible 253 GW of new solar PV capacity in 2023, marking a 167% year-on-year growth rate.

Meanwhile, the rest of the world installed 'only' 194 GW of new solar PV, reflecting a 35% increase from the 144 GW deployed in 2022. In other words, without China's strong solar investments in deployment, the solar sector's growth would have been much more modest.

Eight of the top 10 largest solar markets experienced growth in 2023, with only India and Japan experiencing a downturn in their market. The United States got back on track after a turbulent solar business year in 2022 and recorded a 48% growth rate in 2023, with 32.4 GW of solar PV grid-connected. Germany installed 15 GW in 2023, marking a new record for any European country. The previous record was held by Italy with 9.3 GW installed long back in 2011, during the first boom phase of the European solar story. Comprised together, the top 10 markets represented 80% of the global solar PV market in 2023.

We anticipate substantial demand growth for solar PV power in the coming years, driven by further cost improvements, product availability, and the numerous benefits the technology provides. Climate emergency will continue to capture governments' attention, while energy security will remain a compelling argument to invest in solar power in a quickly de-fragmenting world order.

For 2024, our Medium Scenario forecasts a global growth rate of 22% to a market size of 544 GW, approximately 100 GW more than in 2023 (see Fig. 4). As we've seen in recent years, current global market forecasting will depend largely on getting China's solar deployment right due to its outstanding position in the global PV landscape. With analysts severely under-estimating China's market expansion in the past, and several reasons speaking for further growth, we estimate deployments of 299 GW, a year-on-year uptick of 18%. Modelling variations depending on policy and economic developments, our more optimistic High Scenario projects 45% annual growth to 647 GW, while our Low Scenario anticipates only 3% growth to 461 GW in 2024. In the mid-run, annual global market installations reache 614 GW in 2025 under the Medium Scenario, a 13% increase from 544 GW in 2024, followed by a 12% increase to 687 GW in 2026, 12% to 773 GW in 2027, and 13% to 876 GW in 2028.

World Annual Solar PV Market Scenarios 2024-28

After surpassing the 1.6 TW level in 2023, the global solar power fleet is on track to exceed 2 TW by 2024. Our Medium Scenario estimates 2.2 TW in 2024, 2.8 TW in 2025, 3.5 TW in 2026, 4.2 TW in 2027, and 5.1 TW in 2028 – a forecast that is significantly higher than last year's Medium Scenario.

INDIAN MARKET OUTLOOK FOR SOLAR POWER

Introduction

India's energy demand is expected to increase more than that of any other country in the coming decades due to its sheer size and enormous potential for growth and development. Therefore, most of this new energy demand must be met by low-carbon, renewable sources. India's announcement India that it intends to achieve net zero carbon emissions by 2070 and to meet 50% of its electricity needs from renewable sources by 2030 marks a historic point in the global effort to combat climate change.

India was ranked fourth in wind power capacity and solar power capacity, and fourth in renewable energy installed capacity, as of 2023. Installed renewable power generation capacity has increased at a fast pace over the past few years, posting a CAGR of 15.4% between FY16 and FY23. India has 125.15 GW of renewable energy capacity in FY23. India is the market with the fastest growth in renewable electricity, and by 2026, new capacity additions are expected to double.

With the increased support of the Government and improved economics, the sector has become attractive from an investor's perspective. As India looks to meet its energy demand on its own, which is expected to reach 15,820 TWh by 2040, renewable energy is set to play an important role.

Market Size

As of March 2024, Renewable energy sources, including biomass, waste to power and waste to energy, have a combined installed capacity of 143.64 GW.

As of February 2024, 42.25% of the total power installed capacity is from non-fossil-based sources.

India's installed renewable energy capacity is expected to increase to about 170 GW by March 2025 from the level of 135 GW as of December 2023, according to research agency ICRA.

The country is targeting about 450 Gigawatt (GW) of installed renewable energy capacity by 2030 – about 280 GW (over 60%) is expected from solar.

The non-hydro renewable energy capacity addition stood at 4.2 GW for the first three months of FY23 against 2.6 GW for the first three months of FY22. According to research by the Council on Energy, Environment and Water's Centre for Energy Finance (CEEW-CEF), India's total installed power generation capacity reached 416 GW in FY23, of which 125 GW (30%) came from renewable energy (RE) and 47 GW (11%) comes from hydro.

The electricity generation target (Including RE) for the year 2023-24 has been fixed as 1750 Billion Units (BU). i.e. growth of around 7.2% over the actual generation of 1624.158 BU for the previous year (2022-23). The generation during 2022-23 was 1624.158 BU as compared to 1491.859 BU generated during 2021-22, representing a growth of about 8.87%.

The installed solar energy capacity has increased by 26 times in the last 9 years and stands at 73.32 GW as of December 2023. In 2023, India has added 7.5 GW of solar power capacity.

During January 2024, the capacity addition from solar energy stood at 9008.47 MW.

Solar power accounted for 16.9% of the total installed power capacity and 40.1% of the total installed renewable capacity at the end of December 2023. Solar power's share increased by 0.3% from the last quarter, when it accounted for 39.5% of the total renewable capacity.

India has hydroelectric power projects with a total capacity of 15 GW under construction, which will increase the country's total hydro capacity from 42 GW to 67 GW by 2031-32, supported by IMD's prediction of higher rainfall and the government's proactive stance towards accelerated hydropower development.

India has generated 75.57 BU of solar power in the first eleven months of FY24.

Power generation from renewable energy sources (not including hydro) stood at 22.41 billion units (BU) in January 2024, down from 25.79 BU in January 2023.

India added a record 18.48 GW of renewable energy capacity in 2023-24, a 21% increase over the previous year.

Power generation from renewable energy sources stood at 309.66 billion units (BU) between April-January 2024, down from 316.75 BU in the same period in the previous year.

With a potential capacity of 363 GW and with policies focused on the renewable energy sector, Northern India is expected to become the hub for renewable energy in India.

Generation capacity has increased at a healthy pace

- The International Energy Agency's World Energy Outlook projects a growth of renewable energy supply to 4,550 GW in 2040 on a global basis.
- Installed renewable power generation capacity has increased at a fast pace over the past few years, posting a CAGR of 15.32% between FY16 and FY24. India has 143.6 GW of renewable energy capacity in FY24.
- As of April 2024, 43.28% of the total power installed capacity is from non-fossil-based sources, which fulfils the target of 40% by the end of 2022.
- The country plans to reach 450 GW of installed renewable energy capacity by 2030, with 280 GW (over 60%) expected from solar power. This ambitious target will also provide investment opportunities worth US$ 221 billion by 2030.
- Ministry of New and Renewable Energy targets 500 GW non-fossil-based electricity generation by 2030, as per the Prime Minister's COP26 announcement, with an added installation of 13.5 GW renewable energy capacity in 2023, corresponding to an investment of around Rs. 74,000 crores (US$ 8.90 billion).
- Power generation from renewable energy sources (not including hydro) stood at 26.73 billion units (BU) in April 2024, up from 25.40 BU in April 2024.
- Power generation from renewable energy sources stood at 359.88 billion units (BU) between April-March 2024, down from 365.65 BU in the same period in the previous year.

- The country ranks fourth worldwide in terms of the total installed wind power capacity.
- The electricity generation target (Including RE) for the year 2023-24 has been fixed as 1,750 Billion Units (BU). i.e. growth of around 7.2% over the actual generation of 1,624.158 BU for the previous year (2022-23). The generation during 2022-23 was 1,624.158 BU as compared to 1,491.859 BU generated during 2021-22, representing a growth of about 8.87%
- Off-grid renewable power capacity has also increased.
- As of April 2024, India has installed 81.81 GW of solar power capacity, comprising ground-mounted, rooftop, hybrid, and off-grid systems, with significant growth since 2019-20. Private sector investment drives solar projects, supported by schemes for solar park development.

- According to Moody's, India will require US$ 190 billion-US$ 215 billion of investment over the next seven years to achieve the target of 500 GW of renewable energy capacity by 2030, and another US$ 150 billion-US$ 170 billion for electricity transmission, distribution, and energy storage.

Solar power generation growth likely to outweigh other sources

- Due to its favourable location in the solar belt (400 S to 400 N), India is one of the best recipients of solar energy with abundant availability.
- The installed solar energy capacity has increased by 26 times in the last 9 years and stands at 73.32 GW as of December 2023.
- India added a record 10 GW of solar capacity in Q1 2024, a nearly 400% year-over-year increase, driven by the commissioning of delayed projects as module prices fell and the ALMM order was suspended, as well as improved grid connectivity to projects previously stalled.
- Solar power accounted for 16.9% of the total installed power capacity and 40.1% of the total installed renewable capacity at the end of December 2023. Solar power's share increased by 0.3% from the last quarter when it accounted for 39.5% of the total renewable capacity.
- India added a record 18.48 GW of renewable energy capacity in 2023- 24, a 21% increase over the previous year, but industry experts say at least 50 GW of annual additions are needed to meet the 500 GW target by 2030. ▪ As of January 2, 2024, the Government of India is implementing the Production Linked Incentive (PLI) Scheme for the National Programme on High Efficiency Solar PV Modules, aimed at achieving gigawattscale manufacturing capacity. Under Tranche-II, with a budget allocation of Rs 19,500 crore (US$ 2.35 billion), Letters of Award were issued in April 2023 for the establishment of 39,600 MW of fully or partially integrated solar PV module manufacturing units.
- The world's largest floating 600 MW solar energy project will be constructed at the Omkareshwar Dam in the Khandwa district of Madhya Pradesh at the estimated cost of Rs. 3,000 crore (US$ 3.84 billion).

Huge untapped potential

- India is estimated to have renewable energy potential of 900 GW from commercially exploitable sources - Solar energy: 750 GW; Wind power1 : 102 GW; Bio-energy: 25 GW; and Small Hydro: 20 GW.
- The country plans to reach 450 GW of installed renewable energy capacity by 2030, with 280 GW (over 60%) expected from solar power.
- India had a fully renewable energy capacity of 132.69 GW, including 72.31 GW of solar power and 44.56 of wind power, as of November 30, 2023.
- In India, there is an estimated potential of about 8,000 MW of tidal energy.
- According to Moody's, India will require US$ 190 billion-US$ 215 billion of investment over the next seven years to achieve the target of 500 GW of renewable energy capacity by 2030, and another US$ 150 billion-US$ 170 billion for electricity transmission, distribution, and energy storage.
- Around 15,000 MW of wind-solar hybrid capacity is expected to be added between 2020-25.
- According to a new report by GWEC and MEC Intelligence (MEC+), between 2021 and 2025, India is expected to install ~20.2 GW of wind power capacity, an increase of ~50% compared with the 39.2 GW wind power capacity installed in the country in 2020-21.

Rising Power Demand

- India's ambitious renewable energy goals are transforming its power sector. The rising population and widespread electrification in rural homes are fuelling the demand for energy to power homes, businesses and communities.
- The Central Electricity Authority estimates India's power requirement to grow to reach 817 GW by 2030.
- India's power consumption rose by 8.4% to 139 billion units in July 2023.
- The peak power demand in the country stood at 243.27 GW on November 30, 2023.
- India's electricity consumption grew nearly 80% to about 847 billion units (BU) in the first half of this fiscal year from April to September, showing an uptick in economic activities in the country.
- India has an electricity-GDP elasticity ratio of 0.8. Thus, 7% growth in energy supply will be required if India is to grow at 8%. This shows that electricity will continue to remain a key input in India's GDP growth.
- On May 30, India reached a historic peak power demand of 250 GW, driven by weather-related loads and increased industrial and residential consumption, with non-solar hours demand hitting a record 234.3 GW the previous day, aided by thermal generation and supported by renewable energy sources.

India's Solar Power Revolution

India is leading the renewable energy revolution, with a strategic emphasis on solar power to meet its growing electricity needs. The 14th National Electricity Plan (NEP14), introduced in May 2023, aims to double the country's electricity generation capacity by 2032, with solar energy poised to play a pivotal role. This blog provides an insightful overview of India's energy landscape, highlighting the significant growth of the solar sector, underscored by government initiatives and the potential for future development. It outlines solar energy's environmental and economic benefits, the government's strategies to boost solar adoption, and the anticipated impact on the global clean energy market.

India's coal-to-clean energy transition led by solar

India has undergone a notable transformation in its power landscape since 2017, when solar energy constituted merely 1% of its power mix. Envisaging a substantial departure from the coal-dominated trajectory of the past decade, the NEP14 outlines ambitious targets for India. If successfully realised, the plan anticipates a surge in solar power's share from 5% to 25% between 2022 and 2032, marking a pivotal period of expansion. India plans to more than double its electricity generation capacity from 399.5 GW in 2022 to approximately 849 GW by 2032. The NEP14 emphasizes a robust focus on renewable energy, particularly solar power, which is projected to grow from 66.78 GW in 2023 to 366 GW by 2032, constituting half of the total growth. India's solar capacity is expected to increase at a CAGR of 22.7% through 2023–27 to achieve its initial target of installed capacity of 185.6 GW until 2027, which is further expected to increase to 364.6 GW by 2032, as per NEP14.

The below shows a big shift to cleaner energy, with solar capacity jumping 24 times in the last nine years, hitting 66.7 GW in May 2023, thus contributing 16% to the overall installed capacity. The government has set a target to elevate this share to 43% of the total installed capacity, as illustrated in the graph above. This is the opposite of what has been seen in the past decade. Until 2022, coal was driving India's power growth. Total power generation, including imports, shot up by 564 TWh between FY2012 and FY2022 (928 TWh to 1,492 TWh). Notably, 83% of this growth (467 TWh) came from more coal power.

Multi-faceted benefits of solar energy

Solar energy offers varied benefits, making it an important player in the pursuit of sustainable and efficient power sources.

- **Clean and green energy:** Unlike traditional energy sources that contribute to environmental pollution, solar energy is clean and green. It generates electricity without emitting harmful pollutants, safeguarding the environment.

- **Independence from other energy sources:** The advent of solar energy has alleviated the burden on traditional energy sources. Its increasing use has reduced pressure on other forms of energy, promoting a more sustainable and balanced energy ecosystem.

- **Low maintenance:** Solar power systems require minimal maintenance. Occasional cleaning, typically twice a year, and replacing inverters every 5–10 years are the primary upkeep requirements. This translates to low maintenance costs in addition to the initial investment.

- **Enhanced safety:** Solar power is inherently safer than conventional energy sources, both in terms of usage and maintenance. The lower risk associated with solar power contributes to a secure and reliable energy solution.

- **Electricity bill reduction:** Harnessing solar energy for electricity needs significantly reduces electricity bills. The extent of savings depends on individual energy requirements, relieving consumers from escalating electricity costs.

- **Versatile applications:** Solar energy finds application in diverse sectors. It can generate electricity and heat through solar thermal technology, provide power to off-grid areas, support industrial processes, ensure clean water supply, and even serve household needs.

- **Technological advancements:** The widespread adoption of solar energy has driven technological innovation and industrial growth. Ongoing advancements in solar technology are expected to propel industrial development further, promising a bright future for this sustainable energy source.

The utilisation of Solar PV Modules not only facilitates electricity savings but also contributes to environmental preservation and technological progress, marking a significant shift towards a sustainable energy future.

Government initiatives to navigate the challenging landscape

The expansion of solar power in India necessitates considerable growth in domestic Solar PV Module manufacturing and the production of upstream raw materials, currently reliant on imports from Europe or China. To address this issue, the government has launched schemes such as the Production Linked Incentive (PLI) and the Scheme for Promotion of Manufacturing of Electronics Components and Semiconductors (SPECS) to stimulate local manufacturing. Additionally, India's grid infrastructure needs an overhaul to handle the variable nature of renewable energy. To this end, the government has announced a US$ 35 billion (Rs. 2.8 lakh crores) package to enhance the inter-state transmission network for renewable energy evacuation. Financing is as another critical determinant of NEP14's success. In order to tackle this, the Reserve Bank of India (RBI) has prioritised financing for the renewable energy sector by including it in the priority lending sector.

The government is actively promoting the transition to solar power as a key strategy for addressing environmental concerns and meeting the country's growing energy needs. This proactive approach reflects India's dedication to reducing its carbon footprint and embracing cleaner, more environmentally friendly alternatives to conventional energy sources. Some of the initiatives are mentioned below:

- **Foreign Direct Investment:** The government has allowed foreign direct investment of up to 100% under the automatic route.

- **Production Linked Incentive (PLI) Scheme:** The primary objective of the scheme is to boost domestic module manufacturing and reduce dependence on imports. With a substantial outlay of US$ 2.9 billion (Rs. 240 billion), the scheme aims to achieve GW-scale manufacturing capacity in high-efficiency solar photovoltaic (PV) modules.

An integrated capacity of 8,737 MW has been added under the PLI (Tranche I). The Indian government has approved a substantial expansion in domestic solar PV module manufacturing, allocating a capacity of 39,600 MW across 11 companies under the PLI Scheme for High-Efficiency Solar PV Modules (Tranche II). With an investment of US$ 1,686.2 million (Rs. 14,007 crores), this initiative is set to unfold in phases: 7,400 MW by October 2024, 16,800 MW by April 2025 and the final 15,400 MW by April 2026. This move, expected to attract US$ 11,200.3 million (Rs. 93,041 crores) in investment, would significantly boost the sector, creating over 101,487 jobs, including 35,010 direct and 66,477 indirect roles, and marking a pivotal step towards India's sustainable energy future.

- **Proposed solar cities and parks:** In this scheme, the government has authorized 50 solar parks across 12 states, aiming for a total capacity of 37,990 MW. To date, 11 solar parks with a capacity of 8,521 MW have been fully completed, while 7 parks are partially completed, adding 3,985 MW to the total. Within these parks, solar projects amounting to 10,237 MW have been successfully developed.

- **Waiver of Inter-State Transmission System (ISTS):** The Ministry of Power has issued a waiver of ISTS charges for inter-state sale of wind and solar power for projects to be commissioned by 30th June 2025.

- **Setting up of Project Development Cell for attracting and facilitating investments.**

- **Providing standard bidding guidelines** for the tariff-based competitive bidding process for procurement of power from grid-connected solar PV and wind projects.

- **Launch of Green Term Ahead Market (GTAM):** This market was launched to facilitate the sale of renewable energy power, including solar power, through exchanges.

- **PM-KUSUM Scheme:** The scheme aims to add 30.8 GW of solar power by March 2026, focusing on the agricultural sector. This includes establishing decentralised solar plants, converting diesel pumps to solar-powered ones and solarising grid-connected agriculture pumps. The initiative mandates using locally produced solar PV Modules, cells, motor pump sets, controllers and related systems.

- **Pradhan Mantri Suryodaya Yojana:** Launched in January 2024, the scheme will provide rooftop solar installations to 10 million households.

India's bold vision for solar energy leadership

India possesses a significant solar energy potential, with an annual incidence of approximately 5,000 trillion kWh across its landmass, where most regions receive 4–7 kWh per square meter daily. Recognising this, the National Institute of Solar Energy has evaluated the country's solar potential of about 748 GW, assuming 3% of the wasteland area will be covered by solar PV modules.

During its G20 presidency, India unveiled the 'Roadmap of Solar Energy for Universal Energy Access', highlighting solar energy's critical role in ensuring widespread access to electricity and driving socio-economic progress. The Interim Union Budget for 2024–25 further underscores this commitment by considerably increasing funding for green infrastructure. Specifically, the budget for the central sector scheme on grid-connected solar power has seen a substantial increase to US$ 1,204 million (Rs. 10,000 crores) in 2024–25, up from the revised estimate of US$ 572.6 million (Rs. 4,757 crores) in 2023–24, demonstrating the government's strong support for solar energy development.

The Indian government has ambitious goals for 2030, targeting 500 GW of non-fossil-fuel-based capacity, which includes 280 GW of solar and 140 GW of wind power. To achieve these targets, the government plans to auction approximately 50 GW of renewable energy capacity annually over the next five years, with central renewable energy agencies such as Solar Energy Corporation of India Limited (SECI), National Hydroelectric Power Corporation (NHPC), and Satluj Jal Vidyut Nigam Limited (SJVN) playing key roles in this initiative. The solar energy sector is expected to be a key driver of this green transition, supported by favourable policies, robust manufacturing capabilities and a skilled workforce. India aims to position itself as a global leader in clean technology manufacturing, with projected investments of US$ 350–400 billion annually by 2030, as reported by KPMG, highlighting significant investment opportunities for global investors in the Indian solar energy market.

In pursuit of its 2030 objectives, India is not only focused on expanding its solar energy capacity but also on ensuring that 50% of its total energy needs are met through renewable sources. This ambitious strategy aligns with global climate objectives and establishes India as a key player in the global effort to combat climate change. The growth of the solar power sector in India is seen not just as a pathway to energy security but also as a driver of economic growth and job creation, with the potential to generate 5–6 million jobs by 2030 and possibly 9–10 million by 2047, thereby boosting the national economy.

Road ahead for a sustainable future

India is all set for transformative and multi-dimensional growth of clean and renewable energy sources which is being developed supportively by the government initiatives, technological developments, and investments. NEP envisages an immense growth in generation of electricity from renewables by 2032 and solar energy is supposed to contribute to 50% of it. In turn the wind power is going to play a crucial role, having 16% contribution to the elevation. Policy instruments like PLI scheme for solar PVs with the investment of US$ 2.9 billion (Rs. 24,000 crore) signals India is taking aggressive steps towards a shift to the green economy. In the country's journey to its ambitious target of reaching net neutrality by 2070, a financial investment of US$ 2-2.5 trillion (Rs. 150- 208 lakh crore) per year is estimated. It is a big challenge, but we believe that the promising energy sector in India will attract significant international financial inflow to drive the investments. This building momentum, therefore, reflects India's commitment to clean and affordable power in the future.

India's Energy Evolution: A Shift Towards Renewables

As of March 2024, the thermal power generation capacity accounted for 56% of Installed electricity generation capacity in India, while renewable energy sources (RES) and hydroelectric power accounted for 32% and 11%, respectively. The contribution of nuclear power to the total installed capacity was only 2%.

The proportion of thermal-based generation capacity in the overall installed capacity has seen a decrease from 63.3% in 2008-09 to 56% in 2023-24. Simultaneously, the share of hydro-based generation capacity also diminished from 25% to 11%, while the capacity from renewables experienced a significant rise from 8.9% to 32%. From 2009 to 2023, CAGR of the total installed electricity generation capacity was approximately 7.7% in contrast to 17.4% for RES and 5.7% for all other sources.

Source: NEP 14, Annual Energy Statistics 2024, National Power Portal
**Data until March 2024*

Energy sector in India is going through profound transformation, where it is progressively shifting away from fossil fuels and welcoming renewable energy sources. In 2022-23, the utility's installed capacity of RES (excluding hydro) grew by 12.20% while that of thermal sources grew by 0.49%. This trend demonstrates that India is changing its energy patterns with renewables accumulating more weight across the nation's electricity system.

Within renewables, Solar accounts for the biggest share in the pie at 53.4% followed by wind power (being 34.1%), bio-power and waste to energy (adding up to 8.2%), and small hydro projects (being 3.9%).

Net Zero by 2070

Renewable Energy Initiatives: India's Commitment to Clean and Affordable Power

India's is witnessing a significant increase in its energy consumption, evident by 2x growth in its energy consumption over the last two decades. Further, the energy consumption in India is expected to grow by another 25% by 2030, as per a report from Ministry of New and renewable energy. The report further states that major sectors in India are still dependant on imported fossil fuels. To attain net zero carbon emissions by 2070, the government has taken necessary steps and recognized the negative impact of fossil fuels on the environment. To achieve this goal government is taking several steps to accelerate the adoption of renewable energy sources. In this blog, we discuss and evaluate the key initiatives being taken by the Indian government.

Renewable energy – Key sources

As of March 2024, the thermal power generation capacity accounted for 56% of Installed electricity generation capacity in India, while renewable energy sources (RES) and hydroelectric power accounted for 32% and 11%, respectively. Nuclear power accounted for just 2% of the total installed capacity. Key renewable energy sources are mentioned below:

India's short-term and long-term targets to become an environmentally sustainable nation

- To reach a non-fossil fuel energy capacity of 500 GW
- Reduce carbon dioxide (CO_2) emissions by 1 billion tonnes
- Reduction in carbon intensity to below 45%

India's long-term target is to achieve net-zero carbon emissions by 2070.

Within renewables, Solar accounts for the biggest share in the pie at 53.4% followed by wind power (being 34.1%), bio-power and waste to energy (adding up to 8.2%), and small hydro projects (being 3.9%). There has been an increase for solar power adoption in the country. Key stats of solar power evolution in India are:

- India ranks fifth in terms of solar power capacity in comparison with other countries
- India's solar capacity rose from 1.60 GW in 2013 to 63.15 GW in 2022
- By 2023, government sanctioned 51 solar parks with a total capacity of 37.74 GW

Parting Thoughts

India has the fourth largest Installed capacity of renewable energy globally and received over $14,858 Mn in Foreign Direct Investments (FDI) between April 2000-June 2023.

In Union Budget 2023-24, INR 7,327 Cr was allocated for the solar power sector, including grid, off-grid and PM-KUSUM projects, a 48% increase over the previous year.

India's solar power sector is a sunshine opportunity waiting to be tapped with estimated potential of 7,48,990 MW. From job creation to fostering innovation and more, the solar power market is key to India's economic development & energy transition.

As Hon'ble Prime Minister Narendra Modi said in 2020, "Solar energy is going to be a major medium of energy needs not only today but in the 21st century. Because solar energy is sure, pure and secure."

The journey is not just towards sustainable energy but towards a vibrant and resilient economy illuminated by the sun's rays.

COMPANY OVERVIEW

Our Company was originally incorporated as a Private Limited Company in the name of "***Himalayan Solar Private Limited***" on September 08, 2015 under the provisions of Companies Act, 2013 bearing Corporate Identification Number U40300HR2015PTC056609 issued by Registrar of Companies- Haryana. Subsequently, our company was converted into Public Limited Company under the Companies Act, 2013 and the name of our Company was changed to "***Himalayan Solar Limited***" vide a fresh Certificate of Incorporation consequent upon conversion from Private Company to Public Company date 22th November,2024 bearing Corporate Identification Number U40100HR2015PLC056609 issued by Registrar of Companies – Haryana For further details of change in name and registered office of our company, please refer to section titled "***Our History and Certain Corporate Matters***" beginning on page no 192 of the Red Herring Prospectus.

BUSINESS OVERVIEW

Our company, specializes in providing integrated turnkey solar energy solutions offering services including design, manufacturing, supply, installation, and commissioning of wide range of solar products, with a primary focus on Solar Water Pumping Systems. Additionally, we provide solar energy solutions for Solar Inverter Charge Systems and Solar Rooftop Power Systems. As on March 31, 2026, we have a qualitative experience in implementation of more than 85000 HP capacity of Solar Water Pumping Systems as part of Government Projects in India.. We cater to various projects across India and are proudly empanelled as an esteemed Solar Partner with several State Government Departments including:

- New & Renewable Energy Department, HAREDA, Govt. of Haryana
- Department of Horticulture, RHDS, Govt. of Rajasthan
- Punjab Energy Development Agency, PEDA, Govt. of Punjab
- Madhya Pradesh Urja Vikas Nigam, MPUVN, Govt. of Madhya Pradesh
- Maharashtra State Electricity Distribution Company Ltd, MSEDCL, Govt. of Maharashtra
- Maharashtra Energy Development Agency, MEDA, Govt. of Maharashtra
- Rajasthan Electronics Instruments Limited, REIL, a Mini Ratna PSU jointly owned by the Govt. of Rajasthan and Govt. of India

Our company has been awarded with ISO 9001:2015 for Quality Management System in the design, manufacturing, and supply of Solar PV Modules/Panels, Solar Pump Controllers, Solar Charge Controllers, and Solar Water Pumping Systems. Additionally, it covers the assembly, supply, installation, and commissioning of Solar Home Lighting Systems, Solar Home Systems, Solar PV Grid-Connected/Hybrid/Off-Grid Rooftop Power Plants, Ground-Mounted Solar Photovoltaic Power Plants, Solar Power Packs/Inverter Chargers, and Solar Street Lights.

Our Company is driven by a visionary leadership team. Promoter Mr. Manjeet Singh, a first-generation technopreneur with around 10 years of experience in electrical and solar manufacturing, leads strategic growth and daily operations. Whole Time Director Mr. Mehtab Singh, a former Indian Naval officer, oversees operations and government solar projects across India. They are supported by an experienced senior management team whose expertise ensures strong execution, sustained growth, and market expansion.

Our journey so far:

Our company commenced its journey by establishing a manufacturing facility in Plot No. 237, HSIIDC Industrial Estate, Alipur, Barwala, Panchkula, Haryana, in the year 2017 focusing on the production and assembly of Polycrystalline Photovoltaic (PV) Modules with annual manufacturing capacity of 40 MW (i.e. production of approx. 1,19,000 nos. of Polycrystalline Photovoltaic Solar PV Modules). The facility is operated successfully until August 2024. However, a revision in the guidelines by the Ministry of New and Renewable Energy (MNRE) altered the course of operations. According to MNRE Office Memorandum dated May 10, 2023, the minimum module efficiency criteria were revised for Solar PV Modules to be eligible for government tenders and hence preferring Monocrystalline (Mono-PERC) Solar PV Modules over Polycrystalline modules to meet the higher efficiency requirements.

As the existing production lines for Polycrystalline Modules could not meet the newly prescribed efficiency benchmarks for future Government projects, the company temporarily halted its manufacturing operations at the Panchkula facility starting from August 2024.

Post the halt in manufacturing of Polycrystalline Solar PV Modules, Himalayan Solar started the process of upgrading the Production Machines to manufacture the latest technology of Mono PERC & TOPCon Bifacial Solar PV Modules. To support this transition, our company has procured advanced machinery and equipment with an annual manufacturing capacity of 60 MW (i.e. production of approx. 1,07,500 nos. of Mono PERC Solar PV Modules). The said 60MW Mono PERC Solar PV Modules facility is operational from March 2026. In line with this strategic shift, the manufacturing unit has been relocated from Panchkula to Karnal at the address: Plot No. 3 & 4, Khasra No. 249, Khewat No. 980 & 977, Near Aryakulam International School, Assandh–Kohand Road, Munak, Karnal, Haryana – 132040.

This 60 MW production line is designed for the manufacturing of advanced Mono-PERC 16BB Solar PV Modules. Through the proceeds of the IPO, we intend to further expand and upgrade this facility to 160 MW by acquiring additional machinery with an esteemed capacity of 100 MW (i.e. production of approx. 1,80,000 nos. of Mono PERC & TopCon Bifacial Solar PV Modules) with at Karnal facility, featuring higher technical capabilities, including manufacturing up to 20 Busbar Solar PV Modules expandable up to 25 Busbar with the latest Glass-to-Glass (G2G) technology, fully automatic bussing, auto glass loading, and auto framing systems with an estimated cost of 1,298.34 lakhs.

