CHAIRMAN'S LETTER

Dear Shareholders,

It is my pleasure once again to welcome you all on 19th AGM of Brooks Laboratories Ltd.

When I addressed you last year I was hoping to see you all in person for this AGM, but long trail of second wave and due to precautions to keep the third wave in check we have to settle with online AGM, I hope that coming year would give us opportunity to have large gatherings with vaccination done with majority.

For your Company the year 2020-2021 was not only challenging due to covid 19 restrictions but also amazing how people of your company came together to put best efforts to only to keep the mills rolling but achieved satisfactory results and achieved some wonderful goals.

On corporate front we have signed a term sheet with our existing partner Steriscience for Brooks Steriscience Limited ("BSL"), seeking your approval, where Steriscience would now invest a total of 114.5 crores in our existing JV BSL. Part of these proceeds already resulted in new penem formulations production lines like Ertapenem for regulated markets like USA, & we would be using part of these proceeds to have our own API capabilities for all Penems to have indigenous supply chain to be a world class Penem player in more than \$2 billion Penem market, this shall make BSL a world class player in regulated markets with 49% economic interest of BLL and 51% of Steriscience. This should be a big game changer for your company.

On domestic front with our marketing divisions launched in critical care segment, things are in better growth curve, we have increased our presence to 6 states and doubled our marketing teams which shall reap better yields and giving stronger presence to our range of products in corporate hospitals of India. We are enthusiastic to increase this division by many folds in coming years to reap domestic Pharma growth story and building our own brand names & image.

Your company is also now more focussed with our own marketing in both domestic & exports of injectables to ROW countries from our Baddi Himachal Plant and ready to cater regulated markets like USA and Europe from our Vadodara Plant along with our internationally well acclaimed JV partner in our associate company BSL. BSL have already successfully filed its first ANDA in US market & have filed 30 "Marketing Authorizations" all over Europe.

By virtue of above steps we are hopeful of creating bigger value to our esteemed shareholders in coming years.

Before concluding, I once again wish to convey my sincere thanks to the dedicated employees of your Company, Our visionary JV partner, to our valuable shareholders and to all directors. Without their efforts and commitment, the Company could not have performed and sustained during these challenging conditions.

I wish and pray that this world emerges victorious from the crisis created by the pandemic. I urge each and every one of you to stay safe and take care of your loved ones.

Atul Ranchal
Chairman
Brooks Laboratories Ltd.

MANAGING DIRECTOR'S MESSAGE

Dear Shareholders,

Pharmaceuticals industry has evolved a lot after Covid pandemic. Supply of most of the medicines worldwide including vaccine has placed Indian pharma market many notches up compared to pre Covid era. Indian pharma has been recognized worldwide as reliable & capable of pharma supplies in short notice which can lead to increase in exports from india to most of the countries. Also 2 PLI schemes offered by govt. of India for pharma industry will make it even more competitive worldwide. We foresee new opportunities in different geographies of the globe for FDF & API both.

At Brooks we are moving from B2B towards B2C with our own marketing setup. The Brooks marketing team was rolled out in 2018 & it is continuously growing. We have marketing operations in 6 indian states now which will be expanded further to pan india in next 3 years. Our target is to achieve 50% of our total sales from B2C through our own marketing team in next few years. Our international business has started picking up now. With more approvals from various countries in current year the sales are likely to improve substantially.

The new joint venture with Steriscience has helped Vadodra facility to expand its manufacturing capability with addition of Ertapenem injection facility which is likely to start commercial production by Q3 2021. We have successfully filed our first ANDA for meropenem in US market with support of capable & efficient team of steriscience. New agreement with steriscience for further investment towards setting up of API facility will further strengthen Brooks capability in Carbapenem market.

As we celebrate our 20th year of existence of Brooks Laboratories Limited, I take this opportunity to thanks all our colleagues, creditors, customers & various government agencies & investors.

With Joint ventures in place we expect this financial year to be much better compared to last year. We welcome to interact with you at Annual General Meeting.

Place: Mumbai

NOTICE

Notice is hereby given that the 19th Annual General Meeting of Brooks Laboratories Limited will be held on Wednesday, 29th September 2021 at 9 a.m. through Video Conference/Other Audio-Visual Means, to transact the following business:

ORDINARY BUSINESS:

1. **Adoption of annual audited Standalone and Consolidated financial statements and reports thereon**

To receive, consider and adopt the audited Standalone and Consolidated financial statements of the Company for the financial year ended 31st March 2021 and the Report of directors and Auditors thereon.

2. **Appointment of Director in place of those retiring by rotation**

To reappoint Mr. Atul Ranchal (DIN: 01998361), who retires by rotation, and being eligible, offers himself for reappointment.

SPECIAL BUSINESS:

3. **To ratify the remuneration of the Cost Auditors**

To consider and, if thought fit, to pass the following Resolution as an **Ordinary Resolution:**

"RESOLVED THAT under the provisions of Section 148 and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Audit and Auditors) Rules, 2014, (including any statutory modification(s) or re-enactment thereof), the Company hereby ratifies the remuneration payable to M/s. Balwinder & Associates, Cost Accountants, Mohali (Firm Reg No. 000201), as recommended by the Audit Committee and approved by the Board of Directors of the Company as Cost Auditors to conduct the audit of the cost records of the Company for the financial year ending 31st March 2022, amounting to Rs. 60,000/- plus taxes."

4. **Appointment of Mr. Manpreet Singh Naroo (DIN: 02926574) as a Whole-time Director designated as Technical Director.**

To consider and, if thought fit, to pass the following Resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of sections 152, 160, 196, 197, 203, Schedule V and other applicable provisions of the Companies Act, 2013 read with Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modification or re-enactment thereof for the time being in force) and on the recommendation of Nomination and Remuneration Committee and Board of Directors, consent of the members be and is hereby accorded for the appointment of Manpreet Singh Naroo (DIN:02926574) as a Whole-time Director to be designated as Technical Director for 5 years with effect from 29th September 2021 to 28th September 2026, who shall be liable to retire by rotation and on terms and conditions as agreed between the Board and Mr. Manpreet Singh Naroo."

"RESOLVED FURTHER THAT pursuant to Section 197 and Schedule V of the Companies Act, 2013, the consent of the members be and is hereby accorded for his remuneration up to a maximum of Rs. 3,00,000/- per month for the period from 29th September 2021 to 28th September 2024 on the recommendation of Nomination and Remuneration Committee."

5. **Appointment of Mrs. Kaushalya Singh (DIN: 0009244596) as a Whole-time Director.**

To consider and, if thought fit, to pass the following Resolution as an Ordinary Resolution:

"RESOLVED THAT pursuant to the provisions of sections 152, 160, 196, 197, 203, Schedule V and other applicable provisions of the Companies Act, 2013 read with Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modification or re-enactment thereof for the time being in force) and on the recommendation of Nomination and Remuneration Committee and Board of Directors, consent of the members be and is hereby accorded for the appointment of Mrs. Kaushalya Singh (DIN: 0009244596) as a Whole-time Director for 5 years with effect from 29th September 2021 to 28th September 2026, who shall be liable to retire by rotation and on terms and conditions as agreed between the Board and Mrs. Kaushalya Singh."

"RESOLVED FURTHER THAT pursuant to Section 197 and Schedule V of the Companies Act, 2013, the consent of the members be and is hereby accorded for her remuneration up to a maximum of Rs. 1,50,000/- per month for the period from 29th September 2021 to 28th September 2024 on the recommendation of Nomination and Remuneration Committee."

6. **Approval for Related Party Transactions**

To consider and if thought fit, to pass, with or without modification(s), the following resolution, as an **Ordinary Resolution;**

"RESOLVED THAT pursuant to the provisions of Section 188 and all other applicable provisions, if any, of the Companies Act, 2013 read with the Companies (Meetings of Board and its Powers) Rules, 2014 and pursuant to Regulation 23(4) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations) and the Company's Policy on Related Party Transaction(s) (including any statutory modification(s) or re-enactment(s) thereof for the time being in force) and subject to

such other approvals, consents, permissions and sanctions of any authorities as may be necessary, consent of the members be and is hereby accorded to the Board of Directors of the Company (hereinafter referred to as the “Board” which term shall include any Committee constituted by the Board or any other person(s) authorized by the Board to exercise its powers, including the powers conferred by this resolution) to enter into contract(s)/arrangement(s)/transaction(s) with the related party as detailed in the table forming part of the Explanatory Statement annexed to this notice with respect to the Sale, purchase or supply of goods or materials leasing of property of any kind, availing or rendering of any services, appointment of agent for purchase or sale of goods, materials, services or property or appointment of such parties to any office or place of profit in the Company or any other transactions of whatever nature, at arm’s length basis and in ordinary course of business, notwithstanding that such transactions may exceed 10% of the consolidated turnover of the Company in any financial year or such threshold limit as may be specified by the listing regulations from time to time up to such extent and on such terms and conditions as specified in the table forming part of the explanatory statement annexed to this notice.

“RESOLVED FURTHER THAT the Board be and is hereby authorized to do all such acts, deeds, matters, and things and to delegate all or any of the powers conferred on it by or under this resolution to any Committee of Directors of the Company and to do all acts and take such steps as may be considered necessary or expedient to give effect to the aforesaid resolution”.

7. Approval for reduction of stake in Brooks Steriscience Limited, a Wholly-Owned Subsidiary of the Company

To consider and if thought fit, to pass, with or without modification(s), the following resolution, as a **Special Resolution**:

“RESOLVED THAT pursuant to the provisions of Regulation 24 and other applicable regulations of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 “SEBI (LODR) Regulations” and the applicable provisions of the Companies Act, 2013 read with the Rules made thereunder, (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force) and other applicable notifications, clarifications, circulars, rules and regulations issued by the Government of India or any other governmental or statutory authorities and subject to such other requisite approvals, consents, permissions and sanctions as may be required and the Memorandum and Articles of Association of the Company, consent of the members of the Company be and is hereby accorded to the Board of Directors (‘the Board’, which term shall be deemed to mean and include any Committee constituted by the Board) of the Company, to effect the reduction of its shareholding to less than or equal to 50% held in Brooks Steriscience Limited, a Wholly-Owned Material Subsidiary of the Company, on such terms and conditions and in such manner as the Board of Directors of the Company at its absolute discretion may determine”.

“RESOLVED FURTHER THAT the Board be and is hereby authorised to finalize, settle and execute the required transactional documents concerning the said reduction of its shareholding to less than or equal to 50% including but not limited to agreements, arrangements (including with respect to indemnities, guarantees, etc.), undertakings, letters, and any other documents as may be required from time to time and to do and perform all such acts, deeds, matters and things, as may be required or deemed necessary and in the best interest of the Company to give effect to the resolution for completion of the divestment, without being required to seek any further consent or approval of the shareholders of the Company, and to delegate all or any of the powers or authorities herein conferred or to engage any Committee of the Board, employee or officer of the Company, advisor, consultant, agent or intermediary, as may be deemed necessary.”

NOTES:

1. An Explanatory Statement according to Section 102(1) of the Companies Act, 2013, in respect of the items of Special Business given in this Notice, is annexed hereto.
2. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote.
3. The Register of Members and Share Transfer Books will remain closed from Thursday, September 23, 2021, to Wednesday, September 29, 2021 (both days inclusive).
4. Members who have not registered their e-mail addresses so far are requested to register the same with their respective Depository Participants, in case of shares held in dematerialised form and with the Registrar and Share Transfer Agent in case of shares held in physical form so that all communication including Annual Report, Notices, Circulars, etc. can be sent to them electronically.
5. SEBI has mandated submission of Permanent Account Number (PAN) by every member of the Company. Members holding shares in dematerialised form are requested to submit their PAN to their respective Depository Participants. Members holding shares in physical form can submit their PAN to the Registrar and Share Transfer Agent.
6. For any assistance or information about shares, dividends, etc. Members may contact the Registrar and Share Transfer Agents viz. Link Intime India Private Limited, C-101, 247 Park, L.B.S. Marg, Vikhroli (W), Mumbai- 400083 (Tel: 022-49186000; Fax: 022-49186060; Email: rnt.helpdesk@linkintime.co.in; Website: www.linkintime.co.in)
7. All documents referred to in the Notice and accompanying Statements are open for inspection at the Registered Office of the Company on all working days of the Company between 10 a.m. and 12 noon up to the date of the Meeting.
8. In case of any queries regarding the Annual Report, the Members may write to investors@brookslabs.net to receive an email response.

CDSL e-Voting System – For Remote e-voting and e-voting during AGM/EGM

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No. 17/2020 dated April 13, 2020 and Circular No. 20/2020 dated May 05, 2020. The forthcoming AGM/EGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM/EGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM/EGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the EGM/AGM will be provided by CDSL.
3. The Members can join the EGM/AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the EGM/AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM/EGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM/EGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM/EGM has been uploaded on the website of the Company at www.brookslabs.net. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM/EGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM/EGM) i.e. www.evotingindia.com.

7. The AGM/EGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020.
8. In continuation of this Ministry's **General Circular No. 20/2020**, dated 05th May, 2020 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2020, or become due in the year 2021, to conduct their AGMs on or before 31.12.2021, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 20/2020 as per MCA circular no. 02/2021 dated January 13, 2021.

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM/EGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins on <Date and Time> and ends on <Date and Time>. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of <Record Date> may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to abovesaid SEBI Circular, Login method for e-Voting and joining virtual meetings **for Individual shareholders holding securities in Demat mode** is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL	<p>Users of who have opted for CDSL's Easi / Easiest facility can log in through their existing user id and password. The URLs for users to log in to Easi / Easiest are https://web.cdslindia.com/myeasi/home/login or www.cdslindia.com and click on Login icon and select New System Myeasi.</p> <p>After successful login thesis / Easiest user will be able to see the e-Voting Menu. On the clicking the e-voting menu, the user will be able to see his/her holdings along with links of the respective e-Voting service provider i.e. CDSL/NSDL/ KARVY/ LINK INTIME as per information provided by Issuer / Company. Additionally, we are providing links to e-Voting Service Providers, so that the user can visit the e-Voting service providers' site directly.</p> <p>If the user is not registered for Easi/Easiest, an option to register is available at https://web.cdslindia.com/myeasi./Registration/EasiRegistration</p> <p>Alternatively, the user can directly access the e-Voting page by providing Demat Account Number and PAN No. from a link on the www.cdslindia.com home page. The system will authenticate the user by sending OTP on registered Mobile & Email as recorded in the Demat Account. After successful authentication, the user will be provided links for the respective ESP where the e-Voting is in progress during or before the AGM.</p>

Individual Shareholders holding securities in Demat mode with NSDL	<p>If you are already registered for the NSDL IDeAS facility, please visit the e-Services website of NSDL. Open web browser by typing the following URL: https://eservices.nsdl.com either on a Personal Computer or mobile. Once the home page of e-Services is launched, click on the “Beneficial Owner” icon under “Login” which is available under the ‘IDeAS’ section. A new screen will open. You will have to enter your User ID and Password. After successful authentication, you will be able to see e-Voting services. Click on “Access to e-Voting” under e-Voting services and you will be able to see e-Voting page. Click on company name or e-Voting service provider name and you will be re-directed to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.</p> <p>If the user is not registered for IDeAS e-Services, option to register is available at https://eservices.nsdl.com. Select “Register Online for IDeAS “Portal or click at https://eservices.nsdl.com/SecureWeb/IdeasDirectReg.jsp</p> <p>Visit the e-Voting website of NSDL. Open web browser by typing the following URL: https://www.evoting.nsdl.com/ either on a Personal Computer or mobile. Once the home page of the e-Voting system is launched, click on the icon “Login” which is available under the ‘Shareholder/Member’ section. A new screen will open. You will have to enter your User ID (i.e. your sixteen-digit Demat account number held with NSDL), Password/OTP, and a Verification Code as shown on the screen. After successful authentication, you will be redirected to the NSDL Depository site wherein you can see the e-Voting page. Click on company name or e-Voting service provider name and you will be redirected to the e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting</p>
Individual Shareholders (holding securities in Demat mode) login through their Depository Participants	<p>You can also log in using the login credentials of your Demat account through your Depository Participant registered with NSDL/CDSL for the e-Voting facility. After successful login, you will be able to see the e-Voting option. Once you click on the e-Voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see the e-Voting feature. Click on the company name or e-Voting service provider name and you will be redirected to the e-Voting service provider’s website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.</p>

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at the above mentioned website.

