Subject: Corrigendum to the Annual Report for the Financial Year 2024–25.

Dear Sir/Madam,

Pursuant to Regulation 34(1) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and in continuation of our earlier submission of the Annual Report for the financial year 2024–25, which was uploaded on the website of BSE Limited on Monday, August 25, 2025, we wish to inform you that certain inadvertent printing errors were noticed in the Consolidated Financial Statements contained in the said Annual Report.

The details of the correction are provided below:

On **Page No. 134**, under the head **“C. Cash Flow from Financing Activities”**:

- The figure under the sub-head **“Proceeds from issuance of shares”** was inadvertently omitted. The correct figure is **100.00**.
- Consequently, the figure for **“Net Cash Flow from Financing Activities”** stands revised from (39.48) to **60.52**.

The Company has taken corrective steps to rectify the aforesaid errors. Accordingly, the revised version of the Annual Report, incorporating the necessary corrections, is enclosed herewith as Annexure – I for your reference and records.

The corrected Annual Report will also be hosted on the Company's website at:
https://maestroselectronics.com/public/storage/file/investor_info/Annual_Report_2024-2025.pdf

All stakeholders, including shareholders, stock exchanges, depositories, Registrar and Share Transfer Agent, the e-voting agency, the scrutinizer, and other relevant authorities, are requested to kindly take note of the above.

We further confirm that, except for the corrections stated herein, all other contents of the Annual Report for FY 2024–25 remain unchanged. This Corrigendum shall be read in conjunction with the Annual Report previously submitted to the Exchange.

Thanking you,
For Maestros Electronics & Telecommunication System Limited

In terms of Regulation 40(1) of the Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from April 01, 2019. Members may please note that SEBI, vide its Circular No. SEBI/HO/MIRSD/MIRSD_ RTAMB/P/CIR/2022/8 dated January 25, 2022, has mandated Listed Companies to issue securities in demat form only while processing service requests viz. Issue of duplicate securities certificate; claim from Unclaimed Suspense Account; Renewal/Exchange of securities certificate; Endorsement; Sub-division/Splitting of securities certificate; Consolidation of securities certificates/folios; Transmission and Transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR-4, the format of which is available on the website of the Company's RTA at https://www.ndml.in/downloadables/rta/Duplicate/Form_ISR-4.pdf. It may be noted that any service request can be processed only after the folio is KYC compliant. SEBI, vide its notification dated January 24, 2022, has mandated that all requests for transmission and transposition shall be processed only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization, Members are advised to dematerialize the shares held by them in physical form. Members can contact the Company or RTA for assistance in this regard.

30. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised to not leave their demat account(s) dormant for too long. Periodic statement of holdings should be obtained from the concerned DP and holdings should be verified from time to time.

31. Norms for furnishing of PAN, KYC, Bank details and Nomination:

Pursuant to SEBI Circular no. SEBI/HO/MIRSD/MIRSDPoD-1/P/ CIR/2023/37 dated March 16, 2023, issued in supersession of earlier circulars issued by SEBI bearing nos. SEBI/HO/ MIRSD/MIRSD RTAMB /P/CIR/2021/655 and SEBI/HO/MIRSD/ MIRSD RTAMB/ P/CIR/2021/687 dated November 3, 2021 and December 14, 2021, respectively, SEBI has mandated all listed companies to record PAN, Nomination, Contact details, Bank A/c details and Specimen signature for their corresponding folio numbers of holders of physical securities. The folios wherein any one of the cited documents/details is not available on or after October 01, 2023, shall be frozen by the RTA.

The securities in the frozen folios shall be eligible:

- To lodge any grievance or avail of any service, only after furnishing the complete documents / details as mentioned above.
- To receive any payment including dividend, interest, or redemption amount (which would be only through electronic mode) only after they comply with the above stated requirements.

The forms for updating of PAN, KYC, bank details and Nomination viz., Forms ISR-1, ISR-2, ISR-3, SH-13, SH-14 and the said SEBI circular are available on the website of the Company's RTA at <https://web.in.mpms.mufg.com/KYC-downloads.html>. In view of the above, we urge Members holding shares in physical form to submit the required forms along with the supporting documents at the earliest. The Company has dispatched a letter to the Members holding shares in physical form in relation to the above-mentioned SEBI Circular. Members who hold shares in dematerialized form and wish to update their PAN, KYC, Bank details and Nomination, are requested to contact their respective DPs.

Further, Shareholders holding shares in physical form are requested to ensure that their PAN is linked to Aadhaar to avoid freezing of folios. Such frozen folios shall be referred by RTA/Company to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and/or Prevention of Money Laundering Act, 2002, after December 31, 2025.

32. Voting through electronic means:

1. Pursuant to the Circular No. 14/2020 dated April 08, 2020, issued by the Ministry of Corporate Affairs, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through Physical Mode and participate there and cast their votes through e-voting or physically at the meeting.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) the Secretarial Standard on General Meetings (SS-2) issued by the ICSI and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and the Circulars issued by the Ministry of Corporate Affairs from time to time the Company is providing facility of remote e-Voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency. The facility of casting votes by a member using remote e-Voting system as well as e-voting on the date of the AGM will be provided by NSDL.

How to Log-in to NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.
3. A new screen will open. You will have to enter your User ID, your Password/OTP and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below:

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For exam.ple if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.

c) For Members holding shares in Physical Form.	EVEN Number followed by Folio Number registered with the company For example , if folio number is 001*** and EVEN is 101456 then user ID is 101456001***

5. Password details for shareholders other than Individual shareholders are given below:
 - a) If you are already registered for e-Voting, then you can user your existing password to login and cast your vote.
 - b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.

- c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, please follow steps mentioned below in **process for those shareholders whose email ids are not registered.**
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "**Forgot User Details/Password?**" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) **Physical User Reset Password?**" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
 - d) Members can also use the OTP (One Time Password) based login for casting the votes on the e-Voting system of NSDL.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.
8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Step 2: Cast your vote electronically on NSDL e-Voting system.

