MANAGEMENT DISCUSSION & ANALYSIS REPORT

INDUSTRY OVERVIEW

NBFCs have played a vital role in the financial system over the last decade and will continue to do so as India embarks on a journey towards further growth. They complement as well as compete with banks, bringing in efficiency and diversity in the financial intermediary segment. The financial year 2021-22 had been quite a challenging year for the Indian economy and particularly for the financial services sector. As the Indian economy began to recover in second half of FY2021, we as a nation still lost two years of GDP growth. The continued liquidity crunch, uncertain and volatile credit environment and slow economic growth created headwinds. The second (Delta) wave of COVID-19 pandemic in the beginning of FY2022 impacted the businesses and aggravated the prevailing sectoral challenges. Non-Banking Financial Companies (NBFCs), today, are confronted with multiple challenges. The unprecedented business environment has put to test the resilience, prudence and adaptability of any business model. Having said that, the fiscal year has been full of learnings. The Company continues to closely observe the situation.

New waves of COVID-19 such as the ones seen in the first half of FY2022 across many countries resulted in stretched fiscal and monetary policies leaving limited room for any further support to struggling economies. We have since experienced bottoming out of these measures as the world entered new phase of challenges, with inflation on the rise aided by decade long ultra-loose monetary policies, supply disruptions and dynamic geo-political situations. Since Russia's invasion of Ukraine, commodity markets have been in turmoil. Central bankers across the globe have had to shift policy to counter runaway inflation in response.

Although Indian economy is well positioned to counter the risk of rising inflation and geo-political events, challenges remain. Firstly, as the US central bank raises interest rates, emerging market assets such as India, face outflow of capital, putting pressure on the Indian currency and subsequently on the capital markets. Further, as benchmark rates are raised in India and the rest of the world, monetary conditions will tighten and will lead to risk averse approach in investments and lending. This poses challenges for a company like ours, while the higher yields are attractive, they signify higher risks. The middle market lending segment is particularly sensitive to higher rates, as servicing these rates will require businesses to grow at a higher rate, and that seems to be counter cyclical to the objectives of central banks mission to curb demand as they seek to control inflation. With respect to the capital markets, we believe that the one-way rally has ended for now, and the market will experience extreme volatility. On balance, we believe that the India economy is well positioned but faces significant external risks. So, we need to be prepared for the continuous volatility.

BUSINESS & FINANCIAL PERFORMANCE

The Company being a registered NBFC with the Reserve Bank of India has been engaged in the business of financing activities, investment in Securities of Listed and Unlisted Companies.

Your Company has earned Income from Operation and Profit before Tax aggregated to ₹738.19 Lacs and ₹255.02 Lacs during the current year, respectively as compared to Income ₹543.26 Lacs and Profit ₹243.40 Lacs during the previous year.

SEGMENT WISE / PRODUCT WISE PERFORMANCE

The Company engaged in investment activities and other financial services during the year under review, hence the requirement of segment-wise reporting is considered irrelevant.

OPPORTUNITIES AND THREATS

Volatility brings both opportunities and threats. Recognising these becomes the key to navigating such times. Among the key risk arising out of the rising interest rate scenario is rise in NPA situation and subdued capital market returns. The middle market lending segment is particularly sensitive to higher rates, as servicing these rates will require businesses to grow at a higher rate, and that seems to be counter cyclical to the objectives of central banks mission to curb demand as they seek to control inflation. It is also estimated that under a severe stress scenario such as the possibility of recession in the US and other developed economies by the end of 2022 would put pressure on the NPA situation. The banks would, thus, need to make higher provisions to cover the stressed assets. This in turn could impair the credit available for investment spending and lending.

We as a Company face systematic risks from these risks but we are committed to addressing these challenges from a position of strength, which emanates from a strong balance sheet; having sufficient cash and other resources at our disposal. This enables us to absorb any market risks arising out of these volatile times while at the same time taking advantage of opportunities in times of distress. We are committed to keep developing agile execution capabilities, robust early warning systems and extensive use of analytics for risk mitigation and resource allocation. This will enable us to take advantage of the tailwinds that may emerge during the course of the year. We believe that with a strong and stable government at centre, the capital market offers attractive investment opportunities for longer term as external shocks are mitigated through robust and expansionary policies further enhancing India's position among global peers.