Helpdesk for Individual Shareholders holding securities in Demat mode for any technical issues related to login through Depository i.e. CDSL and NSDL

Login type	Helpdesk details
Individual Shareholders holding securities in Demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022-23058738 and 22-23058542-43.
Individual Shareholders holding securities in Demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30

(v) Login method for e-Voting and joining virtual meeting for **shareholders other than individual shareholders & physical shareholders.**

1. The shareholders should log on to the e-voting website www.evotingindia.com.
2. Click on the “Shareholders” module.
3. Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
4. Next enter the Image Verification as displayed and Click on Login.

5. If you are holding shares in Demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
6. If you are a first-time user follow the steps given below:

	For Shareholders holding shares in Demat Form other than individual and Physical Form
PAN	Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both Demat shareholders as well as physical shareholders) <ul style="list-style-type: none"> Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your Demat account or the company records to login. <ul style="list-style-type: none"> If both the details are not recorded with the depository or company, please enter the member id/folio number in the Dividend Bank details field as mentioned in instruction (v).

- (vi) After entering these details appropriately, click on the “SUBMIT” tab.
- (vii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (viii) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

A statement under Section 102(1) of the Companies Act, 2013 ('Act')**Resolution No.3**

As per Notification dated 31st December 2014 issued by the Ministry of Corporate Affairs, the Companies (Cost Records and Audit) Rules, 2014, provisions relating to the auditing of cost accounting records apply to the Company with effect from the date of the above Notification. Accordingly, the audit of cost accounting records of the Company is mandatory from the financial year 2014-15.

At the recommendation of the Audit Committee, the Board of Directors has approved the appointment of M/s Balwinder & Associates, Cost Accountants, as the Cost Auditors to conduct the audit of the cost records of the Company for the financial year 2021-22 at a remuneration of Rs.60,000/- plus taxes per financial year.

Section 148 (3) of the Companies Act, 2013 read with Rule 14 of the Companies (Audit and Auditor) Rules, 2014, requires the remuneration payable to the Cost Auditors to be ratified by the Members of the Company. Accordingly, the approval of the Members is sought for passing an Ordinary Resolution for ratification of the remuneration to the Cost Auditor payable for the financial year 2021-22.

The Board accordingly recommends the resolutions for the approval of the shareholders by way of an Ordinary resolution.

The Directors recommend the Resolutions for the approval of Members.

Resolution No. 4

Mr. Manpreet Singh Naroo was appointed as an Additional Director by the Board of Directors with effect from 3rd September 2021 pursuant to Section 161 of the Companies Act, 2013. The Company has received from Mr. Manpreet Singh Naroo(DIN:02926574) (i) consent in writing to act as Whole-time Director in Form DIR- 2 pursuant to Rule 8 of Companies (Appointment & Qualification of Directors) Rules, 2014, (ii) intimation in Form DIR-8 in terms of Companies (Appointment & Qualification of Directors) Rules, 2014, to the effect that he is not disqualified under subsection (2) of Section 164 of the Companies Act, 2013.

Mr. Manpreet Singh Naroo aged 50 years, is a Post-Graduate in Chemistry and MBA in Production and Operations. He has vast experience of 28 years in the Pharmaceutical Industry at various levels. His areas of expertise are in the Production of Pharmaceutical Products. His association brings years of professional experience to facilitate operations and maximize the productivity and growth of the Organisation.

The matter regarding the appointment of Mr. Manpreet Singh Naroo as a Whole-time Director to be designated as Technical Director was placed before the Nomination and Remuneration Committee and it has recommended his appointment. The Board of Directors approved the appointment of Mr. Manpreet Singh Naroo as a Whole-time Director to be designated as Technical Director of the Company for a term of up to 5 years from 29th September 2021 to 28th September, 2026 and further approve his remuneration up to a maximum of Rs. 3,00,000/- per month for the period from 29th September 2021 to 28th September 2024 on the recommendation of the Nomination and Remuneration Committee and subject to the approval of members at the ensuing Annual General Meeting of the Company. A statement pursuant to clause (iv) of 2nd proviso of Section II of Part II of Schedule V to the Companies Act, 2013 is given in Annexure 1 in this Notice.

None of the Directors, Key Managerial Personnel of the Company and their relatives, are in any way concerned or interested, except Mr. Manpreet Singh Naroo, in Resolution 4.

The brief profile of Mr. Manpreet Singh Naroo and the detail of shareholding as per requirements of the Companies Act, 2013, the rules made thereunder, and Secretarial Standard (SS-2) is mentioned in Annexure 2.

Resolution No. 5

Mrs. Kaushalya Singh was appointed as an Additional Director by the Board of Directors with effect from 3rd September 2021 pursuant to Section 161 of the Companies Act, 2013. The Company has received from Mrs. Kaushalya Singh (DIN:0009244596) (i) consent in writing to act as Whole-time Director in Form DIR- 2 pursuant to Rule 8 of Companies (Appointment & Qualification of Directors) Rules, 2014, (ii) intimation in Form DIR-8 in terms of Companies (Appointment & Qualification of Directors) Rules, 2014, to the effect that she is not disqualified under subsection (2) of Section 164 of the Companies Act, 2013.

Mrs. Kaushalya Singh aged 55 years, is a Commerce Graduate. She has vast experience of 21 years in the Purchase and Administration of the Pharmaceutical Industry. Her association brings years of professional experience to facilitate operations and maximize the productivity and growth of the Organisation.

The matter regarding the appointment of Mrs. Kaushalya Singh as a Whole-time Director was placed before the Nomination and Remuneration Committee and it has recommended her appointment. The Board of Directors approved the appointment of Mrs. Kaushalya Singh as a Whole-time Director of the Company for a term up to 5 years from 29th September 2021 to 28th September, 2026 and further approve her remuneration up to a maximum of Rs. 1,50,000/- per month for the period from 29th September 2021 to 28th September 2024 on the recommendation of the Nomination and Remuneration Committee and subject to the approval of members at the ensuing Annual General Meeting of the Company. A statement pursuant to clause (iv) of 2nd proviso of Section II of Part II of Schedule V to the Companies Act, 2013 is given in Annexure 1 in this Notice.

None of the Directors, Key Managerial Personnel of the Company and their relatives, are in any way concerned or interested, except Mrs. Kaushalya Singh, in Resolution 5.

The brief profile of Mrs. Kaushalya Singh and the detail of shareholding as per requirements of the Companies Act, 2013, the rules made thereunder and Secretarial Standard (SS-2) is mentioned in Annexure 2.

Resolution No. 6

Section 188 of the Companies Act, 2013 ('the Act') read with Rule 15 of the Companies (Meetings of the Board and its Powers) Rules, 2015 ('the Rules') states that no Company shall enter into material related party transactions except with the consent of the members of the Company, where such transactions are either not (a) in the ordinary course of business or (b) on an arm's length basis.

Regulation 23(4) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") states that all material-related party transactions shall require approval of the shareholders through resolution.

The shareholders' approval is sought to the related party/material related party transactions entered / to be entered into with the below-mentioned parties. The Company has obtained prior approval of the Audit Committee to the said transactions as required under Regulation 23(2) of the Listing Regulations.

All related party transactions are/shall be at arm's length basis and in the ordinary course of business of the Company and therefore the provisions of the Act and the Rules made thereunder are not attracted.

However, Regulation 23(4) of the Listing Regulations states that all material related party transactions shall require approval of the shareholders through resolution and related parties shall abstain from voting on such resolution. Member's approval is therefore sought under relevant provisions of the Act, applicable, if any, and the Listing Regulations.

Information relating to transactions are as under –

Name of the Related Party	Name of Director/KMP interested	Nature of Relationship	Nature, Duration of the Contract and Particulars of the Contract or Arrangement	The estimated amount of transactions during the financial years 2021-22 and 2022-23
Brooks Steriscience Limited (BSL)	Mr. Atul Ranchal, Chairman, and Mr. Rajesh Mahajan, Managing Directors are Director	Wholly Owned Subsidiary Company	Purchase/Sale of Goods, Providing and availing job work services, Cross Charges for shared services, Commission in respect of goods purchased/sold and services availed/ provided	Up to Rs. 70 Crores
SteriBrooks Penems Private Limited	Mr. Atul Ranchal, Chairman is Director	Associate/ Joint Venture Company	Purchase/Sale of Goods	Up to Rs. 70 Crores
Steriscience Specialties Private Limited	None	Joint Venturer Company	Purchase/Sale of Goods	Up to Rs. 70 Crores

Material Terms of the Contract- The proposed contracts/ arrangements/ transactions related to sale /purchase of goods/services or any other transaction(s), which shall be governed by the Company's Related Party Transaction Policy and shall be approved by the Audit Committee within the overall limits approved by the members. Some of the arrangements could be in the form of Purchase Orders/ Service Orders based on negotiations whose terms and conditions shall satisfy arm's length criteria.

Material terms of the transactions with Related Parties include the following: 1) All the transactions were continuingly in the ordinary course of business and were undertaken on an arm's length basis and in the ordinary course of business. 2) The transactions were based on Purchase / Service Orders issued from time to time.

Whether all factors relevant to the contract have been considered, if not, the details of factors not considered with the rationale for not considering those factors: All factors relevant to the contract have been considered.

Any other information relevant or important for the Members to decide on the proposed resolution: None

In view of compliance with Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, approval of members for the above Related Party Transactions is being sought by way of an Ordinary Resolution. The proposal outlined above will contribute to continuous growth in sales & profits of your Company and is in the interest of the Company. Hence, the Audit Committee / Board recommends the resolution set out in the Item as an Ordinary resolution. None of the Related Parties shall vote in the resolution. None of the Director, key managerial personnel, and their relatives, are concerned or interested in the said resolution except to the extent of their directorship and shareholding in the Company.

Resolution No. 7

Pursuant to the joint venture agreement executed on July 22, 2020 between Steriscience Private Limited (vide Novation agreement dated October 16, 2020 Steriscience Private Limited assigned its duties, rights and responsibilities to Steriscience Specialties Private Limited) and Brooks Laboratories Limited (JV Partners), Brooks Steriscience Limited (BSL) was incorporated whereby Brooks Laboratories Limited was to held 73.33% stake and Steriscience Specialties Private Limited (SSPL) to held 26.67% stake. The Ertapenem manufacturing line was commissioned with this Investment.

Further to strengthen the manufacturing capability it was decided by JV partners to invest further Rs. 74.5 crores by infusion of Equity by Steriscience Specialties Private Limited. This will change the shareholding ratio to 51% of Steriscience Specialties Private Limited and 49% of Brooks Laboratories Limited.

The new investment of Rs. 74.5 crores will be deployed to set up an API facility for Carbapenems. This will strengthen BSL's position as it will have API as well as FDF in-house. Besides this, BSL will also set up front-end capabilities to market carbapenem products globally, including the US, Europe, Canada, Australia, and India.

Globally, Carbapenems are a \$2 billion-plus opportunity with limited players having dedicated capabilities to manufacture these products for the regulated markets. These fresh investments will bolster our global positioning and fast-track our ability to penetrate new markets with a significant competitive advantage driven by manufacturing, quality, and supply assurance."

We are looking forward to strong impulses from this partnership. This partnership will result in US FDA certification of the facility, Global market reach, Building capabilities in R&D, Backward integration, and Introduction of a new product range. This will have a multifold impact on enterprise value.

However, Regulations 24(5) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 require prior approval of the shareholders by way of special resolution for fresh equity infusion by JV partner SSPL in its material subsidiary resulting in the reduction of its shareholding to less than/equal to fifty percent or cease the exercise of control over its material subsidiary.

Now, the Company requires prior approval of the shareholders by way of special resolution for reduction of shares below 50% in the subsidiary Company Brooks Steriscience Limited.

The Board of Directors recommends the passing of this resolution as mentioned in Item No. 7 as Special Resolution being in the greater interest of all stakeholders including shareholders, employees, and its creditors. It will amount to protect the interest of the stakeholders.

Except to the extent of their shareholding interest, if any, none of the Directors / Key Managerial Personnel of the Company / their relatives are in any way concerned or interested, financially or otherwise in this Special Resolution.

Place: Mumbai
September, 3, 2021

By order of the Board of Directors

Revenues:

On Standalone basis, the turnover of the company for the year ended March 31, 2021 stood at Rs. 7724.69 lakhs as against Rs. 6968.85 lakhs for the previous year ended March 31, 2020; there was 10.85% increase over the previous year. Increase in revenue at both the facilities was result of growth in international business.

Cost of material:

There has been marginal decrease in the cost of materials as a percentage to Net sales, from 71.05% of sales in FY 2019-2020 to 60.28% of sales for this year. This decrease is due to better realizations in international business.

Employment Cost:

There is an increase in the employment cost by Rs. 98.42 lakhs, a 7.35% rise as compared to the previous year ended March 31, 2020. The increase is due to annual increments & also due to increase in manpower in marketing.

Finance Cost:

There was marginal decrease in the Finance expense of Rs. 309.41 lakhs in FY 2020-21 versus finance cost of Rs. 335.03 lakhs in FY 2019-20.

Depreciation:

There is increase in depreciation due to addition of Fixed Assets. (Rs. 709.29 in 2020-21 and Rs. 664.76 in 2019-20).

Tax:

There is no Tax liability for the financial year 2020-21. During the year company has opted for Vivad se vishwas scheme (VSVS) for the demand amount outstanding of AY 2012-13. The liability amounting to Rs.900.67 lakhs has arisen against which company had already recognised Rs.185.45 lakhs in the respective year, remaining amount of Rs. 715.23 lakhs has been recognised as tax for earlier years.