OUR BUSINESS VERTICALS

- **Turnkey Solar Energy Solutions for Solar Projects**

  Our EPC Contract offers comprehensive turnkey solar energy solutions which includes design, manufacturing, supply, installation & commissioning services of wide range of solar products mainly in Solar Water Pumping Systems which cover the entire project lifecycle from initial design and engineering to procurement of materials and final construction and commissioning. With dedicated in-house teams, we deliver customized engineering solutions focused on building high-quality solar power products while optimizing the life cycle cost of electricity. Our supply chain team ensures seamless procurement and delivery of the complete project, including essential components like Solar PV Modules, pumps, controllers, inverters, transformers, module mounting structures and remote monitoring systems required for turnkey solar product installations. To maintain high standards, we follow a robust quality management system involving strict testing, quality assurance procedures, and continuous improvement. Additionally, we have a structured vendor evaluation process to identify, qualify, and assess suppliers based on their ability to consistently deliver quality products. In addition to Solar Water Pumping System, we also provide design, manufacturing, supply, installation and commissioning of Solar Rooftop and Solar Inverter Charger System.

- **Design, manufacturing, supply, installation & commissioning of Solar Water Pumping System**

  Solar water pumping system is a stand-alone system, operating on power generated by Solar PV module. A Solar Photovoltaic Water Pumping System consists of Solar PV Modules, Motor pump sets and electronic components. The power generated by Solar PV Modules is used for operating pump set for lifting water from open well or water reservoir for minor irrigation and drinking water purpose. This technology neither dependent on electricity nor on fuel, thus people at remote locations can also avail the benefit of Solar Pump and enhance their cropping area with regular water supply. The system requires a shadow-free area for installation of the Solar PV Modules. All components of the Solar Water Pumping Systems are sourced from external vendors except Solar Water Pump and Pump Controllers.

  The **Solar water pumps and Solar Pump Controllers** used in the system are manufactured through an Original Equipment Manufacturer (OEM) arrangement and are exclusively branded and marketed under the 'Himalayan Solar' name and logo, ensuring high performance and consistent brand assurance across all installations.

Our own Brand Products:

Solar Water Pumps	
We provide solar-powered irrigation pumps which are manufactured through an Original Equipment Manufacturer (OEM) under the brand name of "Himalayan Solar" for water pumping system projects. The Solar Pump controller is used as a solution for specific pumping requirements of the solar pumping system. For water pumping system projects multiple components used which includes High Efficient Submersible motor, Submersible pump, Solar PV Modules and Its mounting structure, solar controller, cables, pipes etc. Our Company offers both DC and AC range of Solar Water Pumps in both Surface and Submersible categories with a complete range of 2/3.5/7.5/10 HP solar water pumps in both surface and submersible categories, featuring highly efficient AC/DC solar pump.	
Solar Pump Controller	
The controller is an electric device that matches the power output from the solar Structure to the pump motor and regulates the operation of the pump according to the input energy from solar array. We provide IP 65/67 pump controllers • High Resolution LCD display shows speed (%), input DC voltage, Output AC/PWM voltage and current system status. • Uses MPPT technology to maximize water delivery at various solar energy level. • MPPT maximize power points tracking for maximizing the efficiency of input power • GSM option also available to controls and monitor remote locations pumps. • Remote telemetry capability through RS485 continuous data points(optional) • High flow systems for faster tank fill and significant water outputs. • Simple installation and easy maintenance. • The control unit convert that (DC) power into alternating current for AC power as supply is further given to the submersible pump through cable.	

- **Support Services under Skill development training programme**

The company has stepped into its new Business Segment, i.e., "Support Services under Skill Development Training Program". The company has signed an MoU with NSDC as the Industry exclusive Franchisee Partner for the Solar to support the development and onboarding of up to 2,00,000 Panchayat-level micro-entrepreneurs with its brand under "National Entrepreneurship Drive (NED)" initiative of the Ministry of Skill Development and Entrepreneurship. The Company has also received the sanction for training 10,000 resources under PMKVY 4.0 Recognition of Prior Learning (RPL) Program, from Ministry of Skill Development and Entrepreneurship.

- **Sale of Solar Products:**

Under this vertical, we were engaged in the supply of various solar products, including Solar PV (Photovoltaic) Modules, Solar cell, Solar Battery and other solar products. In past, we were engaged in the manufacturing of

Polycrystalline Solar PV Modules, which were used in the captive consumption of our EPC Contracts as well as direct supply to various clients. Further, under this vertical, we procure the required products from the accredited vendors and provide the same in accordance with the demand of our clients.

OUR COMPETITIVE STRENGTHS

- **Experienced Solar PV Module Manufacturer**

Our company was also ranked in the top 10 Solar PV Modules Manufacturers in 2021 recognized by Industry Outlook magazine. We have been recently recognized as "Best Industrial and Commercial Solar Company" by the Industrial Review Magazine. Himalayan Solar brings over six years of proven experience in the solar manufacturing industry, having successfully operated a 40 MW production line for Solar PV panels. This established track record reflects our deep technical know-how, operational efficiency, and understanding of quality standards required in the solar sector. Our prior experience in manufacturing has laid a strong foundation for our transition to advanced technologies, enabling a smooth and efficient scale-up to the production of Mono-PERC and TopCon Bifacial panels. This experience positions us to effectively manage high-efficiency production lines and consistently deliver reliable, next-gen Solar PV Modules to meet growing market demand.

- **Experienced Promoters backed by a strong management team**

Our Company is led by an experienced and visionary leadership team. Our Promoter, Mr. Manjeet Singh, is a first-generation technopreneur with approx. 10 years of previous extensive experience in the manufacturing of electrical and solar products. His deep industry knowledge and strategic insight have been critical in shaping the vision, roadmap, and growth trajectory of the Company. He actively oversees both strategic initiatives and day-to-day operations. Our Whole Time Director, Mr. Mehtab Singh, brings valuable technical and administrative expertise from his background in the Indian Naval Forces. He plays a key role in managing the Operations Department, particularly in executing government solar projects across India, as well as overseeing customer service functions.

In addition to our individual promoters, our senior management team comprises highly qualified and experienced professionals. Their industry expertise and leadership stability have been pivotal in positioning the company for sustained growth and market expansion. Collectively, they leverage their knowledge and experience to successfully execute business strategies, capitalize on emerging opportunities, and drive future growth.

- **Strong Presence in Government-Focused Renewable Energy Projects Across Multiple States:**

Our Company has established a robust track record in executing government-backed renewable energy projects across various Indian states, including Haryana, Rajasthan, Punjab, Maharashtra etc. We specialize in implementing Solar Water Pump Projects primarily under government schemes and tenders. This focused involvement in government initiatives has enabled us to build strong relationships with public sector clients and gain deep expertise in complying with regulatory, technical, and operational requirements of such projects. Our extensive experience in handling government contracts not only enhances our credibility but also ensures steady project inflow, contributing to the Company's stability and growth in the renewable energy sector.

- **Strong relationship with customers and suppliers**

We focus on maintaining long term business relations with our customers. We are successful in building a strong client base for our business. Our existing business relations help us in getting repeat business from our customers. This has helped us to maintain a long-term working relation with our customers and improve our customer retention strategy. We believe that our existing business relations with our clients represents a competitive advantage in gaining new clients and increasing our business. We are also focused on building and maintaining long term relations with our suppliers. We believe that our strong relations with suppliers will enable us to continue to grow our business. Due to our good relations with our suppliers, we get timely supply of quality raw materials. This enables us to manage our inventories and supply good quality products on a timely basis to our customers. This in turn enables us to generate repeat business.

- **Ability to implement our Solar Products portfolio is Government-backed Solar Projects as supplemental value addition along with our manufacturing business.**

We implement our Solar Products for various Government Projects. We have been empaneled with different Government Departments for design, manufacture, supply, installation, and commissioning of Solar Water Pumping Systems under MNRE PM-KUSUM Scheme, which gives us an edge to meet the competition in the market. We have completed multiple key solar power projects, including Solar Water Pumping Systems, Solar Roof Top Solar projects, etc. In the initial years, we have supplied, installed and commissioned multiple Roof Top Solar Power Plants and Solar Lighting Systems and Solar Inverter Charger Systems in various schools, primary health centres and private house hold in Haryana. We have also supplied Himalayan Make Solar PV Modules to Companies that were empaneled in Government Projects.

- **Strong Order Book**

In the renewable energy EPC industry, a strong Order Book is a critical indicator of future revenue and business sustainability. As of 31/07/2026, the unexecuted Order Book of our Company was ₹ 14,021.69 lakhs comprising majorly government projects. This demonstrates our strong foothold in the public sector and reflects our consistent ability to secure large-scale projects through competitive bidding. Our Order Book spans multiple states in India and includes a diverse mix of renewable energy assignments, showcasing our operational capability and execution strength. The size and quality of our Order Book provide clear revenue visibility and reinforce our credibility and trusted position within the government-focused renewable energy segment.

- **Certifications**

Our company is accredited with prestigious quality certifications including BIS IS 14286, IS 61730 - Part I & II, IEC 61215-1-1:2016, IEC/IS 61730 I & II, IEC/IS 14286, IEC TS 62804-1, IEC 61701:2011 for Polycrystalline Solar PV Panels; 62133-2:2017, IS 17018-2018, IS 16046 (PART 2):2018 Lithium Ferro Phosphate (LiFePO4) Batteries; IEC/IS 60529:2001 for Ingress Protection rating of Solar Pump Controllers and Solar Charge Controllers; ISO 14001:2025 for Environmental Management System.

We have been awarded ISO 9001:2015 from QABCB-accredited reputed company EQUALITAS CERTIFICATIONS LTD (A CMMI Institute Partner for CMMI and ISO Certification Body) for Quality Management System in the Design, Manufacturing, and Supply of Solar PV Modules/Panels, Solar Pump Controllers/Solar Charge Controllers. Additionally, it covers the Design, Assembly, Supply, Installation, and Commissioning of Solar Water Pumping Systems, Solar Home Lighting Systems, Solar Home Systems, Solar Power Packs/Inverter Chargers, and Solar Street Lights and Design, Assembly, Supply, Installation, and Commissioning of Solar PV Grid-Connected/Hybrid/Off-Grid Rooftop Power Plants, Ground-Mounted Solar Photovoltaic Power Plants.

OUR BUSINESS STRATEGIES

- **Focus on advanced Technology-Driven Manufacturing of Solar PV Modules; Mono PERC and TopCon Bifacial Solar PV Modules**

As part of forward-looking growth strategy, our Company has transitioned to the production of high-efficiency Mono-PERC 16BB Solar PV Modules at its newly relocated facility in Karnal, Haryana. To support growth strategy, our company has set up a 60 MW production line for the manufacturing of advanced Mono-PERC 16BB Solar PV Modules. The Commercial operations of 60 MW production line has already operational from March 2026.

Further, we intend to expand and upgrade this facility to 160 MW by acquiring additional machinery with an esteemed capacity of 100 MW at the same Karnal facility, featuring higher technical capabilities, including manufacturing up to

20 Busbar Solar PV Panels with the latest Glass-to-Glass (G2G) technology, fully automatic bussing, auto glass loading, and auto framing systems. This technological shift aligns with the increasing market demand for high-performance Solar PV Modules and positions the company to meet the efficiency norms required in upcoming government solar projects.

Description of Mono-PERC and Top Con Bifacial Solar PV panels are as follows:

Mono PERC Solar PV Panels Monocrystalline Solar PV Modules, also referred to as Monocrystalline Solar PV Module, consist of solar cells made from a single crystal structure of silicon. These modules are renowned for their exceptional efficiency in converting sunlight into electricity, making them an ideal choice for applications with limited space. Monocrystalline panels typically feature a sleek and uniform black or dark blue appearance, which adds to their aesthetic appeal, especially in residential installations. Additionally, they are suitable for commercial and utility-scale solar projects, contributing significantly to clean energy production and the reduction of greenhouse gas emissions.	
TopCon Bifacial Solar PV Panels TopCon bifacial Solar PV Modules represent the next generation of high-efficiency photovoltaic technology. "TopCon," short for Tunnel Oxide Passivated Contact, is an advanced cell architecture that improves carrier collection and reduces recombination losses, resulting in higher module efficiencies compared to conventional PERC technology. These modules are bifacial, meaning they can generate power from both the front and rear sides of the panel by capturing reflected and scattered sunlight from the environment. This bifacial capability significantly boosts total energy yield, particularly when installed over high-albedo surfaces like white rooftops, concrete, or reflective ground covers.	

- **Improve Domestic Presence**

Our strategic focus is to strengthen our domestic presence by continuing to expand and diversify our portfolio of government-focused solar projects. We provide end-to-end turnkey solutions, including design, manufacturing, engineering, procurement and supply, testing, and commissioning of Solar PV Products. Our project footprint spans across multiple Indian states such as Haryana, Rajasthan, Punjab, Maharashtra etc., reflecting our growing reach and operational capabilities. We aim to leverage our expertise in executing diverse renewable energy technologies to further deepen our presence in the Indian market and maintain a competitive edge in the government EPC segment.

We believe that our adeptness in the development of renewable energy projects positions us well to secure bids for additional integrated projects. By combining our expertise and leveraging the experience of our Promoters across renewable energy sources, we intend to offer comprehensive solutions that capitalize on the strength of each technology. This integrated approach enhances the feasibility and attractiveness of our solutions and demonstrates our ability to deliver innovative, reliable and sustainable energy solutions in an increasingly competitive market landscape.

- **Focus on Expanding geographical Network**

Currently, we are generating our maximum revenue from Haryana, and Maharashtra. To maintain and strengthen our position in the domestic market, we are focused on expanding our distribution network into other states like Rajasthan and Punjab. Recently, we have established our presence in Maharashtra and Punjab and secured orders from MSEDCL, MEDA and PEDA. Further, we have been organizing various dealer meets in Haryana to foster strong partnerships and boost local sales. This hands-on approach allows us to understand market needs better and tailor our offerings accordingly. By participating in major exhibitions such as India Expo Mart, Lucknow Exhibition, and Krishi

Darshan Expo, we keep our finger to capture a larger market share while showcasing our latest technologies. Presently, our company is focused only on some states in India. However, we intend to cater to the increasing demand of our existing customers and also increase our existing customer base by enhancing the distribution reach of our products in different parts of the country and around the globe.

- **Customer Satisfaction:**

Our Company follows a customer-oriented business strategy, with a strong focus on building and maintaining long-term relationships with our clients. We actively seek verbal feedback over the phone calls through our dedicated customer relationship Team from existing customers and conduct periodic physical inspections to verify the working of our installed systems. By prioritizing quality, responsiveness, and continuous engagement, we ensure high levels of customer satisfaction. Our proactive follow-up mechanism helps address any concerns promptly and reinforces our commitment to delivering reliable and effective solutions. This approach not only strengthens customer trust but also enhances our reputation and repeat business in the government EPC segment.

- **Enhancing Executional Capabilities to Maintain Competitive Edge:**

To sustain our leadership in the government-focused EPC segment, we aim to continuously strengthen and scale our executional capabilities. Our focus is on delivering high-quality construction by leveraging advanced equipment, deploying skilled labor, and sourcing superior quality materials. By improving operational efficiency and execution standards, we intend to consistently meet project timelines and quality benchmarks, thereby ensuring client satisfaction. These efforts will enable us to maintain a competitive edge over peers and reinforce our position as a trusted EPC service provider in the renewable energy sector.

EPC CONTRACTS (Design, Manufacturing, Supply, Installation and Commissioning) FLOW CHART

Step 1: Tender Bid Submission

The installation process begins with the submission of a competitive bid in response to a government-issued tender. This bid outlines the scope of work, technical specifications, pricing, and compliance with the tender requirements.

Step 2: Empanelment by the Government and Work Order Issue

Upon successful selection through the tendering process, the contract is awarded by the Govt Dept through Letter of Award and subsequently after submission of Performance Bank Guarantee, the Work Orders are issued to commence the work as per the contractual obligations. This document serves as an official approval to commence the execution of the project.

Step 3: Site Assessment and Data Collection

Following the receipt of the work order, our technical team visits the proposed site to assess its suitability. This involves data collection and verifying sun exposure throughout the day and evaluating the location of the water source (well, borehole, pond, etc.) to ensure compatibility with the pump's technical capacity and installation requirements.

Step 4: Technical Analysis and Design of Solar Water Pump

A detailed technical analysis is carried out to determine system specifications. Parameters such as depth to water table, daily discharge requirement, flow rate, bore diameter and depth, and hydraulic load are evaluated. Based on this, the appropriate motor (surface or submersible) and solar system sizing are finalized.

Step 5: Procurement of Solar Components and Supply to individual sites

Solar Components are then sourced from approved vendors. These include solar PV panels, submersible solar pump systems, motors, controllers, mounting structures, electrical wiring, HDPE pipes, and other ancillary items required for complete installation. All the components are supplied to district warehouses, and from there, Material is supplied to Individual customer sites after a Successful Pre-dispatch inspection by Government Officials.

Step 6: Assembly and Installation of Mounting Structure, Panels and Pump Set

Once materials are available and site planning is finalized, mounting structures are installed in a stable and sunlight-optimized orientation. Simultaneously, excavation is done near the water source to securely install the solar water pump system, ensuring proper waterproofing and alignment with the bore or water source.

Step 7: Electrical Configuration, and System Integration

The Solar PV Modulesare connected to the controller and the pump through appropriate DC wiring with surge protection and earthing measures. All connections are checked for safety, and proper routing is done to ensure efficient energy transmission and hazard prevention.

Step 8: RMS Integration, Testing and Commissioning of System

The final step involves a comprehensive inspection and testing of the entire system. The Remote monitoring system is integrated with pump set , using SIM-based telemetry setup to monitor water flow rate, controller functionality, Water Discharge, Longitude, and Latitude of the System, and system performance under actual conditions. Any necessary adjustments are made before handing over the system for use.

OUR MANUFACTURING FACILITY

Currently, our company has set up a 60 MW annual manufacturing capacity of Mono PERC l 16 Busbar Solar PV Modules at Plot No. 3 & 4, Khasra No. 249, Khewat No. 980 & 977, Near Aryakulam International School, Assandh– Kohand Road, Munak, Karnal, Haryana – 132040, which will produce approx. 1,07,500 nos. of Mono PERC Solar PV Modules. Our Company has already procured and installed advanced machinery and equipment for the manufacturing of Mono PERC Solar PV Modules, which has already operational from March 2026.

Further, we intend to expand and upgrade this facility to 160 MW by acquiring additional machinery with an esteemed capacity of 100 MW (i.e. production of approx. 1,80,000 nos. of Mono PERC & TopCon Bifacial Solar PV Modules) at Karnal facility, featuring higher technical capabilities, including manufacturing up to 20 Busbar Solar PV Modules with the latest Glass-to-Glass (G2G) technology, fully automatic bussing, auto glass loading, and auto framing systems with an estimated cost of 1,298.30 lakhs.

Manufacturing Process of Solar PV Modules

- **Loading of Solar Cells into Stringer Machine**

  The process begins by loading the individual solar cells into a dedicated load basket. This basket is then placed in the solar cell stringer machine. Depending on the panel type, the facility may use up to 16 bus bars for monocrystalline Solar PV Module. The stringer machine performs the crucial function of soldering copper ribbons (bus bars) onto the solar cells, connecting them into strings. This is one of the most delicate operations in the assembly process since proper soldering ensures that the cells can transmit electricity effectively. Once the soldering is complete, an automatic robotic arm picks up a set number of cells, for visual inspection. Here, an operator checks the solar cells and the connections to confirm there are no defects. If the inspection is satisfactory, the cells are then moved along to the next phase.

- **Placement of Solar Cells on high transmittivity solar glass.**

  Simultaneously, high-transmittance solar glass is prepared. It undergoes a thorough cleaning process to remove any dust, debris, or imperfections that could reduce efficiency. Precise cuts of Ethylene Vinyl Acetate (EVA) film are placed on the glass, creating a layer that serves as both a protective and light-transmitting barrier. This film helps to protect the sensitive solar cells from moisture and other environmental factors, ensuring their longevity and performance. Afterward, the strings of solar cells, which were prepared in the stringer machine, are aligned and placed onto the glass using an automated robotic system. The machine used for this step, called the Layup machine, is designed to both position the cells accurately and check their alignment and quality.

- **String taping, soldering and cutting**

  Once the solar cells are placed onto the glass, they are secured in position with adhesive tape during the string taping stage. This step ensures that the cells do not shift out of alignment during subsequent processes. Any excess string material extending beyond the panel's edge is carefully cut away to ensure neatness and consistency. Afterward, the cells undergo final soldering, ensuring all electrical connections are firmly in place. At the same time, an RFID (Radio Frequency Identification) tag is applied to the back of the panel to allow for future traceability and identification. Additionally, the brand's logo is affixed to the back of the panel, signifying the manufacturer.

- **EVA film and Backsheet Placement**

  Following the final soldering and string taping, another layer of EVA film is added over the solar cells. This additional layer helps to further encapsulate the cells, providing them with extra protection and ensuring their proper functioning. Afterward, a backsheet is applied to the rear side of the solar panel. The backsheet, usually made of a durable, weather-resistant material, helps protect the solar cells from external factors like UV rays, moisture, and mechanical stress. This step is essential in enhancing the durability and long-term efficiency of the panel.

- **Electroluminescence Test (EL Test)**

  Once the layers are properly placed, the panel undergoes an Electroluminescence (EL) Test. This diagnostic test uses infrared light to capture detailed images of the internal structure of the solar cells. It helps to identify even the smallest cracks, defects, or inconsistencies that might not be visible to the naked eye. Since any such flaws could impact the electrical performance of the panel, the EL test serves as an important quality control measure before the panel moves on to final assembly.

- **Solar PV Modules Lamination and trimming**

  The panel is then sent through the laminator, a machine that uses heat and pressure to fuse all the layers (glass, EVA films, solar cells, and backsheet) into a single, solid unit. This lamination process ensures that the solar cells are well encapsulated, protecting them from environmental damage and improving their efficiency by reducing potential electrical losses. Once the lamination is complete, any excess EVA film or backsheet material that extends beyond the panel's edge is carefully trimmed away, ensuring the panel has precise dimensions and smooth edges.

- **Final Visual Inspection**

  After lamination, the panel undergoes a final visual inspection. This ensures that the entire assembly is free from defects, such as scratches, bubbles, or any inconsistencies in the layers. The panel is also subjected to a final Electroluminescence (EL) Test to verify that no defects have occurred during the lamination process. The inspection ensures that the Solar PV Modulesmeets all quality and performance standards before moving on to the next step.

- **Framing of Solar Panel**

  Once the panel has passed all inspections, an aluminum frame is attached to it. The frame adds structural integrity to the panel, ensuring that it can be safely installed and withstand external forces (wind, snow, etc.). The frame is typically secured with a sealant to prevent moisture ingress and provide additional durability. The framing also allows for easier handling and installation of the panel.

- **Junction Box Installation and curing**

  The junction box is then installed on the rear side of the panel. This component plays a critical role in allowing the electricity generated by the solar cells to flow efficiently to an external system, like a storage battery or the grid. After installation, the entire assembly, including the junction box, is placed into a curing chamber. Here, it undergoes a curing process for several hours (typically up to 4 hours) to ensure that the sealant and other adhesives fully set and bond properly.

- **Quality Assurance Tests**

  Before packaging, the Solar PV Modules undergoes a series of quality assurance tests to confirm its performance. One of the key tests involves exposing the panel to artificial sunlight to measure its electrical output, using a Sun Simulator This allows the manufacturer to calculate the efficiency of the panel, as well as determine the maximum power point

and overall energy output. Each panel is also subjected to a high potential (HiPot) test, which checks for potential electrical issues by applying high voltage to ensure that the panel can handle both high and low voltage scenarios safely. A final Electroluminescence (EL) Test is performed to rule out any hidden defects.

- **Packing of Solar PV Module**

Once all tests are completed and the panel passes the required standards, it is packaged for transport. Each panel is carefully wrapped in protective plastic and placed inside a sturdy cardboard box along with its examination report. This ensures that the panel is both physically protected during transit and accompanied by all necessary documentation for the customer.

PLANT AND MACHINERY

Leased Plant and Machinery: Nil

Owned Plant and Machinery: *List of machines that the Company has already purchased for the 60 MW production line.*

Name of the Equipment	Description
Solar Cells Automatic Tabber Stringer (Make: HBS, Model: HBS-SP2600) **Specification:** Capacity 2400 cells per hour with a busbar up to 16BB and thickness 160um to 300um. Ribbon width 0.6mm-1.5mm flat/Round wire 0.3mm, breakage rate < 0.1%, uptime > 95%, Power 50-60Hz/AC380V/3 Phase 5 Lines, 50 KW, CDA Pressure 0.6-0.8MPa, PLC: Keyence, Controller: Panasonic, Linear System: HIWIN, Servo Motor: Fuji	The Fully Automatic Tabber and Stringer machine uses an IR soldering method in Automatic Mode, combining manual loading with automatic unloading of solar cell strings. It is equipped with a focus protection cover to prevent lamp interference and a preheating unit that reduces solder consumption and minimizes cell breakage. The machine allows easy adjustment of cell gaps via the control panel. Its Dual Robot and CCD System enhance precision, lowering breakage rates and ensuring accurate positioning while detecting and collecting broken cells. Additionally, the auto-coating flux system, combined with a preheated ribbon, ensures uniform heating without contamination.
Automatic Layup Machine (Make: HBS, Model: HBS-LP2600) **Specification:** AC380V 3 Phase 5 Lines,50Hz, WAP 0.5-0.8MPa, Servo Driving, ±0.3mm, CCD Alignment system, Tact: Full cell 25S, Half-cell 50S, Breakage Rate < 0.2%	It is a fully Automatic 6-axis Robotic Layup machine for soldered cell strings, operating in standalone automatic mode. The string laying process is performed entirely by the integrated robot, which precisely places the soldered cell strings onto the solar glass and EVA. These materials are fed from a side conveyor onto the main conveyor for further processing.
Automatic Solar PV Module EL and AOI Appearance Tester (Make: Yoha, Model: YH-EL8) **Specification:** Maximum field of vision: 2400mmx1400mm, Detection efficiency: 20.0 seconds per panel	Before lamination, complete electroluminescence (EL) and visible images of the Solar PV Modulesare captured through multi-station image acquisition and multi-camera image stitching. The system provides high imaging quality and a small observation window, enabling detailed inspection of EL defects and visual appearance defects in the solar cell material. The EL detection system uses four high- resolution near-infrared cameras (0.4 mm/pixel) to collect EL infrared images. The automated optical inspection (AOI) system for appearance detection uses an additional four visible light cameras with a resolution of 0.09 mm/pixel. These systems can operate independently or be integrated into a single inspection platform. The AOI system detects appearance defects such as foreign matter, damage, exposed white areas, and color variations. The EL system identifies defects including hidden cracks, broken grids, black centers, black spots, dark film, and debris.

