Jain, Managing Director, of the company stated that "As guided and promised, we are close to hitting Rs 1,000 Crore AUM (Rs 944 Crore as of 31 Dec 2025). This pace of growth over the past few years showcases our efforts in scaling up our AUM and disbursements, led by strong network expansion, team expansion, adequate and timely availability of capital.

However, inspite of growing at this pace, we have continued to maintain our asset quality with GNPA's moving below the 2% mark, while NNPA's sustained in a comfortable range of 0.60% to 0.75%. In Q3, we disbursed ₹107 crore, while new approvals reached at ₹130 crore. Our average ticket size has inched up to Rs 13 Lacs and so has our tenure which now stands at ~10 years.

Our Net Profit for the quarter crossed Rs 8 Crore, justifying our efforts and costs involved in expanding our network, whereby costs were front ended.