Industry Structure and Developments

Pharma Industry majorly depends on the regulatory approvals. We are in process of getting the approvals from many foreign countries and we are expecting to secure more international approvals in coming year and by the Investment of JV partner Steriscience

Specialties Private Limited (vide Novation agreement dated October 16, 2020 Steriscience Private Limited assigned its duties, rights and responsibilities to Steriscience Specialties Private Limited) 'SSPL' which will be deployed to set up new project of Ertapenem and API facility for Carbapenems, we expect to have multifold increase in sales in Vadodara facility

Opportunities-

Joint Venture Agreement:

The Company looks for opportunities in order to expand its product line either through complimentary or strategic acquisitions of other companies, asset acquisition, licensing agreements or any other arrangement. The Company entered into a joint venture agreement with a strategic partner who have understanding and international reach and strong track record and presence in many regulated countries. This is a significant step to aggregate mutual synergies and would speedup up the Company's footprints in international markets like Europe and America, together with a more accomplished and experienced partner. This will transform the company's credibility in those territories and open up more business opportunities. It shall also enhance the manufacturing capabilities of the company with more innovative products, as a result of fresh investments and richer experience coming in from our Joint Venture partner.

Segment wise and product wise performance

Our sales are primarily from two segments i.e. Domestic and International. Currently, we are focusing on International Market as it is growing faster than Domestic market.

Outlook

Outlook for Domestic Market

As per IQVIA report, the India pharmaceutical market is expected to be one of the fastest growing pharmaceutical markets in the world with underlying growth drivers like rising incidences of lifestyle diseases, higher disposable income, improved access to healthcare facilities and increasing penetration of medical insurance. The Government is also increasing its investments towards the healthcare sector with initiatives like Ayushman Bharat-Pradhan Mantri Jan Aarogya Yojana and Jan Aushadi Kendras, which is improving the affordability and accessibility of quality medical treatment amongst the economically weaker sections of the society. While these drivers will ensure good visibility of growth for the Indian pharmaceutical industry over the medium to long-term horizon, there could be some near-term impact on the Indian pharmaceutical industry due to COVID-19. Due to extended lockdowns in a large part of the country and because of the fear of getting infected, lots of elective surgeries are getting deferred. Many of the hospitals have shut their OPDs and doctors have stopped going to their clinics. This has impacted the generation of new prescriptions which is an important growth driver for the pharma industry. With the gradual relaxation in lockdown rules, activity levels are expected to pick up in hospitals and clinics, which should help the pharma industry to gather momentum. The Company remains positive over the medium to long-term and expects to deliver healthy growth in the Indian Pharmaceutical Market.

Outlook for International Markets

The Company thrives to grow at a similar pace in the international markets. The Company continued to focus on increasing its operational efficiencies and optimising costs to mitigate the risks arising out of tightening rules by the local governments, evolving regulatory environment and volatility in the currency exchange rates. To augment the growth in these markets, the Company is focussing on With more international approvals in coming year to have multifold increase in sales.

Discussion of Financial performance with respect to Operational Performance

The company operated the Baddi plant at almost full capacity, though the production in units was more but realization per unit went down due to stiff competition resulting in lower sales in value terms. Also we have gone selective in government tenders due to delayed payment of various government agencies thus reducing our sales realization. Sales at Vadodara facility have started picking up but at low pace due to delays in approvals from regulatory agencies of different countries. With more international approvals in coming year and by the Investment of JV partner Steriscience Specialties Private Limited (vide Novation agreement dated October 16, 2020 Steriscience Private Limited assigned its duties, rights and responsibilities to Steriscience Specialties Private Limited) 'SSPL' which will be deployed to set up new project of Ertapenem and API facility for Carbapenems, we expect to have multifold increase in sales in Vadodara facility.

Internal Control System and their adequacy

Brooks believes that internal control is a prerequisite for governance and that business plans should be exercised within a framework of checks and balances. The Company has a well-established internal control framework, which is designed to continuously assess the adequacy, effectiveness and efficiency of financial and operational controls. The management is committed to ensuring an effective internal control environment, commensurate with the size and complexity of the business, which provides an assurance on compliance with internal policies, applicable laws, regulations and protection of resources and assets.

Human Resources Policy**Mission Statement**

HR supports and upholds Brooks' goals by nurturing a Positive and Engaging work environment while identifying and responding to the changing needs of the Organization and our Society.

Vision Statement

Brooks Human Resources department will serve as a Guardian for Excellence and Leadership through:

- Improving Organizational Effectiveness
- Innovative HR solutions
- Attract, Retain and Develop the talent
- Extraordinary Quality of services
- Building collaborative partnerships (HR as Business Partner)
- Develop a Robust Employee engagement plan for the staff & wage workforce through multiple engagement initiatives across the year.

Core values of HR Department**✓ Focused Approach**

We advance Brooks mission by thinking and acting in the best interests of the organization and the workforce; in particular, when developing policies, processes, programs and delivering services.

✓ Innovative

HR at Brooks would be dedicated to Quality, Excellence and Continuous improvement. We work to ensure the Brooks remains competitive in its Human Resources policies and practices by actively seeking and developing best practices, methods and approaches.

✓ Being Professional

We adhere to high professional standards of quality, competency and conduct. We act with honesty and integrity. We anticipate and are proactive, collegial and collaborative in our work. We remain current in professional practice.

✓ Accountable

We are accessible and answer to stakeholders for results in accordance with policies, standards, commitments and principles. We document, measure and report performance and evaluate program effectiveness.

✓ Transparent

We balance requests to share information clearly and openly while respecting the security of confidential and personal information entrusted to the department.

✓ Employees

We have 389 peoples employed on the rolls of the Company.

Risk management

For its operations the Directors believe that, the company has laid down internal financial controls to be followed by the company; and that such internal financial controls are adequate and were operating effectively for Risk Management.

Risk & Concerns:

Risk is a potential event or non-event, the occurrence or non-occurrence of which can adversely affect the objectives of the Company. Impact of risks could either be monetary that is impact on business profits due to increase in costs, decreasing revenue amongst others or non-monetary which is delay in securing regulatory approvals, reputational damage etc. The Company is susceptible to risks arising out of our business strategy, succession planning and decision on innovation or product portfolio. If there is any significant unfavorable shift in industry trend or pattern of demand, our returns on investments might get affected. We have risks associated with clients' and prospective clients' dispositions.

Any delays due to changes in regulatory requirement, clearances or executional failures could materially affect the timing and implementation of our strategy. Further, due to higher profitability in the injectables space and price pressure in the orals because of the competition, we have seen more Companies are eyeing injectables segment as an area to grow, thus increasing some competition from India in various markets like USA. Emerging countries' currencies have become significantly devalued making our products expensive or reduced margins in the emerging countries market.

Regulators across the globe strictly monitor the pharmaceuticals manufacturing facilities. Governing laws across the globe are becoming increasingly stringent over time, with severe penalties or actions in the event of non-compliance or violations to regulatory standards. In the scenario where we or any of our suppliers fail to comply with such regulations, there could be a regulator-enforced shutdown of concerned production facilities, withdrawal of drug approvals previously granted, failure or delay in obtaining approvals for new products, prohibition on the sale or import of noncomplying products etc. Such impact would significantly affect the delivery of our objectives. Given the evolving nature and regulatory complexities relating to Injectables production, there is a continuous challenge in meeting the regulatory requirements. This might also lead to additional requirements from the regulators before granting commercialization approval. The additional requirements would not only increase our financial commitments but also shift the launch timelines, thereby impacting Company strategy.

In addition to the above, other key risks relating to our current operations include human capital risk such as loss of key personnel, timely replenishment of critical vacant roles, reliance on third party sole suppliers or service providers including reliance on regional suppliers, disruption of operations from natural disasters, risk arising out of strategic projects, foreign exchange fluctuations, changing landscape of statutory regime etc.

At **BROOKS**, Risk Management is a key strategic focus for the Members of Board. All key functions of the Company are independently responsible to monitor risks associated with in their respective areas of operations such as production, supply chain, marketing, finance, accounting, treasury, legal, human resource and others areas like health, safety and environment.

Brooks Lab Operations:

Manufacturing:

The upgradation of injectables was carried out at the Baddi facility to focus on high profit international markets. All facilities and production lines are upgraded regularly to meet current cGMP, Safety, Health and Environmental Standards. Various initiatives are taken towards energy and water conservation. The Company's journey towards achieving operational excellence across functions was driven through its efforts through automation of operations & upgrading the facility to qualify for higher regulatory approvals. The Vadodara facility which has been transferred to Brooks Steriscience Limited on slump exchange basis in which Brooks Laboratories Limited will hold 49% stake is also operational in full capacity. The other two projects of Ertapenem and API facility for Carbapenems are also to be set up in the Vadodara factory, which will strengthen the position of the Company globally.

Environment, Health & Safety (EHS)

Brooks is committed to comply to high standards of environment, health and safety performance and is an integral to its working. Brooks ensures that each employee strives to achieve EHS excellence.

Quality

Brooks assures a culture of compliance and follows systematic interventions to consistently meet and exceed quality standards. Brooks is committed to enhance its quality management systems to meet and exceed the current expectations of regulatory authorities such as CDSCO, US FDA, EU GMP, TGA, MCC, WHO, etc. Its state-of-the-art manufacturing facilities at Vadodara is cGMP & EU GMP compliant and Baddi is cGMP compliant in conformity with national and international standards. Brooks looks forward for implementation of robust and effective quality management systems for continuously monitoring through quality metrics and internal audits.

THREATS, RISKS AND CONCERNS for Brooks Operations:

Drug Price Control:

The Health Ministry keeps on revising the list of Drugs under price control. It is likely that the Government may bring more drugs and formulations under price control or change the mechanism of calculating the ceiling price of the drugs, which are under the ambit of the revised policy, which in turn will affect the net margins of the Company.

Generics:

The Government of India is continuously bringing in policies to shift the market towards generic products. The implementation of this process requires action by all stakeholders. This may have impact on future business strategies of the Company.

Manufacturing & Supplying Risk:

Although a major portion of the Company's finished formulations and injectables are being manufactured at in-house facilities, the Company also depends on its suppliers for sourcing of its raw materials. Any significant disruption at in-house facilities or any of its suppliers locations due to economic, political & social factors or any other event may impair the Company's ability to meet the markets demand on a timely basis. In addition, the Company's manufacturing capabilities could be impacted by quality deficiencies in the products, which its suppliers provide, leading to impact on its financial performance.

New capital investments:

The Company has earmarked all capital investments in financial year 2020-21 towards marketing of our products in domestic & international market. Company has started with own marketing team in Maharashtra, Gujarat, Rajasthan, Uttar Pradesh, chhattisgarh and Orissa and to be followed in other states in phased manner.

Company is in process of registration of its products in various countries by filing Dossiers in regulated markets and semi regulated markets to capture sales in these markets, these are procedural steps which have to be followed and these steps take its own time, but processes are being followed actively.

Currency fluctuation risks:

Foreign currency risks arise out of overseas operations and financing activities. Exchange rate volatility significantly impacts earnings and net equity because of invoicing in foreign currencies, expenditure in foreign currencies, foreign currency borrowings and translation of financial statements of overseas subsidiaries into Indian rupees. The Company has a defined foreign exchange risk management framework to manage these risks excluding translation risks.

International Taxation:

As the Company has potential tax exposure resulting from application of varying laws and interpretations, which include intercompany transactions with related parties in relation to various aspects of business. Although the Company believes its cross border transactions between affiliates are based on internationally accepted practices, tax authorities in various jurisdictions may have different views or interpretations and subsequently challenge the amount of profits taxed in their jurisdiction resulting into increase in tax liability including interest and penalties causing the tax expenses to increase.

CORPORATE GOVERNANCE REPORT

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

The company's Corporate Governance system is based on certain key principles, including fairness and integrity, transparency and disclosure, accountability, equal treatment of all shareholders, and social responsibility. Corporate Governance extends beyond corporate laws. Its fundamental objective is not the mere fulfillment of the requirements of the law, but also the institution of, and adherence to, systems and procedures ensuring commitment of the Board in transparently managing a company for the maximization of long-term shareholder value.

Your Company is committed to adopting the best practices of Corporate Governance. The company has adopted an appropriate Corporate Governance framework to ensure timely and accurate disclosure of all material matters, including financial position, performance, ownership, and governance. Its endeavor has always been to maximize the long-term value to the shareholders of the Company.

2. BOARD OF DIRECTORS

• Composition of Board, Category of Directors, and their other Directorships/Committee positions.

The Board is represented by senior and eminent professionals. The Board consists of seven Directors, of whom Four are Executive and three are Non-Executive Independent Directors including one Woman Director. Thus, the composition of the Board complies with the statutory requirements in this regard. The Chairman and the Executive Directors are liable to retire by rotation. The Day-to-day management of the Company, under the superintendence and control of the Board, is vested with the Managing Director, who is supported by a competent Management Team. Thus, the Company is committed to good corporate governance, based on an effective independent Board, the separation of supervisory role from executive management, and the constitution of committees to oversee critical areas.

There is no relationship between the Directors inter se.

The composition of Board, as on date, and the Directorship/Committee positions of the Directors in other companies are as follows:

Managing Director
(DIN: 02000634)Place: Mumbai
Date: 03.09.2021**AUDITOR'S CERTIFICATE ON COMPLIANCE WITH THE CONDITIONS OF CORPORATE GOVERNANCE UNDER REGULATION 34 OF LISTING REGULATIONS**

To,

The Members
Brooks Laboratories Limited

We have examined the compliance of Corporate Governance by Brooks Laboratories Limited for the year ended 31st March 2021, as stipulated in the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 of the said Company with Stock Exchange. The compliance of conditions of the Corporate Governance is the responsibility of the Management. Our examination has been limited to the review of the procedures and implementations thereof adopted by the Company for ensuring compliance with the conditions of the certificate of Corporate Governance as stipulated in the said clause. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and the representations made by the Directors and the management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

As required by the guidance note issued by the Institute of Chartered Accountants of India, we have to state that no investor complaint is pending for a period exceeding one month as of 31st March 2021 against the Company, as per records maintained by the Investor Grievance Committee of the Company.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

MD/CFO CERTIFICATION**(As required under Regulation 17(8) of the Listing Regulations)**

To,

The Board of Directors
Brooks Laboratories Limited

We, Rajesh Mahajan, Managing Director and Prashant Rathi, Chief Financial Officer of the Brooks Laboratories Limited ("the Company"), hereby certify that:

- (a) We have reviewed financial statements and the cash flow statement for the year ended 31st March, 2021 and based on our knowledge and belief, state that:
- (i) these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - (ii) these statements together present a true and fair view of the Company's affairs and are in compliance with the existing accounting standards, applicable laws and regulations.
- (b) There are, to the best of our knowledge and belief, no transactions entered into by the Company during the year which are fraudulent, illegal or violative of the Company's Code of Conduct.
- (c) We accept responsibility for establishing and maintaining internal controls for financial reporting and for evaluating the effectiveness of internal control systems of the Company pertaining to financial reporting and have disclosed to the auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- (d) We have indicated to the Auditors and the Audit Committee that:
- (i) there has been no significant changes in internal control over financial reporting during the year under reference;
 - (ii) there has not been any significant changes in accounting policies during the year which need to be disclosed in the notes to the financial statements; and
 - (iii) we are not aware of any material instances of significant fraud during the year and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over financial reporting.

