REVIEW OF OPERATIONS

The performance of the company is consistent, despite turbulence in the global markets, as the company is able to maintain high quality standards and also innovate new products.

The Revenue of the company increased to Rs. 12047 lakhs from Rs 10976 Lakhs in the previous year registering a growth of 9.76% over previous year. The total comprehensive income for the year was Rs 430 Lakhs as compared to Rs 168 Lakhs during the previous year i.e. an increase of 255.95 % on account of increased profitability as well as on account of unrealised gain on the non-current investments.

PAPER DIVISION

The Company had modernisation and reinstallation programme for capacity enhancement with addition of sophisticated quality control Instruments leading to improvement in quality parameters and increase in production capacity to 80 TPD from earlier 45 TPD leading to more acceptance and demand of our Absorbent Kraft Grades for Decorative laminates. The modification also brought around huge energy savings in the form of reduced intake of steam, making the products more profitable.

During the year Company had remarkable business with leading brands in Domestic Markets like Marino Panels, Green Ply, Century Ply, Olympic laminates and many more. Company also had Exports to various countries like Saudi Arabia, Middle East, Thailand and China beside the Global leading laminate industries like Formica, Wilson art and Ikea are in process to determine the quantities under annual contract.

The company also launched a new product for Paper Bags, visualising the growth in demand of Paper Bags due to global discouragement for the use of plastic bags. The fast-growing demand of this product is all set to put our Company remarkably on Global Business Map.

The year of 2017-18 has been significantly the year of developing new products. Besides MG White Tissue paper for Gift wrap, which is already a globally selling and revenue generating product, the company also launched Colour Tissues in various ten to twelve solid non bleeding

colours for fancy Gift wrapping and flowery decoration. The acceptance of these colour tissue has taken the Global and overseas markets by storm. The primary markets for this product beside domestic market are China, Hong Kong, Europe, USA and South American countries. These products are supplied to Mega-stores in India and Wal-Mart and K-Mart overseas. The other value added and export-oriented products are Masking Paper for Automobile Industry, Protection Paper for Textile printing Industry and Thermal Interleaving paper for Garments manufacturing Industry.

With the significant contribution of above products development and their acceptance in the domestic and overseas markets, the company's sales prospects are likely to increase and it will also add up to the exports business of the company.

On Global scenario, China which was the world's top destination for recyclable waste paper, has now banned imports of several grades of waste for environmental compliance, which has impacted the paper production capacities close to 3 lakhs tons per annum. As a result, packaging and other usage paper prices have shot up in domestic markets to cover up this short fall.

Our Company which uses imported waste paper stand to benefit on account of lower global waste paper prices (on excess supply) and higher realization.

CHEMICAL DIVISION (LABSA)

We have the pleasure to inform you that the company has been successfully operating the plant for manufacturing LABSA and has made a good penetration in the markets throughout India. The production for the year was 5030 MTs as compared to 3863 MTs during the previous year.

The company is also trying to get contracts of permanent supplies of LABSA for export purposes.

FUTURE PLANS

Looking to the surge in demand due to wider acceptability of the products of the company in domestic as well as global markets, your company proposes to put one more paper machine to increase the capacity by 35 %.

MANAGEMENT DISCUSSIONS AND ANALYSIS

1. Industry Structure and Development the machines as a result of above R & D.

India's share in global paper demand is gradually growing as domestic demand is increasing at a steady pace while demand in the western nations is contracting. The domestic demand in India grew from 9.3 million tonnes in FY08 to 15.3 million tonnes in FY16 at a CAGR of 6.4%. In spite of the sustained growth witnessed by the industry, the per capita paper consumption in India stands at a little over 13 kg which is well below the global average of 57 kg and significantly below 200 kg in North America. As per IPMA's (Indian Paper Mills Association) estimates, this industry contributes approximately Rs 4,500 crore to the exchequer and provides employment to over 5 lakh people across approximately 750 paper mills. The demand drivers include 1) rising income levels, 2) growing per capita expenditure, 3) requirement of better quality packaging of FMCG products marketed through organized retail etc.