Name of the Equipment	Description
Solar Photovoltaic Module Laminator (Make: RISING, Model: SGCY-A2658) **Specification:** AC380V 50Hz 3phase, Rated Power: 105KW, Nominal Power 55KW, CGP 0.6-0.8MPa, CGF > 800L/min, Work Vacuum 40-80Pa, Lamination Area 2600x5800, Evacuation Time: 8-10 min (adjustable), Temperature Unevenness < +-2.5 deg C, Aeration Speed: 0-40L/s, Split-type 2X-70 Roots Vacuum Pump Set, Oil heating	This Fully Automatic Solar PV Module Laminator machine is used to laminate the layers of Solar Glass, EVA, Cell Strings & TPT Back sheet as a single unit. The laminating chamber is vacuumized by an independent Roots vacuum pump set. The heating method is hot oil heated by one set of 72KW heating stations. The transmission system of high temperature cloth of the upper and lower chamber are equipped with roller brush devices to eliminate the residues on the surface of high temperature cloth.
Solar PV ModulesGlue Dispensing Machine (Make: Yoha, Model: YHGM-AB) **Specification:** 380 V / 50 Hz, Dispensing Method: Precision volumetric or gear pump dispensing, PLC-based with touch-screen HMI, Max Dispensing Speed: 200–600 mm/sec (adjustable), Glue Viscosity Range: 1000– 200,000 cps, Dispensing Pressure: 0–6 bar (adjustable), Three axis effective travel: X-axis: 400mm, Y-axis: 300mm, Z-axis: 100mm, Repetitive accuracy: ± 0.05mm	It is used to automatically apply adhesive (sealant or structural bonding glue) onto the frame or other components of the Solar PV Modules during assembly, ensuring strong bonding, better sealing, higher consistency, and faster production of Solar PV Module. It provides uniform bead thickness and placement, improving product quality by selaing against moisture ingress and environmental exposure. It dispenses the exact required quantity of adhesive with minimal spillage, thus lowering the cost.
Solar PV ModulesFraming Machine (Make: Yoha, Model: YH-2514) **Specification:** Power Supply: 380V, Air pressure: 0.4Mpa-0.8Mpa, Hydraulic: Pressure 1.0Mpa-16Mpa, Ambient temperature: 10°C-60°C, Minimum frame forming size: 400mm×400mm, Maximum frame forming size: 2520×1420mm, Frame assembly accuracy: the tolerance of size difference between the opposite ends is ±1mm, the size difference between the diagonals is ±1mm	The frame forming machine consists of frame body, movable slide block, movable slide block of middle accessory frame, fixed slide block, pneumatic positioning lock, hydraulic station and operating control cabinet. The machine uses the frame forming process of pneumatic locking, mechanical fine-tune the positioning, pneumatic driving frames, flattening and hydraulic riveting process with corner crimp to frame the Solar PV Panels with Aluminium.
Solar PV ModulesEL Tester (Make: Yoha, Model: YH-EL2400) **Specification:** Single-phase 220V 10A, max load voltage 60V, max load current 10A, Resolution: 6016x4000 Megapixels, Shooting mode: Single camera, Sensitivity: Detection crack < 0.2um, Effective test area: 2400*1400mm, Image acquisition time: 1~60s can be adjusted, SNR > 56dB	After lamination, the system uses a highly sensitive infrared camera to detect defects in Solar PV Modules, helping users identify issues related to material quality or workmanship. The equipment can be used both before and after the lamination process, serving as a critical tool for process monitoring and quality assurance. It comprises a specialized optical imaging system and a high-sensitivity camera module, making it suitable for use during production preparation as well as final product inspection. Detected defects in solar cell materials include debris, cracks, broken gates, and contamination. Defects from the welding process such as poor welds, de-soldering, and mixed cell grades are also identified.
Automatic Solar PV Module Simulator (Make: Yoha, Model: YHPT-AAA) **Specification:** 380V (+/- 10%) , 50Hz, A+A+A+ Flash impulse continuous adjustable range 0-60ms,	This Automatic Inline Upper Lighting Sun Simulator is used for automatic testing and to record the electrical testing results in the form of IV (Current- Voltage) Graphs & values for solar mono-crystalline silicon, poly-crystalline silicon solar cell module and thin-film module by simulating standard test conditions of irradiance 1000W/sqm. Measurable parameters: I-V curve, short

Name of the Equipment	Description
Four-line measurement; 14-bit 4-channel high-speed synchronous acquisition card, 8000 data collecting point, 10 parameters display , measured parameter display in tabulation and graphic way, Lamp Spectrum as per IEC60904-9, Light Intensity: 1000W/m2(700W/m2-1200W/m2), Light intensity non- uniformity: ≤±2%[A], Instability degree of irradiation: ≤±2%[A], Test results consistency: ≤±0.5%[A], Measuring Voltage: 0- 200V(Resolution 1mV), Measuring current: 200mA- 20A(Resolution 1mA), Test Parameters: Isc, Voc, Pmax, Vm, Im, FF, EFF, Temp, Rs, Rsh; High-speed data collection A/D Card: Yoha customized, PLC: Siemens, Touch-screen control: TK6070 Taiwan, Light source: Germany Haimam	circuit current, open circuit voltage, peak power, peak power point voltage, current, fixed voltage current, filling factor, conversion efficiency, light intensity and environmental temperature. Automatic classification and display function with Irradiance automatically compensating and temperature automatically compensating. It can be automatically classified according to the fixed voltage and current, and the results of the classification can be displayed directly on the test cabinet by digital display.
Automatic Cell Sorting Machine (Make: Yoha, Model: YHS-36) **Specification:** Laser wave length: 1064nm, Laser power: 30W, Scribing width: 45micron, Scribing speed: 400mm/s ~600mm/s, Scribing accuracy: + 0.1mm, Scribing Speed: 1600pcs/Hrs(1/2 Cell), Breakage Rate<0.15%	Automatic Dual Head Double Station Thermal Laser Cell Scribing Machine with Auto Split machine is used to cut the cells with the thermal laser technology using heat to scribe with manual operation of loading & unloading the cells as per different size requirements based on the multiple wattages of the Panels in which these cells are to be used. The system automatically sorts the processed cells based on their dimensions, ensuring accurate preparation for subsequent manufacturing steps.
Solar Cell Tester **(Make: Yoha, Model: YHCT-AAA)** **Specification:** RSH Power demand: 220V/50HZ/2KVA, Lamp Spectrum: In line with IEC60904-9 and JISC8933 (A Grade), Light Intensity: 100mW/cm2 (continuous adjustable range 20-123W/cm2 Light intensity non uniformity: ≤ ± 2% AAA, Instability degree of irradiation: ≤ ± 2% AAA, Test result consistency: ≤ ± 0.5% AAA, Test error of electrical properties: ≤ 1% AAA, Single flash time: 10-30ms (customized), Effective test range: 200x200mm (0.1-5W), Measuring voltage: 0.08V (resolution 1mV), Measuring current: 0- 20A (resolution 1mA), Test parameters: Isc, Voc, Pmax, Vm, Im, FF, EFF, Temp, Rs, RSH, High-speed data collection A/D Card: Yoha customized, PLC: Siemens, Touch-screen control: TK6071IP, Light Source: Germany Haimam 1500	It is used to test the electrical performance of Mono- Si or Poly-si solar cell pieces with A grade spectrum, Four-line measure, 14-bit 4-channel high speed synchronous acquisition card, 10 parameters display and Measurement Parameter display in Tabulation and Graphic way & automatic temperature compensation and record the results in files.
Multiple Solar PV ModulesAssembly Conveyors (Make: Yoha) **Bussing Conveyor (Model: YH-CY-001)** **Vertical Conveyor (Model: YH-CY-002)** **Auto Turning Conveyor (Model: YH-CY-003)** **Auto Rotation Conveyor (Model: YH-CY-004)** **Conveyor Control Unit (Model: YH-CY-CTS)**	These PLC-programmed automatic assembly conveyors are designed to transport solar PV panels seamlessly between different machines throughout the production line. They ensure smooth and reliable movement of panels during the intermediate stages of manufacturing, including processes such as string placement, lamination, inspection, framing, and testing. Equipped with precision sensors and programmable logic controls, the conveyors can be synchronized with upstream and downstream equipment to maintain optimal workflow and reduce handling time. Their automated operation minimizes manual

Name of the Equipment	Description
Specification: 220V 50 Hz, Control System: PLC-based with HMI interface, Drive Type: AC motor with variable frequency drive, Speed Range: 2–15 m/min (adjustable), Roller/Belt Material: Antistatic PU belt or precision rollers, Load Capacity per Conveyor: Up to 40 kg, Emergency stop buttons, protective covers.	intervention, helping to improve production efficiency, reduce the risk of damage to panels, and support consistent product quality. Based on its functions, the Conveyor can be classified as vertical transition, 90 degree turning & Lift conveyor, 4 belt Bussing Conveyor, Before EL Conveyor with NG channel, After EL Conveyor with NG Channel, Rotation Conveyor, Inlet Conveyor before Lamination.

RAW MATERIAL AND PROCUREMENT

Presently, our company procures a wide range of raw materials essential for the execution of our EPC contracts. To ensure the highest quality and reliability in our operations, we have developed and maintained an extensive database of noteworthy vendors. This network spans across India, allowing us to source materials efficiently and competitively. Our strong relationships with these vendors enable us to meet the diverse needs of our projects while maintaining high standards of quality and timely delivery.

** Until August 2024, our company was manufacturing Polycrystalline Solar PV Modules at our production facility in Panchkula, Haryana, which were utilized in our EPC contracts. However, production at this facility has been on hold since then due to a shift in preference towards Monocrystalline (Mono-PERC) panels in government tenders. Since the suspension of operations at the Panchkula facility, the Solar PV Modules required for our EPC contracts have been sourced domestically. We have procured and set up a 60 MW Monocrystalline panel manufacturing unit in Karnal, Haryana, which has already operational from March 2026.*

ORDER BOOK

In our industry, the Order Book is a critical indicator of future business performance, as it represents a portion of our expected revenue pipeline. We have consistently maintained a strong and growing Order Book by leveraging our core

strengths and securing projects across various sectors and geographies. As of 31/07/2026, the unexecuted Order Book of our Company was ₹ 14,021.69 comprising a wide array of projects spread across multiple states in India. Notably, this entire Order Book majorly consists of contracts from Government departments, underscoring our strong market position, credibility, and trusted relationships within the public sector.

A strong order book offers several advantages. It provides a forecast of future revenue streams, ensuring financial stability and enabling better resource planning. It also enhances the company's reputation in the industry, showcasing reliability and long-term partnerships with clients. Additionally, it offers the ability to negotiate better terms with suppliers and subcontractors, given the visibility of a steady workflow. A robust order book is a testament to our strategic capabilities and operational efficiency.

The Order Book information included in this Red Herring Prospectus is not audited and does not necessarily indicate our future earnings. We may not be able to achieve our expected margins or may even suffer losses on one or more of these contracts or we may not be able to realize the revenues that we anticipated in such projects. For further details, see "***Risk Factors – Our Order Book may not be representative of our future results and our actual income may be significantly less than the estimates reflected in our Order Book, which could adversely affect our results of operations"*** on page 25 of this Red Herring Prospectus.

Note:

- *The above table represents the installed capacity and capacity utilization of the Panchkula, Haryana plant, which manufactures Polycrystalline Solar PV Modules with a total capacity of 40 MW. This corresponds to approximately 1,19,000 nos. of Polycrystalline Solar PV Modules (each with 72 full cells), assuming continuous 22-hour operations throughout the year (320 days). However, production at this facility has been on hold since August 2024 due to a shift in focus toward Monocrystalline (Mono-PERC) panels, which are preferred for government tenders. As a result, the installed capacity and capacity utilization for the Panchkula unit in FY 2024-25 have been considered only for the first five months (up to August 2024).*

- *A new manufacturing facility has set up at Plot/Killa No. 3 and 4, RHS, Khatoni No. 1132, Murabba No. 249, Khewat No. 980, Near Aryakulam International School, Assandh–Kohand State Highway, Munak, Karnal, Haryana - 132040, with a capacity of 60 MW for which the machines and equipment were purchased in the March 2025. This plant is producing 16 Busbar Monocrystalline Passivated Emitter and Rear Cell (Mono PERC) Solar PV Modules, each consisting of 144 half-cells. It is expected to produce approximately 1,07,500 nos. of 555W-560W Mono PERC Solar PV Modules annually, assuming 22-hour operations every day for 320 days in a year. The Karnal plant has become operational as of March 2026.*
  ** The plant became operational from 20th March, 2026 and hence, quantity mentioned above, calculated from commercial operation i.e. 20th March 2026 till 31st March 2026 for 11 days*

Proposed capacities in Financial Year 2026-27 and 2027-28

Particulars	March 31, 2027	March 31, 2028
Installed Capacity (MW per Anum)	60*	160
Unannualized Capacity during the year (MW)	60	160
Installed Capacity (no. of Solar PV modules per annum)	1,07,556	2,88,444
Unannualized Installed Capacity (No. of Solar PV Modules)	1,07,556	2,88,444

** Certified by Lovkesh Goel, Independent Chartered Engineer vide Certificate dated September 16, 2026*
The 60 MW plant commenced operations in March 2025 and is currently operational. An additional 100 MW plant is proposed to become operational in April 2027. Accordingly, the unannualized capacity and utilization have been computed for the relevant years.

SALES AND MARKETING

Himalayan Solar employs a multifaceted sales and marketing strategy to ensure strong brand visibility and consistent growth in the solar industry. Here's how we ensure our brand stands out:

- **Create a Dealer Network**: We regularly host dealer meetings to foster relationships and align our goals, ensuring our products reach customers efficiently. As of March 31, 2026, the Company had a dealer network of 40 dealers. The year-on-year movement in the number of dealers over the last three financial years is set out below:

Particulars	FY 2025-26	FY 2024-25	FY 2023-24
Total Dealers at the beginning of the Period	23	20	7
New Dealers associated during the period	22	9	15
Dealers disassociated during the period	5	6	2
Total Dealers at the end of the period	40	23	20

- **Competitive Pricing**: By matching competitive market prices while delivering superior quality modules, we guarantee that affordability doesn't compromise excellence.

Government Tenders:

Our proactive approach in bidding for government tenders maximizes the utilization of our production capabilities, allowing us to expand our market share significantly.

- **Media Marketing**: We leverage various media platforms to increase brand awareness, ensuring that potential customers recognize Himalayan Solar as a trusted provider in the solar industry.
- **Maintain Client Relationships**: Building and nurturing client relationships is vital for repeat business; satisfied customers return for further orders and strengthen our market position.
- **Timely Service:** We consistently deliver our services punctually to ensure that our customers do not experience any disruptions.

Recently, the company actively participated in several exhibitions and organized dealer meets as part of its ongoing sales and marketing initiatives. Exhibitions are an excellent opportunity for companies to showcase their products or services and connect with potential customers. Below are some highlights from these events.

Over the last three financial years, the Company achieved a bid to win ratio of 11 out of 14 (11:14). It participated in 17 tenders, of which 2 were cancelled, and was awarded work in 11 of the remaining 14 tenders, reflecting strong competitive performance. Certain tenders are also issued directly by State Nodal Agencies, where a single successful bid may lead to multiple LOAs or LOEs and several work orders across different States during the 12 month validity period.

COMPETITION

Our company operates in a highly competitive market, characterized by a diverse range of players, from small enterprises to large regional, national, and international firms. The competitive environment is shaped by key factors such as service quality and pricing, both of which play a critical role in influencing clients' choices of service providers.

We recognize that delivering exceptional service quality is essential to thriving in this competitive landscape. With our extensive industry experience, we are well-positioned to meet and exceed customer expectations consistently. While pricing remains a key determinant for many clients, we strategically offer competitive and value-driven pricing structures to attract and retain clientele.

Although we operate in a market alongside competitors offering similar services, our diversified portfolio sets us apart. It enables us to cater to a wide range of client needs, providing a broader scope than competitors with more specialized offerings. As we navigate this competitive environment, our unwavering commitment to quality, innovation, and customer satisfaction continues to be at the forefront of our strategy. We understand the challenges posed by such a dynamic market and remain confident that our approach will allow us to excel amid competition.

SWOT ANALYSIS

UTILITIES AND INFRASTRUCTURE FACILITIES

Water Facility: Water is required only for drinking and sanitary purpose and adequate water resource is available at all our locations of the Company. As for the water required for the project execution are directly sourced by the client.

Power: Our all the locations have adequate power supply from State Power Supply Department for the purpose of lighting, air- conditioning, system etc.

HUMAN RESOURCES

Human resource is an asset to any industry. We believe that our employees are the key to the success of our business and hence we have a structured organization plan to take care of the growth and motivation aspects of our team. Our manpower is a prudent mix of experienced and young personnel which gives us the dual advantage of stability and growth. Our work processes and skilled resources together with our strong management team have enabled us to successfully implement our growth plans.

COLLABORATION/TIE UPS/JOINT VENTURES

Our company has entered into an Original Equipment Manufacturer (OEM) agreement with a reputed manufacturing company for the production of water pumps and controllers under our brand name, "Himalayan Solar". This strategic collaboration enables us to expand our product offerings while maintaining quality and brand consistency.

EXPORT AND EXPORT OBLIGATION

As per EPCG requirements under the said scheme, we are bound by certain export obligations which require us to export goods of a defined amount, failing which, we may have to pay the Government, a sum equivalent to the duty benefit enjoyed by us under the said schemes scheme along with interest. As on the date of filing this Red Herring Prospectus, our pending export obligations against EPCG Scheme is ₹ 153.30 lakhs.

CORPORATE SOCIAL RESPONSIBILITY

We have adopted a Corporate Social Responsibility ("CSR") policy approved by the Board on February 23, 2025 and we have set up a CSR committee in compliance with the requirements of the provision of Section 135 of Companies Act, 2013, and the relevant rules on February 21 , 2026. The amount spent on CSR activity by our company as on March 31, 2026 was ₹ 20.00 lakhs.

KEY INDUSTRY REGULATIONS AND POLICIES

The following description is a summary of the relevant regulations and policies as prescribed by the Government of India and other regulatory bodies that are applicable to our business. The information detailed in this chapter has been obtained from various legislations, including rules and regulations promulgated by the regulatory bodies that are available in the public domain. The regulations and policies set out below may not be exhaustive and are only intended to provide general information to the investors and are neither designed nor intended to be a substitute for professional legal advice. The Company may be required to obtain licenses and approvals depending upon the prevailing laws and regulations as applicable.

The business of our Company requires, at various stages, the sanction of the concerned authorities under the relevant Central, State legislation and local bye-laws. The following is an overview of the important laws, regulations and policies which are relevant to our business in India. Certain information detailed in this chapter has been obtained from publications available in the public domain. The description of law, regulations and policies set out below are not exhaustive, and are only intended to provide general information to bidders and is neither designed nor intended to be a substitute for professional legal advice.

In addition to what has been specified in this Red Herring Prospectus, taxation statutes such as the Income Tax Act, 1961 and Central Goods and Services Tax Act, 2017, various labour laws and other miscellaneous laws apply to us as they do to any other Indian company. The statements below are based on the current provisions of Indian law, and the judicial and administrative interpretations thereof, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions. For details of government approvals obtained by us, see the chapter titled ***"Government and Other Approvals"*** *beginning on page no 295 of this Red Herring Prospectus.*

Depending upon the nature of the activities undertaken by our Company the following are the various regulations applicable to our company

APPROVALS

For the purpose of the business undertaken by our Company, our Company is required to comply with various laws, statutes, rules, regulations, executive orders, etc. that may be applicable from time to time. The details of such approvals have more particularly been described for your reference in the chapter titled **"Government and Other Approvals"** beginning on page number 295 of this Red Herring Prospectus.

APPLICABLE LAWS AND REGULATIONS

BUSINESS/TRADE RELATED LAWS/REGULATIONS

The Electricity Act, 2003 ("Electricity Act")

The Electricity Act provides for, inter alia, generation, transmission, distribution, trading and use of electricity. Under the Electricity Act, the transmission, distribution and trade of electricity are regulated activities that require licenses from the Central Electricity Regulatory Commission ("CERC"), the State Electricity Regulatory Commissions ("SERCs") or a joint commission (constituted by an agreement entered into by two or more state governments or the central government in relation to one or more state governments, as the case may be). The generating company is required to establish, operate and maintain generating stations, tie-lines, sub-stations and dedicated transmission lines. Further, the generating company may supply electricity to any licensee or even directly to consumers, subject to availing open access to the transmission and distribution systems and payment of transmission charges, including wheeling charges and open access charges, as may be determined by the relevant electricity regulatory commission. In terms of the Electricity Act, open access means the non discriminatory provision for the use of transmission lines or distribution system or associated facilities with such lines or system, by any licensee or consumer or a person engaged in generation in accordance with the regulations specified by the relevant electricity regulatory commission. Under the Electricity Rules, 2005, as amended, if the captive generating plant is established by an affiliate company, the captive user must hold no less than 51% of the ownership in that affiliate company.

The Electricity Act promotes co-generation and generation of electricity from renewable sources of energy by requiring the relevant SERCs to: (i) provide suitable measures for grid connectivity and sale of electricity from such sources; and (ii) specify a percentage of the total consumption of electricity in the area of distribution licensees for purchase of electricity from such sources, known as renewable purchase obligations ("RPOs"). The Ministry of Power, Government of India (the "MoP"), has, from time to time, notified the long-term growth trajectory of RPOs for solar and non-solar power, uniformly

for all states and union territories. The MoP, through an order dated July 22, 2022 (F. No. 09/13/2021-RCM) has notified the RPO trajectory for a period of eight years i.e., Fiscal 2023 to Fiscal 2030. It includes trajectory for wind renewable purchase obligations, hydro power renewable purchase obligations and other renewable purchase obligations.

Under the Electricity Act, the appropriate commission shall specify the terms and conditions for the determination of tariff, and one of the guiding factors in doing so shall be the promotion of co-generation and generation of electricity from renewable sources of energy. The SERCs under the Electricity Act are also required to promote co-generation and generation of electricity from renewable sources of energy by providing suitable measures for connectivity with the grid and sale of electricity to any person, and also specify, for purchase of electricity from such sources, a percentage of the total consumption of electricity in the area of a distribution license.

The Electricity (Amendment) Bill, 2022 was introduced in Lok Sabha on August 8, 2022. The key provisions of the Bill are the operation of the multiple DISCOMS in the same area, cross-subsidy balancing fund, license for distribution in multiple states, payment security, renewable purchase obligation, selection committee for SERCs, etc. The Electricity (Amendment) Bill, 2022, is yet to be implemented.

Central Electricity Regulatory Commission (Terms and Conditions for Tariff Determination from Renewable Energy Sources) Regulations, 2020 ("Tariff Regulations")

The Tariff Regulations prescribe the criteria that may be taken into consideration by the CERC while determining the tariff for the sale of electricity generated from renewable energy sources. The CERC shall determine projectspecific tariff for solar PV power projects, based on financial principles such as, inter alia, debt equity ratio, loan tenure and interest on loan, interest on working capital and any incentive, grant or subsidy from the Central or State Government.

Electricity (Promoting Renewable Energy Through Green Energy Open Access) Rules, 2022

The MoP notified the Electricity (Promoting Renewable Energy Through Green Energy Open Access) Rules, 2022 on June 6, 2022. These rules are notified for promoting generation, purchase and consumption of green energy including the energy from waste-to-energy plants. Consumers are entitled to demand supply of green power from discoms and the discoms would be obligated to procure and supply green power to eligible consumers. These rules have streamlined the overall approval process for granting open access. Time bound processing by bringing uniformity and transparency in the application as well as approval of open access through a national portal had been mandated.

Further, the MoP, notified the Electricity (Promoting Renewable Energy through Green Energy Open Access) Amendment Rules, 2023 on January 27, 2023, applicable on generation, purchase and consumption of green energy including waste-to-energy plants. It provides details for renewable purchase obligation ("RPO"), green energy open access, nodal agencies, procedure for the grant of green energy open access, banking and cross subsidy surcharge. It also provides for tariff for green energy which shall be determined by the appropriate commission.

Central Electricity Regulatory Commission (Terms and Conditions of Tariff) Regulations, 2024

Pursuant to a notification bearing reference no. No.L-1/268/2022/CERC dated March 15, 2024, the Central Electricity Regulatory Commission notified CERC (Terms and Conditions of Tariff) Regulations, 2024, which shall remain in force for a period of five years from April 1, 2024 to March 31, 2029. It aims for determination of different tariff components for a generating company (coal and gas based and large hydro) and a transmission licensee, taking into consideration, the target to be a net-zero country by 2070, revised Intended Nationally Determined Contributions ("INDCs") submitted by India and ensure steady growth of power sector.

Central Electricity Regulatory Commission (Terms and Conditions for Tariff Determination from Renewable Energy Sources) Regulations, 2017

The Central Electricity Regulatory Commission has announced the Central Electricity Regulatory Commission (Terms and Conditions for Tariff Determination from Renewable Energy Sources) Regulations, 2017 ("Tariff Regulations"), which prescribe the criteria that may be taken into consideration by the relevant electricity regulatory commissions while determining the tariff for the sale of electricity generated from renewable energy sources which include, among others, return on equity, interest on loan and working capital, operations and maintenance expenses, cost of capital and depreciation. Pursuant to the National Tariff Policy, the CERC is required to determine the rate of return on equity which may be adopted by the relevant electricity regulatory commissions to determine the generic tariff, keeping in view the overall risk and prevalent cost of capital, which factors are also to be taken into consideration by relevant electricity regulatory commissions while determining the tariff rate. The Tariff Regulations prescribe that the normative return on

equity will be 14%, to be grossed up by the prevailing Minimum Alternate Tax ("MAT") as on April 1st of the previous year for the entire useful life of the project.

The Tariff Regulations also provide the mechanism for sharing of carbon credits from approved clean development mechanism projects between renewable energy generating companies and the concerned beneficiaries. Under the Tariff Regulations, the project developer is entitled to retain 100% of the gross proceeds on account of clean development mechanism project benefit in the first year after the date of commercial operation of the generating station. Subsequently, in the second year, the share of the beneficiaries will be then progressively increased by 10% every year until it reaches 50% after which the clean development mechanism project proceeds are to be shared equally between the generating company and the beneficiaries. Further, under the Determination of Green Tariff under Electricity (Promoting Renewable Energy Through Green Energy Open Access) Rules, 2022, for incentivising the use of renewable energy, the MoP has clarified that in no case the green tariff should be higher than the sum of average power purchase cost of renewable energy, surcharge at the rate of 20% of average cost of supply.

Central Electricity Regulatory Commission (Sharing of Inter-State Transmission Charges and Losses) Regulations, 2020

On May 4, 2020, the Central Electricity Regulatory Commission issued the CERC (Sharing of Inter-State Transmission Charges and Losses) Regulations, 2020. The purpose of these regulations is to ensure that transmission charges are fully covered, thereby minimizing power losses during interstate transmission. These regulations apply to all designated ISTS customers, Inter-state transmission licensees, the national load dispatch centre, regional load dispatch centres, state load dispatch centres, and regional power committees.

Central Electricity Regulatory Commission (Deviation Settlement Mechanism and Related Matters) Regulations, 2022

The Central Electricity Regulatory Commission (Deviation Settlement Mechanism and Related Matters) Regulations, 2022 ("DSM Regulations, 2022"), which came into effect on 05th December 2022. The DSM Regulations, 2022 have been pivotal in maintaining grid discipline and security, in line with the objectives outlined in the grid code. These regulations establish a commercial mechanism for Deviation Settlement, detailing penalties for both over-injections and under-injections of electricity.

Central Electricity Regulatory Commission (Connectivity and General Network Access to the Inter-State Transmission System) Regulations, 2022

The CERC (Connectivity and General Network Access to the Inter-State Transmission System) Regulations, 2022 have been introduced in alignment with the 'One Nation, One Grid' concept. These regulations ensure non discriminatory access to the central transmission network for all power producers. When seeking access, power producers need only specify the capacity and the time block during which this capacity will be transmitted.

Central Electricity Regulatory Commission (Indian Electricity Grid Code) Regulations, 2023

The Central Electricity Regulatory Commission issued the CERC (Indian Electricity Grid Code) Regulations, 2023 which came into effect on October 1, 2023. These regulations aim to promote a stable, reliable, and secure grid while achieving maximum economy and efficiency in grid operations and the power system.

Renewable Energy Certificates Regulations ("REC Regulations")

The Central Electricity Regulatory Commission notified the REC Regulations on January 29, 2020 which has been amended from time to time. REC Regulations was enacted to develop the market in electricity from nonconventional energy sources by issuance of transferable and saleable credit certificates ("REC Mechanism"). The REC Mechanism provides a market based instrument which can be traded freely and provides means for fulfilment of RPOs by the distribution utilities/consumers. Under the REC Regulations, there are two categories of certificates, i.e. solar certificates issued to eligible entities for generation of electricity based on solar as renewable energy source and non-solar certificates issued to eligible entities for generation of electricity based on renewable energy sources other than solar. The REC Regulations determine the quantum of such certificates to be issued to the eligible entities and the method of dealing in the certificates.

The National Load Despatch Centre is the central agency which oversees the REC Mechanism, including, inter alia, registration of eligible entities, issuance of certificates, maintaining and settling accounts in respect of certificates, acting as repository of transactions in certificates and such related functions of the REC Mechanism as may be assigned by the

CERC. There are certain conditions which are now imposed on electricity generating company, distribution licensee and captive generation plant to be eligible to apply for REC.

The Central Electricity Regulatory Commission (Terms and Conditions for Renewable Energy Certificates for Renewable Energy Generation) Regulations, 2022 ("REC Regulations") has been notified May 9, 2022 (No. RA14026(11)/1/2022-CERC). It is envisaged that REC Regulations would address the concerns raised by stakeholders during the operational experience of last one decade and would bring required flexibility in the renewable energy certificates market. Under the REC Regulations, National Load Despatch Centre ("NLDC") would continue to be the central agency for the REC Mechanism and would act a repository for transactions of certificates along with responsibility of registration of eligible entities and issuance of certificates. The NLDC would be responsible for various functions such as, registration of eligible entities, issuance of certificates, maintaining and settling account for certificates, acting as repository of certificate transactions, maintaining registry and carrying out any other function that may be assigned by the commission from time to time for smooth and effective implementation of REC Mechanism.

National Electricity Plan

Section 3(4) of Electricity Act, 2003 stipulates that, the Central Electricity Authority ("CEA") shall prepare a National Electricity Plan ("NEP") in accordance with the national electricity policy and notify such plan once in five years. Accordingly, the first NEP was notified in the gazette in August, 2007. The second NEP was notified in the Gazette in December, 2013 in two volumes (Volume-I, Generation and Volume-II, Transmission) and the third NEP for 2022-27 was notified in the Gazette of India (Volume-I-Generation in March 2018 and Volume-II – Transmission in January, 2019). It recognizes the need for additional coal-based capacity, ranging from 17 GW to nearly 28 GW, till Fiscal 2032, over and above the 25 GW of coal-based capacity that is currently under construction. The NEP also highlights the need for significant investments in battery storage, with an estimated requirement of between 51 GW to 84 GW by Fiscal 2032. It projects an increase in the Plant Load Factor ("PLF") of coal-fired power plants from 55% up to Fiscal 2027 to 62 % in Fiscal 2032. It also emphasizes the challenges posed by the increasing reliance on renewables, which will require careful management and planning in the years ahead.

Grid Connected Solar Rooftop Programme

The aim of this initiative is to achieve a cumulative capacity of 40,000 MW from the rooftop solar projects by 2022. Phase-II of the Grid Connected Solar Rooftop Programme was approved by the Cabinet Committee on Economic Affairs ("CCEA") and provides for central financial assistance for residential rooftop solar installations upto 40% for rooftop systems up to a capacity of 3 kW and 20% for those with a capacity of 3-10 k W and 20% for those with a capacity of 3-10 kW. The Phase II also focuses on increasing the incentives for DISCOMs based on achievement of certain installed capacity. Phase-II of Grid Connected Rooftop Solar programme has further been extended upto March 31, 2026 without any financial application.

Production linked incentive scheme ("PLI Scheme")

The aim of the PLI scheme is to boost domestic manufacturing and cut down on import bills. The PLI scheme 236 provides companies incentives on incremental sales from products manufactured in domestic units. Along with inviting foreign companies to set up shops in India, the PLI scheme also aims to encourage local companies to set up or expand existing manufacturing units. The PLI scheme was initially rolled out for mobile and allied equipment, pharmaceutical ingredients, and medical devices manufacturing. The government aims to expand the ambit of the PLI scheme to include as many as ten more sectors, such as food processing and textiles. In the union budget 2021-2022, the government has introduced provisions for renewable energy sector. The government has committed nearly 1.97 lakh crores, over a period of five years starting financial year 2021-2022 for, inter alia, high efficiency solar PV modules. The PLI scheme will also incentivise new gigawatt scale solar PV manufacturing facilities in India.

Bureau of Indian Standards Act, 2016

The Bureau of Indian Standards Act, 2016 ("BIS Act") provides for the establishment of the Bureau of Indian Standards ("BIS") for the development of activities of standardisation, conformity assessment and quality assurance of goods, articles, processes, systems and services. The BIS Act provides for the functions of the BIS which includes, among others: (a) publishing, establishing, promoting and reviewing Indian standards; (b) adopting as Indian standard, any standard, established by any other institution in India or elsewhere, in relation to goods, articles, processes, systems or services; (c) functions necessary for promotion, monitoring and management of the quality of goods, articles, processes, systems and services and to protect the interests of consumers and other stake holders; and (d) undertake, support and promote research necessary for formulation of Indian standards.

The Micro, Small and Medium Enterprises Development Act, 2006

The Micro, Small and Medium Enterprises Development Act, 2006 (the "MSMED Act") provides for the promotion, development, and regulation of Micro, Small, and Medium Enterprises ("MSMEs") in India. The MSMED Act classifies enterprises based on investment in plant and machinery or equipment and annual turnover, defining (a) Micro Enterprises as those with investment in plant and machinery or equipment does not exceed ₹2.50 crore and turnover does not exceed ₹10 crore; (b) Small Enterprises as those with investment in plant and machinery or equipment does not exceed ₹25 crore and turnover does not exceed ₹100 crore; and (c) Medium Enterprises as those with investment in plant and machinery or equipment does not exceed ₹125 crore and turnover does not exceed ₹500 crore. The MSMED Act mandates registration through Udyam Registration and provides a mechanism for resolving payment disputes through Micro and Small Enterprises Facilitation Councils (MSEFCs). It also requires buyers to make payments to MSMEs within 45 days, failing which interest is payable. The MSMED Act empowers the Central Government to take measures for the promotion and development of MSMEs and provides for penalties in case of contravention of its provisions.

