---	---

Dear Sir/Madam,

**Sub : Corrigendum to the Annual Report for the Financial Year 2024-25**

This is in continuation to our intimation dated 03<sup>rd</sup> June, 2025 wherein the Company had submitted its Annual Report along with the Notice of the 41<sup>st</sup> AGM to be held on Friday, 27<sup>th</sup> June, 2025 at 11.30 a.m. (IST) via Video Conference / Other Audio Visual Means.

This is to inform you that certain inadvertent typographical error were noticed in Corporate Governance Report and the Independent Auditors Report forming part of the Annual Report for the F.Y. 2024-25. In view of the above, we are enclosing herewith the revised Annual Report of the Company for the FY 2024-25.

The revised Annual Report for the F.Y. 2024-25 is also uploaded on the website of the company and the same can be accessed at <https://www.zimlab.in/investors/annual-reports>.

Please note that, apart from the corrections mentioned above, there are no other changes to the Annual Report for F.Y. 2024-25.

Please take the same on your records.

Thanking you,

Yours faithfully,  
For ZIM LABORATORIES LIMITED

In FY25, ZIM Laboratories Limited completed its first external sustainability assessment through **EcoVadis**, receiving a score of **55/100** and placing us in the "Committed to Sustainability" category. This independent rating serves as a valuable starting point, helping us identify both strengths and areas for improvement as we work towards building a comprehensive ESG roadmap.

# EMPOWERING PATIENTS THROUGH DRUG DELIVERY INNOVATIONS

At ZIM Laboratories Limited (ZIM Labs or ZIM), innovation, quality, patient convenience, and treatment adherence drive our mission to deliver accessible, cutting-edge drug delivery solutions that enhance patient outcomes. In a rapidly evolving Pharmaceutical landscape, we are focussed on value addition to make medicines more accessible, efficient and patient-friendly.

Our state-of-the-art manufacturing facilities, proprietary technology platforms, and dynamic R&D capabilities enable us to develop innovative formulations and next-generation drug delivery mechanisms. We specialise in developing, manufacturing, and supplying differentiated & value-added oral solid dosages using Novel Drug Delivery Techniques (NDDS).

Our Innovative Products, developed using proprietary technology platforms, significantly improve patient convenience and treatment outcomes by simplifying dosage administration and enhancing adherence.

With a patient-centric approach, we continue to forge strategic partnerships and explore new markets, expanding the global reach of our value-added, differentiated solutions.

By harnessing the power of technology, research, and innovation, ZIM is committed to empowering patients and transforming drug delivery solutions.

INNOVATING WITH PURPOSE, DIFFERENTIATING WITH IMPACT

# ZIM LABORATORIES LIMITED AT A GLANCE

Established in 1989, ZIM Laboratories Limited (ZIM Labs or ZIM) is a globally recognised provider of innovative Drug Delivery Solutions based in India. As a research-driven, therapy-agnostic organisation, we specialise in the development, manufacturing, and supply of differentiated and complex generic products in oral solid dosage forms, utilising Novel Drug Delivery Techniques (NDDS) and proprietary, non-infringing manufacturing technologies.

Driven by experienced leadership, we integrate world - class manufacturing, cutting - edge R&D capabilities, and advanced technologies to foster continuous innovation and operational excellence. Our diverse product portfolio spans both Pharmaceuticals and Nutraceuticals, offering Pre-Formulation Intermediates (PFI) and Finished Formulations (FF) across key therapeutic segments in Regulated, Pharmerging, and RoW markets.

With a strong emphasis on strategic partnerships, product diversification, and global expansion, we are committed to delivering high - quality, patient - centric solutions that are both differentiated and accessible. By scaling investments and diversifying our revenue streams, we continue to capitalise on emerging opportunities in Key Developed and Pharmerging markets.\*

At ZIM, innovation, quality, and patient convenience are at the core of everything we do. We remain committed to pioneering advanced drug delivery solutions that not only improve patient outcomes but also drive long-term growth and value for all stakeholders.

\*Key Developed and Pharmerging Markets: EU, Turkey, Canada, Australia, BRICS, LatAm, Saudi Arabia, and other markets with high GDP / Capita

## Vision

Making quality healthcare affordable through drug delivery solutions focussed on patient convenience and treatment adherence.

## FY25 Business Dashboard

### Pharmaceuticals

Pharmaceuticals remained our primary revenue driver in FY25, contributing 75% of the Total Operating Income, amounting to ₹ 2,836 Mn.

### Nutraceuticals

Nutraceuticals, including Vitamins, Healthcare, and Dietary Supplements, accounted for 25% of the Total Operating Income, reaching ₹954 Mn in FY25.

## Key FY25 Numbers

Upholding fairness, honesty, transparency, and the highest standards of ethical conduct in everything we do

**Care for Environment**  
Acting responsibly in the use of resources, reducing waste, and contributing to a healthier planet for future generations

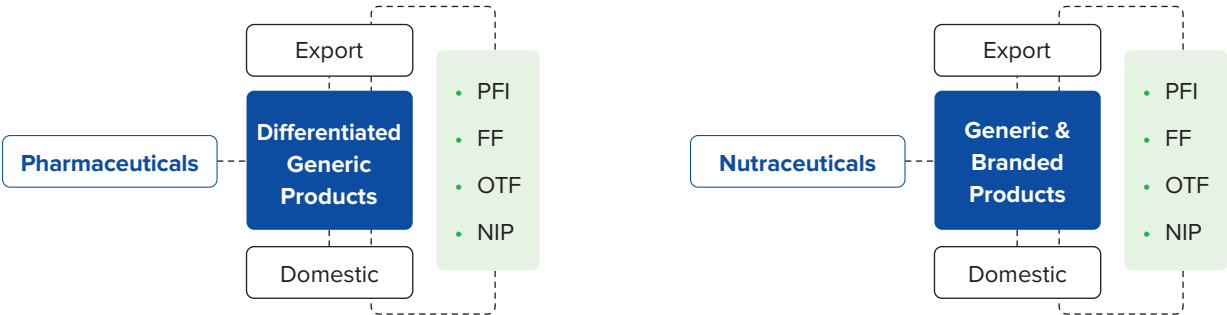

ADVANCING HEALTHCARE WITH INNOVATIVE SOLUTIONS

BUSINESS SNAPSHOT

Our unwavering commitment to manufacturing excellence, technological innovation, and continuous R&D empowers us to navigate a dynamic healthcare landscape and seize emerging opportunities. With a robust portfolio of high-quality, complex generics and advanced drug delivery technologies across diverse oral dosage forms, we focus on enhancing accessibility and treatment adherence - building customer trust and delivering added value to our business partners.

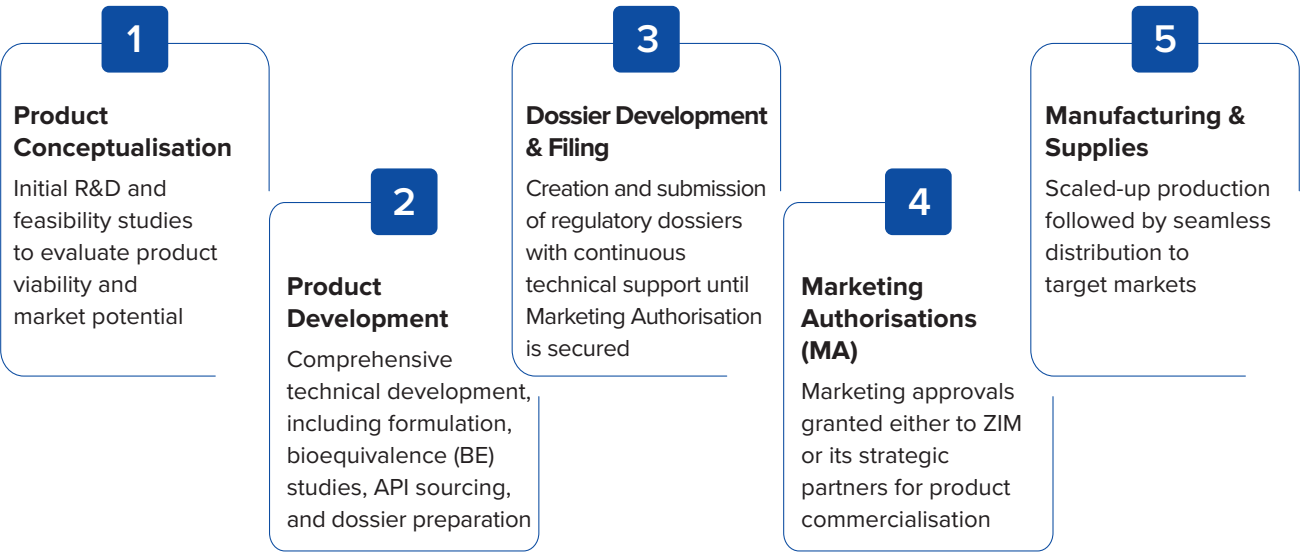

Business Verticals

\*PFI: Pre - Formulation Intermediates, FF - Finished Formulations, OTF - Oral Thin Films, NIP - New Innovative Products

Comprehensive Product Development

Global Subsidiaries & Strategic Presence

Strengthening our global footprint through strategic subsidiaries across India, the UAE, Australia, and the European Union.

ZIM Laboratories FZE, Sharjah, UAE (100% Subsidiary)

Responsible for business development and marketing in the MENA and Africa regions.

ZIM Scientific Office LLC (Step - Down Subsidiary)

Formed in November 2024 to support registration and marketing activities and expand reach in the MENA region.

SIA ZIM Laboratories Limited, Latvia, EU (100% Subsidiary)

Manages product registrations and marketing for innovative formulations in the European Union.

ZIM Health Technologies Limited, India (100% Subsidiary)

Established to scale up R&D, manufacturing, and marketing of complex generics and advanced Pharmaceutical & Nutraceutical products in Developed and Pharmerring Markets.

ZIM Thinorals Private Limited, India (100% Subsidiary)

Dedicated to the Oral Thin Films (OTF) business; operations are yet to commence.

ZIMTAS Pty. Ltd., Australia (Subsidiary)

Incorporated to handle product registrations, marketing, and distribution in Australia and New Zealand.

ZIM Laboratories Middle East DMCC (Step-Down Subsidiary)

A subsidiary of ZIM FZE, focussed on product registration, marketing, and distribution across MENA and Africa.

\*MENA: Middle East and North Africa

# FY25 KEY HIGHLIGHTS

## Financial Highlights

- Total Operating Income grew by **3.2% YoY**, reaching ₹ **3,790 Mn**, primarily driven by increased contributions from Innovative Products
  - EBITDA grew by **6.4% YoY** to ₹ **495 Mn**, with an EBITDA margin of **13.1%**, while Profit After Tax (PAT) stood at ₹ **122 Mn**, translating to a PAT margin of **3.2%**
  - Finance costs increased from ₹ 69 Mn to ₹ **114 Mn**, mainly due to higher borrowings for plant and equipment upgrades, which rose from ₹ 1,064 Mn to ₹ **1,122 Mn**
  - NIP+OTF Dossier Licensing Income rose to ₹ **98 Mn**, indicating strong monetisation of ZIM's Innovative Products and enhanced licensing capabilities
  - Gross block additions during FY25 aligned with the Developed Markets expansion strategy, including:
    - Investment of ₹ **365 Mn** in CapEx for facility and infrastructure enhancement
    - Allocation of ₹ **103 Mn** towards Bio-equivalence (BE) studies and regulatory filings to support global market access
- In line with the company's strategic priorities:
- Export Revenue grew by **8.9% YoY** to ₹ **3,125 Mn**, up from ₹ **2,870 Mn** in FY24, supported by robust demand across key international markets
  - Revenue from NIP + OTF stood at ₹ **722 Mn**, reflecting a **65% YoY** growth and contributing **19%** to Total Operating Income, inclusive of licensing income
  - R&D expenditure accounted for **8.8%** of Total Operating Income, in line with the company's strategy towards innovation and proprietary technology development

## Business and Strategic Highlights

- Expansion in International Markets:**
  - Established a Scientific Office in the UAE to facilitate the registration and marketing of Pharmaceutical and Nutraceutical products
  - A strategic collaboration with a strong local partner in the UAE has significantly enhanced ZIM's position in the MENA region. This partnership enables wider registration and commercialisation of our product portfolio, particularly Oral Thin Films (OTF)
  - 1 NIP and 1 OTF filing done via ZIM's Australian subsidiary, ZIMTAS Pty. Ltd., laying a solid foundation for expansion in Oceania
  - Successfully completed EU re-accreditation (Portugal) and NSF re-accreditation for (Oral Dispersible Strips) Dietary Supplements
- Regulatory Filings and Marketing Authorisations**
  - Received the first EU Marketing Authorisation for Azithromycin Oral Suspension (NIP category)
  - Secured the second EU Marketing Authorisation for Dimethyl Fumarate (NIP category) in Portugal
  - ZIM's co-development partner, Neuraxpharm, received an EU-wide Marketing Authorisation for Buprenorphine Sublingual Films
- Completed 23 NIP filings for 6 molecules, including 5 filings for 4 molecules in the EU, 1 filing in Australia, and 17 filings in Pharmerging & RoW; 14 filings under ZIM's name
- Completed 17 OTF filings for 5 molecules—6 filings for 2 molecules in the EU, 1 in Australia, and the rest 10 filings across Pharmerging and RoW markets; 3 filings under ZIM's name
- Completed 10 FF filings for 5 molecules in the Pharmerging & RoW markets, of which 7 filings were under ZIM's name
- Worldwide Marketing Authorisations:**
  - Received 6 NIP MAs for 3 molecules - 2 in the EU & 4 in Pharmerging & RoW Markets
  - Received 7 OTF MAs for 5 molecules - 1 EU - wide & 6 across Pharmerging & RoW Markets
  - Received 14 FF MAs for 10 molecules in the Pharmerging & RoW Markets
- Strategic CapEx Projects & Market Growth:**
  - Completed CapEx projects for Urology Suite and Nutraceutical Suite, significantly enhancing manufacturing capabilities
  - Strengthened presence in Developed Markets through new marketing partnerships, supporting long - term

## SHAPING THE VISION, ONE STEP AT A TIME

## OUR JOURNEY

At ZIM, our journey is defined by innovation, resilience, and a steadfast commitment to transforming healthcare. Built on a strong foundation and empowered by advanced capabilities, we strive to make healthcare more accessible and patient-centric. Through cutting - edge drug delivery solutions, we enhance treatment efficacy, address critical challenges, and contribute to building a healthier future.

## 1989-2000

- Strengthened market position as a key supplier of Pharmaceutical products to government organisations through tenders, leveraging WHO-GMP-approved manufacturing facilities.

## 2001-2012

- Developed Pellets, Granules, and Taste-Masking Technology Platforms to diversify the portfolio and create differentiated, higher-margin generic products.
- Expanded international presence across the Middle East and North Africa (MENA) region.
- Created Proof-of-Concept for Oral Thin Films (OTF) and Nanotechnology as part of future innovation initiatives.

## 2013-2017

- Secured funding from a private equity investor to accelerate growth.
- Shifted focus to high-margin businesses, reducing reliance on deemed exports and low-margin government contracts.
- Invested in upgrading manufacturing facilities to meet EU-GMP standards, expanded the team, and enhanced processes.
- Established a new WHO-GMP-approved Oral Thin Films (OTF) facility and successfully commercialised OTF products.
- Expanded into new territories, including Southeast Asia, Latin America (LatAm), CIS, and Africa, while deepening market penetration in Sri Lanka, South Asia, and MENA.
- Built a strong pipeline of new products, improved dossier filings, and secured product registrations under the ZIM brand.

## 2018-Present

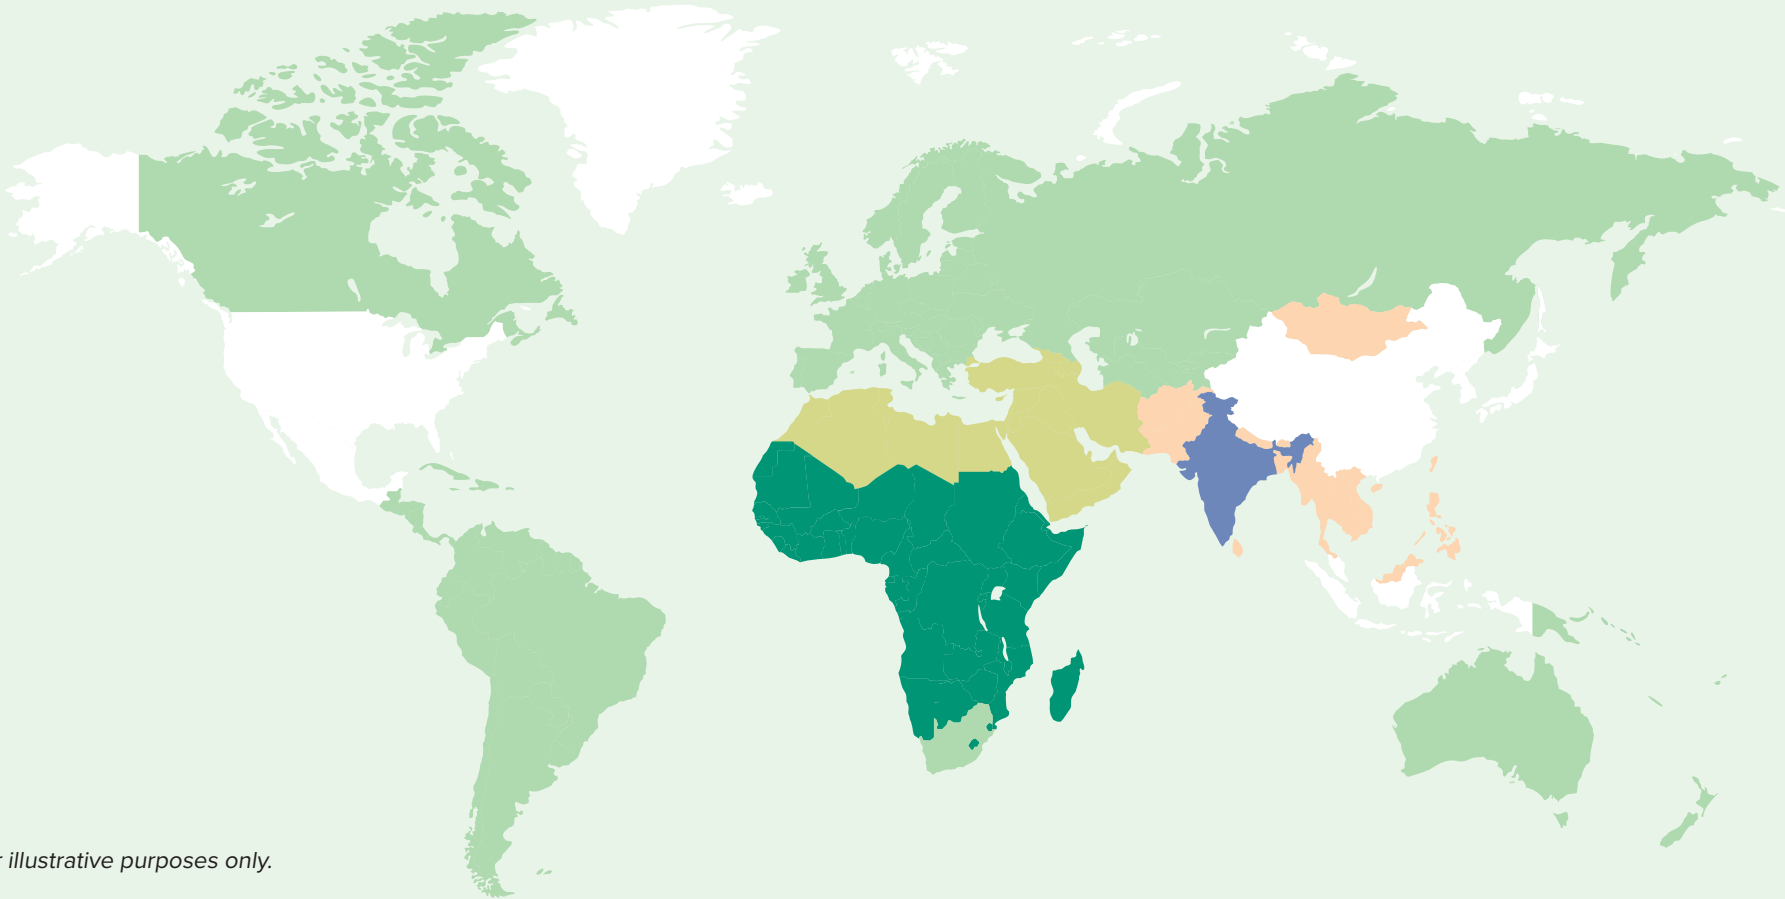

- Focussed on business expansion into new geographies, customer acquisition, and pipeline development.
- Strengthened the generic finished formulations business through product registrations, marketing partnerships, and regular launches across MENA, Southeast Asia, LatAm, and CIS markets.
- Introduced Thinoral® (Patented Oral Thin Films Technology) as an alternative drug delivery platform for prescription and OTC products in RoW, Pharmerging Markets, and the EU.
- Enhanced R&D capabilities to develop new combination generic Pharmaceuticals for Pharmerging and select Developed Markets.
- Listed on BSE Limited and the National Stock Exchange of India Limited.
- Developed 10 New Innovative Products (NIP) for Key Developed and Pharmerging Markets.
- Expanded manufacturing capacity, including a dedicated NIP warehouse and a potential Greenfield Nutraceuticals plant.
- Established ZIMTAS Pty. Ltd., ZIM's subsidiary in Australia (2022), for product registration, marketing, and distribution in Australia and New Zealand.
- Successfully completed EU re-accreditation (Portugal) and NSF re-accreditation for ODS Dietary Supplements.
- Established a Scientific Office in the UAE (Nov 2024) for the registration and marketing of Pharmaceutical and Nutraceutical products, driving expansion in MENA region.
- Completed two major CapEx projects in FY25 - a Urology Suite and a Nutraceutical Suite to support future business initiatives.
- Received EU Marketing Authorisations for Azithromycin Oral Suspension and Dimethyl Fumarate, both under the New Innovative Products (NIP) category.
- ZIM's co-development partner, Neuraxpharm, secured an EU-wide Marketing Authorisation for Buprenorphine Sublingual Films.

**Key Developed and Pharmerging Markets:** EU, Turkey, Canada, Australia, BRICS, LatAm, Saudi Arabia, and other markets with high GDP / Capita.

INNOVATING ACROSS GEOGRAPHIES

GLOBAL PRESENCE

Driven by a commitment to excellence in innovation and execution, we strive to make medicines more effective, accessible, and convenient for a growing patient base. We continue to expand our reach in emerging markets, while strengthening our presence in established regions, delivering differentiated solutions that advance healthcare outcomes worldwide.

# CHAIRMAN AND MANAGING DIRECTOR'S MESSAGE

**We made significant progress in our Innovative Products portfolio: New Innovative Products (NIP) and Oral Thin Films (OTF) – in line with our vision to build a differentiated, value-driven pipeline.**

## Dear Shareholders,

It gives me immense pleasure to present to you the 41<sup>st</sup> Annual Report of ZIM Laboratories Limited (ZIM) for the Fiscal Year 2025. I hope this message finds you and your families in good health and high spirits.

## Business Overview

FY25 marked a year of focussed strategic execution and measured business expansion, underpinned by our continued commitment to innovation, quality, and sustainable growth.

Our Pharmaceutical business remained the primary revenue contributor, accounting for 75% of Total Operating Income, reflecting the strength of our core strategy and disciplined execution. The Nutraceutical segment contributed 25%, aligning with ZIM's strategic focus on balanced and diversified

growth through innovative and differentiated products. Exports continued to be the mainstay of our business, contributing 83% to Total Operating Income, reinforcing both the relevance of our product offerings and our expanding global reach.

We made significant progress in our Innovative Products portfolio: New Innovative Products (NIP) and Oral Thin Films (OTF) – in line with our vision to build a differentiated, value-driven pipeline. The combined contribution from NIP and OTF increased notably during the year, reaching 16.5% of Total Operating Income, up from 10.1% in FY24. NIP sales contributed 11.5%, while OTF sales contributed 4.9%. This growth was further supported by increased revenue from dossier licensing and co-development fees, amounting to

₹98 Mn. During the year, ZIM entered into several licensing agreements with partners across the EU and other markets, underscoring the commercial potential of our innovation-led product pipeline.

In our domestic business, which contributed 17% of Total Operating Income, we continued supplying high-margin Pharmaceutical and Nutraceutical products, particularly to government institutions. The penetration of innovative offerings, including NIP and OTF, into government schemes and select private market contracts reaffirms their value and the opportunity to scale further in India.

## Business Development and Marketing

Throughout FY25, we sustained steady momentum in dossier filings across key geographies. In the EU, 5 NIP filings covering 4 molecules were completed, bringing the cumulative EU NIP filings to 7 to date. Additionally, 6 OTF filings for 2 molecules were completed in the EU. Filings also progressed across Pharmerging and RoW markets for Finished Formulations, NIP, and OTF products. Notably, through our Australian subsidiary ZIMTAS Pty. Ltd., 1 NIP and 1 OTF product were filed, further strengthening our regulated market presence.

During the year, we received 2 Marketing Authorisations in the NIP category for Dimethyl Fumarate and Azithromycin Suspension. Our EU partner also secured approval for Buprenorphine Sublingual Films (OTF), underscoring the regulatory progress and scientific strength of our differentiated portfolio.

To support product registration and commercialisation, we adopted a structured regional business development strategy, on-boarding experienced Business Development leaders across our five key regions. Through our EU and Australian subsidiaries, as well as a newly established Scientific Office in the UAE, we established a local presence to facilitate the registration and launch of high-value NIP and OTF products. A landmark contract was signed with partners in the GCC region to expand our Oral Thin Films business.

## Product, Plant and Technology Upgradation

We continue to invest in R&D to enhance product differentiation and advance drug delivery platforms. In FY25, consolidated R&D investment stood at 8.8% of Operating Income, consistent with prior years.

Our pipeline now includes 12 NIP products, of which 8 have been fully developed. The remaining 4 are expected to be completed in FY26 and filed in the EU and other regulated markets. This pipeline represents a cornerstone of our future growth strategy.

FY25 also marked significant investment in production capacity expansion, aligning with our strategic goal of completing the CapEx cycle required to scale operations. We now have substantial capacity for manufacturing our key NIP and OTF products, along with a specialised Liquid-in-Pellet Technology based Nutraceutical Suite to support high-value OTC supplements and formulations. Several audits and accreditations were successfully completed during the year, including the EU-GMP audit of our facilities.

While FY25 was a year of progress, it was not without challenges. We encountered headwinds from geopolitical instability, currency depreciation, and payment uncertainties in some of our traditionally stable legacy markets – particularly impacting our Pre-Formulation Intermediates (PFI) and Nutraceutical exports. In line with our prudent risk management approach, we refrained from accepting new orders in these regions without clear payment visibility. Despite these setbacks, our diversified business model and the growing share of high-value innovative products helped offset the impact and sustain momentum.

## Looking Ahead

As we look ahead to FY26, we anticipate strong growth across developed, RoW, and Pharmerging markets, driven by our regional BD teams and increased product registrations. The execution of ongoing agreements remains a top priority, and we are confident that our continued efforts will lead to sustained value creation.

On behalf of the Board, I thank our shareholders for their continued trust and support. I extend my heartfelt appreciation to all 'ZIMians' for their unwavering commitment, and to our customers, partners, regulatory agencies, and stakeholders for their collaboration and confidence.

Together, we look forward to scaling new heights as we continue our journey of innovation and growth.

Warm regards,

**Anwar S. Daud**

Chairman and Managing Director

# CHIEF FINANCIAL OFFICER'S (CFO) MESSAGE

**Exports remained a key growth engine, contributing 83% to our Total Operating Income. Export revenues rose to ₹3,125 Mn, a 8.9% increase over FY24, reflecting the success of our regional strategies and the effectiveness of our business development efforts across key geographies.**

## Dear Shareholders,

It gives me great pleasure to present an overview of ZIM Laboratories Limited's performance for FY25 and outline our strategic direction for the years ahead. This past year was defined by our unwavering commitment to disciplined execution, forward-looking investments, and the pursuit of long-term value creation. Despite facing external uncertainties, our innovation-driven strategy and sound financial stewardship enabled us to overcome challenges and stay firmly on the path of sustainable growth.

## Performance Highlights

In FY25, we delivered a resilient financial performance, with Total Operating Income reaching ₹3,790 Mn, a 3.2% increase from ₹3,674 Mn in FY24. This growth was largely driven by

strong traction in our Innovative Product portfolio – particularly New Innovative Products (NIP) and Oral Thin Films (OTF).

Exports remained a key growth engine, contributing 83% to our Total Operating Income. Export revenues rose to ₹3,125 Mn, an 8.9% increase over FY24, reflecting the success of our regional strategies and the effectiveness of our business development efforts across key geographies.

The NIP segment recorded revenues of ₹437 Mn, marking an 82% year-on-year increase. OTF revenues stood at ₹186 Mn, a 42% increase over FY24. Licensing and dossier-related revenues contributed ₹98 Mn, supported by a series of new agreements across the EU and other developed markets.

The contribution from NIP and OTF, along with dossier fees, accounted for 19% of Total Operating Income.

Our domestic business generated ₹665 Mn, or 17% of Total Operating Income, reflecting ongoing traction in high-margin Pharma and Nutra segments. Within this, our NIP and OTF products gained further ground, especially in public sector supply channels and government health schemes.

