STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013**ITEM NO: 3**

The Company has issued 9,00,00,000 convertible warrants on preferential basis which was approved by the members in the Extra-Ordinary General Meeting held on 2nd January, 2018. The Company has also received In-principle approvals from National Stock Exchange (NSE) vide reference no. NSE/LIST/14785 dated February 9, 2018 and BSE Ltd vide reference no. DCS/PREF/SD/PRE/2642/2017-18 dated 28th February, 2018.

Pursuant to Regulation 73(e) of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009 the Company needs to provide the disclosure of the identity of the proposed allottees, the percentage of post preferential issue capital that may be held by them and change in control, if any, in the issuer consequent to the preferential issue, in the explanatory statement.

The Company had disclosed all the details in the notice of EGM dated 2nd January, 2018 as per Regulation 73(e) of SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009. However the details of beneficial owner was inadvertently missed in the explanatory statement of Notice of EGM therefore the same needs to be ratified by members in the ensuing Annual General Meeting (AGM). Hence, the same has been taken as agenda item for this AGM.

The Company undertakes no obligation or responsibility to update forward looking statements and to publicly amend, modify or revise to reflect events or circumstances after the date thereof on the basis of any subsequent development, information or events.

The management of Visagar Polytex Limited presents below its analysis on the performance of your Company during the year under review, i.e. accounting year end 31st March, 2018.

Economic Overview with specific reference to Textile Industry

India is the second largest textile manufacturer in the world. The Indian textile industry is a global leader thanks to the economic liberalization. Though it used to come under unorganized sector few years back, the scenario has changed and a large part of the industry is now in the organized sector. Increased penetration of organised retail, favourable demographics and rising income levels to drive textile demand are contributing to the sector's growth. The Indian textile industry is one the largest and oldest sectors in the country and among the most important in the economy in terms of output, investment and employment. Contributing a hefty 14% to the country's Industrial production and 4% to the country's Gross Domestic Product (GDP) the segment also accounts for 13% of India's export earnings thus being the second largest provider of employment after agriculture in the country. The textile industry employs about 40 million workers and 60 million indirectly. Textile and apparel exports from India is estimated US\$ 65 billion and is expected to increase to US\$ 82 billion by 2021 fuelled by favourable trade policies in future and superior quality from technological absorption. The domestic textile and apparel industry in India is estimated to reach US\$ 141 billion by 2021.

Overview of the Sector & Business

The domestic market for apparel and lifestyle products, currently estimated at \$85 billion, is expected to reach \$160 billion by 2025. While men's apparel currently dominates the space, it is the women's apparel category that is set to grow at a faster rate and will equal the men's wear segment this year. "The fashion and lifestyle segment is witnessing a paradigm shift with women's apparel expected to match men's apparel at par in terms of 37% market share each in 2016. Keeping this trend in mind, the organised retailers need to pay more attention to women consumers as India is one of the few countries where the share of men's apparel is higher than that of women's and that is changing. The current Indian ethnic wear market is highly unorganized with a few branded players operating primarily in metropolitan cities. The Saree, Salwar Suit and Lehenga market occupy a major chunk of women apparel sales in the country.

Your Company is into textile manufacturing, trading, wholesaling and retailing activities comprising of a number of independent as well as interdependent verticals viz. Ethnic wear (Saree/ Lehanga) wholesale, Ethnic wear (Saree/ Lehanga/ Suits) Manufacturing, Garment Manufacturing, Retailing (own/franchise) and Contract-based manufacturing. Your Company has a retail chain retailing designer sarees under its flagship brand Vividha, in addition to its comprehensive manufacturing and sales facilities at Surat & Gurgaon.

Manufacturing Focus

During the year under review, your Company has concentrated on its core manufacturing activities for value addition to fabrics & apparels, training of staff for special purpose embroideries, expanding client outreach by marketing efforts, adopting industry standard practices and putting Quality systems in place.

Financial Overview

Your Company has seen an increase in turnover during the year under review which accounted for Rs. 8226.96 Lakhs as compared to Rs. 8115.18 Lakhs in FY 2016-17. The Net Profit has also increased from Rs. 135.76 Lakhs in FY 2016-17 to Rs. 140.92 Lakhs in FY 2017-18. Your Company is very much optimistic about the coming year. Since the Company is trying to reduce cost and expand its business, your Directors are hopeful that the results will be more encouraging.