The Indian paper industry is in a sweet spot, as increasing global paper prices have provided an umbrella for raising domestic prices. With international pulp prices strong, and a more disciplined global industry, we expect the upswing to be sustainable in the medium term.

Our Company which uses imported waste paper stand to benefit on account of lower global waste paper prices (on excess supply) and higher realization.

Presently the company's product mix include the various grades of papers such as , Absorbent Kraft, Carbon Base, Poster, Napkin grade tissue, Gift Wrapping Tissue, Color Tissues, Masking Paper and Protection paper. With a dedicated and competent, technical and marketing team, equipped with innovative ideas and strategies, the company is thriving to capture a major part of the market share in these segments.

Your company has successfully diversified in chemical business by putting up of a plant to manufacture LABSA (ACID SLURRY) for a capacity of 16000 MT per annum which is used by detergents and soap manufacturing industries. The product has great growth potential.

Continuous R&D in Company's state to art laboratory, and installation of QCS (Quality control Scanner) have established and enhanced the acceptance of our products in domestic and global markets in their respective segments. Company is highly benefited by significant Realizations, Contributions, Savings in Energy Cost and Improved efficiency.

2. Opportunities and Threats

The company has adequate infrastructure facilities such as huge spare land and uninterrupted supply of water and power which is critical for the paper industry. Apart from this, company has the flexibility to manufacture various grades of paper, which gives the company, a distinct quality edge. With the current Global scenario, Export potential has opened up significantly and your company has been scaling up its marketing network to tap this potential.

The company continues to face challenges on account of increasing competition. Devaluation of rupee leading to increase in cost of inputs. Your company is committed to meet these challenges by improving productivity and innovating processes to achieve reduction in production cost. The capital investment being made for increasing production capacities would also help your company in maintaining its cost leadership. With installation of online quality control system the

Company is in the process of developing products like higher grades of Absorbent Kraft and Electrical grade Kraft papers to remain in the Global competition.

3. Internal Control Systems and their adequacy

The company exercises adequate internal controls through internal audits and operational Reviews.

4. Financial performance with respect to operational performance

The company has registered EBIDTA of Rs. 655 Lakhs and a net profit of Rs. 389 Lakhs in the current year as against the EBIDTA of Rs. 546 Lakhs and a net profit of Rs.275 Lakhs in the previous year.

5. Development in human resources/industrial relations front

Your company considers the will and caliber of human resources as crucial to its success. Towards this end, your company organizes systematic programmes for on the job training and appropriate system of recognition and rewards. The industrial relation at your company continues to be cordial.

Annexure B to the Auditors' Report

Report on the Internal Financial control under Clause (i) of Sub – section 3 of Section 143 of the Companies Act, 2013 (the Act)

We have audited the Internal Financial controls over financial reporting of Rama Pulp & Papers Ltd as of 31st March 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over financial Reporting (the Guidance Note') and the standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Company Act, 2013 to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal Financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting.

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements of external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that in reasonable details, accurately and fairly reflect the transactions and dispositions of the assets of the Company (2) provide reasonable assurance that transactions are recorded as necessary to permit preparing of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the management and directors of the Company and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisitions, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2018 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE NO. 1**NOTES FORMING PART OF FINANCIAL STATEMENTS AS ON 31/3/2018**

A. CORPORATE INFORMATION: Rama Pulp and Papers Limited is a public company domiciled in India and incorporated under the provisions of the Company's Act. The Company's principal business is manufacturing of papers & chemicals.