How to cast your vote electronically on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle and General Meeting is in active status.
2. Select "EVEN" of company for which you wish to cast your vote during the remote e-Voting period.
3. Now you are ready for e-Voting as the Voting page opens.
4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

1. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) are required to send scanned copy (PDF/JPG Format) of the relevant Board Resolution/ Authority letter etc. with attested specimen signature of the duly authorized signatory(ies) who are authorized to vote, to the Scrutinizer by e-mail to scrutinisers@mmjc.in with a copy marked to evoting@nsdl.com. Institutional shareholders (i.e. other than individuals, HUF, NRI etc.) can also upload their Board Resolution / Power of Attorney / Authority Letter etc. by clicking on "Upload Board Resolution / Authority Letter" displayed under "e-Voting" tab in their login.
2. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on www.evoting.nsdl.com to reset the password.
3. In case of any queries, you may refer the Frequently Asked Questions (FAQs) for Shareholders and e-voting user manual for Shareholders available at the download section of www.evoting.nsdl.com or call on.: 022 - 4886 7000 or send a request to Mr. Sanjeev Yadav at evoting@nsdl.com

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

The following Explanatory Statement, pursuant to Section 102 of the Companies Act, 2013 ("Act"), sets out all material facts relating to the business mentioned under Item No. 03 of the accompanying Notice:

Item No. 3:

As per section 204 of the Companies Act, 2013 ("the Act") read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, every listed company is required to annex with its Board's Report, a secretarial audit report, issued by a Practising Company Secretary.

Further, Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), requires every listed entity to undertake secretarial audit by a secretarial auditor who shall be a peer reviewed company secretary and shall annex a secretarial audit report with the annual report of the listed entity.

Under the Listing Regulations, every listed entity shall basis recommendation of the Board of Directors appoint / re-appoint an individual as a secretarial auditor for not more than one term of five consecutive years or a secretarial audit firm as secretarial auditor for not more than two terms of five consecutive years, subject to shareholders' approval at the Annual General Meeting.

Further, the secretarial auditor should not have incurred any of the disqualifications as specified by the Securities and Exchange Board of India ("SEBI").

Basis the recommendation of the Audit Committee, the Board of Directors of the Company at its Meeting held on May 29, 2025, has approved the appointment of M/s. D Maurya & Associates. ("the Firm") a peer reviewed firm of Company Secretaries in practice (Peer Review No: 2544/2022), as Secretarial Auditor of the Company to hold the office for first term of 5 (five) consecutive years commencing from the Financial Year 2025-26 till the Financial Year 2029-30, subject to approval of the Members of the Company at this Annual General Meeting.

BRIEF PROFILE

M/s. D Maurya & Associates, Practising Company Secretaries, established on 22 November 2010, is a peer-reviewed firm (Peer Review No. 2544/2022) led by its Proprietor, CS Dharendra Maurya (ACS No. 22005, CP No. 9594). The firm offers a comprehensive range of professional services in the field of corporate laws and compliances, including Secretarial Audit under Section 204 of the Companies Act, 2013, compliance under SEBI (LODR) Regulations, 2015, incorporation and regulatory compliances for companies and LLPs, XBRL and ROC filings, due diligence, annual filings, and matters before the RD and NCLT. With experience in conducting secretarial audits and related assignments for listed companies (Main Board and SME) as well as unlisted public companies.

Eligibility:

The Firm has confirmed that it is not disqualified and is eligible to be appointed as Secretarial Auditor of the Company under the Act, Listing Regulations and Circular(s) issued by SEBI in this regard and have given their consent for their appointment as Secretarial Auditor of the Company.

Term of Appointment:

1. Objective

The objective of the remuneration policy of Maestros Electronics & Telecommunications Systems Limited ("the Company") is to attract, motivate and retain qualified and expert individuals that the company needs in order to achieve its strategic and operational objectives, while acknowledging the societal context around the remuneration and recognizing the interests of all stakeholders.

2. The Nomination & Remuneration Committee

The Nomination & Remuneration Committee ("Committee") is responsible for formulating and making the necessary amendments to the Remuneration Policy for the Directors, KMP and Senior Executives of the company from time to time.

3. Remuneration for Non-Executive Directors

Non-Executive Directors ("NED") are remunerated by way of Sitting Fee for each meeting of the Board/ Committees of the Board attended by them and no annual commission on the profits of the Company is paid. NED's are reimbursed of any out of pocket expenses incurred by them for the purpose of the Company.

The payment of sitting fees will be recommended by the NRC and approved by the Board. Quantum of sitting fees may be subject to review on a periodic basis, as required provided that the amount of such fees shall not less than Rs. Twenty-Five Thousand per meeting of the Board or Committee or such amount as may be prescribed by the Central Government from time to time.

4. Remuneration for Executive Directors, Key Managerial Personnel (KMP) and Senior Executives

The following elements are taken into consideration for determining the Remuneration of Executive Directors, KMP and Senior Executives:

- The remuneration policy reflects a balance between the interests of the company's main stakeholders as well as a balance between the Company's short-term and long-term strategy. As a result, the structure of the remuneration package for the Directors, KMP and Senior Executives is designed to balance short-term operational performance with the medium and long-term objective of creating sustainable value within the company, while taking into account the interests of its stakeholders.
- To ensure that highly skilled and qualified Senior Executives can be attracted and retained, the company aims for a total remuneration level that is comparable to levels provided by other companies that are similar to the company in terms of size and complexity.
- In designing and setting the levels of remuneration for the Directors, KMP and Senior Executives, the Committee also takes into account the relevant statutory provisions and provisions of the corporate governance regulations, societal and market trends and the interests of stakeholders.
- Company's policy is to offer the Directors, KMP and Senior Executives a total compensation comparable to the peer group.

a) Total Compensation (TC)

The total compensation of the Managing Director and Senior Executives consists of the following components:

1. Basic salary
2. House Rent Allowance (HRA)
3. Allowances

b) Basic salary

On joining the Company, the Managing Director, KMP and Senior Executives receive a base salary comparable to the peer group. Every year, base salary levels are reviewed by the Committee.

c) Variable income

The variable income part of remuneration consists of APP. The distribution of APP for (on target) performance aims to achieve a proper balance between short-term result and long-term value creation. The parameters relating to the various elements of the variable income (part of the remuneration) are established and where necessary are adjusted by and at the discretion of the Committee, taking into account the general rules and principles of the remuneration policy itself.

The targets are determined each year by the Committee in consultation with the respective Director/KMP/ Executive, based on historical performance and also the operational and strategic outlook of the Company in the short term and expectations of the Company's management and stakeholders, among other things. The targets contribute to the realization of the objective of long-term value creation.

5. Remuneration for other Employees

Remuneration of middle and lower-level employees of the Company consists entirely of fixed pay which is reviewed on an annual basis. Increase in the remuneration of employees is affected based on an annual review, taking into account performance of the employee and the performance of the Company also.

