## CORPORATE GOVERNANCE REPORT 2019-20

CIN: L35923HR1950PLC001614

*The Directors present the Company's Report on Corporate Governance for the year ended March 31, 2020, in compliance with the requirements stipulated under Regulation 17 to 27 read with Schedule V and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), as applicable, with regard to corporate governance.*

Corporate Governance is the set of policies, processes and practices governing the affairs of a Company in pursuit of its business goals. Corporate Governance is based on the principles of integrity, fairness, equity, transparency, accountability and commitment to values. Good governance practices stem from the culture and mindset of the organization. As stakeholders across the globe evince keen interest in the practices and performance of companies, Corporate Governance has emerged on the centre stage.

Over the years, governance processes and systems have been strengthened and institutionalized at Atlas. Effective implementation of these policies underpins the commitment of the Company to uphold highest principles of Corporate Governance consistent with the Company's goal to enhance shareholders' value.

Keeping in view the Company's size, complexity, global operations and corporate traditions, the Company's Governance framework is based on the following main principles:

- Constitution of Board of Directors of appropriate composition, size, varied expertise and commitment to discharge their responsibilities and duties.
- Ensuring timely flow of information to the Board and its Committees to enable them to discharge their functions effectively.
- A sound system of risk management and internal control.
- Independent verification and safeguarding integrity of the Company's financial reporting.
- Timely and balanced disclosure of all material information concerning the Company to all stakeholders.
- Transparency and accountability.
- Fair and equitable treatment to all stakeholders including employees, customers, shareholders and investors.
- Compliance with all the rules and regulations.

The Company recognizes that good Corporate Governance is a continuing exercise and is committed to follow the best practices in the overall interest of the stakeholders.

A Report on compliance with the principles of Corporate Governance as prescribed by The Securities and Exchange Board of India (SEBI) in Chapter IV read with Schedule V of the Listing Regulations is give below:

## 1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

Corporate Governance deals with the complex set of relationships between the Company and its board of directors, management, shareholders and other stakeholders. Your Company believes that changes are inevitable in the corporate world, whether relating to laws, rules, regulations, standards, procedures, public disclosures, thereby constantly posing challenges for the corporate to meet with the highest set of standards of business ethics and fair play. However adherence to Corporate Governance practices at each such time shall lead the way to transparent and just business operations.

Corporate Governance encompasses good practices, adherence to laws, procedures, standards and implicit rules that enable the management to take wise and sound decisions, whose results will have an impact not only on its shareholders, creditors, associates, employees and the government but society at large. The core objective of Corporate Governance is to maximize shareholder value through an open and transparent disclosure regime. Corporate Governance practice enables every stakeholder to have access to fullest information about the Company and its functioning thereby achieving stakeholder's satisfaction.

In view of the above statement, your Company reaffirms its commitment to excellence in Corporate Governance and constantly strives and endeavors to attain the high standards of business ethics and fair play, by employing the finest practices of corporate values and ethics. Your Company also believes that good Corporate Governance will also help to translate into being a responsible corporate citizen.

Shares sent for transfer in physical form are processed and transfer is completed by our Registrar and Share Transfer Agents within a period of 15 days from the date of receipt provided all the documents are in order. In case of shares in electronic form, the transfers are processed by NSDL/CDSL through respective Depository Participants. Share Transfer Requests under objection are returned within two weeks.

Shareholders can trade in the Company's share only in electronic form. The process for getting the shares dematerialized is as follows:

- Shareholder submits the share certificates along with Dematerialization Request Form (DRF) to Depository Participant (DP).
- DP processes the DRF and generates a unique Dematerialization Request No.
- DP forwards DRF and share certificates to Registrar and Share Transfer Agent (RTA).
- RTA after processing the DRF confirms or rejects the request to Depositories.
- If confirmed by the RTA, Depositories give credit to shareholder in his account maintained with DP.

This process takes approximately 10-15 days from the date of receipt of DRF. As trading in shares of the Company can be done only in electronic form, it is advisable that the shareholders who are holding shares in physical form get their shares dematerialized.

## MANAGEMENT DISCUSSION & ANALYSIS

(for year ended 31<sup>st</sup> March, 2020)

### FORWARD LOOKING STATEMENTS

This report contains forward-looking statements, which may be identified by the use of words like 'plans', 'expects', 'will', 'anticipates', 'believes', 'intends', 'projects', 'estimates' or other words of similar connotation. All statements that address expectations or projections about the future, including, but not limited to statements about the Company's strategy for growth, product development, market position, expenditures, and financial results, are forward-looking statements. Forward-looking statements are based on certain assumptions and expectations of future events. The Company cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company's actual results, performance or achievements could thus differ materially from those projected in any such forward looking statements. The Company assumes no responsibility to amend, modify or revise any forward looking statement, on the basis of any subsequent developments, information or events.