RISK AND CONCERN

Risk is synonymous with NBFCs as it is inherent part of their business. Your Company is also subjected to various types of such risks and proactively works towards identifying and guarding itself against these risks by adopting a range of strategies and measures to reduce their impact.

The very nature of the Company's business makes it subject to various kinds of risks. The Company encounters credit risk and operational risks in its regular business operations. Further the performance of the Company is dependent on the market conditions. Even though it is envisaged that Indian stock market will continue to do well, global concerns can result in short term systematic risks.

HUMAN RESOURCES

The Company recognizes that employees are its direct assets and their engagement contributes to lower turnover and absenteeism, higher productivity and better customer service.

The Company's future success depends substantially on the continued service and performance of members of its management team and employees. There is intense competition for experienced senior management and other qualified personnel, particularly office managers, field executives and employees with local knowledge in client procurement, loan disbursement and instalment collections. Inability to hire additional or retain existing management personnel and employees, may impair the company's ability to expand its business and adversely affect its revenue. Failure to train and motivate its employees properly may result in an increase in employee attrition rates, require additional hiring, divert management resources, adversely affect its origination and collection rates, increase the Company's exposure to high-risk credit and impose significant costs.

The Company has taken several actions to ensure that the talent pipeline for the Company is strong especially when it comes to key management positions. The Company also has a strong focus on ensuring that its employees are adequately trained in their job functions and on all compliance related trainings.

INTERNAL CONTROL AND THEIR ADEQUACY

The Company always implements adequate system of internal controls to ensure accuracy of accounting records, compliance with all laws & regulations and compliance with all rules, procedures & guidelines prescribed by the management. An extensive internal audit is carried out by independent firm of Chartered Accountants. Post audit reviews are also carried out to ensure follow up on the observations made.

OUTLOOK

The fundamentals of India's economy remain robust, and the service sector is catching up. This is further backed by the corporate sector's improved performance, as evidenced by the uptrend witnessed in the quarterly results. India is expected to witness a GDP growth of 7.2% in FY 2022-23.

The Government's substantial capital spending program, as envisaged in the Union Budget 2022 along with a healthy financial system, is well-positioned to attract private investment by reviving economic activity and boosting demand. The Indian economy is buoyed by significant Foreign Exchange reserves which exceed its level of external debt, placing it favourably. Furthermore, with the Central Banks Globally as well as in India engaging in gradual and calibrated withdrawal of liquidity, this would foster growth in a non-disruptive manner. However, the impacts of further outbreak of Covid-19 and its variants and the ongoing geopolitical crisis owing to the Russia-Ukraine war needs to be monitored closely. The effect of mark to market profit / losses thereon have been taken into account in the Statement of Profit and Loss for the year. The Company believes that it has taken into account the impact of known events arising out of COVID-19 pandemic in the preparation of financial results resulting out of fair valuation of these investments.

Going forward, NBFCs would begin FY 2022-23 with enough capital buffers, consistent profitability, and considerable on Balance Sheet provisioning, as well as sufficient system liquidity to protect against additional Covid-19 outbreaks and geo-political risks. These impacts would remain to be seen once the Financial Stability Report is released by the RBI for the full year. The NBFC sector's AUM is predicted to increase by 6% to 7% in FY 2021-22 and by 9% to 10% in FY 2022-23. The impacts of the pandemic are fading and Covid-19 limitations being relaxed internationally, putting NBFCs on a growth path. Furthermore, as the world's fastest growing economy, India's rise across all sectors would create a large demand for loans. (Source: CRISIL NBFC Report 2021, Ind-Ra Research)

INDEPENDENT AUDITOR'S REPORT

To the Members of
PMC Fincorp Limited

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have Audited the accompanying Standalone Ind AS Financial Statements of **PMC FINCORP LIMITED** ("the Company") which comprise the Balance Sheet as at 31 March 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of changes in equity and the Statement of Cash Flows for the year then ended on that date, and a summary of the Significant Accounting Policies and other explanatory information (herein after referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit Amount of Rs. 181.26 Lacs and cash out flows for the year ended on that date.