VII. Penalties/Punishment/ Compounding of Offences

There were no penalties, punishment or compounding of offence for breach of any provisions of the Companies Act, 2013 by the Company during the year under review.

INDEPENDENT AUDITOR'S REPORT

To the Members of Brooks Laboratories Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone financial statements of **Brooks Laboratories Limited** ("the Company"), which comprise the balance sheet as at 31st March 2021, and the statement of Profit and Loss (Including Other Comprehensive Income), statement of cash flows and statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Statements ("Ind AS"), of the state of affairs of the Company as at March 31, 2021, and loss (Financial performance including other comprehensive income), its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

1. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.
2. We have determined that there are no key audit matters to be communicated in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis Board's Report and Report on Corporate governance but does not include the consolidated financial statement, standalone financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Ind AS and accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

1. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
2. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also :
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
3. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
4. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
5. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The standalone financial statements dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS as specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 37 to the standalone financial statements;
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
3. In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

Annexure “A” to Independent Auditor’s Report

Annexure “A” referred to in Paragraph 1 of “Report on Other Legal and Regulatory Requirements” of our Report of even date on the accounts of Brooks Laboratories Limited for the year ended 31st March 2021.

As required by the Companies (Auditors Report) Order, 2016 and according to the information and explanations given to us during the course of the audit and on the basis of such checks of the books and records as were considered appropriate we report that:

- (i) a) The company has maintained proper records showing full particulars including quantitative details and situation of its fixed assets.
- b) As explained to us, the fixed assets have been physically verified by the management in accordance with a phased programme of verification, which in our opinion is reasonable, considering the size of the company and the nature of its assets. In accordance with this program certain fixed assets were verified during the year. The frequency of verification is reasonable and no discrepancies have been noticed on such physical verification.
- c) According to the information and explanations given to us and on the basis of our examination of records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) The inventories have been physically verified by the management during the year at reasonable intervals. Discrepancies noticed on physical verification of inventories as compared to book records were not material and have been properly dealt with in the books of accounts.
- (iii) a) During the year the Company has not granted any Loan, secured or unsecured, to any party covered in the registered maintained under section 189 of the Companies Act, 2013.
- b) In view of our comments in para (iii) (a) above, clauses 3 (iii) (a), (b) and (c) of the said Order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanation given to us, section 185 of the Companies Act, 2013 is not applicable, since the Company has not granted any loan during the year. With regards to investments in securities of other body corporates and guarantees provided to other body corporates, the Company has complied with the provisions of section 186 of the Companies Act, 2013.
- (v) The Company has not accepted any deposits from the public.
- (vi) As per explanation & information given to us, the Company has maintained proper cost records pursuant to the rules prescribed by the Central Government for the maintenance of cost records under section 148 (1) of the Companies Act, 2013. However, the same have not been reviewed by us.
- (vii) a) According to the records of the Company, amount deducted/accrued in the books of accounts in respect of the undisputed statutory dues including Provident Fund, Employee’s State Insurance, Income tax, Goods and Services tax, Duty of Customs, Cess and other Statutory Dues to the extent applicable to the Company, have been regularly deposited with the appropriate authorities. According to the information and explanations given to us, there are no undisputed amount payable in respect of such statutory dues which have remained outstanding as at 31st March, 2021 for a period more than six months from the date they became payable.
- b) According to the information and explanations given to us, disputed dues of Income Tax, Goods and Services Tax, and Duty of Customs which have not been deposited on account of disputes with the related authorities are as under.

Nature of Statute	Demand Amt Raised (Rs. in lakhs)	Stay Amt Paid (Rs. in lakhs)	Period to which matter pertains	Forum at which dispute is pending
Income Tax	339.51	101.00	A.Y 2013-14	Commissioner of Income Tax – Appeals
	142.85	21.45	A.Y 2014-15	Commissioner of Income Tax – Appeals
	0.68	-	A.Y 2015-16	Commissioner of Income Tax – Appeals
	73.45	51.45	A.Y.2016-17	Commissioner of Income Tax – Appeals

- (viii) In our opinion and according to the information and explanation given to us the Company has not defaulted in repayment of its dues to banks and financial institution. The Company did not have any outstanding dues to debenture holders during the year.
- (ix) According to the information & explanations given to us, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) or term loans during the year. offer or further public offer (including debt instruments) or term loans during the year.

- (x) According to the information & explanations given to us, no fraud by the company or on the company by its officers or employees has been noticed or reported during the course of our audit.
- (xi) According to the information and explanation given to us and based on our examination of the records of the Company, the Company has paid / provided for managerial remuneration in accordance with requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3 (xii) of the Order is not applicable.
- (xiii) According to the information and explanation given to us, all transaction entered into by the Company with the related parties are in compliance with Sections 177 and 188 of Act, where applicable and the details have been disclosed in the financial Statements etc., as required by the applicable Indian Accounting Standards.
- (xiv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable to the Company

Annexure “B” to the Independent Auditor’s Report of even date on the standalone financial statements of Brooks Laboratories Limited for the year ended 31st March 2021.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Brooks Laboratories Limited (“the Company”) as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Accompanying notes to the financial statement for the Year ended March 31, 2021

Note 1 Corporate Information

Brooks Laboratories Limited is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956 and was incorporated on 23rd January, 2002. The shares of the company are listed on BSE & NSE in India. The Company has manufacturing plants at Baddi, Himachal Pradesh and Vadodara, Gujarat. The Company is a pharmaceutical manufacturing company working on contract basis.

Note 2.1 Significant Accounting Policies

i Basis of Preparation

The financial statements of the Company have been prepared to comply in all material respects with the Indian Accounting Standards ("Ind AS") notified under the Companies (Accounting Standards) Rules, 2015.

The financial statements have been prepared under the historical cost convention with the exception of certain financial assets and liabilities which have been measured at fair value, on an accrual basis of accounting.

All the assets and liabilities have been classified as current and non-current as per normal operating cycle of the Company and other criteria set out in as per the guidance set out in Schedule III to the Act. Based on nature of services, the Company ascertained its operating cycle as 12 months for the purpose of current and non-current classification of asset and liabilities.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest lakhs (INR 00,000), except when otherwise indicated.

ii Accounting Estimates

The preparation of the financial statements, in conformity with the Ind AS, requires the management to make estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Deferred tax assets

In assessing the realisability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Company will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

Defined benefit plans

The cost and present value of the gratuity obligation and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

Accompanying notes to the financial statement for the Year ended March 31, 2021

iii Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

iv Depreciation/ Amortisation

- Depreciation on Property, Plant and Equipment has been provided on a pro-rata basis on the straight-line method over the estimated useful lives of the assets which are in agreement with the rates prescribed under schedule II to the Companies Act 2013, except for the category of assets mentioned in Table B in order to reflect the actual usage of the asset.
- Intangible assets consisting of softwares, licenses and Dossier/ Marketing Rights are amortised over their useful life.

Table A showing category of assets of which useful life are as prescribed under Companies Act

Sr.No.	Asset category	As per Companies Act 2013	Useful life Baddi	Useful life Vadodara
1	Plant & Machinery	20 years	20 years	-
2	Lab Equipments	10 years	10 years	-
3	Computer	3 years	3 years	3 years
4	Office Equipments	5 years	5 years	5 years
5	Furniture	10 years	10 years	10 years
6	Electrical Installation	10 years	10 years	10 years
7	Factory Building	30 Years	30 Years	30 Years
8	Office Premises	60 Years	60 Years	60 Years
9	Server	6 years	6 years	6 years
10	Vehicles	8-10 years	8-10 years	8-10 years

Table B showing category of assets of which useful life are different from what prescribed under Companies Act

Sr.No.	Asset category	As per Companies Act 2013	Useful life Vadodara	Difference
1	Plant & Machinery	20 years	15 years	5 years

The Company, based on technical assessment made by technical expert and management estimate, depreciates certain items of property plant and equipment (as mentioned above) over estimated useful lives which are different from the useful lives prescribed under Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

v Investment Property

Investment properties are held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Accompanying notes to the financial statement for the Year ended March 31, 2021

Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes.

Investment Property is initially measured at cost including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

Any gain or loss on disposal of investment property calculated as the difference between the net proceeds from disposal and the carrying amount of the item is recognised in Statement of Profit & Loss.

vi Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Investment in subsidiaries, associate and joint venture :

Investment in subsidiaries, associates and joint ventures are shown at cost in accordance with the option available in Ind AS 27, 'Separate Financial Statements'. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is transferred to the Statement of Profit and Loss. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of Profit and Loss.

b) Financial Assets

Initial Recognition

In the case of financial assets, not recorded at fair value through profit or loss (FVTPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

Financial Assets at Amortised Cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

Financial Assets Measured at Fair Value

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Financial asset not measured at amortised cost or at fair value through OCI is carried at FVPL.

Impairment of Financial Assets

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

Accompanying notes to the financial statement for the Year ended March 31, 2021

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expense in the Statement of Profit and Loss.

De-recognition of Financial Assets

The Company de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Company recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, the Company continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

c) Equity Instruments and Financial Liabilities

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

Financial Liabilities

1) Initial Recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

2) Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below

Financial liabilities at FVPL

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation. Amortisation is recognised as finance income in the Statement of Profit and Loss.

Accompanying notes to the financial statement for the Year ended March 31, 2021

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

3) De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

d) Offsetting Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

vii Employee Benefits

a Defined Contribution Plan

Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further obligations beyond the monthly contributions.

b Defined Benefit Plan

The Company also provides for gratuity which is a defined benefit plan, the liabilities of which is determined based on valuations, as at the balance sheet date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognised in the OCI, in the period in which they occur. Re-measurement recognised in OCI are not reclassified to the Statement of Profit and Loss in subsequent periods. Past service cost is recognised in the Statement of Profit and Loss in the year of plan amendment or curtailment. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.

c Leave entitlement and compensated absences

Accumulated leave which is expected to be utilised within next twelve months, is treated as short-term employee benefit. Leave entitlement, other than short term compensated absences, are provided based on a actuarial valuation, similar to that of gratuity benefit. Re-measurement, comprising of actuarial gains and losses, in respect of leave entitlement are recognised in the Statement of Profit and Loss in the period in which they occur.

d Short-term Benefits

Short-term employee benefits such as salaries, wages, performance incentives etc. are recognised as expenses at the undiscounted amounts in the Statement of Profit and Loss of the period in which the related service is rendered. Expenses on non-accumulating compensated absences is recognised in the period in which the absences occur.

e Termination benefits

Termination benefits are recognised as an expense as and when incurred.

viii Cash and Cash Equivalents

Cash and cash equivalents in the Balance Sheet comprises of cash at banks and on hand, which are subject to an insignificant risk of changes in value.

Accompanying notes to the financial statement for the Year ended March 31, 2021

ix Borrowing Costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the EIR amortisation is included in finance costs.

Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the Statement of Profit and Loss in the period in which they occur.

x Foreign Exchange Translation and Accounting of Foreign Exchange Transaction

a Initial Recognition

Foreign currency transactions are initially recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. However, for practical reasons, the Company uses a monthly average rate if the average rate approximate the actual rate at the date of the transactions.

b Conversion

Monetary assets and liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

c Treatment of Exchange Difference

Exchange differences arising on settlement/ restatement of short-term foreign currency monetary assets and liabilities of the Company are recognised as income or expense in the Statement of Profit and Loss except those arising from investment in Non Integral operations.

xi Revenue Recognition

- a) Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Company is expected to be entitled to in exchange for those goods or services.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. This variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

- b) Revenue from sales of goods is recognized net of rebates and discounts on transfer of significant risks and rewards of ownership to the buyer. Sales of goods are recognized gross of excise duty but net of Sales Tax and Value Added Tax. From July '17 onwards, Sales are considered net of Goods and Services Tax.

- c) Interest is recognised on a time proportion basis taking in to account the amount outstanding and the rate applicable.

- d) Dividend income is recognised when right to receive the same is established.

xii Income Tax

Income tax comprises of current and deferred income tax. Income tax is recognised as an expense or income in the Statement of Profit and Loss, except to the extent it relates to items directly recognised in equity or in OCI.

a Current Income Tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

b Deferred Income Tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and

Accompanying notes to the financial statement for the Year ended March 31, 2021

their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Minimum Alternative Tax ("MAT") credit is recognised as an asset only when and to the extent it is probable that the Company will pay normal income tax during the specified period.

xiii Impairment of Non-Financial Assets

As at each Balance Sheet date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- In case of an individual asset, at the higher of the assets' fair value less cost to sell and value in use; and
- In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of cash generating unit's fair value less cost to sell and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified to the asset. In determining fair value less cost to sell, recent market transaction are taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation.

When the Company considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the Statement of Profit and Loss.

xiv Trade receivables

A receivable is classified as a 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the EIR method, less provision for impairment.

xv Trade payables

A payable is classified as a 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method.

xvi Inventories

Inventories are valued as follows:

- Finished Goods are valued at lower of cost or net realisable value.
- Raw Material are valued at lower of cost or net realisable value.

Accompanying notes to the financial statement for the Year ended March 31, 2021

- Packing Materials are valued at cost or net realisable value.
- Work in process is valued at lower of cost or net realisable value.
- Stock in trade is valued at a lower of cost or net realizable value.

Cost is arrived at on weighted average cost method.

xvii Leases

Company as a lessee

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment of whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

xviii Earnings Per Share

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

xix Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Accompanying notes to the financial statement for the Year ended March 31, 2021

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

xx Share Issue Expenses

Share issue expenses are adjusted against the Securities Premium Account as permissible under Section 52(2) of the Companies Act, 2013, to the extent balance is available for utilization in the Securities Premium Account.

xxi Rounding of amounts

All amounts disclosed in the financials statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III.

xxii Business Combination Involving Entities Under Common Control

A business combination involving entities or businesses under common control is a business combination in which all of the combining entities or businesses are ultimately controlled by the same party or parties both before and after the business combination and the control is not transitory.

Business Combination involving entities or businesses under common control shall be accounted for using the pooling of interest method based on the predecessor values retrospectively for all periods presented.

The pooling of interest method is considered to involve the following:

- (i) The assets and liabilities of the combining entities are reflected at their carrying amounts.
- (ii) No adjustments are made to reflect fair values, or recognise any new assets or liabilities. The only adjustments that are made are to harmonies accounting policies and tax adjustments if any.
- (iii) The components of other equity of the acquired companies are added to the same components within other equity except that any share capital and investments in the books of the acquiring entity is cancelled and the differences, if any, is adjusted in the opening retained earnings.
- (iv) The financial information in the financial statements in respect of prior periods are restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, if business combination had occurred after that date, the prior period information shall be restated only from that date.

CSR Expenditure	72.51	-
Miscellaneous Expenses	237.98	136.42
	1,464.48	1,338.90
Auditors' remuneration:		
i) Statutory audit fees	8.40	8.40
ii) Taxation Matters	1.32	1.13
	9.72	9.53

Accompanying notes to the financial statement for the Year ended March 31, 2021

Note 35 : Earnings per equity share of Rs. 10 each

The amount considered in ascertaining the Company's earnings per share constitutes the net loss after tax. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also the weighted average number of shares which could have been issued on conversion of all dilutive potential shares.

