Schneider Electric Infrastructure Limited delivers robust performance in Q3' FY26; Revenue up by +20.1% YoY

- Strong Orders Growth : +60.7% YoY
- Highest-ever Quarterly Sales : +20.1% YoY
- PBT (before exceptional items) : +19.4% YoY
- PBT (after exceptional items) : -11.5% YoY primarily due to Gratuity liability after introduction of new Labour code and reversal in Q3 FY25 on account of interest provisions related to past direct tax litigation matters under the Vivad se Vishwas Scheme
- Schneider Electric Infrastructure Ltd (SEIL) is a part of Schneider Electric Group

Gurugram, Haryana – 12 February 2026 – Schneider Electric Infrastructure Limited (SEIL/Company), a part of Schneider Electric Group, a global energy technology leader, announced its financial results for the third quarter of financial year 2025-26, that ended on December 31, 2025. The Company registered +20.1% year-on-year growth in revenue to INR 1029.2 Crore compared to same quarter of the previous year. PBT before exceptional items during the period has increased by +19.4% to Rs 155.0 Crore.,

Commenting on the results, **Mr. Deepak Sharma, Zone President- Greater India, Schneider Electric, and Board Director, Schneider Electric Infrastructure Limited, said,** "SEIL delivered a strong quarter, reflecting our strategic focus on high-potential segments and our commitment to strengthening India's critical infrastructure. Our continued momentum in Services, coupled with growth in the Cloud & Service Provider and Semiconductor sectors, demonstrates the trust customers place in our expertise. We also saw solid performance in Medium Voltage switchgear and automation solutions, reinforcing our technology leadership." He further added, "As India accelerates its electrification and digital transformation journey, SEIL remains committed to enabling this progress with sustainable, resilient, and future-ready solutions. I appreciate the dedication of our teams and the continued confidence of our stakeholders as we advance our long-term value-creation agenda."

Mr. Udai Singh, MD & CEO, Schneider Electric Infrastructure Limited, said, "Our strong Q3 performance reflects the trust our customers place in SEIL's execution excellence and technology leadership. We continue to deepen this partnership by delivering innovative, reliable, and future-ready solutions that enable their digital and sustainable transformation. As India's infrastructure landscape evolves, SEIL remains committed to driving resilience, efficiency, and long-term value for our customers and stakeholders."

Q3 FY26 Highlights

- Strong Order inflow across segments
- Steady order backlog leading to stable & sustained growth
- Strong sales growth with better mix from Services business
- PBT (before exceptional items) improved with help of volume leverage in Overheads

Financial Performance

Q3'FY26	INR Crore	YoY
Orders Inflow	908.7	+60.7%
Sales	1029.2	+20.1%
PBT before exceptional items	155.0	+19.4%
PBT after exceptional items	130.4	-11.5%
PAT after exceptional items	97.0	-12.2%

Schneider Electric Infrastructure Limited (SEIL)

Schneider Electric Infrastructure Limited (SEIL) is a leading and fast-growing company incorporated in 2011 which specializes in manufacturing, designing, constructing, and servicing advanced products and systems for electricity networks. SEIL's innovation, rooted in EcoStruxure™, supports customers and partners in achieving successful digital transformation in energy management. The company's range of products includes transformers, switchgears, ring main units, circuit breakers, relays, services, automation solutions, and smart grid software, serving various industries such as power generation, oil & gas, transportation, mining, metal and minerals (MMM), emerging sectors like Data center, semiconductors, renewables and other electro-intensive segments.