Basis for Opinion

We conducted our Audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statement under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. We have determined that there are no key audit matters to communicate in our report.

Management's Responsibilities for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Rules, 2016, as amended from time to time, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The boards of directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements for the year ended 31st March, 2022**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an Audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ◆ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ◆ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- ◆ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- ◆ Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- ◆ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- ◆ Obtain sufficient appropriate audit evidence regarding the Financial Statements of the company to express an opinion on the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we give in **Annexure "A"** a statement on the matters specified in paragraphs 3 and 4 of the Order.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “**Annexure B**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls over financial reporting;
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of Section 197 (16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to our, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act; and
- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to our;
 - a. The Company does not have any pending litigations (except the litigation as disclosed in Note 28 of the Financial Statements) which would impact its financial position;
 - b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - c. An amount of Rs.3.83 Lacs on account of unclaimed dividend, lying in the separate bank account opened for that purpose has become due but yet to be transferred to Investor Education and Protection Fund.
 - d.
 - i) The Management has represented that, to the best of its knowledge and belief, as disclosed in the notes forming part of standalone financial statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - ii) The Management has represented, that, to the best of its knowledge and belief, as disclosed in the notes forming part of standalone financial statements, no funds (which are material either individually or in the aggregate) have been received by the Company from any persons or entities, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- iii) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.
- e. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.

**ANNEXURE - B TO THE AUDITORS' REPORT****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **PMC Fincorp Limited** ("the Company") as of 31st March 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS

1. SIGNIFICANT ACCOUNTING POLICIES

(i) Company Information

PMC Fincorp Limited is a Public Limited Company (The Company) having Registered Office at B-10 VIP Colony, Civil Lines Rampur UP-244901. The Company is listed on the BSE (Bombay Stock Exchange). The Company is a Non Systemically Important Non-Banking Financial Company Not accepting public deposits ("NBFC-ND-NSI") registered with the Reserve Bank of India ("the RBI") under section 45-IA of the Reserve Bank of India Act, 1934 and primarily engaged in financing and related activities. The Company had received the certificate of registration from RBI on November 14, 2014, enabling the Company to carry on business as a Non-Banking Financial Company.

The Audited Financial Statements were subject to review and recommendation of Audit Committee and approval of Board of Directors. On May 28, 2022, Board of Directors of the Company approved and recommended the Audited Financial Statements for consideration and adoption by the shareholders in its Annual General Meeting.

(ii) Basis for preparation of Accounts:

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'IndAS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities.

The financial statements are presented in INR, the functional currency of the Company. Items

included in the financial statements of the Company are recorded using the currency of the primary economic environment in which the Company operates (the 'functional currency'). Transactions and balances with values below the rounding off norm adopted by the Company have been reflected as "0" in the relevant notes in these financial statements. The financial statements of the Company for the year ended 31st March, 2022 were approved for issue in accordance with the resolution of the Board of Directors 28th May, 2022.

(iii) Current - Non Current classification

All assets and liabilities are classified into current and non-current as per company normal accounting cycle.

(a) Assets

"An asset is classified as current when it satisfies any of the following criteria:

- 1) it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- 2) it is held primarily for the purpose of being traded;
- 3) it is expected to be realised within 12 months after the reporting date; or
- 4) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date. Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

(b) Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- 1) it is expected to be settled in the company's normal operating cycle;
- 2) it is held primarily for the purpose of being traded;
- 3) it is due to be settled within 12 months after the reporting date; or
- 4) the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity Instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents

(iv) Basis of measurement

These financial statements are prepared under the historical cost convention unless otherwise indicated.