EBITDA for FY25 increased by 6.4% to ₹495 Mn from ₹465 Mn in FY24, with the EBITDA margin improving to 13.1% (FY24: 12.7%), reflecting sustained cost efficiency and operational stability.

Profit After Tax (PAT) stood at ₹122 Mn, compared to ₹172 Mn in FY24, with a PAT margin of 3.2% versus 4.7% in the previous year. While this represents a 29.3% decline in absolute PAT, the overall net margin was supported by a more favourable product and regional mix.

## Strengthening Capabilities for Sustainable Growth

FY25 was also a year of strengthening operational capabilities through targeted capital investment. We completed two key CapEx projects – the Urology Suite and the Specialised Nutraceutical Suite - both of which enhance our capacity to serve growing demand in high-value therapeutic segments. A total of ₹365 Mn was invested during the year to support these initiatives.

We continued to expand our Nutraceutical business under ZimUNat, with a focus on science-backed, patient-friendly formulations. Simultaneously, we strengthened our in-house manufacturing infrastructure to meet the quality and compliance expectations of regulated markets.

On the R&D front, we invested ₹103 Mn towards bioequivalence (BE) studies and regulatory filings. Our pipeline of 12 exclusive NIP products made steady progress - 7 products filed in the EU, and several more in Pharmerging and RoW markets. We received 2 Marketing Authorisations during the year, further reinforcing the strength of our development engine.

## Enhancing Financial Health

ZIM remains committed to prudent financial management. During FY25, we strategically raised borrowings to support expansion and meet regulatory requirements for developed markets. Total borrowings increased to ₹1,122 Mn, leading

to a gearing ratio of 44% (FY24: 45%). Despite the increased leverage, we maintained robust capital efficiency - Return on Equity (ROE) stood at 5.0%, and Return on Capital Employed (ROCE) at 8.3%, supported by disciplined cost control and efficient capital deployment.

We also took proactive measures to manage currency risk and safeguard liquidity, particularly in light of volatility in some of our legacy markets. Our decision to withhold accepting orders in certain MENA and African markets without clear payment visibility helped preserve financial stability and cash flow integrity.

## Outlook

As we look ahead to FY26, we will continue building on our foundations of financial discipline, innovation, and operational excellence. With key infrastructure in place, expanding market access, and a more diversified product and regional mix, we are well-positioned for the next phase of sustainable growth.

We anticipate the commercialisation of several NIP products in developed markets and continued traction in Pharmerging and RoW markets, supported by our enhanced BD structure. As a team, we remain focussed on improving capital efficiency, expanding our value-added portfolio, and delivering superior returns for all stakeholders.

On behalf of the finance team, I extend my gratitude to our shareholders, partners, and employees for their continued trust and collaboration. Together, we remain committed to building a stronger, more resilient ZIM.

Best Wishes,

**Shyam Mohan Patro**  
Chief Financial Officer

## DELIVERING VALUE AT EVERY STAGE

## INTEGRATED BUSINESS MODEL

Our value creation model focuses on innovation, patient satisfaction, and sustainability, driving long - term growth, market leadership, and enhanced stakeholder value. Through our core capabilities and R&D expertise, we advance healthcare by delivering innovative drug delivery solutions to improve patient outcomes globally contributing to a healthier ecosystem.

## Input

**Financial Capital**

- Paid-up Equity Share Capital – ₹ 487.25 Mn
- Borrowings – ₹ 1,122 Mn
- Debt-to-Equity Ratio – 44%
- Net Worth – ₹ 2,522 Mn
- ROCE – 8.3%
- ROE – 5.0%

**Manufacturing Capital**

- 3 Modern Manufacturing facilities in Nagpur:
- Solid Oral Dosage Facility (General) – 1,00,000 Sq. Ft.
- Oral Thin Film Facility (OTF) – 6,300 Sq. Ft.
- Solid Oral Dosage Facility (Cephalosporin) – 16,000 Sq. Ft.
- ₹ 365 Mn CapEx spend in FY25
- Focussed on diverse and unique Manufacturing Process Capabilities

**Intellectual Capital**

- Proprietary Technology Platforms – 4
- Regulatory Filings completed overall:
  - 23 NIP Filings done for 6 molecules
  - 17 OTF Filings done for 5 molecules
  - 10 FF Filings done for 5 molecules
- Regulatory Filings completed in the EU:
  - 5 NIP Filings for 4 molecules
  - 6 OTF Filings for 2 molecules
- R&D Employees – 90
- R&D Spend – ₹ 333 Mn (8.8% of Total Operating Income)
- New Innovative Products (NIP) in development pipeline – 12

**Human Capital**

- Total Employees – 603 (as of 31<sup>st</sup> March, 2025)
- Average Management Experience – 30+ Years

**Social and Relationship Capital**

- CSR Spend: ₹ 48.53 Lakhs
- CSR Focus Areas: Healthcare & Sanitation, Education Development, Women Empowerment, and Environment Conservation
- Healthcare Projects Implemented: 7
- Education Development Initiatives Implemented: 4
- Rural / Tribal Area Projects Executed: 1
- Number of Schools Covered under CSR Focus Areas: 11

## How We Create Value – Where Innovation meets Execution

## Key Activities

- **State-of-the-Art Manufacturing**  
Leveraging modern, scalable, and cost-efficient infrastructure to deliver high-quality Pharmaceutical products across diverse dosage forms.
- **Efficient Distribution**  
Ensuring timely, compliant, and optimised supply chain management across regulated and emerging markets to maximise reach and reliability.
- **Cutting-Edge Research & Development**  
Investing in R&D to develop proprietary, non-infringing technologies and differentiated drug delivery platforms that address evolving global healthcare needs.
- **Strategic Collaborations**  
Building long-term partnerships with global Pharmaceutical companies and research institutions to co-develop high-potential products and expand market reach.
- **Patient-Centric Innovation**  
Focussing on formulations that enhance treatment adherence, therapeutic outcomes, and patient convenience through novel delivery systems like Oral Thin Films (OTF), Taste-masked powders, pellets with different release patterns, etc.
- **Market Expansion & Growth**  
Pursuing opportunities in Pharmerging and RoW markets through product diversification, regulatory approvals, and targeted commercial strategies.

## Advancing Treatment Across Essential Therapeutic Areas

## DOSAGE FORMS

Tablets

## Output

**Financial Capital**

- Total Operating Income – ₹ 3,790 Mn
- EBITDA – ₹ 495 Mn
- PAT – ₹ 122 Mn
- Exports Revenue – ₹ 3,125 Mn
- Domestic Revenue – ₹ 665 Mn
- EPS – ₹ 2.50
- Cash Flow from Operations – ₹ 414 Mn

**Manufacturing Capital**

- Distinct Offerings – 4
- Therapy Segments Covered – 7
- Dosage Forms Offered – 7
- Production Utilisation Rate – 65%

**Intellectual Capital**

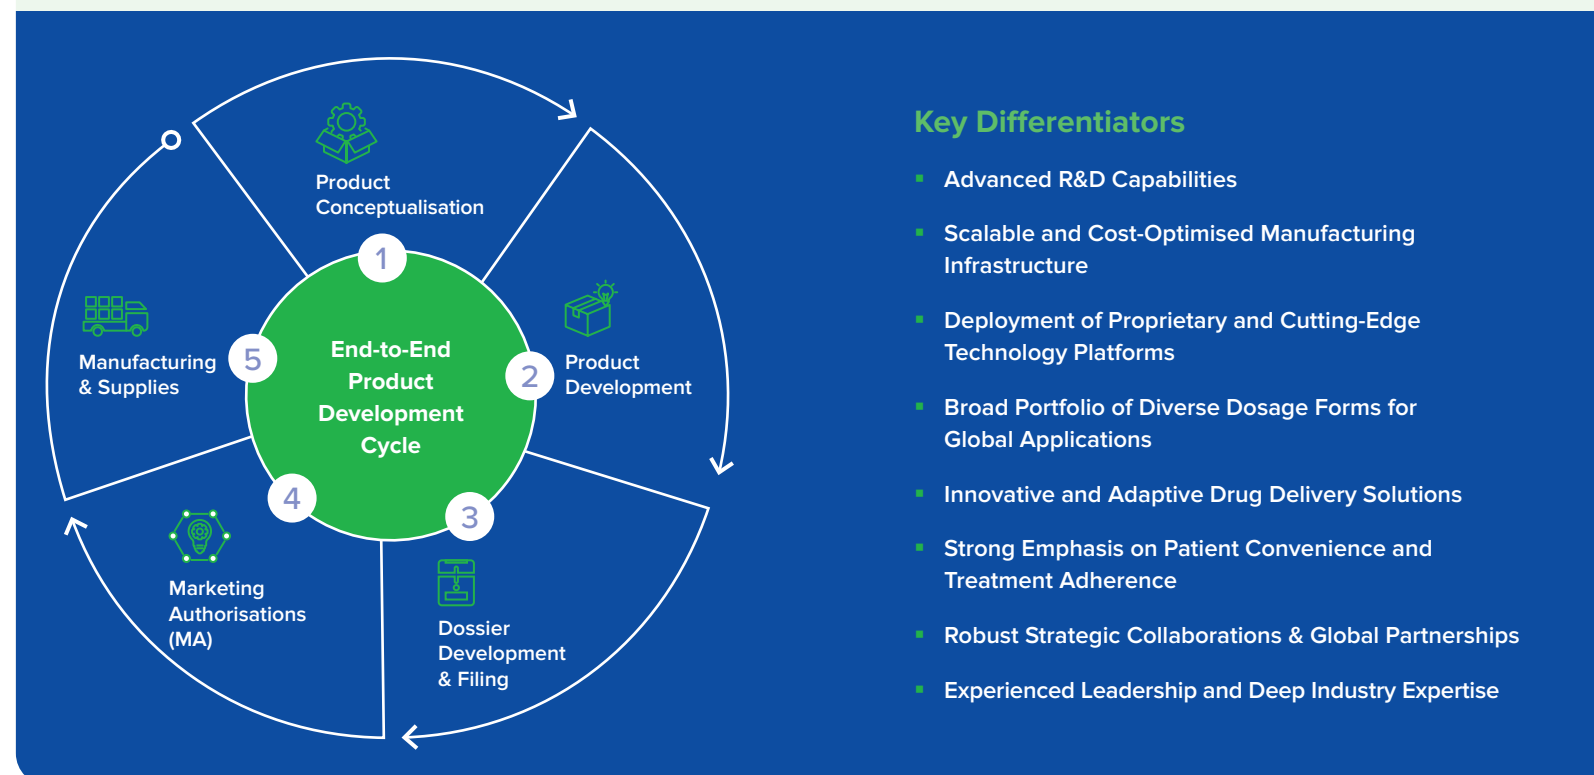

- Marketing Authorisations received overall:
  - New Innovative Products (NIP) – 6
  - Oral Thin Films (OTF) – 7
  - Finished Formulations (FF) – 14
- Marketing Authorisations received in the EU:
  - New Innovative Products (NIP) – 2
  - Oral Thin Films (OTF) – 1
- Licensing Revenue – ₹ 98 Mn
- Revenue from NIP + OTF – ₹ 624 Mn

**Human Capital**

- Accidents / Fatalities – 0
- Women in Workforce – 17%
- Diversity hiring: 72% new hires came from different cities & states
- Equal pay ratio: Maintained a 64% pay ratio between male and female employees

**Social and Relationship Capital**

- Underprivileged Students Served – Approx. 1,525
- Scholarship Support Beneficiaries – 9

## Key Differentiators

- Advanced R&D Capabilities
- Scalable and Cost-Optimised Manufacturing Infrastructure
- Deployment of Proprietary and Cutting-Edge Technology Platforms
- Broad Portfolio of Diverse Dosage Forms for Global Applications
- Innovative and Adaptive Drug Delivery Solutions
- Strong Emphasis on Patient Convenience and Treatment Adherence
- Robust Strategic Collaborations & Global Partnerships
- Experienced Leadership and Deep Industry Expertise

# STRATEGIC PRIORITIES FY26

### Sustainable Development Goals (SDGs)

### RESEARCH AND DEVELOPMENT

1. Develop cutting-edge formulations leveraging advanced drug delivery technologies to improve patient outcomes.

2. Prioritise first- and second-generation molecules to build a robust, future - ready product pipeline.

3. Strengthen R&D infrastructure through investments in world-class facilities, top-tier talent, and next-gen technology platforms.

4. Conduct Bioequivalence (BE) studies to support regulatory submissions and facilitate entry into new markets.
5. Accelerate dossier filings across Key Developed & Pharmerging markets to drive global expansion.

6. Upgrade existing dossiers for resubmissions in RoW markets and initiate new filings in regulated territories.

7. Capitalise on proprietary, non-infringing technology platforms to deliver differentiated, high-value products.

8. Drive product innovation across high - growth segments such as Oral Thin Films (OTF) and New Innovative Products (NIP).

9. Invest in development of new technology platforms to create value - added, differentiated generics.

### CAPITAL EXPENDITURE

1. Complete key CapEx projects on schedule to enhance production readiness.

2. Upgrade plant and machinery progressively to boost efficiency, reliability, and scalability.

3. Establish dedicated manufacturing facilities for Innovative Products to align with future expansion plans.

4. Expand production capacity to meet increasing domestic and international demand.
5. Strengthen infrastructure for Oral Thin Films (OTF) and other complex dosage forms to maintain competitive advantage.

6. Integrate sustainable and eco-friendly practices into manufacturing operations to minimise environmental impact.

7. Upgrade quality control systems to comply with evolving global regulatory standards.

8. Enhance operational processes through automation, digitisation, and technology-led improvements.

### OPERATIONS AND QUALITY

1. Conduct strategic audits aligned with the action plan to ensure regulatory compliance, operational efficiency, and continuous improvement.

2. Upgrade facilities to increase capacity, boost productivity, improve safety, and adopt sustainable practices while minimising waste.

3. Implement automation to elevate workplace safety, reduce manual intervention, streamline operations, and mitigate operational risks.
4. Optimise manufacturing processes to drive consistency, reduce costs, and improve overall throughput.

5. Strengthen quality control frameworks to ensure compliance with global regulatory norms and uphold product excellence.

6. Invest in cutting-edge technologies to support innovation, enhance performance, and build future-ready operations.

### MARKETING

1. Regional teams have been onboarded to improve market reach in our target geographies.

2. Focus on registering products under ZIM's brands to enhance value along the supply chain.

3. Enter new markets in collaboration with local partners to strengthen marketing efforts.
4. Appoint distributors capable of marketing ZIM's brands effectively in targeted regions.

5. Plan to set up local marketing offices to facilitate registration and commercialisation in key markets.

6. Prioritise the registration of our Innovative Product basket across key Developed and Pharmerging Markets.

### PHARMACEUTICALS

1. Expand the product portfolio with a focus on New Innovative Products (NIP) and Oral Thin Films (OTF) products, while upgrading dossiers to support market growth.

2. Accelerate product registrations and regulatory filings across targeted markets.

3. Strengthen presence in key Developed and Pharmerging markets through Strategic and market-driven efforts.
4. Invest in plant, machinery, and technology upgrades to enhance manufacturing capabilities.

5. Enhance workforce capabilities by developing skills and expertise to foster innovation and growth.

6. Expand partnerships and collaborations to increase market reach and penetration.

7. Increase revenue through licensing fees, co-development, and dossier out-licensing for NIP and OTF products.

### NUTRACEUTICALS

1. Broaden the Nutraceuticals portfolio with innovative, science-backed formulations aligned with evolving health and wellness trends.

2. Develop Nutraceuticals products that complement the Pharmaceuticals portfolio to offer holistic treatment solutions.

3. Strengthen strategic partnerships with established Nutraceutical brands to expand market reach and accelerate growth.
4. Scale up supply of high-value, differentiated Nutraceuticals to institutional and government procurement channels.

5. Boost product availability through a robust omnichannel strategy, integrating E-commerce platforms and offline distribution networks.

6. Prioritise consumer-centric product development focussed on wellness, preventive healthcare, and lifestyle disease management.

7. Utilise advanced drug delivery systems such as Oral Thin Films (OTF) and Liquid - in - Pellet technology to enhance product effectiveness and improve patient convenience.

## PERFORMANCE

## PHARMACEUTICALS: POWERING OUR CORE GROWTH ENGINE

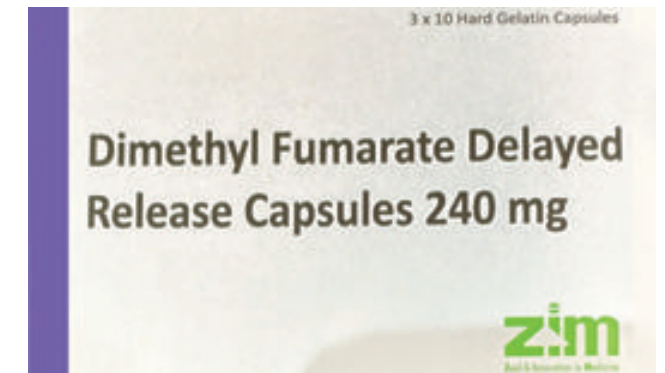

The Pharmaceutical business, our primary revenue driver, focuses on accelerating the growth of our Innovative Basket comprising New Innovative Products (NIP) and Oral Thin Films (OTF) across Key Developed and Pharmerging markets. At the same time, we continue to deepen our presence in Pharmerging and RoW markets by strengthening our generic product footprint and broadening market access.

**₹2,836 Mn**

Total Pharmaceuticals  
Revenues in FY25

**75%**

Of Total Operating  
Income in FY25

### Business Offerings

- We offer a diverse range of differentiated generic Pre-Formulation Intermediates (PFI), including pellets with varied release profiles, Directly Compressible (DC) granules, and taste - masked powders tailored for diverse therapeutic applications.
- Our PFI strategy focuses on markets where regulatory frameworks restrict the direct import of Finished Formulations (FF).
- We establish long - standing partnerships with global associates to enable seamless PFI exports and ensure supply continuity.
- All PFI products are registered and marketed under our clients' brands, providing strong market visibility and ensuring full regulatory compliance.
- Our Finished Formulations (FF) portfolio comprises a diverse range of dosage forms, including tablets, capsules (with pellets offering varied release profiles), dry syrups, and Oral Thin Films - both Oro-dispersible and Oro-mucosal.
- We collaborate with local distributors to market ZIM branded products and also partner with regional companies that commercialise our offerings under their own Marketing Authorisations (MA), supported by ZIM's robust dossiers.
- These collaborations are structured through flexible licensing, manufacturing, and supply arrangements, enabling effective and scalable market reach.
- ZIM licenses its dossiers on a non-exclusive basis or registers them under its own MA in partner countries, adapting to strategic needs.
- We continue to reinforce our core FF Business by consolidating top-performing, differentiated products and driving operational efficiency for sustainable growth.

PERFORMANCE

NEW INNOVATIVE PRODUCTS (NIP)

In a rapidly evolving Pharmaceutical landscape, we are focussed on developing a differentiated pipeline of complex, non-infringing New Innovative Products (NIP) by harnessing advanced proprietary technology platforms. NIP represent a new generation of complex molecules with the potential to be First or Second Generics across diverse global markets, enabling early market entry and competitive advantage.

To date, we have developed 12 NIP, each at various stages of development. 7 NIP have been successfully filed in the European Union, with several additional filings underway across RoW and Pharmerging markets - reinforcing our commitment to innovation-led growth.

₹437Mn

Total NIP Revenues  
in FY25

11.5%

Of Total Operating  
Income in FY25

IN FY25, ZIM RECEIVED TWO EU MARKETING AUTHORISATIONS FOR AZITHROMYCIN ORAL SUSPENSION AND DI-METHYL FUMARATE (DMF), MARKING A SIGNIFICANT MILESTONE IN OUR EXPANSION INTO REGULATED MARKETS.

## ORAL THIN FILMS (OTF)

Corporate  
Overview

Statutory  
Reports

Financial  
Statements

The Oral Thin Films (OTF) business achieved a 42% increase in sales revenue in FY25, reaching ₹186 Mn - marking a significant milestone for this segment. The OTF portfolio gained strong traction under various government schemes, with the successful registration of both Pharmaceutical and Nutraceutical OTF products, contributing to sustained momentum.

In a key strategic development during FY25, ZIM entered into a landmark agreement with a renowned, strong local partner in the UAE for the out-licensing of technology and local manufacturing of Oral Thin Films in the GCC region, further expanding our footprint and strengthening market presence.

## Oro-dispersible films

Non - mucoadhesive films designed to rapidly disintegrate upon contact with saliva, enabling fast and convenient drug delivery without the need for water – ideal for improved patient compliance.

Thinoral®  
Technology

## Oro-mucosal films

Mucoadhesive films developed for controlled drug release within the oral cavity, facilitating direct systemic absorption, and enhanced therapeutic efficacy.

Mucostrip®  
Technology

Sublingual  
Technology

Bilayer Oral Thin  
Film Layer

## Innovative Drug Delivery Technologies at ZIM

Our technology-driven approach integrates diverse and complementary innovations to improve drug content uniformity, and enable combination drug delivery on our Oral Thin Films (OTF) platform.

## Spinoral®

- Combines nanotechnology with Thinoral® technology to enhance the bioavailability of poorly soluble drugs.

## Printoral®

- Technology for uniform drug content and improved yield of controlled and potent drugs, ideal for combination delivery.

## Non-invasive Sublingual Spray

- Delivers fast and efficient drug absorption without the need for injections or incisions, ensuring a patient-friendly administration experience.

PERFORMANCE

NUTRACEUTICALS -  
FUELLING WELLNESS FROM WITHIN

Our Nutraceutical division complements our Pharmaceutical business by developing supplements to support a holistic approach to patient care.

Overview

We are committed to delivering unique, science-backed products tailored to the specific needs of our clients and patients. Our Nutraceutical segment offers differentiated dosage forms, including Pellets in Capsules and Oral Thin Films (OTF). Over time, this segment has demonstrated steady growth, fuelled by rising demand and our continued innovation in preventive and wellness-oriented healthcare solutions.

In FY25, we invested ₹365 Mn in CapEx towards the completion of our ongoing projects and the upgrading of plant and manufacturing capacity. Our CapEx cycle is nearing completion, with 2 Key Projects – the Urology NIP Suite and the Liquid-in-Pellet Technology based Nutraceutical Suite – successfully completed.

LEADING WITH RESEARCH, INNOVATING PATIENTCARE

# RESEARCH & DEVELOPMENT

At ZIM Laboratories Limited, we are dedicated to enhancing patient outcomes through advanced, differentiated, and non-infringing drug delivery solutions. By leveraging world-class manufacturing facilities, a robust R&D infrastructure, and cutting-edge technology platforms, we aim to meet the evolving needs of patients globally while driving sustainable progress.

₹333 Mn

Total R&D Expense in FY25

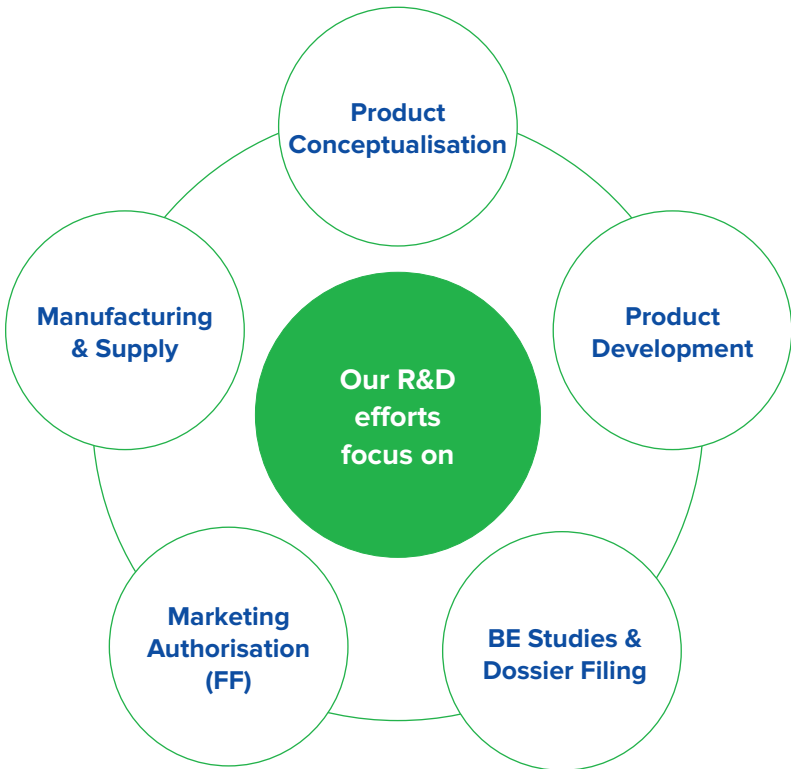

8.8%

of Total Operating Income in FY25

Our R&D Excellence in Drug Delivery Innovations

Our independent R&D centre, recognised by the Department of Scientific and Industrial Research (DSIR), Government of India, leverages state - of - the - art infrastructure and advanced process technologies to develop high - quality, innovative, and differentiated solutions in both Pharmaceuticals and Nutraceuticals, optimising patient outcomes.

By harnessing the expertise of our dedicated in - house teams, we continue to drive excellence in research and development while capitalising on emerging global Pharmaceutical opportunities.

ZIM Health Technologies Limited (ZHTL)

ZIM Health Technologies Limited (ZHTL), our wholly-owned subsidiary, serves as an extended research and development arm, reinforcing ZIM's capabilities in R&D, manufacturing, and marketing of complex generics and advanced Pharmaceuticals. Its strategic focus lies in catering to Key Developed and Pharmerging markets.

ZHTL is led by Dr. Chandrashekhar Mainde, a seasoned expert in Pharmaceutical R&D, and is supported by a multidisciplinary team of professionals across Research & Development (R&D), Quality Assurance (QA), Quality Control (QC), Regulatory Affairs (RA), and production. Dr. Mainde oversees the entire product lifecycle – from conceptualisation and development to dossier readiness, manufacturing, and regulatory registrations for the ZIM Group.

In an advisory capacity at ZHTL, Mr. Gautam Saigal brings his strategic expertise in expert management, investment planning, and market expansion to support ZIM's vision of becoming a global leader in innovative healthcare solutions.

To establish a world-class R&D centre, we have invested ₹333 Mn in operational expenditure, bioequivalence (BE) studies, product registrations, and the recruitment of skilled professionals. Equipped with advanced machinery and a highly competent team, ZHTL continues to propel ZIM's global expansion by building a robust pipeline of innovative products and advancing regulatory filings across international markets.

Key FY25 R&D Developments

- **R&D Expense in P&L (Employee, Material, BE-Study, etc.):** 65% of total R&D expenditure was directed towards employee costs, materials, bioequivalence (BE) studies, and related activities.
- **Capital Expenses on Infrastructure & Equipment:** 4% of the R&D spend was allocated to capital expenses for upgrading infrastructure and acquiring advanced equipment.
- **Capital Expenses on BE study, registrations, etc.:** 31% of the R&D investment was capitalised for bioequivalence studies to support regulatory filings and product approvals.

NAVIGATING RISKS, UNLOCKING POTENTIAL

RISK MANAGEMENT

At ZIM Laboratories Limited, we prioritise proactive risk management to safeguard our operations and enhance resilience in an ever-evolving global marketplace. Our robust risks, management framework enables us to identify, assess, and mitigate potential risks while simultaneously capitalising on emerging market opportunities to drive growth and innovation.

Our comprehensive risk management process follows a strategic approach:

Enterprise Risk Management Framework

At ZIM Laboratories Limited, we consider risk management a fundamental part of our business operations. Our comprehensive Risk Management Framework is overseen by a dedicated Risk Management Committee, comprising Directors with extensive expertise in risk management, finance, accounting, and related fields.

This committee plays a crucial role in assisting the Board in fulfilling its Corporate Governance responsibilities, ensuring a balanced approach to risks and opportunities.

Key Responsibilities of the Risk Management Committee:

- Identifying and Categorising Company-related Risks:** Recognising and classifying risks across various business functions.

- Ensuring Compliance:** Guaranteeing adherence to all applicable laws and regulations.
- Assessing Management's Competency:** Evaluating the management team's ability to make informed, risk-based business decisions.
- Leveraging Business Opportunities:** Identifying opportunities for growth while protecting the company from unacceptable risks.
- Preventing Value Erosion:** Implementing strong compliance measures to safeguard organisational value.
- Prioritising Risks:** Classifying risks based on their likelihood and potential impact on the business.

# CORPORATE SOCIAL RESPONSIBILITY (CSR)

At ZIM Laboratories Limited, we believe in driving positive change through responsible and sustainable business practices. Our commitment to Corporate Social Responsibility (CSR) goes beyond compliance – it is deeply embedded in our corporate philosophy to contribute meaningfully to society. Through our CSR initiatives, we aim to make a lasting impact on Healthcare & Sanitation, Education Development, Environmental Sustainability, and Women Empowerment.

## CSR Vision & Approach

Our CSR efforts focus on creating long-term value for society by addressing key challenges in health & sanitation, education, environmental conservation, and women's empowerment. We strive to align our CSR initiatives with the United Nations Sustainable Development Goals (SDGs), prioritising positive, measurable outcomes that enhance societal well-being.

## Key Focus Areas of CSR at ZIM Laboratories Limited:

### 01 Healthcare & Sanitation

Enhancing access to healthcare and sanitation facilities, with a focus on community health and hygiene.

### 02 Education Development

Supporting educational opportunities and empowering underprivileged students to achieve their full potential.

### 03 Women Empowerment

Advancing gender equality by empowering women economically, socially, and educationally.

### 04 Environmental Conservation & Sustainability

Promoting eco-friendly initiatives and actively reducing our carbon footprints to protect our planet.