6. Remuneration for Workmen

Remuneration of workmen employed in the factories of the Company consists of fixed pay and performance incentives, which is negotiated and agreed upon on periodical basis. Increase in the remuneration of workmen is affected based on a review of performance of the Company and increase in the general price levels / cost of living index, etc.

a) Alignment of Remunerations

The Committee strives to ensure that the remunerations of the Directors, Senior Executives, Middle and lower-level employees of the company are linked to each other.

b) Term of Appointment

The term of Managing Director and other Executive Directors is generally for a period of 5 years and renewed for similar periods from time to time. However, the Board reserves the right to increase/decrease or the period as it may deem fit. Whereas, the terms of the other employees, generally is up to the age of superannuation. However, Company also employs contractual employees as 'consultants' for shorter periods on need basis.

c) Post-Retirement Benefits

All the executive directors and employees are entitled for retirement benefits such as provident fund, superannuation fund and gratuity.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Maestros Electronics & Telecommunications Systems Limited** (*hereinafter called the "Company"*). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Auditors Responsibility:

My responsibility is to express an opinion on the compliance of the applicable laws and maintenance of records based on audit. We have conducted the audit in accordance with the applicable Auditing Standards issued by The Institute of Company Secretaries of India. The Auditing Standards require that the Auditor shall comply with statutory and regulatory requirements and plan and perform the audit to obtain reasonable assurance about compliance with applicable laws and maintenance of records.

Due to inherent limitations of audit including internal, financial and operating controls, there is an unavoidable risk that some material misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the standards.

Unmodified Opinion:

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended **March 31, 2025** (*hereinafter called the 'Audit Period'*) complied with the statutory provisions listed hereunder and also that the Company has proper Board process and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

Exhibit A

CERTIFICATE ON CORPORATE GOVERNANCE

To,

The Members of,
Maestros Electronics & Telecommunications Systems Limited,

I have examined the compliance of conditions of Corporate Governance by **Maestros Electronics & Telecommunications Systems Limited (CIN: L74900MH2010PLC200254)** (hereinafter called “the company”), for the financial year ended **March 31, 2025**, as stipulated in regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of regulation 46 and paragraph C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (collectively referred to as ‘Listing Regulations’).

Management’s Responsibility for the Statement

The compliance of conditions of Corporate Governance is the responsibility of the management. This responsibility includes the designing, implementing and maintaining operating effectiveness of internal control to ensure compliance with the conditions of corporate governance as stipulated in the Listing Regulations.

Auditor’s Responsibility

Pursuant to the requirements of the Listing Regulations, my responsibility is to express a reasonable assurance in the form of an opinion as to whether the Company has complied with the conditions of corporate governance as stated in the paragraph above. My examination has been limited to a review of the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance as stipulated in the said clause. It is neither an audit nor an expression of opinion on the financial statements of the Company.

I have examined the relevant records of the Company in accordance with the applicable Generally Accepted Auditing Standards in India, the Guidance Note on Certification of Corporate Governance issued by the Institute of Chartered Accountants of India (‘ICAI’), and Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

I have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

Based on the procedures performed by me and to the best of my information and according to the explanations provided to me, in our opinion, the Company has complied, in all material respects, with the conditions of corporate governance as stipulated in the Listing Regulations during the year ended **March 31, 2025**.

I further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Restrictions on Use

The certificate is issued solely for the purpose of complying with the aforesaid SEBI Listing Regulations and may not be suitable for any other purpose.

STANDALONE FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To,

The Members of,
MAESTROS ELECTRONICS & TELECOMMUNICATIONS SYSTEMS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of MAESTROS ELECTRONICS & TELECOMMUNICATIONS SYSTEMS LIMITED (the "Company") which comprise the standalone balance sheet as at 31 March 2025, and the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be key audit matters to be communicated in our report.

Sr. No	Key Audit Matter	Auditors Response
1.	<p>Revenue Recognition as per IND AS 115:</p> <p>The company has booked an advance warranty as deferred income amounting to Rs. 259.01 Lakh.</p> <p>Recognition and measurement of revenue recognition relating to deferment of booking revenue involves significant management judgment.</p> <p>With the applicability of Ind AS 115 "Revenue Recognition", revenue booking is based on future performance obligations. We have identified recognition of revenue as a key audit matter in view of the significant judgment and assumptions involved.</p>	<p>Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:</p> <ol style="list-style-type: none"> 1) Examined the policy on recognition of revenue in compliance with Ind AS 115. 2) Understood the process of computation and tested design and operating effectiveness of key controls around data extraction and validation. 3) Tested the computation of the cost of warranty and ensured application of correct underlying factors like probability of cost which can be incurred on the basis of the nature of products. 4) Tested the mathematical accuracy of the computation by reperforming the formulas.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the financial statements and auditor's report thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether adequate internal financial controls systems are in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the standalone Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatement in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we may have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The Financial information of the company for the previous year has been audited by the predecessor auditor, and thereby, we do not give an opinion on the Financial Statements of the previous year. We have relied upon the Independent Audit Report and other reports issued by the predecessor auditor while conducting our audit procedures.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **Annexure 'A'** statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE "A"

(Referred to in Paragraph 1 under the heading of "Report on other Legal and Regulatory Requirements" of our report to the members of Maestros Electronics & Telecommunications Systems Limited of even date)

Report on the Companies (Auditor's Report) Order, 2020, issued in terms of Section 143(11) of the Companies Act, 2013 ("the Act") of Maestros Electronics & Telecommunications Systems Limited ("the Company"):

- (i) a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has maintained proper records showing full particulars, including quantitative details of Intangible assets.
- b) The Company has a regular programme for physical verification of its Property, Plant and Equipment by which its Property, Plant and equipment are verified in a phased manner. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its Property, Plant and equipment. According to the information and explanations given to us, no material discrepancies were noticed on verification of the Property, Plant and Equipment.
- c) According to the information and explanations given to us, the title deeds of all the immovable properties included in financial statements are held in the name of the Company.
- d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year. Therefore, reporting under the said clause is not required.
- e) According to the information and explanations given to us, there are no proceedings initiated or pending against the Company for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year and the coverage and procedure of such verification done by the management is appropriate. No material discrepancies of 10% or more in the aggregate for each class of inventory were noticed during such physical verification.
- (b) The company has been sanctioned working limits which is in excess of Rs 5 crores in aggregate from banks or financial institutions on the basis of security of current assets. The company is submitting a monthly stock statement to the bank and the same we have verified on quarterly basis which are in agreement with books of accounts.
- (iii) According to the information and explanation given to us and on the basis of our examination the Company has made investment in its wholly subsidiary companies of Rs.1 crores during the year.
- a) According to the information and explanations given to us, the Company has not granted loans, provided any advances in the nature of loan or guarantee or security to any entity during the year.
- b) The company has provided loans or advances in the nature of loans to employees during the year. The aggregate amount of such loans is Rs. 10.81 Lakhs, and the balance outstanding as at the balance sheet date is Rs.9.34 Lakhs. The terms and conditions of these loans are, in our opinion, not prejudicial to the company's interest. The repayment schedule has been stipulated, and repayments are being received regularly.
- c) According to the information and explanations given to us, the terms and conditions of the loans and advances in the nature of loans granted to employees are **not prejudicial to the company's interest**.
- d) According to the information and explanations given to us, in respect of such loans and advances, a formal schedule of repayment of principal and interest has **not been stipulated**. However, repayments or receipts are being made by the employees **on a regular basis**, except in certain cases.

