EBITDA Margin (%)	42%	26%
Interest	246	78
Depreciation	73	38
Profit After Tax	(29)	(67)
PAT + Depreciation	44	(29)

Amravati Project: Quarterly Revenue

Amravati Project: Quarterly Generation

Generation (MUs)

Amravati Project: PLF

- Aim to cross 85% PLF for the plant in near future
- Above does not include backdown for which the company is paid capacity charges due to deemed generation

Amravati Project: Key highlights

- **Better fuel availability:**

1. Increased procurement from alternate sources like imported, e-auction
2. Rail Siding is fully operational and rakes are now going directly into the plant

- **Concrete action plan for improving financing related cash flows:**

1. Tenure: 5/25 approved from majority lenders, average loan tenure being increased from 10 years to 20 years
2. Interest:
 - a) Interest rate of PFC (which has 34% share of total loan) expected to reduce in April 16 under their new policy of interest rate reduction for commissioned projects after 1 year of COD
 - b) Refinancing planned for April 2016 (after 1 year of COD) to further reduce interest rate

Huge positive for power sector - UDAY

- Govt of India has approved a path breaking reform to restructure debt of DISCOM through “UDAY - Ujwal DISCOM Assurance Yojana”
- Benefits to DISCOMs
 - 75% of debt will be taken over by States through issuance of bonds at sub 9% cost
 - Balance debt from bank will be at their base rate + not more than 0.10% e.g. SBI will charge max 9.40% (SBI base rate 9.30% + 0.10%)
- Key milestones to be met by DISCOMs by 2018-19:
 - Reduce average AT&C loss from around 22% to 15%
 - Eliminate the gap between Average Revenue Realized (ARR) & Average Cost of Supply (ACS)

Overall ecosystem of Power business expected to improve tremendously due to this permanent solution which will help DISCOMs to procure more power for consumers and make timely payments to generators

Thank you