B. BASIS OF PREPARATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES.

a) BASIS OF ACCOUNTING AND PREPARATION OF FINANCIAL STATEMENTS:

The financial statements of the company are the company's first Ind-AS financial Statements. The financial statements have been prepared on the accrual basis under the historical cost convention. The Company has adopted all the relevant Indian Accounting Standard & prepared these financial statements to comply in all material respects with the Accounting Standards notified under section 133 of the Company's Act, 2013, read together with rule-3 of the Companies (Indian Accounting Standard) Rules 2015 and companies (Indian Accounting Standard) amendment rule, 2016 issued by Ministry of Corporate Affairs and the adoption was carried out in accordance with Ind-AS 101-First time adoption of Indian Accounting Standard. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under section 133 of the Company Act' 2013, read with rule 7 of the Company's (Accounts) Rule 2014 (I-GAAP) which was the previous GAAP.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

Presentation of Financial Statement:

The Balance sheet and the profit and loss account are prepared and presented in the format prescribed in the schedule-III to the companies act, 2013. The cash flow statement has been prepared and presented as per requirement of Ind-AS 7" statement of cash flow"

b) USE OF ESTIMATES:

The preparation of the financial statements in conformity with the Indian generally accepted accounting principles requires making judgments, estimates and assumptions that affect the reported amount of revenues, expenses, assets and liabilities and the disclosures of contingent liabilities, at the end of the reporting period. Although these estimates are based on the Managements best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c) TANGIBLE FIXED ASSETS

- i. For transition to Ind-AS carrying value of property, plant and equipment under previous GAAP as on 1st April 17 is regarded as its deemed cost.
- ii. Fixed assets are stated at cost of acquisition or construction or revalued amount whichever is applicable, net of accumulated depreciation/amortization and impairment loss.
- iii. The cost comprises cost of acquisition, borrowing cost and any attributable cost of bringing the asset to the condition of its intended use. Cost also includes direct expenses incurred up to the date of capitalization/ commissioning. Any trade discounts and rebates are deducted in arriving at the purchase price.

- iv. Machinery spares procured along with the plant and machinery or subsequently and whose use is expected to be irregular are capitalized separately, if cost of such spares is known and depreciated fully over the residual useful life of the related plant and machinery. If the cost of such spares is not known particularly when procured along with the mother plant, these are capitalized and depreciated along with the mother plant. The written down value (WDV) of the spares is charged as revenue expenditure in the year in which such spares are consumed. Similarly, the value of such spares procured and consumed in a particular year is charges as revenue expenditure in that year itself.
- v. Subsequent expenditure related to an item of fixed asset is added back to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standards of performance.
- vi. All the other expenses of existing fixed assets, including day to day repair and maintenance expenditure, are charged to the statement of profit and loss account to the period during which such expenses are incurred.
- vii. Replacement of any part of the plant and machinery, which are of capital nature, are capitalized along with the main plant and machinery and cost of the replaced part is written off. In case the cost of the replaced part is not identifiable, the equal value of replacement is deducted from the existing gross block of that asset.
- viii. Gains and losses arising from disposal /de-recognition of fixed assets which are carried at cost are recognized in the Statement of Profit and Loss.
- ix. Tangible asset not ready for the intended use on the date of Balance Sheet are disclosed in “Capital Work- in- Progress”.
- x. In case of revaluation of fixed assets, any revaluation surplus is credited to the revaluation reserve, except to the extent that it reverses a revaluation decrease of the same asset previously recognized in the statement of profit and loss, in which case the increase is recognized in the statement of profit and loss. A revaluation deficit is recognized in the statement of profit and loss, except to the extent that it offsets an existing surplus on the same asset recognized in the asset revaluation reserve.
- xi. Land, Buildings, Plant & Machinery and Furniture & Fixture were revalued for Rs. 1255.54 Lakh as on 31.03.1993 and Rs. 925.77 Lakh as on 31.03.2004. The revaluation in respect of these assets are based on current replacement cost by the Approved Valuer appointed for the purpose. As a result, the increased book value of such assets as above has been transferred to Revaluation Reserve in respective year.

Expenditure during construction/erection period is included under Capital Work-in-Progress and will be allocated to the respective fixed assets on completion of construction/erection.