- e) As on the balance sheet date, a loan amounting to ₹7.00 lakhs granted to an employee is overdue for more than 90 days. The company has recovered the amount from the employee as on April 02, 2025. The remaining overdue amount is not overdue for more than 90 days.
- f) According to the information and explanations given to us, the company has not granted loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year.
- (iv) In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act in respect of grant of loans, making investment and providing guarantees and securities, as applicable.
- (v) The Company has not accepted any deposits from the public within the meaning of the directives issued by the Reserve Bank of India, provision of Section 73 to 76 of the Act, any other relevant provision of the Act and the relevant rules framed thereunder.
- (vi) The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the companies Act, 2013 for the business activities carried out by the company, thus reporting under clause 3(vi) of the order is not applicable to the Company.
- (vii) In respect of payment/non-payment of statutory dues:

- a) According to information and explanations given to us, the Company has been generally regular in depositing undisputed statutory dues, including Provident Fund, Income Tax, Goods and Service Tax, Custom Duty, Cess, Professional Tax and other material statutory dues applicable to it with the appropriate authorities. There were no disputed amounts payable in respect of provident fund, employees' state insurance, income-tax, goods and service tax, cess and other statutory dues outstanding, at the year end, for a period of more than six months from the date they became payable.

(Rs. In lakhs)

Name of the statute	Nature of Dues	Amount	Period to which amount relates (Assessment Year)	Due Date	Date of payment
Income Tax Act, 1961	TDS Interest and late fees	3,530	Prior years (AY 2016-17 till AY 2024-25)	Various Dates	Unpaid till date

- b) According to the information and explanations given to us and on the basis of our examination of the records of the company, there are no statutory dues referred to in sub-clause (a) that have not been deposited on account of any dispute
- (viii) According to information and explanations given to us, there were no transactions which were recorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax, 1961.
- (ix) (a) According to the information and explanations given to us Company has not defaulted on repayment of loans or borrowings from banks and debenture holders. During the year the Company has not taken loans from the Government or any Financial Institution.
- (b) According to the information and explanations given to us and based on the audit procedures performed by us, the Company is not a declared willful defaulter by any bank or financial institution or other lender.
- (c) According to the information and explanations given to us, the Company does not have any term loans which were not applied for the purpose for which the loans were obtained hence, this clause not applicable for the Company.

- (d) According to the information and explanations given to us and based on the audit procedures performed by us, no instances were found where the funds raised on short term basis have been utilised for long term purposes.
- (e) According to the information and explanations given to us, the company has not raised any funds from any person or entity for the account of, or to pay the obligations of, its subsidiary during the year.
- (f) According to the information and explanations given to us, the company has not raised any loans during the year by pledging securities held in their subsidiaries.
- (x) In respect of end use of monies raised by way of IPO/FPO/Term Loans:
 - (a) In our opinion and according to the information and explanation given by the management, we are of the opinion that the Company did not raise any money by way of Initial Public offer or further public offer.
 - (b) In our opinion and according to the information and explanation given by the management, the company has not made any preferential allotment (Sec. 62) or private placement (Sec. 42) of shares or convertible debenture (fully, partially or optionally convertible) during the year.
- (xi) In respect of Frauds noticed/reported:
 - a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the company or against the Company has been noticed or reported during the year.
 - b) There is no reporting u/s 143(12) of the Companies Act 2013 has been filed by us (the auditors) in from ADT-4 as prescribed under Rule 13 of companies (Audit and Auditors) Rules, 2014 with the central Government upto the date of this report.
 - c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year and upto the date of this report.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Therefore, paragraph 3(xii) of the Order is not applicable.
- (xiii) In our opinion and according to the information and explanations given to us, the Company is in compliance with Sections 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the Standalone Financial Statements as required by the applicable accounting standards.
- (xiv) In respect of company's Internal Audit:
 - (a) To the best of our knowledge the company has an internal audit system which is commensurate with the size and nature of its business.
 - (b) The audit report of internal auditors was considered while conducting statutory audit.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- (xvii) As per the information and explanation given by the management, the company has not incurred cash losses in the current financial year as well as the previous year.
- (xviii) There has been resignation of the Previous Statutory Auditors during the year and no issues, objections or concerns were raised by the outgoing auditor.

- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Ind AS financial statements and our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which cause us to believe that any material uncertainty exists as on the date of this audit report and that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) Based on our examination, the provisions of Section 135 of the Act are applicable to the Company. The Company will, in respect of the unspent amount not relating to any ongoing project, transfer such amount to a Fund specified in Schedule VII within the stipulated period of six months from the expiry of the financial year. Accordingly, reporting under clause 3(xx)(a) of the Order is applicable, whereas reporting under clause 3(xx)(b) of the Order, which relates to ongoing projects, is not applicable to the Company.

Annexure “B” To Independent Auditors’ Report

(Referred to in Paragraph 2(f) under the heading of “Report on other Legal and Regulatory Requirements” of our report to the members of MAESTROS ELECTRONICS & TELECOMMUNICATIONS SYSTEMS LIMITED of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **MAESTROS ELECTRONICS & TELECOMMUNICATIONS SYSTEM LIMITED** (“the Company”) as of March 31, 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating financial controls over financial reporting included obtaining an understanding the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company;

and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

Company Overview

Maestros Electronics & Telecommunications Systems Limited (“the Company”) is a public limited company domiciled in India and incorporated under the provisions of the Companies Act 1956. The registered office of the Company is located at Plot No. EL/66, TTC Industrial Area, Electronic Zone, Mahape Navi Mumbai Thane- 400710 Maharashtra. The Company is listed on the Bombay Stock Exchange (BSE).

Company is in the business of manufacturing medical equipment and telemedicine.

The financial statements are approved for issue by the Company’s board of directors on May 29, 2025.

1. Material accounting policies

The financial statements have been prepared using the material accounting policies and measurement basis summarised below. These were used throughout all periods presented in the financial statements as per Ind AS.

