Auditor's Report on Quarterly and Year to Date Financial Results (Standalone) of RPP Infra Projects Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To The Board of Directors of RPP Infra Projects Limited.

We have audited the Standalone quarterly financial results of RPP Infra Projects Limited, Erode for the quarter ended 31st March-2017 and the year to date results for the period 1st April, 2016 to 31st March 2017, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. These figures for the quarter for the quarter ended 31st March 2017 as reported in the standalone financial results which are the balancing figures between audited standalone figures in respect of the full financial year and the published standalone year to date figures upto the end of the third quarter of the financial year. Also the figures upto the end of the third quarter have only be reviewed and not subjected to audit. These quarterly financial results as well as the year to date financial results have been prepared on the basis of the interim financial statements, which are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial results based on our audit of such interim financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard for Interim Financial Reporting (AS 25) prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued there under and other accounting principles generally accepted in India.

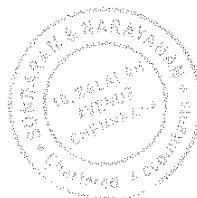

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

In our opinion and to the best of our information and according to the explanations given to us these quarterly financial results as well as the year to date results:

(i) have been presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 in this regard; and

(ii) give a true and fair view of the net profit and other financial information for the quarter ended 31st March-2017 as well as the year to date results for the period from 1st April-2016 to 31st March-2017.

Auditor's Report on Quarterly and Year to Date Financial Results (Consolidated) of RPP Infra Projects Limited Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

To Board of Directors of RPP Infra Projects Limited.

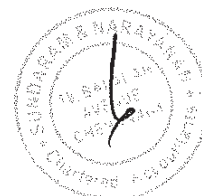

We have audited the consolidated quarterly financial results of RPP Infra Projects Limited, Erode for the quarter ended 31st March-2017 and the year to date results for the period 1st April, 2016 to 31st March 2017, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. These consolidated quarterly financial results as well as the consolidated year to date financial results have been prepared from consolidated interim financial statements, which are the responsibility of the company's management. Our responsibility is to express an opinion on these consolidated financial results based on our audit of such consolidated interim financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard for Interim Financial Reporting (AS 25), mandated under Section 133 of the Companies Act, 2013 read with relevant rules issued there under or by the Institute of Chartered Accountants of India, as applicable and other accounting principles generally accepted in India.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

We did not audit the financial statements of 5 subsidiaries and 1 branch included in the consolidated quarterly financial results and consolidated year to date results, whose consolidated interim financial statements reflect total assets of Rs.53.45 Crores as at 31st March-2017 and total revenue of Rs.2.50 Crores as at 31st March-2017. Out of the five subsidiaries & one branch, the interim financial statements and other financial information of three subsidiaries have been audited by other auditors whose reports have been furnished to us, and our opinion on the quarterly financial results and the year to date results, to the extent they have been derived from such interim financial statements is based solely on the report of such other auditors. In respect of the financial statements of two of the subsidiaries M/s.RPP Infra Overseas PLC,Mauritius, RPP Infra Projects (Lanka) Limited and one branch RPP Infra Projects Limited, the audited statements were not made available and reliance has been entirely placed only on the certificate by the management.

Subject to the above, in our opinion and to the best of our information and according to the explanations given to us these consolidated quarterly financial results as well as the consolidated year to date results:

- (i) include the quarterly financial results and year to date of the following entities (list of entities included in consolidation):

Build to last

"RPP Infra is one India's leading integrated construction companies with a portfolio of government projects, extensive construction capabilities and a sector-leading ability to deliver sustainable solutions. The outcome is that we ended 2016-17 with a quality order book of ₹786.25 crore, providing us with a multi-year revenue visibility. Having thus established a robust operational and financial foundation, we have created one of India's most profitable rural infrastructure companies."

P. Arulsundaram, Chairman and Managing Director

Sustainable profitability journey

Chairman's introduction

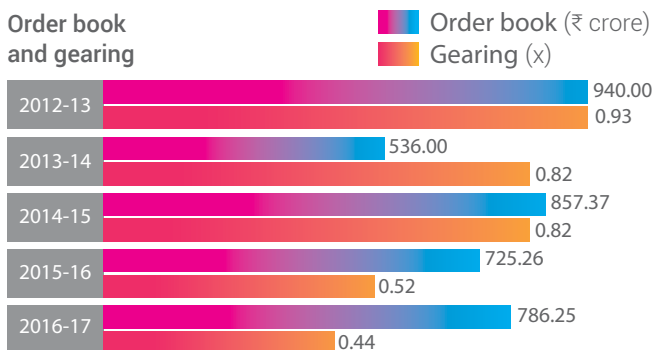

THE 2016-17 RESULTS DEMONSTRATE OUR UNIQUE POSITIONING AS ONE OF INDIA'S MOST PROFITABLE RURAL INFRASTRUCTURE COMPANIES AND ALSO SHOWCASE THAT OUR STRATEGIES ARE DELIVERING VALUE, WHICH GIVES ME THE CONFIDENCE THAT WE HAVE A SOLID FOUNDATION FOR FUTURE PROFITABLE GROWTH.

P. Arulsundaram
Chairman and Managing Director

Overview

At RPP Infra, by focusing on our selected markets, we have been winning new business on improved terms and have maintained one of the strongest balance sheets in the sector.

The Indian government has articulated its commitment to significant additional investments to create and improve core infrastructure and is empowering states with increasing delegation of the spending. With the states allocating larger funds for the development of core infrastructural assets where we possess a deeply entrenched presence, paired with the fact that our strengths are now underpinned by improved project controls, we are looking at the future with optimism and confidence.

Performance

RPP Infra has maintained its disciplined approach to bidding for and winning new business. This ensures that the work we take up is of the type we want to engage in and in the markets that we have chosen to concentrate on. In effect, we focused on bidding for long-term profitable work rather than tracking mere revenue growth.

As a result, the underlying business was anchored on profitability – evident in the 2016-17 performance where revenue growth of about 16% was almost commensurate with net profit growth that was in excess of 15%. We ended the year with an EBIDTA margin of 14.4%, among the highest in the Indian construction industry. Our net operating cash stood at a positive ₹34.24 crore during the year from a positive ₹34.78 crore during 2015-16. Besides, our year-end order book of ₹786.25 crore witnessed a healthy 8% growth over the previous year's closing order book.

So together, what this indicates is that the business is able to drive substantive order book growth out of which we are able to achieve our stated margin and cash flow objectives.

Markets

The strengthening of our business in 2016-17 and brightening prospects of the sector coincide with the governments in our markets laying out plans for wide-scale investments in improving infrastructure.

For instance, the Andhra Pradesh government has earmarked a mammoth ₹73,000 crore for setting up a smart

industrial township across 10,000 hectares even as the newly carved-out state builds a new capital in Amaravati. Besides, the central government's allocation of about ₹50,000 crore in Pradhan Mantri Krishi Sinchayee Yojana, ₹27,000 crore for road development under Pradhan Mantri Gram Sadak Yojana in 2017-18 and ₹90,000 crore in Smart City and urban rejuvenation projects over the next five years will provide us with growing opportunities in institutional projects, enabling us to increasingly partner with the government in nation-building.

Over the past three years, on a macro-level, the Indian economic landscape has changed significantly because the country is progressively focusing on productivity gains and efficient use of resources. Be it larger measures like the introduction of the Insolvency and Bankruptcy Code or the implementation of the GST or the quicker arbitration settlement directive for disputed construction awards, or smaller measures like easing the number of approvals required or single-window clearances, these are together targeted at ease of doing business and enabling the country to unleash the power of productivity and efficiency.

Protected business prospects

Right from the start, we were clear in building expertise in those sectors that would comprise core infrastructure, the development of which would require a reasonably high civil engineering component. Over the years, this emphasis has protected our business and growth prospects in several ways.

One, we have created a robust competence pool in providing integrated construction and development services across building projects, irrigation and water supply projects and infrastructure and road contracts. A control across the project lifecycle has enabled us to achieve our target margins and also complete projects within schedule.

Two, by virtue of our presence across this project portfolio, we are among the direct beneficiaries of government infrastructure investments in these sectors. As these investments grow over the years, we are placed in a favourable position, also because of our track record in project execution and multi-year institutional relationships.

Three, 100% of our order book comprises government or government-backed projects that provide greater business visibility and higher revenue security with sheltered and predictable receivables.

Four, our project portfolio is concentrated across some of the fastest-growing states of south India including Tamil Nadu,

1.32%

Bad debts as a percentage of revenue (2016-17)

Five, with demonstrated construction and execution competence, we have now extended our presence to the state of Madhya Pradesh by successfully bagging prestigious projects in the roads, lift irrigation and pipeline spaces. We are also working on a High Commission of India-awarded USD-10.36 million project in Jaffna, Sri Lanka, that includes the construction of a cultural centre.

34

Our total project sites (as on 31 March 2017)

Six, we entered into alliances with two large global companies to strengthen our pre-qualification capabilities, enabling us to bid for larger and more complex projects, deepen our vertical footprint and widen

our geographic presence.

People

As seen from the progress that has been made by the Company, I am proud of the hard work, commitment, enthusiasm and dedication of so many of our colleagues as they strive to deliver world-class projects for our clients.

Working on construction sites, it is crucial that at every level in our business we look to understand and mitigate risks and our objective is to reduce accidents to zero and ensure that everyone is kept safe. We have the highest regards for safety compliances and our teams adhere to these rigorously and without deviations.

Dividend

This year demonstrated continued progress in our business. As a result, the Board, committed to a progressive dividend policy, has recommended a full-year dividend of ₹0.50 (₹0.50 disbursed in 2015-16). Conserving financial resources to be able to achieve stronger financial growth in the future is important, giving us the platform to create sustainable long-term value for our shareholders.

Outlook

Given the size and quality of our order book and pipeline of contract opportunities, our customer-focused culture and integrated business model, we have a good platform from which to develop the business in 2017-18. We will accelerate our business growth into markets and sectors where we can win high-quality contracts and achieve our targets for margin and cash flows, while actively focusing on completing our existing work pipeline.

P. Arulsundaram

Chairman and Managing Director

Energizing our business by building the essentials of everyday life

Infrastructure is the backbone of the economy and the society. Everyone relies on water, roads and buildings.

Whole-Time Director's review of the year 2016-17

BUILDING TRUSTED RELATIONSHIPS WITH CUSTOMERS AND LEVERAGING OUR RESOURCES AND SKILLS IN AN INTEGRATED WAY HELPS US WIN HIGH-QUALITY CONTRACTS AND DELIVER PROJECTS SAFELY, SUSTAINABLY AND TO BEST-IN-CLASS STANDARDS.

A. Nithya, Whole-Time Director

Q. What was the biggest highlight of the year?

A. We entered into a consortium agreement with Siemens Limited, India, for the execution of a joint bid for Power Grid of Bangladesh, for a prestigious project comprising the design, supply, erection, testing and commissioning of 230 kV and 132 kV sub-stations on a turnkey basis. Our scope of the order principally comprises civil works with an approximate share of ₹97 crore. Importantly, we look forward to this partnership facilitating our global ambitions and also enabling us to venture into newer verticals, leading to geographic as well as sectoral diversification.