Basic and diluted EPS

Particulars	Year ended 31 March 2021	Year ended 31 March 2020
Profit computation for basic earnings per share of Rs. 10 each		
Net Profit after Tax as per Statement of Profit and Loss attributable to Equity Shareholders	(1,558.75)	(2,437.61)
Weighted average number of equity shares for EPS computation* (Nos.)	2,47,02,812	1,76,10,703
EPS - Basic and Diluted EPS	(6.31)	(13.84)

* after retrospective adjustment for bonus element involved in right issue as per Ind AS 33

Note 36 : Related party disclosures as required under Indian Accounting Standard 24, "Related party disclosures" are given below:

Note 37 : Contingent liabilities and Commitments
(A) Contingent liabilities
I)Guarantees

Particulars	Year ended 31 March 2021	Year ended 31 March 2020
i) Bank Guarantee	138.79	129.96
ii)Guarantee given on behalf of Subsidiary*	1,939.00	-

* Guarantees provided to the lenders of the subsidiary are for availing term loans and working capital facilities from the lender banks

II) Other money for which the company is contingently liable

Particulars	Year ended 31 March 2021	Year ended 31 March 2020
Disputed liability in respect of Income tax (Refer Note below)	556.48	1,957.21
Claims against the Company not acknowledged as debts	8.84	8.84

The Company has received Notice of Demand u/s 156 of the Income Tax Act, 1961 for the three assessment years and company has filed an appeal against the same. Details of the same are given as follows :

A.Y to which matter pertains	Demand Amount Raised in FY 20-21	Stay amount paid till FY 20-21	Demand Amount Raised in FY 19-20	Stay amount paid till FY 19-20
2012-13 (Refer Note no. 6(d))	-	-	1,400.72	291.39
2013-14	339.51	101.00	339.51	101.00
2014-15	142.85	21.45	142.85	21.45
2015-16	0.68	-	0.68	-
2016-17	73.45	51.45	73.45	51.45
Total	556.48	173.90	1,957.21	465.29

(B) Commitments

Particular	Year ended 31 March 2021	Year ended 31 March 2020
i) EPCG Commitment (Refer Note below)	209.80	481.04
ii) Duty against the material imported on Advance license (Refer Note below)	116.98	-

Accompanying notes to the financial statement for the Year ended March 31, 2021

The Company has obtained license Advance Licence for purchase of raw material and license under Export Promotion Capital Goods Scheme (EPCG) for purchase of capital goods on zero percent custom duty. Under the both license the Company needs to fulfill certain export obligations, failing which, it is liable for payment of custom duty. Export obligations is Rs. 1846.23 lakhs (P.Y. Rs. 3,665.17 lakhs) out of which Rs. Nil needs to be completed within 6 years & Rs. 1,846.23 lakhs needs to be completed within 8 years (till F.Y.2021-22) from the date of purchase of respective Capital Goods. In case of advance licence, material must be exported within 18 months from the date on which goods were cleared from Customs under advance licence

Note 38 : Leases:

Effective April 1, 2019, the Company has adopted Ind AS 116, Leases, using modified retrospective approach. On adoption of the new standard IND AS 116 resulted in recognition of 'Right of Use' assets and a lease liability. The cumulative effect of applying the standard was debited to retained earnings. The effect of this adoption is insignificant on the profit before tax, profit for the period and earnings per share. Ind AS 116 will result in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments.

Following are the changes in the carrying value of right of use assets for the year ended March 31, 2021

Particulars	As at March 31 2021	As at March 31 2020
Opening carrying value of Rights to use Assets	67.48	-
Transition impact on account of adoption of IND AS 116	-	91.32
Addition	-	-
Depreciation	(23.77)	(23.84)
Deletion	(43.71)	-
Balance as at 31st March, 2021	-	67.48

The following is the break-up of current and non-current lease liabilities as at March 31, 2021

Particulars	As at March 31 2021	As at March 31 2020
Current lease liabilities	-	23.12
Non-Current lease liabilities	-	52.91
Balance as at 31st March, 2021	-	76.03

The following is the movement in lease liabilities during the year ended March 31, 2021:

Particulars	As at March 31 2021	As at March 31 2020
Opening balance of lease liabilities	76.03	-
Transition impact on adoption of Ind AS 116	-	96.71
Addition	-	-
Finance cost accrued during the period	5.93	7.89
Payment of lease liabilities	(18.33)	(28.56)
Profit on lease rent concession	(10.71)	-
Deletion	(52.91)	-
Balance as at 31st March, 2021	-	76.03

The table below provides details regarding the contractual maturities of lease liabilities as at March 31, 2021 on an undiscounted basis :

Particulars	Year ended 31 March 2021	Year ended 31 March 2020
- Less than one year	-	23.12
- Later than one year but not later than five years	-	52.91
- Later than five years	-	-
TOTAL	-	76.03

Accompanying notes to the financial statement for the Year ended March 31, 2021

Note 39 : Expenditure on Corporate Social Responsibility Activities

Particulars	As at March 31, 2021	As at March 31, 2020
Details of CSR Expenditure:		
Gross amount required to be spent by the Company during the year.	72.48	72.48

Particulars	Amount Spent		Amount yet to be Spent		Total	
	Year ended 31 March 2021	Year ended 31 March 2020	Year ended 31 March 2021	Year ended 31 March 2020	Year ended 31 March 2021	Year ended 31 March 2020
a) Construction / acquisition of any assets	-	-	-	-	-	-
b) On purpose other than 1 above	72.51	0.66	-	71.82	72.51	72.48

Note 40 : Segment Reporting as required under Indian Accounting Standard 108, "Operating Segments" :

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM") of the Company. The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Managing Director/Chairman of the Company. The Company operates only in one Business Segment i.e. "Manufacturing of Drugs & Pharmaceutical", hence does not have any reportable Segments as per Ind AS 108 "Operating Segments".

Note 41 : Disclosure relating to employee benefits as per Ind AS 19 'Employee Benefits'

A Defined benefit obligations - Gratuity (Non Funded)

The gratuity plan is governed by the Payment of Gratuity Act, 1972 under which an employee who has completed five years of service is entitled to specific benefits. The level of benefits provided depends on the member's length of service and salary at retirement age.

Particulars	Year ended 31 March 2021	Year ended 31 March 2020
a) Changes in defined benefit obligations		
Present value of obligation as at the beginning of the year		
Defined Benefit Obligation ("PBO") at the beginning of the year	131.46	120.04
Service cost	24.39	28.20
Interest cost	8.22	7.50
Actuarial loss / (gain)	(10.79)	(19.68)
Benefits paid	(13.88)	(4.61)
Less : Transfer in slump sales	(14.76)	-
Present value of obligation as at the end of the year	124.63	131.46
b) Expenses recognised in the Statement of Profit and Loss		
Current service cost	24.39	28.20
Past service cost	-	-
Interest cost	8.22	7.50
Expected return on plan assets	-	-
Net actuarial (gain) / loss recognized in the year	-	-
Total	32.60	35.70

Accompanying notes to the financial statement for the Year ended March 31, 2021

c) Remeasurement (gains)/ losses recognised in OCI

Actuarial changes arising from changes in financial assumptions	-	-
Actuarial changes arising from changes in demographic assumptions	-	-
Experience adjustments	(10.79)	(19.68)
Total	(10.79)	(19.68)

d) Actuarial assumptions

	Year ended 31 March 2021	Year ended 31 March 2020
Discount rate	6.05-6.55% p.a.	7.5% p.a.
Normal retirement age (in years)	58	58
Salary escalation rate (% p.a.) *	5% p.a.	6% p.a.
Attrition rate	10% at all ages	10% at all ages
Mortality rate	Indian assured lives mortality (2012-14) ultimate	Indian assured lives mortality (2012-14) ultimate

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

e) Quantities sensitivity analysis for significant assumption is as below:

Particulars	Year ended 31 March 2021	Year ended 31 March 2020
	1% increase	1% increase
i. Discount rate	132.22	124.61
ii. Salary escalation rate - over a long-term	144.78	139.09
	1% decrease	1% decrease
i. Discount rate	147.36	139.05
ii. Salary escalation rate - over a long-term	134.46	124.43

Sensitivity for significant actuarial assumptions is computed by varying one actuarial assumption used for the valuation of the defined benefit obligation, keeping all other actuarial assumptions constant.

B Other Employee Benefits

Leave Encashment (Non Funded)

Particulars	Year ended 31 March 2021	Year ended 31 March 2020
a) Changes in defined benefit obligations		
Present value of obligation as at the beginning of the year		
Defined Benefit Obligation ("PBO") at the beginning of the year	66.42	49.25
Service cost	17.51	25.23
Interest cost	4.06	3.08
Actuarial loss / (gain)	4.68	(6.35)
Benefits paid	(3.54)	(4.80)
Less : Transfer in slump sales	(20.80)	-
Present value of obligation as at the end of the year	68.33	66.42

Accompanying notes to the financial statement for the Year ended March 31, 2021

b) Expenses recognised in the Statement of Profit and Loss

Current service cost	17.51	25.23
Past service cost	-	-
Interest cost	4.06	3.08
Expected return on plan assets	-	-
Net actuarial (gain) / loss recognized in the year	4.68	(6.35)
Total	26.25	21.96

c) Remeasurement (gains)/ losses recognised in OCI

Actuarial changes arising from changes in financial assumptions	-	-
Actuarial changes arising from changes in demographic assumptions	-	-
Experience adjustments	-	-
Total	-	-

d) Quantities sensitivity analysis for significant assumption is as below:

Particulars	Year ended 31 March 2021	Year ended 31 March 2020
	1% increase	1% increase
i. Discount rate	85.69	46.93
ii. Salary escalation rate - over a long-term	92.86	51.82
	1% decrease	1% decrease
i. Discount rate	92.85	51.81
ii. Salary escalation rate - over a long-term	85.62	46.87

Sensitivity for significant actuarial assumptions is computed by varying one actuarial assumption used for the valuation of the defined benefit obligation, keeping all other actuarial assumptions constant.

C Current/ non-current classification

Particulars	As at 31 March 2021	As at 31 March 2020
Gratuity		
Current	23.06	18.06
Non-current	101.56	113.39
	124.62	131.45
Leave entitlement (including sick leave)		
Current	15.42	7.77
Non-current	52.92	58.65

Trade payables	23	-	1,338.60	-	-	1,338.60	-	2,606.61	-	-	2,606.61
Other financial liabilities	19 & 24	11.12	369.91	-	-	381.03	-	489.02	-	-	489.02
Total Financial Liabilities		145.22	2,390.50	-	-	2,535.72	1,192.84	4,379.78	-	-	5,572.62

The Company has not disclosed the fair values for financial instruments for other financial assets (current and non current), trade receivables, cash and cash equivalents and bank balances other than cash and cash equivalents, Borrowings (current and non current), Trade payables, other current financial liabilities because their carrying amounts are reasonably approximation of fair value.

(ii) Fair value hierarchy

Fair value hierarchy explains the judgement and estimates made in determining the fair values of the financial instruments that are -

- recognised and measured at fair value
- measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard.

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

Assets and Liabilities that are disclosed at Amortised Cost for which Fair values are disclosed are classified as Level 3.

If one or more of the significant inputs is not based on observable market data, the respective assets and liabilities are considered under Level 3.

Accompanying notes to the financial statement for the Year ended March 31, 2021

Note 43 : Financial risk management objectives and policies

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

i. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Major financial instruments affected by market risk includes loans and borrowings.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's total debt obligations with floating interest rates.

The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows:

Particulars	As at March 31, 2021	As at March 31, 2020
Fixed-rate instruments:		
Financial liabilities (Borrowings)	10.12	45.77
	10.12	45.77
Variable-rate instruments:		
Financial liabilities (Borrowings)	829.79	2,641.83
	829.79	2,641.83

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit/(loss) before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	As at March 31, 2021	As at March 31, 2020
Increase in basis points	50 basis points	50 basis points
Effect on profit/(loss) before tax, increase by	4.15	13.21
Decrease in basis points	50 basis points	50 basis points
Effect on profit/(loss) before tax, decrease by	-4.15	-13.21

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

b Foreign currency risk

The Company is exposed to currency risk on account of its operating and financing activities. The functional currency of the Company is Indian Rupee. Our exposure are mainly denominated in U.S. dollars and European dollars. The Company's business model incorporates assumptions on currency risks and ensures any exposure is covered through the normal business operations. This intent has been achieved in all years presented. The Company has put in place a Financial Risk Management Policy to identify the most effective and efficient ways of managing the currency risks.

Accompanying notes to the financial statement for the Year ended March 31, 2021

Exposure to currency risk

The currency profile of financial assets and financial liabilities as at March 31, 2021 and March 31, 2020 are as below:

31st March, 2021	Rs. in lakhs	EUR	Rs. in lakhs	USD

Sensitivity analysis

A reasonably possible strengthening / (weakening) of the Indian Rupee against US dollars and European dollars at 31st March would have affected the measurement of financial instruments denominated in US dollars and affected profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases. In cases where the related foreign exchange fluctuation is capitalised to fixed assets or recognised directly in reserves, the impact indicated below may affect the Company's income statement over the remaining life of the related fixed assets or the remaining tenure of the borrowing respectively.

Impact of movement on Profit or (loss) and Equity :

	Profit or (loss) and Equity	
Effect in INR (before tax)	Strengthening	Weakening
For the year ended 31st March, 2021		
1% movement		
USD	1.00	(1.00)
EUR	-	-
	1.00	(1.00)
	Profit or (loss) and Equity	
Effect in INR (before tax)	Strengthening	Weakening
For the year ended 31st March, 2020		
1% movement		
USD	-	-
EUR	-	-
	-	-

Accompanying notes to the financial statement for the Year ended March 31, 2021

C. Other price risk

The Company is not exposed to any other price risk.

ii. Credit risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure of the financial assets are contributed by trade and other receivables, cash and cash equivalents and security deposits.

Trade receivables

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. To manage credit risk, the Company periodically assesses the financial reliability of the customer, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivables. Outstanding customer receivables are regularly monitored to make an assessment of recoverability. Receivables are provided as doubtful / written off, when there is no reasonable expectation of recovery. Where receivables have been provided / written off, the company continues regular follow up, engage with the customers, legal options / any other remedies available with the objective of recovering these outstandings. The Company is not exposed to concentration of credit risk to any one single customer since services are provided to vast spectrum.

Ageing of Trade receivables

Particulars	As at March 31, 2021	As at March 31, 2020
Not due	-	-
0 - 6 months	848.22	1,465.67
6 - 12 months	45.30	52.88
Beyond 12 months	361.22	331.46
Total	1,254.74	1,850.00

Other Financial Assets

The Company maintains exposure in cash and cash equivalents, security deposits and other receivables. The company goes through regular follow up for recovering the amount of deposit and other receivables. Credit risk on cash and cash equivalents is limited as the Company generally invest in deposits with banks and financial institutions with high credit ratings.