1.1. Basis of Preparation and Presentation

The separate financial statements of the company are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis as per the provisions of the Companies Act, 2013 (“the Act”), except for:

- Financial instruments – measured at fair value.
- Revenue Recognition- revenue is deferred over the years in which it accrues
- Assets held for sale – measured at fair value less cost of sale.
- Plan assets under defined benefit plans – measured at fair value
- Employee share-based payments – measured at fair value
- In addition, the carrying values of recognised assets and liabilities, designated as hedged items in fair value hedges that would otherwise be carried at cost, are adjusted to record changes in the fair values attributable to the risks that are being hedged in effective hedge relationship.

The Company’s Financial Statements are presented in Indian Rupees (INR), which is also its functional currency and all values are rounded to the nearest Rs. lakh, except when otherwise indicated.

Classification of Assets and Liabilities into Current/Non-Current

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Standalone Financial Statements have been presented in Indian Rupees (INR), which is the Company's functional currency.

1.2. Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and judgments are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the company.

1.3. Property, Plant and Equipment (PPE)

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the year in which the costs are incurred. Major shutdown and overhaul expenditure is capitalised as the activities undertaken improves the economic benefits expected to arise from the asset.

It includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy based on Ind AS 23 – Borrowing costs. Such properties are classified to the appropriate categories of PPE when completed and ready for intended use.

Property, plant and equipment except freehold land held for use in the production, supply or administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any.

Depreciation on Property, Plant and Equipment is provided using straight line method on depreciable amount after considering 5% residual value. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Sr. No.	Class of Asset	Useful Life as per Companies Act, 2013
1	Plant & Machinery	15
2	Buildings - RCC Frame Structure other than Factory Buildings	60
3	Factory Buildings	30
4	Furniture & Fittings (General)	10
5	Motor Cars / Lorries (other than used in Hiring Business)	8
6	Motor Cars /Lorries on Hire	6
7	Office Equipment	5
8	Electrical equipment	10
9	Computers (Desktops)	3
10	Computers (Networks and server)	6

Gains or losses arising from derecognition of a Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

1.4. Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting year, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

1.5. Impairment of Assets

At the end of each reporting year, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss.

Goodwill and intangible assets that do not have definite useful life are not amortised and are tested at least annually for impairment. If events or changes in circumstances indicate that they might be impaired, they are tested for impairment once again.

1.6. Financial Instruments

i. Investments and other financial assets

Initial recognition and measurement

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement

For purposes of subsequent measurement, the Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Equity investments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses for an equity investment, that is not held for trading, in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established. Changes in the fair value of financial assets at fair value through profit or loss are recognised in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

De-recognition

A financial asset is derecognised only when:

- the rights to receive cash flows from the asset have expired, or
- the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows to one or more recipient

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Offsetting Financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

ii. Financial Liabilities

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of a financial liability and an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Borrowings: Borrowings are subsequently carried at amortized cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognized in the statement of profit and loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw-down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalized as a pre-payment for liquidity services and amortized over the period of the facility to which it relates.

Trade and other payable: These amounts represent obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Trade and payables are subsequently measured at amortized cost using the effective interest method.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

iii. Share Capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

1.7. Fair Value Measurement

The Company discloses fair values of financial instruments measured at amortised cost in the financial statements.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i. In the principal market for the asset or liability Or
- ii. In the absence of a principal market, in the most advantageous market for the asset or liability

The Company must be able to access the principal or the most advantageous market at the measurement date.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs significant to the fair value measurement as a whole:

- i. Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ii. Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- iii. Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. Valuation process and assumption used to measure the fair value of Assets and Liabilities is disclosed.

1.8. Revenue recognition

Sale of goods

Revenue is measured at the fair value of the consideration received or receivable and is recorded on the basis as defined as per Ind As 115. The Company recognises revenues on sale of products, net of discounts, sales incentives, rebates granted, returns, sales taxes/GST and duties when the products are delivered to customer or when delivered to a carrier for export sale, which is when title and risk and rewards of ownership pass to the customer and defers the revenue which relates to the warranty component of the goods sold by the company. Export incentives are recognised as income as per the terms of the scheme in respect of the exports made and included as part of export turnover.

Revenue from sales is recognised when control of the products has transferred, being when the products are delivered to the customer, the customer has full discretion over the channel and price to sell / consume the products, and there is no unfulfilled obligation that could affect the customer's acceptance of the products. Delivery occurs when the products have been shipped to the specific location, the risks of obsolescence and loss have been transferred to the customer, and either

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

the customer has accepted the products in accordance with the sales contract or the acceptance provisions have lapsed.

Other Revenue is recognized as follow:

Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

1.9. Inventories

Raw materials

Raw materials and stores, work in progress, traded and finished goods are stated at the lower of cost and net realisable value. Cost of raw materials and traded goods comprises cost of purchases.

Work in progress and finished goods

Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure. Fixed overheads are allocated on the basis of normal operating capacity. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Cost includes the reclassification from equity of any gains or losses on qualifying cash flow hedges relating to purchases of raw material. Costs are assigned to the individual items in a group of inventories on the basis of weighted average cost basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. Costs of inventories are determined on weighted average basis. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

Traded Goods have been valued at lower of cost and net realisable value. The cost of inventories shall comprise all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. NRV is the estimated selling price in the ordinary course of business less the estimated cost of completion and estimated cost necessary to make the sale.

Stores and spares

Inventory of stores and spare parts is valued at weighted average cost or net realisable value, whichever is lower. Provisions are made for obsolete and non-moving inventories. Unserviceable and scrap items, when determined, are valued at estimated net realisable value.

1.10. Cash and Cash equivalents

Cash and cash equivalents include cash at bank and in hand. For the purpose of the cash flows statements, cash and cash equivalents consist of cash net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

1.11. Income Tax

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to setoff the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

1.12. Employee Benefit Expense

Short-term / long term obligations

All employee benefits payable wholly within twelve months of rendering the service including performance incentives and compensated absences are classified as short-term employee benefits. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are charged off to the Statement of Profit and Loss/ Capital Work-in-Progress, as applicable. The employee benefits which are not expected to occur within twelve months are classified as long-term benefits and are recognised as liability at the net present value.

Defined contribution plan

Contributions to defined contribution schemes such as provident fund, Employees State Insurance and Pension Plans are charged off to the Statement of Profit and Loss/ Capital Work-in-Progress, as applicable, during the year in which the employee renders the related service.

1.13. Provisions, contingent liabilities and contingent assets

Provision

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost

Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or reliable estimate of the amount cannot be made, is termed as contingent liability.

