India's Low per capita pipe Consumption vs World Avg. (in Kg)

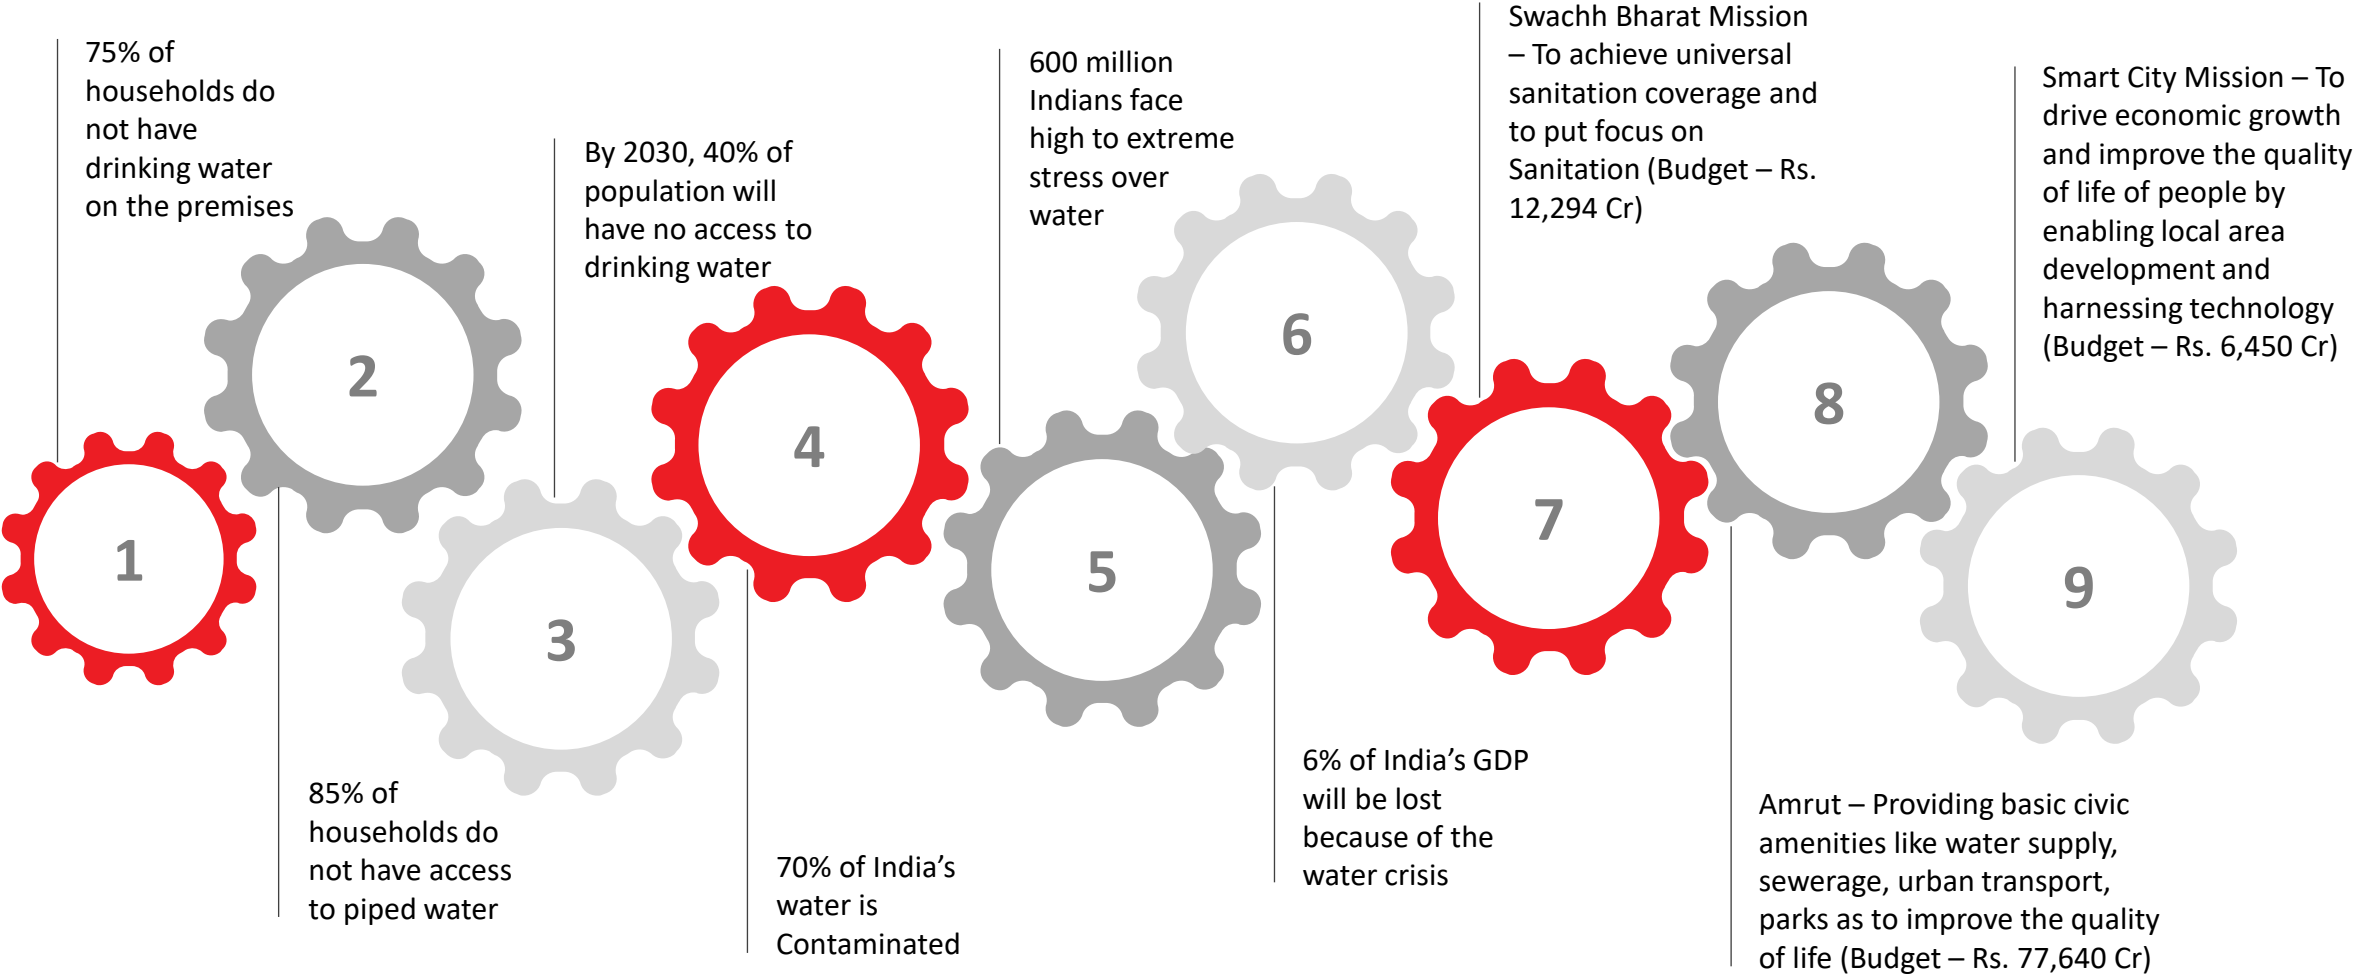

Domestic Plastic Pipes & Fittings Market Size (₹. in Bn)

Source: CRISIL Research

- Industry growth outlook remains strong driven by Government's focus on expanding areas under irrigation and increasing urban infrastructure spending
- Growing penetration of branded plumbing pipes in affordable housing project segment would further led to demand among the pipe segment

Source: Union Budget Highlights 20-21, Industry Data

Prince Pipes and Fittings Limited is an Indian manufacturer of polymer pipes and fittings for plumbing, irrigation and sewage disposal.

It ranks amongst the top 5 companies in the piping industry thanks to its massive production capacity and a wide distribution network. PPFL is considered the Industry’s Most Trusted Brand and has the Largest Range of SKUs.

Having operated for more than three decades, the company has numerous manufacturing units located strategically across the country. It is promoted by the Chedda family and is recognised for its extensive range of products and their pristine quality.

