CORPORATE SOCIAL RESPONSIBILITY ACTIVITIES

Federal-Mogul Goetze India Ltd. (FMGIL) has planned set of CSR activities taking into consideration the Company's capabilities, expectations of the communities living in and around the areas of its operation. The aim is to play a catalytic role in the sustainable socio-economic development, attempting to create an enabling working environment as well as income generation opportunities for the community, thereby targeting to have a significant positive impact in the long term.

The CSR projects in FMGIL are implemented under the guidance of the CSR Committee on CSR which presently comprises four directors out of which two are Independent directors.

Mr. Vinod Kumar Hans	Chairman
Dr. Khalid Iqbal Khan	Member
Mr. Mukul Gupta	Member
Mr. K.N. Subramaniam	Member

Our social investment programmes focus on five areas where we believe we can add the most value and make a significant and lasting impact.

PROMOTION OF EDUCATION

1. FMGIL has been associated with an NGO **"Ghar Angna (Ek Pyara Sapna)"** for giving free education, books and uniform to under-privileged children, improved infrastructure of the school, which was being run on a pavement outside temple and by giving them proper place and providing all necessary equipments required to run a school
2. Shortlisted Govt. Girls School in village Milakpur Gurjar, Bhiwadi – aiding them with books and stationary besides improving housekeeping / sanitation.
3. Provided School Uniform for Deaf & Blind Students of Patiala Deaf & Blind School.

Preventive Health Care

1. Health Camp organized for the children and their parents in the school premises of **"Ghar Angna"** in collaboration with Paras Hospital, Gurgaon
2. Worked with Govt. Hospital, Bhiwadi – providing them with potable drinking water, racks, coolers and better sanitation.
3. Cold drinking water project for School : There are around 1000 students at Govt. Sr. Secondary school of Boys, Village Sanour, Patiala and we have installed heavy duty water cooler and RO system and tank.

EMPLOYMENT ENHANCING VOCATIONAL SKILLS

1. It has been our dream project to collaborate with ITI's to create a pool of talented manpower, thereby keeping pace with the technological demands of the industry and expanding universe of knowledge to produce world class workforce.
Through this programme, we aim to support the Government's vision to Make India global manufacturing hub by addressing the needs and demand of the industry with practical know-how and relevant industry experience.
We are confident that the skills, students gain through this programme will equip them to find or create job opportunities. We hope many youth will take up this opportunity to gain technical skills alongwith industry exposure.
2. We sponsored 18 children from Economically weaker section for vocational course at SNS Foundation. We are training girls / boys on stitching & tailoring, fashion design, Beauty care and Computers.
3. The Company has joined hands with SNS Foundation and have designed a certification course on our products. We have set up our own lab and are giving technical training on our engine products to youth, who have aspiration to learn.

WOMEN EMPOWERMENT AND RURAL DEVELOPMENT
(Projects run by subsidiary co. of FMGIL)

1. We have signed an MOU with NGO – Vidya to promote women drivers and motivate them to take employability into an unconventional field, less travelled and challenging. It is desired to integrate English, Basic Computers, Life Skills, Soft Skills, Yoga, Martial Arts and regular health check-ups along with the driving classes to give an edge over the other drivers and make them suitable and fit for the challenging jobs as a certified cab driver

The CSR Committee of American Chamber of Commerce, under their **Best Practice Visit Series** on – Women Empowerment, showcased our Women Driving Programme to their CSR Committee on **October 16, 2015**.

2. On 9th Feb, 16 we inaugurated Vidya Usha Silai program at Munirka with 25 women. The program is to empower the women through a professional 6 month Training in stitching by USHA , with a certificate by the same at the end which will enable them to get jobs or to start a self help group for supplying uniforms/bags or any saleable items in the market. We will also impart basic literacy and life skills to them- in accordance with Vidya's aim and mission for their holistic growth. Hoping to make a positive difference in the lives of the women through this special training which will change their perspective and give them direction towards a stable life

Federal-Mogul Bangalore, under the CSR initiative has supported the Government Primary School, Kurubarahalli, Doddaballapur by constructing fully equipped rest rooms for boys and girls.

The powers of the Audit Committee, inter-alia, include seeking information from any employee, directing the Company's internal Audit function, obtaining outside legal or other professional advice and investigating any activity of the Company within the Committee's terms of reference.

The Company has a well-defined internal control system, which aims at protection of Company's resources, efficiency of operations, compliance with the legal obligations and Company's policies and procedures.

MANAGEMENT DISCUSSION AND ANALYSIS:

(a) Industry Structures and Developments

Automotive Industry, globally, as well as in India, is one of the key sectors of the economy. Due to its deep forward and backward linkages with several key segments of the economy, automotive industry has a strong multiplier effect and acts as one of the drivers of economic growth.

The auto industry is highly competitive, consisting of organized as well as unorganized sectors and is highly fragmented with a significant number of small and medium-sized companies

because of which the business rules are changing to meet the tough competition prevailing in the industry. Innovation, technological upgradation and cost saving hold the key to success to meet the expectations of the exigent competitive circumstances. The Indian auto component industry has been navigating through a period of challenges.

During the financial year 2015-16, the combination of factors like reduced fuel prices, low inflation levels and low interest rates coupled with the new launches of passenger vehicles pushed the automobile industry on the path of growth. The auto component industry witnessed a moderate growth during the year under review.

(b) Opportunities and Threats

The parent company continues to support the Company with its technical expertise. With widely recognized brands, superior technology, strong distribution network and a committed team of employees, the Company is well positioned to take advantage of the opportunities and withstand the market challenges. The Company strives to create sustainable profitable growth by using superior technology and maintaining product quality and offering wide range of products at competitive prices, which will give it a competitive edge in the market.

In order to fight the increasing pollution, the government has announced the implementation of Bharat Standard BS-VI by April 1, 2020. BS-VI is an equivalent of Euro-VI norms being followed globally. Your Company perceives this as a huge opportunity and has already started development work with some OEMs in India, on new engine projects. Federal-Mogul is currently producing many of the Euro-VI engine parts in Europe and for comparable engine standards in North America. In India, your Company expects to be prepared to supply the products meeting, BS-VI before the deadline fixed by the government.

We believe, our proactive steps and consistent implementation of our plans will allow us to prepare the Company for growth as consumers regain confidence in the industry and vehicle demand increases.

The Company competes with many independent manufacturers and distributors of component parts. Management continues to develop and execute initiatives to meet the

challenges of the industry and to achieve its strategy for sustainable global profitable growth.

There are limited sets of customers in our business, i.e the automobile manufacturers. Competition is intense, as we compete with suppliers both in the organized and unorganized segments. Technical edge, specialization, innovation and networking will determine the success of the Company in this competitive environment.