## CSR Initiatives & Impact in FY 2024-25

### 01 Healthcare & Sanitation

#### Sustainable Development Goals (SDGs)

Access to quality healthcare and sanitation is essential for building healthier communities. Our initiatives focus on improving hygiene infrastructure, ensuring the availability of clean drinking water, and promoting health awareness to foster long-term well-being.

#### i. Gurukripa English Primary School, Kalmeshwar, Nagpur

- **Project Scope:** Washroom Construction & Renovation
- **Beneficiaries:** 336 students (Girls: 175, Boys: 161)
- **Purpose:** Constructed new washroom facilities for primary section girls and renovated existing washrooms for secondary section boys and girls.
- **Impact:** Strengthened sanitation standards by providing clean and safe washroom facilities, creating a healthier and more hygienic learning environment.

#### ii. Kusumtai Wankhede Kanya Vidyalaya, Mohpa, Nagpur

- **Project Scope:** Washroom Construction & Drinking Water Facility
- **Beneficiaries:** 205 students (Girls: 148, Boys: 57)
- **Purpose:** Constructed new washroom facilities for boys & girls and installed a clean drinking water system.
- **Impact:**
  - Improved access to hygienic and safe washroom facilities, promoting better health and well-being.
  - Ensured proper hydration with clean water facilities, enhancing students' concentration and energy levels.

#### iii. Zilla Parishad Prathamik School, Wathoda, Kalmeshwar, Nagpur

- **Project Scope:** Washroom Construction
- **Beneficiaries:** 30 students (Girls: 17, Boys: 13)
- **Purpose:** Constructed new washroom facilities for boys and girls.
- **Impact:** Enabled access to clean and safe washroom facilities, reducing the spread of infections.

#### iv. Pragati Prathamik Shala, MIDC Kalmeshwar, Nagpur

- **Project Scope:** Washroom Construction & Drinking Water Facility
- **Beneficiaries:** 53 students (Girls: 31, Boys: 22)
- **Purpose:** Constructed new washroom facilities and provided clean drinking water system.

**Washroom Construction & Renovation - Gurukripa English Primary School, Kalmeshwar, Nagpur**

- **Impact:**
  - Enhanced sanitation standards and created a hygienic space, supporting better focus and attendance.
  - Reduced risk of waterborne diseases through access to clean drinking water, improving students' health and energy.

#### v. Zilla Parishad Uchch Prathamik School, Wadhona, Kalmeshwar, Nagpur

- **Project Scope:** Washroom Construction & Drinking Water Facility
- **Beneficiaries:** 48 students (Girls: 22, Boys: 26)
- **Purpose:** Constructed new washroom facilities and provided clean drinking water.
- **Impact:**
  - Fostered a healthier learning environment through clean and secure washroom facilities.
  - Boosted immunity and reduced dehydration through access to clean drinking water.

#### vi. Pratap Madhyamik & Uchha Madhyamik Vidyalaya, Kalmeshwar, Nagpur

- **Project Scope:** Washroom Construction
- **Beneficiaries:** 300 girl students
- **Purpose:** Constructed new washroom facilities for girls.
- **Impact:** Promoted better hygiene practices and long-term health by ensuring access to clean, safe washrooms.

#### vii. Rekhade Vidyalaya, Pipla Kinkhede, Kalmeshwar

- **Project Scope:** Drinking Water Facility
- **Beneficiaries:** 210 students
- **Purpose:** Installed a clean drinking water system.
- **Impact:** Reduced dehydration and risk of illness while boosting students' immunity and well-being.

## 02 Education Development

### Sustainable Development Goals (SDGs)

Access to quality education and skill development is vital for empowering future generations. Through our CSR initiatives, we focus on enhancing educational infrastructure, providing financial support, and fostering enriched learning environments to help students reach their full potential.

Classroom Renovation - Gat Gram - Panchayat Sawangi (Ghogli), Kalmeshwar, Nagpur

### Educational Infrastructure & Scholarships

#### i. Maharashtra University of Health Science, Regional Centre, Nagpur

- **Project Scope:** Financial Assistance for International Symposium & Workshop on Tribal Health.
- **Beneficiaries:** 700 attendees.
- **Purpose:** Provided financial support for organising the International Symposium and Workshop on Tribal Health.
- **Impact:** Raised awareness about tribal health issues and fostered actionable solutions.

#### ii. Gat Gram - Panchayat Sawangi (Ghogli), Kalmeshwar, Nagpur

- **Project Scope:** Classroom Renovation.
- **Beneficiaries:** 50 students (Girls: 28, Boys: 22).
- **Purpose:** Renovated classroom infrastructure to enhance the learning experience.
- **Impact:** Improved the learning environment, leading to better student focus and engagement.

#### iii. Shri Vidyalaya Ghorad, Kalmeshwar, Nagpur

- **Project Scope:** Provision of Desks and Benches.
- **Beneficiaries:** 250 students.
- **Purpose:** Supplied new desks and benches to enhance classroom conditions.
- **Impact:** Increased student comfort, supporting improved concentration and academic performance.

#### iv. Dr. Bhabha Vidnyan Lokshikshan Sanstha & KZS Science College, Kalmeshwar, Nagpur

- **Project Scope:** Scholarship Awards.
- **Beneficiaries:** 9 students.
- **Purpose:** Scholarship Distribution Program to recognise and encourage student achievement.
- **Impact:** Empowered deserving students by providing financial support for their future educational endeavors.

## 03 Women Empowerment

### Sustainable Development Goals (SDGs)

Creating safe and secure communities remains a core pillar of our CSR commitment. In FY25, we harnessed technology to bolster public security and promote women's safety, reinforcing our dedication to building inclusive and resilient societies.

### Safety & Security Initiative

#### Police Station, Kalmeshwar, Nagpur

- **Project Scope:** Installation of CCTV Surveillance Systems
- **Beneficiaries:** Residents of Kalmeshwar Town

- **Purpose:** Deployed CCTV cameras at strategic locations throughout Kalmeshwar city to enhance safety & security for the public.
- **Impact:** Significantly enhanced public safety and security, fostering a safer community environment.

### CSR Spending & Compliance

ZIM Laboratories Limited remains steadfast in its commitment to Corporate Social Responsibility (CSR) in accordance with the Companies Act, 2013.

In FY 2024 - 25, we allocated and spent ₹48.53 Lakhs towards CSR initiatives, prioritising high-impact, scalable projects aimed at creating meaningful and sustainable community development.

₹ **48.53** Lakhs

FY25 CSR Spend

### Year - wise CSR Expenditure (₹ in Lakhs)

Scholarship Felicitation Program - Dr. Bhabha Vidnyan Lokshikshan Sanstha & KZS Science College, Kalmeshwar, Nagpur

Tribal Symposium - Maharashtra University of Health Science, Regional Centre, Nagpur

## BOARD OF DIRECTORS

**Dr. Anwar Siraj Daud**  
Chairman and  
Managing Director

Dr. Anwar Siraj Daud, the visionary behind ZIM Laboratories Limited, holds an M. Pharm. and a Ph.D. in Pharmaceutical Chemistry and Pharmaceutics. He embarked on his professional journey in 1981, and since then, has played a pivotal role in shaping ZIM into an R&D-driven Pharmaceutical enterprise known for its commitment to quality and innovation.

Under his dynamic leadership, ZIM has grown into a trusted global supplier of high-quality medications, reaching over 50 countries. Driven by a passion for innovation, Dr. Daud has spearheaded the development of several novel drug delivery systems and differentiated Pharmaceutical products.

He plays an instrumental role in defining the company's business strategy, driving R&D operations, and expanding international business footprints. A respected member of numerous professional bodies, Dr. Daud remains committed to advancing Pharmaceutical standards in India. His outstanding contributions to the industry and society have been widely recognised through multiple accolades and honours from esteemed organisations.

**Mr. Zulfiqar Kamal**  
Director – (Finance)

Mr. Zulfiqar Kamal, a seasoned Chartered Accountant, has been a key pillar of ZIM Laboratories Limited for over 26 years and has served on the Board of Directors since 1991. With more than three decades of comprehensive financial expertise, he has been instrumental in instilling financial discipline and strengthening internal controls, thereby significantly contributing to ZIM's sustained growth.

As Director Finance, Mr. Kamal leads the company's commercial operations and has been a driving force behind ZIM's transformation into a financially robust and operationally efficient organisation. His strategic insight and commitment to excellence have also played a pivotal role in integrating technological advancements across financial processes, enhancing ZIM's competitive edge.

**Mr. Niraj Dhadiwal**  
Director - (Business Development)

Mr. Niraj Dhadiwal, a pharmacy graduate with a Diploma in Business Management, began his journey with ZIM Laboratories Limited in 1990 as a Production Officer and has steadily progressed to serve as a Director on the Board.

With a strong foundation in Pharmaceuticals and business strategy, Mr. Dhadiwal has played a pivotal role in spearheading ZIM's international growth. His strategic foresight, technical acumen, and deep understanding of global markets have been instrumental in expanding the company's export footprint.

As Director of Business Development, he leads ZIM's marketing and business development efforts, championing innovative drug delivery solutions and forging lasting partnerships that drive sustainable value creation and enhance the company's global presence.

**Mr. Prakash Sapkal**  
Director and Head – ODS Business, Formulations –  
Domestic, ROW & Emerging Markets

Mr. Prakash Sapkal, a Pharmacy graduate with a postgraduate degree in Business Administration, has been an integral part of ZIM Laboratories Limited for over 26 years. Beginning his journey as an Assistant Chemist, he has risen through the ranks, holding key positions including Production Supervisor, Production Manager, and Vice President – Operations.

With a passion for driving meaningful change, Mr. Sapkal has played a pivotal role in building and nurturing the team that has helped translate ZIM's vision into reality. His leadership focusses on aligning operational excellence with people-centric, customer-driven priorities, while continuously striving for process optimisation and efficiency.

**Mrs. Kavita Loya**  
Independent Director

Mrs. Kavita Loya, a seasoned Chartered Accountant with over 21 years of experience, is a Partner at Loya Bagri & Company, Chartered Accountants. She brings deep expertise in Audit, Taxation, and Financial Advisory Services.

Since joining the Board of ZIM Laboratories Limited as an Independent Director in 2017, she has made significant contributions across various governance functions. Mrs. Loya has actively served on key committees, including the Capacity Building Committee and the Women's Empowerment Committee of the Institute of Chartered Accountants of India (ICAI) in both the Western Region and at chapters in Mumbai and Nagpur. She is also a core group member of the Bombay Chartered Accountants Society, reflecting her continued commitment to professional excellence and community leadership.

**Mr. Padmakar Joshi**  
Independent Director

Mr. Padmakar Joshi, a seasoned banking professional with over 38 years of extensive experience in commercial banking, has been serving as an Independent Director on the Board of ZIM Laboratories Limited since September 2017.

He retired as the Deputy Head of Corporate & SME Credit Monitoring and Debt Restructuring at Union Bank of India, where he played a key role in overseeing credit operations and managing financial restructuring initiatives. His deep insights into banking and financial management continue to contribute meaningfully to ZIM's strategic direction and governance.

**Dr. Kamlesh Shende**  
Independent Director

Dr. Kamlesh Shende brings over 30 years of rich experience in regulatory affairs within the Pharmaceutical industry. He holds a Master's Degree in Pharmacology and a PhD in Herbal Medicine from the University of Health Sciences, Nashik.

Over the course of his career, Dr. Shende has served as a technical consultant to numerous Pharmaceutical companies, offering his expertise on drug policy and regulatory compliance. He has also held the role of Drug Formulation Expert for the state of Maharashtra and was a member of the National Subcommittee on Formulations, constituted by the Drugs Consultative Committee.

Dr. Shende retired as Joint Commissioner (Drugs) from the Food and Drug Administration (FDA), Mumbai, and now contributes his extensive regulatory insight and leadership to the Board of ZIM Laboratories Limited.

**Mr. Ashok Bhatia**  
Independent Director

Mr. Ashok Bhatia is an experienced Pharmaceutical executive with over 48 years of leadership spanning sales, marketing, business development, M&A, and talent management. He dedicated 37 years to Zydus Lifesciences, where he rose to the position of President – Emerging Markets, overseeing operations across 12 markets and managing a team of over 800 professionals. As a Group CEO of Abacus Pharma (Africa) Ltd. (Carlyle Group), he successfully transformed the company to a professionally managed, compliant organisation. His strategic expertise has driven the launch of more than 25 million-dollar brands and facilitated business expansion across Brazil, South & East Africa, Asia Pacific. Additionally, he has spearheaded regulatory, manufacturing & supply chain functions.

Mr. Bhatia has served as an advisor to McKinsey, KKR India, ChrysCapital and is currently a board member of Shalby Ltd. He holds a Doctorate in Business Administration (DBA), an MBA, and a B.Sc., and is a guest faculty at IIM Ahmedabad and IIM Rohtak, specialising in International Marketing and Talent Management. His article 'Gender and Workplace' has been published in VIKALPA, the journal of IIM Ahmedabad.

ZIM HEALTH TECHNOLOGIES LIMITED (ZHTL) -  
WHOLLY-OWNED SUBSIDIARY

BOARD OF DIRECTORS

**Dr. Anwar Siraj Daud**  
Non-Executive Chairman (ZHTL)

**Dr. Chandrashekhar Mainde**  
Chief Executive Officer (CEO) and Executive Director

**Mr. Zulfiquar Kamal**  
Non-Executive and Non-Independent Director (ZHTL)

**Mr. Gautam Saigal**  
Non-Executive and Non-Independent Director

**Dr. Chandrashekhar Mainde**  
CEO and Executive Director

Dr. Mainde holds an M. Pharm. and a Ph.D. in Pharmaceutical Technology from Nagpur University and brings over 26 years of extensive industrial experience. He leads the company's Research & Development initiatives, overseeing all technical functions, including Quality and Operations. Additionally, he plays a key role in business development activities for regulated markets.

He represents several esteemed Pharmaceutical organisations and has an impressive track record, having successfully undergone approximately 75 audits by major regulatory authorities, including the USFDA, MHRA, ANVISA, TGA, and EMA.

Dr. Mainde has spearheaded the filing of over 300 products with the Ministry of Health (MOH) in Turkey, 10 ANDA submissions to the USA, and 50 EU CTD dossiers across various European countries. He is the principal investigator for more than 100 Indian patents and has contributed to numerous global patent filings.

His expertise also includes conducting over 300 bio-equivalence studies, including those involving complex formulations, and submitting approximately 150 ANDA applications in the USA and other regulated markets.

**Mr. Gautam Saigal**  
Non-Executive and Non-Independent Director

Mr. Gautam Saigal, a Chartered Accountant and postgraduate in Commerce from Calcutta University, is the Founding Partner of Pachira Financial Services LLP and an adviser to ZIM Laboratories Limited. He brings over 31 years of experience in financial services, with expertise in private equity investment, investment banking, and advisory services.

Until mid-2013, he served as Managing Director of AA Indian Development Capital Advisors Ltd., advising an India-focussed mid-market private equity fund launched by the Ashmore Group and Alchemy Partners, UK. He was also associated with AIG Global Investment Group (Asia) as Vice - President and Co-Head of its India private equity advisory practice.

Since 1997, he has led numerous private equity investments, actively monitoring them as a Board Member across various sectors, including healthcare, financial services, telecom, and consumer products. He played a key role in leading the investment of the AA India Development Capital Fund in ZIM and served on ZIM Laboratories Limited's Board until mid-2013. Currently, he serves on the Boards of Asirvad Microfinance Ltd. and Manappuram Home Finance Ltd.

# Management Discussion & Analysis

## ECONOMIC REVIEW

### World Economic Overview

The global economy stands at a critical juncture. After a prolonged and unprecedented period of shocks, it appeared to stabilise through much of 2024, marked by steady yet modest growth. Global GDP is projected to grow by 2.8% in 2025 and 3.0% in 2026, maintaining a pace similar to that of 2023. Despite substantial interest rate hikes by central banks aimed at restoring price stability, the global economy demonstrated resilience and withstood a series of mutually reinforcing shocks. However, growth remained subdued amid persistent uncertainty, weak investment, sluggish productivity, and elevated debt levels.

However, the global landscape has since shifted, as governments around the world have realigned their policy priorities in response to rising uncertainties. Geopolitical conflicts, escalating trade tensions, and elevated borrowing costs in several regions have emerged as significant risks. Further compounding these challenges, the ongoing war in Ukraine has pushed energy prices even higher, placing additional strain on energy-dependent economies.

<https://www.imf.org/en/Publications/WEO/Issues/2025/04/22/world-economic-outlook-april-2025>

### Projected world economic growth

### World Economic Growth – An Overview

	Estimate	Projections	
	2024	2025	2026
World output	3.3%	2.8%	3.0%
<b>Advanced economies:</b>	1.8%	1.4%	1.5%
United States	2.8%	1.8%	1.7%
Euro Area	0.9%	0.8%	1.2%
<b>Emerging Markets and Developing Economies:</b>	4.3%	3.7%	3.9%
Emerging and Developing Asia	5.3%	4.5%	4.6%
China	5.0%	4.0%	4.0%
India	6.5%	6.2%	6.3%
Middle East and Central Asia	2.4%	3.0%	3.5%

<https://www.imf.org/en/Publications/WEO/Issues/2025/04/22/world-economic-outlook-april-2025>

### Future Outlook

Looking ahead, intensifying downside risks continue to dominate the global economic outlook, driven by escalating trade tensions and ongoing financial market adjustments. The global growth forecast has been significantly revised downward, reflecting an increasingly unpredictable environment. Divergent and rapidly shifting policy stances, coupled with deteriorating investor sentiment, are likely to result in tighter financial conditions. Both short- and long-term growth prospects are expected to be adversely affected by continued trade disputes and heightened uncertainty around trade policies.

The global growth forecast for the next five years stands at 3.1%, marking its lowest level in decades. However, moderating inflation and ongoing monetary easing in several economies could offer a modest boost to global economic activity in 2025. Advanced economies are expected to grow at a steady pace of 1.5% in 2024, with a marginal increase to 1.7% in 2025. In contrast, developing economies are projected to grow at an average rate of 4% across 2024 and 2025, slightly slower than in 2023.

At this critical juncture, it is imperative for nations to collaborate constructively to foster a stable and predictable global trade environment. Enhancing international cooperation and addressing structural imbalances and policy gaps will be crucial. Global headline inflation is projected to decline at a slightly slower pace, falling from 5.9% in 2024 to 4.5% in 2025. Advanced economies are expected to reach their inflation targets sooner than emerging and developing markets.

<https://www.imf.org/en/Publications/WEO/Issues/2025/04/22/world-economic-outlook-april-2025>

### India Economic Overview

India's growth story remains a compelling narrative of ambition, innovation, and immense potential. According to the second advance estimates released by the National Statistics Office (NSO), under the Ministry of Statistics and Programme Implementation (MOSPI), India's real GDP is projected to grow by 6.5% in FY25. This follows a robust real GDP growth rate of 9.2% in FY24, the highest recorded in the past 12 years (excluding FY22). Headline inflation stood

## Annual GDP Estimates (in ₹ Crore) and Growth Rates (%) at Constant Prices (Base Year: 2011-12)

Note: Growth Rates Calculated with respect to Previous Year; FRE: First Revise Estimate; PE: Provisional Estimates; FAE: First Advance Estimates  
Source: <https://www.mospi.gov.in/dataviz-annual-estimates-gdp>

at 4.1% during the year under review, compared to 5.4% in the previous year, supported by strong, high - frequency macroeconomic indicators and reflecting a promising outlook for the years ahead.

The growth trajectory has been largely driven by a significant increase in government spending, a sharp rise in exports, higher capital expenditure, and strong growth in private consumption. These factors collectively reinforce the belief that India's long-term growth story remains intact.

Despite the challenging global environment, India has emerged as a resilient economic powerhouse. The country is steadily moving up the global value chain and continues to hold its position as the world's fifth-largest economy. This ascent is underpinned by solid economic fundamentals, ongoing structural reforms, robust domestic demand, prudent fiscal management, a high savings rate, and favourable demographic dynamics.

### India GDP Current Growth and Future Projections (%)

	Estimate	Projections	
	FY 2024-25	FY 2025-26	FY 2026-27
India	9.2	6.5	6.5

<https://www.imf.org/en/Publications/WEO/Issues/2025/01/17/world-economic-outlook-update-january-2025>

Source: <https://pib.gov.in/PressReleasePage.aspx?PRID=2097892>

### Future Outlook

India is well-positioned to take the lead in the global economic landscape, continuing to retain its status as the fastest-growing major economy. According to the World Bank's Global Economic Prospects (GEP) report, India's economy is projected to grow at a robust 6.7% in both FY26 and FY27—significantly outpacing global and regional counterparts. With global growth expected to remain at 2.7% in FY 2025-26, India's strong performance underscores its economic resilience and its growing influence in shaping the future of the global economy.

This sustained momentum is a testament to the country's solid economic fundamentals and its capacity to navigate and thrive amid global uncertainties. India's continued expansion reinforces its standing as a key driver of global growth and a critical contributor to the world's economic stability and progress.

## Industry Overview

### Global Pharmaceutical Industry

The global pharmaceutical industry has surpassed pre-pandemic growth rates, demonstrating remarkable resilience in the face of inflation, geopolitical conflicts, and persistent supply chain disruptions. Novel therapies continue to be a major growth driver, with emerging markets such as China, India, and Latin America experiencing expansion rates exceeding 3%. Global medicine spending is projected to maintain this upward trajectory through 2028, underscoring sustained demand and innovation across the sector.

A key indicator of this recovery is the Eastern European Pharmaceutical market, where volume growth trends have reverted to pre-Ukraine conflict levels. Among the therapeutic areas, Immunology and Oncology are expected to witness robust growth in the coming years, with Compound Annual Growth Rates (CAGR) estimated at 14%–17% and 2%–5%, respectively. These projections highlight the industry's focus on advanced treatments and its adaptability in a rapidly evolving global landscape.

Key Growth Drivers in Therapeutic Medicine Usage:

- **Immunology treatments** have seen a 12% year-on-year (YoY) increase in usage. Even in developed markets, biosimilar competition has contributed to an incremental growth of 5%
- **GLP-1 medicines** continue to witness rapid adoption, particularly for the treatment of diabetes and obesity
- Usage of **Anti-bacterial medicines**, which was disrupted during the COVID-19 pandemic, is returning to normal; however, adult vaccination rates remain below the pre-pandemic trends
- **Oncology treatments** are expected to see the launch of at least five new therapies over the next five years, with limited loss of exclusivity
- **Auto - immune Disorders treatment's** growth is driven by a rising number of treated patients and the introduction of new therapies

Despite challenges such as manufacturer net sales declines due to confidential rebates, government discounts, and clawbacks, the global pharmaceutical market is projected to grow at a CAGR of 5%–8%, reaching USD 2.3 trillion by 2028. Global medicine spending is expected to increase by over USD 600 billion during this period.

While the five-year growth forecast for the U.S. Pharmaceutical market has been revised downward to 2%–5%, this still represents an improvement from earlier projections of -1% to 2%. The outlook for next-generation bio - therapeutics—including cell, gene, and RNA therapies - remains strong, with promising clinical and commercial prospects.

Indian Pharmaceutical Industry

The Indian Pharmaceutical Industry ranks as the third - largest globally in terms of Pharmaceutical production by volume and 14<sup>th</sup> - largest by value. Valued at USD 65 billion in 2024, the industry is projected to reach USD 130 billion by 2030 and USD 450 billion by 2047. Contributing approximately 1.72% to India's total GDP, the sector boasts a robust network of ~3,500 manufacturing companies and ~10,500 manufacturing units.

<https://www.ibef.org/industry/pharmaceutical-india>

India's Pharmaceutical sector has undergone massive expansion and is expected to capture ~13% of the global pharmaceutical market, while continuously enhancing its quality, affordability, and innovation. According to IQVIA, the highest volume growth in the global pharmaceutical sector over the next five years is expected in India, China, and the Asia-Pacific region, with growth exceeding 3% CAGR.

The sector is growing at a CAGR of 9.43%, driven by strong domestic and international demand. This growth is supported by a large number of manufacturing plants adhering to Good Manufacturing Practices (GMP) set by the World Health

Indian Pharmaceutical Market (USD billion)

Source: EY Report

Organization (WHO) and the United States Food & Drug Administration (FDA).

Key product categories include:

- o Over-The-Counter (OTC) medications
- o Bulk Drugs
- o Vaccines
- o Contract Research & Manufacturing
- o Biosimilars & Biologics

Key Industry Highlights:

From FY18 to FY23, the Indian Pharmaceutical industry grew at a 6–8% CAGR, driven by 8% export growth and 6% domestic growth. India accounts for 20% of global generic drug exports, solidifying its status as the world's largest generics supplier. The biosimilars market is expected to grow at a 22% CAGR, reaching USD 12 billion by 2025, making up nearly 20% of the total Pharma market.

India is the 3<sup>rd</sup> - largest producer of APIs, with an 8% global market share. Over 500 APIs are manufactured in India, contributing 57% of the WHO's pre-qualified API list.

Increasing Contribution to Global Pharmaceutical Market

India plays a crucial role in the Global Pharmaceutical Landscape:

- 50% of global vaccine demand
- 40% of generic medicines in the US
- 25% of all medicines in the UK
- 80% of global anti-retroviral drugs (for AIDS treatment), reinforcing its title as the “Pharmacy of the World”

India is also identified as a key “Pharmerging Market” (IQVIA).

Government Initiatives Supporting Growth

Recognising the sector's vast potential, the Government of India has implemented various initiatives to foster pharmaceutical industry growth:

- 1. Pradhan Mantri Bhartiya Janaushadhi Pariyojana (PMBJP)**
  - Provides affordable, quality generic medicines
  - ~14,000 functional Jan Aushadhi stores as of H1 FY25
  - Product range: 2,000+ drugs, 300+ surgical items
- 2. Production-Linked Incentive (PLI) Scheme**
  - Promotes domestic manufacturing of Key Starting Materials (KSMs)
  - Supports the medical devices industry
- 3. Financial Support for Jan Aushadhi Kendras (JAK)**
  - In partnership with SIDBI, offers credit lines for store expansion
  - Aims to strengthen the pharmaceutical ecosystem

(Source: [Department of Pharmaceuticals & www.janaushadhi.gov.in](https://www.mhfa.gov.in/))

**Note:** There is growing adoption of innovative products within government programmes, building on last year's foundation and supporting the evolving needs of public healthcare initiatives.

Company Overview

ZIM Laboratories Limited (“ZIM” or “the Company”), established in 1989, specialises in the development, manufacturing, and supply of differentiated generic Pharmaceutical and Nutraceutical products in oral solid dosage forms. The Company offers both Pre-Formulation

Intermediates (PFI) and Finished Formulations (FF) across key therapeutic segments globally.

ZIM's innovative drug delivery solutions leverage cutting-edge technology platforms to enhance patient convenience and treatment adherence. With expertise in complex and differentiated generic products, ZIM employs advanced drug delivery techniques and diverse release patterns to provide effective and accessible healthcare solutions.

Key Therapy Areas

The key therapy focus areas include: Urology, Gastrointestinal, NSAIDs / Analgesics, Anti-infectives, Cardiovascular, Central Nervous System, and Vitamins & Supplements.

Dosage Offerings

The Company's dosage offerings include: Tablets, Dry Syrups, Directly Compressible (DC) Granules, Pellets, Capsules, Oral Thin Films (OTF), and Taste - Masked Powders.

Manufacturing Process Capabilities

ZIM's manufacturing process capabilities include: Oral film casting, Stability enhancement, Transmucosal and Multilayer film technologies, bi / multi - layer film casting, Active nano-particulate granulation, Solvent-less processing, Taste masking, Solubility and Bioavailability enhancement, Multi-layered pellets.

Proprietary and Non-Infringing Technology Platforms

- Micro-Emulsion Coating Technology (MECT)
- Pellet Cold Forming Technology (PCFT)
- Rapid Gelation Drug Release Technology (RGDRT)
- Matrix Pore Forming Tablet Technology (MAPOTAB)

ZIM's Innovative Products Basket, including New Innovative Products (NIP) and Oral Thin Films (OTF), is designed to drive high value revenue growth, expand the global footprint, and improve patient outcomes.

With a strong commitment to delivering high-quality healthcare solutions worldwide, ZIM continues to develop proprietary technology platforms and differentiated, value-added generics through continuous R&D efforts. The Company is a key supplier of both finished and semi-finished products across therapeutic areas in its targeted markets.

State-of-the-Art Manufacturing Facility & R&D Capabilities

ZIM operates state-of-the-art manufacturing facilities and a robust R&D centre, staffed with highly skilled professionals. These capabilities enable the Company to develop and manufacture high-quality medicines that meet global regulatory standards.

Key Certifications:

- EU-GMP
- WHO-GMP
- ISO 9001
- NSF/ANSI 455-2

Global Presence & Operations:

The Company has established subsidiaries at strategic locations - including India, UAE, Australia, and the EU - to support global operations, enhance operational efficiency, and ensure compliance with local regulations.

Additionally, ZIM has set up a Scientific Office (SO) in the UAE to facilitate the registration and marketing of its innovative Pharmaceutical and Nutraceutical products.

ZIM's integrated business model offers end-to-end product development solutions, covering:

Product Conceptualisation → Product Development → Dossier Development & Filing → Marketing Authorisation (MA) → Manufacturing & Supply

Key Offerings

The Company's product portfolio comprises value-added and complex generics, offered as both - Pre-Formulation Intermediates (PFI) and Finished Formulations (FF).