### INDUSTRY OVERVIEW

India produces approximately 10% of the world annual bicycle production, which is estimated at 150 Million units. The annual domestic demand of bicycles in India is approximately 12.5 million units, out of which around 4.0 million units is a government demand for the various welfare schemes. Exports out of India are largely to Africa and the less developed economies and negligible to western markets. Today, the Indian bicycle manufacturing and bicycle parts industry is widely recognized for its quality standards in the international market.

Bicycle market in India is projected to grow at a CAGR of over 10% till 2022 on account of growing population base, increasing discretionary spending and rising health consciousness among people. In India cycle is being swiftly adopted as a mean to stay fit and as a popular recreational activity. Growing urban population base and rising demand for roadster bicycles from rural population to derive growth in the countries bicycle market in the ensuring years.

The market for the premium or the lifestyle bikes targeted towards the lifestyle consumer is just about emerging on account of increasing individual incomes and higher aspiration levels of the middle income group. Growth in the "specials segment" (Sport Light Roadster, mountain terrain bike and children's bicycles) was higher than in the "standard segment". The definition of high end bikes itself is changing.

Not only are the price points changing, but even definitions of the segments. Cycles were simplistically segmented into gents, ladies, kids and high end. But now the lifestyle bikes are being segmented in line with the global trend that is based on their usage. There are Road bikes, Mountain terrain bikes and Children bikes etc.

M/s Atlas Cycles (Haryana) Limited is a Public Limited Listed Company having presence in bicycles segment with a track record of more than 69 Years, having established brand both in Indian as well as International Market. The company is engaged in manufacturing of bicycles and bicycles components.

### OPPORTUNITY AND THREATS

The areas of strength are promoters having long track record, rich experience and adequate manufacturing infrastructure with latest technology and strong dealers network. Atlas Brand is well accepted both in Indian as well as International Market and one of the largest cycle manufacturer in the world. However, the areas of weaknesses: Rising input cost i.e. prices of sheets, strips, Tyres, Tubes and other related chemicals are governed by external forces including its trend in International Market. Product obsolescence vis-a-vis non-acceptance of model could adversely affect the revenue stream and profitability. Further these are the major areas under business risk, promoters risk, and financial risk and so on.

### PRODUCTWISE PERFORMANCE

The company has a recognized Research and Development centre recognized by the Government of India which is continuously working on development of new models and upgrading the present models. The company has introduced a number of new models in the market keeping in view the market trend and customer preference for fancy bicycles. Further Atlas has widened its product range and the company is concentrating and researching more and more on Fancy cycles for satisfying changing needs of youth.

### OUT – LOOK

India is the second largest manufacturer of bicycles in the world. Unlike the developed nations where bicycle is used primarily for health & recreational purposes, India needs bicycles for socio-economic empowerment of 1/3<sup>rd</sup> of its populations. Growth in population, health consciousness and socio-economically sustainable rural development are most important demographic trends promoting bicycle as the obvious choice of transportation in future. Out of the total quantity sold, approximately 55% bicycles are roadsters 25% fancy and about 20% meant for kids. With rising income of the middle class, fancy and kids segment will grow at a much faster pace as compared to normal roadster cycles.

### SEGMENT WISE PERFORMANCE

Bicycle industry has continued to show a growth of around 4 to 5% during last two years inspite of general slowdown in the economy. Standard bicycle segment which contributes around 55% of the total sales is growing marginally as compared to Fancy and Kids segments which are growing at 7 to 8% every year. Fancy cycles with features like disc breaks, shockers, alloy wheels and gears are driving the sales particularly in metro and mini-metro cities. With rising income of the middle class, fancy segment especially the kids segment is showing a very healthy growth.

### RISK AND CONCERNS

Small manufacturers from unorganized sectors are increasing their market presence every year. With little infrastructure and low over heads, they are able to supply bicycles at a very low price as compared to the organized sector because of which profitability of the industry is under stress. Though they are not

supplying very good quality product and their after sales service is not comparable, but because of the price advantage, their sales volume is increasing every year.

#### INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

To achieve effectiveness and efficiency of operation, reliability of financial reporting and compliance with applicable laws, rules, and regulations and compliance of significant policies, the Company has a well defined system of internal control throughout the organization. The internal audit department regularly probes the deficiency in operation of internal control and suggest ways to rectify such deficiencies. To improve efficiency and internal control company has introduced Microsoft-Navision 2009, an Enterprise Resource Planning (ERP) system. Due to the total integration, there is a consistent flow of accurate and easy to access data within all the departments. The company has adequate systems of internal control to provide reasonable assurance that assets are safeguarded and protected against loss from unauthorized use or disposition and those transactions are authorized, recorded and reported properly.

#### FINANCIAL PERFORMANCE

The company has achieved a turnover ₹ 15590.21 Lacs in FY 2019-20 compared to ₹ 53836.12 Lacs during the previous year.