Q. What were some of the other key contracts bagged during the year?

A. We booked new projects worth ₹570.31 crore during 2016-17. Reinforcing our presence in the state of Madhya Pradesh, we bagged a road construction project of about 34 km worth ₹45.4 crore. Some of the other large projects bagged during the year included:

- Order from Tamil Nadu Civil Supplies Corporation for the construction of a scientific storage godown at Kodavasal Village and Taluk in Thiruvallur district for ₹25.4 crore
- Order from Tamil Nadu Civil Supplies Corporation for the construction of one more scientific storage godown at Kodavasal Village and Taluk in Thiruvallur district for ₹15 crore
- Order from Kamarajar Port Ltd for the construction of a container pre-stacking yard and other ancillary facilities worth ₹24.2 crore
- Work order to construct integrated storm water drains in Virugambakkam and Arumbakkam for Chennai Corporation from Annai Infra Developers Pvt Ltd worth ₹30 crore
- Order from Karnataka Slum Development Board for the construction of dwelling units, including infrastructure, at slums of Krishnaraja in Mysore worth ₹45.6 crore

We closed the financial year 2016-17 with an order book of about ₹786.25 crore. Around 49% our book comprised infrastructure projects, around 29% constituted buildings projects and the rest of the 22% was represented by irrigation and waterline contracts.

Q. What was the principal development on the international front?

A. We received an order from the High Commission of India in Colombo, Sri Lanka, for the construction of a cultural center in Jaffna. The value of this project is around ₹70 crore and this job was won by our wholly-owned subsidiary in Sri Lanka. With a due completion date of about 24 months, the project will contribute fairly to our blended margins and enable us to create a stronger presence in Sri Lanka, a region that is witnessing increasing infrastructure traction.

Q: What was the size of our order book during the close of the year? Please provide a granular perspective on the order book.

A. We closed the financial year 2016-17 with an order book of about ₹786.25 crore. Around 49% our book comprised infrastructure projects, around 29% constituted buildings projects and the rest of the 22% was represented by irrigation and waterline contracts. This composition is favourable in terms of boosting our blended EBIDTA margins.

Q: Can you share some insights on the project pipeline?

A. We are L1 in about 3 orders comprising ₹460.28 crore and we are confident of achieving an order book growth of 25-32% by the end of the current financial year. We expect a larger share of the projects in the order book to be from the infrastructure and roads and irrigation and waterline projects, enabling us to secure our projected EBIDTA margins.

Q: What makes us well-placed to capitalise on the upcoming construction opportunities in the country?

A. This is an interesting question. First, we enjoy a well-established presence in Tamil Nadu, Karnataka, Andhra Pradesh and Telangana with unparalleled micro-market understanding. These states are witnessing huge construction opportunities. Second, the government is our principal customer, enabling us to remain a direct beneficiary of the largest spender of infrastructure in India, which also helps us secure our receivables. Three, leveraging our core

civil engineering capabilities, we are now diversifying into newer geographies. And four, our alliances with Siemens and Ramky as consortium partners will open up our ability to bid for larger ticket and more complex projects across verticals and geographies.

Q: What are some of the key risks facing our business and what are the mitigation measures put in place?

A. The primary risk comprises execution risk. With integrated construction capabilities, we are in a better position to assess project phases and take corrective measures. We also engage in sub-contracting with stringent quality and time controls and possess a captive equipment base of ₹30 crore with a focus on maximising utilisation that helps us counter execution risks. We work on advances and by virtue of our engagement with government-awarded contracts, our revenues are secure and receivables protected that together enable us to mitigate financial risks better. With prudent capital allocation strategies to those segments of the construction industry that enable us to meet our margin and cash flow objectives, we reported one of the industry's highest returns on capital employed at 25.03% for the year. Attrition risk is another risk that we face by keeping our teams loyal, engaged and motivated while also giving them constant exposure to training and re-skilling, which makes us a local employer of choice for engineering and other talent pools.

Q: What are our priorities for 2017-18?

A. We will continue to focus on infrastructure and water and irrigation projects that most state governments are awarding with increasing traction for the benefit of their constituencies. We will also look at geographic diversification by venturing into other states in central India and by also widening our footprint in Sri Lanka. We expect to continue to explore partnership and consortium opportunities that will open up the market for us for larger and more complex projects.

Through a larger quantum of orders, exposure to core industry verticals and high-growth markets, stable margins and a strong balance sheet, we hope to continue to create long-term value in the hands of our shareowners.

Market review and why invest in us

Our business continues to benefit from positive infrastructure drivers in a country that is among the fastest-growing large economies in the world and because of the strong positions we have built in our chosen markets. Going forward, we believe that the long-term fundamentals of the country's construction industry remain sound, influenced by:

- Progressive government policies
- Population growth
- Urbanization
- Ageing infrastructure
- Historical underinvestment

Government driving the largest infrastructure spending in India

India is a land of opportunity. With the government driving fundamental economic resets including demonetization and the implementation of a unified tax structure across India through the GST (Goods and Services Tax that came into force from 1 July 2017), the economic landscape is transforming rapidly. With domestic institutional funds driving the majority of infrastructure development in the country, the government is also now focusing on raising fresh resources to fund large upcoming projects through increasingly inviting private participation and foreign institutional funds and is also planning to free-up resources through leasing out operational projects.

Much of the basis of infrastructure industry optimism in India is driven by some key growth drivers that include the following:

- Government-committed infrastructure investments of US\$1 trillion during the 12th Five-Year Plan period
- Increasing urbanization with a projected 40% of the country's population expected to live in cities by 2030, up from 33% in 2011
- Burgeoning cities with population in excess of one million – from 53 in 2011 to 87 by 2030
- Finalization of Smart City developmental plan for 20 cities (out of the 98) with a cumulative expenditure of US\$7.5 billion over the next five years
- Expanding infrastructure growth driven by renewed government focus in the newly formed states of Telangana and Andhra Pradesh
- 'Industry' status awarded to affordable housing, boosting growth of the sector, also driven by softening interest rates and interest subvention schemes
- Projected construction of 10 million housing units (FY2017-2019) under 'Pradhan Mantri Awas Yojana – Gramin' and 40 million housing units in rural areas under the 'Housing for All' platform
- Firming up of road construction target of 15,000 km in 2017-18, comprising 40 km/day, up from 23 km/day in 2016-17; expected award of another 1,00,000 km road concreting projects in addition to the ongoing concreting of 1,00,000 km
- Outlay of ₹50,000 crore in five years under Pradhan Mantri Krishi Sinchayee Yojana that envisages the coverage of irrigation to all farmlands across India

Why invest in us

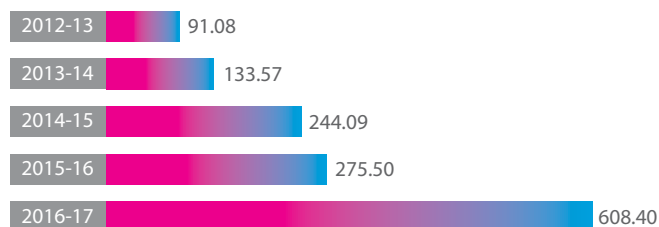

RPP Infra is uniquely placed with its operations benefitting from the following:

- Ability to provide integrated solutions to address the needs of our government funding-backed customers
- Robust rural-focused micro-market experience that makes us a partner of choice for execution of local/regional projects
- Expertise across a wide range of sectors including water and irrigation, buildings and housing, roads and other civil infrastructure projects
- Performance-oriented track record with a focus on implementation and efficiency improvement
- Solid order book of secured orders with quality institutional customers and a strong pipeline of future opportunities
- Strong and well-experienced leadership team with a rigorous approach to maintaining high standards of corporate governance

Growing market cap

Commentary: Earnings per share increased by 15.53% in 2016-17

Target: Continue to focus on consistently growing earnings per share over the medium- to long-term

Risk management framework

The Board has made a robust assessment of the principal risks facing the business and the controls in place to mitigate these risks. The assessment of these risks and controls is part of the ongoing management of the business. A description is provided below with regards to some of the core risks that face our business and their mitigation measures.

Bid risks

Risk description

Failure to identify, price and execute the right volume and quality of bids to maintain a profitable and sustainable order book.

Potential causes

Inaccuracy in:

- Costs versus scope calculations
- Project duration estimates
- Assessment of the impact of inflation
- Negotiation of terms

Mitigation strategy

- Wide and ongoing training initiatives across all disciplines within the Company to drive increased commercial awareness and an understanding of expectations on margins and costs
- All bids are subject to rigorous estimating and tendering processes by professional teams
- Before entering into a consortium agreement, the Company reviews the relevant skills, experience, resources and values of partners to ensure complementarity
- Extensive reviews are conducted following all tenders to ensure that insights are applied to future tenders

Project execution risks

Risk description

Failure to deliver projects of required specifications on time and within budget to meet customer expectations and minimise the risk of liability.

Potential causes

Failure to implement, maintain and test operational and commercial controls allowing:

- Unrealistic targets
- Improper coordination between teams
- Lack of adequate supervision and accountability

Mitigation strategy

- An increased focus on identifying and reporting risks, including accuracy of costs and forecasting
- Consistent application of strong commercial management and contract administration processes
- Targeted recruitment of reputed sub-contracting agencies, whenever required, with ongoing and focused training of staff
- Active monitoring of projects through our centralized platform and embracing proactive course correction measures

Economic environment risks

Risk description

Effects of national or market trends, political changes may cause customers to re-evaluate existing or future projects.

Potential causes

The business may not be effective in managing the uncertainty surrounding infrastructure investments and failure to plan for any potentially negative impact, or to capture any opportunities that may be presented, could lead to loss of business.

Mitigation strategy

- India is among the world's fastest growing large economies with a GDP growth of 7.1% in 2016-17; sustained infrastructure investments is key to maintaining economic growth and momentum
- The country has suffered from historical infrastructural underinvestment which the government is now attempting to correct through several policy-driven interventions and innovative resource-raising initiatives
- With the government the largest spender on infrastructure in India, infrastructure spending tends to remain stable with accelerated momentum witnessed closer to election years
- Various schemes have been rolled-out by the government that has created significant opportunities across such sectors as roads and transportation, irrigation and other civil engineering projects

People risks

Risk description

Inability to attract and retain required levels of skilled and competent staff to meet the Company's objectives

Potential causes

- Restrictions in the availability of skilled labour
- Limitations to career development
- Failure to maintain a culture of pride in the workplace

Mitigation strategy

- Recruitment and retention plans are regularly reviewed across all parts of the business
- Focused efforts are initiated to create a diverse and inclusive working environment
- Performance is reviewed on an ongoing basis and is increasingly linked with remuneration
- Several non-monetary benefits are provided for employee welfare
- The efforts of high performers are regularly recognised and rewarded
- Structured training platforms have been created to foster a culture of learning and knowledge

Item No. 6, 7 and 8

The Board of Directors of the Company at their meeting held on 14th November 2017, has co-opted, Mr. P. R. Sundararajan and Mr. K. Ravi as Independent Directors of the Company. The Board had three Independent Directors at the beginning of the year and one of the Independent Directors has tendered his resignation on 10th August, 2016 and the two other Independent Directors had also expressed their inability to continue as Directors post the Board Meeting dated 14th November, 2016. Due to the requirement under the Act for filling of the vacancy of Independent Director not later than three months or the next Board Meeting, the Board appointed them as Independent Directors in the capacity as Additional Directors and their appointment is subject to approval by members at the Annual General Meeting. During their proposed term, they shall not be liable to retire by rotation.

The Company has received a declaration from Mr. K. Rangasamy, Mr. P. R. Sundararajan and Mr. K. Ravi that they meet the criteria of independence as prescribed under the Act and Listing Regulations. In the opinion of the Nomination and Remuneration Committee/ Board, Mr. K. Rangasamy, Mr. P. R. Sundararajan and Mr. K. Ravi meet the eligibility and fulfill the conditions for their appointment as Independent Directors as specified in the Act and SEBI Listing Regulations. The Company has received a notice in writing from members proposing the candidature individually of Mr. K. Rangasamy, Mr. P. R. Sundararajan and Mr. K. Ravi as Independent Directors of the Company. Profile of Mr. K. Rangasamy, Mr. P. R. Sundararajan and Mr. K. Ravi is provided at the end of this explanatory statement.