The movement of the allowance for lifetime expected credit loss is stated below:

Particulars	As at March 31, 2021	As at March 31, 2020
Balance at the beginning of the year	293.80	260.42
Add : additional allowance made	1.86	33.38
Less : allowance reversed	-	-
Balance at the end of the year	295.66	293.80

iii. Liquidity risk

Liquidity is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

Accompanying notes to the financial statement for the Year ended March 31, 2021

The table below provides details regarding the contractual maturities of significant financial liabilities:

Particulars	On demand	Less than 1 year	1 - 5 years	More than 5 years	Total
As at 31 March 2021					
Borrowings	681.99	23.83	1.07	133.03	839.91
Lease Liabilities	-	-	-	-	-
Trade payables	-	1,338.60	-	-	1,338.61
Other financial liabilities	-	346.08	-	-	346.08
	681.99	1,708.51	1.07	133.03	2,524.60
As at 31 March 2020					
Borrowings	1,261.03	286.64	1,002.06	137.86	2,687.59
Lease Liabilities	-	23.12	52.91	-	76.03
Trade payables	-	2,606.61	-	-	2,606.61
Other financial liabilities	-	202.38	-	-	202.38
	1,261.03	3,118.74	1,054.98	137.86	5,572.62

Note 44 : Capital management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The Company strives to safeguard its ability to continue as a going concern so that they can maximise returns for the shareholders and benefits for other stake holders. The aim to maintain an optimal capital structure and minimise cost of capital.

To maintain or adjust the capital structure, the Company usually turns to reputed banks and other financial institutions for funds. Consistent with others in the industry, the Company monitors its capital using the gearing ratio which is total debt divided by total capital plus total debts.

Particulars	As at March 31, 2021	As at March 31, 2020
Total debts	841.40	2,701.83
Total equity	6,421.04	9,841.60
Total debts to equity ratio (Gearing ratio)	11.59%	21.54%

Note 45 : Slump Sale

The Company has entered into Business transfer agreement dated 24th March, 2021 with its subsidiary, Brooks Steriscience Limited (BSL) for transfer of its manufacturing facility situated at Vadodara. BSL will issue 60,000 equity shares as sales consideration at price based on the income tax net worth as on closing date. Accordingly, 60,000 shares will be issued at face value of Rs. 10 each at an issue price of Rs. 7,760.93 including premium of Rs. 7,750.93 per equity share aggregating to Rs. 4656.56 lakhs towards consideration for transfer of assets and liabilities under slump sales. Accordingly the Company has transferred its respective assets and liabilities on 31st March, 2021 being the closing date. The accounting impact of same is given in accordance with Ind AS 103 "Business Combinations" under Common control business combination. The details of Assets and Liabilities transferred in slump sale is as below :

Particulars	Net Assets transferred at carrying value	Sales Consideration	Adjustment made in Retained earnings
Brooks Steriscience Limited	6,529.15	4,656.56	(1,872.59)

INDEPENDENT AUDITOR'S REPORT

To the Members of **Brooks Laboratories Limited**

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Brooks Laboratories Limited** (hereinafter referred to as the 'Parent Company') and its subsidiary (Parent Company and its subsidiaries together referred to as "the Group"), its associate which comprise the consolidated Balance Sheet as at March 31, 2021, and the consolidated statement of Profit and Loss (including other comprehensive income), the consolidated cash flows Statement the consolidated statement of changes in equity for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the consolidated state of affairs of the Group as at March 31, 2021, and their consolidated loss (including other comprehensive income), their consolidated cash flows and consolidated changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by ICAI together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. During the course of our audit, we have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Parent Company's Board of Directors is responsible for the other information. The other information comprises the information included in the management discussion and analysis, Board's Report, Report on Corporate governance and Business Responsibility report but does not include the Consolidated Financial Statements, Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Parent Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated state of affairs (consolidated financial position), consolidated profit or loss (Consolidated financial performance including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and

presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

1. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
2. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Group has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
3. We communicate with those charged with governance of the Parent Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
4. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
5. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. We did not audit the financial statements of Brooks Steriscience Limited, whose financial statements reflect Group's share of total assets of Rs. 11,586.67 lakhs as at 31 March 2021, Group's share of total revenue of Rs. NIL, total net profit / (loss) of Rs. (376.75) lakhs, total comprehensive income / (loss) of Rs. (376.75) for the year ended on that date and Group's share of net cash inflows of Rs. 82.02 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

The accompanying Statement includes unaudited financial statements and other unaudited financial information in respect of one associate whose financial statements includes the Group share of net loss of Rs. (0.80) lakhs for the year ended March 31 2021 respectively.

Our opinion on the consolidated financial statements, and our report on other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
 - d. In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - e. On the basis of the written representations received from the directors of the Parent Company as on 31st March, 2021 taken on record by the Board of Directors of the Parent Company and the reports of the statutory auditors of its subsidiary companies, incorporated in India, none of the directors of the Group companies is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in **Annexure A**.
 - g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group - Refer Note 34 to the consolidated financial statements.
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There were no amounts which were required to be transferred, to the Investor Education and Protection Fund by the Parent Company and its subsidiary companies.
2. In respect of companies where managerial remuneration is within limit :

As required by section 197(16) of the act, based on our audit we report that the Parent company paid

remuneration to their directors during the year in accordance with the provisions of and the limit laid down under section 197 read with Schedule V to the Act.

Mem. No. 44739

UDIN: 21044739AAAANL7296

Place: Mumbai

Date: 30th June, 2021

Annexure “A” to the Independent Auditor’s Report of even date on the Consolidated financial statements of Brooks Laboratories Limited for the year ended 31st March 2021.**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

In conjunction with our audit of the consolidated financial statements of **Brooks Laboratories Limited** (“the Parent Company”) as of and for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of the Parent company and its subsidiary company, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Boards of Directors of the Parent Company and its subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Parent Company and its subsidiary company, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India (“ICAI”) and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Parent company and its subsidiary company, which are companies incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of other auditors referred to in the Other Matters paragraph below, the Parent company and its subsidiary company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal financial control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to one subsidiary company incorporated in India, is based on the corresponding reports of the auditors of such company incorporated in India. Our opinion is not modified in respect of the above matter.

Consolidated Cash Flow Statement for the year ended 31st March, 2021

Particulars	Rs. In Lakhs
Particulars	Year ended 31 March 2021
A. CASH FLOW FROM OPERATING ACTIVITIES	
Net (loss) / profit before tax	(899.33)
Adjustments for	
Depreciation and amortisation expense	714.33
Finance cost	309.84
Interest income	(16.95)
Remeasurement of Defined benefit obligations	10.79
Dividend from current investments	(0.30)
Provision for Doubtful Capital Advance	18.65
Loss on discarded asset	5.61
Provision for Expected credit loss	4.62
Unrealised Foreign Exchange Gain	(17.64)
Operating profit before working capital changes	129.62
Adjustments for changes in working capital:	
Decrease / (increase) in Trade Receivables	199.42
Decrease / (increase) in Inventories	(982.82)
Decrease / (increase) in Other Assets	(189.38)
Decrease / (increase) in Other Financial Assets	46.39
(Decrease) / Increase in Trade and Other Payables	473.76
(Decrease) / Increase in Other Financial Liabilities	1,154.38
(Decrease) / Increase in Other Liabilities	(16.81)
(Decrease) / Increase in Long term Provisions	33.15
(Decrease) / Increase in Short term Provisions	18.52
Cash generated from / (used in) operations	866.25
Direct taxes paid (net of refunds received)	(420.38)
Net cash (used in) / from generated from operating activities	445.87
B. CASH FLOW FROM INVESTING ACTIVITIES	
Purchase of property, plant and equipment (including capital work in progress and capital advances)	(561.38)
Net (investments in)/ proceeds from bank deposits (having original maturity of more than three months)	31.18
Interest received	16.95
Dividend received	0.30
Net cash (used in) / generated from investing activities	(512.96)

Consolidated Cash Flow Statement for the year ended 31st March 2021

Particulars	Rs. In Lakhs
	Year ended 31 March 2021
C. CASH FLOW FROM FINANCING ACTIVITIES	
Proceeds/ (Repayment) from borrowings (net)	438.13
Repayment of Lease Liabilities	(20.70)
Finance costs paid	(301.55)
Net cash (used in) / from financing activities	115.89
Net decrease in cash and cash equivalents (A+B+C)	48.80
Cash and cash equivalents at the beginning of the year	39.59
Cash and cash equivalents at the end of the year	88.39

Note:

- The above cash flow statement has been prepared under the "Indirect Method" as set out in the Indian Accounting Standard (Ind AS 7) - Statement of Cash Flow.
- Components of cash and cash equivalents considered only for the purpose of cash flow statement as follows :

Particulars	As at 31 March 2021
In bank current accounts	83.10
Cash on hand	5.29
	<u>88.39</u>

- The holding company has invested in Subsidiary and Associate during the year, the Group has presented its consolidated financial results first time during the year. Accordingly the comparative figures for the year ended 31st March, 2020 have not been presented.

Accompanying notes to the financial statement for the Year ended March 31, 2021

Note 1 Corporate Information

Brooks Laboratories Limited is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956 and was incorporated on 23rd January, 2002. The shares of the company are listed on BSE & NSE in India. The Company has manufacturing plants at Baddi, Himachal Pradesh. The Company is a pharmaceutical manufacturing company working on contract basis.

The Company along with its subsidiaries and its associates has been collectively hereinafter referred to as "the Group".

Note 2.1 Significant Accounting Policies

i Basis of Preparation

The consolidated financial statements of the Group have been prepared to comply in all material respects with the Indian Accounting Standards ("Ind AS") notified under the Companies (Accounting Standards) Rules, 2015.

The consolidated financial statements have been prepared under the historical cost convention with the exception of certain financial assets and liabilities which have been measured at fair value, on an accrual basis of accounting.

All the assets and liabilities have been classified as current and non-current as per normal operating cycle of the Group and other criteria set out in as per the guidance set out in Schedule III to the Act. Based on nature of services, the Group ascertained its operating cycle as 12 months for the purpose of current and non-current classification of asset and liabilities.

The Group's consolidated financial statements are reported in Indian Rupees, which is also the Group's functional currency, and all values are rounded to the nearest lakhs (INR 00,000), except when otherwise indicated.

ii Principles of Consolidation

The Consolidated Financial Statements comprise of the financial statements of Brooks Laboratories Limited and its subsidiaries and associates. The financial statements have been prepared on the following basis:

Subsidiaries :

The Consolidated financial statements have been prepared on the following basis:

- (a) The Consolidated financial statements of the Company and its subsidiary companies have been consolidated on a line by line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intra-group balances / transactions and elimination of resulting unrealized profits / losses in accordance with Indian Accounting Standard ('Ind AS') - 110 'Consolidated Financial Statements' notified by the Companies (Accounting Standards) Rules, 2006 read with Rule 7 to the Companies (Accounts) Rules 2014 in respect of Section 133 of the Companies Act, 2013.
- (b) Goodwill on consolidation represents the excess of cost of acquisition at each point of time of making the investment in the subsidiary Group's share in the net worth of a subsidiary, as per Indian Accounting Standard (Ind AS) 110 "Consolidated Financial Statements". For this purpose, the Group's share of net worth is determined on the basis of the latest financial statements, prior to the acquisition, after making necessary adjustments for material events between the date of such financial statements and the date of respective acquisition. Capital reserve on consolidation represents negative goodwill arising on consolidation. In the event of cessation of operations of a subsidiary, the unimpaired goodwill is written off fully.
- (c) Minority interest in net profits or losses of consolidated subsidiaries for the year is identified and adjusted against the income or loss in order to arrive at the net income or loss attributable to the shareholders of the Company. Minority interest in the net assets of consolidated subsidiaries consists of the amount of equity attributable to the minority shareholders at the dates on which investments are made by the Company in the subsidiary companies and further movements in their share in the equity, subsequent to the dates of initial investments as stated above. Their share of net assets is identified and presented in the Consolidated Balance Sheet separately. Where accumulated losses attributable to the minorities are in excess of their equity, in the absence of the contractual/legal obligation on the minorities, the same is accounted for by the Holding Company.
- (d) Financial statements are prepared using uniform policies for like transaction and other events in similar circumstances and are presented, to the extent possible, in the same manner as the Company's separate financial statements.
- (e) Notes to the financial statements represent notes involving items which are considered material and are accordingly disclosed. Materiality for the purpose is assessed in relation to the information contained in the financial statements. Further, additional statutory information disclosed in separate financial statements of the subsidiary and / or a parent having no bearing on the true and fair view of the financial statements has not been disclosed in these financial statements.

- (f) The gains /losses in respect of part dilution of stake in subsidiary companies pursuant to issue of additional shares to minority shareholders are recognized directly in capital reserve under Reserves and surplus in the Balance Sheet. The gains /losses in respect of part divestment of stake in subsidiary companies pursuant to sale of shares by the Holding Company are recognized in the Statement of Profit and Loss.

Associates :

- (a) The Group's investments in its associate are accounted for using the equity method. Under the equity method, the investment in an associate is initially recognised at cost. Goodwill relating to the associate is included in the carrying amount of the investment and is not tested for impairment individually. The statement of profit and loss reflects the Group's share of the results of operations of the associate. The aggregate of the Group's share of profit or loss of an associate is shown on the face of the statement of profit and loss. If an entity's share of losses of an associate equals or exceeds its interest in the associate (which includes any long term interest that, in substance, form part of the Group's net investment in the associate), the entity discontinues recognising its share of further losses. Upon loss of significant influence over the associate, the Group measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate upon loss of significant influence and the fair value of the retained investment and proceeds from disposal is recognised in profit or loss.

iii Accounting Estimates

The preparation of the financial statements, in conformity with the Ind AS, requires the management to make estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Deferred tax assets

In assessing the realisability of deferred income tax assets, management considers whether some portion or all of the deferred income tax assets will not be realized. The ultimate realization of deferred income tax assets is dependent upon the generation of future taxable income during the periods in which the temporary differences become deductible. Management considers the scheduled reversals of deferred income tax liabilities, projected future taxable income, and tax planning strategies in making this assessment. Based on the level of historical taxable income and projections for future taxable income over the periods in which the deferred income tax assets are deductible, management believes that the Group will realize the benefits of those deductible differences. The amount of the deferred income tax assets considered realizable, however, could be reduced in the near term if estimates of future taxable income during the carry forward period are reduced.

Defined benefit plans

The cost and present value of the gratuity obligation and compensated absences are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, attrition rate and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

iv Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/ installation of the assets less accumulated depreciation and accumulated impairment losses, if any. Subsequent expenditure relating to Property, Plant and Equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the Statement of Profit and Loss as incurred. The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the Statement of Profit and Loss.

Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.

v Depreciation/ Amortisation

- a) Depreciation on Property, Plant and Equipment has been provided on a pro-rata basis on the straight-line method over the estimated useful lives of the assets which are in agreement with the rates prescribed under schedule II to the Companies Act 2013, except for the category of assets mentioned in Table B in order to reflect the actual usage of the asset.
- b) Intangible assets consisting of softwares, licenses and Dossier/ Marketing Rights are amortised over their useful life.