The Company has been employing the practices to proactively map the impact of its activities on its performance and profitability from economic environment and social perspectives.

(C) Segment wise or product wise performance

We operate mainly in two segments i.e. OEM's and the Aftermarket. The Company has a balanced approach to the OEM's and Aftermarket.

The Company witnessed positive growth in OEM segment during the financial year ended 2016 as compared to financial year ended 2015 due to positive performance of the industry.

The Company is into the manufacturing of Pistons, Piston rings and Pins. The product wise performance chart is given under Note 21 of full Annual Report (Revenue from Operations). The Members may refer the same.

(d) Outlook

The Management expects a moderate growth in the automotive industry during the year 2016-17 due to softened raw material prices and new vehicle launches. Further, the Indian Meteorological Department has forecasted an above normal monsoon, which is a critical factor for the overall economic growth, including the automobile sector. Implementation of 7th pay commission by the Government and low interest rates are expected to give boost to the automobile sector. However, the depreciated rupee value and increased cost of technology and components would impact the growth of automobile sector. Therefore, it's going to be a mixed year for the auto component industry ahead.

The Company will endeavor to revitalize in near future as consumers regain confidence and vehicle demand increases. To remain competitive in the challenging and

demanding environment, the benchmark has to be high in anticipation of the stated and unstated need of the customers and markets.

(e) Risks and concern

The Company operates in an environment, which is affected by various risks, some of which are controllable while some are outside the control of the Company. However, the Company has been taking appropriate measures to mitigate these risks on a continuous basis. Some of the risks that are potentially significant in nature and need careful monitoring are listed hereunder:

Raw material prices: Our profitability and cost effectiveness may be affected due to change in the prices of raw materials and other inputs.

Foreign Currency Risks: Exchange rate fluctuations may have an adverse impact on the Company

Technical Intensive Industry: The automobile industry is a technical intensive industry and thus faced with a constant demand for new designs, knowledge of nascent technology to meet market requirements.

Cyclical nature of the Industry: The Company's growth is linked to those of the automobile Industry, which is cyclical in nature. The demand for automobiles has a significant impact on the demand and prices of the products manufactured by the Company. A fall in the demand and / or prices would adversely impact the financial performance of the Company.

Increasing competition: Increasing competition across both OE and After market segments, may put some pressure on market share.

Excess/ short capacity: Estimation of optimal manufacturing capacities for our products is critical to our operations. Should we for any reason, not invest in capacity expansion in near future could result in stagnation in our sales. Conversely, in the event we over-estimate the future demand or due to general lowering of the customer demand due to recession, we may have excessive capacity, resulting in under utilization of assets and/or sale of surplus products at lower margin, which could have material adverse effect on the financial results of the company.

(f) Adequacy of Internal Control Systems

headed by a non-executive independent director, inter-alia, to oversee the Company's financial reporting process, disclosure of financial information, performance of statutory and internal auditors, functions, internal control systems, related party transactions, investigation relating to suspected fraud or failure of internal audit control, to name a few, as well as other areas requiring mandatory review per provisions of SEBI (Listing Obligations and Disclosure Requirements) with the stock exchanges. The powers of the Audit Committee, inter-alia, include seeking information from any employee, directing the Company's internal Audit function, obtaining outside legal or other professional advice and investigating any activity of the Company within the Committee's terms of reference.

The Company has a well-defined internal control system, which aims at protection of Company's resources, efficiency of operations, complies with the legal obligations and Company's policies and procedures.

g) Discussion on financial performance with respect to operational performance

The required information forms part of in the Board's Report and the members may refer the same.

(h) Material developments in Human Resources / Industrial Relations front, including number of people employed

During the year under review, the training and development of employees remained top priority of the Management and in this direction, several assessment and development programmes were conducted for high potentials and young talents. Further, Operational Excellence programme was launched for potential Plant Managers and Talent Review meetings were conducted for identifying potential successors for critical leadership positions. In a move to save cost of recruitment, Internal Job Posting was introduced and number of positions were filled through Internal hirings, including few top leadership positions.

During the year under review, the employer employee relations remained cordial and two long term Settlements were signed with the Union for the Bangalore & Patiala Plants respectively. Safety of the workers always remained one amongst the top priorities and few measures were taken in this direction by

adopting lead by example concept at workshop followed by various other initiatives like risk assessment etc.

The total number of salaried and hourly employees as at March 31, 2016 stood at 4066.

CONSOLIDATED ACCOUNTS

ANNEXURE - 3 TO DIRECTORS' REPORT

**Pursuant to clause (m) of sub-section (3) of section 134 of the Act and
Companies (Accounts) Rules, 2014**

A. CONSERVATION OF ENERGY

- a) The following energy conservation measures were taken:
1. Optimization of power consumption in compressed air generation through the following:
 - Replacement of 3 decades old, outdated and inefficient reciprocating water cooled compressors with highly efficient technology upgraded air screw compressors.
 - Modification of compressed air distribution piping network for control on operating pressure & volume in line with the requirement.
 - Relocation of the air pressure vessels near the source, thereby, increasing the storage capacity and reducing the air pressure drop during non-productive periods.
 - Low cost automation for shutting off/ on of the air supply post storage vessels during power failures, thereby, reducing the line losses and time for regeneration.
 - Effective execution of periodical preventive maintenance activities to sustain the optimum efficiency of compressed air generation/ operations.
 - Effective monitoring and visualization of compressor operations by installing remote measuring instruments for air volume & pressure.
 - Switching off the compressors during lunch time and shift changeover time.
 - Periodical replacement/ repair of pneumatic machine parts to optimize the air consumption.
 - Installation of air to air boosters at the user end for one off equipments to avoid generation at increased power at the source.
 - Conversion of manual moisture drain valves to volume/ time based auto drain valves resulting in wastage of air in absence of moisture.
 - Replacement of compressed air Aluminum energy efficient pipes to reduce pressure drop and leakages in place of old MS pipes in two shops.
 - Regular audit of compressed air and leakages test at various stages in shop floor and then implementation.
 - Energy audit by CII in compressed air system and then implementation.
 2. Optimization of power consumption in water pumping stations:
 - Automatic switching on / off of the water pumps in line with the consumption by installation of level controllers.
 - Optimizing the power rating of water pumps in line with the consumption/ user needs.
 - Replacement of old and outdated water pumps with energy efficient technology upgraded pumps resulting in high volume @ low power.
 3. Optimization of power consumption in lighting/ AC system:
 - Phased manner replacement of 36 watts conventional fluorescent tube light fittings with 18 watts LED tube fittings.
 - Phased manner replacement of 250/ 400 watts conventional street light and mercury vapour lamp fittings with 90/ 140 watts LED lamp fittings.
 - Proper selection of AC units depending on the usage levels.
 - Maintenance of electrical power factor of electrical power system above 0.99 for saving in KVAH electrical billing and reduction in losses.
 - Replacement of old technology oil circuit breakers with new vacuum circuit breakers.
 - Less working of DG by approval of additional load from state electricity authority thus saving in HSD cost in Patiala.
 - To reduce heat losses in electrical system by Global Risk Consultant and in-house thermography of electrical power system.
 - Installation of cover on holding furnaces to reduce heat losses.
 - Installation of LPG operated RR melting furnace in place of low efficient diesel Operated Sklaner furnaces.
 4. Optimization of power consumption in motors/ furnaces:
 - Switching off the motors when not in use.
 - Optimizing of the motor power ratings in existing/ new equipments.
 - Continuous improvement activities to optimize the melting and heat treatment furnace efficiency.
 5. Optimization of Power cost by other means:
 - Outsourcing of limited power quantity from ESCOM authorized private parties at lesser cost.
 - Replacement of old HT overhead conductor with insulated overhead cables to reduce losses by eliminating number of jumpers.