#### HEALTH SAFETY AND ENVIRONMENT

Atlas is fully committed to the safety, health and well-being of

its employees and to minimizing the environmental impact on its business operations. A safe and healthy environment is maintained and appropriate steps are taken with the object of minimizing the environmental impact on all processes and practices. The Company has a range of policies on quality, safety and health aspects to guide the employees work practices, actions and decisions. The Company strives to continuously improve the effectiveness of its policies and the employees are encouraged to contribute their mite in this direction. All employees are obliged to ensure that they fully understand all policies and do fully comply with the requirements.

#### HUMAN RESOURCE AND INDUSTRIAL RELATIONS

One of the "Key" reasons for the exponential growth of Atlas is undoubtedly its "People". The Company has always provided an open and challenging work environment, wherein the staff members get an opportunity to rapidly gain and assimilate knowledge. Creativity and dedication of all the employees represent the most precious assets of the Company. For the growth of the organization, the human resource function has an important role to play not only in identifying and recruiting suitable individuals, but also in developing and rewarding its employees. As such, we have remained focused on strengthening human capital through continuous training and development and by upgrading skills of employees to meet the Company's objectives. The Company has a union free environment and the industrial relations scenario continued to be stable during the year.

#### DETAILS OF SIGNIFICANT CHANGES (I.E. CHANGE OF 25% OR MORE AS COMPARED TO THE IMMEDIATELY PREVIOUS FINANCIAL YEAR) IN KEY FINANCIAL RATIOS, ALONG WITH DETAILED EXPLANATIONS THEREFOR, INCLUDING:

## **INDEPENDENT AUDITOR'S REPORT**

### **TO THE MEMBERS OF ATLAS CYCLES (HARYANA) LIMITED**

#### **Report on the Audit of Standalone Financial Statements**

##### **Opinion**

We have audited the standalone financial statements of Atlas Cycles (Haryana) Limited ("the Company") which comprise Balance Sheet as at 31<sup>st</sup> March, 2020, the Statement of Profit and Loss, the Cash Flow Statement and statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, aforesaid standalone financial statements give the information required by the companies Act 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian accounting standards ("IND AS") prescribed under section 133 of the act read with the companies (Indian accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the company as at 31<sup>st</sup> March 2020, of its loss, changes in equity and cashflows for the year ended on that date.

##### **Basis of Opinion**

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement. We are independent of the company in accordance with the code of ethics issued by The Institute of Chartered Accountants of India and we have fulfilled our ethical responsibilities in accordance with the provisions of the act. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our opinion.

##### **Emphasis on Matter**

There were no significant impact of COVID-19 on the financial statements of the Company for the year ended 31<sup>st</sup> March, 2020 however the impact on next financial year is presently not ascertainable, in the opinion of the management the impact would not be significant which describes the management's assessment of the impact of the outbreak of COVID-19 on the activities of the Company. The management believes that no adjustments are required in the Financial statements as it does not impact the current financial year, however in view of the various preventive measures taken and highly uncertain economic environment, a definitive assessment of the impact on the subsequent periods is highly dependent upon circumstances as they evolve. Our opinion is not modified in respect of this matter.

##### **Key Audit matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of current period. These matters were addressed

in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

##### **Other Information**

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

##### **Management's Responsibilities for the Standalone Financial Statements**

The Company's Management and Board of Directors are responsible for the preparation and presentation of these standalone financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the standalone financial position, standalone financial performance, standalone cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act. The Company's Board of Directors are also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of the standalone financial statements. The Board of Directors of the company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management and Board of Directors of the Company are responsible for assessing the ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company

or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of the Company is also responsible for overseeing the financial reporting process of the company.

### **Auditors' Responsibility for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial control systems in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2016 (The Order) issued by the Central Government of India in terms of section 143(11) of the Act, we give in "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable

- A. As required by Section 143 (3) of the Act, we report, to the extent applicable, that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the company so far as it appears from our examination of those books.
  - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid standalone financial statements comply with the IND AS specified under Section 133 of the Act read with companies (Indian Accounting Standard) Rules 2015 as amended.
  - (e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors disqualified as on 31st March 2020, from being appointed as a director in terms of Section 164 (2) of the Act.
  - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- B. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the

Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company, as explained by the management, has legal cases amounting to Rs. 66.85 crores which have been filed in different courts by the vendors against the company for recovery of their dues and no interest liability is likely to incur and hence not provided for.
- ii. The Company did not have any long-term contracts including derivatives for which there were any material foreseeable losses.
- iii. There has been some delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

**C. With respect to the matter to be included in the Auditor's report under Section 197(16)**

**“ANNEXURE A” TO THE INDEPENDENT AUDITORS’ REPORT**

(Referred to in paragraph 1 under “Report on Other Legal and Regulatory Requirements” section of our report of even date to the members of ATLAS CYCLES (HARYANA) LTD.)

The Annexure referred to in our Independent Auditors’ Report to the members of the Company on the standalone Ind AS Financial Statements for the year ended 31 March 2020, we report that:

- 1) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
- (b) The Fixed Assets have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the year and no material discrepancies between the book's records and the physical fixed assets have been noticed.
- (c) According to information and explanations given to

us and on the basis of our examination of the records of the company, the title deeds of immovable properties are held in the name of the company.