Table A showing category of assets of which useful life are as prescribed under Companies Act

Sr. No.	Asset category	As per Companies Act 2013
1	Plant & Machinery	7- 20 years
2	Lab Equipments	10 years
3	Computer	3 years
4	Office Equipments	5 years
5	Furniture	10 years
6	Electrical Installation	10 years
7	Factory Building	30 Years
8	Office Premises	60 Years
9	Server	6 years
10	Vehicles	8-10 years

The Group, based on technical assessment made by technical expert and management estimate, depreciates certain items of property plant and equipment (as mentioned above) over estimated useful lives which are different from the useful lives prescribed under Schedule II to the Companies Act, 2013. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

vi Investment Property

Investment properties are held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Though the Group measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes.

Investment Property is initially measured at cost including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

Any gain or loss on disposal of investment property calculated as the difference between the net proceeds from disposal and the carrying amount of the item is recognised in Statement of Profit & Loss.

vi Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Investment in subsidiaries, associate and joint venture :

Investment in subsidiaries, associates and joint ventures are shown at cost in accordance with the option available in Ind AS 27, 'Separate Financial Statements'. Where the carrying amount of an investment is greater than its estimated recoverable amount, it is written down immediately to its recoverable amount and the difference is transferred to the Statement of Profit and Loss. On disposal of investment, the difference between the net disposal proceeds and the carrying amount is charged or credited to the Statement of Profit and Loss.

b) Financial Assets

Initial Recognition

In the case of financial assets, not recorded at fair value through profit or loss (FVTPL), financial assets are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

Subsequent Measurement

For purposes of subsequent measurement, financial assets are classified in following categories:

Financial Assets at Amortised Cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Interest income from these financial assets is included in finance income using the effective interest rate ("EIR") method. Impairment gains or losses arising on these assets are recognised in the Statement of Profit and Loss.

Financial Assets Measured at Fair Value

Financial assets are measured at fair value through OCI if these financial assets are held within a business model with an objective to hold these assets in order to collect contractual cash flows or to sell these financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss.

Financial asset not measured at amortised cost or at fair value through OCI is carried at FVPL.

Impairment of Financial Assets

In accordance with Ind AS 109, the Group applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures.

The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

ECL is the difference between all contractual cash flows that are due to the group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/ expense in the Statement of Profit and Loss.

De-recognition of Financial Assets

The Group de-recognises a financial asset only when the contractual rights to the cash flows from the asset expire, or it transfers the financial asset and substantially all risks and rewards of ownership of the asset to another entity.

If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognizes its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

c) Equity Instruments and Financial Liabilities

Financial liabilities and equity instruments issued by the Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs. Equity instruments which are issued for consideration other than cash are recorded at fair value of the equity instrument.

Financial Liabilities

1) Initial Recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at FVPL, loans and borrowings and payables as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

2) Subsequent Measurement

The measurement of financial liabilities depends on their classification, as described below

Financial liabilities at FVPL

Financial liabilities at FVPL include financial liabilities held for trading and financial liabilities designated upon initial recognition as at FVPL. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial guarantee contracts issued by the Group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation. Amortisation is recognised as finance income in the Statement of Profit and Loss.

Financial liabilities at amortised cost

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in the Statement of Profit and Loss.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

3) De-recognition of Financial Liabilities

Financial liabilities are de-recognised when the obligation specified in the contract is discharged, cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as de-recognition of the original liability and recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

d) **Offsetting Financial Instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis to realise the assets and settle the liabilities simultaneously.

vii Employee Benefits

a Defined Contribution Plan

Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Group has no further obligations beyond the monthly contributions.

b Defined Benefit Plan

The Group also provides for gratuity which is a defined benefit plan, the liabilities of which is determined based on valuations, as at the balance sheet date, made by an independent actuary using the projected unit credit method. Re-measurement, comprising of actuarial gains and losses, in respect of gratuity are recognised in the OCI, in the period in which they occur. Re-measurement recognised in OCI are not reclassified to the Statement of Profit and Loss in subsequent periods. Past service cost is recognised in the Statement of Profit and Loss in the year of plan amendment or curtailment. The classification of the Group's obligation into current and non-current is as per the actuarial valuation report.

c Leave entitlement and compensated absences

Accumulated leave which is expected to be utilised within next twelve months, is treated as short-term employee benefit. Leave entitlement, other than short term compensated absences, are provided based on a actuarial valuation, similar to that of gratuity benefit. Re-measurement, comprising of actuarial gains and losses, in respect of leave entitlement are recognised in the Statement of Profit and Loss in the period in which they occur.

d Short-term Benefits

Short-term employee benefits such as salaries, wages, performance incentives etc. are recognised as expenses at the undiscounted amounts in the Statement of Profit and Loss of the period in which the related service is rendered. Expenses on non-accumulating compensated absences is recognised in the period in which the absences occur.

e Termination benefits

Termination benefits are recognised as an expense as and when incurred.

viii Share - Based Compensation

The Group recognizes compensation expense relating to employees stock option plan in statement of profit and loss account in accordance with IND AS 102, Share - Based Payment. Accordingly, compensation expense as determined on the date of the grant is amortised over the vesting period. The Group follows fair value method to calculate the value of the stock options.

ix Cash and Cash Equivalents

Cash and cash equivalents in the Balance Sheet comprises of cash at banks and on hand, which are subject to an insignificant risk of changes in value.

x Borrowing Costs

Borrowing costs consist of interest and other costs that the Group incurs in connection with the borrowing of funds. Also, the EIR amortisation is included in finance costs.

Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the Statement of Profit and Loss in the period in which they occur.

xi Foreign Exchange Translation and Accounting of Foreign Exchange Transaction

a Initial Recognition

Foreign currency transactions are initially recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction. However, for

practical reasons, the Group uses a monthly average rate if the average rate approximate the actual rate at the date of the transactions.

b Conversion

Monetary assets and liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

c Treatment of Exchange Difference

Exchange differences arising on settlement/ restatement of short-term foreign currency monetary assets and liabilities of the Group are recognised as income or expense in the Statement of Profit and Loss except those arising from investment in Non Integral operations.

xii Revenue Recognition

- a)** Revenue from contracts with customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the Group is expected to be entitled to in exchange for those goods or services.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Group as part of the contract. This variable consideration is estimated based on the expected value of outflow. Revenue (net of variable consideration) is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

- b)** Revenue from sales of goods is recognized net of rebates and discounts on transfer of significant risks and rewards of ownership to the buyer. Sales are considered net of Goods and Services Tax.
- c)** Interest is recognised on a time proportion basis taking in to account the amount outstanding and the rate applicable.
- d)** Dividend income is recognised when right to receive the same is established.

xiii Income Tax

Income tax comprises of current and deferred income tax. Income tax is recognised as an expense or income in the Statement of Profit and Loss, except to the extent it relates to items directly recognised in equity or in OCI.

a Current Income Tax

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

b Deferred Income Tax

Deferred tax is determined by applying the Balance Sheet approach. Deferred tax assets and liabilities are recognised for all deductible temporary differences between the financial statements' carrying amount of existing assets and liabilities and their respective tax base. Deferred tax assets and liabilities are measured using the enacted tax rates or tax rates that are substantively enacted at the Balance Sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the period that includes the enactment date. Deferred tax assets are only recognised to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised. Such assets are reviewed at each Balance Sheet date to reassess realisation.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Minimum Alternative Tax ("MAT") credit is recognised as an asset only when and to the extent it is probable that the Group will pay normal income tax during the specified period.

xiv Impairment of Non-Financial Assets

As at each Balance Sheet date, the Group assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Group determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

Recoverable amount is determined:

- In case of an individual asset, at the higher of the assets' fair value less cost to sell and value in use; and
- In case of cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of cash generating unit's fair value less cost to sell and value in use.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specified to the asset. In determining fair value less cost to sell, recent market transaction are taken into account. If no such transaction can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognised in the Statement of Profit and Loss, except for properties previously revalued with the revaluation taken to OCI. For such properties, the impairment is recognised in OCI up to the amount of any previous revaluation.

When the Group considers that there are no realistic prospects of recovery of the asset, the relevant amounts are written off. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the Statement of Profit and Loss.

xv Trade receivables

A receivable is classified as a 'trade receivable' if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the EIR method, less provision for impairment.

xvi Trade payables

A payable is classified as a 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Group prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method.

xvii Inventories

Inventories are valued as follows:

- Finished Goods are valued at lower of cost or net realisable value.
- Raw Material are valued at lower of cost or net realisable value.
- Packing Materials are valued at cost or net realisable value.
- Work in process is valued at lower of cost or net realisable value.
- Stock in trade is valued at a lower of cost or net realizable value.

Cost is arrived at on weighted average cost method.

xviii Leases**Group as a lessee**

The Group's lease asset classes primarily consist of leases for land and buildings. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) the Group

has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment of whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

Group as a lessor

Leases for which the Group is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

When the Group is an intermediate lessor, it accounts for its interests in the head lease and the sublease separately. The sublease is classified as a finance or operating lease by reference to the right-of-use asset arising from the head lease.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

xix Earnings Per Share

Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Group by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources.

Diluted earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Group and weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares).

xx Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Group has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions (excluding gratuity and compensated absences) are determined based on management's estimate required to settle the obligation at the Balance Sheet date. In case the time value of money is material, provisions are discounted using a current pre-tax rate that reflects the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group. A contingent liability also arises, in rare cases, where a liability cannot be recognised because it cannot be measured reliably.

xxi Share Issue Expenses

Share issue expenses are adjusted against the Securities Premium Account as permissible under Section 52(2) of the Companies Act, 2013, to the extent balance is available for utilization in the Securities Premium Account.

xxii Rounding of amounts

All amounts disclosed in the financials statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III.

xxii Business Combination Involving Entities Under Common Control

A business combination involving entities or businesses under common control is a business combination in which all of the combining entities or businesses are ultimately controlled by the same party or parties both before and after the business combination and the control is not transitory.

Business Combination involving entities or businesses under common control shall be accounted for using the pooling of interest method based on the predecessor values retrospectively for all periods presented.

The pooling of interest method is considered to involve the following:

- (i) The assets and liabilities of the combining entities are reflected at their carrying amounts.
- (ii) No adjustments are made to reflect fair values, or recognise any new assets or liabilities. The only adjustments that are made are to harmonies accounting policies and tax adjustments if any.
- (iii) The components of other equity of the acquired companies are added to the same components within other equity except that any share capital and investments in the books of the acquiring entity is cancelled and the differences, if any, is adjusted in the opening retained earnings.
- (iv) The financial information in the financial statements in respect of prior periods are restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, if business combination had occurred after that date, the prior period information shall be restated only from that date.

	9.97

Note 32 : Earnings per equity share

The amount considered in ascertaining the Group's earnings per share constitutes the net loss after tax. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the period. The number of shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also the weighted average number of shares which could have been issued on conversion of all dilutive potential shares.

Basic and diluted EPS

Particulars	Year ended 31 March 2021
Profit computation for basic earnings per share of Rs. 10 each	
Net Profit after Tax as per Statement of Profit and Loss attributable to Equity Shareholders	(1,937.55)
Weighted average number of equity shares for EPS computation* (Nos.)	247.03
EPS - Basic and Diluted EPS	(Rs.) (7.84)

Note 33 : Related party disclosures as required under Indian Accounting Standard 24, "Related party disclosures" are given below:

a) Names of related parties and nature of relationship (to the extent of transactions entered into during the year except for control relationships where all parties are disclosed)

Name of related party	Nature of relation
(A) Directors	
Mr. Atul Ranchal	Chairman
Mr. Rajesh Mahajan	Managing Director
Dr. Durga Shankar Maity (Till 26 August, 2019)	Wholetime Director
Mr. Suresh Garg (wef 26 August, 2019)	Wholetime Director
Mr. Rajnish Kumar Bedi	Independent Director
Mr. Deepak Mahajan	Independent Director
Mrs. Sonia Gupta	Independent Director

Name of related party	Nature of relation
(B) Key managerial personnel	
Mr. Anil Kumar Pillai (Till 12 May, 2020)	Chief Financial Officer
Mr. Prashant Rathi (wef 24 July, 2020)	Chief Financial Officer
Mrs. Jyoti Sancheti	Company Secretary
(C) Relative of Directors	
Mrs. Saras Gupta	Relative of Director
Mrs. Rajani Ranchal	Relative of Director
Mrs. Davinder Kumari	Relative of Director
(D) Associate Concern	
M/s. Steribrooks Penems Private Limited (wef 30 September, 2020)	Enterprises owned or significantly influenced by Key Management Personnel and / or their Relatives

b) Transactions carried out with related parties referred to above, in ordinary course of business and balances outstanding:

Particulars	Nature of Transaction	Year ended 31 March 2021
Mr. Atul Ranchal	Director Remuneration	96.00
	Sitting Fees	1.60
Mr. Rajesh Mahajan	Director Remuneration	96.00
	Sitting Fees	1.40
Dr. Durga Shankar Maity	Director Remuneration	0.19
Mr. Suresh Garg	Director Remuneration	40.45
	Sitting Fees	1.60
Mr. Rajnish Kumar Bedi	Sitting Fees	1.40
Mr. Deepak Mahajan	Sitting Fees	1.40
Mrs. Sonia Gupta	Sitting Fees	1.40
Mr. Anil Kumar Pillai	Salary	0.34
Mr. Prashant Rathi	Salary	16.25
Mrs. Jyoti Sancheti	Salary	7.56
Mrs. Saras Gupta	Salary	28.80
Mrs. Rajani Ranchal	Salary	28.80
Mrs. Davinder Kumari	Salary	24.00
M/s. Steribrooks Penems Private Limited	Sales	816.41

Notes :

- As the future liability for gratuity is provided on an actuarial basis for the Group as a whole, the amount pertaining to individual is not ascertainable and therefore not included above.
- The Independent Directors are paid sitting fees based on the number of meetings of the Board attended by them and their Chairmanship/ Membership of Audit Committee during the year. The holding company pays sitting fees at the rate of Rs. 20,000/- for each meeting of the Board and sub-committees attended by them.

c. Balance Outstanding of Related Parties:

Particulars	Nature of Transaction	Year ended 31 March 2021
Mr. Atul Ranchal	Director Remuneration	3.20
	Sitting fees payable	4.80
Mr. Rajesh Mahajan	Director Remuneration	3.85
	Sitting fees payable	4.62
Dr. Durga Shankar Maity	Sitting fees payable	1.30
Mr. Rajnish Kumar Bedi	Sitting fees payable	4.44
Mr. Deepak Mahajan	Sitting fees payable	4.24
Mrs. Sonia Gupta	Sitting fees payable	3.84
Mr. Suresh Garg	Director Remuneration	0.43
	Sitting fees payable	2.60
Mrs. Saras Gupta	Salary & Wages Payable	1.80
Mrs. Rajani Ranchal	Salary & Wages Payable	1.80
Mrs. Davinder Kumari	Salary & Wages Payable	1.90
Mr. Prashant Rathi	Salary & Wages Payable	1.17
Mrs. Jyoti Sancheti	Salary & Wages Payable	0.62
M/s. Steribrooks Penems Private Limited	Trade Receivables	350.02

Note 34 : Contingent liabilities and Commitments
(A) Contingent liabilities
I) Guarantees

Particulars	Year ended 31 March 2021
i) Bank Guarantee	138.79

II) Other money for which the group is contingently liable

Particulars	Year ended 31 March 2021
Disputed liability in respect of Income tax (Refer Note below)	556.49
Claims against the Group not acknowledged as debts	8.84

The holding company has received Notice of Demand u/s 156 of the Income Tax Act, 1961 for the three assessment years and the holding company has filed an appeal against the same. Details of the same are given as follows :

A.Y to which matter pertains	Demand Amount Raised in FY 20-21	Stay amount paid till FY 20-21
2013-14	339.51	101.00
2014-15	142.85	21.45
2015-16	0.68	-
2016-17	73.45	51.45
Total	556.49	173.90

(B) Commitments

Particulars	Year ended 31 March 2021
I) Estimated amount of contracts remaining to be executed on capital account	1,092.00
II) EPCG Commitment (Refer Note below)	209.80
III) Duty against the material imported on Advance license (Refer Note below)	116.98

The holding company has obtained Advance Licence for purchase of raw material and license under Export Promotion Capital Goods Scheme(EPCG) for purchase of capital goods on zero percent custom duty. Under the both license the Company needs to fulfill certain export obligations, failing which, it is liable for payment of custom duty. Export obligations is Rs. 1846.23 lakhs. Rs. 1,846.23 lakhs needs to be completed within 8 years (till F.Y.2021-22) from the date of purchase of respective Capital Goods. In case of advance licence, material must be exported within 18 months from the date on which goods were cleared from Customs under advance licence.