None of the Directors or Key Managerial Personnel of the Company and their relatives is concerned or interested, financial or otherwise, in this resolution except the Director to be appointed.

Item No. 9

In accordance with the provisions of Section 148 of the

Companies Act, 2013 (the Act) and the Companies (Audit and Auditors) Rules, 2014 (the Rules), the Company is required to appoint a cost auditor to audit the cost records of the Company and the remuneration payable to the Cost Auditor is to be ratified by the Members of the Company.

The Board of Directors of the Company on the recommendation of the Audit Committee, approved the appointment of Mr. R. Gopal, Cost Accountant (M. No. 26068) as Cost Auditor to conduct the audit of the cost records of the Company for the financial year 2016-17 at a remuneration of ₹3.50 Lakh (Rupees Three Lakh and Fifty Thousand only) excluding service tax as applicable and re-imbursement of travel and out of pocket expenses incurred by him. In view of the requirement of the Act as set out above, the approval of members are required to ratify the remuneration payable to the Cost Auditors for the Cost Audit for the financial year 2016-17 and hence being placed for approval of members.

None of the Directors, Key Managerial Personnel of the Company and their relatives is in any way concerned or interested in the said Resolution.

Item No. 10

P & C Projects Private Limited is a 'Related Party' within the meaning of Section 2 (76) of the Companies Act, 2013 and Regulation 2 (1) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Mrs. A. Nithya, Whole-Time Director and Chief Financial Officer and Mr. P. Arulsundaram, Chairman and Managing Director, are related to P & C Projects Private Limited and as such deemed to be interested.

Initially, it was decided to execute the contract to be undertaken by P & C Projects Private Limited through R.P.P. Infra Projects (Lanka) Limited, a wholly-owned subsidiary of Company based in Sri Lanka on arms length basis. However, due to certain practical issues, it was decided to execute the contract through Company.

The Board of Directors of the Company had, on the recommendation of the Audit Committee, passed a resolution approving the contract/ sub-contract arrangement for USD 9.84 million to execute the order received from the High Commission of India, Colombo, for the construction and completion of a Cultural Centre at Jaffna, Sri Lanka. The

contract is to be executed within a period of 24 months. The terms of the contract/ sub-contract are similar to the main contract with a gap of five percent from the main project which is being retained by P & C Projects Private Limited. The contract hence is in the ordinary course of business and at arms length transaction. The transaction did not require the approval of shareholders under the Act. However, being a

material related party transaction as per Listing Regulations, it required approval of shareholders.

Except Mr. P Arulsundaram and Mrs. A Nithya, none of the Directors or Key Managerial Personnel (KMP) of the Company are concerned or interested, financial or otherwise, in the resolution set out at Item No. 10.

Consolidated results

Consolidated revenues for the year under review were ₹367 crore as against ₹315 crore in the previous year, recording a growth of 16.70%. Consolidated profit after tax was ₹22.74

crore. The Company's consolidated net worth increased to ₹207.52 crore as on 31st March 2017 from ₹186.90 crore as on 31st March 2016.

In accordance with the Accounting Standard AS-21 on consolidated financial statements, the audited consolidated financial statements are also provided along with standalone financial statements in the Annual report.

2. Company's affairs and future outlook

Your Directors are pleased to inform that during the year, your Company has made significant developments. The overall strategy of the Company to be in the fastest growing spaces in the fastest growing states and with the safest customer

has together resulted in the most profitable proposition.

Your Company is focused on the four Indian states of Andhra Pradesh, Madhya Pradesh, Karnataka and Telangana, besides Tamil Nadu. These states are focusing on the creation of infrastructure with renewed vigour and your Company has already made strong inroads into all these states. Further, the focus of the Board to be a frontrunner in irrigation and water supply projects, civil construction works, national highways, rural roads and other infrastructure contracts has given a distinct advantage to the Company.

Your Company has received two international contracts during the year. Your Company received a contract in Sri Lanka to construct a cultural center in Jaffna, which is being implemented by the High Commission of India in Colombo, for USD 9.84 million. Further, your Company, thorough a consortium agreement with Siemens Ltd, has received a contract in Bangladesh pursuant to a joint bid to Power Grid Company of Bangladesh in respect of design, supply, erection, testing and commissioning of 230 kV and 132 kV sub-stations on turnkey basis. Under the said bid, your Company will execute civil works worth about ₹970 million.

Your Company received the following major contracts during the financial year 2016-17 and in the current financial year till the date of this report:

- Order from Container Corporation of India Ltd for the construction of a pre-engineered warehouse for ₹112 million.
- Order from the state of Madhya Pradesh for the construction of roads worth ₹454 million.
- Work order for the construction of a cultural centre in Jaffna, being executed by the High Commission of India, Colombo, for USD 9.84 million.
- Order from Tamil Nadu Civil Supplies Corporation for the construction of a scientific storage godown at Kodavasal Village and Taluk in Thiruvarur district for ₹254 million.
- Order from Tamil Nadu Civil Supplies Corporation for the construction of one more scientific storage godown at Kodavasal Village and Taluk in Thiruvarur district for ₹150 million.
- Order from Kamarajar Port Ltd for the construction of a

container pre-stacking yard and other ancillary facilities worth ₹242 million.

- Work order to construct integrated storm water drains in Virugambakkam and Arumbakkam for Chennai Corporation from Annai Infra Developers Pvt Ltd worth ₹300 million.
- Order from Karnataka Slum Development Board for the construction of dwelling units, including infrastructure, at slums of Krishnaraja in Mysore worth ₹456 million.
- Order from Power Grid Company of Bangladesh in joint bid with Siemens in respect of design, supply, erection, testing and commissioning of 230 kV and 132 kV sub-stations on turnkey basis of which civil works approx ₹97 crore will be executed by your Company.
- Order from Transmission Corporation of Telangana Ltd for civil works worth approx ₹33 crore at Tukkapur, jointly with Siemens.

The total value of works in hand, as on 31st March 2017, was ₹786.25 crore.

The Company has a robust business model and is focused on widening its services by venturing into niche areas/new sectors/geographies/segments and expanding market reach. The Company emphasises on ensuring cost competitiveness, sound execution strategies, managing volatility, controlling working capital and strengthening contract management efficiency, thereby ensuring improved operational efficiency.

Your Company engages in strengthening its project portfolio by adding new projects on a continuous basis. Your Company endeavors to encash all opportunities available, both in domestic and/or international markets. The progressive revival of the Indian economy is indicative of better opportunities emerging in the short-term. For the purpose of undertaking new projects, your Company may need to augment long-term financial resources. Even the current projects may require further long-term resources for execution. Any such requirements will be assessed by the Board of Directors and, accordingly, such decisions including the mode of fund raising will also be decided by the Board.

Details of the Company's performance and the outlook is provided in the Management Discussion and Analysis Report which forms a part of this report.

3. Change in the nature of the business

There was no change in the nature of the business of the Company and its subsidiaries during the year.

4. Dividend and amounts transferred to reserves

Your Directors are pleased to recommend a dividend of 5% i.e. Re. 0.50 per equity share of face value of ₹10/- each for the financial year 2016-17, subject to the approval of the members of the Company. The dividend, on approval of the shareholders, will be paid to eligible members. The equity dividend outgo for the financial year 2016-17 would absorb a sum of ₹1.13 crore. The balance profits of ₹22.50 crore after provision for dividend and dividend distribution tax is proposed to be retained in the Statement of Profit and Loss. Hence, no amount is proposed to be transferred to reserves.

5. Extract of annual return

The extract of Annual Return in form MGT-9 for the financial year 2016-17 has been enclosed in this report as Annexure-1.

6. Board of Directors and meetings of the Board

The Board is adequately constituted with an appropriate mix of executive, non-executive and independent directors to maintain the independence of the Board and to separate the Board functions of governance and management.

The Board is adequately constituted in compliance with Section 149 of the Companies Act, 2013, and Regulation 17 of SEBI (LODR) Regulations. The total strength of the Board is presently six Directors comprising of two Executive Promoter Directors, one Non-Executive Director and three Independent Directors with one Women Director on the Board. More details about the Board, including the profile of the Directors, are provided in the Corporate Governance Report forming a part of the Board Report.

During the financial year 2016-17, four Board meetings were held on 27th May 2016, 13th August 2016, 14th November 2016 and 11th February 2017.

14. Significant and material orders passed by the regulators courts or tribunals

There are no significant material orders passed by the Regulators/Courts/Tribunals which impact the going concern status of the Company and its future operations.

15. Statement in respect of adequacy of internal financial controls with reference to the financial statements

Internal controls

A robust system of internal controls, commensurate with the size and nature of its business, forms an integral part of the Company's corporate governance policies. Internal Audit has been conducted by qualified external internal auditors. Findings of the internal audit report are reviewed by the management and the report of internal auditor is placed before the Audit Committee and proper follow-up action are ensured wherever required. The Statutory Auditors have evaluated the system of internal controls of the Company and have reported that the same are adequate and commensurate with the size of the Company and nature of its business.

Internal financial controls

As per Section 134(5)(e) of the Companies Act, 2013, the Directors have an overall responsibility for ensuring that the Company has implemented robust systems and frameworks of internal financial controls.

These include those policies and procedures that:

- i. Pertain to the maintenance of records which in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company.
- ii. Provide reasonable assurance that transactions are

recorded as necessary to permit the preparation of the financial statements in accordance with generally accepted accounting principles and that receipts and expenditures are being made only in accordance with authorizations of the management and the Directors of the Company and

- iii. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisitions, use or disposition of assets that can have a material effect on the financial statements.

This provides the Directors reasonable assurance regarding the adequacy and operating effectiveness of controls with regards to reporting, operational and compliance risks to enable them to meet these responsibilities. The Company has devised appropriate systems and frameworks including proper delegation of authority, policies and procedures, effective IT systems aligned with business requirements, internal audit frameworks, risk management frameworks and whistle blower mechanisms.

The Audit committee regularly reviews the internal control system to ensure that it remains effective and aligned with business requirements where weaknesses are identified as a result of the reviews and new procedures are put in place to strengthen controls. These are in turn reviewed at regular intervals.

The Company has developed a framework for designing and assessing effectiveness of internal controls over financial reporting and has already laid down entity-level policies and process-level standard operating procedures.

The entity-level policies comprise anti-fraud policies (code of conduct including conflict of interest, confidentiality and whistle blower policy) and other policies (organizational structure, roles and responsibilities, insider trading policy, related party policy, prevention of sexual harassment policy, risk management policy, policy for materiality of information or events and policy for preservation of documents). The Company has also prepared standard operating practices for each of its processes of revenue to receive, procure to pay, hire to retire, finance and accounts, fixed assets, treasury, inventory, operations and administrative expenses.

The management assessed the effectiveness of the internal financial controls over the financial reporting as of 31st March

2017 and the Board believes that the controls are adequate.

16. Deposits

The Company has not accepted any deposits from members or the public in terms of Section 73 or Section 76 of the Companies Act, 2013.

17. Declaration by Independent Director

The Independent Directors have submitted the declaration of independence, stating that they meet the criteria of independence as provided under Section 149(6) of the Companies Act, 2013.

18. Receipt of any commission by Managing Director/Whole-Time Director from the Company or receipt of commission/remuneration from subsidiary

The Managing Director/Whole-Time Director are not in receipt of any commission from the Company or any commission/remuneration from any subsidiary.