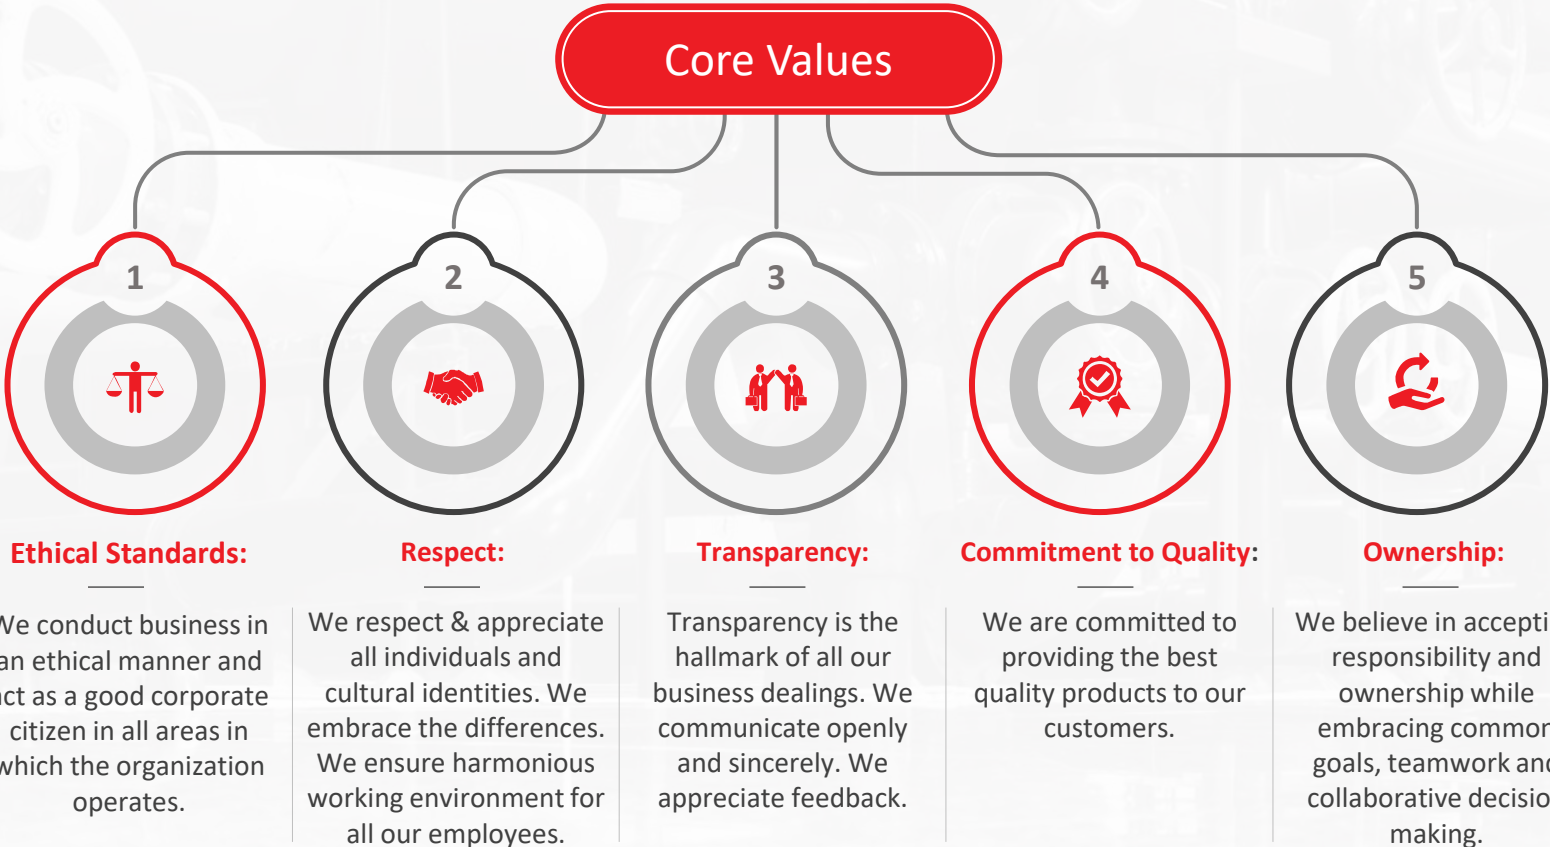

Vision

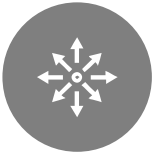

To be an acknowledged leader in Indian plastic piping industry by exceeding customers expectations and maximizing bottom line for all our stake holders.

Mission

Our mission is to bring a revolution in plastic piping industry through innovative solutions which would create a profitable growth and benefit our customers & the society at large.