- b) Utilizing alternative source of energy:
- Alternative source of fuel LPG on new RR melting furnace using instead of HSD on Sklaner melting furnace thus saving in energy cost.
 - Use of solar water heater in canteen.
- c) Capital investment on energy equipments: Rs. 6.4 crores (approx.)
- d) Impact of the above measures:
- The above measures resulted in reduction in energy consumption, saving in power cost, productivity improvement and reduction in environmental load.

B. TECHNOLOGY ABSORPTION

- (i) The efforts made towards technology absorption:
- The Company has successfully absorbed the technology for the manufacturing of piston.
 - Installation of efficient plating process for piston rings.
 - Installation of robotic casting machines i.e. MLDB and FATA.
 - Implementation of high strength alloys for diesel and gasoline pistons.
 - Started casting simulation of pistons with the casting simulation software i.e. MAGMA.
 - Installation of auto gauging for inspection.
 - Installation of chip melting plant.
- (ii) The benefits derived like product improvement, cost reduction, product development or import substitution:
- Product development for friction reduction, reduction in lube oil consumption and improving specific fuel consumption.
 - Introduction of different alloy and skirt coating materials.
 - Introduction of ID & OD machining & inspection technology for rings.
 - Galley cooled pistons production to meet BSIV & BSV emission norms.
 - Implementation of new coatings for friction & wear protection for pistons.
 - New ring configurations to meet lower fuel, lube oil consumption and engine life.
 - Introduction of the casting simulation software for casting optimization.
 - Introduction of knock off runner, riser design & Alfin thickness optimization in piston casting.
 - Work on VA-VE proposals for cost reduction & improve productivity projects.
- (iii) In case of imported technology, (imported during the last three years reckoned from the beginning of the financial year)

AUDITOR'S REPORT

To the Members of Federal-Mogul Goetze (India) Limited

Report on the Standalone Financial Statements

1. We have audited the accompanying standalone financial statements of **Federal-Mogul Goetze (India) Limited** ("the Company"), which comprise the Balance Sheet as at 31 March 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements, that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act; safeguarding the assets of the Company; preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.

4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with

ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2016, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the Annexure Aa statement on the matters specified in paragraphs 3 and 4 of the Order.

10. As required by Section 143(3) of the Act, we report that:

a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;

b. in our opinion, proper books of account as required by law have been kept by the

Company so far as it appears from our examination of those books;

c. the standalone financial statements dealt with by this report are in agreement with the books of account;

d. in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);

e. on the basis of the written representations received from the directors as on 31 March 2016 and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2016 from being appointed as a director in terms of Section 164(2) of the Act;

f. we have also audited the internal financial controls over financial reporting (IFCoFR) of the Company as of 31 March 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date and our report dated 13 May 2016 as per annexure B expressing our unmodified opinion on adequacy and operating effectiveness of the internal financial controls over financial reporting.

g. with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

i. as detailed in Note 33 to the standalone financial statements, the Company has disclosed the impact of pending litigations on its standalone financial position;

ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;

iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure to the Independent Auditor's Report of even date to the members of Federal-Mogul Goetze (India) Limited, on the financial statements for the year ended 31 March 2016

Annexure A

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

(i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.

(b) The Company has a regular program of physical verification of its fixed assets under which fixed assets are verified in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.

(c) The title deeds of all the immovable properties are held in the name of the Company.

(ii) The management has conducted physical verification of inventory at

reasonable intervals during the year and no material discrepancies between physical inventory and book records were noticed on physical verification.

(iii) The Company has not granted any loan, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clauses 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the Order are not applicable.

(iv) In our opinion the, Company has complied with the provisions of sections 185 and 186 of the Act in respect of loans, investments, guarantees, and security.

(v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.

(vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost

records under sub-section (1) of Section 148 of the Act in respect of Company's products/services and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

(vii) (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, have generally been regularly deposited to the appropriate authorities, though there has been a slight delay in a few cases. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.

(b) The dues outstanding in respect of income-tax, sales-tax, service-tax, duty of customs, duty of excise and value added tax on account of any dispute, are as follows:

Annexure B to the Independent Auditor's Report of even date to the members of Federal-Mogul (Goetze) India, on the standalone financial statements for the year ended 31 March 2016

Annexure B

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. In conjunction with our audit of the standalone financial statements of Federal-Mogul (Goetze) India ("the Company") as of and for the year ended 31 March 2016, we have audited the internal financial controls over financial reporting (IFCoFR) of the Company as of that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by

the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

6. A Company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance

regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Summary of significant accounting policies and other explanatory notes

1. a) Corporate information

Federal-Mogul Goetze (India) Limited ('FMGIL' or 'the Company'), is inter-alia engaged mainly in the manufacture, supply and distribution of 'automotive components' used in two/three/four wheeler automobiles.

The principal facilities of the Company are located at Patiala (Punjab), Bengaluru (Karnataka) and Bhiwadi (Rajasthan), with its registered office in Delhi. The Company is listed at National Stock Exchange of India Limited and Bombay Stock Exchange.