19. Independent Auditor

The shareholders of the Company, at the Annual General Meeting held on 9th September 2016, appointed M/s. Sundaram & Narayanan, Chartered Accountants (ICAI Firm Regn. No. 004204S) as Statutory Auditors of the Company for a period of five years and their term of office is till the conclusion of the 26th AGM in 2021. Based on the recommendation of the Audit Committee, the Board places a ratification of appointment of M/s. Sundaram & Narayanan, Chartered Accountants, at the ensuing Annual General Meeting.

20. Cost Auditor

As per the requirement of Section 148 of the Companies Act, 2013, the Board of Directors, on the recommendation of the Audit Committee, has appointed Mr. R Gopal, Cost Accountant, as Cost Auditor to audit the cost accounts of the Company for the financial year 2016-17 at a remuneration of ₹3,50,000/- (Rupees three lakh fifty thousand) plus service tax applicable and reimbursement of out-of-pocket expenses. As required under the Companies Act, 2013, a resolution seeking member's approval for the remuneration payable to the Cost Auditor forms a part of the Notice convening the Annual General Meeting.

21. Secretarial Audit report

As per the provisions of Section 204 of the Companies Act, 2013, the Board of Directors has appointed Mr. Gouri Shanker Mishra, Practicing Company Secretary (C.P. No: 13581), as Secretarial Auditor to conduct the Secretarial Audit of the Company for the financial year ended on 31st March 2017.

The Secretarial Audit report issued by Mr. Gouri Shanker Mishra, Practicing Company Secretary, in form MR-3 pursuant to Section 204(1) of the Companies Act, 2013, and Rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014, has been enclosed with this report as Annexure – 5.

There were no qualifications, reservations or adverse remarks made by the Secretarial Auditor in the Secretarial Audit report.

22. Auditors' report

The Auditor's report is attached with the financial statements of the Company, both standalone and consolidated. There are no qualifications or reservations or remarks made by the Statutory Auditors in their Standalone Audit report. Further, there are no qualifications or reservations or remarks made by the Auditors in their Consolidated Audit report. However, the Auditor has made a disclaimer that out of the five subsidiaries and one branch, the interim financial statements and other financial information of only three subsidiaries have been audited by other auditors, whose reports have been derived from such interim financial statements and are based solely on the report of such other auditors. The same is self-explanatory. The report further contains a disclaimer that in respect of the financial statements of two overseas subsidiaries, R.P.P Infra Overseas PLC, Mauritius, and R.P.P Infra Projects (Lanka) Limited and one branch of R.P.P Infra Projects Limited in Sri Lanka, the audited statements were not made available at the time of consolidation and reliance has been entirely placed by them on the certificate by the management. Your Board would like to clarify that the accounts of both overseas subsidiaries and the branch in Sri Lanka have been audited and does not contain any qualification/reservation. Due to some logistics problem, the same could not be provided to the Statutory Auditor at the time of the audit.

23. Audit committee

As required under Section 177 of Companies Act, 2013, and

SEBI (LODR) Regulations, 2015, the Company has constituted an Audit committee. The details about composition of the Audit committee and its terms of reference have been provided in the Corporate Governance report.

There were no such incidences where the Board has not accepted the recommendations of the Audit committee during the year.

24. Corporate Social Responsibility (CSR) policy

The Board of Directors of the Company have constituted a Corporate Social Responsibility committee and adopted a policy for Corporate Social Responsibility. The committee defines the parameters and would observe them for the effective discharge of social responsibilities of your Company.

A report on Corporate Social Responsibility, including details as per Rule 8 of Companies (Corporate Social Responsibility Policy) Rules, 2014, is enclosed with this report as Annexure - 6.

25. Nomination and Remuneration committee

The Company strongly believes that its human resource has infinite potential and therefore, their development is the key to organizational effectiveness. We commit ourselves to integrate human resources with organizational growth and development for mutual benefit. The Nomination and Remuneration policy has been formulated in compliance with Section 178 and other applicable provisions of the Companies Act, 2013, read with the applicable rules thereto and the provisions of SEBI (LODR) Regulations, 2015.

The details about the composition of the Nomination and Remuneration Committee, Nomination and Remuneration Policy and other terms and conditions, as required under Section 178, including its terms of reference, have been provided in the Corporate Governance report forming a part of the Directors' report.

26. Performance evaluation

Pursuant to provisions of the Companies Act, 2013, and SEBI (LODR) Regulations, 2015, the Board has carried out an annual performance evaluation of its own performance, the Directors individually, including Independent Directors, as well as the evaluation of the working of its committees, i.e. Audit

and Nomination & Remuneration committees.

A structured format was prepared to rate after taking into consideration inputs received from Directors covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its committees, Board culture and execution and performance of specific duties, obligations and governance.

A separate exercise was carried out to evaluate the performance of Independent Directors. The performance evaluation of Independent Directors was carried out by the entire Board. The performance evaluation of the Chairman and the Non-Independent Directors was carried out by the Independent Directors.

The mechanism for the evaluation of the Board is given in detail in the Corporate Governance report.

27. Disclosure on establishment of a vigil mechanism

The Board of Directors has adopted a Whistle Blower policy. The policy aims for conducting the affairs in a fair and transparent manner by adopting the highest standards of professionalism, honesty, integrity and ethical behaviour. Directors and all permanent employees of the Company are covered under the Whistle Blower policy. A mechanism has been established for Directors/employees to report concerns about unethical behaviour, actual or suspected fraud or violation of the code of conduct and ethics. It also provides for adequate safeguards against the victimization of Directors/employees who avail of the mechanism and allows direct access to the Chairperson of the Audit committee in exceptional cases. A copy of the Whistle Blower policy is also hosted on the website of the Company.

28. Corporate Governance

As per Schedule V of SEBI (LODR) Regulations, 2015, a separate section on corporate governance practices followed by the Company, report on Corporate Governance together with a certificate confirming compliance and CEO/CFO certificate by the Managing Director and Chief Financial Officer forms an integral part of this Directors' Report.

29. Managerial remuneration

Disclosures pursuant to Rule 5 of Companies (Appointment

and Remuneration of Managerial Personnel) Rules, 2014, have been enclosed with this report as Annexure – 7.

30. Disclosures under Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013

The Company has adopted a policy on prevention of sexual harassment of women at the workplace in accordance with the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, and has also created an Internal Complaints Committee headed by Mrs. A Nithya, Whole Time Director and Chief Financial Officer of the Company who directly reports to the Chairman & Managing Director. During the financial year ended 31st March 2017, the Company has not received any complaints pertaining to sexual harassment. A copy of the policy on sexual harassment is also hosted on the website of the Company.

31. Management Discussion and Analysis report

As per Regulation 34(3) and Schedule V of SEBI (LODR) Regulations, 2015, a separate section on Management Discussion and Analysis report forms an internal part of the Directors' Report.

32. Directors responsibility statement

In accordance with the provisions of Section 134(5) of the Companies Act, 2013, your Directors confirm that:

- a) In the preparation of the annual accounts for the financial year ended 31st March 2017, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- b) The Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31st March 2017 and of the profit/loss of the Company for that period;

- c) The Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013, for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) The Directors had prepared the annual accounts on a going concern basis;
- e) The Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.
- f) The Directors had laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively.

33. Transfer to Investor Education and Protection Fund

The Company does not have any dividend remaining unclaimed by the members of the Company for a period exceeding 7 years. Hence, no amount was transferrable to the Investor Education and Protection Fund.

34. Acknowledgment

Your Directors take this opportunity to offer their sincere thanks to all stakeholders including the various departments of the central and state governments, government agencies, banks, financial institutions, shareholders, customers and employees who through their continued support and cooperation have helped in your Company's progress.

For the Financial Year Ended 31st March 2017

[Pursuant to section 204(1) of the Companies Act, 2013, and Rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,

The Members,

RPP Infra Projects Limited

SF No. 454, Raghupathynaiken Palayam,

Railway Colony Post, Poondurai Road,

Erode - 638002, Tamil Nadu,

INDIA

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by RPP Infra Projects Limited (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March 2017 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March 2017 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under;

Forward-looking statements

This report contains forward-looking statements, identified by words like 'plans', 'expects', 'will', 'anticipates', 'believes', 'intends', 'projects', 'estimates' and so on. All statements that address expectations or projections about the future, but not limited to the Company's strategy for growth, market position, expenditures and financial results, are forward-looking statements. Since these are based on certain assumptions and expectations of future events, the Company cannot guarantee that these are accurate or will be realized. The Company's actual results, performance or achievements could thus differ from those projected in any forward-looking statements. The Company assumes no responsibility to publicly amend, modify or revise any such statements on the basis of subsequent developments, information or events.

Industry Structure and Developments

The infrastructure sector is a key driver of the Indian economy. The sector is significantly responsible for propelling the country's overall development and enjoys strong focus from the Government for initiating policies that would ensure the time-bound creation of world-class infrastructure in the country. The sector includes power, bridges, dams, roads and urban infrastructure development

For a large country such as India, improvement in infrastructure is a necessity. Over the next decade, an estimated US\$1.5 trillion will be needed to create infrastructure and overhaul and refurbish existing infrastructure. Consequently, there are multiple segments within the sector that show stronger potential. Over the past two years, the Government has been working on providing the much-needed groundwork that can see the sector take-off in the coming years.

Following several initiatives, the Government has been working on reducing the bottlenecks that impede growth of the infrastructure sector. The latest budgetary outlay for infrastructure spending has been increased to ₹3.96 lakh crore for various projects, including housing, railways, ports and irrigation. Further, with just 24% of the national highways

In 2016, India jumped 19 places in World Bank's Logistics Performance Index (LPI) 2016, to rank 35th amongst 160 countries, indicating improving logistical efficiencies and hence infrastructure.

network being four-lane or more, the scope for improvement is immense. The Government has also given importance to and is expediting the revival of stalled projects, which, in turn, represent a major boost for the sector.

The Indian infrastructure story is unfolding in almost all the sectors such as power, railways, metro rail, ports, irrigation, pipelines, etc., with robust growth potential. With several Government initiatives such as 'Power for All', the program of providing 24x7 power and the UDAY scheme, the power sector has immense potential. For meeting targets, the Government plans to spend US\$50 billion on transmission infrastructure alone. Similarly, 'Housing for All' is another initiative that is expected to make significant contributions to boost GDP growth. In terms of budgetary allocation, there has been a 45% rise with the Government targeting the construction of 3.3 million houses by 2018-19. Besides, affordable housing has been given the 'infrastructure status', which could reduce borrowing costs for this sector. Additionally, the definition of affordable housing has been altered from built-up area to carpet area, which allows an increase in area by 13-17% of such homes. Further, the 'Smart City' mission of the Government envisions developing an area within 100 cities in the country as model areas that will eventually fuel growth and catalyze infrastructure development, also on the back of increased co-operation between the central and state governments and the stipulated completion timeline of five years from 2017 to 2022.

Opportunities and Threats

With the industry poised for immense growth, it brings significant opportunities for the Company. Your Directors take pleasure in sharing that currently, your Company is focused on the five Indian states of Andhra Pradesh, Madhya Pradesh, Karnataka and Telangana, besides Tamil Nadu. These states are focusing on the creation of infrastructure and your Company has already made a strong presence in all these states. Further, the focus by the Board to be the frontrunner in irrigation and water supply projects, civil construction works, national highways, rural roads and other infrastructure

contracts has given a distinctive advantage to the Company.

The central and state governments have undertaken various initiatives, which are a positive for the infrastructure industry and are expected to give a boost to the industry. The Company, having established a strong presence in these fields, is poised to benefit from these initiatives. Further, the Company's presence in focused geographical areas has unfolded a number of opportunities.