Contingent Assets

Contingent assets are disclosed where an inflow of economic benefit is probable.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

1.14. Earning per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.15. Cash Flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

1.16. Foreign Currency Transactions

Functional Currency

Financial statements of the Company's are presented in Indian Rupees (₹), which is also the functional currency.

Transactions and Translations

Foreign currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the balance sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction. Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled.

Sensitivity analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Particulars	Change in assumptions		Impact on defined benefit obligation				
	As at March 31, 2025	As at March 31, 2024	Increase in assumptions		Decrease in assumptions		
			As at March 31, 2025	As at March 31, 2024	As at March 31, 2025	As at March 31, 2024	As at March 31, 2024
Discount rate	0.50%	0.50%	-2.79%	-2.07%	2.94%	3.19%	2.87%
Attrition rate	0.50%	0.50%	0.08%	0.68%	-0.09%	0.27%	-0.29%
Salary escalation rate	0.50%	0.50%	2.94%	3.21%	-2.81%	-2.11%	-2.77%

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change as compared to the prior year.

Total	847.15	1,070.73

The management assessed that the fair value of cash and cash equivalent, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

Level 1 - Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2 - The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 - If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3.

iii. Valuation technique used to determine fair value

Specific Valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes or similar instruments
- the fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves
- the fair value of forward foreign exchange contracts and principal swap is determined using forward exchange rates at the balance sheet date
- the fair value of foreign currency option contracts is determined using discounted cash flow analysis
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis

iv. Valuation processes

The accounts and finance department of the company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the chief financial officer (CFO) and the audit committee. Discussions of valuation processes and results are held between the CFO, AC and the valuation team regularly in line with the company's reporting requirements.

35. Financial Risk Management

35.1 Risk Management Framework

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the managing board.

35.2 Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including loans and borrowings, foreign currency receivables and payables.

The Company manages market risk through treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures and borrowing strategies.

35.3 Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is not exposed to significant interest rate risk as at the respective reporting dates.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

35.4 Foreign Currency Risk

The Company's exposure to exchange fluctuation risk is very limited for its purchase from overseas suppliers in various foreign currencies. Foreign Currency Risk is risk that fair value or future cash flows of an exposure will fluctuate due to changes in foreign exchanges rates. The Company entered into forward exchanges contract average maturity of 90-180 days to hedge against its foreign currency exposures relating to underlying liabilities firm commitments. The Company has not entered into any Derivatives instruments for trading and speculative purposes.

35.5 Credit Risk

Credit risk refers to the risk of default on its obligation by the counter party resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to ₹ 351.47 lakhs and ₹ 1571.68 lakhs as of March 31, 2025 and March 31, 2024 respectively. Trade receivables are typically unsecured and are derived from revenue earned from customers. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. The Company uses a provision matrix to compute the expected credit loss allowance for trade receivables. The provision matrix takes into account available external and internal credit risk factors and the Company's historical experience for customers.

The average credit period on sale of goods is 90 to 180 days.

35.6 Liquidity Risk

The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company believes that the working capital is sufficient to meet its current requirements. Accordingly, no liquidity risk is perceived.

As of 31st March 2025, The Company had a working capital of Rs. 2716.45 Lakhs including cash and cash equivalent of Rs. 1.50 Lakhs.

As of 31st March 2024, The Company had a working capital of Rs. 1974.66 Lakhs including cash and cash equivalent of Rs. 1.64 Lakhs.

35.8 Capital Management

The Company manages its capital to ensure that Company will be able to continue as going concern while maximizing the return to shareholders by striking a balance between debt and equity. The capital structure of the Company consists of net debts (offset by cash and bank balances) and equity of the Company (Comprising issued capital, reserves, retained earnings). The Company is not subject to any externally imposed capital requirements except financial covenants agreed with lenders.

In order to optimize capital allocation, the review of capital employed is done considering the amount of capital required to fund capacity expansion, increased working capital commensurate with increase in size of business and also fund investments in new ventures which will drive future growth. The Chief Financial Officer ("CFO") reviews the capital structure of the Company on a regular basis. As part of this review, the CFO considers the cost of capital and the risks associated with each class of capital.

39. Segment Reporting

Ind AS 108 establishes standards for the way that public business enterprises report information about operating segments and related disclosures about products and services, geographic areas, and major customers. The Company's operations predominantly relate to manufacturing, trading and leasing of assets. Based on the "management approach" as defined in Ind AS 108, the Chief Operating Decision Maker (CODM) evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments and geographic segments. Accordingly, information has been presented both along business segments and geographic segments. The accounting principles used in the preparation of the financial statements are consistently applied to record revenue and expenditure in individual segments, and are as set out in the significant accounting policies.

INDEPENDENT AUDITOR'S REPORT

Report on the Audit of the Consolidated Financial Statements

To,

The Members of,
MAESTROS ELECTRONICS & TELECOMMUNICATIONS SYSTEMS LIMITED

Opinion

We have audited the accompanying Consolidated financial statements of Maestros Electronics & Telecommunications Systems Limited (the "Holding Company") and its subsidiary (Holding Company and its subsidiary together referred to as "the Group"), which comprise Consolidated Balance Sheet as at March 31, 2025, the Consolidated Statement of Profit and Loss (including the statement on Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year ended on that date and notes to the consolidated financial statements (including summary of the significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025 and its consolidated profit, and consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the audit of the consolidated financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be key audit matters to be communicated in our report:

Sr. No	Key Audit Matter	Auditors Response
1.	Revenue Recognition as per IND AS 115: The company has booked an advance warranty as deferred income amounting to Rs. 259.01 Lakh. Recognition and measurement of revenue recognition relating to deferment of booking revenue involves significant management judgment. With the applicability of Ind AS 115 “Revenue Recognition”, revenue booking is based on future performance obligations. We have identified recognition of revenue as a key audit matter in view of the significant judgment and assumptions involved.	Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows: <ol style="list-style-type: none"> 1) Examined the policy on recognition of revenue in compliance with Ind AS 115. 2) Understood the process of computation and tested design and operating effectiveness of key controls around data extraction and validation. 3) Tested the computation of the cost of warranty and ensured application of correct underlying factors like probability of cost which can be incurred on the basis of the nature of products. 4) Tested the mathematical accuracy of the computation by reperforming the formulas.