Factors that may affect the results of operations

Several factors may affect our result of operations that may make it difficult to predict the future financial results. Such factors are:

- Movement in Price of Fabric
- Operating cost & Efficiency
- Product and Market Mix
- Exchange Rates
- Government policies, rules and regulations affecting textile industries
- Availability of Government Benefits & Subsidies
- Ability to organise funds for projects
- Availability of skilled human forces
- Competition
- Break down of machinery or plant
- Disrupted power supply from state electricity board
- Strike by labourers
- Development / Innovation / Emergence of any substitute for our products
- Natural Calamities & Disasters and other unforeseen/ unavoidable circumstances

Development, Expansion & Future Outlook

Your Company will continue to invest wherever it seems an opportunity to get healthy sustainable results. Our performance largely depends on the Textile market. Your Company is concentrating at further streamlining its current business activities which will allow for greater operational efficiency in future. Providing quality products at a great value has always been our endeavour. Your Company will take this endeavour a notch upwards by enhancing its business activities. Your Company is in process to continuously upgrade its state-of-art manufacturing unit at Gothan, Surat to produce designer, value added Garments, Apparels, Embroidery Sarees, Lehengas& Suits using latest technology and employing resources in best possible manner. The Embroidery market is huge and dominated by small unorganized players in view of lower entry barriers, offering a corporate player immense opportunity for innovation and improvisation. The Management is optimistic that your Company will soon be one of the key embroidery manufacturers in the Apparel segment. Our clients include stockists, wholesalers, semi-wholesalers, exporters, retailers and end-users of textile products. We would like to explore the overseas market in the near-term. Your Company's aim is to build up knowledge, capital and human resources to specialize in designing, manufacturing value

added Apparels facilitating constant revival of products in innovative ways that will enable success for us.

During the year under review, the Company has started sampling and sales division at Gurgaon, Haryana towards its apparels business and adopted best practices, optimised efficiency at its Surat manufacturing unit. Through skills training of staff, adoption of systems & practices, the Company will enjoy increased margins, complete product control, client satisfaction and become key player in this segment.

The Company has also focussed on new R&D areas such as Suits and Garments and aims to make a mark in the ethnic wear segment through its R&D capabilities.

Future plans and Outlook

- Intensifying focus on R&D and production
- Leveraging resources to deliver innovative and successful product portfolio
- To bring in efficiency through consistent and continuous improvement process throughout all the levels in the Organisation
- To develop a Customer Centric approach
- To develop a Strong Marketing Network and establishing solid client base in the country and overseas

Technology Absorption

Efforts made towards technology Absorption

Your Company tries to stay abreast with latest technology in the market. Your Company has a mix of latest machinery with various value addition capabilities, all under single setup. During the year, there was no import of machinery by the Company.

Benefits Derived

Having machinery with different capabilities help your Company provide umbrella solution to its clients as they do not need to go anywhere else for any kind of value addition requirements. This helps retain clients and is beneficial in the long term.

Details of technology imported in last three years

The Company has imported and consequently installed 22 multi-head embroidery machinery via High Seas Sale Agreement made in the FY 2015-16 amounting to Rs. 409.17 Lacs.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Visagar Polytex Limited

Report on the Ind AS Financial Statements

We have audited the accompanying Ind AS financial statements of Visagar Polytex Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit & Loss, including the statement of Other Comprehensive Income, the Statement of Cash Flow and the Statement of Changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information for the year ended on that date.

Management's Responsibility for the Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the Ind AS financial statements in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, its Statement of Profit & Loss including other comprehensive income, its Statement of Cash flow and the changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure "B" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, Statement of Profit & Loss including the Statement of Other Comprehensive Income, the Statement of Cash Flow and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 Companies (Indian Accounting Standards) Rules, 2015, as amended;

- (e) On the basis of written representations received from the directors as on March 31, 2018, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018, from being appointed as a director in terms of section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these Ind AS financial statements and the operating effectiveness of such controls, refer to our separate Report in “Annexure A” to this report;
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. The Company has to transfer Rs.1,92,267/-, which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure A to Independent Auditors' Report

Referred to in paragraph [2(f)] of the Independent Auditors' Report of even date to the members of Visagar Polytex Limited on the Ind AS financial statements for the year ended March 31, 2018

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("The Act")

1. We have audited the internal financial controls over financial reporting of Visagar Polytex Limited as of March 31, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, to the best of our information and according to explanation given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements as at and for the year ended March 31, 2018**1 Significant Accounting Policies****1.1 Basis of Preparation**

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act.

These financial statements for the year ended 31st March, 2018 are the first financials with comparatives, prepared under Ind AS. For all previous periods including the year ended 31st March, 2017, the Company had prepared its financial statements in accordance with the accounting standards notified under companies (Accounting Standard) Rule, 2006 (as amended) and other relevant provisions of the Act (hereinafter referred to as 'Previous GAAP') used for its statutory reporting requirement in India.

The accounting policies are applied consistently to all the periods presented in the financial statements, including the preparation of the opening Ind AS Balance Sheet as at 1st April, 2016 being the date of transition to Ind AS.