Note 35 : Leases

Effective April 1, 2019, the company has adopted Ind AS 116, Leases, using modified retrospective approach. On adoption of the new standard IND AS 116 resulted in recognition of 'Right of Use' assets and a lease liability. The cumulative effect of applying the standard was debited to retained earnings. The effect of this adoption is insignificant on the profit before tax, profit for the period and earnings per share. Ind AS 116 will result in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments.

Following are the changes in the carrying value of right of use assets for the year ended March 31, 2021

Particulars	Amount
Opening carrying value of Rights to use Assets	67.48
Transition impact on account of adoption of IND AS 116	-
Addition	-
Depreciation	(23.77)
Deletion	(43.71)
Balance as at 31st March, 2021	-

The following is the break-up of current and non-current lease liabilities as at March 31, 2021

Particulars	Amount
Current lease liabilities	-
Non-Current lease liabilities	-
Balance as at 31st March, 2021	-

The following is the movement in lease liabilities during the year ended March 31, 2021:

Particulars	Amount
Balance as at 1st April, 2020	76.03
Addition	-
Finance cost accrued during the period	5.93
Payment of lease liabilities	(18.33)
Profit on lease rent concession	(10.71)
Deletion	(52.91)
Balance as at 31st March, 2021	-

The table below provides details regarding the contractual maturities of lease liabilities as at March 31, 2021 on an undiscounted basis :

Particulars	Year ended 31 March 2021
- Less than one year	-
- Later than one year but not later than five years	-
- Later than five years	-
TOTAL	-

Note 36 : Expenditure on Corporate Social Responsibility Activities

Particulars	As at 31 March 2021
Details of CSR Expenditure:	
Gross amount required to be spent by the holding company during the year.	72.48

Particulars	Amount Spent 31 March 2021	Amount yet to be Spent 31 March 2021	Total 31 March 2021
a) Construction / acquisition of any assets	-	-	-
b) On purpose other than 1 above	72.51	-	72.51

Note 37 : Segment Reporting as required under Indian Accounting Standard 108, "Operating Segments" :

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM") of the Group. The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Managing Director/Chairman of the Group. The Group operates only in one Business Segment i.e. "Manufacturing of Drugs & Pharmaceutical", hence does not have any reportable Segments as per Ind AS 108 "Operating Segments".

Note 38 : Disclosure relating to employee benefits as per Ind AS 19 'Employee Benefits'
A Defined benefit obligations - Gratuity (Non Funded)

The gratuity plan is governed by the Payment of Gratuity Act, 1972 under which an employee who has completed five years of service is entitled to specific benefits. The level of benefits provided depends on the member's length of service and salary at retirement age.

Particulars	Year ended 31 March 2021
a) Changes in defined benefit obligations	
Present value of obligation as at the beginning of the year	
Defined Benefit Obligation ("PBO") at the beginning of the year	131.45
Service cost	24.39
Interest cost	8.22
Actuarial loss / (gain)	(10.79)
Benefits paid	(13.88)
Present value of obligation as at the end of the year	139.39

Particulars	Year ended 31 March 2021
b) Expenses recognised in the Statement of Profit and Loss	
Current service cost	24.39
Past service cost	-
Interest cost	8.22
Expected return on plan assets	-
Net actuarial (gain) / loss recognized in the year	-
Total	32.60
c) Remeasurement (gains)/ losses recognised in OCI	
Actuarial changes arising from changes in financial assumptions	-
Actuarial changes arising from changes in demographic assumptions	-
Experience adjustments	(10.79)
Total	(10.79)
d) Actuarial assumptions	31 March 2021
Discount rate	6.05% - 6.55% p.a.
Normal retirement age (in years)	58
Salary escalation rate (% p.a.) *	5% p.a.
Attrition rate	10% at all ages
Mortality rate	Indian assured lives mortality (2012-14) ultimate
The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.	
e) Quantities sensitivity analysis for significant assumption is as below:	
Particulars	31 March 2021
	1% increase
i. Discount rate	132.22
ii. Salary escalation rate - over a long-term	144.78
	1% decrease
i. Discount rate	147.36
ii. Salary escalation rate - over a long-term	134.46
Sensitivity for significant actuarial assumptions is computed by varying one actuarial assumption used for the valuation of the defined benefit obligation, keeping all other actuarial assumptions constant.	

B Other Employee Benefits
Leave Encashment (Non Funded)

Particulars	Year ended 31 March 2021
a) Changes in defined benefit obligations	
Present value of obligation as at the beginning of the year	
Defined Benefit Obligation ("PBO") at the beginning of the year	66.42
Service cost	17.51
Interest cost	4.06
Actuarial loss / (gain)	4.68
Benefits paid	(3.54)
Present value of obligation as at the end of the year	89.12
b) Expenses recognised in the Statement of Profit and Loss	
Current service cost	17.51
Past service cost	-
Interest cost	4.06
Expected return on plan assets	-
Net actuarial (gain) / loss recognized in the year	4.68
Total	26.25
c) Remeasurement (gains)/ losses recognised in OCI	
Actuarial changes arising from changes in financial assumptions	-
Actuarial changes arising from changes in demographic assumptions	-
Experience adjustments	-
Total	-
d) Quantities sensitivity analysis for significant assumption is as below:	
Particulars	31 March 2021
	1% increase
i. Discount rate	85.69
ii. Salary escalation rate - over a long-term	92.86
	1% decrease
i. Discount rate	92.85
ii. Salary escalation rate - over a long-term	85.62
Sensitivity for significant actuarial assumptions is computed by varying one actuarial assumption used for the valuation of the defined benefit obligation, keeping all other actuarial assumptions constant.	

C Current/ non-current classification

Particulars	31 March 2021
Gratuity	
Current	37.82
Non-current	101.56
	139.39
Leave entitlement (including sick leave)	
Current	36.21
Non-current	52.91
	89.12

Note 39 : Fair Value Measurement
(i) Financial instruments by category

Rs in Lakhs

Particulars	Refer note	As at March 31, 2021				
		Non - Current	Current	FVTPL	FVOCI	Amortised Cost
Financial Assets:						
Investments						
Investments in equity shares	4	2.00	-	-	-	2.00
Trade receivables	9	-	1,369.80	-	-	1,369.80
Others financial assets	5 & 12	132.85	43.68	-	-	176.53
Cash and cash equivalents	10	-	88.39	-	-	88.39
Other bank balances	11	-	81.99	-	-	81.99
Total Financial Assets		134.85	1,583.86	-	-	1,718.71
Financial Liabilities:						
Borrowings	16 & 19	1,444.00	1,363.73	-	-	2,807.73
Trade payables	20	-	3,095.30	-	-	3,095.30
Other financial liabilities	21	-	1,672.97	-	-	1,672.97
Total Financial Liabilities		1,444.00	6,132.00	-	-	7,576.00

The Group has not disclosed the fair values for financial instruments for other financial assets (current and non current), trade receivables, cash and cash equivalents and bank balances other than cash and cash equivalents, Borrowings (current and non current), Trade payables, other current financial liabilities because their carrying amounts are reasonably approximation of fair value.

(ii) Fair value hierarchy

Fair value hierarchy explains the judgement and estimates made in determining the fair values of the financial instruments that are -

- recognised and measured at fair value
- measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the three levels prescribed under the accounting standard.

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

Assets and Liabilities that are disclosed at Amortised Cost for which Fair values are disclosed are classified as Level 3.

If one or more of the significant inputs is not based on observable market data, the respective assets and liabilities are considered under Level 3.

Note 40 : Financial risk management objectives and policies

The Group's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Group's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

i. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Major financial instruments affected by market risk includes loans and borrowings.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's total debt obligations with floating interest rates.

The interest rate profile of the Group's interest-bearing financial instruments as reported to the management of the Group is as follows:

Particulars	As at March 31, 2021
Fixed-rate instruments:	
Financial liabilities (Borrowings)	10.12
	10.12
Variable-rate instruments:	
Financial liabilities (Borrowings)	3,128.35
	3,128.35

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Group's profit/(loss) before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	As at March 31, 2021
Increase in basis points	50 basis points
Effect on profit/(loss) before tax, increase by	15.64
Decrease in basis points	50 basis points
Effect on profit/(loss) before tax, decrease by	-15.64

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

b) Foreign currency risk

The Group is exposed to currency risk on account of its operating and financing activities. The functional currency of the Group is Indian Rupee. Our exposure are mainly denominated in U.S. dollars and European dollars. The Group's business model incorporates assumptions on currency risks and ensures any exposure is covered through the normal business operations. This intent has been achieved in all years presented. The Group has put in place a Financial Risk Management Policy to identify the most effective and efficient ways of managing the currency risks.

Exposure to currency risk

The currency profile of financial assets and financial liabilities as at March 31, 2021 are as below:

31st March, 2021	Rs. in lakhs	EUR	Rs. in lakhs	USD
Financial assets				
Trade Receivables	2.86	0.03	95.20	1.30
Cash and cash equivalents	-	-	0.62	0.01
Net exposure for assets	2.86	0.03	95.81	1.30
Financial liabilities				
Trade Payables	-	-	-	-
Net exposure for liabilities	-	-	-	-
Net exposure (Assets - Liabilities)	2.86	0.03	95.81	1.30

Sensitivity analysis

A reasonably possible strengthening / (weakening) of the Indian Rupee against US dollars and European dollars at 31st March would have affected the measurement of financial instruments denominated in US dollars and affected profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases. In cases where the related foreign exchange fluctuation is capitalised to fixed assets or recognised directly in reserves, the impact indicated below may affect the Group's income statement over the remaining life of the related fixed assets or the remaining tenure of the borrowing respectively.

Impact of movement on Profit or (loss) and Equity :

Effect in INR (before tax)	Profit or (loss) and Equity	
	Strengthening	Weakening
For the year ended 31st March, 2021		
1% movement		
USD	1.00	(1.00)
EUR	-	-
	1.00	(1.00)

c) Other price risk

The Group is not exposed to any other price risk.

ii. Credit risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure of the financial assets are contributed by trade and other receivables, cash and cash equivalents and security deposits.

Trade receivables

The Group extends credit to customers in normal course of business. The Group considers factors such as credit track record in the market and past dealings for extension of credit to customers. To manage credit risk, the Group periodically assesses the financial reliability of the customer, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivables. Outstanding customer receivables are regularly monitored to make an assessment of recoverability. Receivables are provided as doubtful / written off, when there is no reasonable expectation of recovery. Where receivables have been provided / written off, the Group continues regular follow up, engage with the customers, legal options / any other remedies available with the objective of recovering these outstandings. The Group is not exposed to concentration of credit risk to any one single customer since services are provided to vast spectrum.

Ageing of Trade receivables

Particulars	As at 31 March 2021
Not due	-
0 - 6 months	1,255.87
6 - 12 months	48.37
Beyond 12 months	361.22
Total	1,665.46

Other Financial Assets

The Group maintains exposure in cash and cash equivalents, security deposits and other receivables. The Group goes through regular follow up for recovering the amount of deposit and other receivables. Credit risk on cash and cash equivalents is limited as the Group generally invest in deposits with banks and financial institutions with high credit ratings.

The movement of the allowance for lifetime expected credit loss is stated below:

Particulars	Year ended March 31, 2021
Opening allowance	293.80
Add : additional allowance made	1.86
Less : allowance reversed	-
Closing provisions	295.66

iii. Liquidity risk

Liquidity is defined as the risk that the Group will not be able to settle or meet its obligations on time or at a reasonable price. The Group's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Group's net liquidity position through rolling forecasts on the basis of expected cash flows.

The table below provides details regarding the contractual maturities of significant financial liabilities:

Particulars	On demand	Less than 1 year	1 - 5 years	More than 5 years	Total
As at 31 March 2021					
Borrowings	1,363.73	330.74	1.07	1,442.94	3,138.47
Trade payables	-	3,095.28	-	-	3,095.29
Other financial liabilities	1,000.00	342.23	-	-	1,342.23
	2,363.72	3,768.25	1.07	1,442.94	7,575.99

Note 41 : Capital management

For the purpose of the Group's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Group. The Group strives to safeguard its ability to continue as a going concern so that they can maximise returns for the shareholders and benefits for other stake holders. The aim to maintain an optimal capital structure and minimise cost of capital.

To maintain or adjust the capital structure, the Group usually turns to reputed banks and other financial institutions for funds. Consistent with others in the industry, the Group monitors its capital using the gearing ratio which is total debt divided by total capital plus total debts.

Particulars	As at March 31, 2021
Total debts	3,139.96
Total equity	7,914.84
Total debts to equity ratio (Gearing ratio)	28.40%

Note 42 : Slump sale

The holding company has entered into Business transfer agreement dated 24th March, 2021 with its subsidiary, Brooks Steriscience Limited (BSL) for transfer of its manufacturing facility situated at Vadodara. BSL will issue 60,000 equity shares as sales consideration at price based on the income tax net worth as on closing date. Accordingly, 60,000 shares will be issued at face value of Rs. 10 each at an issue price of Rs. 7,760.93 including premium of Rs. 7,750.93 per equity share aggregating to Rs. 4656.56 lakhs towards consideration for transfer of assets and liabilities under slump sales. Accordingly the Company has transferred its respective assets and liabilities on 31st March, 2021 being the closing date. The accounting impact of same is given in accordance with Ind AS 103 "Business Combinations" under common control business combination.