Consumer Protection Act, 2019 ("COPRA, 2019")

The CPA came into effect on December 24, 1986. It aims to reinforce the interests and rights of consumers by laying down a mechanism for speedy consumer grievance redressal. A consumer, his legal heir or representative, as defined under the CPA including a person who avails of any services for a consideration which has been paid in full or part or promised to be paid, any voluntary consumer association registered under any applicable law or numerous consumers having the same interest, or the Central or State Government may lodge a complaint before the district forum or any other appropriate forum under CPA, inter alia, for:
(i) Defective or spurious goods or services;
(ii) Unfair or restrictive trade practices;
(iii) Deficiency in services hired or availed;
(iv) Manufacture or provision of hazardous goods/services; and
(v) Misleading or false warranties or guarantee or representations by the manufacturer/service provider. In addition to awarding compensations and/or corrective orders, the forums and commissions under CPA are empowered to impose imprisonment of not less than a month, but not exceeding three years, or a fine of not less than two thousand rupees, but not more than ten thousand rupees, or both.

The Factories Act, 1948 ("Factories Act")

The Factories Act, a central legislation, extends to the whole of India. It is the principal legislation that governs the health, safety and welfare of factory workers. Under the Factories Act each state is empowered to issue its own rules for licensing and administrating factories situated in such states ("Factories Rules"). Under the Factories Rules, prior to commencing any manufacturing process, a person needs to obtain a license to register such factory. Separate license needs to be obtained in respect of each premise where a factory is set up or proposed to be set up. The Factories Act defines a factory to cover any premises which employs 10 (ten) or more workers and in which manufacturing process is carried on with the aid of power and any premises where there are at least 20 (twenty) workers without the aid of power. The Factories Act provides that the person who has ultimate control over the affairs of the factory and in case of a company, any one of the directors, must ensure the health, safety and welfare of all workers. There is prohibition on employing children below the age of 14 (fourteen) years in a factory.

EMPLOYMENT AND LABOUR LAWS

The Code on Wages, 2019 (the "Code")

The Code received the assent of the President of India on August 8, 2019. The provisions of the Code shall come into effect from the date notified in the Official Gazette by the Central Government. The Code will replace the four existing ancient laws namely (I) the Payment of Wages Act, 1936, (ii) the Minimum Wages Act, 1948, (iii) the Payment of Bonus Act, 1965, and (iv) the Equal Remuneration Act, 1976. The Code will apply to all employees' and allows the Central Government to set a minimum statutory wage**.**

The four existing laws are as follows:

- **The Payment of Wages Act, 1936**

  Payment of Wages Act, 1936, as amended, Payment of Wages (Amendment) Act, 2017 is aimed at regulating the payment of wages to certain classes of persons employed in certain specified industries and to ensure a speedy and effective remedy for them against illegal deductions or unjustified delay caused in paying wages to them. The Act confers on the person(s) responsible for payment of wages certain obligations with respect to the maintenance of registers and the display in such factory/establishment, of the abstracts of this Act and Rules made there under.

- **The Minimum Wages Act, 1948**

  The Minimum Wages Act, 1948 came into force with an objective to provide for the fixation of a minimum wage payable by the employer to the employee. Every employer is mandated to pay the minimum wages to all employees engaged to do any work skilled, unskilled, and manual or clerical (including out-workers) in any employment listed in the schedule to this Act, in respect of which minimum rates of wages have been fixed or revised under the Act.

- **The Payment of Bonus Act, 1965 (the "PoB Act")**

  The PoB Act provides for payment of minimum bonus to factory employees and every other establishment in which 20 or more persons are employed and requires maintenance of certain books and registers and filing of monthly returns showing computation of allocable surplus, set on and set off of allocable surplus and bonus due.

- **The Equal Remuneration Act, 1976**

  The Equal Remuneration Act, 1976 aims to provide for the payment of equal remuneration to men and women workers and for the prevention of discrimination, on the ground of sex, against women in the matter of employment and for matters connected therewith or incidental thereto. According to the Remuneration Act, no employer shall pay to any worker, employed by him/her in an establishment, a remuneration (whether payable in cash or in kind) at rates less favourable than those at which remuneration is paid by him to the workers of the opposite sex in such establishment for performing the same work or work of a similar nature. In addition, no employer shall for complying with the foregoing provisions of the Remuneration Act, reduce the rate of remuneration of any worker. No employer shall, while making recruitment for the same work or work of a similar nature, or in any condition of service subsequent to recruitment such as promotions, training or transfer, make any discrimination against women except where the employment of women in such work is prohibited or restricted by or under any law for the time being in force.

- **Industrial Relations Code, 2020**

  The Government of India enacted 'The Industrial Relations Code, 2020' which received the assent of the President of India on September 28, 2020. The provisions of this code will be brought into force on a date to be notified by the Central Government. It proposes to subsume three separate legislations, namely, the Industrial Disputes Act, 1947, the Trade Unions Act, 1926 and the Industrial Employment (Standing Orders) Act, 1946. Currently the laws are as follows:

- **Industrial Disputes Act, 1947**

  The Industrial Disputes Act, 1947 provides the procedure for investigation and settlement of industrial disputes. When a dispute exists or is apprehended, the appropriate Government may refer the dispute to a lab or court, tribunal, or arbitrator, to prevent the occurrence or continuance of the dispute, or a strike or lock-out while proceeding is pending. The labour courts and tribunals may grant appropriate relief including ordering modification of contracts of employment or reinstatement of workers. The ID Act further provides for direct access for the workers to labour courts or tribunals in case of individual disputes and provided for the constitution of grievance settlement machineries in any establishment having twenty or more workers.

- **Trade Unions Act, 1926**

  Provisions of the Trade Union Act, 1926 provides that any dispute between employers and workmen or between workmen and workmen, or between employers and employers which is connected with the employment, or non-employment, or the terms of employment or the conditions of labour, of any person shall be treated as trade dispute. For every trade dispute a trade union has to be formed. For the purpose of Trade Union Act, 1926, Trade Union means combination, whether temporary or permanent, formed primarily for the purpose of regulating the relations between

workmen and employers or between workmen and workmen, or between employers and employers, or for imposing restrictive condition on the conduct of any trade or business etc.

- **Industrial Employment (Standing Orders) Act, 1946 (the "Standing Orders")**

The Standing Orders were passed by the Central Government to bring uniformity in the terms of employment in industrial establishments so as to minimalize industrial conflicts. The Standing Orders play a key role in defining the terms and conditions of employment within an industrial employment. The highlights of the Standing Orders such as classification of workmen, manner of intimation to workers about work and wage related details. Attendance and conditions for leaves, conditions of termination of employment and means of redressed for workmen in different.

- **Code on Social Security, 2020**

The Government of India enacted 'The Code on Social Security, 2020 which received the assent of the President of India on September 28, 2020. The provisions of this code will be brought into force on a date to be notified by the Central Government. It proposes to subsume several separate legislations including the Employee's Compensation Act, 1923, the Employees' State Insurance Act, 1948, the Employees' Provident Funds and Miscellaneous Provisions Act, 1952, the Maternity Benefit Act, 1961 and the Payment of Gratuity Act, 1972. The laws that the code shall subsume, are currently as follows –

- **Employee's Compensation Act, 1923**

The Employees' Compensation Act, 1923 provides for payment of compensation to injured employees or workmen by certain classes of employers for personal injuries caused due to an accident arising out of and during the course of employment. Under the Employees' Act, the amount of compensation to be paid depends on the nature and severity of the injury. The Employees' Act also lays down the duties/obligations of an employer and penalties in cases of non-fulfilment of such obligations thereof. There are separate methods of calculation or estimation of compensation for injury sustained by the employee. The employer is required to submit to the Commissioner for Employees' Compensation a report regarding any fatal or serious bodily injury suffered by an employee within seven days of death/serious bodily injury.

- **Employee's State Insurance Act, 1948**

It is an Act to provide for certain benefits to employees in case of sickness, maternity and 'employment injury' and to make provision for certain other matters in relation thereto. It shall apply to all factories (including factories belonging to the Government) other than seasonal factories. The ESI Act requires all the employees of the establishments to which this Act applies to be insured in the manner provided there under. Employer and employees both are required to make contribution to the fund. The return of the contribution made is required to be filed with the Employee State Insurance department.

- **Employee's Provident Fund and Miscellaneous Provisions Act, 1952**

The EPF Act is applicable to an establishment employing more than 20 employees and as notified by the government from time to time. All the establishments under the EPF Act are required to be registered with the appropriate Provident Fund Commissioner. Also, in accordance with the provisions of the EPF Act, the employers are required to contribute to the employees' provident fund the prescribed percentage of the basic wages, dearness allowances and remaining allowance (if any) payable to the employees. The employee shall also be required to make the equal contribution to the fund. The Central Government under Section 5 of the EPF Act (as mentioned above) frames Employees Provident Scheme, 1952.

- **Maternity Benefit Act, 1961**

The Act provides for leave and right to payment of maternity benefits to women employees in case of confinement or miscarriage etc. The Act is applicable to every establishment which is a factory, mine or plantation including any such establishment belonging to government and to every establishment of equestrian, acrobatic and other performances, to every shop or establishment within the meaning of any law for the time being in force in relation to shops and establishments in a state, in which ten or more persons are employed, or were employed, on any day of the preceding twelve months; provided that the state government may, with the approval of the Central Government, after giving at least two months' notice shall apply any of the provisions of this Act to establishments or class of establishments, industrial, commercial, agricultural or otherwise.

- **Payment of Gratuity Act, 1972**

ENVIRONMENT RELATED LAWS

Environment Protection Act, 1986 and Environment (Protection) Rules, 1986

The Environmental Protection Act, 1986 is an "umbrella"; legislation designed to provide a framework for coordination of the activities of various central and state authorities established under various laws. The potential scope of the Act is broad, with "environment" defined to include water, air and land and the interrelationships which exist among water, air and land, and human beings and other living creatures, plants, micro-organisms and property.

The Environmental Impact Assessment Notification, 2006 (the "Notification")

As per the Notification, any construction of new projects or activities or the expansion or modernisation of existing projects or activities as listed in the Schedule attached to the notification entailing capacity addition with change in process and or technology can be undertaken only after the prior environmental clearance from the Central Government or as the case may be, by the State Level Environment Impact Assessment Authority, duly constituted by the Central government under the provisions of the Environment (Protection) Act, 1986, in accordance with the procedure specified in the notification. The environmental clearance process for new projects comprises of four stages viz. screening, scoping, public consultation and appraisal. However, in 2016, MoEF issued a notification for integrating standard and objectively monitorable environmental conditions with building permissions for buildings of different sizes with rigorous monitoring mechanism for implementation of environmental concerns and obligations in building projects. This is in line with the objective of the Central Government to streamline the permissions for buildings and construction sector so that affordable housing can be provided to weaker sections in urban area under the scheme 'Housing for All by 2022'and is proposing to remove the requirement of seeking a separate environment clearance from the MoEF for individual buildings having a total build up area between 5,000 square metre and 150,000 square metre, apart from adhering to the relevant byelaws of the concerned State authorities.

The Water (Prevention and Control of pollution) Act, 1974 (the "Water Act")

The Water Act aims to prevent and control water pollution as well as restore water quality by establishing and empowering the Central Pollution Control Board and the State Pollution Control Boards. Under the Water Act, any person establishing any industry, operation or process, any treatment or disposal system, use of any new or altered outlet for the discharge of sewage or new discharge of sewage, must obtain the consent of the relevant State Pollution Control Board, who is empowered to establish standards and conditions that are required to be complied with.

The Air (Prevention and Control of Pollution) Act, 1981 (the "Air Act")

The Air (Prevention and Control of Pollution) Act, 1981 has been enacted to provide for the prevention, control and abatement of air pollution. Pursuant to the provisions of the Air Act, any person, establishing or operating any industrial plant within an air pollution control area, must obtain the consent of the relevant State Pollution Control Board prior to establishing or operating such industrial plant. No person operating any industrial plant in any air pollution control area is permitted to discharge the emission of any air pollutant in excess of the standards laid down by the State Pollution Control Board.

The Noise Pollution (Regulation & Control) Rules 2000 ("Noise Regulation Rules")

The Noise Regulation Rules regulate noise levels in industrial, commercial and residential zones. The Noise Regulation Rules also establish zones of silence of not less than 100 meters near schools, courts, hospitals, etc. The rules also assign

regulatory authority for these standards to the local district courts. Penalty for non-compliance with the Noise Regulation Rules shall be under the provisions of the Environment (Protection) Act, 1986.

The Municipal Solid Wastes (Management and Handling) Rules, 2000 ("Waste Management Rules, 2000") as superseded by Solid Waste Management Rules, 2016 ("Waste Management Rules, 2016")

The Waste Management Rules, 2000 applied to every municipal authority responsible for collection, segregation, storage, transportation, processing and disposal of municipal solid wastes. Any municipal solid waste generated in a city or a town, was required to be managed and handled in accordance with the compliance criteria and the procedure laid down in Schedule II of the Waste Management Rules, 2000. The Waste Management Rules, 2000 make the persons or establishments generating municipal solid wastes responsible for ensuring delivery of wastes in accordance with the collection and segregation system as notified by the municipal authority. The Waste Management Rules, 2000 have been superseded by the Waste Management Rules, 2016 which stipulate various duties of waste generators which, inter alia, include segregation and storage of waste generated by them in the manner prescribed in the Waste Management Rules, 2016; separate storage of construction and demolition waste and payment of user fee for solid waste management as specified in the bye-laws of the local bodies.

The Public Liability Insurance Act, 1991

The Public Liability Insurance Act places responsibility on those who own or control hazardous substances for any damage resulting from accidents involving such substances. A roster of hazardous substances falling under the scope of this law is outlined through government notifications. The owner or handler of these substances is additionally mandated to acquire an insurance policy that covers liability in connection with the act. Rules established under the Public Liability Act dictate that the employer is obligated to contribute to the environmental relief fund, an amount equivalent to the premium paid for insurance policies. This contribution is payable to the insurer.

GENERAL CORPORATE COMPLIANCE

The Companies Act, 2013

The Companies Act, 2013, has replaced the Companies Act, 1956 in a phased manner. The Act received the assent of President of India on 29th August 2013. The Companies Act deals with incorporation of companies and the procedure for incorporation and post incorporation. The conversion of private company into public company and vice versa is also laid down under the Companies Act, 2013. The procedure related to appointment of Directors, the procedure relating to winding up, voluntary winding up, appointment of liquidator also forms part of the Act. Further, Schedule V (read with sections 196 and 197), Part I lays down the conditions to be fulfilled for the appointment of a managing or whole-time director or manager. It provides the list of Acts under which if a person is prosecuted, he cannot be appointed as the director or Managing Director or Manager of a Company. The provisions relating to remuneration of the directors payable by the companies is under Part II of the said schedule.

The Registration Act, 1908

The Registration Act was passed to consolidate the enactments relating to the registration of documents. The main purpose for which the Registration Act was designed was to ensure information about all deals concerning land so that correct land records could be maintained. The Registration Act is used for proper recording of transactions relating to other immovable property also. The Registration Act provides for registration of other documents also, which can give these documents more authenticity. Registering authorities have been provided in all the districts for this purpose.

The Indian Stamp Act, 1899

The Indian Stamp Act, 1899 prescribes the rates for the stamping of documents and instruments by which any right or liability is, or purports to be, created, transferred, limited, extended, extinguished or recorded. Under the Indian Stamp Act, 1899, an instrument not 'duly stamped' cannot be accepted as evidence by civil court, an arbitrator or any other authority authorized to receive evidence. However, the document can be accepted as evidence in criminal court.

Shops and commercial establishments legislations

Under the provisions of local shops and establishments legislations applicable in the states in which establishments are set up, establishments are required to be registered. Such legislations regulate the working and employment conditions of the workers employed in shops and establishments including commercial establishments and provide for fixation of working

hours, rest intervals, overtime, holidays, leave, termination of service, maintenance of shops and establishments and other rights and obligations of the employers and employees. All establishments must be registered under the shops and establishments legislations of the state where they are located. There are penalties prescribed in the form of monetary fine or imprisonment for violation of the legislations, as well as the procedures for appeal in relation to such contravention of the provisions.

ANTI-TRUST LAWS

Competition Act, 2002 (the "Act")

The Act is to prevent practices having adverse effect on competition, to promote and sustain competition in markets, to protect interest of consumer and to ensure freedom of trade in India. The Act deals with prohibition of anti- competitive agreements. No enterprise or group shall abuse its dominant position in various circumstances as mentioned under the Act.

TAX RELATED LEGISLATIONS

Customs Act, 1962 and the Private Warehouse Licensing Regulations, 2016

The provisions of the Customs Act, 1962, as amended (the "Customs Act") apply at the time of import or export of goods. Under the Customs Act, the Central Board of Excise and Customs ("CBEC") is empowered to appoint, by notification, inter alia, ports or airports as customs ports or customs airports and places as the Inland Container Depot ("ICD"). Section 45 of the Customs Act lays down that all imported goods unloaded in a customs area shall remain in the custody of the person approved by the Commissioner of Customs until they are cleared for home consumption or warehouse or transhipped. The said Act contains provision for levying the custom duty on imported goods, export goods, goods which are not cleared, goods warehoused or transhipped within 30 days after unloading etc. It also provides for storage of imported goods in warehouses pending clearance, for goods in transit etc., subject to prescribed conditions.

Central Goods and Services Tax Act, 2017 (the "GST Act")

The GST Act levies indirect tax throughout India to replace many taxes levied by the Central and State Governments. The GST Act was applicable from July 1, 2017 and combined the Central Excise Duty, Commercial Tax, Value Added Tax (VAT), Food Tax, Central Sales Tax (CST), Introit, Octroi, Entertainment Tax, Entry Tax, Purchase Tax, Luxury Tax, Advertisement Tax, Service Tax, Customs Duty, Surcharges. GST is levied on all transactions such as sale, transfer, purchase, barter, lease, or import of goods and/or services. India has adopted a dual GST model, meaning that taxation is administered by both the Union and State Governments. Transactions made within a single state is levied with Central GST (CGST) by the Central Government and State GST (SGST) by the government of that state. For inter-state transactions and imported goods or services, an Integrated GST (IGST) is levied by the Central Government. GST is a consumption-based tax; therefore, taxes are paid to the state where the goods or services are consumed and not the state in which they were produced.

Income-tax Act, 1961 ("Income Tax Act")

The Income Tax Act is applicable to every company, whether domestic or foreign whose income is taxable under the provisions of this Act or Rules made there under depending upon its "Residential Status" and "Type of Income" involved. The Income Tax Act provides for the taxation of persons resident in India on global income and persons not resident in India on income received, accruing or arising in India or deemed to have been received, accrued or arising in India. Every company assessable to income tax under the Income Tax Act is required to comply with the provisions thereof, including those relating to tax deduction at source, advance tax, minimum alternative tax, etc.

INTELLECTUAL PROPERTY LEGISLATIONS

Trade Marks Act, 1999 ("Trade Marks Act")

The Trade Marks Act provides for the application and registration of trademarks in India. The purpose of the Trade Marks Act is to grant exclusive rights to marks such as a brand, label and heading, and to obtain relief in case of infringement of such marks. An application for the registration of trademarks has to be made to Controller-General of Patents, Designs and Trade Marks who is the Registrar of Trade Marks for the purposes of the Trade Marks Act. It also provides for penalties for infringement, falsifying, and falsely applying trademarks and using them to cause confusion among the public.

Designs Act, 2000 ("Designs Act")

Industrial designs have been accorded protection under the Designs Act. A 'Design' means only the features of shape, configuration, pattern, ornament or composition of lines or color or combination thereof applied to any article whether two dimensional or three dimensional or in both forms, by any industrial process or means, whether manual, mechanical or chemical, separate or combined, which in the finished article appeal to and are judged solely by the eye, but does not include any mode or principle or construction or anything which is in substance a mere mechanical device, and expressly excludes works accorded other kinds of protection like property marks, Trademarks and Copyrights.

Any person claiming to be the proprietor of a new or original design may apply for registration of the same under the Act before the Controller-General of Patents, Designs and Trade Marks. On registration, the proprietor of the design attains a copyright over the same. The duration of the registration of a design in India is initially ten years from the date of registration, but in cases where claim to priority has been allowed the duration is ten years from the priority date. No person may sell, apply for the purpose of sale or import for the purpose of sale any registered design, or fraudulent or obvious imitation thereof.

GENERAL LAWS

Apart from the above list of laws – which is inclusive in nature and not exhaustive - general laws like the Negotiable Instrument Act 1881, Employment Exchanges (Compulsory Notification of Vacancies) Act, 1959, Consumer Protection Act 2019, Indian Contract Act, 1872, Transfer of Property Act, 1882, Information Technology Act, 2000 etc.

OTHER LAWS

Foreign Direct Investment

Regarding "Foreign Direct Investment" (FDI), the Indian government has periodically communicated its policies through press notes and releases. The Department of Industrial Policy and Promotion, Ministry of Commerce and Industry, Government of India (referred to as "DIPP"), issued the consolidated "FDI Policy Circular of 2020" ("FDI Policy 2020"), which came into effect on October 15, 2020. This comprehensive policy consolidated and superseded all previous press notes, press releases, and clarifications on FDI policy issued by the DIPP. The government intends to update this consolidated circular on FDI policy annually, with FDI Policy 2020 remaining valid until the issuance of an updated circular.

The "Reserve Bank of India" (RBI) also plays a crucial role in governing FDI in India through its "Master Directions on Foreign Investment in India," which are periodically updated. These directions specify that an Indian company may issue new shares to individuals residing outside India, subject to certain eligibility criteria and pricing guidelines outlined in the Master Directions. Companies conducting such share issuances are obligated to meet reporting requirements, including disclosing considerations for the issuance of shares, and filing relevant forms such as Form FC-GPR.

Foreign Trade (Development and Regulation) Act, 1992 (the "Act")

The "Foreign Trade (Development and Regulation) Act, 1992" (referred to as the "Act") governs and regulates India's foreign trade policies concerning the exchange of goods and services. It was enacted in 1992 as a replacement for the "Import and Exports (Control) Act, 1947." The primary objective of this Act is to facilitate imports into and increase exports from India. It aims to achieve these goals by providing a legal framework for the development and regulation of foreign trade. Notably, through the "Foreign Trade (Development and Regulation) Amendment Act of 2010," the Act expanded its scope to include the import and export of "services" in its regulatory ambit.

Other regulations:

In addition to the above, the Company is required to comply with the provisions of the Companies Act, and other applicable statutes imposed by the Centre or the State for its day-to-day operations.

B. RESTATED SIGNIFICANT ACCOUNTING POLICIES AND NOTES TO ACCOUNTS

1.1 Basis of Accounting

The restated summary statement of assets and liabilities of the company as at March, 31, 2026, March 31, 2025 and March 31, 2024 and the related restated summary of profit and loss and cash flow for the year ended March 31, 2026, March 31, 2025 and March 31, 2024 (herein collectively referred to as ("Restated Summary Statement") have been compiled by the Management from the audited Financial Statements for the year ended March 31, 2026, March 31, 2025 and March 31, 2024. Restated Summary Statement have been prepared to comply in all material respects with the provisions of Part 1 of Chapter III of the Companies Act, 2013 (the "Act") read with Companies (Prospectus and Allotment of Securities) Rules, 2014, Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 ("ICDR Regulations") issued by SEBI and Guidance note on Reports in Companies Prospectuses (Revised 2019) ("Guidance Note"). Restated Summary Statements have been prepared specifically for inclusion in the offer document to be filed by the Company with the NSE EMERGE in connection with its proposed IPO. The Company's management has recast the Financial Statements in the form required by Schedule III of the Companies Act, 2013 for the purpose of restated Summary Statements.

The restated financial statements have been prepared under historical cost convention and evaluated on a going concern basis using the accrual system of accounting in accordance with accounting standards notified under Section 133 of the of the Companies Act, 2013, read with Rule 7 of Companies (Account) Rule, 2014 (as amended) and other recognised accounting practices and policies generally accepted in India (Indian GAAP) as adopted consistently by the Company.

All assets and liabilities have been classified as current and non-current as per normal operating cycle of the Company and other criteria set out in the Schedule III of the Companies Act, 2013.

1.2 Use of Estimates

The preparation of financial statements in accordance with the generally accepted accounting principles (Indian GAAP), which requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income, expenses and the disclosure of contingent liabilities at the end of the reporting period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimate is recognized in the period in which the estimates are revised and in any future period affected**.**

1.3 Inventory

Inventories other than scrap materials are valued at lower of cost or net realizable value after providing cost of Obsolescence, if any.
Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion and the estimated cost necessary to make the sale.
Inventories of scrap materials have been valued at net realizable value.

1.4 Property, Plant and Equipment

Property, Plant & Equipment's are initially recognised at cost. The initial cost of Property, Plant & Equipment's comprises its purchase price, installation expense including non-refundable duties and taxes net of any trade discounts and rebates. Property, Plant & Equipment's are stated at cost less accumulated depreciation and impairment losses, if any.
Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Association and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.
Depreciation on Property, Plant & Equipment's shall be provided on WDV Method as per the rates prescribed in Schedule II of the Companies Act, 2013. Depreciation on the added/disposed off during the year has been provided on pro-rata basis with reference to the date of addition/disposal.

1.5 Revenue Recognition

Revenue from sale of goods and services provided has been accounted for when the goods are sold and services is actually rendered provided that at the time of raising the claim it is not unreasonable to expect ultimate collection of the revenue.
Income in respect of interest, insurance claims etc. is recognized to the extent the company is reasonably certain of its ultimate realization

1.6 Cash and Cash Equivalent

Cash and cash equivalents comprises Cash-in-Hand, Short-term Deposits and Balance in Current Accounts with Banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

1.7 Current and Non Current Classifications

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

i. it is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle;
ii. it is held primarily for the purpose of being traded;
iii. it is expected to be realised within 12 months after the reporting date, or
iv. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
Current assets include the current portion of non-current financial assets. All other assets are classified as noncurrent.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

i. it is expected to be settled in the company's normal operating cycle;
ii. it is held primarily for the purpose of being traded;
iii. it is due to be settled within 12 months after the reporting date; or
iv. the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.
Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as noncurrent.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of operations and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months.

1.8 Accounting for Taxes on Income

Provision for current tax is made after taking into consideration benefits under the provisions of the Income Tax Act 1961. Deferred tax resulting from timing differences between book and taxable profit is accounted for using the tax rates and laws that have been enacted or substantively enacted as on the balance sheet date, in accordance with Accounting standards (A.S. 22) "Accounting for Taxes on Income" issued by the institute of Chartered Accountants of India.

1.9 Employees Retirement Benefit

i) Short-term Employee Benefits: Short-term employee benefits are recognized as an expense in the Statement of Profit and Loss in the period in which the related services are rendered.

ii) Defined Contribution Plans: Contributions to defined contribution plans such as Provident Fund and Employee State Insurance are recognized as an expense in the Statement of Profit and Loss in the period in which the employees render the related services.

iii) Defined Benefit Plans: Gratuity and other defined benefit obligations are provided for on the basis of actuarial valuation carried out at the balance sheet date. Actuarial gains and losses are recognized in the Statement of Profit and Loss in the year in which they arise.

1.10 Investments

Long term investments are stated at cost less other than temporary diminution in value, if any. Current investments are stated at lower of cost and fair value.

1.11 Borrowing Cost

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognized in the Statement of Profit and Loss in the period in which they are incurred. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing cost.

1.12 Provisions, Contingent Liabilities & Contingent Assets

Provisions are recognised when there is a present obligation (legal or constructive) as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of obligation, provisions are measured at the best estimate of the expenditure required to settle the present obligation at the balance sheet date.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the time passage of time is recognised as a finance cost.

1.13 Liabilities & Contingent Liabilities

The company records a liability for any claims where a potential loss is probable and capable of being estimated and discloses such matters in its financial statements, if material. For potential losses that are considered possible, but not probable, the Company provides disclosure in the Financial statements but does not record a liability in its accounts unless the loss becomes probable.

1.14 Foreign Exchange Transaction

Transactions in foreign currencies and non-monetary assets are recognised at the exchange rate prevailing on the date of the transaction. All monetary items denominated in foreign currency are converted at the year-end exchange rate. The exchange differences arising on such conversion and on settlement of the transactions are recognised within the Statement of Profit and Loss, other than those relating to depreciable capital assets which are adjusted to the cost of respective assets.

1.15 Earnings Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends if any and attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit for the period attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares from the exercise of options on unissued share capital. The number of equity shares is the aggregate of the weighted average number of equity shares and the weighted average number of equity shares, which would be issued on the conversion of all the dilutive potential equity shares into equity shares. Options on unissued equity share capital (if any) are deemed to have been converted into equity shares.

1.16 Statement of Cash Flows

Cash flows are reported using the indirect method, whereby profit/loss before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts and payments. Cash flow for the year are classified by operating, investing and financial activities.

1.17 Segment Reporting

The Company identifies its operating segments based on internal management reporting structure and evaluates performance by business segments, namely Design, Manufacture, Supply, Installation and Commissioning of Solar Products and Manufacturing and supply of Solar Products.