Pre - Formulation Intermediates are developed in collaboration with distribution partners to deliver tailor-made solutions for the development, sourcing, and marketing of differentiated generic products.

Additionally, Finished Formulations (FF) include branded generics, which are registered in select markets and launched through partnerships with local distributors and marketing companies.

The company's innovative product basket includes:

New Innovative Products (NIP)

- Focuses on advancing innovation, featuring complex generic Pharmaceuticals developed using in-house technology platforms
- These next-generation complex molecules have the potential to become first- or second-generation advanced generics in select markets

Oral Thin Films (OTF)

- Offers branded Pharmaceutical and Nutraceutical products delivered in a patient-centric, innovative film format

Performance Highlights

- Pharmaceuticals remained the primary revenue driver, contributing 75% to total revenue, while Nutraceuticals accounted for 25%
- Exports remained the key growth engine, accounting for 83% of total revenue
- NIP revenues reached ₹437 Mn, while the OTF segment contributed ₹186 Mn to operating revenue
- The combined of NIP + OTF to Total Operating Income was 19% including licensing fees

Export Business

ZIM Laboratories Limited continues to strengthen its global footprint through strategic partnerships, innovative R&D, and local presence and offices across regions. ZIM's diversified technology and product portfolio enables its presence in 50+ countries, including:

- Asia (including India), Africa, MENA (Middle East & North Africa), Latin America, and CIS
- Key developed and Pharmerging markets: EU, Turkey, Canada, Australia, BRICS, Saudi Arabia, and other high-GDP markets

To support this expansion, ZIM is actively strengthening its Business Development team across regions.

Key Filings and Business Updates

ZIM successfully completed EU re-accreditation through Portugal and also received NSF re-accreditation for its Orally Disintegrating Strips (ODS) Dietary Supplements.

In November 2024, ZIM established a Scientific Office in the UAE to support the registration and marketing of its Pharmaceutical and Nutraceutical products, enabling expansion across the MENA region.

In FY25, ZIM completed a total of 50 regulatory filings across key geographies. This included 23 NIP filings for 6 molecules, 17 OTF filings for 5 molecules, and 10 FF filings for 5 molecules. Of these, 5 NIP filings (for 4 molecules) and 6 OTF filings (for 2 molecules) were submitted in the EU, while 1 NIP and 1 OTF filings were completed in Australia through ZIM's Australian Subsidiary, ZIMTAS Pty. Ltd.

During the year, ZIM received 2 EU Marketing Authorisations for NIP products (Azithromycin Oral Suspension and Dimethyl Fumarate). In partnership with Neuraxpharm, EU-wide Marketing Authorisation was secured for Buprenorphine Sublingual Films across 24 countries. During the year, ZIM and its partners successfully secured 6 Marketing Authorisations for NIP, 7 for OTF, and 14 for FF products, marking a significant milestone in regulatory achievements.

Additionally, ZIM entered into a landmark licensing agreement with its UAE-based partner for its innovative Oral Thin Films (OTF) technology & products. This strategic collaboration enables local manufacturing and further strengthens the Company's presence across the GCC region.

ZIM entered into multiple licensing agreements with partners across the EU and other international markets, underscoring the commercial viability of its innovation-led product portfolio. Licensing income during the year amounted to ₹98 Mn.

Domestic Business

ZIM's operations focuses on delivering unique and differentiated Pharmaceutical and Nutraceutical products, to a diverse customer base, including central and state government agencies, as well as private-sector Pharmaceutical and Nutraceutical companies.

The Company supplies high-margin, value-added generic formulations under key government schemes, which helps mitigate risks associated with price volatility and delayed payments. Major initiatives include: Jan Aushadhi, Central Government Health Scheme (CGHS), Employees' State Insurance Corporation (ESIC), and the Indian Railways.

ZIM's innovative formulations gained strong traction under central and state government schemes, with domestic revenues contributing 17% to Total Operating Income in FY25.

R&D – Driving Product Innovation

ZIM remains dedicated to developing differentiated generics by leveraging innovative and advanced drug delivery systems and proprietary manufacturing technologies. This

innovation-first approach is powered by a robust R&D infrastructure, supported by a team of highly skilled, target-driven professionals and sustained investments in research and development.

R&D Expense Mix as % of Total R&D Investment, and Year-Wise Allocation (₹ Mn)

- In FY25, 8.8% of total revenue was invested in R&D.
- An allocation of ₹ 103 Mn was dedicated to BE studies and regulatory registrations, advancing the Innovative Products (NIP + OTF) pipeline.

90 R&D Team size	2 PHDs	76 Post Graduates
₹ 333 Mn Allocation on Opex, Facility, BE Studies, Registrations, and for advancing the pipeline of innovative products	2 NIP & 1 OTF EU Marketing Authorisations (MAs) received	7 NIP filed in Europe (till date)

Inventory Turnover Ratio	Times	2.00	2.54	-21%
Trade Receivable Turnover Ratio	Times	3.50	3.64	-4%
Trade Payable Turnover Ratio	Times	4.27	5.00	-15%
Net Capital Turnover Ratio	Times	5.84	5.39	8%
Net Profit Ratio	%	3.21	4.69	-32%
Return on Capital Employed	%	8.29	10.10	-18%
Operating Profit Margin	%	7.76	8.32	-7%
Basic EPS	Times	2.50	3.54	-29%
Interest Coverage Ratio	Times	2.58	4.41	-42%

- (i) Return on Equity Ratio: Decreased by 37% in the current year due to decrease in profitability of the Group
- (ii) Net Profit Ratio: Decreased by 32% in the current year due to decrease in profitability of the Group
- (iii) Basic EPS: Decreased by 29% in the current year due to decrease in profitability of the Group
- (iv) Interest Coverage Ratio: Decreased by 42% in the current year is mainly due to increase in the finance costs on account of working capital utilisation

\*Earnings for Debt Service = Net Profit after tax + Depreciation and amortisation expense + Finance costs (recognised excluding lease), Debt Service = Principal Repayments + Finance costs (recognised excluding lease)

Future Outlook

ZIM is strategically positioned to capitalise on emerging opportunities in both domestic and international markets. The Company plans to leverage its expertise in innovative drug delivery solutions, strong market presence, and continuous innovation to expand its business in the years to come. By optimising its existing product portfolio, ZIM aims to grow its New Innovative Products (NIP) and Oral Thin Films (OTF), targeting high-potential markets and strategic partners, with a focus on increasing revenue from developed markets in FY26.

The Company remains committed to enhancing product life cycles and prioritising patient convenience through innovative technologies and differentiated offerings. ZIM aims to deliver value-driven products to its partners and patients across RoW and Pharmerging markets.

In the coming years, ZIM is set to build on strategic collaborations around the globe, expanding its reach and creating synergies through key partnerships. The Company's focus on R&D innovation will be reinforced by continued investments in bioequivalence studies, registrations, and advanced drug delivery technologies. These initiatives will support ZIM's penetration into both regulated and emerging markets, paving the way for growth, product diversification, and long-term success.

With a robust strategic approach, continuous regulatory filings, and a steadfast commitment to innovation, ZIM is well - positioned to achieve sustained growth and expand its global presence in the coming years.

Key Risks & Mitigation

1. Geo - Political and Economic Risk

Geo - political events, such as government or regime changes, modifications in trade and investment policies, and conflicts, can lead to political instability and impact financial markets. Rising inflation, financial sanctions, and trade restrictions may disrupt supply chains, increase commodity prices, and cause shortages of key resources, ultimately affecting industrial production worldwide.

Mitigation measures:

- ZIM's diverse geographic presence and product portfolio reduce dependence on any single region or product, mitigating geopolitical risks
- The Company has established alternative raw material sources, including domestic suppliers within India, ensuring business continuity

2. Registration and manufacturing approval delays

Regulatory approvals for registrations and manufacturing involve extensive processes, including plant audits, accreditations, and commercialisation steps. Delays in these processes can impact overall financial performance, especially of New Innovative Products (NIP) in the Developed and Pharmerging markets.

Mitigation measures:

- ZIM has adopted a multi-country registration strategy, filing simultaneously across multiple European and target markets
- Subject Matter Experts (SMEs) have been engaged to ensure compliance with regulatory guidelines and proactively mitigate procedural delays

3. Competition Risk

The Indian Pharmaceutical industry is highly competitive, with both large corporations and small – to – medium enterprises competing for market share. This results in pricing pressures and market fragmentation.

Mitigation measures:

- ZIM maintains a balanced mix of exports and domestic businesses across Pharmaceutical and Nutraceutical segments
- Strategic market expansion and strict regulatory compliance ensure ZIM's long-term sustainability

4. Compliance & Regulatory Risk

The primary regulatory body overseeing the pharmaceutical sector is the Central Drugs Standard Control Organization (CDSCO).

Recent Regulatory Developments (2024):

- Introduction of the Uniform Code of Pharmaceutical Marketing Practices (2024) to ensure transparency and ethical marketing
- Implementation of updated Schedule M guidelines requiring adherence to stricter regulations
- Strengthened drug quality standards and enhanced supply chain integrity

Mitigation measures:

- ZIM maintains EU - GMP and NSF / ANSI 455-2 certifications, ensuring adherence to the highest manufacturing and regulatory standards
- Regular third-party audits and compliance checks reinforce regulatory commitments
- Expert regulatory consultants ensure proactive compliance with evolving global standards

5. Cyber Security Threats & Data Protection Risk

The organisation faces an increasing risk of cyber-attacks, data breaches, and intellectual property theft. These threats can result in the loss of sensitive data belonging to customers, partners, or shareholders, as well as financial losses and reputational harm.

Mitigation measures:

- Deployment of advanced cyber security frameworks with real-time threat detection
- Conducting regular audits and comprehensive employee training programmes
- Utilisation of data encryption, multi-layered security protocols, and adherence to global compliance standards

Opportunities and Challenges

Opportunities

- **Global demand for Indian Generics:** India's generic drugs market continues to expand, driven by cost – effectiveness and high-quality manufacturing
- **Enhanced Regulatory Compliance:** The Indian government has strengthened quality controls, enforcing adherence to Good Manufacturing Practices (GMP) under the revised Schedule M guidelines (December 2023)
- **China Plus One Strategy:** Amidst geopolitical uncertainties, global companies are shifting manufacturing operations from China to India, presenting a significant growth opportunity for Indian pharmaceutical manufacturers

Challenges

- **Counterfeit and sub-standard drugs:** WHO estimates that 35% of the world's counterfeit drugs originate from India, affecting the credibility of the pharmaceutical industry
- **Cybersecurity Threats:** The industry remains highly vulnerable to cyber-attacks due to the presence of sensitive proprietary drug data and patient information
- **Price Volatility in Active Pharmaceutical Ingredients (APIs):** Currency fluctuations, inflation, and policy changes impact API costs and pressure profit margins
- **R&D Investment:** Escalating research and development (R&D) costs exerts pressure on margins and require careful capital allocation

Technology & IT Infrastructure

In FY25, ZIM Laboratories Limited made significant strides in modernising its IT infrastructure, reinforcing data security, and aligning systems with long-term strategic goals. Key advancements include:

- **ERP (Enterprise Resource Planning) & MIS (Management Information System):** Continued implementation of an advanced ERP system, integrated with real-time MIS dashboards, enhanced transparency and efficiency in

R&D tracking, machine utilisation, and sales order management

- **HRMS (Human Resource Management System) & QMS (Quality Management System) Upgrades:** HRMS modernisation improved recruitment and performance tracking, while Quality Management Systems (QMS) were upgraded to include Document Management System (DMS), Transportation Management System (TMS), and e-BMR to enable paperless operations and facilitate remote audits
- **Analytical Software Modernisation:** Upgraded core research platforms to a hybrid cloud/on - premises setup, improving scalability and performance for scientific teams
- **Cybersecurity Enhancements:** Deployed next-generation firewalls and executed comprehensive Vulnerability Assessment & Penetration Testing (VAPT) to enhance cyber defenses and ensure compliance
- **Advanced R&D Support:** Introduced a modern Waters HPLC system, to enhance research and quality assurance capabilities
- **Resilience & Data Protection:** Established a Disaster Recovery system on Microsoft Azure, implemented a 3-2-1 backup strategy, and deployed Veeam Enterprise Backup for secure and rapid recovery
- **Private Cloud Transition:** Migrated from physical servers to an on-premises private cloud, enhancing operational efficiency and manageability
- **Policy Implementation:** Rolled out a standardised Laptop Usage Policy to bolster endpoint security and asset governance

ZIM's forward-looking IT strategy reinforces its commitment to operational excellence, digital resilience, and sustained stakeholder value.

Human Resources

During the financial year, the Company continued to strengthen its Human Resources function, with a strong focus on diversity, inclusion, and employee well-being. Female representation reached 17%, highlighting the Company's efforts to build a balanced workforce. Upholding its non-discrimination policy, the Company ensures equal opportunities for all, regardless of age, gender, ethnicity, or physical ability. To support fair and transparent HR processes, an HR Risk Management Subcommittee was established to review key decisions such as disciplinary actions, career advancement, and employee recognition.

In line with its commitment to long-term employee welfare, the Company introduced the National Pension Scheme (NPS), enhancing financial security and engagement. Its HR policies continue to promote a performance-driven and collaborative work environment, while aligning employee interests with organisational goals. To ensure workplace safety, enhanced protocols were implemented across manufacturing units, including the use of Powered Air-Purifying Respirators (PAPRs) in high-risk zones.

The Internal Complaints Committee (ICC) remained active in addressing concerns related to sexual harassment, and the Company successfully maintained a zero-complaint record during the year. In terms of organisational development, over 60% of managerial appointments were focussed on improving quality and operational excellence. The expansion of the technical team also played a vital role in strengthening customer service and driving efficiency.

The Company actively fosters employee engagement through a variety of initiatives designed to build morale, promote collaboration, and support personal development. These include cultural events, team-building activities, wellness programmes, and employee recognition platforms. By encouraging open communication and cross-functional participation, the Company creates a sense of belonging and shared purpose among employees.

As of March 31, 2025, the Company had 603 employees, reflecting a growing and dynamic workforce aligned with its long-term vision.

Internal Control Systems and Their Adequacy  
Strong Internal Controls & Risk Management Framework

ZIM Laboratories Limited has established a comprehensive internal control system tailored to its operational scale, complexity, and strategic objectives. This system is built on a strong foundation of risk management, financial discipline, internal audit practices, and sound corporate governance.

To ensure operational efficiency, regulatory compliance, and alignment with strategic goals, the Company has implemented well-defined policies and procedures across financial, operational, and compliance domains. The internal control framework is designed to provide reasonable assurance in the following areas:

1. Adherence to applicable laws and regulations
2. Accuracy and completeness of financial and accounting records
3. Timely preparation of reliable financial reports
4. Operational effectiveness and efficiency
5. Safeguarding of assets from unauthorised access or misuse
6. Early detection and prevention of fraud and errors

Proactive Risk Mitigation & Safety Enhancements

ZIM adopts a preventive approach to safety and risk management. Enhanced safety protocols have been rolled out across manufacturing units, including the installation of intrinsically safe Powered Air-Purifying Respirators (PAPRs) in high-risk operational zones.

Preventive and detective controls are in place to identify and address potential risks. A well-structured Whistle-Blower Policy empowers directors, employees, and stakeholders to report concerns confidentially. These reports are reviewed by the Audit Committee and the Board, ensuring appropriate and timely action.

Internal Audit Mechanism

Internal audits are conducted in close coordination between the Management and Internal Auditors. The scope includes evaluation of business processes, risk management practices, regulatory compliance, and internal financial controls (IFC), in line with the requirements of the Companies Act, 2013.

Each financial year, the Audit Committee and the Board approve a structured internal audit plan, executed quarterly. Key observations and action points from previous audits are reviewed regularly to drive continuous improvement. The management also engages in frequent discussions with Internal Auditors to implement enhancements across systems and processes.

Ongoing Evaluation & Governance

Acknowledging that every internal control system has its limitations, ZIM maintains a dynamic and responsive approach to control enhancements. The Audit Committee and Risk Management Committee periodically assess audit outcomes, recommend improvements, and refine the Company's internal control environment to strengthen operational resilience and business continuity.

Disclaimer

The Management Discussion and Analysis (MD&A) includes statements regarding expected future events, financial performance, and operational results of ZIM Laboratories Limited. These statements may be construed as forward-looking and are based on assumptions that are subject to inherent risks and uncertainties.

Significant risks exist that assumptions, projections, and forward-looking statements may not prove to be accurate. Readers are advised not to place undue reliance on such statements, as various factors could cause actual results and future events to differ materially from those expressed or implied.

Accordingly, all assumptions, limitations, and risk factors mentioned in the Management Discussion and Analysis (MD&A) of ZIM Laboratories Limited's Annual Report for Financial Year 2024 - 25 should be carefully considered.

Board's Report

The Board of Directors of our Company has pleasure in presenting the 41<sup>st</sup> Annual Report pursuant to Section 134(3) of the Companies Act, 2013, comprising the prescribed particulars and information as per the Companies (Management and Administration) Rules, 2014, and the Companies (Accounts) Rules, 2014, in respect of the year ended 31<sup>st</sup> March, 2025, as follows:

a) Number of Meetings of the Board : 11

b) Directors' Responsibility Statement:  
Pursuant to Section 134(5) of the Companies Act, 2013 (Act) our Directors hereby state that:

- i) In the preparation of the annual accounts, the applicable accounting standards have been followed along with a proper explanation relating to material departures.
- ii) The directors had selected such accounting policies, applied them consistently, and made judgements and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit and loss of the company for that period.
- iii) The directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and preventing and detecting fraud and other irregularities.
- iv) The directors had prepared the annual accounts on a going-concern basis.
- v) The directors have laid down internal financial controls to be followed by the company, and such internal financial controls are adequate and are operating effectively.
- vi) The directors had devised proper systems to ensure compliance with the provisions of all applicable laws, and that such systems were adequate and operating effectively.

c) Declaration by Independent Directors under Sub-section (6) of Section 149:

The company has received the necessary declarations from each Independent Director under Section 149(7) of the Companies Act, 2013 and Regulation 25(8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

d) Nomination and Remuneration Policy:

The criteria laid down in the Companies Act, 2013 and the Rules framed thereunder are complied with while appointing the Directors. For appointment of an Independent Director, the independence criteria defined in Section 149(6) of the Act, and Regulation 16(1)(b) of the SEBI Listing Regulations are also considered. The Nomination and Remuneration Policy has been formulated and approved by the Nomination and Remuneration Committee and Board of Directors in accordance with Section 178(3) of the Act and Regulation 19(4) of the SEBI (LODR) Regulations, and the same is available on the website of the company at <https://www.zimlab.in/investor-reports-policies>.

e) Explanations or comments on a qualification/ reservation/adverse-remark/disclaimer made by:

1. Statutory Auditor: Not applicable since there is no qualification, reservation, adverse remark, or disclaimer by the auditor.
2. Secretarial Auditor: Not applicable since there is no qualification, reservation, adverse remark, or disclaimer by the auditor.

f) Particulars of loans, guarantees, or investments under Section 186:

- a) Loan : NIL
- b) Guarantee : NIL
- c) Investment : ₹ 385.09 lakhs

Details of Loans, guarantees and investments covered under Section 186 of the Act read with the Companies (Meetings of Board and its Powers) Rules, 2014, as on 31 March 2025, also forms part of the Notes to the financial statements provided in this Annual Report.

g) Particulars of contracts or arrangements with related parties pursuant to Section 188(1)

During the year, there were no transactions with related parties that conflicted with the interests of the company. All transactions entered into by the company with related parties during the financial year were in the ordinary course of business and on an arm's length basis. Statements of transactions with related parties are periodically placed before the Audit Committee and are approved by the committee. Particulars of contracts or arrangements with related parties referred to in Section 188 (1) of the Companies Act, 2013, in the prescribed **Form AOC-2** is appended herewith as **Annexure III** to the Board's Report.

**h) Annual Return:**

The Annual Return of the Company as on 31<sup>st</sup> March, 2025, in Form MGT-7 in accordance with Section 92(3) of the Act read with the Companies (Management and Administration) Rules, 2014, is available on the website of the Company at <https://www.zimlab.in/investor-reports-annual-reports>.

**i) The state of Company's affairs:**

This part has been covered under the Management Discussion & Analysis Report, which forms part of the Annual Report.

**j)** The amount proposed to be carried to reserve : NIL

**k)** The amount of dividend payment recommended : NIL

**l)** Material changes and commitments, if any, affecting the financial position of the company, which has occurred between the end of the financial year and the date of the report : NIL

**m)** Conservation of energy, technology absorption, foreign exchange earnings and outgo: -

**A. Energy Conservation:**

ZIM is dedicated to enhancing energy efficiency and conserving energy across its operations. A committed team actively works to ensure the optimal use of energy, closely monitoring equipment and plant-wise energy consumption. Regular benchmarking and energy gap assessments are conducted to identify opportunities for improvement. Energy conservation projects are continuously identified, developed, and implemented, all aimed at reducing carbon emissions and advancing the organization's decarbonization efforts. These initiatives contribute to a more sustainable future by minimizing environmental impact and enhancing overall energy performance.

**(i) The steps taken or impact on conservation of energy are:**

- To minimize electricity wastage, the company has replaced certain DX coils with chilled water systems, ensuring more efficient and effective cooling.
- Power factor optimization has been achieved by installing capacitors, maintaining a stable electrical supply.
- Energy-efficient pumps and LED lighting have been installed across the facility to reduce energy consumption.
- Variable Frequency Drives (VFDs) have been implemented to enhance

the energy performance of pumping systems and compressors.

- Condensate recovery has been improved by utilizing hot water in select AHUs, leading to a reduction in water usage on-site.
- Duct leakage in the HVAC system has been minimized through regular audits and the application of advanced sealing technology.
- Motion sensors have been installed in various locations to reduce unnecessary energy consumption.
- The belt drive motor of AHUs has been upgraded to a self-driven motor with a VFD, improving energy efficiency.

**(ii) The steps taken by the Company for utilizing alternate sources of energy are:**

The company is currently exploring initiatives for various systems of renewable energy as part of its efforts to increase the utilization of alternative renewable energy sources.

**(iii) The capital investment on energy conservation equipment: NIL****B. Technology Absorption:****Efforts made towards technology absorption:**

At ZIM Laboratories, we are committed to continuous innovation and the absorption of cutting-edge technologies to drive growth and enhance our product offerings. The following outlines our key efforts in this area:

- ZIM operates an independent R&D Centre, recognized by the Department of Scientific and Industrial Research (DSIR). Our R&D team specializes in developing differentiated generics, focusing on Pre-Formulation Intermediates (PFI) and Finished Formulations (FF) using proprietary, non-infringing technology platforms for oral solid dosage forms.
- We are dedicated to advancing drug delivery systems through innovations such as electrospun nanofiber technology for controlled drug delivery, tissue engineering, and wound healing.
- Our R&D efforts also focus on improving manufacturing processes, including exploration of Multi-layer film technology for oral solid dosage forms and pioneering 2D

printing on Oral Thin Films (OTF) for flexible dosage forms.

- We have invested in proprietary, non-infringing technology platforms, such as Thinoral® technology, which enable the creation of unique and effective products without infringing on existing patents.
- To support our technology absorption efforts, ZIM has made significant investments in recruiting skilled and experienced personnel and integrating modern, state-of-the-art equipment, ensuring our R&D capabilities remain at the forefront of innovation.
- ZIM Laboratories Limited maintains a global footprint through subsidiaries in key markets including Europe, North America, Middle East, UAE, Australia, and India. Recently, in November 2024, we established a Scientific Office in the UAE to facilitate registration, marketing of our Pharma and Nutraceutical products, and expansion of operations in the MENA region.
- Our subsidiaries and Scientific Office enable seamless transfer of knowledge, practices, and innovative solutions across borders, leveraging local insights and ensuring alignment with specific regulatory requirements and market needs in each region.

**Derived Benefits such as Product Improvement, Cost Reduction, Product Development or Import Substitution:**

- ZIM is progressing toward the completion of 10 New Innovative Products (NIP), with 7 already filed in the EU; Filings are targeted at the EU, key Pharmerging markets, and the Rest of the World (RoW).
- In November 2024, ZIM's Scientific Office was established in the Middle East, complementing ongoing regulatory filings for innovative products through our Australian Subsidiary ZIMTAS Pty Ltd.
- 1 NIP and 1 OTF filings were completed in Australia through ZIMTAS Pty. Ltd.
- In FY25, ZIM completed 23 NIP filings for 6 molecules, 17 OTF filings for 5 molecules, and 10 FF filings for 5 molecules across Regulated, Pharmerging, and RoW markets.
- 5 NIP filings for 4 molecules and 6 OTF filings for 2 molecules were completed in the EU, bringing cumulative EU strengthening our

regulatory Innovative Products pipeline and global market readiness.

- ZIM received 2 NIP Marketing Authorizations in the EU during FY25 for Azithromycin Oral Suspension and Dimethyl Fumarate.
- ZIM's co-development partner, Neuraxpharm, received a Marketing Authorization for Buprenorphine Sublingual Films across Europe—a key milestone in the OTF segment.
- ZIM and its partners secured 6 NIP, 7 OTF, and 14 FF Marketing Authorizations during the year across Regulated, Pharmerging, & RoW markets.
- In line with the global expansion strategy, ZIM entered into strategic collaborations, including a partnership with a local UAE company to scale our Oral Thin Films (OTF) footprint across the GCC region.
- ZIM is developing a portfolio of 12 NIP, with 8 already completed. The remaining are expected to be finalized and filed through FY26, focusing on the EU, Regulated, and Pharmerging markets.
- The R&D team comprises 90 scientists, including 2 PhDs and 76 postgraduates.

**In case of imported technology (imported during the last three years reckoned from the beginning of the financial year) :**

- The details of technology imported: NIL
- The year of import: N.A.
- Whether the technology has been fully absorbed: N.A.
- If not fully absorbed, areas where absorption has not taken place, and the reasons thereof: N.A.

**The expenditure incurred on Research and Development:**

Revenue expenses : ₹ 2,171.63 Lakhs

Capital expenses : ₹ 132 Lakhs

**C. Foreign Exchange earnings and outgo :**

- Foreign exchange : ₹ 30,424 Lakhs earned
- Expenditure in : ₹ 3,751 Lakhs foreign exchange

n) Risk Management Policy :

This part has been covered under the **Management Discussion & Analysis Report**, which forms part of the Annual Report.

o) Corporate Social Responsibility (CSR) :

The Corporate Social Responsibility policy approved by the Board at its meeting held on 29<sup>th</sup> June, 2021 is available on the website of the company at <https://www.zimlab.in/investor-reports-policies>.

The policy, inter alia, covers the following:

- Guiding principles for selection, implementation, and monitoring of CSR activities, as well as the formulation of the Annual Action Plan.
- Roles and Responsibilities of the CSR Committee.
- CSR projects or programs that include focus areas such as Education, Sanitation, Healthcare, Women's Empowerment, and Environment Conservation.
- Approval Process for CSR Projects and Expenditure.
- Implementation and Monitoring of CSR Activities.

The Composition of Corporate Social Responsibility Committee during the Financial Year 2024-25 was as follows:

- (i) Dr. Kakasaheb Mahadik : Chairman
- (ii) Mr. Padmakar Joshi : Member
- (iii) Mr. Niraj Dhadiwal : Member

The Annual Report on CSR Activities is annexed as **Annexure–I** to the Board's Report.

p) Board Evaluation:

Pursuant to the provisions of Section 134(3)(p) of the Act read with Rule 8(4) of the Companies (Accounts) Rules, 2014, an annual evaluation was carried out by the Board of its own performance as well as that of its committees and individual Directors. The evaluation was done by the Board after seeking input from all Directors, inter alia covering different aspects, viz., composition and structure of the Board, attendance, including participation of the Directors at the Board and Committee meetings, observance of governance, quality of deliberation, and effectiveness of the procedures adopted by the Board.

In evaluating the performance of the individual directors, criteria such as qualification, knowledge, attendance at meetings and participation in long-term strategic planning, leadership qualities, responsibilities assumed, interpersonal relationships, and analytical decision-making abilities were taken into consideration. In compliance with regulation 17(10) of the listing regulations, the Board carried out performance evaluations of Independent Directors without the participation of the Directors being evaluated.

The Independent Directors evaluated the performance of the Chairman and Managing Director. The evaluation process has been explained in the Corporate Governance Report. The Board reviewed the evaluation results as collated by the Nomination and Remuneration Committee

q) Financial Highlights:

Particulars	Standalone (Rs. In Lakhs)		Consolidated (Rs. In Lakhs)	
	FY 2025	FY 2024	FY 2025	FY 2024

r) Change in nature of business, if any: NIL

s) The details of Directors or Key Managerial Personnel who were appointed or have resigned:

Details of Directors appointed:

The Board of Directors on the recommendation of Nomination & Remuneration Committee, in its meeting held on 28<sup>th</sup> Day of March, 2025 have appointed Mr. Ashok Bhatia (DIN: 02090239) as an Independent Director (Additional Director) of the Company for a period of three years effective from 01<sup>st</sup> day of April, 2025 to 31<sup>st</sup> March,2028, subject to approval of shareholders in the ensuing Annual General Meeting. A resolution seeking shareholders' approval for his appointment forms a part of the Notice of the Annual General Meeting.

The Board of Directors on the recommendation of Nomination & Remuneration Committee, in its meeting held on 28<sup>th</sup> Day of March, 2025 reappointed Dr. Kamlesh Shende (DIN: 09537666) as an Independent Director of the Company for the further term of three years effective from 01<sup>st</sup> day of April, 2025 to 31<sup>st</sup> March,2028, subject to approval of shareholders in the ensuing Annual General Meeting. A resolution seeking shareholders' approval for his re-appointment forms a part of the Notice of the Annual General Meeting.