Federal Mogul Holdings Limited, Mauritius, is the immediate parent company and ultimate parent company is Federal Mogul Corporation, USA.

b) Basis of Preparation

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act, 2013, read together with paragraph 7 of the Company (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

2. Statement of Significant Accounting Policies

a) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the year. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to accounting estimates is recognized in the current and future periods.

b) Tangible fixed assets and Capital work-in-progress

Tangible fixed assets are stated at cost less accumulated depreciation and impairment losses if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use i.e. freight, duties, taxes and other incidental expenses excluding cenvat in so far as this is available for set off against excise duty. Borrowing costs relating to acquisition of fixed assets which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

c) Depreciation on tangible fixed assets

Tangible fixed assets except for leasehold land are depreciated on straight line method

Depreciation has been provided in accordance with useful lives prescribed in the Companies Act 2013 except for certain fixed assets where useful lives has been assessed based on technical evaluation after considering the expected usage of assets, operational factors, technological changes and maintenance practice etc. The following are the rates used by the Company which are different from Schedule II.

Asset Class	Rates used by the Company
Plant & Machinery	5 to 21 years

In respect of assets whose useful lives has been revised, the unamortised depreciable amount is charged over the revised remaining useful lives of the assets.

Leasehold land is amortised over the period of lease.

d) Impairment of tangible and intangible assets

i) The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

ii) After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

e) Intangible Assets

Intangible assets are stated at cost less amortization less impairment, if any. Cost comprises the purchase price and other directly attributable costs. Intangibles assets are amortised over their expected useful economic lives, on straight line basis, as follows:

Design and drawings- over a period of 5 years on straight line basis.

f) Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Profit and Loss account on a straight-line basis over the lease term.

Summary of significant accounting policies and other explanatory notes

g) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

h) Inventories

Inventories are valued as follows:

Raw materials, components, stores and spares and bought out tools.	Lower of cost and net realizable value. Cost represents purchase price and other direct costs and is determined on a moving weighted average cost basis. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.
Constructed Tools	Lower of cost and net realizable value. Cost represents material, labour and appropriate allocation of overheads. Cost is determined on a weighted average basis.
Work-in-progress	Lower of cost and net realizable value. Cost for this purpose includes material, labour and appropriate allocation of overheads. Cost is determined on a weighted average basis.
Finished Goods: - Manufactured	Lower of cost and net realizable value. Cost for this purpose includes material, labour and appropriate allocation of overheads. Excise duty on stock lying with Company is added to the cost of the finished goods inventory. Cost is determined on a weighted average basis.
- Traded	Lower of cost and net realizable value. Cost represents purchase price and other direct costs and is determined on a moving weighted average cost basis.
Reusable scrap	At lower of cost and net realizable value.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. Provision for obsolescence is determined based on management's assessment and is charged to profit and loss account.

i) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

i) Sale of Goods:

Revenue is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer and are recorded net of excise duty, sales tax and trade discount.

ii) Job Work:

Income from job work is accrued when right of revenue is established, which relates to effort completed.

iii) Interest:

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

iv) Dividends:

Revenue is recognised when the shareholders' right to receive payment is established by the balance sheet date.

v) Commission:

Commission income is accrued when due, as per the agreed terms.

vi) Export Benefits/Incentives:

Export entitlements under the Duty Entitlement Pass Book (DEPB) Scheme/ Duty Drawback scheme are recognized in the profit and loss account when the right to receive credit as per the terms of the scheme is established in respect of exports made.

vii) Management support charges:

Income from management support charges is recognized as per the terms of the agreement based upon the services completed.

viii) Lease income:

Lease rental in respect of asset given under operating leases are recognized in the statement of profit and loss as and when they are due to be received.

Summary of significant accounting policies and other explanatory notes

j) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

k) Foreign Currency Transactions

(i) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

(iii) Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

l) Retirement and other employee benefits

(i) Provident fund contributions are charged to profit and loss account, when contributions paid/payable are due to "Goetze India Limited Provident Fund Trust", administered by the trustees and to the Regional Provident Fund Commissioners. The Company accrues for the deficit in the Provident Fund trust as per the books of accounts of the Trust.

(ii) Gratuity liability under the Payment of Gratuity Act is accrued on the basis of an actuarial valuation made at the end of each financial year. The actuarial valuation is done as per projected unit credit method.

(iii) Short term compensated absences are provided for based on estimates. Long term compensation liability for leave encashment is determined in accordance with company policy and is measured on the basis of valuation by an independent actuary at the end of the financial year. The actuarial valuation is done as per projected unit credit method.

(iv) Actuarial gains/losses are immediately taken to profit and loss account. However, recognition for actuarial gain is done only to the extent that the net cumulative unrecognized actuarial gains exceed the unrecognized part of transitional liability.

(v) Superannuation Benefit

The Company has superannuation obligation administered with Life Insurance Corporation of India (LIC). Contributions to the defined contribution scheme are charged to profit and loss account when contributions paid/ payable are due to such fund. There are no other obligations other than the contribution payable to the respective trusts.

m) Income Taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognises unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the Minimum Alternative tax (MAT) credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance Note issued by the Institute of Chartered Accountants of India, the said asset is

Summary of significant accounting policies and other explanatory notes

created by way of a credit to the profit and loss account and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period

n) Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

o) Provisions, contingent liabilities and contingent assets

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent Liabilities are usually not provided for, unless it is probable that the future outcome may be materially detrimental to the Company. A contingent liability is disclosed, unless the possibility of an outflow of resources embodying the economic benefits is remote.

Contingent assets are not recognized in the financial statement.

p) Cash and Cash Equivalents

Cash and cash equivalents for cash flow statement comprises cash at bank and in hand and short-term investments with an original maturity of three months or less.

q) Segment Reporting Policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

44. Provision for regulatory matters

During the year ended 31 December 2010, the Company had commenced an evaluation process for various regulatory matters at its factories. Based on more accurate information discovered, a provision, towards costs to be incurred to remediate these matters, of Rs. 439.46 lacs is included under Note no. 8 for provisions which are net of amounts utilized of Rs. 305.50 lacs during the year towards remediation.

In addition to the above, the provision for regulatory matters includes a provision of Rs. 1,384.83 lacs towards certain other regulatory matters.

The Company is actively seeking to resolve these actual and potential statutory, taxation, regulatory and contractual obligations. In accordance with requirements of Accounting Standard 29 on 'Provisions, Contingent liability and Contingent assets' issued by the Institute of Chartered Accountants of India, although difficult to quantify based on the complexity of the issues, the Company has accrued amounts corresponding to its best estimate of the costs associated with such regulatory and contractual obligations on the basis of available information and best professional judgment of experts appointed for this exercise.

Based on consultations obtained from the experts in respect of the said matters, in management's view, no further costs are expected to be incurred for which a provision would be required at this stage and considers the provisions made to be adequate.