1.18 Company had created Charge on its assets amounting to Rs. 51.62 Crores.

1.19 Party balances whether in debit or in credit are subject to confirmation.

1.20 Previous years figures have been regrouped and reclassified wherever considered necessary.

Ratios	31 March 2026	31 March 2025	Variation (%)	Remarks to Variation more than 25%
(a) Current Ratio	1.48	1.33	11.19%	
(b) Debt-Equity Ratio	0.77	1.02	-24.43%	The decrease in Debt-Equity Ratio is primarily attributable to higher growth in shareholders' funds, driven by increased profitability during the year, as compared to

Ratios	31 March 2026	31 March 2025	Variation (%)	Remarks to Variation more than 25%
				growth in borrowings. While borrowings increased by approximately ₹9 Crores (34%), shareholders' funds increased by approximately ₹20.5 Crores (79%) on account of higher retained earnings, resulting in an improved capital structure and lower Debt-Equity Ratio.
(c) Debt Service Coverage Ratio	0.80	0.70	14.45%	
(d) Return on Equity Ratio	0.56	0.89	-36.94%	The decrease in Return on Equity Ratio is primarily due to a substantial increase in shareholders' funds during the year on account of higher retained earnings and reserves. Although Profit After Tax increased from ₹16.43 Crores in FY 2024-25 to ₹20.67 Crores in FY 2025-26, the net worth increased at a comparatively higher rate from approx ₹26 Crores to ₹46 Crores, resulting in a lower Return on Equity Ratio.
(e) Inventory Turnover Ratio	39.89	8.22	385.29%	In FY 2025–26, the inventory Turnover Ratio has improved from 8 to 40 due to higher sales/consumption. The Inventory Turnover Ratio improved primarily due to more efficient inventory management and faster conversion of inventory into sales, resulting in improved operational efficiency.
(f) Trade Receivables Turnover Ratio	1.78	2.67	-33.38%	During FY 2025–26, the Company expanded its operational presence in Maharashtra and secured various government contracts with Maharashtra State Electricity Distribution Company Limited and Maharashtra Energy Development Agency. As these were first-time engagements, the initial integration and coordination with their procurement systems and digital platforms required additional time and effort. Considering the nature of government contracts, particularly those involving supply and service components, the Trade Receivables Turnover Ratio remained relatively lower due to extended Operational cycles, milestone-based execution requirements, and multi-level approval procedures. Approximately ₹60 crore of invoices were raised during the last three months of the financial year; however, certain projects had not reached the requisite execution milestones and documentation stages necessary for submission to the respective departments for payment processing and release. Additionally, approximately ₹17 crore pertains to retention amounts recoverable as per contractual terms.
(g) Trade Payables Turnover Ratio	2.68	2.26	18.76%	
(h) Net Capital Turnover	3.52	6.69	-47.43%	The decrease in Net Capital Turnover Ratio

Ratios	31 March 2026	31 March 2025	Variation (%)	Remarks to Variation more than 25%
Ratio				is mainly attributable to higher working capital levels maintained during the year to support expansion of business operations in Maharashtra (MSEDCL and MEDA) and execution of multi-site projects. The increase in receivables and inventory was aligned with the project execution cycle of government contracts, which involves milestone based execution requirements, multi-level approval procedures and integration with under-development departmental portals. The working capital position is expected to normalize upon achievement of subsequent payment realization milestones.
(i) Net Profit Ratio	0.12	0.12	5.17%	
(j) Return on Capital Employed	0.36	0.44	-19.14%	
(k) Return on Investment	-	-	-	

Ratios	31 March 2025	31 March 2024	Variation (%)	Remarks to Variation more than 25%
(a) Current Ratio	1.33	1.08	22.48%	-
(b) Debt-Equity Ratio	1.02	2.28	-55.28%	The company's net profit increased from ₹4.95 crore in FY 2023–24 to ₹16.43 crore in FY 2024–25 and was fully retained within the business, resulting in a significant rise in shareholders' equity, from ₹10.33 crore to ₹26.46 crore, representing a 150.68% increase. In contrast, total borrowings increased marginally by 14% during the same period. The proportionately much higher growth in equity relative to debt led to a substantial decline in the Debt-to-Equity Ratio (DER), reflecting a stronger capital structure and reduced financial leverage.
(c) Debt Service Coverage Ratio	0.70	0.25	176.37%	The finance cost increased in FY 2024–25 due to the availing of auto loans and a term loan for machinery procurement, resulting in higher interest expenses. However, The company's net profit increased from ₹4.95 crore in FY 2023–24 to ₹16.43 crore in FY 2024–25 and was fully retained within the business, resulting in a significant rise in EBIDT, which has improved this ratio.
(d) Return on Equity Ratio	89.32%	62.92%	41.96%	Our Cash Credit limits and Line of Credit facilities were enhanced during FY 2024–25 and were effectively utilised throughout the year to execute work orders awarded at substantially higher rates compared to the first half of the previous year. This contributed to a significant improvement in profitability. By consistently selling at higher margins and efficiently deploying the earnings alongside the enhanced working capital facilities, we were able to negotiate better

				purchase terms with suppliers, including shorter credit periods and reduced costs. The combination of improved project pricing and strengthened liquidity through adequate working capital availability supported stronger profitability during the year leading to company's net profit increase from ₹4.94 crore in FY 2023–24 to ₹16.43 crore in FY 2024–25 showing an increase of 221% and was fully retained within the business, resulting in a significant rise in shareholders' equity, from ₹10.33 crore to ₹26.46 crore, representing a 150.68% increase. So the overall Return on Equity Ratio further improved.
(e) Inventory Turnover Ratio	8.22	9.27	-11.34%	
(f) Trade Receivables Turnover Ratio	2.67	5.29	-49.52%	In FY 2024–25, the company expanded its operational presence to new regions, securing government contracts in Maharashtra and Punjab in addition to existing markets in Haryana and Rajasthan. As first-time engagements, initial coordination with their procurement systems and digital platforms required additional time and effort. Both states are in the process of enhancing their e-procurement and invoicing portals for streamlined documentation and remote processing, with ongoing feedback loops from vendors. Given the nature of government contracts—especially those involving a supply and service component—the Trade Receivables Turnover Ratio remains relatively low, due to extended billing cycles and approval processes.
(g) Trade Payables Turnover Ratio	2.26	5.88	-61.59%	Due to the increase in holding period of Creditor and recovery period from Debtors, this ratio is impacted.
(h) Net Capital Turnover Ratio	6.69	22.62	-70.42%	The overall sales volume in FY 2024–25 was marginally higher compared to FY 2023–24; however, the Company deployed significantly higher working capital through enhanced Cash Credit limits and Line of Credit facilities. This resulted in a decrease in the Net Capital Turnover Ratio relative to the previous year. Nevertheless, the increased working capital utilisation enabled the Company to achieve substantially higher profit margins, supported by improved purchase terms and reduced costs negotiated with suppliers on shorter credit periods.
(i) Net Profit Ratio	11.54%	3.58%	222.60%	1. Shift to High-Margin Work Orders Executed in Full-Year • FY 2023–24 was a transition year, with a blend of low-margin legacy EESL projects and newly awarded SECI projects at higher

				prices. Only part of the revenue in FY 2023–24 reflected the benefit of these higher-margin orders, as execution began post-October 2023. • In contrast, FY 2024–25 witnessed a full-year execution of SECI and other state government projects under PM Kusum Yojna that were awarded at substantially higher rates, resulting in a marked increase in gross margin per unit without a proportionate increase in revenue. 2. Better Procurement Terms and Reduced Input Costs • The Company renegotiated supplier terms in FY 2024–25 owing to stronger liquidity and working capital availability due to deployment of the earnings alongside the enhanced working capital facilities, reducing average procurement costs. • Unlike FY 2023–24, which saw bulk material purchases on extended but higher-cost credit, FY 2024–25 benefitted from lower-cost procurement on shorter credit period decreasing the average Trade Payable Days from 137 in FY 2023–24 to 105 in FY 2024–25, thus boosting profitability.
(j) Return on Capital Employed	44.32%	23.37%	89.63%	1. Ratios	31 March 2024	31 March 2023	Variation (%)	Remarks to Variation more than 25%
(a) Current Ratio	1.08	1.15	-5.94%	-
(b) Debt-Equity Ratio	2.28	3.53	-35.39%	The company's profit increased substantially in FY 2023–24 and was fully retained in the business, resulting in a significant increase in shareholders' equity as Reserves & Surplus. As the borrowings did not increase proportionately, the increase in equity led to a decline in the Debt-to-Equity Ratio (DER), indicating an improvement in the company's capital structure and reduced financial leverage.
(c) Debt Service Coverage Ratio	0.25	0.10	147.18%	In FY 2023–24, the company recorded a significant increase in both turnover and profitability as compared to the previous year without proportionate rise in the short term debt. During the same period, the company repaid its long-term borrowings, resulting in lower finance costs and a reduction in the overall debt service burden. As a result, the Debt Service Coverage Ratio (DSCR) improved, indicating enhanced capacity to meet debt obligations through operating income.
(d) Return on Equity Ratio	62.92%	11.43%	450.38%	1. Completion of Legacy Low-Margin Work Orders: As stated above, during FY 2022–23, the Company primarily executed Work Orders awarded under tender issued by Energy Efficiency Services Limited (EESL) in FY 2020-21, for design, manufacturing, supply, installation and commissioning of Solar Water Pumping Systems under PM KUSUM Yojna. These contracts, active from June 2021 to August 2023, were executed at pre-determined rates that remained fixed over the tenure of the empanelment and did not include price escalation clauses to offset increases in raw material costs over time. During this period, significant increases in raw material costs occurred, eroding margins. As a result, the Company operated at compressed gross margins during that period, which contributed to the low PAT margin of approximately 1.24% in FY 2022–23 and this execution continued till Sep

				2023. 2. Shift to Higher-Margin Contracts: From October 2023 onward, the Company commenced execution of new Work Orders awarded under tenders floated by the Solar Energy Corporation of India (SECI) for Solar water Pumping System under PM KUSUM Yojna. These contracts reflected prevailing market pricing and were awarded at significantly higher rates relative to the EESL contracts. Supplies under the new SECI Work Orders began in October 2023, resulting in a progressive improvement in per-unit gross margins during the latter half of FY 2023–24. 3. Operating Leverage: The Company benefited from economies of scale and operating leverage as turnover increased. A substantial portion of administrative and fixed overhead costs remained stable, while revenue expanded nearly threefold. This resulted in a lower per-unit cost allocation, thereby improving the operating and net margins. 4. Optimized Working Capital and Credit Utilization: During FY 2023–24, the Company negotiated extended credit terms with suppliers, increasing the average Trade Payable Days from 16 in FY 2022–23 to 137 in FY 2023–24. These measures reduced the requirement for additional higher-cost borrowings and optimized cash flow management. To support higher turnover exceeding ?138 crore, materials were procured on extended credit terms. While this approach supported revenue growth, it also incurred higher input costs, moderating the improvement in profitability. Additionally, the Company utilized an enhanced Cash Credit Limits of ?1,600 lakhs to facilitate the timely procurement of materials and execution of orders.
(e) Inventory Turnover Ratio	9.27	9.27	0.02%	-
(f) Trade Receivables Turnover Ratio	5.29	3.45	52.98%	Revenue increased significantly from approximately ?47 crore in FY 2022–23 to around ?138 crore in FY 2023–24, accompanied by improved realisation of trade receivables towards the end of FY 2023–24. • This was primarily on account of a change in payment terms by government departments under applicable schemes, requiring a mandatory successful operation for 90 days with complete water discharge data on Remote

				Monitoring Portals post-installation of solar pumping systems before release of final payments. • The revised payment schedule led to an elongation of the receivables cycle and consequently higher working capital requirements to bridge the gap between expenditures and collections.
(g) Trade Payables Turnover Ratio	5.88	8.71	-32.46%	Revenue increased substantially from ?47 crore in FY 2022–23 to ?138 crore in FY 2023–24, supported by extended credit terms with Suppliers leading to a significant rise in trade payables. While purchases and cost of goods sold (COGS) during FY 2023–24 were approximately three times higher than the prior year, trade payables rose in a considerably higher proportion—from ?1.87 crore to ?47.75 crore. Consequently, the Trade Payables Turnover Ratio declined, indicating extended supplier credit terms and a strategic shift toward leveraging trade credit as a key component of working capital financing.
(h) Net Capital Turnover Ratio	22.62	11.78	92.06%	We achieved a threefold year-on-year growth in revenue during FY 2023–24, driven both by an increase in short-term borrowings and, significantly, by extended credit terms negotiated with suppliers. As a result, the percentage increase in revenue was proportionately higher than the percentage increase in working capital utilisation.

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITIONS AND RESULTS OF OPERATIONS

You should read the following discussion of our financial condition and results of operations together with our restated financial statements for the financial year ended on 31st March 2026, 31st March 2025 and 31st March 2024 including the notes and significant accounting policies thereto and the reports thereon, which appear elsewhere in this Red Herring Prospectus. You should also see the section titled ***"Risk Factors"*** *beginning on page 25 of this Red Herring Prospectus, which discusses a number of factors and contingencies that could impact our financial condition and results of operations. The following discussion relates to our Company, unless otherwise stated, is based on restated audited financial statements.*

These financial statements have been prepared in accordance with Indian GAAP, the Companies Act and the SEBI (ICDR) Regulations and restated as described in the report of our auditors dated July 01, 2026 which is included in this Red Herring Prospectus under the section titled ***"Financial Information as Restated"*** *beginning on page 223 of this Red Herring Prospectus. The restated financial statements have been prepared on a basis that differs in certain material respects from generally accepted accounting principles in other jurisdictions, including US GAAP and IFRS. We do not provide a reconciliation of our restated financial statements to US GAAP or IFRS and we have not otherwise quantified or identified the impact of the differences between Indian GAAP and U.S. GAAP or IFRS as applied to our restated financial statements.*

This discussion contains forward-looking statements and reflects our current views with respect to future events and financial performance. Actual results may differ materially from those anticipated in these forward-looking statements as a result of certain factors such as those described under ***"Risk Factors"*** *and* ***"Forward Looking Statements"*** *beginning on pages 25 and 18 respectively, and elsewhere in this Red Herring Prospectus.*

Accordingly, the degree to which the financial statements in this Red Herring Prospectus will provide meaningful information depends entirely on such potential investor's level of familiarity with Indian accounting practices. Our F.Y. ends on March 31 of each year; therefore, all references to a particular fiscal are to the twelve-month period ended March 31 of that year. Please also refer to section titled "Certain Conventions, Use of Financial, Industry and Market Data and Currency Presentation" beginning on page 13 of this Red Herring Prospectus.

As *certified by our peer review auditor having peer review certificate Himanshu Mohta & Associates vide their examination report dated September 14, 2026*

Our focus on functional and operational excellence has contributed to our track record of robust financial performance. For the Fiscal Year 2026, Fiscal 2025 and Fiscal 2024, we generated total income of ₹ 17,169.29 Lakhs, ₹ 14,313.72 Lakhs and ₹ 13,864.69 Lakhs respectively, EBITDA (operating profit) of ₹ 2,904.43 Lakhs, ₹ 2,357.50 Lakhs and ₹ 782.55 Lakhs respectively and net profit after tax of ₹ 2,066.61 Lakhs, ₹ 1,643.06 Lakhs and ₹ 494.59 lakhs respectively. We have reported Return on Net Worth of 44.04%, 62.11% and 47.86% for the Fiscal 2026, Fiscal 2025 and Fiscal 2024 respectively. Our steady operating cash flows enable us to meet the present and future needs of our customers while our strong financial performance instil confidence in us.

The Revenue from operations has increased from ₹ 13,831.92 Lakhs in FY 2023-24 to ₹ 17,034.32 Lakhs in FY 2025-26 i.e. revenue from operation increased by ₹ 3,202.41 Lakhs (23.15 % for the said period) and PAT increased from ₹ 494.59 lakhs (3.57 % of total revenue) to ₹ 2,066.61 lakhs (12.04 % of total revenue) as per restated financial statements for the said period primarily. This increase in profits can be attributed to strategic cost reductions, Optimized Working Capital and Credit Utilization. During FY 2022–23, the Company primarily executed Work Orders awarded under tenders issued by Energy Efficiency Services Limited (EESL) for the design, manufacturing, supply, installation, and commissioning of Solar Water Pumping Systems under the PM KUSUM Yojna. These contracts, active from December 2021 to August 2023, were awarded at predetermined rates that remained fixed for their tenure and did not include price escalation clauses to mitigate rising raw material costs. Consequently, the significant increase in raw material prices during this period eroded margins. From October 2023 onwards, the Company commenced execution of new Work Orders awarded under tenders floated by the Solar Energy Corporation of India (SECI) for Solar Water Pumping Systems under the same scheme. Unlike the earlier contracts, these were awarded at prevailing market-linked rates, which were substantially higher than those under EESL. Supplies under SECI Work Orders began in October 2023, leading to a progressive improvement in per-unit gross margins in the latter half of FY 2023–24. While FY 2023–24 was a transition year, comprising a mix of low-margin EESL projects and higher-margin SECI projects, FY 2024–25 reflected the full-year execution of SECI and other state government projects under the PM KUSUM Yojna at substantially higher rates. This shift resulted in a marked improvement in gross margin per unit without a commensurate increase in revenue.

COMPARISON OF THE FINANCIAL PERFORMANCE OF FISCAL 2026 WITH FISCAL 2025

Total Revenue: The total revenue consists of revenue from operation and other income and has been increased from ₹ 14,313.72 lakhs in FY 2024-25 to ₹ 17,169.29 lakhs in FY 2025-26 i.e. total revenue increased by ₹ 2,855.57 Lakhs for the said period primarily due to increase in revenue from operations of the Company.

Revenue from Operations: The revenue from operations has been increased from ₹ 14,243.73 lakhs in FY 2024-25 to ₹ 17,034.32 lakhs in FY 2025-26 i.e. revenue from operation increased by ₹ 2,790.59 lakhs (19.59% for the said period). The increase in operational revenue was driven by the company's expansion into new regions and the successful acquisition of additional government contracts in Maharashtra alongside its existing markets in Haryana.

Other Income: The other income of the company increased from ₹ 69.99 lakhs in FY 2024-25 to ₹ 134.97 lakhs in FY 2025-26. This was majorly due to increase in Interest Income, Insurance Claims.

Total Expenses
The total expenses (excluding Depreciation & Amortization Expenses, Financial Charges and provision for tax) for the FY 2024-25 were increased from ₹ 11,836.29 Lacs (82.69% of total revenue) to ₹ 14,055.44 Lacs (81.86% of total revenue) in the FY 2025-26 i.e., total expenses increased by ₹ 2,219.15 lakhs. Despite of increase in total expenses in absolute terms, the overall profitability increased by 0.83 % of Total revenue. The increase in costs was mainly due to increase in Cost of Materials Consumed during the year.

Cost of Materials Consumed: The cost of materials consumed for the FY 2025-26 was increased to ₹ 13,266.70 Lakhs (77.27% of total income) as against ₹ 11,232.20 Lakhs in the FY 2024-25 (78.47% of total income) i.e., cost of materials consumed increased by ₹ 2,034.50 lakhs. Despite of increase in total expenses in absolute terms, the overall profitability increased by 1.20 % of Total revenue. The increase was primarily driven by an increase in revenue from operations.

Change in Inventory: Change in inventory represents the difference between the opening and closing balance of finished goods. For FY 2024-25, the change amounted to -₹38.26 lakhs as compared to ₹45.24 lakhs in the FY 2025-26.

Employee Benefit Expenses: The Employee Benefit Expenses for the FY 2025-26 was increased to ₹ 258.71 Lakhs (1.51% of total income) as against ₹ 172.29 Lakhs in the FY 2024-25 (1.20% of total income) i.e., employee benefit expenses increased by ₹ 86.42 lakhs and profitability decreased by 0.31% of Total revenue. This increase was primarily due to higher Directors' Remuneration and an increase in salaries, wages, and bonuses resulting from annual increments.

Other Expenses: The Other Expenses for the FY 2025-26 was increased to ₹ 484.79 Lakhs (2.82% of total income) as against ₹ 470.05 Lakhs in the FY 2024-25 (3.28% of total income) i.e., other expenses increased by ₹ 13.00 lakhs. Despite of increase in total expenses in absolute terms, the overall profitability increased by 0.46 % of Total revenue. This increase was mainly due to increase in Indirect Expenses pertaining to Audit Fee, CSR Expense, Electricity Expenses, Freight & Cartage, Legal and Professional Charges, Insurance Charges, Rates Fees and Taxes, Office Expenses, Printing and Stationery, Rental Expenses, Tender Expenses and other Miscellaneous Expenses.

Depreciation and Amortization Expenses: The Depreciation expenses for FY 2024-25 was increased from ₹ 60.58 Lakhs (0.42% of total income) to ₹ 63.13 Lakhs in the FY 2025-26 (0.37% of total income) i.e., depreciation increased by ₹ 2.55 lakhs. The increase in depreciation is primarily due to additions of fixed assets during the year.

Financial Charges: The Financial Charges for the FY 2024-25 was increased from ₹ 217.79 Lakhs (1.52% of total income) to ₹ 281.74 Lakhs (1.64% of total income) in the FY 2025-26 i.e., financial charges increased by ₹ 63.95 lakhs. This increase was mainly due to increase of Secured and Unsecured loan as per their utilization.

Profit/ (Loss) Before Tax: The restated Profit Before Tax (PBT) for FY 2025-26 increased to ₹ 2,768.98 lakhs (16.13% of total income) as against ₹ 2,199.07 lakhs in FY 2024-25 (15.36 % of total income), reflecting a rise of ₹ 569.91 lakhs and an improvement of 0.76% in overall profitability relative to total revenue. The reason for increase in PBT can be attributed to improved operating efficiencies and better absorption of fixed costs over a higher level of revenue.

Total Tax Expenses: The total tax expense for FY 2025-26 was increased to ₹ 702.37 Lakhs (4.09% of total income) as against ₹ 556.01 Lakhs (3.88% of total income) in the FY 2024-25. This increase was mainly due to increase in Profit before Tax as mentioned above. Since the company is earning higher amount than the last year, its paying higher tax as per applicable tax slab and other provision of Income Tax Act.

Profit/ (Loss) After Tax: The restated Profit after Tax for FY 2025-26 has been increased to ₹ 2,066.61 Lakhs (12.04% of total income) as against ₹ 1,643.06 Lakhs (11.48% of total income) in the FY 2024-25. This increase was mainly a result of combined effort of all expenses together as discussed above.

COMPARISON OF THE FINANCIAL PERFORMANCE OF FISCAL 2025 WITH FISCAL 2024

Total Revenue: The total revenue consists of revenue from operation and other income and has been increased from ₹ 13,864.69 lakhs in FY 2023-24 to ₹ 14,313.72 lakhs in FY 2024-25 i.e. total revenue increased by ₹ 449.04 Lakhs for the said period primarily due to increase in revenue from operations of the Company.

Revenue from Operations: The revenue from operations has been increased from ₹ 13,831.92 lakhs in FY 2023-24 to ₹ 14,243.73 lakhs in FY 2024-25 i.e. revenue from operation increased by ₹ 411.82 lakhs (2.98% for the said period). The increase in operational revenue was driven by the company's expansion into new regions and the successful acquisition of government contracts in Maharashtra, Chandigarh and Punjab alongside its existing markets in Haryana.

Other Income: The other income of the company increased from ₹ 32.77 lakhs in FY 2023-24 to ₹ 69.99 lakhs in FY 2024-25. This was majorly due to increase in Interest Income, Insurance Claims and other Miscellaneous Receipts.

Total Expenses

The total expenses (excluding Depreciation & Amortization Expenses, Financial Charges and provision for tax) for the FY 2024-25 were decreased to ₹ 11,836.29 Lacs (82.69% of total revenue) as against ₹ 13,016.99 Lacs (93.89% of total revenue) in the FY 2023-24 i.e., total expenses decreased by ₹ 1,180.70 lakhs and profitability increased by 11.19 % of Total revenue. The decrease was mainly due to decrease in Cost of Materials Consumed during the year.

Cost of Materials Consumed: The cost of materials consumed for the FY 2024-25 was decreased to ₹ 11,232.20 Lakhs (78.47% of total income) as against ₹ 12,704.82 Lakhs in the FY 2023-24 (91.63% of total income) i.e., cost of materials consumed decreased by ₹ 1,472.62 lakhs and the profitability increased by 13.16 % of Total revenue. The decrease was primarily driven by a reduction in the cost of raw materials consumed during the year, along with lower direct expenses related to factory and godown rent, repair and maintenance, power and fuel, and other overheads.

Change in Inventory: Change in inventory represents the difference between the opening and closing balance of finished goods. For FY 2024-25, the change amounted to -₹38.26 lakhs as compared to ₹5.99 lakhs in the FY 2023-24, thereby contributing to an improvement in profits by 0.31% of total revenue.

Employee Benefit Expenses: The Employee Benefit Expenses for the FY 2024-25 was increased to ₹ 172.29 Lakhs (1.20% of total income) as against ₹ 110.31 Lakhs in the FY 2023-24 (0.80% of total income) i.e., employee benefit expenses increased by ₹ 61.98 lakhs and profitability decreased by 0.41% of Total revenue. This increase was primarily due to higher Directors' Remuneration and an increase in salaries, wages, and bonuses resulting from annual increments.

Other Expenses: The Other Expenses for the FY 2024-25 was increased to ₹ 470.05 Lakhs (3.28% of total income) as against ₹ 195.87 Lakhs in the FY 2023-24 (1.41% of total income) i.e., other expenses increased by ₹ 274.18 lakhs thereby reducing profitability by 1.87% of Total revenue. This increase was mainly due to increase in Indirect Expenses pertaining to Business Promotion, Commission, CSR Expense, Custom Duty and Interest, Electricity Expenses, Legal and Professional Charges, Insurance Charges, Rates Fees and Taxes, Office Expenses, Rental Expenses, Repairs and Maintenance other Miscellaneous Expenses.

Depreciation and Amortization Expenses: The Depreciation expenses for FY 2024-25 was increased to ₹ 60.58 Lakhs (0.42% of total income) as against ₹ 23.66 Lakhs in the FY 2023-24 (0.17% of total income) i.e., depreciation increased by ₹ 36.92 lakhs. The increase in depreciation is primarily due to additions of fixed assets during the year.

Financial Charges: The Financial Charges for the FY 2024-25 was increased to ₹ 217.79 Lakhs (1.52% of total income) as against ₹ 136.68 Lakhs in the FY 2023-24 (0.99% of total income) i.e., financial charges increased by ₹ 81.11 lakhs. This increase was mainly due to increase of Secured and Unsecured loan as per their utilization.

Profit/ (Loss) Before Tax: The restated Profit Before Tax (PBT) for FY 2024–25 increased to ₹2,199.07 lakhs (15.36% of total income) as against ₹687.37 lakhs in FY 2023–24 (4.96% of total income), reflecting a rise of ₹1,511.70 lakhs and an improvement of 10.41% in overall profitability relative to total revenue. While FY 2023–24 was a transition year, comprising a mix of low-margin legacy EESL projects and newly awarded SECI projects at higher rates, with only part of the revenue reflecting the benefit of these higher-margin orders since execution began post-October 2023. By contrast, FY 2024–25 marked the first full year of execution of SECI and other state government projects under the PM KUSUM Yojna, awarded at substantially higher rates. The company also negotiated shorter credit period terms with the suppliers for better procurement rates, owing to stronger liquidity and working capital availability due to deployment of the earnings alongside the enhanced cash credit limits, thus reducing the average procurement costs. This shift resulted in a significant improvement in per-unit gross margins without a proportionate increase in revenue, thereby strengthening the Company's profitability base and positioning it for more sustainable margin performance in subsequent years.

Total Tax Expenses: The total tax expense for FY 2024-25 was increased to ₹ 556.01 Lakhs (3.88% of total income) as against ₹ 192.78 Lakhs (1.39% of total income) in the FY 2023-24. This increase was mainly due to increase in Profit before Tax as mentioned above. Since the company is earning higher amount than the last year, its paying higher tax as per applicable tax slab and other provision of Income Tax Act.

Profit/ (Loss) After Tax: The restated Profit after Tax for FY 2024-25 has been increased to ₹ 1,643.06 Lakhs (11.48% of total income) as against ₹ 494.59 Lakhs (3.57% of total income) in the FY 2023-24. This increase was mainly a result of combined effort of all expenses together as discussed above.

AN ANALYSIS OF REASONS FOR THE CHANGES IN SIGNIFICANT ITEMS OF INCOME AND EXPENDITURE IS GIVEN HEREUNDER:

1. ***Unusual or infrequent events or transactions***

   Except as described in this Red Herring Prospectus during the periods under review there have been no transactions or events, which in our best judgment, would be considered unusual or infrequent.

2. ***Significant economic changes that materially affected or are likely to affect income from continuing operations.***

   There are no significant economic changes that may materially affect or likely to affect income from continuing operations. However, Government policies governing the sector in which we operate as well as the overall growth of the Indian economy has a significant bearing on our operations. Major changes in these factors can significantly impact income from continuing operations.

This will also include civil litigations where the decision in one case is likely to affect the decision in similar cases even though the amount involved in an individual litigation may not exceed the materiality threshold.

Further, any such proceedings wherein a monetary liability is not quantifiable, or which does not fulfil the threshold as specified in (a) above, but the outcome of such a proceeding could have a material adverse effect on the financial position, business, operations, prospects, or reputation of the Company, in the opinion of the Board; or

The decision in such a proceeding is likely to affect the decision in similar proceedings, such that the cumulative amount involved in such proceedings exceeds the Threshold, even though the amount involved in an individual proceeding does not exceed the Threshold.

Unless stated to the contrary, the information provided below is as of the date of this Red Herring Prospectus.

1. LITIGATION INVOLVING OUR COMPANY

a) Criminal Proceedings against the company

i) HVR Solar Pvt Ltd Vs. M/S Himalayan Solar Private Limited and Ors. (CT. Cases/14548/2023), Court of Chief Judicial Magistrate, North-West, RHC

The complainant company, engaged in manufacturing Solar PV Modules, was deceitfully induced by the accused—comprising two companies (Himalayan Solar Pvt. Ltd. and Apricate Power Pvt. Ltd.) and their directors and officers -to supply Solar PV Modulesworth over ₹34 lakh under the guise of a legitimate purchase. The complainant argues that, despite making only a partial advance payment and issuing post-dated cheques for the balance, the accused stopped payment on those cheques, falsely raised quality issues, and retained the goods which had already been installed at end-customer sites without complaint. The complainant alleges a criminal conspiracy, fraud, and threats—including death threats—against its Managing Director when legal action was pursued. The two cheques amounting to RS.17.44 Lacs each were dishonoured with "Payment Stopped by Drawer" remarks, and police action has been inadequate due to alleged collusion. As a result, the complainant seeks judicial intervention to summon and punish the accused under relevant laws for cheating, conspiracy, criminal intimidation, and breach

of trust. The case is currently pending at the stage of "Plantiff/Petitioner Evidence", with the next hearing scheduled for November 23, 2026.

b) Criminal proceedings filed by the Company

M/S Himalayan Solar Private Limited Vs. Advance Age Electricals and Mohit Singhal (Complaint No.236/2020), Court of Chief Judicial Magistrate at Panchkula.

The complainant, through its authorized representative Shri Virender Kumar, had regular business dealings with the accused, M/s Advance Age Electricals, for the purchase of solar ceiling fans. Despite timely payments totaling ₹88,86,705, the accused supplied less material and collected ₹9,02,376 in excess. Upon reconciliation and repeated requests, the accused issued two cheques—₹4,02,377 Cheque No. 000188 dated 12-12-2019 and ₹5,00,000, Cheque No. 000189 dated 20-12-2019 was dishonored with the remark "Payment Stopped by Drawer." The complainant sent legal notice to the accused on 18-01-2020 but went unanswered. Hence, the accused is liable under Section 138 of the Negotiable Instruments Act, 1881, read with Section 420 IPC. The case is currently pending at the stage of "After Charge Evidence" with the next hearing scheduled for September 22, 2026.

e) Other pending material litigations against the Company

1) Harshad Vs. M/S Himalayan Solar Private Limited (DC/59/CC/161/2022), District Consumer Disputes Redressal Commission, Bhiwani

The complainant, a resident of Gurera, District Bhiwani, applied through the Haryana Government's Saral portal on 03-11-2021 for the installation of a 10 HP solar pump under a government scheme, paying ₹1,14,938 via IDBI Bank. The complainant argues that, despite repeated follow-ups and assurances from the complainant (including the assigned vendor), the pump was never installed. This caused the complainant a crop yield loss of ₹2,70,000 and severe mental harassment, for which he claims an additional ₹1,00,000. A legal notice sent on 22-06-2022 was ignored, prompting the current complaint seeking compensation of ₹2,70,000 with 18% interest, additional ₹1,00,000 for mental harassment and costs of ₹11,000, and any other appropriate relief. The case is currently pending at the stage of "Admit", with the next hearing scheduled for 25th August 2026 (Date not updated on portal).