The following initiatives by the central/state governments towards advancing economic growth, have uncovered numerous opportunities for the Company:

- Atal Mission for Rejuvenation of Urban Transformation (AMRUT)
- Madhya Pradesh Local Area Development Scheme
- Integrated Rural Development Program
- Jawaharlal Nehru National Urban Renewal Mission (JnNURM)
- Pradhan Mantri Awaas Yojana
- Micro Irrigation Fund under NABARD
- NTR Special Housing for HudHud cyclone victims
- Rural Development and Panchayat Raj
- Smart City Mission
- District Rural Development Agency
- Pradhan Mantri Gram Sadak Yojna

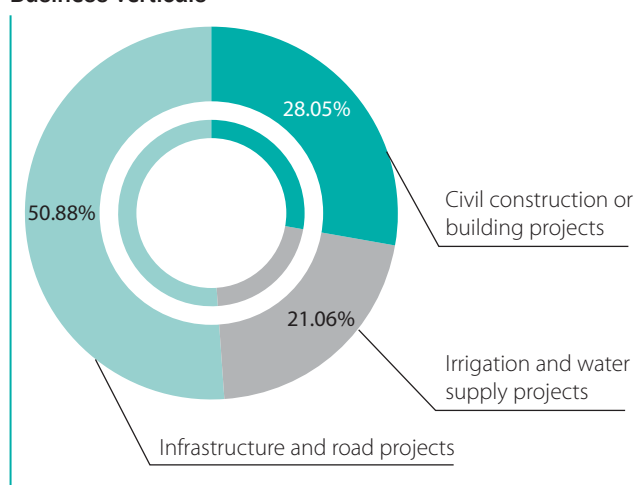

The major threat the infrastructure industry faces today is the ongoing global economic downturn and the slowdown in India's economic growth. Specifically, the contracting and construction markets are quite competitive and require substantial resources and capital investments in equipment, technology and skilled personnel. Further, your Company is increasingly moving towards larger projects which have stringent pre-qualification requirements and, as such, faces intense competition. Besides, your Company has undertaken international projects and is exploring further opportunities worldwide; global contracts have more stringent timelines with lower potential margins and this is expected to continue. Also the entry of foreign construction companies into the Indian market has impacted margins. All these are likely to lead to significant challenges to our historical growth rates and acceptable profit and margins. Our contracts are awarded after a competitive bidding process and satisfaction of other prescribed pre-qualification criteria. The ability of the Company to match the market is always a challenge even though the market is quite open.

Segment-Wise/Product-wise Performance

Your Company is engaged in the business of infrastructure development. The Company has identified and created the following three segments:

- (i) Civil construction or building projects
- (ii) Irrigation and water supply projects
- (iii) Infrastructure and road projects

Business verticals

The Company is focused on strengthening its presence across its operating verticals, venture into niche areas, capitalize on new opportunities and invest in growth with prudence. Further, your Company is pursuing strategic objectives of continuously growing its order book and executing projects efficiently by adopting best practices that enable it to achieve quality, cost optimization and timely completion of contracts.

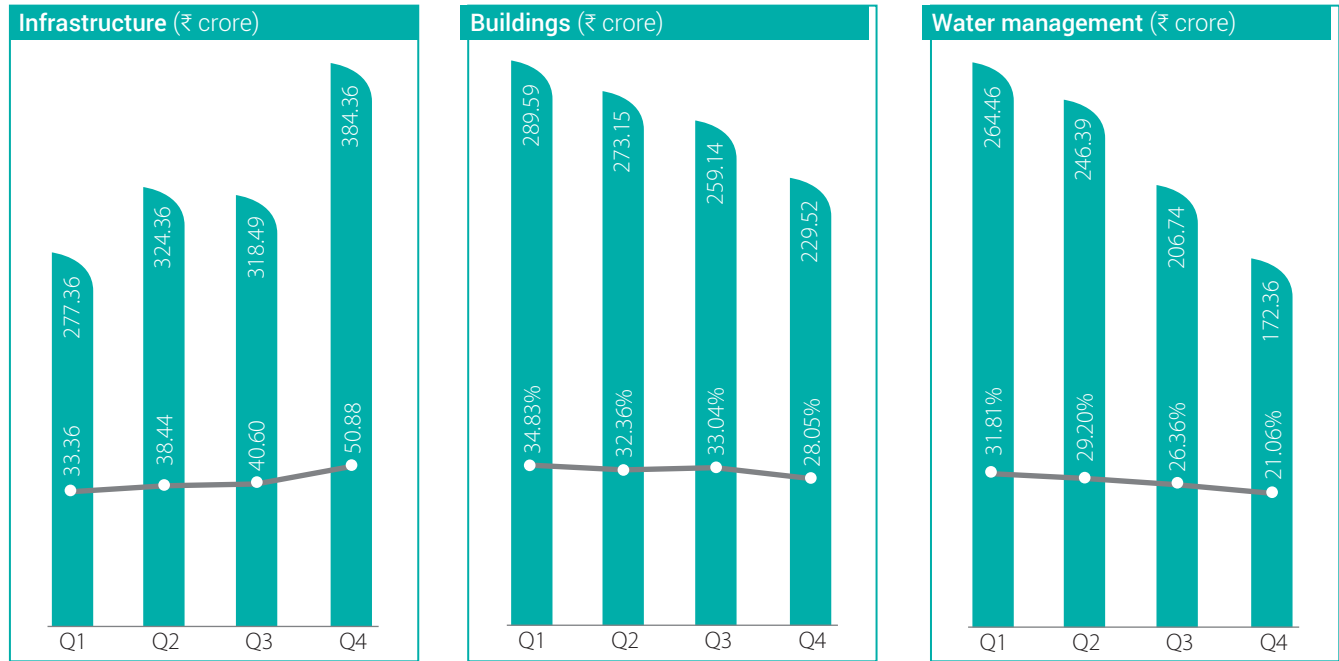

Your Company's continued emphasis on improvement in project execution efficiencies has resulted in notable gains in terms of operating margins and employee productivity, which have played a significant part in the Company improving its performance, even in a highly competitive environment.

Order book position

The Company received sizeable orders during the year. The order book position as on 31st March 2017 was ₹786.25 crore.

The Company, based on the profitability of each vertical, is steadily focusing on increasing projects under the infrastructure segment.

The Company's order book during the year is as below:

The significant projects under various segments include the following:

Civil construction or building projects:

- Construction of quarters in two locations in Dharwad, Karnataka
- Construction of combined administration block, quarter guard, master store and barracks development works at Kalikiri, Chittoor (Pkg-I)
- Construction of type II, III and IV quarters and boundary wall for proposed ITBP complex at Kalikiri, Chittoor (Pkg-II)
- Construction of 154 residential quarters (various types), including electrification works, at NTPL Township at Tuticorin (Phase-II)
- Construction of 160 quarters in Mangalore and Panambur and 112 quarters in Dakshin Kannada district
- Construction of a cultural centre for Tamilians by the Indian Government at Jaffna, Sri Lanka (contract from P&C Projects)
- Construction of a warehouse godown for Container Corporation, Chennai
- Construction of 795 ground floor dwelling units, including infrastructure works, in Mysore city

Irrigation and water supply projects:

- Formation of flood carrier canal from Kanjampatti Odai in Vilathikulam Taluk of Thoothukudi District to Feed Sayalkudi Tank and other tanks in Kamuthi and Kadaladi Taluks of

Ramanathapuram District

- Providing CWSS to 327 rural habitations in Salem District
- Providing CWSS to 212 rural habitations in Andhanallur, Manikandam and Manapparai unions in Trichy District
- Providing CWSS to 158 habitations in Gudimangalam and Udumalaipettai unions in Tiruppur District
- Water Supply Improvement Scheme project for the Tindivanam municipality in Vilupuram District
- Pipeline work at Kulithalai, Karur
- Rehabilitation of Bhadrawathi canal in Shimoga, Karnataka
- Construction of sea wall/shore protection works at Mus, Car Nicobar (800 mtrs) under Phase-I

Infrastructure and road projects:

- Construction of a pipeline corridor in Reach-III for MSEZ, Mangalore
- Road and drain improvement works for City Municipal Council in Gadag, Karnataka
- Construction of integrated storm water drains in Coovum water shed of Coovum Basin, Chennai
- Proposed gauge conversion work between Tiruvarur-Karaikudi section, including earthwork/widening/protective works
- Periodical renewal for New Mangalore Port Trust
- Strengthening of Amarpatan-Rampur road length (25.60 km)
- Road and storm water drain at NTPL campus, Tuticorin

- Construction of Narasingapur city portion road and Linga Bhourjhir Road, Madhya Pradesh
- Construction of integrated storm water drains in Coovum Basin, awarded by Annai Infra, Chennai
- Construction of scientific godown of 29,000 MT capacity at Tanjavur
- Construction of scientific godown at Kadavur and Palladam
- Construction of scientific godown of 28,000 MT capacity at Kudavassal, Thiruvavur District
- Construction of container pre-stacking yard and other ancillary facilities
- Construction of substation for Power Grid Corporation, Bangladesh

The Company reviews/revisits its strategies on an ongoing basis with respect to market conditions to minimize costs and expenditures and maximize value for stakeholders. Further, the Company has a clear target to grow the business and sustain growth with focused, efficient and timely project execution.

Financial Performance/Operational Performance

The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013, guidelines issued by the Securities and Exchange Board of India and Generally Accepted Accounting Principles (GAAP) in India. The management of RPP Infra accepts responsibility for the integrity and objectivity of these financial statements, as well as for various estimates and judgments used therein. The estimates and judgments relating to the financial statements have been made on a prudent and reasonable basis, in order that the financial statements reflect in true and fair manner, the form and substance of transactions and reasonably present the state of affairs on the Balance Sheet and Statement of Profit and Loss of the Company for the year ended on the date.

Standalone Financial Performance:

Your Company has achieved operational revenue of ₹366 crore during the financial year 2016-17. The Company has achieved profit before tax of ₹31.71 crore and profit after tax of ₹23.86 crore. The Company has recorded earnings per share (EPS) of ₹10.56.

The revenue from operations achieved for the year was ₹366 crore as against ₹315 crore in the previous year, representing an increase of 16.5%. RPP Infra's core business is construction and engineering and it executes work on the basis of contracts. Considering the challenging economic

and financial environment, the Company has successfully executed projects and has performed well in revenue terms. This underscores the Company's position of strength in its various businesses and its capabilities in harnessing opportunities offered by the growing Indian economy.

The consumption of materials and other direct costs increased by 17.8% to ₹293 crore as against ₹249 crore in the previous year. Employee cost was ₹6.4 crore for the year as against ₹5.53 crore in the previous year.

EBIDTA for the year was ₹52.84 crore as compared with ₹51.22 crore in the previous year. Finance cost marginally reduced to ₹16.25 crore against ₹18.56 crore in the previous year. Depreciation (including depletion and amortization) was higher at ₹5.04 crore against ₹4.85 crore in the previous year. Profit after tax was ₹23.86 crore as against ₹20.67 crore in the previous year.

The Company has maximized operational efficiencies. As explained earlier, the Company has suitably devised the strategy to optimally utilize the various resources available with it, including men, machine and material.

Consolidated Financial Performance:

During the year under review, none of the subsidiaries was a material subsidiary. The operations in all these subsidiaries are nominal.

The highlights of RPP Infra's consolidated performance for the year are as follows:

- Revenue from operations increased by around 17% to ₹366.34 crore over the previous year
- EBITDA stood at ₹51.83 crore
- Profit before tax was ₹30.43 crore
- Net profit increased to ₹22.74 crore

Business Outlook

Infrastructure spending has a multiplier effect on the overall economic growth as it facilitates industrial growth and manufacturing. This in turn boosts aggregate demand by improving living conditions. Keeping the same in mind, the Government has prioritised the sector to unleash its growth potential.

