FY20 Performance:

Total Revenue at Rs. 3,331.40 Mn Y-o-Y growth of 6% in Value and 11% in Volume

EBITDA at Rs 375.80 Mn, PAT at Rs 146.27 Mn

Silvassa, June 18, 2020

Commenting on the performance Mr. Makrand Appalwar, Chairman & Managing Director, Emmbi Industries Limited said, "Our business decision of 'Going Rural' in the B2C market has been playing out favourably and has led to an encouraging growth in both EBITDA and PAT considering the tough conditions market faced during last financial year due to slowdown and Covid -19. Important parameters have shown a satisfactory growth whether in Rural market or in Exports. Company has shown a Topline growth of 6 % in value and 11 % in Volume. We credit a large part of this to the efficient team which has worked relentlessly to gain customer confidence resulting in better numbers for this year.

We will have special focus on the Rural Markets during this year and many new products of Avana which are the key to the prosperity of the Indian farmers are in pipeline for the Rural Retail market will be launched during this year on the quarterly basis.