MINIMUM APPLICATION VALUE, MARKET LOT AND TRADING LOT

In accordance with Regulation 267 (2) of the SEBI ICDR (Amendment) Regulations, 2025, our Company shall ensure that the minimum application size shall be two lots per application:

"Provided that the minimum application size shall be above ₹ 2 lakhs."

The trading of our Equity Shares on the Stock Exchanges shall only be in dematerialised form. Allotment of Equity Shares will be only in electronic form in multiples of [●] Equity Shares, subject to a minimum Allotment of [●] Equity Shares. For the method of Basis of Allotment, see ***"Issue Procedure"*** on page 330 of this Red Herring Prospectus.

Further, in accordance with SEBI ICDR (Amendment) Regulations, 2025, the minimum application size in terms of number of specified securities shall not be less than ₹2.00 Lakh.

Allotment only in Dematerialised form

In terms of Section 29 of the Companies Act, 2013, the Equity Shares shall be allotted only in dematerialised form. As per the existing SEBI (ICDR) Regulations, the trading of the Equity Shares shall only be in dematerialised form for all investors. In this context, two agreements have been signed among our Company, the respective Depositories and the Registrar to the Issuer:

1. Tripartite agreement dated November 11, 2024 between our Company, NSDL and the Registrar to the Issue.
2. Tripartite agreement dated March 04, 2025 between our Company, CDSL and the Registrar to the Issue.

The trading of the Equity Shares will happen in the minimum contract size of [●] Equity Shares and the same may be modified by the Emerge Platform of NSE from time to time by giving prior notice to investors at large.

In accordance with Regulation 267 (2) of the SEBI (ICDR Amendment) Regulations, 2025, our Company shall ensure that the minimum application size shall be two (2) lots per application, provided that minimum application size shall be above Rs. 2,00,000 (Rupees Two Lakh). The issuer shall invite applications in multiples of the lot size.

MINIMUM NUMBER OF ALLOTTEES

Further in accordance with the Regulation 268(1) of SEBI ICDR Regulation, 2018 read along with SEBI ICDR (Amendment) Regulations, 2025, the minimum number of allottees in this Offer shall be 200 shareholders. In case the minimum number of prospective allottees is less than 200, no allotment will be made pursuant to this Issue and all the monies blocked by SCSBs shall be unblocked within two (2) working days of closure of Issue.

JOINT HOLDERS

Where two (2) or more persons are registered as the holders of any Equity Shares, they will be deemed to hold such Equity Shares as joint holders with benefits of survivorship.

NOMINATION FACILITY TO INVESTOR

In accordance with Section 72 of the Companies Act, 2013, the sole or first Bidder, along with other joint Bidder, may nominate any one person in whom, in the event of the death of sole Bidder or in case of joint Bidder, death of all the Bidders, as the case may be, the Equity Shares allotted, if any, shall vest. A person, being a nominee, entitled to the Equity Shares by reason of the death of the original holder(s), shall in accordance with Section 72 of the Companies Act, 2013, be entitled to the same advantages to which he or she would be entitled if he or she were the registered holder of the Equity Share(s). Where the nominee is a minor, the holder(s) may make a nomination to appoint, in the prescribed manner, any person to become entitled to Equity Share(s) in the event of his or her death during the minority. A nomination shall stand rescinded upon a sale of equity share(s) by the person nominating. A buyer will be entitled to make a fresh nomination in the manner prescribed. Fresh nomination can be made only on the prescribed form available on request at the Registered Office of our Company or to the Registrar and Transfer Agents of our Company.

In accordance with Section 72 of the Companies Act, 2013, any Person who becomes a nominee by virtue of this section shall upon the production of such evidence as may be required by the Board, elect either:

1. To register himself or herself as the holder of the Equity Shares; or
2. To make such transfer of the Equity Shares, as the deceased holder could have made.

Further, the Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the Equity Shares, and if the notice is not complied with within a period of ninety (90) days, the Board may thereafter withhold payment of all dividends, bonuses or other moneys payable in respect of the Equity Shares, until the requirements of the notice have been complied with.

Since the allotment of Equity Shares in the Issue will be made only in dematerialized form, there is no need to make a separate nomination with our Company. Nominations registered with the respective depository participant of the Bidder would prevail. If the investors require changing the nomination, they are requested to inform their respective depository participant.

WITHDRAWAL OF THE ISSUE

Our Company and the Selling Shareholder in consultation with the BRLM, reserve the right to not to proceed with the Issue after the Issue Opening Date but before the Allotment. In such an event, our Company would issue a public notice in the newspapers in which the pre-Issue advertisements were published, within two (2) days of the Issue Closing Date or such other time as may be prescribed by SEBI, providing reasons for not proceeding with the Issue. The Book Running Book Running Lead Manager, through the Registrar to the Issue, shall notify the SCSBs to unblock the bank accounts of the ASBA Bidders within one (1) Working Day from the date of receipt of such notification. Our Company shall also inform the same to the Stock Exchange on which Equity Shares are proposed to be listed.

Notwithstanding the foregoing, this Issue is also subject to obtaining the final listing and trading approvals of the Stock Exchange, which our Company shall apply for after Allotment. If our Company withdraws the Issue after the Issue Closing Date and thereafter determines that it will proceed with an issue/issue for sale of the Equity Shares, our Company shall file a fresh Red Herring Prospectus with the Stock Exchange.

whichever is higher from the date on which such multiple amounts were blocked till the date of actual unblock; (iii) any blocking of amounts more than the Bid Amount, the Bidder shall be compensated at a uniform rate of ₹ 100 per day or 15% per annum of the difference in amount, whichever is higher from the date on which such excess amounts were blocked till the date of actual unblock; (iv) any delay in unblocking of non-allotted/ partially allotted Bids, exceeding two Working Days from the Bid/Offer Closing Date, the Bidder shall be compensated at a uniform rate of ₹ 100 per day or 15% per annum of the Bid. The BRLM shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking. For the avoidance of doubt, the provisions of the SEBI circular dated March 16, 2021, as amended pursuant to SEBI circular dated June 2, 2021 shall be deemed to be incorporated in the agreements to be entered into by and between the Company and the relevant intermediaries, to the extent applicable.

SEBI vide circular SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023 has reduced the post issue timeline for IPOs. The revised timeline of T+3 days has been made applicable in two phases, i.e., voluntary for all public issues opening on or after September 1, 2023 and mandatory on or after December 1, 2023. Accordingly, the Issue has been made under UPI Phase III, subject to the timing of the Offer and any circulars, clarification or notification issued by the SEBI from time to time, including with respect to SEBI circular SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023.

The SEBI is in the process of streamlining and reducing the post Issue timeline for initial public offerings. Any circulars or notifications from the SEBI after the date of the Red Herring Prospectus may result in changes to the abovementioned timelines. Further, the Issue procedure is subject to change to any revised circulars issued by the SEBI to this effect.

The BRLM will be required to submit reports of compliance with listing timelines and activities, identifying non-adherence to timelines and processes and an analysis of entities responsible for the delay and the reasons associated with it.

In terms of the UPI Circulars, in relation to the Offer, the BRLM will submit report of compliance with T+3 listing timelines and activities, identifying non-adherence to timelines and processes and an analysis of entities responsible for the delay and the reasons associated with it.

The processing fees for applications made by UPI Bidders using the UPI Mechanism may be released to the remitter banks (SCSBs) only after such banks provide a written confirmation on compliance with SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021 read with SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021 and SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2022/51 dated April 20, 2022 and SEBI Circular No: SEBI/HO/CFD/DIL2/P/CIR/2022/75 dated May 30, 2022.

In accordance with SEBI ICDR Regulations, QIBs and Non-Institutional Applicants and Individual Bidders are not allowed to withdraw or lower the size of their application (in terms of the quantity of the Equity Shares or the Application amount) at any stage.

In case of discrepancy in the data entered in the electronic book vis-à-vis the data contained in the physical Application Form, for a particular Applicant, the details as per the file received from Emerge Platform of NSE may be taken as the final data for the purpose of Allotment. In case of discrepancy in the data entered in the electronic book vis-à-vis the data contained in the physical or electronic Application Form, for a particular ASBA Applicant, the Registrar to the Issue shall ask the relevant SCSBs / RTAs / DPs / stock brokers, as the case may be, for the rectified data.

In terms of the UPI Circulars, in relation to the Offer, the BRLM will be required to submit reports of compliance with timelines and activities prescribed by SEBI in connection with the Allotment and listing procedure within three Working Days from the Bid/Offer Closing Date or such other time as prescribed by SEBI, identifying nonadherence to timelines and processes and an analysis of entities responsible for the delay and the reasons associated with it.

In case of any delay in unblocking of amounts in the ASBA Accounts (including amounts blocked through the UPI Mechanism) exceeding two Working Days from the Bid/Offer Closing Date, the Bidder shall be compensated for the entire duration of delay exceeding two Working Days from the Bid/Offer Closing Date by the intermediary responsible for causing such delay in unblocking, in the manner specified in the UPI Circulars, to the extent applicable, which for the avoidance of doubt, shall be deemed to be incorporated herein. The BRLM shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking.

The SEBI is in the process of streamlining and reducing the post Offer timeline for initial public offerings. Any circulars or notifications from the SEBI after the date of the Red Herring Prospectus may result in changes to the above- mentioned timelines. Further, the Offer procedure is subject to change to any revised circulars issued by the SEBI to this effect

Submission of Bids

Application Forms and any revisions to the same will be accepted only between 10.00 a.m. to 5.00 p.m. (IST) during the Issue Period (except for the Issue Closing Date). On the Issue Closing Date, the Application Forms will be accepted only between 10.00 a.m. to 3.00 p.m. (IST) for QIBs and Non-Institutional Bidders. The time for applying for Individual Bidders on Issue Closing Date maybe extended in consultation with the BRLM, RTA and NSE taking into account the total number of applications received up to the closure of timings.

Standardization of cut-off time for uploading of bids on the Bid/Issue closing date:

i. A standard cut-off time of 4.00 p.m. for uploading of bids received from QIBs and Non-Institutional Bidders.
ii. A standard cut-off time of 5.00 p.m. for uploading of bids received from only individual Bidders, which may be extended up to such time as deemed fit by NSE after taking into account the total number of bids received up to the closure of timings and reported by BRLM to NSE within half an hour of such closure.

The Registrar to the Issue shall submit the details of cancelled/ withdrawn/ deleted applications to the SCSBs on a daily basis within 60 minutes of the Bid closure time from the Bid/ Issue Opening Date till the Bid/ Issue Closing Date by obtaining the same from the Stock Exchange. The SCSBs shall unblock such applications by the closing hours of the Working Day and submit the confirmation to the BRLM and the RTA on a daily basis.

To avoid duplication, the facility of re-initiation provided to Syndicate Members, if any shall preferably be allowed only once per Bid/batch and as deemed fit by the Stock Exchange, after closure of the time for uploading Bids.

It is clarified that Bids not uploaded on the electronic bidding system or in respect of which the full Bid Amount is not blocked by SCSBs or not blocked under the UPI Mechanism in the relevant ASBA Account, as the case may be, would be rejected.

Due to the limitation of time available for uploading the Application Forms on the Issue Closing Date, Bidders are advised to submit their applications one (1) day prior to the Issue Closing Date and, in any case, not later than 3.00 p.m. (IST) on the Issue Closing Date. Any time mentioned in this Red Herring Prospectus is IST. Bidders are cautioned that, in the event a large number of Application Forms are received on the Issue Closing Date, as is typically experienced in public issues, some Application Forms may not get uploaded due to the lack of sufficient time. Such Application Forms that cannot be uploaded will not be considered for allocation under this Issue. Applications will be accepted only on Working Days, i.e., Monday to Friday (excluding any public holidays). Neither our Company nor the BRLM is liable for any failure in uploading the Application Forms due to faults in any software/hardware system or otherwise.

In case of any discrepancy in the data entered in the electronic book vis-a-vis data contained in the physical Bid Form, for a particular Bidder, the details of the Bid file received from the Stock Exchange may be taken Our Company in consultation with the BRLM, reserve the right to revise the Price Band during the Bid/Issue Period, provided that the Cap Price shall be less than or equal to 120% of the Floor Price and the Floor Price shall not be less than the face value of the Equity Shares. The revision in the Price Band shall not exceed 20% on either side, i.e. the Floor Price can move up or down to the extent of 20% of the Floor Price and the Cap Price will be revised accordingly. The Floor Price shall not be less than the face value of the Equity Shares.

In case of any revision to the Price Band, the Bid/Issue Period will be extended by at least three additional Working Days following such revision of the Price Band, subject to the Bid/Issue Period not exceeding a total of 10 Working Days. In cases of force majeure, banking strike or similar circumstances, our Company in consultation with the BRLM, for reasons to be recorded in writing, extend the Bid/Issue Period for a minimum of three Working Days, subject to the Bid/ Issue Period not exceeding 10 Working Days. Any revision in the Price Band and the revised Bid/Issue Period, if applicable, will be widely disseminated by notification to the Stock Exchange, by issuing a public notice, and also by indicating the change on the respective websites of the BRLM and the terminals of the Syndicate Members, if any and by intimation to SCSBs, other Designated Intermediaries and the Sponsor Bank, as applicable. In case of revision of Price Band, the Bid Lot shall remain the same.

In accordance with SEBI ICDR Regulations, QIBs and Non-Institutional Bidders and Individual Bidders are not allowed to withdraw or lower the size of their application (in terms of the quantity of the Equity Shares or the Application amount) at any stage.

In case of discrepancy in the data entered in the electronic book vis-à-vis the data contained in the physical Application Form, for a particular Bidder, the details as per the file received from NSE may be taken as the final data for the purpose of Allotment. In case of discrepancy in the data entered in the electronic book vis-à-vis the data contained in the physical or electronic Application Form, for a particular ASBA Bidder, the Registrar to the Issue shall ask the relevant SCSBs / RTAs / DPs / stock brokers, as the case may be, for the rectified data.

MINIMUM SUBSCRIPTION

In accordance with Regulation 260(1) of SEBI (ICDR) Regulations, this Issue is 100% underwritten, so this issue is not restricted to any minimum subscription level.

As per section 39 of the new Companies Act, if the "stated minimum amount" has not been subscribed and the sum payable on application is not received within a period of thirty (30) days from the date of issue of Red Herring Prospectus, the application money has to be returned within such period as may be prescribed.

If our Company does not receive the subscription of 100% of the Issue through this Issue Document including devolvement of Underwriters, our Company shall forthwith unblock the entire subscription amount received. If there is a delay beyond eight (8) days after our Company becomes liable to pay the amount, our Company shall pay interest prescribed under section 73 of the Companies Act, 2013 and applicable laws and regulations.

In terms of Regulation 272(2) of SEBI ICDR Regulations, in case the issuer fails to obtain listing or trading permission from the stock exchange where the specified securities were to be listed, it shall refund through verifiable means the entire monies received within four (4) days of receipt of intimation from stock exchange rejecting the application for listing of specified securities, and if any such money is not repaid within four (4) days after the issuer becomes liable to repay it the issuer and every director of the company who is an officer in default shall, on and from the expiry of the fourth day, be jointly and severally liable to repay that money with interest at the rate of fifteen per cent. per annum.

In accordance with Regulation 267 of the SEBI ICDR Regulations, 2018, the minimum application size in terms of number of specified securities shall not be less than Rupees One Lakh per application.

Further, in accordance with Regulation 268 of the SEBI (ICDR) Regulations, our Company shall ensure that the number of prospective allottees to whom the Equity Shares will allotted will not be less than 200 (Two hundred).

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be Issued or sold, and applications may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

ARRANGEMENTS FOR DISPOSAL OF ODD LOTS

The trading of the Equity Shares will happen in the minimum contract size of [●] equity shares in terms of the SEBI Circular No. CIR/MRD/DSA/06/2012 dated February 21, 2012. However, in terms of Regulation 261(5) of the SEBI ICDR Regulations, the Market Maker shall buy the entire shareholding of a shareholder in one lot, where value of such shareholding is less than the minimum contract size allowed for trading on the EMERGE Platform of NSE.

APPLICATION BY ELIGIBLE NRI'S, FPI'S/FII'S REGISTERED WITH SEBI, VCF'S REGISTERED WITH SEBI AND QFIS

It is to be understood that there is no reservation for Eligible NRIs or FPIs/FIIs registered with SEBI or VCFs or QFIs. Such Eligible NRIs, QFIs, FPIs, FIIs, VCFs or AIFs registered with SEBI will be treated on the same basis with other categories for the purpose of Allocation.

NRIs, FPIs/FIIs and foreign venture capital investors registered with SEBI are permitted to purchase shares of an Indian company in a public Issue without the prior approval of the RBI, so long as the price of the equity shares to be issued is not less than the price at which the equity shares are issued to residents. The transfer of shares between an Indian resident and a non-resident does not require the prior approval of the FIPB or the RBI, provided that (i) the activities of the investee company are under the automatic route under the foreign direct investment ("FDI") Policy and the non-resident shareholding is within the sectoral limits under the FDI policy; and (ii) the pricing is in accordance with the guidelines prescribed by the SEBI/RBI.

The current provisions of the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident outside India) Regulations, 2000, provides a general permission for the NRIs, FPIs and foreign venture capital investors registered with SEBI to invest in shares of Indian companies by way of subscription in an IPO. However, such investments would be subject to other investment restrictions under the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident outside India) Regulations, 2000, RBI and/or SEBI regulations as may be applicable to such investors.

The Allotment of the Equity Shares to Non-Residents shall be subject to the conditions, if any, as may be prescribed by the Government of India/RBI while granting such approvals.

AS PER THE EXTANT POLICY OF THE GOVERNMENT OF INDIA, OCBS CANNOT PARTICIPATE IN THIS ISSUE.

As per the existing regulations, OCBs are not eligible to participate in this Issue. The RBI has however clarified in its circular, A.P. (DIR Series) Circular No. 44, dated December 8, 2003 that OCBs which are incorporated and are not under the adverse notice of the RBI are permitted to undertake fresh investments as incorporated non-resident entities in terms of Regulation 5(1) of RBI Notification No.20/2000-RB dated May 3, 2000 under FDI Scheme with the prior approval of Government if the investment is through Government Route and with the prior approval of RBI if the investment is through Automatic Route on case by case basis. OCBs may invest in this Issue provided it obtains a prior approval from the RBI. On submission of such approval along with the Application Form, the OCB shall be eligible to be considered for share allocation.

ISSUE PROCEDURE

*All Bidders should read the General Information Document for Investing in Public Issues prepared and issued in accordance with the circular no. SEBI/HO/CFD/DIL1/CIR/P/2020/37 dated March 17, 2020 and the UPI Circulars (the **"General Information Document"**), which highlights the key rules, processes and procedures applicable to public issues in general in accordance with the provisions of the Companies Act, the SCRA, the SCRR and the SEBI ICDR Regulations which is part of the abridged prospectus accompanying the Application Form. The General Information Document is available on the websites of the Stock Exchange and the Book Running Lead Manager. Please refer to the relevant provisions of the General Information Document which are applicable to the Issue especially in relation to the process for Bids by Individual Investors through the UPI Mechanism. The investors should note that the details and process provided in the General Information Document should be read along with this section.*

*Additionally, all Bidders may refer to the General Information Document for information in relation to (i) category of investors eligible to participate in the Issue; (ii) maximum and minimum Bid size; (iii) price discovery and allocation; (iv) payment instructions for ASBA Bidders; (v) issuance of Confirmation of Allocation Note ("**CAN**") and Allotment in the Issue; (vi) general instructions (limited to instructions for completing the Application Form); (vii) designated date; (viii) disposal of applications; (ix) submission of Application Form; (x) other instructions (limited to joint bids in cases of individual, multiple bids and instances when an application would be rejected on technical grounds); (xi) applicable provisions of Companies Act relating to punishment for fictitious applications; (xii) mode of making refunds; and (xiii) interest in case of delay in Allotment or refund.*

*SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2018/138 dated November 1, 2018 read with its circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/50 dated April 3, 2019, has introduced an alternate payment mechanism using Unified Payments Interface ("UPI") and consequent reduction in timelines for listing in a phased manner. From January 1, 2019, the UPI Mechanism for Individual Investors applying through Designated Intermediaries was made effective along with the existing process and existing timeline of T+6 days. ("**UPI Phase I**"). The UPI Phase I was effective till June 30, 2019.*

*With effect from July 1, 2019, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/76 dated June 28, 2019, read with circular bearing number SEBI/HO/CFD/DIL2/CIR/P/2019/85 dated July 26, 2019 with respect to Bids by Individual Investors through Designated Intermediaries (other than SCSBs), the existing process of physical movement of forms from such Designated Intermediaries to SCSBs for blocking of funds has been discontinued and only the UPI Mechanism for such Bids with existing timeline of T+6 days was mandated for a period of three months or launch of five main board public issues, whichever is later ("**UPI Phase II**"). However, given the prevailing uncertainty due to the COVID-19 pandemic, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2020/50 dated March 30, 2020, has decided to **continue with the UPI Phase II till further notice.** Therefore, the final reduced timeline of T+3 days will be made effective using the UPI Mechanism for applications by Individual Investors ("**UPI Phase III**"), is prescribed by SEBI vide circular no. SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 09, 2023 effective from issue opening on or after September 01, 2023 on voluntary basis and on or after December 01, 2023 on mandatory basis. The Issue will be undertaken pursuant to the processes and procedures under UPI Phase III, subject to any circulars, clarification or notification issued by the SEBI from time to time.*

SEBI vide Circular No. SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021, ("UPI Streamlining Circular") read with SEBI circular no. SEBI/HO/CFD/DIL1/CIR/P/2021/47 dated March 31, 2021, SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021 and SEBI Circular No: SEBI/HO/CFD/DIL2/CIR/P/2022/51 dated April 20, 2022 has introduced certain additional measures for streamlining the process of initial public offers and redressing investor grievances. This circular shall come into force for initial public offers opening on or after May 1, 2021, except as amended pursuant to SEBI circular SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021, and the provisions of this circular are deemed to form part of this Red Herring Prospectus.

Further, SEBI vide its circular no. SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 09, 2023 has further reduced the time period for refund of applications money from four days to two days from issue closing date viz. initiation not later than 09.30 am on T+2 day (T is issue Closing Date) and completion before 2.00 pm on T+2 day for fund transfer and completion before 4.00pm on T+2 day for unblocking.

SEBI vide Circular No. SEBI/HO/CFD/DIL2/CIR/P/2022/45 dated April 05, 2022, which came into force for public issue opening on or after May 01, 2022 has decided that all Individual Investors applying in Public Issues where the application amount is upto Rs. 5 Lakhs shall use UPI.

Further, as per SEBI circular no SEBI/HO/CFD/DIL2/CIR/P/2022/75 dated May 30, 2022. All ASBA applications in Public Issues shall be processed only after the application money is blocked in the investor's bank accounts. The provisions of the circular shall be for all issues opening from September 01, 2022 onwards.

In case of any delay in unblocking of amounts in the ASBA Accounts (including amounts blocked through the UPI Mechanism) exceeding two Working Days from the Issue Closing Date, the Bidder shall be compensated at a uniform rate of Rs.100 per day for the entire duration of delay exceeding two Working Days from the Issue Closing Date by the intermediary responsible for causing such delay in unblocking. The LM shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking.

Our Company and the BRLM do not accept any responsibility for the completeness and accuracy of the information stated in this section and the General Information Document and are not liable for any amendment, modification or change in the applicable law which may occur after the date of this Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that their Bids are submitted in accordance with applicable laws and do not exceed the investment limits or maximum number of the Equity Shares that can be held by them under applicable law or as specified in this Red Herring Prospectus. Further, our Company and the LM are not liable for any adverse occurrence's consequent to the implementation of the UPI Mechanism for application in this Issue.

Phased implementation of Unified Payments Interface (UPI)

SEBI has issued the various UPI Circulars in relation to streamlining the process of public issue of inter alia, equity shares. Pursuant to the UPI Circulars, the UPI Mechanism has been introduced in a phased manner as a payment mechanism (in addition to mechanism of blocking funds in the account maintained with SCSBs under ASBA) for applications by Individual Investors through Designated Intermediaries with the objective to reduce the time duration from public issue closure to listing from six Working Days to up to three Working Days. Considering the time required for making necessary changes to the systems and to ensure complete and smooth transition to the UPI payment mechanism, the UPI Circulars have introduced the UPI Mechanism in three phases in the following manner:

Phase I: This phase was applicable from January 1, 2019 until March 31, 2019 or floating of five main board public issues, whichever was later. Subsequently, the timeline for implementation of Phase I was extended till June 30, 2019. Under this phase, a Individual Investor had the option to submit the ASBA Form with any of the Designated Intermediary and use his/her UPI ID for the purpose of blocking of funds. The time duration from public issue closure to listing continued to be six Working Days.

Phase II: This phase has become applicable from July 1, 2019. SEBI vide its circular no. SEBI/HO/CFD/DCR2/CIR/P/2019/133 dated November 8, 2019 had extended the timeline for implementation of UPI Phase II till March 31, 2020. Further, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2020 dated March 30, 2020 decided to continue Phase II of UPI with ASBA until further notice. Under this phase, submission of the ASBA Form by Individual Investors through Designated Intermediaries (other than SCSBs) to SCSBs for blocking of funds will be discontinued and will be replaced by the UPI Mechanism. However, the time duration from public issue closure to listing would continue to be six Working Days during this phase.

Phase III: This phase has become applicable on a voluntary basis for all issues opening on or after September 1, 2023 and on a mandatory basis for all issues opening on or after December 1, 2023, vide SEBI circular bearing number SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023 ("T+3 Notification"). In this phase, the time duration from public issue closure to listing has been reduced to three Working Days. The Issue shall be undertaken pursuant to the processes and procedures as notified in the T+3 Notification as applicable, subject to any circulars, clarification or notification issued by SEBI from time to time, including any circular, clarification or notification which may be issued by SEBI.

This Issue is mandatorily being made under Phase III of the UPI Mechanism.

The processing fees for applications made by UPI Bidders using the UPI Mechanism may be released to the SCSBs only after such banks provide a written confirmation, in compliance with the SEBI RTA Master Circular in a format as prescribed by SEBI, from time to time, and such payment of processing fees to the SCSBs shall be made in compliance with circulars prescribed by SEBI and applicable law.

All SCSBs offering facility of making application in public issues shall also provide facility to make application using UPI. Our Company will be required to appoint one of the SCSBs as the Sponsor Bank(s) to act as a conduit between the Stock Exchange and NPCI in order to facilitate collection of requests and / or payment instructions of the UPI Bidders.

Individual investors bidding under the Non-Institutional Portion bidding for more than ₹ 200,000 and up to ₹ 500,000, using the UPI Mechanism, shall provide their UPI ID in the Bid-cum-Application Form for Bidding through Syndicate, sub-syndicate members, Registered Brokers, RTAs or CDPs, or online using the facility of linked online trading, demat and bank account (3 in 1 type accounts), provided by certain brokers.

Pursuant to the SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021 as amended pursuant to SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021, SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2022/51 dated April 20, 2022 and SEBI circular no. SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023("UPI Streamlining Circular"), SEBI has set out specific requirements for redressal of investor grievances for applications that have been made through the UPI Mechanism. The requirements of the UPI Streamlining Circular include, appointment of a nodal officer by the SCSB and submission of their details to SEBI, the requirement for SCSBs to send SMS alerts for the blocking and unblocking of UPI mandates, the requirement for the Registrar to submit details of cancelled, withdrawn or deleted applications, and the requirement for the bank accounts of unsuccessful Bidders to be unblocked no later than one Working Day from the date on which the Basis of Allotment is finalised. Failure to unblock the accounts within the timeline would result in the SCSBs being penalised under the relevant securities law. Further, in terms of the UPI Circulars, the payment of processing fees to the SCSBs shall be undertaken pursuant to an application made by the SCSBs to the Book Running Lead Manager, and such application shall be made only after (i) unblocking of application amounts for each application received by the SCSB has been fully completed, and (ii) applicable compensation relating to investor complaints has been paid by the SCSB.

For further details, refer to the General Information Document available on the websites of the Stock Exchange and the Book Running Lead Manager. Additionally, if there is any delay in the redressal of investors' complaints, the relevant SCSB as well as the Book Running Lead Manager will be required to compensate the concerned investor.

The SCSBs, upon receipt of the Application Form will upload the Bid details along with the UPI ID in the bidding platform of the Stock Exchange. Applications made by the Individual Investors using third party bank accounts or using UPI IDs linked to the bank accounts of any third parties are liable for rejection. The Bankers to the offer shall provide the investors' UPI linked bank account details to the RTA for the purpose of reconciliation. Post uploading of the Bid details on the bidding platform, the Stock Exchange will validate the PAN and demat account details of Individual Investors with the Depositories.

ASBA Applicants shall submit an Application Form either in physical or electronic form to the SCSB's authorizing blocking fundsthat are available in the bank account specified in the Application Form used by ASBA applicants.

ASBA Bidders (other than Individual Investors using UPI Mechanism) must provide bank account details and authorization to block funds in their respective ASBA Accounts in the relevant space provided in the ASBA Form and the ASBA Forms that do not contain such details are liable to be rejected.

ASBA Bidders shall ensure that the Bids are made on ASBA Forms bearing the stamp of the Designated Intermediary, submitted at the Bidding Centres only (except in case of electronic ASBA Forms) and the ASBA Forms not bearing such specified stamp are liable to be rejected. ASBA Bidders could submit the ASBA Form in the manner below:

Individual Investors Bidding in the Individual Investors Portion using UPI Mechanism, may submit their ASBA Forms, including details of their UPI IDs, with the Syndicate, Sub- Syndicate members, Registered Brokers, RTAs or CDPs, or online using the facility of linked online trading, demat and bank account (3 in 1 type accounts), provided by certain brokers.

Individual Investors authorizing an SCSB to block the Bid Amount in the ASBA Account may submit their ASBA Forms with the SCSBs (physically or online, as applicable), or online using the facility of linked online trading, demat and bank account (3 in 1 type accounts), provided by certain brokers.

QIBs and NIBs (other than UPI Bidders) could submit their ASBA Forms with SCSBs, Syndicate, Sub- Syndicate Members, Registered Brokers, RTAs or CDPs.

ASBA Bidders must ensure that the ASBA Account has sufficient credit balance such that an amount equivalent to the full Bid Amount can be blocked by the SCSB or the Sponsor Bank, as applicable at the time of submitting the Bid.

In accordance with the SEBI circular no. CIR/CFD/POLICYCELL/11/2015 dated November 10, 2015 all the Applicants have to compulsorily apply through the ASBA Process. Applicants shall only use the specified Application Form for the purpose of making an Application in terms of this Red Herring Prospectus.

The prescribed colour of the Application Form for various categories is as follows:

Category	Colour of Application Form [(1)]
Resident Indians, including resident QIBs, Non-Institutional Bidders, Individual Investors and Eligible NRIs applying on a non- repatriation basis[(1)]	White
Non-Residents including Eligible NRIs, FVCIs, FPIs, registered multilateral and bilateral development financial institutions applying on a repatriation basis[(2)]	Blue

Investors will not have the option of getting the allotment of specified securities in physical form. However, they may get the specified securities re-materialized subsequent to allotment.