(v) Key Accounting Estimates and Judgements Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the result of operations during the reporting year end. Although these estimates are based upon management's best knowledge of current events and actions, actual result could differ from these estimates. Any revisions to the accounting estimates are recognized prospectively in the current and future years.

(vi) Tangible fixed assets

Tangible fixed assets (except freehold land which is carried at cost) are stated at cost of acquisition less accumulated depreciation and impairment loss, if any. Cost of acquisition includes freight inward, duties, taxes and other directly attributable expenses incurred to bring the assets to their working condition.

(vii) Depreciation and amortisation

The company has followed the WDV method for the depreciation and amortization of all tangible and intangible assets. There is no change in the method of depreciation during previous year.

(viii) Investments:

Investments are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries, associates and joint venture, the difference between net disposal proceeds and the carrying amounts are recognized in the Statement of Profit and Loss.

ix. Inventories:

Inventories are valued at weighted average cost or net realizable value whichever is lower. Cost is determined on First-In-First-Out (FIFO) basis.

(x) Cash and Cash Equivalents:

Cash and cash equivalents are short-term (three months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

(xi) Trade Receivables and Loans:

Trade receivables are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

(xii) Provisions and Contingent Liabilities:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

(xiii) Revenue Recognition:

(a) Loan Income: In respect of loan agreements, the income is accrued by applying the impact rate in the transaction on declining balance on the amount financed for the period of the agreement.

(b) Dividend income on investments is recognized when the right to receive the same is established.

(c) No income is recognized in respect of Non-performing assets, if any, as per the prudential norms for income recognition introduced for Non-Banking Financial Corporation by Reserve Bank of India vide its notification No.DFC.NO.119/DG/(SPT)-98 date 31-01-1998 and revised notification no. DNBS.192/DG (VL)-2007 dated 22-02-2007.

(xiv) Expenditure:

Expenses are accounted on accrual basis.

(xv) Provisions of Assets

The company makes provisions for standard and Non-performing Assets as per the Non-Banking Financial (Non-Deposit Accepting of Holding Companies prudential Norms Reserve Bank) Directions, 2007, as amended from time to time. The company also makes additional provisions towards loan assets, to the extent considered necessary, based on the management's best estimate.

Loan assets which as per the management are not likely to be recovered are considered as bad debts and written off.

Provisions on standards assets are made as per the notification DNBS.PD.CC.No. 002/03.10.001/2014-15 dated Nov 10, 2014 issued by Reserve Bank of India.

(xvi) Provisions, contingents Liabilities and contingent Assets

(a) A Provision is recognized when the company has present obligation as a result of past event and it is probable that outflow of resources will be required to settle the obligation and in respect of which a reliable estimate can be made. Provisions are not discounted to their present value are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

(b) Contingent Liabilities are disclosed separately by way of note to financial statements after careful evaluation by the managements of the facts and legal aspects of the matter involved in case of:

- (i) A present obligation arising from the past event, when it is not probable that an outflow of resources will be required to settle the obligation.
- (ii) A possible obligation, unless the probability of outflow of resources is remote.

(c) Contingent Assets are neither recognized, nor disclosed in the financial statements.

(xvii) Income Taxes:

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognised directly in equity or in other comprehensive income.

Current tax is the expected tax payable/receivable on the taxable income/loss for the year using applicable tax rates at the Balance Sheet date, and any adjustment to taxes in respect of previous years. Interest expenses and penalties, if any, related to income tax are included in finance cost and other expenses respectively. Interest Income, if any, related to Income tax is included in current tax expense.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

A deferred tax liability is recognised based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted, or substantively enacted, by the end of the reporting period. Deferred tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reviewed at each reporting date and reduced to the extent that it is no longer probable that the related tax benefit will be realised.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities; and the deferred tax assets and the deferred tax liabilities relate to income taxes levied by the same taxation authority.

(xviii) Employee Benefits

No provision of retirement benefits of employees such as leave encashment, gratuity has been made during the year by the company. The same shall be accounted for as and when arises.