Particulars	Rs. in Lakh	
	As at 31.03.2018	As at 31.03.2017
Estimated amount of contracts remaining to be executed on capital account	349.22	73.58

Capital Work in Progress has been transferred to the respective assets to the extent the construction/erection of Assets has been completed during the financial year 2017-18.

d) BORROWING COST

Borrowing cost includes interest, fees and other ancillary costs incurred in connection with the arrangement of borrowings. Borrowings cost that are directly attributable to the acquisition of or constructions of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is an asset which necessarily takes substantial period of time to get ready for intended use. All other borrowing cost are recognized in the Statement of Profit and Loss.

e) DEPRECIATION

Leasehold land-amortized over the period of 99 years Depreciation on fixed assets is calculated on a straight line basis using the rates arrived at based on the useful lives estimated by the management. The company has used the following rates to provide depreciation on its fixed assets.

f) Impairment of tangible and intangible assets:

The Company assesses at each Balance Sheet date whether there is any indication than an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. Impairment losses for continuing operations, including impairment on inventories are recognized on the statement of profit and loss, except for the previously revalued tangible fixed asset, where the revaluation was taken to revaluation reserve. In this case, the impairment is also recognized in revaluation reserve up to the amount of any previous revaluation.

g) Investments

i) Recognition and Measurement

Investments which are readily realizable and intended to be held for not more than a year, from the date of acquisition, are classified at cost.

On initial recognition, all investments are measured at cost. The Cost comprises purchase price and directly attributable acquisition charges such as brokerages, fees and duties. If an investment is acquired, or partly acquired, by the issue of share or other securities, the acquisition cost is the fair market value of the securities issued. If an investment is acquired in exchange for an another asset, the acquisition is determined by the reference to the fair value of the asset given up or by reference to the fair value of the investment acquired, whichever is more clearly evident.

However, provision for diminution in value of investments is made to recognize a decline, other than temporary, in the value of investments. Investments other than long term investments being current investments are valued at cost or fair value whichever is lower, determined on an individual basis.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds, is charged to or credited to the Statement of Profit & Loss.

ii) Presentation and disclosure

Investments, which are readily realizable and intended to be held for not more than one year from balance sheet date, are classified as current investments. All other investments are classified as non-current investments

h) Inventories

i) Raw materials, components, stores and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on First in First out Method.

ii) Work-in-progress and finished goods are valued at lower of cost and net realizable value which includes appropriate production overheads. Cost of finished goods includes excise duty.

iii) Traded goods are valued at lower of cost and net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a weighted average basis.

iv) Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

- v) Value of Imported and Indigenous Material and Components consumed: (on CIF Basis)

Account Head	2017-18		2016-17	
	Rs. In Lakh	Percentage	Rs. In Lakh	Percentage

i) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized.

i. Sale of goods

Revenue from sale of goods is recognized when the significant risks and rewards of ownership are passed on to the customer. Sales are accounted net of returns, Sales Tax and freight. Revenue from services is recognized when services are rendered to customers. Dividend Income is accounted when the right to receive is established.

ii. Interest

Revenue from Interest is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.

j) Government grants and export incentives

Government grants are recognized when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants will be received. Government grants related to revenue are recognized on a systematic basis in the Statement of Profit and Loss as a part of other operating revenues.

k) Foreign currency Transactions

i) Initial Recognition

Foreign currency transaction are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency on the date of the transactions.

ii) Conversion

Foreign currency monetary items are translated using the exchange rate prevailing on the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate on the date of transaction. Non-monetary items which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate on the date when such value was determined.

- iii) Exchange Difference
All exchange gains and losses arising out of translation/restatement, are accounted for in the statement of profit and loss.

Purchase of Imported Stores	Rs. 9.22 Lakh	Rs. 14.08 Lakh

l) Employee Benefits

- i) Defined Contribution Plan

Retirement benefits in the form of provident fund and Employees state Insurance Contribution are defined contribution scheme. The Company has no obligation, other than the contribution payable to these funds/schemes. The Company recognized contribution payable to this fund/scheme as expenditure, when an employee renders the related services. If the contribution payable to these funds/schemes for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the funds/schemes are recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to, for example, a reduction in future payment or a cash refund.