Yet again, the Union Budget of 2017 provided a push to the infrastructure sector. It is a positive step forward for India because the Budget has focused on increasing consumption and enabling infrastructure development. The Budget provided for a 25% increase in allocation for infrastructure over the last year. This will have a salutary effect on the

economy, creating new employment and income-generation opportunities. We further believe that surplus liquidity in the banking system, spawned by demonetization, will push banks to lower their lending rates and, in turn, increase access to credit. This may have a multiplier effect on economic activity, increase consumer spending and create additional demand. The industry is also likely to see productivity gains.

The planned budget provision for the transportation sector, including rail, roads and shipping of ₹2.41 lakh crore has been made. The total capital and developmental expenditure of railways has been pegged at ₹1.31 lakh crore. In the road sector, the Budget allocation for highways has increased from ₹57 lakh crore in 2016-17 to ₹64.9 lakh crore in 2017-18. As many as 2,000 km of coastal connectivity roads have been identified for construction and development. The total length of roads, including those under PMGSY, built from 2014-15 till the current year is about 1,40,000 km which is significantly higher than the previous three years. Select airports in Tier-2 cities are also expected to be taken up for operation and maintenance under the PPP mode.

Smart Cities Mission, an urban renewal and retrofitting program by the Government of India to develop the infrastructure of 100 cities, again represents a big push for the infrastructure industry as smart cities are planned to make cities sustainable and citizen-friendly. A total of ₹480 billion has been allocated by the Union Cabinet with the remaining funding to emerge from PPPs and municipal bonds. Each participating city will establish a special purpose vehicle (SPV) to implement its Smart City plan. An SPV is a limited company incorporated at the city-level, in which the state and the urban local body are promoters, though private entities may hold up to a 50% equity stake. The largest sectors targeted for PPPs are in areas such as water supply, waste management and transportation. This is going to provide a big push to the infrastructure industry.

India's construction sector employs more than 35 million people and is the second largest employer, next only to agriculture. Further, in the construction sector about half of the demand emanates from the infrastructure sector and the rest is driven by the real estate sector and other industrial activities. India's construction industry will continue to expand over the forecast period (2016-20), with investments in residential, infrastructure and energy projects continuing to drive growth. The most important of them are various government flagship

infrastructure plans and programs, including '100 Smart Cities Mission', 'Housing for All', 'Power for All', AMRUT and 'Make in India', among others. The industry's output value in real terms is expected to grow at a compound annual growth rate (CAGR) of 5.65% over the forecast period, up from 2.95% during the review period (2011-15).

Growth strategies

The Company has effected a combination of prudent selection of verticals, with a focus on government contracts, through building rich knowledge capital and through the development of a robust balance sheet, which are its principal elements of business.

The Company has created a distinctive business model for leveraging its capabilities in order to benefit from emerging growth opportunities. The strategy comprises a presence in focused work segments in focused geographical locations with focused types of contracts. Your Company has further

created synergies in certain areas through executing diverse contracts including the lump sum rate, design and build, item rate or percentage rate. The Company has also built robust partnerships with sub-contracts, which gives the advantage of de-risking and works well for the execution of large contracts, as well as with credible customers with reduced overall timeline of contract execution.

Your Company has focused on relatively complex niches within verticals requiring engineering expertise and specialized equipment. Further, your Company focuses

on project sizes of ₹50 crore to ₹100 crore, which enhances its capability in managing the project better. Your Company has also made certain alliances or has partnered with bigger companies, including from other fields as consortium partner, which helps it to bid for larger and more complex projects. Your Company has also created alliances with companies like Siemens and Ramky and has already secured two contracts in a joint bid with Siemens.

Further, in general, strong cost competitiveness, sound execution strategies, efficiency in managing volatility, robust working capital controls, efficient contract management processes, expanding customer base, efficient due diligence capabilities, strengthening business development efforts, improved operational efficiencies and superior supply chain management represents the continued thrust areas of the Company.

The Budget provided for a 25% increase in allocation for infrastructure over the last year. This will have a salutary effect on the economy, creating new employment and income-generation opportunities.

Risks and Concerns

Mitigation of risks is an all-encompassing requirement. Broadly speaking, construction projects face the following risks:

General economic/sector risks: We derive and expect to derive substantially all of our revenue from infrastructure projects in India. Accordingly, we are significantly dependent on sustained economic development and government policies relating to infrastructure development. We are also significantly dependent on budgetary allocations made by central and state governments, participation from multilateral agency-sponsored developments, public bodies as well as access to private sector funding. Macro-economic factors in India relating to the infrastructure sector will have a significant impact on our prospects and results of operations. Our results of operations are and would continue to be dependent on the policies adopted by the central and state governments.

Bidding and execution capabilities:

Infrastructure project development for large projects in India involves a process of pre-qualifying of interested bidders based on technical and financial strength. Pre-qualifications criteria are based on factors such as relevant past achievements of project execution, net worth, cash accruals, etc. After a project is awarded, on-time completion is subject to various factors. We target efficient project management and execution through the competent deployment of equipment and resources, quick decision-making capabilities by on-site project managers, strong relationships with suppliers and sub-contractors and stronger coordination between project sites and the head office. We monitor the progress of project execution in terms of time, cost, quality, efficiency, manpower resources and deployment of equipment. Our ability to continue to execute contracts effectively, as our business grows, is important to our strategy and results of our operations.

Completion risk: This is the risk that is defined by the project not being completed on time, or at all, due to various reasons such as cost overruns, technology failure, force majeure, etc. We ensure timely mobilization of site teams and other requirements and also timely availability of material/labour/equipment in a coordinated manner. We also have in place a mechanism to monitor drawings/clearances needed from clients and ensure that these are communicated in advance

and also documented.

Resource risk: This risk includes the non-availability of raw materials for the project operation. It also includes the risk that the raw material prices might move adversely. We draw up the project cost estimates based on site conditions, expected duration of the project and seasonal cost/availability factors while quoting. We also negotiate better rates from suppliers/service providers, leveraging the benefit of volumes across sites.

Operating risk: This is a risk that the project costs would escalate. It also includes the risk that the project will have operational problems. We ensure an elaborate study of the site conditions and the scope of the project and involve cross-functional teams at the tendering stage to capture all variables across different processes. The plan for project execution is then achieved elaborately with process linkages.

Casualty risk: This is the risk of physical damage to project equipment. It also includes liabilities to third-parties on account of accidents at the project site.

Site risk: This is the risk that the project site might have legal encumbrances. It also includes the risk that the site has technical problems.

Cost management: Our operating expenses constitute a major chunk of our total income. Our operating costs, which relate to project costs, mainly comprise input, labour, fuel and sub-contracting costs and the usage of machinery. These costs

are subject to volatility and may fluctuate owing to reasons beyond our control. Our ability to handle these costs in an effective manner ensures that we manage this risk well.

Competition: We face significant competition for projects from a large number of infrastructure companies who also operate in the same regional markets as us. Further, some of our competitors are larger than us, have stronger financial resources or a more experienced management team, or have stronger engineering capabilities in executing technically complex projects. Competition from other infrastructure companies will continue to have a significant impact on our ability to successfully bid for projects at price levels which would generate the desired returns for us.

The Company has taken a number of initiatives such as the deployment of risk mitigation strategies, superior execution of

Our ability to continue to execute contracts effectively, as our business grows, is important to our strategy and results of our operations.

projects and astute cost management practices to deal with an overall environment dominated by significant competition, high interest rates, sluggish demand, liquidity issues and higher input costs. The Company has adopted a pragmatic approach to navigate through the turbulent times and has cut down on overhead expenses and optimally stretched its available resources, making it lean yet effective in order to improve its operational efficiencies.

Risk Management Policy

Risk management is an integral part of the business process. The risk management process, inter alia, provides for review of the risk assessment and mitigation procedures and timely report to the management and review of the identified risks at periodical intervals to assess the progress of control measures. The Audit committee of the Board reviews the risk management efforts periodically.

The company follows the following risk management framework:

Risk identification

This function involves pre-emptive strategies to identify potential risks and evolve a framework for mitigation.

Risk assessment and analysis

Risk assessment is the objective evaluation of the quantitative and qualitative value of risk related to the uncertainties of a specific situation.

Proactive risk governance measures

This requires the organization to ascertain action plans to address identified issues and forestall potential damage.

Comprehensive risk reporting

Record the causes and mitigation measures for future reference.

The reporting systems ensure precise monitoring for quick decision-making and smooth running of the operations. Prompt attention is drawn to any risk-related function which is then closely monitored to enable appropriate decision-making to avoid problems/regain stability within the shortest possible time.

Internal Controls and their Adequacy

Your Company has adequate internal control systems to monitor business processes, financial reporting and compliance with applicable regulations. It has documented procedures covering all financial, operating and management functions. These controls have been designed to provide a

reasonable assurance with regards to maintaining proper accounting controls, monitoring of operations, protecting assets from unauthorized use or losses, compliances with regulations and for ensuring reliability of financial reporting. The Company has continued its efforts to align all its processes and controls with best practices in these areas as well. The systems are periodically reviewed for identification of control deficiencies and formulation of time-bound action plans to improve efficiency at all levels.

The Company conducts internal audit through an independent firm of qualified chartered accountants who are given access to all records and information. The Audit committee of the Board reviews internal control systems and their adequacy, significant risk areas, observations made by the internal auditors on control mechanism and the operations of the Company, recommendations made for corrective action and the internal audit reports. The committee reviews with the statutory auditors and the management, key issues, significant processes and accounting policies. The Company continues its efforts in strengthening internal controls to enable better management and controls over all processes.

Your Company has a proper whistle blower policy and adequate vigil mechanism for Directors and employees. The policy enables Directors and employees to report genuine concerns impacting/affecting the business of your Company including, but not limited to, improper or unethical behavior/misconduct/actual or suspected fraud/violation of code of conduct. The policy provides adequate safeguards against victimization to make it easy for employees/Directors to report any issues.

Human Resource Development and Industrial Relations

Our continued success depends on our ability to retain and attract key personnel with relevant skills, expertise and experience. We are aware of the challenge in attracting and retaining the best talent in the industry. All our HR policies and practices are aligned with the overall organizational strategy. Currently, our Company has 190 employees at various levels under its direct employment. We have in place a well-drawn out HR policy and a working environment encouraging innovation, cost reduction and time-bound completion of projects along with measures targeted to emerge as a merit-driven organization. The management has been paying special attention to various aspects like employee training, welfare and safety, thereby contributing to strengthening its human resources.

Report on Corporate Governance

1. Company's philosophy on code of Governance

The Company's philosophy on code of governance is to ensure that its obligations are discharged in a fair and transparent manner in order to protect the interests of its stakeholders. The Company emphasizes the best practices towards preserving the environment and adherence to the highest safety standards across all its operations. The Company aims at achieving transparency, accountability and equity in all facets of its operations and in all interactions with stakeholders, including shareholders, employees, government, lenders and other constituents, while fulfilling the role of a responsible corporate representative committed to good corporate practices. The Company is committed to achieve good standards of Corporate Governance on a continuous basis by laying emphasis on ethical corporate citizenship and establishment of a good corporate culture which aims at true Corporate Governance.

The Company believes that all its operations and actions must result in the enhancement of overall shareholder value in terms of maximizing shareholders' benefits over a sustained period of time.

2. Board of Directors

Composition of the Board

The Company's policy is to have an appropriate mix of executive and independent directors to maintain the independence of the Board and to separate the Board functions of governance and management. The total strength of the Board presently is six Directors comprising of two Executive Promoter Directors, one Non-Executive Director and three Independent Directors.