45. Management support charges

During the year 2015-16, the Company has paid management support charges to its group companies of Rs 581.32 lacs (31 March 2015 Rs 774.68 lacs) in respect of certain application engineering services provided to the Company. The Company carries out its transfer pricing study annually and updates its documentation, choice of methods and benchmarks to ascertain adequacy and compliance with the arms length principles prescribed under Income Tax Act. For the year April 1, 2015 to March 31, 2016, the process of updation is ongoing and management is confident of completing the same. The provision for current tax has been made accordingly considering the said amounts of Rs. 581.32 lacs as allowable expenditure.

46. Per transfer pricing legislation under sections 92-92F of the Income Tax Act, 1961, the Company is required to use certain specific methods in computing arm's length prices of international transactions with associated enterprises and maintain adequate documentation in this respect. Since law requires existence of such information and documentation to be contemporaneous in nature, the Company has appointed independent consultants for conducting a Transfer Pricing Study (the 'Study') to determine whether the transactions with associate enterprises undertaken during the financial year are on an "arms length basis". Management is of the opinion that the Company's international transactions are at arm's length and that the results of the on-going study will not have any impact on the financial statements and the independent consultants appointed have also preliminarily confirmed that they do not expect any transfer pricing adjustments.

47. During the year 2014-15 the Company had entered into a power purchase agreement with Real Captive Power (RCP) and paid Rs. 850 lacs as refundable security deposit which was recoverable in 5 equal instalments beginning from 7th to 11th year. Further, the Company had purchased 26% equity shares in RCP for Rs 26 lacs, in order to be eligible as a captive user for sourcing power at a cheaper rate from RCP. As RCP was a newly incorporated company, recoverability of security deposit would solely be dependent on the financial position of RCP at the time of repayment, therefore, on a conservative basis, the management created a provision of Rs. 850 lacs and the same was duly provided for in the books of accounts of the Company in March 2015. Now, in view of delay in the start of power supply by RCP, RCP has refunded the said security deposit of Rs. Rs. 850 lacs. The same amount which had already been provided for during the year ended March 2015 has been reversed now and shown as part of other income. Further, the Company has also disposed off the 26% equity holding in RCP at cost.

48 Corporate social responsibility

a) Gross amount required to be spent by the Company during the year in compliance with section 135 of the Act is Rs. 57.36 lacs.

b) Amount spent during the year on-

	In Cash	Yet to be paid in Cash	Total

c. Social activities	1.37	-	1.37
d. Others	5.50	-	5.50
	57.36	-	57.36

49. Previous year/period numbers have been regrouped/ reclassified, wherever considered necessary. Last year, the Company has changed the financial year from January - December to April - March . Pursuant to change in financial year the previous period financials has been prepared from January 1, 2014 to March 31, 2015 (i.e 15 months).

A. CONSERVATION OF ENERGY

- a) The following energy conservation measures were taken:
 - Replacement of 3 decades old, outdated and inefficient reciprocating water cooled compressors with highly efficient technology upgraded air screw compressors.
 - Modification of compressed air distribution piping network for control on operating pressure & volume in line with the requirement.
 - Relocation of the air pressure vessels near the source, thereby, increasing the storage capacity and reducing the air pressure drop during non - productive periods.
 - Relocation of all the air compressors to a single location near to the power house thereby resulting in better monitoring / control on the operations, effective utilization, flexibility and optimization of power.
 - Low cost automation for shutting off / on of the air supply post storage pressure vessels during power failures, thereby, reducing the line losses and time for regeneration.
 - Effective execution of periodical preventive maintenance activities to sustain the optimum efficiency of compressed air generation / operations.
 - Changed the stainless steel heaters to Titanium heaters in surface treatment area for improved life and efficiency.
- b) Impact of the above measures:

The above measures resulted in reduction in energy consumption, saving in power cost, productivity improvement and reduction in environmental load.

7. Justification for spending lesser than the prescribed CSR expenditure:

The Company's CSR initiatives usually involve setting the foundation of various programs at a small scale to learn from on-ground realities, getting feedback from community and then putting an enhanced sustainable model to ensure maximum benefit to the community. For this reason, during the year, the Company's spend on the CSR activities has been less than the limits prescribed under Companies Act, 2013. However, moving forward the Company will endeavor to spend on CSR activities in accordance with the prescribed limits

8. During the financial year, the implementation and monitoring of CSR policy, was in compliance with CSR objectives and policy of the Company.

- 10.4. The Company reserves the right to modify, cancel, add, or amend any of these Rules.

Independent Auditor's Report

To the Members of Federal-Mogul TPR (India) Limited

Report on the Financial Statements

1. We have audited the accompanying financial statements of Federal-Mogul TPR (India) Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements, that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act; safeguarding the assets of the Company; preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.

4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those

Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2016, and its profit and its cash flows for the year ended on that date.

Annexure to the Independent Auditor's Report of even date to the members of Federal-Mogul TPR(India) Limited, on the financial statements for the year ended 31 March 2016

Annexure A

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular program of physical verification of its fixed assets under which fixed assets are verified in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) The Company does not hold any immovable properties. Accordingly, the provisions of clause 3(ii)(c) of the Order are not applicable
- (ii) The management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies between physical inventory and book records were noticed on physical verification.
- (iii) The Company has not granted any loan, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clauses 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the Order are not applicable
- (iv) In our opinion the, Company has complied with the provisions of sections 185 and 186 of the Act in respect of loans, investments, guarantees, and security.
- (v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's products/services and are of the opinion that, *prima facie*, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- (vii) (a) Undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, have generally been regularly deposited to the appropriate authorities, though there has been a slight delay in a few cases. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they became payable.

Annexure B

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. In conjunction with our audit of the financial statements of Federal Mogul TPR (India) Limited ("the Company") as of and for the year ended 31 March 2016, we have audited the internal financial controls over financial reporting (IFCoFR) of the company of as of that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

FEDERAL-MOGUL TPR (INDIA) LIMITED

Summary of significant accounting policies & other explanatory notes

(All amounts in lacs, unless otherwise stated)

1. Corporate information

Federal-Mogul TPR (India) Limited (the 'Company') is a subsidiary of Federal-Mogul Goetze (India) Limited. The Company in technical collaboration with Teikoku Piston Ring Co. Ltd, Japan and Federal Mogul UK Investments Limited, a group Company of Federal-Mogul Corporation, (the ultimate parent Company), manufactures steel rings used in passenger vehicles automobiles.

At the year end, 51% of the shares of the Company are held by Federal-Mogul Goetze (India) Limited and 49% of the shares are equally (24.5% each) held by Teikoku Piston Ring Co. Ltd and Federal Mogul UK Investments Limited, a group company of Federal-Mogul Corporation.