- (d) The company has during the year sold its Rasoi plant, steel tube plant in Bawal and other non- core land and building(residential) in Sonipat, Refer note 4 of the balance sheet.
- 2) (a) As explained to us, the inventories were physically verified during the year by the Management, wherever applicable, at reasonable intervals other than for inventories lying with third parties at the end of the year for which confirmations have been obtained in most of the cases.
- b) The discrepancies noticed on physical verification of the inventory as compared to books records which has been properly dealt with in the books of account were not material.
- 3) The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (C) of the Order are not applicable to the Company and hence not commented upon.
- 4) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 In respect of loans, investments, guarantees, and security.
- 5) The Company has not accepted deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable
- 6) As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company and the such accounts and records are made and maintained by the company.
- 7) According to the information and explanation given to us, and the records of the company examined by us, the company is not regular in depositing with the appropriate authorities undisputed statutory dues including provident fund, employees state insurance, income-tax, goods and service tax, duty of customs, cess and other material statutory dues. However, according to the information and explanation given to us, no undisputed material amounts payable in respect of statutory dues were in arrears as at 31st March, 2020 for a period more than six months from the date they became payable, on account of ESI of ₹ 17,896/- and PF of ₹ 4,33,405/- which is yet to be deposited by Sonapat unit of the Company.
- 8) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to banks. The Company has not taken any loan either from financial institutions or from the government and has not issued any debentures.

financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that

transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Financial Statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## NOTES TO FINANCIAL STATEMENTS

### NOTE: 2 & 3

#### 1. Significant accounting policies

##### 1.1. Basis of measurement

The financial statements have been prepared under historical cost convention on accrual basis, except for the items that have been measured at fair value as required by relevant Ind AS. The standalone financial statements are presented in Indian Rupees, which is the Company's functional and presentation currency and all amounts are rounded to the nearest rupees and two decimals thereof, except as stated otherwise.

##### 1.2. Use of estimates and judgements

The presentation of the financial statements in conformity with Ind AS requires the management to make estimates, judgements and assumptions affect the application of accounting policies and reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and reported amount of revenue and expenses during the reporting period. The application of accounting policies that requires critical accounting estimates involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed in Note 3.3. Accounting estimates could change from period to period. Actual result could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which such changes are made and, if material, their effects are disclosed in the notes to the financial statements.

##### 1.3. Critical accounting estimates

###### a) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced by rebates and other similar allowances.

**Revenue from the sale of goods** is recognised when the goods are dispatched and titles have passed, at which time all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably

**Dividend income** from investments is recognised when the shareholder's right to receive payment has been established.

**Interest income** from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on, time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

###### b) Useful lives and residual value of property, plant and equipment and Intangible assets

Company reviews the useful lives and residual values of property, plant and equipment and Intangible Assets at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs. Accordingly useful lives are reviewed annually using the best information available to the Management.

##### 1.4. Property, plant and equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the Management. The Company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. The management has used useful lives for assets as mentioned in Schedule II of Companies Act, 2013

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under other non-current assets and the cost of assets not ready to use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the Statement of Profit and Loss when incurred.

The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

#### **1.5. Impairment of assets**

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

If such assets are impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated depreciation) had no impairment loss been recognized for the asset in prior years.

#### **1.6. Intangible assets**

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances). Amortization methods and useful lives are reviewed periodically including at each financial year end.

Computer software which is not an integral part of the related hardware is classified as an intangible asset and is being amortized over the estimated useful life.

#### **1.7. Employee benefits**

##### **Defined contribution plan**

Employee benefits in the form of Provident Fund (with Government Authorities) are considered as defined contribution plan and the contributions are charged to the statement of Profit & Loss of the year when the contributions to the respective funds are due.

##### **Defined benefit plan**

Retirement benefits in the form of Gratuity and Long term compensated leaves are considered as defined benefit obligations and are provided for on the basis of an actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet. Other short-term absences are provided based on past experience of leave availed.

Actuarial Gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income (OCI) in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

#### **1.8. Financial instruments – initial recognition, subsequent measurement and impairment**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets or a liability is recognised when the Company becomes a Party to the contractual provision of the instrument.

##### **a) Financial assets**

Financial assets include cash and cash equivalent, trade and other receivables, investments in securities and other eligible current and noncurrent assets.

Financial Assets are measured at amortised cost or fair value through Other Comprehensive Income or fair value through Profit or Loss, depending on its business model for managing those financial assets and the assets contractual cash flow characteristics.

Subsequent measurements of financial assets are dependent on initial categorisation. For impairment purposes significant financial assets are tested on an individual basis, other financial assets are assessed collectively in groups that share similar credit risk characteristics.

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial assets expire or it transfers the financial assets and the transfer qualifies for the derecognition under Ind AS 109.

##### **Investment in equity shares**

Investments in equity securities are initially measured at fair value. Any subsequent fair value gain or loss is recognized through Profit or Loss.