As per the requirement of Regulation 17(1) of SEBI (LODR) Regulations, 2015, the Company has an optimum combination of Executive and non-Executive Directors with one woman Director and two-thirds of the total number of Directors being non-Executive Directors. Further, the Chairman being the Promoter Executive Director, half of the Board comprises Independent Directors.

The following is the present composition of our Board and their number of Directorships in other companies:

Certificate on Compliance with the conditions of Corporate Governance under Regulation 34(3)(E) Of SEBI (LODR) Regulation, 2015

To,
The Members of
R.P.P. Infra Projects Limited

I have examined the compliance of conditions of Corporate Governance by R.P.P Infra Projects Limited ("the Company") for the year ended 31st March 2017 as per relevant provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as referred in its Regulation 15 (2) for the period 1st April 2016 to 31st March 2017.

The Compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to a review of the procedures and implementations thereof adopted by the Company for ensuring the compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In my opinion and to the best of our information and according to the explanations given to us and the representations made by the Directors and Management, I certify that the Company has complied with the conditions of Corporate Governance as per relevant provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the period 1st April 2016 to 31st March 2017.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Financial Statements

Independent Auditor's Report

TO
THE MEMBERS OF
M/s. RPP INFRA PROJECTS LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of M/S. RPP INFRA PROJECTS LIMITED (hereinafter, "the company") which comprise the Balance Sheet as at 31st March 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ('the act') with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India as specified under Section 143(10) of the Act. Those

Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2017, its profit and its cash flows for the year ended on that date.

Other Matter

We did not audit the financial statements of branch at Jaffna included in the Standalone financial statements of the Company whose financial statements reflect total assets of ₹7.68 Crores as at 31st March 2017 and total revenue of ₹1.62 Crore for the year ended on that date, as considered in the standalone financial statements. The Independent Auditor's Report of these financial statements has not been made available to us and our opinion is not related to the amounts

and disclosures included in respect of this branch. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ('the Order') issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the 'Annexure A', a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit. We have not audited the branch office situated in Jaffna. We have not received the audit report for the same.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The report on the accounts of the branch office of the Company at Jaffna, Sri Lanka was not received by us and hence we are neither able to comment on the above nor our opinion is modified by this matter.
 - (d) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts.
 - (e) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (f) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and

the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - a. The company has disclosed the impact of pending litigations on its financial position in its standalone financial statements. Refer to Note no.32 - to the standalone financial statements.
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - d. According to the MCA circular no. G.S.R 307(E) dated 30.03.2017, we report that the company had provided requisite disclosures in its financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November to 30th December 2016 and these are in accordance with the books of accounts maintained by the company. Refer to Note no. 30 - to the standalone financial statements.

We have audited the internal financial controls over financial reporting of M/s. RPP Infra Projects Limited as of 31st March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting

was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2017 based on the internal control over financial reporting criteria

established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. We have not audited the internal financial control over financial reporting for the branch at Jaffna and we have not received the independent auditor's report regarding the same. Hence our opinion is not related to the internal control of this branch.

Notes forming part of Accounts

Note No.1 Significant Accounting Policies

1.1 Basis of Preparation

The Company maintains its accounts on accrual basis following the historical cost convention in accordance with generally accepted accounting principles ["GAAP"]. Further, the guidance notes / announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable except to the extent where compliance with other statutory promulgations viz. SEBI guidelines override the same requiring a different treatment.

The financial statements are prepared in accordance with the requirements of the Companies Act, 2013, and comply with the Accounting Standards referred to in Section 133 of the said Act. The preparation of financial statements in conformity with GAAP requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. Examples of such estimates include the useful lives of tangible and intangible fixed assets, allowance for doubtful debts/advances, future obligations in respect of retirement benefit plans, etc. Difference, if any, between the actual results and estimates is recognized in the period in which the results are known.

1.2 Presentation of financial Statement

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Cash Flow Statement has been prepared as per the requirements of the companies Act, 2013 and presented as per the requirements of Accounting Standard (AS) 3 "Cash Flow Statements". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards and the Listing Agreement.

Amounts in the financial statements are presented in Indian Rupees in Crore rounded off to two decimal places in line with the requirements of Schedule III except where stated otherwise. Per share data are presented in Indian Rupees to two decimals places.

1.3 Revenue Recognition

A. Accounting of construction contracts

The Company follows the (Accounting Standard 7) percentage completion method, based on the stage of completion as at the balance sheet date, taking into account the contractual price and revision there to by estimating total revenue and total cost till completion of the contract and the profit so determined has been accounted for proportionate to the percentage of the actual work done as on the date of the Balance Sheet. The Company's claim for extra work and escalation in rates relating to execution of contracts are recognized as revenue in the year in which said claims are finally accepted by the clients.

B. Other Operational Income

Other Operational Income Includes Revenue for Technical services provided and accounted on accrual basis.

C. Other Income

- a. Claims were accounted as income in the year of receipt of arbitration award or acceptance by client or evidence of acceptance.
- b. Income of Power Generation from Windmill was accounted in the period in which the right to receive of the same is established.
- c. Interest income is recognised on the time proportion basis.
- d. Other items of income are accounted as and when the right to receive arises.

Notes forming part of Accounts (contd.)

1.4 Extraordinary and exceptional Items

Income or expenses that arise from events or transactions that are clearly distinct from the ordinary activities of the Company are classified as extraordinary items. Specific disclosure of such events/transactions is made in the financial statements. Similarly, any external event beyond the control of the Company, significantly impacting income or expense, is also treated as extraordinary item and disclosed as such.

On certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company, is such that its disclosure improves an understanding of the performance of the Company. Such income or expense is classified as an exceptional item and accordingly disclosed in the notes to accounts.

1.5 Classification of Assets and Liabilities

The Schedule III to the Companies Act, 2013 requires assets and liabilities to be classified as either Current or Non-current.

- a) An asset shall be classified as current when it satisfies any of the following criteria:
 - I. It is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
 - II. It is held primarily for the purpose of being traded;
 - III. It is expected to be realized within twelve months after the reporting date; or
 - IV. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.
- b) All assets other than current assets shall be classified as non-current.
- c) A liability shall be classified as current when it satisfies any of the following criteria:
 - I. It is expected to be settled in the company's normal operating cycle;
 - II. It is held primarily for the purpose of being traded;
 - III. It is due to be settled within twelve months after the reporting date; or
 - IV. The company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.
- d) All liabilities other than current liabilities shall be classified as non-current.

1.6 Fixed Assets

- a) Fixed assets are stated at their original cost of acquisition and installation, less accumulated depreciation, amortization and impairment losses, if any. Cost comprises of the purchase price and any other directly attributable cost of bringing the asset to its working condition for its intended use.
- b) Administrative and other general overhead expenses that are specifically to construction or acquisition of Fixed Assets or bringing the Fixed Assets to working conditions are allocated and capitalized as a part of the cost of the Fixed Assets.
- c) Borrowing costs that are directly attributable to the acquisition of qualifying assets are capitalised for the period until the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes substantial period of time to get ready for its intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.
- d) The Company charge depreciation on straight line method as in the management's view this method provides/gives more appropriate presentation and gives a systematic basis of depreciation charge.
- e) Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation / depletion. The costs comprises of all cost, including financing costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible asset.

Notes forming part of Accounts *(contd.)*

- f) Purchase cost and user license fees for major software are amortised over a period of three years.
- g) Own fabricated assets are capitalized at cost including an appropriate share of overheads.
- h) Depreciation for additions to/deductions is calculated @ pro-rata from/to the date of additions/deductions during the year.
- i) Tangible assets not ready for the intended use on the date of the Balance Sheet are disclosed as Capital Work-in-Progress.

1.7 Operating Cycle

The normal time between acquisition of assets and their realisation in cash or cash equivalents, the company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non current.

1.8 Investments

Long Term investments are valued at cost, less provision for diminution other than temporary, in value, if any. Current investments are stated at lower of cost and fair value, computed category-wise

1.9 Cash and equivalents

Cash and cash equivalents comprise of cash at bank and cash in hand. The Company considers all highly liquid investments with an original maturity of three months or less from date of purchase, to be cash equivalents.

1.10 Provisions and Contingent Liabilities

A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present values and are determined based on management estimate required to settle the obligation at the Balance Sheet date. These are reviewed as on the Balance Sheet date and adjusted to reflect the current best estimates.

A disclosure for a Contingent liability is made when there is a possible obligation or a present obligation that may but probably will not, requires an outflow of resources. When there is a possible obligation or present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

When there is an obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.11 Foreign Exchange Translation of Projects and Accounting of Foreign Exchange Translations

Transactions denominated in foreign currency are normally recorded at the exchange rate prevailing on the date of the transaction.

Any income or expense on account of exchange difference either on settlement or on transaction is recognized in the profit and loss account. In case of fixed assets they are adjusted to the carrying cost of such assets. Foreign Currency Monetary Items are retranslated at the exchange rate prevailing on the reporting date.

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise except those relating to liability for acquiring fixed assets from outside India which are capitalized and those arising from investments in non-integral operations.

Foreign Branches are classified as non-integral foreign operations.

Gains or losses arising out of translations at the year-end are credited / debited to the Foreign Currency Translation Reserve

Notes forming part of Accounts (contd.)

under Reserves and Surplus.

1.12 Accounting for Taxes on Income

a) Current Income Tax:

Provision for Current Tax is made based on taxable Income computed for the year under the Income Tax Act, 1961.

b) Deferred Taxes :

Deferred Tax is accounted for by computing the tax effect of timing differences which arise during the year and reverse in subsequent periods. Timing differences arising due to difference in depreciation as per accounting records and Income Tax Act has alone been considered. Deferred tax assets are recognized and carried forward only to the extent that there is a virtual certainty that sufficient future taxable income will be available against which such Deferred Tax Assets can be realised.

1.13 Employees Benefits

- a) Employer's contribution to the recognized provident fund which is a defined contribution scheme and ESI Contribution as per law are charged to the Profit and Loss account.
- b) The Gratuity benefit is funded through a defined benefit plan. For this purpose, the Company has obtained a qualifying insurance policy from Life Insurance Corporation of India.

1.14 Earnings per Share

The Company reports basic and diluted earnings per share in accordance with Accounting Standard (AS20). Earnings per Share notified by the Companies (Accounting Standards) Rules, 2006. Basic earnings per equity shares are computed by dividing the net profit for the year attributable to the Equity Shareholders including the extraordinary profits arising out of the change in the method of depreciation from WDV method to straight line method by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit for the year adjusting for the effects of dilutive potential equity shares attributable to the Equity Shareholders by the weighted average number of the equity shares and dilutive potential equity shares outstanding during the year except where the results are anti dilutive.

1.15 Inventories

Inventory of construction / raw material are valued at the lower of cost and net realizable value. Cost of inventories is determined on first-in-first out (FIFO) method of inventory valuation.

1.16 Impairment of Assets

The carrying amount of assets other than inventories is reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the assets is estimated. An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount.

Independent Auditor's Report

TO
THE MEMBERS OF
M/s. RPP INFRA PROJECTS LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of RPP INFRA PROJECTS LIMITED (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at 31st March, 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards

and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at 31st March, 2017, and their consolidated profit/loss and their consolidated cash flows for the year ended on that date.

Other Matter

We did not audit the financial statements of five subsidiaries, whose financial statements reflect total assets of ₹29.38 Crores as at 31st March 2017, total revenues of ₹Nil Crores and net cash flows amounting to ₹0.29 Crores for the year ended on that date, as considered in the consolidated financial statements. Out of the five subsidiaries, we have relied on the financial statements of three subsidiaries viz., M/s. Sanskar Dealcom Private Limited, M/s. RPP Energy Private Limited and M/s. Greatful Mercantile Private Limited which were audited by other auditors. We have not received the Audit reports of other two subsidiaries viz., M/s. R.P.P. Infra Projects (Lanka) Ltd, M/s R.P.P Infra Overseas Plc and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these entities, is based on the unaudited financial statements of those entities.