2. Basis of preparation and presentation

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Company (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

2.1 Summary of significant accounting policies

a) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to accounting estimates is recognized in the current and future periods.

b) Tangible fixed assets and capital work-in-progress

Fixed assets are stated at cost, less accumulated depreciation and impairment losses if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use i.e. freight, duties, taxes and other incidental expenses excluding cenvat in so far as this is available for set off against excise duty. Borrowing costs relating to acquisition of fixed assets which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

c) Depreciation on tangible fixed assets

Tangible fixed assets except for leasehold land are depreciated on straight line method.

Depreciation has been provided in accordance with useful lives prescribed in the Companies Act 2013 except for certain fixed assets where useful lives has been assessed based on technical evaluation after considering the expected usage of assets, operational factors, technological changes and maintenance practice etc. The following are the rates used by the Company which are different from Schedule II."

Asset class	Rate prescribed in Schedule II of Companies Act, 2013	Rates used by the Company
Plant and machinery - -General	7.5 to 15 years	7.5 to 14 years

Leasehold land is amortised over the period of lease.

Plant and Machinery also includes self constructed machinery.

d) Intangible Assets

Intangible assets are stated at cost less amortization less impairment, if any. Cost comprises the purchase price and other directly attributable costs. Intangibles assets are amortised over their expected useful economic lives, on straight line basis, as follows:

Design and drawings- over a period of 5 years on straight line basis.

Software: over a period of 5 years on straight line basis.

**Summary of significant accounting policies & other explanatory notes**

(All amounts in lacs, unless otherwise stated)

e) Leases

Leases where the Lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight line basis over the lease term.

f) Impairment of tangible and intangible assets

i. The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

ii. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

g) Inventories**Inventories are valued as follows:**

Raw materials, components, stores and spares and bought out tools	Lower of cost or net realizable value. Cost represents purchase price and other direct costs and is determined on a moving weighted average cost basis. However materials and other items held for use in production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.
Work-in-progress	Lower of cost or net realizable value. Cost for this purpose includes material, labour and appropriate allocation of overheads.
Finished goods	Lower of cost or net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty. Cost is determined on a weighted average basis.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

h) Revenue recognition

Revenue is recognized to the extent it is probable that the economic benefits will flow to the Company and that the revenue can be reliably measured.

Sale of goods

Revenue is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer and are recorded net of trade discounts and sales tax / Value added tax.

Interest

Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

i) Foreign currency translation**(I) Initial recognition**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount, the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

FEDERAL-MOGUL TPR (INDIA) LIMITED

Summary of significant accounting policies & other explanatory notes

(All amounts in lacs, unless otherwise stated)

(ii) Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

(iii) Exchange differences

Exchange differences arising on the settlement of monetary items or on reporting such monetary items of the Company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

j) Retirement and other employee benefits

(i) Retirement benefits in the form of Provident Fund and Employee State Insurance Scheme are defined contribution plans and the contributions are charged to the statement of profit and loss of the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective trusts.

(ii) Gratuity liability under the Payment of Gratuity Act is defined benefit obligations and is accrued on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year.

(iii) Short term compensated absences are provided for on the basis on estimates. Long term compensation liability for leave encashment is determined on the basis of Company policy and recorded on the basis of valuation by an independent actuary at the end of the financial year. The actuarial valuation is done as per projected unit credit method.

(iv) Actuarial gains/losses are immediately taken to statement of profit and loss and are not deferred.

(v) Superannuation Benefit

The Company's superannuation obligation is a defined contribution scheme and is administered with Life Insurance Corporation of India (LIC). Contributions to the defined contribution scheme are charged to statement of profit and loss when contributions paid/payable are due to such fund. There are no other obligations other than the contribution payable to the respective trusts.

k) Income taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets. It recognises unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will not be available.

l) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or losses for the period attributable to equity shareholders and weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**Summary of significant accounting policies & other explanatory notes**

(All amounts in lacs, unless otherwise stated)

m) Provisions, contingent liabilities and contingent asset

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent Liabilities are usually not provided for, unless it is probable that the future outcome may be materially detrimental to the Company. A contingent liability is disclosed, unless the possibility of an outflow of resources embodying the economic benefits is remote. Contingent assets are not recognized in the financial statement.

n) Cash and cash equivalents

Cash and cash equivalents for the purpose of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

Independent Auditors' Report

**To the Members of Federal-Mogul
Goetze (India) Limited**

Report on the Consolidated Financial Statements

1. We have audited the accompanying consolidated financial statements of Federal-Mogul Goetze (India) Limited, ("the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31 March 2016, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

2. The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group, in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). The Holding Company's Board of Directors, and the respective Board of Directors/management of the subsidiary included in the Group, are responsible for the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. Further, in terms with the provisions of the Act, the respective Board of Directors of the Holding Company and its subsidiary are responsible for maintenance of adequate accounting records; safeguarding the assets; preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that

were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements, which have been used for the purpose of preparation of the consolidated financial statements by the directors of the Holding Company, as aforesaid.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

4. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the auditor's report under the provisions of the Act and the Rules made thereunder.

5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

6. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

7. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;

b) in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;

c) The consolidated financial statements dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;

d) in our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended);

e) On the basis of the written representations received from the directors of the Holding Company as on 31st March 2016 taken on record by the Board of Directors of the Holding Company and subsidiary Company, none of the directors of the Group is disqualified as on 31 March 2016 from being appointed as a director in terms of Section 164 (2) of the Act.

f) we have also audited the internal financial controls over financial that

reporting (IFCoFR) of the Company, its subsidiary Company as of 31 March 2016, in conjunction with our audit of the consolidated financial statements of the Group for the year ended on that date and our report dated 13 May 2016 as per annexure A expressing our unmodified opinion on adequacy and operating effectiveness of the internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

2014, in our opinion and to the best of our information and according to the explanations given to us:

- (i) as detailed in Note 32, the consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its associates and jointly controlled entities;
- (ii) the Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its subsidiary Company

Annexure A to the Independent Auditor's Report of even date to the members of Federal-Mogul Goetze (India) Limited, on the consolidated financial statements for the year ended 31 March 2016

Annexure A

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. In conjunction with our audit of the consolidated financial statements of the Federal-Mogul Goetze (India) Limited ("the Holding Company") and its subsidiary, (the Holding Company and its subsidiary together referred to as "the Group"), as of and for the year ended 31 March 2016, we have audited the internal financial controls over financial reporting (IFCoFR) of the Holding Company, its subsidiary Company, as of that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding Company, its subsidiary Company, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to the company's policies, the safeguarding of the company's assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the IFCoFR of the Holding Company, its subsidiary Company, as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to

an audit of IFCoFR and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note"), issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the IFCoFR of the Holding Company and its subsidiary Company, as aforesaid.