The company assesses impairment based on expected credit loss (ECL) model to all its financial assets measured at amortised cost.

**b) Financial liabilities**

Financial liabilities include long term and short-term loan and borrowings, trade and other payables and other eligible current and non-current liabilities.

All financial liabilities recognized initially at fair value and, in the case of loans and borrowing and other payable, net of directly attributable transaction costs. After initial recognition, financial liabilities are classified under one of the following two categories

**i) Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial measurement recognition at fair value through profit or loss. Financial liabilities at fair value through profit or loss are at each reporting date at fair value with all the changes recognized in the Statement of Profit and Loss.

**ii) Financial liabilities measured at amortised cost**

After initial recognition, such financial liabilities are subsequently measured at amortized cost by applying the Effective Interest Rate (EIR) method to the gross carrying amount of financial liability. The EIR amortization is included in finance expense in the profit and loss.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

**1.9. Taxes on income**

Income tax expense represents the sum of current and deferred tax. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income.

Current tax provision is computed for Income calculated after considering allowances and exemptions under the provisions of the applicable Income Tax Laws. Current tax assets and current tax liabilities are off set, and presented as net.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit and are accounted for using the liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that in future taxable profits will be available to set off such deductible temporary differences. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred tax assets and deferred tax liabilities are off set, and presented as net.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.

**1.10. Provisions, contingent liabilities and contingent assets**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each reporting period and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognized in financial statements but are disclosed, if any.

**1.11. Borrowing cost**

Borrowing costs incurred for the acquisition or developing of qualifying assets are recognized as part of cost of such assets when it is considered probable that they will result in future economic benefits to the company. While other borrowing cost are expensed in period in which they are incurred

**1.12. Foreign currency transactions**

Financial statements have been presented in Indian Rupees, which is the Company's functional and presentation currency. Transactions in foreign currencies are initially recorded by the Company at rates prevailing at the date of the transaction. Subsequently monetary items are translated at closing exchange rates of balance sheet date and the resulting exchange difference recognised in profit or loss. Differences arising on settlement of monetary items are also recognised in profit or loss.

**1.13. Provision for bad debts**

Provision against doubtful debtors to be created based on the age and category (good, doubtful, disputed and irrecoverable) of the debtors. Provision for Bad and Doubtful debts have been created on case to case basis after assessing the recoverability aspect.

**1.14. Government grant**

Grants related to specific Fixed Assets are disclosed as a deduction from the value of concerned Assets. Grants related to revenue are credited to the statement of Statement of Profit and Loss. Grants in the nature of promoter's contribution are treated as Capital Reserve.

**1.15. Cash flow statements**

Cash Flow is reported using indirect method, whereby net profits before tax is adjusted for the effects of transactions of a non- cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from regular revenue generation, investing and financing activities of the company are segregated.

**37 FINANCIAL RISK MANAGEMENT**

The Company's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables, and financial guarantee contracts. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan and other receivables, trade and other receivables, and cash and short-term deposits that arise directly from its operations. The Company's activities are exposed to **market risk, credit risk and liquidity risk**.

**I. Market risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments. The sensitivity analyses in the following sections relate to the position as at 31st March 2020 and 31st March 2019.

The analyses exclude the impact of movements in market variables on: the carrying values of gratuity and other postretirement obligations; provisions; and the non-financial assets and liabilities of foreign operations. The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks.

**(a) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regard to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of the fixed rate and floating rate financial instruments in its total portfolio.

- (i) The exposure of Company borrowings to interest rate changes at the end of reporting period are as follows:

(Amount in ₹)		
Particulars	As at 31 March 20	As at 31 March 19
Variable rate borrowings	-	568,466,587
Fixed rate borrowings	92,601,894	36,776,661
<b>Total borrowings</b>	<b>92,601,894</b>	<b>605,243,248</b>

- (ii) As at the end of reporting period, the Company had the following variable rate borrowings outstanding:

Particulars	As at 31 March 20		As at 31 March 19	
	Balance	% of total loans	Balance	% of total loans
Loans repayable on demand (Cash Credit)	-	-	568,466,587	100.00%
<b>Net exposure to cash flow interest rate risk</b>	<b>-</b>	<b>-</b>	<b>568,466,587</b>	<b>100%</b>

(iii) Sensitivity

Profit/loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

Particulars	Increase/ Decrease in Basis Points		Impact on Profit before Tax	
	31-Mar-20	31-Mar-19	31-Mar-20	31-Mar-19
Decrease in Profit before Tax	+50	+50	-	2,842,333
Increase in Profit before Tax	- 50	- 50	-	-2,842,333

(b) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is exposed to the foreign exchange risk through its trading sales.

Foreign currency exposure	Currency	Amount in Forex	
		As at 31 March 20	As at 31 March 19
Trade Receivables	USD	56,900	182,076

II. Credit risk

Credit risk arises from the possibility that the counterparty will default on its contractual obligations resulting in financial loss to the company. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial conditions, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks, mutual funds and other financial instruments.