Details of Directors ceased:

Dr. Kakasaheb Mahadik (DIN: 08688418), ceased to be Independent Director of the Company with effect from 01<sup>st</sup> April, 2025 upon completion of his term as an Independent Director. The Board places on record its appreciation for his invaluable contribution and guidance.

Details of Directors resigned during the year: NIL

Details of Key Managerial Personnel appointed or resigned during the year: NIL

Details of Director Retiring by Rotation :

Mr. Zulfiquar Kamal, Whole-time Director (DIN: 01786763), who retires by rotation at the ensuing Annual General Meeting and, being willing and eligible, has offered himself for re-appointment. A resolution

seeking Shareholders' approval for his re-appointment along with other required details forms part of the Notice of the Annual General Meeting.

t) Statement regarding the opinion of the Board with regard to the integrity, expertise, and experience (including proficiency) of the Independent Directors appointed during the year:

In the Board's opinion, the Independent Directors on the Board of the Company are persons of high repute and integrity who possess relevant expertise and experience in their respective fields.

u) Name of Companies which have become subsidiaries or ceased to be its Subsidiaries, joint ventures or associate companies, during the year:

'ZIM Laboratories FZE' the wholly owned subsidiary of the company has incorporated a subsidiary ZIM SCIENTIFIC OFFICE L.L.C in Dubai with effect from 15<sup>th</sup> November, 2024.

As of 31.03.2025, the Company has five Subsidiaries and two step down subsidiaries.

v) Details relating to deposits covered under Chapter V of the Act: NIL

w) The details of deposits that are not in compliance with the requirements of Chapter V of the Act are: The company has not accepted any deposits during the year.

x) The details of significant and material orders passed by the regulators, courts, or tribunals impacting the going concern status and the company's operations in the future: NIL

y) The details in respect of the adequacy of Internal Financial Controls with reference to the financial statements:

The details of Internal Financial Controls are separately covered under the **Management Discussion & Analysis Report** which forms part of the Annual Report.

z) **Details of the Employee Stock Option Scheme as of 31st March, 2025:**

The ZIM Laboratories Employee Stock Option Scheme 2023, approved by the shareholders, is in compliance with the SEBI (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 ("SEBI SBEB Regulations"). The disclosure required under the SEBI SBEB Regulations and a certificate from the Secretarial Auditors, confirming implementation of the Plan in accordance with SEBI Regulations and shareholder's resolution has been hosted on the website of the Company at <https://www.zimlab.in/investor-reports-general-meeting>

aa) **Report on the performance and financial position of subsidiaries, viz.:**

1.

ZIM Laboratories FZE, Sharjah
2.

ZIM Health Technologies Limited, India
3.

SIA ZIM Laboratories Limited, Latvia
4.

ZIM Thinorals Private Limited, India
5.

ZIMTAS PTY LTD, Australia
6.

ZIM Laboratories Middle East DMCC, UAE, Step Down Subsidiary
7.

ZIM SCIENTIFIC OFFICE L.L.C, Dubai, Step Down Subsidiary

In compliance with the first proviso to Section 129(3) of the Companies Act, 2013 and Rules 5 and 8(1) of the Companies (Accounts) Rules, 2014, salient features of the financial statements, performance, and financial position of each subsidiary is given in **Form AOC-I** as **Annexure VI**.

The consolidated financial statements presented in this Annual Report includes financial results of the subsidiary companies. Copies of the financial statements of the subsidiary companies will be available on the Company's website [www.zimlab.in](http://www.zimlab.in)

The Annual Report on CSR Activities for the Financial Year 2024-25

1. Brief outline on CSR Policy of the Company:

ZIM Laboratories Limited is committed to making a positive impact on society through its Corporate Social Responsibility (CSR) initiatives. The Company's CSR policy defines its approach to supporting community welfare and sustainable development, in alignment with its core values and business ethics.

The key focus areas of the Company's CSR efforts include:

**Healthcare & Sanitation:** Improving access to healthcare and sanitation facilities, with an emphasis on community health and hygiene.

**Education:** Supporting educational initiatives for under privileged students that foster learning opportunities.

**Women Empowerment:** Promoting gender equality by supporting women's economic, social, and educational empowerment.

**Environment Conservation:** Implementing projects aimed at preserving and improving the environment through sustainable practices.

The CSR policy provides a framework for identifying, executing, and monitoring CSR projects, ensuring they align with the Company's values and address the specific needs of local communities. ZIM Laboratories Limited is committed to making meaningful contributions at the grassroots level, thereby ensuring long-term positive effects on the communities it serves.

FORM NO. MR-3  
SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2025

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,  
The Members,  
**ZIM Laboratories Limited**  
Sadoday Gyan (Ground Floor),  
Opp. NADT, Nelson Square,  
Nagpur - 440013

We have conducted the Secretarial Audit of the compliance with applicable statutory provisions and the adherence to good corporate practices by **ZIM Laboratories Limited** having **CIN: - L99999MH1984PLC032172** (hereinafter called “the Company”) for the Financial Year ended March 31, 2025 (the “Audit Period”/ “Period under review”).

We have conducted the Secretarial Audit in a manner that provided us with a reasonable basis for evaluating the Company’s corporate conducts/ statutory compliances and expressing our opinion thereon.

We are issuing this report based on:

- (i)

Our verification of the Company’s books, papers, minutes books, copies of various records, copies of minutes of the meetings of the Board of Directors of the Company (the Board) and Committees thereof, forms and returns filed and records provided and other records maintained by the Company and furnished to us in relation to all compliance-related actions taken by the Company during the Financial Year 2024-25 as well before the day of issue of this report;
- (ii)

Compliance certificates confirming compliance with corporate laws as applicable to the Company as given by the Key Managerial Personnel / Senior Managerial Personnel of the Company and taken on record by the Company’s Audit Committee / Board of Directors; and
- (iii)

Representations made, documents produced and information provided by the Company, its officers, agents and authorized representatives during our conduct of Secretarial Audit.

We hereby report that, in our opinion, during the Audit Period covering the Financial Year ended March 31, 2025 that the Company has:

- (i)

Complied with the statutory provisions listed hereunder; and

- (ii)

Board processes and compliance mechanisms are in place

to the extent, in the manner and subject to the reporting made hereinafter.

The members are requested to read this report along with our letter of even date annexed to this report as Annexure-A.

1. COMPLIANCE WITH SPECIFIC STATUTORY PROVISIONS

We further report that:

- 1.1

We have examined copies of the books, papers, minutes books, forms and returns filed and other records maintained by the Company, returns filed and compliance related action taken by the company, and other records maintained and furnished to us, during the period under review, according to the applicable provisions / clauses of:
- (i)

The Companies Act, 2013 (the “Act”) and the Rules made thereunder;
- (ii)

The Securities Contracts (Regulation) Act, 1956 (“SCRA”) and the Rules made thereunder;
- (iii)

The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv)

Secretarial Standards relating to Board Meetings, Committee meetings and General Meetings issued by The Institute of Company Secretaries of India (“Secretarial Standards”) and notified by the Central Government under Section 118 (10) of the Act which have mandatory application;
- (v)

Foreign Exchange Management Act (“FEMA”), 1999 and the Rules and Regulations made thereunder to the extent of Overseas Direct Investment;
- (vi)

The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (“SEBI Act”)
- (a)

The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015\*;
- (c) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;
- (d) The Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;
- (e) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; and
- (f) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;

\*The Company has also maintained a Structured Digital Database ("SDD") pursuant to the requirement of Regulation 3(5) and 3(6) of The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.

1.2 During the period under review, and also considering the compliance related action taken by the Company after March 31, 2025, but before the date of issue of this report, the Company has, to the best of our knowledge and belief and based on the records, information, explanations and representations furnished to us:

- (i) Complied with the applicable provisions/ clauses of the Acts, Rules, Regulations, Guidelines and Secretarial Standards as mentioned above.
- (ii) Complied with the applicable provisions / clauses of:
  - (a) The Acts, Regulations and rules mentioned under paragraph 1.1; and
  - (b) The Secretarial Standards on meetings of Board of Directors and Committees constituted by it (SS-1) and on General Meetings (SS-2) mentioned under paragraph 1.1 (iv) above, which are applicable to the meetings of the Board and its Committees held during the year, the 40<sup>th</sup> Annual General Meeting (AGM) held on June 27, 2024 and the circular resolutions passed by the Board. The compliance of the provisions of the Rules made under the Act with regard to participation of Directors through video conferencing for the Board/Committee meeting(s) held during the year, were

verified based on the minutes of the meetings provided by the Company.

- (c) During the year under review, the Company has not received any complaints under The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 ("POSH Act, 2013").

1.3 During the audit period under review, provisions of the following Acts /Regulations were not applicable to the Company:

- (i) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and External Commercial Borrowings;
- (ii) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- (iii) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- (iv) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018.

1.4 We have also examined, on test-check basis, the relevant documents and records maintained by the Company and provided to us with respect to the following Statutes which are specifically applicable to the Company:

- a) Drug (Price Control) Order 2013,
- b) Narcotic Drug and Psychotropic Substance Act 1985,
- c) The Drugs and Cosmetics Act, 1940,
- d) The Drugs and Magic Remedies (Objectionable Advertisements) Act, 1954.

## 2. BOARD PROCESSES:

We further report that:

1.1 The Board of Directors of the Company as on March 31, 2025 comprised of:

- (i) Mr. Anwar Daud (DIN: 00023529) Chairman and Managing Director ( Promoter of the Company)
- (ii) Mr. Zulfiqar Murtuza Kamal (DIN: 01786763) Whole-time Executive Director (Promoter of the Company)
- (iii) Mr. Niraj Pukhraj Dhadiwal (DIN: 02007428) Whole-time Executive Director

- (iv) Mr. Prakash Pralahadrao Sapkal (DIN: 02007385) Whole-time Executive Director
- (v) Ms. Kavita Loya (DIN: 07943519) Non-Executive - Independent Director
- (vi) Mr. Padmakar Shrinivas Joshi (DIN: 07944709) Non-Executive - Independent Director
- (vii) Mr. Kamlesh Bajirao Shende (DIN: 09537666) Non-Executive - Independent Director
- (viii) Mr. Kakasaheb Ramoo Mahadik (DIN: 08688418) Non-Executive - Independent Director

The constitution of the Board is in line with the requirements prescribed under the SEBI(LODR) Regulations, 2015.

2.2 The processes relating to the following changes in the composition of the Board of Directors and Key Managerial Personnel during the Audit Period were carried out in compliance with the provisions of the Act and SEBI (Listing Obligations and Disclosure Requirements), Regulations 2015:

1. Re-appointment of Mr. Prakash Sapkal (DIN: 02007385), as Whole-time Director of the Company, liable to retire by rotation, at the 40<sup>th</sup> Annual General Meeting held on June 27, 2024.
2. Cessation of office of Mr. Kakasaheb Mahadik (DIN: 08688418), as a Non-Executive Independent Director of the Company w.e.f. April 01, 2025, due to completion of tenure.
3. Appointment of Mr. Ashok Bhatia (DIN: 02090239), as Additional Non-Executive Independent Director of the Company by the Board of Directors at its meeting held on March 28, 2025 for a period of three (3) years w.e.f. April 01, 2025 to March 31, 2028 the same is subject to the approval of shareholders at the ensuing Annual General Meeting.
4. Re-appointment of Mr. Kamlesh Bajirao Shende (DIN: 09537666), as a Non-Executive Independent Director of the Company for a second term by the Board of Directors at its meeting held on March 28, 2025 for a period of three (3) years w.e.f. April 01, 2025 to March 31, 2028 the same is subject to the approval of shareholders at the ensuing Annual General Meeting.

2.3 Adequate notice(s) with Agenda and the detailed notes to Agenda were given at least seven days before the meetings to all the directors to enable

them to plan their schedule for the meetings of the Board and the Committees constituted by the Board, and where the same were given at a notice period shorter than seven days, at least one Independent Director was present at the meeting, as required under Section 173(3) of the Companies Act, 2013 and Secretarial Standards.

2.4 A system exists for directors to seek and obtain further information and clarifications on the agenda items before the meetings and to ensure their meaningful participation at the meetings.

2.5 We note from the minutes examined that, at the Board meetings held during the year:

- (i) Decisions were taken through the majority of the Board; and
- (ii) No dissenting views were expressed by any Board member on any of the subject matters discussed, which were required to be recorded as part of the minutes.

## 3. COMPLIANCE MECHANISM

There are reasonably adequate systems and processes prevalent in the Company, which are commensurate with its size and operations, to monitor and ensure compliance with all applicable laws, rules, regulations and guidelines.

## 4. SPECIFIC EVENTS / ACTIONS

4.1 During the year under review, the following specific events/ actions, having a major bearing on the Company's affairs took place: -

- a) Incorporation of a wholly owned subsidiary of "ZIM Laboratories FZE", Sharjah, in the name of "ZIM Scientific Office L.L.C." in Dubai, United Arab Emirates, on November 15, 2024, consequently becoming the step-down subsidiary of the Company
- b) Investment of AUD 9,900 (Australian Dollar Nine Thousand Nine Hundred only) in the equity share of ZIMTAS Pty Ltd, on April 02, 2024, which is a Joint Venture between the Company and MEDTAS Pty Ltd situated in Australia. Post investment the Company hold 99% and MEDTAS Pty Ltd held 1%. Subsequently, the Company has further invested AUD 1,23,525 (Australian Dollar One Lakh Twenty-three Thousand Five Hundred and Twenty-five only), on July 02, 2024. The Company now holds 99.93% of the paid-up share capital of ZIMTAS Pty Ltd.

- c)

Annexure A

to the Secretarial Audit Report for the Financial Year ended March 31, 2025

To,  
The Members,  
**ZIM Laboratories Limited**

Our Secretarial Audit Report of even date is to be read along with this letter.

1.

The Company’s management is responsible for maintenance of secretarial records and compliance with the provisions of corporate and other applicable laws, rules, regulations and standards. Our responsibility is to express an opinion on the secretarial records produced for our audit.
2.

We have followed such audit practices and processes as we considered appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records.
3.

We have considered compliance related actions taken by the company in compliance with law.
4.

We have verified the secretarial records furnished to us to see whether the correct facts are reflected therein. We have also examined the compliance procedures followed by the Company. We believe that the processes and practices we followed, provide a reasonable basis for our opinion.
5.

We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
6.

We have obtained the management’s representation about the compliance of laws, rules and regulations and happening of events, wherever required.
7.

Our Secretarial Audit Report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

CERTIFICATE ON CORPORATE GOVERNANCE

To,  
The Members  
**ZIM Laboratories Limited**  
Sadoday Gyan (Ground Floor),  
Opp. NADT, Nelson Square,  
Nagpur - 440013.

1. I have examined the compliance of the conditions of Corporate Governance by ZIM Laboratories Limited ('the Company') for the year ended on 31<sup>st</sup> March, 2025, as stipulated under Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2) and paras C, D and E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and amendments from time to time ("SEBI Listing Regulations").

Management’s Responsibility

2. Compliance of the conditions of Corporate Governance is the responsibility of the management. My examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

Opinion

3. Based on my examination of the relevant records and according to the information and explanations provided to me and the representations provided by the Management, in my opinion the Company has complied in all material respects with the conditions of corporate governance as stipulated in the Listing Regulations during the year ended 31<sup>st</sup> March, 2025.
4. I state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

CERTIFICATE OF NON-DISQUALIFICATION OF DIRECTORS

(Pursuant to Regulation 34(3) and Schedule V Para C clause (10)(i) of the SEBI  
(Listing Obligations and Disclosure Requirements) Regulations, 2015.

To  
The Members  
**ZIM Laboratories Limited**  
Sadoday Gyan (Ground Floor),  
Opp. NADT, Nelson Square,  
Nagpur - 440013.

I have examined the relevant registers, records, forms, returns and disclosures received from the Directors of ZIM Laboratories Limited, having Corporate Identification Number (CIN) L99999MH1984PLC032172 and having registered office at Sadoday Gyan (Ground Floor), Opp. NADT, Nelson Square, Nagpur-440013 (hereinafter referred to as 'the Company'), produced before me by the Company for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para-C sub clause (10) (i) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In my opinion and to the best of my information and according to the verifications [including Director Identification Number (DIN) status at the portal [www.mca.gov.in](http://www.mca.gov.in) as considered necessary and explanations furnished to me by the Company and its officers, I hereby certify that none of the Directors on the Board of the Company as stated below for the Financial Year ending on 31<sup>st</sup> March, 2025 have been debarred or disqualified from being appointed or continuing as Directors of Companies by the Securities and Exchange Board of India, Ministry of Corporate Affairs or any such other Statutory Authority:

Sr. No.	DIN	Name of Director	Date of appointment
1	00023529	Dr. Anwar Daud	01/04/2009
2	01786763	Mr. Zulfiquar Kamal	19/10/2012
3	02007385	Mr. Prakash Sapkal	22/11/2013
4	02007428	Mr. Niraj Dhadiwal	22/11/2013
5	07943519	Mrs. Kavita Loya	21/09/2017
6	07944709	Mr. Padmakar Joshi	21/09/2017
7	08688418	Dr. Kakasaheb Mahadik	01/04/2022
8	09537666	Dr. Kamlesh Shende	01/04/2022

Ensuring the eligibility for the appointment/continuity of every Director on the Board is the responsibility of the management of the Company. My responsibility is to express an opinion based on my verification. This certificate is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

# Independent Auditor’s Report

To the Members of ZIM Laboratories Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

1.

We have audited the accompanying consolidated financial statements of **ZIM Laboratories Limited** (‘the Holding Company’) and its subsidiaries (the Holding Company and its subsidiaries together referred to as ‘the Group’), as listed in Annexure 1, which comprise the Consolidated Balance Sheet as at **31 March 2025**, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flow and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including material accounting policy information and other explanatory information.
2.

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (‘the Act’) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (‘Ind AS’) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India of the consolidated state of affairs of the Group, as at 31 March 2025, and their consolidated profit (including other comprehensive income), consolidated cash flows and the consolidated changes in equity for the year ended on that date.
5.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Basis for Opinion

3.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (‘ICAI’) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained together with the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 15 of the Other Matters section below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4.

Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiaries, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Independent Auditor’s Report on the Audit of the Consolidated Financial Statements

Key audit matter	How our audit addressed the key audit matter
Based on management's expectation of its commercial utilization of these products, these costs are amortized over a period of three years from the date of capitalization.	<ul style="list-style-type: none"><li>Tested the mathematical accuracy of the amounts capitalized as marketing rights and also evaluated key assumptions regarding market potential used by the Group on a sample basis;</li></ul>
For marketing rights under process of approval, the primary risk relates to timely securing of requisite regulatory approvals. For capitalized marketing rights, the key risk is the ability to successfully commercialize the individual product concerned in the respective geography over the expected timelines.	<ul style="list-style-type: none"><li>Verified sample of costs expensed to supporting documentation such as study reports, invoices and payment records to ensure the correctness of the amounts being expensed;</li></ul>
The assumptions/judgement applied by management in determining the recoverable value of such rights include expected contributions from projected business generated in respective countries. Changes in these assumptions could lead to an impairment to the carrying value of such intangible assets and Intangible assets under development.	<ul style="list-style-type: none"><li>Obtained an understanding from management as to the status of each marketing right under process and corroborating, on sample basis, such status assessments from the communications of the Company’s management (as distinct from the financial management function) with respective authorities;</li></ul>
Considering the materiality of the amounts involved, inherent subjectivity and significant management judgement involved to estimate the recoverable value of the marketing rights, capitalization and realisability of ‘Product Marketing Authorization’ Rights has been identified as a key audit matter for the current year audit.	<ul style="list-style-type: none"><li>In respect of marketing rights for products that have received regulatory approvals, we assessed the useful life and amortization period for the capitalized costs and challenged their total estimated profitability based on results achieved till date;</li><li>In respect of marketing rights for products that are no longer considered viable, we determined whether the carrying amount had been appropriately written off; and</li><li>Evaluated the appropriateness and adequacy of the related disclosures made in the consolidated financial statements in accordance with applicable accounting standards.</li></ul>

Information other than the Consolidated Financial Statements and Auditor’s Report thereon

6.

The Holding Company’s Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor’s report thereon. The Annual Report is expected to be made available to us after the date of auditor’s report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we

conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

7.

The accompanying consolidated financial statements have been approved by the Holding Company’s Board of Directors. The Holding Company’s Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India. The Holding Company’s Board of Directors are also responsible for ensuring accuracy

**Independent Auditor's Report on the Audit of the Consolidated Financial Statements**

of records, including financial information considered necessary for the preparation of consolidated Ind AS financial statements. Further, in terms of the provisions of the Act the respective Board of Directors of the companies included in the Group covered under the Act are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. These financial statements have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

8. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Group or to cease operations, or have no realistic alternative but to do so.

9. Those respective Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

11. As part of an audit in accordance with Standards on Auditing specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143 (3) (i) of the Act we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and
- Obtain sufficient appropriate audit evidence regarding the financial statements of the entities or business activities within the Group, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the consolidated financial statements, of which

**Independent Auditor's Report on the Audit of the Consolidated Financial Statements**

we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Other Matter**

15. We did not audit the standalone/ consolidated financial statements of seven subsidiaries, whose standalone/ consolidated financial statements (before eliminating inter-company balances) reflect total assets of ₹ 2,861.76 lakhs as at 31 March 2025, total revenues (before eliminating inter-company transactions) of ₹ 3,916.61 lakhs and net cash outflows amounting to ₹ 796.92 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-section (3) of section 143 of the Act in so far as it relates to the aforesaid subsidiaries, are based solely on the reports of the other auditors.

Further, of these subsidiaries, four subsidiaries are located outside India whose financial statements and other financial information have been prepared

in accordance with accounting principles generally accepted in their respective countries and which have been audited by other auditors under International Standards on Auditing. The Holding Company's management has converted the financial statements of such subsidiaries, located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of such subsidiaries located outside India, is based on the report of other auditors and the conversion adjustments prepared by the management of the Holding Company and audited by us.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors.

**Report on Other Legal and Regulatory Requirements**

16. As required by section 197(16) of the Act, based on our audit and on the consideration of the reports of the other auditors, referred to in paragraph 15, on separate financial statements of the subsidiaries, we report that the Holding Company, its subsidiaries incorporated in India whose financial statements have been audited under the Act have paid remuneration to their respective directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
17. As required by clause (xxi) of paragraph 3 of Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act based on the consideration of the Order reports issued by us and by the respective other auditors as mentioned in paragraph 15 above, of companies included in the consolidated financial statements and covered under the Act we report that there are no qualifications or adverse remarks reported in the respective Order reports of such companies.
18. As required by section 143 (3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements and other financial information of the subsidiaries incorporated in India whose financial statements have been audited under the Act, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the

Independent Auditor’s Report on the Audit of the Consolidated Financial Statements

Independent Auditor’s Report on the Audit of the Consolidated Financial Statements

purpose of our audit of the aforesaid consolidated financial statements;		any material foreseeable losses as at 31 March 2025;	
b)	In our opinion, proper books of account as required by law relating to the preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors,	iii.	There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, and its subsidiaries, during the year ended 31 March 2025;
c)	The consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;	iv.	a. The respective managements of the Holding Company and its subsidiaries incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively that, to the best of their knowledge and belief, on the date of this audit report, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Holding Company or its subsidiaries to or in any person or entity, including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company, or any such subsidiaries, ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
d)	In our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015;		
e)	On the basis of the written representations received from the directors of the Holding Company, its subsidiaries, and taken on record by the Board of Directors of the Holding Company, its subsidiaries, and the reports of the statutory auditors of its subsidiaries, covered under the Act, none of the directors of the Group Companies, are disqualified as on 31 March 2025 from being appointed as a director in terms of section 164(2) of the Act.		
f)	With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, and its subsidiaries covered under the Act, and the operating effectiveness of such controls, refer to our separate report in 'Annexure A' wherein we have expressed an unmodified opinion; and	b.	The respective managements of the Holding Company and its subsidiaries incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively that, to the best of their knowledge and belief, on the date of this audit report, no funds have been received by the Holding Company or its subsidiaries from any persons or entities, including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Holding Company, or any such subsidiaries shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
g)	With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements and other financial information of the subsidiaries incorporated in India whose financial statements have been audited under the Act:		
i.	The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group as detailed in Note 44(A) to the consolidated financial statements;		
ii.	The Holding Company, and its subsidiaries did not have any long-term contracts including derivative contracts for which there were		
c.	Based on such audit procedures performed by us and that performed by the auditors of the subsidiaries, as considered reasonable and appropriate in the circumstances, nothing has come to our or other auditors' notice that has caused us or the other auditors to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.		the same have been operated throughout the year for all relevant transactions recorded in the software except that, the audit trail feature was enabled at the database level for the accounting software used by the Holding Company from 25 July 2024. Further, during the course of our audit we and respective auditors of the above referred subsidiaries did not come across any instance of audit trail feature being tampered with, other than the consequential impact of the exception given above. Furthermore, the audit trail has been preserved by the Holding Company and its subsidiaries as per the statutory requirements for record retention from the date the audit trail was enabled for the accounting software.
v.	The Holding Company and its subsidiaries have not declared or paid any dividend during the year ended 31 March 2025.		
vi.	As stated in Note 51 to the consolidated financial statements and based on our examination which included test checks performed by us on the Holding Company and that performed by the respective auditors of the subsidiaries of the Holding Company which are companies incorporated in India and audited under the Act, the Holding Company and its subsidiaries, in respect of financial year commencing on 1 April 2024, have used accounting software for maintaining their books of account which have a feature of recording audit trail (edit log) facility and

Annexure A to the Independent Auditor’s Report of even date to the members of ZIM Laboratories Limited on the consolidated financial statements for the year ended 31 March 2025

Independent Auditor’s Report on the internal financial controls with reference to the Consolidated financial statements under Clause (j) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

- 1. In conjunction with our audit of the consolidated financial statements of ZIM Laboratories Limited (‘the Holding Company’) and its subsidiaries (the Holding Company and its subsidiaries together referred to as ‘the Group’) as at and for the year ended 31 March 2025, we have audited the internal financial controls with reference to financial statements of the Holding Company and its two Indian subsidiary companies which are companies covered under the Act, as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

- 2. The respective Board of Directors of the Holding Company and two subsidiary companies which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company’s business, including adherence to the Company’s policies, the safeguarding of its assets,

the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility for the Audit of the Internal Financial Controls with Reference to Consolidated Financial Statements

- 3. Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company and its two subsidiary companies, as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the ICAI prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.
- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment

of the risks of material misstatement of the financial statements, whether due to fraud or error.

- 5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Holding Company and two subsidiary companies as aforesaid.

Meaning of Internal Financial Controls with Reference to Consolidated Financial Statements

- 6. A company’s internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

- 7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

- 8. In our opinion and based on the consideration of the reports of the other auditors on internal financial controls with reference to financial statements of the subsidiary companies, the Holding Company and its subsidiary companies, which are companies covered under the Act, have in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2025, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matter

- 9. We did not audit the internal financial controls with reference to financial statements insofar as it relates to two subsidiary companies, which are companies covered under the Act, whose financial statements (before eliminating intercompany balances/transactions) reflect total assets of ₹ 377.49 Lakhs and net assets of ₹ 226.36 Lakhs as at 31 March 2025, total revenues of ₹ 357.79 lakhs and net cash inflows amounting to ₹ 1.47 lakhs for the year ended on that date, as considered in the consolidated financial statements. The internal financial controls with reference to financial statements in so far as it relates to such subsidiary companies have been audited by other auditors whose reports have been furnished to us by the management and our report on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements for the Holding Company, its two subsidiary companies, as aforesaid, under Section 143 (3) (i) of the Act in so far as it relates to such subsidiary companies is based solely on the reports of the auditors of such companies. Our opinion is not modified in respect of this matter with respect to our reliance on the work done by and on the reports of the other auditors.

# Material accounting policy information and other explanatory information to the consolidated financial statements

For the year ended 31 March 2025

### 1. Background of the Company

ZIM Laboratories Limited ('the Company / Holding Company / Parent') is a public limited company domiciled in India with its registered office at Sadoday Gyan (Ground Floor), Opposite N.A.D.T., Nelson square, Nagpur - 440013. The Company has primarily listed on BSE/NSE. The Company is engaged in the manufacturing of formulation drugs and pre formulation ingredients in India and marketing and selling these within and outside India. Company also have wholly owned subsidiaries (ZIM Laboratories FZE, UAE; SIA ZIM Laboratories Limited, Latvia; ZIM Health Technologies Limited, India; and ZIM Thinorals Private Limited, India), subsidiary: ZIMTAS PTY Limited, Australia; and step-down subsidiaries: ZIM Laboratories Middle East DMCC, UAE; and ZIM Scientific Office L.L.C., UAE. (the Company and its subsidiaries are together referred to as 'the Group') which are engaged in manufacturing & wholesale of pharmaceutical products, market research and research & development activities.

The consolidated financial statements ("the financial statements") of the Company for the year ended 31 March 2025 were authorised for issue in accordance with resolution of the Board of Directors on 20 May 2025.

### 2. Basis for preparation of financial statements

#### (i) Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act and guidelines issued by the Securities and Exchange Board of India.

The accounting policies are applied consistently to all the periods presented in the financial statements.

#### (ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- certain financial assets and liabilities that are measured at fair value;
- assets held for sale - measured at lower of carrying amount or fair value less cost to sell;
- defined benefit plans - plan assets measured at fair value;

#### (iii) Current and non-current classification

All assets and liabilities have been classified as current or non-current as per the group's normal operating cycle (not exceeding twelve months) and other criteria set out in the Schedule III to the Act.