The shares of the Company, on allotment, shall be traded on stock exchange in demat mode only.

Single bid from any investor shall not exceed the investment limit/maximum number of specified securities that can be held by such investor under the relevant regulations/statutory guidelines.

The correct procedure for applications by Hindu Undivided Families and applications by Hindu Undivided Families would be treated as on par with applications by individuals.

In case of ASBA Forms, the relevant Designated Intermediaries uploaded the relevant Bid details in the electronic bidding system of the Stock Exchange. For ASBA Forms (other than through the UPI Mechanism) Designated Intermediaries (other than SCSBs) submitted/ delivered the ASBA Forms to the respective SCSB where the Bidder has an ASBA bank account and not submit it to any non-SCSB bank or any Escrow Collection Bank.

For UPI Bidders using the UPI Mechanism, the Stock Exchange shall share the Bid details (including UPI ID) with the Sponsor Bank(s) on a continuous basisto enable the Sponsor Bank(s) to initiate the UPI Mandate Request to UPI Bidders for blocking of funds. The Sponsor Bank(s) shall initiate request for blocking of funds through NPCI to UPI Bidders, who

shall accept the UPI Mandate Request for blocking of funds on their respective mobile applications associated with UPI ID linked bank account. The NPCI shall maintain an audit trail for every bid entered in the Stock Exchange bidding platform, and the liability to compensate UPI Bidders (using the UPI Mechanism) in case of failed transactions shall be with the concerned entity (i.e., the Sponsor Bank(s), NPCI or the Bankers to an Offer) at whose end the lifecycle of the transaction has come to a halt. The NPCI shall share the audit trail of all disputed transactions/ investor complaints to the Sponsor Bank(s) and the Bankers to the Offer. The BRLM shall also be required to obtain the audit trail from the Sponsor Bank(s) and the Bankers to the Offer for analyzing the same and fixing liability. For ensuring timely information to investors, SCSBs shall send SMS alerts as specified in the SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021, as amended pursuant to the SEBI circulars dated June 2, 2021, and April 20, 2022.

Pursuant to NSE circular dated July 22, 2022, with reference no. 23/2022, has mandated that Trading Members, Syndicate Members, RTA and Depository Participants shall submit Syndicate ASBA bids above ₹5,00,000 and NII & QIB bids above ₹2,00,000 through SCSBs only.

For all pending UPI Mandate Requests, the Sponsor Bank(s) shall initiate requests for blocking of funds in the ASBA Accounts of relevant Bidders with a confirmation cut-off time of 5:00 pm on the Bid/Offer Closing Date ("Cut-Off Time"). Accordingly, UPI Bidders Bidding through the UPI Mechanism should accept UPI Mandate Requests for blocking off funds prior to the Cut-Off Time and all pending UPI Mandate Requests at the Cut-Off Time shall lapse.

The processing fees for applications made by UPI Bidders using the UPI Mechanism may be released to the SCSBs only after such banks provide a written confirmation on compliance with the UPI Circulars.

The Sponsor Bank(s) will undertake a reconciliation of Bid responses received from Stock Exchange and sent to NPCI and will also ensure that all the responses received from NPCI are sent to the Stock Exchange platform with detailed error code and description, if any. Further, the Sponsor Bank(s) will undertake reconciliation of all Bid requests and responses throughout their lifecycle on daily basis and share reports with the BRLM in the format and within the timelines as specified under the UPI Circulars. Sponsor Bank(s) and issuer banks shall download UPI settlement files and raw data files from the NPCI portal after every settlement cycle and do a three-way reconciliation with UPI switch data, CBS data and UPI raw data. NPCI is to coordinate with issuer banks and Sponsor Bank(s) on a continuous basis.

The Sponsor Bank(s) shall host a web portal for intermediaries (closed user group) from the date of Bid/Offer Opening Date until the date of listing of the Equity Shares with details of statistics of mandate blocks/unblocks, performance of apps and UPI handles, down-time/network latency (if any) across intermediaries and any such processes having an impact/bearing on the Issue Bidding process.

METHOD OF BIDDING PROCESS

Our Company, in consultation with the BRLM will decide the Price Band and the minimum Bid lot size for the Issue and the same shall be advertised in all editions of the English national newspaper Financial Express, all editions of Hindi

national newspaper Jansatta and a Regional newspaper Danik Savera Times where the registered office of the company is situated, each with wide circulation at least two Working Days prior to the Bid / Issue Opening Date. The BRLM and the SCSBs shall accept Bids from the Bidders during the Bid / Issue Period.

a) The Bid / Issue Period shall be for a minimum of three (3) Working Days and shall not exceed ten (10) Working Days. The Bid/ Issue Period maybe extended, if required, by an additional three (3) Working Days, subject to the total Bid/ Issue Period not exceeding ten (10) Working Days. Any revision in the Price Band and the revised Bid / Issue Period, if applicable, will be published in all editions of Financial Express, English national newspaper, all editions of Jansatta, Hindi national newspaper and a Regional newspaper Dainik Savera Times, where the registered office of the company is situated, each with wide circulation and also by indicating the change on the websites of the BRLM and at the terminals of the members of the Syndicate and by intimation to Designated Intermediaries and the Sponsor Bank, as applicable.

b) Each Bid Form will give the Bidder the choice to Bid for up to three optional prices (for details refer to the paragraph titled "Bids at Different Price Levels and Revision of Bids" below) within the Price Band and specify the demand (i.e., the number of Equity Shares Bid for) in each option. The price and demand options submitted by the Bidder in the Bid Form will be treated as optional demands from the Bidder and will not be cumulated. After determination of the Issue Price, the maximum number of Equity Shares Bid for by a Bidder at or above the Issue Price will be considered for allocation/Allotment and the rest of the Bid(s), irrespective of the Bid Amount, will become automatically invalid.

c) The Bidder / Bidder cannot Bid through another Bid Form after Bids through one Bid Form have been submitted to a BRLM or the SCSBs. Submission of a second Bid Form to either the same or to another BRLM or SCSB will be treated as multiple Bid and is liable to be rejected either before entering the Bid into the electronic bidding system, or at any point of time prior to the allocation or Allotment of Equity Shares in this Issue. However, the Bidder can revise the Bid through the Revision Form, the procedure for which is detailed under the paragraph "Buildup of the Book and Revision of Bids".

d) The BRLM/the SCSBs will enter each Bid option into the electronic bidding system as a separate Bid and generate a Transaction Registration Slip, ("TRS"), for each price and demand option and give the same to the Bidder. Therefore, a Bidder can receive up to three TRSs for each Bid Form.

e) Upon receipt of the Bid Form, submitted whether in physical or electronic mode, the Designated Branch of the SCSB shall verify if sufficient funds equal to the Bid Amount are available in the ASBA Account, as mentioned in the Bid Form, prior to uploading such Bids with the Stock Exchange.

f) If sufficient funds are not available in the ASBA Account, the Designated Branch of the SCSB shall reject such Bids and shall not upload such Bids with the Stock Exchange

g) If sufficient funds are available in the ASBA Account, the SCSB shall block an amount equivalent to the Bid Amount mentioned in the Bid Form and will enter each Bid option into the electronic bidding system as a separate Bid and generate a TRS for each price and demand option. The TRS shall be furnished to the ASBA Bidder on request.

h) The Bid Amount shall remain blocked in the aforesaid ASBA Account until finalization of the Basis of Allotment and consequent transfer of the Bid Amount against the Allotted Equity Shares to the Public Issue Account, or until withdrawal/failure of the Issue or until withdrawal/rejection of the Bid Form, as the case may be. Once the Basis of Allotment is finalized, the Registrar to the Issue shall send an appropriate request to the SCSB for unblocking the relevant ASBA Accounts and for transferring the amount allocable to the successful Bidders to the Public Issue Account. In case of withdrawal/failure of the Issue, the blocked amount shall be unblocked on receipt of such information from the Registrar to the Issue.

BIDS AT DIFFERENT PRICE LEVELS AND REVISION OF BIDS

a) Our Company in consultation with the BRLM, and without the prior approval of, or intimation, to the Bidders, reserves the right to revise the Price Band during the Bid/ Issue Period, provided that the Cap Price shall be less than or equal to 120% of the Floor Price and the Floor Price shall not be less than the face value of the Equity Shares. The revision in Price Band shall not exceed 20% on the either side i.e. the floor price can move up or down to the extent of 20% of the floor price disclosed. If the revised price band decided, falls within two different price bands than the minimum application lot size shall be decided based on the price band in which the higher price falls into.

b) Our Company in consultation with the BRLM, will finalize the Issue Price within the Price Band, without the prior approval of, or intimation, to the Bidders.

c) The Bidders can Bid at any price within the Price Band. The Bidder has to Bid for the desired number of Equity Shares at a specific price. Individual Bidders may Bid at the Cut-off Price. However, bidding at the Cut-off Price is prohibited for QIB and Non-Institutional Bidders and such Bids from QIB and Non-Institutional Bidders shall be rejected.

d) Individual Bidders, who Bid at Cut-off Price agree that they shall purchase the Equity Shares at any price within the Price Band. Individual Bidders shall submit the Bid Form along with a cheque/demand draft for the Bid Amount based on the Cap Price with the Syndicate. In case of ASBA Bidders (excluding Non-Institutional Bidders and QIB Bidders) bidding at Cut-off Price, the ASBA Bidders shall instruct the SCSBs to block an amount based on the Cap Price.

e) The price of the specified securities offered to an anchor investor shall not be lower than the price offered to other Bidders.

PARTICIPATION BY ASSOCIATES /AFFILIATES OF LEAD MANGER AND THE SYNDICATE MEMBERS

The BRLM, Market Maker and the Underwriter, if any shall not be entitled to subscribe to this Issue in any manner except towards fulfilling their underwriting and market making obligations. However, associates/affiliates of the BRLM and Syndicate Members, if any may subscribe for Equity Shares in the Issue, either in the QIB Category or in the Non Institutional Category as may be applicable to the Bidders, where the allocation is on a proportionate basis and such subscription may be on their own account or on behalf of their clients.

Neither the BRLM nor any persons related to the BRLM (other than Mutual Funds sponsored by entities related to the BRLM), Promoters and Promoter Group can apply in the Issue under the Anchor Investor Portion.

BIDS BY MUTUAL FUNDS

As per the current regulations, the following restrictions are applicable for investments by Mutual fund:

No mutual fund scheme shall invest more than 10% of its net asset value in the Equity Shares or equity related instruments of any Company provided that the limit of 10% shall not be applicable for investments in index funds or sector or industry specific funds. No mutual fund under all its schemes should own more than 10% of any Company's paid-up share capital carrying voting rights.

With respect to Applications by Mutual Funds, a certified copy of their SEBI registration certificate must be lodged with the Application Form. Failing this, our Company reserves the right to accept or reject any Application in whole or in part, in either case, without assigning any reason thereof.

In case of a Mutual Fund, a separate Application can be made in respect of each scheme of the Mutual Fund registered with SEBI and such Applications in respect of more than one scheme of the Mutual Fund will not be treated as multiple Applications provided that the Applications clearly indicate the scheme concerned for which the Application has been made.

The Bid/Application made by Asset Management Companies or custodians of Mutual Funds shall specifically state the names of the concerned schemes for which the Applications are made.

BIDS BY ELIGIBLE NRI'S

Only Bids/Applications accompanied by payment in Indian Rupees or freely convertible foreign exchange will be considered for Allotment. Eligible NRIs intending to make payment through freely convertible foreign exchange and Applying on a repatriation basis could make payments through the ASBA process only by blocking the funds for the amount payable on application in their NRE Account or FCNR Accounts, maintained with banks authorised by the RBI to deal in foreign exchange.

Eligible NRIs applying on a repatriation basis are advised to use the Application Form meant for Non-Residents, accompanied by a bank certificate confirming that the payment has been made by blocking the relevant funds in their NRE or FCNR account, as the case may be. Payment for Application by non-resident Applicants applying on a repatriation basis will not be accepted out of NRO accounts for the full Application amount, at the time of submission of

the Application Form.

Eligible NRIs applying on non-repatriation basis are advised to use the Application Form for residents (white in colour). Eligible NRIs applying on a repatriation basis are advised to use the Application Form meant for Non-Residents (blue in colour).

BIDS BY HUF

Bids/Application by Hindu Undivided Families or HUFs should be in the individual name of the Karta. The Applicant should specify that the Application is being made in the name of the HUF in the Application Form as follows: "Name of sole or first Applicant: XYZ Hindu Undivided Family applying through XYZ, where XYZ is the name of the Karta". Application by HUFs will be considered at par with Applications by individuals.

BIDS BY FPI'S

In terms of the SEBI FPI Regulations, the issue of Equity Shares to a single FPI or an investor group (which means the same set of ultimate beneficial owner(s) investing through multiple entities) is not permitted to exceed 10% of our post-Issue Equity Share capital. Further, in terms of the FEMA Regulations, the total holding by each FPI shall be below 10% of the total paid-up Equity Share capital of our Company and the total holdings of all FPIs put together shall not exceed 24% of the paid-up Equity Share capital of our Company. The aggregate limit of 24% may be increased upto the sectoral cap by way of a resolution passed by the Board of Directors followed by a special resolution passed by the Shareholders of our Company and subject to prior intimation to the RBI.

In case the total holding of an FPI increases beyond 10% of the total paid-up Equity Share capital of our Company, on a fully diluted basis or 10% or more of the paid-up value of any series of debentures or preference shares or share warrants issued that may be issued by our Company, the total investment made by the FPI will be re-classified as FDI subject to the conditions as specified by SEBI and the RBI in this regard and our Company and the investor will be required to comply with applicable reporting requirements.

FPIs are permitted to participate in the Issue subject to compliance with conditions and restrictions which may be specified by the Government from time to time.

Subject to compliance with all applicable Indian laws, rules, regulations, guidelines and approvals in terms of Regulation 22 of the SEBI FPI Regulations, an FPI, other than Category III foreign portfolio and unregulated broad based funds, which are classified as Category II foreign portfolio investor by virtue of their investment manager being appropriately regulated, may issue or otherwise deal in offshore derivative instruments (as defined under the SEBI FPI Regulations as any instrument, by whatever name called, which is issued overseas by a FPI against securities held by it that are listed or proposed to be listed on any recognized stock exchange in India, as its underlying) directly or indirectly, only in the event (i) such offshore derivative instruments are issued only to persons who are regulated by an appropriate regulatory authority; and (ii) such offshore derivative instruments are issued after compliance with 'know your client' norms. An FPI is also required to ensure that no further issue or transfer of any offshore derivative instrument is made by or on behalf of it to any persons that are not regulated by an appropriate foreign regulatory authority. In case of Applications made by FPIs, a verified true copy of the certificate of registration issued by the designated depository participant under the FPI Regulations is required to be attached along with the Application form, failing which our Company reserves the right to reject the Application without assigning any reasons thereof.

BIDSS BY BANKING COMPANIES

In case of Bids/Applications made by banking companies registered with the RBI, certified copies of: (i) the certificate of registration issued by the RBI, and (ii) the approval of such banking company's investment committee are required to be attached to the Application Form, failing which our Company reserves the right to reject any Application by a banking company without assigning any reason therefor.

The investment limit for banking companies in non-financial services companies as per the Banking Regulation Act, 1949, as amended (the "Banking Regulation Act"), and the Reserve Bank of India (Financial Services provided by Banks) Directions, 2016, is 10% of the paid-up share capital of the investee company, not being its subsidiary engaged in nonfinancial services, or 10% of the bank's own paid-up share capital and reserves, whichever is lower. However, a banking company would be permitted to invest in excess of 10% but not exceeding 30% of the paid-up share capital of such investee company if (i) the investee company is engaged in non-financial activities permitted for banks in terms of Section 6(1) of the Banking Regulation Act, or (ii) the additional acquisition is through restructuring of debt/corporate debt restructuring/strategic debt restructuring, or to protect the bank's interest on loans/investments made to a company. The

A banking company would require a prior approval of the RBI to make (i) investment in a subsidiary and a financial services company that is not a subsidiary (with certain exceptions prescribed), and (ii) investment in a non-financial services company in excess of 10% of such investee company's paid-up share capital as stated in 5(a)(v)(c)(i) of the Reserve Bank of India (Financial Services provided by Banks) Directions, 2016.

BIDS BY SCSB'S

SCSBs participating in the Issue are required to comply with the terms of the SEBI circulars dated September 13, 2012 and January 2, 2013. Such SCSBs are required to ensure that for making applications on their own account using ASBA, they should have a separate account in their own name with any other SEBI registered SCSBs. Further, such account shall be used solely for the purpose of making application in public issues and clear demarcated funds should be available in such account for ASBA applications.

BIDS BY SEBI REGISTERED VENTURE CAPITAL FUNDS, ALTERNATIVE INVESTMENT FUNDS AND FOREIGN VENTURE CAPITAL INVESTORS

The SEBI VCF Regulations and the SEBI FVCI Regulations, as amended, inter alia prescribe the investment restrictions on VCFs and FVCIs, respectively, registered with SEBI. Further, the SEBI AIF Regulations prescribe, amongst others, the investment restrictions on AIFs.

Accordingly, the holding in any company by any individual VCF or FVCI registered with SEBI should not exceed 25% of the corpus of the VCF or FVCI. Further, VCFs and FVCIs can invest only upto 33.33% of the investible funds in various prescribed instruments, including in public offerings.

The category I and II AIFs cannot invest more than 25% of the corpus in one investee company. A category III AIF cannot invest more than 10% of the corpus in one investee company. A venture capital fund registered as a category I AIF, as defined in the SEBI AIF Regulations, cannot invest more than 1/ 3rd of its corpus by way of subscription to an initial public offering of a venture capital undertaking. Additionally, the VCFs which have not re-registered as an AIF under the SEBI AIF Regulations shall continue to be regulated by the VCF Regulations.

All Non-Resident Bidders including Eligible NRIs, FIIs and FVCIs should note that refunds, dividends and other distributions, if any, will be payable in Indian Rupees only and net of bank charges and / or commission. There is no reservation for Eligible NRIs, FIIs and FVCIs and all Applicants will be treated on the same basis with other categories for the purpose of allocation.

Further, according to the SEBI Regulations, the shareholding of VCFs, category I or II AIFs and FVCIs held in a company prior to making an initial public offering would be exempt from lock-in requirements only if the shares have been held by them for at least one year prior to the time of filing the Red Herring Prospectus with SEBI. However, such equity shares shall be locked in for a period of at least one year from the date of purchase by the VCF, category I or II AIF or FVCI, as the case may.

PRICE DISCOVERY AND ALLOCATION

(a) Based on the demand generated at various price levels, our Company in consultation with the Book Running Book Running Lead Manager, shall finalise the Issue Price and the Anchor Investor Issue Price.

(b) The SEBI (ICDR) Regulations, 2018 specify the allocation or Allotment that may be made to various categories of Bidders in an Issue depending on compliance with the eligibility conditions. Certain details pertaining to the percentage of Issue size available for allocation to each category is disclosed overleaf of the Bid cum Application Form and in the Red Herring Prospectus. For details in relation to allocation, the Bidder may refer to the Red Herring Prospectus.

(c) Under-subscription in any category (except QIB Category) is allowed to be met with spillover from any other category or combination of categories at the discretion of the Issuer and the in consultation with the Book Running Book Running Lead Manager and the Designated Stock Exchange and in accordance with the SEBI (ICDR) Regulations. Unsubscribed portion in QIB Category is not available for subscription to other categories.

(d) In case of under subscription in the Issue, spill-over to the extent of such under-subscription may be permitted from the Reserved Portion to the Issue. For allocation in the event of an undersubscription applicable to the Issuer, Bidders may refer to the Red Herring Prospectus.

(e) In case if the Individual Investor category is entitled to more than the allocated portion on proportionate basis, the category shall be allotted that higher percentage.

(F) Allocation to Anchor Investors shall be at the discretion of our Company and in consultation with the Book Running Book Running Lead Manager, subject to compliance with the SEBI Regulations.

Illustration of the Book Building and Price Discovery Process: Bidders should note that this example is solely for illustrative purposes and is not specific to the Offer; it also excludes Bidding by Anchor Investors. Bidders can bid at any price within the Price Band. For instance, assume a Price Band of ₹20 to ₹ 24 per share, Offer size of 3,000 Equity Shares and receipt of five Bids from Bidders, details of which are shown in the table below.

The illustrative book given below shows the demand for the Equity Shares of the Issuer at various prices and is collated from Bids received from various investors.

BID QUANTITY	BID AMOUNT (₹)	CUMULATIVE QUANTITY	SUBSCRIPTION
500	24	500	16.67%
1,000	23	1,500	50.00%
1,500	22	3,000	100.00%
2,000	21	5,000	166.67%
2,500	20	7,500	250.00%

The price discovery is a function of demand at various prices. The highest price at which the Issuer is able to Offer the desired number of Equity Shares is the price at which the book cuts off, i.e., ₹ 22.00 in the above example. The Issuer, in consultation with the BRLM, may finalise the Offer Price at or below such Cut-Off Price, i.e., at or below ₹ 22.00. All Bids at or above this Offer Price and cutoff Bids are valid Bids and are considered for allocation in the respective categories.

Anchor Investors are not allowed to withdraw their Bids after Anchor Investors bidding date.

BASIS OF ALLOCATION

a) The SEBI (ICDR) Regulations specify the allocation or Allotment that may be made to various categories of Bidders in an Issue depending on compliance with the eligibility conditions. Certain details pertaining to the percentage of Issue size available for allocation to each category is disclosed overleaf of the Bid cum Application Form and in the Red Herring Prospectus. For details in relation to allocation, the Bidder may refer to the Red Herring Prospectus.

b) Under-subscription in any category (except QIB Category) is allowed to be met with spill over from any other category or combination of categories at the discretion of the Issuer and in consultation with the Book Running Book Running Lead Manager and the Designated Stock Exchange and in accordance with the SEBI (ICDR) Regulations, Unsubscribed portion in QIB Category is not available for subscription to other categories.

c) In case of under subscription in the issue, spill-over to the extent of such under- subscription may be permitted from the Reserved Portion to the Issue. For allocation in the event of an under-subscription applicable to the Issuer, Bidders may refer to the Red Herring Prospectus.

ALLOTMENT PROCEDURE AND BASIS OF ALLOTMENT

The allotment of Equity Shares to Bidders other than Individual Investors may be on proportionate basis. No Individual Investors will be allotted less than the minimum Bid Lot subject to availability of shares in Individual Investors Category. Allocation and allotment of equity shares through this Issue will be done in multiples of equity shares (as applicable) and is subject to minimum allotment of Equity Shares (as applicable) to the successful applicants in terms of the SEBI Circular No. CIR/MRD/DSA/06/2012 dated February 21, 2012.

a) For Individual Bidders

Bids received from the Individual Bidders at or above the Issue Price shall be grouped together to determine the total demand under this category. The Allotment to all the successful Individual Bidders will be made at the Issue Price.

The Issue size less Allotment to Non-Institutional and QIB Bidders shall be available for Allotment to Individual Bidders who have Bid in the Issue at a price that is equal to or greater than the Issue Price. If the aggregate demand in this category is less than or equal to 31,39,200 Equity Shares at or above the Issue Price, full Allotment shall be made to the Individual Bidders to the extent of their valid Bids.

If the aggregate demand in this category is greater than 31,39,200 Equity Shares of face value of ₹10/- each at or above the Issue Price, the Allotment shall be made by draw of lots in such a manner that the total number of Shares allotted in that category is equal to the number of Shares allocated. In the event of the Issue being over-subscribed, the Issuer may finalise the Basis of Allotment in consultation with the NSE Emerge (The Designated Stock Exchange).

b) For Non-Institutional Bidders

Bids received from Non-Institutional Bidders at or above the Offer Price shall be grouped together to determine the total demand under this category. The Allotment to all successful Non- Institutional Bidders will be made at the Offer Price. The allotment of specified securities to each non-institutional investor shall not be less than the minimum application size in the non-institutional investor category, and the remaining shares, if any, shall be allotted on proportionate basis.

The Issue size less Allotment to QIBs and Individual Investors shall be available for Allotment to Non- Institutional Bidders who have Bid in the Issue at a price that is equal to or greater than the Issue Price. If the aggregate demand in this category is less than or equal to 18,79,200 Equity Shares of face value of ₹10/- each at or above the Issue Price, full

Allotment shall be made to Non-Institutional Bidders to the extent of their demand.

In case the aggregate demand in this category is greater than 18,79,200 Equity Shares of face value of ₹10/- each at or above the Issue Price, Allotment shall be made on a proportionate basis up to a minimum of [●] Equity Shares of face value of ₹10/- each and in multiples of [●] Equity Shares of face value of ₹10/- each thereafter. The allocation may be made in marketable lots on proportionate basis as set forth hereunder:

a) The number of Equity Shares to be allocated to the successful Bidders in a particular category shall be determined.
b) The successful Bidders, from amongst all valid Bidders in that category, shall be determined by a draw of lots, such that the total number of Equity Shares allotted in that category equals the number of Equity Shares allocated.
c) If the proportionate allotment to any Bidder results in a number that is not a multiple of [●] Equity Shares of face value ₹10/- each, the number of Equity Shares allotted shall be rounded off to the nearest multiple of [●] Equity Shares of face value ₹10/- each, subject to a minimum allotment of [●] Equity Shares of face value ₹10/- each.

If as a result of the process of rounding off to the nearest multiple of [●] Equity Shares of face value of ₹10/- each, results in the actual allotment being higher than the shares Issued, the final allotment may be higher at the sole discretion of the Board of Directors, up to 110% of the size of the Issue specified under the Capital Structure mentioned in this Red Herring Prospectus.

c) For QIBs

For the Basis of Allotment to Anchor Investors, Bidders/Applicants may refer to the SEBI (ICDR) Regulations or Red Herring Prospectus/ Prospectus. Bids received from QIBs Bidding in the QIB Category (net of Anchor Portion) at or above the Issue Price may be grouped together to determine the total demand under this category. The QIB Category may be available for Allotment to QIBs who have Bid at a price that is equal to or greater than the Issue Price. Allotment may be undertaken in the following manner: Allotment shall be undertaken in the following manner:

(a) In the first instance allocation to Mutual Funds for [●]% of the QIB Portion shall be determined as follows:

- In the event that Bids by Mutual Fund exceeds [●]% of the QIB Portion, allocation to Mutual Funds shall be done on a proportionate basis for [●]% of the QIB Portion.
- In the event that the aggregate demand from Mutual Funds is less than [●]% of the QIB Portion then all Mutual Funds shall get full Allotment to the extent of valid Bids received above the Issue Price.
- Equity Shares remaining unsubscribed, if any, not allocated to Mutual Funds shall be available for Allotment to all QIB Bidders as set out in (b) below;

(b) In the second instance Allotment to all QIBs shall be determined as follows:

- In the event that the oversubscription in the QIB Portion, all QIB Bidders who have submitted Bids above the Issue Price shall be allotted Equity Shares on a proportionate basis, upto a minimum of [●] Equity Shares of face value of Rs. 10/- and in multiples of [●] Equity Shares of face value of Rs. 10/- thereafter for [●]% of the QIB Portion.

- Mutual Funds, who have received allocation as per (a) above, for less than the number of Equity Shares Bid for by them, are eligible to receive Equity Shares on a proportionate basis, upto a minimum of [●] Equity Shares of face value of Rs. 10/- and in multiples of [●] Equity Shares of face value of Rs. 10/- thereafter, along with other QIB Bidders.

- Under-subscription below [●]% of the QIB Portion, if any, from Mutual Funds, would be included for allocation to the remaining QIB Bidders on a proportionate basis. The aggregate Allotment to QIB Bidders shall not be more than [●] Equity Shares of face value of Rs. 10/-.

d) ALLOTMENT TO ANCHOR INVESTOR (IF APPLICABLE)

Flow of Events from the closure of Bidding period (T DAY) Till Allotment:

- On T Day, RTA To validate the electronic bid details with the depository records and also reconcile the final certificates received from the Sponsor Bank for UPI process and the SCSBs for ASBA and Syndicate ASBA process with the electronic bid details.
- RTA identifies cases with mismatch of account number as per bid file / FC and as per applicant's bank account linked to depository demat account and seek clarification from SCSB to identify the applications with third party account for rejection.
- Third party confirmation of applications to be completed by SCSBs on T+1 day.
- RTA prepares the list of final rejections and circulates the rejections list with BRLM(s)/ Company for their review/ comments.
- Post rejection, the RTA submits the basis of allotment with the Designated Stock Exchange (DSE).
- The NSE, post verification approves the basis and generates drawl of lots wherever applicable, through a random number generation software.
- The RTA uploads the drawl numbers in their system and generates the final list of allotees as per process mentioned below:

Process for generating list of allotees: -

• Instruction is given by RTA in their Software System to reverse category wise all the application numbers in the ascending order and generate the bucket /batch as per the allotment ratio. For example, if the application number is 78654321 then system reverses it to 12345687 and if the ratio of allottees to applicants in a category is 2:7 then the

system will create lots of 7. If the drawl of lots provided by DSE is 3 and 5 then the system will pick every 3rd and 5th application in each of the lot of the category and these applications will be allotted the shares in that category.

• In categories where there is proportionate allotment, the Registrar will prepare the proportionate working based on the oversubscription times.

• In categories where there is undersubscription, the Registrar will do full allotment for all valid applications.

- On the basis of the above, the RTA will work out the allotees, partial allotees and non- allottees, prepare the fund transfer letters and advice the SCSBs to debit or unblock the respective accounts.

RESTRICTIONS OF FOREIGN OWNERSHIP OF INDIAN SECURITIES

There are two routes through which foreign investors may invest in India. One is the "automatic route", where no government approval is required under Indian foreign exchange laws to make an investment as long as it is within prescribed thresholds for the relevant sector. The other route is the "government route", where an approval is required under foreign exchange laws from the relevant industry regulator, prior to the investment.

Foreign investment in Indian securities is regulated through the Industrial Policy, 1991, of the Government of India and FEMA. While the Industrial Policy, 1991, of the Government of India, prescribes the limits and the conditions subject to which foreign investment can be made in different sectors of the Indian economy, FEMA regulates the precise manner in which such investment may be made. The Union Cabinet, as provided in the Cabinet Press Release dated May 24, 2017, has given its approval for phasing out the FIPB. Under the Industrial Policy, 1991, unless specifically restricted, foreign investment is freely permitted in all sectors of the Indian economy up to any extent and without any prior approvals, but the foreign investor is required to follow certain prescribed procedures for making such investment. Accordingly, the process for foreign direct investment ("FDI") and approval from the Government of India will now be handled by the concerned ministries or departments, in consultation with the Department for Promotion of Industry and Internal Trade, Ministry of Commerce and Industry, Government of India (formerly known as the Department of Industrial Policy and Promotion) ("DPIIT"), Ministry of Finance, Department of Economic Affairs, FIPB section, through a memorandum dated June 5, 2017, has notified the specific ministries handling relevant sectors.