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in domestic markets. The Company has also taken advances and security deposits from its customers, which mitigate the credit risk to an extent.

III. Liquidity Risk

Liquidity risk is defined as the risk that company will not be able to settle or meet its obligation on time or at a reasonable price. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risk are overseen by senior management. Management monitors the Company's net liquidity position through rolling, forecast on the basis of expected cash flows.

#### Notes-

- Debt is defined as long-term and short-term borrowings including current maturities (excluding derivatives) as described in notes 19 and 22.
- Total equity (as shown in balance sheet) includes issued capital and all other equity reserves.

### 39 RECOGNITION OF OPENING AND CLOSING BALANCES OF DEFINED BENEFIT OBLIGATION

In accordance with the Payment of Gratuity Act, 1972, the Company provides for gratuity, as defined benefit plan. The gratuity plan provides for a lump sum payment to the employees at the time of separation from the service on completion of vested year of employment i.e. five years. The liability of gratuity plan is provided based on actuarial valuation as at the end of each financial year based on which the Company contributes the ascertained liability to Life Insurance Corporation of India with whom the plan assets are maintained.

**These plans typically expose the Company to actuarial risks such as: investment risk, inherent interest rate risk, longevity risk and salary risk**

<b>Investment Risk</b>	The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. Currently for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.
<b>Interest Rate Risk</b>	The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.
<b>Longevity Risk</b>	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
<b>Salary Risk</b>	Higher than expected increases in salary will increase the defined benefit obligation.

**The present value of the defined benefit obligation, and the related current service cost, were measured using the projected unit credit method.**

**Movements in the present value of the defined benefit obligation are as follows :-**

(Amount in ₹)

GRATUITY	Gratuity (Funded)

## **INDEPENDENT AUDITOR'S REPORT**

### **TO THE MEMBERS OF ATLAS CYCLES (HARYANA) LIMITED**

#### **Report on the Audit of Consolidated Financial Statements**

##### **Opinion**

We have audited the accompanying consolidated financial statements of Atlas Cycles (Haryana) Limited ("the Holding Company") and its Subsidiaries Atlas Cycles (Sonapat) Limited, Atlas Cycles (Sahibabad) Limited and Atlas Cycles (Malanpur) Limited (collectively referred to as "the Group") which comprise the consolidated Balance Sheet as at 31<sup>st</sup> March, 2020, the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, aforesaid standalone financial statements give the information required by the companies Act 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian accounting standards ("IND AS") prescribed under section 133 of the act read with the companies (Indian accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the company as at 31<sup>st</sup> March 2020, of its loss, changes in equity and cash flows for the year ended on that date.

##### **Basis of Opinion**

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement. We are independent of the group in accordance with the code of ethics issued by The Institute of Chartered Accountants of India and we have fulfilled our ethical responsibilities in accordance with the provisions of the act. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our opinion.

##### **Emphasis on Matter**

There were no significant impact of COVID-19 on the financial statements of the Company for the year ended 31<sup>st</sup> March, 2020 however the impact on next financial year is presently not ascertainable, in the opinion of the management the impact would not be significant which describes the management's assessment of the impact of the outbreak of COVID-19 on the activities of the Company. The management believes that no adjustments are required in the Financial statements as it does not impact the current financial year, however in view of the various preventive measures taken and highly uncertain economic environment, a definitive assessment of the impact on the subsequent periods is highly dependent upon circumstances as they evolve. Our opinion is not modified in respect of this matter.

##### **Key Audit matters**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

##### **Other Information**

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

##### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated cash flows and changes in equity of the Group in accordance with accounting principles generally accepted in India including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act. The Holding Company's Board of Directors are also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated financial statements. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which has been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group is responsible for overseeing the financial reporting process of each entity.

### **Auditors' Responsibility for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial control systems in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

- A. As required by Section 143 (3) of the Act, we report, to the extent applicable, that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
  - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of these books.
  - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained by the Holding Company, its subsidiary included in the Group incorporated in India including relevant records relating to the preparation of the consolidated financial statements.
  - (d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
  - (e) On the basis of the written representations received from the directors of the Holding Company and its subsidiaries as on 31st March, 2020 taken on record by the Board of Directors of the respective Companies, none of the directors of the Group companies incorporated in India is disqualified as on 31st March 2020, from being appointed as a director in terms of Section 164 (2) of the Act.

(f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies incorporated in India and the operating effectiveness of such controls, refer to our separate Report in Annexure A.

B. With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company, as explained by the management, has legal cases amounting to ₹ 66.85 crores which have been filed in different courts by the vendors against the company for recovery of their dues and no interest liability is likely to incur and hence not provided for.
- ii. The Company did not have any long-term contracts including derivatives for which there were any material foreseeable losses.
- iii. There has been some delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and there was no amount required to be transferred, to the Investor Education and Protection Fund by its subsidiary companies incorporated in India during the year ended 31st March 2020.