#### (iv) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

### 2.1 Material accounting policy information

#### a Principles of consolidation

##### -Subsidiary

Subsidiary is an entity over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiary is fully consolidated from the date on which control is transferred to the Group.

The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the financial statements of the Holding Company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between Group companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.

#### b Use of estimates

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Group and are based on historical experience and various other assumptions and factors (including expectations of future events) that the group believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/ materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

Material accounting policy information and other explanatory information to the consolidated financial statements

For the year ended 31 March 2025

c Property, plant and equipment (including Capital Work-in-Progress)

The group had applied for the one time transition exemption of considering the carrying cost on the transition date i.e. 01 April 2016 as the deemed cost under IND AS. Hence regarded thereafter as historical cost.

Freehold land is carried at cost. All other items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

d Depreciation methods and estimated useful lives

The group provides for depreciation on additions and disposals made during the year on pro-rata basis from the date of additions up to the date of disposal. Depreciation on property, plant and equipment is provided under the straight line method over the useful lives of assets, as prescribed under Part C of Schedule II of the Act.

Useful life considered for calculation of depreciation for various assets class are as follows:

Assets Class	Useful Life
Building	5 years & 30 years
Plant and Equipment	10 years & 15 years
Electric Installation	10 years
Furniture and Fixtures	10 years
Office Equipments'	3-6 years
Vehicles	8 years

The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful

lives are reviewed and adjusted if appropriate, at the end of each reporting period.

Leasehold Improvements are amortized over the lower of the lease term or useful life of the respective asset prescribed as above.

Leasehold land, in the nature of finance lease, is amortised over the primary period of lease.

e Intangible assets (including Intangible assets under development)

Intangible assets are stated at acquisition/development cost, net of tax credit on initial recognition. Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

Expenditure incurred for obtaining regulatory approvals and registration of the products for overseas markets are considered as product marketing authorisations.

Intangible assets are amortised on a straight line basis over the estimated useful economic life, which is estimated to be five years for software and brands and three years for product marketing authorisations.

f Research and development costs

Research costs are expensed as incurred. Development expenditure incurred on an individual project is recognised as an intangible asset when the group can demonstrate all the following:

- The technical feasibility of completing the intangible asset so that it will be available for use or sale
- Its intention to complete the asset
- Its ability to use or sell the asset
- How the asset will generate future economic benefits
- The availability of adequate resources to complete the development and to use or sell the asset
- The ability to measure reliably the expenditure attributable to the intangible asset during development.

During the period of development, the asset is tested for impairment annually. Amortisation of the asset begins when development is complete and the asset is available for use. It is amortised on a straight line basis over the period of expected future benefit from the related project. Amortisation is recognised in the Statement of Profit and Loss.

Material accounting policy information and other explanatory information to the consolidated financial statements

For the year ended 31 March 2025

g Measurement and recognition of leases

The Group considers whether contract is, or contains, a lease. A lease is defined as 'a contract, or part of a contract, that conveys the right to use an asset (the underlying asset) for a period of time in exchange for consideration.'

To apply this definition, the Group assesses whether the contract meets three key evaluations which are whether:

- the contract contains an identified asset, which is either explicitly identified in the contract or implicitly specified by being identified at the time the asset is made available to the Group.
- the Group has the right to obtain substantially all of the economic benefits from use of the identified asset throughout the period of use, considering its rights within the defined scope of the contract.
- the Group has the right to direct the use of the identified asset throughout the period of use. The Group assesses whether it has the right to direct 'how and for what purpose' the asset is used throughout the period of use.

Group as a lessee

At lease commencement date, the Group recognises a right-of-use asset and a lease liability on the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Group and any lease payments made in advance of the lease commencement date.

The Group depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Group also assesses the right-of-use asset for impairment when such indicators exist.

At the commencement date, the Group measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the Group's incremental borrowing rate.

Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance, fixed), and payments arising from options reasonably certain to be exercised. Subsequent to initial measurement, the liability will be reduced for payments

made and increased for interest expenses. It is remeasured to reflect any reassessment or modification.

When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset or Statement of Profit and Loss, as the case may be.

The Group has elected to account for short-term leases and leases of low-value assets using the exemption given under Ind AS 116, Leases. Instead of recognising a right-of-use asset and lease liability, the payments in relation to these are recognised as an expense in profit or loss on a straight-line basis over the lease term or on another systematic basis if that basis is more representative of the pattern of the Group's benefit.

Group as a lessor

Lease income from operating leases where the Group is a lessor is recognised as income on straight line basis over the lease term.

h Borrowings and other financial liabilities

Borrowings and other financial liabilities are initially recognised at fair value (net of transaction costs incurred). Difference between the fair value and the transaction proceeds on initial recognition is recognised as an asset / liability based on the underlying reason for the difference.

Subsequently all financial liabilities are measured at amortised cost using the effective interest rate method.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in Statement of Profit and Loss. The gain / loss is recognised in other equity in case of transaction with shareholders.

i Borrowing costs

General and specific borrowing costs directly attributable to the acquisition / construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time the assets are substantially ready for their intended use. All other borrowing costs are recognised as an expense in Statement of Profit and Loss in the period in which they are incurred.

Material accounting policy information and other explanatory information to the consolidated financial statements

For the year ended 31 March 2025

j Impairment of non-financial assets

Assessment is carried out at each Balance Sheet date as to whether there is any indication that an asset may be impaired. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication of impairment exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Assets whose carrying value exceeds their recoverable amount are written down to their recoverable amount. Recoverable amount is higher of an asset's or cash generating unit's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed if there was no impairment.

k Government grants

Grants from the Government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Group will comply with all attached conditions.

Government grants relating to income are deferred and recognised in the Statement of Profit and Loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

Government grants relating to the purchase of property, plant and equipment are included in liabilities as deferred income and are credited to the Statement of Profit and Loss on a straight-line basis over the expected useful lives of the related assets and presented within other income.

l Investments and financial assets

Classification

The group classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income or through the Statement of Profit and Loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Measurement

At initial recognition, the Group measures a financial asset (excluding trade receivables which do not contain a significant financing component) at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of Profit and Loss.

Measurement of debt instruments

Subsequent measurement of debt instruments depends on the group's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the group classifies its debt instruments:

- Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in the Statement of Profit and Loss, when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.
- Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to statement of profit and loss. Interest income from these financial assets is included in other income using the effective interest rate method.
- Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in the Statement of Profit and Loss and presented net,

Material accounting policy information and other explanatory information to the consolidated financial statements

For the year ended 31 March 2025

in the Statement of Profit and Loss in the period in which it arises. Interest income from these financial assets is included in other income.

Measurement of equity instruments

The group measures its equity investment (other than in subsidiaries) at fair value through profit and loss. However where the group's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income (Currently no such choice made), there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss.

Impairment of financial assets

The group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables only, the group applies the simplified approach permitted by Ind AS 109, Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

De-recognition of financial assets

A financial asset is derecognised only when

- The group has transferred the rights to receive cash flows from the financial asset or they have expired or
- The group retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the group has not retained control of the financial asset. Where the group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Interest income from financial assets

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

m Derivatives and embedded derivatives

The group uses derivative financial instruments i.e. foreign exchange forward contracts to manage its exposure to foreign exchange risks. Such contracts are accounted for at fair value through profit or loss. Derivatives are carried as financial assets/liabilities when the fair value is positive/negative, respectively.

Derivatives embedded in a host contracts that is an asset within the scope of Ind AS 109 are not separated. Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Derivatives embedded in all other host contract are separated only if the economic characteristics and risks of the embedded derivative are not closely related to the economic characteristics and risks of the host and are measured at fair value through profit or loss. Embedded derivatives closely related to the host contracts are not separated.

n Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

o Inventories

Inventories are stated at lower of cost and net realisable value. Cost of raw materials, stores, spares and packing materials is determined at weighted average cost or net realisable value, whichever is lower. The cost of finished goods and work in progress comprises raw materials cost, packing materials cost, direct labour, other direct

Material accounting policy information and other explanatory information to the consolidated financial statements

For the year ended 31 March 2025

	costs and related production overheads, as applicable. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.
p	<b>Foreign Currency Transactions</b> The functional currency of the Company and its Indian subsidiaries is the Indian Rupee (₹) whereas the functional currency of foreign subsidiaries is the currency of their country of domicile.  Transactions in foreign currency are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are translated at the exchange rate prevailing on the Balance Sheet date and exchange gains or losses arising on settlement and restatement are recognised in the Statement of Profit and Loss. Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not retranslated at year end.  The results and financial position of foreign operations (none of which has the currency of a hyperinflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency as follows:  (a) Assets and liabilities are translated at the closing rate on the balance sheet date  (b) Income and expenses are translated at the average exchange rate (unless this is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated based on rates prevailing at the date of transaction).  (c) All resulting exchange differences are recognised in other comprehensive income  When a foreign operation is sold, the associated exchange differences are reclassified to statement of profit and loss, as part of the gain or loss on sale.  Fair value adjustments arising on the acquisition of a foreign operation are treated as assets and liabilities of the foreign operation and translated at the closing rate.
q	<b>Revenue Recognition</b> The group derives revenues primarily from sale of manufactured goods and traded goods.

	Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products to customers in an amount that reflects the consideration the group expects to receive in exchange for those products.  The group does not expect to have any contracts where the period between the transfer of the promised goods to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.  The group satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:  <ol style="list-style-type: none"><li>The customer simultaneously receives and consumes the benefits provided by the group's performance as the group performs; or</li><li>The group's performance creates or enhances an asset that the customer controls, as the asset is created or enhanced; or</li><li>The group's performance does not create an asset with an alternative use to the group and an entity has an enforceable right to payment for performance completed to date.</li></ol> For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.  <b>Other operating revenue -</b> <b>Product service income</b> <b>Product development income</b> Income from product development is recognised in accordance with the terms of the contract with customers when the related performance obligation is completed, or when risks and rewards of ownership are transferred, as applicable, i.e., over time.  The Group enters into certain product development and supply arrangements that, in certain instances, include certain performance obligations. Based on an evaluation of whether or not these obligations are inconsequential or perfunctory, the Group recognises or defers the upfront payments received under these arrangements.
--	--

Material accounting policy information and other explanatory information to the consolidated financial statements

For the year ended 31 March 2025

	<b>Out-licensing income</b> Revenues include amounts derived from outlicensing income. These income typically depends on achieving certain milestones in accordance with the terms prescribed in the agreement. Milestone payments which are contingent on achieving certain clinical milestones are recognised as revenues either on achievement of such milestones, if the milestones are considered substantive, or over the period the Group has continuing performance obligations, if the milestones are not considered substantive.  <b>Export incentives</b> Export Incentives under various schemes are accounted in the year of export.  <b>Contract assets</b> A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Group performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.  <b>Trade Receivables</b> Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business and reflects the entity's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The entity holds the trade receivables with the objective of collecting the contractual cash flows and, therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.
r	<b>Other Income</b> Interest income for all debt instruments is recognised using the effective interest rate method. Dividend Income is recognised when right to receive the payment is established by the balance sheet date.
s	<b>Employee Benefits</b> <b>Defined Contribution Plan</b> The group has Defined Contribution Plan for post employment benefit namely the Provident Fund and National Pension Fund which are recognised by the income tax authorities and administered through appropriate authorities. The group contributes to a Government administered Provident Fund and National

	Pension Fund and has no further obligation beyond making its contribution.  Employee's State Insurance Scheme: Contribution towards employees' state insurance scheme is made to the regulatory authorities, where the Group has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Group does not carry any further obligations.  The group's contributions to the above funds are charged to the Statement of Profit and Loss every year, as and when due.  <b>Defined Benefit Plan - Gratuity</b> The group has Defined Benefit Plan comprising of Gratuity. The Gratuity scheme is funded through Group Gratuity Cum Life Assurance Scheme from LIC. The adequacy of accumulated fund balance available with LIC has been established by comparing such balance based on actuarial valuation carried out by an independent actuary as at the Balance Sheet date and shortfall / excess, if any, has been provided for/ considered as prepaid.  The liability or asset recognised in the balance sheet in respect of defined gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.  The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.  The net interest cost is calculated by actuary applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.  Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.  <b>Compensated Absences</b> Accumulated compensated absences, which are expected to be availed or encashed within 12 months
--	---

Material accounting policy information and other explanatory information to the consolidated financial statements

For the year ended 31 March 2025

from the end of the year are treated as short term employee benefits. All other absences are treated as long term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end. The group's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses / gains are recognised in the Statement of Profit and Loss in the year in which they arise.

Termination Benefits

Termination benefits are payable when employment is terminated by the group before the normal retirement date, or when an employee accepts voluntary redundancy in exchange for these benefits. The group recognises termination benefits at the earlier of the following dates: (a) when the group can no longer withdraw the offer of those benefits; and (b) when the group recognises costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of terminations benefits. In the case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees expected to accept the offer. Benefits falling due more than 12 months after the end of the reporting period are discounted to present value.

Short-term benefits

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

At present, short term benefits are the only employee benefits applicable to the subsidiaries, while all benefits are applicable to the Company.

t Current and Deferred Tax

Tax expense recognised in the statement of profit and loss comprises the sum of deferred tax and current tax not recognised in other comprehensive income or directly in equity.

Income tax (current-tax) assets and/or liabilities comprise those obligations to, or claims from, fiscal authorities relating to the current or prior reporting periods, that are unpaid at the reporting date. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements. Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred income taxes are calculated using the liability method on temporary differences between the carrying amounts of assets and liabilities and their tax bases.

Deferred tax assets (Including Minimum Alternate Tax (MAT)) are recognised to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilised against future taxable income. This is assessed based on the group's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Deferred tax is not provided on the initial recognition of goodwill, or on the initial recognition of an asset or liability unless the related transaction is a business combination or affects tax or accounting profit. Deferred tax on temporary differences associated with investments in subsidiaries and joint ventures is not provided if reversal of these temporary differences can be controlled by the group and it is probable that reversal will not occur in the foreseeable future.

Changes in deferred tax assets or liabilities are recognised as a component of tax income or expense in the statement of profit or loss, except where they relate to items that are recognised in other comprehensive income or directly in equity, in which case the related deferred tax is also recognised in other comprehensive income or equity, respectively.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

u Provisions and Contingent Liabilities

Provisions are recognised when the group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre - tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the

Material accounting policy information and other explanatory information to the consolidated financial statements

For the year ended 31 March 2025

provision due to the passage of time is recognised as interest expense.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non - occurrence of one or more uncertain future events not wholly within the control of the group or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

v Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss (excluding other comprehensive income) for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events such as bonus issue, bonus element in a right issue, share split and reverse share splits (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss (excluding other comprehensive income) for the year attributable to equity share holders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

w Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results. Management also need to exercise judgement in applying the group's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgement are:

- Useful life and residual value of property, plant and equipment (PPE) and intangible assets (Refer note 3, 4, 5(A) & 5(B))

The Group reviews the useful lives of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may

result in change in depreciation and amortisation expense in future periods.

- Recognition and measurement of defined benefit obligations (Refer note 45)

The cost of post-employment benefits is determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, future salary increases and mortality rates. Due to the long term nature of these plans, such estimates are subject to significant uncertainty.

- Valuation of taxes on income (Refer note 36)

The Group reviews the carrying amount of tax expenses, deferred tax (including MAT credit) and tax payable at the end of each reporting period.

- Loss Allowance (Refer note 11)

Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowances for estimated irrecoverable amounts. Under Ind AS, impairment allowance has been determined based on Expected Credit Loss (ECL) model. Estimated irrecoverable amounts are based on the ageing of the receivable balance and historical experience. Individual trade receivables are written off if the same are not collectible.

- Leases – Estimating the incremental borrowing rate (Refer Note 2(g))

The Group cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate (IBR) to measure lease liabilities. The IBR is the rate of interest that the Group would have to pay to borrow over a similar term, and with a similar security, the fund necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

- Inventory (Refer note 10) - The Group reviews the allowance for defective and obsolete items inventory at the end of each reporting period.

x New standards, interpretations, and amendments adopted by the Group

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended 31<sup>st</sup> March, 2025, MCA has notified amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, which is applicable to the Company w.e.f. April 1, 2024. The Group has reviewed the new pronouncements and based on its evaluation has determined that it's not likely to have any significant impact in its financial statements.

Leases in which the Group is Lessee

- i>The Group has leasing arrangements for its land, office buildings and plant & equipments. The Group pays lease charges as fixed amount as per respective lease agreements. Right-of-use asset is measured, on a lease by lease basis, at carrying amount. Discounting to arrive the value of asset is done based on the incremental borrowing rate at the time of lease initiation. The lease agreements for immovable properties where the Group is the lessee are duly executed in favour of the Group.
- iiVehicles includes vehicles in the personal name of directors & employees having Gross carrying amount ₹ Nil and net carrying value of ₹ Nil (31 March 2024 - Gross carrying amount ₹ 20.47 lakhs and net carrying value of ₹ 1.37 Lakhs).
- iiiRefer note 44 (B) for disclosure of contractual commitments for the acquisition of property, plant and equipment.

(b) Rights, preferences and restrictions

The Holding Company has one class of equity shares having a par value of ₹ 10 per share. Each shareholder is eligible for one vote per share held. The dividend proposed by the Board of Directors is subject to the approval of the shareholders at the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Holding Company after distribution of all preferential amounts, in proportion to their shareholding.

(c) Bonus shares issued

On 12 December 2022, the Holding Company has issued 32,483,876 equity shares of face value ₹ 10 each as fully paid up bonus shares. The Holding Company has issued two bonus equity shares against one equity share held by its shareholders.

(d) Equity shares reserved for issue under employee stock options

For number of stock options against which equity shares to be issued by the Holding Company upon vesting and exercise of those stock options and rights by the employees under Employee Stock Option Scheme. (Refer note 47)

Balance as at the end of the year	2,140.24	2,140.24

\*\*\*Nature and Purpose - The difference between the fair value of trade receivable proceeds from shareholder and the transaction price is recognised as a deemed equity component of the shareholder.

The Holding Company had entered into an escrow agreement in 2017 (with subsequent renewals) with one of its shareholders, wherein the shareholder had provided his holdings to the extent of 30 Lakhs equity shares (including 25 Lakhs bonus shares) as a security towards realization of covered trade receivables. During the previous year, the equity shares have been liquidated at a gross consideration of ₹ 3,067.58 lakhs. Accordingly, the net amount realised (which is gross consideration as reduced by the applicable taxes and charges) has been recognised as a credit to the 'Deemed equity contribution from shareholder' under 'Other equity' in accordance with the guidance under Ind AS 1- Presentation of Financial Statements, which states that transactions with shareholders (being the owners of Company), shall be recognized under Equity.

<b>****Employee stock options</b>		
Balance at the beginning of the year	-	-
Add: Additions during the year	135.40	-

	37,903.10	36,742.44

Material accounting policy information and other explanatory information to the consolidated financial statements

For the year ended 31 March 2025

A Disclosure as per Ind AS 115

The operations of the Group are limited to only one segment viz. pharmaceuticals and related products. Revenue from contract with customers is from sale of manufactured goods and rendering of research services. Sale of goods are made at a point in time and revenue is recognised upon satisfaction of the performance obligations which is typically upon dispatch / delivery. The Group has a credit evaluation policy based on which the credit limits for the trade receivables are established. There is no significant financing component as the credit period provided by the Group is not significant.

There are no variable components such as discounts, chargebacks, rebates, sales returns, etc.

B Disaggregation of revenue:

Nature of segment	Year ended 31 March 2025	Year ended 31 March 2024
<b>A. Major Product/Service line:</b>		
- Sale of pharmaceutical goods	36,288.68	35,551.25
- Product service income	1,080.87	657.43
- Others ( Export incentives, others, etc.)	533.55	533.76
<b>Total revenue from contracts with customers</b>	<b>37,903.10</b>	<b>36,742.44</b>
<b>B. Primary geographical market:</b>		
- In India	6,656.94	8,046.36
- Outside India	31,246.16	28,696.08
<b>Total revenue from contracts with customers</b>	<b>37,903.10</b>	<b>36,742.44</b>
<b>C. Timing of the revenue recognition:</b>		
- Goods/services transferred at a point in time	37,903.10	36,742.44
- Goods/services transferred over time	-	-
<b>Total revenue from contracts with customers</b>	<b>37,903.10</b>	<b>36,742.44</b>

C Contract Balances

Significant changes in contract asset balances are as follows:

	Year ended 31 March 2025	Year ended 31 March 2024
<b>Contract Assets</b>		
Opening Balance	332.38	346.28
Add: Revenue recognised during the year	-	-
Less: Invoiced/adjustment during the year	332.38	13.90
<b>Closing balance</b>	<b>-</b>	<b>332.38</b>
<b>Contract Liabilities</b>		
<b>Advance received from customers</b>		
Opening Balance	945.05	409.07
Add: Advance received during the year	5,806.24	5,968.67
Less: Revenue recognised/adjustment during the year	6,493.46	5,432.69
<b>Closing balance</b>	<b>257.83</b>	<b>945.05</b>

The contract liabilities primarily relate to the advance consideration received from customers for the sale of goods. This amount will be recognised as revenue within a period of one year.

37 Fair value measurements

Financial instruments by category:

All financial assets and financial liabilities, except derivative instruments of the Group are under the amortised cost measurement category at each of the reporting date.

Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received on selling of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Group uses the following hierarchy for determining and disclosing the fair value of the financial instruments by valuation technique.

**Level 1:** quoted (unadjusted) prices in active markets for identical assets or liabilities.

**Level 2:** other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

**Level 3:** techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Financial assets and liabilities measured at fair value at each reporting date

Investment in equity shares (other than subsidiaries) are measured at fair value through profit and loss at each reporting date.

## Material accounting policy information and other explanatory information to the consolidated financial statements

For the year ended 31 March 2025

Financial assets and financial liabilities measured at amortised cost, but for which fair values are disclosed as below:

(₹ in lakhs)

Fair value for assets and liabilities measured at amortised cost	31 March 2025				31 March 2024			
	Level 1	Level 2	Level 3	Carrying amount	Level 1	Level 2	Level 3	Carrying amount
<b>Financial liabilities</b>								
Non-current borrowings (including current maturities)	-	5,958.71	-	5,958.71	-	5,117.32	-	5,117.32
Lease liabilities (other than current portion)	-	-	206.97	206.97	-	-	294.95	294.95
<b>Financial assets</b>								
Non-current investment	-	5.00	-	5.00	-	5.15	-	5.15
Other financial assets	-	-	103.27	103.27	-	-	78.55	78.55

During the periods mentioned above, there have been no transfers amongst the levels of hierarchy.

The carrying amounts of security deposits, trade receivables, current loans, other financial assets, fixed deposits with banks, current borrowings, trade payables and other current financial liabilities are considered to be approximately equal to their fair value.

### Valuation processes

The Group evaluates the fair value of financial assets and financial liabilities on periodic basis using the best and most relevant data available.

## 38 Financial risk management

The Group's financial risk management is an integral part of how to plan and execute its business strategies. The Group's financial risk management policy is set by the Risk Committee.

**The Group is exposed to market risk, credit risk and liquidity risk.**

### A Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including deposits, foreign currency receivables, payables and loans and borrowings.

The Group manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommend risk management objectives and policies, which are approved by Chief financial officer. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures like foreign exchange forward contracts, borrowing strategies and ensuring compliance with market risk limits and policies.

### Market risk - Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Group's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

According to the Group, interest rate risk exposure is only for floating rate borrowings. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

% of Borrowings out of above bearing variable rate of interest	100%	100%

### Interest rate sensitivity

**A change of 50 bps in interest rates would have following Impact on profit before tax and Other Equity**

(₹ in lakhs)

Particulars	Year ended 31 March 2025	Year ended 31 March 2024
50 bp increase would decrease the profit before tax by	(56.08)	(53.18)
50 bp decrease would increase the profit before tax by	56.08	53.18

### Market risk - Foreign currency risk management

The Group operates internationally wherein portion of the business is transacted in several currencies and consequently the Group is exposed to foreign exchange risk through its sales in overseas and purchases from overseas suppliers in various foreign currencies. Foreign currency exchange rate exposure is partly balanced by purchasing of goods, commodities and services in the respective currencies.

B Credit risk

The Group considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Group compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counterparty,
- v) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements.

The presumption under Ind AS 109 with reference to significant increase in credit risk since initial recognition (when financial assets are more than 30 days past due), has been rebutted and is not applicable to the Company, as the Company is able to collect a significant portion of its receivables that exceed the due date and the receivables past due by 90 days are considered as significant increase in credit risk.

Material accounting policy information and other explanatory information to the consolidated financial statements

For the year ended 31 March 2025

38 Financial risk management (Contd.)

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Group. Where loans or receivables have been written off, the Group continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

Credit risk management

To manage credit risk, the Group periodically assesses the financial reliability of customers and other counterparties, taking into account the financial condition, current economic trends, analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly. There is no significant concentration of credit risk.

Bank balances are held with only high rated banks and majority of security deposits are placed majorly with government agencies. Trade receivables are generally recovered within the credit period. The Group measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

Ageing of Trade receivables

	(₹ in lakhs)					
	Not due	0-12 months	1-2 years	2-3 years	more than 3 years	Total
<b>As at 31 March 2025</b>

	(71.97)	(17.47)
Balance at the end of the year	79.98	151.95

C Liquidity risk

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at a reasonable price. For the Group, liquidity risk arises from obligations on account of financial liabilities – borrowings, trade payables, lease liabilities and other financial liabilities.

Liquidity risk management

The Group's corporate treasury department is responsible for liquidity and funding as well as settlement management. The processes and policies related to such risks are overseen by Chief Financial Officer. Management monitors the Group's net liquidity position through rolling forecasts on the basis of expected cash flows.

Maturities of non – derivative financial liabilities

As at 31 March 2025

Particulars	0 month to 1 year	Between 1 and 5 years	Beyond years	Total

39 Capital management

Risk management

The Group's objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Group may adjust the amount of dividends paid to shareholders. The Company has complied with financial covenants.

	As at 31 March 2025	As at 31 March 2024
The capital composition is as follows:		
Net debt#	11,021.89	9,675.24
Total equity	25,223.80	23,874.61
Net debt to equity ratio	44%	41%

# includes non-current borrowings, current borrowings, current maturities of non-current borrowings and interest accrued but not due on borrowings (net of cash and cash equivalents)

Key Managerial Personnel' compensation

	Year ended 31 March 2025	Year ended 31 March 2024
a) Short- term employee benefits	756.76	841.14
b) Post- employment benefits	10.23	9.87
<b>Total compensation</b>	<b>766.99</b>	<b>851.01</b>

\* The remuneration to Key management personnel does not include provision for employee benefits determined on actuarial basis.

All the transactions stated above with related parties are on arm's length basis.

All borrowings are guaranteed by the Managing Director of the Company (Refer notes 18 & 21).

44 Contingent liabilities and commitments

	As at 31 March 2025	As at 31 March 2024
<b>(A) Contingent liabilities</b>		
Income Tax Assessments for earlier years, pending in appeal	395.95	500.04
Gram Panchayat Tax	-	12.58
Duty saved considering export obligation to be fulfilled subsequent to the reporting date, within the period allowed under the Advance License scheme	57.89	72.14

Notes:

1. The Group does not expect any reimbursement in respect of the above contingent liabilities.
2. It is not practical to estimate the timing of cash outflows, if any, in respect of matters above, pending resolution/completion of the appellate proceedings/other proceedings, as applicable.

Other matter

The Honourable Supreme Court, had passed a judgement on 28 February 2019 in relation to inclusion of certain allowances within the scope of "Basic wages" for the purpose of determining contribution to provident fund under the Employees' Provident Funds & Miscellaneous Provisions Act, 1952. The management, based on legal advice, is of the view that the applicability of the judgement to the Company, with respect to the period and the nature of allowances to be covered due to interpretative challenges, and resultant impact on the past provident fund liability, cannot be reasonably ascertained.

	As at 31 March 2025	As at 31 March 2024

45 Employee benefits

As per Indian Accounting Standard-19, 'Employee Benefits', the disclosure of Employee benefits as defined in the Standard are given below:

(a) Defined Contribution Plan:

Contribution to Defined Contribution Plan, recognized as expense for the year are as under:

	Year ended 31 March 2025	Year ended 31 March 2024
Employer's Contribution to Provident fund	146.02	134.06
Employer's Contribution to ESIC	8.52	7.00
Employer's Contribution to Labour welfare fund	2.62	2.18
Employer's Contribution to Pension fund	32.33	22.56

(b) Defined Benefits Plan :

Gratuity

Under the gratuity plan, every employee is entitled to the benefit equivalent to fifteen days salary (as per last drawn salary) for each completed year of service or part thereof in excess of six months depending on the date of joining and eligibility terms, in terms of provisions of the Payment of Gratuity Act, 1972. The same is payable on termination of service or retirement, whichever is earlier. The benefit vests after five years of continuous service. Liabilities for such benefits are provided on the basis of valuation, as at the balance sheet date, carried out by an independent actuary. The actuarial valuation method used by an independent actuary for measuring the liability is the Projected Unit Credit method. The scheme is funded with an insurance company in the form of qualifying insurance policy.