Meaning of Internal Financial Controls over Financial Reporting

6. A Company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable

assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that the IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company and its subsidiary Company, have, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Summary of significant accounting policies and other explanatory notes to consolidated accounts

1. a) Corporate information

Federal-Mogul Goetze (India) Limited ('FMGIL' or 'the Company'), is inter-alia engaged in the manufacture, supply and distribution of 'automotive components' used in two/three/four wheeler automobiles.

The principal facilities of the Company are located at Patiala (Punjab), Bengaluru (Karnataka) and Bhiwadi (Rajasthan), with its registered office in New Delhi. The Company is listed at National Stock Exchange of India Limited and Bombay Stock Exchange.

Federal Mogul Holdings Limited, Mauritius, is the immediate parent company and ultimate parent company is Federal Mogul Corporation, USA.

b) Basis of Preparation and consolidation

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Company (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The Consolidated Financial Statements have been prepared in accordance with Accounting Standard 21 (AS 21) "Consolidated Financial Statements" and Accounting Standard 23 (AS 23) "Accounting for investments in Associates in Consolidated Financial Statements".

The Subsidiary and Associates (which along with Federal-Mogul Goetze (India) Limited, the parent, constitutes the Federal-Mogul Goetze Group) considered in the preparation of these consolidated financial statements are:

Name	Percentage of Ownership interest as at 31 March 2016	Percentage of Ownership interest as at 31 March 2015
Federal-Mogul TPR (India) Limited	51 %	51 %

The audited financial statements of the subsidiary, considered in the consolidated accounts, are drawn upto 31 March 2016.

Subsidiary companies are consolidated on a line-by-line basis by adding together the book values of the like items of assets, liabilities, income and expenses, after eliminating all significant intra-group balances and intra-group transactions and also unrealized profits or losses. The results of operations of a subsidiary are included in the consolidated financial statements from the date on which the parent subsidiary relationship comes into existence.

The difference between the cost to the Company of its investment in the subsidiary and its proportionate share in the equity of the subsidiary as at the date of acquisition of stake is recognized as goodwill or capital reserve, as the case may be. Goodwill is tested for impairment at the end of each accounting year. For impairment, the carrying value of goodwill is compared with the present value of discounted cash flows of the respective subsidiaries and loss, if any, is adjusted to the carrying value of the goodwill.

Minority interest in net profits/losses of the subsidiaries for the year is identified and adjusted against the income in order to arrive at the net income attributable to the shareholders of the Company. Their share of net assets is identified and presented in the consolidated balance sheet separately. Where accumulated losses attributable to the minorities are in excess of their equity, in the absence of the contractual obligation on the minorities, the same are accounted for the holding company.

Investments in associates are accounted for using the equity method. The difference between the cost of investment in associate and the proportionate share in equity of the associate as at the date of acquisition of stake is identified as goodwill or the capital reserve, as the case may be and included in the carrying value of the investment in the associate. The carrying amount of the investment is adjusted thereafter for the post acquisition change in the share of net assets of the associate. However, the share of losses is accounted for only to the extent of the cost of investment. Subsequent profits of such associates are not accounted for unless the accumulated losses (not accounted for by the Company) are recouped.

The financial statements of the group entities used for the purpose of consolidation are drawn up to the same reporting date as that of the Company i.e. year ended 31 March 2016.

These Consolidated Financial Statements are based on audited accounts in so far as they relate to amounts included in respect of subsidiaries.

The accounting policies have been consistently applied by the group and are consistent with those used in the previous year.

2. Statement of Significant Accounting Policies

a) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the year. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

Summary of significant accounting policies & other explanatory notes to consolidated accounts

b) Tangible fixed assets and Capital work-in-progress

Tangible fixed assets are stated at cost less accumulated depreciation and impairment losses if any. Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use i.e. freight, duties, taxes and other incidental expenses excluding cenvat in so far as this is available for set off against excise duty. Borrowing costs relating to acquisition of fixed assets which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

c) Depreciation on tangible fixed assets

Tangible fixed assets except for leasehold land are depreciated on straight line method

Depreciation has been provided in accordance with useful lives prescribed in the Companies Act 2013 except for certain fixed assets where useful lives has been assessed based on technical evaluation after considering the expected usage of assets, operational factors, technological changes and maintenance practice etc. The following are the rates used by the Company which are different from Schedule II.

Asset Class	Rates used by the Company
Plant & Machinery	5 to 21 years

In respect of assets whose useful lives has been revised, the unamortised depreciable amount is charged over the revised remaining useful lives of the assets.

Leasehold land is amortised over the period of lease.

d) Impairment of tangible and intangible assets

i) The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

ii) After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

e) Intangible Assets

Intangible assets are stated at cost less amortization less impairment, if any. Cost comprises the purchase price and other directly attributable costs. Intangibles assets are amortised over their expected useful economic lives, on straight line basis, as follows:

Design and drawings- over a period of 5 years on straight line basis.

f) Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

g) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

h) Inventories

Inventories are valued as follows:

Raw materials, components, stores and spares and bought out tools.	Lower of cost and net realizable value. Cost represents purchase price and other direct costs and is determined on a moving weighted average cost basis. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.
Constructed Tools	Lower of cost and net realizable value. Cost represents material, labour and appropriate allocation of overheads. Cost is determined on a weighted average basis.
Work-in-progress	Lower of cost and net realizable value. Cost for this purpose includes material, labour and appropriate allocation of overheads. Cost is determined on a weighted average basis.
Finished Goods: - Manufactured	Lower of cost and net realizable value. Cost for this purpose includes material, labour and appropriate allocation of overheads. Excise duty on stock lying with Company is added to the cost of the finished goods inventory. Cost is determined on a weighted average basis.
- Traded	Lower of cost and net realizable value. Cost represents purchase price and other direct costs and is determined on a moving weighted average cost basis.
Reusable scrap	At lower of cost and net realizable value.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale. Provision for obsolescence is determined based on management's assessment and is charged to Statement of Profit and Loss.

Summary of significant accounting policies and other explanatory notes to consolidated accounts

i) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

i) Sale of Goods:

Revenue is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer and are recorded net of excise duty, sales tax and trade discount.

ii) Job Work:

Income from job work is accrued when right of revenue is established, which relates to effort completed.

iii) Interest:

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

iv) Dividends:

Revenue is recognised when the shareholders' right to receive payment is established by the balance sheet date. Dividend from subsidiaries is recognized even if the same are declared after the balance sheet date but pertains to period on or before the date of balance sheet as per the requirement the Companies Act, 2013.

v) Commission:

Commission income is accrued when due, as per the agreed terms.

vi) Export Benefits/Incentives:

Export entitlements under the Duty Entitlement Pass Book (DEPB) Scheme/ Duty Drawback scheme are recognized in the Statement of Profit and Loss when the right to receive credit as per the terms of the scheme is established in respect of exports made.

vii) Management support charges:

Income from management support charges is recognized as per the terms of the agreement based upon the services completed.

j) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

k) Foreign Currency Transactions

(i) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

(iii) Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

(iv) As a policy, the Company does not undertake any foreign exchange derivative contract.

l) Retirement and other employee benefits

(i) Provident fund contributions are charged to Statement of Profit and Loss, when contributions paid/payable are due to "Goetze India Limited Provident Fund Trust", administered by the trustees and to the Regional Provident Fund Commissioners. The Company accrues for the deficit in the Provident Fund trust as per the books of accounts of the Trust.

