IDBI Bank on turnaround path exhibits Strong Capital position

Highlights of Q3 FY 19 (Quarter ending Dec 31, 2018) Financial Results

LIC's Investment in IDBI Bank: A win-win deal

- Majority stake acquisition in IDBI Bank by LIC will lead to creation of one-of-its-kind financial conglomerate in the Indian banking space.
- Strategic Alliance is a win-win situation for both LIC & IDBI Bank making them well-positioned to unlock value-enhancing business opportunities for all the stakeholders.
- LIC and IDBI Bank can realize their business potential in numerous ways by focusing on cross-selling of products and services through the shared branch and staff network, which can help in driving the Bank's retail business growth, thereby de-risking its business portfolio, paving the way for improved operations and better financial performance.
- Some of the areas of business synergy include the following:
 - Extend LIC's outreach by designating IDBI Bank's 1800+ branches as Customer Zone for cross-sell and servicing of LIC's insurance products.

- Tap LIC's wide distribution network, including 10 lakh+ agents, to cross-sell the Bank's products & services.
 - Engage the Bank as a primary bank for LIC for extending banking services such as deposit and current account facilities, CMS etc.
 - Cross-sell IDBI Bank's retail loans to LIC's customers, active agents and employees by extending attractive offers.
 - Extend broking, investment and advisory services to LIC on its future acquisitions and selloffs.
- The Bank will be well-positioned to return to a profitable growth path and exit PCA in a time-bound manner, aiding in improvement in its valuation. This is likely to ensure wealth maximization for all its investors, including LIC and GoI, who can realize higher return on their investment.