Information Other than the Consolidated Financial Statements and Auditor’s Report thereon

The Holding Company’s Board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board’s Report including Annexures to Board’s Report, Business Responsibility and Sustainability Report, Corporate Governance and Shareholder’s Information, but does not include the consolidated financial statements and our auditor’s report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained during our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company’s Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of directors of the companies included in the Group are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether adequate internal financial controls systems are in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated Ind AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we may have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

In our opinion and to the best of our information and according to the Explanations given to us, and based on the consideration of our reports on separate audited financial statements of the 1 Indian Subsidiary, this statement includes the results/information of the following entities:

Annexure “A” To Independent Auditors’ Report

Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Maestros Electronics & Telecommunications System Limited of even date)

We have audited internal financial controls with reference to consolidated financial statements of **Maestros Electronics & Telecommunications System Limited** (hereinafter referred to as “the Holding Company”) and its subsidiaries (together referred to as “the Group”) as of March 31, 2025 in conjunction with our audit of the consolidated financial statements of the Group for the year ended on that date.

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors, as referred to in the Other Matters paragraph, the Holding Company and its subsidiaries, which are incorporated in India, have, in all material respects, an adequate internal financial and such internal financial controls with reference to consolidated financial statements were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

MANAGEMENT’S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of the Holding Company and its subsidiaries are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Holding Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements include obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to consolidated financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Maestros Electronics & Telecommunications Systems Limited ("the Holding Company") is a public limited company domiciled in India and incorporated under the provisions of the Companies Act 1956. The registered office of the Company is located at Plot No. EL/66, TTC Industrial Area, Electronic Zone, Mahape Navi Mumbai Thane- 400710 Maharashtra. The Company is listed on the Bombay Stock Exchange (BSE).

The Holding company and its subsidiary is engaged in business of manufacturing medical equipment and telemedicine. The Holding Company and its subsidiaries are together referred to as the "Group" and the Holding Company is referred as Maestros Electronics & Telecommunications Systems Limited.

1. Material accounting policies

The financial statements have been prepared using the material accounting policies and measurement basis summarised below. These were used throughout all periods presented in the financial statements as per Ind AS.

This Ind AS consolidated financial statements were approved for issue by the Board of Directors at their meeting held on May 29, 2025.

1.1. Basis of Preparation and Presentation

These consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis as per the provisions of the Companies Act, 2013 ("the Act"), except for:

- Financial instruments – measured at fair value.
- Revenue Recognition- revenue is deferred over the years in which it accrues
- Assets held for sale – measured at fair value less cost of sale.
- Plan assets under defined benefit plans – measured at fair value
- Employee share-based payments – measured at fair value
- In addition, the carrying values of recognized assets and liabilities, designated as hedged items in fair value hedges that would otherwise be carried at cost, are adjusted to record changes in the fair values attributable to the risks that are being hedged in effective hedge relationship.

The Company's Consolidated Financial Statements are presented in Indian Rupees (INR), which is also its functional currency and all values are rounded to the nearest Rs. lakh, except when otherwise indicated.

Classification of Assets and Liabilities into Current/Non-Current

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in the Group's normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the Group's normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The CONSOLIDATED Financial Statements have been presented in Indian Rupees (INR), which is the Group's functional currency.

1.2. Principles of Consolidation:

The Ind AS Consolidated Financial Statements of the Holding Company and its subsidiaries are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions. Profits or losses resulting from intra-group transactions that are recognized in assets, such as Property, Plant and Equipment, are eliminated in full. The Ind AS Consolidated Financial Statements have been prepared using uniform accounting policies.

1.3 Use of Estimates

The preparation of the Group's Ind AS consolidated financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Estimates and judgments are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the group.

1.4. Property, Plant and Equipment (PPE)

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the year in which the costs are incurred. Major shutdown and overhaul expenditure is capitalised as the activities undertaken improves the economic benefits expected to arise from the asset.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

It includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Group's accounting policy based on Ind AS 23 – Borrowing costs. Such properties are classified to the appropriate categories of PPE when completed and ready for intended use.

Property, plant and equipment except freehold land held for use in the production, supply or administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any.

Depreciation on Property, Plant and Equipment is provided using straight line method on depreciable amount after considering 5% residual value. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of Property, Plant and Equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gains or losses arising from derecognition of a Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

1.5. Intangible Assets

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortisation and accumulated impairment losses. Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting year, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

1.6. Impairment of Assets

At the end of each reporting year, the Group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual cash-generating units, or otherwise they are allocated to the smallest group of cash-generating units for which a reasonable and consistent allocation basis can be identified.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment at least annually, and whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the Statement of Profit and Loss.

Goodwill and intangible assets that do not have definite useful life are not amortised and are tested at least annually for impairment. If events or changes in circumstances indicate that they might be impaired, they are tested for impairment once again.

1.7. Financial Instruments

i. Investments and other financial assets

Initial recognition and measurement

The Group recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement

For purposes of subsequent measurement, the Group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Equity investments

The Group subsequently measures all equity investments at fair value. Where the Group's management has elected to present fair value gains and losses for an equity investment, that is not held for trading, in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Group's right to receive payments is established. Changes in the fair value of financial assets at fair value through profit or loss are recognised in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

De-recognition

A financial asset is derecognised only when:

- the rights to receive cash flows from the asset have expired, or
- the Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows to one or more recipient

Where the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Offsetting Financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

ii. Financial Liabilities

Classification as debt or equity

Debt and equity instruments issued by the Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of a financial liability and an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Borrowings: Borrowings are subsequently carried at amortized cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognized in the statement of profit and loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw-down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalized as a pre-payment for liquidity services and amortized over the period of the facility to which it relates.

Trade and other payable: These amounts represent obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Trade and payables are subsequently measured at amortized cost using the effective interest method.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

iii. Share Capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

1.8. Fair Value Measurement

The Group discloses fair values of financial instruments measured at amortised cost in the financial statements.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- i. In the principal market for the asset or liability Or
- ii. In the absence of a principal market, in the most advantageous market for the asset or liability

The Group must be able to access the principal or the most advantageous market at the measurement date.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs significant to the fair value measurement as a whole:

- i. Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ii. Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- iii. Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. Valuation process and assumption used to measure the fair value of Assets and Liabilities is disclosed.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

1.9. Revenue recognition

Sale of goods

Revenue is measured at the fair value of the consideration received or receivable and is recorded on the basis as defined as per Ind As 115. The Group recognises revenues on sale of products, net of discounts, sales incentives, rebates granted, returns, sales taxes/GST and duties when the products are delivered to customer or when delivered to a carrier for export sale, which is when title and risk and rewards of ownership pass to the customer and defers the revenue which relates to the warranty component of the goods sold by the group. Export incentives are recognised as income as per the terms of the scheme in respect of the exports made and included as part of export turnover.