- ii) Defined Benefit Plan:

The gratuity liability is determined on the basis of actuarial valuation as at year end. Provision in respect of leave encasement is made based on the basis of actual leave balance of employees at the end of the Year in accordance with Accounting Standard-15 on "Accounting for retirement Benefits in the financial statement of Employer" as issued by the Institute of Chartered Accountants of India.

- iii) Leave Encashment

The company provides for leave encashment liability of its employees who are eligible for encashment of accumulated leave based on actuarial valuation of the leave encashment liability of the balance sheet date, carried out date and independent actuary.

m) Taxes on Income

- i) Current Tax: Current Tax is determined as the amount of tax payable on taxable income for the years as per the provisions of Income Tax Act. 1961.
- ii) Deferred Tax: Deferred Tax is recognized on timing difference between the accounting income and the taxable income for the year and quantified using the tax rates and laws enacted or substantively enacted on the reporting date. Deferred tax assets are recognized and carried forward to the extent that there is a reasonable certainty that the sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

Deferred Tax Assets and Deferred Tax liability is as follows:	31.03.2018 Rs. In Lakh	31.03.2017 Rs. In Lakh

V There is no significant reconciliation items between cash flow prepared under Previous GAAP and prepared under Ind AS.

Disclosures as required by Indian accounting standard (Ind AS) 101 first time adoption of Indian Accounting Standards Exemption and exceptions availed

Below mentioned are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from previous GAAP to Ind AS.

(a) Ind AS Optional Exemptions:

Ind AS 101 allow first-time adopters certain exemptions from the retrospective application of certain requirements under Ind AS. The company has applied the following exemptions:

- i) The company has elected to measure an item of Property plant and Equipments and intangible assets at the date of transition to Ind AS as at its fair value and use that fair value as deemed cost at that date
- ii) Appendix C to Ind AS 17 requires an entity to assess whether a contract or arrangement contains a lease. In accordance with Ind AS 17, this assessment should be carried out at the inception of the contract or arrangement. However, the company has done the assessment of lease in contracts based on conditions in prevailing as at the date of transition.
- iii) The company has elected to apply previous GAAP carrying amount of its investment in subsidiaries, associates and joint ventures as deemed cost as on the date of transition to Ind AS.
- iv) Ind AS 101 permits an entity to designate particular equity investment (Other than equity investment in subsidiaries, joint ventures and associates) as at fair value through other Comprehensive Income (FVOCI) based on facts and circumstances as the date of transition to Ind AS (rather than at initial recognition). Other equity investment are classified at Fair Value through Profit & Loss (FVTPL). The Company has availed this exemption to designate certain equity investment as FVOCI on the date of transition.

- v) The company has continued the policy adopted for accounting for exchange differences arising from translation of long-term foreign currency monetary items recognised in the financial statements for the period ending immediately before the beginning of the first Ind AS financial reporting period as per the previous GAAP

(b) Ind AS mandatory Exceptions:

The following mandatory exceptions have been applied in accordance with Ind AS 101 in preparing the financial statements.

i) Estimates

The estimates at April 01, 2016 and March 31, 2017 are consistent with those made for the same dates in accordance with Indian GAAP (after adjustments to reflect any differences if any, in accounting policies) apart from the items where application of Indian GAAP did not require estimation. The estimates used by the Company to present these amounts in accordance with Ind AS reflect conditions as at the transition date and as of March 31, 2017.

ii) De-recognition of financial assets and financial liabilities

The Company has elected to apply the de-recognition requirements for financial assets and financial liabilities in Ind AS 109 prospectively for transitions occurring on or after the date of transition to Ind AS.

iii) Classification and measurement of financial assets

The Company has classified the financial assets in accordance with Ind AS 109 on the basis of facts and circumstances that exist at the date of transition to Ind AS.