(ii) Gratuity liability under the Payment of Gratuity Act is accrued on the basis of an actuarial valuation made at the end of each financial year. The actuarial valuation is done as per projected unit credit method.

(iii) Short term compensated absences are provided for based on estimates. Long term compensation liability for leave encashment is determined in accordance with company policy and is measured on the basis of valuation by an independent actuary at the end of the financial year. The actuarial valuation is done as per projected unit credit method.

(iv) Actuarial gains/losses are immediately taken to Statement of Profit and Loss. However, recognition for actuarial gain is done only to the extent that the net cumulative unrecognized actuarial gains exceed the unrecognized part of transitional liability.

Summary of significant accounting policies & other explanatory notes to consolidated accounts

(v) Superannuation Benefit

The Company has superannuation obligation administered with Life Insurance Corporation of India (LIC). Contributions to the defined contribution scheme are charged to Statement of Profit and Loss when contributions paid/ payable are due to such fund. There are no other obligations other than the contribution payable to the respective trusts.

m) Income Taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each balance sheet date the Company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The Company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the Minimum Alternative tax (MAT) credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period

n) Earnings per Share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

o) Provisions, contingent liabilities and contingent assets

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent Liabilities are usually not provided for, unless it is probable that the future outcome may be materially detrimental to the Company. A contingent liability is disclosed, unless the possibility of an outflow of resources embodying the economic benefits is remote.

Contingent assets are not recognized in the financial statements.

p) Cash and Cash Equivalents

Cash and cash equivalents for cash flow statement comprises cash at bank and in hand and short-term investments with an original maturity of three months or less.

q) Miscellaneous Expenditure

Miscellaneous expenditure representing impact of transitional provisions on adoption of notified Accounting Standard 15 and is written off over a period of 5 years.

r) Segment Reporting Policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

39. Provision for regulatory matters

During the year ended 31 December 2010, the Company had commenced an evaluation process for various regulatory matters at its factories. Based on more accurate information discovered, a provision, towards costs to be incurred to remediate these matters, of Rs. 439.46 lacs is included under Note no. 8 for provisions which are net of amounts utilized of Rs. 305.50 lacs during the year towards remediation.

In addition to the above, the provision for regulatory matters includes a provision of Rs. 1,384.83 lacs towards certain other regulatory matters.

The Company is actively seeking to resolve these actual and potential statutory, taxation, regulatory and contractual obligations. In accordance with requirements of Accounting Standard 29 on 'Provisions, Contingent liability and Contingent assets' issued by the Institute of Chartered Accountants of India, although difficult to quantify based on the complexity of the issues, the Company has accrued amounts corresponding to its best estimate of the costs associated with such regulatory and contractual obligations on the basis of available information and best professional judgment of experts appointed for this exercise.

Based on consultations obtained from the experts in respect of the said matters, in management's view, no further costs are expected to be incurred for which a provision would be required at this stage and considers the provisions made to be adequate.

40. Management support charges

During the year 2015-16, the Company has paid management support charges to its group companies of Rs 581.32 lacs (31 March 2015 Rs 774.68) in respect of certain application engineering services provided to the Company. The Company carries out its transfer pricing study annually and updates its documentation, choice of methods and benchmarks to ascertain adequacy and compliance with the arms length principles prescribed under Income Tax Act. For the year April 1, 2015 to March 31, 2016, the process of updation is ongoing and management is confident of completing the same. The provision for current tax has been made accordingly considering the said amounts of Rs. 581.32 lacs as allowable expenditure.

41. Per transfer pricing legislation under sections 92-92F of the Income Tax Act, 1961, the Company is required to use certain specific methods in computing arm's length prices of international transactions with associated enterprises and maintain adequate documentation in this respect. Since law requires existence of such information and documentation to be contemporaneous in nature, the Company has appointed independent consultants for conducting a Transfer Pricing Study (the 'Study') to determine whether the transactions with associate enterprises undertaken during the financial year are on an "arms length basis". Management is of the opinion that the Company's international transactions are at arm's length and that the results of the on-going study will not have any impact on the financial statements and the independent consultants appointed have also preliminarily confirmed that they do not expect any transfer pricing adjustments.

42. During the year 2014-15 the Company had entered into a power purchase agreement with Real Captive Power (RCP) and paid Rs. 850 lacs as Refundable Security Deposit which was recoverable in 5 equal instalments beginning from 7th to 11th year. Further, the Company had purchased 26% equity shares in RCP for Rs 26 Lacs, in order to be eligible as a captive user for sourcing power at a cheaper rate from RCP. As RCP was a newly incorporated company, recoverability of security deposit would solely be dependent on the financial position of RCP at the time of repayment, therefore, on a conservative basis, the management created a provision of Rs. 850 lacs and the same was duly provided for in the books of accounts of the Company in March 2015. Now, in view of delay in the start of power supply by RCP, RCP has refunded the said security deposit of Rs. Rs. 850 lacs. The same amount which had already been provided for during the year ended March 2015 has been reversed now and shown as part of other income. Further, the Company has also disposed off the 26% equity holding in RCP at cost.

43. Corporate Social Responsibility (CSR) a) Gross amount required to be spent by the Company during the year (including brought forward from previous year) in compliance with section 135 of the Act is Rs 174.01 Lacs

b) Amount spent during the year	in cash	yet to be paid in cash	Total

- Social Activities	11.92	-	11.92
- Health related activities	14.75	-	14.75
- Others	5.50	-	5.50

During the year the Company has spent an amount of Rs. 124.83 lacs on CSR activities. The balance amount of Rs 211.75 is proposed to be spent during the next year along with the amount (Rs 162.58 lacs) to be allocated for financial year 2016-17.

44. Previous year/period numbers have been regrouped/ reclassified, wherever considered necessary. Last year, the Company has changed the financial year from January - December to April - March . Pursuant to change in financial year the previous period financials has been prepared from January 1, 2014 to March 31, 2015 (i.e 15 months).