Revenue from sales is recognised when control of the products has transferred, being when the products are delivered to the customer, the customer has full discretion over the channel and price to sell / consume the products, and there is no unfulfilled obligation that could affect the customer's acceptance of the products. Delivery occurs when the products have been shipped to the specific location, the risks of obsolescence and loss have been transferred to the customer, and either the customer has accepted the products in accordance with the sales contract or the acceptance provisions have lapsed.

Other Revenue is recognized as follow:

Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

1.10. Inventories

Raw materials

Raw materials and stores, work in progress, traded and finished goods are stated at the lower of cost and net realisable value. Cost of raw materials and traded goods comprises cost of purchases.

Work in progress and finished goods

Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure. Fixed overheads are allocated on the basis of normal operating capacity. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Cost includes the reclassification from equity of any gains or losses on qualifying cash flow hedges relating to purchases of raw material. Costs are assigned to the individual items in a group of inventories on the basis of weighted average cost basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. Costs of inventories are determined on weighted average basis. Net realisable value represents the estimated selling price for inventories less all estimated costs of completion and costs necessary to make the sale.

Traded Goods have been valued at lower of cost and net realisable value. The cost of inventories shall comprise all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. NRV is the estimated selling price in the ordinary course of business less the estimated cost of completion and estimated cost necessary to make the sale.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

Stores and spares

Inventory of stores and spare parts is valued at weighted average cost or net realisable value, whichever is lower. Provisions are made for obsolete and non-moving inventories. Unserviceable and scrap items, when determined, are valued at estimated net realisable value.

1.11. Cash and Cash equivalents

Cash and cash equivalents include cash at bank and in hand. For the purpose of the cash flows statements, cash and cash equivalents consist of cash net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management.

1.12. Income Tax

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to setoff the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

1.13. Employee Benefit Expense

Short-term / long term obligations

All employee benefits payable wholly within twelve months of rendering the service including performance incentives and compensated absences are classified as short-term employee benefits. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are charged off to the Statement of Profit and Loss/ Capital Work-in-Progress, as applicable. The employee benefits which are not expected to occur within twelve months are classified as long-term benefits and are recognised as liability at the net present value.

Defined contribution plan

Contributions to defined contribution schemes such as provident fund, Employees State Insurance and Pension Plans are charged off to the Statement of Profit and Loss/ Capital Work-in-Progress, as applicable, during the year in which the employee renders the related service.

1.14. Provisions, contingent liabilities and contingent assets

Provision

Provisions are recognized when the Group has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost

Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group. A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or reliable estimate of the amount cannot be made, is termed as contingent liability.

Contingent Assets

Contingent assets are disclosed where an inflow of economic benefit is probable.

1.15. Earning per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

1.16. Cash Flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information.

1.17. Foreign Currency Transactions

Functional Currency

Financial statements of the Group are presented in Indian Rupees (₹), which is also the functional currency.

Transactions and Translations

Foreign currency denominated monetary assets and liabilities are translated into the relevant functional currency at exchange rates in effect at the balance sheet date. The gains or losses resulting from such translations are included in net profit in the Statement of Profit and Loss. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at fair value are translated at the exchange rate prevalent at the date when the fair value was determined. Non-monetary assets and non-monetary liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of the transaction. Transaction gains or losses realized upon settlement of foreign currency transactions are included in determining net profit for the period in which the transaction is settled.

Sensitivity analysis

The sensitivity of the defined benefit obligation to changes in the weighted principal assumptions is:

Particulars	Change in assumptions		Impact on defined benefit obligation				
	As at March 31, 2025	As at March 31, 2024	Increase in assumptions		Decrease in assumptions		
			As at March 31, 2025	As at March 31, 2024	As at March 31, 2025	As at March 31, 2024	As at March 31, 2024
Discount rate	0.50%	0.50%	-2.79%	-2.07%	2.94%	3.19%	2.87%
Attrition rate	0.50%	0.50%	0.08%	0.68%	-0.09%	0.27%	-0.29%
Salary escalation rate	0.50%	0.50%	2.94%	3.21%	-2.81%	-2.11%	-2.77%

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet.

The methods and types of assumptions used in preparing the sensitivity analysis did not change as compared to the prior year.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

The management assessed that the fair value of cash and cash equivalent, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

Level 1 - Level 1 hierarchy includes financial instruments measured using quoted prices.

Level 2 - The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3 - If one or more of the significant inputs are not based on observable market data, the instrument is included in level 3.

iii. Valuation technique used to determine fair value

Specific Valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes or similar instruments
- the fair value of interest rate swaps is calculated as the present value of the estimated future cash flows based on observable yield curves
- the fair value of forward foreign exchange contracts and principal swap is determined using forward exchange rates at the balance sheet date
- the fair value of foreign currency option contracts is determined using discounted cash flow analysis
- the fair value of the remaining financial instruments is determined using discounted cash flow analysis

iv. Valuation processes

The accounts and finance department of the company includes a team that performs the valuations of financial assets and liabilities required for financial reporting purposes, including level 3 fair values. This team reports directly to the chief financial officer (CFO) and the audit committee. Discussions of valuation processes and results are held between the CFO, AC and the valuation team regularly in line with the company's reporting requirements.

34. Financial Risk Management

34.1 Risk Management Framework

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the managing board.

34.2 Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including loans and borrowings, foreign currency receivables and payables.

The Company manages market risk through treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures and borrowing strategies.

34.3 Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is not exposed to significant interest rate risk as at the respective reporting dates.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2025

34.4 Foreign Currency Risk

The Company's exposure to exchange fluctuation risk is very limited for its purchase from overseas suppliers in various foreign currencies. Foreign Currency Risk is risk that fair value or future cash flows of an exposure will fluctuate due to changes in foreign exchanges rates. The Company entered into forward exchanges contract average maturity of 90-180 days to hedge against its foreign currency exposures relating to underlying liabilities firm commitments. The Company has not entered into any Derivatives instruments for trading and speculative purposes.

34.5 Credit Risk

Credit risk refers to the risk of default on its obligation by the counter party resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to ₹ 351.47 lakhs and ₹ 1571.68 lakhs as of March 31, 2025 and March 31, 2024 respectively. Trade receivables are typically unsecured and are derived from revenue earned from customers. Credit risk has always been managed by the Company through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which the Company grants credit terms in the normal course of business. On account of adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. The Company uses a provision matrix to compute the expected credit loss allowance for trade receivables. The provision matrix takes into account available external and internal credit risk factors and the Company's historical experience for customers.

The average credit period on sale of goods is 90 to 180 days.