Notes to the reconciliation of equity as at April 01, 2016 and March 31, 2017 and total comprehensive income for the year ended

i) Fair Value as deemed cost – Property Plant and Equipment (PPE)

The Company has opted the option of fair value as deemed cost for the Property Plant and Equipment as on the date of transition to Ind AS. This has resulted in increase of **Rs. 2988.49 Lakhs** as at 01.04.2016 in the value of the Property Plant and Equipment, reversal of earlier Revaluation reserve outstanding of **Rs. 419.18 lakhs** as at 01.04.2016 with corresponding increase in retained earnings of **Rs. 3407.67 Lakhs** as at 01.04.2016 and increase in deferred tax liability of **Rs. 1120.14 Lakh** as at 01.04.2016.

Fair Value as deemed cost as on transition date for respective category of PPE is as

Fair value adjustments led to additional depreciation of **Rs. 88.23 Lakh** during the year ended March 31, 2017.

As the Company has opted the option of fair value as deemed cost for the Property Plant and Equipment as on the date of transition to Ind AS, hence the carrying value of revaluation reserve of **Rs. 419.18 Lakhs** has been adjusted against retained earnings on the date of transition. Subsequently during 2016-17, depreciation charged to revaluation reserve under previous GAAP has been reversed and depreciation as per Ind AS has been accounted for.

- ii) As per the provisions of Ind AS 105, any non-current assets are to be classified as assets held for sale, if the sale of such assets is highly probable within a period of 12 months from the date of its classification.

(c) Investments (Non - Current & Current)

- i) For investment in Quoted Instrument, company has elected to fair value through OCI.(FVTOCI)

(d) Financial instruments

(i) Derivative financial instruments

Under Indian GAAP, derivative contracts are restated at each balance sheet date to the extent of any reduction in value is recognized in Statement of Profit and Loss. A gain on valuation is only recognized by the Company if it represents the subsequent reversal of an earlier loss. Also under IGAAP premium on forward contract is amortized over the contract period and value was calculated excluding the premium.

Under Ind AS, both reductions and increases to the fair values of derivative contracts are recognized in profit & loss. Premium is not separately accounted and amortized.

(ii) Financial assets and financial liabilities measured at amortized cost

Under the previous GAAP, security deposits (that are refundable in cash on completion of the lease term) are recorded at their transaction value. Under Ind AS 109-Financial Instruments, security deposits are required to be valued at fair value and difference between cost and fair value is to be amortized over the period of security as rental expenses and consequently interest income is to be booked at Effective Interest method in Profit and Loss Account

(iii) Cost of borrowing

Borrowing designated and carried at amortized cost are accounted on EIR method. The upfront fee or cost of borrowing incurred is deferred and accounted on EIR basis. Borrowings are shown as net of unamortized amount of upfront fee incurred.

(e) Proposed Dividend

Under Indian GAAP, proposed dividends are recognized as liability in the period to which they relate irrespective of the approval by shareholders. Under Ind AS a proposed dividend is recognized as liability in the period in which it is declared (on approval of shareholders in a general meeting) or paid.

(f) Deferred Tax

- i) Indian GAAP requires deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the period. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences, which was not required under Indian GAAP.
- ii) In addition, the various transitional adjustments lead to different temporary differences resulting in recognition of deferred tax. Such deferred tax asset has been recognized in retained earnings.

(g) Excise Duty-

Paragraph 8 of Ind AS 18, Revenue states that 'Revenue includes only the gross inflows of economic benefits received and receivable by the entity on its own account. Amounts collected on behalf of third parties such as sales taxes, goods and services taxes and value added taxes are not having any economic benefits which flow to the entity and do not result in increases in equity. Therefore, Excise Duty has been excluded from the Gross Sales and shown separately.

(h) Depreciation on Property, Plant and Equipment

Company has reversed depreciation charged on revaluation of PPE as per previous GAAP and Depreciation on Property, Plant and Equipment has been calculated on the fair value for the F.Y. 2016-17 and depreciation as per Ind AS has been accounted

- (i) Previous year's figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification / disclosure.