The Government has, from time to time, made policy pronouncements on FDI through press notes and press releases. The DPIIT issued the Consolidated FDI Policy Circular of 2020 ("FDI Policy") by way of circular bearing number DPIIT file number 5(2)/2020-FDI Policy dated October 15, 2020, which with effect from October 15, 2020, consolidates and supersedes all previous press notes, press releases and clarifications on FDI issued by the DPIIT that were in force and effect as on October 15, 2020. The Government of India has from time to time made policy pronouncements on FDI through press notes and press releases which are notified by RBI as amendments to FEMA. In case of any conflict between FEMA and such policy pronouncements, FEMA prevails.

RBI has also issued Master Direction- Foreign Investment in India dated January 4, 2018. In terms of the Master Direction, an Indian company may issue fresh shares to persons resident outside India (who are eligible to make investments in India, for which eligibility criteria are as prescribed). Such fresh issue of shares shall be subject to inter-alia, the pricing guidelines prescribed under the Master Directions.

The RBI, in exercise of its power under the FEMA, has also notified the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident outside India) Regulations, 2017 to prohibit, restrict or regulate, transfer by or issue security to a person resident outside India.

As per the existing policy of the Government of India, OCBs cannot participate in this Issue.

The Equity Shares have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the "U.S. Securities Act"), or the securities laws of any state of the United States and may not be offered or sold within the United States, except pursuant to exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and applicable state securities laws. Accordingly, the Equity Shares are being offered and sold only outside the United States in offshore transactions in reliance on Regulation S under the U.S. Securities Act and the applicable laws of the jurisdiction where those offers, and sale occur. The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Applications may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

The above information is given for the benefit of the Applicants. Our Company and the Book Running Lead Manager are not liable for any amendments or modifications or changes in applicable laws or regulations, which may occur after the date of this Red Herring Prospectus. Applicants are advised to consult their legal counsel, to make their independent investigations and ensure that Applications are not in violation of laws or regulations applicable to them and do not exceed the applicable limits under the laws and regulations.

***** Altered vide resolution passed at the Extra Ordinary General Meeting dated 09th December, 2024 pursuant to adoption of Table F of Companies Act, 2013.***
** Altered vide resolution passed at the Extra Ordinary General Meeting dated 30th August, 2024 pursuant to conversion of Company from Private Limited to Public Limited*

(ii) The Company agrees to issue certificates within fifteen days of the date of lodgement of transfer, sub-division, consolidation, renewal, exchange or endorsement of calls/allotment monies or to issue within fifteen days of such lodgement for transfer, Pucca Transfer Receipts in denominations corresponding to the market units of trading autographically signed by a responsible official of the Company and bearing an endorsement that the transfer has been duly approved by the Directors or that no such approval is necessary;

(iii) Every certificate shall be under the seal and shall specify the shares to which it relates and the amount paid-up thereon.

(iv) In respect of any share or shares held jointly by several persons, the company shall not be bound to issue more than one certificate, and delivery of a certificate for a share to one of several joint holders shall be sufficient delivery to all such holders.

3. (i) If any share certificate be worn out, defaced, mutilated or torn or if there be no further space on the back for endorsement of transfer, then upon production and surrender thereof to the company, a new certificate may be issued in lieu thereof, and if any certificate is lost or destroyed then upon proof thereof to the satisfaction of the company and on the execution of such indemnity as the company deem adequate, a new certificate in lieu thereof shall be given. Every certificate under this Article shall be issued on payment of twenty rupees for each certificate.

(ii) The provisions of Articles (*2*) and (*3*) shall *mutatis mutandis* apply to debentures of the company.

4. Except as required by law, no person shall be recognised by the company as holding any share upon any trust, and the company shall not be bound by, or be compelled in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share, or any interest in any fractional part of a share, or (except only as by these regulations or by law otherwise provided) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder.

5. (i) The company may exercise the powers of paying commissions conferred by sub-section (*6*) of section 40, provided that the rate per cent. or the amount of the commission paid or agreed to be paid shall be disclosed in the manner required by that section and rules made thereunder.

(ii) The rate or amount of the commission shall not exceed the rate or amount prescribed in rules made under sub-section (6) of section 40.

(iii) The commission may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in one way and partly in the other.

6. (i) If at any time the share capital is divided into different classes of shares, the rights attached to any class (unless otherwise provided by the terms of issue of the shares of that class) may, subject to the provisions of section 48, and whether or not the company is being wound up, be varied with the consent in writing of the holders of three-fourths of the issued shares of that class, or with the sanction of a special resolution passed at a separate meeting of the holders of the shares of that class.

(ii) To every such separate meeting, the provisions of these regulations relating to general meetings shall mutatis mutandis apply, but so that the necessary quorum shall be at least two persons holding at least one-third of the issued shares of the class in question.

7. The rights conferred upon the holders of the shares of any class issued with preferred or other rights shall not, unless otherwise expressly provided by the terms of issue of the shares of that class, be deemed to be varied by the creation or issue of further shares ranking *pari passu* therewith

8. Subject to the provisions of section 55, any preference shares may, with the sanction of an ordinary resolution, be issued on the terms that they are to be redeemed on such terms and in such manner as the company before the issue of the shares may, by special resolution, determine.

9. Where at any time Company having Share Capital proposes to increase its subscribed capital by the issue of

further Shares, such shares shall be offered in compliance with the relevant provisions of the Companies Act, 2013 and any other applicable law.

10. **DEMATERIALISATION OF SHARES**

I Notwithstanding anything contained in these Articles, the Company shall be entitled to dematerialize its shares, debentures and other securities and to offer any shares, debentures or other securities proposed to be issued by it for subscription in a dematerialized form and on the same being done, the Company shall further be entitled to maintain a Register of Members/ Debenture holders/ other security holders with the details of members/debenture holders/ other securities both in materialized and dematerialized form in any medium as permitted by the Act.

II Every person subscribing to or holding securities of the Company shall have the option to receive security certificates or to hold the securities in electronic form with a Depository. If a person opts to hold his security with a Depository, the Company shall intimate such Depository the details of allotment of the security, and on receipt of the information, the Depository shall enter in its records the name of the allottee as the Beneficial Owner of the Security.

III Save as herein otherwise provided, the Company shall be entitled to treat the person whose name appears as the beneficial owner of the shares, debentures and other securities in the records of the Depository as the absolute owner thereof as regards receipt of dividends or bonus on shares, interest/premium on debentures and other securities and repayment thereof or for service of notices and all or any other matters connected with the Company and accordingly the Company shall not (except as ordered by the Court of competent jurisdiction or as by law required and except as aforesaid) be bound to recognise any benami trust or equity or equitable, contingent or other claim to or interest in such shares, debentures or other securities as the case may be, on the part of any other person whether or not it shall have express or implied notice thereof.

IV In the case of transfer of shares, debentures or other securities where the Company has not issued any certificates and where such shares, debentures or other securities are being held in an electronic and fungible form, the provisions of the Depositories Act, shall apply.

Provided that in respect of the shares and securities held by the depository on behalf of a beneficial owner, provisions of Section 9 and any other applicable section as amended of the Depositories Act shall apply so far as applicable.

V Every Depository shall furnish to the Company, information about the transfer of securities in the name of the Beneficial Owner at such intervals and in such manner as may be specified by the bye-laws of the Depository and the Company on that behalf.

VI Except as specifically provided in these Articles, the provisions relating to joint holders of shares, calls, lien on shares, forfeiture of shares and transfer and transmission of shares shall be applicable to shares held in electronic form so far as they apply to shares in physical form subject however to the provisions of the Depositories Act.

Lien

11. (i) The company shall have a first and paramount lien –

(a) on every share (not being a fully paid share), for all monies (whether presently payable or not) called, or payable at a fixed time, in respect of that share; and

(b) on all shares (not being fully paid shares) standing registered in the name of a single person, for all monies presently payable by him or his estate to the company:

Provided that the Board of Directors may at any time declare any share to be wholly or in part exempt from the provisions of this clause.

Every fully paid share shall be free from all lien and that in the case of partly paid shares the issuer's lien shall be restricted to moneys called or payable at fixed time in respect of such shares.

(ii) The company's lien, if any, on a share shall extend to all dividends payable and bonuses declared from time to time in respect of such shares.

12. The company may sell, in such manner as the Board thinks fit, any shares on which the company has a lien:

Provided that no sale shall be made—

(a) unless a sum in respect of which the lien exists is presently payable; or

(b) until the expiration of fourteen days after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share or the person entitled thereto by reason of his death or insolvency.

13. (i) To give effect to any such sale, the Board may authorise some person to transfer the shares sold to the purchaser thereof.

(ii) The purchaser shall be registered as the holder of the shares comprised in any such transfer.

(iii) The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings in reference to the sale.

14. (i) The proceeds of the sale shall be received by the company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable.

(ii) The residue, if any, shall, subject to a like lien for sums not presently payable as existed upon the shares before the sale, be paid to the person entitled to the shares at the date of the sale.

Calls on shares

15. (i) The Board may, from time to time, make calls upon the members in respect of any monies unpaid on their shares (whether on account of the nominal value of the shares or by way of premium) and not by the conditions of allotment thereof made payable at fixed times:

Provided that no call shall exceed one-fourth of the nominal value of the share or be payable at less than one month from the date fixed for the payment of the last preceding call.

(ii) Each member shall, subject to receiving at least fourteen days' notice specifying the time or times and place of payment, pay to the company, at the time or times and place so specified, the amount called on his shares.

(iii) A call may be revoked or postponed at the discretion of the Board.

16. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be required to be paid in installments.

17. The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.

18. (i) If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest thereon from the day appointed for payment thereof to the time of actual payment at ten per cent. per annum or at such lower rate, if any, as the Board may determine.

(ii) The Board shall be at liberty to waive payment of any such interest wholly or in part.

19. (i) Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall, for the purposes of these regulations, be deemed to be a call duly made and payable on the date on which by the terms of issue such sum becomes payable.

(ii) In case of non-payment of such sum, all the relevant provisions of these regulations as to payment of

interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

20. The Board

(a) may, if it thinks fit, receive from any member willing to advance the same, all or any part of the monies uncalled and unpaid upon any shares held by him; and

(b) upon all or any of the monies so advanced, may (until the same would, but for such advance, become presently payable) pay interest at such rate not exceeding, unless the company in general meeting shall otherwise direct, twelve per cent. per annum, as may be agreed upon between the Board and the member paying the sum in advance.

Transfer of shares

21. (i) The instrument of transfer of any share in the company shall be executed by or on behalf of both the transferor and transferee.

(ii) The transferor shall be deemed to remain a holder of the share until the name of the transferee is entered in the register of members in respect thereof.

22. The Board may, subject to the right of appeal conferred by section 58 decline to register—

(a) the transfer of a share, not being a fully paid share, to a person of whom they do not approve; or

(b) any transfer of shares on which the company has a lien.

(c) Provided however that the Company will not decline to register or acknowledge any transfer of shares on the ground of the transferor being either alone or jointly with any other person or persons indebted to the Company on any account whatsoever.

(d) The common form of transfer shall be used by the Company.

23. The Board may decline to recognise any instrument of transfer unless—

(a) the instrument of transfer is in the form as prescribed in rules made under sub-section (*1*) of section 56;

(b) the instrument of transfer is accompanied by the certificate of the shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and

(c) the instrument of transfer is in respect of only one class of shares.

24. On giving not less than seven days' previous notice in accordance with section 91 and rules made thereunder, the registration of transfers may be suspended at such times and for such periods as the Board may from time to time determine:

Provided that such registration shall not be suspended for more than thirty days at any one time or for more than forty-five days in the aggregate in any year.

Transmission of shares

25. (i) On the death of a member, the survivor or survivors where the member was a joint holder, and his nominee or nominees or legal representatives where he was a sole holder, shall be the only persons recognised by the company as having any title to his interest in the shares.

(ii) Nothing in clause (i) shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by him with other persons.

26. (i) Any person becoming entitled to a share in consequence of the death or insolvency of a member may, upon such evidence being produced as may from time to time properly be required by the Board and subject as hereinafter provided, elect, either –

    (a) to be registered himself as holder of the share; or

    (b) to make such transfer of the share as the deceased or insolvent member could have made.

    (ii) The Board shall, in either case, have the same right to decline or suspend registration as it would have had, if the deceased or insolvent member had transferred the share before his death or insolvency.

27. (i) If the person so becoming entitled shall elect to be registered as holder of the share himself, he shall deliver or send to the company a notice in writing signed by him stating that he so elects.

    (ii) If the person aforesaid shall elect to transfer the share, he shall testify his election by executing a transfer of the share.

    (iii) All the limitations, restrictions and provisions of these regulations relating to the right to transfer and the registration of transfers of shares shall be applicable to any such notice or transfer as aforesaid as if the death or insolvency of the member had not occurred and the notice or transfer were a transfer signed by that member.

28. A person becoming entitled to a share by reason of the death or insolvency of the holder shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the company:

    Provided that the Board may, at any time, give notice requiring any such person to elect either to be registered himself or to transfer the share, and if the notice is not complied with within ninety days, the Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the share, until the requirements of the notice have been complied with.

Forfeiture of shares

29. If a member fails to pay any call, or instalment of a call, on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or instalment remains unpaid, serve a notice on him requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued.

30. The notice aforesaid shall—

    (a) name a further day (not being earlier than the expiry of fourteen days from the date of service of the notice) on or before which the payment required by the notice is to be made; and

    (b) state that, in the event of non-payment on or before the day so named, the shares in respect of which the call was made shall be liable to be forfeited.

31. If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may, at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect.

32. (i) A forfeited share may be sold or otherwise disposed of on such terms and in such manner as the Board thinks fit.

    (ii) At any time before a sale or disposal as aforesaid, the Board may cancel the forfeiture on such terms as it thinks fit.

33. (i) A person whose shares have been forfeited shall cease to be a member in respect of the forfeited shares, but shall, notwithstanding the forfeiture, remain liable to pay to the company all monies which, at the date of forfeiture, were presently payable by him to the company in respect of the shares.

(ii) The liability of such person shall cease if and when the company shall have received payment in full of all such monies in respect of the shares.

34. (i) A duly verified declaration in writing that the Declarant is a director, the manager or the secretary, of the company, and that a share in the company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share.

(ii) The company may receive the consideration, if any, given for the share on any sale or disposal thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of.

(iii) The transferee shall thereupon be registered as the holder of the share.

(iv) The transferee shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the share.

35. The provisions of these regulations as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

Alteration of Capital

36. The company may, from time to time, by ordinary resolution increase the share capital by such sum, to be divided into shares of such amount, as may be specified in the resolution.

37. Subject to the provisions of section 61, the company may, by ordinary resolution,—

(a) consolidate and divide all or any of its share capital into shares of larger amounts than its existing shares;

(b) convert all or any of its fully paid-up shares into stock, and reconvert that stock into fully paid-up shares of any denomination;

(c) divide its existing shares or any of them into shares of smaller amount than is fixed by the memorandum;

(d) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person.

38. Where shares are converted into stock,

(a) the holders of stock may transfer the same or any part thereof in the same manner as, and subject to the same regulations under which, the shares from which the stock arose might before the conversion have been transferred, or as near thereto as circumstances admit:

Provided that the Board may, from time to time, fix the minimum amount of stock transferable, so, however, that such minimum shall not exceed the nominal amount of the shares from which the stock arose.

(b) the holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards dividends, voting at meetings of the company, and other matters, as if they held the shares from which the stock arose; but no such privilege or advantage (except participation in the dividends and profits of the company and in the assets on winding up) shall be conferred by an amount of stock which would not, if existing in shares, have conferred that privilege or advantage.

(c) such of the regulations of the company as are applicable to paid-up shares shall apply to stock and the words "share" and "shareholder" in those regulations shall include "stock" and "stock-holder" respectively.

39. The company may, by special resolution, reduce in any manner and with, and subject to, any incident authorised and consent required by law,—
    (a) its share capital;
    (b) any capital redemption reserve account; or
    (c) any share premium account.

Capitalization of Profit

40. (i) The company in general meeting may, upon the recommendation of the Board, resolve—

    (a) that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the company's reserve accounts, or to the credit of the profit and loss account, or otherwise available for distribution;

    (b) that such sum be accordingly set free for distribution in the manner specified in clause (ii) amongst the members who would have been entitled thereto, if distributed by way of dividend and in the same proportions.

    (ii) The sum aforesaid shall not be paid in cash but shall be applied, subject to the provision contained in clause (iii), either in or towards—

    (a) paying up any amounts for the time being unpaid on any shares held by such members respectively;

    (b) paying up in full, unissued shares of the company to be allotted and distributed, credited as fully paid-up, to and amongst such members in the proportions aforesaid;

    (c) partly in the way specified in sub-clause (*A*) and partly in that specified in sub-clause (b);

    (d) A securities premium account and a capital redemption reserve account may, for the purposes of this regulation, be applied in the paying up of unissued shares to be issued to members of the company as fully paid bonus shares;

    (e) The board shall give effect to the resolution passed by the company in pursuance of this regulation

41. (i) Whenever such a resolution as aforesaid shall have been passed, the Board shall—

    (a) make all appropriations and applications of the undivided profits resolved to be capitalized thereby, and all allotments and issues of fully paid shares if any; and(*b*) generally do all acts and things required to give effect thereto.

    (ii) The Board shall have power—

    (a) to make such provisions, by the issue of fractional certificates or by payment in cash or otherwise as it thinks fit, for the case of shares becoming distributable infractions; and

    (b) to authorise any person to enter, on behalf of all the members entitled thereto, into an agreement with the company providing for the allotment to them respectively, credited as fully paid-up, of any further shares to which they may be entitled upon such capitalization, or as the case may require, for the payment by the company on their behalf, by the application thereto of their respective proportions of profits resolved to be capitalized, of the amount or any part of the amounts remaining unpaid on their existing shares;

    (iii) Any agreement made under such authority shall be effective and binding on such members.

    (iv) Capital paid-up in advance of calls on any share may carry interest but shall not in respect thereof confer a right to dividend or to participate in profits.

Buy-back of Shares

42. Notwithstanding anything contained in these articles but subject to the provisions of sections 68 to 70 and any other applicable provision of the Act or any other law for the time being in force, the company may purchase its own shares or other specified securities.

General Meetings

43. All general meetings other than annual general meeting shall be called extra-ordinary general meeting.

44. (i) The Board may, whenever it thinks fit, call an extraordinary general meeting.

(ii) If at any time directors capable of acting who are sufficient in number to form a quorum are not within India, any director or any two members of the company may call an extraordinary general meeting in the same manner, as nearly as possible, as that in which such a meeting may be called by the Board.

Proceedings at General Meetings

45. (i) No business shall be transacted at any general meeting unless a quorum of members is present at the time when the meeting proceeds to business.

(ii) Save as otherwise provided herein, the quorum for the general meetings shall be as provided in section 103.

46. The chairperson, if any, of the Board shall preside as Chairperson at every general meeting of the company.

47. If there is no such Chairperson, or if he is not present within fifteen minutes after the time appointed for holding the meeting, or is unwilling to act as chairperson of the meeting, the directors present shall elect one of their members to be Chairperson of the meeting.

48. If at any meeting no director is willing to act as Chairperson or if no director is present within fifteen minutes after the time appointed for holding the meeting, the members present shall choose one of their members to be Chairperson of the meeting.

Adjournment of Meeting

49. (i) The Chairperson may, with the consent of any meeting at which a quorum is present, and shall, if so directed by the meeting, adjourn the meeting from time to time and from place to place.

(ii) No business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

(iii) When a meeting is adjourned for thirty days or more, notice of the adjourned meeting shall be given as in the case of an original meeting.

(iv) Save as aforesaid, and as provided in section 103 of the Act, it shall not be necessary to give any notice of an adjournment or of the business to be transacted at an adjourned meeting.

Voting Rights

50. Subject to any rights or restrictions for the time being attached to any class or classes of shares,—

(a) on a show of hands, every member present in person shall have one vote; and

(b) on a poll, the voting rights of members shall be in proportion to his share in the paid-up equity share capital of the company.

51. A member may exercise his vote at a meeting by electronic means in accordance with section 108 and shall vote only once.

52. (i) In the case of joint holders, the vote of the senior who tenders a vote, whether in person or by proxy,

shall be accepted to the exclusion of the votes of the other joint holders.

(ii) For this purpose, seniority shall be determined by the order in which the names stand in the register of members.

53. A member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction in lunacy, may vote, whether on a show of hands or on a poll, by his committee or other legal guardian, and any such committee or guardian may, on a poll, vote by proxy.

54. Any business other than that upon which a poll has been demanded may be proceeded with, pending the taking of the poll.

55. No member shall be entitled to vote at any general meeting unless all calls or other sums presently payable by him in respect of shares in the company have been paid.

56. (i) No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes.

(ii) Any such objection made in due time shall be referred to the Chairperson of the meeting, whose decision shall be final and conclusive.

Proxy

57. The instrument appointing a proxy and the power-of-attorney or other authority, if any, under which it is signed or a notarized copy of that power or authority, shall be deposited at the registered office of the company not less than 48 hours before the time for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote, or, in the case of a poll, not less than 24 hours before the time appointed for the taking of the poll; and in default the instrument of proxy shall not be treated as valid.

58. An instrument appointing a proxy shall be in the form as prescribed in the rules made under section 105.

59. A vote given in accordance with the terms of an instrument of proxy shall be valid, notwithstanding the previous death or insanity of the principal or the revocation of the proxy or of the authority under which the proxy was executed, or the transfer of the shares in respect of which the proxy is given:

Provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the company at its office before the commencement of the meeting or adjourned meeting at which the proxy is used.

Board of Directors

60. The number of directors and the names of the first directors shall be determined in writing by the subscribers of the memorandum or a majority of them. The first Directors of the company shall be:

1. SAHANA LAKSHMI MAHALINGA
2. DEEPAK AGARWAL

61. (i) The remuneration of the directors shall, in so far as it consists of a monthly payment, be deemed to accrue from day-to-day.

(ii) In addition to the remuneration payable to them in pursuance of the Act, the directors may be paid all travelling, hotel and other expenses properly incurred by them –

(a) in attending and returning from meetings of the Board of Directors or any committee thereof or general meetings of the company; or

(b) in connection with the business of the company.

62. The Board may pay all expenses incurred in getting up and registering the company.

63. The company may exercise the powers conferred on it by section 88 with regard to the keeping of a foreign register; and the Board may (subject to the provisions of that section) make and vary such regulations as it may think fit respecting the keeping of any such register.

64. All cheques, promissory notes, drafts, *hundis*, bills of exchange and other negotiable instruments, and all receipts for monies paid to the company, shall be signed, drawn, accepted, endorsed, or otherwise executed, as the case may be, by such person and in such manner as the Board shall from time to time by resolution determine.

65. Every director present at any meeting of the Board or of a committee thereof shall sign his name in a book to be kept for that purpose.

66. (i) Subject to the provisions of section 149, the Board shall have power at any time, and from time to time, to appoint a person as an additional director, provided the number of the directors and additional directors together shall not at any time exceed the maximum strength fixed for the Board by the articles.

(ii) Such person shall hold office only up to the date of the next annual general meeting of the company but shall be eligible for appointment by the company as a director at that meeting subject to the provisions of the Act.

67. **Managing Director(S)/Whole Time Director(S)/Key Managerial Personnel**

The Managing Director or Whole Time Director shall be appointed in compliance with the provisions of Companies Act, 2013 and any other applicable law in force.

68. **Powers and duties of Managing Director or whole-time Director**

The Managing Director/Whole-time Director shall be subject to the supervision, control and direction of the Board and subject to the provisions of the Act, exercise such powers as are exercisable under these presents by the Board of Directors, as they may think fit and confer such power for such time and to be exercised as they may think expedient and they may confer such power either collaterally with or to the exclusion of any such substitution for all or any of the powers of the Board of Directors in that behalf and may from time to time revoke, withdraw, alter or vary all or any such powers. The Managing Directors/whole-time Directors may exercise all the powers entrusted to them by the Board of Directors in accordance with the Board's direction.

Proceedings of the Board

69. (i) The Board of Directors may meet for the conduct of business, adjourn and otherwise regulate its meetings, as it thinks fit.

(ii) A director may, and the manager or secretary on the requisition of a director shall, at any time, summon a meeting of the Board.

70. (i) Save as otherwise expressly provided in the Act, questions arising at any meeting of the Board shall be decided by a majority of votes.

(ii) In case of an equality of votes, the Chairperson of the Board, if any, shall have a second or casting vote.

71. The continuing directors may act notwithstanding any vacancy in the Board; but, if and so long as their number is reduced below the quorum fixed by the Act for a meeting of the Board, the continuing directors or director may act for the purpose of increasing the number of directors to that fixed for the quorum, or of summoning a general meeting of the company, but for no other purpose.

72. (i) The Board may elect a Chairperson of its meetings and determine the period for which he is to hold office.

(ii) If no such Chairperson is elected, or if at any meeting the Chairperson is not present within five minutes after the time appointed for holding the meeting, the directors present may choose one of their number to be Chairperson of the meeting.

73. (i) The Board may, subject to the provisions of the Act, delegate any of its powers to committees consisting of such member or members of its body as it thinks fit.

(ii) Any committee so formed shall, in the exercise of the powers so delegated, conform to any regulations that may be imposed on it by the Board

74. (i) A committee may elect a Chairperson of its meetings.

(ii) If no such Chairperson is elected, or if at any meeting the Chairperson is not present within five minutes after the time appointed for holding the meeting, the members present may choose one of their members to be Chairperson of the meeting.

75. (i) A committee may meet and adjourn as it thinks fit.

(ii) Questions arising at any meeting of a committee shall be determined by a majority of votes of the members present, and in case of an equality of votes, the Chairperson shall have a second or casting vote.

76. All acts done in any meeting of the Board or of a committee thereof or by any person acting as a director, shall, notwithstanding that it may be afterwards discovered that there was some defect in the appointment of any one or more of such directors or of any person acting as aforesaid, or that they or any of them were disqualified, be as valid as if every such director or such person had been duly appointed and was qualified to be a director.

77. Save as otherwise expressly provided in the Act, a resolution in writing, signed by all the members of the Board or of a committee thereof, for the time being, entitled to receive notice of a meeting of the Board or committee, shall be valid and effective as if it had been passed at a meeting of the Board or committee, duly convened and held.

Chief Executive Officer, Manager, Company Secretary or Chief Financial Officer

78. Subject to the provisions of the Act, -

(a) A chief executive officer, manager, company secretary or chief financial officer may be appointed by the Board for such term, at such remuneration and upon such conditions as it may think fit; and any chief executive officer, manager, company secretary or the chief financial officer so appointed may be removed by means of a resolution of the Board;

(b) A director may be appointed as chief executive officer, manager, company secretary or chief financial officer.

79. A provision of the Act or these regulations requiring or authorising a thing to be done by or to a director and chief executive officer, manager, company secretary or chief financial officer shall not be satisfied by its being done by or to the same person acting both as director and as, or in place of, chief executive officer, manager, company secretary or chief financial officer.

The Seal

80. (i) The Board shall provide for the safe custody of the seal

(ii) The seal of the company shall not be affixed to any instrument except by the authority of a resolution of the Board or of a committee of the Board authorised by it in that behalf, and except in the presence of at least two directors and of the secretary or such other person as the Board may appoint for the purpose; and those two directors and the secretary or other person aforesaid shall sign every

instrument to which the seal of the company is so affixed in their presence.

Dividends and Reserve

81. The company in general meeting may declare dividends, but no dividend shall exceed the amount recommended by the Board.

82. Subject to the provisions of section 123, the Board may from time to time pay to the members such interim dividends as appear to it to be justified by the profits of the company.

83. (i) The Board may, before recommending any dividend, set aside out of the profits of the company such sums as it thinks fit as a reserve or reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the company may be properly applied, including provision for meeting contingencies or for equalising dividends; and pending such application, may, at the like discretion, either be employed in the business of the company or be invested in such investments (other than shares of the company) as the Board may, from time to time, thinks fit.

(ii) The Board may also carry forward any profits which it may consider necessary not to divide, without setting them aside as a reserve.

84. (i) Subject to the rights of persons, if any, entitled to shares with special rights as to dividends, all dividends shall be declared and paid according to the amounts paid or credited as paid on the shares in respect whereof the dividend is paid, but if and so long as nothing is paid upon any of the shares in the company, dividends may be declared and paid according to the amounts of the shares.

(ii) No amount paid or credited as paid on a share in advance of calls shall be treated for the purposes of this regulation as paid on the share.

(iii) All dividends shall be apportioned and paid proportionately to the amounts paid or credited as paid on the shares during any portion or portions of the period in respect of which the dividend is paid; but if any share is issued on terms providing that it shall rank for dividend as from a particular date such share shall rank for dividend accordingly.

85. The Board may deduct from any dividend payable to any member all sums of money, if any, presently payable by him to the company on account of calls or otherwise in relation to the shares of the company.

86. (i) Any dividend, interest or other monies payable in cash in respect of shares may be paid by cheque or warrant sent through the post directed to the registered address of the holder or, in the case of joint holders, to the registered address of that one of the joint holders who is first named on the register of members, or to such person and to such address as the holder or joint holders may in writing direct.

(ii) Every such cheque or warrant shall be made payable to the order of the person to whom it is sent.

87. Any one of two or more joint holders of a share may give effective receipts for any dividends, bonuses or other monies payable in respect of such share.

88. Notice of any dividend that may have been declared shall be given to the persons entitled to share therein in the manner mentioned in the Act.

89. No dividend shall bear interest against the company.
Provided however that no amount outstanding as unclaimed dividends shall be forfeited unless the claim becomes barred by law.

Accounts

90. (i) The Board shall from time to time determine whether and to what extent and at what times and places and under what conditions or regulations, the accounts and books of the company, or any of them, shall be open to the inspection of members not being directors.

(ii) No member (not being a director) shall have any right of inspecting any account or book or document

of the company except as conferred by law or authorised by the Board or by the company in general meeting.

Winding Up

91. Subject to the provisions of Chapter XX of the Act and rules made thereunder—

(a) If the company shall be wound up, the liquidator may, with the sanction of a special resolution of the company and any other sanction required by the Act, divide amongst the members, in specie or kind, the whole or any part of the assets of the company, whether they shall consist of property of the same kind or not.

(b) For the purpose aforesaid, the liquidator may set such value as he deems fair upon any property to be divided as aforesaid and may determine how such division shall be carried out as between the members or different classes of members.

(c) The liquidator may, with the like sanction, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories if he considers necessary, but so that no member shall be compelled to accept any shares or other securities whereon there is any liability.

Indemnity

92. Every officer of the company shall be indemnified out of the assets of the company against any liability incurred by him in defending any proceedings, whether civil or criminal, in which judgment is given in his favour or in which he is acquitted or in which relief is granted to him by the court or the Tribunal.
