**Commenting on the performance Mr. Anuj Talwar, Jt. Managing Director, Talbros Automotive Components Limited said:**

*"Talbros Automotive Components Limited has begun FY24 with strong performance both in business growth and profitability standpoint. For Q1FY24, Revenue from operations stands at Rs 185 crores with a growth of 20% YoY. EBITDA grew by 34% YoY to Rs 28 crores. We achieved EBITDA Margin of 15%, which we believe shall be sustainable going forward. Net Profit grew by 46% YoY to Rs 17 crores with a margin of 9.4%. Overall business growth and operational efficiencies have resulted in healthy margins.*

*Over and above the orders received last year of Rs ~1000 cr, the momentum of winning orders continues with receipt of orders worth ~Rs. 400 crores from both, domestic and overseas customers across its business divisions, product segments and JVs. These orders are to be executed over a period of next 5-7 years covering the company's product lines – gaskets, heat shields, forgings and chassis. Of this, ~Rs 215 crores is received from a leading established export OEM for the Electric Vehicles (EV).*

*We are dedicated to achieving our long-term goal of establishing ourselves as a prominent global leader in the automotive components manufacturing industry. Throughout the course of our endeavours, we are determined to maintain our progress and development, while simultaneously looking towards the future by ensuring the continued pertinence of the services we provide.*

*The company lays strong emphasis on R&D and innovation to consistently enhance and adopt newer technologies. By FY27, we intend to achieve our **Group sales turnover of Rs. 2,200 crore** business overall with exports contribution of 35%. We have expanded and will continue to increase our emphasis on exports which shall assist in sustainable margins."*

\*2,200 Crores turnover on consolidated basis for the group.