C. With respect to the matter to be included in the Auditor's report under Section 197(16)

In our opinion and according to the information and explanation given to us, the remuneration paid during the current year by the Holding Company and its subsidiaries which are incorporated in India is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director by the Holding Company and its subsidiaries which are incorporated in India, is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.

#### **"ANNEXURE – A" TO THE INDEPENDENT AUDITORS' REPORT**

(Referred to in paragraph 1(f) under Report on Other Legal and Regulatory Requirements' section of our report of even date)

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of ATLAS CYCLES (HARYANA) LIMITED ("the Company") as of 31 March 2019 in conjunction with our audit of the Consolidated IND AS Financial Statements of the Company and its subsidiary companies for the year ended on that date.

#### **Opinion**

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountant of India".

#### **Management's Responsibility for Internal Financial Controls**

The respective Board of Directors of the Holding company and its subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on, internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing

the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in

accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Financial Statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

### NOTE: 2 & 3

#### 1. Significant accounting policies

##### 1.1. Basis of measurement

The financial statements have been prepared under historical cost convention on accrual basis, except for the items that have been measured at fair value as required by relevant Ind AS. The standalone financial statements are presented in Indian Rupees, which is the Company's functional and presentation currency and all amounts are rounded to the nearest rupees and two decimals thereof, except as stated otherwise.

##### 1.2. Use of estimates and judgements

The presentation of the financial statements in conformity with Ind AS requires the management to make estimates, judgements and assumptions affect the application of accounting policies and reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and reported amount of revenue and expenses during the reporting period. The application of accounting policies that requires critical accounting estimates involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed in Note 3.3. Accounting estimates could change from period to period. Actual result could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which such changes are made and, if material, their effects are disclosed in the notes to the financial statements.

##### 1.3. Critical accounting estimates

###### a) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced by rebates and other similar allowances.

**Revenue from the sale of goods** is recognised when the goods are dispatched and titles have passed, at which time all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably

**Dividend income** from investments is recognised when the shareholder's right to receive payment has been established.

**Interest income** from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on, time basis, by reference to the principal outstanding and at the effective interest rate applicable,

which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

###### b) Useful lives and residual value of property, plant and equipment and Intangible assets

Company reviews the useful lives and residual values of property, plant and equipment and Intangible Assets at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs. Accordingly useful lives are reviewed annually using the best information available to the Management.

##### 1.4. Property, plant and equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the Management. The Company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. The management has used useful lives for assets as mentioned in Schedule II of Companies Act, 2013

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under other non-current assets and the cost of assets not ready to use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item

can be measured reliably. Repairs and maintenance costs are recognized in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

#### **1.5. Impairment of assets**

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

If such assets are impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated depreciation) had no impairment loss been recognized for the asset in prior years.

#### **1.6. Intangible assets**

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances). Amortization methods and useful lives are reviewed periodically including at each financial year end.

Computer software which is not an integral part of the related hardware is classified as an intangible asset and is being amortized over the estimated useful life.

#### **1.7. Employee benefits**

##### **Defined contribution plan**

Employee benefits in the form of Provident Fund (with Government Authorities) are considered as defined contribution plan and the contributions are charged to the statement of Profit & Loss of the year when the contributions to the respective funds are due.

##### **Defined benefit plan**

Retirement benefits in the form of Gratuity and Long term compensated leaves are considered as defined benefit obligations and are provided for on the basis of an actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet. Other short-term absences are provided based on past experience of leave availed.

Actuarial Gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income (OCI) in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

#### **1.8. Financial instruments – initial recognition, subsequent measurement and impairment**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets or a liability is recognised when the Company becomes a Party to the contractual provision of the instrument.

##### **a) Financial assets**

Financial assets include cash and cash equivalent, trade and other receivables, investments in securities and other eligible current and noncurrent assets.

Financial Assets are measured at amortised cost or fair value through Other Comprehensive Income or fair value through Profit or Loss, depending on its business model for managing those financial assets and the assets contractual cash flow characteristics.

Subsequent measurements of financial assets are dependent on initial categorisation. For impairment purposes significant financial assets are tested on an individual basis, other financial assets are assessed collectively in groups that share similar credit risk characteristics.

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial assets expire or it transfers the financial assets and the transfer qualifies for the derecognition under Ind AS 109.

##### **Investment in equity shares**

Investments in equity securities are initially measured at fair value. Any subsequent fair value gain or loss is recognized through Profit or Loss.

The company assesses impairment based on expected credit loss (ECL) model to all its financial assets measured at amortised cost.

**b) Financial liabilities**

Financial liabilities include long term and short-term loan and borrowings, trade and other payables and other eligible current and non-current liabilities.

All financial liabilities recognized initially at fair value and, in the case of loans and borrowing and other payable, net of directly attributable transaction costs. After initial recognition, financial liabilities are classified under one of the following two categories

**i) Financial liabilities at fair value through profit or loss**

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial measurement recognition at fair value through profit or loss. Financial liabilities at fair value through profit or loss are at each reporting date at fair value with all the changes recognized in the Statement of Profit and Loss.