In our opinion and according to the information and explanations given to us by the Management, these financial statements / financial information are not material to the Group.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from

the directors of the Holding Company as on 31st March, 2017 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies, incorporated in India, None of the directors of the Group companies incorporated in India is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.

- (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls; refer to our report in "Annexure A", which is based on the Auditors' Reports of the Company and its subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of the Company and its subsidiary companies incorporated in India.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of the pending litigations on the consolidated financial position of the Group. Refer to Note no. 33 to the consolidated financial statements.
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India.
 - iv. According to the MCA circular no. G.S.R 307(E) dated 30.03.2017, we report that the company had provided requisite disclosures in its financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November to 30th December 2016 and these are in accordance with the books of accounts maintained by the company. Refer to Note no. 30 to the consolidated financial statements.

Annexure to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2017, we have audited the internal financial controls over financial reporting of RPP INFRA PROJECTS LIMITED ("the Holding Company") and its subsidiary companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Company and its subsidiary companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether

adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of Our information and according to the explanation given to us, the Company and its subsidiary companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial

reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company and its subsidiary companies incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Notes forming part of Consolidated Accounts

Note No.1 Significant Accounting Policies

1.1 Basis of Preparation

The Company maintains its accounts on accrual basis following the historical cost convention in accordance with generally accepted accounting principles ["GAAP"]. Further, the guidance notes / announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered, wherever applicable except to the extent where compliance with other statutory promulgations viz. SEBI guidelines override the same requiring a different treatment.

The financial statements are prepared in accordance with the requirements of the Companies Act, 2013, and comply with the Accounting Standards referred to in Section 133 of the said Act. The preparation of financial statements in conformity with GAAP requires that the management of the Company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. Examples of such estimates include the useful lives of tangible and intangible fixed assets, allowance for doubtful debts/advances, future obligations in respect of retirement benefit plans, etc. Difference, if any, between the actual results and estimates is recognized in the period in which the results are known.

1.2 Presentation of financial Statement

The Balance Sheet and the Statement of Profit and Loss are prepared and presented in the format prescribed in the Schedule III to the Companies Act, 2013 ("the Act"). The Cash Flow Statement has been prepared as per the requirements of the companies Act 2013 and presented as per the requirements of Accounting Standard (AS) 3 "Cash Flow Statements". The disclosure requirements with respect to items in the Balance Sheet and Statement of Profit and Loss, as prescribed in the Schedule III to the Act, are presented by way of notes forming part of accounts along with the other notes required to be disclosed under the notified Accounting Standards and the Listing Agreement.

Amounts in the financial statements are presented in Indian Rupees in Crore rounded off to two decimal places in line with the requirements of Schedule III except where stated otherwise. Per share data are presented in Indian Rupees to two decimals places.

1.3 Revenue Recognition

A. Accounting of construction contracts

The Company follows the (Accounting Standard 7) percentage completion method, based on the stage of completion as at the balance sheet date, taking into account the contractual price and revision there to by estimating total revenue and total cost till completion of the contract and the profit so determined has been accounted for proportionate to the percentage of the actual work done as on the date of the Balance Sheet. The Company's claim for extra work and escalation in rates relating to execution of contracts are recognized as revenue in the year in which said claims are finally accepted by the clients.

B. Other Operational Income

Other Operational Income Includes Revenue for Technical services provided and accounted on accrual basis.

C. Other Income

- a. Claims were accounted as income in the year of receipt of arbitration award or acceptance by client or evidence of acceptance.
- b. Income of Power Generation from Windmill was accounted in the period in which the right to receive of the same is established.
- c. Interest income is recognised on the time proportion basis.
- d. Other items of income are accounted as and when the right to receive arises.

Notes forming part of Consolidated Accounts (contd.)

1.4 Extraordinary and exceptional Items

Income or expenses that arise from events or transactions that are clearly distinct from the ordinary activities of the Company are classified as extraordinary items. Specific disclosure of such events/transactions is made in the financial statements. Similarly, any external event beyond the control of the Company, significantly impacting income or expense, is also treated as extraordinary item and disclosed as such.

On certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company, is such that its disclosure improves an understanding of the performance of the Company. Such income or expense is classified as an exceptional item and accordingly disclosed in the notes to accounts.

1.5 Classification of Assets and Liabilities

The Schedule III to the Companies Act, 2013 requires assets and liabilities to be classified as either Current or Non-current.

- a) An asset shall be classified as current when it satisfies any of the following criteria:
 - I. It is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
 - II. It is held primarily for the purpose of being traded;
 - III. It is expected to be realized within twelve months after the reporting date; or
 - IV. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.
- b) All assets other than current assets shall be classified as non-current.
- c) A liability shall be classified as current when it satisfies any of the following criteria:
 - I. It is expected to be settled in the company's normal operating cycle;
 - II. It is held primarily for the purpose of being traded;
 - III. It is due to be settled within twelve months after the reporting date; or
 - IV. The company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.
- d) All liabilities other than current liabilities shall be classified as non-current.

1.6 Fixed Assets

- a) Fixed assets are stated at their original cost of acquisition and installation, less accumulated depreciation, amortization and impairment losses, if any. Cost comprises of the purchase price and any other directly attributable cost of bringing the asset to its working condition for its intended use.
- b) Administrative and other general overhead expenses that are specifically to construction or acquisition of Fixed Assets or bringing the Fixed Assets to working conditions are allocated and capitalized as a part of the cost of the Fixed Assets.
- c) Borrowing costs that are directly attributable to the acquisition of qualifying assets are capitalised for the period until the asset is ready for its intended use. A qualifying asset is an asset that necessarily takes substantial period of time to get ready for its intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.
- d) The Company charge depreciation on straight line method as in the Management's view this method provides/gives more appropriate presentation and gives a systematic basis of depreciation charge.
Depreciation has been provided by the foreign subsidiaries on methods and at the rates required/ permissible by the local laws so as to write off the assets over their useful life.

Notes forming part of Consolidated Accounts (contd.)

- e) Intangible Assets are stated at cost of acquisition net of recoverable taxes less accumulated amortisation / depletion. The costs comprises of all cost, including financing costs till commencement of commercial production, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible asset.
- f) Purchase cost and user license fees for major software are amortised over a period of three years.
- g) Own fabricated assets are capitalized at cost including an appropriate share of overheads.
- h) Depreciation for additions to/deductions is calculated @ pro-rata from/to the date of additions/deductions during the year.
- i) Tangible assets not ready for the intended use on the date of the Balance Sheet are disclosed as Capital Work-in-Progress.

1.7 Operating Cycle

The normal time between acquisition of assets and their realisation in cash or cash equivalents, the company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non current.

1.8 Investments

Long Term investments are valued at cost, less provision for diminution other than temporary, in value, if any. Current investments are stated at lower of cost and fair value, computed category-wise

1.9 Cash and equivalents

Cash and cash equivalents comprise of cash at bank and cash in hand. The Company considers all highly liquid investments with an original maturity of three months or less from date of purchase, to be cash equivalents.

1.10 Provisions and Contingent Liabilities

A provision is recognised when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present values and are determined based on management estimate required to settle the obligation at the Balance Sheet date. These are reviewed as on the Balance Sheet date and adjusted to reflect the current best estimates.

A disclosure for a Contingent liability is made when there is a possible obligation or a present obligation that may but probably will not, requires an outflow of resources. When there is a possible obligation or present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

When there is an obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.11 Foreign Exchange Translation of Projects and Accounting of Foreign Exchange Translations

Transactions denominated in foreign currency are normally recorded at the exchange rate prevailing on the date of the transaction.

Any income or expense on account of exchange difference either on settlement or on transaction is recognized in the profit and loss account. In case of fixed assets they are adjusted to the carrying cost of such assets. Foreign Currency Monetary Items are retranslated at the exchange rate prevailing on the reporting date.

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise except those relating to liability for acquiring fixed assets from outside India which are capitalized and those arising from investments in non-integral operations.

Foreign Branches are classified as non-integral foreign operations.

Notes forming part of Consolidated Accounts (contd.)

Gains or losses arising out of translations at the year-end are credited / debited to the Foreign Currency Translation Reserve under Reserves and Surplus.

Foreign subsidiaries are classified as non-integral foreign operations. Assets and Liabilities are translated at the closing rate at the end of the year. Income and expenses are translated at the monthly average rates. All the resulting exchange differences are accumulated in a separate head "Foreign Currency Translation Reserve" and the same is shown in Balance Sheet under Reserves & Surplus.

1.12 Accounting for Taxes on Income

a) Current Income Tax:

Provision for Current Tax is made based on taxable Income computed for the year under the Income Tax Act, 1961.

Provision for current tax for the foreign subsidiaries are as in accordance with the applicable local laws.

b) Deferred Taxes :

Deferred Tax is accounted for by computing the tax effect of timing differences which arise during the year and reverse in subsequent periods. Timing differences arising due to difference in depreciation as per accounting records and Income Tax Act has alone been considered. Deferred tax assets are recognized and carried forward only to the extent that there is a virtual certainty that sufficient future taxable income will be available against which such Deferred Tax Assets can be realised.

1.13 Employees Benefits

- a) Employer's contribution to the recognized provident fund which is a defined contribution scheme and ESI Contribution as per law are charged to the Profit and Loss account.
- b) The Gratuity benefit is funded through a defined benefit plan. For this purpose, the Company has obtained a qualifying insurance policy from Life Insurance Corporation of India.

1.14 Earnings per Share

The Company reports basic and diluted earnings per share in accordance with Accounting Standard (AS20). Earnings per Share notified by the Companies (Accounting Standards) Rules, 2006. Basic earnings per equity shares are computed by dividing the net profit for the year attributable to the Equity Shareholders including the extraordinary profits arising out of the change in the method of depreciation from WDV method to straight line method by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit for the year adjusting for the effects of dilutive potential equity shares attributable to the Equity Shareholders by the weighted average number of the equity shares and dilutive potential equity shares outstanding during the year except where the results are anti dilutive.

1.15 Inventories

Inventory of construction / raw material are valued at the lower of cost and net realizable value. Cost of inventories is determined on first-in-first out (FIFO) method of inventory valuation.

1.16 Impairment of Assets

The carrying amount of assets other than inventories is reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the assets is estimated. An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount."

1.17 Principles of Consolidation

The Consolidated financial statements have been prepared in accordance with the principles and procedures for the preparation and presentation as laid down in Accounting Standard- 21.

Notes forming part of Consolidated Accounts *(contd.)*

The Consolidated financial statements have been prepared on the following basis:

- a. The consolidated financial statements of the Group have been combined on a line-by-line basis by adding the book values of all items of assets, liabilities, incomes and expenses after eliminating intra-group balances/ transactions and unrealized profit/ loss in full.
- b. The consolidated financial statements are prepared by using uniform accounting policies for similar significant transactions and other events in similar circumstances. The financial statements of the subsidiaries are adjusted for the accounting principles and policies followed by the Group.
- c. The consolidated financial statements are presented, to the extent possible, in the same format as that adopted by the Group for its separate financial statements. Foreign subsidiaries financial statements are prepared in compliance with the local law and applicable accounting standards and are restated as per Indian Generally Accepted Accounting Principles for the purpose of consolidation taking in to account local laws, if any.

Notes to these consolidated financial statements are intended to serve as a means of informative disclosure and guide to better understanding. Recognizing this purpose, the Company has disclosed only such notes from the individual financial statements, which fairly present the needed disclosures.