Year 5	115.52	94.27
Thereafter	813.10	760.16

Sensitivity Analysis:

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase, withdrawal rate and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The results of the sensitivity analysis is given below:

	As at 31 March 2025	(₹ in lakhs) As at 31 March 2024
Defined Benefit Obligation (Base)	999.70	898.64

	Year ended 31 March 2025		Year ended 31 March 2024	
	Decrease	Increase	Decrease	Increase
Discount Rate ( -/+ 1%)	48.63	(43.95)	42.83	(38.73)
(% change compared to base due to sensitivity)	4.9%	-4.4%	4.8%	-4.3%
Salary Growth Rate ( -/+ 1%)	(41.11)	43.84	(36.58)	39.15
(% change compared to base due to sensitivity)	-4.1%	4.4%	-4.1%	4.4%
Attrition Rate ( +/- 1%)	(4.62)	4.09	(5.92)	5.34
(% change compared to base due to sensitivity)	-0.5%	0.4%	-0.7%	0.6%

(c) Compensated absences

The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year and net charge to the Consolidated Statement of Profit and Loss for the year is ₹ 205.89 lakhs (Previous Year: ₹ 159.00 lakhs).

Material accounting policy information and other explanatory information to the consolidated financial statements

For the year ended 31 March 2025

46 Segment information

The Group is primarily engaged in the business of pharmaceuticals. The Group has entrusted decision making authority to the Managing Director (highest authority) who is the Chief Operating Decision Maker (CODM) who has complete control over the operating decisions and is responsible for the information presented to the Board of Directors. Managing Director reviews the Group's performance based on the analysis of the Profit Before Tax ( PBT) at an overall entity level and therefore there is no other separate reportable segment for the Group as defined by Ind AS 108 "Operating Segment".

Information about geographical areas are as under :

(₹ in lakhs)

Particulars	31 March 2025			31 March 2024		
	In India	Outside India	Total	In India	Outside India	Total
Revenue from operations *	6,656.94	31,246.16	37,903.10	8,046.36	28,696.08	36,742.44
Carrying amount of segment assets (non-current)**	20,853.28	3,006.23	23,859.51	19,461.75	1,985.15	21,446.90
Carrying amount of segment assets (current)***	13,969.52	8,904.38	22,873.90	14,101.14	7,613.93	21,715.07
Capital expenditure for the year	4,198.68	1,023.44	5,222.12	7,328.86	1,025.14	8,354.00
- Tangible	4,068.06	5.82	4,073.88	7,206.10	-	7,206.10
- Intangible	130.62	1,017.62	1,148.24	122.76	1,025.14	1,147.90

The accounting policies of the reportable segments are the same as the Group's accounting policies described in note 2.1.

\*As per Ind AS 108 - Operating Segments, the Company is required to disclose revenue from individual external customers when it is 10 per cent or more of entity's revenue. Details of individual external customers has revenue equal to or more than 10 per cent Group's revenue are as follows :

(₹ in lakhs)

Customer	31 March 2025			31 March 2024		
	In India	Outside India	Total	In India	Outside India	Total
Customer A	-	5,591.41	5,591.41	-	3,730.69	3,730.69

\*\*The carrying amount of non-current segment assets exclude financial assets, income tax assets (net).

\*\*\*The carrying amount of current segment assets exclude Cash and cash equivalents, Bank balances other than cash and cash equivalents & Interest receivable.

For the year ended 31 March 2025

47 Share based payments (Contd.)

Resolution passed by Nomination & Remuneration committee and Board at its meeting dated 23 December 2023, and the shareholders through postal ballot on 28 January 2024, had approved the 'ZIM Laboratories Employee Stock Option Scheme 2023' ("ESOS 2023"/ "Scheme"), to create, offer, issue, grant and allot from time to time, in one or more tranches, not exceeding 994,404 (Nine Lakhs Ninety-four Thousand Four Hundred and Four) employee stock options ("Options") to the eligible employees of the Company and/or its subsidiary companies exercisable into not more than 994,404 (Nine Lakhs Ninety-four Thousand Four Hundred and Four) equity shares.

During the year, the Nomination and Remuneration Committee in its meeting held on 13 April 2024 granted 687,257 options to the eligible employees of the Group at an exercise price of ₹ 77.40. Remaining options of 307,147 are available in the ESOP Pool to be granted to the employees of the Group.

I. The position of the ESOS of the Company as at 31 March 2025 is as under:

S.No.	Particulars	ESOS
1	Total number of stock options approved	9,94,404
2	Maximum term of Options granted (years)	2 years from date of last vesting or 6 years from the date of grant
3	Source of shares (Primary, Secondary or combination)	Primary
4	Variation in terms of options	No variation
5	Exercise Price per option	at a discount of 20% on market price on grant date (i.e. Rs 77.40 )
6	The exercise period	Exercise anytime within two year from date of vesting
7	Weighted average exercise price* (₹)	77.40
8	Weighted average remaining life (in years)	5.04

\*The Black Scholes valuation model has been used for computing weighted average fair value of option on grant date considering the following information:

Particulars	Particulars
1. Risk Free Interest Rate	7.01%
2. Expected Life (year)	4
3. Expected Volatility	55.79%
4. Dividend Yield	0.00%

II. Weighted average exercise price of Options granted during the year whose

Exercise price equals to market price of the stock	Nil
Exercise price exceeds market price of the stock	Nil
Exercise price is less than the market price of the stock	77.40

III. Weighted average fair value of Options granted during the year whose

Exercise price equals to market price of the stock	Nil
Exercise price exceeds market price of the stock	Nil
Exercise price is less than the market price of the stock	54.44

Material accounting policy information and other explanatory information to the consolidated financial statements

For the year ended 31 March 2025

47 Share based payments (Contd.)

IV. The movement of stock options during the year ended 31 March 2025 are summarized below:

Particulars	Number of options
Options outstanding at the beginning of the year	Nil
Options Forfeited / lapsed during the year	Nil
Options granted during the year	6,87,257
Options vested during the year	Nil
Options exercised during the year	Nil
Money realised by exercise of options	Nil
Expired during the year	Nil
Options outstanding at the end of the year	6,87,257
Options exercisable at the end of the year	Nil

V. The exercise price and expected remaining contractual life (comprising the vesting period and exercise period) of options outstanding as at 31 March 2025 is as follows:

Grant Date	Number of options	Vesting Date	Exercise End Date	Exercise Price	Expected remaining contractual life
13 April 2024	68,726	14 April 2025	13 April 2027	77.40	2.04
13 April 2024	1,37,451	14 April 2026	13 April 2028	77.40	3.04
13 April 2024	2,06,177	14 April 2027	13 April 2029	77.40	4.04
13 April 2024	2,74,903	14 April 2028	13 April 2030	77.40	5.04

VI. Cash inflow on exercise of options and weighted average share price at the date of exercise: Not applicable, as options not due for exercise during the year.

VII. The estimates of future cash inflow that may be received upon exercise of options:

	Year ended 31 March 2025	Year ended 31 March 2024
Within one year	53.19	-
Between two years to five years	478.75	-

48 Earnings per share

- (ii) Net Profit Ratio: Decreased by 32% in the current year due to decrease in profitability of the Group
- (iii) Basic EPS: Decreased by 29% in the current year due to decrease in profitability of the Group
- (iv) Interest Coverage Ratio: Decreased by 42% in the current year is mainly due to increase in the finance costs on account of working capital utilisation

51 The Ministry of Corporate Affairs (MCA) has prescribed a new requirement for companies under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 inserted by the Companies (Accounts) Amendment Rules 2021 requiring companies, which uses accounting software for maintaining its books of accounts, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of accounts along with the date when such changes were made and ensuring that the audit trail cannot be disabled. The audit trail has been preserved by the Holding Company as per the statutory requirements for record retention at application level from 1 April 2023 and at the database level from 25 July 2024. The audit trail has been preserved by the subsidiaries as per the statutory requirements for record retention.

The Holding Company and its subsidiaries have used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been enabled at application level. However, the audit trail (edit logs) is enabled at the database level from 25 July 2024 for the Holding Company.

52 Figures of the previous year has been re-grouped/re-arranged wherever necessary. The impact of the same is not material to the users of financial statement.

# Independent Auditor’s Report

To the Members of ZIM Laboratories Limited

Report on the Audit of the Standalone Financial Statements

Opinion

1.

We have audited the accompanying standalone financial statements of **ZIM Laboratories Limited** (‘the Company’), which comprise the Standalone Balance Sheet as at **31 March 2025**, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Cash Flow and the Standalone Statement of Changes in Equity for the year then ended, and notes to the standalone financial statements, including material accounting policy information and other explanatory information.
2.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (‘the Act’) in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards (‘Ind AS’) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2025, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.
5.

We have determined the matter described below to be the key audit matters to be communicated in our report.

Basis for Opinion

3.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (‘ICAI’) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matter

4.

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter	How our audit addressed the key audit matter
<p><b>Capitalization and realisability of ‘Product Marketing Authorization’ Rights</b></p> <p>(Refer Note 2.1(d) to the accompanying standalone financial statements for material accounting policy information and Note 5(A) and 5(B) for related disclosures).</p> <p>The Company has applied for registration of its various formulated products in different countries. The applications have been made to secure marketing rights/ product authorisations in respective geographies, some of which are subject to regulatory approvals. The expenses towards registrations are capitalized as ‘Product Marketing authorizations’. The Product Marketing Authorizations are marketing rights and primarily include costs pertaining to bioequivalence studies, analytical method validation studies and product registration costs in respective geographies.</p> <p>Based on management’s expectation of its commercial utilization of these products, these costs are amortized over a period of three years from date of capitalization.</p>	<p>Our audit procedures with respect to audit of capitalization and realisability of ‘Product Marketing Authorization’ Rights, included but were not limited to the following:</p> <div><div>•</div><div>Obtained an understanding of the management process and controls for calculating the amount to be capitalized and its realisability, and assessed the consistency of the accounting policies with relevant accounting standards;</div></div> <div><div>•</div><div>Evaluated the design and tested the operating effectiveness of internal controls around capitalisation and realisability of ‘Product Marketing Authorization’ Rights;</div></div> <div><div>•</div><div>Tested the mathematical accuracy of the amounts capitalized as marketing rights and also evaluated key assumptions regarding market potential used by the Company on sample basis;</div></div>

Independent Auditor’s Report on the Audit of the Standalone Financial Statements

Key audit matter	How our audit addressed the key audit matter
<p>For marketing rights under process of approval, the primary risk relates to timely securing of requisite regulatory approvals. For capitalized marketing rights, the key risk is the ability to successfully commercialize the individual product concerned in the respective geography over the expected timelines.</p> <p>The assumptions/judgement applied by management in determining the recoverable value of such rights include expected contributions from projected business generated in respective countries. Changes in these assumptions could lead to an impairment to the carrying value of such intangible assets and Intangible assets under development.</p> <p>Considering the materiality of the amounts involved, inherent subjectivity and significant management judgement involved to estimate the recoverable value of the marketing rights, capitalization and realisability of ‘Product Marketing Authorization’ Rights has been identified as a key audit matter for the current year audit.</p>	<div><div>•</div><div>Verified sample of costs expensed to supporting documentation such as study reports, invoices and payment records to ensure the correctness of the amounts being expensed;</div></div> <div><div>•</div><div>Obtained an understanding from management as to the status of each marketing right under process and corroborating, on sample basis, such status assessments from the communications of the Company’s management (as distinct from the financial management function) with respective authorities;</div></div> <div><div>•</div><div>In respect of marketing rights for products that have received regulatory approvals, we assessed the useful life and amortization period for the capitalized costs and challenged their total estimated profitability based on results achieved till date;</div></div> <div><div>•</div><div>In respect of marketing rights for products that are no longer considered viable, we determined whether the carrying amount had been appropriately written off; and</div></div> <div><div>•</div><div>Evaluated the appropriateness and adequacy of the related disclosures made in the standalone financial statements in accordance with applicable accounting standards.</div></div>

Information other than the Standalone Financial Statements and Auditor’s Report thereon

6.

The Company’s Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the standalone financial statements and our auditor’s report thereon. The Annual Report is expected to be made available to us after the date of this auditors’ report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

7.

The accompanying standalone financial statements have been approved by the Company’s Board of Directors. The Company’s Board of Directors are responsible

for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8.

In preparing the standalone financial statements, the Board of Directors are responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Independent Auditor’s Report on the Audit of the Standalone Financial Statements

9. The Board of Directors is also responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Standalone Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

11. As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143 (3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of Board of Directors’ use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to

continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern; and

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation;

12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

15. As required by section 197(16) of the Act, based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.

16. As required by the Companies (Auditor’s Report) Order, 2020 (‘the Order’) issued by the Central Government of India in terms of section 143(11) of the Act we give in the Annexure I a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Independent Auditor’s Report on the Audit of the Standalone Financial Statements

17. Further to our comments in Annexure I, as required by section 143(3) of the Act based on our audit, we report, to the extent applicable, that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;
- In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph 17(h) (vi) below on reporting in relation to audit trail as required under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);
- The standalone financial statements dealt with by this report are in agreement with the books of account;
- In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under section 133 of the Act;
- On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors are disqualified as on 31 March 2025 from being appointed as a director in terms of section 164(2) of the Act;
- The modification relating to the maintenance of accounts and other matters connected therewith in relation to audit trail are as stated in paragraph 18(b) above on reporting under Section 143(3) (b) of the Act and paragraph 17(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);
- With respect to the adequacy of the internal financial controls with reference to financial statements of the Company as on 31 March 2025 and the operating effectiveness of such controls, refer to our separate report in Annexure II wherein we have expressed an unmodified opinion; and
- With respect to the other matters to be included in the Auditor’s Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
  - The Company, as detailed in note 44 (A) to the standalone financial statements, has

disclosed the impact of pending litigations on its financial position as at 31 March 2025;

- The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2025;
- There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31 March 2025;
- The management has represented that, to the best of its knowledge and belief, on the date of this audit report, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any person or entity, including foreign entities (‘the intermediaries’), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (‘the Ultimate Beneficiaries’) or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
  - The management has represented that, to the best of its knowledge and belief, on the date of this audit report, no funds have been received by the Company from any person or entity, including foreign entities (‘the Funding Parties’), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (‘Ultimate Beneficiaries’) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
  - Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.

Independent Auditor’s Report on the Audit of the Standalone Financial Statements

- v. The Company has not declared or paid any dividend during the year ended 31 March 2025.
- vi. As stated in Note 52 to the standalone financial statements and based on our examination which included test checks, the Company, in respect of financial year commencing on 1 April 2024, has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software, except that audit trail feature was enabled at database level from 25 July 2024. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with, other than

the consequential impact of the exception given above. Furthermore, the audit trail has been preserved by the Company as per the statutory requirements for record retention from the date the audit trail was enabled for the accounting software.

Independent Auditor’s Report on the Audit of the Standalone Financial Statements

**Annexure I** referred to in paragraph 16 of the Independent Auditor’s Report of even date to the members of ZIM Laboratories Limited on the standalone financial statements for the year ended 31 March 2025

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we report that:

- (i) a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment, capital work-in-progress, and relevant details of right-of-use assets.  
  
(B) The Company has maintained proper records showing full particulars of intangible assets.
- b) The Company has a regular programme of physical verification of its property, plant and equipment, capital work-in-progress, and relevant details of right-of-use assets under which the assets are physically verified in a phased manner over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. In accordance with this programme, certain property, plant and equipment, capital work-in-progress and relevant details of right-of-use assets were verified during the year and no material discrepancies were noticed on such verification.
- c) The title deeds of all the immovable properties held by the Company (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in Note 3 to the standalone financial statements, are held in the name of the Company.
- d) The Company has not revalued its property, plant and equipment including right-of-use assets or intangible assets during the year.
- e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended) and rules made thereunder. Accordingly, reporting under 3(i) (e) of the order is not applicable to the company.
- (ii) a) The management has conducted physical verification of inventory at reasonable intervals during the year, except for goods-in-transit. In our opinion, the coverage and procedure of such verification by the management is appropriate and no discrepancies of 10% or more in the aggregate for each class of inventory were noticed as compared to book records.

- b) As disclosed in Note 21 to the standalone financial statements, the Company has been sanctioned a working capital limit in excess of ₹ 5 crores by banks and/or financial institutions based on the security of current assets. The quarterly returns/statements, in respect of the working capital limits have been filed by the Company with such banks and/or financial institutions and such returns/statements are in agreement with the books of account of the Company for the respective periods, which were subject to audit.
- (iii) a) During the year, the Company has not provided any loans or provided any advances in the nature of loans, or guarantee, or security to any other entity during the year. Accordingly, reporting under clauses 3(iii)(a) of the Order is not applicable to the Company.  
  
b) The Company has not provided any guarantee or given any security or granted any loans or advances in the nature of loans during the year. However, the Company has made investment in two subsidiaries, amounting to INR 385.09 lakhs (year-end balance INR 421.33 lakhs) and in our opinion and according to the information and explanations given to us, the investments made are, prima facie, not prejudicial to the interest of the Company.  
  
c) The Company does not have any outstanding loans and advances in the nature of loans at the beginning of the current year nor has granted any loans or advances in the nature of loans during the year. Accordingly, reporting under clauses 3(iii) (c), 3(iii)(d), 3(iii)(e) and 3(iii)(f) of the Order is not applicable to the Company.
- (iv) In our opinion, and according to the information and explanations given to us, the Company has complied with the provisions of section 186 of the Act in respect of investments, as applicable. Further, the Company has not entered into any transaction covered under section 185 and section 186 of the Act in respect of loans granted, guarantees and security provided by it.
- (v) In our opinion, and according to the information and explanations given to us, the Company has not accepted any deposits or there are no amounts which have been deemed to be deposits within the meaning of sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under clause 3(v) of the Order is not applicable to the Company.

Independent Auditor’s Report on the Audit of the Standalone Financial Statements  
Annexure I (Contd.)

- (vi) The Central Government has specified maintenance of cost records under sub-section (1) of section 148 of the Act in respect of the products of the Company. We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) a) In our opinion and according to the information and explanations given to us, undisputed statutory dues including goods and services tax, provident fund, employees’ state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, have generally been regularly deposited with the appropriate authorities by the Company, though there have been slight delays in a few cases. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.
- b) According to the information and explanations given to us, we report that there are no statutory dues referred in sub-clause (a) which have not been deposited with the appropriate authorities on account of any dispute except for the following:

Name of the statute	Nature of dues	Amount (₹ In lakhs)	Amount paid under Protest (₹ In lakhs)	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income tax	395.95	84.00	Assessment Year 2010-11	Commissioner of Income Tax (Appeal) and Income Tax Appellate Tribunal

- (viii) According to the information and explanations given to us, we report that no transactions were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961) which have not been previously recorded in the books of accounts.
- (ix) a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of its loans or borrowings or in the payment of interest thereon to any lender.
- b) According to the information and explanations given to us including representation received from the management of the Company, and on the basis of our audit procedures, we report that the Company has not been declared a willful defaulter by any bank or financial institution or government or any government authority.
- c) In our opinion and according to the information and explanations given to us, money raised by way of term loans were applied for the purposes for which these were obtained.
- d) In our opinion and according to the information and explanations given to us, and on an overall examination of the financial statements of the Company, funds raised by the Company on short term basis have, prima facie, not been utilised for long term purposes.
- e) In our opinion and according to the information and explanations given to us and on an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries. The Company does not have any associate or Joint Venture.
- f) In our opinion and according to the information and explanations given to us, the Company has not raised any loans during the year on the pledge of securities held in its subsidiaries.
- (x) a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments), during the year. Accordingly, reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or (fully, partially or optionally) convertible debentures during the year. Accordingly, reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or on the Company has been

Independent Auditor’s Report on the Audit of the Standalone Financial Statements  
Annexure I (Contd.)

- noticed or reported during the period covered by our audit.
- b) According to the information and explanations given to us including the representation made to us by the management of the Company, no report under sub-section 12 of section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014, with the Central Government for the period covered by our audit.
- c) According to the information and explanations given to us including the representation made to us by the management of the Company, there are no whistle-blower complaints received by the Company during the year.
- (xii) The Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it. Accordingly, reporting under clause 3(xii) of the Order is not applicable to the Company.
- (xiii) In our opinion and according to the information and explanations given to us, all transactions entered into by the Company with the related parties are in compliance with sections 177 and 188 of the Act, where applicable. Further, the details of such related party transactions have been disclosed in the standalone financial statements, as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified in Companies (Indian Accounting Standards) Rules 2015 as prescribed under section 133 of the Act.
- (xiv) a) In our opinion and according to the information and explanations given to us, the Company has an internal audit system which is commensurate with the size and nature of its business as required under the provisions of section 138 of the Act.
- b) We have considered the reports issued by the Internal Auditors of the Company till date for the period under audit.
- (xv) According to the information and explanation given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and accordingly, reporting under clause 3(xv) of the Order with respect to compliance with the provisions of section 192 of the Act are not applicable to the Company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, reporting under clauses 3 (xvi) (a), (b) and (c) of the Order are not applicable to the Company.
- (d) Based on the information and explanations given to us and as represented by the management of the Company, the Group (as defined in Core Investment Companies (Reserve Bank) Directions, 2016) Does not have any CIC.
- (xvii) The Company has not incurred any cash losses in the current financial year as well as the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, reporting under clause 3(xviii) of the Order is not applicable to the Company.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information in the standalone financial statements, our knowledge of the plans of the Board of Directors and management and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- (xx) According to the information and explanations given to us, the Company does not have any unspent amounts towards Corporate Social Responsibility in respect of any ongoing or other than ongoing project as at the end of the financial year. Accordingly, reporting under clause 3(xx) of the Order is not applicable to the Company.
- (xxi) The reporting under clause 3(xxi) of the Order is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

1. In conjunction with our audit of the standalone financial statements of ZIM Laboratories Limited (‘the Company’) as at and for the year ended 31 March 2025, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

**Responsibilities of Management and Those Charged with Governance for Internal Financial Controls**

2. The Company’s Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company’s business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor’s Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements**

3. Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India (‘ICAI’) prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (‘the Guidance Note’) issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to financial statements.

**Meaning of Internal Financial Controls with Reference to Financial Statements**

6. A company’s internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls with Reference to Financial Statements**

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial

controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2025, based on the internal financial controls with reference to financial statements criteria established by the Company considering the

essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.

# Material accounting policy information and other explanatory information to the standalone financial statements

For the year ended 31 March 2025

### 1. Background of the Company

ZIM Laboratories Limited ("the Company") is a public limited company domiciled in India with its registered office at Sadoday Gyan (Ground Floor), Opposite N.A.D.T., Nelson square, Nagpur-440013. The Company has primarily listed on BSE/NSE. The Company is engaged in the manufacturing of formulation drugs and pre formulation ingredients in India and marketing and selling these within and outside India.

The standalone financial statements ("the financial statements") of the Company for the year ended 31 March 2025 were authorised for issue in accordance with resolution of the Board of Directors on 20 May 2025.

### 2. Basis for preparation of financial Statements

#### (i) Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules,2015 as amended and other relevant provisions of the Act and guidelines issued by the Securities and Exchange Board of India.

The accounting policies are applied consistently to all the periods presented in the financial statements.

#### (ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- 1) certain financial assets and liabilities that are measured at fair value;
- 2) assets held for sale - measured at lower of carrying amount or fair value less cost to sell;
- 3) defined benefit plans - plan assets measured at fair value;

#### (iii) Current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (not exceeding twelve months) and other criteria set out in the Schedule III to the Act.

#### (iv) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

### 2.1 Material accounting policy information

#### a Use of estimates

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

#### b Property, plant and equipment (including Capital Work-in-Progress)

The Company had applied for the one time transition exemption of considering the carrying cost on the transition date i.e. 1 April 2016 as the deemed cost under IND AS. Hence regarded thereafter as historical cost.

Freehold land is carried at cost. All other items of property, plant and equipment are stated at cost less depreciation and impairment, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Material accounting policy information and other explanatory information to the standalone financial statements

For the year ended 31 March 2025

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

c Depreciation methods and estimated useful lives

The Company provides for depreciation on additions and disposals made during the year on pro-rata basis from the date of additions upto the date of disposal. Depreciation on property, plant and equipment is provided under the straight line method over the useful lives of assets, as prescribed under Part C of Schedule II of the Act.

Useful life considered for calculation of depreciation for various assets class are as follows:

Assets Class	Useful Life
Building	5 years & 30 years
Plant and Equipment	10 years & 15 years
Electric Installation	10 years
Furniture and Fixtures	10 years
Office Equipment's	3-6 years
Vehicles	8 years

The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed and adjusted if appropriate, at the end of each reporting period.

Leasehold Improvements are amortized over the lower of the lease term or useful life of the respective asset prescribed as above

Leasehold land, in the nature of finance lease, is amortised over the primary period of lease.

d Intangible assets (including Intangible assets under development)

Intangible assets are stated at acquisition/development cost, net of tax credit on initial recognition. Following initial recognition, intangible assets are carried at cost less accumulated amortisation and accumulated impairment losses, if any.

Expenditure incurred for obtaining regulatory approvals and registration of the products for overseas markets are considered as product marketing authorisations.

Intangible assets are amortised on a straight line basis over the estimated useful economic life, which is estimated to be five years for software and three years for product marketing authorisations.

e Research and development costs

Research costs are expensed as incurred. Development expenditure incurred on an individual project is recognised as an intangible asset when the Company can demonstrate all the following:

- The technical feasibility of completing the intangible asset so that it will be available for use or sale
- Its intention to complete the asset
- Its ability to use or sell the asset
- How the asset will generate future economic benefits
- The availability of adequate resources to complete the development and to use or sell the asset
- The ability to measure reliably the expenditure attributable to the intangible asset during development.

During the period of development, the asset is tested for impairment annually. Amortisation of the asset begins when development is complete and the asset is available for use. It is amortised on a straight line basis over the period of expected future benefit from the related project. Amortisation is recognised in the Statement of Profit and Loss.

f Measurement and recognition of leases

The Company considers whether contract is, or contains a lease. A lease is defined as ‘a contract, or part of a contract, that convey the right to use an asset (the underlying asset) for a period of time in exchange for consideration’.

To apply this definition, the Company assesses whether the contract meets three key evaluations which are whether:

- the contract contains an identified asset, which is either explicitly identified in the contract or implicitly specified by being identified at the time the asset is made available to the Company.
- the Company has the right to obtain substantially all of the economic benefits from use of the identified asset throughout the period of use, considering its rights within the defined scope of the contract.
- the Company has the right to direct the use of the identified asset throughout the period of use. The Company assesses whether it has the right to direct ‘how and for what purpose’ the asset is used throughout the period of use.

Material accounting policy information and other explanatory information to the standalone financial statements

For the year ended 31 March 2025

Company as a lessee

At lease commencement date, the Company recognises a right-of-use asset and a lease liability on the balance sheet. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Company and any lease payments made in advance of the lease commencement date.

The Company depreciates the right-of-use assets on a straight-line basis from the lease commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The Company also assesses the right-of-use asset for impairment when such indicators exist.

At the commencement date, the Company measures the lease liability at the present value of the lease payments unpaid at that date, discounted using the interest rate implicit in the lease if that rate is readily available or the Company’s incremental borrowing rate.

Lease payments included in the measurement of the lease liability are made up of fixed payments (including in substance, fixed), and payments arising from options reasonably certain to be exercised. Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest expenses. It is remeasured to reflect any reassessment or modification.

When the lease liability is remeasured, the corresponding adjustment is reflected in the right-of-use asset or Statement of profit and loss, as the case may be.

The Company has elected to account for short-term leases and leases of low-value assets using the exemption given under Ind AS 116, Leases. Instead of recognising a right-of-use asset and lease liability, the payments in relation to these are recognised as an expense in profit or loss on a straight-line basis over the lease term or on another systematic basis if that basis is more representative of the pattern of the Company’s benefit.

Company as a lessor

Lease income from operating leases where the Company is a lessor is recognised as income on straight line basis over the lease term.

g Borrowings and other financial liabilities

Borrowings and other financial liabilities are initially recognised at fair value (net of transaction costs incurred).

Difference between the fair value and the transaction proceeds on initial recognition is recognised as an asset / liability based on the underlying reason for the difference.

Subsequently all financial liabilities are measured at amortised cost using the effective interest rate method.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in Statement of Profit and Loss. The gain / loss is recognised in other equity in case of transaction with shareholders.

h Borrowing costs

General and specific borrowing costs directly attributable to the acquisition / construction of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use, are added to the cost of those assets, until such time the assets are substantially ready for their intended use. All other borrowing costs are recognised as an expense in Statement of Profit and Loss in the period in which they are incurred.

i Impairment of non-financial assets

Assessment is carried out at each Balance Sheet date as to whether there is any indication that an asset may be impaired. For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets, is considered as a cash generating unit. If any such indication of impairment exists, an estimate of the recoverable amount of the asset/cash generating unit is made. Assets whose carrying value exceeds their recoverable amount are written down to their recoverable amount. Recoverable amount is higher of an asset’s or cash generating unit’s net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life. A previously recognised impairment loss is increased or reversed depending on changes in circumstances. However, the carrying value after reversal is not increased beyond the carrying value that would have prevailed if there was no impairment.

For the year ended 31 March 2025

j Government grants

Grants from the Government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Company will comply with all attached conditions.

Government grants relating to income are deferred and recognised in the statement of profit and loss over the period necessary to match them with the costs that they are intended to compensate and presented within other income.

Government grants relating to the purchase of property, plant and equipment are included in liabilities as deferred income and are credited to statement of profit and loss on a straight-line basis over the expected useful lives of the related assets and presented within other income."

k Investments in subsidiaries

Investments in subsidiaries are recognised at cost as per Ind AS 27 except when they are classified as held for sale, they shall be accounted for in accordance with Ind AS 105, Non-current Assets Held for Sale and Discontinued Operations.

l Investments and financial assets

Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income or through statement of profit and loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Measurement

At initial recognition, the Company measures a financial asset (excluding trade receivables which do not contain a significant financing component) at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Statement of Profit and Loss.

