Glossary

Term	Description
New Accounts	Sum of all accounts opened in a reporting period.
Card-in-force	Sum of all credit cards issued by us, including suspended credit cards that may be reactivated in future, net of cancelled and deactivated credit cards.
Spends	Total card spends constitutes the aggregate notional amounts transacted by our cardholders in a reporting period.
Receivables	Total credit card receivables outstanding from our cardholders at end of the reporting period.
Market share – CIF	Market share of total cards outstanding is calculated by dividing our total cards outstanding by the industry-wide total cards outstanding, as obtained from data published by the RBI.
Market share – Spends	Market share of total card spends is calculated by dividing our total card spends by the industry-wide total card spends, as published by the RBI, for the reporting period.
Averages	2-point average for quarter, 3-point average for half yearly and 5-point for yearly calculations
Spends per card	Average card spends per cards outstanding is calculated by dividing our total card spends by the average total cards outstanding for the period (annualized)
Average loans per cards	Average loans per cards outstanding is calculated as total loans at the end of the reporting period divided by total cards at the end of the reporting period.
Yield %	Calculated as interest income from cardholders divided by average receivables for the period (annualized)
COF %	Calculated as total finance costs for the period divided by average borrowings (including lease liabilities) for the period (annualized)
Cost to Income %	We calculate our cost to income ratio as operating and other expenses divided by total income after subtracting Finance cost.
ROAA	Calculated as net profit divided by average total assets for the period (annualized)
ROAE	Calculated as net profit divided by the average shareholders' equity for the period (annualized)
EPS	Earning per share is for the period and not annualized
Shareholders' equity	Shareholders' equity is defined as sum of share capital, reserves and surplus excluding reserves created out of amalgamation