The financial statements have been prepared on a historical cost basis, except for the following:

- a) Certain financial assets and liabilities that are measured at fair value;
- b) Assets held for sale-measured at lower of carrying amount or fair value less cost to sell;
- c) Defined benefit plans – plan assets measured at fair value;

1.2 Summary of Significant Accounting Policies**a) Current vs Non-Current Classification**

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after reporting period, or

- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- Expected to be settled in normal operating cycle.
- Held primarily for the purpose of trading
- Due to be settled within twelve months after reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalent. The Company has identified twelve months as its operating cycle.

b) Use of estimates and judgements

The estimates and judgments used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

c) Property, Plant & Equipment

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at April 1, 2016, measured as per the previous GAAP, and use that carrying value as the deemed cost of such property, plant and equipment.

Property, plant & equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price. In case of assets acquired in exchange for a non-monetary asset, the cost of such an item of property, plant and equipment is measured at fair value unless (a) the exchange transaction lacks commercial substance or (b) the fair value of neither the asset received nor the asset given up is reliably measurable. All other repair and maintenance costs are recognised in profit or loss as incurred.

The Company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

An item of Property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit or loss when the asset is derecognised.

The residual values, useful lives and methods of depreciation of Property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

d) Depreciation on Property, Plant & Equipment

Depreciation on Property, Plant & Equipment is calculated on a written down value (WDV) basis using the rates arrived at based on the useful lives estimated by the management which is as per the rates specified in Schedule II to the Companies Act, 2013.

e) Inventories

Inventories are valued at the lower of cost or net realizable value.

f) Revenue Recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer, usually on delivery of the goods. Revenue from the sale of goods is measured at the fair value of the consideration received or receivable, net of returns and allowances, trade discounts and volume rebates.

g) Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

h) Employee Benefits

Short term benefits and post-employment benefits are accounted in the period during which the services have been rendered.

i) Taxation

Current income tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and liabilities are offset only if there is a legally enforceable right to set off the recognized amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

Deferred tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

j) Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating unit's (CGU) fair value less costs of disposal or its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses, are recognised in the statement of profit and loss.

k) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to any provision is presented in the statement of profit or loss, net of any reimbursement. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognised as part of finance costs.

l) Contingent Liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability

that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

m) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

n) Investments and other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- (1) Those to be measured subsequently at fair value (either through other comprehensive income, or through the Statement of Profit and Loss), and
- (2) Those measured at amortised cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

(ii) Measurement

At initial recognition, the Company measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through the Profit and Loss are expensed in the Statement of Profit and Loss.

Debt Instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments into following categories:

Amortised Cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit and loss: Assets that do not meet the criteria for amortised cost are measured at fair value through Profit and Loss. Interest income from these financial assets is included in other income.

Equity instruments:

The Company measures its equity investment other than in subsidiaries, joint ventures and associates at fair value through profit and loss.

(iii) Impairment of financial assets

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

o) Earnings Per Share

Basic earnings per share

Basic earnings per share is calculated by dividing:

- The profit attributable to owners of the Company
- By the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Diluted earnings per shares

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- The after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

36. Capital Risk Management:

The Company aim to manages its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

37. Contingent Liabilities: Nil(Previous Year - Nil)

38. Financial risk management objectives and policies

The Company's principal financial liabilities comprise trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance.

Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk.

Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables and deposits to landlords) and from its financing activities. The Company generally doesn't have collateral.

Trade Receivables and Security Deposits

Customer credit risk is managed by business through the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of each customer is assessed and credit limits are defined in accordance with this assessment. Outstanding customer receivables and security deposits are regularly monitored.

Liquidity Risk

The company's principal source of liquidity is cash and cash equivalents and the cash flow that is generated from operations. The company has no outstanding bank borrowings. The company believes that the working capital is sufficient to meet its current requirements. Accordingly, no liquidity risk is perceived

39. First time adoption of Ind AS

These financial statements, for the year ended 31 March 2018, are the first the Company has prepared in accordance with Ind AS. For periods up to and including the year ended 31 March 2017, the Company prepared its financial statements in accordance with Indian GAAP.

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on or after 31 March 2018, together with the comparative period data as at and for the year ended 31 March 2017, as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening statement of financial position was prepared as at 1 April 2016, the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the statement of financial position as at 1 April 2016 and the financial statements as at and for the year ended 31 March 2017.

Exemption Applied

Ind AS 101 allows first-time adopters certain mandatory and voluntary exemptions from the retrospective application of certain requirements under Ind AS. The Company has applied the exemption with respect to Property, Plant & Equipment.

As permitted by IND AS 101, the Company has elected to continue with the carrying values under previous GAAP for all the items of property, plant & equipment.

Estimates

The estimates at 1 April 2016 and at 31 March 2017 are consistent with those made for the same dates in accordance with Indian GAAP (after adjustments to reflect any differences in accounting policies) apart from impairment of financial assets based on expected credit loss model where application of Indian GAAP did not require estimation.