**ii) Financial liabilities measured at amortised cost**

After initial recognition, such financial liabilities are subsequently measured at amortized cost by applying the Effective Interest Rate (EIR) method to the gross carrying amount of financial liability. The EIR amortization is included in finance expense in the profit and loss.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

**1.9. Taxes on income**

Income tax expense represents the sum of current and deferred tax. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income.

Current tax provision is computed for Income calculated after considering allowances and exemptions under the provisions of the applicable Income Tax Laws. Current tax assets and current tax liabilities are off set, and presented as net.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit and are accounted for using the liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that in future taxable profits will be available to set off such deductible temporary differences. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred tax assets and deferred tax liabilities are off set, and presented as net.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.

**1.10. Provisions, contingent liabilities and contingent assets**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each reporting period and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognized in financial statements but are disclosed, if any.

**1.11. Borrowing cost**

Borrowing costs incurred for the acquisition or developing of qualifying assets are recognized as part of cost of such assets when it is considered probable that they will result in future economic benefits to the company. While other borrowing cost are expensed in period in which they are incurred

**1.12. Foreign currency transactions**

Financial statements have been presented in Indian Rupees, which is the Company's functional and presentation currency. Transactions in foreign currencies are initially recorded by the Company at rates prevailing at the date of the transaction. Subsequently monetary items are translated at closing exchange rates of balance sheet date and the resulting exchange difference recognised in profit or loss. Differences arising on settlement of monetary items are also recognised in profit or loss.

**1.13. Provision for bad debts**

Provision against doubtful debtors to be created based on the age and category (good, doubtful, disputed and irrecoverable) of the debtors. Provision for Bad and Doubtful debts have been created on case to case basis after assessing the recoverability aspect.

**1.14. Government grant**

Grants related to specific Fixed Assets are disclosed as a deduction from the value of concerned Assets. Grants related to revenue are credited to the statement of Statement of Profit and Loss. Grants in the nature of promoter's contribution are treated as Capital Reserve.

**1.15. Cash flow statements**

Cash Flow is reported using indirect method, whereby net profits before tax is adjusted for the effects of transactions of a non- cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from regular revenue generation, investing and financing activities of the company are segregated.

**37 FINANCIAL RISK MANAGEMENT**

The Company's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables, and financial guarantee contracts. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan and other receivables, trade and other receivables, and cash and short-term deposits that arise directly from its operations. The Company's activities are expose it to **market risk, credit risk and liquidity risk.**

**I. Market risk**

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments. The sensitivity analyses in the following sections relate to the position as at 31st March 2020 and 31st March 2019. The analyses exclude the impact of movements in market variables on: the carrying values of gratuity and other postretirement obligations; provisions; and the non-financial assets and liabilities of foreign operations. The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks.

**(a) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regard to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of the fixed rate and floating rate financial instruments in its total portfolio.

- (i) The exposure of Company borrowings to interest rate changes at the end of reporting period are as follows:

#### (b) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is exposed to the foreign exchange risk through its trading sales.

Foreign currency exposure	Currency	Amount in Forex	
		As at 31 March 20	As at 31 March 19
<b>Trade Receivables</b>	USD	<b>56,900</b>	<b>182,076</b>

#### II. Credit risk

Credit risk arises from the possibility that the counterparty will default on its contractual obligations resulting in financial loss to the company. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial conditions, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks, mutual funds and other financial instruments.

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in domestic markets. The Company has also taken advances and security deposits from its customers, which mitigate the credit risk to an extent.

#### III. Liquidity Risk

Liquidity risk is defined as the risk that company will not be able to settle or meet its obligation on time or at a reasonable price. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risk are overseen by senior management. Management monitors the Company's net liquidity position through rolling, forecast on the basis of expected cash flows.

### 39 RECOGNITION OF OPENING AND CLOSING BALANCES OF DEFINED BENEFIT OBLIGATION

In accordance with the Payment of Gratuity Act, 1972, the Company provides for gratuity, as defined benefit plan. The gratuity plan provides for a lump sum payment to the employees at the time of separation from the service on completion of vested year of employment i.e. five years. The liability of gratuity plan is provided based on actuarial valuation as at the end of each financial year based on which the Company contributes the ascertained liability to Life Insurance Corporation of India with whom the plan assets are maintained.

**These plans typically expose the Company to actuarial risks such as: investment risk, inherent interest rate risk, longevity risk and salary risk**

<b>Investment Risk</b>	The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. Currently for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.
<b>Interest Rate Risk</b>	The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.
<b>Longevity Risk</b>	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
<b>Salary Risk</b>	Higher than expected increases in salary will increase the defined benefit obligation.

**The present value of the defined benefit obligation, and the related current service cost, were measured using the projected unit credit method.**

**Movements in the present value of the defined benefit obligation are as follows :-**