Measurement of debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the

asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in Statement of Profit and Loss, when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.
- Fair value through other comprehensive income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in Statement of Profit and Loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to statement of profit and loss. Interest income from these financial assets is included in other income using the effective interest rate method.
- Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in statement of profit and loss and presented net in the Statement of Profit and Loss in the period in which it arises. Interest income from these financial assets is included in other income.

Measurement of equity instruments

The Company measures its equity investment (other than in subsidiaries) at fair value through profit and loss. However where the Company's management makes an irrevocable choice on initial recognition to present fair value gains and losses on specific equity investments in other comprehensive income (Currently no such choice made), there is no subsequent reclassification, on sale or otherwise, of fair value gains and losses to the Statement of Profit and Loss.

Material accounting policy information and other explanatory information to the standalone financial statements

For the year ended 31 March 2025

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109, Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

De-recognition of financial assets

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset or they have expired or
- The Company retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Interest income from financial assets

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

m Derivatives and embedded derivatives

The Company uses derivative financial instruments i.e. foreign exchange forward contracts to manage its exposure to foreign exchange risks. Such contracts are accounted for at fair value through profit or loss. Derivatives are carried as financial assets/liabilities when the fair value is positive/negative, respectively.

Derivatives embedded in a host contracts that is an asset within the scope of Ind AS 109 are not separated. Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Derivatives embedded in all other host contract are separated only if the economic characteristics and risks of the embedded derivative are not closely related to the economic characteristics and risks of the host and are measured at fair value through profit or loss. Embedded derivatives closely related to the host contracts are not separated.

n Cash and Cash Equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

o Inventories

Inventories are stated at lower of cost and net realisable value. Cost of raw materials, stores, spares and packing materials is determined at weighted average cost or net realisable value, whichever is lower. The cost of finished goods and work in progress comprises raw materials cost, packing materials cost, direct labour, other direct costs and related production overheads, as applicable. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

p Foreign Currency Transactions

Foreign currency transactions are recorded at the exchange rates prevailing on the date of such transactions. Monetary assets and liabilities as at the Balance Sheet date are translated at the rates of exchange prevailing at the date of the Balance Sheet. Gains and losses arising on account of differences in foreign exchange rates on settlement/ translation of

Material accounting policy information and other explanatory information to the standalone financial statements

For the year ended 31 March 2025

	monetary assets and liabilities are recognised in the Statement of Profit and Loss, unless they are considered as an adjustment to borrowing costs, in which case they are classified along with the borrowing cost. Non-monetary foreign currency items are carried at cost.
q	<b>Revenue Recognition</b>  The Company derives revenues primarily from sale of manufactured goods and traded goods.  Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products.  The Company does not expect to have any contracts where the period between the transfer of the promised goods to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.  The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:  <div><div>1. The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Company performs; or</div><div>2. The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or</div><div>3. The Company's performance does not create an asset with an alternative use to the Company and an entity has an enforceable right to payment for performance completed to date.</div> For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.  <b>Other operating revenue - Product service income</b> <b>Product development income</b> Income from product development is recognised in accordance with the terms of the contract with customers when the related performance obligation is</div>

	completed, or when risks and rewards of ownership are transferred, as applicable.  The Company enters into certain product development and supply arrangements that, in certain instances, include certain performance obligations. Based on an evaluation of whether or not these obligations are inconsequential or perfunctory, the Company recognises or defers the upfront payments received under these arrangements.  <b>Out-licensing income</b> Revenues include amounts derived from out-licensing income. These income typically depends on achieving certain milestones in accordance with the terms prescribed in the agreement. Milestone payments which are contingent on achieving certain clinical milestones are recognised as revenues either on achievement of such milestones, if the milestones are considered substantive, or over the period the Company has continuing performance obligations, if the milestones are not considered substantive.  <b>Export incentives</b> Export Incentives under various schemes are accounted in the year of export.  <b>Contract assets</b> A contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Company performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.  <b>Trade receivables</b> Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business and reflects entity's unconditional right to consideration (that is, payment is due only on the passage of time). Trade receivables are recognised initially at the transaction price as they do not contain significant financing components. The entity holds the trade receivables with the objective of collecting the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.
--	---

Material accounting policy information and other explanatory information to the standalone financial statements

For the year ended 31 March 2025

r	<b>Other Income</b>  Interest income for all debt instruments is recognised using the effective interest rate method. Dividend Income is recognised when right to receive the payment is established by the balance sheet date.
s	<b>Employee Benefits</b> <b>Defined Contribution Plan</b> The Company has Defined Contribution Plan for post employment benefit namely Provident Fund and National Pension Fund which are recognised by the income tax authorities and administered through appropriate authorities. The Company contributes to a Government administered Provident Fund and National Pension Fund and has no further obligation beyond making its contribution. Employee's State Insurance Scheme: Contribution towards employees' state insurance scheme is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations.  The Company's contributions to the above funds are charged to Statement of Profit and Loss every year as and when due.  <b>Defined Benefit Plan - Gratuity</b> The Company has Defined Benefit Plan comprising of Gratuity. The Gratuity scheme is funded through Group Gratuity Cum Life Assurance Scheme from LIC. The adequacy of accumulated fund balance available with LIC has been established by comparing such balance based on actuarial valuation carried out by an independent actuary as at the Balance Sheet date and shortfall / excess, if any, has been provided for/ considered as prepaid.  The liability or asset recognised in the balance sheet in respect of defined gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.  The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

	The net interest cost is calculated by actuary applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.  Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.  <b>Compensated Absences</b> Accumulated compensated absences, which are expected to be availed or encashed within 12 months from the end of the year are treated as short term employee benefits. All other absences are treated as long term employee benefits. The obligation towards the same is measured at the expected cost of accumulating compensated absences as the additional amount expected to be paid as a result of the unused entitlement as at the year end. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. Actuarial losses/ gains are recognised in the Statement of Profit and Loss in the year in which they arise.  <b>Termination Benefits</b> Termination benefits are payable when employment is terminated by the Company before the normal retirement date, or when an employee accepts voluntary redundancy in exchange for these benefits. The Company recognises termination benefits at the earlier of the following dates: (a) when the Company can no longer withdraw the offer of those benefits; and (b) when the Company recognises costs for a restructuring that is within the scope of Ind AS 37 and involves the payment of terminations benefits. In the case of an offer made to encourage voluntary redundancy, the termination benefits are measured based on the number of employees expected to accept the offer. Benefits falling due more than 12 months after the end of the reporting period are discounted to present value.  <b>Short-term benefits</b> Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised
--	--

## Material accounting policy information and other explanatory information to the standalone financial statements

For the year ended 31 March 2025

in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

### t Current and Deferred Tax

Tax expense recognised in the statement of profit and loss comprises the sum of deferred tax and current tax not recognised in other comprehensive income or directly in equity.

Income tax (current-tax) assets and/or liabilities comprise those obligations to, or claims from, fiscal authorities relating to the current or prior reporting periods, that are unpaid at the reporting date. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements. Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period. Deferred income taxes are calculated using the liability method on temporary differences between the carrying amounts of assets and liabilities and their tax bases.

Deferred tax assets (Including Minimum Alternate Tax (MAT)) are recognised to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss or credit. Deferred tax is not provided on the initial recognition of goodwill, or on the initial recognition of an asset or liability unless the related transaction is a business combination or affects tax or accounting profit. Deferred tax on temporary differences associated with investments in subsidiaries and joint ventures is not provided if reversal of these temporary differences can be controlled by the Company and it is probable that reversal will not occur in the foreseeable future.

Changes in deferred tax assets or liabilities are recognised as a component of tax income or expense in the statement of profit or loss, except where they relate to items that are recognised in other comprehensive income or directly in equity, in which case the related deferred tax is also recognised in other comprehensive income or equity, respectively.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

### u Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

### v Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss (excluding other comprehensive income) for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events such as bonus issue, bonus element in a right issue, share split and reverse share splits

## Material accounting policy information and other explanatory information to the standalone financial statements

For the year ended 31 March 2025

(consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss (excluding other comprehensive income) for the year attributable to equity share holders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

### w Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which by definition will seldom equal the actual results. Management also need to exercise judgement in applying the group's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgement are:

- Useful life and residual value of property, plant and equipment (PPE) and intangible assets (Refer note 3, 4, 5(A) & 5(B))

The Company reviews the useful lives of property, plant and equipment and intangible assets at the end of each reporting period. This reassessment may result in change in depreciation and amortisation expense in future periods.

- Recognition and measurement of defined benefit obligations (Refer note 45)

The cost of post-employment benefits is determined using actuarial valuations. The actuarial valuation involves making assumptions about discount rates, future salary increases and mortality rates. Due to the long term nature of these plans, such estimates are subject to significant uncertainty.

### Valuation of taxes on income (Refer note 36)

The Company reviews the carrying amount of tax expenses, deferred tax (including MAT credit) and tax payable at the end of each reporting period.

### Loss Allowance (Refer note 11)

Trade receivables do not carry any interest and are stated at their nominal value as reduced by appropriate allowances for estimated irrecoverable amounts. Under Ind AS, impairment allowance has been determined based on Expected Credit Loss (ECL) model. Estimated irrecoverable amounts are based on the ageing of the receivable balance and historical experience. Individual trade receivables are written off if the same are not collectible.

### Leases

Estimating the incremental borrowing rate (Refer Note 2(f))

The Company cannot readily determine the interest rate implicit in the lease, therefore, it uses its incremental borrowing rate (IBR) to measure lease liabilities. The IBR is the rate of interest that the Company would have to pay to borrow over a similar term, and with a similar security, the fund necessary to obtain an asset of a similar value to the right-of-use asset in a similar economic environment.

### Inventory (Refer note 10)

The Company reviews the allowance for defective and obsolete items inventory at the end of each reporting period.

### x. New standards, interpretations, and amendments adopted by the Company

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended 31<sup>st</sup> March, 2025, MCA has notified amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, which is applicable to the Company w.e.f. April 1, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it's not likely to have any significant impact in its financial statements.

i Leases in which the Company is Lessee

- The Company has leasing arrangements for its land, office buildings and plant & equipments. The Company pays lease charges as fixed amount as per respective lease agreements. Right-of-use asset is measured, on a lease by lease basis, at carrying amount. Discounting to arrive the value of asset is done based on the incremental borrowing rate at the time of lease initiation. The lease agreements for immovable properties where the Company is the lessee are duly executed in favour of the Company.
- ii Vehicles includes vehicles in the personal name of directors & employees having Gross carrying amount ₹ Nil and net carrying value of ₹ Nil (31 March 2024 - Gross carrying amount ₹ 20.47 lakhs and net carrying value of ₹ 1.37 lakhs).
- iii Refer note 44 (B) for disclosure of contractual commitments for the acquisition of property, plant and equipment.
- iv Refer note (18 and 21) for information on property, plant and equipment pledged as security by the Company.

Transaction during the year	-	2,140.24
Balance as at the end of the year	2,140.24	2,140.24

\*\*\*Nature and Purpose - The difference between the fair value of trade receivable proceeds from shareholder and the transaction price is recognised as a deemed equity component of the shareholder.

The Company had entered into an escrow agreement in 2017 (with subsequent renewals) with one of its shareholders, wherein the shareholder had provided his holdings to the extent of 30 Lakhs equity shares (including 25 Lakhs bonus shares) as a security towards realization of covered trade receivables. During the previous year, the equity shares have been liquidated at a gross consideration of ₹ 3,067.58 lakhs. Accordingly, the net amount realised (which is gross consideration as reduced by the applicable taxes and charges) has been recognised as a credit to the 'Deemed equity contribution from shareholder' under 'Other equity' in accordance with the guidance under Ind AS 1- Presentation of Financial Statements, which states that transactions with shareholders (being the owners of Company), shall be recognized under Equity.

****Employee stock options		
Balance at the beginning of the year	-	-
Add: Additions during the year	135.40	-
Balance at the end of the year	135.40	-

\*\*\*\*Nature and Purpose - Employee Stock Options represents the grant date fair value of options granted to employees under Employee Stock Option Scheme.

For the year ended 31 March 2025

27 Revenue from operations (Contd.)

made at a point in time and revenue is recognised upon satisfaction of the performance obligations which is typically upon dispatch / delivery. The Company has a credit evaluation policy based on which the credit limits for the trade receivables are established. There is no significant financing component as the credit period provided by the Company is not significant.

There are no variable components such as discounts, chargebacks, rebates, sales returns, etc.

B Disaggregation of revenue:

(₹ in lakhs)		
Nature of segment	Year ended 31 March 2025	Year ended 31 March 2024
<b>A. Major Product/Service line:</b>		
- Sale of pharmaceutical goods	35,949.99	35,356.13
- Product service income	1,080.01	657.43
- Others (Export incentives, others, etc.)	533.55	533.76
<b>Total revenue from contracts with customers</b>	<b>37,563.55</b>	<b>36,547.32</b>
<b>B. Primary geographical market:</b>		
- In India	6,656.94	8,046.36
- Outside India	30,906.61	28,500.96
<b>Total revenue from contracts with customers</b>	<b>37,563.55</b>	<b>36,547.32</b>
<b>C. Timing of the revenue recognition:</b>		
- Goods/services transferred at a point in time	37,563.55	36,547.32
<b>Total revenue from contracts with customers</b>	<b>37,563.55</b>	<b>36,547.32</b>

C Contract Balances

Significant changes in contract asset balances are as follows:

(₹ in lakhs)		
	Year ended 31 March 2025	Year ended 31 March 2024
<b>Contract Assets</b>		
Opening Balance	332.38	346.28
Add: Revenue recognised during the year	-	-
Less: Invoiced/adjustment during the year	332.38	13.90
<b>Closing balance</b>	<b>-</b>	<b>332.38</b>
<b>Contract Liabilities</b>		
<b>Advance received from customers</b>		
Opening Balance	1,197.90	409.07
Add: Advance received during the year	5,797.63	5,474.31
Less: Revenue recognised/adjustment during the year	6,746.31	4,685.48
<b>Closing balance</b>	<b>249.22</b>	<b>1,197.90</b>

The contract liabilities primarily relate to the advance consideration received from customers for the sale of goods. This amount will be recognised as revenue within a period of one year.

37 Fair value measurements

Financial instruments by category:

All financial assets and financial liabilities, except investment in equity shares (not made in subsidiaries) of the Company are under the amortised cost measurement category at each of the reporting date.

Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received on selling of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Company uses the following hierarchy for determining and disclosing the fair value of the financial instruments by valuation technique.

**Level 1:** quoted (unadjusted) prices in active markets for identical assets or liabilities.

**Level 2:** other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

**Level 3:** techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Financial assets and liabilities measured at fair value at each reporting date

Investment in equity shares (other than subsidiaries) are measured at fair value through profit and loss at each reporting date.

Financial assets and financial liabilities measured at amortised cost, but for which fair values are disclosed as below

(₹ in Lakhs)

Fair value for assets and liabilities measured at amortised cost	31 March 2025				31 March 2024			
	Level 1	Level 2	Level 3	Carrying amount	Level 1	Level 2	Level 3	Carrying amount
<b>Financial liabilities</b>								
Non-current borrowings (including current maturities)	-	5,958.71	-	5,958.71	-	5,117.32	-	5,117.32
Lease liabilities (other than current portion)	-	-	206.97	206.97	-	-	294.95	294.95
<b>Financial assets</b>								
Non-current investment (excluding Investment in subsidiaries)	-	5.00	-	5.00	-	5.15	-	5.15
Other financial assets	-	-	102.18	102.18	-	-	78.30	78.30

During the periods mentioned above, there have been no transfers amongst the levels of hierarchy.

The carrying amounts of security deposits, trade receivables, current loans, other financial assets, fixed deposits with banks, current borrowings, trade payables, lease liabilities and other current financial liabilities are considered to be approximately equal to their fair value.

Valuation processes

The Company evaluates the fair value of financial assets and financial liabilities on periodic basis using the best and most relevant data available.

Material accounting policy information and other explanatory information to the standalone financial statements

For the year ended 31 March 2025

38 Financial risk management

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Risk Committee.

The Company is exposed to market risk, credit risk and liquidity risk.

A Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including deposits, foreign currency receivables, payables and loans and borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommend risk management objectives and policies, which are approved by Chief financial officer. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures like foreign exchange forward contracts, borrowing strategies and ensuring compliance with market risk limits and policies.

Market risk - Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of the financial instruments will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

According to the Company, interest rate risk exposure is only for floating rate borrowings. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

Exposure to interest rate risk

(₹ in lakhs)

Particulars	As at 31 March 2025	As at 31 March 2024
Total Borrowings	11,216.55	10,635.26
% of Borrowings out of above bearing variable rate of interest	100%	100%

Interest rate sensitivity

A change of 50 bps in interest rates would have following Impact on profit before tax and Other Equity

(₹ in lakhs)

Particulars	Year ended 31 March 2025	Year ended 31 March 2024
50 bp increase would decrease the profit before tax by	(56.08)	(53.18)
50 bp decrease would increase the profit before tax by	56.08	53.18

Market risk - Foreign currency risk management

The Company operates internationally wherein portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its sales in overseas and purchases from overseas suppliers in various foreign currencies. Foreign currency exchange rate exposure is partly balanced by purchasing of goods, commodities and services in the respective currencies.

B Credit risk

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

- i) Actual or expected significant adverse changes in business,
- ii) Actual or expected significant changes in the operating results of the counterparty,
- iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
- iv) Significant increase in credit risk on other financial instruments of the same counterparty,
- v) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

The presumption under Ind AS 109 with reference to significant increase in credit risk since initial recognition (when financial assets are more than 30 days past due), has been rebutted and is not applicable to the Company, as the Company is able to collect a significant portion of its receivables that exceed the due date and the receivables past due by 90 days are considered as significant increase in credit risk.

Credit risk management

To manage credit risk, the Company periodically assesses the financial reliability of customers and other counterparties, taking into account the financial condition, current economic trends, analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly. There is no significant concentration of credit risk.

Material accounting policy information and other explanatory information to the standalone financial statements

For the year ended 31 March 2025

38 Financial risk management (Contd.)

Bank balances are held with only high rated banks and majority of security deposits are placed majorly with government agencies. Trade receivables are generally recovered within the credit period. The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

Ageing of Trade receivables

	(₹ in lakhs)					
	Not due	0-12 months	1-2 years	2-3 years	more than 3 years	Total
As at 31 March 2025						
Gross Carrying amount of - trade receivables	7,864.65	1,470.01	32.58	51.55	29.25	9,448.04

38 Financial risk management (Contd.)

C Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. For the Company, liquidity risk arises from obligations on account of financial liabilities - borrowings, trade payables, lease liabilities and other financial liabilities.

Liquidity risk management

The Company's corporate treasury department is responsible for liquidity and funding as well as settlement management. The processes and policies related to such risks are overseen by Chief Financial Officer. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

39 Capital management

Risk management

The Company’s objectives when managing capital are to

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders. The Company has complied with financial covenants.

	As at 31 March 2025	As at 31 March 2024
(₹ in lakhs)		
The capital composition is as follows:

43 Related Party Disclosures (Contd.)

Key Managerial Personnel' compensation

	(₹ in lakhs)	
	Year ended 31 March 2025	Year ended 31 March 2024
a) Short- term employee benefits	584.72	601.79
b) Post- employment benefits	10.23	9.87
<b>Total compensation</b>	<b>594.95</b>	<b>611.66</b>

\* The remuneration to key management personnel does not include provision for employee benefits determined on actuarial basis.  
# Equity investments by the Company and equity infusion into the Company are not considered for disclosure as these are not considered "outstanding exposures". (Refer notes 6 and 16) for the same.  
## During the previous year ZIM Laboratories Middle East DMCC was incorporated as subsidiary of ZIM Laboratories FZE with Share Capital of AED 100,000 divided into 100 Shares, of value AED 1,000 each share. ZIM Laboratories FZE holds 70 Equity shares (70%) and 30 equity shares (30%) are held by VIDIMED DWC-LLC in ZIM Laboratories Middle East DMCC. However, the business operations of the Company are yet to commence.

All the transactions stated above with related parties are on arm's length basis.

All borrowings are guaranteed by the Managing Director of the Company (Refer notes 18 and 21).

44 Contingent liabilities and commitments

	(₹ in lakhs)	
	As at 31 March 2025	As at 31 March 2024
<b>(A) Contingent liabilities</b>		
Income Tax Assessments for earlier years, pending in appeal	395.95	500.04
Gram Panchayat Tax	-	12.58
Duty saved considering export obligation to be fulfilled subsequent to the reporting date, within the period allowed under the Advance License scheme	57.89	72.14

Notes:

1. The Company does not expect any reimbursement in respect of the above contingent liabilities.
2. It is not practical to estimate the timing of cash outflows, if any, in respect of matters above, pending resolution/completion of the appellate proceedings/other proceedings, as applicable.

Other matter

The Honourable Supreme Court, had passed a judgement on 28 February 2019 in relation to inclusion of certain allowances within the scope of "Basic wages" for the purpose of determining contribution to provident fund under the Employees' Provident Funds & Miscellaneous Provisions Act, 1952. The management, based on legal advice, is of the view that the applicability of the judgement to the Company, with respect to the period and the nature of allowances to be covered due to interpretative challenges, and resultant impact on the past provident fund liability, cannot be reasonably ascertained.

	(₹ in lakhs)	
	As at 31 March 2025	As at 31 March 2024

45 Employee benefits

As per Indian Accounting Standard-19, 'Employee Benefits', the disclosure of Employee benefits as defined in the Standard are given below:

(a) Defined Contribution Plan:

Contribution to Defined Contribution Plan, recognized as expense for the year are as under:

	(₹ in lakhs)	
	Year ended 31 March 2025	Year ended 31 March 2024
Employer's Contribution to Provident fund	146.02	134.06
Employer's Contribution to ESIC	8.52	7.00
Employer's Contribution to Labour welfare fund	0.79	0.55
Employer's Contribution to Pension fund	32.33	22.56

(b) Defined Benefits Plan :

Gratuity

Under the gratuity plan, every employee is entitled to the benefit equivalent to fifteen days salary (as per last drawn salary) for each completed year of service or part thereof in excess of six months depending on the date of joining and eligibility terms, in terms of provisions of the Payment of Gratuity Act, 1972. The same is payable on termination of service or retirement, whichever is earlier. The benefit vests after five years of continuous service. Liabilities for such benefits are provided on the basis of valuation, as at the balance sheet date, carried out by an independent actuary. The actuarial valuation method used by an independent actuary for measuring the liability is the Projected Unit Credit method. The scheme is funded with an insurance company in the form of qualifying insurance policy.

Thereafter	813.10	760.16

Sensitivity Analysis:

Significant actuarial assumptions for the determination of the defined benefit obligation are discount rate, expected salary increase, withdrawal rate and mortality. The sensitivity analysis below have been determined based on reasonably possible changes of the assumptions occurring at the end of the reporting period, while holding all other assumptions constant. The results of the sensitivity analysis is given below:

	(₹ in lakhs)	
	As at 31 March 2025	As at 31 March 2024
Defined Benefit Obligation (Base)	999.70	898.64

	(₹ in lakhs)			
	Year ended 31 March 2025		Year ended 31 March 2024	
	Decrease	Increase	Decrease	Increase
Discount Rate ( -/+ 1%)	48.63	(43.95)	42.83	(38.73)
(% change compared to base due to sensitivity)	4.9%	-4.4%	4.8%	-4.3%
Salary Growth Rate ( -/+ 1%)	(41.11)	43.84	(36.58)	39.15
(% change compared to base due to sensitivity)	-4.1%	4.4%	-4.1%	4.4%
Attrition Rate ( +/- 1%)	(4.62)	4.09	(5.92)	5.34
(% change compared to base due to sensitivity)	-0.5%	0.4%	-0.7%	0.6%

(c) Compensated absences

The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year and net charge to the Standalone Statement of Profit and Loss for the year is ₹ 205.89 lakhs (Previous Year: ₹ 159.00 lakhs).

46 Segment information

The Company is primarily engaged in the business of pharmaceuticals. The Company has entrusted decision making authority to the Managing Director (highest authority) who is the Chief Operating Decision Maker (CODM) who has complete control over the operating decisions and is responsible for the information presented to the Board of Directors. Managing Director reviews the Company's performance based on the analysis of the Profit Before Tax ( PBT) at an overall entity level and therefore there is no other separate reportable segment for the Company as defined by Ind AS 108 "Operating Segment".

47 Share based payments (Contd.)

I. The position of the ESOS of the Company as at 31 March 2025 is as under:

S.No.	Particulars	ESOS
1	Total number of stock options approved	994,404
2	Maximum term of Options granted (years)	2 years from date of last vesting or 6 years from the date of grant
3	Source of shares (Primary, Secondary or combination)	Primary
4	Variation in terms of options	No variation
5	Exercise Price per option	at a discount of 20% on market price on grant date (i.e. ₹ 77.40)
6	The exercise period	Exercise anytime within two year from date of vesting
7	Weighted average exercise price* (₹)	77.40
8	Weighted average remaining life (in years)	5.04

\*The Black Scholes valuation model has been used for computing weighted average fair value of option on grant date considering the following information:

Particulars	Particulars
1. Risk Free Interest Rate	7.01%
2. Expected Life (year)	4
3. Expected Volatility	55.79%
4. Dividend Yield	0.00%

II. Weighted average exercise price of options granted during the year whose

Exercise price equals to market price of the stock	Nil
Exercise price exceeds market price of the stock	Nil
Exercise price is less than the market price of the stock	77.40

III. Weighted average fair value of options granted during the year whose

Exercise price equals to market price of the stock	Nil
Exercise price exceeds market price of the stock	Nil
Exercise price is less than the market price of the stock	54.44

IV. The movement of stock options during the year ended 31 March 2025 are summarized below:

Particulars	Number of option
Options outstanding at the beginning of the year	Nil
Options Forfeited / lapsed during the year	Nil
Options granted during the year	687,257
Options vested during the year	Nil
Options exercised during the year	Nil
Money realised by exercise of options	Nil
Expired during the year	Nil
Options outstanding at the end of the year	687,257
Options exercisable at the end of the year	Nil

Material accounting policy information and other explanatory information to the standalone financial statements

For the year ended 31 March 2025

47 Share based payments (Contd.)

V. The exercise price and expected remaining contractual life (comprising the vesting period and exercise period) of options outstanding as at 31 March 2025 is as follows:

Grant Date	Number of options	Vesting Date	Exercise End Date	Exercise Price	Expected remaining contractual life
13 April 2024	68,726	14 April 2025	13 April 2027	77.40	2.04
13 April 2024	137,451	14 April 2026	13 April 2028	77.40	3.04
13 April 2024	206,177	14 April 2027	13 April 2029	77.40	4.04
13 April 2024	274,903	14 April 2028	13 April 2030	77.40	5.04

VI. Cash inflow on exercise of options and weighted average share price at the date of exercise: Not applicable, as options not due for exercise during the year.

VII. The estimates of future cash inflow that may be received upon exercise of options:

Particulars	(₹ in lakhs)	
	Year ended 31 March 2025	Year ended 31 March 2024

Net Profit Ratio	Net Profit After Tax Revenue from operations	%	3.13%	4.58%	-32%
Return on Capital Employed	Earnings before Interest and Tax **** Capital Employed *****	%	8.34%	10.12%	-18%
Return on Investment			NA ##	NA ##	
Operating Profit Margin	Earnings before Interest and Tax **** Revenue from operations	%	7.72%	8.20%	-6%
Basic EPS	Net Profit attributable to equity share holders Weighted average number of equity shares	Times	2.41	3.44	-30%
Interest Coverage Ratio	Earnings before Interest and Tax **** Finance costs	Times	2.55	4.33	-41%

\* Earnings for Debt Service = Net Profit after tax + Depreciation and amortisation expense + Finance costs (recognised excluding lease), Debt Service = Principal Repayments + Finance costs (recognised excluding lease)

\*\* Average Trade Payables = Average Trade payables for the materials purchase

\*\*\* Working Capital = Current Assets - Current Liabilities

\*\*\*\* Earnings before Interest and Tax = Profit before tax + Finance costs (recognised excluding lease)

\*\*\*\*\* Capital Employed = Average of equity and total borrowings

## The Company has investments in subsidiaries and other insignificant trade investment.

- (i) Return on Equity Ratio: Decreased by 37% in the current year due to decrease in profitability of the Company.
- (ii) Net Profit Ratio: Decreased by 32% in the current year due to decrease in profitability of the Company.
- (iii) Basic EPS: Decreased by 30% in the current year due to decrease in profitability of the Company.
- (iv) Interest Coverage Ratio: Decreased by 41% in the current year is mainly due increase in the finance costs on account of working capital utilisation.

Material accounting policy information and other explanatory information to the standalone financial statements

For the year ended 31 March 2025

- 52 The Ministry of Corporate Affairs (MCA) has prescribed a new requirement for companies under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 inserted by the Companies (Accounts) Amendment Rules 2021 requiring companies, which uses accounting software for maintaining its books of accounts, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of accounts along with the date when such changes were made and ensuring that the audit trail cannot be disabled. The audit trail has been preserved by the Company as per the statutory requirements for record retention at application level from 1 April 2023 and at the database level from 25 July 2024.
- The Company has used an accounting software (Infionic) for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been enabled at application level. However, the audit trail (edit logs) is enabled at the database level from 25 July 2024.
- 53 Figures of the previous year has been re-grouped/re-arranged wherever necessary. The impact of the same is not material to the users of financial statement.
